

Chapter 591 The little princess who woke up

Rong Yan shook her head decisively without any hesitation. “Yazhi, I can’t tell you this. I promised him that we’re friends. Don’t worry, there’s nothing that shouldn’t happen.”

She couldn’t let Liancheng Yazhi know about Seven’s matter. Otherwise, it would be too troublesome to deal with the aftermath.

“You really can’t tell me?” Liancheng Yazhi was disappointed.

Rong Yan touched her face and said, “I really can’t!” very few people knew his face, and this was also a way to protect him. the more people knew about his identity, the more people he was. He’ll be in even more danger.”

“Alright, I won’t force you if you don’t want to say it.” Seeing that he couldn’t get any results from Rong Yan, Liancheng Yazhi could only give up. However, Wanwan’s actions didn’t make him feel more confident about the ‘trump card’ behind Rong Yan. He had to dig out the person and see which bastard Wanwan was.

Liancheng Yazhi suppressed the anger in his heart that was about to burst. He told himself that he couldn’t get angry in front of Rong Yan. Even if he was angry, he could just vent it on others.

Of course, Rong Yan didn’t know what Liancheng Yazhi was thinking now. She thought that he had finally become less stubborn and that he had learned well.

The two of them talked for a while more before Rong Yan urged Liancheng Yazhi to go see MeowMeow, in case MeowMeow would cry when it woke up.

When Liancheng Yazhi returned to the bedroom, he happened to see

Liancheng Yazhi quickly walked over. little princess, you’re awake. Daddy’s here, ran ran.

????????,?:”Daddy!”

Liancheng Yazhi quickly reached out and picked up

?????????????’?’’,????:”Daddy, where’s mommy?”

lian Cheng yazhi said hesitantly, ” ah, mama ran ran, i have something to do today and might not be able to come back for a while. however, i’ll call meowmeow every day. also, before mama left, she asked me to tell you that you should play with auntie li more these few days and not bully her. when mama comes back, i’ll bring you many, many gifts. ”

When Rong Yan was standing at the door and heard Liancheng Yazhi say ” Auntie li, ” she almost vomited blood. Auntie, Auntie, Auntie, Auntie, Auntie, Auntie, Auntie, Auntie, Auntie!

Liancheng Yazhi, this bastard, had called her ‘Auntie’.

??????,????????????????,????????????????:”Really? Where did mommy go?”

rong yan said as she took a deep breath. with a stiff face, she tried her best to smile wider. ” young miss, i’m butler li, yingluo. if it’s possible, can i bring you around for the next two days? ”

When she said this, Rong Yan saw that Liancheng Yazhi was about to break from holding it in. She glared at Gu Yusheng and still had the cheek to laugh when she heard her daughter call her mother 'Auntie'. Was it a joke?

meowmeow bit her finger and tilted her head to look at rong yan. after a while, she nodded for the first time. "hello, qianqian. auntie qianqian."

Rong Yan sighed in her heart. Sigh, let this matter pass quickly. She couldn't even acknowledge her daughter anymore. It was too annoying!

After comforting

Chapter 592 The last few minutes

As time passed, the sun gradually set in the West, and the sky slowly darkened.

Rong Yan kept looking at her phone. Because she couldn't make many expressions on her face, she stood there without saying a word and pretended to be 'Butler li'. In front of the maids, Rong Yan did her job and acted like a butler. When there was no one around, the two of them would say a few intimate words.

However, this was already very good for them.

Especially for Liancheng Yazhi, because the Rong Yan He thought of was standing right where he could see her as soon as he looked up, he felt very happy.

At least, this was much better than letting Rong Yan really leave.

at eight o'clock in the evening, there was still no response from rong yan's phone, and she became even more anxious.

As Liancheng Yazhi played with MeowMeow, he ordered the maids to leave and let Rong Yan stay.

After everyone left, Rong Yan immediately moved and walked back and forth anxiously. She muttered to herself, "there are still ten minutes before the flight to the capital of country A takes off. That old thing still hasn't given me half of the prescription. No, I have to rush him one last time.

Without waiting for Liancheng Yazhi to speak, Rong Yan quickly sent a text message to old master Liancheng. Mr. Liancheng, in the last ten minutes, you and I will think about it! Will you leave the prescription, or will I leave the person? I always keep my word. If you don't give it to me, then I have no more scruples. At most, I'll die with my daughter in the future!

Liancheng Yazhi reached out to Rong Yan and asked her to sit down."don't worry, don't worry yingluo, it's no big deal. come and drink some water."

Rong Yan sat next to Liancheng Yazhi, fidgeting. "It's easy for you to say, but if I don't get Yingluo, I won't feel at ease."

Meowmeowmeowmeowmeow, who was also lying on Liancheng Yazhi's legs, said slowly, "Don't rush, don't rush, Yingluo."

Rong Yan finally smiled when she heard that. She lowered her head and kissed meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

After saying that, Rong Yan realized that she couldn't say that now. She slowly turned around under MeowMeow's confused gaze and picked up her phone as if nothing had happened. She lowered her head and started fiddling with it.

five minutes before the plane took off, she sent another text message. "this is hanhan's last message in the last five minutes. it's up to you to reply or not."

After sending the text message, Rong Yan casually threw her phone on the table and ignored it. She looked like she had already given up and nothing else mattered anymore.

Three minutes after the plane took off, Secretary Zhou called Liancheng Yazhi.

When he answered the call, Secretary Zhou said, young master ya has already made the arrangements. He asked caretaker li to go through the security check, get on the plane, and then let her come down. Now, he has arranged for her to leave through a special passage. Her current situation has already been recorded.

Liancheng Yazhi instructed. alright, keep an eye on her. During this period, she's strictly prohibited from coming into contact with other people. She's not allowed to go out.

"yes, young master ya!"

As soon as Liancheng Yazhi hung up the phone, Rong Yan's phone screen suddenly lit up. Rong Yan grabbed it excitedly and quickly opened the text message. It was indeed a text message from old master Liancheng.

The content was as follows: "miss Rong is indeed a good mother. Her courage is admirable. Then I'll tell you the remaining half of the prescription. If you have time and luck, you can forward the message. But, Wanwan, it's a pity that you don't have enough time. Goodbye, Wanwan."

Chapter 593 He wanted to kill me!

Rong Yan didn't even read the first part of old master Liancheng's words carefully and directly flipped to the back of the formula. More than a dozen medicinal herbs were listed at the back, and Rong Yan immediately cheered happily.

look, Yazhi, look! I've got all the recipes.

Liancheng Yazhi's mood was instantly lifted when he heard this. He quickly took the phone and looked at the text message after reading the formula. When he saw the last word, his face became cold.

Rong Yan happily took MeowMeow's hand and danced. Seeing that Liancheng Yazhi's expression was gradually changing, she quickly asked, "What's wrong? You're unhappy? Or is the prescription fake?"

Liancheng Yazhi turned to look at her and suddenly reached out to hold her and MeowMeow in his arms.

"What's the matter?" Rong Yan asked.

Liancheng Yazhi's hand almost crushed the phone. He looked at Rong Yan and MeowMeow gently. "I'm glad that you and

rong yan felt strange and asked, "what's wrong?" Why did you suddenly send such a message?"

“Look at the message.” Liancheng Yazhi handed the phone to Rong Yan.

“what’s wrong with the text message?” rong yan lowered her head and read it.

he read the message from old master liancheng word by word carefully. after reading it, she looked up at liancheng yazhi with a blank expression. “What’s the meaning of this?”

liancheng yazhi took the phone out of rong yan’s hand and threw it on the table. he sneered. “Goodbye, Yingluo.”

“He wants Qingqing to kill me?” Rong Yan swallowed.

“What do you think?” Liancheng Yazhi rubbed her fringe.

Now, Liancheng Yazhi felt a lingering fear in his heart, and his palms were sweating. Fortunately, Rong Yan had not left.

At the same time, Liancheng Yazhi also had an uncontrollable urge to kill. Liancheng Bo, his biological father, was going to lay his hands on the woman he loved the most.

If Liancheng Bo was in front of him now, Liancheng Yazhi would really lose control and kill him directly!

Rong Yan patted her chest and heaved a long sigh of relief. then Qianqian must have arranged for the killer to be on the plane, or when Qianqian got off the plane, it was too scary. This old man actually thought that it was a good thing that I didn’t let Butler li get on the plane. Otherwise, I would have caused him trouble.

Liancheng Yazhi’s eyes grew colder and colder. He picked up Rong Yan’s phone and called Secretary Zhou.”Has the flight taken off?”

Secretary Zhou was driving away from the airport with caretaker li. He replied, ” “it’s been ten minutes since we took off.”

“Mobilize the forces of country A and catch the assassin that the old man sent at the airport,” Liancheng Yazhi said in an extremely cold voice.

Lian Chengbo was still on an island in the Pacific Ocean. He could not deal with him, but he would break the old man’s left and right arms one by one.

Secretary Zhou was shocked when he heard that it was a killer. He quickly said, ” “It’s Xuanji ya.”

Now, everyone was in danger. Everyone had seen the news broadcast. The great turmoil this time would not end until November. If he could read this book for a day, then he would just let it be.

Tencent’s search function had been blocked. Now, only readers who had a collector’s book could still read it. Those who didn’t have a collector’s book probably couldn’t read it.

I hope I, Yingluo, won’t be invited to tea! He also hoped that it would end smoothly. Now, there were no more requirements, only two words-peace.

I can’t guarantee how many chapters I’ll update. Who knows if the next second will be when the article is deleted? Amen!

Chapter 594 Aren't you afraid of being found out?

After hanging up the phone, Liancheng Yazhi sent the remaining half of the prescription to Natsume.

In the shortest time possible, he was asked to do an experiment to see if the medicine made from this prescription could affect MeowMeow's blood.

Liancheng Yazhi looked at Rong Yan's face and frowned. "Since you've already gotten the prescription, can you return to your original state?"

He really wasn't used to Rong Yan having Butler Li's face on her. If that was the case, how could they sleep at night?

Rong Yan touched her face and finally shook her head. "This Yingluo isn't very good, right? Although he had the prescription, he still didn't know if it was real or not. Let's observe the situation first."

Rong Yan looked at the time and pushed Liancheng Yazhi. "Let MeowMeow rest first, you go and coax her!"

Liancheng Yazhi's face was bitter as he said, "then let's have some fun tonight."

rong yan immediately rejected him. "we're going to separate tonight. i'm going to stay in butler li's room, yingluo. now you have to show your sadness in front of others. if others see you pulling me, they'll definitely be suspicious."

liancheng yazhi tilted his head and leaned back on the sofa, not saying a word.

??????,????????????,????????????

"alright, it's only a few days. hurry up and carry

Liancheng Yazhi was helpless. However, although he couldn't kiss or hug or do anything, at least he was still in front of him. He didn't leave and didn't let the old man have his way.

liancheng yazhi was already very satisfied with this.

Liancheng Yazhi stood up, hugging MeowMeow with one hand and holding Rong Yan with the other. "Then I'll go up. You have a good rest."

yeah, you're also the one who sends messages whenever ran ran has something on. rong yan picked up her phone and shook it twice.

good! Liancheng Yazhi finally smiled. They were living under the same roof, but they had to text and chat. Why did this Wanwan remind him of those students in school who secretly texted each other when they were dating?

However, it seemed that this was not a bad idea. They had never experienced this before!

the two of them were reluctant to part, but their mood was much better than before.

At least now they had a prescription. Although they didn't know whether it was real or fake, they knew that everything was going according to their plan and everything was going in a good direction.

Rong Yan entered Butler Li's room. As soon as she pushed the door open, she saw the maid who had disguised her in the morning sitting on the bed, playing with her phone. When she saw Rong Yan, she said, "Hurry up and close the door."

It was a woman's face, but a man's voice came out. Rong Yan was stunned for a while before she quickly closed the door and said, "seven, you're here, "

Seven threw down his phone. come, let me remove the bruise on your face. If you wear it the entire night, you'll definitely get rashes tomorrow.

"Aren't you afraid of being caught?" Rong Yan's heart warmed. She didn't expect him to run in at the risk of being discovered by Liancheng Yazhi just because he was afraid that she would have rashes on her face.

Seven winked at Rong Yan and said, "Look at me. I didn't sneak in. I swaggered in. What's there to be afraid of, Yingluo? even if Liancheng Yazhi came over now, I wouldn't be afraid."

Chapter 595 He had no intention of letting me live

"Alright, I'll call him over now!" Rong Yan couldn't help but laugh.

"Ahem, ahem, don't, ahem, come here, I'll help you remove your makeup first." Seven immediately stopped Rong Yan and changed the topic.

Rong Yan sat down with a smile. Of course, she wouldn't really go to Liancheng Yazhi. Seven had helped her so much, and she couldn't even thank him enough!

Rong Yan had always been very grateful that she had a friend like seven by her side. If it weren't for him, MeowMeow might not have been able to give birth to her back then. He had helped her a lot over the years. however, yingluo couldn't find a chance to thank him properly.

The two of them talked for a while before Rong Yan asked seven, "where did you go after leaving liancheng's house today?"

"i'm going to the airport with the housekeeper, of course. i have to see if she's reliable. what about you? did you get the prescription? "

Rong Yan nodded. yes, I've already gotten all of them, but I don't know whether Zhenzhen is telling the truth or not. I haven't told you yet, but Liancheng Yazhi's father probably arranged an assassin on the plane or at the destination airport today. He has no intention of letting me go at all.

Seven's hand that was removing Rong Yan's makeup straightened, and he fell into deep thought.

Rong Yan found him a little strange and asked him, "What's wrong?"

Seven continued to remove Rong Yan's makeup. it's fine. I met someone today and thought that he was a little strange. He might be an assassin, but I didn't think of you at that time. I thought that everything would be fine as long as you and the Butler didn't board the plane, so I didn't pay him any attention. If I had known earlier, I would have caught that person.

it's fine. Yazhi arranged for someone to catch him when he got off the plane. I still have to thank you properly for today. If it wasn't for you, I might really have to go to the airport by myself. I might Seven have gotten on the plane by myself.

Seven flicked Rong Yan's forehead with his finger. "What nonsense are you saying? Even without me, Liancheng Yazhi wouldn't let you go. Look at how nervous he is about you. He won't let you leave even if he dies. You'll die in his hands, Wanwan."

When Rong Yan heard Seven's words, the smile on her face became even sweeter.

That's right, when she heard others say that the man she liked cared about her the most, she was naturally very happy.

Seven wrapped up and said, "Alright, Yingying, hurry up and wash your face. Wash up and go to sleep. I'll come back tomorrow at 5 am to draw your portrait. It's getting late, I'll be leaving first."

Rong Yan quickly called out to Seven, "Ah, you're coming back tomorrow morning. Where are you going now?"

Seven seemed to be joking as he said, "Of course I'm going to find a place to sleep. Are you going to take me in?"

Rong Yan, "Yingluo."

Actually, it wasn't a big deal to let Seven sleep here. However, Rong Yan still did not open her mouth.

This was Liancheng's house, and the man she liked was coaxing meowmeowmeow to sleep and teasing her upstairs. How could she leave a man in the house to sleep? If Huahua, Liancheng Yazhi, found out about this, he would kill Seven first, and then Huahua would kill her. It was terrifying just thinking about it.

Moreover, she felt bad about it. Even though Seven was her good friend, he was still a man. If they were anywhere else, she would have no other choice but to share a room with him!

Chapter 596 snatching little bear from her daughter

However, Ran Ran was still Liancheng Yazhi's home.

Especially when Liancheng Yazhi said today that even if he knew she was Rong Yan, he couldn't do anything more intimate with her current face because it would make him feel guilty and he would be judged to be in a daze.

Therefore, Rong Yan couldn't stay in the same room as Seven.

A hint of disappointment flashed across Seven's eyes, but he laughed and patted Rong Yan on the shoulder. "Look at how nervous you are. I was just joking with you. Sleep well. I'm leaving. I'll come and dress you up tomorrow!"

As she watched Seven walk toward the door, Rong Yan felt a wave of guilt wash over her. She opened her mouth and shouted, "Seven....."

Seven turned around. Even though he had a feminine face, his eyes were still as sincere as ever. "Yup, what's wrong?"

Rong Yan shook her head. "No, it's fine. I still want to thank you."

She didn't know what to say to Seven. Gratitude and guilt brewed in Rong Yan's heart. She really wanted to do something for him, but she couldn't think of anything.

seven clenched his fist and made a punching motion in the air. ” what’s the relationship between us? if you’re still so polite, i won’t be happy. besides, i’m not doing this for you, i’m doing this for my little meowmeow. ”

“Alright, I’m leaving, Yingluo.”

Seven knew what Rong Yan was trying to say. In the end, he waved at Rong Yan and left.

Rong Yan sighed. It seemed that she really couldn’t pay back what she owed him.

In order to help her, seven wore a maid’s uniform and went back and forth in Liancheng’s house. All she could do was say thank you.

After Rong Yan went to the bathroom to wash up, she laid down and planned to sleep. However, as soon as she lay down, her phone rang.

Rong Yan opened it and saw that it was from Liancheng Yazhi, asking her, ” are you asleep? ”

Rong Yan turned over, lay on the bed, and replied with a few words: ” not yet, what about you? ”

Very quickly, Liancheng Yazhi replied, ” no, I can’t sleep without you.

When Rong Yan saw this, a smile immediately bloomed on her face. She replied proudly, ” [there’s still meowmeowmeowmeowmeowmeowmeowmeow.]

Liancheng Yazhi replied with a few words,”but meowmeowmeowmeowmeow isn’t her mother?” As a mother, it’s better to be with your mother, don’t you think? ”

Rong Yan laughed and fell on the bed doll.’Mommy also thinks that daddy is right, but I can’t do it now. MeowMeow daddy, wait a few more days and bear with it. If you really can’t do it, you can snatch the little bear from MeowMeow and sleep with it for a while,’ she thought.

After Liancheng Yazhi saw the text message from Rong Yan, he turned around with a dark face.

Rong Yan actually asked him to fight with

Liancheng Yazhi’s fingers quickly typed a few words on the phone and then sent, ” [compared to snatching the bear with my daughter, I prefer snatching you with my daughter!]

Rong Yan opened the message and laughed. [if you say this in front of MeowMeow, she’ll cry]

This was the first time Rong Yan and Liancheng Yazhi expressed their thoughts through words in this situation without talking to each other or talking to each other.

both of them felt that this was a novel feeling, and yingying seemed to think that this way of chatting was better than face-to-face. some words that couldn’t be said with her mouth could be typed out.

Chapter 597 Love rivals want to meet

Time passed by slowly, and the two of them kept sending text messages to each other. After a few hours, they didn’t know who fell asleep first, but Rong Yan and Liancheng Yazhi maintained the same posture after they fell asleep, both of them still holding their phones tightly.

The two of them remained in this position until dawn.

The next day, when Rong Yan was still sleeping soundly, the door was quietly pushed open, and a black shadow slowly approached the bed.

The black shadow stood by the window. After looking at her for a while, he reached out a hand. It was a fair hand with a large palm and long fingers. He gently placed it on Rong Yan's forehead and caressed it. That gentle and cherishing action was as if he was protecting a treasure.

After Rong Yan's eyelashes moved a few times, she seemed to show signs of waking up. Then, he suddenly retracted his hand.

Rong Yan opened her eyes, still in a daze. When she saw the person standing in front of the bed in a daze, she shivered in shock. Her pupils contracted and she exclaimed, "Ah, Yingluo."

don't be afraid, it's me," di Rong Yan explained. Seven was still wearing a maid's uniform.

rong yan patted her chest and slowly sat up. "you, huahua, really scared me to death!"

Seven scratched his head in embarrassment. "I, I told you last night that I'm here to put on your makeup today. Have you forgotten? hurry up, Hanhan, go wash your face first. I'll do your makeup for you."

"aiya, yingluo." rong yan hurriedly jumped down from the bed. "i'm sorry, this is me. i slept a little late last night, yingluo. i'll go wash my face now."

Rong Yan came out after washing her face and asked, "I clearly locked the door before I went to bed, so you whined." After saying this, Rong Yan patted her head. "I'm talking nonsense."

Who was seven? why couldn't he even open a small door? he could enter the White House if he wanted to, so there was probably no place in the world that he couldn't enter!

Seven stretched out his hand and flicked Rong Yan's head with practiced movements. you're muddled from sleeping too much. Hurry up and sit down. It's already bright outside. Don't let Liancheng Yazhi wake up and see me walking out of your room. Otherwise, he'll definitely want to shoot me!

Rong Yan sat down with a smile. I'm here. He can't kill you. I'll stop him for you. You should run away quickly.

Seven sighed. then I'll thank you in advance. I think, based on the frequency of my visits to Liancheng's house, I'll be discovered sooner or later!

Every time seven entered Liancheng's house, he would first knock out the owner of the face he was currently using, then hide her away and put on makeup to look like her.

Most of the helpers in the Lian Cheng old residence were already up, so seven quickly finished putting on Rong Yan's makeup. alright, I'll be leaving first. I'll come back to remove your makeup tonight.

"If it's too dangerous, it's better if you don't come first. I can hold on for a day or two."

Suddenly, there was a knock on the door, and Liancheng Yazhi's voice came from outside.

"Rongyan Zhenzhen, rongyan Zhenzhen"

Seven facepalmed and lightly slapped his own mouth. "Pfft, I'm such a jinx. Yingluo, I'm really touching a sore spot."

He had just said that he would be discovered sooner or later, but he didn't expect to meet her so soon.

Rong Yan was so anxious that she paced around the room. If he finds out, then it'll be the end of the world!"

.....

Chapter 598 Who are you?

Rong Yan rubbed her hands nervously and looked around the room. Other than under the bed, there was no other place to hide.

At this moment, Rong Yan could finally understand where Liancheng Yazhi's guilty conscience of 'fake cheating' came from.

Now, she was very scared. The thought of Liancheng Yazhi seeing her in the same bedroom as another man made her feel a little ... A little like she was caught in an 'affair'.

Liancheng Yazhi was still knocking hard on the door and shouting anxiously, "Rongyan, open the door quickly. Rongyan, open the door."

Rong Yan pulled the blanket and pointed to the bottom of the bed. What should we do? Ran ran, why don't you hide under the bed first? "

Seven shook his head decisively. No, I don't think so, little sister. Why don't you go open the door? I'm their maid, anyway. Just tell her that little sister said that I came to see you early in the morning to ask about your work schedule for the day, little sister.

"Is it okay to do this, Yingluo? You won't be discovered?"

Rong Yan's heart beat so fast when she heard that. Oh my God, making Seven face Liancheng Yazhi directly ... W-why did that sound so scary?

"But if I hide under the bed, they'll definitely find out. By then, there'll be ghosts. Otherwise, who would hide under the bed? Don't hesitate, hurry up and open the door Yingying!"

Seven wasn't afraid anymore. In fact, he was even looking forward to a fight between love rivals! He was excited!

"Really?" Rong Yan asked nervously.

Seven pushed her towards the door. Sure. Look at how I'm dressed now. If you don't know me, would you think that I'm a man? "

Seeing the door getting closer and closer, Rong Yan quickly said, "Oh Yingluo is here, Yingluo is here."

Rong Yan put a hand on the doorknob and took a deep breath. She didn't care anymore, just open it! If he did not open it, Liancheng Yazhi would be even more suspicious.

The door opened, and Liancheng Yazhi's tall figure stood in front of her, almost blocking the entire door. He looked anxious and was still wearing his pajamas, not even slippers on his feet. Seeing that

he was the person who had just jumped out of bed, he saw Rong Yan and pulled her into his arms.
“Thank God, you’re fine. Thank God Yingluo, thank God Yingluo”

Liancheng Yazhi’s voice seemed to be very afraid, and even his voice had a trace of fear!

“Yazhi, Yueyue, let go of me first!” Rong Yan pushed him. There’s still someone behind you. You’re usually so alert, why didn’t you notice today?

Liancheng Yazhi hugged her even tighter, “I won’t let go. I won’t let go of ran ran even if I die.”
rong yan realized that something was wrong with him and quickly asked, ” “what’s wrong?”

“I was just wondering who you are. Why are you in Yingluo’s room?” liancheng yazhi had just finished his explanation when he suddenly changed his voice and roared.

Who could understand him suddenly realizing that there was a ghost-like person standing behind Yingying while he was hugging the woman he liked?

Liancheng Yazhi was shocked at first, but then he was surprised. Why was ran ran in Rong Yan’s room? so, she must have known that he had patted the door and shouted ‘rong yan’ just now?

At the thought of this, Liancheng Yazhi’s eyes were filled with a layer of murderous intent.

This time, it was Seven’s turn to speak. He used a standard female voice and pretended to be shocked as he said nervously, ” young master, I’m a maid at home. I’ve been working here for more than two years, but I’m usually in charge of cleaning the yard and rarely come to clean the house, so young master might not have seen Hanhan.

Chapter 599 An explosion in the air!

Liancheng Yazhi ignored seven and lowered his head to smell his face.”What is she doing here? You’re close to her?”

He was very nervous now. This woman knew about the secret between him and Rong Yan. Should Huahua do something or kill her?

rong yan saw the murderous look in liancheng yazhi’s eyes and was sharp and worried. she quickly said, ” “Nothing, she just came to ask me what I’m doing today. Just now, Qianqian, cough, cough, she heard you call my name, so I told her my identity just now. Don’t mind this GU Brew, it’ll be fine. She’s just a maid in the house. Send someone to look after it, and it’ll be fine, Qianqian!”

go out and take a walk. Liancheng Yazhi looked Seven up and down from head to toe. He wanted to see every single strand of hair clearly.

In the end, Yingying still didn’t see anything.

you can leave first, ” she said to seven.

seven and rong yan looked at each other. in the end, seven left unwillingly under rong yan’s pleading gaze.

He had originally wanted to meet Liancheng Yazhi in person! Let’s have a good ‘chat’ and see if he can find me!

In the end, he just let her go like that without any sense of danger.

Seven had already prepared a way to deal with the situation, but there was nothing to be done.

However, not long after she went out, she heard Liancheng Yazhi's mocking voice. The door closed, and only the two of them were left. Rong Yan finally heaved a sigh of relief.

Liancheng Yazhi rubbed his chin and thought to himself, "Tsk, why does Yingluo feel that it's strange? I just feel that something is wrong."

Rong Yan's heart tightened when she heard that. Oh no, could it be that Liancheng Yingluo was going to find out?

Rong Yan quickly changed the topic and stopped Liancheng Yazhi from thinking. "you didn't even put on your shoes this morning. what happened? Why are you in such a hurry? it's like the sky is falling."

Liancheng Yazhi was a person who cared about his image. Why would he appear in a place where he did not dare to accept any kind of shoes? something must have happened.

Rong Yan looked at the sky outside, which was already completely bright. why don't you tell me about it? it's almost dawn. Don't keep me in suspense. I'm shaking my head anxiously now.

Liancheng Yazhi took a deep breath and put his hand on Rong Yan's shoulder. He said slowly, "I just received a call from Secretary Zhou to inform me that the plane that departed from the capital last night for country A exploded in the air ten minutes before landing.

rong yan was stunned for a moment and couldn't react in time. she asked in a daze, "What?"

Liancheng Yazhi pressed his hands on Rong Yan's shoulders and said word by word, "yesterday, the plane that was flying to the capital of country A exploded in the air.

Therefore, after hearing this news, Liancheng Yazhi rushed in like a madman and hugged Rong Yan. The joy, fear, and fear made Liancheng Yazhi extremely excited!

Rong Yan still felt that Liancheng Yazhi's words were a little hard to understand. "B-b-b-b-b-b-b-b-b-why?"

"Ten minutes before landing, an air stewardess discovered that one of the passengers was carrying a gun. "I was shocked and quickly went to inform the captain. However, I didn't expect that the person not only had a gun, but also a grenade. Then, the grenade exploded and the plane disintegrated in the air. The number of deaths is unknown, and the number of survivors is currently unknown."

Chapter 600 I'll be fine

Liancheng Yazhi's heart was still beating fast when he said this. His mood was extremely unstable now. He was extremely glad that he had stopped Rong Yan and no one had really let her leave. Otherwise, he didn't know what he would be like now.

At this moment, Xuanji Liancheng Yazhi's hatred for the old master had almost reached its peak.

At the thought of the plane exploding and the thought of not being able to see Rong Yan again ... Liancheng Yazhi was still extremely afraid.

“The Tao Wu is really terrifying!” no matter who heard this news, they wouldn’t be happy, especially Rong Yan. If it wasn’t for Seven’s words, she would have left Liancheng Yazhi long ago. If she hadn’t stayed, she would probably be a corpse by now.

That old man Lian Chengbo is too scary. He’s like a Smiling Tiger, never showing any mercy when he backstabs people.

He had actually managed to get high-risk firearms like pistols and grenades onto the plane without being discovered at the security check. This old man’s means were indeed impressive.

Thinking of the innocent people who had died on the plane, Rong Yan felt very guilty. Lian Chengbo had wanted to kill her, but he had implicated everyone on the plane.

Rong Yan was cold-blooded at times, but she couldn’t numbly think that this had nothing to do with her.

In the end, she was the one who had implicated the people who had died.

After Rong Yan heard the news, although she was shocked and felt very scared, she calmed down after a while. I’m fine. Look, I’m standing by your side now. I’ll be fine. Don’t worry.

Rong Yan stretched out her arms and slowly hugged Liancheng Yazhi, like a mother coaxing a child, making him gradually calm down.

Rong Yan said softly, “elegant and elegant.”

Liancheng Yazhi’s head was on her shoulder, breathing in her scent and feeling her presence. What?
”

“The people who died ...”

Liancheng Yazhi quickly understood what Rong Yan was trying to say. There’s nothing we can do now. We can only try our best to reduce the guilt in Hanhan’s heart and do our best to make it up to them. Don’t worry, I’ll arrange for someone to do it, Hanhan.

“En, Yingluo.”

.....

The news of the plane exploding in the air spread quickly on the news and the Internet. In the shortest time possible, the news swept the world. Jian Yi and Kang Yu came to Liancheng’s house together to chat after hearing the news.

Yesterday, when caretaker Li arrived at the airport, Kang Zhen had made arrangements for him to leave the country without boarding the plane.

So, when Kang Yu found out that the plane exploded, the first thing he thought of was that it was Grandpa Liancheng’s doing. So, he rushed over.

However, when Jian Yi and Kang Zhen entered the living room and saw Liancheng Yazhi and ‘Butler Li’ holding hands and leaning close to each other in an intimate atmosphere, the two of them shuddered.

Although Kang Yu already knew that Rong Yan and Butler li had exchanged identities, he still couldn't accept it when he saw Liancheng Yazhi and 'Butler li', who was in his forties, being so intimate with each other.

Kang Zhen was very curious about Rong Yan's face, especially Kang Zhen. He was eager to know who had changed Rong Yan's face, and he really wanted to get 'seven' to join his team. That way, it would be much easier for him to do undercover missions in the future.
