

## Chapter 621 Do you have that ability?

When he faced Liancheng Yazhi, he felt guilty. He always felt that there was something Qianqian couldn't put into words, and he just couldn't keep up with his aura.

However, old master Liancheng didn't want to be seen as guilty at this time, so he could only shout at the top of his voice to cover up his guilty conscience.

He pointed at Liancheng Yazhi and roared, "ridiculous! He's just a Secretary. He doesn't have the same surname. The company belongs to the Liancheng family. If you don't do anything, I'll remove you from the position of the head of the family. I don't want the Liancheng family to be destroyed in your hands."

The old man was actually very scared when he said what he wanted to say the most.

But he didn't expect Liancheng Yazhi to not care at all. He said disdainfully, "Whatever."

He wanted to close the door after he finished speaking, but before he did, he said something that almost made old master Liancheng vomit blood. "Do you have the ability to remove my Yingluo?"

you!!! the old man's face turned green with anger, but he only managed to say one word before Liancheng Yazhi closed the door with a bang.

Rong Yan waited for a while before she walked forward and said, "Old master, please calm down. It's all thanks to you that young master said so much. Even if we came to call young master for a whole day, he wouldn't say a single word."

Rong Yan's words gave old master Liancheng a way out. He scolded her again, "Bastard, bastard Yingluo!"

old master, don't be angry. You must be very tired after coming back. I'll get someone to clean up a room for you. You should rest well!

rong yan chuckled. why did it feel so uncomfortable and unpleasant to hear him scolding liancheng yazhi?

however, rong yan did not expect old master liancheng to ask, "What about the child?"

you're talking about Yingluo. Rong Yan's eyes rolled around. The old man was asking about MeowMeow, right?

Sure enough, the old man said, "meow meow meow meow."

He didn't even try to hide his reluctance and disgust when he said 'MeowMeow'! He didn't have the love and kindness of a grandfather at all. It was as if he was already grateful that he was willing to call out MeowMeow's name.

After hearing "oh, young miss, you're taking an afternoon nap. children like to sleep."

Old master Liancheng's expression was very ugly. eldest miss? Hmph, does ran ran count?"

A hint of anger and ruthlessness flashed in Rong Yan's eyes, but she still had a smile on her face as she said, this is the young master's order. He said that miss meowmeowmeow is the only young lady of the Liancheng family.

Rong Yan was actually very clear about one thing. She didn't need the old man to recognize her as his granddaughter at all. As long as Liancheng Yazhi treated MeowMeow as a Princess, no one could stop it. MeowMeow was the eldest miss of the Liancheng family.

In front of Rong Yan, old master Liancheng was no longer the cowardly person he was in front of his son and became tough. "Do the words of that kid still count?"

Rong Yan was still smiling. old master, of course, we have to listen to young Master's words. It doesn't seem very good if young master hears you.

"You dare to threaten me?" Old master Liancheng's gaze on Rong Yan instantly turned sharp.

Rong Yan hurriedly said, "I don't dare, I don't dare. It's just that the master of the family is still the young master, so I'm afraid that we, the servants, will be afraid."

Old master Liancheng looked at Rong Yan coldly and said after a while, "Bring the child over for me to see."

Chapter 622 Are you out of your mind?

Rong Yan shook her head decisively. the old master and eldest miss are sleeping. Young master has made a rule that no one can wake eldest miss up when she's sleeping. Otherwise, Zhenzhen, it won't be as simple as being chased out of the Liancheng family. Young master dotes on eldest miss the most. We really don't dare to touch young master's bottom line.

This old man really thought of himself as a Big Shot. The moment he opened his mouth, he asked her to hold his daughter. If she were to hold MeowMeow at this time, she would be really stupid.

Who knew what the old man was thinking and what he would do to MeowMeow.

The old man didn't get angry at Rong Yan's refusal. He just looked at Rong Yan a few more times, probably because he realized that this seemingly submissive and flattering housekeeper was actually not that easy to deal with, and she didn't respect him that much.

at this moment, old master lian Cheng was thinking that when he took control of the lian Cheng family, he would replace all the maids and the housekeeper sooner or later.

However, old master Liancheng still instructed Rong Yan to do one thing. call Secretary Zhou.

Rong Yan smiled and nodded. yes, Zhenzhen. I'll call now.

She quickly dialed Secretary Zhou's cell phone and explained that it was old master Liancheng who was looking for him.

old master lian Cheng didn't argue and said directly, "Secretary Zhou, we're having a General Meeting at 10 am tomorrow."

"Shareholders" meeting? Alright, Yingluo, I'll do as you say."

Secretary Zhou's heart started to beat faster when he heard the old man mention the shareholders 'meeting. A shareholders' meeting was not an ordinary matter. After hanging up the phone, he quickly informed Liancheng Yazhi, wondering if he should make a move to cancel the shareholders 'meeting tomorrow.

“Young master ya, the old master is going to hold a shareholders ‘meeting. Is he trying to get Zhenzhen to fire you?”

Liancheng Yazhi rolled his eyes. Secretary Zhou, have you been so busy these past few days that your brain has gone haywire? he doesn’t have any shares in his hands now. Other than being my father by blood, what right does he have to dismiss me? tomorrow, he just wants to meet the company’s shareholders and get to know them better. At the same time, he wants to spread negative news about me. Then, ran ran will quickly contact the shareholders and communicate with them in private. After that, we’ll hold a shareholders ‘meeting and vote for a decision.

ah, Yueyue, I really forgot about this. Then, young master ya, I think that the old man came with bad intentions this time. What if he pulled all the shareholders to his side? what should we do? ”

Liancheng Yazhi held his forehead and sighed. “i said you’re out of your mind, and you’re really out of your mind. even if all the shareholders vote to dismiss me, will it be of any use?”

Secretary Zhou said, ” ah, ran ran, I’m so forgetful. Even if they add up all their shares, they still don’t have as many as you. Even if they vote, they’re not afraid of them. No wonder young master ya is so calm. Then I’ll arrange a shareholders ‘meeting for him. There’s no need to do anything.

Those shareholders were not fools. They knew that even if they voted for the recall, it was impossible for them to let Liancheng Yazhi step down and they would completely offend him. So, even if Wanwan didn’t want Liancheng Yazhi to continue being the Chief Judge, she would not vote for the recall.

after old master liancheng left the L & C group back then, liancheng yazhi had secretly bought some shares and put them under his own name, so even the old master did not know. he probably still thought that the shares in liancheng yazhi’s hands were the same as when he left.

Chapter 623 do you want to try?

liancheng yazhi ordered, ” you don’t have to do anything. just arrange a good scene for him. if he wants to hook up with a few shareholders, let him do so. take the opportunity to see who will betray him and clean them up in one go! ”

Secretary Zhou nodded and said,”yes, understood, ran ran.”

Secretary Zhou sighed in his heart. No wonder young master ya was so confident from the beginning. He didn’t seem to be worried or afraid at all.

Sure enough, he was just a Secretary in name, and he had a better future by following young master ya.

.....

On this day, old master Liancheng finally returned to the Liancheng family after so many years. He was naturally very excited. He walked around the old Liancheng residence inside and out and finally stopped in front of a flower garden with East Green. He stood there for a long time.

Because the old man was back, Rong Yan and Liancheng Yazhi had to enter Level 1 combat state.

One of them had to act as a drunkard while the other had to act as someone else. They couldn’t expose themselves in front of the old man. What the two of them were most worried about now was what they would do when their daughter woke up.

After thinking for a long time, Rong Yan finally thought of a way.

When the old man wasn't paying attention, she quickly entered the room and locked the door from the inside. Then, she quietly walked to the bed and said,

?????,????????????????,????????????????,????????:

After a while,

Then he heard MeowMeow's baby voice, "Mommy, Yingluo, mommy, is that you?"

Rong Yan lowered her head and kissed meowmeowmeowmeowmeowmeow's face. "Yes, it's mommy Yingluo"

????????????, "??,????....."

Rong Yan lay down and covered MeowMeow's eyes with one hand while hugging her tightly with the other. have you forgotten the game that mommy told you about? you have to cover your eyes before mommy can appear. If you open your eyes, mommy will have to leave. This game has not ended yet.

Meowmeowmeowmeow pouted,"but I miss mommy Yingying."

"That's why I'm here to keep you company. Isn't it good for you to talk to me? This game is so fun, don't you want to play it again? "It's even more fun this time. When you close your eyes, mommy will play with you. When you open your eyes, mommy's friend, who is your aunt, will come and play with you. If you want to do anything, just tell him, and she will fulfill all your wishes. Mommy found this, so you have to help mommy take good care of her, okay?"

alright, Yingying. MeowMeow nodded after a moment of hesitation.

rong yan hugged Don't you think it's really fun?"

"What about Yingluo's mother?" MeowMeow still wanted to take a look at Rong Yan. Although he had been blindfolded for the past few days, he still wanted to see his mother under such circumstances.

"Mom? I want to play hide-and-seek with you. After you open your eyes, mommy will hide. You call mommy three times, and mommy will appear. How's this game? don't you think it's very interesting?" rong yan was like a big bad wolf who was trying to trick little red riding hood. she was determined to make him do as she said.

....

Chapter 624 A little secret between the three of them

MeowMeow nodded vigorously. Yingying is fun. Fun. I want to play.

Finally, Rong Yan reminded him, " then it's about to start. When you open your eyes and see Auntie later, help me say hello to her. Mommy likes the obedient and sensible MeowMeow the most. Remember to help mommy take care of Auntie!

“I’ll definitely help mommy take care of Auntie,” MeowMeow said firmly.

alright, let’s start. Come on, one, two, three. Meowmeowmeowmeowmeow, open your eyes. After Rong Yan finished speaking, she gently removed her palm from MeowMeow’s eyes.

Two seconds later, MeowMeow’s eyelashes fluttered a few times. She opened her eyes and saw the beautiful version of ‘Butler li’ standing at the head of the bed and looking down at her.

??????????,????????,??????:”Housekeeper Auntie?”

Rong Yan said softly, “that’s right. I’m the housekeeper Auntie. Mom, I asked Yingluo to Ask Auntie to come and play with you. MeowMeow, are you happy?”

“Where’s mom?” MeowMeow’s eyes looked around. It had not seen its mother for a few days. It was not easy for MeowMeow to hold on until now.

Rong Yan sat down. mommy is playing hide-and-seek with meowmeowmeowmeowmeow!

What she had to do now was to make MeowMeow accept her current identity, then follow her in peace and agree to be held by her.

in the next few days, liancheng yazhi had to focus on dealing with the old master, and she, qianqian, couldn’t reveal her identity.

Rong Yan’s heart ached when she saw meowmeowmeowmeow’s listless expression when she heard that her mother was not around. However, she still smiled and said, ” “MeowMeow, didn’t mommy tell you to take good care of Auntie? When you’ve taken care of Auntie, mom will come out and praise our MeowMeow for being a good and sensible child.”

?????????????????:”Yes, I will, Yingluo.”

“Auntie, can you hug me?” Rong Yan reached out her hand and asked MeowMeow.

MeowMeow bit her finger and was still in a dilemma. She didn’t say anything. She was a very human, sensitive, and naturally guarded child. She could accept Liancheng Yazhi because they had a natural father-daughter connection, but others couldn’t.

Therefore, it was difficult for MeowMeow to suddenly accept an unfamiliar ‘Auntie’.

Rong Yan was very anxious now. If she couldn’t keep

Rong Yan softened her voice and continued. mommy and Auntie are very, very good friends. You see, mommy told MeowMeow herself to take care of Auntie.

??????????,???:”Alright then, Yingluo!”

good baby, let aunty carry you. These few days, aunty will take care of you during the day, and let mommy take care of you at night, okay? ”

When MeowMeow heard that her mother would take care of her at night, her round eyes lit up and her little face broke into a smile. She clapped her hands and laughed.”Good Yingluo.”

Rong Yan then said to

Old master Liancheng was a sinister and cunning person. After he saw

Chapter 625 Grandpa is not a good thing!

Rong Yan nodded. daddy, this Yingluo is not bad, Yingluo. But you can't talk about anyone else other than daddy.

[illegible]

Rong Yan was stunned for a moment, but she quickly smiled. This was good too. my dear, because mom and Auntie have a good relationship, even the scent on their bodies is the same. You can rest assured now.

“Let’s go. Auntie will take you out for a walk, okay?” Rong Yan planned to take in case the old man went to see meowmeow when she was not around.

It was already past four o'clock in the afternoon. Rong Yan went downstairs with Miaomiao in her arms and saw the old man reading the latest newspaper. It seemed that he wanted to understand the current situation in the capital in the shortest time possible and take action as soon as possible to control the Liancheng family.

MeowMeow lay in Rong Yan's arms and glanced at the old man. Then, without any special expression on her face, she lay in Rong Yan's arms and didn't want to move.

Grandpa Liancheng didn't show much enthusiasm towards MeowMeow. Instead, he was very cold and said, "Tell her who I am!"

Tsk, what's so great about him? he was still a father who was looked down upon by his son.

Rong Yan didn't say a word. She wasn't so kind as to let her daughter call an old man who didn't take her own granddaughter's life and death seriously 'Grandpa' because he didn't deserve it. He could set so many traps for a prescription passed down in the Liancheng family.

Old master Liancheng waited for a while, but he couldn't hear Rong Yan's voice or Meow Meow calling for Grandpa. Finally, he raised his head and ordered, "Tell her Yingluo."

Before Rong Yan could speak, MeowMeow asked curiously, "auntie, what's a grandpa?"

old master liancheng's face turned red in anger and he glared at meowmeow.

However, before he could reprimand MeowMeow, Liancheng Yazhi's hoarse and cold voice came down from the stairs. "Baby, Grandpa isn't a good thing!"

Chapter 626 Daddy missed you too

rong yan and old master liancheng looked up at the same time and saw liancheng yazhi standing on the stairs. his hair was still dripping with water, and he had changed his clothes. the stubble on his chin was gone, so he looked much cleaner. however, huahua was still not in good spirits, and her eyes were still bloodshot.

Rong Yan was surprised to see Liancheng Yazhi like this. Didn't he say that he had to maintain a dispirited state in front of the old master for the next few days? why did he suddenly change? Was Liancheng Yazhi going to change his strategy again?

After seeing Liancheng Yazhi, "Daddy, Yingluo"

When old master Liancheng saw that Liancheng Yazhi was much more refreshed and sober than two or three hours ago, his heart skipped a beat. He had even forgotten about Liancheng Yazhi's scolding just now. What he was afraid of now was that Liancheng Yazhi might instantly regain his fighting spirit once he returned.

Liancheng Yazhi walked down the stairs step by step. His acting skills were very good, and he even trembled a little when he walked, as if he could fall down the stairs at any time.

Seeing him like this, old master Liancheng felt a little better.

Liancheng Yazhi walked up to Rong Yan step by step and took MeowMeow from her arms. do you miss daddy? "

MeowMeow immediately nodded and replied, "yes, I miss Daddy and Mommy!"

Liancheng Yazhi glanced at Rong Yan out of the corner of his eye, then lowered his head to kiss MeowMeow's cheek a few times. my good Huahua, daddy misses you too.

Old master Liancheng saw that Liancheng Yazhi's eyes were full of fatherly love and was a little confused. He said to Rong Yan and the maids standing around waiting for his orders, "All of you, leave. I have something to say to Yazhi!"

However, Rong Yan and the maid did not move.

This made old master Liancheng feel very embarrassed. He slammed the table and said, "Are you all deaf?"

After taking it, Rong Yan and the maids still lowered their heads and did not move, like wooden men.

Meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowm

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmetime, I've already made my will.

Liancheng Yazhi did want to give everything to MeowMeow in the future, but he really did not have the time to write a will for Wanwan.

Firstly, he had been too busy recently and really didn't have time. Secondly, he wanted to wait until he and Rong Yan got married and let MeowMeow have a legitimate reason to be recognized by the law and the public before he made his will.

However, the old man didn't know about this. Even if what he said was false, as long as the old man believed it, it would be enough to anger him to death.

As expected, when Liancheng Yazhi said this, the old man was so angry that he felt helpless and trembled, unable to say anything.

"You, you, you, you, you, you, you ..."

Liancheng Yazhi raised his head and looked at old master Liancheng with his red eyes. He said calmly, "I've already lost the mother of my child. I can't let anything happen to her. I still want to give her the best."

Old master Lian Cheng mocked him in his heart, 'you should cure her first!

he was really glad that he had not told Rong Yan the prescription. He did not tell her that the order of the medicinal herbs was also the key when soaking in the medicinal bath. Otherwise, Liancheng Yazhi would have left all his wealth to a young girl like her.

but you're in such a bad state now. You don't even care about the company anymore. What will you give her in the future? "

Liancheng Yazhi knew that the old man was testing him and wanted to ask if he was planning to return to the company for MeowMeow.

Hence, he followed the old man's thoughts and said, "I told you, Secretary Zhou is here."

These words were in line with old master Liancheng's thoughts, but he still said angrily, "Good for you, Yingluo. The Liancheng family has raised a bastard like you for nothing, Yingluo."

After that, he went upstairs in a huff, ready to quickly arrange the shareholders' meeting tomorrow. He wanted to understand the current situation of all the shareholders on the Board of Directors so that he could break them one by one.

After the old man left, MeowMeow's eyes instantly lit up, and her entire little body became lively. She immediately grabbed Liancheng Yazhi's ear and said, "Daddy, Daddy, Yingluo, let me tell you a secret, Yingluo."

Liancheng Yazhi's heart softened. What secret is it, little princess? "

Chapter 628 I'll shield you from all the wind and rain

????????,????:"Daddy, I'm telling you, Oh Yingluo, mommy, she's Yingluo."

Meowmeowmeowmeowmeow's voice was very soft and almost inaudible. The smile on Liancheng Yazhi's face grew wider and wider. After

MeowMeow happily rolled around in Liancheng Yazhi's arms, the smile on her face brighter than the sun.

Liancheng Yazhi carried

He told MeowMeow in his heart, "in order to make you happy and bright, daddy will help you block all the wind and rain."

.....

After old master Liancheng returned to his room upstairs, he walked around the room. The more he thought about it, the more he felt that he was too obviously weak.

even if he seized the power for now, he was an old man who was about to die. how could he compare to his son who was in the prime of his life? he would definitely die early in the future, and the liancheng family would still belong to his son. therefore, it did not seem to be of much use for him to seize power now.

However-

Old master Liancheng felt very indignant at the thought of this. When he was full of ambition back then/his position as the head of the family was suddenly robbed by Liancheng Yazhi in a storm-like fashion. He was then immediately exiled to a small, remote island.

The old man had thought that he would never have the chance to return, but now that he finally had such a rare opportunity, he did not want to miss it.

The old man thought for a long time and finally decided on one thing. He could no longer have a son at his age, but the Liancheng family needed an heir. Although he didn't want Liancheng Yazhi to be the head of the family, Wanwan hoped that Liancheng Yazhi and the daughter-in-law he picked would give birth to a grandson he was satisfied with to inherit the family business.

Old master Liancheng called his personal secretary, one of the two King Kongs.

The old man let him close the door and asked directly, " "Have you done what I asked you to do?"

The old man's male secretary was a Chinese man from country A, his English name was Neil. He replied expressionlessly, " it's all done by the old master. Miss Lu is coming back from overseas tonight. This time, she's coming back in secret. No one knows. When she's back, she'll go straight back to the Lu family. We're just waiting for your orders now.

Old master Lian Cheng asked again,"how is she?" Don't be as shallow and useless as you were three years ago."

Neil nodded. you don't have to worry about that. After two years of training, miss Lu is a completely different person from three years ago. She's very charismatic. It's as if she was reborn.

old master liancheng sighed, his face looking like he had failed to live up to his expectations."I hope so. Don't let me down again. If it's not her, if it's her ..." The old man still couldn't finish his sentence."I won't choose her at all."

Neil stood in front of old master Liancheng, not saying a word.

"Where's Hannah?" the old man asked after a moment of silence.

Hannah was his Secretary.

“She went to the company to find Secretary Zhou. She wants to arrange for your meeting with the shareholders tomorrow.”

“Hmm, very good, Hannah’s serious!” after praising hannah, old man lian cheng asked neil to leave!

.....

After coaxing meowmeowmeow to sleep at night, Liancheng Yazhi returned to the study, turned on the computer, and put on his headphones. The computer was playing the image of the old man talking to Neil. The sound and image were very clear.

Chapter 629 Do you have any orders?

Liancheng Yazhi looked at the old man and Neil on the computer screen with a blank expression. There was not even any extra sarcasm, and he was a little cold.

When he saw the end, Liancheng Yazhi pressed the button on the computer.

fortunately, he knew what kind of person his father was. he and rong yan had already taken precautions and installed a pinhole camera in the room in advance. sure enough, their efforts were not in vain.

Liancheng Yazhi muttered to himself.

“Miss Lu?”

“Three years ago?”

it seemed that his father had a new plan.

What was the old man up to this time? Anyway, no matter what he did, it would not be a good thing.

Ever since Liancheng Yazhi could remember, he had never seen his father do anything right. To him, he had given up his illegitimate son and mistress for power and regretted it for so many years. He did not know how to reflect on himself and instead blamed his resentment on his son.

Moreover, his anger had been vented for many years and had not subsided even now, so Xuanji Rong Yan would never think that he would do anything to benefit him.

liancheng yazhi’s fingers tapped on the table unconsciously, over and over again, and many images flashed through his mind.

Even though their conversation didn’t reveal much, it was still better than nothing. As long as someone followed Neil tonight, they would know everything. However, by this time, had Neil returned from the airport?

Liancheng Yazhi immediately told Secretary Zhou.

At that moment, it was already 12 o’clock in the morning. Because of Grandpa Liancheng’s return, Secretary Zhou finally relaxed a little and was no longer so tense. After working overtime until 10 O’clock in the evening, he went to sleep without even having dinner.

in the end, she had only slept for slightly more than an hour when she was awoken by the sudden ringing of the bell.

The ringtone was very loud, and it took Secretary Zhou more than ten seconds to wake up. He saw the name flashing on the phone in a daze and quickly picked up the call. Yawning, he asked with tears in his eyes, ""young master ya, it's so late. do you have any instructions for me?"

lian Cheng yazhi heard secretary Zhou's voice and frowned. ""You were woken up? Yingluo, you're sleeping early."

The meaning of these words was very obvious. Your boss isn't asleep yet, and you're already asleep. Your boss is very unhappy (~ O ~)~ZZ

Secretary Zhou wanted to cry when he heard that. He really wanted to shout, "i can only sleep earlier today. why don't you say that i've been working myself to death these past few days? what kind of life have i been living like a slave?"

Secretary Zhou said bitterly, "young master ya, I'm sorry about that Yueyue. My Yueyue has been a little tired these few days. Just a little!"

Lian Cheng Yazhi naturally knew how busy Secretary Zhou was, and he had just casually said, " I know you've been very busy these few days, but it'll be done soon. Hang in there for a few more days. I'll give you a long break later. I'm looking for you now to ask you to do something.

secretary Zhou was instantly elated. a long holiday? this was the best news he had heard in years. he couldn't even remember how long it had been since he had a holiday.

He hurriedly said, "young master ya, please instruct Yingluo."

Secretary Zhou knew that it was definitely not an hour for his boss to call so late.

Lian Cheng Yazhi ordered, " send someone to follow Neil, the male secretary who came back with the old man. Remember not to let him find out. Send a few people who are good at tracking and find out who the old man asked him to pick up. After you find out, don't alert the enemy and report to me immediately.

.....

Chapter 630 I just want to see you

"It's Yingluo who understands."

After ending the call with Secretary Zhou, Rong Yan thought about it and sent a text message to her. are you asleep? "

However, Rong Yan replied to him. I'm asleep. But I just got up to drink and sleep. I just happened to see your message!

Lian Cheng Yazhi quickly sent a message, "baby, come to the study room right now to have a chat."

Rong Yan was shocked when she saw this message. Seven had removed the makeup on her face. If Lian Cheng Yazhi saw it now, something would definitely happen. Wouldn't that be the same as letting him know that someone had come to remove and put on her makeup every day?

Rong Yan quickly replied, 'ah? Let's go to the study. What if your father finds out?"

Soon, his phone rang. It was another text message from Liancheng Yazhi. it's almost 12 o'clock. We won't be discovered. Come up, I have something to tell you.

Rong Yan really wanted to run out and hit the wall now. She was so anxious that she didn't feel sleepy at all. After thinking for a while, she replied, no, old people tend to sleep less. If I get found out, everything we've done will be for naught.

Liancheng Yazhi thought about it and agreed. After Rong yingyan changed her face, the two of them had been acting cautiously. If they were discovered because of this, it would be terrible.

However, he wanted to tell Rong Yan about old master Liancheng, so he replied, "Forget it, I'll go to your room then!"

Rong Yan ruthlessly scratched her hair. no, don't mess around. What's the difference between this and me going up to see you? "We should be more cautious at this time, especially when the other party is your father. How can we not be more cautious? Why don't we talk on the phone? you can tell me over the phone?"

Liancheng Yazhi held the phone in his hand and spun it around a few times before he finally replied listlessly, "forget it, I'll tell you tomorrow. Anyway, it won't affect anything. You should sleep well (3). Good night.

Rong Yan heaved a sigh of relief in her heart. Her fingers moved a few times and she replied with a few words, " -\_- ! Then why did you force me to go up just now?"

After a while, Liancheng Yazhi's text message came 'shyly'. It was a rather tsundere and aggrieved sentence: "I just wanted to see you. The old man is back today, and we don't even have time to hold hands!"

After Rong Yan saw this, she held her stomach and laughed out loud. She rolled around on the bed for a while before replying to Liancheng Yazhi.

"Then why don't you just say that you miss me? why do you have to beat around the bush?"

"Don't you think Yingluo is too pale if I say that I miss you? There's no technical content at all."

Rong Yan laughed for a while. She really felt that Liancheng Yazhi was getting cuter and cuter recently. Just like his performance in the past few days, he was becoming more and more like an actor. Every time she saw him confronting old master Liancheng, Rong Yan wanted to give him thirty-two likes!

She lay in bed and replied to Liancheng Yazhi's text message: "Then what do you want to do in order for it to be technical?"

Liancheng Yazhi didn't reply to this text message. He only came over when Rong Yan was about to fall asleep."Rong Yan, Zhenzhen, I really miss you. What should I do?"

After Rong Yan heard the message tone, she rubbed her eyes and read the message. She suddenly felt sweet in her heart. For some reason, Rong Yan felt that Yingluo was like her first love.

Rong Yan covered her face. She had had enough. Under such circumstances, she actually thought that they were playing with their first love.

.....
