Chapter 2211: living in vain

Tang Zong had never been afraid of the two elders of the Tang family. Or rather, they were the ones who were afraid of Tang Zong. They should be the ones to avoid him.

Tang han said, "alright, you can go now, Zhenzhen."

"Fine, I'll leave. Why aren't you cute at all?" Tang Zong snorted.

However, before he could leave, he ran into the Tang family's parents who had rushed over.

"You guys came pretty quickly." Tang Zong pouted when he saw them.

the tang parents had been traveling in the city next door, and they had rushed back as soon as they received the call. The moment Tang mu saw Tang Zong, his heart skipped a beat. When he saw Rong nuo standing beside Tang Zong, he snorted angrily and glared at Rong nuo.

Then, mother Tang's expression changed. She pounced on Tang han and shouted, "Son, how are you? are you okay? That b * tch hit you, and you tell mom that mom will definitely cut him into pieces, ran ran."

Tang Zong put his arm around Rong nuo's shoulder and said, "tsk tsk, he died in your hands before you could even stab the person who hit him."

Father Tang also looked at Rong nuo unhappily and scolded, "How can I speak to you like that?"

"I just said that. What's wrong? "Dad, if you have any opinions, you can keep them for yourself. Don't tell me. I'm afraid that I might accidentally give you your opinions. That wouldn't be good."

Mother Tang was still shaking Tang han. Tang han, tell me. Who hit you? tell me.

Tang han only felt the world spinning around him. He forced himself to say, "Mom, this is Yingluo, don't worry about it."

"I'm your mother, why wouldn't I care? tell me it's that bitch, I'll help you!" Mrs. Tang yelled.

"I'm Yingying!"

After Tang han said this, his head felt dizzy and he couldn't make any sound.

Mrs. Tang didn't notice it at all and was still shaking.

Tang Zong's lips twitched. She was really so stupid that he could not bear to look at her directly.

He couldn't stand it anymore. stop shaking. You'll die if you keep shaking.

After Tang Zong's reminder, the Tang family's parents realized that their eldest son had fallen into a coma.

Then, they quickly called for the doctor.

The doctor was so angry that he almost vomited blood. He roared, "What have you all done? it wasn't easy to save the patient, and you're all here!"

Mrs. Tang shook her head, "I don't know, I didn't do anything, I just shook a little!!!"

The doctor really wanted to vomit blood this time. shake? i don't think you're shaking, you're shaking your son's life. you're already so old, don't you know that you can't shake someone whose head you hit?"

"Yingluo, I don't know Yingluo."

"

"Doctor, how's my son?" father Tang asked hurriedly.

"what?" the doctor sneered. Hehe, Yingluo wasn't that sad at first, but now you're shaking it even harder. We can't control it anymore, what do you think we should do?"

Liancheng Yazhi couldn't stand it anymore. what else can we do? we'll just send him to the mortuary.

Rong nuo touched her nose and pretended not to know him.

"You guys, I think you all want him to die, right? Are you sure he's family and not here to kill him?" The doctor shook his head angrily. other than sending him to the mortuary, there's another way. Hurry up and transfer him to another hospital. Recently, Beijing No. 6 hospital has sent many good doctors from all over the country to treat a patient. Maybe someone can cure him.

Chapter 2214: The little b * tch who hit my son

tell the doctors and nurses not to reveal xia xuanmo's situation in the hospital. also, arrange for tang han and xia xuanmo to stay far away and let them gather together. this might prevent tang zong and rong nuo from seeing xia xuanmo.

Liancheng Yazhi hurriedly called the director. After giving him detailed instructions, he was still a little worried.

After Liancheng Yazhi walked around the room, he called Secretary Zhou again. Secretary Zhou, don't go to the hospital for the next few days. If there's anything, just call the hospital director directly and let him handle it.

secretary zhou was his man. if tang zong and the others saw him, they would definitely ask him what he was doing there. it was inevitable that they would be discovered in advance.

"Young master ya, why is that?" Secretary Zhou did not quite understand.

Liancheng Yazhi briefly explained the situation to him. "Since Xia Xuanmo's condition has begun to improve, you shouldn't wander around, lest you be discovered."

Once he said that, Secretary Zhou understood everything.”alright, i got it.”

After hanging up the phone, Rong Yan asked, a little upset, ” “can it be hidden?”

lian Cheng yazi sighed. ” i don’t know. we can only hide it from him. ”

“I guess this is the only way.” He could only hope that Tang Zong and the others would help Tang Zhen complete the hospital transfer procedures and not go to Beijing University sixth hospital.

That was what Tang Zong had thought as well. After completing the procedures, he would not go and bring Rong nuo home.

In the end, his two outrageous parents couldn’t take it at all. They only knew how to cause trouble and never solved anything.

As soon as Tang Zong said to leave, the two of them pulled him and insisted that he send Tang Zhen to the sixth campus first.

Rong nuo looked at the two of them and felt a little pitiful, so she let them go. Tang Zong simply helped them to the end.

The hospital’s staff carried Tang han into the car, and Tang Zong, Rong nuo, and the Tang family’s parents followed.

Mother Tang cried all the way. She kept saying that she had let Tang han down and that she deserved to die. When she heard Rong nuo’s sleepy voice, she felt like crying.

However, Mrs. Tang suddenly asked,”I haven’t even asked who hit your brother.”

Tang Zong pretended to be surprised. Oh, you actually remembered to ask this? that’s not easy.

Father Tang gritted his teeth in anger. Yingluo, Yingluo, tell me which bastard hit your brother.

Tang Zong pursed his lips and said, ” you all know the person who ran into him. He was also being scolded. Tang Zhen himself said that he deserved it.

“Tell me, who is it?” father Tang asked through gritted teeth.

Tang Zong did not intend to hide anything from them. He shrugged his shoulders and said, Gu liunian, the one whose family was destroyed by you guys, but was still unwilling to accept it, and still wanted to crush them into dregs.

Mrs. Tang almost jumped up in anger when she heard it was Gu liunian.”What? it was that little bitch who hit my son? where is she now? I’ll tear her apart. How many cheap lives does she have to pay for hitting my son? she doesn’t even know who she is. I definitely won’t let her off this time, Yingluo!”

” come on, you’re the only one who knows how to act tyrannically. look at all the good things you’ve done all these years. if it weren’t for those shady things you’ve done in the past, would all of this have happened today? ” tang zong said in a disdainful tone.

She didn't expect Mrs. Tang to twist her words, yes, we were wrong back then, but it's been so long since that incident. Why can't they just let it go? why are they still so stubborn and brooding over it? they even hit my son with their car. I shouldn't have let them off in the first place.

Chapter 2215: spitting blood all over your face

Rong nuo wanted to vomit blood, she really wanted to spit on Mrs. Tang's face.

look at how righteous she was with her words. it made people want to tear her mouth apart.

What did he mean by that?

What can't you let go?

F * ck, that's because your parents died, and you're not the one in prison.

You can let it go because you've been enjoying the pleasure of killing other people's families all these years, yet you still have the face to say this.

rong nuo really regretted it. she shouldn't have sympathized with them. they were just scums.

It was no wonder that Tang Zong was so disdainful and disgusted with his parents.

No wonder he hated the surname Tang so much.

Rong nuo said coldly, "if you call this letting them off when their families have been destroyed, then I really want to ask, in your eyes, if you don't let them off, do you want to quickly kill them all?"

mrs. tang blinked and pulled a long face. "Yingluo, how can you say that? whose daughter-in-law are you?"

rong nuo sneered, "his parents died tragically, his family collapsed, and he was thrown into prison. this kind of hatred can not be transferred to anyone, and no one has the right to say that they can let it go. although what tang han did back then might not have been his intention, he did take action. it was his parents who used him to destroy the gu family. no matter how heavy his burden is, what he did wrong can not be changed. the person who was harmed was not you, so you have no right to say that others are still holding a grudge."

Rong nuo looked straight at Mrs. Tang. since he did it, why can't others hate him? "

Tang Zong nodded his head vigorously. yes, my wife is right. This kind of thing, if it doesn't happen to anyone, they will never forget it. So, don't say it so casually. The reason you can say it like this is because it's easy for you to say it.

Mr. And Mrs. Tang's faces turned red. you ... You ... You ... You ... You ... You ...

The corners of Tang Zong's mouth cracked open, revealing a mouthful of cold, white teeth. if I were Gu liunian, I wouldn't look for Tang han. I would directly kill you with my car, or simply take the explosives and go to the Tang family to die with you.

The Tang family's parents suddenly shivered. If it was in the past when Tang Zong and Rong nuo said this, they would have been so angry that they would have screamed.

however, she felt guilty today. she was probably afraid to see her son in such a state, so she didn't dare to speak.

They finally arrived at the hospital, and Mrs. Tang asked with a trembling voice, where is Gu liunian's sister-in-law now? is she in the detention center? ”

Tang Zong laughed out loud. mom, you're thinking too much. Gu liunian has a golden backer behind him now. How could he be locked up in the detention center? ”

“What?!” Mrs. Tang yelled. She, she's not in the detention center now. She hit someone, so why can she still get away with it?”

Rong nuo sneered. you're so indignant. It's not because you're speaking up for your son. In fact, Zhenzhen, you're afraid that Zhenzhen, Gu liunian, will come to you for revenge, right? ”

Tang Zong walked over and put his arm around Rong nuo's shoulder. honey, you're right. They're afraid that Gu liunian will take revenge on them, but there's a reason for them to be so afraid. If I were Gu liunian, how could I let go of such a good opportunity? I'd take it all at once.

rong nuo nodded seriously. ” you're right. i won't let go of such a good opportunity either. anyway, it's better to have a strong backing. it won't be a big deal if you kill him. ”

Chapter 2216: I'll collect your corpse

Mrs. Tang was shaking with anger,”you guys, you guys, go away, go away!”

Tang Zong shrugged his shoulders. we're telling the truth. You'd better be careful, especially when you're crossing the road. It's really dangerous.

Beijing University sixth hospital's efficiency was quite good. After the new admission procedures were completed, the doctor came to do a physical examination on Tang han. After confirming his injuries, he first used medicine to stabilize the injury. Then, the attending doctor had a meeting to discuss the operation plan, time, and all the details.

After making the necessary arrangements, Tang Zong was about to leave.

However, Mrs. Tang still held on to him and refused to let him go. After a while, she said,”Tang Zong, why are you so close to the Liancheng family now? can you, can you ask Mr. Lian to send us two bodyguards?”

Tang Zong sneered. His parents had been afraid of death for decades!

“you can't,” tang zong said as he flung his mother's hand away.

“If Gu liunian comes to settle the score with you, don't worry, I'm sure Yingluo will collect your corpse.”

After Tang Zong finished speaking, he ignored mother Tang's pale face and left with Rong nuo while laughing.

Rong nuo turned around and looked at the old couple whose faces were ashen. She felt even more strange that Tang Zong hated her parents so much.

What could have happened for a child to hate his biological parents so much?

On the way home, Rong nuo asked Tang Zong, "Tang Zong, why do you hate your parents so much? you didn't tell me?"

Tang Zong hugged her tightly. it's been so many years. I don't really remember. I don't really want to talk about it either.

Rong nuo patted his shoulder, "alright then, if you don't want to tell me, I won't ask anymore, Zhenzhen."

As soon as the two of them entered the house, Liancheng Yazhi and Rong Yan gave them a much warmer welcome than usual.

Rong Yan immediately stood up and asked, "you're back?" How was it? Sit down first, you must be tired. Have some tea."

"Regarding the hospital transfer, did ran ran go smoothly?" Liancheng Yazhi asked.

In fact, he wanted to ask, did you see Xia Xuanmo when you went to the sixth hospital?

Tang Zong and Rong nuo were both a little "flattered." Why were these two people acting a little different from usual?

tang zong scratched his head. "that zhenzhen is fine. the transfer was very successful. she has already been arranged to be transferred to beijing university sixth hospital. "

"Does that mean that Tang Han's life is no longer in danger?" Rong Yan asked.

if tang zhen was fine, then tang zong would probably go to the hospital less.

Tang Zong shook his head. I don't know. It's hard to say. The doctor is discussing the time and plan for the operation. The doctor said that if the operation is successful, it's fine. If it's not, then I don't know.

Liancheng Yazhi and Rong Yan looked at each other, their eyes filled with worry.

Tang Zong curiously asked, "brother-in-law, why are you two so concerned about my brother Yingluo?"

Liancheng Yazhi cleared his throat. Oh, I'm not concerned about him. I'm just curious. After all, not every parent of ran ran is so weird.

tang zong laughed, "that's true, there's no such weird parents."

Rong Yan hesitated for a moment before asking, "then are you still going tomorrow?"

"I'm not going. I don't want to see them again." Tang Zong shook his head.

Rong nuo also shook her head. I'm not going either. I don't want to see them anymore. I really don't like them.

Rong Yan hurriedly nodded. that's good. If you don't want to go, then don't go. Just stay at home and play. What's the point of going there? "

Chapter 2217: it's his life whether he lives or dies

When they said that they wouldn't go, Rong nuo and Liancheng Yazhi were especially happy. Not going meant that they wouldn't find Xia Xuanmo. That was good.

"I feel that I might be able to bring Tang Zhen to the funeral parlor in a few days" time."Tang Zong laughed.

Rong Yan,"Yingluo."

Liancheng Yazhi,"Yingluo."

after tang zong and rong nuo returned, they stayed at home for four to five days and did not ask about tang han's condition in the hospital.

anyway, his parents would be there to see if he lived or died.

However, two days later, Tang Zong suddenly received a call.

The caller ID on the phone showed that it was Tang han.

tang zong was surprised. oh, could it be that tang han had woken up?

However, after he picked up the phone, he heard a loud noise and crying. Then, an old woman shouted like a pig being slaughtered, " "Tang Zong, hurry up. Come over quickly, Yingluo."

Tang Zong felt like covering his ears.'Damn it! Who else could be so hoarse besides that extreme mother of his?'

"What for?" Tang Zong asked impatiently.

Mrs. Tang cried as she shouted, "hurry up and come over. That crazy woman Gu liunian is here. She's going to kill your father and me. Ran ran, hurry up and come over.

Tang Zong raised his brows. ah, they've finally found you. This is quite normal. It's time for you to pay back what you owe them.

What he meant was,"if you die, I'll collect your corpses. You want me to save you? no way."

"Tang Zong, Tang Zong, I'm your mother. Have you forgotten how I treated you when you were young?" Mrs. Tang cried. You can't not save me, come and save me Yingluo, come quickly Yingluo!"

Tang Zong's expression instantly turned cold."When you were young, hehe, Yingluo, of course I remember what happened when you were young. I'm very grateful that you threw your son out to save your life when you encountered a robber on the road."

Mrs. Tang didn't know what to say,"I'll do it, I'll do it with your dad! We had no choice!"

Tang Zong's face was as cold as ice. that's enough, don't waste your breath on me. The life you gave me, I have already paid it back when I was young. So, don't say anything in front of me in the future. If you are the ones who gave me life, your life and death have nothing to do with me.

After that, he hung up the phone and threw it on the bed. He turned around and saw Rong nuo standing at the door.

Tang Zong scratched his head in embarrassment. "You heard that?"

“Yes, I heard it.” Rong nuo nodded.

“That man urged Gu liunian to go to the hospital. He probably wants to kill them. So, they asked me to go over,” Tang Zong said.

“oh, i see. are you going?”

Tang Zong shook his head. I’m not going. Why would I go to him? it’s time for them to taste the fruits of their labor.

rong nuo walked over and held his arm. “Then we won’t go. Come, let’s go to the gym to play badminton.”

“Alright, Yingluo.”

The two of them were just about to walk out when Tang Zong’s phone rang again.

Tang Zong stopped and turned around to take a look. He frowned. “Let’s go. It must be them again. Let’s not watch anymore.”

Rong nuo said,”let’s see. Maybe it’s someone else.”

Tang Zong hesitated for a moment. He walked over, picked up the phone, and saw that it was indeed an unfamiliar number.

He picked up the phone and heard the person on the other end say, ” you must be Mr Tang Han’s family. This is Beijing University sixth hospital. The doctor is going to perform an operation on Mr Tang han and we need his family member’s signature. Can you come over quickly? “

Chapter 2218: husband and wife are not of one heart

“both his parents are here. why didn’t you sign the papers for him?” tang zong said unhappily.

the doctor was in a difficult position. ” wanwan’s parents couldn’t sign it. we had no choice but to look for you. ”

Tang Zong hesitated for a moment. alright, I’ll go over now.

He said to Rong nuo,”the hospital needs a signature for Tang Han’s surgery, but ran ran and Gu liunian are there too. My parents ran ran.”

Rong nuo interrupted him, ” alright, I got it. You should go quickly. Or, I’ll go with you.

Tang Zong shook his head. forget it. We don’t know what’s going on there yet. You don’t have to go. I’ll go there alone.

However, after he went downstairs and told Liancheng Yazhi about the situation, his brother-in-law instantly lost his calm.

He and Rong Yan looked at each other. Tang han needs surgery and Gu liunian is there. It’s really lively.

tang zong nodded. “yes, it’s very lively. i reckon it’s so lively that it’s a little hard to watch.”

Rong Yan touched her nose. it's so lively. Why don't we go and take a look? I really want to see what Gu liunian is doing.

Liancheng Yazhi put his arms around his shoulders. you want to see it? alright then. Let's go and take a look.

Tang Zong,"Yingluo."

this didn't seem right. why would they be interested in this?

"Brother-in-law, big sister, what's up with you guys?"

Rong Yan patted his shoulder. that's enough. Don't dawdle anymore. Hurry up and go. We're just going over to have some fun.

Since Liancheng Yazhi and Rong Yan were going to the hospital, Rong nuo would naturally go as well.

Hence, Tang Zong, who originally only had the Big U-tree, went over. Now, a group of them went over.

rong yan and liancheng yazhi were not in the same car as tang zong and the rest.

in the car, rong yan said worriedly,"you really make me worry."

"They probably won't find out," Liancheng Yazhi said lightly.

Rong Yan pinched him. don't be so sure. Who knows if it's true? the moment I think of them staying in the same hospital, I start to panic.

"I'm panicking too, but if they really meet them, what are we going to do?"

Rong Yan thought about it and said seriously, " "I'll just faint and say I don't know."

"Honey, please help me faint."

Rong Yan said,"go away, Yingluo. This is your business, Yingluo."

we're husband and wife. Liancheng Yazhi said pitifully, " we're not of one mind now, okay? "

Rong Yan: " it's not very good, but Yingluo has no choice. You said that you would protect me. Right, hubby? "

Liancheng Yazhi wailed in grief.

When they arrived at the hospital, the hospital was in a state of chaos.

The panic caused by Gu liunian was still ongoing.

However, the only good thing was that the patients and their family members were not affected.

Only the doctors, nurses, and Tang Han's parents were affected.

Gu liunian didn't know how he found out that Tang Han's parents were in the hospital, so she came. She came empty-handed.

She arrived in front of Tang Zong's parents without any obstructions.

At that time, when Mrs. Tang saw Gu liunian, she subconsciously wanted to curse him and then tear him apart as she had planned.

At that time, she had also done the same. She opened her mouth and cursed, ” “Gu liunian, you little b * tch, how dare you hit my son? I’ll take your cheap life!”

The result.

Before she could finish her sentence, a shiny scalpel had appeared in Gu liunian’s hand.

Chapter 2219: can you spare me?

The knife was very sharp. It was obvious that Gu liunian had gotten it from the hospital.

before mrs. tang could finish, gu liunian raised his hand. a cold silver light flashed, and mrs. tang suddenly let out a shrill scream.

the knife in gu liunian’s hand was currently stuck in mrs. tang’s thigh. fresh blood flowed out and dyed her hand that was holding the knife red. she smiled and said, “go on, go on and scold. isn’t yingluo happily scolding? Go on, scold me, Yingluo.”

mrs. tang was shaking, she didn’t even have time to beg for mercy.

The young and beautiful woman in front of her was like a malicious spirit that had crawled out of hell to take her life. She wanted to take her life, break her bones, and drink her blood.

gu liunian’s eyes were filled with the anger of revenge. as long as tang han was not dead, her hatred would always be there. as long as the tang family’s parents were not dead, she would not be able to regain her calm.

Gu liunian pulled out the scalpel, and blood spurted out. Mrs. Tang cried out in pain.

However, when the scalpel that was still stained with her blood was placed on her neck, she didn’t dare to speak.

Mrs. Tang was trembling in fear,”you ... You ... You ... Don’t do anything stupid ... This is a hospital, a hospital ...”

Gu liunian pressed down hard on his wrist, and the sharp blade instantly cut into Mrs. Tang’s skin. A line of blood appeared, and fresh blood slowly flowed out.

mrs. tang shivered even more. she didn’t want to die, she was scared. liunian, liunian, Qianqian, can you let Auntie go? Qianqian, Auntie made a mistake, Auntie really made a mistake. Think about how good Auntie treated you when you were young. Qianqian, can you spare me? ”

In order to survive, Mrs. Tang, who had just called her a bitch, immediately called herself Auntie and affectionately called her name.

But the more she said this, the more Gu liunian hated her.

why were some people always so shameless and vicious?

When Gu liunian was young, he often went to the Tang family’s house. At that time, mother Tang was really good to him, almost like his own mother.

However, once the Gu family was in trouble, the Tang family was the first to jump out and step on their family's head. They were more skilled than anyone in the business of hitting someone when they were down.

In the past, Gu liunian did not understand why the Tang family, who used to be so good, changed their faces in the blink of an eye. They were so vicious that she could not believe that there were such dirty-minded people in this world.

Gu liunian laughed, and the knife in her hand became more forceful. "Auntie? You still have the face to call me Auntie, and you still have the face to call my name? I really regret that I should have killed you before I went to prison. However, it's not too late now. I'm still alive, so I still have a chance to kill you."

Hearing that Gu liunian was going to kill her, Mrs. Tang quickly begged for mercy, "No, no, no, I, Yingluo, I'm not worthy, I'm not worthy. I've let you down, I've let your whole family down. I really know I'm wrong, can you spare me? I'm begging Yingluo, I'm begging you."

As Gu liunian watched mother Tang beg for mercy on her knees, the hatred in his heart grew stronger. He grabbed her hair and pulled it back as if he wanted to peel off her scalp.

Gu liunian's eyes flickered with killing intent. if I let you off, how can I be worthy of all the suffering I've suffered in prison these past few years? If I let you off, how am I going to explain to my dead parents? if you want to beg for our family's forgiveness, then go to hell. When you're in hell, see my parents and see if Hanhan and the others have agreed to let you off."

Chapter 2220: I can't even wait a day

Mrs. Tang's tears and snot were flowing down her face as she waved her hands. no, no, no,

"If I wanted your life, would I know where to look?" Gu liunian's lips curled up.

The knife in Gu liunian's hand sank deeper and deeper. Mrs. Tang felt as if it was only a thin piece of paper away from piercing her throat. He was so afraid that he trembled and couldn't control his words. He set himself as someone who would spill everything out. back then, your parents didn't kill Zhenzhen. I didn't kill Zhenzhen. They did it themselves. They couldn't think things through and went to Zhenzhen to seek death. Zhenzhen, you can't blame me. Zhenzhen, you really can't blame me for Zhenzhen.

the more she tried to shirk responsibility, the more it would anger gu liunian. especially when she said that the gu couple had sought death because they couldn't take it anymore, it made gu liunian even more furious.

she smiled and said,"don't blame you?" Right, I don't blame you, why would I blame you? you're such a good person, Yingluo!"

"Yes, yes, I've always been good to Hanhan, I've always been good to you and your sister. You can't kill me!" Mrs. Tang said.

Gu liunian laughed a little crazily. you're such a good person. How could you bear to see my parents suffer down there? that's why you should go down and accompany them.

“No, no, no, no, Yingluo!” Mrs. Tang yelled at the top of her lungs, unable to say anything else.

Gu liunian had a smile on his face as he slowly raised the scalpel in his hand. The hatred in her eyes had already reached a critical point.

There was only one voice left in Gu liunian’s mind. Kill the real murderer of her parents, kill this old woman, and avenge her parents.

Just as the knife in Gu liunian’s hand was about to stab into Mrs. Tang’s throat, Yongye, who had been following behind Gu liunian, suddenly stepped forward and grabbed her wrist to comfort her. alright, let’s just vent our anger today. Don’t kill anyone. You wanted to kill her, so why did you have to put your own life in danger? ”

Gu liunian struggled. She wanted to free her hand from Yongye’s grasp, and her eyes flickered with madness.”But I can’t control it, Yingluo.”

Yongye hugged her tightly. I can’t control it anymore but I have to. It’s not the time now. This is a hospital and there are so many people here. If you say you want to kill her, it won’t be easy for me to save you.

Gu liunian struggled with all his might,”then there’s no need to fish him up, Yingluo.”

Yong ye pressed down on Gu liunian’s head with great strength. Even though Gu liunian was about to go berserk, he still couldn’t break free.

“That won’t do. If you have time, you can go in for another six years. I don’t have time to wait for you. Come back with me and I’ll handle this.”

gu liunian looked at him with red eyes.”Yongye, I don’t want to wait another day, Yingluo.”

“I can’t wait another day either.” Yong ye nodded in agreement.

Gu liunian gritted his teeth. “You’re so silly!”

Yong ye squeezed Gu liunian’s hand so hard that he almost crushed the bones in her hand. It was so painful that she couldn’t help but drop the knife in her hand.

the scalpel fell to the ground with a clang.

Yongye pulled her into his arms. we’ve already said that after you’re released, every day of your life is mine. You have to listen to me in everything you do. Today, I brought you here to let you vent your anger, not to kill anyone.

“Come home with me. We should go back.”
