

Permit Me 571

Chapter 571 Call me 'hubby' again

Rong Yan knew that he must be in a very bad mood right now. She tried her best to bend her body and cooperate with his kiss. She stood on her tiptoes and wrapped her arms around his neck. Her hands gently stroked his back, hoping to comfort his emotions.

Gradually, Liancheng Yazhi's tensed body softened, and the force of the kiss decreased, but Gong Jie was still overbearing and strong.

The two of them were entangled for a long time before Liancheng Yazhi let go of Rong Yan. His big hands held Rong Yan's small face and he murmured in a low voice, "Do you really have a way to stay by my side forever?"

Rong Yan leaned into Liancheng Yazhi's arms and said softly, "Yazhi, don't worry. I promise that after I leave, I will stay by your side. I have a trump card in my hands, and you know me. I never say anything that I'm not confident in. If I say I can stay, I will definitely stay."

Liancheng Yazhi was confused, curious, and afraid that Rong Yan was lying to him. "what card?"

Rong Yan thought for a moment and felt that it was better not to tell him for the time being. She shook her head and said, "I can't tell you this."

"however, i need you to ask secretary zhou to help me with something."

"what is it?" Liancheng Yazhi's heart felt like it was being scratched by a cat by Rong Yan's words. He really wanted to know, but she just didn't say anything.

Rong Yan smiled. our family lacks a Butler. We don't know what kind of chaos it will be once we leave the house. We should quickly find a Butler to go back and take care of it. Only then will we be at ease.

Liancheng Yazhi was even more confused by Rong Yan's sudden change of topic. why did you suddenly think of this? It doesn't matter if there's no Butler at home, those maids wouldn't dare to do anything."

Rong Yan hugged Liancheng Yazhi's arm and acted coquettishly. "Aiya, don't worry about it. Hurry up and call Secretary Zhou to find a female housekeeper. It's best if she can be found today. She's about the same size as me, and it's best if she's fat and thin and doesn't interject much. Yes, she has to be older, in case something happens to Wanwan."

Liancheng Yazhi rubbed his forehead. Alright, alright. I'll listen to you. I really can't do anything to you.

"Hubby, you're the best!" Rong Yan stood on her tiptoes and kissed the corner of Liancheng Yazhi's lips.

Liancheng Yazhi's heart suddenly felt sweet. He hugged Rong Yan and told her the same as him, coaxing her lovingly. "Baby, call me Yingluo again."

Hubby, these two words sound so beautiful!

It simply made Liancheng Yazhi feel that his heart was about to fly. It seemed that Rong Yan had already regarded him as her most intimate lover. No, it should have been long ago. Otherwise, Yingluo wouldn't have proposed to him in front of the building in front of so many people.

Rong Yan tilted her head and smiled, "your Huahua is the best."

Liancheng Yazhi pinched Rong Yan's waist. "Not this one, the one in front."

rong yan pretended not to know. after thinking for a while, she said, " "The older Yingluo."

Liancheng Yazhi simply smacked her butt. a little bit at the end of this, two words. You're not allowed to say anything wrong. If you say anything wrong, we don't have to go out. Let them wait outside, and we can have a good chat.

as he spoke, his hands began to move in an unruly manner.

Rong Yan quickly pressed his hand down. The people outside were all waiting. If she really stayed in the room for such a long time, she would definitely be " "Okay, okay, I'll call you old Gong Gong Gong Gong Gong."

Chapter 572 It's not enough to listen to it for a lifetime

Liancheng Yazhi was so happy that a flower bloomed on his face. He hugged Rong Yan and pressed her forehead against hers, coaxing, " "Call me Yingluo again."

In order to make Liancheng Yazhi happy and make him agree to all her requests, Rong Yan patiently shouted, " "Hubby, hubby, hubby, hubby, have you had enough?"

Liancheng Yazhi shook his head decisively. it's not enough. It's not enough even if you listen to it for a lifetime.

Rong Yan gently pinched his ear. alright, stop shouting. Let's go out. They're all waiting.

Liancheng Yazhi sighed and was a little reluctant."alright, yingluo."

When the two of them got together, they would hold hands and let everyone feel the joy between their brows. It even made people want to experience their happiness and happiness with them.

the men were all people who had walked past the scene. when they saw rong yan's slightly swollen red lips, her face was like a peach, and her cheeks were flushed red, they immediately understood what had happened.

Feng nongtang was the first to complain. Hey, hey, you guys are not kind like this. We are all so cowardly, trying our best to help you, but you two were caught having an affair. It's fine if you're having an affair, but you were caught by us. You're eating the meat and drinking the soup without even letting us look at you. You're not brothers!

liancheng yazhi laughed and lowered his head to the girl in his arms."Baby, they want to see it live, do you want them to see Yingluo?"

"No, Yueyue, stop fooling around. Let's talk about serious matters." Rong Yan pinched her waist.

Liancheng Yazhi was in a very good mood now, so good that even MeowMeow's matter couldn't affect her mood.

Rong Yan was a weather forecast for his mood. Only she could make him happy and only she could make him angry. Everything he had was because of her.

Feng nongtang's expression was especially exaggerated, covering his face and leaning on his simple shoulder, as if he was very sad.

Rong Yan sighed and said, "Okay, okay. Don't talk anymore. Sit down obediently and stop fooling around. We have to talk about serious matters now.

After saying that, Rong Yan nudged Liancheng Yazhi's arm to make him continue.

He immediately took over the conversation. now, I have two questions. First, how did Rong Yan leave? what method will she use to leave so that the old man will believe her without a doubt? "

after a pause, he continued,"second, what reason would rong yan use to trick the old man back after she leaves?" He wouldn't have suspected anything."

Everyone fell into deep thought, and finally, Rong Yan said.

we'll go back and think about how to leave. We'll talk about it tomorrow. But the reason for tricking the old man back is simple. You can just say that MeowMeow's third birthday is coming up and hope that he can come back to make up for the sadness that MeowMeow's mother's departure brought.

After some discussion, everyone felt that this was a good idea. They added some more opinions before the meeting ended.

.....

In the end, the day after their discussion, Rong Yan received a call from old master Liancheng.

as soon as the call was connected, rong yan heard the voice over the phone that could not suppress the joy. "hello, miss rong, i heard that

Rong Yan sneered. old Mr. Liancheng, no one can stop you from coming back to see your own granddaughter. That's right, Yingluo, my daughter's illness is acting up. You can be satisfied now.

Chapter 573 A waste of air

Old master Liancheng said shamelessly, "miss Rong, you're wrong. As a grandfather, I'm also very worried about

Rong Yan could not hide the anger on her face. If Lian Chengbo was in front of her, she would definitely beat this old bastard to death.

He gloated at her daughter's misfortune when she was sick. When she thought of his old face, which was full of wrinkles, smiling at the moment, Rong Yan could not suppress the anger in her heart.

Liancheng Yazhi had been playing with MeowMeow over there just now. After hearing Rong Yan's voice, he immediately put up his guard and let MeowMeow play alone first. He stood up and slowly walked towards Rong Yan. When he came to her side, he put his arm around her slender waist and put his head close to the phone, listening to old master Liancheng's voice with her.

rong yan sneered contemptuously. "in the past, i didn't know why people would say 'old people won't die', but now, thank you for letting me understand the meaning of these three words. it's really old but not dead. living one more day is a waste of air. "

Scolding someone's father in front of their son was originally a very unfilial thing to do, but now, not to mention Rong Yan, even Cheng Yazhi wanted to shoot that old man.

Old master Liancheng's zodiac was a Ninja Turtle, so he could still smile when faced with such curses. miss Rong, you have to be calm when you talk about things. Anger will only make you lose your mind, and it won't do you any good. Look at MeowMeow, she's still lying in the hospital. Her illness might act up again at any time. You have to hurry.

Rong Yan and Liancheng Yazhi looked at each other, and their eyes were filled with the same words: if you get this old man back, you must not let him off easily.

At this moment, Liancheng Yazhi's eyes were as cold as the Grim Reaper of hell. That kind of gloomy and terrifying aura made those who were close to him feel as if their teeth were about to be frozen.

Rong Yan gently patted Liancheng Yazhi to make him restrain himself a little. Then, she calmed down and asked, "okay, I'll let you have your way. I can promise you to leave. However, when will you give the prescription to Liancheng Yazhi? "

old master lian cheng said unhurriedly, " "miss rong, you should at least let me see you leave first, right?"

"Hmph, do you think I'm an idiot? what if i leave and you don't tell your son the prescription?"

Rong Yan knew that in front of an old man like Lian Chengbo, she couldn't leave so easily. She had to make him think that she was very difficult to deal with and that she had to leave only when she had no choice. Only then would he believe the credibility of her leaving.

Old master Liancheng said regretfully, " miss Rong, we should trust each other when doing business. How about this, Wanwan, wait for me to confirm that you've left, such as getting on the plane or something. I'll pass the prescription to Yazhi, and after you get off the plane, you can just call him. If I don't give you the prescription, you can come back directly.

Rong Yan really wanted to spit on the other party's face. that's on the basis that the other party is trustworthy. what can a shameless old fox like you be trusted in? What if I leave and you don't give it to me at all? what if yingluo's prescription is fake? Just like you said, only you will know. Whether it's true or false, it's up to you."

Chapter 574 I've already proposed, why won't you agree?

Old master Liancheng sighed. if everyone is as suspicious as you, miss Rong, then there's no need to make any deals in the world. I'm not forcing you to do this. It's up to you whether you want to leave or not. It's also up to you whether you believe me or not. I'm only responsible for providing a prescription for Wanwan.

Old master Liancheng knew very well that he thought he was the only way to cure MeowMeow with the prescription he had. So, no matter what Rong Yan thought, as long as her daughter was the first in her heart, she would leave.

She knew that if she left, her daughter might have a chance to live. If she didn't leave, then Yingying would really have no way out.

Finally, after a long wait, Rong Yan replied in a hoarse voice, " "Okay, I'll let you see what you want to see tomorrow."

Only then did old master Liancheng say with satisfaction, " "That's right. I hope everything goes well tomorrow, miss Rong. I'll wait for your good news."

After hanging up the phone, Rong Yan took a deep breath. Every time she spoke to old master Liancheng on the phone, she felt like she had swallowed a lot of flies and was very disgusted.

Rong Yan looked up at Liancheng Yazhi and said, reaching out her arms to hug his neck."Don't be angry. Make a trip home tomorrow and put on a show for him. Don't worry, as long as we arrange it well, I don't even have to leave the house."

Liancheng Yazhi looked at Rong Yan without saying a word. really? "

of course it's true. You just wait and see. You'll be able to get your old man back.

Liancheng Yazhi was still worried. Although Rong Yan had promised him again and again and looked very confident, he still couldn't feel at ease. He was really scared of Rong Yan when she left the last time.

Rong Yan reminded Rong Yan, " we have to pretend to have a fight tomorrow. Then, when I leave, your old man will be more convinced. So, no matter what Yingluo says tomorrow, it's all fake. Don't take it to heart and don't believe it, okay? "

When they were acting tomorrow, she must let old man Liancheng know what she said. Otherwise, he would not be satisfied if she left without a word.

However, Rong Yan was afraid that the words she wanted to say to Liancheng Yazhi before she left would be too hurtful, so she wanted to tell him in advance.

"what are you going to say?" liancheng yazhi's face immediately darkened.

Rong Yan lowered her head and said softly, " this Yingluo definitely won't say anything nice. That's why I wanted to give you a heads up in advance. Yingluo, can you pretend you didn't hear anything when the time comes? "

Liancheng Yazhi refused without thinking. no, even if it's fake, you can't say that it's too much, Yingying. Otherwise, I still can't accept it.

Rong Yan's eyes rolled twice and she smiled."then don't listen to me when i'm talking tomorrow. just think about what i said when i proposed to you the other day."

At the mention of the proposal in the rain that day, Liancheng Yazhi's face turned red. you, Qianqian.

Rong Yan suddenly changed the topic and asked fiercely, ” “Hey, Liancheng Yazhi, what are you thinking? I’ve already proposed, why didn’t you agree? What are you thinking? Are you planning to just leave me hanging like this?”

Upon hearing this, Liancheng Yazhi was afraid that Rong Yan would misunderstand and quickly explained, ” “Without Qianqian, I wouldn’t have agreed because you could propose!”

Rong Yan pointed at a bear-shaped sofa and lifted her chin to let Liancheng Yazhi sit over there. why? come on, while you still have time today, explain it to me clearly.

Chapter 575 you must marry me!

Liancheng Yazhi rubbed his forehead and slowly walked over to sit down.

As soon as he sat down, he saw Niuniu, who was building blocks, looking at him with a silly smile. She seemed to be cheering for her father being scolded.

Liancheng Yazhi made a face at

Rong Yan turned to look at

rong yan stood in front of liancheng yazhi, blocking his line of sight. ” don’t waste time. tell me, i’m listening. ”

Liancheng Yazhi touched his nose and said,”it’s not that I don’t agree to Yingluo.”

rong yan glared at him. ” but you clearly rejected me. and you did it in front of so many people. you’ve made me lose so much face. ”

liancheng yazhi thought to himself,”if i had agreed back then, i would have been embarrassed in front of my children for the rest of my life.”

ahem, ahem, Yingluo, I just think that it’s better for Yingluo’s man to propose. You’re a woman, so you’re not suitable for this kind of thing.

the corner of rong yan’s mouth twitched and she looked at liancheng yazhi with a little disdain.”What era are we living in now? why are you still thinking about this? fine, I won’t propose. Why don’t you propose for me?”

Liancheng Yazhi,”Yingluo.”

He wanted to propose, but it was not the time yet. Now that MeowMeow’s condition was so serious, he really did not have the time and energy to make a Grand proposal. He did not want to deal with it hastily.

Without waiting for Liancheng Yazhi to speak, Rong Yan said, ” “But it’s really not the time to propose, Yingluo.”

However, he quickly said, ” I don’t care what you think. I have decided on one thing today. MeowMeow is my daughter. If you want her, you must have me. If you want MeowMeow to take your surname, sure. But Yingluo, you have to marry me first. Otherwise, I will make MeowMeow wake up from other people’s surnames.

Rong Yan’s Rascal-like words sounded overbearing and unreasonable, but she also wanted to use this method to let Liancheng Yazhi relax and let him know that she had already made up her mind to

Liancheng Yazhi laughed in the dark night, and his mood gradually relaxed.

Since he couldn't stop this game, he had to make good preparations and win this game at all costs. Moreover, he would have to fight with the old man sooner or later. This time, he would just take it as an early fight.

Liancheng Yazhi wanted his father to come back and never return.

Liancheng Yazhi patted Rong Yan's shoulder. "Go to sleep. Get enough energy. There's still a lot more tomorrow."

"Yingluo, sleep."

The next morning at eight o'clock, the family of three woke up on time.

The first thing they saw when they opened their eyes was each other's face. They looked at each other and smiled. "Good Morning," she said.

Liancheng Yazhi kissed Rong Yan's forehead. are you getting up? "

Rong Yan took a deep breath and sat up. "Of course, it's time to fight!"

Her eyes were filled with determination. For the sake of her daughter and the happiness of their family of three, she was going to give it her all.

When she went to the bathroom to wash up, Rong Yan's phone rang again. When she saw the number on it, Rong Yan pouted. He was really bold. Wasn't he afraid of being found out by Liancheng Yazhi if he called at this time?

When he picked up the phone, old master Liancheng asked directly, "Miss Rong, is Yazhi by your side?"

"he's not here for the time being, but he'll be back soon. what do you want to say?"
rong yan said unhappily.

to make a long story short, you're leaving today. In order to prevent you from cheating, I need to know what you two talked about and what happened.

Rong Yan sneered. This old bastard didn't mention this request yesterday and only said it now. He was obviously doing it on purpose. He was afraid that she would have time to prepare a new plan after he said it yesterday. If he were to make a request now, Rong Yan would have no time to prepare.

rong yan scolded. "i know that you have people in the lian Cheng family. i will go back. whether she has the ability to hear my conversation with lian Cheng yazhi is her business."

old master lian Cheng finally said, "no, there's another way. when you're talking to yazhi, please keep your phone connected."

After hanging up the phone, Rong Yan really chopped the old man's head off and fed it to the dogs. Even though she was angry, Rong Yan still quickly sent a text message.

Chapter 577 Don't even think about going abroad?

"Did the old man call again?" Suddenly, a voice came from behind her. Rong Yan was so shocked that she almost dropped her phone. She quickly turned around and saw

Liancheng Yazhi leaning against the door frame, his eyes filled with unconcealed murderous intent.

Rong Yan heaved a sigh of relief. Fortunately, she had just sent the text message.

She casually placed her phone on the sink and nodded. "yes, he was afraid that i would play tricks and wanted to hear the content of our final 'break' conversation. he asked me to keep my phone on and keep the call on until i died. see, this time, i had to say those words even if i didn't want to."

Rong Yan saw that the anger on Liancheng Yazhi's face had increased a little, and she did not know what he was cursing.

She sighed and suddenly felt that Liancheng Yazhi was really unlucky to have met such a difficult father. He was not as good as her. Although Yang Yan was vicious, she was not so scheming and was easier to deal with.

He was not like Liancheng Yazhi's father, who wanted to snatch the family power and could bear to see his son without descendants.

Rong Yan walked over and stood in front of Liancheng Yazhi, saying, "Yazhi, I think we should make some changes to yesterday's plan. Use my name to book a ticket to the capital of country a for tonight's flight, hehe."

Liancheng Yazhi glared at her and grabbed Rong Yan's shoulder. He shouted angrily, "What? Don't even think about going overseas."

Rong Yan quickly put her finger on her lips. Shh, keep your voice down. Don't wake MeowMeow up. Don't worry, don't worry, I won't go to the airport. When I was in H nation, you were able to adjust my flight and get me back. It's easy enough to do something in your own country's airport. What you need to do is to make the airport have my departure record and make your old man's people see me entering the boarding passage. They will think that I'm on the plane.

liancheng yazhi heaved a sigh of relief when he heard that. he loosened his grip on rong yan's shoulder and said, "Alright, I'll get mad scientist and Kang Yu to do it."

The reason why Liancheng Yazhi didn't make the arrangements himself was that he didn't want to spare so much energy now. He had to keep a close eye on Rong Yan and let others do the other things.

"Have you found the female Butler that Secretary Zhou found for me?" Rong Yan thought of another matter.

Oh, Yingluo has been found. She was arranged to move into the old residence yesterday.

Rong Yan was finally at ease. that's good. Hurry up and pack up. We'll go back after breakfast.

At half past eight, Rong Yan woke

at 9:20 am, the family had breakfast and got in the car to go home.

The atmosphere in the car was a little heavy. MeowMeow also felt that something might not be right between her parents, so she obediently chose to play with herself and not talk to them.

When they arrived at the Liancheng family's old house, the car stopped and Rong Yan grabbed Liancheng Yazhi's hand. "we'll definitely get through this crisis smoothly and safely."

Liancheng Yazhi wrapped his hand around hers and said firmly, "Of course, it's a must,"

This was a battle between the three of them. No matter who the other party was, they could not stop them.

Rong Yan smiled and leaned over to kiss both of their faces. get out of the car first. Your expression must be murderous. Act well.

she lowered her head and said to

Chapter 578 Did I not treat you well?

"Alright, alright Yingluo."

Rong Yan stretched out three fingers. I'm coming. One, two, three, three, close your eyes. You're not allowed to peek!

I'm not looking, I'm not looking, Yingluo. MeowMeow quickly covered her eyes with her two small hands.

Rong Yan glanced at Liancheng Yazhi, indicating that he could go down first.

Liancheng Yazhi did not move. He pulled her in front of him and kissed her fiercely. Then, he pushed the door open and got out.

after getting out of the car, liancheng yazhi's face instantly changed. his face was gloomy and his eyes were full of anger, as if anyone who dared to approach him would be burned to ashes.

When the maid standing at the door saw this, she was so scared that she quickly lowered her head and didn't dare to make a sound.

Standing in front of the maids was a middle-aged woman in her forties. She had light makeup on and was wearing black professional women's pants. Her hair was tied up meticulously, and every strand was very obedient. Her meticulous appearance gave people a very serious feeling, which made her look a few years older than her actual age.

She didn't seem to notice the anger on Liancheng Yazhi's body and walked in front of him. young master, I'm the new Butler that Secretary Zhou found. My surname is li. If I don't do a good job in the future, please forgive me.

Liancheng Yazhi did not even look at her and walked straight over."Hmph, don't expect others to forgive you if you can't do it well."

The expression on Butler Li's face did not change. He turned around and followed behind Liancheng Yazhi, keeping a distance of three steps."Yes, young master. I will do my best to satisfy you."

Rong Yan only got out of the car after Liancheng Yazhi went in. Her face was full of worry and her brows were tightly furrowed, as if there was something difficult that could not be resolved in her heart.

After the maids who hadn't left saw this, they all knew what was going on. It seemed that young master and miss Rong had quarreled, and they'd better run away.

Before entering the house, Rong Yan took out her phone and dialed master Liancheng's phone. The call was connected very quickly, and then Rong Yan put her phone in her pocket.

When she walked into the living room, she did not see Liancheng Yazhi. Rong Yan asked, "Where is he?"

"The young master sent miss MeowMeow upstairs," the maid quickly replied.

As they were talking, Liancheng Yazhi came down from upstairs, and their eyes met in the air.

From the maids' point of view, young master's eyes were filled with anger, sadness, and murderous intent, while miss Rong's Wanwan felt even more guilty. After their eyes met, it was like a spark falling on an explosive. The fuse was burning little by little and would soon explode.

However, it was not the case for the two people involved.

Rong Yan asked with her eyes, "are you ready?"

Liancheng Yazhi replied, "anytime!"

Liancheng Yazhi walked down step by step, his gloomy face like the last calm before the storm. When he walked down the last step, he shouted sternly, "All of you, get out. No one is allowed to come in."

The maids trembled in fear and quickly ran out to take a look.

Finally, only Liancheng Yazhi and Rong Yan were left, and the large living room seemed very empty.

Rong Yan gave Liancheng Yazhi a look and glanced at her right pocket from the corner of her eye, telling him that her phone was in it.

Liancheng Yazhi took a deep breath and cursed in his heart. Damn it, I didn't expect that one day I would have to fake a separation with my own woman.

Under Rong Yan's encouraging and urging gaze, Liancheng Yazhi finally suppressed his anger and growled, "Did I not treat you well?"

—

Chapter 579 Please bless my daughter to be famous for a hundred years

Rong Yan pretended to be cold and said casually, "good Yingluo, but there are so many men who are good to me. I don't need you. You're not the best, so I don't think I have any reason to choose you."

Although he knew that it was an act, hearing Rong Yan say this, Liancheng Yazhi almost lost his temper on the spot.

he glared at Rong Yan fiercely, his eyes full of threat and warning. "Just you wait, I'll teach you a lesson today!"

Rong Yan raised her hand to her chest and made a gesture of praying to Buddha. She blinked at Liancheng Yazhi and said quietly, "I'm doing this for credibility. It's fake, it's fake. Don't take it seriously, don't take it seriously. I'll apologize to you properly later!"

Liancheng Yazhi's heart felt a little better. With a cold face, he prepared his anger to the point where he didn't know how to speak and said, "good yingluo, very good. not bad, you have the courage to say this. do you have to leave?"

After Liancheng Yazhi finished speaking, he felt that he couldn't express his anger and reluctance to part with Rong Yan. It sounded a little thin and not very credible, so he quickly added, " "Rong Yan, what do you want? i can even give you the title of qian qianqian! as long as you stay, i'll pretend i didn't hear what you said today, and i'll treat you the same from now on, yingluo."

This sentence sounded like an affectionate confession. People who heard it would think that an affectionate man was using the last of his dignity to save a cold woman.

On the other end of the phone, old master Liancheng, who was listening to their conversation, sneered in disdain.

As the head of the Liancheng family, he actually said such humiliating words for a woman. That's enough. The Liancheng family will be finished sooner or later if it's handed over to him.

Rong Yan secretly gave Liancheng Yazhi a thumbs up. As expected of young master Liancheng. Even his acting was so realistic. If he became an actor, he might even get an Oscar.

Rong Yan pinched her throat and sneered. Mr. Liancheng, you didn't think that I came back to use my daughter to threaten you and to be the madam of the Liancheng family, did you? how ridiculous. A daughter, a daughter who doesn't even know if she can grow up and might die at any time. Mr. Liancheng, what do you think I can use Zhenzhen to threaten you with? "

As Rong Yan said this, she kept spitting in her heart, wishing she could give herself two tight slaps.

God, please forgive me. I'm lying. You can't take it seriously. Please don't hear me. Please bless my daughter with a healthy body and a lifetime of fame.

if she could, rong yan would never say that. however, in order to make it sound more real and to make liancheng bo believe that she had really made up her mind to leave, she had to use the most vicious words to hurt liancheng yazhi. only then could she make him 'desperate' and 'hate her from love'.

Only then would that old man, Lian Chengbo, believe him. Otherwise, he would never believe her if she just said that she would leave.

The more vicious her words were, the more likely it was that she would leave herself no way out. Only then would she be more credible with Bonar in Liancheng.

After Rong Yan said this, Liancheng Yazhi was so angry that his lungs were about to explode. He really wanted to strangle her to death. This damn woman, she's really going all out, Huahua.

.....

Chapter 580 she's definitely a good mother

However, Liancheng Yazhi had to admit that although it was a little harsh for Rong Yan to use Miaomiao, who was the most important person in his heart, to talk about it, it would indeed make old master Liancheng believe her more. Under normal circumstances, no mother would say that about her child.

While Liancheng Yazhi was angry, his heart ached for Rong Yan even more. She must have felt worse than anyone else when she said this.

However, he took two steps forward and reached out to pinch Rong Yan's face. Then, with a trembling voice full of anger and disappointment, he said, " "You actually think of her that way. She's your biological daughter. Since you don't like her, why did you give birth to her? why did you bring her back?"

Rong Yan gently rubbed her face where Liancheng Yazhi had pinched her. It really hurt. She glanced at him. He pinched her so hard. It really hurt, okay?

After thinking carefully for a while, he organized his words and said slowly, " " when i was pregnant for the first time, i didn't know what the early stages of pregnancy were like. by the time i found out, it was already obvious. at that time, i didn't want to keep it. no woman would find a burden for herself at such a young age, but the doctor told me that the child was four months old. my body was not in good health, and i had taken too many contraceptive pills before, so it was not easy for my body to get pregnant. if i had an abortion, it could cause massive bleeding, and my life would be in danger. I won't be able to have another child in the future, so I stayed. I'm such a selfish person. I can't risk my life for your child."

Rong Yan casually said these things that had no shadow in them. She said it so easily, as if she had really given birth to the child out of helplessness.

Those seemingly casual and insignificant words would immediately make people think that Rong Yan was an extremely selfish woman who loved herself more than anyone else, including her own daughter.

However, Rong Yan and Liancheng Yazhi both knew.

her mother loved

She would do anything for her daughter!

She might not be a good woman, but she was definitely a good mother.

"I thought you left three years ago and now you're back with your daughter. Does this mean that I'm in your heart? Since there is, why must you leave?"

The way Liancheng Yazhi looked at Rong Yan was getting fiercer and fiercer. He really wanted to end this matter in the next second. Hearing Rong Yan say these words, he felt particularly uncomfortable. He decided that after this matter was over, he would let Rong Yan say nice things to him every day.

Rong Yan smiled at Liancheng Yazhi, trying to please him, but when she spoke, her voice sounded emotionless and frighteningly cold.

She said, that's right, you're in my heart, but having you doesn't mean that I'll fall in love with you. You should know the reason why I came back. MeowMeow has congenital heart disease. I can't find a good doctor for him with my ability, and I don't have that much money, so after thinking about it, I came to you. I know that MeowMeow's condition is quite serious, but Yingluo, you're so good and you treat her well. I'm relieved to leave her in your hands. I've already wasted more than three years because of her, it's almost enough. I have to live my own life."

rong yan had deliberately described herself as a selfish, cold, and heartless woman. anyone who heard those heartless words would want to beat her up.
