

Chapter 541 Bear with it

However, there was no movement in the car. The rain was still falling. Secretary Zhou was very calm. He sighed and looked at the sky. Seeing this scene, they knew that although they were drenched by the rain, it didn't affect their nature of being like firewood!

Just as Secretary Zhou had guessed, it was about time for the two to stop fighting.

Rong Yan hung by Liancheng Yazhi's side. Her eyes were watery, and the sweat on her forehead was rolling down. Her breath was very unstable as she said intermittently, "Ah Zhi, we're here. Hurry up!"

Young master ya's face immediately turned as black as ink. He bit her lips a few times fiercely, and his actions became fiercer. She was the one who said that she wanted to go crazy, and she was also the one who said that she wanted to end it. Hmph, if he didn't show her his power, she would really turn the world upside down.

"I guess you don't want to get off the car today?" young master Liancheng said through gritted teeth.

rong yan's lips were already a little numb and seemed to be swollen. she thought helplessly, "Sometimes, it's not good to be too long-lasting!"

"Okay, okay, okay, Yingluo, I was wrong. I shouldn't have said that yingyingluo."

He had already offended him, and it seemed like it was too late to say anything. The only thing he could do now was to accept the punishment obediently and accept his fate. Then, he would find an opportunity to take revenge on this bastard in the future.

Liancheng Yazhi no longer paid attention to Rong Yan and continued to enjoy the meat that he had finally eaten after so long.

However, Liancheng Yazhi's wish was destined to never come true, Yingluo.

Outside, after standing for a while and not seeing Liancheng Yazhi and Rong Yan come down, the maid anxiously said something in Secretary Zhou's ear.

Secretary Zhou's expression changed. He immediately knocked on the car window again. "Young master ya, miss Rong is awake, MeowMeow!"

the two people in the car trembled and stopped moving. rong yan quickly said, "meowmeowmeowmeowmeow daddy, get up quickly. Be a good girl and bear with it. I'll make it up to you tonight!"

sure enough, the door opened a crack very quickly, and a stream of hot air mixed with sexual smell floated out of the car. liancheng yazhi's hoarse voice mixed with anger came out. "Go and get two sets of dry clothes."

"Yingluo will send it over immediately." Secretary Zhou shivered. After disturbing young master ya's good time, he quickly gave the maid a look.

the maid received the order and quickly returned to the house. she ran as fast as she could to get two sets of clothes. this time, the maid's reaction was fast. she took pajamas that could be put on immediately.

The pajamas were stuffed into the car, and in less than two minutes, young master ya, who was wearing pajamas, held a flushed, horny face with red and swollen lips. It was obvious what had happened in the car just now.

Except for Secretary Zhou, who didn't change his expression, the other maids all lowered their heads with red faces.

Secretary Zhou raised his hand to hold an umbrella for Liancheng Yazhi and Rong Yan and followed them into the house without looking sideways.

As soon as they entered the house, Liancheng Yazhi put Rong Yan on the sofa and turned to leave.

after taking two steps, he stopped again. he cursed something and turned back. he held rong yan under his arm, glared at her fiercely, and then stomped upstairs.

Rong Yan pursed her lips and smiled. This guy was angry, but he would not let others see her current appearance.

'hmm, not bad. if i adjust it well, it'll be more usable in the future.'

Secretary Zhou handed the dripping umbrella to the maid. prepare dinner. Make more ginger soup.

After the intense exercise in the car, young master ya and miss Rong needed to replenish their energy. As a good Secretary, they had to be there!

.....

Chapter 542 She's crying like a little kitten

as soon as she went upstairs, rong yan immediately heard meowmeow's weak cries and the sounds of a few maids trying to please her.

Before Rong Yan entered, she quickly shouted, " "Meow meow meow Baby, mommy's here, Meow Meow"

"Daddy's here too!" She added.

although liancheng yazhi's face was still very dark, he quickened his pace and kicked the door open. however, the moment he saw

When the maid saw the two of them, she quickly retreated silently.

Liancheng Yazhi quickly walked to the bed. After putting Rong Yan down, she immediately opened her arms and hugged MeowMeow."Meow Meow, it's mommy's fault. Mommy shouldn't have gone out and run around. I'm sorry, Yingluo. Mommy swears that I'll never leave you behind and run around again. I won't think of leaving again. Mommy will accompany you for the rest of your life, Yingluo."

lian Cheng yazhi, who originally wanted to make meowmeow happy, was suddenly stunned when he heard Rong Yan's words. His brows furrowed even tighter and he slowly turned his head to look at her!

... Never want to leave again?

That's not right. She definitely didn't mean that she went out while

Lian Cheng Yazhi had always been a very sharp person, but when it came to Rong Yan, his reaction would be a little slower.

At that time, Lian Cheng Yazhi didn't notice anything wrong when she suddenly ran to the company and said that call to him. But now that he thought about it, Rong Yan's body was clearly filled with despair and sadness.

Later, after she left, she suddenly appeared in front of the building and madly proposed in the rain, almost smashing Lian Cheng Yazhi into a daze. Then, after getting into the car, Rong Yan pestered him so shamelessly to play with him in the car. This series of madness made Lian Cheng Yazhi have no time to think.

But now that he connected the whole story, something must have happened for Rong Yan to be so abnormal today, and it must be very, very important.

Otherwise, a woman with such a strong will like Rong Yan wouldn't have that kind of sadness that she couldn't suppress even if she tried!

Lian Cheng Yazhi's heart was panicking at the moment, beating very fast. He knew that something must have happened to Rong Yan between the first and second time she went to the company today, and he didn't know about it. Besides, it was very likely that he almost lost Zhenzhen for the second time today.

Lian Cheng Yazhi's hands and lips trembled slightly.

After a while, he finally calmed down. He pulled

Rong Yan's heart tightened under his gaze. Lian Cheng Yazhi's eyes were like a scanner, as if they could see all the secrets in her heart.

"What's the matter?" Rong Yan asked.

Lian Cheng Yazhi took a deep breath and lowered his head to kiss meowmeow's forehead. "Go and take a shower quickly, in case you catch a cold and infect meowmeow and me."

Lian Cheng Yazhi silently added in his heart, "When meowmeowmeowmeow is coaxed, you better tell me the truth. If you don't tell me the truth, you won't be able to sleep tonight."

He had to find out what had happened to Xuanji and Rong Yan today, and what made her change her previous decision.

chapter 543-two-faced

Rong Yan was stunned for a moment, then she narrowed her eyes and smiled. She glared at him and said, "If you're afraid I'll get sick, just say it!"

this man, Liancheng Yazhi, sometimes had one thing in his heart and another in his mouth. He was extremely arrogant and sometimes loved to play the opposite of what he said and meant more than women. However, Yingluo's Rong Yan wouldn't tell him that she actually quite liked the way he did not mean what he said because Yingluo was really cute.

Why aren't you going to clean up?" Liancheng Yazhi's thoughts were exposed. He turned his head awkwardly and happened to meet MeowMeow's big eyes that were still filled with tears. At this moment, MeowMeow had forgotten to cry and was looking at Liancheng Yazhi curiously with her big, wet eyes. Her small mouth moved from time to time, looking really pitiful.

Although this small face looked more like Liancheng Yazhi's, it also had the shadow of Rong Yan. Seeing her think of Rong Yan, Liancheng Yazhi's heart would soften.

Rong Yan lowered her head and kissed

Liancheng Yazhi's face darkened when he saw that Rong Yan's hair was still in a mess. He immediately reprimanded her, "Hurry up and go in, can't you see that my daughter has stopped crying, Yingluo?"

Rong Yan pouted and lowered her head to bring her face to MeowMeow's mouth."

MeowMeow looked at Rong Yan, then at Liancheng Yazhi. Then, she kissed Rong Yan's cheek. After that, she said in a nasal voice, "Mommy, your mouth is so big!"

Rong Yan had gone crazy today. Not to mention blushing, her heart didn't even beat faster. However, Yingying blushed because of what MeowMeow had said.

When MeowMeow said that Rong Yan's mouth was big, she actually meant that her mother's lips were very swollen. It was just that she was young and didn't have many words, so she said 'big'.

Rong Yan touched her nose. Ah, Ran Ran, let Ran Ran get your father to explain this to you. Mommy is going to take a shower first, Ran Ran.

Before she left, Rong Yan whispered in Liancheng Yazhi's ear, "Although Mr. Liancheng would like to take a couple's bath with you, you should look after our baby first. Let's wait for the next time."

After saying that, Rong Yan's hand touched Liancheng Yazhi's face before she turned around and left, leaving behind a red-faced young master who was gritting his teeth.

When Rong Yan was about to reach the bathroom, she heard MeowMeow. "Daddy, Yingluo"

"Hmm, what treasure did you want to say?" Liancheng Yazhi quickly asked gently.

"What's a couple's bath?" MeowMeow asked.

Rong Yan's legs went soft when she heard that. She covered her face and quickly went into the bathroom.

Liancheng Yazhi glared at her. 'This damn woman. It seems like she wants to rebel today. Hmph, just you wait. I won't let you off so easily.'

This bath is called Xuanji. You'll understand after you hit it.

In the bathroom, Rong Yan sneezed and felt the hair on her arm stand up. She quickly rubbed it.

Rong Yan muttered to herself, "it seems like he really caught a cold and got caught in the rain."
&Nbsp;

When he came out of the shower, he saw that Liancheng Yazhi had already coaxed one big and one small, they looked like a snail with his little shell on top, so cute and adorable.

Chapter 544 young master ya's patent

Seeing this scene, the smile on Rong Yan's face grew wider. She wiped her hair and said to Liancheng Yazhi, "you're also in the rain today. I'll stay here to look after MeowMeow. You should quickly take a hot bath.

okay, Yingluo. Liancheng Yazhi handed MeowMeow to Rong Yan, but he didn't go in immediately. Instead, he stood up and took a towel from Rong Yan to dry her hair.

She didn't know when it had started, but every time Rong Yan came to the bathroom, Liancheng Yazhi would dry his hair as long as she was there. It seemed to have become his exclusive right.

"You go take a shower first, I've already dried my hair."

wait a little longer, ran ran. Liancheng Yazhi wiped Rong Yan's hair for a while until it was not so wet. Only then did he let go.

After doing this, Liancheng Yazhi was relieved and went to take a shower.

Of course, Rong Yan wasn't the one who prepared dinner that night. When she was about to show off her skills, she suddenly realized that all the ingredients Yingluo had bought had not returned, because ... The Cheng family's car had not returned either.

Rong Yan sighed. She had almost forgotten about Seven. He was a thief, and there was a saying in the stealing world that a thief would never leave empty-handed, so that car was his.

however, rong yan really wanted to ask, 'Seven, if you don't want to return the car, you should at least return the original driver.'

At night, meowmeowmeow finally fell asleep. Rong Yan was about to say to Liancheng Yazhi, "It's still early. Should we do something meaningful? unexpectedly, Liancheng Yazhi picked her up and went into the next room.

Seeing this scene, the smile on Rong Yan's face grew wider. She wiped her hair and said to Liancheng Yazhi, "you're also in the rain today. I'll stay here to look after MeowMeow. You should quickly take a hot bath.

"okay, yingluo." liancheng yazhi handed meowmeow to rong yan, but he didn't go in immediately. instead, he stood up and took a towel from rong yan to dry her hair.

wait a little longer, ran ran. Liancheng Yazhi wiped Rong Yan's hair for a while until it was not so wet. Only then did he let go.

After doing this, Liancheng Yazhi was relieved and went to take a shower.

Rong Yan looked at the closed bathroom door and chuckled softly, her face full of joy and happiness.

she lowered her head to kiss ”

“don’t go to the usual places,”

Of course, Rong Yan wasn’t the one who prepared dinner that night. When she was about to show off her skills, she suddenly realized that all the ingredients Yingluo had bought had not returned, because ... The Cheng family’s car had not returned either.

Rong Yan sighed. She had almost forgotten about Seven. He was a thief, and there was a saying in the stealing world that a thief would never leave empty-handed, so that car was his.

However, Rong Yan really wanted to ask, ‘Seven, if you don’t want to return the car, you should at least return the original driver.’

at night, meowmeowmeow finally fell asleep. rong yan was about to say to liancheng yazhi, ” It’s still early. Should we do something meaningful? unexpectedly, Liancheng Yazhi picked her up and went into the next room.

rong yan raised her eyebrows and hugged liancheng yazhi’s shoulder.”Ah Yingluo, so you’re afraid of disturbing MeowMeow, ah Yingluo.”

She didn’t expect that Mr. Liancheng would act out of character tonight and not directly push her down and strip her clothes.

545 I didn’t want to hide it from you

Instead, Xuxu pulled Rong Yan down and made her sit down. He stood in front of her with a cold face and said with a serious face, ” “Sit still and don’t move.”

“what’s wrong?” rong yan was surprised.

Why did he suddenly change his face?

Liancheng Yazhi’s tall figure stood in front of Rong Yan, completely shrouding her in a shadow, giving off an invisible pressure. He pointed at Rong Yan and said, ” just sit there and don’t move. I’m going to ask you questions now, and you’d better answer honestly. If you dare to hide anything, I’ll teach you a lesson.

rong yan widened her eyes. today? Could it be that Xuanji Liancheng Yazhi already knew?

“Yingluo, what do you know that makes you look so energetic?”

Liancheng Yazhi’s face immediately turned even uglier when he heard that. As expected, something really happened today.

He asked,”what’s going on today?” What was happening? Tell me everything if you can.”

Rong Yan said again,”ah?” Did you really know?”

Liancheng Yazhi gritted his teeth.

Rong Yan sat upright and still. He scratched his head and said, "even if you didn't ask, i would have told you. i didn't want to hide it from you."

this afternoon, I wanted to go to the supermarket to buy some ingredients while meowmeowmeowmeowmeow was asleep so that I could cook for you guys tonight. In the end, when I came out of the supermarket, I received a call."you can guess who it is, right? He's your father."

When Liancheng Yazhi heard this, he immediately clenched his fists, unable to hide his anger. he called you. Hmph, ran ran wanted you to leave, right? "

Liancheng Yazhi now really wished that he was not Liancheng Bo's biological son, so that he could kill him without any scruples.

The father and son must have had a grudge in their past lives, so they were at loggerheads with each other in this life.

Rong Yan nodded. not only did he ask me to leave, but he also said something about MeowMeow's body. Yazhi, I know about the problem with MeowMeow's blood. Your father said that it was because the head of your family, starting from you, had obtained a pill that could change the body's Constitution. Since then, no one in Xuanji, even the direct descendants of the Cheng family, would receive the blood inheritance from the previous generation. It was just that the power in the blood was too strong for an adult's body to bear. Therefore, from one month to three months after birth, you must take a medicinal bath in order to suppress the strong power in your body."

at this point, rong yan's eyes turned red. after a while, she said, "And this prescription is passed down from father to son, and it's not allowed to be passed down from generation to generation. Only the head judge knows about it. But, you're unlucky. Your father didn't tell you about this secret that concerns the life and death of the Liancheng family. You don't have any descendants, or will he only be happy when all your descendants are dead?"

Rong Yan really couldn't understand that old man, Lian Chengbo. What was he thinking?

No matter what unhappiness there was between him and Liancheng Yazhi, this secret was related to the future of the Lian family. This was not only Liancheng Yazhi's matter. If he didn't say it, he would make the Liancheng family die without descendants.

Oh my God, this is too scary. What is Lian Chengbo trying to do?

The secret that Rong Yan told him made Liancheng Yazhi suddenly feel shocked, but he slowly calmed down again. He laughed, his voice filled with endless coldness, but there was no disappointment or sadness. So many years had passed, and Liancheng Yazhi had long lost all hope for old master Liancheng.

.....

Chapter 546 Do you believe that I will strangle you to death right now?

To Liancheng Yazhi, old master Liancheng was not as kind as a stranger.

This problem was not something that could be solved by a simple sentence of father and son disharmony.

The old thing had been hiding this secret all along because he wanted to use it as his last trump card to negotiate with him at the right time. As for what would happen to the Liancheng family in the future, he didn't care at all.

This was also the reason why Grandpa Liancheng had always looked down on Lian Chengbo. He was not someone who could make the Liancheng family stronger.

Liancheng Yazhi walked to Rong Yan's side and sat down, hugging her shoulders. that's why Huahua and MeowMeow's condition couldn't be controlled because we didn't have time to let her soak in the medicinal bath. No wonder there was no information about her from her birth to March.

This prescription and secret were the foundation of the Liancheng family's existence, so it was no surprise that they were protected so well.

Rong Yan reached out and hugged his waist,"Yazhi, if I don't leave, he won't give us the prescription. What should I do?" Why don't I leave first?"

As soon as Rong Yan finished speaking, Liancheng Yazhi's eyes were spewing fire. He gritted his teeth and roared, "If you dare to leave, I'll strangle you to death!"

Rong Yan immediately protected her neck. "aiya, yingluo, don't be like this. i don't mean to really leave. let's have a walk."

before she could finish, liancheng yazhi suddenly lifted her chin and asked, "no, when you left the company for the first time, did you already decide to leave?"

Rong Yan swallowed and stepped back. She lowered her head and said softly, "I decided to leave when it was Yingluo's time."

Liancheng Yazhi pulled Rong Yan over, lifted his chin, and asked, "then why did you suddenly come back? what happened between the two of you?"

The image of 'Seven' flashed across Rong Yan's mind, and she wondered if she should say 'seven'.

No, he couldn't say that Seven was working for Xia Xuanmo, and he also knew su Yue. If he did that, the two of them might be dragged out, and it would be interesting.

Rong Yan didn't really want to hide it from Liancheng Yazhi, but at this time, she should focus on saving MeowMeow.

Rong Yan changed her mind and decided to change the topic. She said fiercely, "What's wrong? are you blaming me for not communicating with you and coming back to find you?"

Liancheng Yazhi reached out and flicked Rong Yan's forehead, not buying her act at all."Don't talk nonsense, you know what I mean, hurry up and tell me Yingluo."

Rong Yan was so troublesome that she couldn't fool Cheng Yazhi at all. She could only say in a low voice, "because, because Yingluo, someone told me that it doesn't matter if I leave or not. Besides, Yingluo's daughter's happiness can only be given to her biological mother. I can't just give MeowMeow to you. Rong Yan stopped for a moment and looked into Liancheng Yazhi's eyes. She said word by word, "I definitely won't let her call another woman" mommy."

Rong Yan told Liancheng Yazhi clearly that from now on, she wanted to occupy all of him. It was absolutely impossible for her to have other women.

Liancheng Yazhi's ears turned red again. This ran ran, this was Rong Yan announcing her possession of him. Was ran ran expressing her love?

Why did she keep giving him surprises today?! However, the proposal was both a surprise and a joy.

.....

Chapter 547 I don't want my daughter to call someone else mom

Liancheng Yazhi ruffled Rong Yan's hair a few times. idiot, you already have a daughter. What are you still thinking about? no one can change the fact that you are MeowMeow's mother, and it will never change in the future. Only you can be the mother of my child, not just MeowMeow.

Rong Yan blinked and asked with a smile, "Is this a proposal?"

Liancheng Yazhi immediately denied it without even thinking. "of course it's because of yingluo. tell me clearly, who was that person talking to you?"

He would not propose so hastily. His proposal must be etched in her heart and bones for the rest of her life, and she would never forget it.

"It's our family's driver, master Liu!" An idea came to Rong Yan's mind and she said.
[Seven: rongyan, I won't be happy. I really won't be happy]

Seven's makeup artist was master Liu, so there was nothing wrong with him writing like that.

Liancheng Yazhi immediately shook his head in disbelief."it's him? that's impossible, master liu is not someone who can talk well. why would he tell you this, it can't be him?"

Rong Yan cleared her throat. he's not a talkative person, but that doesn't mean he can't speak. Besides, this kind of person usually only says golden sentences when he opens his mouth. He only used one sentence to wake me up and make me realize the most important thing for me-that I can't be led by the nose by others.

Liancheng Yazhi touched Rong Yan's face, still suspicious. "Is that really the case?"

Rong Yan nodded seriously,"it's really Yingluo."

Rong Yan saw that Liancheng Yazhi was still asking questions, so she racked her brains and used all sorts of means to seduce Liancheng Yazhi. As long as she did that, Liancheng Yazhi would definitely forget about master Liu, Yingluo.

After a round of lovemaking, Rong Yan lay on Liancheng Yazhi's chest and acted coquettishly."Yazhi wanted to discuss it with you."

liancheng yazhi narrowed his eyes, his big hand sliding back and forth on rong yan's smooth back. he was so satisfied that he looked like a lion who had just eaten and was lying under the sun to warm himself up. he didn't even open his eyes and said directly, "As long as we don't leave, everything can be discussed."

the hope on rong yan's face instantly disappeared. she said with a bit of flattery, "Yazhi, that's what I'm talking to you about. I'm not really leaving Wanwan. I'm just acting for your father. I'll come back after I trick him into giving me the formula. I've already thought of how to 'leave'. Can I tell you?"

Although Rong Yan had already decided not to leave and to stay by Liancheng Yazhi and MeowMeow's side ...

However, she didn't want to give up on getting the formula from Liancheng Bo, so she planned to discuss with Liancheng Yazhi. The two of them would work together and put on a show to deceive Liancheng Bo, making him really think that she had left. Then, she would get the formula from him. No matter what method she used, she would get the formula first.

liancheng yazhi opened his eyes and patted rong yan's butt twice. he did it so hard that two red handprints immediately appeared. don't even think about it. You'd better give up on this idea. If you change your mind and try to do anything, I won't let you off.

whether it was true or not, he would not let rong yan leave again.

if it wasn't for 'master liu's' words today, rong yan would have run away again. he couldn't bear this blow, and neither could meowmeow.

He couldn't live without his wife, and MeowMeow couldn't live without her mother ...

—

Chapter 548 Do as I say

Rong Yan twisted twice. Just now, Liancheng Yazhi had really used a lot of strength and did not hold back at all. Rong Yan was in so much pain that she sucked in a few cold breaths.

Rong Yan reached out and gently scratched Liancheng Yazhi's chest a few times."Don't you want to get the recipe from your father? although MeowMeow is almost three years old and I don't know how effective it will be if I start making it now, I still want to try it,"

liancheng yazhi sighed and gently rubbed the spot where he had just hit."Don't worry about the formula. I'll think of a way. Just take care of MeowMeow."

Liancheng Yazhi now felt that he could not pin all his hopes on old master Liancheng's Secret recipe.

Since the family had always stipulated that it was between one month of birth and three years old, there must be a basis for it. Besides, they couldn't immediately determine whether old master Liancheng was telling the truth even if he gave it to them.

He had to be prepared for both eventualities. Feng nongtang had already contacted a few well-known biological experts, and Jian an would be back with Natsume soon. Although there was no news from Kang Yu's side for the time being, he believed that it would not be too late.

Liancheng Yazhi believed that he would definitely be able to find a way to neutralize the blood in MeowMeow's body.

Therefore, he wouldn't let Rong Yan try this long.

Rong Yan still didn't want to give up. She continued to persuade him."but, meowmeow, we don't have much time. yingluo, we can't wait any longer. can you just do as i say? Besides, I'm just putting on an act for your father, I'm not really leaving. Can't you just hide me when the time comes?"

Liancheng Yazhi turned over and pressed Rong Yan down. if I say no, it means No. Don't talk nonsense. If you still have strength, why don't you think about how to satisfy me next? "

"as long as you agree, i swear that i can satisfy you for the rest of your life, anytime," rong yan quickly said.

Liancheng Yazhi lowered his head and kissed Rong Yan on the lips."Even if I don't agree to it, you'll still have to be suppressed by me for the rest of your life."

rong yan wailed at jian jia, this bastard. so what if you agree? i already said that i'm not really leaving. i'm not really leaving. why can't you think about it?

In the end, Liancheng Yazhi pressed down on Rong Yan one, two, three, four, and made love to her. He did it back and forth twice before he was willing to let go. After helping Rong Yan put on her pajamas, he carried her back to sleep.

.....

the next day, liancheng yazhi woke up early. his heart was pressing down on miaomiao and rong yan, and he was no longer in the mood to sleep in.

he wanted to save his daughter as soon as possible. he didn't want rong yan to continue to be worried about this matter, and he didn't want her to think about acting or leaving again.

As a man, it was his duty to take care of his wife and child. Now that

after rong yan got up, she kissed rong yan and meowmeowmeowmeow's faces.

Rong Yan opened her eyes in a daze and muttered, " "I'm awake, Yingluo."

Liancheng Yazhi poked Rong Yan and said,"yes, I'm awake. You can sleep a little longer."

Rong Yan soon fell asleep again. Liancheng Yazhi stood up and tucked her in before going out.

As soon as he stepped out of the door, his cell phone rang. It was Secretary Zhou.

"Young master ya, I have bad news." Secretary Zhou's voice was unusually heavy.

—

Chapter 549 wasn't he just dumped by a woman?

Liancheng Yazhi stopped in his tracks. what? "

Secretary Zhou's voice was heavy as he said, young master ya, I've sent people to look for the old people who used to work in the Liancheng family. However, some of Yueyue's people have died, some of them are hospitalized due to serious illness and can't speak anymore. The old Butler, Yueyue, has disappeared.

Liancheng Yazhi sneered, and a sinister look flashed in his eyes. it was the old man's doing. It doesn't matter if we can't find him now. I already know what his trump card is.

It would be useless even if he found those old people. They would not know the contents of the formula.

however, their deaths could let Liancheng Yazhi confirm one thing. It seemed that the old man Xuanji still had a secret force in his hands that he had not returned back then. Tsk, tsk. He didn't expect that he would only use it now for the matter of Rong Yan.

Alright, since the war had been declared, Wufu had nothing to worry about.

"Are Jian Yi and Natsume back?" Liancheng Yazhi asked.

Secretary Zhou quickly said, "Oh, I was just about to report to you. Last night, master Jian kidnapped Natsume. However, Natsume is not cooperating with Yingluo now. He won't enter the laboratory no matter what.

"I know, I'll go take a look now."

After hanging up the phone, Liancheng Yazhi drove to the simple sanatorium.

Before she entered, she heard a man's voice shouting, "If you let me go now, you'll still be my boss. If you don't let me go, I'm telling you, I'll cut off all ties with you today."

Jian Jie said disdainfully, "Come on. Don't shout these useless things. Just tell me. Are you going to enter the laboratory?" I'm telling you, you won't suffer a loss if you go in."

No, no, I'm not going in. I said I'm never going back to China. If you didn't kidnap me, I'd never set foot in this land.

He simply laughed, "Tsk, what a deep hatred, wasn't it just because he was dumped by a woman, hehe .."

"You still said, you still said that if Yingluo had the ability, you would untie me. I'll poison you mute and make you unable to speak for the rest of your life."

Liancheng Yazhi laughed when he heard this and kicked the door open.

"Liancheng, you're here." Jian Jie turned to look at him and smiled.

He kicked the man lying on the carpet. "There, this is the boy. You didn't see him when you went to the border that year.

Liancheng Yazhi looked down. The other party was wearing a dark green military uniform that was covered in mud. His face and hair were dirty, as if he had just been pulled out of a quagmire, and he could no longer tell what he looked like.

Natsume glanced at Liancheng Yazhi and turned his head away. Hmph!

Liancheng Yazhi looked at the mud on the stall and said, "You're not planning to sleep at night in this place."

Jian Xiao smiled. It's alright. He'll sleep here. I'll sleep on the bed.

Liancheng Yazhi did not even look at Natsume. He walked straight to the sofa and sat down, chatting with the simple man.

This made both Jian Jie and Natsume feel strange. Didn't this guy want Natsume to go to the laboratory to study the problem of Meowmeow's blood? Why didn't he say anything to Natsume? It was as if he didn't care at all. This really made people wonder.

After a while, someone knocked on the door. Liancheng Yazhi smiled and said, "Coming, Yingluo."

—

Zhang Jimu repeated that this situation is due to the phone's buffer. Dear, please refresh the page more often. I'm sorry for the inconvenience caused.

Chapter 550 Genius and lunatic

Liancheng Yazhi glanced at Natsume and said, "come in."

There were two people who pushed the door open and entered, each of them carrying a box.

After seeing Liancheng Yazhi, he quickly bowed. "Young master ya, Qianqian."

"put it on." Liancheng Yazhi pointed at the table.

The two of them quickly opened the box and took out a high-precision microscope from inside. Then, they nimbly took out a petri dish and placed it under the microscope.

He quickly finished everything under the bewildered gazes of Natsume and Simba.

"Young master ya, I'm done."

Liancheng Yazhi gave the person a look. take him to see.

The 'him' he was referring to was Natsume, not simply.

the two of them turned around and walked toward natsume, who quickly backed away. "What are you guys doing? Don't mess around, boss. Boss, you're just going to watch me get bullied."

With a simple chuckle, Natsume was brought to the microscope, and one of them pressed his head down.

"what are you doing? i don't want to look! i don't want to look at yingluo! i don't want to look at yingluo!"

The two of them held Natsume's head in place and forced Natsume's eyes open with the other hand.

Natsume began to struggle violently, as if he would rather die than submit. However, his body suddenly stopped, and he shook his head hard, as if he wanted to wake up. He said to the people beside him, "rub my eyes."

the man on the left quickly rubbed both of his eyes.

Then, Natsume took the initiative to look at the microscope this time. After a few seconds, he began to scream in excitement, "I'll go, Yingluo, I'll go, my Yingluo is too crazy, too crazy Yingluo can actually do this, God's Yingluo, it's a fatal thing Yingluo."

At this moment, Natsume seemed to have changed into a completely different person. He was so excited that he wanted to stick his head into the microscope.

Liancheng Yazhi and Jian an looked at each other. At that moment, there was a smile on his face, as if his evil plan had succeeded.

It was only now that he understood why Liancheng Yazhi had ignored Natsume in the beginning.

Liancheng Yazhi slowly walked to Natsume's side and casually took out a military knife from Natsume's boots. He did not expect that such a big move would not wake Natsume up from his extreme shock and excitement.

Liancheng Yazhi Cut the Rope around Natsume's wrist and asked, "do you want to study this blood sample?"

Natsume raised his head, and his Adam's apple bobbed twice. His eyes were filled with crazy excitement, and he couldn't wait to figure out what was going on with what he had just seen. He nodded his head randomly. "think about it, think about it, yingluo, i'm begging you, young master ya, brother ya, yingluo, i'm begging you to let me enter the laboratory. let me do the research. yingluo, i'm begging you, yingluo."

Natsume was a medical genius, but he was also a genius. People like him usually had a different brain from normal people.

some people said that there was only a fine line between a genius and a lunatic.

Therefore, Natsume was both a genius and a lunatic. The more insane he was, the more fanatical he would be when it came to biological phenomena that he had never seen before. He could not wait to challenge them. This had become his instinct, a physiological reaction that he could not control.

Therefore, there was no need for Liancheng Yazhi to beg him. As long as he saw the cell movement of MeowMeow's blood sample under the microscope, he would take the initiative to look at him.

Liancheng Yazhi's lips moved. I can promise you that, but you don't have much time, Wanwan. You have to figure out how to suppress what you saw just now in half a year's time. Can you do it? "
