

Chapter 581 is your heart made of stone?

The two of them were getting better and better. Just from their voices, they were absolutely on point. Those who didn't know would really think that they were acting some melodramatic act of breaking up. However, from their expressions, they didn't feel anything at all.

Liancheng Yazhi narrowed his eyes at Rong Yan, hiding the anger in his eyes and continuing to walk through the script.

“rong yan, she's your daughter. how can you treat your biological daughter yingluo like this? is your heart made of stone?”

Seeing that Liancheng Yazhi was about to explode, Rong Yan quickly hugged him and shook him coquettishly. She let go and said, “I'm such a selfish person. I only have myself in my heart and no one else. Didn't you already know this three years ago? so even if three years have passed, it's still the same.

After saying that, Rong Yan quickly took Liancheng Yazhi's hand and placed it on her face. Then, she raised her hand and patted the back of his hand.

The slap was loud and clear, almost like a slap.

It matched Liancheng Yazhi's next outburst of anger, and the sound effect was even more shocking.

liancheng yazhi was stunned for a moment. he didn't expect that rong yan would even think about this. the words were fake, and the slaps were fake. if such a full service still couldn't fool that old man, then he and rong yan would no longer have to work together in the future.

Under Rong Yan's urging, Liancheng Yazhi said in a disappointed voice, “Rong Yan, I must have been blind to have fallen for you back then. Fine, you want to leave, right? leave. After you leave, never step foot in China again. MeowMeow has nothing to do with you. If you dare to come back, I'll never let you off, Huahua.

Even Liancheng Yazhi himself felt that these words were murderous and charming.

rong yan chuckled. “thank you for the slap, mr. liancheng. i deserve it, and it's only right for you to hit me. however, no matter what, meowmeow is a child of your liancheng family. you will definitely find a good doctor to treat her. in that case, i have no reason to continue staying. although i'm a money-grubber, huahua, i think that i have to see if i can get along with a sugar daddy. mr. liancheng, you're not the sugar daddy i want, so i'm very sorry. i can't stay here any longer. i've already booked the plane ticket for tonight, so you don't have to send me off. thank you, wanwan. goodbye.”

don't worry. Once I leave, I won't come back even if I die. If I meet meowmeowmeow in another country decades later, I won't let her be. I chose to abandon her today, so I also gave up the right to be her mother. So, I don't need you to remind me. I know what I should do in the future!

When Liancheng Yazhi heard Rong Yan's words, he felt all sorts of emotions in his heart. He really wanted to press Rong Yan down and give her a good spanking.

He listened to what she was saying. If it wasn't for the fact that they had agreed beforehand that all of this was fake, he would really be so angry that he would vomit blood and die from anger.

Rong Yan pushed Liancheng Yazhi. 'Don't just stare at me. Say something!'

Liancheng Yazhi's eyes widened even more. You've already said so much, how am I supposed to answer!

Rong Yan raised a finger at Liancheng Yazhi and opened her mouth to say a word silently!

Liancheng Yazhi took a deep breath, closed his eyes, and roared, " "Get lost!"

This shout was full of vigor, and the angry roar was very well-executed.

.....

Chapter 582 What you said just now was quite bold!

Even if he told Rollie to get lost, Rong Yan still looked very happy. She smiled and said, " okay, then I'll get out of here. Before Yingying leaves, I won't say goodbye to MeowMeow anymore. We won't be mother and daughter anymore anyway, so there's no need to be involved for the last time. Goodbye, Mr. Liancheng. I'm going to pack my luggage. I'll leave immediately after I'm done!

After saying that, Rong Yan hurried upstairs. After she went upstairs, Rong Yan walked into a guest room and deliberately closed the door loudly.

He said the most furious and hateful voice in his heart into the phone, " "You old thing that won't die, are you satisfied now?"

Old master Liancheng seemed to have not had enough of listening to her. He didn't care about his old face and praised, " "Not bad, miss Rong's eloquence is really good. Every word is like a knife. With just these few words, you can make my son heartbroken. I'm impressed, I'm impressed!"

rong yan spat. "no matter how powerful i am, can i be as powerful as you? You can watch your own granddaughter's life hanging by a thread and not save her, and you can watch your son in deep pain. I really don't know if he's your son or your enemy. Even if he's your enemy, he can't be as ruthless as you."

Rong Yan sneered disdainfully. actually, you're not trying to drive me away. You don't care who becomes Liancheng Yazhi's wife at all. You just want the Liancheng family to die without any descendants! i really don't know if your ancestors will throw you into a pot of boiling oil after you die."

Rong Yan felt that there was definitely something wrong with old master Liancheng's heart. She couldn't stop taking the medicine and had to treat it!

Old master Liancheng didn't mind Rong Yan's words to vent her anger. She said, " miss Rong, I'm sorry that things have come to this. It's better not to say some useless things. I've already prepared the formula for you. Since you've worked so hard, in order to express my sincerity, I'll tell you half of the formula first. I'll send the rest to you after you board the plane.

then you'd better send more details. If I see that half of the formula seems to be fake, I'll immediately tell Liancheng Yazhi.

"I've always been a man of my word."

After hanging up the phone, a text message came in not long after. Rong Yan quickly opened it and saw the names of various Chinese medicines written in it. There was a proportion behind each name.

Rong Yan was excited. There was finally some progress. She was about to go find Liancheng Yazhi when the door was suddenly kicked open. Rong Yan turned around and saw Liancheng Yazhi standing at the door. His gaze made her panic.

Rong Yan chuckled foolishly. In order to ease the strange atmosphere, she quickly shook her phone and jumped over happily, throwing herself on him.”Yazhi, this is half of the formula. Note down the dosage and ratio! Pass it to Natsume and let him study it first. I’ll give it to you when I get the other half of the formula.”

Liancheng Yazhi didn't move, and his face was as black as a rock."You were quite bold just now, Yingluo."

Rong Yan said in a low voice, "I don't have a choice. Don't be angry. You'll get angry today. There are still many things to do next. I'll coax you again tonight when I have time!"

liancheng yazhi sighed. alright, he knew that today was unusual. the most important thing was to go to the airport at night.

“you were the one who said that even if we break up, you won’t leave my side. what are you going to do next?” he asked rong yan.

Chapter 583

[illegible]

Rong Yan patted her chest. put 120 of your hearts into your stomach. I promise I won't even leave this mansion today.

“Really?” he frowned.

Rong Yan nodded. of course it's true, Yingluo. However, you have to go out now. It's best to drown your sorrows in alcohol. No, forget about this. You can just smash something. We just had a fight. If the maids at home see that we're still so close, it'll be too strange. You should go quickly, Yingluo.

Rong Yan made a cute pose at Liancheng Yazhi and then said in a very coy tone, "good luck,

Liancheng Yazhi ruffled the hair on her head before leaving Xuxu.

After closing the door, Rong Yan started to make a call.

However, the other party didn't pick up the phone, which made Rong Yan anxious. "Why isn't it open yet? why isn't it here? Did something happen?"

Just as she was thinking, there was a knock on the door and a maid's voice came, "miss rong, zhenzhen."

Rong Yan quickly put down the phone. She wanted to pretend to pack her things, but after opening the closet, she remembered that her clothes were not there.

Rong Yan grabbed her hair and said weakly, ” “Come in,”

The door was pushed open, and a tall maid came in. miss Rong, I’ve brought you some water!

Rong Yan didn’t look at her. Okay, thank you. You may leave!

However, after the maid put down the cup, she did not leave. Instead, she said, ” tsk, aren’t you in a hurry to wait for me? ”

rong yan was stunned for a moment. in the next second, she opened her eyes wide and looked at the other party’s body back and forth. after confirming it, she was so happy that she almost jumped up.”Seven, you’re so lame!”

She quickly covered her mouth. Seven, is that you? How did you ... How did you become a woman?”

The maid who came in, seven, raised her orchid fingers like a coy woman and said, ” I’m doing this to help you. I wanted to knock out Liancheng Yazhi’s Secretary and pretend to be him, but ran ran is very vigilant. It’s probably not good to go head to head with him. If I pretend to be him, there will probably be some trouble in the future. So, ran ran, after thinking about it, I can only do this.

Seven circled around Rong Yan and said happily, ” “Aiya, after knowing you for so long, this is the first time I’ve regained some face in front of you after disguising myself.”

this time, because seven had changed into a woman’s outfit and shrunk in size, and because rong yan wasn’t in the mood to look at him, jian jia didn’t recognize him.

Rong Yan surrounded seven and looked at it. “But you’re so tall, and Yingluo seems to be shorter now? How did you do it?”

Seven proudly said, ” of course I have my ways. As the world’s top thief, other than being able to change his appearance and gender, he must also be able to shrink his size. Otherwise, he would have been caught long ago.

Rong Yan gave him a thumbs up. “alright, alright, you’re awesome, but where are the makeup items? you’re not planning to use both your hands to draw me, are you?”

Seven didn’t seem to mind at all. “I have everything on me. Don’t worry. Quickly get the person over. It will take a long time to put on makeup for you. Otherwise, we won’t make it in time.”

Chapter 584 Why are you looking for her?

Rong Yan quickly called Liancheng Yazhi.

Although the two of them were in the same house now, it was better not to meet again, in case the spy planted by master Liancheng saw them and reported to him.

After the call went through, Rong Yan quickly said, ” “Yazhi, get our new caretaker li to come up here!”

“why are you looking for her?” liancheng yazhi was puzzled.

Rong Yan hurriedly said, “don’t worry about it. Let him come up quickly. It’s fine if I look for him. I’ll tell you that the time for a miracle is coming. Just stay outside and open your eyes wide. Oh, you don’t have to come up.

Not long after, caretaker li came up and knocked on the door. He asked respectfully and seriously, "miss rong, you were looking for me!"

when rong yan faced such a person, she felt like she was facing her teacher after disappearing from school. she felt a little depressed.

She cleared her throat. yes, I'm looking for you. I'm sure Secretary Zhou told you everything when she arranged for you to come here.

Butler li nodded. yes. Secretary Zhou said that no matter what happens, I must strictly follow young master ya's and your instructions.

Rong Yan nodded. Secretary Zhou was indeed reliable. The Butler she had found was definitely not a simple person.

"Right, just follow his orders. Now, Yingluo, listen to me. What are you going to do next, Yingluo?"

Rong Yan didn't care if the other party understood or not. She asked all the questions and all of them had the same expression when there was no answer.

Rong Yan asked Butler li, "did you understand what you're going to do next?" Can you do it?"

Caretaker li nodded without hesitation. yes, thank you for your trust, miss Rong. Don't worry, I will not let you down.

"alright, i'll have to trouble you with the rest of the matter, butler li. quote;

rong yan hooked her finger at Seven, who was still dressed as a maid. " "come on, little maid yingluo."

Seven felt a chill run down his spine. He walked up to the two of them and lifted up his skirt. Rong Yan and Butler li were both shocked, and both of them had cracked poker faces as seven pulled out a lot of things from the inside of her skirt.

Seven glanced at Rong Yan, then at Butler li and said, " "That's enough, sit down."

After taking a closer look at the two of them, Seven was very satisfied. They were about the same height and face shape, and at least they looked similar in appearance. The only difference was their ages, but seven didn't feel any burden at all when he did it. not bad, you two look very similar. I just need to make an issue of your faces!

Seven's words were enough to prove that Secretary Zhou had put in a lot of effort to find her.

If seven wanted to change their style, he could change their faces and hide everything from the public. With his skills, no one would even notice him at the airport security.

After about an hour, the person looking at the mirror became more and more unfamiliar, and the poker-faced face next to him became more and more familiar to Butler li. rong yan sighed with emotion once again. the art of disguising nowadays was simply too amazing. seven's hands that could turn something rotten into something magical were simply too amazing!

Rong Yan raised her hand to wipe her new face, feeling very magical. She said to Butler li, " alright, you two can change now. Butler li, Secretary Zhou will be here in a while. Yingluo, you can go with him and Do whatever he tells you to do.

.....

Chapter 585 You lied to me!

Even though caretaker li usually had a serious poker face, after Seven's transformation', she couldn't keep her calm anymore. She looked at herself in the mirror for, long time before she could react.

"Yes, I understand, miss Rong." Looking at his own face and calling her miss Rong, Butler li felt all kinds of awkwardness.

After Seven's final modifications, it would probably be difficult for anyone to recognize them after they changed their clothes. Even the most familiar person might not be able to recognize them immediately.

Rong Yan went to the next room and casually packed her clothes into a box. Then, she pulled it over and handed it to Butler li.

I'm almost done. It's afternoon now, and there's still some time before the 'boarding' at night. However, you have to leave first and can't stay here any longer. Your luggage is already prepared, so you can take it with you. Someone will arrange for you to do something when you arrive at the airport. You don't have to ask anything.

Caretaker li kept nodding, "alright, Yingluo."

after this is over, you'll still have to come back to work here. You'll be on paid leave for the next few days. Rong Yan made it sound like she was very considerate of her subordinates 'work, but in fact, she was secretly warning Butler li that she still had to go back to Liancheng's house, so she shouldn't think about doing anything that she shouldn't do.

Of course, caretaker li understood what he meant and immediately nodded. "Thank you, miss Rong."

"alright, you may leave now."

Butler li subconsciously took a step back and let Rong Yan go first.

However, Rong Yan grabbed her wrist. "You're not Butler li now, so don't let anyone find out. You go first, miss Rong, please!"

Caretaker Li's hand trembled. She hesitated for a moment, then nodded and pulled the luggage downstairs.

Rong Yan turned around and looked at Seven. "What about you?"

Seven gestured to Rong Yan to calm her down. don't worry about me, I have my own ways. I'll wait for her at the airport first, and then I'll find a chance to change her face. That way, I won't be afraid of others seeing through my disguise.

Rong Yan's eyes were filled with gratitude. "Seven, i really don't know what else to say other than thank you. "

Seven, who was wearing a funny maid costume, waved at Rong Yan. "Then let's not say anything. There's no need to be so polite between us. Go down quickly, or Liancheng Yazhi will find me. I'll be in trouble then."

Rong Yan nodded. you be careful. Even if Yazhi finds out about Yueyue, nothing will happen with me around. I'm Yueyue.

As she said this, she suddenly heard Liancheng Yazhi's voice from downstairs. Rong Yan had no choice but to stop, and she quickly said to seven, "I'll go down first, see you later."

seven watched as rong yan ran down the stairs, and a bitter smile appeared on his face!

Rong Yan Ran downstairs and saw Liancheng Yazhi standing in front of Butler li. His eyes were about to spew fire, and his exquisite features looked a little ferocious because of anger. The only thing missing on his face was a sentence: Didn't he say that he wasn't leaving? why did he leave?

Rong Yan felt that all he could say now was, "You're lying!"

Caretaker li didn't know what to do now. He had lived for more than 40 years, but he didn't expect to face this today. However, he didn't dare to say who she was.

.....

Chapter 586 The young master is so pitiful!

Butler li could only stammer, "I'm sorry, Shao Qianqian, I'm in a hurry. I'm in a hurry,"

She was thinking, "miss Rong, hurry up and come down. Can't you see that young master is in a daze? he's got the wrong person.

Liancheng Yazhi had made a mistake. He couldn't be blamed for this. First of all, Seven's cooking was too good. Second, when he saw Rong Yan's face and saw that she was about to leave with the box, he was furious. He was so angry that he almost lost his mind. How could he have the time to think that this person might not be his woman? first of all, the two faces looked the same visually.

after rong yan saw it, she quickly rushed up and grabbed liancheng yazhi's hand. she lowered her voice and said,"Young master, what are you trying to do?"

Liancheng Yazhi's eyes were fixed on 'Rong Yan', and he could not see anyone else. He immediately roared, "Get lost, Yingluo!"

Rong Yan glared at him and pinched Liancheng Yazhi's arm. who are you asking to get lost? Didn't I tell you to open your eyes wide and watch? your eyes are so wide open that you don't even know, but I look at you.

liancheng yazhi's body trembled and he suddenly looked at rong yan. however, after seeing her face, his pupils suddenly shrank. after looking at her for a few seconds, he quickly turned to look at butler li, his face full of disbelief and deep doubt.

Rong Yan let go of Liancheng Yazhi's hand and smiled."Young master, miss Rong has to catch a plane. Qianqian, don't waste her time."

Rong Yan emphasized the last part of her sentence, secretly including all kinds of threats. If Liancheng Yazhi still got it wrong after she said that, she really wanted to kick him.

li guanjian hurriedly said, "yes, i still have a plane to catch. i won't be staying for long. goodbye. "

Secretary Zhou arrived just in time outside the door. After he saw Rong Yan and Butler li, he walked straight over without any expression and pointed at Rong Yan. young master, this is the

Butler I found for you. The first two months will be considered a trial period. If you don't like him, you can replace him at any time.

Liancheng Yazhi's eyes glanced at Rong Yan from time to time, as if he was carefully peeking in so that he could make a decision.

After a while, he said, "hmm, hmm, hmm, hmm, cough, cough. Okay, I got it. Take her away. Don't ever let her come back.

Secretary Zhou extended his hand to Butler li. it's miss Rong Xuxu. Please come with me. I'll take you to the airport.

Butler li tried to figure out Rong Yan's thoughts, so he pretended to speak in Rong Yan's tone and bowed to Liancheng Yazhi. Mr. Liancheng, thank you for taking care of me during this period of time. Goodbye.

After he finished speaking, he was the first to pull his luggage and walk out.

Liancheng Yazhi instructed Secretary Zhou in a low voice, "Watch carefully, Yingluo."

secretary zhou nodded seriously. "it's young master ya. he'll keep her under his control until the matter is over. "

As he walked out of the door, under the surprised gazes of many maids, Butler li, who had a 'beautiful' face, got into the car.

The maids couldn't understand and muttered softly.

"What's wrong? A few days ago, it was said that the position of Furen was definitely miss Rong's, how could it be separated?"

"Who knows? young people love and break up quickly. It's not a big deal. But young master Wanwan must be in a bad mood. Everyone should be careful, Wanwan."

"young master qianqian is really pitiful. she met such a heartless woman who actually abandoned her own daughter. qianqian's heart is too hard. "

Chapter 587 You stay away from me

Rong Yan stood beside Liancheng Yazhi and touched his arm. "I heard you. You're not in a good mood now, so you have to get angry often in the next few days, understand?"

Liancheng Yazhi looked at Rong Yan with an extremely awkward expression. In the end, he scratched his head a few times and pinched Rong Yan's face twice. He couldn't believe it, but there was a little relief in his eyes.

Liancheng Yazhi reached out to grab Rong Yan's hand, but in the end, he put it down. He glanced at her. "Come with me!"

after entering liancheng yazhi's study, rong yan ignored him and sent a text message to old master liancheng first. I've already left the Liancheng family. When are you going to give me the remaining half of the formula?

Not long after, old master Liancheng replied, "There's no hurry. I'll give it to you after your plane lands and I'm sure you're in country A.

Rong Yan cursed and her fingers started moving quickly. don't give me that. are you trying to delay? or yingluo, you don't intend to let me go at all? As long as you kill me, you don't have to tell me the other half of the formula?

Old master Liancheng: " miss Rong, you're too suspicious. What good would it do me to kill you? besides, Zhenzhen, I'm not someone who likes to kill innocent people.

Rong Yan said, " I'm tired of hearing these words. I've already said such heartless words to Liancheng Yazhi. What are you still worried about? I'm telling you, if you don't give it to me ten minutes before we board the plane, I'll come back immediately. At most, we'll fight to the death. It's up to you whether you want it or not.

Rong Yan felt that she really had to say something harsh to old master Liancheng. Otherwise, he might really not give ran ran to her.

After that, old master Liancheng sent two text messages in a row, but Rong Yan did not reply.

Seeing that Rong Yan had thrown her phone on the sofa, Liancheng Yazhi asked, " "Are you done?"

There was an unfathomable expression on his face. He supported his chin with one hand and looked at his face with an inquisitive look in his eyes.

"We're done for!" Rong Yan nodded.

Liancheng Yazhi pointed to the seat beside him. "Sit down!"

Rong Yan sat down beside him with a smile. She hugged his arm and pressed herself on him.

Now, Rong Yan was wearing a black and serious female professional suit, and it was a pair of pants that didn't have much femininity. Her hair was tied up meticulously, and she had a face in her forties, but she leaned against Liancheng Yazhi like a spoiled little girl. The scene looked very strange no matter how one looked at it.

Yingying looked like a mother who was acting coquettishly with her son.

Even Liancheng Yazhi himself felt very awkward. He wriggled uneasily. you used this face to get close to me, but I always feel like I've betrayed you. You should stay away from me first.

Rong Yan bit her lip and looked at Liancheng Yazhi, hurt."Really? you want me to stay away?"

"Yes, you sit in the corner." Liancheng Yazhi pointed to a place a little further away and said, " "Give me your hand,"

Rong Yan pouted and reached out her hand. Liancheng Yazhi quickly grabbed it. He only heaved a sigh of relief when he held the familiar hand.

The two of them were a meter apart, holding hands, but the atmosphere was too strange.

No one said a word, and they were in a deadlock. Both of them had the same sentence in their hearts.

Finally, Rong Yan couldn't help but turn her head and ask fiercely, " "Shouldn't you have said that no matter what I become, you will still love me as before? In the end, I just looked older by a few years and you despised me. "

Chapter 588 The happiness of the two of you

Liancheng Yazhi suddenly felt that he had been wronged. How could he dislike Rong Yan? how could he dare to dislike her?

don't accuse me wrongly, " Liancheng Yazhi quickly explained. I didn't.

Rong Yan pouted, her eyes burning with anger. She said angrily, " "You're still denying it? then why don't you let me get close? If you don't despise me, then what is? look at your eyes, look at yingluo. she obviously thinks i'm f * cking her, as if she's going to have an infectious disease!"

Rong Yan wasn't actually that angry. She just wanted to know why Liancheng Yazhi had that feeling after changing his face.

Liancheng Yazhi hesitated for a while before saying, " "Do you want me to hold you in your current state and kiss you without going against the harmony? Rong Yan, your Yingluo should at least give me some time to accept it. I, Yingluo, I don't have such a strong taste. I don't have the hobby of pretending to cheat, Yingluo."

Liancheng Yazhi naturally wouldn't mind what Rong Yan had become, but the point was that if she had to become like that and couldn't become like that anymore, he would accept it without hesitation.

But now, Rong Yan was clearly in disguise. If he hugged Rong Yan like this, he would have the feeling that he had cheated on her and betrayed her. This made him feel very, very bad.

Rong Yan burst out laughing when she heard that. you feel that way when you see me using someone else's face now. What if you really have another woman? "

Liancheng Yazhi's words still made Rong Yan very happy, because no woman would be disgusted by such words.

if a man felt like he was cheating on her, it meant that he cared about the woman he loved. his heart was loyal, and he would never betray her.

Liancheng Yazhi quickly said,"after you left that year, I never touched another woman!" I've told you before."

Rong Yan raised her chin and said with a bit of arrogance, " "It's only right that you didn't touch other women. That way, you won't let me down for raising your daughter outside."

liancheng yazhi's expression softened instantly because of rong yan's words, and his hand holding her tightened. " "rong yan, thank you, yingluo. thank you for giving birth to meowmeow!"

Rong Yan glared at him. she was my daughter. It was what I should have done when I gave birth to her. I don't need you to thank me.

Liancheng Yazhi grabbed her hand, his thumb slowly rubbing the back of her hand. He said affectionately, " "But I still want to thank you. If it wasn't for my

A smile appeared at the corners of Rong Yan's lips. then you'll use the rest of your time to treat me well. You'll dote on

Liancheng Yazhi's eyes were filled with a blissful smile. alright, your happiness is my only goal!

[Important Notice] notice. The reason why I suddenly stopped updating yesterday was because an extremely urgent matter had happened. I guess you have also realized that many books have not been updated and have been renamed.

Because of the sudden bomb that was dropped yesterday, the theme wasn't fresh 'X-rated'. The situation was particularly urgent, and a few websites had already been closed. This time, it wasn't a joke. If things went wrong, they might be arrested. The editor of Xintang was said to have been arrested, so I had to revise my article, editing it piece by piece. I haven't slept since last night.

finally, let's pray that young master ya and rong yan can get through this crisis safely. it's really scary.

Chapter 589 Young master ya's brain is damaged

Even if the two of them didn't speak at this moment, the atmosphere between them was very good. The atmosphere of happiness permeated the surroundings.

after a while, liancheng yazhi thought of a question. he hesitated and asked, " "Actually, Yueyue, I have a question to ask you!"

Rong Yan was in a good mood now, so she said generously, " "Ask away!"

liancheng yazhi hesitated for a moment and asked, " "Did you ever think about cuddling

He didn't finish his sentence, but he and Rong Yan both knew what he wanted to ask. He wanted to ask Rong Yan if she had ever thought of 'aborting MeowMeow'.

The smile on Rong Yan's face gradually faded, and Liancheng Yazhi panicked when he saw it. He regretted it and quickly grabbed her hand. Rong Yan, just pretend that I didn't ask this question. I'm just letting Huahua's head get hot. Don't take it to heart. Don't care about Huahua.

Liancheng Yazhi asked this because he had heard what Rong Yan had said today, so he had this question in his heart!

Suddenly asking such a question, he really did feel a little hot-headed.

Now, Liancheng Yazhi really regretted it. He really wanted to knock himself on the head. Why did he ask this out of the blue? did he not want to live a good life anymore?

Rong Yan shook her head and told Liancheng Yazhi that she was fine. She replied very calmly, " before I knew I was pregnant, I thought that if I really miscarried your child, I would definitely go for an abortion without a second thought, Hanhan.

When Rong Yan said this, Liancheng Yazhi's heart tightened fiercely, and his heartbeat slowed down.

Rong Yan paused for a moment and continued, " but from the time I started to suspect that I was really pregnant until I confirmed it and gave birth to

you may not know this, but MeowMeow's arrival changed my life. It changed my attitude towards life and changed many of my extreme thoughts. It made me want to live a good life and live happily again.

Rong Yan was a little angry when she first heard Liancheng Yazhi's question, but after thinking about it, she wasn't really angry.

Upon hearing this, Liancheng Yazhi quickly said, "but this will hurt her skin. Besides, Wanwan can't wash her face every day. It's so uncomfortable. Can you bear it?"

Rong Yan also felt very awkward when she heard this, but Yingluo was in a crisis at the moment and didn't have so much time to think about other things. She was shameless for her daughter's life, yet she still cared about this.

Rong Yan patted her chest. I'm fine. It's just a few days. I'll get through it. It's no big deal. Besides, our family is so rich. Even if there's something wrong with my face, it's fine. It'll be cured. You won't be afraid just because my skin is bad.

Liancheng Yazhi didn't wait for Rong Yan to finish and quickly denied, "Of course not, I'm just afraid that you'll be uncomfortable, Yingying."

that's it then. Don't worry about it. That's not the main point. The main point is, will your father give me the remaining half of the formula Ten minutes before the plane takes off? "

Speaking of this, Rong Yan was really worried. After old master Liancheng had sent her a text message, there had been no news from him.

Therefore, Rong Yan was very worried now. What if he didn't give it to her at all, or what if he insisted on giving it to her after the plane took off?

Liancheng Yazhi patted Rong Yan's shoulder. you don't have to worry about that. He wants you to leave. As long as you leave, I'll think of a way to trick him back and throw him to Natsume. We'll still be able to get the recipe.

Liancheng Yazhi waited for a while and finally couldn't help it. After a moment of silence, he asked, " Rong Yan, stop teasing him. Is he your trump card? "

Rong Yan didn't hide it from Liancheng and replied, " yes, he's my trump card. I can only stay so close to you with him around.

"Who is he?" Liancheng Yazhi stared at Rong Yan, his eyes full of question marks and an eager anticipation to know.

If it was in the past, Liancheng Yazhi would definitely force Rong Yan to say it. However, now, he respected her more in front of Rong Yan. If she really didn't want to say it, he wouldn't force her, but ... He would definitely investigate it in private.
