

Chapter 2111: I'll feed you

“Alright, I’ll tell you in a few days. Quickly dry your hair. Don’t catch a cold,” Rong Yan said.

normally, he would definitely want rong yan to help him wipe it, but now he was sitting there and very obediently wiping it himself.

Liancheng Yazhi glanced at the little guy who was sleeping soundly in Rong Yan's arms. "Him? just call him by a random name, Yingluo."

Rong Yan glared at him, 'how can I be so casual? You can think Of one.'

Liancheng Yazhi originally wanted to say that they had agreed not to let Rong Yan think of the child's name, but he stopped himself halfway through his words.

even if he couldn't, he still had his father-in-law, right?

gu hesheng put down the packed food and said to the two Of them, “There aren’t any good restaurants around the hospital, so I didn’t dare to buy anything. I just picked two simple dishes. You two eat a little. The Butler has already prepared the food and will send it over soon.”

Gu Hesheng waved his hand with a smile. it's alright. We didn't go far. You two don't have to worry about me. Hurry up and eat.

“Grandpa, ?????? the elder sister.”

Liancheng Yazhi and Rong Yan looked at each other and smiled. This kind of home that was full of laughter and warmth.

Liancheng Yazhi opened the food that Gu Hesheng had brought back and picked up a bowl of hot porridge that was emitting white smoke. He scooped a spoonful of it and blew on it gently a few times before bringing it to Rong Yan's mouth. His actions were very skilled and not unfamiliar at all.

Rong Yan's face heated up. This was in front of her father and daughter.

Rong Yan said in a low voice, there's no need. I can do it myself. You haven't had a good meal for two days. You can go and eat first.

Liancheng yazhi didn't mind being looked at by his father-in-law and daughter at all. he said, ” “I'll eat after you.”

“But Yingluo”

Liancheng Yazhi said gently, ” be good. Open your mouth. Be careful. It's hot. Drink slowly.

Rong Yan couldn't say anything more and could only open her mouth and drink it from Liancheng Yazhi's hand.

Liancheng Yazhi finished the bowl of porridge unhurriedly, and Rong Yan shook her head. I'm not eating anymore. Natsume said that he just woke up and can't eat so much at once. Let me control myself.

Liancheng Yazhi put down the bowl and picked up a piece of tissue paper to gently wipe the corners of Rong Yan's mouth. ” alright, i won't eat for now. you should rest for a while. when the butler comes, he'll bring home the food.

Rong Yan's heart ached for Liancheng Yazhi, who had not eaten much for nvo days, but still had to starve and feed her porridge. She urged, ” “En, Yingluo, don't worry about me. Quickly eat. ”

Rong Yan said this to Gu Hesheng while Liancheng Yazhi was eating. As she spoke, Rong Yan changed the topic to fourth master Xu.

dad, fourth master Xu didn't say anything when he left, ” Rong Yan said. I don't think it's a good idea. After all, he's been such a big help.

Gu Hesheng waved his hand, ” you two don't have to worry about this. He said that he doesn't want it, so you don't have to give it to him. I'll just give him two items later.

Rong Yan was surprised when she heard that. Your things are all treasures, Yingluo. ”

Gu Hesheng smiled and looked at Rong Yan, "silly girl, no matter how precious it is, it can't compare to you. Those things are dead. Even if they leave my hands today, who knows if they will return to my hands in a few years?"

Gu Hesheng's words instantly touched the soft spot in Rong Yan's heart. This time, she had really earned a happiness that she could not get in several lifetimes.

"Dad, thank you," Rong Yan said seriously.

"We're a family, there's no need to thank me."

After a while, Rong Yan hesitated and asked, "dad, are you close to that Wanwan, fourth master Xu?"

"Not bad, he's an old friend from many years ago,"

Rong Yan caught onto a bug in Gu Hesheng's words and asked, "Early years? Is Yingluo not on good terms with you now?"

His daughter was curious about him, so Gu Hesheng did not hide anything from Rong Yan. He told her, "how should I put it? but, I haven't contacted him in ten years, Yingluo.

when I was young, I did some ridiculous things. There was a period of time when I really liked Han Dynasty paint tools, so I wanted to buy them everywhere. Unfortunately, the paint tools that were circulating on the market were either fake, of poor quality, or they were collected in the National Museum. so, in order to find a good quality paint tool, I went around with a group of people who specialized in digging up a few Han Dynasty tombs and it was then that I met Xu Si. We got along very well and were quite close. we've been friends for many years, but hanhan had a disagreement ten years ago because of something. i had a big fight with him, and i said that i'd cut all ties with him and never ask him for help, so i haven't contacted hanhan for the past ten years."

If it wasn't for what happened to Rong Yan, Gu Hesheng and fourth master Xu might never see each other again until they died.

For her sake, Gu Hesheng had gone to beg the person he had sworn to never see again. This made Rong Yan feel guilty."Dad, did I make things difficult for you?"

Gu Hesheng quickly consoled him, "it's not difficult at all. You child, don't blame yourself for this. Even if we haven't seen each other for ten years, our friendship won't disappear just like that. It's just that we can't put down our pride. Your incident has become an opportunity for both of us to step down. This is a good thing for him and me.

Liancheng Yazhi gently patted Rong Yan's shoulder. "Don't blame yourself, it's none of your business."

Gu Hesheng nodded his head, "that's right. It's none of your business. For our family, the fact that you're awake is better than anything else. As long as you take care of your body, that's the best way to thank us. With Gu Hesheng's comfort, Rong Yan's emotions gradually calmed down.. She asked Gu Hesheng, Dad, does fourth master Xu's family do this?

Chapter 2113: I have to stay behind to accompany you

Gu Hesheng thought for a moment and said, “my ancestors don’t know. However, at least seven generations up in their family were quacks. It’s said that one of them was even a State Teacher. Who knows if it’s true?” In the past, he bragged that his ancestor was Xu Fu and that his family had been in the fortune-telling business for generations. But we can’t believe that. That old man loves to brag, and his own ability is not as good as his bragging.” Gu Hesheng’s words made Rong Yan and Liancheng Yazhi laugh.

Liancheng yazhi asked, ” ““since he can predict good and bad, what about his legs? what’s wrong with his legs? didn’t he predict it?”

Gu Hesheng laughed, “i’ve asked the same question. today, he said that he would no longer read people’s faces and predict their fortune. he said that he wanted to live longer. he told me that his legs were punished because he had exposed too many heavenly secrets. so, he will not speak nonsense again, hehe.”

Rong Yan heaved a sigh of relief in her heart. “Ah, Yingluo, so that’s how it is.”

If that was the case, then perhaps fourth master Xu wouldn’t tell anyone even if he could tell that she was different.

Rong Yan remembered what Xu Si had said to him before he left.

It’s not easy to live one life, and it’s even more difficult to live two lives. This man was actually telling her that he knew that she was a reincarnated person who had been resurrected from the dead.

Rong Yan sighed. In the past, she really didn’t believe that there would be someone who was so good at fortune-telling in this world. However, Xu Si’s appearance told her that there were many things in this world. It wasn’t that they didn’t exist, it was just that she hadn’t met them in the past.

Liancheng Yazhi saw that there was a slight change in Rong Yan’s expression. He didn’t know what she was thinking, but he reached out and grabbed her hand. Then, he smiled and said to Gu Hesheng, “Father-in-law, this kid doesn’t have a name yet. Why don’t you give him a name?” Rong Yan came back to her senses and nudged him, “didn’t i tell you to take it?”

You’re troubling dad again.”

Gu Hesheng smiled and said, ” it’s no trouble at all. It’s a good thing. I like it.

For an old man of his age, his biggest wish was for his family to be safe and healthy. He usually had nothing to do, so he was more than happy to give his child a name!

“Look, father -in-law is so happy, ” Liancheng Yazhi said to Rong Yan.

“you’re just being lazy,” Rong Yan said with a smile.

“i’m really not as knowledgeable as father -in -law, ” Liancheng yazhi said innocently.”what if i get a bad name? Such an important matter should naturally be handed over to the elders in the family.”

Rong Yan nodded. yes, yes. You’re right. It should be handed over to the elders.

Speaking of elders, Rong Yan paused. She hesitated before saying, "by the way, Yingluo, did you tell your father about this child's birth?"

No matter how much old master Liancheng did not get along with Liancheng Yazhi, he was his biological father and this child's grandfather after all.

Moreover, the Old master should be looking forward to having a grandson.

Liancheng Yazhi shook his head. not yet. I'll get Secretary Zhou to make a trip.

Rong Yan had not woken up for two days after giving birth. He didn't know how he had managed to survive these two days. Now that Rong Yan had finally woken up, he felt that there wasn't enough time to accompany her. How could he have the time to inform others?

Rong Yan felt that Liancheng Yazhi's actions might make the old man uncomfortable, so she said, can go by yourself."

Liancheng Yazhi gently patted her shoulder. I'll go later. For now, I have to stay with you..

Chapter 2114: The boss is giving out red packets

Liancheng Yazhi was not going anywhere now. He had to protect Rong Yan at all times.

After that, Liancheng Yazhi called Secretary Zhou.

now that rong yan was awake, it was time to announce the fact that the liancheng family had a little master.

After hanging up the phone, Secretary Zhou happily gestured a 'yay' at the computer.

He knew that young Madam would wake up. Young Madam was such a blessed person. How could she not be able to survive this? however, the best thing was that young master ya had finally come back to life.

secretary Zhou sighed and opened a multi-layered encrypted folder on his computer. there were a few photos inside. they were photos of him when he was young. there was a group photo with great-grandfather fang and two photos with the young liancheng yazhi.

One of them was of him standing under a parasol tree. It was probably when Liancheng Yazhi was 16 or 17 years old. He had his chin slightly raised, and his exquisite facial features were so beautiful that it was a little unreal. His handsome face had the tenderness of youth and also the masculinity of a man. In the blink of an eye, many years had passed, and that unruly young man had grown into a towering mountain with a home and children.

In the photo, Secretary Zhou stood straighter than a tree trunk behind Liancheng Yazhi. The shadow of the leaves fell on his body, making him look even more like a backdrop for Liancheng Yazhi.

If you didn't look carefully in this photo, you wouldn't even notice Secretary Zhou. Wherever Liancheng Yazhi was, he would hide himself in his place and would never block the slightest bit of his light.

Secretary Zhou suddenly felt like crying. He couldn't explain why. It was like a father or an elder brother watching his son and younger brother grow up, have their own family, and become real men. It was an indescribable pride.

of course, secretary Zhou did not dare to tell Liancheng Yazhi this. If young master Ya knew that he treated young master Ya as his son and brother, he would be beaten up.

After sighing, Secretary Zhou suppressed his excitement, stood up, clapped his hands, and said to all the employees in the secretary's office, "everyone, stop what you're doing. Now, all of you pass down a message. Tell the Department heads, Deputy department heads, and vice managers of each department to gather at the company's Hall. The time limit is seven minutes. Also, inform the finance department and ask their chief to call me immediately.

Secretary Zhou's phone rang less than ten seconds after he finished speaking. It was a call from the finance department.

After hanging up the phone, Secretary Zhou saw that it was almost time and rushed to the company's auditorium.

This time, more people were called, and it was a dark mass below.

Secretary Zhou stood on the stage, raised the microphone, and said, "Silence."

In an instant, no one spoke again. It was enough to show that Secretary Zhou had accumulated a lot of authority in the company during this time.

Secretary Zhou cleared his throat. today, I have good news for everyone. It's very good news.

The people below immediately started whispering. Secretary Zhou only knew how to urge them to work overtime. Would she even tell them good news?

Secretary Zhou's face was full of smiles. two days ago, on the day of the festival, our president's wife successfully gave birth to a young master. The boss is very happy and asked me to tell everyone the news on his behalf. At the same time, he will give out red packets to everyone. We don't give out red packets for the sake of it, but for the benefit of it. The red packets will be transferred to each of your salary cards one after another. When you go back, inform your employees..

Chapter 2115: Old master, I've brought you good news

after he finished his words, the audience became excited in a split second. the tide-like shrieks and applause sounded in the auditorium, almost breaking the dome.

"Secretary Zhou, we don't want red packets. Can you give us a day off?" someone shouted in the midst of the applause.

Secretary Zhou smiled and said, "you have two choices. First, you can take the red packet and continue to work overtime. Second, you can not take the red packet and continue to work overtime. Come on, you can choose.

Following Secretary Zhou's words, a wave of wailing soon sounded from below.

Secretary Zhou did not wait for them to finish wailing and said, alright, the news has been announced. Everyone, go back and do what you need to do.

Remember to finish your work on time.

the people below did not move. after a few seconds, they shouted in unison, ” congratulations, boss. Congratulations, boss lady Yingluo. Congratulations, Secretary Zhou.

Secretary Zhou’s smile deepened. I’ll convey your congratulations to my boss. I’ll try my best to get you a holiday at the end of the year.

After the company announced the news, Secretary Zhou quickly drove out and rushed to the sanatorium.

Their young master ya only cared about his wife now, and all the errands were left to him. Secretary Zhou sighed. As he got older and older, he was really becoming less and less capable!

when secretary Zhou arrived at the hospital, liancheng yazhi was watching television.

The television was showing the most popular parent-child program at the moment. The children’s laughter filled the room, and the mood of those who were listening to it improved.

Secretary Zhou sighed. This old man was so stubborn. In fact, he was also looking forward to having his children and grandchildren around him, but he refused to put down his pride and give in.

If only he wasn’t so stubborn and didn’t pursue unimportant matters, he would be able to live a simple and happy life like Mr. Gu.

Secretary Zhou knocked on the door. old master, May I come in? ”

When the old man saw that it was Secretary Zhou, he was so angry that he picked up the remote control and turned off the TV. “Hmph, didn’t you already come in? Why did Liancheng Yazhi ask you to come over and see if I’m dead?” secretary zhou walked in and stood resnecfully in front of old master

liancheng. he said, ” “No, I’m here today to tell you good news.”

“Good news?” the old man said angrily. what kind of happiness can you possibly have for me?”

Secretary Zhou bent over. not only am I happy, but I’m also very happy. You have a grandson now.

The old man was stunned for a moment and quickly asked, ” “What did you just

Secretary Zhou smiled and said, ” you have a grandson now. A biological grandson. The young Madam gave birth to a young master the night before yesterday. The young master is very healthy and very cute.

“Really?” After Secretary Zhou finished speaking, the old man’s face clearly showed excitement.

the old man valued men over women. in his mind, his grandson was the one who could inherit the family business and continue the entire lian Cheng family’s fireworks.

Secretary Zhou nodded. it's true. Young master ya and the young master are still in the hospital. Young master ya asked me to inform you.

"Yes, yes, the day is almost here. Wasn't there a Festival the day before yesterday? It's really a good day, Yingying. Why did you only tell me now about the night before?" The old man was still happy just now, but in the blink of an eye, he was angry.

Secretary Zhou had already expected this. He said, old master, something happened to young Madam after she gave birth and she only woke up today. Young master ya has been watching over her for the past two days..

Chapter 2116: The eldest grandson of the Lian Cheng family must be glorious

Secretary Zhou said, " well, young Madam just woke up, and he asked me to come and tell you the good news. Young master ya also asked me to tell you about it. He hopes you don't mind. He's just too worried about young Madam.

Secretary Zhou was a resourceful person who was very good at interpersonal communication. With a short sentence, he made old master Liancheng release his anger.

It was said that a woman's delivery was a trip to the gates of hell. Although Secretary Zhou said that Rong Yan and her child were safe, he also briefly explained that Rong Yan had not woken up for two days after giving birth. This was enough to show the degree of danger. Old master Liancheng was also a very sharp person, so of course, he could immediately tell that something was wrong with these words.

So, of course, he couldn't blame Liancheng Yazhi for not caring about his daughter-in-law's dangerous situation. Instead, he came to tell him the good news.

the good news was important, but the child's mother was more important.

Old master Liancheng might have wanted to show some concern for Rong Yan, but he didn't like her. He asked with a cold face, " "He's awake?"

Secretary Zhou nodded. yes, old master. Young Madam has already woken up.

The old man eased up a little. Hmph, I knew it. A disaster will last for a thousand years. She won't die so easily.

Secretary Zhou laughed. A scoundrel lives for a thousand years, that's longevity.

"Yes, you're right. Young Madam will definitely live to a hundred years old."

Lian Cheng family. Tell Liancheng Yazhi that the full moon banquet must be Grand."

Secretary Zhou smiled and nodded. yes, you're right. Young master ya will definitely do as you say. The little master's one-month birthday party must be the first Grand one.

"Tell Liancheng that I'm going to see my grandson in two days."

of course, the little Lord is your grandson. You can go and see him whenever you want. Young master ya can't stop you. secretary Zhou always bowed 15 degrees when he spoke to old master Liancheng. he was humble and respectful, and he always had a smile on his face. even if people were angry, they wouldn't be able to vent it.

Moreover, he knew very well what to say so that the old man wouldn't get angry. He also knew what to say so that the old man would be happy to hear him even though he knew he was lying.

For example, what he was saying now was clearly instructed by Liancheng Yazhi. If the old man wanted to see the child, he should agree, but he could say it in such a grand way.

the old man was in a good mood. he glared at secretary Zhou. "Don't try to bewitch me. Don't think I don't know what you're up to. You've been with Liancheng Yazhi for so many years, and you're not a good person either."

Secretary Zhou smiled and said, "that's for others. My little cleverness is nothing in front of you. You can see through me with one look."

Secretary Zhou could tell that the old master wanted to see the child immediately, but he probably considered that Rong Yan had just woken up and was in poor health, so it was inconvenient for her to go, so he held back.

"old master, i secretly took a picture of the young master when i went to the hospital yesterday. do you want to take a look?" he sighed.

After Secretary Zhou finished speaking, old master Zhou's eyes lit up, but he reached out to hit him. good boy, you actually dared to take a photo of my grandson. Bring it to me quickly.

"Don't be angry. I just couldn't help but take a picture because I saw that the young master was too cute." Secretary Zhou took out his phone and showed the old man the picture of the little guy.

the old man snatched the phone away. his hands trembled when he saw the little guy on the phone..

Chapter 2117: you're not worthy of my son

Secretary Zhou saw the tears in the old man's eyes and said, " "Old master, look, isn't the little Lord very cute?"

Old master Liancheng nodded. he looks exactly like Liancheng Yazhi when he was young. Not bad. Not bad, Yingluo.

No matter how prejudiced the old master was against Liancheng Yazhi, he could not say anything bad when he looked at the child.

This was the hope of the Lian Cheng family and the future of the entire family. Looking at the child, old master Liancheng's dislike for Rong Yan faded a little. their family had never had many children. now, Rong Yan was the first matriarch to give birth to two children in the past few generations. a boy and a girl. they were just right. very good, really not bad.

Secretary Zhou looked at the photo. To be honest, he felt that all newborn children looked similar. He really didn't find any similarities with young master ya. However, when he looked into the child's eyes, he could really feel that the child's heart was soft.

Secretary Zhou nodded and said, "yes, young master does look very similar to young master ya.

The old man looked at it for a while and nodded, "it's not bad to be like him, Yingluo."

Although he didn't like Liancheng Yazhi, he had to admit that his son was a very good man, much better than his father.

therefore, the old master did not think it was inappropriate for the child to be like Liancheng Yazhi.

The bigger the Lian Cheng clan is, the more powerful the clan head's ability is. It is not good to be too weak.

Secretary Zhou did not stay in the sanatorium for long. He still had a lot of things to do. Liancheng Yazhi also wanted to hold a big one-month celebration for the child. Since it was a big event, he had to start preparing now.

Who to invite, how many tables to prepare, and the dishes, big and small, everything had to be arranged properly.

So, before he left, Secretary Zhou sent a copy of the photo to the old master and said some nice things to him before leaving.

On the way back, Secretary Zhou gave Liancheng Yazhi a call. "Young master ya, I've already spoken to the old master. He said that he'll be visiting the young master in two days."

"How did the old master react?" Liancheng Yazhi asked.

Secretary Zhou smiled. the old man was very excited. His eyes were red. He kept looking at the little master's photo. He must be very happy, Yingluo.

of course he's happy. Because he has a son, he feels that the huge business of the Lian family will not be handed over to MeowMeow to manage.

However, Liancheng Yazhi had never thought of leaving such a big pile of stalls to Miaomiao. She didn't need to manage it herself. She could just let her brother manage it for her and earn money for her.

"Young master ya, you also can't bear to let big miss suffer." Secretary Zhou laughed.

you're the only one who knows everything, " Liancheng Yazhi said. we can start holding the full-moon banquet.

yes, I've already started preparations. Is block A still alright? " of course it's there. Other places are not good enough for my son. When Liancheng Yazhi said this, Secretary Zhou only felt a domineering aura coming from him. It gave people a strong feeling that although he despised his son, no one could deny that he was the best.

Secretary Zhou echoed Liancheng Yazhi's words. yes, you're right. The young master and the young lady are the best. Only block A of the Empire is worthy of their status.

you have to do this well, " Liancheng Yazhi said. I'll give you a holiday later.

“Yes, I’ll definitely do a good job,” Secretary Zhou said. Vacation? He didn’t count on this kind of extravagant hope!

Chapter 2118: I watched you fall asleep

Secretary Zhou could only hope that Liancheng Yazhi would hurry back to work.

He was just a small Secretary, but he had to do the work of a President. He was really going to be busy to death.

Secretary Zhou felt that it was a miracle that he had not had any problems with ms Doay even though he was so busy every day!

It was only past eight o’clock in the evening. Liancheng Yazhi began to doze off after dinner, but he still forced himself to stay awake and talk to Rong Yan.

Rong Yan’s heart ached when she saw this. She said, ” go to sleep quickly. You haven’t slept much these past two days. Don’t push yourself.

Liancheng Yazhi shook his head to wake himself up. His eyes were already bloodshot. He rubbed his temples and smiled at Rong Yan.”I’m not tired. I’ll stay with you for a while longer.”

Actually, Rong Yan knew that he wasn’t accompanying her. He was just afraid that if Huahua fell asleep, Rong Yan would never wake up again.

Liancheng Yazhi was still in fear.

Rong Yan glared at him. you’re not tired yet? look at your eyes, they’re as red as a rabbit’s. Hurry up and sleep. If you don’t sleep, I’ll ignore you.

liancheng yazhi squeezed another glass of juice for rong yan and said, ” “in another ten minutes, okay? look, it’s not even nine o’clock yet. it’s still early. look at this little guy, he’s not asleep yet.”

Rong Yan turned her head and saw her youngest son. He was indeed lying in her arms and was looking at her curiously with his dark eyes.

Rong Yan’s heart softened. She lowered her head and rubbed her forehead against his. the little guy just ate his fill and is digesting the food now.

Rong Yan couldn’t bear to let the little guy lie in the Baby Box alone, so she told the doctor to let the child stay with her at night. She had just fed the little guy his first mouthful of his mother’s milk ten minutes ago.

Liancheng Yazhi reached out and poked the little guy’s cheek. “I’ve just eaten my fill, I need to digest.”

The little guy made an “ah” sound to express his dissatisfaction.

Rong Yan said a little fiercely, ” Yingluo, you’re different from him. It’s not like he hasn’t slept for two days. You should lie down quickly. Otherwise, I’m going to get angry.

Liancheng Yazhi sat at the head of the bed and put his arm around Rong Yan’s shoulder.”I’m really not sleepy yet, Yingluo.”

Rong Yan grabbed his hand. Yazhi, just sleep. I won't sleep and not wake up again. Really, I promise you.

Liancheng Yazhi held her hand in his palm. "Really?"

Rong Yan nodded, "it's really Yingluo."

Liancheng Yazhi was silent for a while before nodding. "Alright, Yingluo, I'll sleep for a while, Yingluo."

"This bed is very big, you can lie here." Rong Yan pulled his arm.

She wanted to let Liancheng Yazhi sleep more soundly so that she could bring him some safety.

Liancheng Yazhi shook his head and rejected her without thinking. no, what if

I flip over and press you down? "

He put the small single bed together with the big bed, then lay down with his clothes on. His arms were long, so they were on the bed in an instant. Then, he grabbed her hand."This is good, Yingluo."

Liancheng Yazhi, who was more than 1.8 meters tall, lay on the small bed. Even if he straightened his legs, they would be suspended in the air. He had to curl his legs up and looked very uncomfortable. Rong Yan had asked him to lie down several times, but he did not agree.

Left with no choice, Rong Yan could only say, " then cover your arm. Don't catch a cold.

okay, Yingluo. Liancheng Yazhi moved the blanket to his arm.

A few seconds later, Liancheng Yazhi had almost fallen into a light sleep. He still had some consciousness and called out in a daze, " "Rongyan Zhenzhen"

Rong Yan gently pinched his finger. "En, Zhenzhen, go to sleep. I'll watch you

Sleep

Chapter 2119: Need comfort

Liancheng Yazhi's eyelids were already very heavy, but he still tried his best to open them once and said vaguely, " "you're not allowed to sleep anymore, yingluo."

Rong Yan smiled and nodded. okay, I definitely won't sleep again. I'll watch you sleep.

Liancheng Yazhi was already in a half-awake state. Rong Yan hesitated for a while before asking, " Yazhi, do you believe that you can live two lives in the same life? "

"What do you mean by 'two generations of glory?'" Liancheng Yazhi mumbled.

Rong Yan said hesitantly, " it's Yingluo. Yingluo suddenly died in an accident one day. After her death, she returned to her youth and avoided danger, changing her fate. Do you believe it, Yingluo? "

After she finished speaking, Liancheng Yazhi did not respond. She mustered up the courage to look over. Liancheng Yazhi had fallen asleep at the moment, and his breathing gradually became steady and long. Perhaps he did not hear what she said at all.

Rong Yan felt a little regretful, but at the same time, she also heaved a sigh of relief.

perhaps yingluo hadn't really mustered up the courage.

rong yan looked at him for a while, then lowered her head to communicate with her younger son.

The little guy's eyes were particularly dark. Rong nuo said that he was more energetic than the average child, and he was very well-behaved. When he was awake, he did not cry or make a fuss, and played by himself.

Liancheng Yazhi kept staring at him, and her shadow was reflected in the child's pure and clean eyes.

Looking at her son's tiny body, Rong Yan couldn't help but think of MeowMeow.

"Little fellow, you're much luckier than your sister, do you know that?" Rong Yan smiled.

When

Moreover, at that time, she was not as well-off as she was now with This was what Rong Yan and Liancheng Yazhi owed MeowMeow forever.

rong yan's fingers gently caressed the child's tender cheeks. "Hug, hug. When you grow up, you have to treat your sister well and protect her, okay? look at how much she loves you."

The little fellow's eyes moved with Rong Yan's hand. It was especially fun.

He didn't know what his mother was talking about, but when he grew up and became a mature man like his father, he would stand in front of his family.

Suddenly, Liancheng Yazhi called out, "Rong Yan, Qianqian, my wife, Qianqian."

Liancheng Yazhi's voice was a little loud, and his breathing was also very urgent. The hand that was holding him suddenly tightened, and Rong Yan quickly turned around. en, why isn't Wanwan asleep yet? "

Rong Yan turned to look and realized that Liancheng Yazhi had not woken up at all. He was talking in his sleep. He was already in a deep sleep and was not at ease. His brows were furrowed, and a thin layer of sweat had already appeared on his forehead.

Rong Yan's heart ached. She quickly took out her other hand and gently stroked the back of Liancheng Yazhi's hand, just like how she had stroked her younger son just now, so gentle and full of love.

After a while, with Rong Yan's touch, Liancheng Yazhi gradually c and his breathing gradually returned to normal. However, his bro relax, showing that the worry and fear in his heart had already pe into his heart.

Rong Yan sighed. Sometimes, Liancheng Yazhi was not mature at all. He would be afraid and insecure. He needed comfort and protection..

Chapter 2120: It's her turn to guard him today

In the past, it was always Liancheng Yazhi who guarded her and went through all the hardships for her. Today, it was her turn to guard him.

Rong Yan said softly, " don't worry. I'll always be here. I won't leave.

People were greedy. Rong Yan had never received such love before, so she didn't look forward to it and didn't know what it felt like.

But now that she had tasted it, she didn't want to lose her beauty again. No matter what, she had to hold it tightly in her hands and never give up.

Rong Yan looked at Liancheng Yazhi's face and was even more determined to tell him about her rebirth.

However, she had to think about what to say.

she wanted to tell him the truth and make him accept her without any gaps.

Rong Yan slowly closed her eyes, and Yang Yan and Rong Jia's faces appeared in her mind again.

The corners of Rong Yan's lips slowly curled up and she said silently in her heart, " "My happiness is already in my hands. You didn't kill me when you were alive. Now that you're all dead, what else do you want to do to me?"

As a person who had already died once, Rong Yan had never been afraid of ghosts and gods.

she was earning money every day. she had single-handedly built her family. no one could destroy it.

If anyone wanted to destroy her happiness, she would kill them, even if they were ghosts.

As time passed, Rong Yan kept her eyes open and didn't sleep. It wasn't until after midnight that she began to feel a little sleepy because of a child. She slowly closed her eyes.

Rong Yan was woken up before the sky was completely bright. She felt her shoulder being shaken, and the puppet beside her shouted, ‘

“Rongyan, rongyan Xuanji.”

Rong Yan opened her eyes in a daze and met Liancheng Yazhi's panicked eyes. She rubbed her eyes. “Yes, what's the matter, Yingying? is the little guy hungry?

Lancheng Yazhi quickly closed Rong Yan's eyes and said gently, " "It's not Yingluo. I just wanted to ask you, what do you want to eat for breakfast this morning?"

Rong Yan yawned. I'm not hungry yet. What time is it, Yingluo? "

Liancheng Yazhi glanced at his watch and said in a low voice, It's past six in the morning, " rong yan was surprised. It's only six O 'clock, why are you up so early? rest a little more."

“I've already rested enough. I'm not sleepy anymore.” Liancheng Yazhi nodded.

“You're really ...” Rong Yan patted the empty space beside her. “Lie down. Even if you can't sleep, it's good to rest.”

It was not because Liancheng Yazhi was not tired after a good rest. He was just suddenly woken up by a dream. Seeing Rong Yan asleep, he was afraid that she would fall asleep again and not wake up, so he woke her up.

Liancheng Yazhi lay beside Rong Yan and stretched out his hand to let her rest on his arm. “alright, i’ll lie down with you for a while.”

Rong Yan laughed out loud. She would not expose Liancheng Yazhi’s childish move.

it was obvious that he wanted to find some sense of security and stability by rong yan’s side, but he was too embarrassed to say it directly.

Rong Yan moved a few times on Liancheng Yazhi’s arm and asked, ” “Did you sleep well?”

Liancheng Yazhi nodded and said, “very good, Yingluo.”

He didn’t sleep well last night. He kept having dreams, and the scenes in his dreams made him very scared.

He kept dreaming that Rong Yan had left, and he wanted to chase her back with all his might.

However, he didn’t expect her to say something to him, who had been chasing him. I should have died a long time ago. I’m only alive now because God has taken pity on me. Liancheng, stop chasing me. It’s no use. I really have to go..
