

Permit Me 641

Chapter 641 medical madman's acting skills

Natsume's words did not sound wrong at all, and he did not mean to scare the patient by asking her to be hospitalized.

He only said that there might be a problem and that it was up to them to decide if they wanted to stay in the hospital for an examination. It had nothing to do with the hospital. If there was no examination, they should not come to them if something happened in the future.

What Neil was begging for was for his father to be fine. Hearing Natsume's words, he immediately said, "okay, thank you, doctor. We're free these few days, so let's arrange a detailed examination first. When do you think we can start?"

"then go register your hospitalization first. the hospital will arrange a time for your examination as soon as possible."

"Thank you, doctor!"

"let's go see the patient first. when he wakes up, ask him how he's feeling. if there's nothing wrong, it's a good thing. if there's anything wrong, wanwan, you have to get him checked quickly." When xiaxia mu spoke, he was like an angel in white, gentle and polite. He was a completely different person from the medical madman he was in the laboratory!

Natsume left, and when he passed by Secretary Zhou, he winked at him and moved his fingers.

Secretary Zhou thought for a moment. It seemed like he wanted him to go over and have a word with him!

secretary zhou's heart skipped a beat. was he going to talk about the prescription? Even if it wasn't, it must be about miss MeowMeow's condition. Anyway, Natsume's expression meant that he must have learned something.

Secretary Zhou did not leave immediately. He followed Neil into the ward and took a look at the old man on the bed.

After seeing the old man, Secretary Zhou swallowed twice. He really wanted to ask Natsume how much blood they had taken from the old man. His face looked terrible!

Secretary Zhou patted Neil's shoulder. since there's nothing else, I'll be leaving. Sigh, Yingluo, I'm not as relaxed as you. If there's anything you can't solve, give me a call.

Neil didn't say anything as he watched Secretary Zhou leave the ward.

After seeing Natsume, Secretary Zhou directly asked, "Did you discover something?"

of course I found something. Otherwise, all my time would have been wasted. Yingluo, please inform young master ya and ask him to come over when he has the time.

secretary zhou sized natsume up. why was this kid keeping him in suspense?"What's the matter? tell me and I'll tell young master ya."

Natsume shook his head. it's not that I don't believe you, but it's better to talk to him personally. After all, this matter concerns his daughter. Only face to face can we make things more clear.

Since Natsume had already said this, Secretary Zhou did not ask further.

"Okay, I'll inform young master ya." secretary zhou paused and suddenly asked, "tell me first, how much blood did you take from the old man just now? Why does his face look so pale like a ghost?"

Natsume immediately became embarrassed and scratched his head in embarrassment, "there's not much of it. I'm just keeping a little for my experiments. Just a little.

Secretary Zhou stuck out a finger. a little? "

Natsume hurriedly waved his hand. the blood of the Liancheng family members of Nannan is very strange, so I took the opportunity to take more blood from Nannan. He won't find out anyway, so he won't know that someone took his blood while he was unconscious.

He was from the Liancheng family, a family with unknown power flowing in their blood. Natsume was very, very curious, but he did not dare to touch Liancheng Yazhi. Now that an opportunity had been presented to him, of course, he would take it all!

.....

Chapter 642 Weren't you framed?

Secretary Zhou pointed at Natsume. this is the only time. Don't cause trouble for our young master ya!

"don't worry, it won't happen again," natsume promised. the blood drawn this time would be enough for him to mess around for a long time!

.....

In the ward, after old master Liancheng woke up, he saw that he was surrounded by an unfamiliar environment. There was a strong smell of disinfectant in his breath, and the surroundings were snow-white. Old master Liancheng was instantly scared and quickly asked, "What about me? Where is this Yueyue?"

Seeing that the old man had finally woken up, Neil finally let out a sigh of relief. "Old man, you're awake. This is the hospital!"

Old master Lian Cheng frowned and asked unhappily, "My Yueyue, why did I come to the hospital?"

it's because you were too excited today," Neil told him. you went into shock for a short time. But you're fine now.

Old master Liancheng's suspicion was not something to be said casually. As soon as he woke up, he began to suspect that he had been sent to the hospital because of someone. "Are you sure I fainted on my own and that someone didn't do anything to me?"

When he heard that he had fainted, the first thing he suspected was that Liancheng Yazhi had done something.

neil answered with certainty, " you weren't set up. i was there watching you when you were unconscious. even though secretary zhou was there, he didn't move his hand at all. also, there were surveillance cameras in that place. your fainting today happened all of a sudden. even if they wanted to do something, they didn't have time. also, from the time you fainted until you woke up, i was by your side. other than the doctors and nurses, no one else got close to you. "

Old master Lian Cheng immediately denied it. that's impossible. My body has always been good. I've never fainted before.

Neil sighed and tried to persuade him. the old man, Hanhan, said that even though you used to be very healthy, you're getting old, after all. Your body's functions are gradually declining, and all your organs are starting to fail. You can't be compared to young people. Also, you were too happy today, which was why Hanhan fainted. The doctor said that there seems to be something wrong with your liver and wants you to stay in the hospital for a comprehensive physical examination!

Neil's words made old master Liancheng believe him a little. is that true? "

yes. Neil nodded seriously. it really is.

then I'm relieved, Yingluo. the old man patted his chest. As long as Liancheng Yazhi did not start to exert force on him, he had nothing to be afraid of.

After lying down for a while, the old man wanted to sit up, but just as he straightened his body, he felt the world spinning around him. He felt abnormally dizzy and lay back down."Why do I feel so dizzy?" [Secretary Zhou: of course, so much blood was drawn, who would faint if not you?]

"That's because your body hasn't recovered yet." Neil saw that the old man's face was a little pale and thought that he had fainted. He never thought that his blood had been drawn.

Old master Liancheng rubbed his head with his hand. and why does my head hurt so much, Yueyue? it's like I've been pricked by many needles. [Natsume: I've been stimulating your head with all kinds of electric waves for an hour or two. If you don't feel pain, who else will?]

Neil still did not suspect anything. He stood up and poured a glass of water for old master Liancheng, comforting him. don't worry, old man. The doctor said that this is normal. He told you to rest more, work less, and stay in a good mood. Don't be too sad or too happy. Otherwise, this will happen more often in the future.

.....

Chapter 643 The vicious young master Quan of the imperial capital

When old master Liancheng heard what Neil said, he laid on the bed and closed his eyes."I know, Zhenzhen."

He was panicking. No, he was afraid. Everyone was afraid of death, and he was getting closer and closer to it.

he was getting older and older, and his body was getting worse and worse. he didn't know when he would lie down and not be able to get up. this fear spread in his heart for the first time.

As for old master Liancheng, he was still most worried. After so many years of ups and downs, he was finally about to obtain the Liancheng family, but his body was not able to take it. Moreover, he was afraid that he would have no one to inherit his position after his death.

Old master Liancheng's mind was filled with many things. He felt that the most important thing right now was to let Liancheng Yazhi and the daughter-in-law he had chosen quickly give birth to a successor that he was satisfied with. If he didn't do it now, when he really died, the Liancheng family would still return to the hands of that prodigal, Liancheng Yazhi.

that's right, hurry up and let liancheng yazhi marry the daughter-in-law he valued. as for whether his son liked it or not, it didn't matter whether they could live a good life. as long as they could sleep a few times and get pregnant, that was enough.

Old master Liancheng suddenly opened his eyes. Neil, immediately inform the reporters to hold a press conference and spread the news that I've returned to the Liancheng family and am about to regain control of the family.

Old master Liancheng had made up his mind that he couldn't afford to delay any longer. He had to return to the Liancheng family and quickly make the upper-class society in the capital accept him and welcome him again. Only then would his status return!

neil stood up and lowered his head. he said respectfully, " yes, old man. I understand. I'll inform him immediately.

He knew that the old man wanted to speed up his pace. Not only did he want to regain his family power, but he also wanted the whole capital to hold him up to the top of the pyramid again. However, this was a little difficult. Young master ya had been in the capital for so many years and had close relationships with the Kang, Feng, and Xia families. He had long formed a strong network of connections that no one else could break through. It would be difficult for the old man to break through.

But seeing how ambitious old master Liancheng was, Neil couldn't bear to strike him down.

Old master Liancheng's eyes flashed with a cold light. also, you can arrange for my return banquet. No matter how much it costs, it must be Grand, Grand, and luxurious so that the entire Imperial City can hear the sound of my return, aww.

yes, I'll inform Hannah and tell her not to do this. Neil quickly replied.

Neil, " the old man suddenly said, " come closer, I have something to tell you!

Neil was puzzled. Why did she have to stick her ear out? although he was puzzled, he still lowered his head.

After old master Liancheng finished mumbling, Neil's expression changed. old master, can this Yingluo do it? If young master ya doesn't agree, he'll get angry at the party and ruin it. "

old master lian cheng said confidently, " since I dare to do it, I won't let him mess it up. The older the ginger, the wiser it is. He can't compare to me. You can do it with peace of mind and don't worry about anything else.

it's Yingluo. I understand. I'll do a good job. Neil's words were rather weak. It wasn't that he didn't trust the old man, but the other party was young master ya, the cruel and ruthless young master of

power in the imperial capital. Back then, he had chased the old man out of his position before he was even 20 years old.

Chapter 644 A name that sounds familiar

No one could compare to young master ya's boldness, methods, and schemes. Although Neil was the old man's man, if Wanwan asked him to tell the truth, he had to admit that young master ya was way better than the old man.

If the woman that young master ya liked didn't 'die' this time, the old man wouldn't have had any chance at all and probably wouldn't be able to return to the country for the rest of his life!

Old master Lian Cheng had instructed Neil to do one thing. "inform liancheng yazhi to come to the hospital to see me. his old man is dying. let's see if he can come."

"Alright, I'll get it done!" neil sighed. the old man always used this high and mighty tone as if everyone wanted to please him and flatter him when he ordered others around. it really made people feel uncomfortable.

An hour after the call, old master Liancheng asked, " "Why aren't they here yet?"

maybe it's because of the traffic! " Neil said with an embarrassed smile! "

Two hours had passed, but Liancheng Yazhi had not arrived. The old master had lost his temper several times in the hospital, and his blood pressure had begun to rise.

After three hours, Liancheng Yazhi still did not come, and the old master did not even have the strength to get angry.

four hours

Five hours

it wasn't until the evening when liancheng yazhi had dinner with rong yan and meowmeow that he arrived at almost ten o'clock.

Moreover, his purpose was not to see the old man, but to see Natsume first!

when he saw natsume, he was soaking in the laboratory and doing an experiment. the smell in the air was very unpleasant, and there were white mice, rabbits, and some common animals that were used for the experiment.

After Liancheng Yazhi entered, he did not even frown and directly asked, " "What did you find today?"

Natsume's eyes were looking at the microscope without moving. He did not know how long he had been in this position. He did not even look at the big Boss when he came.

After Liancheng Yazhi finished asking, Natsume slowly replied, " I've already gotten all the secrets of the prescription from the old man. The only thing he has hidden in his hand is that the order of adding these herbs is different, and there are a few other herbs that need to be specially processed. Although I know everything now, some of these herbs are highly toxic, so I have to test them first to see if they will have any adverse effects on the human body.

“alright, try it out as soon as possible.” Liancheng Yazhi heaved a sigh of relief. Fortunately, he had successfully found out what the secret was this time. Otherwise, he would have wanted to cut open the old man’s brain.

“I’ve learned a lot of his secrets from your grandfather this time. Is there anything you want to know?” Natsume asked after a while.

Liancheng Yazhi did not ask and said, ” “Give me a copy of everything you know.”

Natsume’s shoulders drooped, and he sighed. “Alright, I’ll do it when I have time. Oh, right, when he was unconscious, he repeatedly mentioned a name, Yingluo.”

Liancheng Yazhi casually asked,”what’s the name?”

yingnongqianqian seems to be a woman’s name. It should be very important to him!

yingnonghehe, ” Liancheng Yazhi repeated it to himself.

Liancheng Yazhi thought for a long time and lowered his head to talk to himself.”Why does it sound so familiar?”

He thought for a while but couldn’t remember, so he decided not to think about it and asked again, ” “what else do you want to say?”

Natsume’s hand touched the small notebook at the side and casually recorded some data. it’s nothing. You should make some preparations. I’m not sure if these medicines can cure the disease completely!

Chapter 645 I’m dead

Liancheng Yazhi’s eyes gradually turned cold, as if the temperature had dropped below 0 degrees in an instant, and justice was frozen in layers. He said to Natsume, ” “natsume, do you know what i want to hear? If Yingluo can’t cure my daughter, you don’t need to live anymore.”

natsume’s back was cold as if there was a demon on his shoulder, but he did not move. instead, he said, ” “Don’t worry, don’t worry, Yingluo, I’m not that useless. If that day really comes, you don’t need to kill me, I’ll kill myself. If I can’t solve this problem, what’s the point of living? when i was checking your old man’s blood sample, i suddenly thought of another idea. if the experiment is successful, your daughter’s condition can be completely solved.”

Liancheng Yazhi’s lips curled up,”that’s good, Yingluo.”

.....

After leaving the laboratory, Liancheng Yazhi went to his father’s ward.

It’s already past ten O ‘clock in the morning. According to the usual schedule, Grandpa Liancheng should be asleep. But tonight, he couldn’t sleep no matter what. His head hurts so much that the doctor asked him to take medicine, but he refused because he was afraid of being poisoned.

In addition, he was worried that he would die early, and he was angry with Liancheng Yazhi. All these emotions were intertwined and made him feel very vexed. He couldn’t sleep no matter what.

As the old man’s Secretary, Neil felt especially tired this time. He was already dozing off.

Liancheng Yazhi kicked the door open without even knocking on it. After he entered, he glanced at old master Liancheng, who was lying on the bed, and asked, "What's the matter?"

After seeing that Liancheng Yazhi had arrived, he directly walked to a chair far away from the bed and sat down. Old master Liancheng sat up angrily and cursed, "What is it? You bastard, your father is about to die, and you don't even want to look at him. You unfilial son, how can you do this?"

Liancheng yazhi smiled faintly. "you're not dead yet, right? It won't be too late to talk about it when the time comes."

you! You! You! the old man was so angry that he felt dizzy. The scene in the room in front of him shook, and he fell back to bed.

Neil was jolted awake and quickly ran to the bed. "Old master, old master, how are you?"

Old master Liancheng was still dizzy and felt the world was spinning. He clutched his chest and panted, "I'm so angry, Yingluo, I'm so angry, Yingluo"

Neil gritted his teeth and turned to Liancheng Yazhi. "young master ya, the old master suddenly fainted today. the doctor said that the old master is old and can't take any more shocks. please take care of him."

Liancheng Yazhi knew what Neil was going to say even if he used a strand of hair to think about it, but he didn't want to hear it at all. It was Neil's turn to criticize his business.

Liancheng Yazhi said coldly,"get out!"

young master ya! Neil trembled under Liancheng Yazhi's beast-like fierce gaze.

Liancheng Yazhi's cold eyes looked at him. get lost.

Neil could not hold on any longer and ran out of the ward!

old master liancheng rested for a while and said, " Liancheng Yazhi teased you. Did you even treat me as your father? "

liancheng yazhi laughed out loud. " this is really funny. you don't treat me as your son. don't expect me to be good to you. " After so many years, we both know what kind of person the other is. Don't say anything fake, it's boring. Just tell me what you want to do."

Old master Liancheng was so angry that his chest hurt. Alright, alright, since you miss me so much, I won't blame you, Yueyue.

Chapter 646 Alright, I promise you!

Liancheng Yazhi laughed when he heard this. He really felt that his own father's mind was getting more and more muddled. He actually had the nerve to say 'it's not your fault'.

Liancheng Yazhi sighed and shook his head in a daze.

Old master Liancheng thought of his purpose. He could not go head to head with Liancheng Yazhi on this matter. He had to talk to him nicely, with emotion and reason.

Now that 'Rong Yan' was dead, the only person Liancheng Yazhi valued the most was MeowMeow. Hence, he started with MeowMeow. I know you can't forget that woman, but she's already dead.

You should at least have a daughter. She's still young and needs a mother. A child without a mother after she disappears will be laughed at, mocked, bullied, and looked down on by people when she goes to school.

Before he could finish, Liancheng Yazhi interrupted, " "My daughter, let's see who dares?"

"Okay, even if others don't talk about her because they're afraid of the Liancheng family, what about her? A child without a mother can't get complete love, and his heart will be abnormal."

"Why are you telling me this? don't use meowmeow as a raft."

Old master Liancheng tried to persuade him. find a mother for MeowMeow. She's still young. Find a woman who will treat her well and wholeheartedly as her mother. After some time, she and MeowMeow will be biological mother and daughter. No one will know.

The killing intent in Liancheng Yazhi's eyes slowly rolled. This old thing wanted him to marry another woman and wanted MeowMeow to forget her face and call another woman 'mom'.

"Even if you're in danger right now, it's useless for me to jump off a building and commit suicide," he refused without even thinking.

old master liancheng was so angry that he coughed,"you're a * shole, you're a * shole. i should've done it back then. i should've done it."

he didn't dare to finish his sentence!

However, he didn't dare to say it out loud. He stood up and said sarcastically, " "You want me to die? You want to bring your dead illegitimate child back to life? tsk, tsk, tsk, it's such a pity for yingluo. your good son is only left with a bunch of bones now. if you go and dig out the holly in the yard, maybe yingluo can be dug out."

after saying that, liancheng yazhi turned around and left. the stimulation he gave old master liancheng was enough to make his heart ache for a month.

Old master Liancheng clutched his chest and roared with hatred, " "liancheng yazhi, you'll regret this sooner or later, zhenzhen."

Suddenly, Liancheng Yazhi, who had walked to the door, stopped. Many images flashed through his mind, and finally, he fixed it on the banquet three years ago.

Liancheng Yazhi recalled the woman that the old master had asked Neil to pick up and he instantly understood everything.

He had his back to the old man, and his lips curled into a bloodthirsty evil smile. Since they had already played to this point, it was time for the next big show.

Therefore, there was a dramatic reversal in the next second. Just now, he had said that even if the old man committed suicide, he would not be able to threaten Liancheng Yazhi. He actually turned around and said to the old man, whose face was red with anger, " I've changed my mind. Alright, Yingluo, I promise you. You can arrange the banquet.

After saying that, Liancheng Yazhi left, but he was stopped by the old master. "Aren't you going to ask who it is?"

The old man was extremely surprised. He didn't understand why Liancheng Yazhi, who had always been unwilling to cooperate, would suddenly change his mind. Wanwan wasn't like him, but he didn't have the time to ask now. He only wanted Liancheng Yazhi to agree.

As long as Liancheng Yazhi agreed, regardless of whether he was willing or not, he would have a way to make him submit.

Chapter 647 Waste of my time

Liancheng Yazhi sneered. there's no need. If it's not Rong Yan, I'll just marry a woman who can be a nanny for MeowMeow. It doesn't make a difference whether it's a cat or a dog.

Old master Liancheng almost vomited blood when he heard that. However, he knew that it was already very difficult to get Liancheng Yazhi to agree, so he did not dare to raise any conditions.

since you're already at the same time, then let's arrange this as soon as possible. The party is next week, specifically on what day. I'll let Hannah inform you when the time comes.

"Don't talk to me, talk to Secretary Zhou."

Liancheng Yazhi didn't hide his disdain at all. His words were telling the old master: Your subordinate has no right to talk to me.

old master liancheng clutched his chest and panted violently. he now really felt that he had fainted this time because he was angry with liancheng yazhi. otherwise, why did his health suddenly become so bad after coming back for less than two days?

Liancheng Yazhi felt that what he had just said was not poisonous enough, so before he left, he said, "I'm leaving. You're on your last breath before you arrive. Don't call me and waste my time.

after saying that, young master liancheng turned around and left, leaving behind an old man who was so angry that he could not breathe properly, covered his chest, and rolled his eyes.

After leaving the ward, the corners of Liancheng Yazhi's lips curled up instantly. That evil and strange smile made him look particularly terrifying.

Three years ago, he had given Rong Yan a 'gift'. This gift had caused them to be separated for three years and made him regret it for so long. As a result, he had missed the day Rong Yan was pregnant and the day meowmeowmeowmeowmeowmeow was born. This was something that he regretted and regretted every time he thought about it.

This time, since the old man had given him the opportunity, he would take this opportunity to make up for his regrets and give Rong Yan a real gift.

after getting in the car, the family's driver started the car and slowly drove on.

Liancheng Yazhi dialed Secretary Zhou's number, and after the call was connected, he said directly, "Secretary Zhou, can you do something for me, ran ran?"

It was already past eleven o'clock at night. Secretary Zhou was so sleepy that he was yawning and crying, and his eyelids were fighting. After receiving Liancheng Yazhi's call, he immediately perked up."young master ya's orders."

Liancheng Yazhi told him what he wanted Secretary Zhou to do one by one. After he finished, he even specially reminded, "you have to do this well. Do it beautifully and don't let anyone know. This is related to your boss's marriage. If something goes wrong, you can imagine the consequences!"

This time, Secretary Zhou felt that the matter that Liancheng Yazhi mentioned was particularly exciting to handle. He told Liancheng Yazhi, "yes, I'll definitely put more effort into this than anything else and make you and Miss Rong satisfied."

Liancheng Yazhi thought of another matter and said, "There's one more thing. Investigate the relationship between the old man and a woman named Yi Nong. I feel that the name is familiar, but I can't remember."

"Alright, I'll get someone else to do it."

When he got home, Liancheng Yazhi did not go upstairs directly. He stood at the door of Rong Yan's room and wanted to knock on the door, but when he looked at the time, he did not knock. It was so late, Rong Yan must have fallen asleep.

However, Liancheng Yazhi stood in front of Rong Yan's door for a long time, his eyes full of affection. Especially when he looked at the other party's eyes, he could be completely melted by him with just one look ...

Chapter 648 Little guy, that's enough!

He chuckled at the door. Rong Yan, I'll give you a gift next week. This time, it'll definitely be different from the last time!

upstairs, Liancheng Yazhi's little princess was sleeping soundly in her sleep. Her two small hands were half-clenched into fists and placed on both sides of her head. Her pink and tender little mouth was slightly open, looking charmingly naive. Her cheeks were pink and chubby, and one look at her could make one's heart soften completely no matter how hard it was.

Liancheng Yazhi sat by the bed and watched MeowMeow for a while before he got up and went to the bathroom to take a shower.

After the shower, he lay down and carefully held MeowMeow in his arms.

Tonight was a beautiful dream, and tomorrow was destined to be a happy one.

.....

The next day, the sun was very bright. The early morning sun shone through the glass and into the window!

Liancheng Yazhi was originally in a deep sleep, but his brother gradually felt as if a stone was pressing on his chest. He had difficulty breathing and something was scratching his face.

Liancheng Yazhi finally couldn't sleep anymore. When he opened his eyes, he saw that his little friend, MeowMeow, was pressing on his chest, her two little paws scratching his face.

Meowmeowmeowmeowmeow saw Liancheng Yazhi open his eyes and cried out in grievance, "Daddy, Yingluo"

” what’s the matter, baby yingluo? ” liancheng yazhi perked up, his voice hoarse, sexy, and gentle.

If it was someone else who dared to wake up the sleeping Liancheng Yazhi, he would have been angry. But in front of his own daughter, he would not even show a little bit of unhappiness, let alone anger.

Meowmeowmeowmeow pouted. daddy, shush!

upon hearing this, liancheng yazhi quickly carried

He was glad that MeowMeow was sensible. After a night’s sleep, she would wake the adults up when she wanted to go to the toilet, unlike other children who would do it in the bed.

He’s very grateful to you. After a while, Liancheng Yazhi came out with MeowMeow in his arms.”baby, do you still want to sleep? can you continue snoring?”

????,??????,????????????

Liancheng Yazhi patiently asked,”what’s wrong?” Are you hungry?”

??????,????????????????,?:”I want mommy Yingluo”

After she finished speaking, she closed her eyes and covered her eyes with her hands. She opened her mouth and was about to call for her mother.

when liancheng yazhi saw this, he quickly stopped her. ‘oh my god, how can i call for my mother at this time?’

He coaxed MeowMeow softly, “baby, you can’t call mommy now. Mommy is still sleeping. If you call mommy over, mommy won’t be able to rest. You don’t want to see mommy tired, do you?”

Meowmeowmeowmeowmeowmeow’s little face looked like she was in a dilemma. then I’ll wait for Yingluo. I’ll see you again after dinner, Yingluo!

Liancheng Yazhi quickly kissed MeowMeow. good girl, that’s right. By the time we finish breakfast, mom will have already woken up. That way, you can answer a lot of questions!

Hence, MeowMeow was very active during breakfast.

She obediently finished eating and then raised her little face to ask Liancheng Yazhi, ” “Dad, is that enough?”

liancheng yazhi rubbed her little head.”Wait a little longer, baby.”

rong yan felt strange as she looked at the father and daughter from the side. what were they talking about?

After that, Liancheng Yazhi said to the maid in the living room, ” “All of you, leave. Caretaker li, stay here.”

After everyone had left, she said to MeowMeow, ” “Little fellow, it’s done.”

”Mommy, mommy, mommy, Yingluo!”

Chapter 649 Her daughter’s safety first

Rong Yan walked over and took

Meowmeowmeowmeowmeow's spirit was instantly lifted as she wriggled around in Rong Yan's arms. "En en, I miss mommy. Yingluo, when can mommy see you?"

Rong Yan looked at Liancheng Yazhi in surprise. How could he be so sure? Why did he say that?

Liancheng Yazhi pinched MeowMeow's cheek. it won't be long. It'll be over soon. When you wake up every morning, give daddy a kiss, and the days will pass by in a flash, Yingluo.

After comforting MeowMeow for a while, Rong Yan finally had the chance to ask Liancheng Yazhi, ” “What did Natsume say when you went to see him yesterday? Did you get anything useful from the old man?”

rong yan was overjoyed when she heard that. ” since we’ve got everything now, can we quickly treat meowmeow? ” she said.

Rong Yan's heart, which was about to jump out of her chest, slowly calmed down. She heaved a sigh of relief. "Oh, I see. Then let's listen to summer's order."

Suddenly, Liancheng Yazhi's phone rang. After he answered, he only said 'got it' twice and then hung up.

After putting down his phone, Liancheng Yazhi said to Rong Yan, "Turn on the TV, Yingying."

“What’s wrong?” Rong Yan was puzzled.

It was only a little past nine in the morning. What was on the TV at this time?

Liancheng Yazhi carried MeowMeow in his arms, a playful smile on his face. “I’m looking at the gossip!”

The call just now was from Secretary Zhou, who reminded him that there shouldn’t be any New Year’s holiday on the internet today.

“gossip? When did you become interested in entertainment gossip?” Rong Yan was even more baffled, but she still turned on the TV.

As soon as the TV was turned on, the familiar voice that could be heard every day in the news joint broadcast could be heard.

The broadcaster’s clear and heavy voice came from the television. At nine O ‘clock this morning, the former president of L & C group, the previous head of the Liancheng family, and the biological father of the capital’s young master ya, Liancheng Yazhi, held a press conference in block A of the Empire. According to the speculations of the outside world, this press conference might be the first shot he fired in his official return to the capital.

Chapter 650 I want to give you a big gift

Moreover, there were some other reports later on. Someone said that from old Mr. Liancheng’s words, he was extremely disappointed in his son. There was even a reporter who revealed that old Mr. Liancheng was so angry with his son that he fell ill and was hospitalized. He still had to return to the Liancheng family and it was very likely that he would take over the Liancheng family again in the near future. This was an report from the site.

Next, there were some live broadcast scenes.

The camera turned and Rong Yan saw a person. It was old master Liancheng, who had been sent to the hospital yesterday, but he seemed to be fine today. He sat at the press conference in high spirits and faced all the reporters ‘questions. He talked and laughed, looking very imposing, full of substance, and very gentlemanly.

The corners of Rong Yan’s mouth twitched as she asked Liancheng Yazhi, ” “Is that old thing really your father?”

Liancheng Yazhi sighed. I don’t really want to, but ran ran is really him.

Rong Yan laughed dryly, her face full of disdain and disgust. She said to Liancheng Yazhi, ” “He’s really good at this. He actually thought of holding a press conference. Look at his aura, his stance, and the fact that he’s invited so many media reporters. He’s really planning to attack your home and give you no chance to retaliate. You can only ‘die’. Your family’s old man has quite a few tricks up his sleeve.”

Liancheng Yazhi’s face was full of disdain. He pulled Rong Yan into his arms.”Do you think that’s possible? Would I let someone take my home away?”

Liancheng Yazhi now regarded his ‘family’ especially important. No one should think about breaking up their family of three, and no one should think about destroying his hard-won happiness.

Rong Yan smiled and lay in his arms. “Of course not. Your home, your real family, will never be taken away!”

She stopped and looked at Liancheng Yazhi seriously, but she said something frivolous, ” “Even if Xuanji’s family is robbed, don’t you still have me? I’ll take care of you.”

Liancheng Yazhi-_-!

It was the last moment of the press conference on the TV. Old master Liancheng stood up and asked the reporters to be quiet. Then, he said to them, ” “lastly, i’ll announce two things. first, there will be another board meeting next tuesday to hold a referendum on the ceo candidate. at that time, it will decide whether my son, liancheng yashi, is still capable of continuing to be the company’s ceo. after the referendum, the votes will be checked on the spot, and the results of the vote will be released immediately. friends who are interested in this matter can take a look.”

There was a third piece of news. there’s another piece of news. Next Wednesday, which is the second day after the referendum, there will be a banquet here. A group of reporters will be invited to attend. We’ll give you all unprecedented and shocking news.

Liancheng Yazhi’s lips curved into an evil smile. He watched his father work hard every day, and as a son, he could not help but sigh. His father’s ability to make trouble was really beyond his reach. He was already so old and about to die, but he was still so obsessed with power. He really did not know what his brain was thinking.

After old master Liancheng finished speaking, Liancheng Yazhi turned off the TV. Everything was very quiet around them. He said to Rong Yan, “I want to tell you something.”

Rong Yan asked, “what’s the matter?”

Liancheng Yazhi looked at her affectionately. I’m going to give you a very big gift next Wednesday.
