

Permit Me 531

Chapter 531 I won't be cold if you hug me

Liancheng Yazhi pinched Rong Yan's chin and bit her cheek. He straightened his face and said in a serious, educational tone, "You can't make such jokes."

If it was in the past, Liancheng Yazhi would not have cared about marriage at all. Others said that marriage was not child's play, but in the past, it was definitely not even child's play to him.

From Liancheng Yazhi's point of view, marriage was a shackle that humans put on themselves. It was completely unnecessary and just a boring Union.

But now, he realized that when you were willing to let a woman step on your heart, you would have a completely different understanding of marriage. You would feel that it was a great honor to be able to write that woman's name on your household register, and it could even be the greatest achievement of your life.

The marriage certificate that could be obtained for only nine Yuan and ninety cents was the most precious and priceless treasure in the world.

The current Liancheng Yazhi had a sincere and respectful heart towards marriage. He believed that marriage was a very sacred thing, and if he made a promise, he had to give the other party eternal happiness and loyalty.

Moreover, he was the one who said that Liancheng Yazhi wanted to propose and get married because he was a man. His wife and daughter were his responsibility, his whole world, and all his happiness. From now on, he had to protect Hanhan for the rest of his life, not a second less. He had to live his whole life.

In the first half of her life, he had only participated in a very small amount of time in Rong Yan's life. However, from now on, nothing could go wrong with Wanwan.

However, his words made Rong Yan think that Yingluo didn't want to marry her. That kind of loss and sadness made Rong Yan almost unable to hold on. She really wanted to ask why. However, Yingying's lips opened and closed a few times, but in the end, she didn't say anything.

Today, when old master Liancheng told Rong Yan to leave Liancheng Yazhi, Rong Yan suddenly realized that she couldn't bear to leave him.

MeowMeow was her life, but Xuanji Liancheng Yazhi had already occupied her heart. How could she choose between the two?

She would die without MeowMeow.

Without Xin Yue, she would not be able to live on.

Rong Yan's throat felt like it was being cut by a blade. It was so painful that she couldn't speak. Her eyes were sore and painful. It was so uncomfortable that she looked like she was about to cry.

In order not to let Liancheng Yazhi see it, Rong Yan quickly hugged him and buried her face in his arms.

liancheng yazhi was stunned for a moment and asked softly, "Baby, what's wrong? Are you uncomfortable?"

Rong Yan shook her head in Liancheng Yazhi's arms. "Nothing, I'm just a little cold, can you hug me?"

Liancheng Yazhi quickly opened his coat and wrapped Rong Yan in his arms. He said with a little resentment, "Why hasn't Secretary Zhou sent the clothes over yet?"

Rong Yan hugged Liancheng Yazhi's waist and shook him twice. "I won't feel cold if you hug me."

Rong Yan's voice sounded like a little woman's coquettishness, and the gloominess that Liancheng Yazhi had been suppressing for the whole day was almost gone. He lowered his head and kissed Rong Yan's top. Okay, okay, let me hug you. Daddy will hug you and you won't be cold anymore. You won't be cold anymore, Yingluo.

Liancheng Yazhi couldn't resist Rong Yan's increasingly intimate coquettishness every time. Every time, he would be happy alone for a long time, and every time, it could bring him an unforgettable joy.

Rong Yan's current coquettishness was different from before. Three years ago, all her coquettishness had a purpose.

.....

Chapter 532 we haven't been separated yet, but i'm already missing you

After hugging for a while, Rong Yan felt that her emotions had calmed down a lot. She looked up from Liancheng Yazhi's arms and looked no different from usual. She raised her hand to adjust Rong Yan's tie and then kissed Liancheng Yazhi, saying, "I just came to see you on the way. I won't disturb you anymore. I'll go back first."

Liancheng Yazhi glanced outside. The rain outside the window had already started to rain heavily. Liancheng Yazhi was worried about her leaving by herself, so he said, "Don't go. It's raining outside. Come with me after work."

Rong Yan shook her head. "I can't go back with you. MeowMeow is sleeping at home and will wake up soon. If she wakes up and can't see you or me, she'll definitely be scared. I have to go back and see her."

Liancheng Yazhi thought about it. It was also because the servants at home, MeowMeow, usually didn't let others hold her. If she got up quickly, there would be no end to it. alright, then I'll send you down.

Rong Yan held her hand down. there's no need for that, ran ran. You'd better hurry to your meeting. It doesn't take much effort to get from here to downstairs. You don't have to send me off if I go down myself. Don't forget, you have to work hard and earn money to support the family. I'm such a prodigal. If you don't earn more, you'll definitely die."

Liancheng Yazhi laughed out loud, held Rong Yan's face, and kissed her a few times.

Although he didn't send Rong Yan to the first floor, Liancheng Yazhi still took her hand and walked her into the elevator.

Before the elevator door closed, Liancheng Yazhi hugged Rong Yan and kissed her. wait for me at home.

He didn't know why, but he could clearly see Rong Yan when he returned home in the afternoon.

However, Liancheng Yazhi was still very reluctant to part with her. He really wanted to pull her out of the elevator and be with her.

Okay, okay. Rong Yan nodded slightly, then the elevator door closed.

Inside the elevator, Ding Yan lowered her head, not wanting anyone to see her current state. She was so cold that she felt as if she had fallen into an ice cave. It was so cold that she didn't even have the strength to call for help.

Liancheng Yazhi

Meow meow meow

Couldn't Wanwan have the two most important people in her life together?

why did the heavens have to be so cruel and force her to make a choice between being married?
why did they have to separate their family of three?

After walking out of the building, Rong Yan did not listen to Liancheng Yazhi. She walked silently in the rain and got into the car with a desolate expression.

after getting into the car, the driver didn't say anything, nor did he ask anything. he slowly started the car.

After half an hour, Rong Yan slowly came back to her senses from the sad atmosphere. She inadvertently glanced out of the bed. Through the rain, Rong Yan vaguely realized that the road outside seemed unfamiliar. She quickly said, "Master Liu, this is not the way back to Liancheng's house."

However, the driver didn't stop at all. He didn't even say anything.

Rong Yan was shocked. She didn't care if she was sad or not as she shouted sternly, "Master Liu, please stop."

Rong Yan thought of all kinds of possibilities at this moment. Someone wanted to kidnap her to threaten Liancheng Yazhi? Or was it because the old man from the Liancheng family couldn't bear it and decided to kill him directly?

However, the more Rong Yan called for the driver, the faster the car drove. In her extreme anxiety, Rong Yan reached out to hit the driver and force him to stop.

However, the moment she leaned over, she smelled a familiar scent that she had not smelled for a long time. That scent made her body freeze instantly.

.....

Chapter 533 Give up on the man she likes

rong yan's heart skipped a beat, and her fist moved to the side and brushed past the 'driver's' ear.
rong yan asked, "Yingluo, Who are you?"

"Who are you?"

The moment he said those words, the car made a sharp S-turn, but the driver still didn't say anything.

Rong Yan's eyes gradually started to turn red. She covered her mouth and looked at the driver in front. She wiped her eyes hard and said, "seven is seven, is that you?"

The driver still didn't say a word, but the speed of the car obviously slowed down.

in the end, rong yan picked up a pillow and hit the driver's head from behind. "Seven, don't play dead. it's you, right? It's you?"

With a creak, the car stopped.

The driver slowly turned his head and looked at Rong Yan with a look of pity. Then, he said, "Aiyo, Rong Yan, can't you cooperate with me a little every time? You've really made me feel defeated!"

As he spoke, he slowly tore off a piece of skin from his face, revealing a very handsome mixed-race Face. His smile in the cold weather of the supermarket caused the temperature in the car to rise a lot.

Seven looked deeply at Rong Yan. He hadn't seen her for so long, and he really missed her. He really wanted to hug her, but he didn't move. He even hid the greedy longing in his eyes so that Rong Yan wouldn't notice.

The tears in Rong Yan's eyes gushed out. She covered her mouth and cried out a few times, "it's really you. It's really you, Yingluo, you bastard. Where have you been all these years? how can you disappear just like that? are we still friends?" Is meowmeowmeowmeow still your goddaughter? You said you won't ask, so why did you suddenly appear?"

Even with old master Chen's aggressive words, Liancheng Yazhi couldn't bear to let go. Now that Seven, who had disappeared for a few years, had suddenly returned, the shock and joy made Rong Yan's mood fluctuate.

Seven really wanted to reach out and wipe away the tears on her face, but he held back and said, "Of course, that's up to you and MeowMeow. Otherwise, I wouldn't have come here to tell you about this."

"What's the matter?" Rong Yan was puzzled.

seven looked at rong yan with a serious expression and asked, "i know that you received a call from old master liancheng today. i also know what he wants you to do. now, rongyan, tell me, what do you think?"

"??.....???????"Rong Yan immediately stood up in shock, forgetting that there was a car roof above her. She hit her head hard and cried out in pain, "Ah, Yingluo."

be careful. Meowmeowmeow is already so big, and you're still acting so rashly. Tell me, if old master Liancheng gave you a choice, what would you choose?"

Rong Yan's expression slowly turned cold as she laughed at herself. In fact, there was no so-called choice at all. From the moment old master Liancheng said that, she had almost made her choice.

His daughter would always come first.

Any mother in the world would choose their daughter without any hesitation when it came to her life.

Even if-

She had to give up on the man she loved.

Seven stretched out his long arm and rubbed Rong Yan's forehead. "Rong Yan, although I really want you to leave Liancheng Yazhi, let me tell you, even if you leave, you can't leave in this way. You're Rong Yan, and you can't be controlled by others like this, Hanhan.

.....

Chapter 534 I must give my daughter her happiness

Rong Yan's face was ashen as she muttered, "But Yingluo, what do you want me to do? Do you want me to watch

meowseven, I have no other choice, meowseven?"

yes, "Seven said in a serious tone, "I came to find you this time to tell you that you have a choice.

Rong Yan raised her head and looked at him in surprise. "What do you mean by" leeway "?"

Seven said to Rong Yan, "actually, I knew about your blood problem earlier than you did. I found out about it by chance a year ago. At that time, I was afraid that you would be more worried if I told you about it, so I wanted to get the formula of the antidote and go back to you directly. Then, I disguised myself as someone on the island where Lian Chengbo was on and got close to him. But I misjudged Lian Chengbo's ability and thought that it would be settled in a few days. Lian Chengbo is very suspicious. I've checked his study, and there's no record of any prescription. I guess that the house is in his mind."

It was Liancheng's grandfather's miscalculation that led to this incident. He thought that this secret was passed down from father to son, and no matter how cruel Liancheng Yazhi's father was, he wouldn't let the next generation of the Liancheng family meet with mishap, so he would definitely tell him. However, Wanwan didn't expect that Liancheng Yazhi's father didn't tell Liancheng Yazhi about this.

Although Rong Yan was surprised that Seven had been following Master Liancheng in disguise, she was not in the mood to care about that. She mumbled, "yeah, it's in his head, so Yingluo, I can only Yingluo, I can only give up Yingluo.

Seven pressed on Rong Yan's shoulder. "Rong Yan, look at me. That's not what I want to tell you. Listen, that old man just wants to use this to make you leave. Have you ever thought that an old bastard like Lian Chengbo would really save meowmeow after you leave?"

"First, let's not talk about whether he will give the correct prescription. Even if he does, if Liancheng Yazhi marries another woman in the future, how good do you expect the other woman to be to MeowMeow?"

There are a lot of dirty things in a rich and powerful family like the Liancheng family. It's good if Liancheng Yazhi's wife is kind. If she's not, you can save her. MeowMeow's life now can't save her life.

Seven's words were like drumsticks beating on Rong Yan's heart, and the sound of the drum made her eardrums hurt.

He stopped for a while, waiting for Rong Yan's heart to calm down before he said, word by word. the happiness of one's own daughter can only be given to her biological mother. No matter how good others are, it's useless. A child only wants his own mother.

That one sentence cleared Rong Yan's mood and messy mind instantly. It was as if someone had poured a basin of cold water on her and she was completely awake. The feelings that had been lingering in pain a moment ago were now gone.

that's right, she had to give her daughter her own happiness. no matter how good others were, they wouldn't treat their children as well as their mothers.

.....

Chapter 535 this man was hers

The look of despair on Rong Yan's face disappeared, and her eyes lit up. She looked at Seven as she leaned forward and gave him a tight hug. Seven, thank you. If you hadn't come, I really would have let that old man have his way. You're right, I want to protect my child by myself. I don't want her to call another woman 'mommy'.

Seven's words gave Rong Yan a hard blow. She was like a person who was about to jump off a cliff and was suddenly pulled back.

No matter what the reason was for her mother to leave her daughter, then in the future, in the eyes of others, Yingluo would forever be a pitiful creature abandoned by her mother. This would bring a shadow that could not be erased for the rest of her life, and this kind of psychological damage might be more serious than the physical damage to Yingluo.

If Liancheng Yazhi married another woman in the future, it would undoubtedly be a fatal blow to MeowMeow.

Rong Yan let go of Seven, and her eyes were shockingly bright.

So, huhu

For

She decided that for the time being, besides treating

That was to turn Liancheng Yazhi, this man, into her Rong Yan's real husband, so that their family of three could openly appear in the same household register.

Rong Yan took a deep breath and looked at the rain outside, shouting in her heart, " Liancheng Yazhi, I'm here.

Since you've moved my heart, then don't even think about escaping. I'll definitely capture you for the rest of my life.

Liancheng Yazhi, who was still working at the moment, sneezed hard. He looked at the weather outside and thought, 'it's a little cold since it's raining. Rong Yan must not catch a cold when she goes back.'

Rong Yan clenched her fists and said, "let's go. We'll turn around and go back." &Nbsp;
back to where? " Seven was stunned.

Rong Yan said in a clear voice, " let's go back to the L & c building. I have to find my man. I want to tell him what my final choice is. No matter what happens, we will face it together. We can overcome all difficulties together.

Seven looked at his new face, and a happy smile appeared on his face. However, at the same time, he also felt a deep sense of loneliness.

How he wished he could protect this woman personally. Unfortunately, Yingluo's heart had already been given to someone else.

Since that was the case, she would let him stand by her side silently. As long as he could stand at a place where he could see her, it would be fine.

Seven silently made a turn on the road and drove back.

Rong Yan raised her hand and pressed it against the car window, feeling the slight chill outside.

After walking out of her confusion, Rong Yan felt as if she had come back to life.

Liancheng Yazhi, I don't care what position I hold in your heart, but from today on, I want to be with you, even in the wind and in the rainy night.

No matter the time, they had to face all difficulties together.

If there were difficulties and troubles, there would always be a solution.

It didn't matter if he didn't want to get married. She would make him miss her sooner or later.

In the past, he didn't like children either. But after she gave birth to the child, he still loved and doted on her.

This man was hers now. She had taken a fancy to him and would never let him go in the future.

No one should think of snatching Yingluo from her.

Chapter 536 liancheng yazhi, marry me!

Rong Yan was suddenly full of fighting spirit. How many years had it been since she had such a positive attitude? How many years had it been since he had tried his best to get someone?

rong yan turned to look at Seven. he was driving quietly, and by not saying anything, he could give rong yan peace of mind.

He had gone undercover beside Lian Chengbo to save his daughter. He was also the one who had run to her and told her not to give up and compromise easily.

he was the one who told her that happiness must be held in her own hands.

and when he did this, rong yan didn't even know that he didn't even want her to thank him.

Rong Yan was very glad that she had met Seven. When a person was standing at a crossroad and didn't know what to do, as long as you had the word 'friend' by your side, perhaps you would not choose the wrong path with just one word from him.

And Seven was Rong Yan's Prophet.

She felt really lucky to be able to meet Seven's face.

"Thank you, Seven.. Rong Yan said seriously.

Seven waved his hand and said, "you don't have to thank me. I'm just thinking for my goddaughter. Sigh, Yingluo is so pitiful. She reincarnated into the Liancheng family and met such a Wolf-like person. Tell me, can I not be more worried?"

"When meowmeowmeow grows up, I'll ask her to be filial to you, her Godfather."

Rong Yan smiled.

"Sure, I'll be waiting."

It was almost five o'clock in the afternoon when the car was parked in front of the building again.

Because it was raining today, many people did not bring an umbrella. Liancheng Yazhi was kind enough to let everyone get off work an hour earlier, so that the rain would not be heavy at six o'clock and they would not be nervous when taking the bus.

Hence, before Rong Yan got out of the car, she saw many people running out of the building in the rain.

Rong Yan was shocked. They were off work, so could Liancheng Yazhi have already left?

Just as she was about to take out her phone to make a call, she suddenly saw Liancheng Yazhi's car slowly driving over from the front.

Rong Yan opened the car door and jumped out without thinking. Seven shouted from behind, "Hey, Rong Yan, it's raining!"

Rong Yan didn't care whether it rained or not. She wanted to see Liancheng Yazhi very, very much. Her feelings were unprecedentedly strong, as if Huahua would be so sad the next second if she couldn't see him.

Rong Yan ran straight to Liancheng Yazhi's car and shouted at the doctor, "Stop!"

Rong Yan's voice was very loud, and it could be heard clearly even in the dripping rain.

However, her action frightened a group of people, especially Secretary Zhou. A woman suddenly appeared in front of him, and he quickly stepped on the brakes.

Just as he was about to curse out loud at the madman, he suddenly realized that the madman who was drenched like a drenched chicken looked like a person. Who was he like? Like ...

Just as she was about to say the other party's name, young master Ya suddenly cursed from the back seat, "this crazy woman, is she looking for death?"

He quickly pushed the door open and wanted to get out, but before he could step out, he heard words that he would never forget for the rest of his life.

Rong Yan's voice could be heard clearly from the pitter-patter of the rain.

"Liancheng Yazhi, marry me, Yingluo."

Chapter 537 miss rong's proposal in the rain

lian Cheng yazhi's body trembled and he almost fell out of the car. he was stunned. his body remained in the position where he had stepped out of the car door with his body slightly bent. he froze on the spot as if he had been frozen in time.

When Secretary Zhou heard this, his head hit the steering wheel directly. In a daze, he thought that miss Rong was really mighty and mighty.

It was because of Rong Yan's earth-shattering proposal.

The employees who had been running out of the building couldn't help but stop at this moment. They endured the rain and wanted to see which woman was so powerful and domineering that she actually proposed to their Big Boss. This world was really amazing.

Seven looked at Rong Yan, and his eyes looked as if they had been filled with rainwater. He was filled with an unforgivable sadness.

The woman he loved was now proposing to another man, and he was staring at her in a daze.

He didn't know if he should hope for her success or failure.

There was no movement from the person in the car. Rong Yan wiped the rain from her face. She felt that she might not have expressed enough sincerity, so she continued, "Lian Cheng Yazhi, I'll treat you well in the future and will never cheat on you. If you have no money, I won't despise you, Hanhan."

Lian Cheng Yazhi, marry me. When you're older, I won't think that you won't become ugly. You have such a bad temper, and only I can accommodate you. I'm such a good woman, and I'm willing to marry you because you've been very grateful in your previous life. Do you agree? say something.

Rong Yan's rebuttal made the employees who were standing in the rain to watch the show cheer. They all shouted at the top of their lungs, "I agree, I agree, Zhenzhen."

In the car, young master ya's body was getting stiffer and stiffer, and his face was getting redder and redder, as if it had been painted with a layer of red paint. He looked particularly funny. His body was still the same, but his eyes were dull and silly. Compared to the young master ya of the capital who used to call the shots, he was like a different person.

Rong Yan stomped her feet in anger outside. This bastard, why didn't he come down? she had already gone all out and thrown away her face. Why was he still sitting in the bridal sedan like a young lady and not coming out?

Rong Yan shouted angrily, "f * ck, Lian Cheng Yazhi, you're not asking me to kneel down and propose to you, are you?" Or are you complaining that I didn't prepare a ring?"

Secretary Zhou finally came back to his senses. Damn, miss Rong's toughness index has set so many new heights in a row. Just listen to what she said. She stole all of young master ya's words. This was supposed to be the line of a door boss.

could it be that all women would be more domineering after becoming mothers?

However, miss Rong had already started to get angry. If young master ya didn't go down, he would suffer in the future. Secretary Zhou quickly turned around and shouted, "young master ya, young master ya, young miss Rong is still outside. it's raining now!"

He reminded Liancheng Yazhi that it was still raining outside, and it would not be good if miss Rong was drenched.

A drop of rain fell into Liancheng Yazhi's eyes. She shivered and instantly woke up. She immediately looked up at Rong Yan, who was standing alone in the rain. Her thin body was constantly washed by the rain and looked like she could fall down at any time.

Liancheng Yazhi's anger immediately rose. This damn woman, doesn't she know it's raining? she actually dared to stand in front of the car and stop it. If she was hit, who would give him a look? if he didn't take good care of her, she would really be in trouble.

Chapter 538 I don't agree

He actually proposed, proposed, proposed!

This damned b * tch. This was his job. This was his business. Why did she have to fight with him? those lines should be his exclusive right. What was he going to do in the future? he wanted to propose. What should he say?

No, no, definitely not. Today's proposal can't be counted.

Although Liancheng Yazhi was extremely angry now, and he could not suppress the joy in his heart that was jumping up and down, he told himself that he would never show it.

When he got out of the car, Liancheng Yazhi stumbled and almost fell. He rushed to Rong Yan in a few quick steps, his eyes spewing fire, but when he looked at Rong Yan, his ears turned red. When the raindrops fell on her, it was as if he could hear the sound of them turning into steam from her hot body temperature.

Liancheng Yazhi quickly took off his coat and put it on Rong Yan's head. He stuttered and scolded her angrily, "What's wrong with you, Qianqian? don't you know it's raining? Did you get water in your head?"

Rong Yan didn't care about his anger at all. she raised her head, straightened his face, and asked, "Liancheng Yazhi, are you going to agree or not?"

Liancheng Yazhi's lips moved a few times and his face burned even more. Answer Wanwan, do you agree to the proposal???.....???

while young master ya was bashful, proud, and conflicted, Rong Yan pouted. "forget it, it doesn't matter if you respond or not. anyway, i'll just take care of it. "

what Rong Yan wanted to say after that was, "anyway, i want to marry you. in the future, i will get your consent sooner or later."

In the end, she did not expect Liancheng Yazhi to pick Rong Yan up and hit her butt a few times. "You dare to stop a car? You don't want to live anymore, do you?"

Rong Yan struggled for a while. no, I wanted to propose, Yingluo.

I'm begging you, I'm begging you, I'm begging you! Liancheng Yazhi inhaled a breath of cold air and coughed violently.

He really wanted to ask her to stop proposing to him. i'm begging you, mother, please don't steal my father's things and lines anymore, okay?

Rong Yan struggled on Liancheng Yazhi's shoulder and said to the employees who were still in the rain with them, "Everyone heard it. I'm proposing. Tell me, do you agree now? It doesn't matter if you don't agree now, I'll make you agree sooner or later."

more than a dozen employees shouted at the same time, "boss, boss, agreed, agreed, agreed, agreed, agreed, agreed, agreed, agreed, agreed, agreed, agreed, agreed!"

even secretary zhou stuck his head out of the car window and whispered, "young master ya, don't struggle anymore. Your heart has been completely conquered. Don't care who proposed to whom. Anyway, ran ran, you can't escape from miss Rong's hands.

in the end, the crowd's jeering made liancheng yazhi's face burn. he felt that he was about to become a little wife, and he was going crazy in his heart. he shouted angrily, "shut up, all of you. you'll all work overtime this weekend. "

Everyone shut their mouths and continued to stare at him with fiery eyes.

Rong Yan gritted her teeth as she looked at Liancheng Yazhi's Red ear and bit it. "Everyone's already saying so, can you give us a definite answer?"

Half of Liancheng Yazhi's body immediately went limp. Finally, he gritted his teeth and shouted, "I don't agree with Yingluo!"

He definitely couldn't agree to it. He had been preparing for this proposal for so long, and he couldn't let it get delayed.

.....

Chapter 539 When your mother proposed to me

"You stole all the things I wanted to do, what will I do in the future?" When the children grew up, were they going to know that it was their parents who proposed to them?

f * ck, this is too embarrassing!

The little ones must have thought that their father was too useless.

Liancheng Yazhi's face was so red that it was almost bleeding. He glared fiercely at the people around him who were jeering. These guys were too idle. He really didn't know what was wrong with him today. He actually asked them to get off work an hour earlier. They should all be working overtime until the wee hours.

after that, there was one time when meowmeow asked liancheng yazhi, "Dad, when did you feel the happiest?

Liancheng Yazhi replied,"when your mother proposed to me."

?????:?.....????????????

Liancheng Yazhi was silent-when your mom proposed to me!

.....

Liancheng Yazhi carried Rong Yan, who was still shouting, and quickly got into the car.

both of them were wet. after getting into the car, secretary zhou quickly turned on the air conditioner, and then quietly put down the partition in the middle.

Secretary Zhou could already imagine what kind of battle would happen later. Although Wanwan really wanted to watch, she knew that now wasn't the time to watch. Young master ya would destroy him.

Secretary Zhou waved to the staff outside and dismissed them!

Then, he drove off for a stroll.

At this moment, everyone had forgotten that Rong Yan had come in the car. They all thought that the driver was the Liancheng family's chauffeur, so no one looked inside the car.

Seven watched as Liancheng Yazhi's car drove further and further away, and a bitter smile appeared on his face.

"Fine," he said self-deprecatingly, "I'll take this car as payment."

.....

The back seat instantly became a small sealed space. Liancheng Yazhi and Rong Yan's breaths and breaths were intertwined and hard to separate.

liancheng yazhi's eyes were fixed on rong yan. the courage he had in the rain just now was now evaporating bit by bit in the warm air, and he was a little afraid of being stared at by liancheng yazhi.

Achoo Achoo Achoo! Rong Yan sneezed and broke the deadlock between the two.

Liancheng Yazhi gritted his teeth and pulled Rong Yan over. He reached out and started to take off her wet clothes while saying, " "Stop a car on a rainy day? Eh? Impressive, Qianqian's proposal. Impressive! What else have you not done? Say Yingluo."

In the beginning, Rong Yan still felt a little guilty after being lectured. However, when she accidentally tilted her head and saw Liancheng Yazhi's expression, all her guilt instantly disappeared.

Why is your face getting redder and redder when you're speaking so fiercely? Why was there no anger in his eyes? Could it be that Lao AI's fierce appearance was fake?

In a short while, Rong Yan was completely naked. There was nothing dry in the car now, and even Liancheng Yazhi himself was wet. In the end, he simply used a pillow to wipe Rong Yan's body. Then, he took off his clothes and held her in his arms. The temperature in the car was very high, so he wouldn't feel cold.

Rong Yan's eyes darted around. The two of them were now naked and their bodies were so close to each other. What would happen?

Rong Yan felt that this was not the only crazy thing she had done today. It was no big deal to add one more. She blinked and looked at her seriously. "Didn't you ask me what I haven't done? Our Yingluo hasn't tried playing in the car yet, do you want to try Yingluo?"

.....

Chapter 540 I'm very angry that you didn't agree to my proposal

It was as if Thunder had exploded in Liancheng Yazhi's ears. He did not know what to say at this moment. He felt the heat in his body start to rush to his face, burning his head until he was dizzy. He did not know what to say or do. "you, you, you, you, you, you, you, you ..."

rong yan's series of tough words made liancheng yazhi unable to accept it for a while. why couldn't this woman not say such shocking things?

However, Yingluo's heart was really itching.

Rong Yan raised her hand and pushed Liancheng Yazhi's chest. She touched it and gave him a rating. Not bad, top-grade!

rong yan raised her chin and asked liancheng yazhi, " "Do you want it? Don't be so silent and be more forthright? You didn't accept my proposal in front of so many people. I'm already very angry. Tell me, do you want it or not?"

Rong Yan twisted in Liancheng Yazhi's arms and turned over to sit on his lap. Her current position was no longer conservative at all.

To be honest, Rong Yan would definitely not be happy if Liancheng Yazhi did not agree to the proposal.

However, she had already made preparations before proposing.

A single failure was nothing. There would be plenty of time to prepare in the future. Everyone just had to wait and see. Sooner or later, they would be taken over by her.

Rong Yan had long been a thick-skinned person. Once she decided on something and set a goal, she would never have any bottom line to speak of, just like how she drugged and slept with Liancheng Yazhi. After that, she used all her shameless abilities and finally occupied Liancheng Yazhi's bed.

It was the same now. Since she had decided that she must make Liancheng Yazhi her husband in the future, then from now on, she would do everything she could to make Liancheng Yazhi inseparable from her in all aspects.

This was only the beginning. Wanwan just had to wait and see. The most exciting things were yet to come.

Liancheng Yazhi was really at the most speechless, embarrassed, shy, and embarrassed moment of his life.

Rong Yan held onto Liancheng Yazhi's neck and slowly stroked his back. She scratched him with her nails and said in a different way, " "Liancheng Yazhi, Liancheng daddy, Yazhi, Azhi Wanwan."

Every time Rong Yan called out, Liancheng Yazhi's breathing became heavier. When Rong Yan called out 'ah Zhi' in a delicate voice, he couldn't take it anymore. He grabbed Rong Yan's waist,

turned over, and pressed her down on the back seat. He bit her lip and said hatefully, "I really did owe you Yingluo in my past life."

Rong Yan was his nemesis. As long as she appeared, all his principles and rationality would be gone.

Rong Yan muttered, "that's more like it, Yingluo."

the two of them were entangled together, their breaths were exchanged and their breaths were melded together. their lips and teeth were intertwined, and the temperature in the air was rising.

Secretary Zhou drove silently. His two ears perked up, focusing on the movements behind him.

however, this car was too high-end, and the sound insulation was too good. in addition, it was raining outside, so the noise was loud. secretary zhou sighed. it was so sad that he didn't hear anything. however, according to miss rong's valiance, the scene must be very fierce now.

Secretary Zhou was afraid of getting into an accident, so he deliberately slowed down the car in the rain. It took half an hour for the car to reach the place.

The maids had already come to pick her up with umbrellas.

Secretary Zhou got out of the car and took the umbrella. The back door was closed. He hesitated for a while, then walked forward and knocked on the door a few times. "Young master ya, miss Rong, we've arrived at Xuanji."
