

Permit Me 661

Chapter 661 Tomorrow is my big day

“what’s with the party tomorrow?” kang xin asked directly.”i dare to see the invitation. are we still going to hold it?”

Liancheng Yazhi grabbed Rong Yan’s hand and smiled. “tomorrow is my big day. all of you have to attend.”

He couldn’t wait for tomorrow to come. He wanted to fulfill his wish as soon as possible.

“But didn’t your old man make a fool of himself in the board meeting today?” Kang Zhen asked. The news said that he’s in the hospital. Will the banquet be held again tomorrow?”

Liancheng Yazhi laughed. yes, I vomited blood out of anger. I’m still lying in the hospital now. However, tomorrow’s banquet will be held as usual! I understand him, he will never give up Tomorrow. To him, tomorrow is his last hope. As long as he has one breath left, he will go.”

Kang Zhen cursed,”What’s going on now?”

After a moment of silence, he said,”how important is tomorrow to you?” The military is holding an amphibious joint military exercise. I’m the commander of the blue team, so I may not have time to waste.”

To Kang Jin, there were a few big military exercises every year. Especially in the past two years, the higher-ups were paying more and more attention to the military exercises every year. Kang Jin was an indispensable sharp knife in the military. He basically had to play the leading role in every military exercise, so Qianqian couldn’t be absent.

However, when he told Liancheng Yazhi tomorrow that this would be the only time in his life, he waited for Kang Yu to finish before saying, ” I’ve said it before. No matter how important your business is tomorrow, even if you’re dead, you have to crawl out of your grave. You must come tomorrow!

Liancheng Yazhi’s words were extremely harsh. He only had one meaning. No matter what happened to Kang Yu, he had to go and see him even if he died. Anyway, there was no room for discussion.

When Kang Yu heard this, he suddenly felt that Liancheng Yazhi’s words were too serious.”Hey, do you have to go this far?”

Liancheng Yazhi said stiffly, ” I have to, I have to go tomorrow. If you dare not to go, we’ll be like this. Don’t come to me in the future. There are military exercises every year, but this is the only time in my life. It’s up to you if I can’t go.

It sounded like two children saying,”if you don’t come to school with me tomorrow, we can stop playing.”

After speaking, Liancheng Yazhi hung up the phone without waiting for Kang Yu to reply.

kang zhen heard the busy tone and cursed, “He he he is so ruthless.”

It seemed that he had to go tomorrow, but what about the military exercise?

After Liancheng Yazhi hung up the phone, Rong Yan asked a question that she had always been curious about. "Didn't you say that Kang Zhen already has a wife? But I've never seen Yingluo before. Can I see her tomorrow?"

Liancheng Yazhi thought for a while and said, "they've been married for five years. Not to mention you, even I rarely see them. I did see them a few times in the first two years of their marriage. I don't remember her as a very sensible woman. Kang Rong didn't like her, but she liked him very much. The relationship between the two of them had been dragging on. Later, there was a time when she drowned and was saved. But after that, I haven't seen him again.

Liancheng Yazhi and the others knew almost nothing about Kang Zhen's wife. The only thing they knew was that she was the one who curried favor with Kang Zhen's parents and made him marry her under the pressure of his parents. They didn't even hold a proper wedding banquet and only got a simple marriage certificate.

As for these brothers, they had only seen her a few times and did not even remember her appearance.

Chapter 662 definitely not as good as you!

the more rong yan listened, the more curious she became. "tsk, it sounds so mysterious. it's been five years. since kang yu doesn't like it, why didn't he get a divorce?"

Although Rong Yan didn't know Kang Yu well, from their past meetings, Rong Yan felt that he wasn't a man who would be threatened or compromise. A man like him was cold and ruthless, and he should be more ruthless than Liancheng Yazhi. He also hated being controlled by others.

liancheng yazhi thought for a while and said,"Divorce? Two years ago, Kang Zhen really wanted to get a divorce, but for some reason, that woman decided to divorce him, but Kang Zhen didn't agree to it. He didn't know what the situation was now, but Kang Zhen never brought it up."

These brothers would never take the initiative to care about each other's private lives. If there was any trouble, they would help without saying anything. However, no one would say a word when it came to the other party's family affairs.

after liancheng yazhi finished speaking, he suddenly felt that something was wrong. he frowned and looked at rong yan."Why are you so curious about Kang Yu's wife? Or do you have any other thoughts?"

Rong Yan shrugged her shoulders. I don't have any thoughts. I'm just curious. I want to know what kind of person a woman who can marry a man like Kang kun is.

Liancheng Yazhi pinched Rong Yan's chin. don't worry, I'm definitely not as good as you!

Because Kang Xin wasn't as good as him, the wife he married wasn't as good as his.

Liancheng Yazhi silently added this sentence in his heart.

In his eyes, no one could compare to Rong Yan. She was the best.

Liancheng Yazhi thought of the other two people."I'll call the mad scientist and remind him again, in case any of them are absent tomorrow."

” then you stay here and make the call. i’ll go see meowmeow. she should be awake by now. ”

“Alright, you can go.” Liancheng Yazhi rubbed Rong Yan’s hair.

He watched as she went upstairs and disappeared around the corner before retracting his gaze.

after calling jian yunfeng and nongtang, liancheng yazhi thought about it and decided to call another number. he wanted to give rong yan a surprise tomorrow, more than one.

The call went through, and Liancheng Yazhi directly asked, ” “Xuan Zi, do you have time to return to the imperial capital tomorrow?”

“Tomorrow? I don’t seem to have time for a meeting.”

Liancheng Yazhi pouted. I don’t care if you have a meeting or not. Kang kun still has to come for his military practice tomorrow. If you don’t come, we don’t have to see each other anymore.

the other party immediately exclaimed, ” “Young master ya, what’s going on with you tomorrow? it’s so serious!”

Liancheng Yazhi’s fingers tapped on the table. there’s going to be a banquet in block A of the Empire tomorrow. The old master is hosting it, and he has also sent an invitation to your Xia family. Similarly, tomorrow is my big day, and it’s the only time in my life. You’d better come back tomorrow morning. Oh, and bring Rong nuo back as well. I’ll let Rong Yan see her.

“I don’t understand what you’re saying. Isn’t your old man your enemy? A few days ago, I heard the madman say that he could even use MeowMeow’s life to trade with Rong Yan and wanted to force Rong Yan to leave. Why is Huahua holding a party again, and it’s your big day? Have you two reconciled?”

Liancheng Yazhi sneered and said,’reconcile? Do you think it’s possible for me to be with him?”

The grudges between him and the old man had long been irreconcilable. To them, reconciliation was impossible even in their next lives.

The person on the other end of the phone said without any hesitation, ” “I don’t think it’s possible.”

Chapter 663 to become a truly happy woman

I don’t want to explain too much to you now. Tomorrow night at 8 O ‘clock, block A of the Empire. Remember, if you don’t come, you’ll bear the consequences. After saying that, Liancheng Yazhi was about to hang up the phone.

wait! Don’t hang up! Young master ya, will my parents be there tomorrow? ” a voice shouted from the other end of the phone.

Liancheng Yazhi was stunned for a moment, but then he understood what he meant. If his parents went tomorrow, Rong nuo’s existence would be exposed to his parents, and also to the public.

Liancheng Yazhi didn’t know what he was thinking now and wasn’t in the mood. He only wanted to live a good life with Rong Yan now. As for others, he was not interested and too lazy to ask. Even if it was Rong Yan’s sister, he didn’t care if she was Dead or Alive.

“What do you think?” he asked with a faint smile.

There was a moment of silence on the phone. okay, I got it. I’ll make the arrangements. I’ll take the plane back tomorrow morning.

“Oh, I almost forgot something.” Liancheng Yazhi patted his forehead, a happy and warm smile appearing on his face. tomorrow will be the first time you’ll meet my baby princess. Remember to prepare a gift for our first meeting. Give it to my daughter. You can decide on the size. Don’t make it too small. My MeowMeow will forget to put it in her mouth.

“Even if you didn’t tell me, I would have prepared it.”

“Then I’ll see you tomorrow.”

Everything that should be informed had been informed. Liancheng Yazhi went upstairs and leaned against the door frame, looking at Rong Yan and MeowMeow talking to each other. The temperature was warm and happy. Looking at them, Liancheng Yazhi felt that his life was like water with honey added to it. It was plain and sweet, and that calmness was something that everyone could not lack in their lives.

At night, before she went back to her room to sleep, Rong Yan said to Liancheng Yazhi, ”
“Liancheng Yazhi, Don’t let me down again with my gift tomorrow.”

to be honest, rong yan really didn’t look forward to any surprises or gifts. she just wanted to live the life she had now.

because sometimes, the greater the expectations, the greater the disappointment.

She had experienced it once, so she had become indifferent to many things.

Liancheng Yazhi reached out and held Rong Yan in his arms, kissing her earlobe. no, I won’t ever!

He would never do it again. He would regret it for a long time if he did something like that once in his life. If it happened again, Liancheng Yazhi would want to shoot himself.

Liancheng Yazhi held Rong Yan’s face and looked at the face that didn’t belong to her. He looked into her beautiful eyes and said seriously, ” you don’t have to do anything tomorrow. I’ll arrange everything. I’ll make you a truly happy woman, and so will our MeowMeow. She’ll be the happiest little princess.

As a man, Liancheng Yazhi was very clear about his responsibilities. He was also very clear about what he should do for the rest of his life.

In the future, there were only two words in life-wife and child!

Rong Yan went back to her room to sleep, and Liancheng Yazhi also went back to his bedroom. However, after closing the door, he ‘violently’ shook MeowMeow awake.

Sure enough, the little girl opened her eyes angrily. When she saw her father, her eyes turned red, her mouth pouted, and she immediately cried.

After repeating it many times,

Liancheng Yazhi covered MeowMeow with the blanket and sighed. Rong Yan, I hope our daughter can do as I say tomorrow.

.....

The next day, the weather was very good. The sun was bright and beautiful. After the baptism of the rain from the previous day, the sky was blue.

After getting up, Rong Yan Ran a few laps in the courtyard.

The air pollution in the imperial capital was getting worse and worse. It was rare to enjoy such good weather every year, so he took advantage of the rare good weather to exercise more.

When she was running her last lap, Rong Yan saw Liancheng Yazhi standing on the balcony, holding MeowMeow and waving at her.

As the sunlight fell on them, they looked like angels from the kingdom of heaven. One big and one small, both of them had a Holy Halo around them.

Rong Yan stopped and raised her hand to wave at them.

In such good weather, seeing Liancheng Yazhi's face that was more experienced than the sun, Rong Yan felt like a little girl. Suddenly, her heart thumped and she even started to look forward to the 'surprise' tonight.

At the dinner table, Liancheng Yazhi asked MeowMeow, " " i'm so happy, yingluo."

Liancheng Yazhi kissed her cheek and looked up at Rong Yan gently. He said to MeowMeow, " "Mommy must be very happy to see our baby too. Don't forget what daddy told you yesterday. That's our little Mimi. No one can tell anyone, not even mommy."

Chapter 665 dad, let's go quickly

Rong Yan looked at Liancheng Yazhi in confusion and asked him with her eyes, " What secret?

liancheng yazhi spread his hands innocently at her. " I can't say

Rong Yan pouted,"if you don't say it."

When she restored her appearance today and asked MeowMeow, she would know that her daughter would not lie to him.

This day was different for Liancheng Yazhi. He was looking forward to it and couldn't wait to come, but his face didn't show much!

When he got along with Rong Yan, there seemed to be no difference. There was intimacy in the calmness, and in silence, they could feel each other's care. This warm feeling was like honey, making Liancheng Yazhi more and more obsessed with it!

Time passed by bit by bit. For the maids in the old Liancheng residence, this day was no different from many days before.

to old master liancheng, today was his last hope.

To Liancheng Yazhi, this would be the most unforgettable day of his life.

For Rong Yan, Gong Jie started to feel a little uneasy that day.

The clock on the wall moved forward bit by bit. After 12 o'clock in the afternoon, Rong Yan's mood began to gradually become nervous.

She thought that she would be very calm this time. Towards Liancheng Yazhi's so-called surprise and gift, she treated it with a normal heart, neither happy nor sad. However, as the time slowly approached, Rong Yan couldn't help but start to feel nervous.

At four o'clock in the afternoon, Liancheng Yazhi changed his clothes, carried MeowMeow, and prepared to go out.

He went downstairs and found Rong Yan. Standing in front of her, Liancheng Yazhi put MeowMeow, who was in his arms, on the ground and said to Rong Yan apologetically, I'm sorry this time, but I'll still have to leave first. I'll get Secretary Zhou to pick you up at eight in the evening. You don't need to do anything, just Hanhan needs to wait for me to find you.

this scene was very similar to three years ago. at that time, liancheng yazhi had also left in the afternoon, leaving her to wait alone in nervousness and excitement. however, what she waited for at that time was a death and a 'torn truth'.

This scene made Rong Yan's mood very good, but she still nodded and said with a smile, "good yingluo."

This time, since she had chosen to believe in Liancheng Yazhi, she had to continue to believe him.

although advancing a step could lead her to heaven, or a place where she could never climb back up again if she fell, yingluo still chose to try.

"Why do you have to bring

?????????:"Because I'm going to see my mother,"

Rong Yan laughed out loud. Oh, Yingluo, so that's how it is. Then our MeowMeow will definitely be able to see mommy on the mountain tonight.

at this moment, liancheng yazhi really wanted to hug rong yan, but at this moment, meowmeow, who was hugging his left leg, was looking up at him. her pure little eyes made liancheng yazhi feel that he could not hug her.

Because the current Rong Yan was not MeowMeow's 'mother'. If he hugged another woman in front of MeowMeow, it would have a very bad influence on her. Even if she grew up in the future, she would still have the shadow of her father's disloyalty 'to her mother.

MeowMeow urged Liancheng Yazhi,"daddy, let's go quickly, Yingluo."

Ever since the little guy told her five days ago that he would be able to see his mother soon, she had been counting and looking forward to it every day. She would tell Liancheng Yazhi many times every day.

Chapter 666 Did you know that he's getting engaged?

Liancheng Yazhi resisted the urge to hug her and said softly, "Then we'll be leaving first. Don't worry, don't be anxious, we'll meet soon."

After saying that, Liancheng Yazhi picked up MeowMeow and let her ride on his neck. As he walked, he smiled and said to her, "okay, let's go and find mommy. Our MeowMeow will see mommy very soon.

MeowMeow sat on Liancheng Yazhi's neck and shook it excitedly. "Hurry, hurry, hurry, Yingluo, mommy, mommy Yingluo!"

Liancheng Yazhi quickly used his hands to stabilize "baby, don't shake. be careful. if you fall down, you won't be able to let your parents live. "

Before getting into the car, Liancheng Yazhi waved at Rong Yan! Then, he mouthed five words to Rong Yan.

What he said was-wait for me, believe me!

As she watched the car drive out of the Liancheng old mansion, Rong Yan's heart seemed to be empty in an instant. The only two people she cared about in her life were not there at this moment. She was the only one left. She felt so lonely, so lonely, and her heart started to feel a little uncomfortable!

Rong Yan returned to her room and sat by the bed for a long time. Her mind was empty, so empty that she couldn't remember anything.

Her mind was blank, and she didn't know what to do until Seven arrived.

Seven suddenly said, "Are you sure you want to go to the banquet tonight?"

Rong Yan was shocked, but when she saw that it was Seven, she chuckled. "Go, why not? when did you get here? you didn't even feel anything! Seven, you're getting better and better!"

Perhaps it was because Liancheng Yazhi wasn't home, but Seven didn't disguise himself this time. He stood in front of Rong Yan without a smile and asked, "Don't change the topic. Aren't you afraid that you'll suffer the same setback as three years ago?"

Rong Yan answered naturally. The way she smiled was especially warm. "i'm afraid, but i'm a person who won't turn back once i've set my mind on something. it was the same three years ago, and it's still the same now. "

Even though she knew that something she did not want to see might happen, Rong Yan was still willing to take the risk.

Seven scratched his head in anger. then do you know that Grandpa Liancheng is holding an engagement party for Liancheng Yazhi tonight? "

Rong Yan was stunned for a moment. She slowly raised her head and looked into Seven's eyes. After confirming that he wasn't lying, she shook her head."I don't know,"

Seven's words just now made Rong Yan's heart skip a beat. There was a slight stabbing pain, as if she had been lightly pricked by a needle.

Engagement?

Why didn't he say anything?

Rong Yan's heart went from being nervous to a little cold. Her mood was fluctuating greatly now, and she didn't know how to think about this matter!

Knowing about this without any warning made Rong Yan's mind very chaotic, very chaotic.

Seven sat down next to Rong Yan and asked, "Liancheng Yazhi didn't tell you about this?"

Rong Yan shook her head. The expression on her face was indifferent, and her gaze was a little dazed. She said very calmly, "no, he said that he would give me a gift this time to make up for the regret from three years ago.

Rong Yan felt that she should be angry after hearing this news, but Yingluo didn't seem to have any other emotions other than a little shock.

.....

Chapter 667 I'll always be by your side

Perhaps she had prepared herself mentally before this, so she was not angry when she heard bad news.

However, she still felt a little disappointed. At the same time, she consoled herself that Qianqian was arranged by old master Liancheng. Liancheng Yazhi didn't know how to persuade her and he might give her a different answer.

Even now, Rong Yan still believed in Liancheng Yazhi.

Seven looked at Rong Yan with a resentful expression. "And you believed it?"

Rong Yan nodded. yes, I believe him. He told me to believe him, so I believed him. I now believe that the Liancheng Yazhi now is different from Huahua in the past.

Even now, he chose to believe it.

Seven finally couldn't help but poke Rong Yan's head with a finger. "Yingluo, what do you want me to say? Can't you at least have some brains? Don't tell me you're going to watch him get engaged to another woman today?"

a hint of struggle flashed in rong yan's eyes, but she finally said, "I'll have to see it with my own eyes first."

Seven clutched his forehead in pain. you, Zhenzhen, have really been poisoned by Liancheng Yazhi. The lesson back then was too light. If it turns out that you believed him too easily this time, you won't even be able to find a place to cry even if you regret it.

rong yan smiled. "i won't. if it's really as you say, i won't cry anymore. my tears have already run out. "

you can still laugh? " seven gritted his teeth. how can you still laugh at a time like this? "

If Rong Yan was a man, he would be older than her.

Rong Yan spread her hands,"what else can I do?" Should I cry? That's too embarrassing, I can't do it. "

before he knew it, he had been talking to seven for more than an hour. seeing that the people sent by liancheng yazhi were about to arrive, seven knew that it was time for him to leave. " since you don't want to listen, forget it. i'll help you remove your makeup. you can't go to him with this makeup. "

After carefully removing Rong Yan's makeup, there was a knock on the door.

“Miss Rong, it’s me. Secretary Zhou, Wanwan, are you there?” Secretary Zhou’s voice was heard.

Rong Yan was stunned. It was only five o’clock. Why was Secretary Zhou here? shouldn’t he have picked her up before she left?

Rong Yan quickly turned to look at seven and asked worriedly, ” “What do we do?”

Seven didn’t seem to be in a hurry at all. He said to Rong Yan, ” ” go and open the door. they probably won’t do your makeup here. i’ll leave after you take them away. ”

“Okay, I’ll lead them away first. You go to the bathroom first.” Rong Yan stood up and was about to open the door.

Seven grabbed her hand. don’t worry. I’ll always be by your side! No matter what time it is.”

Including today’s banquet, he would be standing at a place where he could see her.

Rong Yan’s eyes stung. Seven, thank you, ran ran.

She couldn’t even pay him back for a thousand times, and it was still accumulating. Rong Yan didn’t know what to say to thank him.

Seven rubbed his bangs. if Qianqian is still the same as three years ago, then I will still take you with me. Oh, Qianqian, take MeowMeow with you.

Rong Yan smiled and nodded,”good Zhenzhen.”

After seven hid himself, Rong Yan said, ” yes, I’m here. Wait a moment, the door is opening.

.....

Chapter 668 Good afternoon, miss Rong

When she opened the door, she saw Secretary Zhou standing outside and smiling at her. “Secretary Zhou, I’m so sorry. I fell asleep while sitting just now. I’ve kept you waiting.”

secretary zhou saw that rong yan had already returned to her true appearance and quickly said, ” “Not long, not long, not long at all. Miss Rong, young master ya ordered me to pick you up. The stylist and makeup artist have been brought. Do you want to go upstairs and take a look?”

“sure, let’s go and take a look,” rong yan said with a smile.

Rong Yan walked out and closed the door naturally. Then, she asked Secretary Zhou, ” “Secretary Zhou, why are you here so early? I thought you were waiting for me to be ready before coming to pick me up.”

Secretary Zhou said with a smile, young master ya, I’m afraid that the makeup artist can’t find you. Also, I’m fine. If I came earlier, I could show them the way. Also, Qianqian’s butler li is going to switch back with you, so I came here myself.

in fact, secretary zhou didn’t say the biggest reason. what he wanted to say was that young master ya was actually afraid that something would happen to rong yan during this period of time.

he was afraid that he might not be able to control the situation if he was not present, so he had him stay by rong yan’s side to prevent any unexpected situations from happening. In short, young master

ya's purpose was to keep an eye on Rong Yan. He didn't want her to hear the news that she shouldn't hear and then leave in despair, so that he could keep guarding miss Rong.

He went upstairs and pushed the door open. He saw that there were men and women already standing in the room. They were all top experts in the industry.

This scene was almost exactly the same as three years ago. When she saw them, Rong Yan suddenly had an illusion. She didn't know whether to be happy or to run away quickly because Yingluo and the others kept reminding her of what had happened on the eve of the new year.

When they saw Rong Yan, they shouted in unison, "Good afternoon, miss Rong."

good afternoon, Yingluo," Rong Yan said to them after she regained her senses.

"Miss Rong, please sit." One of the young and beautiful girls walked over and sat down with Rong Yan.

As soon as the young lady finished speaking, another young woman and young man walked over together. They held a large gift box in their hands, and there was a large bow on the box. They bowed to Rong Yan.

He placed both hands in front of Rong Yan. miss Rong, this is a gift from young master ya.

"What? Are you giving me a present now?" Rong Yan didn't expect Liancheng Yazhi to actually think of giving her a gift.

She took it with both hands a little excitedly, but then she forgot that she was still in a bad mood a moment ago. What if Liancheng Yazhi was going to get engaged to someone else this time?

Rong Yan unzipped the White bow and opened the gift box. She saw a dress inside, a white dress.

This was the only evening gown that Liancheng Yazhi had prepared for Rong Yan this time.

For the evening gown this time, Liancheng Yazhi had only prepared one for her. Only one. He did not ask for her opinion, no matter if she was happy or not, and he had domineeringly decided on this matter.

Rong Yan took out the entire evening dress. It was a pure white long dress that looked a little like a wedding dress. The style was simple and elegant, and it could even be said to be a little conservative because Xuxu didn't even show her shoulders. At first glance, it didn't look like a brilliant evening dress and could be said to be extremely low-key.

But-

The chest and the lace of the dress were inlaid with small diamonds, and it looked extremely luxurious under the light. When Rong Yan wore it, she instantly couldn't take her eyes off it.

.....

Chapter 669 heavy happiness

It was like the stars in the sky surrounding the moon, and Rong Yan was the bright moon that was held by the stars.

the simple white dress on rong yan instantly made her look a little different from usual.

At this moment, Rong Yan's body glowed with holy light, like a princess waiting in the castle for her Prince to marry her. She was like a bride!

When Rong Yan wore this long dress, she gave off a sense of simplicity. It removed all of her frivolousness, leaving only the most primitive and pure appearance. It was also Rong Yan's purest beauty, a charm that no other woman could express. She looked graceful and luxurious in the simple dress, and flamboyant beauty in the low-key dress.

Looking at herself in the mirror, Rong Yan felt that this time, it seemed to be exactly the same as the last time, but it also seemed to be different. For example, this dress!

The makeup artist stood behind Rong Yan, clapped her hands, and smiled. "As expected, the clothes that young master ya personally picked for you are the most suitable for you. You look so beautiful in it!"

Rong Yan's lips curled up as she lowered her head and played with the broken diamond with her finger. "Oh, really? It's pretty good."

While she was putting on her makeup, Rong Yan casually asked, "Is the diamond on the dress real?"

The stylist, who was picking jewelry for Rong Yan, hurriedly said, "Of course it's real, Yingluo. Every diamond on this is real. No one can pass off a fake as the real one when it's young master ya's orders."

"No wonder it's so heavy," Rong Yan said with a faint smile.

The makeup artist immediately said, "What you're wearing is the weight of happiness, and it's young master ya's gift to you. Miss Rong, you don't need much makeup on your face, so how about some light makeup? It's more compatible with the gown you're wearing."

Rong Yan nodded, "yes, you can."

After everything was arranged, more than an hour had passed. It was seven o'clock in the evening.

It was still early, so Rong Yan was already sitting on the sofa waiting. Her pure white dress bloomed around her. The jewelry on her neck and ears were not very precious gems, but very ordinary pearls. The pearls had no edges like gems and had a round and gentle luster, making Rong Yan look very elegant and tranquil at the moment, like a bride waiting for the groom to come and marry her.

Secretary Zhou stood behind her, just like how he always stood behind Liancheng Yazhi to protect him.

He was Liancheng Yazhi's first 'guard'. Similarly, he also recognized the woman his boss had chosen because she was his future boss' wife.

Secretary Zhou looked at Rong Yan and suddenly felt that he had an important task. He wanted to personally send Miss Rong to young master ya. It would be best if everything went smoothly during this period. If anyone dared to cause trouble for him, they could not blame him for being ruthless.

Rong Yan didn't think too much while she was waiting. She was in a daze and her mind was empty. Her eyes were dull and unfocused. Her hands were naturally bent on her knees. She didn't feel much about what she was about to face.

Rong Yan was a very stubborn person. She told herself that since she chose to believe, she shouldn't think about those things that didn't matter and didn't happen.

in any case, no matter what she thought, the result would not change.

Therefore, it was better to face it calmly than to let himself suffer.

perhaps being brave and trusting each other for once would bring her unexpected gains.

It was almost time. Secretary Zhou said to Rong Yan in a low voice, "Miss Rong, let's go down."

"sure, what time is it?" rong yan came back to her senses and stood up.

Chapter 670 At least she would be happy

Rong Yan went downstairs, and Secretary Zhou followed behind her, step by step, just like a standard attendant.

Downstairs, the busy female servants screamed when they saw Rong Yan, shouting, "Ghost, ghost, ah, ghost, ah, ghost!"

they all thought that rong yan was dead. young master ya had been 'heartbroken' for her for so long, and he still hadn't recovered from the heavy blow. however, a dead person suddenly appeared in front of them, and they could only think of one word for a moment: 'ghost'.

Looking at the maids holding their heads and screaming, running away in a panic, Secretary Zhou's face turned very ugly. He went past Rong Yan and scolded loudly, "Shut up, all of you. If you speak any more nonsense, you'll be driven out."

Secretary Zhou often came to the old house and was still very intimidating in the hearts of the female servants. It could be said that one of the female servants was afraid of Liancheng Yazhi, and the second was Secretary Zhou.

Because Secretary Zhou often followed Liancheng Yazhi, when he was angry, he would give people the feeling that he could see young master ya's shadow.

Secretary Zhou's angry rebuke made the maids 'voices gradually quieten down, but they still looked very, very frightened.

"let's go," he said. Rong Yan wasn't in the mood to argue with these maids. Perhaps she would have the same reaction as them if she suddenly saw someone who she thought was dead but had suddenly appeared.

Secretary Zhou nodded and returned to stand behind Rong Yan. miss Rong, please.

Before getting into the car, Secretary Zhou personally opened the door for Rong Yan and helped her carry her skirt into the car.

seven's figure was hidden in the darkness, and his eyes were fixed on rong yan. even if she would never know, and would never turn back, he still wanted to look at her.

He watched the car disappear into the night, and a bitter smile appeared on his face.

Although he didn't want Rong Yan to like Liancheng Yazhi, he still hoped that Rong Yan would be happy.

if wanwan liancheng yazhi was real this time and didn't lie to her, then wanwan was pretty good. at least she would be very happy.

.....

the car drove out of liancheng's house smoothly. rong yan turned to look out the window. at 8:30, night had completely fallen. it was the end of summer. although the night weather at this time was cooler, it was still a little hot.
