

Chapter 351 Damn it, I should have thought of it

Liancheng Yazhi's expression was very bad. When he looked over, Secretary Zhou suddenly felt extremely cold. It was as if he had been stripped of his clothes and was standing in the wind of the dead of winter. He was being blown so hard that his bones hurt, and his skin was twitching. It was as if he would start to crack from his face and spread to his whole body if he smiled.

"What's the news?" Secretary Zhou heard Liancheng Yazhi ask.

His voice was hoarse, and his eyes were bloodshot. It was obvious that he was about to be attacked by fire in a short time.

Secretary Zhou swallowed his saliva and shook his head. still no, young master ya. Miss Rong is teasing miss Rong. Could she have left the capital? "

At the same time, he wanted to ask,"young master ya, you should eat some bezoar heart-clearing pills now to cool down."

Liancheng Yazhi sneered. leave? Hmph, she's still not willing. She didn't even take the thing, how could she be willing to part with it?"

He was certain that Rong Yan was a woman who loved money so much. Although she left in a carefree and decisive manner this time, she had left so many things in block A of the Empire and some of them were left in the old house of the Liancheng family. Those were all her belongings. How could she be satisfied if she didn't take them away?

Secretary Zhou lowered his head. Young master ya, you don't have to be so certain. From the moment miss Rong turned around and left, nothing was absolutely certain!

However, he really didn't dare to say this. He really didn't have the guts. He said carefully, " yes, we'll continue to increase our search efforts. However, we still can't find any signal of miss Rong. Do you think Qianqian can ask master Sheng to help look for her? "

Liancheng Yazhi did not say anything but came to the work area and looked at the rows of machines operating at high speed. Beeping sounds came from the big screen from time to time, and the city maps were changing one by one. They could not find the person in the search.

He squinted his eyes, and a dangerous cold light was cast on his long, thick black eyelashes.

He seemed to be talking to himself, but he also seemed to be asking Secretary Zhou, " "i can't find it, why can't i? Why can't I find him?"

Secretary Zhou sighed. That's right, why couldn't he find it? This really made people very confused.

To be honest, he was also worried about miss Rong at this time. Such a beautiful girl, leaving alone in the middle of the night, he really didn't know what would happen to her. She might even be kidnapped by aliens.

after a while, secretary zhou realized that liancheng yazhi's gaze was not right. he called out tentatively, " "Young master ya, Qianqian."

Liancheng Yazhi suddenly slammed the operating table with a loud bang, scaring the group of people who were already tensed up because of his appearance. Secretary Zhou's legs went soft and he quickly held onto the table next to him. He almost peed his pants from the shock. Sob sob sob, young master ya, are you going to start a killing world?

Liancheng Yazhi turned around abruptly, her eyes sharp and murderous. I was deceived. She's definitely not alone. Someone helped her and hid her! He deliberately covered up her tracks."

Secretary Zhou asked carefully,"are you talking about miss Rong?" Has miss Rong been hidden?"

Liancheng Yazhi gritted his teeth and said,"it's her, Yingluo!"

Someone must have hidden the faces. Otherwise, with the current intensity of the search, under normal circumstances, even ten faces should have been found. How could there be no clues at all?

damn it, i should have thought of this earlier.

Chapter 352 A bastard looking for death

Damn it, he should have thought of this earlier.

He was too confident and thought that he could do whatever he wanted and that it would be easy to find Rong Yan. That was why he didn't look for her immediately after she left block A of the Empire.

now, he really couldn't find it.

Liancheng Yazhi clenched his fists so tightly that his bones cracked. The killing intent in his eyes was enough to destroy the city.

who was it?

Which bastard dared to hide his face?

If he found him, he would definitely skin him alive.

A certain bastard, who had sent Rong Yan to the place where she was hiding, sneezed hard in the car. The chill was like a venomous snake that was sticking out its tongue and crawling up from the bottom of his feet.

He touched his nose and said to himself, "it's over. This time, I'm probably really being hated by Wanwan. I'll have to go out and hide for a few years!

Secretary Zhou felt that it was a little impossible. He said, young master ya, that's not right. A person who has the ability to hide miss Rong and can't be found by us is definitely not an ordinary person. However, anyone with a little ability knows your name. Who in the capital would dare to go against you? "

In the imperial capital, Liancheng Yazhi represented a certain direction. People that young master ya hated should never be approached, and people that young master ya liked should be flattered.

if anyone dared to deliberately go against liancheng yazhi, that was equivalent to courting death!

For so many years, this had become an unwritten rule. It was not that Secretary Zhou was not smart enough, but he trusted Liancheng Yazhi's absolute authority. Therefore, he had never thought that anyone would deliberately seek death on this issue.

yes, who has the guts and who is the scammer? " this question lingered in Liancheng Yazhi's mind. He filtered through all the people who were ranked in the imperial capital one by one.

However, Rong Yan had no contact with these people at all. The only people she knew were him, Feng nongtang, and a few others.

Moreover, she was nothing more than acquaintances with Feng nongtang and the others. Besides, he didn't believe that they would help Rong Yan. [Rong Yan: young master ya, you're too confident. You've already been tricked by your buddy ~]

Liancheng Yazhi thought about it for a long time, and he suddenly thought of someone. It was Su Yu, who had not appeared in the capital for a long time.

when su yue's name popped out, liancheng yazhi instantly felt as if he had found the key to unlock the door.

Su Yu had always coveted Rong Yan and didn't get along well with him. They often had conflicts in business, so it was very likely that he didn't give up.

Liancheng Yazhi suddenly turned around and ordered Secretary Zhou, "Find out what Su Yue has been up to recently."

Secretary Zhou was stunned. Young Master Su, please.

His mind quickly turned and he quickly said, "Yes, immediately!"

Liancheng Yazhi continued, "In addition, impose martial law on the entire city. Seal off all intersections and monitor the airport, train stations, and bus stations. If you find anyone suspected of Rong Yan, don't say anything and detain her first. There's no way she can escape. I want her to have no way of escaping."

It's Yingluo," Secretary Zhou immediately stood up straight and answered in a clear voice.

See, he said that young master Ya was going to stir up trouble in the capital this time. Look, the old man really lived up to expectations and began to fly into a rage.

However, the daily passenger traffic at the train station and bus station was huge, and it was the New Year and the Spring Festival. It was the largest short-term population migration in human history.

Secretary Zhou was in tears. Oh my God, this is so difficult!

Chapter 353 I thought I would be sad

Not long after Rong Yan laid down, the sky outside brightened. Although she didn't sleep the entire night, ran around the whole night, and suffered from the cold, she still didn't feel sleepy at all.

Now that it was quiet and she was lying down alone, there was no sound in the room. Even her breathing was so weak that it was almost inaudible.

In such an empty environment, Rong Yan's mind was very empty. Her heart was very calm, so calm that even she herself found it unbelievable.

She thought that she would either be dead asleep or Yingying would be sad.

But now, Rong Yan smiled. The night was not over yet. It had only been less than eight hours since she saw Liancheng Yazhi and Lu Xueli appear together, but she felt like she had experienced a long time!

From joy and anticipation, to heart-wrenching pain, and now to a pool of dead water!

In just a few hours, he had experienced a woman's anticipation for love turning into despair!

Rong Yan felt that she was powerful enough to heal so quickly. She was even more powerful than a lizard that had broken its tail.

She turned over and saw that the sun had already shone in from the outside. It fell on the floor and she could see tiny dust!

Rong Yan closed her eyes and waited for the sun to set. When these tiny dust particles fell into the dark night again without being detected, she could leave!

After closing her eyes for a long time, Rong Yan gradually fell into a half-awake state.

Rong Yan knew that she was dreaming. To her, every dream was like her soul leaving her body. She saw herself running, and suddenly, in the blink of an eye, she was standing at the spot where Song Rouran had jumped off the building.

She looked around in shock and wanted to jump down from the railing, but before she could move, she suddenly heard an angry shout, "Rong Yan, come down!"

Rong Yan looked up and saw Liancheng Yazhi walking over in anger. His face was cold and his eyes were dark. His arrival seemed to bring about a blizzard, making Rong Yan feel so cold that she was frozen.

Liancheng Yazhi stood less than three meters in front of her, reached out his hand, and ordered, "Come down for a walk."

Even in her dream, Rong Yan had no intention of giving in to Liancheng Yazhi. She raised her chin and let the wind blow on her face like a knife. She said coldly, "Liancheng Yazhi, I've already settled the deal with you. Don't think of clinging to me. Don't think that you're the only man in this world!

Don't you dare. I have the final say on whether this game starts or ends.

Rong Yan curled her lips, "No, this time, I have the final say, Zhenzhen."

Liancheng Yazhi took a step forward and shouted angrily, "Come down, you can't escape. Even if you die, I'll get you back from hell. You can only belong to me in this life. Even death can't take you away.

Then I'll see if you can take Yingluo away. Rong Yan in the dream spread her arms and lay back.

She heard Liancheng Yazhi's heart-wrenching cry, "Rongyan Zhenzhen"
The phone in the room suddenly rang, waking Rong Yan up from her dream.
She sat up immediately and panted heavily while holding her heart.
Rong Yan didn't expect her to have such a strange dream.

Suicide?

hehe, yingluo, she would commit suicide? What a joke, how could that be possible!

even liancheng yazhi did not have the ability to force her to commit suicide.

Chapter 354 Liancheng Yazhi is a madman

The phone was still ringing, and Rong Yan didn't have time to think about the absurd dream just now. She glanced at the window and saw that the light outside was starting to dim. She frowned. She thought that she had only slept for a short while, but she didn't expect to fall asleep for the whole day.

She quickly stood up and walked to the phone. After hesitating for a moment, she finally picked it up.

"Hello, Yingluo," Rong Yan said.

A man's slightly anxious voice came from the phone, " "rong yan, listen to me. the imperial capital is in chaos now. liancheng is really going crazy trying to find you. it's very difficult to send you out now, and the possibility of being discovered is also very high. but if you stay, hanhan might not be able to survive until tomorrow morning. now, there are two paths in front of you. one, take a risk and try. two, go see him before he finds you and admit that you're wrong. perhaps you can avoid everything. "

Liancheng Yazhi constantly blocked the roads and monitored the airport, train stations, and bus stations. Even the Army was mobilized on the streets, causing the people to think that a war was about to break out. The entire imperial capital was filled with a high-pressure atmosphere.

Rong Yan was stunned for a moment before she smiled. No wonder she had that dream. She now understood that Liancheng Yazhi had been too aggressive.

Rong Yan leaned against the table and smiled. "Do you still need to consider this? i've said that once i've made a decision, i'll never regret it. there's no choice in this matter. my initial choice is the answer." Rong Yan's fingers grabbed the phone line and she suddenly smiled."As for you, you're scared,

aren't you? if Liancheng Yazhi finds me, he'll know that you, a good brother, helped me escape behind his back. Will you two become enemies?"

She didn't know why, but when she heard him say that Liancheng Yazhi had searched the entire city for her, Rong Yan didn't feel worried or afraid. Instead, she felt a little relieved and a little happy.

Perhaps her departure was not so insignificant to Liancheng Yazhi.

therefore, rong yan was a little happier. at least, this way, the sincerity she had once given wouldn't be in vain.

The man's flustered and exasperated voice came from the phone. "Woman, it's already like this, but you're still so calm and composed, and you still have the mood to talk about this. Since you're not worried at all, then I'll tell you now, I promised Rong nuo to help you. As long as you choose one, I won't leave you alone, even though I really don't like you, Qianqian."

Rong Yan raised her eyebrows. you don't have to like me. You only need to like Rong nuo!

The other party shouted in a low voice, " cut the crap now. I'll send someone over when the time is right. This time, you might have to go out of the city in disguise. Moreover, I'm afraid you can't go abroad directly. We'll send you to the South First and leave the imperial capital under Liancheng's control. Then, we'll arrange for you to go abroad.

"Alright, I know, I know." Rong Yan replied indifferently.

At this time, she had no way to protect herself, so she could only listen to him.

The other party was still worried, so he finally reminded her, " Rong Yan, remember, don't go out now. If someone knocks on the door, don't open it casually. The person I'm taking a picture of will call you when he reaches the door.

Rong Yan nodded. that's enough. You don't have to remind me again and again. I'm not a fool.

Going out at this time, unless she didn't want to live, Yingluo.

"you're not a fool, but you can't stand someone who's crazy." The man hung up the phone after saying this.

.....

Chapter 355 Used to hugging her to sleep

“You’re not a fool, but you can’t stand someone who’s crazy.” The man hung up the phone after saying this.

” du, du, du, du, du, du ... ” a busy tone came from the receiver. rong yan held the phone and did not hang up immediately.

She was thinking about the last sentence he had said.

– Someone’s crazy!

She was saying that Liancheng Yazhi was a lunatic!

Rong Yan stood there for a long time before she put the receiver back in its original place and paced back and forth in the room like a ghost.

Finally, she opened the window slightly. Through the gap of the curtain, she could see the tall buildings outside. The imperial capital still looked calm on the surface.

He had never changed because of the absence of a person called Rong Yan.

Rong Yan’s hand grabbed the curtain tightly, and her knuckles turned white.

“If Yingluo treated me like a lunatic earlier, I wouldn’t have the thought of leaving home,” she said in a low voice.

=====

Time was like a race, especially today ...

From last night until now, Liancheng Yazhi had not rested or slept. He had put all his energy on one thing-to find Rong Yan.

Secretary Zhou looked at Liancheng Yazhi and felt helpless. His boss’s eyes were bloodshot, and there were two dark circles under his eyes. His face was unhealthily pale, and his chin was the same with a layer of green stubble.

From this, it could be seen that Liancheng Yazhi’s condition was really not good.

How could he hold on in such a poor state of mind? What if he fell sick again?

Secretary Zhou really didn’t want to see Liancheng Yazhi fall sick again because the moment he said that he was sick, it would be a huge disaster for Secretary Zhou.

Hence, Secretary Zhou gathered his courage and stepped forward. young master ya, you should rest for a while. Yingluo doesn’t need anything right now. You just need to sleep!

sleep? ” Liancheng Yazhi sneered. He wanted to sleep now, but could he?

he had long been used to hugging Rong Yan to sleep, used to smelling the elegant body fragrance on her body, used to hugging her soft body and teasing her.

But now, he couldn't find the things he was used to, so Liancheng Yazhi wasn't sleepy. He really couldn't find anything.

Liancheng Yazhi looked at Rong Yan's photo and reached out to touch her cheek, but he touched the cold screen.

He thought to himself, Rong Yan, look, this is all your doing. You've successfully made me unable to sleep at night.

Looking at Liancheng Yazhi's bloodshot eyes, Secretary Zhou bit the bullet and said, ” “Young master ya, please close your eyes and rest for a while. Otherwise, when we find miss Rong, you won't be able to go in your current state!”

Liancheng Yazhi slowly raised his head. His eyes, which had been gentle a moment ago, were now filled with crazy anger. He roared, ” “Hmph, then you good-for-nothings should find him first!”

Secretary Zhou shivered and almost cried.

He stammered, ” young master ya, please don't worry. We are still investigating. It's only a matter of time. As long as miss Rong is still in the capital, we will definitely find her.

That's right, what they were waiting for now was time. It would take some time to check them one by one, but as long as Rong Yan was still there, they would find her sooner or later.

Liancheng Yazhi's forehead was throbbing with pain due to his severe lack of sleep. He raised his fingers and rubbed it twice before he scolded in a low voice, ” “Get lost!”

Chapter 356 Young master, you need to rest

“Yes, yes, get out now.” secretary Zhou was overjoyed. get lost, i'll get lost now. what i'm afraid of now is not letting me get lost!(?Q?)?

Secretary Zhou quickly rushed out. Before he closed the door, he stuck his head in and said fearlessly, ” “Young master ya, you'd better try to take a nap. You can't be Huanhuan if you continue like this.”

Liancheng Yazhi suddenly raised his head, and his two red eyes suddenly emitted a murderous aura!

Suddenly, he grabbed the ashtray beside him and threw it at her. Secretary Zhou's eyes widened and he quickly retracted his head.

Then, with a loud bang, the ashtray hit the door, causing it to fall to the ground and roll twice.

However, the ashtray was extremely hard. It made a hole in the solid wood door, but it was completely fine.

Liancheng Yazhi sat on the chair dejectedly, his head leaning back on the back of the chair.

He really didn't feel sleepy at all. He knew that he wasn't in a good state of mind, but his mind was especially clear. He was getting more and more awake. Without Rong Yan, his mind seemed to be unable to rest at all!

He had found out that su Yue's recent business was in Eastern Europe. She had been staying there and had never been to the capital.

Since that was the case, it was possible that Su Yu wasn't hiding Rong Yan and Xuanji.

No, he couldn't rule out the possibility that su Yue was a cunning Fox. He only needed to make arrangements and didn't need to show up.

The longer this matter dragged on, the more difficult it would be to find it, and Liancheng Yazhi's heart was getting more and more restless.

His temples throbbed in pain and Liancheng Yazhi's brows were tightly furrowed. His skin was pale, with dark circles under his eyes, stubble on his chin, and his hair was messy. He originally looked very sloppy, but Liancheng Yazhi had the aura of a fallen artist, with unruly temptation.

Without Rong Yan around, he felt uncomfortable all over, as if he was missing something. However, he couldn't tell what was missing. He felt that he didn't seem to be missing anything, but he felt uncomfortable no matter what.

Liancheng Yazhi closed his eyes and his mind was filled with pictures of Rong Yan. There were all kinds of them, beautiful and ugly.

"If it's not su Yue, who else could it be?" he mumbled to himself.

after two hours, secretary zhou was worried about liancheng yazhi, so he pressed against the door to listen for any sounds. there was no movement inside.

He thought for a moment and secretly pushed the door open. He opened it a crack and looked inside. Finally, he saw Liancheng Yazhi leaning against the seat with his eyes closed. He looked like he had fallen asleep for a while. Secretary Zhou was gasping for breath while holding his chest.

Fortunately, Yingying finally closed her eyes and slept for a while.

As long as he could sleep, that was good. He was really afraid that if he continued to endure like this, he would collapse.

Secretary Zhou sighed with emotion, "miss Rong, you're really tormenting me!" Not only have you tormented young master ya, but all of us have been tormented to the point where we can't go home.

Although there was heating in the room, it could not be compared to summer. Secretary Zhou wanted to cover Liancheng Yazhi with a thin blanket.

He took a blanket and tiptoed silently to Liancheng Yazhi's side.

The blanket in her hands spread out and slowly covered Liancheng Yazhi.

however, before she could pull her hand back, liancheng yazhi suddenly grabbed her right hand. to secretary zhou's surprise, he shouted, " "Rongyan Zhenzhen"

Liancheng Yazhi's voice was so loud that Secretary Zhou shivered in fear. He quickly looked at his face, only to see that young master ya's eyes were still closed.

Chapter 357 He shouted her name in his dreams

Only then did Secretary Zhou know that their young master ya was thinking about Rong Yan even in his dreams.

At this moment, Liancheng Yazhi's face was Haggard, revealing a trace of weakness and hesitation.

When had the most powerful and omnipotent young master in the imperial capital ever been so fragile in front of others? he, Lao Ai, had always been above the masses, looked up to by everyone, and was a man whom many people regarded as a religion.

He had always been the king of the Liancheng family. But now, this King had fallen because of a woman.

Secretary Zhou's heart ached. This was his boss. He had followed him for many years and watched him grow from a young man to a mature man. This relationship was no longer a simple superior-subordinate relationship. In

Secretary Zhou's heart, Liancheng Yazhi was like a younger brother he had watched grow up.

Of course, he didn't dare to say this to his boss.

Secretary Zhou took a deep breath. He had already guessed what kind of impact Rong Yan's departure would bring to Liancheng Yazhi. He was not surprised by young master ya's current state, but he also felt that Wanwan had exceeded his imagination.

One never knew how to love, one was so proud, one who had always thought that there was nothing he couldn't get. The only person who could make him feel defeated was this woman called Rong Yan.

Secretary Zhou could only hope that they could find it quickly!

after finding her, everyone should stop torturing each other and live a good life. if they liked each other, then they should be together. was that difficult?

However, Secretary Zhou also had a bad feeling about this. It was possible that Wanwan really couldn't be found!

Just as Secretary Zhou was sighing and lamenting, Liancheng Yazhi suddenly opened his eyes and looked at Secretary Zhou with his eagle-like eyes. "What are you doing here?"

Secretary Zhou's legs trembled and went soft. young master ya, I saw that you were sleeping, so I covered you with a blanket!

Liancheng Yazhi lowered his head and looked at his hand. He was actually grabbing Secretary Zhou's arm. He suddenly felt a chill and shook off Secretary Zhou's hand. What time is it? "

"It's six in the afternoon!" Secretary Zhou said.

He was a little hurt. When young master ya shook his hand off, it was as if he was throwing away garbage. It was as if his hand was dirty. Seriously, she was even holding his hand and calling it 'Rong Yan'!

Young master ya and miss Rong were really similar in the aspect of falling out with others.

Liancheng Yazhi rubbed his temples. how long have I been sleeping? "

"Not long, very short,"

"Is there any news?"

After sleeping for a while, Liancheng Yazhi felt that he was much more energetic, but his headache was getting worse!

Secretary Zhou shook his head. no, but Yingluo received news today. A little boy around three or four years old said that he saw a beautiful sister in a red dress at the square. She left in a black car, Yingluo.

This piece of news was basically non-existent, but it could at least calm young master ya's anger.

Moreover, it proved one thing-there was indeed someone helping Rong Yan.

Liancheng Yazhi's expression was vague and unclear. Suddenly, he pushed everything on the table to the ground with one hand!

"Hide? I'll see where you can hide!"

The sudden burst of ferocity from Liancheng Yazhi made people shudder. He said to Secretary Zhou, "Go and prepare for me now. I want to say a few words to Rong Yan."

"Ah?" Secretary Zhou was stunned. He couldn't even find miss Rong, how could he talk to her? Young master ya, you're muddled from your sleep. I can't do anything even if you kill me!

Chapter 358 Young master ya, don't take things too hard!

Liancheng Yazhi glared at him coldly. Secretary Zhou's heart suddenly skipped a beat and he quickly thought of the fastest possibility.

Oh no, young master ya isn't going to kiss me, is he?

god, young master ya, don't take things too hard! This would disrupt social order. [Rong Yan (cold eyes): have you guys not disrupted the order enough?]

young master ya, do you think Zhenzhen should reconsider? it's not good to do this!

Liancheng Yazhi stood up and walked closer to Secretary Zhou. "Consider? If I were to count on you bunch of trash, I'd have f * cking gone to Mars long ago."

Secretary Zhou was forced to step back by Liancheng Yazhi, and cold sweat was dripping from his forehead.

A cruel smile appeared on young master ya's face. "Bad influence? Tell me, what's wrong with it? What bad influence? Let's see who dares to say it. "

When Liancheng Yazhi said the last part, he had a smile on his face that scared Secretary Zhou so much that he almost peed his pants. That smile was like the reincarnation of a demon. Secretary Zhou did not even think and quickly said, "

yes, yes. it's not good if it doesn't affect us. young master ya, what you did was right. everyone agrees with it. please wait a moment, i'll go and prepare now. "

Secretary Zhou ran out of the room as if he was running for his life. After he ran out, he didn't even dare to breathe. He went to the operation room and said to everyone sitting in front of the machine, " " everyone, listen up and stop what you're doing. immediately inform all the tv stations, radio stations, and all the outdoor led screens. "

Secretary Zhou took a deep breath and added the most important suffix. "Our young master ya wants to use it!"

.....

Ever since she received the call from that person, Rong Yan had not slept again. The sky outside was getting darker and darker.

Rong Yan turned on the light, and the room was immediately illuminated.

she walked to the fridge and opened it. there were fruits, milk, and some frozen food inside.

rong yan calmly picked up a pack of frozen dumplings and went to the kitchen. soon, the water boiled and the dumplings were put in. after a while, the white and fat dumplings were out of the pot.

Rong Yan wasn't hungry, but she still finished the dumplings very seriously.

She knew that she had to run. She would only have the strength to run after she was full.

Time passed by, and it was already past nine in the evening. Rong Yan started to feel a little uneasy. Would something happen tonight?

After another half an hour, the phone suddenly rang again. The sudden ringtone made Rong Yan tremble. She quickly went over to pick up the phone. Hello, Yingluo.

"Miss Rong, right? I'm here to take you away. I'm outside, please open the door!"

Rong Yan's hand that was holding the microphone trembled and she started to feel a little nervous.

What she had been waiting for was finally here. She felt a little uneasy. alright, wait a moment.

Rong Yan put down the microphone and walked to the door. She hesitated for two to three seconds before opening the door.

There was a man standing outside. He was alone, wearing blue jeans and an ordinary black down jacket. He looked to be about 30 years old. He had outstanding looks and a touch of righteousness between his brows. He was a person who could win people's favor at first glance.

"Hello, miss Rong," he said to Rong Yan after he entered the room.

"Hello, Yingluo."

I'm here to take you away from the imperial capital. However, before you make any preparations, you should watch some TV before you make a decision!

Rong Yan was puzzled. He walked past her and turned on the TV in the room.

There was no image on the TV. Just as Rong Yan was puzzled, a familiar male voice came from the TV, causing the blood to drain from her face.

Chapter 359 Rong Yan, come back obediently!

There were only snowflakes on the TV, and there was no image. Just as Rong Yan was feeling puzzled, a familiar male voice came from the TV, making Rong Yan's face turn pale.

The flashing snowflakes were dazzling, but his voice was clearly played inside.

Rong Yan heard him say, "Rong Yan, I know you can hear me. I also know that you're hiding, but you can't hide from me, Yingluo. No one can leave my hands. Come back obediently. As long as you come back voluntarily, I'll let bygones be bygones. I just want you to come back, Yingluo.

Rong Yan's chest heaved up and down. Go back and chuckle. Let bygones be bygones?

How generous! It's a pity that Yingluo wasn't that obedient person anymore!

He also said, "I know that someone is helping you, but it's useless. Even if you run away now, as long as you're still on earth, I'll catch you sooner or later. If I find out which bastard is courting death, I'll let him know what a fate worse than death is for hiding my woman.

Rong Yan smiled again. She would like to see how Liancheng Yazhi would make his good brother's life a living hell after everything was revealed.

In the end, after the madness, Liancheng Yazhi's voice calmed down. It was faint, with a coldness that even the sun could not melt.

”rong yan, if you dare to leave, you better pray that i can’t find you for the rest of my life. if god doesn’t bless you, then you can wait for the punishment i’ll bring you. ”

With a click, Rong Yan turned off the TV.

Liancheng Yazhi’s voice also stopped abruptly, but the air was filled with his crazy, overbearing, and possessive aura.

Her expression was calm, without much emotional fluctuation, as if the words she had just heard had no effect on him. She was frighteningly calm as she said, ” “Let’s go!”

The man didn’t move. He said, ” all the TV stations, radio stations, and the LED screens outside the buildings are all playing young master ya’s recording. The whole capital has fallen out, and the order of normal life has been disrupted. Miss tairong, I’ll ask you one last time on behalf of Sir. Are you sure you want to leave? are you sure you don’t regret it? as long as you leave the capital, you have no way out!

Rong Yan smiled faintly,’retreat? What retreat? from the moment I left block A of the Empire, there was no way out.”

That’s right. From the moment she turned around and left block A of the Empire, there was nothing she didn’t understand. Rong Yan’s thoughts were very firm.

If Liancheng Yazhi could put down his status, admit his mistakes, and sincerely hope for Rong Yan’s forgiveness before she left, perhaps Wanwan would really agree.

But now, Yingluo

Rong Yan smiled faintly. Forget it, Xuxu.

What’s the point of saying all this now?

When the other party saw that Rong Yan was so determined, a trace of pity flashed through his eyes. However, he was not the one who had to make the decision.

He nodded. alright, since you’ve put it this way, I have nothing else to say, Yingluo. I’ll take you away today!

He was only following orders and passing on his Master’s words to Rong Yan. It was best if she listened, but there was no other way if she didn’t!

“You’re alone?” Rong Yan asked the question in her heart. When she opened the door just now, she only saw him alone. Rong Yan was puzzled as to how he could take her away alone.

Chapter 360 The magical face-changing technique

The man smiled at Rong Yan confidently. ” that’s right, i’m the only one. you know that speed is the most important thing in war. for this kind of thing, don’t you need a lot of people? besides, the more people there are, the bigger the target. ”

Now that Rong Yan wanted to leave, she could only choose to believe it. Even if she didn’t believe it, she had to take a risk.”Alright, I believe you. But, how are you going to take me away?”

“Yingluo will have to do her makeup first.” The man waved the box in his hand at Rong Yan.

Rong Yan’s attention fell on his hand. He was carrying a small white box in his hand, which contained his tools.

” miss rong is just average. women and children are the easiest to lower people’s guard against. however, young master ya is looking for a woman this time, and the focus is on examining women. ”

“don’t tell me you’re trying to make me look like a man?”

The man shook his head profoundly. of course not. If a woman turns into a man, the possibility of being exposed after this glass is caught is too high. We can’t take the risk. So, if the gender doesn’t change, we still have to think of a way among the women.

Rong Yan asked again,”old man?” I can’t handle the child.”

The man wagged his finger at Rong Yan.”other than the elderly and children, there’s another group, and that’s pregnant women.”

The corners of Rong Yan’s mouth twitched-

ten minutes later, rong yan sat in front of the mirror and watched the man do all sorts of things on her face. she asked, ” “Don’t you think that there’s a high chance that a pregnant woman will be exposed?”

The man patted his chest. don’t worry. With my skills, I won’t be exposed even if they open your stomach.

Therefore, in the next hour, under his careful sculpting, Rong Yan watched herself completely change into a different person.

her skin was dark yellow, and there were spots on her face due to her pregnancy. her nose was very chubby, and her single eyelids were a little bulging. the flesh on her cheeks was bulging, and she looked like an ugly woman who had become a yellow-faced woman because of her pregnancy.

it was a world of difference from her previous appearance. she couldn't find anything that was the same, and even her teeth had changed slightly.

Rong Yan touched her face and exclaimed, "I can't even recognize myself, let alone Liancheng Yazhi."

Oh, and her stomach.

The man was holding a fake belly and sticking it on her stomach with a special glue. He had also covered it up well, so it looked exactly like the real belly. It even had body temperature when touched, giving Rong Yan the illusion that she was really pregnant. It was a very strange feeling.

It was simply too magical.

The art of disguise. This was the godly art of disguise in wuxia novels.

"Can we leave like this?" Rong Yan asked the man.

As the man sized up Rong Yan, he looked for any loopholes in her that might reveal her identity. He took the time to answer, "the rest will depend on our luck.

Suddenly, his gaze fell on Rong Yan's hand.

this pair of hands was the biggest flaw, because they were too beautiful.

hence, rong yan also did plastic surgery on her hands. her hands were not easy to move, so she only made her skin darker and made it a little rough.

"Alright, this should be enough." the man finished his work and left.

"miss rong, change into these clothes and we can go." He took out a set of old-fashioned maternity clothes that he had prepared in advance and gave it to Rong Yan.

After a while, Rong Yan changed her clothes. When she came out, she looked like an ordinary, uncouth pregnant woman. She said, "That's enough, let's go!"
