

Permit Me 211

Chapter 211 Are you cold-blooded?

” good, you did well. organize the people to board the plane. the rest of you, get on the bus as soon as possible. ”

“It’s young master ya.”

Looking at Liancheng Yazhi arranging everything in an orderly manner, Rong Yan’s nervous mood finally eased a little. The roar of the helicopter’s high-speed rotation made Rong Yan’s ears numb, and the strong wind from the rotation made her face hurt.

Liancheng Yazhi’s Black windbreaker fell and wrapped Rong Yan’s head inside. He quickly carried her onto the plane.

The cabin door closed and the cold air was finally cut off. The pilot said to Liancheng Yazhi, ” young master ya, we’ve already confirmed the location. We can fly there now.

Liancheng Yazhi grabbed Rong Yan’s hand tightly and ordered, ” “let’s take off,” After taking off, Rong Yan kept looking at her watch. It was already 10:30 in the evening, and she didn’t know how Rong nuo was doing.

Liancheng Yazhi raised his hand and pinched Rong Yan’s face.”Don’t worry, we’ll make it in time.”

after he finished speaking, he pressed rong yan into his arms and placed his big hand on her cold face.

he muttered,”are you a cold-blooded animal?” It’s not hot even after such a long time.”

Rong Yan’s body trembled. Indeed, she was a cold-blooded animal with a heart that could not be warmed no matter how hard she tried.

Rong Yan pretended not to hear him and grabbed his sleeve. I’m afraid that Qianqian, Rong Jia, and Jiang nuanxia will change their minds at the last minute. Then Qianqian ...

Liancheng Yazhi's lips curled up and he smiled gently at her. "Change your mind? Then just wait to be destroyed."

Secretary Zhou shivered and lowered his head. young master ya, you'd better smile more frivolously. I'll be scared if you do this. I'll really be scared.

Just as she was thinking about it, the sound of a call came from her earpiece. After Secretary Zhou heard it, he quickly said to Liancheng Yazhi, " young master ya and the others have arrived at their destination. They're still 500 meters away from the target. Should we fly over directly or get off the plane and approach silently? "

Liancheng Yazhi was silent for two seconds before he said,"get off the plane and approach silently."

Secretary Zhou quickly passed on his order.

"Young master ya, we'll be there in five minutes," the pilot said.

Liancheng Yazhi patted Rong Yan's shoulder."Don't worry, we'll be there soon."

Rong Yan reached out and grabbed Liancheng Yazhi's big hand. Her beautiful and moving eyes exuded a strong ruthlessness as she looked at him and said, " "Those two women, catch them. Don't let them die so quickly."

Liancheng Yazhi raised his eyebrows. This little woman's viciousness seemed to be quite moving. Her eyes were brighter than usual, and it made people's hearts itch. He suppressed the heat that wanted to rise up and said,"good yingluo."

Liancheng Yazhi knew that there was no time for them to be intimate now. If he really dared to reveal any of his thoughts, Rong Yan would definitely despise him from the bottom of her heart. [Secretary Zhou: boss, it's good that you remember. Control your lower body so that you can have the beauty.]

=====

Time passed by, and it was already 10:41 P. M. The surroundings were quiet, and there was no movement.

Rong nuo was tied to a chair. Her wrists and ankles were almost numb from being tied up for a long time. The pain on her face was like a burning fire, but her thoughts were getting clearer and clearer.

She had heard the conversation between Rong Yan, Rong Jia, and Jiang nuanxia. Her eldest sister was trying to find a way to save her, and that person was probably coming soon. She had to be strong and hold on until they arrived.

Chapter 212 a poisonous snake

Time seemed to pass very slowly, and Rong Jia's mood suddenly became more and more irritable. She cursed Rong Yan and would go up to Rong nuo and give him a beating every now and then.

Rong Jia's emotions were becoming more and more unstable, and her eyes were becoming crazed. She was not in a good mental state.

Jiang nuanxia watched coldly from the side. Her eyes were like a venomous snake lurking in the dark, watching the three Rong sisters fight each other.

After a while, she saw that Rong nuo seemed to be unable to hold on any longer and said to the beggar standing next to her, "You two, go up and pull her away."

The two beggars walked up with blank expressions, grabbed Rong Jia's arms, and pulled her to the side.

in this situation, rong jia was not in a good state of mind, so jiang nuanxia could control the situation as she wished.

She walked in front of Rong nuo and reached out her skinny hand to pinch Rong nuo's chin. Looking at her red and swollen cheek, she clicked her tongue and said, "such a beautiful little face was beaten up like this. it's really a pity. tsk, your second sister really doesn't know how to show tenderness to women. if it were me, i wouldn't bear to hit your face. with this face of yours, you can definitely be sold for a good price."

Any beautiful woman would like to see someone better looking than her, especially someone like Jiang nuanxia, who used to be beautiful but now looked Haggard and had a twisted heart.

When she saw Rong nuo's young, beautiful, and energetic face and body, it was as if she wanted to tear apart her innocence, her young beauty, and let her fall into the mud, never to climb out.

She had already lost it, so she had to see others lose it in exchange for a little twisted sense of balance.

So, she changed her mind again. She laughed like a madman and said, "there's less than 20 minutes left. I'm afraid your good sister won't be coming. Come and choose, which one of these people do you want to lose your virginity to?"

Rong nuo's heart trembled. If her second sister, Rong Jia, was a lunatic, then this woman was a venomous snake. She could not bear to see anyone better than her.

Rong nuo forced himself to calm down. why are you in such a hurry? But can't you wait for 20 minutes? If my big sister can't come by 11, you'll have plenty of time to torture me. "

Jiang nuanxia said sympathetically, "look at how calm you are. You're so much better than your stupid second sister. But you're right, Yueyue. I'm really anxious. I can't wait to see your clean body being trampled on and humiliated. I want to see if a good student like you, the future pillar of our country, can still have a bright future after being thrown into a quagmire.

Rong nuo said hatefully,"Hmph, so what if you saw it? I'm miserable, but you'll only be worse off than me. At most, my body will be violated, but you won't even have your life!"

Jiang nuanxia said with confidence, " "Don't worry, I'll definitely make it out."

she stood up straight and pointed at the beggars whose eyes were filled with lust and greed. "come on, pick one. do you want to come one by one or let the four of them come up together?"

gritting her teeth, rong nuo glared at jiang nuanxia with hatred. for the first time in her life, she wanted to die alone.

Jiang nuanxia was even more pleased with herself when she saw Rong nuo's hateful eyes. She laughed and said, " "Since you don't want to tell me, I'll help you pick one. Look, how about the one with the highest character? But I've been drooling at you for a long time."

Chapter 213 Successful rescue

Jiang nuanxia pointed at the beggar and said, "come over here and take good care of this little girl. She's still a Virgin with a delicate body. You have to take care of her.

A beggar with a dark face and a Hunchback whose age could not be seen was the first to walk up, rubbing his hands with a lecherous smile. He circled around ronnuo, and the stench on his body made ronnuo want to vomit.

Rong nuo resisted the urge to vomit and sternly said, " if you touch me, you'll be dead. You won't live to see tomorrow.

He drooled as he extended his dirty hands towards rongruo."I haven't touched a woman for ten years. If I can sleep with a little girl like you, even if I die, it'll be worth it. Hahaha Yingluo."

those disgusting hands tore off ronnuo's clothes. she did not cry, she did not close her eyes, even if she was on the verge of despair.

Rong nuo's eyes were no longer pure and kind. She looked at Jiang nuanxia, who was laughing wildly and arrogantly, and said word by word, " "I won't let you go, I'll make you all die!"

With a tearing sound, the tight shirt was torn, and the girl's white skin that had not been contaminated by the secular world was exposed to the cold air.

The beggar's eyes were bloodshot, and he couldn't wait to strip off his clothes, pouncing at Rong nuo like a horny male beast.

However-

The moment his hand touched ronnuo's skin, the door of the warehouse was blown open from the outside with a bang. Before the smoke cleared, a few fully armed men rushed out.

Under Jiang nuanxia's incredulous gaze, the person in front raised his gun. With a loud bang, a bullet was fired from the gun.

at that moment, time seemed to have stopped. the bullet pierced through the air, and the beggar who was pressing down on rong nuo and tearing her clothes was shot in the head. warm blood spurted out and splattered all over rong nuo. however, the smell of blood did not scare her. instead, it woke her up from the panic and despair, because she knew that she was saved.

The beggar's body fell to the ground. Surprisingly, he had been shot in the head twice. One had been shot in between his eyebrows, and the other had been shot in the back of his head. The two bullets had hit the same person's head from two different directions.

Just now, everyone had only seen the person who had rushed in from the front fire a shot. What about the other shot?

Jiang nuanxia jerked her head back to look behind Rong nuo. A square hole had opened up in the ground not far behind Rong nuo, and a group of armed soldiers in camouflage uniforms crawled out of it silently.

Their guns were all equipped with silencers, so no one had heard the loud sound of the shot.

Jiang nuanxia's eyes almost popped out of their sockets when she saw the ghostly soldiers. She screamed, "How did you know that there was a secret escape route here?"

She had encouraged Rong Jia to choose this place because her father used to be a worker in this textile factory, so she knew that there was an escape route under this abandoned warehouse. It was originally built to prevent fire and other special situations, so that they could escape quickly.

Jiang nuanxia's plan was to quickly jump in and seal the entrance if anything happened outside so that she could escape on her own.

That was why she dared to be so arrogant towards Rong nuo.

Chapter 214 This man is here

That was why she dared to be so arrogant towards Rong nuo.

Of course, no one would answer Jiang nuanxia's voice. At this moment, the people who had rushed in from the door and the people who had come from the secret passage probably thought she was dead.

The warehouse was deathly silent. No one moved. Jiang nuanxia had collapsed to the ground in fear. After the gunshot, the beggars were all trembling on the ground. Only Rong Jia was sitting on the ground, mumbling something crazy. She had completely lost her mind.

No one went to untie Rong nuo, and Rong nuo's frightened heart slowly calmed down. Suddenly, footsteps came from outside the warehouse, and Rong nuo immediately looked up.

The footsteps were getting closer and closer. Under the dim yellow light, Rong nuo saw a tall figure appear at the door. He walked over step by step, and the suffocating anger on his body pressed down. Rong nuo looked at the person

who walked in and for the first time, he felt that this sinister man also had a god-like side to him.

He finally walked in front of Rong nuo, his tall body completely covering her.

His eyes were as sharp as a blade, cutting Rong nuo's petite body into countless pieces.

The fear that Rong nuo had just calmed down spread again. She stuck out her tongue and licked her dry lips as she trembled and said, "I'm Yingying!"

He shouted coldly, "shut up, Yingluo!"

His voice was hundreds of times colder than the cold wind outside. Rong nuo trembled and did not dare to say another word.

He stretched out his hand. His slender and perfect hand glowed with a cold luster under the dim light.

A soldier walked over and placed a military dagger in his hands.

He took the dagger and with a few swishes, he cut off all the ropes binding ronnuo. The next second, the dark blue suit jacket he was wearing fell on ronnuo.

The aura that belonged to him instantly enveloped Rong nuo's body. Just like him, he looked gentle and elegant, but he carried a domineering possessiveness, which made her desperate and fearful heart find a place to rely on.

At this moment, Rong nuo was overjoyed because she was saved. This man had come!

He threw the dagger away. It flew out and stabbed Jiang nuanxia's thigh accurately as if it had eyes. She screamed in pain and rolled on the ground, holding her leg.

He bent down to pick up Rong nuo and strode out. When he passed by the Men in Black at the door, he stopped and asked, "Who sent you?"

“We are young master ya’s men. We were ordered to save miss Rong’s sister: : the man who had fired the first shot stood out and answered:

After hearing the second half of the sentence, Rong nuo stuck his head out of his arms. did my big sister ask you to come? ”

This news was absolutely delightful for Rong nuo, because Rong Yan had not given up on her. She had found someone to save her and rushed to break in at the most important time to successfully save her.

If Rong Yan hadn’t come this time, or if she hadn’t arrived in time, then perhaps Rong nuo herself wouldn’t have known how her relationship with Rong Yan would have gone in the future.

“Yes, miss Rong and young master ya will be here soon.” The man nodded.

As soon as he finished speaking, the roar of a helicopter came from outside. He said, ” “They’ve arrived.”

rong nuo still wanted to speak, but the person holding her chided, ” “If it wasn’t for her, you would’ve gotten into this mess today.”

Rong nuo shrunk his neck,”big sister was just whining, and she didn’t whine on purpose.”

Chapter 215 Stop worrying

Rong nuo shrunk his neck,”big sister was just whining, and she didn’t whine on purpose.”

“You have the strength now, right?”

“No, it’s not Yingluo.”

Rong nuo’s entire body was in pain. He had been saved from the brink of death, but his heart had not completely settled. Since he knew that his elder sister was worried about him, and she was fine now, Qianqian didn’t have to worry anymore.

As for the two women, she turned around to look at the crazy Rong Jia and Jiang nuanxia, who was wailing in pain. She smiled and said, ” I told you that you would regret this.

“Where are they?” Rong nuo grabbed his arm.

“Leave it to your big sister. She’s much more ruthless than you.”

He instructed Liancheng Yazhi’s men, ” “Take the two women away and let Liancheng deal with them. Deal with the rest.”

“Yes, I understand.”

They all knew that the so-called “handling” was to silence him.

Ronnuo was finally carried out of the warehouse by that person. At this moment, outside the warehouse, there was a bustling canbi vegetable market, helicopters, and military off-road. Jeeps, high-class cars, everything was available. Those who didn’t know would think that a major accident had happened.

Liancheng Yazhi jumped out of the helicopter with Rong Yan in his arms. As soon as he got out, he saw a familiar person leaning against the door of a military off-road car parked not far away. He was dressed in handsome camouflage and the insignia on his shoulder was very eye-catching.

Liancheng Yazhi walked over and asked in surprise, ” “Kang Zhen? What are you doing here?”

Rong Yan wanted to rush to Rong nuo, but Liancheng Yazhi’s grip was too tight, and she could not break free at all.

Kang Yi turned around and threw the gun to the guard behind him.

I went back to the capital today to report my experience in this exercise. In the end, someone more anxious than you called me over from the headquarters and insisted that I send a few military aircraft with satellite positioning. If I still couldn’t find them, he would blow the capital up.

he pouted. ” i thought it was a terrorist attack on the capital. even the ace special forces in my hands have been mobilized. i didn’t expect that they would be so reckless. ”

Kang Zhen’s evil face was full of disdain after he finished speaking, as if he couldn’t be bothered to continue.

Liancheng Yazhi was even more confused. who called you? ”

Kang Rong turned around and lifted the car in front of him. Liancheng Yazhi only saw a tall figure carrying a person in his arms. He quickly walked into a black domestic car. The door closed and the car started quickly. Soon, it left the lively Place and disappeared into the night.

They left in a carefree manner, leaving the rest of the mess to others.

Liancheng Yazhi was stunned for a moment, and there was a touch of disbelief in his eyes. After he came back to his senses, the corners of his mouth twitched twice. He lowered his head and cursed, but no one could hear what he said clearly.

Rong Yan was not interested in their conversation. She had been looking at the person who came out of the warehouse, but she did not see Rong nuo. She wanted to rush in to look for him several times, but young master ya grabbed her hand so tightly that she could not break it away.

Rong Yan pulled his hand and asked anxiously, "Where's Rong nuo? why haven't I seen her yet? is she still not out?"

Of course, there was something else she didn't say out loud.

where were rong jia and jiang nuanxia, those two b/tches? she couldn't wait to see them and trample on them so that they would never be able to make/comeback.

This time, I'm going to get rid of them completely, Yingluo.

Liancheng Yazhi reached out and wrapped his arms around her neck to stop her from moving. don't worry about it. She's already been taken away.

Chapter 216 Stop worrying

Liancheng Yazhi reached out and wrapped his arms around her neck to stop her from moving. don't worry about it. She has already been taken away.

Rong Yan was very surprised when she heard this. taken away? why didn't I see him? " by who? Is there still any danger?"

"Dangerous?" Liancheng Yazhi groaned in a low voice. It seemed that Yingluo would not be safe if she was taken away by that guy. A beast in human clothing and a Little Red Riding Hood. Tsk, his taste was really something that one did not know what to say.

However, he couldn't tell Rong Yan about this. Otherwise, would she be able to live in peace today?

Liancheng Yazhi shook his head against his will. No. She has already been rescued safely.

rong yan felt that liancheng yazhi's words could not be trusted. " then tell me who it is? I can only feel at ease when I see her. "

Liancheng Yazhi lifted Rong Yan's chin and said with a dark and unhappy expression, " "She has her man to take care of her. You just have to take care of your man."

"What?" Rong Yan paused. She didn't quite understand what he meant. What did he mean by urging her to be free and for her man to care?

Was he talking about rongruo? She was only 17 years old this year. What kind of man did she have?

rong yan's eyes immediately became fierce. she pounced forward and grabbed the clothes at liancheng yazhi's chest. her eyes met his as she asked loudly, " "Tell me clearly, who did she leave with? Who is that man?"

This news was extremely shocking to Rong Yan. Men? Rong nuo already has a man?

Liancheng Yazhi leaned back slightly and held Rong Yan's thin waist with both hands to prevent the two of them from falling together. He pouted and said, " "You two sisters are really capable."

"What do you mean?"

nothing much. You're underestimating your sister. Even without me, she would be fine now. She has her man to protect her. She's not a child anymore. She's a 17-year-old girl who knows everything. You can't control her, so don't waste your energy on her. after he finished speaking, liancheng yazhi frowned. seriously, why did he have to explain it to her so clearly?

"You only need to do two things. Second, let me sleep with you. If you don't understand, you can do it as a task."

Liancheng Yazhi didn't care that there were people around and said such explicit words in a serious manner as if it was only natural.

Rong Yan gritted her teeth in anger. Mr. Liancheng, I did these two things very well. When have I not let you have your fun? " she asked. Of course, there might

be a few accidents, but there are rest days when I work normally. I do high-intensity physical work, so I should have time to rest.”

After saying this, Rong Yan regretted it so much that she really wanted to bite off her tongue. Damn bastard, she had clearly wanted to ask about Rong nuo, so how did he bring her to this question?

Secretary Zhou stood in the cold wind and looked up at the dark sky. Miss Rong, boss, please don't treat us onlookers as passers-by, okay?

Secretary Zhou deeply felt that it was really embarrassing to have such a boss who said such shameless words in front of so many people and yet still took it so seriously.

If he could return to the past, could he apply to the old man to change the boss?
[Rong Yan: Secretary Zhou, does your boss know how sincere you are? What would you do if he knew?]

Liancheng Yazhi coldly glanced at Rong Yan from head to toe.”You’ve really become more capable.”

Chapter 217 Our family matters

Rong Yan cursed Liancheng Yazhi in her heart, but her expression changed. She smiled and grabbed Liancheng Yazhi's hand, acting coquettishly. Mr. Liancheng, this is our family matter. Let's go back and talk about it, okay? I have to know about Rong nuo's condition now.

Rong Yan really wanted to pull Liancheng Yazhi's ear and yell at him, but Huahua didn't dare to do so now, okay?

he had just helped her save her sister. if she dared to burn the bridge now, she would be skinned and torn apart tonight.

Rong Yan's 'family matters' pleased Liancheng Yazhi. He snorted but did not shake off her hand.”She's good, better than you.”

“Can I see her?” Rong Yan asked tentatively.

“Not today. Maybe two days later.”

Since Liancheng Yazhi had said so, Rong Yan knew that she would definitely not be able to see Rong nuo today. The countless questions in her heart could only be suppressed for now.

“Then, ran ran, you really can’t tell me who took Rong nuo away?”

Liancheng Yazhi squeezed Rong Yan’s hand. It had been hard for her to warm it up on the plane, but now it was as cold as ice. He grabbed Rong Yan’s hand and put it in his pocket, saying, “ask her when you see her. See if she’s willing to tell you. If she’s not willing, then I don’t want to meddle in other people’s business.

Rong Yan sighed, “alright, Yingluo.”

However, it was a good thing that she had other things to do besides Rong nuo.

Finally, she could deal with that b * tch Jiang nuanxia. Rong Yan started to feel excited.

The blood in her body was boiling. On this cold night, she was so excited that she couldn’t even feel the cold.

“Where are the two women?” Rong Yan asked Liancheng Yazhi.

Liancheng Yazhi glanced at her and could not help but laugh when he saw the two small flames in her eyes.

He turned to look at Secretary Zhou, who immediately understood his boss’s intention. He hurried into the warehouse, and soon, the people sent by Liancheng Yazhi came out with Jiang nuanxia and Rong Jia.

When he arrived in front of them, he casually threw two of them aside. “Young master ya, I’ve brought her here.”

Liancheng Yazhi did not even bother to look at her. “First, take him to the car.”

just as rong yan was about to speak, liancheng yazhi said, “ ” i know what you want to do. we’ll talk about it when we get back. it’s so cold out here. you want to freeze, but i don’t. ”

Secretary Zhou pouted. Young master ya, you can’t do this. If you care about miss Rong, you have to let her know. Don’t show your concern for her and make her dislike you. It’s not worth it!

Rong Yan had no choice but to agree. She looked down at Jiang nuanxia and saw that there was still a dagger stuck in her thigh. The blood had soaked her pants and her face was as pale as a ghost. She was covered in mud from head to toe after being dragged along the road. Due to the excessive blood loss, she was gradually losing consciousness.

rong yan walked over and stepped on jiang nuanxia's face with her clean sheepskin boots, a sinister smile on her lips. "Bandage her up. Don't let her die so easily."

Then she bent down slightly and said to Jiang nuanxia, "Jiang nuanxia, our long-awaited meeting is finally here. I believe that the rest of our time together will be very pleasant for Qianqian."

rong yan's voice was very tactful and moving, but it made all the men around her shiver when they heard her words.

Liancheng Yazhi reached out to pull Rong Yan back and ordered Secretary Zhou, "Take him away."

Chapter 218 Master Sheng's awareness

jiang nuanxia and rong jia were quickly brought into the car. the people sent by liancheng yazhi were also assembled. some got on the car, and some got on the plane. soon, the crowded place was much more empty, leaving only a few military off-road vehicles and jeeps.

Kang Xi kicked his guard. get those silly boys out. They're all gone, what are they still doing in there? "

The guard quickly made a very standard backward turn and then started running.

After a while, the soldiers who came out of the secret passage came out. Their faces were painted, and their faces could not be seen at all. They only revealed their white teeth.

The few of them were confused and started asking questions when they saw Kang Yu.

"No way, Captain Yingluo, we came here to do this? you only shot once, and it was against a few beggars?"

"Yeah, I thought they were here to fight the terrorists."

commander, this is too funny. Are you sure you're not playing with us? "

Kang Zhen was already in a bad mood. He was called here to deal with two women and a few beggars. It was one thing, but the bastard who called him here didn't even show his face. He was the first one to run away with his woman. It was really infuriating.

Kang Yu glared at them and raised his voice, "all of you shut up. it is your responsibility to protect the lives and property of the people. don't think that you are great just because you are an ace soldier. you don't even have this bit of awareness. go back and write a reflection. 5000 words, handwritten, neat handwriting."

Kang Zhen's guard rolled his eyes.

awareness?

Major General, are you joking about the universe? your wife is also a citizen. why didn't you protect her? when she committed suicide, you were just short of celebrating with the world.

Seeing the soldiers get into the car with a sad face and wailing, Kang Chen turned to Liancheng Yazhi and said, "I was called here to make up the numbers. Now that the problem has been solved, I have nothing to do."

"How long will you be staying this time?" Liancheng Yazhi asked.

I'm on vacation this time. If there aren't any urgent missions, it'll be about a month.

"Sure, let's meet up in two days."

kang yu nodded and was about to say goodbye to liancheng yazhi when his guard came over with his phone and whispered, "Young Madam, she's ..."

The last part of his sentence was said in a hushed voice. Only Kang Zhen could bear it. As the guard spoke, Kang Zhen's expression slowly turned ugly. His eyes became extremely fierce. The killing intent that he had accumulated from years of experience on the battlefield made it difficult for the people around him to breathe.

"I still have things to do, so I'll be leaving first." After saying that, Kang Xi turned around, opened the door and sat in the driver's seat. His guard hurriedly sat in the front passenger seat. Before the door was closed, Kang Xi had already started the car. He stepped on the gas pedal and the off-road vehicle instantly shot out like a rocket.

After everyone had left, Rong Yan tugged at Liancheng Yazhi's sleeve. "Let's go."

Of course, they didn't need to take the helicopter back. Liancheng Yazhi pulled Rong Yan into the car, and the temperature in the car slowly drove away the chill

in his body. He held Rong Yan and scolded her like he was lecturing a child, "don't come out so often in the future."

Rong Yan understood what Liancheng Yazhi meant this time. She leaned in his arms and nodded."Yes, I know it's cold outside and the air isn't good. I'll try not to come out in the future."

Chapter 219 Thank you, Liancheng Yazhi!

Liancheng Yazhi clicked his tongue and seemed to be impatient, but his hands hugged Rong Yan even tighter.

Secretary Zhou drove the car obediently and looked straight ahead. Anything could happen when the two of them were alone, so he must not look at them. However, it was still okay for Yingying to listen.

After experiencing this chaos, things had finally settled down. The two of them leaned against each other, absorbing each other's warmth. It was as if the world had quieted down at this moment, and only they were each other. [young master ya: I'm the one who's giving her warmth, okay?]

She had been worried from the afternoon until midnight. Now that Rong nuo was safe, Rong Yan could finally put her heart at ease. Sitting in the car, she had a lot to say to Liancheng Yazhi, but after a while, her eyelids began to fight, and she fell asleep while leaning on Liancheng Yazhi in a daze.

Liancheng Yazhi had been waiting for Rong Yan to talk to him, but she didn't even make a sound after being in a daze for a long time. Young master ya looked down and saw that Rong Yan was sleeping just right. Her cheeks were red and tender, and her lips were slightly open. She slept very peacefully in her arms.

The corner of Liancheng Yazhi's mouth twitched. you slept well.

He felt that he should have shaken Rong Yan to wake her up, but seeing that she had been in a state of anxiety the whole day, he decided to let her sleep for a while. The rest of the things could be discussed after she woke up.

Liancheng Yazhi moved Rong Yan's body to a more comfortable position and closed his eyes to rest.

When they arrived at block A, Secretary Zhou stopped the car smoothly. He glanced at the two people in the back seat and wondered if young master ya was asleep or resting with his eyes closed.

Secretary Zhou looked at the time. It was already past midnight.

He hesitated for a moment before calling out in a gentle voice, " "Young master ya, we're here."

Liancheng Yazhi's eyes opened. No matter the time, even if he was asleep, his vigilance was still very high. He would never let himself completely let down his guard.

Liancheng Yazhi took off his coat and covered Rong Yan with it, then carried her out of the car. wait for my call tomorrow.

Secretary Zhou said in a low voice,"it's Yingluo."

He watched as Liancheng Yazhi entered the main gate of block A of the Empire before driving away.

On the way, Secretary Zhou mumbled to himself, " young master ya saved miss Rong's sister. Miss Rong will definitely be very grateful to him this time. She will definitely do everything to thank young master ya. As long as miss Rong serves boss well and makes boss happy, I will not suffer any more. Miss Rong, you are the one sent to save the Galaxy.

=====

When Liancheng Yazhi put Rong Yan down, she just woke up. She opened her hazy eyes and said softly, " "Liancheng Yazhi, thank you."

rong yan was really grateful to liancheng yazhi for what happened today.

Although there was another group of people who had gone to save Rong nuo at that time, this did not prevent Rong Yan from being grateful to Liancheng Yazhi at this moment.

That was why she called his name when she thanked him and not 'Mr. Liancheng' because she wanted to thank Liancheng Yazhi and not the sugar daddy who kept her.

The corners of Liancheng Yazhi's mouth curled up involuntarily. He was waiting for Rong Yan's gratitude. If she dared not even say thank you, then tonight, tomorrow night, the night after tomorrow, he would have the time to get back at her for tonight.

Chapter 220 iou?

Liancheng Yazhi pressed down on Rong Yan and spun her around, letting her lie on top of him. He pinched her cheek and asked, " "Thank me? what are you going to thank me with?"

Rong Yan tilted her head as if she was thinking hard. Finally, she wrapped her arms around his neck and said with a troubled expression, "Everything I have now is given to me by you. I don't seem to have anything to thank you with. I can thank you with my body, but I'm a kept woman, and it's my job to serve you. It's so difficult!"

Liancheng Yazhi raised his hand and smacked her butt. don't think I don't know what you're thinking. Don't try to fool me. If you can't think of how to thank me, then you owe me.

Rong Yan pouted and twisted her body. "i'm not trying to fool you. i'm seriously thinking about it, but you don't lack anything. you don't care about what i give you."

Liancheng Yazhi straightened her face and said word by word, "it's up to me to decide whether you lack it or not. As for whether you want it or not, you can take it out first.

Rong Yan gulped. Liancheng Yazhi was so serious when he said this that it made her a little nervous. It was as if he would not forgive her if she did not give him a gift of thanks.

"I'll owe you first, okay? I can't just give you a gift as a thank you," Rong Yan said carefully.

"Alright, I'll keep it. Let's write an IOU tomorrow."

rong yan laughed dryly. "you're really good at joking. how can you write an iou?"

"Since you think it's a joke, you can write it now." as he spoke, liancheng yazhi sat up and pulled her out of bed.

five minutes later, rong yan looked at the A4 paper in front of her. there were a few rows of words written on it, and the title at the top was "iou."

rong yan was speechless. she really wanted to say, Mr. Liancheng, can you not be so funny? you're too stingy.

he clearly didn't lack anything, and he clearly had everything that others envied, envied, and hated.

'drunk on a beauty's lap, awake and in control of the world', these words were his portrayal. why should he be bothered about her so-called gift of thanks?

Rong Yan sighed with emotion. If she had known, she wouldn't have even said thank you. This guy was too difficult to deal with.

She had thought that she could just say thank you or say a few good words and this matter would be settled. Who would have thought that things would escalate to the point of writing an IOU? moreover, it seemed that the other party's sugar daddy was very serious and would not give up until he signed the IOU.

Rong Yan didn't know why she couldn't pick up the pen when she looked at the IOU in front of her. She felt that if she signed this name, she didn't know what would happen in the future. Also, this feeling was similar to when she signed the contract to sell herself.

lian Cheng yazhi stood opposite rong yan with his arms crossed and looked down at her. seeing that she was still not writing and had a hesitant expression on her face, his sugar daddy was unhappy and said, " " sign it. do you want to go back on your word? or is it that you're just thanking me casually without any sincerity? "

rong yan immediately shook her head. " no, no, no, of course not. i'm full of sincerity. it's even darker than the night outside. mr. lian Cheng, please believe me. "

Her sugar daddy gave her a fake smile, which clearly meant: i'd be a fool to believe you.

Lian Cheng Yazhi lifted his chin. alright, I believe you. Hurry up and sign it.
