

Permit Me 441

Chapter 441 i won't let her marry someone else with my son

” but hanhan is the child's father after all. have you thought about the consequences if he finds out one day? ”

Su Yu and Liancheng Yazhi were old rivals in the business field, and they did not like each other.

Right now, Su Yu had Rong Yan and the child in his hands, but because he had his principles, he could use women to threaten his opponents. However, he wasn't so useless as to use the child to make a big deal out of Huahua.

So, he did not plan to tell Liancheng Yazhi that he had a child.

Besides, he thought that anyone would want to do what he wanted in front of his strong mother, Rong Yan.

Rong Yan raised her chin. so what if he's the Father? what he provided is not enough to be a sperm. Other than that, my daughter has nothing to do with him.

Su Yu sighed. He thought that Rong Yan's temper had changed from winter to summer. She would only reveal her warm side in front of her child.

“It's indeed Rong Yan,” Su Yu smiled.

In the imperial capital, Liancheng Yazhi had arranged to meet Kang Yu.

After he woke up from last night's dream, he couldn't feel at ease and couldn't calm down no matter what he did.

Liancheng Yazhi took a sip of wine and said gloomily, ” “I couldn't sleep after I woke up last night. I feel like I've lost something important to my life, but I can't find it. I don't even know what it is.”

Kang Yu glanced at him and said without hesitation,”Rong Yan.”

The wine glass in Liancheng Yazhi's hand shook.”I don't know, it seems to be, but it also doesn't seem to be Yingluo.”

In fact, he had already begun to think that it might have something to do with Rong Yan.

“It doesn't matter if it's her or not, it's related to her,” Kang Yu replied.

Compared to Xia Xuanmo, Feng nongtang had deliberately avoided her after Rong Yan left, while Kang Yu had never been afraid of her.

After he heard Liancheng Yazhi talk about how he had chased Rong Yan at the border half a year ago but failed to catch her, he lowered his head and was silent

for a while before saying, "Jian Jie, there must be something else that she hasn't told you."

Liancheng Yazhi sighed. I thought of it. However, Jian Jie has been fighting with another force recently and has lost contact. We've been looking for him for two months, but there's still no news.

"he's either dead or injured. he can't come out," kang yu smiled.

Liancheng Yazhi shook his head and said, "Hmph, if simplicity could kill you so easily, I would have misjudged you."

Who was Jian Jie? he was someone who could easily cross the line between life and death. How could he possibly die in a small-scale battle? he must have been injured and hidden to recuperate.

"Don't think too much. Maybe you're just under a lot of pressure recently." Kang Yu raised his glass and clinked it against Liancheng Yazhi's.

The two of them drank the wine in one gulp, and Liancheng Yazhi asked, "You've been under a lot of pressure lately, haven't you? has your wife been asking for a divorce recently?"

Kang Yu's private life was definitely not much more dull than Liancheng Yazhi's.

He and his wife were fighting a war of attrition. Two years ago, when he wanted a divorce, his wife was unwilling to die. Now that his wife wanted a divorce, it was master Sheng who was 'dying'.

when kang rong heard wan liancheng yazhi's words, he shouted angrily, "that damn woman dared to make a scene. i will never let her take my son and marry someone else!"

When Liancheng Yazhi heard the word 'son', his heart ached again, and it felt exactly the same as last night.

Chapter 442 Naming his daughter 'meowmeowmeowmeow'

Before Su Yu met Rong Yan, he had planned to complete the task that Seven had entrusted to him. He would return a week after she had given birth.

However, who would have thought that the other party would be Rong Yan? he had personally watched over the baby when it was born, saw the baby's appearance when it was just born, and heard her first cry. Hence, these factors tangled together, causing Su Yu to stay at Rong Yan's house for a few months. He shamelessly stayed at Rong Yan's house and refused to leave no matter what.

He learned how to change the child's diaper, how to feed her some fruit and vegetable juice, and how to bathe her. He did everything a real father should do.

However, Rong Yan didn't want him to stay. Although her understanding of Su Yu had changed recently, this change didn't make her feel at ease and allow him to appear in front of her child every day. She had given her all to have this child, so she couldn't let anything happen to her, not even a little bit.

Moreover, Liancheng Yazhi and Su Yu were sworn enemies. He would usually pay attention to Su Yu's actions. This guy had uncharacteristically stayed in a small Southeast Asian country for so long. If Liancheng Yazhi knew about it, he would definitely send someone to find out what was going on, and she might be exposed.

However, Su Yu's thick skin made Rong Yan feel helpless.

Finally, when the child was almost half a year old, Rong Yan could not take it anymore and shouted at him, "Su Yue, are you so bored that you don't even care about your company? what are you trying to achieve by staying here?"

Su Yue dug her ears. you're right. I'm so bored that my balls hurt. But I do want to get some Hanhan from you.

rong yan frowned and waited for su yu to continue.

"I want to be MeowMeow's second-hand father, do you agree?" he said.

On the other hand, Rong Yan was a little superstitious. Her child was weak and she had always been very worried. On the other hand, it was said that cats had nine lives. Therefore, Rong Yan called out like that to comfort her heart and to set her mind at ease.

She hoped that her child could really be like a cat, have nine lives and grow up healthily.

Rong Yan's expression turned cold as she gritted her teeth and said, "you ... don't even think about it."

su yu smiled bitterly. rong yan probably didn't believe what he said at all.

However, what he said was all true. When you saw a baby being born, watching her grow up bit by bit, watching her turn from an ugly little monkey into a beautiful, soft, and fragrant little princess, the changes in your heart were simply like a child's appearance changing every day. Day by day, you would feel that you really couldn't leave her.

If he opened his eyes every morning and didn't see her cute and innocent face, didn't smell the Milky fragrance on her body, and didn't hear her babbling, it would be as if he was missing something.

Meowmeowmeowmeowmeow rarely cried and was more obedient than the average child her age. Her reaction was a little slow, and even her actions of drinking milk were delicate. She would only let out a few happy and crisp laughs when Rong Yan played with her.

Even su Yue felt that as long as she wasn't a demon, no one in this world could reject a beautiful little angel like MeowMeow.

Chapter 443 Mommy, it hurts!

Seeing

[illegible]

su yue suddenly felt really jealous of liancheng yazhi because he was his flesh and blood.

If Rong Yan was willing, he could treat

The day after Rong Yan yelled at Su Yu, he received a call. Xuxu didn't even pack up and left in a hurry. Before he left, he told Rong Yan that he would be back soon, but there was no news from Xuxu for more than a year.

Seven was the same. He never returned.

Rong Yan was worried about him, but she also knew that it was useless to worry. She didn't have time to care about others now. The center of her life and the meaning of it all was MeowMeow.

Meowmeowmeowmeowmeowmeow was not a genius child. She was just an ordinary little girl, even a little slow. She was slower than her peers when she opened her mouth to speak and learned to walk, but this made her more lovable.

however, the first word she said when she learned how to speak was 'mom'. the moment she heard her call her mom, rong yan cried for an entire day. she felt that her life was complete.

Under Rong Yan's care, little

However, God didn't seem to want to treat Rong Yan well. No matter how much she cared for her, the change still happened when MeowMeow was two and a half years old.

The little girl picked a small red flower in the garden and happily strode over with her short legs to give it to her mother. However, when she was about to reach Rong Yan, she suddenly fell down and couldn't get up.

At that moment, Rong Yan's heart almost stopped beating. However, she reacted quickly and rushed to the hospital with MeowMeow in her arms.

After staying in the hospital for nearly ten days, MeowMeow's condition fluctuated between good and bad.

Every time after the injection, MeowMeow would lie in Rong Yan's arms and say softly, "mommy yingluo dotes on yingluo."

At that time, Rong Yan felt that those needles were all piercing her heart, and she wished she could bear all the pain for her.

However, this was not the worst news. After being hospitalized for half a month, the attending doctor talked to Rong Yan alone for half an hour.

"Congenital heart disease is a very complicated disease, and the child is too young. Our medical resources are limited, so we really can't find out the cause. But from the observation so far, the only thing we can infer is that her heart failure is getting worse as she ages. Miss Rong, I'm really sorry, I'm really sorry. Our country's medical level is not enough to compare with the developed European and American countries, so we can't do anything."

This sentence made Rong Yan's heart drop to the bottom of the valley. Her whole body was so cold that it felt like she had been immersed in bone-piercing cold water. She had never been so afraid before.

However, Rong Yan knew that she didn't have time to be sad and in pain. She had to think of a way to save her daughter.

There was no news from Seven or Su Qi, so he couldn't count on her.

Rong Yan didn't have time to look for someone else. As a woman, she had no power or influence. Even if she was rich, it would be difficult to find the world's top cardiologist in a strange country in the shortest time possible. Moreover, the more famous the doctor was, the harder it was to hire him. It wasn't something that you could hire just because you had money.

rong yan's mind was spinning quickly. she was so calm that it was a little scary. finally, her mind stopped on a person's face.

This was the first time in two years that she thought of him and Xuanji Liancheng Yazhi.

The Liancheng family was extremely powerful and rich. It was a piece of cake for them to find a few world-class cardiologists.

I can escape for the child. I can go back for MeowMeow.

Chapter 444 Who can take her child away?

[I can escape for the child. I can go back for meowmeowmeowmeowmeow.]

There was not a single tear in the corner of Rong Yan's eyes. At this moment, she was more clear-headed than anything else and calmer than ever.

Because she knew very well that she was the only one that MeowMeow could rely on. If she fell, what would happen to MeowMeow?

She could not find the best doctor to treat MeowMeow alone, but Liancheng Yazhi could.

rong yan gritted her teeth. it was time to meet liancheng yazhi.

No matter what she had to face when she went back, she had to face it. A woman was Strong as a Mother. For the sake of her child, she could sacrifice everything.

Rong Yan raised her head and asked coldly, " doctor, I want to take my daughter to China. I don't care what method you use. You must make sure that my daughter won't have a relapse within ten days after she's discharged.

Rong's cold and firm body even had a murderous aura, which made the doctor a little frightened. How did the gentle woman suddenly become so terrifying?

"We'll try our best," the doctor said.

rong yan stood up abruptly with her hands on the table. she leaned forward and looked at the doctor sharply."I don't want to try my best, I want it to be a must."

After Rong Yan finished speaking, she left the doctor's office. Her daughter was only two and a half years old. She was like a little spirit, obedient, sensible, and well-behaved. Although she would cry from the pain when she was receiving the needle, she never made a sound. How could she be so cute? she would never allow anything to happen to her.

No one could take her child away, not even the Grim Reaper.

In order to ensure that MeowMeow would be fine within ten days after she was discharged from the hospital, the doctor had given her an important task.

The needle was stuck on “It doesn’t hurt. Be good, it’ll be fine in a while!”

Finally, the needle was inserted and the pain subsided. MeowMeow’s two round eyes were like purple grapes as she asked in a soft voice, ” “Mommy, ran ran, when are we going home? I don’t like it here at all.”

rong rang it’ll be quick. We’ll go back after mommy tells you a story. Baby, which one do you like to hear? ”

When “I like everything mom says.”

In just half a month, she had worked hard for more than two years to feed

Her small arms, which were as fat as lotus roots, were now thin and soft as if they could be broken at any moment.

Rong Yan resisted the urge to cry and forced a smile. okay, then today, I’ll tell you the story of an ugly duckling.

”En, Yingluo.”

After Rong Yan finished, MeowMeow asked innocently, ” “mom, will i also become a beautiful swan when i grow up?”

“Yingluo can’t!” Rong Yan shook her head.

”why?”

because my MeowMeow is not a White Swan. You are my Little Phoenix. You are so much more beautiful than a Swan.

The full bottle was finally finished. Rong Yan picked up

The moment she walked out of the ward, she gently kissed meowmeowmeowmeowmeowmeow’s cheek and murmured, ” ”

Chapter 445 Rong nuo, I’m Rong Yan, your elder sister

Rong Yan carried

Rong Yan said to MeowMeow in her heart.

My little baby, not only do I want you to grow up safely, I also want to see you come of age, see you get married and have children, I want you to be the happiest little princess in the world.

.....

After returning home, Rong Yan started to pack her things, preparing to leave as soon as possible.

Rong Yan didn't plan to be so reckless when she went back. She couldn't go back without any preparations. If she went back alone with the child, it was one thing whether Liancheng Yazhi would believe her or not, but if the news was leaked and the old master of the Liancheng family found out, it would be very bad.

in the past two years or so since she had the child, rong yan had always wanted to live a quiet and simple life. she didn't want anyone to disturb her, so after she settled down here, rong yan didn't even contact rong nuo.

she knew that she was selfish, but who in this world wasn't selfish? she just wanted to let herself and her child live in peace. there was nothing wrong with that.

However, now that Rong Yan was going back, she had to contact Rong nuo first. She had always remembered Rong nuo's phone number, but she did not know if she had changed it after three years.

after the call went through, it rang for about ten seconds before someone finally picked up. "hello!"

The person who picked up the phone was a woman with a clear and melodious voice. It had been three years since she left the capital, and Rong nuo had also grown from a young girl to a woman in her Prime. Although her voice was somewhat similar to hers, Rong Yan was not too sure. She asked, "is it rong nuo?"

"It's me, you're Yingluo."

Rong Yan finally heaved a sigh of relief. Fortunately, Rong nuo did not change her number. She said, "Rong nuo, I'm Rong Yan, your eldest sister."

On the other end, Rong nuo was stunned. After a while, she reacted and then screamed in surprise, "Big sister Yingluo, is it really you?"

Rong nuo's phone number had not changed, even when she was in another province, for fear that one day Rong Yan would not be able to find her.

However, three years had passed, and there was still no news from Rong Yan. She had waited until she was almost in despair.

she didn't expect to suddenly receive a call from rong yan today. she couldn't even describe the ecstasy and shock she felt now.

Rong Yan also wanted to chat with Rong nuo, but MeowMeow didn't have the time. Every minute and second was precious now. She said, "That's right, it's me. I'm sorry that I haven't contacted you in the past few years. I'm doing well, so

you don't have to worry. if he's with you, pass him the phone. i have something important to tell him."

When Rong nuo heard this, she immediately understood that something terrible must have happened since Rong Yan had not contacted them for a few years and suddenly called them.

Oh, Yingluo, okay, " she hurriedly said. wait a moment. I'll go find him now!

Soon, Rong Yan heard Rong nuo's voice from the other end of the phone.

"You've disappeared so thoroughly in the past few years. Why did you suddenly think of looking for me?"

"I'm not going to talk nonsense with you. Do me a favor and find a way to let Liancheng Yazhi know that I'm pregnant. Also, let him accept and not reject this child."

"Rong Yan, Zhenzhen, what's wrong with you? you were the one who left back then, and you were also the one who didn't let him know about the child. Why are you suddenly coming back now? Why did he have to wait for three years before he found out that he had a child?"

Chapter 446 I'll sleep with you

The man's anxious voice came from the microphone. Obviously, he couldn't understand why Rong Yan had come so suddenly and made him do such a difficult thing.

Rong Yan's voice suddenly became louder and she said sternly, " "I don't have time to waste with you. I'm just telling you what you want to do now. I'll only give you two days. You must do it within two days."

The other party suddenly realized that there was something wrong with Rong Yan's abnormal behavior. Rong Yan, what happened to you? "

Rong Yan didn't intend to chat with him any longer. She didn't have that extra time. She said, " "I'm hanging up. If you can't do it within two days, I'll go to Liancheng Yazhi directly and tell him that you were the one who sent me away from the capital back then. You know what the consequences are. It's up to you whether you want to help or not."

"Wait, Yingluo, what happened to you?"

Even though he was shouting, Rong Yan still hung up the phone. The busy tone came from the phone.

Rong Yan took her phone and pushed open the bathroom door. When she came out, she saw MeowMeow sitting on the bed and rubbing her eyes. When she

saw her, she immediately stretched out her arms, asking for a hug. mommy, Huahua.

Rong Yan's expression changed immediately. She took a few steps forward and hugged MeowMeow. She kissed her soft cheek and asked softly, "Baby, why are you awake? did mommy wake you up?"

Meowmeowmeowmeowmeowmeowmeowmeow chuckled and shook her head, "no!" i miss mommy!"

Rong Yan's heart softened for her, completely unlike the fierce look she had when she was on the phone just now. It was as if she had turned from a Porcupine into a lamb in an instant. She laid down with "Oh Yingluo, you woke up because you missed mommy. Come, mommy will sleep with you!"

Rong Yan's hand gently patted MeowMeow's back. MeowMeow, in two days, mommy will take you out to play, okay? "

good meowmeowmeow! MeowMeow squeaked in Rong Yan's arms.

To her, anywhere with her mother was the best.

.....

On the other side, Rong nuo was so anxious that her heart felt like it was being scratched by a cat, and she urged anxiously, "What's wrong with my sister? Did something happen? Why don't you say something!"

the man sighed, "i guess there's some trouble." According to your big sister's personality, she's so headstrong that she won't ask for help unless it's absolutely necessary. ai, ai, ai, ai, ai, ai."

He raised his hand and rubbed the bridge of his nose. sigh, every time ran ran comes to me, it's nothing good. If Liancheng knows about it and doesn't reject the child, isn't it too difficult for ran ran? i'll be exposed if you're not careful!"

Rong nuo snorted. if you don't help, my elder sister will directly blame you. Just tell me, are you going to help or not? "

"let me think about yingluo, let me think about yingluo."

After a while, he suddenly opened his eyes and said, "Back then, other than me, there was also Jian Yi who knew that rongyan was pregnant!"

"But, didn't you say that he disappeared two years ago?"

he's not missing. He's injured. Both his legs are broken. He's hiding to recuperate and hasn't fully recovered yet. I've arranged for him to go to the capital for the reconstruction of his legs and let him tell Liancheng.

"Is he willing to?"

"Don't worry, he will."

Rong nuo looked at him and suddenly felt a little cold in her heart. This person was a person who could even plot against her own friends.

If one day, he was no longer interested in her, wouldn't her end be even worse?

Big sister was right, she had to find a way out for herself.

Chapter 447 Your child

At noon the next day, a plane flew in from the southwest and landed at the Imperial Airport.

Standing under the sky of the imperial capital again, Jian Jie suddenly felt very unfamiliar.

The city was heavily polluted, foggy, populated, and had a lot of high-rise buildings and traffic. It was a strange and unfamiliar city.

He still preferred the forest at the border. He liked to shuttle through gunfire and wander between life and death.

A black Bentley stopped in front of the car, and the door opened automatically. The person inside did not get out, but only said three words, "Get in the car, Yingluo."

He glanced at the person in the car and felt a little emotional. This guy, it had been so long since that incident, but he was still holding a grudge.

However, Jian Jie knew that he had already forgiven him for coming to the airport to pick him up. However, when he thought about what he was going to say next, he suddenly felt that the sky was pressing down on his head. He was a little afraid and wanted to retreat. He did not want to get into the car.

tsk, what are you still standing there for? I'm leaving if you're not coming up. The people in the car were getting impatient.

He moved his feet with difficulty. His legs had not fully recovered, so it was difficult for him to walk. It was even more difficult for him to get into the car. However, the person in the car was still sitting firmly and did not seem to have any intention of helping.

It wasn't that he was cold-hearted and didn't want to help, but that he didn't need it.

He was used to being domineering and had been on the battlefield for so many years. If he needed help to get into the car, he would feel that it was an insult to him.

finally, he got into the car with great difficulty.

After the door was closed, the car started slowly.

The man in the car looked at the simplicity and frowned. "How did you end up like this in the past two years?"

No matter what Jian Jie had done in the past, seeing him in this state made him feel bad.

"I'm fine, very good! Liancheng Zhenzhen, I have something to tell you! i should have told you this three years ago." jian jie felt that it was better to say it as soon as possible. otherwise, he did not know if he would be able to say it again if this dragged on.

They all knew what happened three years ago. Liancheng Yazhi's eyes turned cold."Speak," he said.

three years had passed, and liancheng yazhi, who was almost thirty years old, was more mature than three years ago. sitting there, he had the aura of a king without being angry, and the sharpness in his eyes could be hidden better.

after taking two deep breaths, he slowly said, " " liancheng, do you remember what happened at the border three years ago? it was about rong yan. at that time, there was actually something i didn't tell you, but i didn't have the time. after you left, i had that incident again, so it had been delayed. "

Liancheng Yazhi smiled disdainfully. It's been hundreds of years, why are you mentioning her!"

His smile was very contemptuous, as if he had really let go of the two words 'Rong Yan' and her!

As for himself, he had returned to being the most powerful young master in the imperial capital who could get wind and rain as he pleased.

There was no change in his expression, and he continued, " I don't care if you've really forgotten about her, but I still have to tell you. Jian Jie looked at Liancheng Yazhi seriously and then said word by word, " "Rongyan is pregnant. She was more than a month pregnant when she left. It's your child."

he said it in a very calm manner, but after secretary zhou, who was driving, and xi yazhi, who was sitting in the back seat, heard it, it was as if a high-nuclear bomb had exploded in their hearts. in an instant, the world was turned upside down.

Chapter 448 Why didn't you f * cking say so earlier

Secretary Zhou's hand trembled, and the car S-shaped on the road for a while.

Liancheng Yazhi's expression was dazed. After a long time, he finally found his voice. His voice was trembling as he asked, "jian jie, what did you say? i didn't hear you clearly. can you say it again?"

"rongyan ... is pregnant!" once again, he calmly and simply used the simplest words to roughly explain the matter.

Liancheng Yazhi raised his trembling hand as if he suddenly didn't know what to do. He asked again, "Say that again!"

"Rongyan is pregnant!" He repeated it for the third time!

"Say that again, Yingluo."

"Rongyan is pregnant, Yingluo."

liancheng yazhi didn't seem to believe his ears and asked again and again, and he repeated it again and again.

He knew that this news was too big for Liancheng Yazhi and he needed time to accept it!

When they arrived at a high-end private hospital operated by the Liancheng family in the capital, Secretary Zhou stopped the car with a trembling heart.

In the past, Secretary Zhou had always parked his car in a flat and steady manner, and it was almost inaudible.

But this time, he was so shocked that he forgot to slow down when he arrived. In front of the hospital, he stepped on the brakes. The car jerked forward, and the wheels made a screeching sound.

Secretary Zhou was on the verge of tears, not because he was afraid of not driving a good car, but because the news was too shocking.

He had been worried about Liancheng Yazhi's personal problems in recent years. Young master ya was already thirty years old, but he still had no plans to get married. How could he have children like this?

However, who would have thought that Jian Yi would suddenly bring such explosive news? it made Secretary Zhou's heart feel as if it was still floating in the clouds.

their young master ya already had a child? He was a father! This was such a great and exciting thing!

the key was that the child's mother was miss rong.

Secretary Zhou did not care about Liancheng Yazhi's condition. He turned around and asked with a trembling voice, " "Young master Yi, is it true that it's Wanwan? Is miss Rong really pregnant?"

"it's true," he simply replied.

Suddenly, Liancheng Yazhi, who had been in a daze, suddenly turned from a still state to a furious Lion and roared, " "Why didn't you f * cking say so earlier!"

Liancheng Yazhi suddenly stood up. With a bang, his head hit the roof of the car, causing the entire car to shake. It was obvious that he had used a lot of strength when he stood up!

However, Liancheng Yazhi did not seem to feel the pain at all. He grabbed his simple collar and lifted him up.

"Why did you hide it from me? Why didn't you tell me?" liancheng yazhi's eyes turned red, and he was almost in a state of madness.

To him, this news was no doubt equivalent to a nuclear explosion. No one else could understand his feelings.

Simple breathing was a little difficult. He said slowly, " "I didn't want to hide it from you, it's you who didn't give me time to tell you. Before you left, I said I had something important to tell you, but when your plane took off, the sound of the engine and propeller covered my words, Yingluo."

Regret!

At this moment, Liancheng Yazhi was so regretful that his intestines turned green. He really wanted to stab himself to death. He should have continued to look for her. Why did he give up? why did he give up?

"where is she now?" liancheng yazhi's breath was unstable.

Chapter 449 Even if you run to the horizon, you're still mine!

Jian Jie shook her head. I don't know. I can even tell you the news of her pregnancy. If I knew where she was, I wouldn't have hidden it from you, Hanhan.

He had been suppressing this matter in his heart for the past few years. When Rong Yan left, she was still weak, and he was also afraid that something would happen to the child.

“I really want to kill you!” Liancheng Yazhi said hatefully, but at this moment, he wanted to kill himself more.

Because a large part of these stupid mistakes were made because of him.

He pushed open the car door and dragged his feet out of the car. After throwing him to a doctor, Liancheng Yazhi quickly got into the car.

liancheng yazhi said to secretary zhou, ” find her. quickly find her. even if you have to turn the entire earth upside down, you have to find her. ”

He wanted to see the mother and son immediately. All he could think of now was how Rong Yan and their child would look.

“Yes, immediately.” Secretary Zhou drove the car excitedly.

wait, we have to suppress this news. We must absolutely suppress it. We can't let the old man know. liancheng yazhi's face turned cold.

Secretary Zhou suddenly remembered that the Liancheng family's rule did not allow illegitimate children to appear.

It would be terrible if the ruthless old master found out about this. This matter had to be quickly and carefully handled. It could not be made public.

it wasn't that young master ya was afraid of the old master, but miss rong and little master's whereabouts were still unknown, and they couldn't guarantee their safety. if the old master knew about it and found them in advance, the consequences would be unimaginable.

He immediately felt a sense of oppression. He nodded solemnly. “Young master ya, don't worry. I understand, Yingluo.”

.....

Liancheng Yazhi didn't know how he returned to the old Liancheng residence. It was as if his soul had left his body.

In the past few years, his longing for Rong Yan had gone from the initial strong to the point where it couldn't be dissolved. It was as if the sorrow had faded with the passage of time. He also thought that it was really the case.

However, when he said the first word, 'Rong Yan', his heart was in turmoil.

Liancheng Yazhi's heart quickly fermented, and all those thoughts were flipped over. He suddenly understood that his thoughts for Rong Yan had not faded, but had been stored away properly.

It was like putting money in the bank and not moving it for a few years. When you withdraw it again, not only did it not decrease, but it also added interest.

He had stored so much longing in his heart, and at this moment, it was already overflowing.

After returning to the old house, the old Butler was shocked to see Liancheng Yazhi's dazed look. "Young master, young master, what's wrong?"

Liancheng Yazhi didn't say anything, and his eyes were a little dull. He walked past the old Butler and went upstairs.

To Liancheng Yazhi, some habits had been deeply ingrained in his bones in the days that Rong Yan was not around and could not be changed no matter what. For example, when he slept, he always had to hold a Little Bear. Every year when the season changed, the female clothes that Rong Yan liked to wear in the past would always be bought and placed there to let them be covered in dust!

Liancheng Yazhi pushed open the room that was almost filled with clothes and shoes. He grabbed the clothes that were covered in dust and laughed like a madman. He had always liked to be clean, so he shook the dust off his clothes and stood in the dust-filled room, laughing like a madman.

"See, Yingluo, even if you run to the end of the world, you're still mine!"

Chapter 450 baby, are you happy?

Liancheng Yazhi's voice was trembling and hoarse from his excessive excitement. It was like a beast roaring in the wilderness, and there was an incomprehensible teasing in his roar.

The old Butler followed behind worriedly. When he saw this scene, he covered his mouth and quickly turned to leave.

After Liancheng Yazhi heard the simple news, he was extremely shocked. However, after the shock, he did not suppress any anger or dissatisfaction in his heart. There was only an irrepressible joy that could not be controlled.

However, after the great joy, Liancheng Yazhi's heart was filled with unspeakable bitterness.

Rong Yan had left him despite knowing that she was pregnant. What was it that made her so desperate?

However, Liancheng Yazhi soon understood. It didn't matter. All of this didn't matter. When he found Rong Yan, everything would be clear. No matter why she gave up on him, he would never let go again. He would never be in a daze.

There was a layer of dust on Liancheng Yazhi's hair, but he didn't care about his current image at all.

He was smiling like a fool!

Child

he actually had a child. he was already a father.

Liancheng Yazhi thought excitedly, it's a boy? Or a girl? Did she look more like him or Rong Yan?

it doesn't matter who he looks like. as long as it's his and rong yan's child, it's fine.

Under Liancheng Yazhi's instructions, Secretary Zhou secretly spread out a wide net to find Rong Yan.

He had been with Liancheng Yazhi for so long, and this was the first time in his life that he was so willing to work. Even if he had to work overtime and not sleep, he would be happy.

As for Rong Yan, she was already preparing to return.

Over the past two days, MeowMeow's condition had indeed been very stable. She did not faint again and followed Rong Yan around every day like a little tail, no matter where she went.

While Rong Yan was packing her luggage, MeowMeow sat beside Rong Yan with her favorite teddy bear in her arms. She tilted her head and asked in a baby voice, "Mommy, what are you doing?"

Rong Yan lowered her head and gently rubbed her forehead against MeowMeow's. She couldn't help but feel proud. After all, she was her daughter. Just like her, they both liked teddy bear-style plush toys. When MeowMeow didn't know how to walk, she would hug the teddy bear and never let go when she saw it in the mall.

Rong Yan used her finger to gently scratch MeowMeow's little nose. "What did I tell you the night before? We're going out to play, baby, are you happy?"

"Happy, mommy Yingluo, then, can Yingluo bring the little bear along?"

rong yan smiled and said,"you can."

As she spoke, Rong Yan's phone rang. She glanced at the number and her expression changed slightly. She picked up the phone and answered the call.

"Hello, have you settled my matter?"

Very quickly, the other party replied, "I've already told Liancheng the news of your pregnancy through a simple summary. Unexpectedly, Liancheng was stunned."

When he said this, he paused. Rong Yan's heart tightened and the smile on her face faded.

However, her sudden change in attitude scared MeowMeow. She whispered, "Mommy, Yingluo."

Rong Yan quickly reacted and reached out to hold meowmeowmeow tightly in her arms. She lowered her head and kissed her, comforting her.
