

Permit Me 2181

Chapter 2181: Dad, can you give this to me?

Like the fusion of day and night, the little black figure had horns on its head and black wings spread out in the air.

It was a little demon covered in black. It bent down and flew down from the sky to hug the angel standing on the ground.

Looking at the two little people inside, Liancheng Yazhi did not know why but he was shocked.

This thing originally looked very cute and seemed to be very creative.

But,

Liancheng Yazhi felt particularly uncomfortable looking at it. He really wanted to smash this thing or quickly get rid of it.

He really didn't like this thing.

Liancheng Yazhi was about to put the Music Box back into the box, but he did not expect the door of the study to suddenly open. Meow's furry little head stuck in and she called out sweetly, "Daddy, Yingluo"

Liancheng Yazhi's heart skipped a beat. Oh no, how did I forget to lock it? it's too late to take away the things in my hands.

Liancheng Yazhi quickly put it down and tried to stand up to block the thing with his body. "What's wrong, baby? why are you up so early today?"

Liancheng Yazhi looked at the time. It was only a little past seven in the morning. At this time, MeowMeow had never woken up by itself. It was too strange today.

Furthermore, why did she have to come to the study?

Liancheng Yazhi didn't want MeowMeow to see him, but it was already too late. MeowMeow suddenly ran in and bounced to Liancheng Yazhi's legs. She leaned on the table, stood on her tiptoes, and opened her big round eyes. wow, Yingluo, this is so beautiful. Daddy, I heard this voice and came over. It's so nice. Daddy, can you give it to me? "

Liancheng Yazhi frowned. It was impossible to hear this sound. The music played by this music box was not loud. MeowMeow's room was a few rooms away from the study, and the windows and doors were closed. How did she hear it?

Liancheng Yazhi saw that MeowMeow was still barefooted and quickly carried her. "Baby, do you like this thing?" yes, yes, I really like it. Daddy, can you put it in my room? "

I'll buy you as many of these as you want, but this one doesn't look good. I'll get you another one, okay? " Liancheng Yazhi did not like this thing very much. It was a thorn in his heart and a thorn in his eyes.

It was as if keeping this thing would bring bad luck.

However, MeowMeow shook her head and said, "no, I want this. I like this voice. It's nice. dad," Liancheng Yazhi coaxed her, "can you let the other music boxes use this song too?"

However, MeowMeow still shook her head. I don't want it. I only want this one. Daddy, give it to me.

looking at her daughter's eager face, meowmeow had never asked for something so strongly from him.

"then tell daddy, yueyue, how did you run out of your room?" Liancheng Yazhi was still suspicious that MeowMeow had come from her room alone.

MeowMeow pouted. I just didn't wake up when I heard that sound. I didn't run out after that. Daddy is so stupid. I told you.

Liancheng Yazhi squeezed MeowMeow's little hand. is that so? you can hear it in your room? then, Yueyue, bring daddy over. Daddy will hear it and see if I can hear it.

MeowMeow nodded happily. sure, daddy. Is this mine?"

"Baby. dad will listen first." Liancheng Yazhi did not immediately agree to MeowMeow. go!

Chapter 2182: I'm not lying to you

Liancheng Yazhi looked at MeowMeow's disappointed expression and steeled his heart to put the Music Box on the desk.

Then, he carried MeowMeow out. He brought the door with him, but he didn't lock it just like before.

He carried MeowMeow to her room and closed the door after entering.

However, he couldn't hear anything. It was quiet all around.

It could even be said that after he walked out of the study, he could hardly hear anything.

Liancheng Yazhi's heart was beating a little fast. He didn't know how he should feel about this.

Liancheng Yazhi's hands tightened. MeowMeow! Did you really hear that?" he asked.

Meowmeowmeowmeowmeowmeow nodded vigorously. yes, I heard it. It was very nice.

she thought that liancheng yazhi suspected that she was lying and quickly shook her head. "

"Daddy, I didn't lie to you. I heard Yingluo."

Liancheng Yazhi comforted her. no, no, baby. Daddy isn't saying that you're lying. Maybe ran ran's daddy is old and his ears aren't very good, so he didn't hear it.

After she finished speaking, she actually started to hum slowly.

The little girl's voice was still very tender, but the melody was right.

Moreover, he didn't seem to be unfamiliar with her at all.

Liancheng Yazhi's heart was in a mess. MeowMeow's abnormal reaction made him very worried. He said, "My

Liancheng Yazhi really couldn't make a decision. He didn't want to put that thing in his daughter's room at all, but he couldn't bear to reject his daughter.

"Can we ask mom?" he asked after some thought.

okay, Yingluo. MeowMeow nodded. "Mom loves me the most. She'll definitely agree."

Liancheng Yazhi's brows were tightly furrowed. He was frustrated. Was there something wrong with his hearing or was Qianqian's reaction really abnormal?

But no matter what, the Music Box must not enter MeowMeow's house.

liancheng yazhi placed meowmeow on the bed. "Baby, you woke up early today. Can you sleep a little longer?"

MeowMeow nodded. yup. Okay, mommy is awake. Daddy, wake me up.

"Don't worry, baby. Daddy will remember." Liancheng Yazhi covered MeowMeow with the blanket, lowered his head, and kissed him on the forehead before leaving worriedly.

He was not very impatient.

The Music Box was too strange to be placed in front of their house so early in the morning. Damn it, who would be so reckless to put it there?

Liancheng Yazhi really didn't want to think about the gem from last time.

But,

He couldn't help it.

This kind of music box was obviously for children to play in their house.

they had three children.

There was no need for that in winter.

Yingying was too young and didn't know how to play.

Then only

Moreover, the angel who was being hugged by the little devil always made Liancheng Yazhi involuntarily think of MeowMeow.

Liancheng Yazhi quickly walked to the study and turned off the music in the Music Box.

The music was not bad, but now, when Liancheng Yazhi listened to it, he always felt that it had a gloomy feeling and was very uncomfortable.

Chapter 2183: a disaster

Liancheng Yazhi grabbed the Music Box and immediately wanted to smash it, but he was worried that if he smashed it like this, it would make MeowMeow very sad, so he slowly put down his hand. He still had to discuss this matter with Rong Yan.

Liancheng Yazhi quickly brought the Music Box over and brought it back to his room.

rong yan was still sleeping. usually, liancheng yazhi would not bear to wake her up.

But today, Liancheng Yazhi shook her awake anxiously. “Rong Yan, wake up. I have something to tell you.”

“What’s wrong with Zhenzhen?” Rong Yan woke up in a daze.

"You didn't wake up so early in the morning?" she rubbed her eyes.

“Yeah, I woke up early today.”

Rong Yan sat up and saw Liancheng Yazhi frowning."what's wrong? you don't look so good."

Liancheng Yazhi handed the Music Box to Rong Yan."Do you want to see this?"

Rong Yan picked up the Music Box and looked at it. did you buy this for MeowMeow? ” she asked.

“The two little people inside, why does my Yingluo feel uncomfortable looking at them?”

When the devil hugged the angel, it seemed that the Kasaya gave off a dark and depraved feeling.

Liancheng Yazhi shook his head. I didn't give this to MeowMeow. Someone left it at the door early in the morning. Dong tianchen found it when he came back from his run.

“a package?” rong yan’s heart skipped a beat.

Liancheng Yazhi nodded and said, "yes, ran ran."

Rong Yan frowned, "that's the same as last time, Yingluo." I'm not too sure either, but that's not the most important thing. What's important is that today's Xuxu "

Liancheng Yazhi ran out of the room with MeowMeow. He liked the music Box very much after seeing it and told Rong Yan that he wanted to put it in his room.

“You said that MeowMeow wanted this thing?” Rong Yan frowned.

Liancheng Yazhi looked worried. yes, she likes it very much. I told her I would buy her a lot. He didn't want anything else but this one.

“How did this happen?” Rong Yan looked at the Music Box. He reached out and twisted the base to see what song was playing.

Liancheng Yazhi looked at her and quickly pressed down on Rong Yan's hand."Don't, MeowMeow will hear you."

Rong Yan didn't believe it. how's that possible?

[illegible]

Liancheng Yazhi smiled bitterly. I left her in the study so much that she could jump off the bed by herself. I touched her all the way here and she told me herself that she heard it. I didn't believe it at first and carried her into her room. In the end, I couldn't hear it, but she could. She even hummed to the tune.

rong yan's hands started to tremble. if what liancheng yazhi said was true, then she could only think of one word for huahua-encounter evil.

Rong Yan squeezed the Music Box hard and stopped turning the base. She said with a cold face, "If that's the case, then we can't leave this thing behind."

This was a disaster, a root of disaster.

“But

said.

Rong Yan placed the Music Box on the coffee table by the bed. “Even if you like her, you can’t keep her.”

"I have a way. When the time comes, you don't just need to cooperate with me."

Liancheng Yazhi nodded. alright, ran ran. I'll listen to you.

he really had no choice in this matter. if rong yan could deal with him, she would naturally listen to her wife.

Rong Yan stared at the Music Box as if she wanted to ruin it with her eyes.

No matter what means he used to wake MeowMeow up early in the morning and let her hear that inexplicable song again, she would not let him succeed.

Chapter 2184: Mother, don't be sad

It was time for breakfast, and the family arrived one after another.

when meowmeow saw rong yan, she quickly pounced on her. ” Mom, dad told you, right? can you give me this music box?”

As she looked at Rong Yan, she secretly glanced at the Music Box next to her.

It was written on her face that she really wanted it, making her look especially pitiful.

Rong Yan patted Whatever you want, mom will satisfy you.”

Liancheng Yazhi opened his eyes in surprise. What was going on? didn't rong Yan say that she couldn't let that thing enter MeowMeow's room no matter what? didn't she say that it had to be destroyed?

Why did she tell her about it so readily after MeowMeow mentioned it?

Now, the Music Box had been broken, and the little demon and Angel inside had fallen to the ground. The little demon's wings were broken.

Rong Yan paused for a moment. also, the main reason why I can't have

Rong Yan suspected her and Liancheng Yazhi. The person who gave the Music Box this time was the same person who gave the gemstone the last time. It was the Golden-eyed teenager-Tyr.

Upon hearing this, Liancheng Yazhi was silent for a while. "I see. Yingluo can't let MeowMeow take care of her. But Yingluo, don't do this again. It hurts the child."

Rong Yan nodded. yes, I understand. Dad, don't worry. I won't go there again.

She had discussed it with Liancheng Yazhi. Even if this method was used, it could only be used once.

Next time, if he found a package again, he would not let it enter the house and would throw it far away, never giving MeowMeow a chance to find it again.

The things that happened early in the morning made Rong Yan and Liancheng Yazhi very depressed.

Tang Zong felt particularly bad in his heart.

If it wasn't for his Tyr identity, he wouldn't have come to China, and he wouldn't have met MeowMeow, let alone all these terrible things.

Tang Zong had lived abroad for a long time, so he knew better than Liancheng Yazhi and the others.

he remembered a western legend saying that every demon would choose an angel and use his black wings to make the angel lose the ability to live forever. the angel would then fall into darkness and pain with the demon.

Tang Zong felt that this story was very similar to the story of the villain in the Music Box.

However, he wanted to say it, but he was afraid that it would make Liancheng Yazhi and Rong Yan more worried.

So, after much thought, he still didn't say it.

Chapter 2186: haunting tune

anyway, the music box was smashed, so the story did not exist anymore.

he shouldn't add to the mess.

That morning, Liancheng Yazhi sent people to deliver many music boxes of all kinds.

liancheng yazhi and rong yan accompanied meowmeow and chose what she liked.

In the end,

Although

However, Rong Yan realized that the music boxes that MeowMeow had chosen were somewhat similar to the broken one, especially the little people inside. Some of them were newlyweds in black suits and white wedding dresses, while some were little bears in black and white suits.

this still made rong yan a little worried.

But she didn't dare to say anything more. She only told MeowMeow, "baby, don't let them hit the ground and break. if you don't care and touch the residue, you will get hurt."

Meowmeowmeowmeow nodded. I know. Mommy won't.

Rong Yan sighed.

[illegible]

really made her's heart ache.

After this incident, no one mentioned it again, as if they wanted to deliberately forget about it.

However, two days later, when

Liancheng Yazhi's heart trembled. This song was really haunting him.

Why was

He had never realized how good MeowMeow's musical talent was.

Liancheng Yazhi still had lingering fears. He quickly went to find Rong Yan and told her about this.

Rong Yan gritted her teeth and thought for a while. it doesn't matter. Go buy a piano for MeowMeow and hire a music teacher to teach her music. When she learns other songs, she won't have time to learn other songs.

Liancheng Yazhi quickly nodded. yes, yes. That's it. I'll hurry and get ran ran.

“What about the music teacher?”

rong yan thought for a moment. "hire a middle-aged woman in her forties or fifties. she has to be very kind."

“Alright, understood, Yingluo.”

liancheng yazhi did this very quickly. he used twenty minutes to open up a piano room for meowmeow and bought a white piano.

he brought meowmeow to the piano to play for a while. “does meowmeow like to play the piano? Do you want to learn?”

Children were always curious about new things, and it was fun to type on the black and white keyboards to make the tinkling sound.

“Sure, I want to learn,”

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeo

Hence, Liancheng Yazhi quickly called for the female teacher that Secretary Zhou had already found.

Although the female teacher was in her forties, she was very particular. One look and one could tell that she was from the southern Water Village. She maintained her figure well and wore a cheongsam, a shawl, glasses, and a pearl necklace. She was both noble and elegant.

people like her didn't lack money at first glance. it was just that she had retired from the band too early and was too bored at home, so she came out to teach children how to play the piano.

When they arrived at the Lian family, they were only slightly surprised to see such a grand mansion, but they quickly returned to normal.

rong yan held

Chapter 2187: A child with spirituality

"hello, teacher. welcome to my house," meowmeow said, raising her head.

The female teacher's eyes lit up when she saw "What a good child, what a beautiful little Yingying."

Rong Yan hesitated for a while and said to the teacher, " actually, we don't expect our daughter to become a pianist. We just hope that she can play two songs. Can you not be too strict with her? "

The female teacher immediately understood that this mother loved her daughter too much. She wanted her daughter to know how to play the piano, but she didn't want her daughter to suffer.

Although she didn't agree with this mentality at first, since she wanted to learn the piano, she had to take it seriously.

However, he looked at MeowMeow's pretty and cute little face and then at her small hands. He thought to himself, if this was her daughter, she would not bear to let her child suffer. This child's eyes were very intelligent and made his heart ache.

The female teacher nodded,"okay, I understand, Yingluo."

"How old is this child?"

"I'll be four years old soon," Rong Yan said.

"I see. Yingluo is a four-year-old child, just right to learn the piano. Let me see this child's musical sense."

"Then I'll leave it to you." Rong Yan handed MeowMeow to the female teacher.

go on, baby. Learn well from your teacher. Mommy will be here watching you.

"En, Yingluo."

The female teacher was indeed very kind and good at communicating with children. At first, MeowMeow was a little afraid of her, but after a day of interaction, they had become very natural.

Rong Yan was worried at first, so she kept watching from outside the piano room.

Later, she found out that after someone taught MeowMeow to play the piano, she no longer hummed the song that made them uncomfortable. Instead, she sang the song that the female teacher taught her.

This finally made Liancheng Yazhi and Rong Yan feel at ease.

“Wife, you really have a way,” Liancheng Yazhi sighed.

Rong Yan leaned against her. “It’s hard to learn the piano.

“After this part, when MeowMeow has forgotten the song, there will be no more trouble.”

“En, Zhenzhen.”

After a few days,

Tang Zong was the first to jump up and clap his hands.

In the midst of his family’s applause,

Liancheng Yazhi walked over, picked up MeowMeow, and kissed her hard on the face. “Why does my daughter look so good when she plays the zither?”

Gu Hesheng laughed, “How is my granddaughter doing well?”

Meowmeowmeowmeow blushed. “Daddy, mommy, I can do another one. Do you want to hear it?”

Children needed to be praised and complimented. She wanted to perform what she knew and get the approval of the head of the family.

Rong Yan and Liancheng Yazhi nodded, “Of course, we have to listen to Ran Ran.”

Liancheng Yazhi placed MeowMeow back on the stool.

Chapter 2188: Can’t bear to hurt her again

It was that song again, that song that the couple hated so much. Why did it always linger around?

Why did MeowMeow remember this song so clearly and couldn’t forget it?

They thought that

He didn’t expect that after she learned how to play the piano, she would play the music that he hated the most.

And it was very obvious that she was playing much more smoothly than the previous one. She continued to play in one go.

After

Only Liancheng Yazhi and Rong Yan were stunned on the spot, not knowing what to do.

“Daddy, mommy, did I play well?” MeowMeow looked up.

Liancheng Yazhi stood up and smiled. “Good, good Yingluo, that’s great. Look, mom and dad are shocked by MeowMeow’s wonderful performance. That’s great.”

Rong Yan also came back to her senses and quickly nodded. “Yes, you’re so good at Yingluo. Yingluo, our MeowMeow is so great.”

Neither of them wanted to hurt MeowMeow, so neither of them could say anything to blame her. No matter how uncomfortable they felt, they showed joy on their faces. They could not let MeowMeow know that they did not like the song she played.

After a moment of excitement, Liancheng Yazhi looked at Rong Yan and asked in a low voice, "what should we do?"

Rong Yan sighed. I don't know about Yingluo now.

If this still couldn't make meowmeowmeow forget that song, Rong Yan had no other way to use it.

He could only let nature take its course.

Perhaps they consoled themselves that perhaps a song wouldn't affect MeowMeow much.

Perhaps, this child really just liked her and didn't mean anything to her.

After breaking the Music Box last time, Rong Yan always felt guilty when facing
hence, when

At night, Liancheng Yazhi and Rong Yan sat at the head of the bed, both of them not in good spirits.

"What should we do about this?" Liancheng Yazhi asked.

Rong Yan said, "don't think about it anymore. If Yingluo thinks about it carefully, it's not a big deal. Maybe Yingluo is just a child who likes it for a while. After a while, her novelty will pass, and Yingluo will not remember this song anymore.

Liancheng Yazhi rested his head on Rong Yan's shoulder. "how i wish that was the case."

"Do you still want to continue learning the piano?" he asked.

it's up to MeowMeow. If she likes it, then continue. If she doesn't like it, then just stop.

"Alright, that's the only thing we can do now." Liancheng Yazhi reached out and put an arm around Rong Yan's shoulder. "Alright, go to sleep."

The two of them lay down and sighed together.

The whole family was not happy about this.

He hoped that it was really as Rong Yan said and that MeowMeow would forget this song completely in a few days.

The next morning, the couple opened their eyes and saw the dark circles under each other's eyes. Needless to say, neither of them had a good night's sleep.

Liancheng Yazhi was about to speak when his phone, which was turned on at eight in the morning, suddenly rang.

Chapter 2189: I'm a very sorrowful person

When Liancheng Yazhi saw that it was Secretary Zhou, he picked up the phone and answered."Hey, what's wrong?"

“young master ya’s xuanji and mr. xia’s injuries are under control for the time being.” secretary zhou sounded very excited.

Liancheng Yazhi’s spirit immediately improved when he heard that.

This was the best news they had heard in the past two days.

that’s good, ” he said. tell the hospital to take good care of her. Don’t let me hear about what happened last time again.

Secretary Zhou assured Liancheng Yazhi. yes, don’t worry. I’ve already knocked on the hospital’s door. The nurse this time is personally selected by me and will be absolutely meticulous. The previous incident will not happen again.

I’ll go to the hospital again today. If the hospital has any requests, please do your best to fulfill them. These two days, Liancheng Yazhi had been in a bad mood because of that music box. Xia Xuanmo’s operation had been over for a few days, but he had not been in a hurry to see him.

Liancheng Yazhi had just hung up the phone when Rong Yan asked him, ” “Has Xia Xuanmo’s sadness improved?”

A smile appeared on Liancheng Yazhi’s face. yes, he’s getting better. I’m going to see him again today. Do you want to come along? ”

Rong Yan thought for a moment and nodded.

The two of them were depressed enough. They had racked their brains for a solution for

Moreover, they were completely helpless in this matter.

Liancheng Yazhi patted Rong Yan’s shoulder. let’s just take it as going out to relax. Maybe we can remember something after going out for a walk.

“En, Zhenzhen.”

“Get up,” Liancheng Yazhi got into bed.

after breakfast, the two of them went out.

Their reason was simple. We haven’t had a date alone for a long time, and we wanted to have some alone time today.

what else could they say? Moreover, no one would doubt it.

The two of them came to the hospital’s Xia Xuanmo’s ward. The door of the ward was half-closed, and there was a gap. Inside the ward, a nurse was taking Xia Xuanmo’s temperature.

The nurse glanced at the thermometer and said with a smile, Mr. Xia, your body temperature is normal now. There hasn’t been any fluctuations in the past few days. It’s very normal. The doctor said that your injury has also improved. I believe that you will recover very soon.

Xia Xuanmo smiled. that’s because you took good care of her. Thank you, ran ran.

The nurse immediately shook her head. no, no, I didn’t do anything. It’s the doctor’s work.

She was facing the door. When Rong Yan saw Xia Xuanmo thank her, the nurse’s face was obviously a little red.

rong yan was a little puzzled. was this little nurse interested in xia xuanmo? uh, or rather, she was simply shy.

the young nurse lowered her head with a red face and said, "It's time for you to take your medicine. The doctor changed the medicine today and it's a little bitter. Bear with it, I still have some sugar here."

Xia Xuanmo didn't know whether to laugh or cry. I'm not a little girl. I don't need to eat candy.

The nurse was a little embarrassed and said, "huh?" Yingluo, right, I forgot. How can a powerful person like you be afraid of hardship?"

The smile on Xia Xuanmo's face faded, and he said, "I'm not powerful at all? I'm weak, cowardly, and lowly. I'm a very sad person, so don't think too highly of me. Yingluo, aren't you taking medicine? give me the medicine."

The nurse quickly handed the medicine to Xia Xuanmo, watched him pour all the particles into his mouth in one breath, and then handed him water in a daze.

Chapter 2190: We heard nothing

The nurse quickly handed the medicine to Xia Xuanmo, watched him pour all the particles into his mouth in one breath, and then handed him water in a daze.

After Xia Xuanmo had taken his medicine, she put the remaining half a glass of water on the table. She hesitated for a moment and whispered, "Mr. Xia, you're a very powerful person in my heart. You're someone I respect and admire. That's how you are in my eyes.

She didn't wait for Xia Xuanmo to speak and hurriedly walked out of the ward.

When she opened the door, she saw the Liancheng couple standing at the door.

The young nurse's face instantly turned red, as if she had been caught doing something bad. She was so ashamed that she could not show her face. She wanted to hide her head in a crack in the ground, but because she was a nurse, she had to remind the relatives and friends of the patients to pay attention to some things, so she could not leave.

Rong Yan gave her a friendly smile. "Hello, our Yingluo just arrived, she didn't hear anything Yingluo."

rong yan's words were obviously too obvious.

Liancheng Yazhi could not help but laugh at the side.

Rong Yan secretly pinched him.

The nurse's face turned even redder, and she stuttered, "Yingluo, you're Mr. Xia's friends, right? Yingluo, you can go in. It's best if you can talk to the patient for no more than two hours."

after he finished speaking, he ran away as if he was running for his life.

Rong Yan sighed, "tsk, tsk, why are you so shy?"

Rong Yan was now very sure that the little nurse was definitely interested in Xia Xuanmo.

Liancheng Yazhi pulled his hand and entered the door.”Let’s go. Stop looking at the nurse. Let’s go in.”

When Xia Xuanmo saw the two of them enter, he was a little surprised when he saw Rong Yan, but he quickly returned to normal and said, ” “You two.”

Liancheng Yazhi pulled a chair over for Rong Yan to sit down first. that nurse just now was not bad. Did Secretary Zhou personally pick this for you? ”

Xia Xuanmo nodded. yes, Secretary Zhou picked her. She’s very careful and serious in her work. It doesn’t hurt too much when she’s being injected. She’s very good.

“It’s pretty good. I could tell from her words to you just now,” Rong Yan said very seriously.

liancheng yazhi laughed out loud. who was the one who said that she didn’t hear anything just now? in the blink of an eye, it had become a conversation between you and him.

Not only did he not hear it, he had heard it too carefully and comprehensively.

xia xuanmo was a little embarrassed, so he changed the topic. ” “Why are you guys here today?”

Liancheng Yazhi said,”I came to see how you were.” Secretary Zhou said that you were feeling better, so I came to take a look. Now, it seems that you’ve really gotten better.”

Xia Xuanmo nodded. yes, the doctor said that Secretary Zhou brought an antipyretic and a healing medicine. They’re particularly effective. Otherwise, I might really have to go over now.

Liancheng Yazhi muttered to himself,’it seems like it’s still Natsume’s drug swimming.’

” it’s good that it’s useful. let me know when you’re done. i’ll get you some more. ”

“Sure, how’s your son’s one-month-old party going?”

Liancheng Yazhi nodded. very good. It went very smoothly. My son was radiant that day.

Rong Yan’s forehead was full of black lines.

Liancheng Yazhi, are you sure you want to use ‘this’ to describe a man, a one-month-old baby?

it’s a pity, ” Xia Xuanmo said with a little pity. I haven’t seen it yet.

Rong Yan, of course you’ve never seen a ‘radiant’ baby before. Even I’ve never seen one before, okay?
