

Permit Me 2121

Chapter 2121: Jealous of his son

Then, Liancheng Yazhi pounced on her with all his might. "I don't care. I don't care if you're a human or a ghost. You're my wife and the mother of my two children. No one can take you away."

After that, Liancheng Yazhi woke up in a hurry. Although he knew that it was a dream after he woke up, he still felt a lingering fear when he saw Rong Yan with her eyes closed, so he quickly woke her up.

Rong Yan knew that he was lying, but she still said, "Oh, that's good. It's still early and I'm not hungry yet. Sleep with me for a while."

"Alright, you can sleep."

Liancheng Yazhi wanted to tell her to stop sleeping and talk to him, but his heart ached when he saw Rong Yan's sleepy face.

Hence, he swallowed his words.

Seeing that Rong Yan was about to fall asleep, Liancheng Yazhi wanted to wake her up quickly, but he couldn't bear to, so he hesitated for a while and asked, "Wifey. What did you say to me last night when I was about to fall asleep?" "no, there's no, there's no, there's no, there's no, there's nothing," Rong Yan said in a daze.

After saying this, Rong Yan basically fell asleep completely. Liancheng Yazhi wanted to wake Rong Yan up, but he stopped halfway.

forget it, let her sleep. he couldn't let rong yan not get enough rest because of his fear.

The doctor had said that the confinement period was very important. The first thing to do was to ensure good rest.

Liancheng Yazhi looked at Rong Yan's sleeping face. It didn't take long for him to be infected by it. He shook his head, trying to shake off the sleepiness.

However, he couldn't control it at all, so in less than ten minutes ... liancheng yazhi's head was next to rong yan's head, and his breathing gradually stabilized.

Perhaps it was because the couple had finally laid down beside each other, so they both slept soundly. However, they did not wake up for a few hours.

In the end, Rong Yan was woken up by her son's crying.

Rong Yan and the child were close to each other and woke up first.

She quickly turned around after she woke up. "what's wrong?"

she reached out and gently patted the baby's swaddling clothes. "oh, don't cry, don't cry. are you hungry? i'll feed you right away."

The little guy cried so hard today, and he cried even harder after being comforted by Rong Yan. He even sounded aggrieved.

she seemed to be complaining, “why did you only wake up now?”

Liancheng Yazhi could not sleep because of the noise. He opened his eyes and sat up with his arms supporting him. “What’s wrong? Why are you crying like this?”

Rong Yan shook her head. I don’t know. Maybe he’s hungry.

She tried to sit up and hold the child in her arms. Liancheng Yazhi quickly reached out to help her.

He didn’t care too much about his youngest son and asked Rong Yan, ” “How’s your health today?”

“It’s not bad today. I’m obviously feeling much better than yesterday.” As Rong Yan spoke, she unbuttoned her shirt. As a mother, she usually didn’t care about how others looked at her, especially when the person was her husband.

However, Liancheng Yazhi swallowed his saliva when he saw Rong Yan’s beauty after her clothes were opened.

he was extremely jealous of his son, extremely jealous.

She wanted to pull him out of Rong Yan’s arms and throw him aside. Rong Yan used to be his, but now it was occupied by another man. He was very unhappy.

Although his son was only a few days old, he could not deny the fact that the boy was a man.

Rong Yan had always insisted that breastfeeding was the healthiest for children, so MeowMeow was one, and so was this little guy..

Chapter 2122: I don’t want to see you suffer

Ever since Rong Yan was pregnant, her figure had become more voluptuous, especially her chest, which had grown by more than two overalls.

at this moment, her clothes were half-undone, and her alluring appearance could simply make liancheng yazhi turn into a beast in an instant,

However, he swallowed his saliva and didn’t pounce forward in the end.

Liancheng Yazhi stared at the little guy in Rong Yan’s arms with jealousy. He really wanted that person to be his.

However, the little guy continued to cry after drinking two mouthfuls. He was crying and struggling as if he was very uncomfortable.

Liancheng Yazhi gently tapped his forehead. This troublemaker.

he couldn’t even pounce on her even if he wanted to. this little fellow didn’t know how to cherish such a good condition.

Rong Yan gathered her clothes and said to Liancheng Yazhi, ” “Probably because he’s about to change his diaper, Yingluo.”

“Let me take a look.” Liancheng Yazhi took the child.

In the end, the little boy really peed. It seemed that this was the reason why he cried uncomfortably.

Under Rong Yan's guidance, Liancheng Yazhi changed his diaper for the first time in his life.

Liancheng Yazhi patted the guy's naked butt. "Don't cry anymore, listen to mommy, or I'll leave you alone, Yingluo!"

The little guy, who had finally calmed down, was no longer crying. Instead, he was sniffing to calm his emotions.

After taking the child back from his father, he started to annoy the child in front of him.

Her son was not a picky eater, so it was easy to raise him. He opened his small mouth and sucked very hard. That serious and eager look was really very likable.

Liancheng yazhi's mouth was dry as he watched from the side. he was both envious and jealous of his youngest son. he really wanted him to be his son at this moment.

Perhaps Liancheng Yazhi's request was too urgent, but after a few days, this wish was realized.

After Rong Yan woke up this time, she was held up by everyone. Every day, she ate and drank the best food, and the nanny took care of him meticulously for two months.

Gu Hesheng even asked the Butler to prepare medicinal cuisines for Rong Yan to nourish her body 24 hours a day. The whole family touched Rong Yan's palm. It would be strange if Rong Yan's body was still not well.

However, if he ate too much every day, it would become a little too much. The little guy could no longer finish the abundant food alone. His face was swollen and uncomfortable. The little guy had just fallen asleep.

Rong Yan gritted her teeth and held on. It wasn't good to go to the doctor for this kind of thing.

After that, Liancheng Yazhi couldn't stand it anymore. He went straight to the bedside and reached out to take off Rong Yan's clothes the next day.

"What are you doing?" Rong Yan quickly pressed his hand down.

Liancheng Yazhi smiled innocently. don't move. Let me take a look. I don't want you to feel so bad. Don't worry, leave it to me. Your husband will have a way.

While Rong Yan was still in a daze over this sentence, Liancheng Yazhi had already undid his clothes.

Damn, I can't write about meaty days, I can only think of a way to write something else. I'll cover my face and quietly finish reading this chapter..

Low-key, sigh

Chapter 2123: strength sucked away

An adult's strength was naturally much greater than a child's. Rong Yan felt the discomfort in her chest gradually ease, and Liancheng Yazhi brought her a wave of numbness. It was comfortable and very embarrassing.

She wanted to push Liancheng Yazhi away, but she also wanted to continue enjoying it.

Rong Yan's hands were soft, and she couldn't push Liancheng Yazhi away even if she wanted to. It was as if all the strength in her body had been sucked away by him.

Rong Yan blushed and said, "hubby Yingluo, it's done. Let go of me quickly."

Liancheng Yazhi didn't move and continued to occupy the other one.

As time passed, Rong Yan felt that something was wrong. She quickly reached out and pushed Liancheng Yazhi's shoulder. "Liancheng Yazhi, enough, enough ran ran, let go of ran ran."

Finally, Liancheng Yazhi let go of Rong Yan, still not satisfied. He raised his head from her chest and stuck out his tongue to lick his lips in front of her. His expression was extremely satisfied, like a lion that had eaten its fill, his whole body lazy and calm.

He reached out to button Rong Yan's clothes and then said very shamelessly, "see, it's so easy. in the future, you can leave these small things to your husband."

Rong Yan's face was burning as if it was being roasted over a fire. "you're so silly!"

She wanted to get angry and settle scores with Liancheng Yazhi, but she felt too shy. She didn't say anything for a long time.

She did not say anything even when Gu Hesheng arrived.

Rong Yan wasn't a very pure person to begin with, and what Liancheng Yazhi did this time was too shameless.

However, Rong Yan would never admit that she was indeed feeling comfortable now.

Gu Hesheng came in with a thermal lunch box. When he saw Rong Yan, he asked with a red face, "Hey, why is your face so red? do you have a fever?" Rong Yan quickly shook her head. "it's not Yingluo. I was a little hot just now."

Liancheng Yazhi said shamelessly, "Don't worry, father-in-law. I'm here. I won't let her catch a cold or a fever."

His words made Rong Yan feel even more guilty, and her face couldn't help but start to heat up again.

While Gu Hesheng was not paying attention, Rong Yan glared at him fiercely.

Gu Hesheng took out the food he had brought for Rong Yan and Liancheng Yazhi and asked them, "where's the confinement nanny?"

"it's almost time for dinner," Liancheng Yazhi said. "I'll let them go eat first."

Rong Yan looked at the soup and couldn't help but say, "Daddy = Yueyue, I actually feel that I've been feeling much better recently. Can you not drink for now?"

Gu Hesheng's face was serious. Unfortunately, I have to drink. I have to drink more. The Butler said that a woman's body will be drained after giving birth. I

have to drink more.

"But Yingluo, I've had enough." His son couldn't even finish it.

Rong Yan didn't dare to finish her sentence. She was actually very happy to have someone to help her prepare these things. Who cared about her in the past?

Rong Yan accepted her fate and picked up a bowl of carp soup. As she drank, she asked Gu Hesheng, "Daddy, do you have a suitable name for Yingluo's child?"

It had been more than a week since the little guy was born, but Yingying didn't even have a name, not even a nickname.

Gu Hesheng shook his head. ah, boys. You have to be careful when you give them names. They must be meaningful and Grand enough.

Mr. Liancheng Yazhi glanced at his younger son who was sleeping and said, ' it's fine. Take your time to think about it, father-in-law. This kid is still young.

"Yes, she's still young," Rong Yan also said with a smile.

He lowered his head and said to the little not be in a hurry. Grandpa will give you a very good name."

Remember, keep a low profile, keep a low profile..

Chapter 2124: This child has such a good life

As they were talking, Gu Hesheng's phone suddenly rang.

he picked it up and took a look. " eh, why did xu-si call me all of a sudden? could it be that he dislikes the things i gave him? '

gu hesheng answered the phone as he spoke. rong yan looked at him and felt a little nervous. she always felt uncomfortable when fourth master xu was mentioned. even the taste of the soup had become vicious.

After hanging up the phone, Gu Hesheng said, "Xu Si said that he would like to make a trip here to check on your condition."

Rong Yan's heart tightened, 'ah? Then Yingluo will be too much trouble for him."

Gu Hesheng shook his head, " it's fine. This is no trouble at all. It's good that he comes to take a look. Let him see if there's anything wrong with the furnishings in this room.

as rong yan waited nervously, less than half an hour later, fourth master xu's apprentice and his apprentice arrived downstairs. after a while, he entered the ward.

Liancheng Yazhi stood up and said very respectfully, " fourth master Xu, I'm really sorry that you've come all the way here. Do you think my wife Qianqian needs to move anything? "

Rong Yan's heart suddenly hung in the air. She was afraid that someone would tell Rong Yan something before she could say it.

Fourth master Xu saw that Rong Yan's face was pale with a tinge of red. She was in good spirits but was obviously nervous. He smiled and shook his head."No, what do I have to explain?"

"Then what are you doing here?" Gu Hesheng asked.

I'm here to give you something, " fourth master Xu said with a smile. I think Rong Yan will be more useful.

As he spoke, he took out a jade pendant the size of half a thumb from his pocket. It was a Buddha statue. The workmanship was not good, and the lines looked a little rough.

However, if one looked closely, one would realize that the rough carvings had a strong and flamboyant aura. A few rough carvings simply outlined the basic appearance of the Buddha statue. It was very simple and powerful. Rong Yan looked at the pendant. She always felt that it seemed to be emitting a

green light, but look at it for yourself. It wasn't the same anymore.

Fourth master Xu handed the item to Rong Yan. Girl, this is for you. I think it's better for you to carry it with you.

He meant both. Perhaps only Rong Yan could understand that he was telling her that in her situation, she needed to bring something to suppress her emotions.

Rong Yan bit her lip and said, "how can I accept this? the quality of this thing of yours looks very good. I, Zhenzhen, can't accept it.

Fourth master Xu laughed. "It's not something expensive. I wanted to wait until the baby's one-month-old party, but after thinking about it, I decided to give it to you sooner or later. It'd be better if you had it earlier. Otherwise, there'll be a next time, hehe."

Liancheng Yazhi had been listening to fourth master Xu. Next time?

When he said next time, did he mean that he could prevent her from falling asleep again?

At the thought of this, Liancheng Yazhi quickly took the pendant with both hands. "Mr. Xu, thank you so much." Fourth master Xu smiled and said, "you're welcome, Zhenzhen."

He turned his gaze to the little fellow and said, " "This child has such a good life. Have you given him a name? What should I call you?"

Rong Yan was originally very nervous, but when she heard him say that her son had a good life, she relaxed.

As long as the child had a good life, it was fine. For fourth master Xu to say this, it could be seen that the child's life was really good.

Which parent wouldn't like the good life of their child?

Rong Yan shook her head. Not yet. Dad is still thinking about it. The child is still young, so there's no rush to decide on the name..

Chapter 2125: too good a life, too noble

Fourth master Xu turned to Gu Hesheng and said, " I don't want the reward. How about I name this child? "

Everyone was shocked. They didn't expect fourth master Xu to suddenly say this. Did he come here to name the child?

Gu Hesheng shook his head immediately after he regained his senses, ” “That won’t do. No matter what, I should be the one to name my grandson. Why should I let you name him, Yingluo?” that’s enough, ” fourth master Xu said disdainfully. all the names you’ve given him are literary names. They don’t suit the child at all.

The two elders, who were both more than a hundred years old, were now bickering like children.

On the other side, Liancheng Yazhi ignored them and picked up the pendant for Rong Yan to put on.

When the Jade Buddha statue was placed on his skin, Rong Yan clearly felt a heaviness and a burning sensation. He quickly looked down and saw that his skin was completely healed. There were no traces left and it was no longer burning.

Instead, she could feel a constant stream of warmth from the pendant, which made Rong Yan’s body gradually feel more comfortable.

She looked at Gu Hesheng in shock. Was this thing a treasure?

after putting it on, rong yan felt her head become lighter as if something was running out of her head.

Rong Yan heaved a long sigh of relief. When she came back to her senses, she found that fourth master Xu had stopped quarreling with Gu Hesheng and was looking at him with a smile. “How is it? Do you feel comfortable now?”

“Yes, I feel much better. Thank you,” Rong Yan quickly said.

liancheng yazhi held rong yan’s hand and said to fourth master xu, ” “I really don’t know how to thank you.”

fourth master xu waved his hand. ” this thing is useless to me. if it can help this girl, it’ll be worth it.

Liancheng Yazhi could not help but ask, ” “Mr. Xu, can you tell me what kind of effect this pendant can have on one’s appearance?”

“This can make her soul more powerful, so that it won’t be easily blown away by a gust of wind,” fourth master Xu said.

Rong Yan understood what fourth master Xu meant. He was telling her that with this pendant, she would never have to live in a nightmare again.

After exchanging a few words, fourth master Xu once again changed the topic to the child’s name. He smiled and said, ” “The life of this smiling baby is too precious. Ordinary names can’t suppress his nobility, and will instead harm him. Old Gu, you really have to let me name this child, or it’ll be too late for you to regret it in the future.”

Fourth master Xu explained, ” I mean, he’s too young now. His life is too good, and he’s too noble. He’s such a young child. If he can’t suppress it, he’ll suffer from the backlash.

fourth master xu used ‘too’ three times in a row, which sounded very serious.

rong yan exclaimed, ” “Ah? Then what do we do?”

Liancheng Yazhi also looked at fourth master Xu nervously. may I know what your wise opinion is?
”

Now, the couple had already believed in fourth master Xu. Especially after putting on the pendant, Rong Yan believed that fourth master Xu was capable.

Rong Yan almost lost her life to give birth to the child, so she couldn't allow anything to happen to him.

Of course, Gu Hesheng did not want his child to be born, he said, ” alright, you can name him. But don't be too casual. My grandson's name must sound Grand and impressive.

It was just a name. If it could help his grandson's health, it was worth it..

Chapter 2126: His Highness of the Liancheng family

He and fourth master Xu had known each other for many years, and he could tell that there was a hidden meaning in his words just now.

fourth master xu had said that if she wasn't careful, the child might die.

Gu Hesheng's heart twitched. As long as the child could be well and grow up healthy and happy, it was not a big deal if he could not give him a name. He would even be willing to take his life.

Fourth master Xu smiled and said, “don't worry, I'll be a high-class and high-class man.”

Fourth master Xu thought for a while and counted the little guy's birthday with his fingers. Then he said, ” “Why don't Zhenzhen call you Your Highness?” “Your Highness?” Rong Yan and Liancheng Yazhi said in unison.

This didn't seem like a name. Isn't that a little strange?

Fourth master Xu said, ” this name is noble enough. It's worthy of him and can suppress his excessive blessings. Besides, it's not wrong to say that the little master born in the Lian Cheng family is not His Highness.

As the youngest son of the Lian Cheng family, he was destined to be the Crown Prince from the moment he was born. Such an identity was so noble that no one could reach it.

It wasn't strange for him to address him as ‘Your Highness’.

After fourth master Xu said that, the others couldn't say anything more. After all, the child's name was nothing compared to the child's safety.

Rong Yan nodded and smiled. Your Highness Liancheng kept calling me that. It's really smooth and special. People can remember it immediately.

Rong Yan lowered her head and said to the little guy who was still sleeping, ‘ “Your Highness, you have a name! You have to thank Grandpa Xu in the future.” fourth master xu laughed. ” maybe i'll have to beg you in the future. ‘

Fourth master Xu didn't stay for long before he left. Before he left, he even reminded Rong Yan, ” “you'd better not take it off after you've taken it with you.”

Rong Yan nodded. okay. Don't worry. I won't take it off.

Gu Hesheng saw fourth master Xu off.

Only Rong Yan and her husband were left in the room. The two of them looked at each other and smiled.

Liancheng Yazhi poked the little guy's little face. "Is this all that's left of His Highness?"

"What else?" Rong Yan shrugged.

"if that's the case, no matter who calls his name, he'll take advantage of them,"
liancheng yazhi clicked his tongue.

"Your Highness, Your Highness," he shouted as if a servant was calling him master.

liancheng yazhi made up his mind to give this kid a nickname, a very weird one.

Rong Yan tugged at Liancheng Yazhi's arm. "Liancheng, I have something to discuss with you."

"En, go ahead." Liancheng Yazhi was thinking about what kind of lousy nickname to give his son.

"Let's have Miao Miao and his Highness as our children," Rong Yan said.

rong yan wasn't afraid of the pain of giving birth. she just thought of the Lian Cheng family's rules.

There could only be one son in each generation, and he had to be the eldest son and the eldest grandson to avoid internal strife and power-snatching.

Liancheng Yazhi returned to his senses and hugged Rong Yan. even if you didn't tell me, I wouldn't have gotten you pregnant again. I can't take what happened this time a second time. I'm satisfied with just the two of them.

Not to mention that Rong Yan didn't take the initiative to mention it, Liancheng Yazhi had long made up his mind that he wouldn't want a third child.

It was too dangerous for a woman to give birth, and he would never let Rong Yan experience it a third time.

but then again, what should his son's nickname be?

He patted his d * Ck at home and called it er Bao, er Xiao, or ... Erhuo?

His Highness was crying in the corner.. 'Dear father, is it really good for you to have such a nostalgic name?

Chapter 2127: his highness's nickname

The little guy who had just been born in the Liancheng family was happily named just like that.
his highness's name was extremely domineering.

It was just that his nickname was destined to be unpleasant because of his unreliable father.

The Little Prince, who was still lying in his mother's arms, did not know about his father's evil intentions. Even if he did, he could not resist and could only cry.

Liancheng Yazhi hugged Rong Yan and asked, “wifey, what do you think our son’s nickname should be?”

“Ah, Yingluo, let’s just use a more casual nickname,” Rong Yan said.

“Then let me choose a random nickname,” Liancheng Yazhi patted his chest.

Rong Yan nodded in agreement. sure. You don’t have a share in the name of your father’s daughter. You have to put in some effort for the name of your son. [Your Highness: mommy, I don’t need him to do anything. Please, just give my son a name. You’re definitely more reliable than my father, hehe.]

Liancheng Yazhi chuckled. you’re right, my wife. I must give my son’s name a hand and let this nice name accompany him for the rest of his life. Let our family be very happy every time we call him by his name.

rong yan still didn’t know what liancheng yazhi was up to, but she felt that his words were quite good. she nodded repeatedly. ” yes, you’re absolutely right, hubby. what should we name our son? ”

Liancheng Yazhi said, ” I’ve thought of a few names, but I’m not sure which one to use. Listen to them. Help me choose one too.

“Sure, go ahead.” Rong Yan nodded.

Hence, Liancheng Yazhi began to talk non-stop about the name that he had painstakingly thought of.

However, when he first named her at the beginning of the year, the smile on Rong Yan’s face disappeared, and then she began to Twitch.

Because the string of words that Liancheng Yazhi had read was: “Xiao Qiang, Wang Cai, erhuo, erdai, tie Zhu, sweet potato hehe.”

The more Rong Yan heard, the more she broke down. She shivered and said to Liancheng Yazhi, ” “D * mn, what are these things? little Qiang, he’s not a cockroach. If he’s rich, why don’t you just call him woof woof? if he’s alive, he’s a good person. Why don’t you call him iron hammer?”

Rong Yan was angry and expressing to Liancheng Yazhi that he was too irresponsible for giving his son such a nickname. However, she did not expect

Liancheng Yazhi to actually say, ” eh, not bad. Woof, Woof, Woof, Woof, Woof, Woof, it just so happens to match up with our meowmeowmeowmeowmeow? ”

Rong Yan was so embarrassed that she was sweating!

liancheng yazhi hugged rong yan and kissed her hard. he said, ” honey, you’re so talented. You’ll be called Wang Wang. That’s a great name. It’s just like our

MeowMeow.

rong yan felt her head throb. alright, meow meow, woof woof, their family already had one. what if, what if they had another child in the future? Wuwu? gugu? Chirping?

son, you have a name now. Remember, from today on, your real name will be His Highness Liancheng, and your nickname will be Wang Wang. Wang Wang Qianqian will be your father’s life.

Rong Yan finally couldn't help but poke Liancheng Yazhi. Woof, Woof, Woof, Woof, Qianqian, are you stupid? if you really call her that name, people will think you're barking like a dog when they hear you call her that. She's still taking advantage of you.

Liancheng Yazhi was barking happily, and when Rong Yan said that, he instantly understood.

indeed, people who didn't know him would think that he was barking like a dog..

Chapter 2128: His Highness and Yingluo

Liancheng Yazhi said, " yes, my wife is right. If we call it 'woof woof,' it seems like we're the ones being taken advantage of. What should we do? think of another one. If we can't call it 'woof woof,' then what should we call it? "

rong yan looked at liancheng yazhi, who was thinking hard about buying it, and couldn't help but shake her head. she really couldn't have any expectations of liancheng yazhi.

She really shouldn't have placed her hopes on him. She looked at her son with pitiful eyes and thought, " my son, xius has given you a good name, but your father didn't give you any help. your domineering name only lasted for a while, and now it has completely collapsed. you can only pray that your father doesn't get even worse.

Liancheng Yazhi's brain worked quickly. He looked at the carp swimming in the small fish tank on the window sill and had an idea."If you can't call me woof woof, then I'll call you Yingying."

Just now, when Liancheng Yazhi saw fish, he thought of frogs, and when he thought of frogs, he naturally thought of crickets, so that was how the second kid's name came out.

Rong Yan, "Yingluo."

She didn't have the strength to say anything. It seemed that Liancheng Yazhi really didn't want to give His Highness a proper name.

"Honey, what do you think of this name? In the past, people always said that it's easy to support a person with a cheap name, and we're the same. Isn't this all for the sake of our son's health?" rong yan pursed her lips.

Rong Yan thought for a moment and said, "alright, let's do it, Yingluo."

Therefore, His Highness Liancheng's nickname was hastily decided -Zhenzhen.

As Rong Yan woke up, the Liancheng family regained their former joy, and Liancheng Yazhi's mood gradually improved.

When Rong Yan had just woken up, he was really scared and didn't dare to sleep every night. After he fell asleep, he wasn't at ease and would wake up several times in the middle of the night.

However, the situation had taken a turn for the better, and Liancheng Yazhi's mood, which had been worrying about gains and losses, had turned for the better.

Especially after fourth master Xu arrived and gave Rong Yan the jade pendant, Liancheng Yazhi and Rong Yan both heaved a sigh of relief.

they both trusted fourth master xu.

Rong Yan did it because fourth master Xu saw through her at a glance that she had been reborn after death, while Liancheng Yazhi did it because fourth master Xu had helped to wake Rong Yan up.

So, since fourth master Xu had said that they didn't have to worry about it anymore with this pendant, the two of them naturally relaxed a little.

However, there was one thing that Liancheng Yazhi had always insisted on. No matter what Rong Yan said, she should not change her original intention.

that was the matter of rong yan's confinement. originally, when she woke up, she could get out of bed and walk after two days of rest, and then she could go home to rest.

It was a pity that Liancheng Yazhi would not agree no matter what. He said that it was already late autumn outside and the weather was cold. The air outside was not good, so he would not let her go out and get exposed to the wind no matter what.

Rong Yan kicked him several times to no avail. In the end, she was powerless to change this matter, so she could only nod and agree.

During the confinement period, Rong Yan felt that it was even more difficult to endure than when she was pregnant.

Because she couldn't go out, the places she could walk in every day were in the ward and the corridor. Liancheng Yazhi was very strict with her. He didn't allow her to get the wind or take a cold shower. In the beginning, she couldn't even take a shower and could only use hot water to wipe her body. Later, when he saw that her body was recovering well, he began to agree to her using water to wash her.

however, although rong yan felt that it was very difficult to endure and would sometimes send a few flirtatious words to liancheng yazhi out of boredom, she had never lost her temper..

Chapter 2129: That b * tch

it was because she knew that although it was hard for her to get through it and she couldn't go out every day, liancheng yazhi was the same!

He was afraid that she would be lonely and bored, so he got a lot of books and films. As long as Rong Yan liked them a little, she would get them.

Therefore, even though Rong Yan sometimes felt very bitter, she would not really vent her anger on Liancheng Yazhi.

The reason why this man was so strict and controlled so much was because he cared too much about her and did not want anything to happen to her.

Therefore, who wouldn't be grateful for this kind of concern?

Since Rong Yan was in confinement, Liancheng Yazhi accompanied her. In the beginning, because she had to feed her son, she could not eat anything that was too stimulating. She drank soup without any salt all day long and almost vomited from it. At that time, Liancheng Yazhi also ate and drank with her. during this period of time, liancheng yazhi had been accompanying rong yan wholeheartedly and had also witnessed the magical process of the baby's growth.

His Highness had turned from a smiling Red Monkey to a fair, chubby, and adorable little doll. Anyone who saw him would be happy and scream.

He was a cute and beautiful baby. Every time MeowMeow saw this little brother, she would hold him tightly and would not let go. There were a few nights when she refused to leave. She had to watch him fall asleep.

And Liancheng Yazhi's complicated feelings for his son in the beginning had now gradually changed to curiosity and joy.

This was the first time he had witnessed a child's growth from birth. This feeling was different from other children, even from MeowMeow. This was his own son. Just like the last time his old man came to the hospital, the little guy looked like his father at first glance. He was definitely the son of their Lian family.

Liancheng Yazhi's blood flowed in the little guy's body. He could build him according to his heart's requirements for his son and not pamper him like he did for his daughter.

For his daughter, Liancheng Yazhi wished he could give her the whole world and all the love, but he still felt that it was not enough.

But to his son, hehe, although Liancheng Yazhi would no longer blame his son for making rongyan sleep for two days ... However, when he grew up in the future, he would definitely not be soft-hearted.

He would train him well.

He would ask His Highness to do everything he had experienced when he was young, things he had never experienced, things he had been crazy about, things he wanted to be crazy about, and things he had never done before.

His Highness was hiding in the toilet and planting mushrooms,"dad, I think I must have had a grudge against you in my previous life."

Seeing that Rong Yan's confinement period was coming to an end, Secretary Zhou thought for a moment and came over to tell Liancheng Yazhi something. "Young master ya, what do you think we should do about this Deng meile?" "Deng meile? who is it?" Liancheng Yazhi frowned.

Secretary Zhou facepalmed. Alright, he knew that young master ya had completely forgotten about this matter.

it was secretary Zhou who reminded him, " young master ya, did you forget that you waxed the floor of the electric elevator on the first floor? "

Liancheng Yazhi instantly remembered when Secretary Zhou reminded him.

How could he have forgotten about this? damn it, if Rong nuo hadn't come early that day, Rong Yan would have been the one who fell.

Liancheng Yazhi gritted his teeth, and the anger in his body quickly spread throughout his body.

"Is that b * tch still under control?" he asked through gritted teeth..

Chapter 2130: Fighting for favor with his son

After that incident, Rong Yan gave birth. However, she fell into a deep sleep for two days. After she woke up, Liancheng Yazhi was immersed in panic for a long time. He was afraid that Rong Yan would fall asleep again, so he spent all his time with Rong Yan and forgot about that b * tch.

If Secretary Zhou hadn't run over to remind him, he might have completely forgotten about that b * tch and let her get away with it.

Secretary Zhou quickly said, "yes, it's still under control. I've sent someone to follow her all this time. However, she seems to have the handle of going abroad for treatment. That's why I'm here to tell you about it.

good, very good," Liancheng Yazhi said. if she wants to go abroad, I won't let her go anywhere.

Liancheng Yazhi looked back at the ward. lock him up in the hospital and go meet him today.

"Yes, Zhenzhen. However, young master ya, why don't I go? you don't want young Madam to know about this. You've been accompanying young Madam all this time. If you suddenly leave today, no other reason might be able to hide it from young Madam. Why don't I go? I'll definitely help you settle it properly."

Liancheng Yazhi thought about it. What Secretary Zhou said was not unreasonable. He did not want Rong Yan to think about that 'junior' again, so it was impossible for Rong Yan to know about this. If he suddenly left the hospital today without a good reason, it would indeed be inappropriate.

alright, " Liancheng Yazhi said. you can go first. If you're sure it's her, you don't have to ask me what to do.

"Yes," Secretary Zhou nodded.

After the decision was made, Secretary Zhou quickly left.

"Why is Secretary Zhou here? is there something wrong?" Rong Yan asked

Liancheng Yazhi.

liancheng yazhi nodded. " yes, it's about the company. there's a big deal that he can't make up his mind on his own, so he came to ask me. "

ah, Yingluo is like this. That's enough to make things difficult for him. After our son's one-month old, you can start working at the company if you want to.

"We'll talk about it when the time comes." Liancheng Yazhi's words were absolutely perfunctory. He really didn't want to go to the company.

He sat by the bed and played with his son and daughter.

Rong Yan watched from the side with a gentle smile on her face. With this pair of children, he and Liancheng Yazhi really did not lack anything.

MeowMeow saw that her brother was about to cry and quickly put the small drum in his hand.

"okay, okay, big sister will give it to you. don't cry, yingluo."

Liancheng Yazhi reached out and poked his youngest son's forehead. "This stinky brat, he's a grown man, yet he still dares to cry over such a trivial matter."

Okay, okay, I won't poke, I won't poke ran ran. Liancheng Yazhi retracted his hand and looked at ran ran with jealousy. did you see that, kid? your sister loves you so much. You have to protect her well in the future.

With this kid around, his wife and daughter would always be around this kid, causing him to fall out of favor. He was really jealous.

However, fighting for favor with her son was too degrading, and she couldn't do it..
