

Chapter 261 Are you done?

Liancheng yazhi's expression became a little better. he wrapped his arms around her body and lectured her like a child."you stay here obediently and don't move."

continue, " he said to Dr. Wang. I'll give you three minutes. Get it done immediately and be careful.

Dr. Wang nodded his head repeatedly. Alright, three minutes it is then. I'll get it done quickly and get out of here. This is not a human job. I really don't know how Secretary Zhou managed to stay by young master ya's side every day. Young master ya is too brutal. If he doesn't have nine lives, he shouldn't approach him.

Doctor Wang didn't dare to think too much. He quickly cleaned the wound and used alcohol to disinfect it.

He was puzzled. Why did his hands, which were nimble even when performing major surgeries, find this simple wound dressing so difficult?

The reason was actually very simple. Yingluo couldn't help but think that young master ya was here! If he wasn't here, he would have left after bandaging his wounds.

When the alcohol was applied to the wound, Rong Yan's body trembled violently and her teeth bit her lower lip so hard that it was about to break. Liancheng Yazhi reached out and pinched her cheeks, pried open her teeth, and rescued her lower lip that was about to break."Don't bite randomly."

Rong Yan's lips were very beautiful, small and full, like a flower bud. Just looking at them made one want to kiss them.

But now, Liancheng Yazhi felt that the obvious teeth mark on Rong Yan's lips was an eyesore. He lowered his head and kissed her lips gently, ignoring the people around him. He stretched out the tip of his tongue and licked her lower lip a few times, as if he wanted to smooth out the mark.

Rong Yan's face turned red immediately. Her heart had suddenly thumped a few times just now, and for a moment, she forgot that her foot was still in pain.

Liancheng Yazhi's kiss was not as deep as usual. Instead, it was a light kiss that lingered on the outside. The kiss was light and had a touch of sweet warmth.

It gave Rong Yan the illusion that she was being protected, loved, and held in the palm of her hand!

She really wanted to sink into it forever and not wake up.

Seeing this blushing and heart-racing scene, Dr. Wang didn't care about being surprised or blushing. He quickly took the opportunity to apply medicine and bandage it. At this moment, he finally displayed the professionalism he had always been proud of.

He quickly bandaged the wound and stood up. He wiped the sweat off his face and said to the two people who were kissing, "Young master ya, miss Rong has recovered. Change the medicine once a day and don't let it touch water. If miss Rong is afraid of continuing inflammation, she can take some anti-inflammatory medicine. I'll help you clean it more."

Dr. Wang had intended to give the instructions as soon as possible and then leave. However, young master ya raised his head and said, "Are you done?"

His intention to chase her away couldn't be any more obvious. He almost said directly, "why don't you have any sense at all? get lost after you're done. Don't disturb other people's intimacy. It's shameful to disturb other people's communication of feelings, do you understand?"

Doctor Wang's knees went soft and he swayed a few times. He stuttered, "It's over, ran ran, it's over, we're leaving now, we're leaving now, ran ran"

After saying that, she hurriedly picked up her first aid kit and put it to the side. She stumbled and threw it out of the room. The maid, who had long been blushing and envious, also ran out after her.

Outside the door, Dr. Wang's body was about to fall, and the maid held him in time. "Dr. Wang, what's wrong?"

Chapter 262 look at how scared you are!

Doctor Wang shook his head and wiped the sweat off his forehead."I'm fine, I'm fine. Hurry up and help me downstairs."

He's fine. He's just scared by young master ya and is about to lose his strength!

Oh my God, it's so difficult to walk out of young master ya alive!

Dr. Wang made up his mind to ask Secretary Zhou for advice in the future!

He believed that Secretary Zhou must have a complete set of strategies-how to get the survival Manual from young master ya.

On the way, the maid's face turned red with envy. She said with Starry Eyes, "Dr. Wang, how can young master ya be so handsome? I've never seen a man more handsome than young master ya. Miss Rong is so lucky. Young master ya is so good to him. If I were miss Rong, I'd be so happy. I'm so jealous of her!"

Dr. Wang's legs had recovered from the shock. He pushed the maid away and said with a cold face, " " who is miss rong? you're her identity. you'd better figure out who you are. if you want to die, think about the woman locked in the basement. "

After that, Dr. Wang left.

He finally understood that miss Rong was the Tribulation that had already appeared in young master ya's life.

Seeing how nervous and concerned he was about Rong Yan, it really shocked him, who had known Liancheng Yazhi for many years.

Even though he had seen it with his own eyes, it was still unbelievable.

However, through today's observation, young master ya himself had yet to realize how much influence Rong Yan had on him!

dr. wang sighed. young master ya had a hard time loving someone. even if he did, he didn't know how to love a person.

As for miss Rong, he had just met her. He couldn't tell who she was, but she was definitely not a simple woman who only relied on her body to sell her looks.

Young people's pursuit of love, ah, hope that it can be complete, and also hope that it will not be too tortuous.

after dr. wang left, the maid looked upstairs and pursed her lips in disdain. Status? tsk, what status? she was just a mistress of young master ya. She was not even as noble as a maid.

However, she knew the rules of the Lian family's old mansion and would never dare to break them. She didn't want to end up like the woman locked in the basement.

=====

The door closed. There was no one else in the room, and it was finally quiet. Rong Yan's feet were wrapped like rice dumplings.

Liancheng Yazhi hugged Rong Yan and leaned back, lying on the soft sofa. It was just nice for one person to lie on the sofa, and the two of them were a little crowded, so their bodies were tightly pressed against each other. Rong Yan was completely leaning in Liancheng Yazhi's arms and whimpering.

She blushed and bit Liancheng Yazhi's chin. "look at how you've scared him."

rong yan thought that liancheng yazhi's fierce look just now was really cute, like an angry lion. she really wanted to stroke his hair.

Rong Yan thought about it and simply reached out to hug Liancheng Yazhi's neck, her hand slowly touching his head from the back of his head. Separating her five fingers, Huanhuan inserted them into Liancheng Yazhi's hair. His hair was very smooth and the root was very thick, and it felt nice to touch.

Liancheng Yazhi did not get angry even though someone touched his head that he would never allow anyone else to touch in the past. when did I scare you? I only got angry at most. Isn't that because of you? "

Chapter 263 I really owe you!

after liancheng yazhi finished speaking, he glanced at rong yan's feet, which were wrapped like a dumpling, and asked, " "It still hurts?"

Rong Yan's mind turned and her fingers moved to Liancheng Yazhi's ear, gently scratching it. With a distressed expression, she asked, " it hurts. It hurts so much. I can't walk for the next few days. What do you think I should do? "

Rong Yan's fingers were slightly cold as she tickled Liancheng Yazhi's ear, making him feel itchy but also a little comfortable, so she once again made an exception and let him do as he pleased.

In the past, in Liancheng Yazhi's fixed mind, his head was the most important part of his body, but it was also the most fragile part.

After he turned 14, he couldn't even touch his parents. There was once a woman who followed him for two months and became arrogant because of his pampering. She touched his hair and urged him to get someone to take her away. After that, nothing happened to her! No one had ever seen her again!

But now, Rong Yan had broken all the rules he had set for himself, and he didn't hesitate at all. He didn't think there was anything wrong with this at all.

It seemed that this was an ordinary physical touch for him and Rong Yan.

Liancheng Yazhi opened his mouth and bit Rong Yan's cheek. what should I do? What do you want to do?"

Her beautiful eyes glowed with a cunning light, and the corners of her lips were curled up in a scheming smile. With such an appearance, she looked like a little fox. No matter how you looked at her, she was cute. You would want the Hunter to put down the hunting gun, catch her in his arms, and lock her up in a cage for exclusive rearing.

Rong Yan's head rubbed against his chest a few times. so, before my feet recover, I'll have to trouble you to wash my face and go to the toilet. Mr. Liancheng, Oh, and Qianqian, take a bath.

After Rong Yan finished speaking, she blinked at Liancheng Yazhi, as if to say, "I got injured because of you, so it's normal for you to take care of me!

The corner of Liancheng Yazhi's mouth twitched. He, the young master Liancheng, had already served her many times today, but he was still addicted?

He patted the back of Rong Yan's waist. good job, Rong Yan. You're still in the mood, aren't you? "

Today, he, Liancheng Yazhi, had already done a lot of things that he had never done before. However, serving a woman, this matter should stop here. Don't even think about making him break his rule again.

Rong Yan wrinkled her nose and turned around."Alright then. I got this injury because of you. Since you don't want to take responsibility, I can only admit that I'm unlucky. Since you're fine, I'm unnecessary here. I'll go back."

After she finished speaking, she sat still and wanted to get up. Before her feet touched the ground, she was pulled back by Liancheng Yazhi.

Liancheng Yazhi's face darkened and he asked,'go back? Where do you plan to go back to?"

she couldn't walk on her feet and was wearing a men's loose sleeping robe. most importantly, she was wearing a kasaya and nothing inside. how could she go out in this state? Was he asking him to dig out people's eyes?

rong yan turned around and did not look at him. she said resentfully, " of course I'm going back to where I came from. I'm just being annoying here anyway, so I might as well go back.

Liancheng Yazhi gritted his teeth and glared at Rong Yan. She pouted her lips and refused to compromise. No matter how he looked at it, she needed to be taught a lesson.

In the end, young master ya resisted the urge to bite Rong Yan's neck and cursed, "I, Yingluo, really owe you."

The corners of Rong Yan's lips curled up as she turned around and threw herself into his arms. "I knew it. Mr. Liancheng is the best."

the more she thought about it, the more she felt that Liancheng Yazhi's tough-mouthed but soft-hearted temper was so cute!

Chapter 264 Are you in love with me?

Rong Yan knew that she was being a little unreasonable right now, but women had the right to be unreasonable. Besides, she had to test how patient Liancheng Yazhi was with her.

She had to see if Liancheng Yazhi treated her as his mistress like before or if he was interested in something else.

The way they had been getting along recently was really different from before.

Sometimes, even Rong Yan herself suspected that Yingluo and the others would continue like this until that point!

.....

From that day on, the servants and butlers of the old mansion in Liancheng witnessed how indulgent their young master was towards Rong Yan, how he personally served her, and how much he loved her!

Recently, Liancheng Yazhi had used his illness as an excuse to not go to the company, so Secretary Zhou was extremely tired. Every day, he had to bring back the company's Affairs that he could not handle for Liancheng Yazhi to handle.

every time he came here, he would see a similar scene. young master ya was shouting and yelling at miss rong, but he was always angry and doing what miss rong asked him to do.

secretary zhou's initial disbelief and disbelief had turned into calmness now. he had been watching rationally from the side.

He watched the progress of their relationship. They were clearly very close, but neither of them was willing to truly open up their hearts.

The contract for Liancheng Yazhi's first sugar daddy contract was prepared by Secretary Zhou, and he was also the one who watched Rong Yan sign it.

From the first day Rong Yan was kept as a mistress, from being summoned occasionally to occupying young master ya's stronghold in block A of the Empire, and now directly attacking the Liancheng family's old house, every step seemed to be taken naturally and driven by some objective reasons.

However, this was a huge leap. No one would believe it even if he told them.

Block A of the Empire was young master ya's personal stronghold and he had never brought a woman in. However, once Rong Yan entered, she didn't seem to have any intention of leaving.

If block A of the Empire represented Liancheng Yazhi himself, then the Liancheng family's old house represented the entire Liancheng family. It was a place that all women dreamed of entering. However, after so many years, there were only two kinds of women who had appeared here. One was a maid, and the other was the female owner.

Then, in young master ya's heart, miss Rong's entry into the room must be another kind of woman.

She had moved into block A of the Empire and the Liancheng family's old house. What would be the next place that ran ran would move into?

Secretary Zhou had a clear view of the situation. He knew that Rong Yan was using her unique charm to attract young master ya.

=====

because rong yan's foot was injured and her physical strength had not recovered from that night's indulgence, the two of them only stopped at kissing and touching when they lay on the bed that night. liancheng yazhi did not dare to really go to the last step.

After the ruckus, when they were about to fall asleep, Rong Yan suddenly asked, "hey, mr. liancheng, do you like me?"

Rong Yan said it casually as if she was joking. However, only she knew how fast her heart was beating.

Liancheng Yazhi's heart thumped hard, but when he raised his head, he looked at her with a puzzled expression. "You hurt your foot, right?"

"Yes." Rong Yan lowered her head.

Liancheng Yazhi pinched Rong Yan's cheek and smiled ambiguously. "I thought you were injured in the head and didn't want to sleep. Let's do something else."

Chapter 265 Little lazy pig

Rong Yan held her forehead with a pained and powerless expression. She groaned and said, "Aiya, my body is still weak. The night before yesterday, I was brave and helpful. I haven't recovered yet. My life is so bitter."

As she spoke, Rong Yan buried her head in Liancheng Yazhi's arms. However, in a place where he could not see, in the darkness, her expression gradually turned cold!

Her jokingly sounding him out was really taken as a joke by Liancheng Yazhi.

The corners of Rong Yan's mouth curled up into a sneer. Yes, the word "like" was too sacred for the two of them. How dirty were they in the beginning? even if their relationship seemed to have eased up now, and they seemed to have a trace of a lover's feeling when they got along, no one could change their beginning.

As long as she and Liancheng Yazhi maintained this kind of mistress and mistress relationship, there would never be love between them, and there would never be a real beginning and progress.

Rong Yan's heart, which had been gradually warmed by Liancheng Yazhi these few days, had returned to below zero temperature at this moment.

This time, she nailed a thick shell around her heart, not letting it waver in the slightest.

Rong Yan lay in Liancheng Yazhi's arms and slept quietly. Liancheng Yazhi only opened his eyes when he heard her steady breathing.

Rong Yan's question just now made Liancheng Yazhi's heart beat fiercely, and the frequency of his heart beating obviously increased a lot.

you like it?

He asked her if she liked Rong Yan.

Liancheng Yazhi felt that this answer was easy to answer. Of course, he liked her. If he didn't like her, why would he let her be with him for so long? however, Liancheng Yazhi didn't know how long this love would last.

since he was young, he knew that for the heir of the liancheng family, he could have the world and wealth, but he didn't need to like anything.

Between men and women, men should be in an absolute dominant position.

A woman's cassock was a tool for him to vent his sexual desires. Even if it was his future wife, it was only a tool for him to give birth.

Although Liancheng Yazhi told himself that, just as he was about to fall asleep, there was a voice in his heart that asked, "Liancheng yazhi, was Rong Yan really a dispensable woman? Was he really just a tool?"

Liancheng Yazhi did not have an answer now, so he could just brush it off.

He lowered his head to look at Rong Yan and kissed her forehead. 'I'll answer your question after I've thought it through.'

The lights in the room were switched off, leaving only a dim bed lamp.

On the bed, the two people who were sleeping in each other's arms, their two hearts gradually drifted apart.

=====

the next day, at nine o'clock in the morning, Rong Yan was sleeping well, but she slowly felt an itch on her face, as if something was scratching it.

Rong Yan waved her hand and continued to sleep. However, after a while of silence, her face started to itch again.

she waved her hand a few more times, and after a moment of silence, she continued. after a few times, Rong Yan's rationality was completely awakened. she closed her eyes and said, "Mr. Liancheng, you're really going to make him angry if you continue to do this!"

Liancheng Yazhi, who was dedicated to harassing Rong Yan, was half-sitting against the head of the bed. He had Rong Yan in his arms and was holding a strand of her hair in his hand. After hearing Rong Yan's words, he stopped and put down Rong Yan's hair, pinching her cheek and saying, "You're finally awake, you little lazy pig. It's so hard to wake you up!"

Chapter 266 So scared now

Rong Yan snorted and said without opening her eyes, "It's rare for Mr. Liancheng to take care of me. If I don't enjoy it, how can I let you down? don't you agree?"

"Hmph, I'm not a lazy pig. You're the one who woke up too early."

After she finished speaking, she slowly opened her eyes. With a pair of sleepy eyes, she said coquettishly, "Mr. Liancheng needs to go to the toilet now!"

At this moment, Rong Yan had the confusion of waking up. Her innocent eyes and clean eyes made people nod in agreement.

lian Cheng yazhi frowned. " tsk, rongyan, you're getting more and more used to ordering me around! "

As he said that, his big hand had already hit Rong Yan's butt.

the two of them got along very naturally, just like before. it was as if they were not affected by the somewhat awkward topic last night at all. rong yan was acting normal. if it wasn't for the fact that lian Cheng yazhi felt a little guilty in his heart, he would have suspected that rong yan had asked that question because she was drunk last night.

Now that Rong Yan didn't mention last night at all, he heaved a sigh of relief, but he also felt a little worried for some reason!

He couldn't explain why he was worried, but he had a vague feeling that the situation didn't seem good!

Rong Yan pretended to cry. sob, sob, sob, it's so early in the morning and Mr. Lian Cheng is already hitting me. I really hate Yingluo.

"Hmph, if you don't carry me, I'll go myself."

Before his feet could land, his waist was tightened and he was lifted up.

Lian Cheng Yazhi gritted his teeth and said, " you're making a scene so early in the morning, aren't you? I've been indulging you more and more these days. Just you wait. When the injury on your foot is healed, I'll deal with you.

Lian Cheng Yazhi carried Rong Yan closer to the bathroom and gritted his teeth, as if he had an irreconcilable hatred for Rong Yan.

Rong Yan wrapped her arms around his neck and smiled sweetly. "then, mr. lian Cheng, can you tell me how you plan to deal with me first? i'm so scared now, so i can be prepared."

she reached out and gently scratched the back of lian Cheng yazhi's hand. " mr. lian Cheng, are you really willing to do it? "

When she woke up in the morning, Rong Yan's voice was already a little hoarse, and now she was deliberately being obedient with a touch of confusion in her eyes. When Lian Cheng Yazhi heard this, he suddenly felt that this girl looked so cute.

He couldn't help but have the feeling of raising her, feeding her carefully, and then waiting for her to grow fat, Humph!

However, Liancheng Yazhi woke up very quickly. He hated this reaction because it felt like he was being led by Rong Yan.

however, he knew that it was just as she had asked: are you willing to?

Liancheng Yazhi also asked himself if he could bear to teach her a lesson.

He thought for a moment and came to a conclusion. Of course, he was willing to do that. When she recovered, Hmph, let's see how he would make her cry and beg him!

Liancheng Yazhi carried Rong Yan into the bathroom and placed her on the toilet bowl. Then, he glared at him hatefully."Hurry up!"

If his brothers knew that he was serving a woman to the toilet, who knew how they would laugh at him!

Rong Yan sat on the toilet bowl and spread her hands. I know, but I've been holding it in for an entire night. I might need a long time to resolve it. Are you going to stay here or go out and wait? "

The corner of Liancheng Yazhi's mouth twitched a few times. Looking at the woman going to the toilet, Rong Yan's words made him sound like he was a pervert.

.....

Chapter 267 You can also be so naive sometimes

Liancheng Yazhi threw daggers at Rong Yan with his eyes, turned around, and left the bathroom to wait for someone.

After five minutes, he heard Rong Yan's voice from inside. Mr. Liancheng, I'm already fine. Why aren't you coming in? "

liancheng yazhi cursed at his mother outside the door and turned to enter.

A moment later, Rong Yan's whimpering voice could be heard from inside.

After a while, when Rong Yan was exposed, there was a clear bite mark on the left side of her face and her lips were red and swollen. It was obvious that she had done something good with Liancheng Yazhi.

A few days passed, and the injury on Rong Yan's foot was almost healed. Her relationship with Liancheng Yazhi was lively and calm, and to outsiders, it seemed like a normal state.

Liancheng Yazhi also felt that it was good to maintain his relationship with Rong Yan for the time being.

However, only Rong Yan herself knew that her heart was cold now.

She was slowly pulling back her heart, which had already begun to approach Liancheng Yazhi.

=====

as the end of the year approached, the people in Liancheng's old residence had already begun to prepare for the new year.

Liancheng Yazhi didn't say that he wanted to send Rong Yan off, so Rong Yan openly stayed in the old mansion, in Liancheng Yazhi's house, and enjoyed the exclusive care of young master Liancheng.

Compared to the busy people, Rong Yan and Liancheng Yazhi were the most idle.

On this day, Liancheng Yazhi was sitting on the sofa and looking at the company's financial reports. Rong Yan was lying on the sofa watching TV with her head on his lap.

Looking at Lu Guinong, who was still being reported on the TV, Rong Yan was deeply speechless.

He was an uncle in his forties or fifties. Although he looked elegant and refined, and it could be seen that he was a handsome young man when he was young, Rong Yan felt very bored after being played on TV repeatedly every day. She pouted and said, "Is this Lu something very powerful? Why were they talking about him everywhere? He had been numb to it for the past few days. The television stations these days were so boring. Didn't they have any new things to report? My ears are getting calluses."

Liancheng Yazhi was reading the company's performance report for the new quarter that Secretary Zhou had sent over today. When he heard Rong Yan's words, he lowered his head and kissed her cheek. What's so great about a mere artist? It's just the media's bragging."

He thought of something and raised his eyebrows with a smile. He raised his hand and touched Rong Yan's nose. Why do you think the media is so supportive of him? He's just paving the way for his return to the country. He's back from overseas and the media will report about it all the time. His value will naturally rise. For example, a painting of his would only cost one or two million Yuan at most, but with the media's hype, how many times more do you think it will rise? "

rong yan frowned and expressed her dislike for this lu guinong even more. " so, artists nowadays are also learning from celebrities to create hype. How boring. I thought artists like them were all noble celebrities who didn't want to associate with the secular world!

Liancheng Yazhi threw the report away and reached out to lift Rong Yan up to sit on his lap. tsk, tsk. I didn't expect you to be so naive.

Rong Yan blinked and immediately pretended to be an innocent little white rabbit. I've always been very innocent!

liancheng yazhi raised his eyebrows. yes, she had naively climbed into my bed and occupied it until now. she even entered the old house as a mistress!

Chapter 268 I'm disturbing you

Liancheng Yazhi bit Rong Yan's lips and muttered, " I really want to swallow you!

Swallow it, out of sight, out of mind! he didn't want to be upset because of her again!

Rong Yan twisted her body and pressed her lips against Liancheng Yazhi's chin. don't, Yingluo, swallow it. You won't be able to eat it again in the future. I'm so delicious. Don't you want to eat it every day in the future? "

Such thick-skinned words coming from Rong Yan's mouth didn't make people feel disgusted at all. Instead, they felt happy because of her words.

Liancheng Yazhi chuckled. yes, I want to eat it every day! That's worth it. "

After she finished speaking, she sized up Rong Yan and nodded. I think your body has almost recovered. You've been a vegetarian for a few days. It's time to eat meat.

As she said that, she looked at Rong Yan with an evil expression.

Before Rong Yan could say no, Liancheng Yazhi's phone suddenly rang.

"Hey, go and answer the phone!" Rong Yan quickly pushed him away.

Liancheng Yazhi lowered his head and kissed Rong Yan's eyes."Don't care about him. Eating you is the most important thing now."

Rong Yan secretly cursed him as a bastard. She thought hatefully, if she bit off a piece of flesh on his lips now, what would happen to Liancheng Yazhi?

Liancheng Yazhi's phone rang for a while and then stopped. When he wanted to hug Rong Yan and make out, his phone rang again, and the ringtone was high and loud, as if it would continue ringing if he didn't pick it up.

Rong Yan used a lot of strength to call out to Liancheng Yazhi. She quickly panted and said, " Yueyue, go and answer it. It's so annoying. I'm not interested in hearing the ringtone at all.

Liancheng Yazhi stopped, opened his mouth, and bit Rong Yan's chest. Then, he cursed and turned around to get his phone.

He looked at the caller ID and saw that it was Feng nongtang. After picking up, he said in a very bad tone, " "what's yingluo doing?"

feng nongtang's frivolous voice came, " "Ah, young master ya, Qianqian's tone doesn't sound right. Did I interrupt your good time?"

Liancheng Yazhi did not deny it. He took his phone and sat back in the distance. He grabbed Rong Yan, who was about to jump away on one leg, and said angrily, " "If you know, then don't talk nonsense."

" hehe, don't be like this, " feng nongtao said. " you can talk to me while you're busy with 'business'. i don't mind being your brother. "

get lost. It's fine. Hurry up and hang up. Liancheng Yazhi's face was so dark that it was about to rain. He hugged Rong Yan tightly and glared at her so that she could not struggle.

" wait, wait, wait, don't hang up so quickly. i can't take up too much of your time. i just wanted to ask you what you've been busy with recently. there's no news at all. xuanzi and grandpa nie are both in the capital, but they're both so elusive. it's almost the new year, so let's meet up. "

Liancheng Yazhi didn't think much about it. alright, arrange the time and place. Let me know when you're done.

"Alright, I'll make the arrangements."

Just as Liancheng Yazhi was about to hang up, Feng nongtang suddenly said, " "Oh right, help me say hi to sister Rong. She's been taking care of you so hard. You must prepare a big red packet for her during the new year!"

feng nongtang deliberately shouted this sentence very loudly, just enough for rong yan to hear.

her face turned slightly red and she gritted her teeth as she glared at liancheng yazhi.

.....

Chapter 269 Do I need you to talk nonsense?

Liancheng Yazhi was unhappy and shouted at Feng nongtang, " "I don't need your nonsense. Get lost."

He hung up the phone after shouting, threw his phone aside, and reached out to pull Rong Yan back.

Liancheng Yazhi strode to the sofa and threw Rong Yan on it, saying, " "It's quiet now. The phone doesn't ring."

Rong Yan chuckled foolishly and quickly rolled to the side to avoid Liancheng Yazhi. She quickly rolled twice and climbed down from the other side of the sofa. Standing on one leg, she confronted Liancheng Yazhi.

Liancheng Yazhi slowly stood up with an evil smile on his lips. He slowly unbuttoned the top button of his white silk shirt and locked his deep eyes on Rong Yan's body. His thin lips opened and closed."You're quite capable now, and you still dare to hide from you!"

rong yan swallowed her saliva. damn it, did a handsome man have to do this and this? even a small action was so sexy. mr. liancheng was so evil!

She jumped back twice on one foot. Mr. Liancheng, look at the weather outside. It's a rare sunny day today. I haven't gone out for a few days. Can you take me out for a walk? "

three buttons of liancheng yazhi's shirt were unbuttoned, revealing his smooth and well-developed body. his tall and slender body, coupled with his devilish face, made one salivate just looking at him.

if I remember correctly, " Liancheng Yazhi said slowly, " after breakfast this morning, who was the one who carried you outside and let you enjoy the cold wind for half an hour? "

Rong Yan laughed dryly and said,"ah?" Hehe Yingluo, is there?"

"Come here!" Liancheng Yazhi stretched out his finger and beckoned.

Rong Yan trembled and immediately shook her head. "This Yingluo isn't good!"

Ever since she had helped Liancheng Yazhi that night, Rong Yan was honestly a little timid when it came to him.

liancheng yazhi slowly rolled up the sleeves of his shirt and casually threw the coat he had just worn aside. his lazy and noble appearance, his elegant and

seductive temperament, made rong yan want to have a nosebleed. he said, "You want me to catch you personally?"

Rong Yan jumped back again and smiled embarrassedly. no, let's not. Let's just sit down and talk about life!

Liancheng Yazhi smiled. talking about life? It's true that Zhenzhen wants to 'do' it. "

He emphasized the word 'do'. Rong Yan was stunned at first, then her face turned red after she understood. This bastard!

Rong Yan's heart trembled. Mr. Liancheng, let's talk things out. It's not good to be so physical!

"Only by using hands, legs, and legs can you communicate well!" Liancheng Yazhi's words had a hidden meaning. He walked around the sofa and slowly walked towards Rong Yan.

Rong Yan jumped back on one leg. Even if both her legs were fine, she couldn't outrun Liancheng Yazhi, not to mention that she could only use one leg now.

liancheng yazhi easily caught her and threw her far away.

He looked down at Rong Yan, reached out, and pinched her chin. why are you hiding, huh? Where do you think you can escape to?"

Rong Yan's heart turned quickly, and her expression changed. She smiled sweetly and flatteringly. "I, Yueyue, didn't think of running away. I just feel that we're too straightforward with each other and lack some fun in life, so Yueyue specially added a little for you! Don't you think you'll have a better understanding of life this way?"

"Oh, really? It seems like I misunderstood you?"

"yes, you've misunderstood me," rong yan said.

Her expression changed and she hugged Liancheng Yazhi's neck. you heard it too. People say that I've worked hard to serve you. It's going to be the new year soon. You should at least give me a red packet, right? "

Chapter 270 Of course, I miss you

Liancheng Yazhi smirked. you want a red packet? alright, but you have to satisfy your sugar daddy first before you can get it!"

Now that she was under him, he was not so anxious. His fingers stroked Rong Yan's chin as if he was playing with a cat.

It gave Rong Yan a light, ticklish feeling.

She observed Liancheng Yazhi for a while. After making sure that he was not joking, she quickly thought of a few countermeasures in her mind.

since the last time, liancheng yazhi hadn't really touched her for a few days. it seemed that he had endured it to the limit today. since this was the case, then wanwan would go all out today and serve him well. when he was happy, she would ask him for a favor.

When Rong Yan was very young, she knew that if you wanted something, you had to exchange it for something else. This kind of equivalent exchange would always exist.

After thinking it through, Rong Yan reached out and slowly slid her hand over Liancheng Liancheng Yazhi's naked upper body. She pouted and complained, " " mr. liancheng is so stingy. it's so difficult to get a red packet for you during the new year! "

Liancheng Yazhi's hand moved from Rong Yan's chin to her ear and gently pinched her soft earlobe like a lover. He laughed and said in a low voice, " "Is it difficult? Do you want me to teach you an even simpler method? do you want to hear it?"

At this moment, Liancheng Yazhi's entire attention was on Rong Yan. The concern and gentleness in his eyes made Rong Yan suddenly wonder if this man treated every woman like this in bed. [young master ya flips the table: which eye of yours saw me treating another woman like this?]

those deep eyes were like the most powerful vortex that could suck people in and never climb out.

His voice was low and mellow like old wine that had been released many years ago. Just the smell of the wine was enough to intoxicate people.

At this moment, Rong Yan couldn't help but sigh. Fortunately, she had stopped her 'suicide' steps when she reached the edge of the whirlpool.

She was a little afraid as she thought, almost, just a little, and she might have really been bewitched by Liancheng Yazhi.

This man was really dangerous, extremely dangerous!

Suddenly, there was a pain in her ear, and Rong Yan cried out in pain to snap back to her senses. She met Liancheng Yazhi's unhappy gaze and punched him on the shoulder, asking a little angrily, "Mr. Liancheng, why did you bite me?"

Liancheng Yazhi snorted. When she was in bed with him, she actually had the mind to think about other things and could even be distracted. Tell me, if she didn't bite you, who would she bite?

Liancheng Yazhi's voice became a little cold. tell me, who were you thinking about just now? "

Rong Yan rubbed her ears and hurriedly said,"well, of course my Yueyue misses you!" &Nbsp;

"What did you miss me about?" Liancheng Yazhi didn't believe Rong Yan's nonsense. He couldn't believe anything that came out of this woman's mouth. If he really believed what she said, then he would be deceived to death.

Rong Yan was thick-skinned and shameless. She said without any hesitation, "What do you think I'm thinking about? of course I'm thinking about how to serve you better at this time! I'll serve you well so that I can get red packets during the new year."

Rong Yan naturally shrugged and added, " Mr. Liancheng, you don't know that I've never received a red packet since I was a child. I don't even have any red packets for the new year, so I'm quite looking forward to it. What about you? did you receive a red packet during the new year? "
