

Permit Me 451

Chapter 451 i'm really going to die of happiness

although

Rong Yan was trying her best to control herself every day, not letting her see any unhappiness or bad side of her.

Rong Yan laughed and made funny faces to tease MeowMeow as she said, "Don't keep me in suspense, hurry up and tell me!"

A hesitant voice came from the phone. "Yingluo, was that your child just now?"

Rong Yan was impatient,"say Yingluo."

A sigh came from the other end of the phone, and then he heard, "Liancheng's reaction surprised me. He didn't reject you at all. After Jian Jie finished speaking, he was shocked for a long time, then he became furious. He was angry at Jian Jie for telling him so late and almost killed her. Then, he left Jian Jie and started to search for you. There was no rejection in the middle. He was very happy. Now, I think Jian Jie is so excited that he can't sleep!

He had always thought that Liancheng Yazhi would say something like that. Just like he said, he had never thought about children. How could a man who had never thought of putting himself in the position of a father want children?

Was it possible to expect Liancheng Yazhi to be a stay-at-home dad one day, carrying his child to feed him and change his diaper?

At least, he could not imagine that scene at all!

However, who would have guessed that Liancheng Yazhi would actually go against what he had once said and be so excited and happy?

Rong Yan heaved a sigh of relief in her heart. This way, she would have even less to be afraid when she brought the child back. At least, the child's father liked her and would not bring her harm.

"Then, now, find a way to disclose my whereabouts to him," Rong Yan said after listening to him.

"Hey, Yingluo, Rong Yan, don't go too far. It's very dangerous for me to reveal your whereabouts, Yingluo."

Rong Yan carried "It's up to you to do it or not,"

immediately, rong nuo's voice came from the other end of the phone.

my sister asked you to do it, so hurry up and do it. Give me the phone and go get it done.

Then, there was a movement on the other side, and the phone finally fell on Rong nuo's phone. Her voice was particularly excited,"Big sister, big sister, you really have a child? was it a boy or a girl? She's pretty, yiyaya, look at what I'm saying. Big sister, you're so pretty, so the child must be very, very pretty."

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

meow will get better. Buddha will bless her. I went to the temple yesterday to ask for an amulet for her.

“Thank you, Yingluo. I’ll put it on for MeowMeow.” Rong Yan quickly took it.

Aunt Zhang also said, “ yes, miss MeowMeow will be fine. She’s such a cute and obedient child. She’ll definitely be able to turn bad things into good luck. You can go back without worry. This is your home. In the future, we’ll take turns to clean here so that the house won’t be abandoned.

In the past two years, Rong Yan had been very good to them, and her usual salary had always been more than what they had expected.

they all knew that if they left Rong Yan, they would never be able to find such a good employer again.

moreover, the two of them really liked

the thought of

.....

Finally, it was time to leave. Rong Yan pulled her luggage and carried MeowMeow to the airport.

Rong Yan had her own plans. Wasn’t she going back to China directly this time? it wasn’t good to send things to her door personally. She wanted to let Liancheng Yazhi find them himself. This way, he would cherish MeowMeow more in the future.

Rong Yan bought a plane ticket to H country, the neighboring country of China, in the name of traveling.

When they were waiting for their flight at the airport,

There was no shortage of Chinese tourists in the airport. Some people couldn’t help but quickly raise their cameras and press the shutter to capture the scene.

Rong Yan knew, but she pretended not to see anything. She even deliberately raised her head to let others take a picture of her face, but she protected

She could expose herself, but MeowMeow couldn’t!

However, Rong Yan was now a little suspicious. Did Huahua arrange this?

after getting on the plane, MeowMeow looked out of the window with her big eyes. “ mommy, where are we going? ”

Rong Yan carefully tidied up MeowMeow’s slightly messy hair. “ we’ll go back to our hometown. when we get there, you’ll see many, many children with the same skin color and eyes as you! ”

After looking at it for a while, MeowMeow lay back in Rong Yan’s arms. mommy, what’s our hometown? ”

Chapter 453 that’s what the person he’s been thinking about

Rong Yan gave one of her fingers to

in the past, Rong Yan really didn’t think that a father could bring anything to his child, but now, she began to slowly think about it.

Perhaps MeowMeow really needed a father who could give her a sense of security. There were some things that a mother could never give her child.

Rong Yan smiled and said to MeowMeow in a low voice, "The old home, Yingluo is the place where mommy stayed when I was your age, Yingluo."

"Then will Yingying be very beautiful?"

Rong Yan shook her head gently. Her childhood was gray and not beautiful at all.

The mother-daughter pair's soft voice was like the most soothing music, making everyone who heard it feel their bodies gradually relax, as if their hearts could be cleansed.

Even the air stewardesses could not help but tread lightly when they passed by them.

.....

Two days later, a photo of the most beautiful mother was exposed on a certain forum and it became popular on the forum in a short period of time. In the photo, a young mother was looking down at the baby in her arms. In the still photo, it contained all the love a mother had for her child!

The stamped photo was said to make every woman who saw it want to be a mother, and every man who saw it want to have a wife like this!

However, after the photos circulated on the internet for two days, they disappeared without a trace within an hour.

In the middle of the night, Secretary Zhou excitedly ran to find Liancheng Yazhi, who had already fallen asleep.

The servants in the old Liancheng residence were all asleep. Secretary Zhou's arrival caused a huge commotion.

The old Butler came out in his pajamas after being woken up and stopped him. "Secretary Zhou, why are you looking for young master so late at night? Young master has not rested well these few days and it was not easy for him to sleep today. If there is no Yueyue ..."

"Would I have come here in the middle of the night if there was nothing life-threatening?" Secretary Zhou's hair was a little messy, and his glasses were worn askew. He had an anxious look on his face. He passed the old Butler and ran upstairs.

After running to Liancheng Yazhi's door, Secretary Zhou knocked loudly on the door.

The old Butler was dumbfounded. Did Secretary Zhou not want to live?

However, to his surprise, the door opened very quickly and Secretary Zhou entered!

The old Butler found it very strange.

As soon as he entered, Secretary Zhou quickly wiped the sweat off his forehead and said in a panic, "Young master ya has found miss Rong's whereabouts."

Liancheng Yazhi was in his pajamas. He was so excited recently that he could not fall asleep, so he was a little listless. However, when he heard Secretary Zhou's words, his eyes lit up instantly and he immediately asked, "Where are you? How did you find it?"

Secretary Zhou quickly took out an enlarged photo from his briefcase and handed it to Liancheng Yazhi.

Liancheng Yazhi snatched the photo over and stared at the woman in the photo as if his eyes were on fire. That was the person he had been thinking about day and night.

Chapter 454 Young master ya must go crazy when it comes to Rong Yan

One look at the woman in the photo was enough to make Liancheng Yazhi completely intoxicated. He had not seen her for three years.

After Rong Yan left, Liancheng Yazhi realized that he did not even have a single photo of her in his phone.

At that time, he thought about it and thought about it so much that his heart ached so much that he almost couldn't breathe. Later, he gradually passed the most difficult stage and thought that with the passage of time, he would slowly let it go!

It was not until the simple and sudden arrival and the sudden mention of Rong Yan that he found his longing for her.

he looked at rong yan's photo and finally saw her face again. all the scenes of him being with rong yan in the past flashed past his eyes.

Rong Yan in the photo was dressed casually in a loose linen dress. Her hair was tied up in a fluffy bun. It was no wonder that a few strands of hair were naturally scattered around her temples with a hairpin. Her skin was fair and delicate.

her skin was flawless. three years of time had given her a deep impression, without leaving any traces.

She still had that face. It didn't seem to have changed, but it also seemed to have changed.

It seemed to be more well-rounded than three years ago, as if the lead had been washed away, leaving only the most natural and real thing.

However, she looked so much better than she did three years ago.

There was an extra warmth and gentleness on her body. Her face, which used to be like a Porcupine, now seemed to have turned into a pool of water.

She was carrying a small dumpling in her arms. It was so small that her face couldn't be seen. From the angle of the photo, only two small feet could be seen, and she was wearing small shoes.

Liancheng Yazhi's hands were trembling. The indescribable joy made his eyes tear up!

He was holding a single photo as if he was holding his entire world.

Secretary Zhou was waiting patiently on the side. He felt that he could understand young master ya's feelings. When he first saw Zhang's photo, he was so excited that he cried and laughed at the same time. This time, he finally caught miss Rong's exact whereabouts.

Although only a pair of small feet could be seen in the photo, it was enough. It was enough to comfort people.

She finally waited until Liancheng Yazhi's mood calmed down a little. you said that Rong Yan had booked a return ticket three days later that day!

Secretary Zhou nodded and said,"it's Yingluo."

"That's today!"

"Yes, the flight is this morning at 9:00 Beijing time."

Liancheng Yazhi's fingers gently caressed Rong Yan's cheek, and with a gentle smile in his eyes, he said lightly, " "that plane can't go back."

Secretary Zhou felt that something was not right. Liancheng Yazhi's words just now had a trace of cold air."Young master ya, what do you mean?"

"What I mean is that the plane that took off at 9 o'clock today is landing at the Imperial Airport! Do you understand what I'm saying?" Liancheng Yazhi raised his head and looked into Secretary Zhou's eyes as he said word by word. His voice was calm, but his unquestionable eyes made Secretary Zhou shiver.

Indeed, since it was related to miss Rong, young master ya must go crazy!

However, young master ya, are you sure you want to do this? this isn't a simple madness!

Secretary Zhou hurriedly said, " young master ya, young master ya, please calm down. If we bring the plane back to China, it'll be a hijacking. It'll make too much of a commotion. I'm afraid it'll be difficult for us to calm down the public opinion. Moreover, it was very likely that they would be classified as a terrorist group!

.....

Chapter 455 Whoever dares to stop him will be killed directly

Liancheng Yazhi was still looking at Rong Yan's photo with gentle eyes just now, but he suddenly became fierce. I don't care if he made a big move or not. Rong Yan and my child must not go back.

If anyone dared to stop him at this time, he would kill them without saying anything!

Secretary Zhou hurriedly said, " of course, of course. Miss Rong definitely can't go back. However, young master ya, young master ya, the plane hasn't taken off yet. We still have time to think of other ways. It's really not good to hijack a plane. If this matter gets out of hand, the whole world might condemn it.

Secretary Zhou suddenly had an idea. "you see, we're just asking miss rong and little master to come back, and we don't have to get the entire plane back, right? Our ran ran can do something when miss Rong is boarding the plane and let her come back directly."

There was a hint of madness in Liancheng Yazhi's eyes. you're saying that we'll make a move at Xuanji country's capital Airport? "

Secretary Zhou nodded a few times. yes, we have a lot of room to show off at the airport. If we do it well, we can even get miss Rong back without her knowing.

Liancheng Yazhi thought about it for a few seconds and suddenly grabbed Secretary Zhou's tie. I'll leave this matter to you to arrange. How confident are you? "

The tie tightened as if it was going to strangle him to death. Secretary Zhou's breathing suddenly became irregular. He opened his mouth and said, I'm 100% sure. I'm 100% sure about young master ya!

Liancheng Yazhi loosened Secretary Zhou's tie."Alright, I'll leave this to you!"

Secretary Zhou quickly took a step back to a safe distance before saying, " "Don't worry. I promise you that I will let you see miss Rong and little master today."

After Liancheng Yazhi calmed down, he thought of something else and his face gradually turned cold.

the old man probably knows about this photo now that it's been exposed. Keep an eye on him. If he dares to have any ideas, I don't mind letting him spend the rest of his life in the hospital.

yes, don't worry, young master ya. I've already sent someone to the old master! Of course, Secretary Zhou was also afraid of this. If Rong Yan's whereabouts were known by Liancheng Yazhi, who knew what would happen!

Liancheng Yazhi shook his head. that's not enough. Replace all the people around him. Replace them with my people.

Secretary Zhou nodded. understood. I'll arrange it immediately.

"You have to understand that I'm talking about everyone on the island except for the old man!"

The entire Island, including the original residents of the island and all those who had come into contact with the old man, had been replaced.

.....

Children were particularly sleepy. When Rong Yan arrived at the airport with meowmeowmeowmeowmeowmeow in her arms, they were about to board the plane.

She followed the instructions on the airport broadcast and boarded the plane 'back to country W' under normal circumstances.

After boarding the plane, Rong Yan realized that there were more Chinese people on this flight.

This made Rong Yan a little suspicious, but seven cents, the flight attendant on the plane broadcast was indeed the flight she had bought.

so, under the suspicious circumstances, the plane took off.

It only took a little more than two hours for the plane to reach its destination.

Rong Yan got off the plane with doubts. She listened to the long-lost fluent Mandarin over the radio and looked at the Chinese people with yellow skin and very eyes coming and going in the airport. The corners of her mouth curled up.

As expected, Liancheng Yazhi couldn't help but play tricks!

—

Chapter 456 Miss Rong, welcome back to China!

the people who got off the plane with her seemed to be heading to the capital, but before the plane took off, why didn't any of them object to the flight information that was broadcasted on the radio?

rong yan turned around and looked around. there was nothing strange at the airport. liancheng yazhi did not seem to have appeared at all and did not make any preparations.

Since he had already changed her destination, it was not worth it to ‘kidnap’ her to the capital without her knowing.

.....”

[illegible]

.....”

However, Rong Yan wasn't paying attention. After a while, she looked up again and saw that the people who had been walking around in the airport had all gathered together and blocked her way.

Rong Yan approached step by step. The people who had formed a human wall did not dare to stop her. Therefore, with every step she took, those people took a step back.

“Yes, these uncles are all playing games with

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeo
wmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowme
ow!"

When they were about to retreat to the exit of the airport, those people suddenly changed their formation. The people on the two sides began to surround Rong Yan. In a short while, they formed a circle and surrounded Rong Yan in layers. There were about three layers of people in the circle.

.....”

Rong Yan stopped this time and raised her chin slightly. She looked at them arrogantly, but her hand was gently stroking MeowMeow’s back.

She was waiting for them, or rather, waiting for Liancheng Yazhi’s next move.

However, it was a little awkward.

Rong Yan didn’t expect that all of a sudden, those people would start to take off their clothes at the same time. Their movements were as one as they took off their coats of different colors and styles at the same time. What Rong Yan didn’t expect was that they were all wearing the same bright red Tang suit and stood in a circle. The festive scene almost made Rong Yan wonder if it was the new year today!

”Mommy, mommy, Yingluo, they’re doing magic, Yingluo.”

The team of about a hundred people suddenly shouted in unison, ” “Miss Rong, welcome back!”

Chapter 457 miss rong, welcome home!

After that, he immediately shouted a second time, ” “Miss Rong, welcome home!”

rong yan laughed. this was really funny. she really didn’t expect liancheng yazhi to play this trick.

After the incident, Secretary Zhou happily went to Liancheng Yazhi to take credit and asked him, young master ya, what do you think of the welcome ceremony I arranged?

In the end, Liancheng Yazhi only gave him two words. Country bumpkin!

Those people were shouting very loudly, as if they were going to flip the roof over. Coupled with their serious expressions, it instantly made MeowMeow uneasy. She grabbed Rong Yan’s collar and called out softly, ” “Mommy, Yingluo.”

Rong Yan kissed her cheek. it’s fine if you’re not afraid. They’re all here to welcome us. Look, they’re all smiling at you!

Then, the men who were dressed jubilantly but had cold faces showed their white teeth for the first time. They smiled stiffly and chuckled at

In the end,

Rong Yan frowned. These people’s smiles were uglier than their crying. He quickly comforted his daughter.

as she was coaxing meowmeow, the crowd gradually split apart to form a path. the footsteps were getting closer and closer, and the figure of the person also passed through the crowd and slowly walked to rong yan.

The footsteps stopped in front of them, and a tall figure shrouded Rong Yan and MeowMeow.

Rong Yan’s heart tightened, but she didn’t look up immediately. She only looked up slowly after she coaxed MeowMeow to stop crying.

After three years, the two of them finally saw each other's figures face to face!

More than three years had passed, and more than a thousand days and nights had passed. In such a long time, this man almost never appeared in Rong Yan's mind, but she knew very well that she had not forgotten him.

There were some people and things that you had forgotten just because you didn't want to.

It was just that at that time, she thought that she would never have anything to do with him again. So, instead of feeling bitter after thinking about it, it was better to seal it up.

After not seeing him for so long, the aura on his body was even stronger than three years ago. Standing in front of him, Rong Yan found it difficult to breathe, and her body seemed to be controlled by his eyes.

It had been so long, but when she saw him again, it was still the same as the first time they met. He gave her a heart-palpitating shock.

It was not a good thing for a man to be too handsome!

That was because it would make many women worried and many people would never forget it!

Looking at Liancheng Yazhi's face, Rong Yan smiled bitterly in her heart. After all, they were father and daughter. MeowMeow actually didn't look like her. The little guy's delicate facial features were more like Liancheng Yazhi's, inheriting all of his good points, especially his eyes.

However, Liancheng Yazhi's eyes were filled with crazy anger, and the low air pressure on his body was released wildly in all directions. The haze on his face made his handsome face look ferocious, and his beauty was reduced by two points. His eyes were fixed on Rong Yan, ready to explode at any time, turning Rong Yan and the surrounding hundreds of miles into ashes.

neither of them spoke first, and the air was eerily still.

just when rong yan thought that he would not even be able to vent his hatred by strangling her to death in the next second, he suddenly reached out and pulled her into his arms, hugging her so tightly.

.....

Chapter 458 Bad uncle, you're not allowed to hug my mother

rong yan was stunned for a moment and quickly struggled with all her might. this idiot, why did he have to use so much strength to hug her? what if meowmeow was squashed in between and broke?

However, Rong Yan's struggle made Liancheng Yazhi mistakenly think that Rong Yan was resisting him. He thought that she still wanted to leave and didn't want to come back at all. So, the more she struggled, the tighter he hugged her.

until a voice came from their chests, "mommy, yingluo."

Finally, after hearing a weak kitten's cry, Liancheng Yazhi instantly woke up and quickly let go of Rong Yan, staring at her arms with wide eyes.

When he saw the small face that was somewhat similar to his and the small ball, Liancheng Yazhi's heart was hit a few times.

However, what everyone didn't expect next was that the moment Liancheng Yazhi let go of Rong Yan, the pink, soft, and weak, beautiful baby in Rong Yan's arms, who was as weak as a kitten, suddenly stretched out his dough-like little hand and scratched Liancheng Yazhi's chin.

A two-and-a-half-year-old child's fingernails were sharp and thin, and he could make a cut with just a scratch.

However, this was not the end. With a baby voice, she shouted at Liancheng Yazhi, "Bad uncle, you're not allowed to hug my mommy. My mommy is mine. You're not allowed to hug her. You're not allowed to hug Yingluo."

Meowmeowmeowmeowmeow's series of actions stunned Rong Yan. This was the first time she had realized that her little baby could speak so sharply and act so decisively and quickly.

Rong Yan had always felt that

Rong Yan thought that this was pretty good.

However, she looked at the red marks on Liancheng Yazhi's chin that were scratched by MeowMeow, and some places were starting to bleed.

Rong Yan gulped. If she didn't know this, she really wouldn't have known that MeowMeow could instantly become a kitten that bared its fangs and brandished its claws. It was really cute.

Don't think that children don't know anything. Children also have possessiveness. They possess their own toys and their mothers!

Especially since the first day meowmeowmeow was born, the person who appeared the most in her world and treated her the best was her mother.

So, in MeowMeow's world, her mother was hers, and her mother's warm arms were also hers. No one could take her away.

in the past, she had always been well-behaved and did everything slowly because she had no strong enemies by her side and no one wanted to snatch her away.

Therefore, the little girl had never lost her temper!

But this time, Liancheng Yazhi's appearance had touched her bottom line.

As a result, the domineering and possessive genes of the Liancheng family awakened in her blood, and she decisively defended her territory.

Rong Yan looked at Liancheng Yazhi's completely dumbfounded look and couldn't help but laugh out loud. Indeed, her baby was helping her vent her anger the moment they met. The people around who saw this scene also wanted to laugh, but they didn't dare to. They could only hold it in, their faces twitching non-stop.

Chapter 459 My daughter, I'm the Father now!

The first time they met, as a father, his daughter had already scratched his face. How could it not be funny?

the point was, i'm liancheng yazhi, the young master ya in the imperial capital who no one dared to even scold him, let alone touch him. my daughter is just a little girl who still needs to be held in her mother's arms. whoever sees her wants to hug and kiss her, and want to bring her home to dote on her!

This huge difference really made people want to laugh, but they didn't dare to. Of course, Rong Yan was an exception.

[illegible]

There was a slight pain on his chin, and Liancheng Yazhi finally came to his senses in a daze.

He seemed to be in disbelief. He touched his chin and looked up at MeowMeow.

She was such a small dumpling, and her small face was a little too beautiful. Her big eyes were a little red, and she was lying in her mother's arms, looking very aggrieved. Her obedient and lovely appearance was completely different from the little guy who had scratched his face and shouted at him just now. Looking at her red eyes, Liancheng Yazhi suddenly had an illusion that he should have stretched his face over and let her scratch it a few more times, as long as she didn't cry.

Liancheng Yazhi bit the tip of his tongue hard. Was this Wanwan his daughter?

He stretched out a trembling finger and poked MeowMeow's face.

The little girl's face was as smooth and soft as cotton candy. Liancheng Yazhi was so scared when he touched it that he felt like he had touched a bomb. He quickly pulled his hand back.

As if to confirm the authenticity of MeowMeow, he reached out his hand again and put his big hand on MeowMeow's cheek. The warm and smooth little face felt so real.

however, before he could touch her for a while, he said, ” “I’m tired and MeowMeow is hungry.

Secretary Zhou, who had been standing in the crowd and watching them, immediately found the meaning of his existence and quickly said, " " we'll go back immediately. the car has been prepared for you, wanwan, and miss outside. the food at home has also been prepared, so you can go back and have your meal! "

Rong Yan walked past Liancheng Yazhi with

Of course, it was her home ground. She had confirmed Liancheng Yazhi's attitude towards her and MeowMeow.

What did Rong Yan have to be afraid of?

Now, it was time for Liancheng Yazhi to pamper and worship the mother and daughter.

Rong Yan walked away, but Liancheng Yazhi was still looking at his hand. The smile on his face grew wider and wider. It's true. It's true that he's taking care of the child! His! He was a father!

Liancheng Yazhi stood there alone and laughed foolishly, as if a nerve in his brain had been washed away, and now he knew where to be silly.

Secretary Zhou couldn't stand it anymore. He quickly went forward and said, "Young master ya, young master ya, don't be stunned. Hurry up and keep up. Miss Rong has gone far."

Liancheng Yazhi grabbed Secretary Zhou's arm and said excitedly, "secretary zhou, my daughter, my daughter yingluo, i'm her father now!"

Secretary Zhou dragged Liancheng Yazhi forward. it's ran ran, it's definitely your daughter! Look at their appearance, they look very similar to you. One look and I can tell that they're a family. There's no mistake."

"Really?" Liancheng Yazhi was so bright that he looked like two light bulbs.

.....

Chapter 460 I'm not a bad guy, I'm your father!

Secretary Zhou nodded vigorously, "yes, she looks like ran ran."

At least after seeing

suddenly, lian Cheng yazhi shook off secretary zhou and walked back, which made secretary zhou wonder what was going on.

In the end, Liancheng Yazhi actually rushed to the luggage that Rong Yan had left behind. After pulling up the luggage, he quickly chased after Rong Yan.

Secretary Zhou facepalmed and said, "young master ya, why can't you grasp the main point now? someone will take the luggage. You should hurry and accompany miss Rong, Wanwan, and miss!

"what do you know, yingluo?" lian Cheng yazhi roared at him.

the luggage belonged to rong yan and his younger daughter. how could he let others touch it?

They finally got into the car. Liancheng Yazhi's luxurious extended Hummer was very comfortable.

After

....."

Then, he secretly added, "bad guy Yingluo."

Rong Yan smiled and glanced at Liancheng Yazhi. Under his fiery gaze, she nodded and said, "Yes, bad guy!"

Liancheng Yazhi's eyes were fixed on Rong Yan and MeowMeow. He felt that the blood relationship between humans was really magical sometimes. Even he himself didn't expect that one day he would suddenly become a father, and he didn't reject it at all. In fact, he was so happy.

This mother-daughter pair, one big and one small, filled his heart. The joy of finding something he had lost made him want to carefully hold them in his arms.

He had even forgotten that he had wanted to wait until he saw Rong Yan and ask her why she had run away that year.

But now that he had met her, he felt that he didn't care why she had run away. As long as she was found, it would be fine. It was a buy one get one free deal for three years!

However, after hearing MeowMeow's words, Liancheng Yazhi quickly explained, "I'm not a bad guy, I'm your father!"

Liancheng Yazhi was very disappointed to be despised by his daughter.

He watched as Rong Yan coaxed her daughter gently. After becoming a mother, Rong Yan was even more attractive. The radiance of maternal instinct on her made her look so sacred. When she smiled at MeowMeow, her smile was as gentle as water, and Liancheng Yazhi's heart pounded when he saw it.

Liancheng Yazhi saw that Rong Yan had switched MeowMeow's hand and quickly said, "Rong Yan, are your arms sore? Let me hug you for a while!"

Rong Yan shook her head. There's no need. Huahua,

Rong Yan no longer paid attention to him. She lowered her head and coaxed MeowMeow softly, "Baby, are you sleepy? Can you sleep for a while? Rest in peace, mom is here to keep you company!"

Rong Yan shook her arm gently. Children at this age loved to sleep the most. After a while, MeowMeow could not hold back her sleepiness and fell asleep with her eyes closed.

Although the child was small, it still had some weight. Rong Yan was a woman, and if she carried it for too long, her arms really couldn't take it. Rong Yan let MeowMeow sit next to her and raised her chin at Liancheng Yazhi.

"What do you want?" Liancheng Yazhi quickly regained his senses.

Watching Rong Yan coaxing MeowMeowMeowMeow to sleep just now, the scene was so beautiful that Liancheng Yazhi felt that it was unreal. It was really like the god of flowers who had come to the world with an angel ...
