

Chapter 491 Baby, look at how powerful you are!

Rong Yan didn't want to say it at first, but Liancheng Yazhi's words made her suddenly understand that in this family, the only person she could rely on was Liancheng Yazhi. She had to tell him everything. Otherwise, what if something happened? she couldn't risk meowmeow.

Rong Yan nodded and told Liancheng Yazhi the truth. there's Qianqian, but that means that I can forget about you, tall, rich, and handsome. Also, Qianqian is suspecting whether MeowMeow is your biological daughter. She didn't say much about other things.

liancheng yazhi's face darkened. in the past few years, as he had become more mature and steady, the terrifying aura on his body had also become thicker. he sneered. "You're getting more and more muddled as you get older! I originally wanted to let him live here for the rest of his life on the account that he has worked for the Liancheng family for so many years. Since he doesn't want to, I'll find him a good place."

Rong Yan saw that Liancheng Yazhi's expression was scary and that his words were also so gloomy as if he wanted to kill her. She asked, "What do you want to do, Yueyue? He probably just can't stand a woman like me, so he didn't say that his illegitimate child would be dealt with."

Liancheng Yazhi quickly retracted his murderous aura and kissed Rong Yan's cheek. don't worry, it's not a crime of killing and robbing. It's just that he's no longer suitable to stay in the Liancheng family.

If the Butler dared to say that the illegitimate child could not survive, then it would never be about sending him to live out his retirement.

when he dealt with his father's illegitimate son that year, liancheng yazhi could already remember. he knew that from the beginning to the end, it was the old butler who did it.

Therefore, he would never allow his daughter to be in any danger.

After Rong Yan heard it, she really felt a little guilty because she had told Liancheng Yazhi those words and he had decided to do this.

However, Rong Yan wasn't Mary Sue. When it came to the safety of a Butler and her daughter, she chose the latter without hesitation.

Since the Butler had that intention, he would not let it go so easily.

in that case, she could only strike first and gain the upper hand. she didn't want to be soft-hearted for a moment and her daughter would be the unlucky one in the future!

As Rong Yan walked, she asked the question in her heart, " I've always wanted to ask you.

Liancheng Yazhi chuckled. let's put this aside first. I'll tell you something else, do you know? you've broken the record for the liancheng family."

"What record?"

" don't you know? " liancheng yazhi spread his hands. " didn't you realize that ding danbo of the liancheng family doesn't have a daughter at all? "

Rong Yan let out an "ah". if you didn't mention it, I really wouldn't have realized it. You don't have any sisters, and your father doesn't seem to have any either. Why? It's not like a daughter will affect a boy's right of inheritance."

In fact, in the past generations of the Liancheng family, you would find a very strange phenomenon. Five generations ago, there had never been a daughter. In other words, the Liancheng family had not had a daughter for more than a hundred years.

The daughter that Rong Yan had left behind was the first precious little princess that only appeared after several generations.

Liancheng Yazhi said, "this is like a curse for the Liancheng family. It could also be a pure coincidence. Every patriarch has a son after marriage! So, after giving birth to a boy, there was no need to give birth anymore, so they stopped the birth of a daughter. Baby Yingluo, look at how amazing you are, giving birth to the first princess of our Liancheng family in a hundred years!"

Rong Yan's face turned red. don't talk nonsense. Go back quickly. If meowmeowmeowmeow wakes up, I'll let you, the new father, coax her to sleep.

Chapter 492 I can't sleep without it

If MeowMeow woke up in the middle of the night, it would be difficult to coax her to sleep, which was a headache for Rong Yan.

Liancheng Yazhi patted his chest and promised. sure! Leave the coaxing of our daughter to me.

rong yan smiled and didn't say anything. that was good, but huahua would have a headache in the future!

however, there were some things that liancheng yazhi didn't tell rong yan, afraid that she would feel pressured again. he didn't care if others said that girls had no right to inherit, but his daughter could still inherit everything in the liancheng family in the future.

Aiya, speaking of the future, Liancheng Yazhi suddenly thought of the future that was very far away.

His daughter was going to get married in the future, so he had to prepare more dowry for her so that she would not be looked down upon by her mother-in-law's family.

Rong Yan felt that something was wrong with Liancheng Yazhi and pinched him."What do you want to do, Yueyue? Why do you have such a fierce expression?"

Liancheng Yazhi sighed. it's okay, Zhenzhen. I'm just thinking about which boy will marry our daughter in the future!

Rong Yan rolled her eyes at him. it's still early. You're really thinking too much. What you're thinking about now is how to cure MeowMeow.

"Don't worry, MeowMeow's body will be fine!"

The two of them returned to the bedroom as they talked. MeowMeow was still sleeping soundly, with the little bear in her arms. Her little face was red, and her little mouth was slightly open. She looked like she wanted to give him a big kiss.

Rong Yan kissed MeowMeow's cheek and turned to ask Liancheng Yazhi, "Why did you keep this Little Bear Pixiu?"

Liancheng Yazhi reached out and hugged Rong Yan, who was lying on her shoulder. He took a deep breath of her body and said in a muffled voice, "I can't sleep without it for the past three years."

Liancheng Yazhi's voice was like a big boy's, with a trace of grievance.

Rong Yan's heart felt stuffy when she heard that. In fact, in the past few years, Liancheng Yazhi's life might not have been as good as hers.

Rong Yan slowly turned around and raised her hand to touch Liancheng Yazhi's cheek. She smiled and said, "ah, Yingluo, is that so? then, I'll get

Liancheng Yazhi quickly hugged him. no, I can sleep better with mommy Little Bear in my arms!

After he finished speaking, he closed his eyes and, like a child, placed his face on Rong Yan's soft chest. He subconsciously rubbed it a few times. Yingluo's mother's place is the most comfortable. It's even softer than before.

rong yan's face immediately turned red from his words. she grabbed liancheng yazhi's ear and tried to pull him away.

Liancheng Yazhi did not leave. He even said, "Shh, lower your voice. Don't wake MeowMeow up. Go to sleep.

he muttered in his heart, no wonder meowmeow was so good at scratching her ears at such a young age, so the root of the tadpole was here!

Rong Yan gritted her teeth. A cultured pervert was too hateful.

Liancheng Yazhi's thick skin made Rong Yan helpless and she could only let him be. Anyway, he was just taking advantage of her and didn't dare to be serious.

It wasn't until Rong Yan's even breathing was heard that Liancheng Yazhi, who had been lying on her chest, opened his eyes. He looked up reluctantly and licked the corners of his mouth greedily. When could he eat it again? it seemed to taste better than before.

Liancheng Yazhi quietly got up and kissed Rong Yan and MeowMeow on their foreheads. He said in a low voice, "Good night, my big baby! good night, my little princess!"

Chapter 493 Protect my wife and daughter

Liancheng Yazhi put on a coat and quietly left the bedroom.

After he left the room, his face immediately turned cold.

He went straight downstairs and knocked on the old Butler's door.

After a while, no one opened the door. Liancheng Yazhi was not in a hurry and continued to knock on the door at a moderate pace. He did not sound impatient at all.

finally, the door opened. the old butler was in his pajamas. when he saw liancheng yazhi, his expression froze for a while and he quickly stood up. "young master qianqian, it's so late. why are you here? if you have any orders, you can just call. there's no need to come here personally!"

Liancheng Yazhi entered the room sideways and sat down on a chair in the room. He then pointed to another chair and said, "Butler, you don't have to be nervous. I just suddenly want to talk to you about something. Sit down."

The old Butler hurriedly waved his hands. no, no, no, no. That won't do. It's the Liancheng family's rule that servants can't sit with their Masters.

liancheng yazhi took out a cigarette and twirled it between his long fingers. he looked at the old butler with a faint smile."Oh, Yingluo, so you also know about the relationship between master and servant."

Liancheng Yazhi's words, which obviously had a hidden meaning, made the old Butler tremble and immediately remember what he had said to Rong Yan!

"what do you think of my daughter?" liancheng yazhi suddenly asked with a smile. "what do you think of her?"

The old Butler shuddered. It seemed that Rong Yan had still complained to the young master. As expected, she was a woman with bad intentions. The old Butler hesitated for a moment before saying, "This, this, this, young master, it's really hard for me to ask this question. Although we live under the same roof, we've never come into contact with each other, so it's hard to say!"

A smile of understanding appeared on Liancheng Yazhi's face."Tsk, tsk, tsk, you're not even willing to call me young miss."

The old Butler was shocked. young master!

what's the matter? does the Butler have a problem with my daughter?"

"Young master, I, I'm Yingluo."

Liancheng Yazhi took out a check and threw it on the table. if you have any objections, you can take it to the underworld and tell the ancestors of the Liancheng family that passed away. On account that you've worked for the Liancheng family for decades, I'll be lenient on you. Pack your things and there will be a car to take you away after dawn.

The old Butler suddenly threw caution to the wind and knelt on the ground with a plop. young master, you can't ignore the Liancheng family's rules that have been in place for so many years for the sake of that evil woman, Rong Yan. An illegitimate child must not happen. Besides, you haven't had a daughter for more than a hundred years. You haven't even done a paternity test. How can you be so cowardly?"

Suddenly, Liancheng Yazhi turned around and threw something on the Butler's head. Then, it exploded with a bang and a ball of fire quickly burned in the air, even burning a lock of the old Butler's hair.

The Butler was so frightened that he screamed and lay on the ground with his head in his hands.

As the fragments of the lighter and the bullet shell fell to the ground, old Guan realized that Liancheng Yazhi had thrown out a lighter. Then, he quickly shot and hit the lighter, which then exploded on his head.

Liancheng Yazhi slowly withdrew the gun. next time, it won't just be a lighter. She's my daughter. I don't need you to criticize her.

Liancheng Yazhi walked to the door and said with his back to the old Butler, " " tell the old man that i'm not him. just because he's useless doesn't mean that i'm as useless as him. he can't protect his son, but i, qianqian, can protect my daughter, qianqian, and my wife! "

Chapter 494 Transformed into a nanny dad!

from the moment liancheng yazhi decided to marry rong yan, the heir of the liancheng family must be rong yan!

"Young master, how can you face the ancestors of the Liancheng family like this?"

liancheng yazhi sneered. " i saw you deal with the old master's son with my own eyes. do you think i'll see you kill my daughter with my own eyes? "

" i'm giving you one last chance. if you don't want to die, then get out of here and enjoy your retirement. "

Liancheng Yazhi had seen with his own eyes when the old Butler had dealt with the child. At that time, his grandfather had said, " yazhi, look carefully. that child is not your brother. he's your enemy. if i agree to let your father take him into the liancheng family, everything you have, including your life, will be taken away by him in the future. you have to remember that from today onwards, don't even trust your father.

He had the heart to find a mistress, the ability to have a son, but the ability to protect him.

This was the saddest thing for the old master of the Liancheng family. It was also the reason why he had a bad relationship with Liancheng Yazhi for such a long time. He felt guilty for his dead child and that woman.

When a man was incompetent but didn't want to admit it, he would vent his anger and push the blame to others.

At that time, he couldn't fight against Liancheng Yazhi's grandfather, so he naturally didn't dare to blame him. The only person he could blame was Liancheng Yazhi because he had taken over the identity of the eldest son. If it wasn't for Liancheng Yazhi, he could have smoothly accepted the mother and son into the family.

When he suddenly thought of these past events, Liancheng Yazhi did not feel any loss or sadness. Instead, it made him more determined to protect Rong Yan and MeowMeow.

For the sake of his wife and daughter, he was willing to make the whole world his enemy.

.....

The next day, after waiting for

Secretary Zhou was the one driving. After getting in the car, Rong Yan said to meowmeowmeowmeowmeow, " "MeowMeow, this is uncle Zhou Yingluo."

"Uncle Zhou, Zhenzhen."

Secretary Zhou suddenly felt as if her heart had melted into water.

With such a younger daughter, how could young master ya not be willing to become a nanny?

Once they reached the hospital,

Rong Yan knew that this was because MeowMeow had gone to the hospital so many times that it had directly left a shadow in the child's young heart. Her heart ached so much that it was almost clenched. On the way, she kept comforting MeowMeow."meowmeow, don't be afraid. it won't hurt. yingluo's mommy will always be by your side. look, yingluo's daddy is here too!"

However, no matter how she coaxed

Liancheng Yazhi watched from the side. This was the first time he was accompanying his daughter to see a doctor. He could already feel the pain and discomfort of having a blocked throat and almost unable to breathe. He did not know how Rong Yan had persisted until now.

Liancheng Yazhi reached out to hug Rong Yan, leaned over, and kissed MeowMeow's cheek. "Baby MeowMeow, don't be afraid. We'll be out soon. This afternoon, daddy will take you to the amusement park, okay?"

—

Chapter 495 You're not allowed to cry when I'm not here!

MeowMeow's eyelids finally moved, but she still didn't have much of a reaction. She buried her little face deeper into Rong Yan's arms, as if as long as she got into her mother's arms, she wouldn't need to feel pain anymore.

Rong Yan shook her head at Liancheng Yazhi with red eyes. It was no use. As soon as she was in the hospital, MeowMeow seemed to have gotten autism.

Liancheng Yazhi's heart ached even more and he almost couldn't breathe. However, in front of MeowMeow and Rong Yan, he couldn't show any signs of abnormality. Otherwise, Rong Yan would be even sadder. He smiled and comforted Rong Yan."It's only an inspection this time. It'll be done soon!"

This time, they had invited the top cardiologists and cardiologists in the country. They were going to do a full-body examination for MeowMeow.

Because some machines have radiation when they are running, it is best if parents are not present during the inspection.

Moreover, some of the examination items were special, and the presence of parents might cause some adverse effects to the examination.

Before meowmeowmeowmeowmeow was pushed into the examination room, she spoke in a weak voice. Her eyes were like those of a desperate rabbit, glistening with tears. She seemed to be begging, "mom, don't leave me. I don't want to go alone. "Mommy, Yingluo."

At that moment, Rong Yan couldn't help but rush over immediately. She hugged MeowMeow and said in the gentlest voice, " " baby, mom is waiting for you here. close your eyes and count the number of little bears. when you count to 100, you can open your eyes and see mom! "

Rong Yan stood up slowly, but one of MeowMeow's small hands grabbed one of Rong Yan's fingers. That small, dough-like hand had no strength at all, but Rong Yan felt that she could not break free no matter what. How could she let go of her daughter? she could not do it.

At this moment, Liancheng Yazhi walked to Rong Yan's side. She looked up and saw that he had already put on the medical staff uniform.

don't worry, " Liancheng Yazhi said to Rong Yan. I'll go in and accompany MeowMeow. Don't worry.

As he said this, he raised his hand and his slender fingers gently pinched Rong Yan's chin. He leaned over and gave her a Peck. don't cry when I'm not outside!

To Rong Yan, the feeling of having someone to rely on and someone to share her worries and fears was unprecedented. It was also the first time that she wanted to rely on this man without using him. rong yan sniffled and nodded.

Liancheng Yazhi bent down and said to MeowMeow, " Meow Meow, come here. Daddy will accompany you. Don't be afraid. No matter where you go, daddy will be with you.

Then, she gently pulled Rong Yan's finger out and replaced it with her own finger.

Her fingers, which were obviously thicker than Rong Yan's slender fingers, gave MeowMeow an invisible sense of security. She closed her eyes, a faint smile on her lips, and called out, " "Daddy, Yingluo"

Liancheng Yazhi accompanied

Because she had to do the most detailed physical examination on MeowMeow, it took a little longer. Nearly an hour made Rong Yan feel that it was even more painful than when she was in labor.

She kept looking at the time. Finally, after a long and unbearable wait, Liancheng Yazhi walked out with MeowMeow, who seemed to be asleep. Rong Yan immediately rushed over."How is it? What's wrong, MeowMeow?"

Chapter 496 Mrs. Liancheng, it sounds very comfortable

Liancheng Yazhi lowered his voice and said, I'm fine. I fell asleep because it took a long time. I came here today to do a checkup first. Everything has to be checked and the cause of the illness has to be determined before we can prescribe the right medicine. Also, those doctors have to analyze the cause of the illness based on today's examination and discuss the specific treatment plan. All of this needs time, at least two to three days before they can come to a conclusion.

After that, a series of doctors began to arrive one after another. There were more than a dozen of them from both local and foreign countries. Some of them were hired at a high price, and some were forcibly brought here. Before they came, they did not expect that they would go through so much trouble to get them here just to treat a little girl.

The director asked the nurses to call the doctors away.

The director stood in front of Liancheng Yazhi and Rong Yan with a fawning smile. He bowed and said, " "Young master ya, Madam, do you want miss to be hospitalized today or a few more days?"

Seeing how well Liancheng Yazhi treated Rong Yan and loved MeowMeow so much, the director thought that Rong Yan was already Liancheng Yazhi's wife.

However, this 'Madam' stunned both Liancheng Yazhi and Rong Yan. It was the first time they had heard such a form of address.

But very quickly, Liancheng Yazhi smiled. Not bad, Madam, Madam Liancheng. It sounds very comfortable, very pleasing to the ear, very good!

Rong Yan felt bitter in her heart. Madam Xuanji sounded a little ironic.

If Liancheng Yazhi didn't marry her, her dignity would never allow her to shamelessly marry him. She had already reached this age, so she would just let nature take its course.

Liancheng Yazhi didn't see the bitterness that flashed in Rong Yan's eyes. He looked at MeowMeow and made a decision. Prepare the ward first. I'll give you two days to renovate the room. It doesn't have the smell of a hospital. It has to be warm and childlike. It has to be a princess room.

also, don't accept any more patients on that floor. The entire floor needs to be decorated to cover up the hospital's smell.

"Yes, yes, don't worry. I'll make sure Miss likes it," the director quickly said.

After the director left, only Liancheng Yazhi's face was left.

"Let's go there and sit down."

Liancheng Yazhi reached out and pinched Rong Yan's chin, looking into her eyes. "Did you cry?"

Rong Yan raised her hand and smacked her hand away. There's no Zhenzhen.

With MeowMeow in his arms and Rong Yan in his other arm, he let her lean on his shoulder. The big baby and little princess in his arms were her whole world.

Liancheng Yazhi was very clear about his sudden change. After being preposterous for so long, it was as if he was suddenly asked about by a punch. He was instantly enlightened and suddenly understood what he really wanted.

In life, power, wealth, fame, and status were all inferior to a lovely wife and daughter!

Liancheng Yazhi placed his hand on Rong Yan's waist, his fingers gently rubbing her. We'll go home in a while and take MeowMeow to the amusement park in the afternoon!

Rong Yan responded, "Good Zhenzhen."

MeowMeow doesn't like hospitals. I don't think we should stay in the hospital if we can. I've decided to let a few doctors and nurses stay at home first. If MeowMeow feels any discomfort, they can quickly rescue her. What do you think? "

Chapter 497 Young master ya, you're getting better at coaxing children

Liancheng Yazhi was already planning to build a small hospital at home to treat a small patient and prepare the medical equipment and medicine for heart disease.

Now, he had learned to ask for Rong Yan's opinion before doing anything. If it was in the past, he would have done it directly and never asked others.

Rong Yan nodded, "alright, I'll listen to you, Yingluo."

Liancheng Yazhi had considered

It seemed that bringing meowmeowmeow back was the right choice because only Liancheng Yazhi could provide her with the best treatment conditions. She couldn't give him all these.

Thinking of this, Rong Yan was a little disappointed.

When Secretary Zhou arrived, he happened to see young master ya holding Rong Yan in his arms. The sunlight outside the window fell on the family of three, as if they were coated with a layer of divine light. The scene was so beautiful that Secretary Zhou did not dare to disturb them. Time was so beautiful.

.....

An hour later, when she returned home, Rong Yan had already lost sight of the old Butler. She understood in her heart that the old Butler had probably been sent away.

at this time, rong yan was no longer in the mood to pay attention to others. her mood was on meowmeowmeowmeowmeowmeow's test report, which would come out in two days!

To Liancheng Yazhi, he would be happy even if he had to hold her for a lifetime. He walked back and forth with MeowMeow in his arms and said to Secretary Zhou, "Remember to find a reliable Butler!"

Secretary Zhou was stunned for a moment but quickly understood. it's Yingluo.

he felt a little regretful. it must be that the old butler didn't listen to his advice and said something he shouldn't have said, which angered young master ya. now that he was sent away, he really couldn't blame anyone else. according to young master ya's temper, he would be very lucky to be alive.

For the sake of miss Rong and miss

It seemed that young master ya was going to break the century-old rule and establish a new order and rule in the Liancheng family.

However, the old master had yet to make a move. This was a hidden worry. There was a good saying, "a centipede dies but never falls down. Qianqian didn't say this for nothing. Otherwise, young master ya wouldn't have started to take precautions so early.

Secretary Zhou smacked his forehead. Oh no, there's something that I forgot to tell young master ya.

He lowered his voice and said, "young master ya, there's something I need to tell you. Look at Yueyue."

Seeing Secretary Zhou's expression, Liancheng Yazhi knew that things were probably not good and it was not convenient for Rong Yan to hear.

Hence, he turned around and carried MeowMeow to look for Rong Yan. After kissing and coaxing her for a long time, he finally handed MeowMeow to Rong Yan.

Liancheng yazhi and secretary zhou walked outside.

Secretary Zhou saw that he was in a good mood, so he was a little braver and said, "young master ya, you're getting better at coaxing children. You've changed a lot!

"Then, do you think it's better now or in the past?" With the arrival of Rong Yan and her mother, Liancheng Yazhi's temper had undergone the greatest change in the shortest period of time. His temperament had also become a lot gentler. When he spoke to Secretary Zhou, the former aura of absolute oppression and absolute royal power had been restrained a lot.

Chapter 498 I'll keep myself pure for you

Secretary Zhou chuckled. right now, Yingluo. young master ya was very happy. Even if he saw the three of them together, he would feel happy. So, right now was the best time!

Liancheng Yazhi raised his eyebrows. Of course, now. tell me, what is it? "

Secretary Zhou quickly returned to work and encouraged himself. Then, he began to say, "young master ya, it's like this. after we checked miss meowmeow's medical records in the hospital, we found some other information."

"What information?" At this moment, Liancheng Yazhi did not care too much.

In the end, what Secretary Zhou said next almost made Liancheng Yazhi want to kill someone.

Secretary Zhou tried to speak in a calm voice, "according to the description of the person who delivered the baby for miss Rong on the day of her delivery, an Asian man appeared there. From the description of his appearance, the man could very well be su mo. Based on this, we also found out that after miss Rong gave birth, he stayed at miss Rong's house for a long time, but for some reason, he suddenly left and never returned.

Secretary Zhou's voice got lower and lower, lower and lower, until it was almost inaudible.

time seemed to have stopped at this moment. the air currents were no longer moving, and the surroundings were terrifyingly quiet.

Secretary Zhou felt the heat in the air being sucked away bit by bit. Then, the cool air slowly invaded his skin, entering his flesh through his pores and flowing into his blood vessels. His blood flow began to slow down, his heartbeat began to slow down, and his body began to shiver.

Secretary Zhou was terrified. Young master ya, the pressure that you're releasing is very scary. Please take it back!

Finally, after a long silence, he heard Liancheng Yazhi chuckling and saying, "Su 'er, su' er, su" he didn't expect su 'er to be here.

He's staying at home, hehehehehehehe

secretary zhou sneaked a glance and quickly lowered his head.

Young master ya was smiling. From the tip of his eyebrows to his eyes to the corner of his lips, every muscle on his face was sending out the message that he was ‘smiling’.

however-

He gulped down a mouthful of saliva and was so scared that he almost peed his pants. After hearing the news, which was almost equivalent to being ‘cuckolded’, young master ya could still smile in such a devilish manner. This was even more terrifying than him being angry and terrified!

What was even more terrifying was that this was only the first one. There was still the second one!

Secretary Zhou bit the bullet and said, “there’s still Yingluo.”

“there are more?” These two words were almost said through gritted teeth.

Secretary Zhou felt that young master ya was about to come and bite his bones. He shivered and said, “when miss rong first settled down in country W, a mixed-race man often appeared to accompany her for her prenatal examinations until the sixth month of her pregnancy. however, yingluo never appeared again after that! i heard from the two aunties who took care of miss rong that the man’s name is Seven.”

This time, Liancheng Yazhi did not laugh silently. He laughed out loud, and in the next second, his voice was extremely cold. “How many more of you can say it at once!”

secretary zhou quickly shook his head. “no, there’s really no more. uh, hehe.” under liancheng yazhi’s murderous gaze, secretary zhou stammered. well, in the hospital that miss Rong often goes to, there are two male doctors who have feelings for Hanhan and miss Rong. But it’s useless!

Liancheng Yazhi’s smile grew deeper.

Very good, very good, Yingluo rongyan, you’re amazing. When I was keeping myself pure for you, you had a lot of luck with women abroad.

Chapter 499 Amen, miss Rong!

Looking at Liancheng Yazhi’s ghostly smile, Secretary Zhou felt a cold wind blowing on his neck.

Secretary Zhou muttered in his heart!

Miss Rong, Amen!

Although young master ya’s temper had improved a lot recently, his over-possessiveness and the domineering characteristic of the Liancheng family did not diminish. Instead, it only intensified. Young master ya was a Lion who liked to eat alone. If anyone dared to provoke him in his territory, he would make sure that the other party would not even have a corpse left.

As for miss Rong?

young master ya probably couldn’t bear to give him any other punishment. it would be fine as long as he did it seven times a night a few more times.

Secretary Zhou knew that this was probably the reason why he dared to tell Liancheng Yazhi about this.

Liancheng Yazhi slowly put one hand on Secretary Zhou's shoulder. He looked at him and said softly, "Find out what Su Yue has been up to recently! Also, find out where that half-blooded guy is now."

Secretary Zhou felt that the hand on his arm was a sharp blade that could cut off his neck. Also, young master ya, please don't use such a perverted way to talk to others. It's very scary!

He might as well smash things and curse!

Secretary Zhou nodded, "yes, yes, ran ran."

"master ya, qianqian, don't worry. the auntie who works for miss Rong said that miss Rong didn't have any intimate relationship with them. she didn't even hug them. so, qianqian, don't worry. you're not a cuckold."

then, Liancheng Yazhi's face turned cold and he denied it. "Get lost!"

Secretary Zhou pouted. Young master ya just said that your temper is better. What? there's no change at all!

After Secretary Zhou left, Liancheng Yazhi stood in the courtyard and took a few deep breaths. He suppressed the urge to kill and suppressed all his anger to the bottom of his heart to ensure that it would not come out before he walked in!

In the end, as soon as he entered, he saw Rong Yan's beautiful appearance, and all the preparations he had made were in vain. All his anger was about to erupt again.

Especially when he thought of Su Yu, that b * stard who couldn't be appeased even if he killed him a thousand times. He actually stayed at Rong Yan's house for such a long time and even watched over his daughter's delivery day. The hatred, sourness, and bitterness in Liancheng Yazhi's heart all boiled in an instant.

He really wanted to run to Rong Yan and ask her loudly, 'what's wrong with Su Yu? And what's with Seven?

Liancheng Yazhi thought hatefully of this damn woman. He had explained everything, but she refused to say anything!

There was Su Yue, a foreigner called Seven, and a few doctors.

Sure enough, if his woman didn't follow him, there was a danger of her being stolen away in the blink of an eye.

Liancheng Yazhi gritted his teeth. from today onwards, he would never let any unknown object that looked like a man get close to Rong Yan.

As Liancheng Yazhi thought of ways to prevent men from getting close to Rong Yan in the future, he meowed, "daddy! she called Liancheng Yazhi's soul over.

Liancheng Yazhi shuddered and immediately responded, "Little princess, why did you call daddy?"

Meowmeowmeowmeow's 'daddy' made Liancheng Yazhi suddenly understand something. So what if Su Yu and that Seven were being very attentive to Rong Yan?

That afternoon, meowmeowmeowmeow ate a lot of food for the first time. In the afternoon, Liancheng Yazhi took the mother and daughter to the amusement park.

There were still some things in the amusement park that he had asked people to decorate that day. Seeing those, Liancheng Yazhi sighed with emotion that he had almost proposed to her that day.

He touched the ring that he had always carried with him in his pocket. Liancheng Yazhi decided to give up first. It was too noisy and the decorations were not comfortable!

So, the proposal had to be pushed back for the time being!

The three of them were like an ordinary family of three, having a great time under the envious gazes of many people around them.

They mainly chose some activities that were not very active, but were fun and suitable for children for MeowMeow to play.

When they were about to go back, MeowMeow asked for one last ride on the merry-go-round.

Rong Yan and Liancheng Yazhi stood below and walked around the wooden horse, so that meowmeowmeowmeowmeowmeow could see them at any time.

Liancheng Yazhi's hand secretly wrapped around Rong Yan's shoulder and he suddenly asked, "baby, do you think I'm more manly or do you think the men from country W are better looking?"

Rong Yan looked at him with a look of disdain, as if she was saying that he was an idiot to actually ask such a question.

Liancheng Yazhi instantly shriveled up. Alright, he really should not ask this idiotic question. He was losing confidence.

After playing in the amusement park for the whole afternoon, MeowMeow fell asleep very quickly at night. She opened her little mouth and snored from time to time. She slept like a little pig.

Rong Yan lay down and closed her eyes to sleep as usual, but behind her, Liancheng Yazhi's eyes were like a lion looking for food in the night, flashing with a cold light.
