Chapter 471 My mother is Rong Yan

It was something they had never seen before.

The two of them looked at each other in a daze and slowly closed the door.

"The way you opened it was wrong. One more time," Kang Yu frowned.

Feng nongtang nodded, "it must be Yingluo."

The two of them pushed the door open again. The scene inside hadn't changed. The only thing that had changed was that the silly man, Yingluo, was smiling even more foolishly.

The silly man raised his head and said to the two, "you're here. Have a seat!"

The two of them walked over and sat down mechanically. Feng nongtang was completely dumbfounded. He didn't know how to accept the current scene because Yingluo's eyes and brows looked too similar to that silly man.

Kang Yi's heart was able to take more damage."Liancheng Yazhi?"

He couldn't believe that the man in front of him was the Liancheng Yazhi he knew. He wanted to call out to him and see if he would agree.

Liancheng Yazhi carried MeowMeow and smiled at Kang Yu.”Does she look like me? My daughter Yingluo is pretty, isn’t she? pretty, isn’t she?”

Kang Yu and Feng nongtang twitched at the same time. They asked in unison, "Who are you?"

After scolding her, Liancheng Yazhi quickly shut his mouth and looked down at MeowMeow. He frowned in annoyance. Oh no, how could he say such vulgarities in front of MeowMeow?

He cleared his throat and said, "ahem, ahem, ahem, ahem, this is my daughter, MeowMeow, the young miss of our Liancheng family!" In the future, all of you uncles must remember to give red packets and gifts during the new year!"

Feng nongtang gulped. we haven't seen each other for many years, have we? " he asked.

That was why Liancheng Yazhi suddenly had a daughter and suddenly became a stay-at-home dad!

Kang Yi stared at MeowMeow. Even though he was cold and hard, his expression and eyes softened a lot. He asked a serious question, ” “Who’s your mother?”

Suddenly, a crisp voice sounded in Liancheng Yazhi's arms. "My mother is Rong Yan!"

After MeowMeow suddenly said this, Feng nongtang and Kang Xi instantly returned to normal from their shock.

If it was Rong Yan, then it would be normal.

they all knew how crazy liancheng yazhi had been for rong yan.

Feng nongtang reached out to touch

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeo

wmeowmeowmeowmeowmeowmeowmeowmeowmeow. Liancheng Yazhi quickly said, ” “You’ve touched countless women with that hand of yours. Don’t touch my daughter.”

Feng nongtang ignored his words and looked at MeowMeow with envy. He sighed heavily. what a big pie you’ve been hit with when you went out? ”

After Feng nongtang finished, he quickly smiled at MeowMeow and said, ” ”

“Can you keep that smile on your face when you’re flirting with girls?” Kang Zhao kicked him.

Feng nongtang coughed and glared at Kang Yu. don’t talk about me. Just don’t scare little MeowMeow with your Hades-like face!

Kang Yu ignored him. He asked Liancheng Yazhi, ” I remember your Liancheng family’s rules, Yingying. Kang Yu didn’t say anything more as everyone knew what he meant.

Liancheng Yazhi’s smile did not decrease at all. Instead, it deepened. He raised his chin slightly and said with a touch of disdain in his eyes, ” “that’s the old man’s rule, not mine!”

Feng nongtang scratched his head. that’s ‘Zi’.

Kang Yu pushed Feng nongtang’s face away and asked Liancheng Yazhi, ” “what do you want to do?”

Liancheng Yazhi reached out and used his sleeve to gently wipe away the water on the side of MeowMeow’s mouth. He said in a volume that the three of them could hear, ” “I’ll marry her!”

.....

Chapter 472 I should have married her three years ago

“what?” both kang yu and feng nongtang asked at the same time.

From the moment they pushed open the door until now, Liancheng Yazhi had been throwing bombs at them non-stop. The two of them could not believe their ears.

Was it true that Liancheng Yazhi had said ‘marry’?

He actually asked Yingluo to get married!

Had aliens invaded the earth, or had this world gone so crazy that they could not understand it?

Liancheng Yazhi looked up at them and said word by word, ” “I’ll ... Marry ... Her!”

He lowered his head and looked at MeowMeow with a gentle gaze.”I should have married her three years ago!”

if he could predict what would happen later, he would have married rong yan without hesitation three years ago. there would not have been a three-year separation. he could have also seen his daughter’s birth with his own eyes and not let rong yan suffer so much.

The moment he saw Rong Yan at the airport, the things that Liancheng Yazhi had not thought through for three years were finally clear to him.

He couldn’t leave her, couldn’t leave, couldn’t leave Yingluo.

perhaps liancheng yazhi still didn't understand what the love that people talked about was. he didn't know what it meant to love someone.

Liancheng Yazhi felt that he was more like suffering from a disease, a disease called "you will die without Rong Yan.

For the past three years, he thought that he had been Living a Good Life after 'forgetting' his appearance. However, his heart was rapidly aging and had lost his appearance. His heart was no longer alive!

so, this time, he had finally found her. he would never let her go.

now, rong yan had already given birth to a daughter for him. if he didn't want to be his wife, what else could he be?

Liancheng Yazhi also wanted to give

Whoever dared to object would be going against him.

I want more

He would tie Rong Yan down so that she could not go anywhere in her life and could only stay by his side.

he would use his child, his marriage, and all the means he could use. he would do anything, at all costs.

He would put his surname before her name.

From then on, everyone who heard her would know that she was Liancheng Yazhi's woman.

– Liancheng rongyan

Feng nongtang and Kang Yu were dumbfounded for a long time.

Feng nongtang stretched out his hand and waved it in front of Liancheng Yazhi's eyes."Young master ya, have you thought things through? Is your brain still clear?"

Liancheng Yazhi kissed

Liancheng Yazhi's expression was so gentle that he could drown. my mind is more clear than ever. This is the happiest decision I've made since I was young.

Feng nongtang decided to persuade Liancheng Yazhi one last time, " " young master ya, getting married isn't that fun. after getting married, there are really all kinds of bad things. look at me and master sheng. they're living examples! "

Kang Yu's face darkened and he kicked out.

Liancheng Yazhi warned the two of them, " "Don't be violent in front of my daughter. If you want to beat someone, beat them outside."

The next second, he stood up with MeowMeow in his arms. "I invited you here today to tell you that I, Yueyue, am getting married. You guys should prepare what you need to prepare and free up your time."

Chapter 473 The truth is exposed!

On the way back, "You're the best!"

"Why?" Liancheng Yazhi was instantly overjoyed.

"They're so silly!" MeowMeow pouted.

Liancheng Yazhi laughed out loud. His laughter was filled with unprecedented joy.

The driver carefully looked at the rearview mirror.

Young master ya, who was in the back seat, was carrying a little girl. The scene was so heartwarming that even an unmarried man like him wanted to get married and have children.

.....

On the other hand, Secretary Zhou had just received a fax.

A few minutes later, after he finished reading the fax, Secretary Zhou sat down on the chair, and the pieces of paper filled with dense words fell to the ground.

on the first page, the first two sentences were written as such.

[meowmeow, two and a half years old, female, congenital heart disease patient!]

—

the first thought that came to secretary zhou's mind was: sad, very sad. miss

Although he had only seen MeowMeow once, Secretary Zhou couldn't imagine how sad he would be if Yingying was no longer around.

But then, Secretary Zhou thought of a second thing.

They found miss MeowMeow and her mother less than two days after she was discharged from the hospital. Wasn't this timing too coincidental?

only now did secretary zhou suddenly realize that this time, the process of them finding rong yan had been too smooth.

Three years ago, young master ya couldn't find miss Rong even after using so much power, and she had been hiding in country w for three years without being discovered by them. Why was it so easy to be photographed at the airport this time?

Secretary Zhou shivered. He now had a guess.

Perhaps miss Rong took the risk when meowmeowmeow was sick and the hospital couldn't do anything about it. She deliberately revealed her information so that they could find her and then took the opportunity to return to young master ya's side.

Of course, her target was not young master ya. If miss meowmeowmeowmeowmeowmeowmeowmeowmeow was healthy, miss Rong would probably come back for the rest of her life.

Miss Rong valued the power in young master ya's hands because he could help miss MeowMeow find the best heart disease expert in the world and provide the best medical conditions.

So, huhu

That was why miss Rong came back. She was willing to come back because she couldn't bear to see her daughter in trouble.

However, if young master ya were to find out about this reason, he would be very sad.

he had finally found the person he had missed for three years, but in the end, he had been used!

But-

From a different perspective, miss Rong was not wrong!

How much courage did a woman need to withstand a man's sadness and calmly find the best way for her daughter to survive in this situation?

When you can understand her, all that's left is to be touched and admire her!

secretary zhou muttered to himself,"what should we do now?" What if I tell young master ya that he's angry and doesn't care about miss MeowMeow? But if you don't say Yingluo "

Suddenly, Secretary Zhou's phone rang as if he had been frightened. The ringtone was specially set for Liancheng Yazhi.

Secretary Zhou was so shocked that he fell from his chair. His knee hurt from the impact, and he quickly picked up the phone.

Liancheng Yazhi's voice came from the phone. Secretary Zhou, find a few reliable jewelry designers to design a pair of wedding rings for me. Also, find a wedding dress designer.

Chapter 474 I am very happy, I am very blessed

secretary zhou was stunned. he doubted his ears. wedding ring? Wedding dress?

Something's not right, he must have called the wrong number!

secretary zhou quickly looked at the phone. the caller id on the screen was indeed young master ya. Could young master ya's phone have been stolen?

Secretary Zhou asked,"young master ya?" Is that you?"

It shouldn't be. Probably not. How could it be?

Marriage? how is this related to young master ya?

On the phone, Liancheng Yazhi, who was constantly telling Secretary Zhou to prepare various matters, suddenly stopped. He was silent for a while before he asked coldly, "Secretary Zhou, what do you want to do?"

Secretary Zhou quickly shook his head. ahem, I'm not thinking of anything. Young master ya, I'll definitely do what you asked me to do. Don't worry, after I find the jewelry and wedding dress designers, I'll show you their design sketches and let you decide!

I might not have much time to go to the company in the next two days. You have to be more careful.

"Okay, okay. Don't worry, I'll arrange all the work properly and won't let you have any worries!"

"That's all for now. Call me if you need anything!"

Seeing that Liancheng Yazhi was about to hang up the phone, Secretary Zhou quickly stammered and shouted, ” “Yaya, Yaya, young master Yaya, Yaya!”

Liancheng Yazhi’s hand, which was about to hang up, stopped and asked,”Yes, Yingluo, what’s the matter?”

Secretary Zhou was usually a sharp-tongued person when he spoke at work. He would not say any nonsense. It was rare for him to stammer like this!

secretary zhou’s hand was digging at the corner of the table. he opened his mouth and said silently,’young master ya, i want to tell you something, wanwan’.

But in the end, Secretary Zhou still raised his hand and pinched his face hard. ah, Qianqian, No. She’s not as cute as miss meowmeowmeowmeowmeowmeow. You must be very happy. Congratulations!

Liancheng Yazhi’s low and rich laughter came from the other end of the phone. Even through the phone, one could hear how happy he was at the moment. It was the kind that came from the heart. Every cell in his body was saying that he was very happy, he was very blessed!

Secretary Zhou had followed Liancheng Yazhi for so many years, but this was the first time he had heard him laugh so happily.

He thought about what he had just seen and heard young master ya’s laughter. Secretary Zhou felt a little sad and sad. He didn’t know what to do next to be good for miss Rong, young master ya, and miss MeowMeow!

In response to Secretary Zhou’s congratulations, Liancheng Yazhi said, for the first time, ” “Thanks!”

The phone hung up, and the screen flickered a few times before it finally went black.

secretary zhou sat in the chair for a while, then bent down to pick up the pieces of paper. he took them to the shredding machine and wanted to put them down, but he put them back before he put them down. in the end, he turned to the bathroom, lifted the toilet lid, and took out a lighter from his pocket.

He set the papers on fire. Since he wanted to destroy the evidence, he could not leave any traces!

The white paper turned into black ashes and fell into the toilet. As Secretary Zhou pressed the button, it was all flushed clean!

Secretary Zhou sighed, turned on the tap, and splashed some cold water on his face. He looked at himself in the mirror and scratched his head hard.

I’m really panicking doing this!

Miss Rong, you must have a divine weapon that can comfort young master ya!

God, please, please, please, please, please, please, please, please, please, please!

I hope I’m doing the right thing!

Chapter 475 Mother, I think father is still the best

Rong Yan was curious and looked over.

she really didn't know if there was a natural closeness between father and daughter, or if liancheng yazhi had used some special method in the two hours she was asleep to make meowmeow play so well with a 'stranger' on the first day they met in such a short time!

After seeing Rong Yan, MeowMeow quickly waved her hand. “mommy, mommy, yingluo!”

“Put MeowMeow down first. I’ve had a good rest. I’m not that tired.” “Where did meowmeowmeow go?” Rong Yan asked with a smile.

After she finished speaking, she scratched Liancheng Yazhi's hair again and smiled until her eyes turned into two small crescents. mommy, I still think daddy is the best, ran ran.

No one expected MeowMeow to suddenly say the word ‘daddy’. Previously, Liancheng Yazhi had taught her so many times, but she was not willing to open her mouth even once. But now, she suddenly said ‘daddy’.

Rong Yan wanted to confirm it and asked softly, ”

Meowmeowmeowmeowmeow called out again, "daddy, Huahua." She rested her chin on Liancheng Yazhi's head and asked with her head tilted, "Mommy, isn't it daddy?"

liancheng yazhi's voice was trembling, and his arm that was holding

As long as she could call him that, he was willing to do anything for her.

I'll only call her if she wants me to!

Rong Yan burst into laughter under the uneasy gazes of MeowMeow and Liancheng Yazhi's expectant eyes. that's right. You're right, Huahua. Look, he's your father? Are you happy to play with daddy today?"

"When a child was young, they would think that their father was a superhuman and omnipotent.

Chapter 476 The whole family is on a trip tomorrow!

A child's world was very simple. She might not know what it meant to be a father and what the relationship between the man she had just met today was.

Children had naturally sharp instincts. She could sense who was good to her and who was bad to her.

This man who treated her well was different from her mother. He could lift her up and let her sit high. In her eyes, he was Superman!

Liancheng Yazhi was so happy that he smiled foolishly. He hugged MeowMeow and spun around. Then, he also hugged Rong Yan in his arms and lowered his head to kiss both women on the face. At this moment, he was willing to die of happiness!

this time, when meowmeow saw liancheng yazhi kissing rong yan, she only pouted but did not have an extreme reaction!

Liancheng Yazhi's happiness was not a pretense, which made Rong Yan feel a little more at ease. She had to find the most suitable time to tell him by tomorrow at the latest!

Although Rong Yan wanted to tell Liancheng Yazhi immediately, he was too happy now.

When a person was too happy and excited to speak, if you suddenly told him that all this happiness was actually an 'illusion', that the daughter you had just met actually had congenital heart disease, and that Yingying might not even live to be an adult, after this extreme ecstasy, you could imagine what kind of impact it would have on a person. It was possible that Yingying would hate MeowMeow.

Therefore, Rong Yan wanted to let Liancheng Yazhi's excitement from the first day subside a little. She would talk to him properly tomorrow after he had calmed down a little. This was safer.

Although Rong Yan was smiling in front of MeowMeow and Liancheng Yazhi, she was under an unprecedented amount of pressure!

It was not difficult to return to Liancheng Yazhi's side, but how to tell him the truth was the real problem!

liancheng yazhi suddenly said to rong yan,"let's take meowmeow to the amusement park tomorrow?"

He had seen many parents bring their children to the amusement park to play, and it was said that children loved it there the most.

Rong Yan's heart tightened, and her smile was a little dry.

lian Cheng yazhi wanted to try it. meowmeow was still young, and she was also a delicate little girl. those things were too challenging to the heart and were not good for the child. he would play with them when she grew up, so he quickly said, " " then let's not play roller coasters or drop machines. take her to the merry-go-round, which is not intense and suitable for young girls. "

Rong Yan thought about it for a while. Going to the amusement park to play and make their relationship more harmonious might have less impact if she told the truth. Rong Yan nodded. "Alright, Yingluo."

Lian Cheng Yazhi was as happy as a child, and his smile was so similar to MeowMeow's. He secretly kissed Rong Yan on the cheek again. "Give me a moment, I'll make a call."

He took out his phone and quickly dialed a number.

Rong Yan heard him say, "hey, manager Zhao, the amusement park won't be open tomorrow. I'm taking my daughter there to play!" Presale tickets? I'll give you a double refund, and you can decide how to settle it. My only request is that if I see anyone inside tomorrow, you can go home directly!"

After hanging up the phone, Lian Cheng Yazhi immediately put on a gentle smile. alright, let's go to the amusement park tomorrow. You two have a good rest today!

.....

Chapter 477 an oath of eternal loyalty!

When it was time to go to bed at night, a difficult problem came.

How to sleep? Who's with who? do you want to have separate rooms?

She gave

Lian Cheng Yazhi walked in in his pajamas. He lay beside Rong Yan and hugged her skillfully. He lowered his head and kissed her cheek gently.

Rong Yan reached out and slowly pushed Lian Cheng Yazhi away. She looked at him seriously. I know that the Lian family doesn't allow illegitimate children. How do you want to deal with meowmeowmeowmeowmeow? "

Lian Cheng Yazhi squatted in front of Rong Yan and grabbed her hand, placing it on his heart. " i won't let anything happen to you and your mother. i'll protect you and watch over you. from now on, leave everything to me. you just have to be a happy mother. " Of course, Lian Cheng Yazhi silently added in his heart, " And to be a happy wife!

Rong Yan's eyes were sour. That year, on the eve of the New Year's Eve, Lian Cheng Yazhi had also been so gentle to her, so gentle that she almost lost herself.

"Can I still trust you?" she asked in a hoarse voice.

Lian Cheng Yazhi kissed her eyes and reached out his tongue to gently lick the bitter tears that flowed out of the corners of her eyes.

He kissed her eyes and said, " I'm sorry. I made you sad.

"I'm sorry, I've let you down." He kissed her on the lips.

He kissed her on the chest where her heart was beating. “I’m sorry for making you suffer so much, Yingluo.”

He hugged Rong Yan like he was holding a fragile treasure. I will use my actions to tell you whether I'm worthy of your trust in the future.

The all-powerful Liancheng Yazhi in the imperial capital apologized three times in a row, making the tears in Rong Yan's eyes surge even more. She was really about to be defeated by him again!

Liancheng Yazhi covered her with the blanket. you're too tired today. Sleep well. We still have a lot of time in the future! Although I really miss you, I'm not that much of a beast!"

Rong Yan's tear-streaked face broke into a smile. "Oh, really? What you're saying is a bit fresh!"

perhaps after not seeing him for three years, liancheng yazhi had really changed a lot. he would not have been like this in the past!

sleep well, Yingluo. Liancheng Yazhi patted her back.

After Rong Yan and

A family of three sleeping on the same bed. Just thinking about it made him feel happy. A few days ago, he would have never thought that happiness would come so suddenly and so quickly.

now, rong yan was lying beside him. even without the little bear, he could fall asleep.

However, in the middle of the night, Liancheng Yazhi suddenly woke up. He got up from the bed and quickly looked beside him. Fortunately, his daughter and future wife-to-be were both there!

Liancheng Yazhi's long arms reached out and pulled his mother and daughter into his arms!

But when he woke up in the middle of the night, Liancheng Yazhi actually had no intention of sleeping anymore.

Liancheng Yazhi turned on the bedside lamp, dimmed the light, and then slowly sat up.

he gently lifted the blanket and revealed the mother and daughter's bodies. then, he knelt on one knee at the end of the bed and kissed rong yan and meowmeow's big and small feet.

With the most devout attitude, he lowered himself to the dust, abandoned his dignity and pride, and made an oath of loyalty to the mother and daughter that would never change in this life!

if you see the completion notification, don't panic. It's just a stroke. Just refresh it a few times! This book isn't finished, ha!

Chapter 478 you'd better call her miss

The next day, when Rong Yan woke up, there was only her younger daughter snuggling up in her arms. Liancheng Yazhi was nowhere to be seen. She touched the place where Liancheng Yazhi had been lying. It was already cold. It seemed that he had been up for a long time.

Rong Yan sat up halfway and looked at

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

wanted to say those words to make Rong Yan back off and get out of here. Who would have thought that Rong Yi would be so merciless and ruin his old face?

Chapter 479 The torn truth

Secretary Zhou's voice suddenly came from the door. "is young master ya in?"

Rong Yan's face changed into a smile, as if nothing had happened. She said, " Oh, he went out. Didn't he go to the company? "

After saying that, he turned around and smiled at the Butler, " "Butler, could you please ask the kitchen to prepare some food?"

Secretary Zhou glanced at the Butler and shook his head. "No, there's an urgent document in the company that needs young master ya's signature. That's why I came over."

he didn't go to the office. Maybe he went out for something else. Why don't you give him a call? "

"there's no need for that. since young master ya isn't home, i'll go back first. perhaps young master ya has returned to the company." Secretary Zhou wanted to leave, but she turned around and stopped. I think I'll wait for young master ya here. I don't think he'll go to the office. He said yesterday that he won't go for the next two days.

"Sure." Rong Yan nodded.

Secretary Zhou adjusted his glasses a little embarrassedly and asked, " miss Rong, can I go and see miss MeowMeow? "

Rong Yan was stunned for a moment before she quickly regained her senses. you can, but she's still sleeping, so you have to be gentler. You don't know how angry she is when she wakes up in the morning. If she doesn't wake up on her own, she's very difficult to deal with.

"Alright, alright, I'll be gentle." Secretary Zhou followed behind Rong Yan.

Secretary Zhou pushed open the bedroom door and walked in quietly. He stood by the bed and saw After looking at it for a while, Secretary Zhou said to Rong Yan in a low voice, " "Miss Rong, can we talk for a while?"

He had said that he wanted to go upstairs to see MeowMeow. Although it was the truth, it was also an excuse.

He couldn't calm down after receiving the fax yesterday. He felt that it was necessary to talk to Rong Yan. Now that young master ya wasn't here, it was a good opportunity!

Rong Yan was a little surprised. Secretary Zhou wanted to talk to her?

"Can we go to the next room?" she nodded.

.....

Next door, Secretary Zhou took off his glasses and pulled at his hair. He was a little troubled as to how he should start.

Secretary Zhou struggled for a while before putting on his glasses again. miss Rong, I received a fax from country W yesterday. I already know why you suddenly brought miss

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow

wmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

"Thank you," Rong Yan nodded.

“Please, contact the hospital’s ward and the doctor first. I’ll tell him about this today, Hanhan.”

Chapter 480 I'm sorry to have lied to you!

There was a bouquet of bright red roses on the ground. The bright petals were scattered all over the ground, and there were even dewdrops on them!

This was the first time in his life that he had ‘betrayed’ young master ya. Why was he so lucky to be caught red-handed? it wasn’t the most important thing now that he was done for. What was important was how young master ya would treat miss Rong and miss MeowMeow after he found out!

She didn't expect that under such circumstances, she would use such a method to let Liancheng Yazhi hear her. Really, man proposes but God disposes!

Secretary Zhou shivered and said,"Y Y Y young master Y Y Y Y Y Y Y Y Y Y Y Y Y Y Y Y Y
Y
Y Y

Although his voice wasn't loud, it was enough to intimidate Secretary Zhou. He didn't dare to say a word, and his two legs were shaking like screening chaff.

Although he might die a worse death if he said it, and although it might not have any effect after saying it, Secretary Zhou still said it.

Liancheng Yazhi was really calm. The ecstasy in his heart was only left with the pain of being drenched in blood. It was so painful that he was already numb and did not even have the ability to think!

He was just like that bouquet of roses. When his mood was at its most brilliant, he was suddenly crushed without any warning!

He had missed her for three years, missed her for three years, and could not leave her for his entire life. The woman who would die if he left, and she had returned this time just to be used? Did she not have a place for him in her heart?

He finally found his voice and asked, "Rong Yan, tell me what's going on."

Rong Yan raised her head and looked at Liancheng Yazhi.
