

Permit Me 2161

Chapter 2161: How is she ugly? she's obviously very good-looking

Liancheng Yazhi reached out and pinched Huahua's fair and tender little face.

He smiled and said, "this little guy is growing quite fast. He looks different every day.

Tang Zong seemed to have the right to speak. He immediately said,

that's right, that's right. When he was just born, I saw him as a little monkey.

his skin is wrinkly and his whole body is red. No matter how I look at him, he looks so ugly. But I didn't expect that this little guy would become more and more beautiful. Now, he looks completely different from before.

"All children are like that when they're just born." Rong Yan smiled.

As a mother, Rong Yan didn't mind, but MeowMeow didn't agree.

She pouted. Hmph, little uncle said that my younger brother was ugly when he was born again. How is he ugly? he's obviously very good-looking.

Tang Zong

He cleared his throat. uh, it's very good. It's very good, really. It's my bad eyesight. Isn't it getting better now? "Yingluo is getting more and more good-looking."

After Tang Zong's explanation, a smile finally appeared on MeowMeow's face. This little girl had already begun to protect her own at such a young age, and her temper was especially similar to that of the Lian Cheng family.

no matter how bad our family members are, we won't allow others to say it.

After letting Tang Zong go, MeowMeow stared at Liancheng Yazhi again. She hugged his neck and asked,"Dad, what time will Brother Winter arrive?"

liancheng yazhi didn't know how to reply. he hesitated for a while and looked at rong yan for help.

Rong Yan smiled at

Meowmeowmeowmeowmeow pouted and said,"Oh, alright then, Yingluo."

The sky was completely dark, and they had already had dinner.

Meowmeowmeowmeowmeow was supposed to go back to her room to rest not long after dinner.

But today, in order to wait for winter, she refused to go upstairs to rest and insisted on waiting outside.

No matter what Rong Yan and Liancheng Yazhi said, she refused to go back.

In the end, it was Gu Hesheng who said, "

For the sake of his brother, MeowMeow finally agreed to go back.

Liancheng Yazhi sighed. it's really harder to fool people.

MeowMeow had gone to rest, but the adults at home could not sleep in peace now. Winter had not come back yet.

there were several messages along the way, all of which said that the plane was flying normally and there were no abnormalities. if there were no abnormalities, it was good news.

Liancheng Yazhi looked at the clock on the wall. "If we don't get lost or encounter any bad weather, we should be here soon."

"It's time." Rong Yan was wearing a large shawl and looked worried.

She thought of Dong Tian, such a young child, flying a plane back on his own, and her heart was filled with worry.

liancheng yazhi's heart ached and he asked someone to make a cup of honey water for rong yan. "I don't think it's a big problem. Tell me simply, there's only one pilot on the plane. Even if something were to happen, he'll be there. Perhaps Dong Tian has already let him pilot the plane."

Rong Yan nodded, a smile appearing on her face. "Yes, it'll be more reassuring to have another pilot."

However, their beautiful fantasy did not become a reality.

That brat, winter, was afraid that the pilot would sit in the pilot's seat and turn the plane back, so he refused to give it to him no matter what.

Chapter 2162: the genius-like young man

He relied on his amazing learning ability to learn and pilot the plane at the same time. He managed to fly the plane all the way back with only half of his knowledge.

The plane finally flew over the imperial capital. Below them were the lights of thousands of homes. The little lights were like the stars in the sky. It was especially beautiful when one looked down from above.

The person in the front passenger seat finally heaved a sigh of relief. "The capital is below us."

Dong Tian's face, which had been tense all the way, finally revealed a smile. The capital was just below, and he would be able to return to the Lian Cheng family very soon. He would be able to see MeowMeow very soon. It was great!

Therefore, in the winter, he flew in the direction of Lian Cheng's house. He planned to land the plane on the open and flat lawn in the backyard of the Lian Cheng's house, which was completely suitable for helicopter take-off and landing.

However, after half an hour, winter couldn't help but realize that he seemed to be unable to find the location of Lian Cheng's house.

Dong Tian was anxious. I remember that it's in this direction. Why isn't it here? "

the pilot was afraid that dong tian would get nervous and make a mistake in the operation, so he quickly said, "Don't be anxious, don't be anxious. Think about it slowly, Yingluo. Why don't you lower your flying altitude and take a few turns to take a good look?"

It was also winter when he slowly descended. He turned around twice and still couldn't find any signs that could identify the location of Lian Cheng's house.

Dong Tian was anxious and annoyed."Did we fly to the wrong city?"

"How can I be wrong?" the pilot immediately replied.

"Look, that's the Guomao tower. It's the tallest building in the capital and also a landmark building. As long as it's here, the capital will be here."

There was indeed a tall building in the center of the city. At night, the lights of the building were on, and he stood among the buildings like a crane standing among chickens.

Winter looked at the building and used the building as a landmark. The fragrance he pointed out was indeed here?

"Why?" Dong Tian was getting more and more anxious. How did this happen?"

He had flown all the way back from the border and hadn't gotten lost for such a long time, but he had actually gotten lost in the sky above the Dao emperor capital.

"How much longer can the gas tank last?" the pilot asked Dong Tian.

"Ten minutes at most." Dong Tian took a look.

The pilot patted him on the shoulder and said, "Since you can't find it, don't look for it first. Find a place and land quickly. You've arrived in the capital anyway. Take a taxi back.

Dong Tian nodded. This was the only way now.

He found an open space in the park and landed.

After the helicopter stabilized, Dong Tian immediately opened the hatch and jumped out.

He told the pilot, "I'll go back first, and then I'll get someone to pull you and the plane back."

"Go, Yingluo."

The pilot was slumped in his seat, sighing at the fact that he had just survived a disaster.

It was unbelievable that she had sat on a plane flown by an eleven-year-old boy for the first time.

However, he had to admit that Dong Tian was a genius, an absolute genius.

He was the most powerful genius he had ever seen in his life.

Having a photographic memory was already simple. He could quickly comprehend and absorb the knowledge of Dao in an extremely short time, and then apply what he had learned.

Sitting beside Dong Tian, he could not believe that such an agile and skilled pilot could be controlled by an eleven-year-old teenager.

The pilot looked at Dong Tian's back and shouted, "You're very good, good luck."

Dong Tian turned around and waved at him.

Chapter 2163: If you don't leave, I'll take your life

By the time winter ran out of the park, it was almost 11 O'clock.

As it was late autumn, the nights in the imperial capital were very cold. Therefore, there were very few pedestrians except for vehicles.

The winter in the North was in the ancient style almost every day, but in such a cold wind, the winter only wore a thin layer of clothes. The cold autumn wind felt like it was going to tear her skin.

However, the winter did not seem to feel any coldness at all. He ran on the streets of the imperial capital, feeling unprecedented excitement.

He had returned to the capital and was in the same city as MeowMeow. He would be able to go back and see her soon.

as dong tian walked, he stopped many taxi drivers. finally, he walked for about ten minutes before the first taxi came.

Dong Tian sat in the car happily and closed the door."Master, please go to XXXXX"

He told them the address of Lian Cheng's home, and couldn't wait to go back.

She hadn't seen him for a long time. She didn't know if MeowMeow missed him.

The driver glanced at him but did not leave.

After a while, Dong Tian realized that something was not right. The streetlights outside did not move. He asked,"Master, why aren't you leaving?"

In the end, the driver said,"pay first."

why? " Dong Tian was immediately displeased. how am I supposed to know how much I have to pay if you don't pull me to the place? "

The driver picked his nose. it's up to you. I won't stop you if you don't pay.

Dong Tian gritted his teeth. He had never expected to meet such a bastard.

she probably saw that it was dark and bullied him because he was a child, so she dared to treat him like this.

"How much do you want?" Dong Tian asked.

"500," the master said.

"I'll give you five thousand when we get there," Dong Tian said, suppressing his anger.

He was in a hurry to go back and didn't want to waste too much time on the road.

hehe, " the driver said in disdain, " you make it sound nice. Why didn't you say that you'd give me 50000 Yuan? if you don't have the money, get lost.

Dong Tian's last bit of patience was exhausted. He gritted his teeth and said,"Alright, I'll give you some."

With that, she stood up abruptly and wrapped her arms around the master's neck from behind. I'll give you money to kill you, Huahua.

The driver was shocked. what are you doing, Yingluo? don't do anything stupid, Yingluo!

dong tian's eyes were burning red with rage."If you're not leaving, then don't ever think of driving again."

Although Dong Tian was not yet twelve years old, his strength had long surpassed that of an ordinary child. Furthermore, he had killed before and had gone through the test of life and death in the jungle. His experience had far exceeded that of an ordinary person.

although the driver was big, he was weak. when dong tian strangled him, he could not resist. soon, his face turned red and he began to lack oxygen.

The driver probably realized that Dong Tian was very daring and quickly said, alright, let's talk this out. I'll 'send you there for free'.

Dong Tian immediately let go of his neck. Wouldn't it have been better if he had said so earlier?

He didn't want to kill him in the first place. He just wanted to scare him. It wasn't that easy for this person to kill him.

"Then leave quickly," Dong tianleng shouted,"I'll take your life if you're even a second late."

The driver rubbed his aching neck. He wanted to call the police, but he didn't dare to. "Let's go, let's go, let's go, let's go!"

The driver looked at the winter in the rearview mirror and shivered. He quickly started the car, and the taxi finally started.

Chapter 2164: You're not allowed to do this again

On the way, Dong Tian found out that he had run to the north of the city.

It was a full two and a half hours by train from the east of the city.

In a situation where there was no traffic jam at night, it would take nearly an hour to get there by car.

On the road, the driver kept frowning at Dong Tian. He was such a good-looking child, so he must have had a good temper, so he wanted to rip him off.

But he didn't expect that this kid was not some kind person. He was completely a little killing star.

The chauffeur gathered his courage and asked, " Yueyue, you're just a little girl. Did Yueyue run away from home in the middle of the night? "

Dong Tian kept looking outside. He replied,"I'm going home."

"Ah Yingluo, come home, Yingluo."

The driver suddenly remembered the address that winter had just given him. His heart skipped a beat. Go home and give me some advice. That place is not the richest place in the city. The people in that area are all rich. The economic lifeline of the city is in their hands.

He wondered which family's young master he was pulling in.

The driver suddenly regretted it. Damn it, if he had known earlier, he would have obediently brought this young master over. Maybe he could have gotten a lot of tips when they reached the place.

Indeed, one should not be greedy for small gains.

The chauffeur brought Dong Tian to his destination in regret. On the way, he tried to please Dong Tian several times, but to no avail. In the end, he could only give up.

Dong Tian jumped out of the car happily when he arrived at his house.

wait here, "Dong Tian said to the driver. I'll go knock on the door and get my family to bring you the money.

The driver's heart trembled. He looked at the door and the villa. Did he just drag a rich second-generation heir with him?

it was already past eleven at night. winter didn't want to knock on the door, but he didn't want to sneak into the house. after hesitating for a while, he rang the doorbell.

Dong Tian thought that everyone in the house was asleep, but he did not expect someone to open the door so quickly.

It was Butler li and two maids who opened the door. When they saw winter, they were stunned for a moment, and then their faces were full of joy. Oh, master Dong Tian, you're finally back. Master and Madam are waiting for you. Hurry up and come in.

Dong Tian's expression softened when he saw Butler li."Butler, can you help me pay for the taxi?"

The Butler nodded excitedly. eh, okay. Okay. Yingluo, you can go in first.

No one in the family was asleep. They were all waiting for the young master.

Dong Tian's heart beat faster and faster as he stepped through the door. He had not been back for a long time, and he suddenly felt a sense of homesickness.

the maid had already run into the living room to tell liancheng yazhi and the others.

so, when winter came, as soon as he stepped into the living room, he was suddenly pulled into rong yan's arms.

Rong Yan's eyes were red. you're finally back, child. You've made us so anxious. Don't do this again next time, Yingluo.

Dong Tian's body was very cold, and Rong Yan could feel it the moment he hugged her. She touched Dong Tian's hand. it's so cold outside, and you're wearing so little. Are you cold, Yingluo?
„

"Hurry up and get some clothes for winter," she said to the maid next to her.

Dong Tian's heart ached, filled with the warmth of being home. He quickly shook his head and said, "Auntie, I'm not cold."

"you still say you're not cold? your hands are already so cold. you haven't eaten yet, have you? the kitchen is still warm. they're all your favorite food."

Dong Tian sneaked a glance at Liancheng Yazhi. His expression was very ugly, and when he looked at Dong Tian, his eyes were particularly sharp.

Chapter 2165: i can only have peace by her side

Dong Tian lowered his head. He was feeling guilty. He had not considered this matter properly and was too rash.

Gu Hesheng saw that winter was afraid of Liancheng Yazhi and quickly said, " "Alright, alright, it's fine as long as Yingluo's child is back."

"that's right. it's fine as long as this kid is back." tang zong nodded.

"Did anything happen on the way?" he asked Dong Tian.

the journey was smooth, "Dong Tian shook his head. we got lost in the air after we got back to the capital, and the plane stopped in the northern District.

Tang Zong patted Dong Tian's shoulder. brother-in-law, you saw it. This kid is a genius. He really drove safely all the way back.

Liancheng Yazhi's face was still cold and he did not say anything. Rong Yan pulled Dong Tian to sit down.

"Even if you drive safely, you can't do this next time. Do you know how scary it is?"

"yes, i won't do it again," dong tian nodded his head honestly.

He was now extremely obedient, completely unlike the prickly appearance he had in front of Jian Yi.

rong yan saw that dong tian had gotten darker and slimmer. her heart ached as she said, "be good. eat first and then have a good sleep. meowmeowmeowmeowmeow is already asleep. if you want to see her, go to her room."

Speaking of meowmeowmeowmeowmeow, Dong Tian quickly nodded. "En, Zhenzhen."

When they were eating in winter, Rong Yan said softly to Liancheng Yazhi, " "Don't be angry. He's tired. Let him rest first. If you want to teach him a lesson, bear with it."

lian Cheng yazhi glanced at rong yan. "alright."

Thus, winter managed to hide from them for the time being.

after dinner, he said good night to his family and went back to his room.

Dong Tian went to the bathroom to take a quick shower and then changed into a set of clean clothes.

Then, he walked out of the door and quietly went to the next room.

Meowmeowmeowmeowmeow's room was not locked today, so winter pushed the door open gently and entered.

A small orange light was turned on in the room, making it look especially warm and cozy.

喵喵就躺在她的小床上睡的香甜，可能是睡的热了，她一脚露在被子外面。

The cat's little face looked so beautiful and pure under the light, like a sleeping angel, and no darkness could invade her.

Dong Tian stood by the bed for a long time, then walked over and sat down. He reached out and put MeowMeow's little feet under the quilt.

Suddenly, his hand stopped.

winter saw the red zhusha mole on the sole of meowmeowmeowmeowmeow's foot.

in the dim light, it looked like a drop of blood that had solidified on the skin.

Winter frowned. When did

Before winter, he had helped MeowMeow put on her socks, shoes, and clothes. He knew her feet very well, but he had never seen this red mole before.

Winter looked at it for a while, but could not find any clues. Some people would occasionally have a mole on their body, or perhaps the one under the feet of the Qianqian meowmeowmeowmeowmeowmeow.

Dong Tian didn't take this matter to heart. He put MeowMeow's feet back and covered her with the blanket.

He lay beside

These days, his heart had not been able to calm down, and he had become irascible. Now, he finally had a moment of peace.

After a few hours, the sky outside began to turn white. Wintertime got up. He took out a necklace made of animal teeth from his pocket and put it beside MeowMeow's pillow.

Winter Kissed

Chapter 2166: Do you know what your biggest mistake was?

After Brother Winter, Brother Winter, Brother Winter, Brother Winter, ”

Dong Tian was in the living room downstairs. When he heard the meow, he rushed upstairs and picked up MeowMeow, who was running down.

“Why aren't you wearing shoes?” Dong Tian asked as he carried him upstairs.

Dong Tian nodded,”yes!”

there was nothing in the winter. the only thing he could give to meowmeow was this animal tooth necklace.

He had pulled it out from the dead bodies of the wild beasts he had fought in the forest.

the two of them disappeared into the corridor, and Rong Yan said to Liancheng Yazhi, "You see, winter is only smiling at this age, and he already knows how to make girls happy, Yingluo."

Liancheng Yazhi snorted coldly, "Hmph!"

Today, he was still not very friendly to Dong Tian.

Rong Yan rolled her eyes at him. "You're already so old, but you're not like winter."

"I gave you a necklace before," Liancheng Yazhi quickly said.

Rong Yan let go of Liancheng Yazhi's arm. Oh, the necklace, Yingluo, I remember now. It was the first time we went to Mìsè. I thought you gave me ... Overtime pay and a transfer fee, Yingluo.

It was the first time Rong Yan met Su Yu. Liancheng Yazhi had thrown him a necklace outside Mìsè.

Liancheng Yazhi instantly wilted and quickly said, "Ahem, ahem, Yingluo, I was wrong."

Speaking of that time, Liancheng Yazhi had regretted it countless times in his heart. He had really courted death back then!

After spending less than a day at home in the winter, she was brought to the training room by Liancheng Yazhi.

Liancheng Yazhi and Dong Tian were practicing close-quarters combat.

As an adult, Liancheng Yazhi had the advantage, but he did not show any mercy. Instead, he attacked first and was very ruthless.

Dong Tian had been thrown over and over again. His body was in pain, but he did not make a sound.

He knew that Liancheng Yazhi was looking for him to settle the score.

He couldn't refuse, nor could he plead, because this was what he deserved.

After Liancheng Yazhi had vented most of his anger, he finally stopped.

"Do you know your mistake?" he asked Dong Tian.

Dong Tian got up from the ground and lowered his head. "I was wrong, Yingluo."

Liancheng Yazhi picked up a towel and wiped the sweat on his neck. "Where did I go wrong?"

Dong Tian lowered his head and answered honestly, "I shouldn't have let my family worry. I was too impulsive and didn't consider the consequences. Yingluo was too confident."

"You're wrong, but that's not the most important thing," Liancheng Yazhi frowned.

Dong Tian did not understand and looked up at Liancheng Yazhi.

"Do you know what your biggest mistake was?" Liancheng Yazhi asked him.

Dong Tian shook his head, "I don't know."

Liancheng Yazhi sighed. "You're too anxious to succeed. You're too eager to grow. However, don't forget what the consequences are for pulling up seedlings to help them."

Dong Tian was taken aback, but he finally understood. Yes, he was too anxious to grow up and to succeed. He did not want to be a child who was always suppressed by others. He wanted Liancheng Yazhi to be as powerful as Jian Yi.

He wanted to protect MeowMeow with his own efforts, so he had been irritable recently. He couldn't calm down.

"Yes, I understand, uncle. I'll change." Dong Tian lowered his head again.

Liancheng Yazhi grabbed a clean towel and threw it to Dong Tian. "Stay at home and adjust your state of mind. Don't go out."

Chapter 2167: becoming stronger

Liancheng Yazhi added, the day after tomorrow is Wanwan's one-month-old party. There will be a lot of people. You should look after MeowMeow.

"Yes, I will." Dong Tian nodded his head.

"Alright, you can go back now." Liancheng Yazhi patted his head.

Dong Tian followed Liancheng Yazhi back obediently. On the way, he kept thinking about what Liancheng Yazhi had said.

It wasn't an absolute mistake for him to be so eager for success, right? At least, with the desire for success and the motivation to improve, he had a goal to strive for.

Dong Tian was not a child who would change immediately no matter what an adult said, although he was still young.

However, he already had his own way of thinking.

He would definitely listen to what Liancheng Yazhi said, but he would not listen to it completely. He would selectively change what he thought was wrong.

If he didn't think he was wrong, he still wouldn't change.

He wouldn't change if he was anxious for success. However, he would no longer be so anxious when he was anxious for success.

He was very clear about his situation. If he could not become stronger and protect MeowMeow, Liancheng Yazhi would not give him MeowMeow.

If a person didn't work hard, no one would be able to help them.

The two of them returned to the living room. When the adults saw that Winter was limping, they knew that he must have been beaten up.

Meowmeowmeowmeowmeow was the only one who didn't notice. She clung to Dong Tian's side, calling him "big brother" and "big brother", holding onto Dong Tian's arm and refusing to let go.

Rong Yan smiled and teased, "Look at this little girl. After having Winter, she doesn't want a younger brother anymore, Yingluo."

Liancheng Yazhi added, "MeowMeow, little brother is jealous." &Nbsp;

“Brother dongtian hasn’t come back for such a long time. I’ll talk to him. My brother won’t be angry.”

“My little brother isn’t that petty.”

Rong Yan immediately laughed. This little girl spoke in a set of words now, making people a little unable to follow up.

“Are the clothes for Xuanji’s full-moon banquet done?” Gu Hesheng asked.

Liancheng Yazhi said, ” father-in-law, it’s all ready. I have to thank you for helping me find a Yue embroidery master. This little guy’s set of clothes made an embroidery workshop busy for almost half a month.

Gu Hesheng’s fingers touched Yingying’s face gently and he said in a pampering tone, ” ” a one-month-old party. it’s the first big day after a child’s birth. it must be grand. ”

Originally, everyone wanted to buy some high-end baby clothes for the child’s one-month-old birthday.

However, Gu Hesheng didn’t agree. He found a workshop to pass down the Yue embroidery technique and custom-made a set of clothes for the Kasaya.

The clothes were embroidered on both sides, and the patterns on them were made with more than 100 kinds of silk threads, which had been made by more than ten people day and night.

From head to toe, small hats, small clothes, small shoes, everything was available.

A child’s outfit was far more expensive than those internationally renowned luxury goods, and it took a lot more energy and time.

Rong nuo said from the side. big sister, you don’t know, but I went to see her that day. The part-time job was so beautiful that I wanted a set.

Rong Yan didn’t see it. She smiled and said, ” “then hurry up and have a child. when your child is one month old, i’ll ask someone to make another set for your baby.”

Rong nuo’s expression changed. we’ll talk about it when the time comes.

Chapter 2168: How dare you meet my former love rival

Rong Yan sighed silently. Rong nuo and Tang Zong probably didn’t agree on the idea of having children.

However, the greatest achievement of a woman’s life was not to marry a husband who was good to her for a lifetime.

Instead, you’ll be able to nurture a child who will inherit your bloodline and extend your life.

perhaps rong nuo was still young and could not consider this. he hoped that she would understand in the future.

Liancheng Yazhi saw Rong nuo and could not help but think of Xia Xuanmo. Over the past two days, the situation from the hospital had been good and bad, and even Liancheng Yazhi felt uneasy listening to it.

he sighed. he still had to go there tomorrow.

The next day, Liancheng Yazhi said to Rong Yan, "honey, i have to go to the hospital to see xia xuanmo. the hospital said that the situation is not good."

Of course, Rong Yan would not stop him. yeah, go ahead. Tomorrow's Wanwan's one-month-old party. You'll be even busier then and won't have time to go.

Rong Yan knew that Liancheng Yazhi had been thinking about this matter for the past two days.

sometimes, when secretary zhou called, she would occasionally hear liancheng yazhi's conversation with him, and his tone was not very good. And every time he hung up, Liancheng Yazhi would be in a bad mood. Liancheng Yazhi hugged him and said,"then I'll leave."

go, Zhenzhen. Rong Yan sent Liancheng Yazhi downstairs. Rong nuo and Tang Zong were both there.

Tang Zong saw that Liancheng Yazhi was about to leave and quickly stood up. brother-in-law, go out. Give me a break. I'm going to the supermarket to buy something.

Liancheng Yazhi,"Yingluo."

Rong Yan hurriedly said, "well, your brother-in-law has something to do at the company. It's quite serious. Why don't you ask the driver to send you there?"

"huh?" tang zong scratched his head. It's about the company. Yueyue, hurry up and go."

Liancheng Yazhi was afraid that Tang Zong would be suspicious and said, forget it, let's go out together. But I'll drop you off at the entrance of the supermarket and you can come back by yourself.

"Forget it then, I'll drive by myself." Tang Zong shook his head repeatedly.

liancheng yazhi's car and tang zong's car were only a few seconds apart. Liancheng Yazhi's car was in front while Tang Zong's car was behind.

On the two streets ahead, the two cars were heading in the same direction.

When they arrived at a large intersection, Tang Zong was a little puzzled as he watched Liancheng Yazhi's car turn West.

Tang Zong muttered to himself,"didn't brother-in-law's company run into trouble? I don't think that's the direction of the company?" However, Tang Zong didn't think too much about it. He still headed to the supermarket.

If he knew that Liancheng Yazhi was driving to meet his former love rival, Tang Zong would probably hit him from behind. since he dared to visit his former love rival, he would definitely not let him off.

When Liancheng Yazhi saw Xia Xuanmo this time, he was very awake and his fever had subsided. However, his complexion was still very bad and he was still very thin. He seemed to be even thinner than two days ago.

“How is it?” Liancheng Yazhi asked him.

Xia Xuanmo smiled. it’s good. It’s much easier.

“That’s good. Does it still hurt?” Secretary Zhou told Liancheng Yazhi that Xia Xuanmo’s leg was in so much pain that he couldn’t sleep at night. However, Xia Xuanmo didn’t allow painkiller injections, so he was tortured by pain almost all the time.

however, looking at him now, he had a natural smile on his face, as if he was not in pain at all.

Xia Xuanmo shook his head. it doesn’t hurt anymore. Liancheng Yazhi frowned. He didn’t believe it. The doctor said that the wound on his leg was inflamed and it wouldn’t heal completely in a short time. As long as the wound didn’t heal, it wouldn’t hurt very much.

Chapter 2169: You’re more worrisome than my child

Xia Xuanmo didn’t seem to want to discuss the problem of his leg injury with Liancheng Yazhi. He said, ” “Oh right, is your son’s one-month-old party tomorrow?”

Liancheng Yazhi nodded. yes. Ran ran, it’s tomorrow.

“congratulations,” xia xuanmo said with regret and envy. “it’s a pity that i can’t participate.”

“it’s alright,” liancheng yazhi blurted out. “you can come in a hundred days.”

I’ll fight for it. Xia Xuanmo smiled. I’ll try.

“Doesn’t your son look like you?”

Liancheng Yazhi nodded. yes. He looks 70% like me and 30% like his mother.

“it’s better for a boy to be like you.”

“yes, it’s better for a boy to look like me.”

“oh?” xia xuanmo hesitated for a moment and asked, “by the way, how is qianqian and kang yu?”

Xia Xuanmo also knew a little about Kang Yu’s Affairs. When Kang Yu brought him back, he told him a little.

Liancheng Yazhi shook his head. I don’t know. I don’t have any news of him now. When he returned, all the news was cut off.

That day, Kang Rong sent Xia Xuanmo back and then returned to the Army. After returning, there had been no news from him.

The more this was the case, the more worried he was.

However, the power of Kang Yu's family in the military was not to be underestimated. So, although he was worried, Liancheng Yazhi did not ask too much.

No matter how dangerous Kang Yu was, at least his life was not in danger. Moreover, if he was isolated for investigation, he would not be punished.

On the contrary, Xia Xuanmo was different. His injury had not recovered, and the doctor had not found an effective treatment plan, which was what worried people.

Xia Xuanmo comforted Liancheng Yazhi, "he should be fine. His father is still in power, and his grandfather's influence is still there. Even if he's temporarily imprisoned, it won't be long.

Liancheng Yazhi glanced at him. if you have the time, you should worry about yourself.

Xia Xuanmo smiled. my Yingluo is actually quite good.

Since he was injured, Xia Xuanmo had been very calm. He had been lying there with a calm expression, as if Yingluo was not worried about his injury at all.

Liancheng Yazhi's mouth twitched."Pretty good, and you ended up like this? You're really something. If you weren't doing well, would you be a pile of bones when I see you?"

that's not necessarily the case, " Xia Xuanmo said quite seriously. it was an accident this time.

Liancheng Yazhi nodded. yes, it was an accident. If your Secretary didn't push you, you would have said that you died in an accident.

Xia Xuanmo laughed. look at you, you're still talking like this. You're already a father of two children.

Liancheng Yazhi glared at him fiercely. my two children added together don't make me worry as much as you do.

Xia Xuanmo ridiculed him for being compared with two children who were less than five years old together. Such a deep comparison really didn't sound too good.

Xia Xuanmo rubbed his nose,"don't be like this."

Liancheng Yazhi said to Xia Xuanmo, "you should cooperate with the hospital's treatment. There's still hope for your leg. Although the hope is not too big, it's still better than making you completely despair!

Xia Xuanmo nodded. yes, you're right. I'll listen to the doctor's words, ran ran.

After talking for a while, Liancheng Yazhi had to leave. He said, "I'm leaving first. The doctor said you can't drink, so I won't bring you the wine for my son's one-month-old party tomorrow."

Xia Xuanmo nodded. well, good. By the way, wait a moment. He pointed to a silver-plated box the size of an adult's palm on a table not far away.

Chapter 2170: Some people are destined to be kept in the heart

The patterns on the box were very delicate, like a shrine.

“Do you see the box?” Xia Xuanmo asked.

“Yingying saw it.”

I came back from there, ” Xia Xuanmo said. I didn’t bring anything good.

“That’s the only thing I brought back. It’s your son’s one-month birthday present.”

Liancheng Yazhi walked over, picked up the box, and opened it to see a string of ebony bracelets.

Each bead was carved with a different pattern, and the carvings were exquisitely carved.

When all the beads were put together, one could vaguely tell that they were telling a Buddhist story.

Liancheng Yazhi picked it up. The ebony bracelet was heavy.

It didn’t seem like a complete piece of wood. It gave off the scent of sandalwood, which could make one’s impetuous heart slowly sink.

Even if Liancheng Yazhi was not an expert in this area, he felt that this bracelet was definitely not an ordinary item when he held it.

“This thing isn’t good?” Liancheng Yazhi smiled.

“not bad?” xia xuanmo shrugged. “maybe not bad?”

Liancheng Yazhi put the bracelet back. “Alright, thank you.”

he wanted to leave immediately, but when he saw xia xuanmo’s thin face, he sighed and asked, ” “Aren’t you going to ask her about her condition?”

Xia Xuanmo’s expression dimmed. I just know that she’s doing well.

If she knows too much, it’ll be a burden to her and me ...”

If he knew more, he was afraid that he would not be able to control his desire to see her and find her.

Liancheng Yazhi was silent for a moment. in that case, you can wait until you calm down and find someone to live your life with. In this world, there are some people who can’t be forgotten, but life has to go on.

There would always be more or less regrets in life. There would always be some people who were destined not to get or forget, so they had to be hidden in their hearts.

To Xia Xuanmo, Rong nuo was that person.

yes, ” Xia Xuanmo nodded very seriously. I will consider it.

“I’m leaving.”

Liancheng Yazhi didn’t know if Xia Xuanmo had remembered him. He was different from Kang zhengfeng and Tang. He always had a lot of things hidden in his heart.

“Goodbye,” Xia Xuanmo said.

Liancheng Yazhi waved his hand and said,”goodbye.” After getting in the car, Liancheng Yazhi took out the silver-plated box and looked at it for a long time.

he didn't say to drive, so the driver didn't dare to move.

after a long while, the driver asked carefully, " "young master, are you going home?"

lian Cheng yazhi nodded. "let's drive." when he went back, he saw Gu Hesheng flipping through a booklet in the living room. it was filled with kasayas worn by children. he was probably thinking about which one to give his grandson.

Lian Cheng Yazhi looked at the things in his hands, then walked over and said, " "Father-in-law, take a look at this."

Gu Hesheng looked at the box and said, "Oh, this box is not bad. It looks like it's been there for a long time. The craftsmanship is also very good. It's made of pure silver. It's rare to see it being preserved so well after so many years.

Lian Cheng Yazhi touched his nose. It turned out to be pure silver. He thought it was silver-plated.

After opening the box, Gu Hesheng's eyes lit up and he quickly put on the glasses.

He held it carefully and looked at it for a while before asking, " "Where did you get this?"

Lian Cheng Yazhi saw that Rong nuo was also there. He cleared his throat and said, "A friend gave it to me today. It's Yingluo's one-month birthday present."

"Then your friend is really generous," Gu Hesheng exclaimed.

Lian Cheng Yazhi did not understand and thought that something had gone wrong. He asked, " "What's wrong? is there something wrong?"
