

Permit Me 601

Chapter 601 Extremely difficult to approach

Liancheng Yazhi saw that Kang Yu's gaze on Rong Yan was getting hotter and hotter, and he quickly couldn't stand it anymore. He grabbed an Apple from the plate and threw it at Kang Yu. "What are you looking at? go back and see your wife."

Who was Kang kun? in the Army, even if he wasn't invincible, he was at least at the level of a super soldier King. Even if he didn't see Liancheng Yazhi, when the Apple was thrown at him, he quickly caught the sound and tilted his head slightly to avoid it.

Kang Yu ignored Liancheng Yazhi and looked at Rong Yan eagerly. "Who was the one who helped you change your appearance?"

this seemed to be the first time kang yu spoke to rong yan. even though they had met occasionally in the past, the two of them had never had a formal conversation.

Rong Yan gulped. The impression that Kang Yu gave her had always been that he was cold and evil, as if he was very unapproachable. He had the iron-blooded strength unique to the military. He did not speak much, but his presence was extremely strong. In front of him, it seemed that most people would not dare to straighten their backs.

Now, the youngest general in the history of the imperial capital was looking at Rong Yan with such an eager gaze that she felt a little terrified.

Rong Yan moved closer to Liancheng Yazhi and smiled at Kang Yu. "I'm very sorry about Yingluo, I can't tell you."

Liancheng Yazhi put his arm around Rong Yan's shoulder and frowned. The words 'I'm very unhappy' were written all over his face as he said, "She didn't even tell me, let alone Yingluo."

liancheng yazhi grabbed another apple and threw it at kang kun. he said, you all know about the plane explosion. Since you're here, let's get down to business.

Kang Yu was disappointed. He reached out and easily grabbed the Apple, then put it to his mouth and took a big bite. He no longer spoke.

Jian Yi saw that Kang Yu didn't say anything, so she said, "your old man must think that Rong Yan is dead, so I think this is a good opportunity to trick him to come back.

who's dead?" Liancheng Yazhi said angrily. you're the one who's dead!

He was extremely disgusted by the word 'dead', so he definitely couldn't hear it.

rong yan hurriedly tugged at liancheng yazhi's sleeve. "what are you angry about? he was just making an analogy."

He simply raised his hand. Okay, okay. Your father thinks that now that Rong Yan is no longer around, you must be in so much pain that you don't want to live. You must not be in the mood to manage the Liancheng family. So, this is the best time for him to come back. He will definitely not let it go. So, I think that even if you get the entire formula, it's best not to restore Rong Yan's identity first. We'll talk about it after you trick your father to come back.

In simple terms, Liancheng Yazhi could naturally think of it, but-

“So you’re saying that I’m going to continue acting and she’s going to keep this face?”

Looking at Rong Yan’s face, which showed that he couldn’t get close to her, Liancheng Yazhi felt very pained. The thought of having to sleep separately at night made him feel even more pained.

Kang Zhen finished an Apple in the time it took for them to say a few words. He raised his hand and threw the core on the table. you haven’t tricked your old man back yet. If Rong Yan ‘comes back to life’ as soon as we get the prescription, isn’t that the same as telling him that we played him together? will he come back? ”

Rong Yan nodded. that’s right. Everyone’s opinion is the same. You can only agree!

—

Chapter 602 Of course, I’m your family

Liancheng Yazhi looked at Rong Yan’s current face and frowned.”But I’m Yingluo.”

Rong Yan patted him on the shoulder and said happily, ” “No buts. Since you’re a man, you should be straightforward. This matter is decided happily. You won’t die from enduring it. Didn’t you endure it for three years when I didn’t come back? Besides, you still have MeowMeow to accompany you!”

Looking at how Liancheng Yazhi was being controlled by Rong Yan, Jian Jie and Kang Yu both had a teasing smile on their faces.

This was the first time they had seen Liancheng Yazhi in such a defeated state in all the years they had known him since they were young, and their mood became better at this moment.

However, at the same time, he was also feeling emotional. Even if he was being eaten alive, young master Liancheng would definitely be happy.

Jian Jie took the opportunity to tease him. also, you have to look like you’re in so much pain that you want to die. It’s best if you spread the news that you’re not in the mood to run the company. If there are some fluctuations in the group’s shares, it’ll be better, Yingluo.

Rong Yan clapped her hands. yes, this is a must. When your old man gets the news, he will definitely be eager to come back without you urging him.

“I have faith in you,” Kang Xi added.

Liancheng Yazhi covered his face and leaned back on the sofa. He pinched Rong Yan’s hand hard. who are you from? ”

Rong Yan didn’t even think about it. of course I’ll be with your family. We’re the closest, but I’m saying this for our own good. Don’t you think so? I don’t have to endure it for too long. I just need a very, very short period of time. Rong Yan gestured with her fingers, trying to convince Liancheng Yazhi.

Rong’s words made Liancheng Yazhi’s mood slightly better. He was a little dispirited and said weakly, ” “Alright, I’ll be careful, Yingluo.”

Liancheng doesn’t need to contact your old man. You just need to tell him that you’re in a bad situation. He will find a way to come back. So, don’t worry. He will come back soon.

The few of them discussed what they should do for the next few days and how to let everyone see Liancheng Yazhi's heartbroken look.

Suddenly, Rong Yan said, "sigh, do you think ran ran wants to ... Should I have a fake funeral for me?" Wouldn't that be more credible?"

As soon as she finished speaking, Liancheng Yazhi reached out and pinched her ear hard, scolding, "Don't even think about it."

Liancheng Yazhi was especially against 'death' now, let alone a 'funeral'.

Rong Yan sucked in a breath of cold air from the pain. 'Hiss, Liancheng Yazhi used a lot of strength this time and did not hold back at all. His ears must have turned red.'

rong yan rubbed her ears and said in a low voice, "i was just saying it casually. don't be so angry. at most, i'll just refuse to do it. i'll just refuse. "

Liancheng Yazhi pointed at Rong Yan's forehead. "What nonsense are you thinking about all day? in the future, think of something healthy!"

Rong Yan was a little timid by Liancheng Yazhi's roar. She covered her forehead and muttered, "I actually didn't think too much about Yingluo."

she really felt that holding a fake funeral would not only attract attention, but it would also make old master liancheng more convinced that she was really dead.

kang yu and jian jie looked at each other. they actually felt that it was quite advantageous to hold a fake funeral. however, looking at liancheng yazhi's expression, if they dared to say anything, they would immediately break off their friendship.

.....

Chapter 603 Why is mom missing?

He coughed briefly. Qianqian doesn't need to hold a fake funeral. However, Qianqian can send people to search for the remains at the site of the plane crash. If we make a big fuss, the effect of holding a fake funeral will be similar!

Rong Yan quickly nodded. Okay, okay. This is not bad. Yingluo, we'll do it according to this.

liancheng yazhi shook his head and ruffled rong yan's hair, messing it up. he said ruthlessly, "You really are Yingluo."

As long as Rong Yan's request was not absolutely unacceptable, Liancheng Yazhi would let it go. Even if he was not particularly happy about it, he would still let her have her wish.

jian jie joked with liancheng yazhi. " then, it's settled. from today onwards, you can be a sad prince. "

When he said this, other than Liancheng Yazhi, even Kang Yu laughed.

Liancheng Yazhi glared at them fiercely, his eyes slowly shifting to Rong Yan.

Rong Yan coughed twice and quickly shut up.

"Since we're all here, where's MeowMeow?" Kang Zhuo asked suddenly.

“Yeah, Liancheng, where’s your daughter?” Quickly carry her down and let us see Yingluo.”

she’s still sleeping up there. Wait a moment, I’ll go up and see if she’s awake. Liancheng Yazhi felt that it was about time and quickly went upstairs to see if meowmeowmeowmeowmeowmeowmeowmeowmeow was awake.

Not long after, Liancheng Yazhi carried “Meow Meow, don’t cry. Daddy’s here, Meow Meow.”

?????,?:”.....?,?.....??.....?.....??.....???????”

Rong Yan’s heart ached when she heard that. She wanted to rush up and say that her mother was here.

However, she remembered her current status and could only stop in her tracks. She looked at

????????????,????????????????????????,????????,????,????????????,??,????????????

Rong Yan was so anxious that she was sweating. Suddenly, she had an idea. She walked to Liancheng Yazhi’s side and said in a low voice, ”

Liancheng Yazhi’s eyes lit up and he quickly said to MeowMeow, ” baby, mommy is playing hide-and-seek with you. Close your eyes and don’t open them. Mommy will be here soon.

????????????,?????:”Really?” he asked.

it’s true. If you don’t believe me, close your eyes and count to one, two, and three. Mommy will be there immediately. But Yingluo, you can’t open your eyes, or you won’t be able to see mommy again.

?????????????:”Yes, Zhenzhen won’t open her eyes.”

Liancheng Yazhi looked at Rong Yan and said softly, “Then let’s start counting. 1? 2? 3?”

With Liancheng Yazhi’s last words, Rong Yan lowered her head and kissed MeowMeow’s little face. MeowMeow, mommy’s little baby, Yingluo, do you miss mommy? ”

Upon hearing this, MeowMeow immediately kicked in Liancheng Yazhi’s arms and cried out happily like a little sparrow. “Mommy, mommy, mommy, Yingluo!”

Rong Yan reached out and took MeowMeow from Liancheng Yazhi’s arms. come, little princess, let mommy hug you. We’re playing a game now, so you can’t open your eyes, yo yo yo.

.....

Chapter 604 Let’s play a little game together

Rong Yan hurriedly said, ” you can’t. We’re playing a game now. It won’t be fun if you see mommy. In the future, when you miss mommy, you can call out to her three times. Then, when you close your eyes, mommy will appear. Isn’t that fun? ”

looking at rong yan’s face now, meowmeow definitely couldn’t help but think that she was her mother. however, meowmeow was familiar with her voice and smell. when she closed her eyes to

hear her voice, was held in her arms, and was surrounded by her aura, meowmeow knew that this was her mother. so, there was no need to look at her appearance.

When a child misses her mother, what she needs is the sense of security that her mother gives her. It's enough to let her feel that her mother really exists.

After hearing Rong Yan's voice,"Yes yes, I won't open my eyes, I'll play a game with mommy, I'll play with mommy."

Liancheng Yazhi saw that Rong Yan's one sentence could make meowmeowmeow smile so brightly. He had said so much, but he still couldn't make her stop crying. Alas, children were indeed closer to their mothers.

although liancheng yazhi didn't want to admit that he was a little jealous, he knew very well in his heart that the reason for this situation was because he didn't accompany meowmeow when she was born. he didn't fulfill his duties as a father, so he had to work harder in the future.

Rong Yan held meowmeowmeowmeow in her arms and coaxed her softly. Liancheng Yazhi stood in front of the mother and daughter, his eyes doting and gentle as if they were the only two left in the world.

The atmosphere in the family of three was warm and loving. Even if they didn't speak much, just looking at them, one could feel the happiness radiating from them. It was the happiness of a family.

The family of three was harmonious and beautiful, while the two hunks sat there and looked on with envy and jealousy.

Why was her small family so happy?

????????????,?????,???:"Mommy, will mommy still disappear?"

after rong yan heard this, she suddenly felt a sense of panic in her heart. her nose turned sour and she took a deep breath. " i will. mom just said that we'll play the game again. once you open your eyes, mom will be gone. when you miss mom, you can call her mom three times and she will appear. why don't you try it? "

"Can't I open my eyes and look at mommy?" MeowMeow pouted.

Rong Yan resisted the urge to tear off the disguise on her face and said to MeowMeow, " no, we're playing this game to see how long MeowMeow can hold on without seeing mom. The longer you hold on, the higher your chance of winning. If you win, mom will give you a very, very big gift, okay? "

"Good Yingluo."

"Come, let's try it. Let daddy hold you first." Rong Yan handed meowmeowmeowmeowmeow to Liancheng Yazhi.

But before he could catch it, MeowMeow grabbed Rong Yan's clothes and cried, " "I don't want Yingluo, I want mommy Yingluo"

Rong Yan had disappeared since yesterday. This was the longest time that MeowMeow had been intimate with her mother since she was born. Of course, she couldn't help but feel jealous.

.....

Chapter 605 Call her mother three times

Rong Yan quickly patted

[illegible]

MeowMeow's curiosity was piqued and she asked, "Is Yingluo really that powerful?"

“it’s true. our meowmeowmeowmeowmeowmeow is very powerful.” Rong Yan kissed
“Let daddy hug you, okay?”

Meowmeowmeowmeowmeow finally agreed to let Liancheng Yazhi hold her for the time being.

Liancheng Yazhi, who was holding his daughter, said to MeowMeow, ” “okay, baby, you can open your eyes now, yingying”

[illegible]

Liancheng Yazhi comforted her softly. it's okay. As long as you close your eyes and call her 'mom' three times, she will appear. Try it.

????,??????:”Will you?”

“of course, yingluo’s father and mother never lie.”

“??.....?????.....”?????,?????????,?????:”Mother, Qianqian, mother, Qianqian, mother, Qianqian!”

Rong Yan quickly walked over. baby MeowMeow, mommy's here, Huahua.

Hearing Rong Yan's voice, MeowMeow's small face was filled with excitement, happiness, and agitation. To her, this was too magical. She shouted happily, "Wow, Yingluo mom, Yingluo is so powerful Yingluo"

Rong Yan's hand caressed

For the rest of the time, MeowMeow was addicted to playing this game. She opened her eyes and closed them again. She tried it many times at the old age meeting, but Rong yanmo was too excited and was not in a good mood. After playing a few times, she stopped and did not let MeowMeow meow meow meow meow meow meow meow meow meow meow meow meow meow.

Liancheng Yazhi sat on the sofa with MeowMeow in his arms. Rong Yan sat next to him, teasing MeowMeow from time to time. She was in a good mood.

however, both jian yi and kang yu had their eyes on

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

However, the two of them were tough men who had been through a storm of bullets. The murderous aura was coming from their bones. Although they had tried very hard to restrain their murderous aura and hostility when facing the cute MeowMeow, they were still very scary to MeowMeow.

????????????????,?????????: look at how you've scared my daughter. Don't look at MeowMeow. She's so young and can't stand your cruel eyes. You should restrain yourself.

Kang Zhen and Jian Jie rolled their eyes at the same time and leaned back. One looked at the roof and the other at the corner of the table.

Liancheng Yazhi comforted MeowMeow in a soft voice."Meow Meow, don't be afraid. Although these two uncles don't look like good people, and they're not as good looking as your daddy, Yingluo and the others are barely considered bad people. With daddy here, you don't have to be afraid of anything, Yingluo."

.....

Chapter 606 Uncle's meeting gift

Liancheng Yazhi pointed at Kang Yu and said to MeowMeow, " "

Kang Zhuo quickly adjusted his posture and gave MeowMeow the most gentle and beautiful smile he could think of.

Jian Jie could not help but cover her face when she saw this. forget it. You should stop laughing.

kang zhen's face didn't smile often. in order to manage the soldiers under him, he often had to put on a strict look. this directly caused his face to look like it had been removed with a needle. his skin was so tight that he almost couldn't smile anymore.

When he laughed once in a while, he looked exceptionally fierce, as if he wanted to take someone's life.

But today, Kang Yu's scary smile didn't scare MeowMeow.

The little girl tilted her head and looked at him for a while. A few seconds later, her timid expression instantly turned into a bright smile. She nodded hard and told Liancheng Yazhi that she remembered.

Liancheng Yazhi patted MeowMeow's head and looked at Kang Yu."Come on, baby, call him uncle Kang. Remember to ask him for gifts during the new year. He didn't even bring a gift for our

?????,?????: "???....."

recently, when meowmeow spoke, her pronunciation was a lot clearer. in this life, she called 'uncle kang' crisply and brightly, which made people feel very comfortable and happy.

The corners of Kang Yu's mouth lifted, and his smile deepened. He felt that the child was really cute and wanted such a beautiful little girl, but he really didn't know how to face the child, so he just smiled and didn't say anything. He was afraid that once he opened his mouth, he would scare MeowMeow into crying. If such a delicate little baby was frightened, Liancheng Yazhi would not forgive him.

Kang Yi lowered his head and rummaged through his pocket. After a while, he found something. He took it out and put it in front of MeowMeow. this little thing is the gift uncle brought for you today.

The one that Kang Yu gave to MeowMeow was a Jade Cicada the size of a seven or eight year old child's thumb. It was filled with King's Green and was of the pure glass type. It was the best Jade.

Moreover, the texture was very complete. It didn't look like it was from a piece of scrap material, but rather like a small piece of Jade cut out from a piece of raw material. The carving wasn't very detailed, but it used a few strokes to outline the shape of the Jade Cicada. It looked very similar, and they tried their best not to destroy the texture of the Jade itself.

Both Rong Yan and Liancheng Yazhi knew how valuable this Jade was. This Jade Cicada was definitely the best of the best.

Moreover, Jade nurtures people. Kang Yu knew to give this gift, which showed that he really put in a lot of effort.

Because

Liancheng Yazhi was very surprised. tsk, tsk, tsk. I didn't expect you to have actually prepared it.

it wasn't just him. jian yi and rong yan were also very shocked because no one could have imagined that the cold-blooded general really didn't look like someone who would prepare gifts for others. moreover, yingluo was only a two-year-old girl. it was so difficult for yingluo to prepare a gift.

At first, everyone thought that everyone had prepared a present except for Kang Yu.

In the end, it turned out that the major general's thoughts were not to be underestimated. He was very considerate and meticulous.

Chapter 607 You're not my brother enough

d * mn you! Why didn't you tell me that you'd prepared a present? you're not my brother! Jian Jie cursed.

Simply put, he came to the capital to do leg rehabilitation. His home was not here, and he did not have anyone with him, so it would be a little difficult to prepare a gift. The key was that he was an adult who only knew how to fight and kill. He was a man who had almost no contact with women. He really did not think about this aspect at all.

Kang Chen ignored him. He lowered his head and asked MeowMeow, "Do you like it?"

?????: "??....."

The little Jade Cicada looked very beautiful. It was a clear, watery green. Although the carving wasn't the kind of delicate carving, it was very special and very thoughtful. Every stroke could be said to be the work of a God. With the least amount of carving, this piece of Jade presented the most vivid appearance.

Not to mention MeowMeow, even Rong Yan couldn't help but praise it when she saw it. This piece of Jade was really beautiful!

Liancheng Yazhi patted MeowMeow's head. if you like it, then take it. You have to thank uncle.

????????, ??????????, ?????????: "Thank you, uncle Kang!"

Kang Yu did feel happy calling her "uncle" for the rest of his life, but after Xuxu took it, she opened her mouth and stuffed it into her mouth. This scene frightened the group of men. Liancheng Yazhi immediately reached out and blocked in front of MeowMeow's mouth. The Jade Cicada that MeowMeow was about to send into her mouth happened to poke his palm.

Rong Yan patted her chest in shock, "it's okay, Huahua, it's okay, Huahua."

rong yan quickly tugged at liancheng yazhi's clothes and he immediately took yu chan away from meowmeow's hands. meowmeow still liked this little thing very much and wanted to cry at that time. liancheng yazhi hugged her and shook her a few times. "meowmeow, my princess, you can't eat this. if you eat it, your stomach will hurt if you get sick of it."

"Does it hurt?"

Liancheng Yazhi placed his hand on MeowMeow's stomach and gently scratched it a few times. yes, it hurts very, very much, Yingluo.

I don't want it anymore,

good girl, that's right. I don't want it anymore, I don't want it anymore, Yingluo. Liancheng Yazhi held the Jade Cicada race track's face in his hands and said in his heart, Oh my God, I have to watch it carefully in the future. I can't let MeowMeow grab things casually.

Kang Yi was quite happy just now because MeowMeow liked his little gift. But now, he looked at Yingying.

He muttered to himself, "it seems that I have to give her a big one next time so that she can't swallow it.

Similarly, simple didn't say anything. He thought to himself that he had to choose carefully when giving her a gift. Otherwise, it wouldn't be good for this little guy to have the habit of stuffing things into his mouth!

After being frightened by MeowMeow, the adults were not in the mood to continue the conversation.

Finally, they decided on what to do for the next few days and left with Kang Yu.

.....

Hence, according to the script they had discussed, from that day on, Liancheng Yazhi would no longer miss the company.

All the company matters were handed over to Secretary Zhou. When she received this order, Secretary Zhou almost wanted to jump off a building!

The boss wanted to put on a sad show in front of outsiders, but in fact, the other party was enjoying a family reunion at home, with his beloved wife and daughter by his side.

However, even though he was acting like a tyrant in front of others, he was actually the one who suffered the most. Why was he the one who got injured every time?

Chapter 608 The manic Secretary Zhou

The people in the company didn't think much of not going on the first day.

It didn't matter if he didn't go the next day. Anyway, the boss had not come to the company for two or three days in a row in the past.

On the third day, everyone felt that it was good that he didn't go to the kitchen. The boss might have some private matters or was sick.

However, on the fourth, fifth, and sixth days, the boss of Wanwan still didn't come. All the projects in the company were handled by Secretary Zhou alone. Secretary Zhou had completely transformed into an Angry Bird. When she asked why the boss didn't come, she was shot back with a Cannonball.

In the next few days, there were already rumors that Liancheng Yazhi was trapped in love and his sweetheart died in a plane crash. So, Wanwan was now so sad that she had no mood to run the company. All the company affairs fell to Secretary Zhou alone.

What was even more outrageous was that some people even said that Liancheng Yazhi did not intend to continue being the president and wanted to hand the entire company over to Secretary Zhou. This time, it was a transfer of power. After a while, when the boss's mental state was a little better, he would officially hold a shareholders' meeting and hand over the position of President to Secretary Zhou.

All of a sudden, all kinds of news and rumors were spreading around the company.

Moreover, this rumor had affected the company's stock market. The daily closing index was no longer stable and began to fluctuate. This made the people who did not believe it at first start to worry.

Some of the employees in the company began to ask around for information, preparing whether they would jump ship or stay.

Some of them began to have ideas about Secretary Zhou, and some male employees tried to curry favor with him.

Some female employees wanted to seduce Secretary Zhou at any time. In just a few days, many female employees had tried to climb into Secretary Zhou's bed. What was more outrageous was that some male employees wanted to turn him gay, which made him feel a deep pressure and uneasiness.

Secretary Zhou had become more and more irritable. He no longer allowed women and men who seemed to be his gay friends to be within three steps of him.

Now, Secretary Zhou was constantly hoping that this matter would pass quickly and return him a peaceful life. He would rather be abused by his boss every day!

Secretary Zhou really felt that the days when he was a slave by Liancheng Yazhi's side were so, so blissful!

.....

At night, when meowmeowmeowmeow had fallen asleep, Rong Yan and Liancheng Yazhi were chatting in the study.

Rong Yan looked at the various gossip about L & C group and Liancheng Yazhi that was spreading on the internet. As she read, she sighed. your company has already started to spread it. Not bad, there are all kinds of versions. It's very rich and very real. Yingluo has already described you as the world's number one infatuated good man. She even dug up the things that happened three years ago!

Three years ago, Liancheng Yazhi had wanted Rong Yan in the entire city. At that time, the incident made the people in the entire Imperial City feel uneasy during the new year. Now, someone thought

of that incident and analyzed it from beginning to end with a professional and serious attitude. They came to the conclusion that Xuanji Yazhi was a good man who was infatuated with love.

Women all liked men who were faithful to their feelings. This made Liancheng Yazhi very popular on the internet and he was ranked first on the search list.

Liancheng Yazhi had just come out of the shower. He wiped his hair and sniffed his body. "what's the point of looking at those useless things? secretary zhou was the one who released them."

Chapter 609 Rong Yan, help me dry my hair

Liancheng Yazhi smelled the alcohol on his body that had not been completely washed off and said in frustration, "Aiyo, when will these days end?"

in order to let the servants believe from time to time that liancheng yazhi was now heartbroken and depressed, drinking to drown his sorrows.

Liancheng Yazhi sprayed a lot of wine on himself every day and wanted the maids to see him once a day.

This caused Liancheng Yazhi to soak in the bathroom for an hour every night, but he could not wash away the smell of alcohol.

Liancheng Yazhi hated this very much. Because of the smell of alcohol on her body, MeowMeow did not like being carried by him now.

Rong Yan found Liancheng Yazhi's frown and bitter face funny. He looked especially childish and very cute now.

Rong Yan smiled and said, "soon. Now that the news is getting bigger and bigger, your old man will definitely find a way to come back. Didn't you say that the people watching him on the island have already sent news that his mood has been unstable these few days and he's a little impatient? he must want to come back immediately and can't hold back.

Hmph, Yingluo can't hold it in anymore. He wants to come back, but he doesn't know what excuse to use. At the mention of old master Liancheng, Liancheng Yazhi's expression quickly turned cold. He reached out a hand to Rong Yan and said proudly, "Rong Yan, help me wipe my hair."

Rong Yan put down her tablet and walked over to take the towel from Liancheng Yazhi.

Liancheng Yazhi pulled Rong Yan in front of him and then reached out to hug her waist. He looked very similar to MeowMeow, as if he was looking for comfort after being injured.

Rong Yan gently wiped Liancheng Yazhi's hair with a towel."Should we give him an excuse?"

Liancheng Yazhi shook his head. there's no need. I'm so heartbroken now. How can I still be in the mood to find an excuse for him to tease my face? "

Liancheng Yazhi called out with a coquettish tone.

"What?" Rong Yan asked him.

"it's been so many days, " liancheng yazhi said. " when will you be back to normal? "

“What’s the hurry? when will your old man come back? we’ll just figure out the formula, Yingluo. By the way, how’s Natsume’s research on the formula? It’s been a few days.”

Liancheng Yazhi shook his head. Natsume said that there’s been some progress, but it’s not ideal. The prescription may be correct, but Natsume thinks that there may be some secrets in some aspects that the old man didn’t tell you, such as the order in which the medicinal herbs are added, or the method of steaming, etc., The prescription is still under research.

Rong Yan’s hand that was drying Liancheng Yazhi’s hair suddenly exerted force and scolded, ” “My Lord’s Pixiu”

she had thought that the old bastard was willing to give her the entire formula because it would be useless for her to get it, because he thought she would ‘die’ soon. however, she really did not expect that the real reason he was willing to give her the formula was because there was a secret inside.

Liancheng Yazhi said pitifully,”my dear, no matter how angry you are, don’t take it out on your husband. Calm down, huhu.” &Nbsp;

Rong Yan pouted and let go of Liancheng Yazhi. ” i really wonder how much hatred you two had in your previous lives. how could you two be father and son in this life? ”

After asking this, Rong Yan was speechless. What right did she have to criticize others? she was the same.

liancheng yazhi patted rong yan’s back and comforted her. “Don’t be angry. MeowMeow’s condition has been stable recently. Don’t worry too much.”

.....

Chapter 610 Put on a good show

Liancheng Yazhi sneered at the doctor. besides, I think the old man will be dead by the day after tomorrow. It’s no problem for MeowMeow to hold on until he returns.

Rong Yan was puzzled and asked,”why are you so sure?” He can’t hold on the day after tomorrow? i’ve always felt that your old man’s patience has no limit.”

Liancheng Yazhi put his arm around Rong Yan and let her sit on his lap. even if we’re not in a hurry, someone is more anxious than us to get him to come back.

“Who is it?” Rong Yan was even more curious.

“Secretary Zhou!”

Rong Yan was stunned for a moment, then she laughed out loud. haha, Wanwan, Secretary Zhou must be going crazy now. There’s such a big mess in and out of the company, and he’s also busy with your matter. I heard that his luck with women has been particularly good recently, right? ”

yeah, the clerks in the secretary’s office are particularly afraid of Secretary Zhou now. I heard that he’s so fierce that he can eat people. a mischievous smile appeared on liancheng yazhi’s face.

“Would Secretary Zhou have thought of a way to get your old man back without telling you?” in rong yan’s impression, secretary zhou was a very proper person. he

was absolutely loyal to Liancheng Yazhi in everything he did and would never make his own decisions.

Liancheng Yazhi pursed his lips. Secretary Zhou had been with him for so many years, and they knew each other very well.

Don't think that he's honest. He only looks serious, but Hanhan is actually full of evil. As long as Secretary Zhou spreads the news that I'm interested in letting him take over the group, the old man will definitely be eager to come back because he thinks that it's not impossible if it were me. The old man wants to regain control of the Liancheng family so badly and has done so much, so he'll definitely let Secretary Zhou 'reap the benefits' so easily. His return is imperative."

Rong Yan quickly got up from Liancheng Yazhi's lap. Then you'll act for two more days and prepare well. We'd better be careful when we're together these few days, in case he suddenly comes back and catches us off guard.

Liancheng Yazhi pulled Rong Yan back. "Look at you, you're so careful. If he wants to come back, how can he come back without my permission? You don't have to worry about this, just watch your husband put on a good show for him."

During the day, he was very careful in front of people and did not dare to stand too close. At night, he could only hug her for a while. Liancheng Yazhi did not want to let go of such a good opportunity.

Liancheng Yazhi complained in a low voice, "we're having such an interesting time now. We're living under the same roof, but we're still sneaking around."

In the end, Rong Yan replied to him, "this is also quite interesting, Yingluo."

At least, Liancheng Yazhi would not want to push her down and eat her up from time to time, and he would not think about giving MeowMeow a younger brother.

Recently, the quality of Rong Yan's rest was obviously much better than before!

It was already ten o'clock in the blink of an eye. Rong Yan pushed Liancheng Yazhi. "It's late, I should go back to sleep."

Rong Yan estimated that Seven was probably already waiting for her in Butler Li's bedroom. She didn't want him to wait too long.

"It's only ten o'clock. Let's hug for a while." Liancheng Yazhi did not let go.

Rong Yan tilted her head and asked him, "alright, don't hug me anymore. We'll have a lot of time in the future. How about this? Do you want to kiss me?"

Liancheng Yazhi pursed his lips and looked at Rong Yan's unfamiliar face. He wanted to kiss her, but he could not bring himself to do it!
