

Permit Me 501

Chapter 501 What's wrong with you?

Suddenly, Liancheng Yazhi reached out and lifted Rong Yan up, taking big strides to the bathroom.

Rong Yan instantly sobered up in a daze. When she opened her eyes and saw that she was being carried on Liancheng Yazhi's shoulder, she turned pale with shock and said in a low voice, "What are you doing? what are you doing in the middle of the night? put me down."

"Be honest!" Liancheng Yazhi raised his hand and smacked Rong Yan's chubby butt.

Rong Yan kept quiet. She hadn't been beaten like this for many years. She suddenly thought of how Liancheng Yazhi had carried her on his shoulder and beaten her.

Rong Yan blushed. What was this bastard Liancheng Yazhi doing in the middle of the night?

Liancheng Yazhi kicked the bathroom door open and kicked it again after he entered!

Rong Yan swallowed her saliva. Liancheng Yazhi's gaze was too scary, as if he could swallow her whole, leaving nothing behind. She slowly leaned back, trying to break free from the restraint of Liancheng Yazhi's gaze. With a guarded expression, she asked, "Liancheng Yazhi, what are you doing in the middle of the night?"

Liancheng Yazhi placed Rong Yan on the sink and stood in a position that both of them were very familiar with. When Rong Yan saw him like this, she suddenly became nervous. She could not help but think of what happened a few years ago and instantly felt embarrassed.

The evil charm on Liancheng Yazhi's face melted away. His slender fingers, which were as perfect as a pianist's, slowly landed on the buttons of his shirt, and his eyes were fixed on Rong Yan. "Silly girl, it's only been three years since I last saw you. Why aren't you as smart as before? at this time, what are you talking about Yingluo doing?"

The buttons were unbuttoned one by one, revealing her fair and firm chest that contained endless power. She had known how sexy Liancheng Yazhi's body was since three years ago. She was even more clear and knew what kind of direct feelings he could bring to her.

especially at this moment, this bastard's action of taking off his clothes was so devilish and seductive that it really made people want to pounce on him!

Under Liancheng Yazhi's bewitching eyes, he smiled evilly and opened his thin lips to say slowly, "Of course ... I love you!"

Hua. Rong Yan's face immediately turned as red as fire. After raising

Rong Yan put her hands behind her back and tried to force Liancheng Yazhi back with a fierce look. She glared at him and said, "Liancheng Yazhi, I'm warning you. MeowMeow is still outside, don't you dare mess around!"

However, Rong Yan did not know that she was now like a hibiscus with a peach-like face. There was a touch of shyness on her face, and her eyes were watery. Not only was there no pressure, but it also made Liancheng Yazhi want to pounce on her and eat her up quickly.

liancheng yazhi finally unbuttoned the last button and casually flung his shirt. his movements were natural and elegant, and his every move had a charm that could captivate young girls. if rong yan was not already the mother of a child, she would probably have fallen for his beauty trap by now.

Liancheng Yazhi hugged Rong Yan. After so many years, it was a long-lost hug with only the two of them. The feeling of their body temperatures melding together and not separating them made his heart melt.

Liancheng Yazhi did not take any further action. Instead, he hugged her and murmured softly, "Rong Yan, do you know how much I've missed you all these years?"

Rong Yan's body trembled for a moment before she smiled dazedly!

but in the next second, she could not smile because liancheng yazhi suddenly said, "why don't we give meowmeow a little brother to play with?" he asked.

Chapter 502 What's the point of keeping your face?

Rong Yan's face turned even redder when she heard that and she immediately reached out to push his head.

However, Liancheng Yazhi was even faster. A big hand that was like a pincer immediately grabbed both of Rong Yan's wrists, while the other claw continued to move forward. His mouth was not idle either.

For a moment, she lost control of her upper and lower body. It brought a strange yet familiar trembling feeling to her body. It made Rong Yan's body start to tremble, as if electric currents were running through her body, bringing out the strange desire bit by bit. It was as if her body was on fire, and it gradually spread to her limbs.

Rong Yan endured the physiological changes in her body and said through gritted teeth, "I'm telling you, Liancheng Yazhi, don't be so shameless!"

Liancheng Yazhi raised his head and pouted. He stuck out his tongue and licked the corner of his mouth, as if he was touched by Rong Yan's good taste. He smiled at Rong Yan in an especially cunning way. what are you doing?"

Rong Yan wailed. It wasn't easy to live. It was too damn simple to be shameless. Even a man as proud as Liancheng Yazhi could say such shameless words. The world was too dangerous. She really wanted to go back to Mars!

Rong Yan looked at Liancheng Yazhi's determination to get it and knew that this bastard was not going to let her off today.

Rong Yan took a deep breath. Don't think that she had become a mother.

She suddenly smiled and no longer resisted or felt shy. She gently flicked her hair and brushed the hair on her chest to her back. Then, she tilted her head and looked at Liancheng Yazhi's charming eyes that could drip water. Her eyes swept over Liancheng Yazhi's chest bit by bit and finally landed on his lower body. Her long slender legs slowly rubbed against his body. As his breathing became heavier and heavier, she said without fear, "Didn't you say that three years was useless? then Don't Let Me Down. Don't be powerless, Yingluo."

One sentence directly challenged Liancheng Yazhi's self-esteem as a man. He opened his mouth and bit Rong Yan's chest. I'll let you see today that I've sealed off the mountains and forests for three years just to leave it all to you today.

His large hands pulled down Rong Yan's nightdress from her shoulders and spread her legs apart. His two hands caressed every inch of her body back and forth and kissed her. This was the place he had not worshipped for more than three years and a thousand days and nights. Now that he was back, of course, he could not be careless.

liancheng yazhi's hands were hot, and his lips were hot. he stirred up all the desires in rong yan's heart and set her body on fire like a burning torch. the heat came out of her blood vessels and was about to boil!

Rong Yan accidentally let out a lustful sound from her throat.

her soft moans and moans sounded like the best aphrodisiac in liancheng yazhi's ears.

He had been longing for it day and night. After being a monk for three years, it was finally time for him to have some fun. Liancheng Yazhi held Rong Yan's face and kissed her lips. He pried open her lips and teeth, sucking domineeringly and almost madly, making Rong Yan's body tremble.

Liancheng Yazhi picked up Rong Yan and wrapped her legs around his strong waist. After being separated for a long time, their bodies finally became one.

The silk nightdress was rolled up to hang at the waist, and the White Laci pants hung on the left leg. Taking advantage of the fact that the slender Jade-like leg had a touch of Holy depravity, seductiveness, and allure, it trembled with Liancheng Yazhi's movements, and the Laci pants slowly slid down and finally fell to the ground.

.....

Chapter 503 The only antidote

It was like a small boat being dragged into the raging waves by Liancheng Yazhi. She could not find a foothold and could only rely on him to not be swallowed by the waves.

as the waves rose higher and higher, the pleasure in rong yan's body reached its peak. at the last moment, the sound coming out of rong yan's throat became louder and louder.

Liancheng Yazhi smiled evilly. Sucking on Rong Yan's earlobe, he panted and said, "Be quiet, don't wake up

Rong Yan quickly covered her mouth. Under all kinds of intense stimulation in her body, Rong Yan's eyes welled up with tears, making her face, which was full of love and desire, look a little pure and demonic. She gritted her teeth and scolded,"

Liancheng Yazhi had his signature evil smile on his face. He moved forcefully, making Rong Yan tremble again. He chuckled and said, "It's good to be a bastard. Yingluo, if you're not a bastard, you're already someone else's."

If he hadn't been such a jerk back then, kicking Rong Yan out and then snatching her back, she would have been captured by Su Yu.

When a person was alive, if he wanted to hold a woman like Rong Yan in his hands, it was useless to only care about his face.

If he should be stupid, he should be stupid. If he should be shameless, he should be shameless. Otherwise, he wouldn't even have a fertilized egg, let alone a daughter!

After this long-lost sex, Liancheng Yazhi lay on top of Rong Yan, enjoying the aftermath of the pleasure. His face was pressed against Rong Yan's chest, licking and biting her carefully.

Three years ago, he fell in love with her body, and then fell in love with her person. Rong Yan had a body that no man could let go of after tasting it, just like how a man who was used to eating the Manchu Han Imperial Feast would not be able to eat other dishes because there was no comparison at all!

Liancheng Yazhi was like a person who had been poisoned for a long time and had finally found an antidote.

He wanted to rub this antidote into his body and carry it with him at all times so that he could take it whenever he wanted to.

Liancheng Yazhi's face rubbed comfortably against Rong Yan's chest. It was soft and fragrant. A woman who had given birth to a child was indeed more fragrant than three years ago.

moreover, Rong Yan's body was recovering very well. there was no extra fat in her lower abdomen, and it had returned to its flat, smooth, and tight state before she gave birth.

Not only that, but after giving birth, Rong Yan's chest was obviously bigger by at least one cup. Now, it felt even softer and better to the touch, as if he was touching soft jade, making him unable to let go.

Rolling on the bed was an extremely physically demanding job. Rong Yan leaned against the slightly cold mirror with Liancheng Yazhi on her chest. That posture was like MeowMeow. When MeowMeow was still breast-feeding, every time she fed, she would eat one side and hold the other side tightly with her other hand, as if she was afraid that someone would snatch it from her. If you took her hand away, she would immediately cry while she fed.

However, Yingluo

This b * stard is not

Just as Rong Yan was about to kick the pervert away in her anger, the pervert opened his mouth and said with curiosity and emotion, "If we didn't already have a child, I would really think that you're still a Virgin who just lost her virginity. Baby, it's so comfortable!"

Just as he said this, his lower body suddenly tightened. The intense stimulation made Liancheng Yazhi suck in a breath of cold air. tsk, tsk, tsk, baby, don't use too much force. It's too tight. Do you want to cut off your future sexual happiness? "

Chapter 504 Thick-skinned and shameless

Liancheng Yazhi added,"if meowmeowmeowmeowmeow's brother is gone, she will be sad. For Rong Yan gritted her teeth. Liancheng Yazhi was a big bastard. She didn't expect that after not seeing him for a few years, his shamelessness would increase so much that he didn't feel embarrassed at all when he spoke. He was simply as strong as an iron wall.

Rong Yan grabbed Liancheng Yazhi's ear and scolded, " it's better to castrate you. You're done letting out your breath, why don't you get out? "

Not only did Liancheng Yazhi not let go, but he suddenly picked up Rong Yan and walked towards the bathtub. As he walked, he said, " tsk, Yingluo, you don't think that this is all I've accumulated in three years, do you? don't worry, i won't let you down!"

Rong Yan pointed at his face. you, Huahua. You're really shameless! she said.

liancheng yazhi smiled evilly, revealing his white teeth."I just want you."

He held Rong Yan in his arms as they lay in the bathtub. After adjusting the temperature, the warm water slowly submerged their bodies.

liancheng yazhi's long and strong fingers massaged rong yan's shoulder. it was just a very simple massage, and there was no sign of improvement.

Rong Yan felt her sore body gradually become more comfortable. She snorted and said, " "I didn't expect that after three years, not only have you become more shameless, but you have also become more powerful!"

Liancheng Yazhi asked as he pressed, " "Comfortable?"

Rong Yan nodded and said,"yes, not bad"

"Do you want to receive this treatment often in the future?"

I miss Wanwan. Well, it's fine if I just want to. Don't take it seriously. I wouldn't dare to ask you to give me a massage, young master! rong yan's brain twitched, but she quickly reacted. she felt that liancheng yazhi would definitely not let her off so easily.

As expected, young master Liancheng replied to her, " don't be so polite. We're already so familiar with each other. There's no need to be so distant. Today, not only will I feed you, I'll also massage you until you're comfortable.

Rong Yan was stunned, and her eyes welled up with tears. I can't eat anymore. Xuxu is full!

"Full? that's just right. i'll do some exercise to digest it!"

rong yan wanted to die, so she immediately begged, " I can't do it anymore, Mr. Liancheng. Brother Liancheng is begging you to let me go. I really can't do it anymore. I believe you. I believe you're the best!

Liancheng Yazhi ignored her and continued with his work. He looked up and said, " "Call me hubby!"

rong yan was afraid that liancheng yazhi would go back on his word, afraid that he would go crazy and not be able to hold back, so she quickly called out, " "Hubby Yingluo"

Liancheng Yazhi was satisfied and pinched Rong Yan's nose."Good Yingluo is so nice to listen to."

Rong Yan heaved a sigh of relief. She was finally fine. After she relaxed, Rong Yan was pressed until she had no strength in her body. She soon fell asleep in the pool.

Liancheng Yazhi looked at her sleeping face and smiled very gently. A man's greatest achievement was not his career, but to have a woman he liked the most!

Tonight, Liancheng Yazhi originally wanted to continue to endure.

Secretary Zhou shouldn't have told Liancheng Yazhi that there were two men, no, several men, who were plotting against her today.

Therefore, he had to let Rong Yan know and confirm one thing.

And that was ...

Her man was Liancheng Yazhi!

.....

Chapter 505 Mommy was too tired from giving birth to your little brother last night

Mr. Liancheng was full and felt relaxed all over, as if Sun Wukong's curse had been removed.

Liancheng Yazhi wiped Rong Yan clean and put on her pajamas before he carried her to bed.

When he went back, he saw little MeowMeow lying on the bed. The little guy was sleeping very soundly. He had kicked around all his life, and his little feet were exposed.

liancheng yazhi smiled and quickly put rong yan down. then, he went to the other side and grabbed

After lying down, Liancheng Yazhi suddenly sighed. There were definitely thousands of benefits to having a little bun. However, if there was one bad thing, it would be that Wanwan's in-depth communication with his wife was not easy to do. It seemed that if he wanted to sleep with his wife in the future, he would have to race against time and look for any opportunity that could be considered a fact.

Ten minutes later, the room fell into a warm silence.

the family of three fell into a deep sleep. this was perhaps the best time of their lives. the night was dark outside, and the wind was cool!

.....

The next day, at eight o'clock in the morning, the sun was shining brightly outside, shining through the window and onto the big bed.

This morning was a little different from the usual because Yingluo and Yingluo were both sleeping soundly.

Little MeowMeow bit her finger and tilted her head. The ahoge on her head was sticking up, and there was still water on the side of her mouth. She was sitting next to Rong Yan and sticking close to her. Her little face still had a dazed look from just waking up.

Her eyes were fixed on one spot. It was Rong Yan's warm chest. Her father's hand was on her mother's soft chest. This was hers. Did her father want to eat it too?

Aiya, this is so difficult!

should i drive my father away and take back my mother's ruannuan?

However, her father was very good to her. Should she give him one?

MeowMeow's eyes brightened as she made a new discovery.

Eh?

Mommy, there are so many little dots here!

Liancheng Yazhi opened his eyes and saw two heads, one big and one small, entering his eyes.
rong yan was still asleep.

liancheng yazhi quickly sat up, grabbed meowmeow with one arm, and immediately pulled her into his arms like an eagle catching a chick!

Shh, your mother was too tired from giving birth to your little brother last night. Let her rest more.

liancheng yazhi let meowmeow sit on her chest and lifted her little body up and down with both hands. he asked softly, "little princess, why did you wake up so early today? Let daddy kiss you first."

Liancheng Yazhi's stubbled lips kissed

"Hungry, hungry, hungry."

The fatherly smile on Liancheng Yazhi's face froze. ah, Hanhan. he straightened his face. this Hanhan is fine. Daddy can do it too!

Hence, Liancheng Yazhi got out of bed with MeowMeow in his arms.

However, it was his first time taking care of a child to wash up. He imitated Rong Yan's actions, washing MeowMeow's face, brushing her teeth, and putting on her clothes.

After doing this series of things, Liancheng Yazhi's clothes were almost drenched in sweat. It was too difficult!

Chapter 506 We will all be very happy

"Daddy, Yingluo is so hungry!"

"i'll be done soon, i'll be done soon, yingluo." liancheng yazhi quickly wiped his face and quickly carried

Rong Yan had to make a bottle of milk powder for MeowMeow every morning, so that morning, under the guidance of the children's nutritionist at home, Liancheng Yazhi made more than ten bottles in a row before taking out a bottle of finished milk.

Liancheng Yazhi felt that he was as tired as a cow, but when he saw

However, after what he did today, Liancheng Yazhi once again experienced Rong Yan's difficulties. It turned out that taking care of a child was such a tiring thing. He didn't know how Rong Yan had managed to pull through.

liancheng yazhi took advantage of the time when meowmeow was drinking milk to quickly run upstairs and kiss rong yan.

Because the battle last night was too intense, Rong Yan didn't wake up until 11 O'clock in the afternoon. After she opened her eyes, she quickly dragged her sore body and endured the discomfort in her private area. She quickly went downstairs to look for someone, only to see MeowMeow riding on Liancheng Yazhi's neck, laughing and meowing happily!

Seeing this, Rong Yan's anger towards Liancheng Yazhi was like a broken balloon, instantly gone.

.....

In the afternoon, the family of three watched TV. It was a popular domestic cartoon about a herd of sheep and a Wolf.

Liancheng Yazhi sat on the sofa, while Rong Yan sat beside him with MeowMeow in her arms.

He lowered his head and busied himself. There was a pile of walnut shells on the table, and two small mouths on the side, waiting to pop them!

At this moment, Liancheng Yazhi felt a great sense of accomplishment! It made him happier and more satisfied than ever before.

This was the last two days for the family to relax before MeowMeow's physical examination and analysis report came out, so Liancheng Yazhi had originally planned to go to the company to work and make money to support the family. If MeowMeow's condition was serious, this might be their last relaxing time, so he wanted to accompany the mother and daughter.

At 3 p.m., The landline phone in the large living room rang. The maid answered the call and went to look for Rong Yan, saying that she was looking for her.

Rong Yan picked up the phone and was just about to say hello when Rong nuo's voice sounded from the other end of the phone."Big sister, it's me. How are you now? How's our little MeowMeow?"

"everything's fine. you don't have to worry about yingluo. " rong yan hesitated for a moment and decided not to tell her about meowmeowmeowmeowmeowmeowmeowmeowmeow's illness. it was better not to let her worry about this.

rong nuo seemed to be very happy and talked to rong yan for nearly an hour, pestering her to let meowmeow call her "aunt" a few times.

"Big sister, we'll all be happy," she said before she hung up.

rong yan was stunned for a moment. it seemed that rong nuo was indeed living very well now.

yes, of course, " she nodded with a smile. we'll definitely be happy.

Just as she hung up Rong nuo's phone, it rang again. Rong Yan hesitated for a moment before picking it up."hello, this is the liancheng family's yingluo."

After a while, there was no sound from inside. Just as Rong Yan was about to put it down, an old voice finally sounded.

"Hello, you must be miss Rong. Can I trouble you to call Yazhi? Ask him to take some time to talk to his father."

—

i originally wanted to take a few more photos today, but i accidentally slid my finger when i was peeling an apple in the afternoon. my typing speed is very slow now. i'm sorry, girls can't add birds.

Chapter 507 Yazhi, come over for a moment!

He was Liancheng Yazhi's father, the old master of the Liancheng family, and the previous person in power-Liancheng Bo!

After hearing that, Rong Yan's heart tightened. From the day she planned to bring MeowMeow back, Rong Yan had already prepared herself to face the old master of the Liancheng family, but she didn't expect it to be in this way.

It was so sudden, and in a situation where she was completely unprepared, a sudden phone call broke the peace that Rong Yan had finally gotten in the past few days.

However, at the same time, Rong Yan was shocked and felt relieved.

Everyone knew the rules of the Liancheng family. There was a high chance that old master Liancheng would not acknowledge MeowMeow's existence and would not let Rong Yan go. However, he had not made any moves since Rong Yan returned. It had been terrifyingly quiet, which was the most fatal thing.

He had been unwilling to make a move and had been holding back, as if he was hiding in the dark and could give you a fatal blow at any time. On the contrary, when he could not hold back and made a move, it was a slight relief, because this kind of enemy exposed in the sun was far less terrifying than the enemy in the dark.

Rong Yan's mood slowly calmed down and she quickly analyzed what old master Liancheng had just said.

From the words alone, old master Liancheng seemed to be a lonely old man who yearned to be close to his son. However, Gong Jie could still hear the cold aura from his old and rough voice. That aura was like standing under the sun in the summer and inadvertently feeling a snake flicking its Scarlet tongue at you.

It sounded very, very awkward!

It was even filled with contempt, disdain, and disdain.

Yes, it was this kind of person. He looked down on Rong Yan, looked down on her family background, looked down on her being Rong Yan's mistress, and looked down on her, Yingluo.

at the same time, he also conveyed another meaning, which was that he looked down on Rong Yan, and also looked down on MeowMeow!

On the other end of the phone, old master Liancheng seemed to know how much shock his words would bring to Rong Yan, so he didn't say anything else. It was as if he was waiting for Rong Yan to wake up from her shock!

"Alright, please wait a moment, Mr. Liancheng."

Rong Yan slowly turned her head to look at Liancheng Yazhi, who was playing with MeowMeow.

As if sensing a chill in his heart, Liancheng Yazhi also raised his head to look at her when Rong Yan looked over.

Her expression was so solemn that it could be called solemn. Then, the corners of Rong Yan's lips suddenly curled up, and she said with a sweet smile, "Yazhi, come here for a moment, Yueyue!"

This was the first time Rong Yan had called Liancheng Yazhi's name so affectionately in the four years since the day she became Liancheng Yazhi's mistress in 2011.

She just wanted to let that old man hear it and let him know how good Liancheng Yazhi was to her, so that he could be infuriated to death.

while liancheng yazhi was overjoyed, he immediately realized that something was wrong. he slowly stood up, picked up meowmeow, who was playing with his thigh, and quickly walked over to tease her.

Walking to Rong Yan's side, Liancheng Yazhi immediately reached out and wrapped his arms around her waist, asking in a low voice, "What's wrong, baby?"

Rong Yan handed the microphone to Liancheng Yazhi, took it, and leaned into his arms with MeowMeow. She smiled and said, "your father."

Liancheng Yazhi was also stunned for a moment, but the time was very short, not even a second. He seemed to have expected this day to come. He calmly took the phone and kissed Rong Yan's cheek. Then, he lowered the phone and said, "Hello, Yingluo."

Chapter 508 just in time to attend my wedding with rong yan

Old master Liancheng's voice could be heard slowly. Yazhi, my body is getting worse year by year. I don't know when I'll pass away. After I die, I'm going to move into the old Liancheng mansion. It's not good for a guest to die in a foreign land. Arrange a day to take me back!

Old master Liancheng's voice was filled with vicissitudes and desolation. It sounded really pitiful, making people immediately think of an old man in a foreign country who wanted to return to his hometown at the end of the day.

However, Wufu's appearance was just an illusion.

rong yan's hand that was holding meowmeowmeowmeow tightened. if old master liancheng was coming back, it was obvious that he was coming for the mother and daughter.

Liancheng Yazhi's expression did not change at all, and his eyes even revealed disdain. He first kissed Rong Yan's cheek to comfort her.

Seeing Liancheng Yazhi kiss Rong Yan,

After comforting the two babies, Liancheng Yazhi then said in a frivolous tone, "Oh, really? Didn't you go swimming in the sea yesterday? How come his body is so weak after only one night? Father, it's better to be honest when you're old. After all, you don't have many years left. You should think more about what will happen after your death, so that you don't have to live a bad life!"

Rong Yan almost laughed out loud when she heard this. Hearing this, one would immediately think that Liancheng Yazhi was an extremely unfilial son. He actually said that his father did not have many years left to live.

However, Rong Yan did not find it annoying at all when she heard this. Instead, she liked it very much. She stood on her tiptoes and kissed his chin.

Liancheng Yazhi laughed silently and hugged the mother and daughter even tighter. The joy in his eyes was so direct.

it was absolutely impossible for the old man to come back. he would not allow anything to happen to rong yan and

Liancheng Yazhi's words made old master Liancheng's breathing become heavy, but his voice was not angry. no matter what, she's still my granddaughter. People say that people from different generations are close. When one is old, they like to have a family full of children and grandchildren. As a grandfather, shouldn't I come back to visit? "

this time, old master liancheng said this so bluntly that no one could refuse him. he wanted to come back to see his granddaughter, and it was only natural!

Liancheng Yazhi did not object. Instead, he said,"Come back? Of course you can. You can attend my wedding with Rong Yan!"

Rong Yan's body trembled violently. Wedding? Did he hear it wrong?

She raised her head and looked at Liancheng Yazhi. Although she knew that this was probably a last-minute idea and that they didn't really want to marry her, Rong Yan's heart was still beating very fast.

Yazhi, I'll pretend I didn't hear what you said. The matriarch of the Liancheng family can't be a lowly and shameless woman. I will never agree to her becoming the matriarch of the Liancheng family. I'll pick a woman most suitable for you to be your wife. Yazhi, you must put the overall situation of the Liancheng family first.

Rong Yan pouted. This old man was really funny!

Yes, she was lowly and shameless, but he had no choice. Who asked his son to take a fancy to her!

The corners of Rong Yan's lips curled up. The old man's words had triggered her anger.

The more you look down on me, the more I want to seduce your son and make him stand on my side. Let's see who will have the last laugh, Yingluo!

.....

Chapter 509 Why Don't You Just Die and go find him!

Rong Yan turned

Rong Yan's slender hand lifted Liancheng Yazhi's collar and touched his collarbone. Her seductive eyes were like a hook that hooked onto Liancheng Yazhi's heart.

Liancheng Yazhi grabbed Rong Yan's mischievous hand and kissed it one by one. As he kissed it, he said a string of words that were soaked in arsenic.

He said, " great, so that's how it is. I didn't say anything, and you didn't say anything either. You're old and your health is so poor. It's better for you to recuperate there, in case you can't bear the fatigue of the journey and can't take it before you're halfway home. If that happens, I'll be guilty. Don't worry, when you're a hundred years old, I'll definitely bring your ashes back to our hometown and bury you. I'll let you lie next to my grandfather. My grandfather will definitely miss you a lot.

Oh, Yueyue, I dreamed of him last night. He asked me,'why are you so filial and don't know how to go down to see him?' "

Liancheng Yazhi's words could also be translated like this: My grandfather misses you, so why don't you hurry up and die and go down to find him?

When such words came out of a son's mouth, there was no need to think about whether their father-son relationship was good or bad! This had already reached the point where their hatred was as deep as the sea.

Liancheng Yazhi's bad relationship with his father had started since he was young. He grew up with his grandfather and was also taught by his grandfather.

This made Liancheng Yazhi an extremely strong man from a young age.

The old master of the Liancheng family was actually quite a tragic character.

compared to others, his abilities and methods were outstanding, but he had a tough father and a cruel son.

When he was young, his father was above him. A few years after his father's death, his son rose up and directly took over his power. He was exiled to a small island in the Pacific Ocean. He said that the environment there was good and suitable for him to recuperate, but in reality? It was imprisonment in disguise.

This caused him to have nowhere to vent his ambitions.

The people of the Liancheng family inherited their iron-blooded and cold-hearted character. This was the advantage and disadvantage that power brought them.

When a person said such words, the person who heard it would definitely explode with anger. Rong Yan could not help but stick out her tongue. How hard was Liancheng Yazhi's heart to be able to make his own biological father so cold?

However,

Rong Yan raised her eyebrows. She was not much better than Liancheng Yazhi. She had also sent her biological mother to prison and killed her own sister. Speaking of which, she and Liancheng Yazhi were really Birds of a Feather. No wonder they could be together.

To Rong Yan's surprise, old master Liancheng was not very angry. Instead, he said earnestly, "you're xuanji yazhi. i'm your biological father. no matter what i do, i won't harm you. you've been willful enough all these years, but you can't break the liancheng family's rules, xuanji."

Rong Yan pulled Liancheng Yazhi's ear. This old man was really good at enduring. He didn't even get angry when she said that.

Just from this point alone, he was not easy to deal with.

liancheng yazhi placed his chin on rong yan's shoulder, his nose gently rubbing against her earlobe. from time to time, he would even stick out the tip of his tongue to lick it, not at all aware that he was on the phone.

Chapter 510 That's just a little bastard

liancheng yazhi laughed. "rules are for incompetent people. lian chengbo, you couldn't protect your son back then. do you think i'll be as useless as you?" I'm telling you, my daughter is going to inherit the Liancheng family."

When Liancheng Yazhi mentioned old master Liancheng's dead son, he hit his bottom line. He immediately roared over the phone, " "Liancheng Yazhi! That's a little bastard!"

Rong Yan's expression immediately turned ugly and gloomy when she heard that. She pushed Liancheng Yazhi away and carried MeowMeow, wanting to leave!

Liancheng Yazhi quickly reached out and pulled her over. After kissing her a few times, he sarcastically said, " "Tsk, tsk, are you angry from embarrassment? In the past, you didn't want to give up your power and wealth and didn't want your son. Now, you're full of confidence. Other than the identity of father and son, there's nothing left between us. Of course, I don't care about this identity. If you don't want it, we can just end it. "

liancheng yazhi bent down and kissed meowmeow's head, like a knight kneeling and worshipping his princess. he looked at her with admiration and said word by word, " also, my daughter is the century-old Princess of the Liancheng family. She's the only candidate to inherit the Liancheng family in the future. You can't change this no matter what you do. If you're smart enough to maintain the status quo, I'll fulfill your wish even if you die.

this phone call did not reach any agreement. instead, it was more like the beginning of a declaration of war.

Old master Liancheng was so stubborn.

Liancheng Yazhi vowed to fight to the death.

I don't care if you're my father or not. If you dare to touch my woman and daughter, I'll fight you to the death.

After hanging up the phone, Rong Yan was not in a good mood. After coaxing your family's old master is really not simple. I only said a few words and he could directly and certainly say that I'm Rong Yan.

It could be seen that old master Liancheng had his own channels to know about the matters of this family.

Rong Yan was a little worried. She hoped that she would take good care of this old man and that nothing would happen to him.

Liancheng Yazhi smiled disdainfully. Hmph, of course he's not simple. Otherwise, he wouldn't have been able to support the Liancheng family for a few years after my grandfather's death. However, ran ran only has those few years of glory. Didn't he immediately snatch it back?

when grandpa lian Cheng died, he called lian Cheng yazhi, who was only fifteen years old, to his bed. do you think that Grandpa is cruel? Qingqing didn't even let the child go back then, right? "

Liancheng Yazhi, who was still young at that time, shook his head decisively."There's no Qianqian."

Grandpa Liancheng closed his eyes and said, I gave your father a choice. I told him that as long as he gave up the inheritance of the Liancheng family, changed his name, and left the marriage with nothing, I would let him and the mother and son go far away. But Hanhan gave up in the end. Between money and status and the woman and son he liked, he chose the former. So, he asked for

it. Don't show any mercy. When you grow up, just seize power and leave your father somewhere to die. The Liancheng family doesn't have such useless offspring."

This was also one of the reasons why Liancheng Yazhi exiled his father. He naturally followed his grandfather's words. Who asked him to have such a useless and annoying father? if you can't kill him, then throw him far away and never let him come back.

Liancheng Yazhi turned over and pressed Rong Yan under him, kissing her lips. "Don't worry, the old man won't be a problem,"
