

Permit Me 461

Chapter 461 it's yingluo, she really is your daughter!

It had been three years. He had not seen her for three years. He looked at her face greedily, observing every change in her.

The change in his appearance made Liancheng feel even more reluctant to leave. When he saw the mother and daughter, his entire body softened into a ball of cotton candy. It was soft, sweet, and satisfied!

Rong Yan said to Liancheng Yazhi in a low voice, "You, take off your clothes!"

Liancheng Yazhi subconsciously said, "this is a car. You've only left for a few years, and you're already so bold and unrestrained."

Rong Yan pouted. what nonsense are you thinking about? don't dawdle and take it off quickly.

Under Rong Yan's urging, Liancheng Yazhi slowly took off his coat. Rong Yan snatched it over and gently covered MeowMeow with it. She carefully tucked both sides of her body in, then lowered her head and gently kissed MeowMeow's forehead before getting up.

Only then did Liancheng Yazhi understand why he didn't think of it when Wanwan asked for clothes for him and only needed to cover his daughter.

It seemed that he was far from being a good father. He had to study hard in the future.

????,??????????????,??,?????????????????!

Rong Yan looked at Liancheng Yazhi and asked provocatively, "How can you be so sure that she's your daughter?"

Liancheng Yazhi's face turned cold and he immediately looked fierce. He said, "of course i'm sure. this is my daughter xuanji's face. do you dare to say that i'm not trying? "

Rong Yan looked at him seriously for a while. Finally, under Liancheng Yazhi's fiery gaze, she nodded. "it's zhenzhen. she's really your daughter!"

Rong Yan's soft admission made Liancheng Yazhi's anger disappear.

Rong Yan took a deep breath and said to Liancheng Yazhi, "We're at the door speaker now. Why am I standing here? the commotion is big enough, and the amount of money spent is not small! How did you do it?"

Liancheng Yazhi did not hide this matter from Rong Yan and told her everything.

it turned out that rong yan was on the flight back to country W, but two hours later, she was standing on chinese territory. this was because under liancheng yazhi's 'abuse', the flight to the capital and the flight to country W had been changed. furthermore, all the passengers except rong yan had been informed in advance. so on the plane, when the flight information was broadcasted on the radio, no one raised any questions.

Because apart from Rong Yan, everyone else knew!

After Rong Yan heard this, she smiled. I see. Then tell me again. What do you want to do by deliberately getting me back? "

“Only kiss me!” MeowMeow added.

Rong Yan resisted the urge to laugh out loud and squinted at Liancheng Yazhi, making him feel as if his bones were going to melt.

However, Rong Yan's next words made Liancheng Yazhi unable to soften his stance because she said, " "alright, i'll only kiss meowmeow, not baddies!"

"Yingluo, I'll sleep then!"

rong yan looked at meowmeow with a smile on her face. the pressure in her heart disappeared instantly. who said that there was actually a little monster living in every little angel's heart? it was just that they had not met the right opportunity, so the little monster had been locked in the bottom of their hearts. when the opportunity came, it would naturally be released.

rong yan discovered many new things today. their little princess could not only transform into an angry kitten, but she could also transform into a black-bellied little girl.

when

However, the little guy did not say anything. He tactfully attracted her over and let her carry him. When they were close enough, the little darling whispered to her, afraid that others would hear him. Tsk tsk, he was so meticulous at such a young age. Who said that MeowMeow's reaction was slow and that MeowMeow's intelligence was average?

Rong Yan glanced at Liancheng Yazhi, who had a bitter expression on his face. This must have been inherited. It was definitely Zhenzhen.

He didn't know before because he didn't give

However, Rong Yan was very happy with

The bitter look on Liancheng Yazhi's face slowly faded. He watched as

Chapter 463 I'll protect you and your mother!

Liancheng Yazhi knew the reason for this feeling better than anyone else.

This was because he had never participated in the child's pregnancy. He had not done what a father should do or taken responsibility for.

He made MeowMeow's life lack fatherly love, he made Xuxu and Rong Yan live alone in a foreign country, raising their daughter alone, and he made Rong Yan suffer so much.

Although he was the one who wanted to leave Rong Yan back then.

However, Liancheng Yazhi really couldn't think of any reason to blame her for being willing to bear his children. It was his fault back then and he deserved it. Who asked him to be brainless and treat Rong Yan like that on the eve of the new year?

He had hurt Rong Yan's heart, so she had left resolutely. He really couldn't be blamed for this.

Liancheng Yazhi's guilt towards Rong Yan and

A responsible man should try his best to make up for his mistakes when he could. He should not let his mistakes continue.

Liancheng Yazhi sat next to Rong Yan. Under her surprised gaze, he picked her up and put her and her daughter on his lap.

??????,???,??????,??????????

It didn't matter if he couldn't carry his daughter. He could carry his daughter's mother. Anyway, his daughter couldn't leave her mother. He could carry one big and one small at a time.

From now on, I'll protect you and your mother!

rong yan was stunned for a moment before a smile appeared in her eyes.

.....

When they arrived at the Liancheng family's old house, the car stopped. This time, Secretary Zhou drove particularly steadily. There was no swaying at all, not even a sound.

After the car stopped, Secretary Zhou quickly got out of the car and respectfully opened the door for Rong Yan. "Miss Rong, please get out of the car."

At this time, MeowMeow was sleeping very soundly in Rong Yan's arms. Liancheng Yazhi carried the mother and daughter out of the car together.

Liancheng Yazhi wanted to hold his daughter, but he was also worried that Rong Yan's arm would not be able to take it. can you let me hold you? "

Rong Yan looked up and saw the unconcealed anticipation in Liancheng Yazhi's eyes. The main purpose of her coming here was to treat her daughter's illness and to get the best doctor and hospital for her daughter. The premise was that Liancheng Yazhi had to like MeowMeow.

Only Liancheng Yazhi, as a father who loved his daughter dearly, would really want to find the best treatment conditions for MeowMeow.

Hence, Rong Yan nodded slightly and carefully placed MeowMeow in Liancheng Yazhi's arms. She said in a low voice, " "You carry her like this. Put your hand here and be careful. Don't wake her up."

Liancheng Yazhi's body was tense and stiff. MeowMeow wriggled uncomfortably in his arms.

rong yan pinched liancheng yazhi's arm. "Relax, don't be so nervous. Look, MeowMeow is not feeling well!"

Liancheng Yazhi took a few deep breaths and was still a little stiff. He carried MeowMeow and tried to take a step forward."Let's go in and eat."

Rong Yan looked up at the low-key and luxurious old house. Coming back here after three years, Rong Yan felt like she had gone through a lot and was back to her old place. When she left that year, she definitely didn't think that she would come back.

Chapter 464 That was an illegitimate daughter!

As for the man who was walking as slowly as a snail with his daughter in his arms, she thought that she would never see him again in her life.

Rong Yan didn't know under what circumstances she would see him again. She didn't know what attitude she would have when she saw him.

However, when everything was in front of him ...

Only then did Rong Yan realize that after being a mother for two years, she had become indifferent to many things. Seeing Liancheng Yazhi again, she felt quite calm.

Other than her daughter, she felt that nothing else could stir up her heart.

The old Butler stood at the door and was so surprised to see Rong Yan that his eyes were about to fall out. When he lowered his head and saw that his young master was still holding a little dumpling in his arms, he couldn't believe his eyes. He rubbed his eyes hard and looked at MeowMeow with trembling eyes, saying, "Young master, this is, this is, this is, this is, this is, this is, this is ..."

Liancheng Yazhi slowly walked in front of the Butler and said in a low voice, "my daughter, your ... Young miss!

The old Butler was so shocked that he almost passed out.

Fortunately, the maid behind him quickly supported him.

After catching his breath, the old Butler looked at MeowMeow and muttered,

He was so excited that he wanted to howl, but Liancheng Yazhi had already sensed what he wanted to do. He turned around and shouted in a low voice, "shut up, yingluo, don't scream! No one is allowed to make a sound."

His daughter was still sleeping. If anyone dared to wake MeowMeow up, he would deal with them.

rong yan smiled at the old butler. "meowmeowmeowmeow is timid. if you speak loudly, you'll scare her! "

??????,?????,??????????,??????????!

it was the ninth day after

If there was enough time, Rong Yan shouldn't have come clean to Liancheng Yazhi immediately, because this might anger him and make him think that if it wasn't for MeowMeow being sick, she would never have come back to find him!

If Liancheng Yazhi was angry, his love for MeowMeow would also be affected!

Rong Yan frowned and thought hard. She should find a way to make Liancheng Yazhi not angry and also make MeowMeow's treatment his top priority.

Rong Yan thought about it as she followed Liancheng Yazhi upstairs.

The shock on the old Butler's face did not fade at all. He grabbed Secretary Zhou!

"Secretary Zhou, is what young master Wanwan said true? That's his daughter?"

secretary zhou's eyes were still following liancheng yazhi. his excited mood had not calmed down since he received the news yesterday. especially when he saw meowmeow's appearance today, he was instantly conquered. what a beautiful little angel. even he, an outsider, wanted to love her and give her everything willingly!

Secretary Zhou answered the old Butler's words, "of course it's true. Didn't you see how much she looks like young master ya? the little Miss is so beautiful. She's so beautiful. Yingluo is indeed young master ya and miss Rong's child. Butler, you've seen Butler Yingluo too, right?" I've never seen a child as pretty and cute as our Little Miss." in the modern saying, it was 'cute'!

The old Butler opened his mouth and said, "but Qianqian, no matter what, that's still a private matter. the old Butler realized that he had said the wrong thing and quickly stopped himself from saying the last two words.

.....

Chapter 465 the father and daughter have the same preferences

However, Secretary Zhou understood what he meant. The intoxicating smile on his face faded. He slowly turned around and pulled his sleeve out of the old Butler's hand. He smoothed out the wrinkles on it and patted the old Butler's shoulder. Then, he said to him, "Butler, you're getting on in years, so your mind might not be clear. That is the young lady of our Liancheng family. Young master ya said it himself, 'the young lady of the Liancheng family'. I heard what you said just now, and it's fine. I'm not a gossip, so I won't tell on you.

Secretary Zhou's expression suddenly changed. but Wanwan, if young master ya finds out about this, it won't be as simple as sending you back to your hometown!

The old Butler's face was ashen, and his thin body trembled. "But Zhenzhen, the Liancheng family's rules are there, Zhenzhen."

Secretary Zhou chuckled. Butler, you have to know that times have changed. The rules will change as well. Now, the Liancheng family's rules are our young master ya!

Those rules were set for those who were unable to protect their children, not for young master ya.

Secretary Zhou nodded to the Butler. I still have something to do, so I'll take my leave first. Miss Rong and Little Miss must be tired from the journey. Please quickly ask the kitchen to prepare the food. If young master ya comes out later and sees that you guys didn't do anything, he will be angry.

After taking a few steps, Secretary Zhou suddenly turned around and said to the old Butler, who was standing there in a daze, "i don't think you'll tell anyone about this, will you?"

The old Butler shivered and his face turned pale. He did not dare to look at Secretary Zhou, as if the secret he had hidden in his heart had been discovered.

Secretary Zhou smiled. I'm just joking with you. You've worked for the Liancheng family all your life. Why would you do such a thing?"

The old Butler looked at Secretary Zhou's departing figure and then looked upstairs. His body trembled even more!

.....

Upstairs, Liancheng Yazhi carried

After he finished the simple action, Liancheng Yazhi was sweating profusely, and even his arms were sore.

He looked up and saw Rong Yan holding the little bear and looking at it thoughtfully.

Liancheng Yazhi's ears turned red, as if he had been caught doing something embarrassing and was extremely embarrassed.

He scratched his ear, "then what about that Zhenzhen?"

she stammered as she explained what was going on!

Rong Yan looked up at him for a while, then pursed her lips and smiled. it turns out that Huahua has the same preferences as you and MeowMeow.

After that, she lifted a corner of the quilt for MeowMeow and gently stuffed the bear into MeowMeow's arms!

she had just stood up when she was hugged by a pair of long arms from behind.

Liancheng Yazhi hugged her waist tightly, lowered his head, and buried it in her shoulder. He kissed her smooth neck without any lust. All his thoughts and thoughts turned into two words at this moment: "Rongyan Zhenzhen"

In fact, even at this moment, Liancheng Yazhi still felt that his mind was floating.

This was because Yingying's happiness and happiness came too suddenly. It was so sudden that he wasn't sure if she was dreaming or if it was real.

When Liancheng Yazhi called her 'Rong Yan', she suddenly felt as if her heart had been squeezed tightly by someone. It was as if a lot of grievances and heartache that she did not even realize were all squeezed out at this moment!

Rong Yan suddenly turned around and bit a piece of flesh on Liancheng Yazhi's neck ruthlessly.

—

Chapter 466 He wiped the blood from the corner of her lips

Rong Yan had always thought that she had no grievances in her heart. It was already a gift from heaven that she could have a daughter. She was really grateful!

However, at this moment, when Liancheng Yazhi called her 'Rong Yan', all the grievances in her heart that she didn't realize herself suddenly flowed out. A young woman getting pregnant before marriage, giving birth alone, and MeowMeow's heart disease that had yet to be cured-all of these pressed down on her heart.

In the past, Rong Yan was alone, so she had to be strong because there was no one to rely on for her. She had to ignore all her fragility.

However, Liancheng Yazhi's call and his embrace made it impossible for her to hide her fragility.

Rong Yan urgently needed to vent the grievances and resentment in her heart towards Liancheng Yazhi!

rong yan bit on liancheng yazhi's flesh tightly, not letting go even when her mouth was filled with the taste of blood.

Liancheng Yazhi was in a lot of pain, but he didn't move. At first, he was in so much pain that he sucked in a cold breath, but now, the corners of his mouth were widening.

Liancheng Yazhi was very happy because the fact that Rong Yan could bite him meant that she had a grudge against him in her heart. She could hate someone because she cared about him and had a place in her heart. This was much better than her not being angry or happy with him.

Liancheng Yazhi was too tall, so Rong Yan had to stand on her tiptoes when she bit him. In order to make it more comfortable for her to bite him, Liancheng Yazhi slowly bent down so that Rong Yan could bite him more comfortably.

He only let go when Rong Yan's mouth was sore from biting.

she bit a little too hard. although the flesh on liancheng yazhi's neck was not bitten off, it was already bloodstained. looking at the wound, rong yan was a little annoyed. she had been able to control her emotions very well for the past two years. why couldn't she control herself when liancheng yazhi called her name?

If she were to anger him, then all her previous efforts would be in vain.

However, Liancheng Yazhi was not angry. Instead, he was very happy. He raised his hand with a smile and slowly wiped the blood on Rong Yan's lips with his thumb. He lowered his head and kissed her lightly.

Liancheng Yazhi ignored the wound on his neck that was still bleeding. He grabbed Rong Yan's hand and said softly, "You must be hungry. Let's go down and eat."

Rong Yan didn't say anything. Liancheng Yazhi pulled her out and she followed.

when she walked out of the room and went down the stairs, she looked at the familiar surroundings and the decorations that were no different from three years ago. rong yan suddenly had the illusion that she had never left.

When they reached the bottom, the female servants were already standing in a line. The old Butler stood in front and returned to normal. He took a step forward and bowed to Rong Yan. "Welcome back, miss Rong."

He bowed to Liancheng Yazhi again. young master, the food has been prepared. Please take a seat with miss Rong.

after seeing the bloodied wound on liancheng yazhi's neck, the old butler was stunned for a moment before he quickly lowered his head and pretended not to see it.

Rong Yan shook her head. you can go and eat first. Meowmeowmeow will wake up in less than half an hour. I'll go to the kitchen and help her make something to eat.

Liancheng Yazhi pulled her back. sit down and eat first. Don't worry. I've found a nutritionist for children to help MeowMeow cook.

no, I have to cook for her. She only eats what I cook and won't eat what others cook.

Rong Yan still went into the kitchen. She wanted to take advantage of the time she had to cook for meowmeowmeowmeow to think about what to do next.

Chapter 467 Little darling, come to Father Wolf's mouth

?????,????????????????

Rong Yan hurriedly went forward to hug her, her breath a little unstable as she said, " MeowMeow, don't cry. Mommy's here. Mommy's going down to cook for you!

When Liancheng Yazhi came up, he saw that Rong Yan had coaxed

After making meowmeowmeowmeowmeowmeow laugh, Rong Yan carried her downstairs. however, there was a problem!

Rong Yan wanted to cook for meowmeowmeow, but she held onto Rong Yan's neck and refused to let go. The little guy's uneasiness had not completely dissipated.

Rong Yan discussed with her in a soft voice.

MeowMeow glanced at Liancheng Yazhi, who had already reached out his hand, and decisively buried his head in Rong Yan's arms. don't whine.

"You don't want to? then aren't you hungry?"

????????,????:"hungry, hungry, hungry."

Liancheng Yazhi immediately reached out his hand in front of MeowMeow, his eyes shining as if he was saying, " little baby, come to Father Wolf's mouth!

Chapter 468 The game of pulling dad's ears

looking at the anticipation in liancheng yazhi's eyes, rong yan thought that maybe he really wanted to be a good father. since he was willing, rong yan also wanted to go with the flow and let meowmeow and him have a better relationship.

Hence, Rong Yan said to Look, mom can't cook for you if she's carrying you with both hands, right?"

"He doesn't look like a bad guy when he smiles, right?"

Liancheng Yazhi quickly cooperated with Rong Yan and showed the gentlest, harmless, and sheep-like smile he had ever shown MeowMeow in his life.

Perhaps Liancheng Yazhi was really sincere, but he finally won a little favor from MeowMeow.

the little guy giggled and reached out to liancheng yazhi.

The big and small finally hugged each other. The soft and small body with the smell of milk was in his arms. At this moment, Liancheng Yazhi was so excited that he wanted to cry. Although he had hugged MeowMeow once when she was asleep, that was when she was not awake. How could it be the same as now when she took the initiative to open her arms and let him hug her?

Rong Yan put on her apron and said to the two of them,"Take meowmeowmeow and wait for me outside!"

But this time, the father and daughter shook their heads at the same time.

Liancheng Yazhi refused to leave. no need, I'll just walk around here.

He finally saw Rong Yan after three years. He couldn't bear to look away now and wanted to keep looking at her.

Furthermore, how blissful it was to hold her daughter and watch her mother cook!

?????:”??.....”

Rong Yan raised her eyebrows. Well, this time, they were quite consistent. alright then, stand further away. Don't let the oil smell affect MeowMeow!

lian Cheng yazhi took a step back. ” no! ”

“I don't know how to!”

Lian Cheng Yazhi happily kissed MeowMeow's face. MeowMeow pursed her lips and turned her head away proudly, completely ignoring him.

But even so, Lian Cheng Yazhi was so happy that he could not close his mouth.

Seeing this scene, Rong Yan smiled. Perhaps, it was in the nature of father and daughter after all.

In the past,

Moreover, he only allowed Rong Yan to kiss him, not even the two aunts in the house!

But now that Lian Cheng Yazhi kissed her, she didn't cry. This was enough to show that although children didn't know so much, the daughter's nature to be close to her father was in her bones, and she would involuntarily get close to him.

This made Rong Yan feel a little gratified, but also a little disappointed!

She was glad that Lian Cheng Yazhi liked

She turned around to cook, and MeowMeow and Lian Cheng Yazhi looked at each other!

Suddenly, MeowMeow reached out and pinched Lian Cheng Yazhi's ear. Although her small hand was not very strong, it still hurt a little when her ear was pinched. It was so fragile.

Lian Cheng Yazhi thought that it was a child playing around and did not pay much attention to it. He was very cooperative and smiled at her every time he meowed.

however, Lian Cheng yazhi later realized that something was wrong.

That was because Rong Yan would take the time to turn around and look at them. And every time she turned around, MeowMeow would immediately withdraw her hand.

Rong Yan turned back, and MeowMeow quickly reached out to grab Lian Cheng Yazhi's ear. When Rong Yan turned back again, she immediately turned into a little rabbit, blinking her big, watery eyes that were like black grapes and looking at Lian Cheng Yazhi cutely.

Chapter 469 Rong Yan, be good and sleep for a while

After Lian Cheng Yazhi realized this problem, he thought, damn, how could his daughter be so smart and cute? ah, she knows how to bully people at such a young age. Also, don't let her mother find out. Yes, it's my daughter, Wanwan.

Lian Cheng Yazhi was even happier. Even if he was ” bullied ” by his daughter, he was willing to do it!

MeowMeow baby, ” Lian Cheng Yazhi said softly to MeowMeow, ” I'm your daddy. Come here, call me daddy!

it's daddy. Be good, daddy. Call d-dad!

“It’s daddy, Yingluo!”

as rong yan cooked, she listened to liancheng yazhi patiently teach meowmeow to call her ‘daddy’ over and over again. however, meowmeow was very stubborn and called her mother over and over again. it was a little like a father and his daughter enjoying the little fun of bickering.

in the past, she had also described what her future would be like. she would have a husband, a child, and a happy family. just like now, every bit of her life would be so happy!

All she wanted was for

Rong Yan first fed

After doing this, Rong Yan was so tired that she didn't want to move.

For the past few days, she had been thinking about how to scheme against Liancheng Yazhi so that she would have more chips in her hands after she came back with MeowMeow. Therefore, she had not rested her brain for many days, and taking care of children was a particularly physically exhausting thing.

Liancheng Yazhi's heart ached when he saw Rong Yan's exhausted look. He quickly let her carry MeowMeow while he carried the mother and daughter and went upstairs.

Liancheng Yazhi put Rong Yan and MeowMeow on the bed, took off her shoes, and covered her with the blanket.

The Liancheng Yazhi of the past would never have thought that he would serve someone like this one day, and so willingly at that!

He walked down the stairs with light steps. When he saw the old Butler, Liancheng Yazhi instructed, "Get the car ready, I'm going out!"

it's young master Huahua, Huahua. under the Butler's hesitant expression, Liancheng Yazhi carried MeowMeow out the door.

He was excited and overjoyed. He wanted to tell the world that he was a father.

Of course, he couldn't do it in the whole world, but he could still show off to his friends. Liancheng Yazhi couldn't find a way to express his excitement now. He wanted his friends to be envious, jealous, and hateful of him, so that they could know how happy he was now.

after getting in the car, liancheng yazhi let meowmeow sit on his lap and let meowmeow play with one of his big hands.

?????????,?????,????,????,????????????????,????????????,????????,????????????,????????,????????,????????????,????????????

He used his other hand to make a call. Hello, it's me. I'm at jinrong house. I'll give you ten minutes to come quickly. If you don't come, you'll have to bear the consequences!

Without waiting for the other party to reply, he hung up. Then, he dialed another number and said the same thing.

Liancheng Yazhi called Feng nongtang and Kang Yu to inform them!

the two of them arrived at the entrance of jinrong house in confusion.

Feng nongtang found it strange. it's only two O 'clock. Lunch is over, and we shouldn't have dinner. What are we doing here? ”

“i don't know,”

Kang Yu's face was gloomy. He was in a bad mood and the evil aura on his body had become more and more exuberant.

When they arrived at their private room and pushed the door open, the two were dumbfounded.

he saw a little baby in the arms of the omnipotent young master ya of the imperial capital. the little girl was too beautiful. her facial features were exquisite, and her skin was so white that it was almost transparent. it had a texture like suet jade, like a little doll carved out of jade.

It bit young master ya's hand and made a whimpering sound like a cute kitten. It was so cute that it instantly killed everyone!

And Liancheng Yazhi was actually smiling happily. That look was as silly as it could get!
