

Chapter 681 Rong Yan, marry me!

The little angel had a flower crown on her head and was holding a jewelry box in her hands. She had a pair of small white wings on her back and was wearing a mini princess dress that was exactly the same as the evening dress Rong Yan was wearing.

When the moon ship landed in front of Liancheng Yazhi, his lower body was yawning and was already a little dazed from his sleepiness. The little person was pink and carved like jade, as exquisite as a porcelain doll. He looked charmingly innocent and extremely cute.

However, after seeing her parents, the little princess perked up. She immediately stretched out her chubby arms and shouted happily, "Mommy, Yingluo, mommy, Yingluo"

Finally seeing his mother, the little guy was so happy that he forgot everything his father had told him.

"Baby, have you forgotten what Daddy said?" Liancheng Yazhi quickly said.

"Ah, right, Yingluo." The little princess quickly handed the jewelry box in her arms to Liancheng Yazhi. dad, you're too slow, " she mumbled. why did you take so long? I fell asleep.

Kang Yu and the others laughed out loud when they heard this, while Liancheng Yazhi's face darkened— !

It was a proposal that he had carefully prepared. He had wanted to move Rong Yan, but Yingluo had suddenly turned a romantic drama into a 'comedy'.

Liancheng Yazhi was going crazy in his heart. MeowMeow, have you forgotten what dad told you last night?

now that the scene had turned into another humorous road and was getting further and further away, lian Cheng yazhi could only brace himself and continue.

he took out the diamond ring that he had prepared a long time ago from the jewelry box and took two deep breaths before saying to Rong Yan, " Rong Yan, I've been buying this ring for a long time. It's not that I don't want you to wear it soon, but I couldn't find a suitable opportunity. I wanted to give you an unforgettable proposal, but now, Yingluo seems to have miscalculated.

from now on, I will treat you well every day, better and better. If you are worried, I will transfer all my assets to you. In my heart, you and MeowMeow are my assets. We will watch over our daughter together. You don't have to do anything for me. You and MeowMeow only need to be responsible for being beautiful and happy every day. That is my greatest happiness. We will give MeowMeow a younger brother and let him protect MeowMeow when he grows up. When you are old, you must die in front of me. Let me arrange everything behind you so that you don't have to suffer the pain of losing. Rong Yan, can you promise me?"

Liancheng Yazhi's words were simple and sounded very casual. Even the last sentence, which said that Rong Yan would die earlier than him, sounded a little scary.

However, it was the most sincere voice in his heart.

lian Cheng yazhi had already prepared his proposal speech, but when he opened his mouth, he realized that he had long forgotten those words because he was so nervous. There was nothing in his mind, so he could only say what he wanted to say the most directly.

Rong Yan looked at Lian Cheng Yazhi, and a layer of tears gradually appeared in her eyes. She bit her lower lip and wanted to say something, but her throat seemed to be blocked, and she could not make a sound.

Feng Nongtang was the first to clap his hands and shouted, "Rong Yan, promise Xuanji Rong Yan, promise Xuanji."

Then, everyone followed his beat and shouted, "Rong Yan, promise Xuanji Rong Yan, promise Xuanji."

Chapter 682 Mom, promise me!

Everyone's voice was getting louder and louder, and it had already covered the sound of the piano.

While these people were cheering for Lian Cheng Yazhi, old master Lian Cheng had already fainted from anger. When Neil noticed this, he quickly pinched his philtrum and woke him up. After he woke up, the old master said a few words, "Yingluo, I was tricked by Yingluo, Yingluo"

If he still couldn't figure out what was going on now, he would really be an idiot. From the beginning, he had fallen into the trap that Lian Cheng Yazhi had made for him. Unfortunately, Ran Ran didn't know about it and thought that he had the whole situation under control. He didn't expect that Ran Ran was the one being manipulated.

"Old man, are you alright? I'll send you to the hospital now!"

The old man's face was very ugly. The purple color looked like he had been poisoned. He pressed down on Neil's hand and said, "No, I want to see how he's doing"

he couldn't say the rest of the words. He probably wanted to say that he wanted to see how far Lian Cheng Yazhi and Rong Yan could go.

Neil shook his head helplessly. At this point, the old man had been completely defeated. He was already at the end of the road and had no other way out. What was the point of holding on? She really couldn't understand him.

Lu Xueli was angry, anxious, and unwilling. It was her engagement party, but now it had become a stage for her. Everyone was looking at her. Why did Lian Cheng Yazhi propose to her? Why?

Lu Xueli didn't dare to let go of the position of the matriarch of the Lian Cheng family just like that. She pulled at Lu Guinong, who had been silent all this time, and said, "Dad, look at them. What should I do? What should I do?"

However, Lu Guinong didn't reply to her after she finished speaking. When she looked up, she saw Lu Guinong staring at Rong Yan with a dazed look. His face was filled with extreme fear as he mumbled two words, but she couldn't make out what he said.

Lu Xueli stomped her feet and said, 'dad, what are you saying? Daddy, Wanwan, what's wrong? Why do you look like you've seen a ghost? that woman isn't dead. She's not a ghost now, she's really Yingluo.'

Lu Xueli didn't dare to say the rest of the sentence. She could only say in her heart, "What a cheap life, this Yang Du didn't die."

The atmosphere became more and more lively. Everyone ignored the Lu family and old master Liancheng.

???????,???????,???????,?????:"Mom, promise me!"

To the little one, she still did not know how to propose. She also did not understand what game her parents were playing, but all she could think of now was, "mommy, quickly say yes. After you're done playing with daddy, quickly Come and Hug Me. I miss you so much (e) "

Rong Yan held back the tears that were about to fall from her eyes. She lowered her head and asked MeowMeow softly, "baby, do you believe that daddy will always be good to us?"

Feng nongtang quickly said in place of MeowMeow, "I dare to use master Sheng's good character and good military spirit to guarantee that our young master ya is definitely a good man, a good nanny in the 21st century. He's definitely a good husband. Sister Rong Yan, hurry up and agree. There won't be such a shop after this village. Look at how many women are eyeing you covetously. Why don't you quickly put them in your bowl? "

Feng nongtang knew that he didn't have much of a personality, so he wasn't afraid of death and used Kang Zhen, who had the best personality and the most upright military spirit, as a guarantee.

Chapter 683 Hurry up and put on the ring

rong yan's eyes narrowed as she smiled and looked at meowmeow."My baby's eyes must be very good."

Then, she reached out her left hand to Liancheng Yazhi, raised her chin, and deliberately pretended to be arrogant by wearing the wrong clothes. "Quickly put it on."

Liancheng Yazhi was stunned for a moment and looked at Rong Yan a little dumbly. Kang Yu and the others were anxious as they watched from the side. Even Jian Jie, who had a calm personality, couldn't help but shout, "Liancheng, what are you doing? Rong Yan has already agreed to let you wear the ring. Hurry up and put it on for her. Be careful that she won't go back on her word later."

It was only then that Liancheng Yazhi reacted and realized that Rong Yan had already agreed. He couldn't suppress the ecstasy in his heart and the corners of his mouth grew wider and wider. He wanted to take the ring out quickly, but because he was too nervous, his hands were trembling. He only managed to take the ring out after trying several times, and it almost fell to the ground when he took it out.

His clumsy movements made the smile on Rong Yan's face deepen. Kang Yu, who was behind Rong Yan, was even anxious for him and shouted, "Liancheng, your hand has become a wooden stick."

Seeing that such a simple action seemed so difficult for Liancheng Yazhi, Kang Zhen and the others were so anxious that they wanted to go up and help him.

taking a deep breath, he finally put the ring on rong yan's left index finger after putting it on four or five times.

the moment he finally put on the ring, liancheng yazhi's nervous heart finally fell to the ground. after putting on the ring, rong yan would be his fiancée. he was only short of a red book and a wedding ceremony to be his real wife.

Liancheng Yazhi knelt on the ground after putting the ring on Rong Yan's finger. He grabbed Rong Yan's hand and looked at it carefully as if he couldn't get enough of it. The diamond ring he had personally chosen looked so beautiful on Rong Yan's fair and slender fingers!

At first, Rong Yan felt excited, touched, and her heart was filled with sweetness. But after a while, she became a little anxious when Liancheng Yazhi couldn't get up. Laughter could be heard from behind.

Rong Yan was about to wake Liancheng Yazhi up.

Young master Liancheng suddenly stood up with force. He reached out and pulled Rong Yan into his arms. Without saying a word, he lowered his head and kissed her hard.

After enduring for so many days, he could finally have some fun. At this moment, he was so excited and happy. How could he not kiss her? it didn't matter what she had smeared on her lips. He didn't care about anything else. He just wanted to kiss her, kiss her, kiss her, kiss her, kiss her, or kiss her!

Rong Yan was stunned for a moment at first and couldn't react in time because this guy's movements were too fast and fierce.

However, Liancheng Yazhi's breath quickly swept through her mouth. As she breathed, she gradually softened her body and reached out to hug his waist, slowly responding to him.

Although Rong Yan felt a little embarrassed because there were too many people around them, and Feng nongtang and the others were obviously not quiet. They were clapping, screaming, whistling, and growling, making Rong Yan's face a little hot, she knew that it was impossible for her to break free from Liancheng Yazhi's arms at this time.

Fortunately, Rong Yan's skin was thick enough. Anyway, she had already kissed him, so it was useless to be pretentious now. She might as well let Liancheng Yazhi have his wish. Once he was satisfied, he would be able to let go of her earlier.

MeowMeow looked at her parents hugging and kissing each other and immediately pouted. She also wanted a kiss from her mother. She hadn't seen her mother for many days. How could her father be like this?

Chapter 684 You are finally mine

just as meowmeow was about to call out,"mom, dad," secretary zhou quickly took out a rainbow lollipop from his pocket and handed it to meowmeow. he whispered, " miss

Meowmeowmeowmeowmeow's eyes brightened and widened. It was as if a 100-watt light bulb had suddenly lit up in a dark room. The comical scene was so intense that the people around them laughed so hard that they almost cried.

Secretary Zhou's face instantly turned bitter. She was just complimenting her just now. Why did she mention him so quickly?

Feng nongtang was the first to burst out in laughter. your baby is so funny, Yingluo, so fun, Yingluo.

Chapter 685 This is my daughter

Feng nongtang laughed and clapped his hands, but just as he was laughing, a serious voice suddenly sounded in his ear, " "If you like someone else's daughter, why don't you hurry up and give birth to your own?"

Feng nongtang's laughter came to an abrupt end. He turned to look at the person who spoke, and the smile on his face became stiff. He smiled awkwardly and said, " "Daddy, Daddy, Daddy, you're here too, Yingluo!"

Feng nongtang's father was wearing a black suit and his hair was neatly combed. He was in his 60s and looked very serious. One look and you could tell that he was a person who rarely smiled. It was a little magical that his family could raise a Playboy like Feng nongtang. He and Feng nongtang did not look like father and son at all.

Father Feng nodded at Liancheng Yazhi. you have a wife and daughter all of a sudden. You're so lucky.

Liancheng Yazhi smiled and nodded at him. what uncle said. I also think that I'm very lucky.

He glanced at Secretary Zhou, who was standing not far behind father Feng, and shouted, " "Secretary Zhou, tomorrow!"

Secretary Zhou wailed in his heart. Young master ya was obviously telling him to be careful. He really wanted to cry to death.

He gave miss meowmeowmeowmeow candy because he was afraid that she would disturb their intimate time. Why did he have to settle the score with him?

Liancheng Yazhi held Rong Yan in one hand and picked up MeowMeow with the other as he walked to the stage.

before going on stage, he carried

lian Cheng yazhi couldn't hold back the smile on his face. he raised his hand to let the flames below burn and then said loudly, " everyone has attended my engagement party today. I hope that you will all attend my wedding party in the near future. Thank you for helping me today and allowing my proposal to succeed.

After Liancheng Yazhi finished speaking, thunderous applause rang out from the audience.

For the guests who came to the banquet today, they had received too much information, so much that they couldn't digest it.

Everything they learned today would directly affect their relationship adjustment in this circle starting tomorrow.

At the same time, they also found out that the news that had been circulating some time ago about Liancheng Yazhi losing his love painfully and being unable to recover from it, causing the

company's stock to fall, was fake. They could continue to follow the Liancheng family's footsteps with ease.

Liancheng Yazhi waited for the applause to die down before he continued, "in addition, I have a very important announcement to make today.

He picked up

liancheng yazhi's eyes swept across the crowd and he said, "this is my and Rong Yan's daughter, MeowMeow. She's the eldest miss of the Liancheng family. In the future, everything in the Liancheng family will be hers.

Liancheng Yazhi realized something when he was introducing MeowMeow.

It seemed like it was time for Huahua and the others to give

Liancheng Yazhi didn't care about the impact and shock that his words had brought to the people present.

Chapter 686 The only heir of the Liancheng family

What he said was equivalent to directly announcing his heir and the next head of the Liancheng family to the public.

The shock that this brought to everyone could be said to be a magnitude 9 earthquake and tsunami. It was far more shocking and jaw-dropping than the news of him proposing to Rong Yan.

why did he announce so quickly that he would let a three or two-year-old daughter inherit the family business? Is young master ya out of his mind?

For families like theirs, no matter how capable their daughters were, they would at most give them some shares when they came of age. They would never give them the right of inheritance.

Moreover, young master ya's daughter was so young. What did she know? it was hard to say whether she would be good or bad in the future. Wasn't this decision a little too rash?

Or was Xuanji ya so smitten by this woman called Rong Yan that she had already lost her head and her soul?

When old master Liancheng heard this, he was so angry that he wanted to struggle. He scolded Liancheng Yazhi, "You, you unfilial son, you bastard, you bastard!"

That was the family power that the old master had painstakingly wanted but could not grasp no matter how hard he tried. He was the head of the Liancheng family. In the end, Liancheng Yazhi, this prodigal, gave it to Rong Yan's daughter, a girl who might not live for long. What did a little girl who was only two years old know? What did he know?

Old master Liancheng used his last breath and said, "Liancheng Yazhi, you won't do what she wants. She won't be able to live anymore."

Liancheng Yazhi turned sideways to look at the old master. He saw that his whole body was twitching and trembling, and his face was red, but he did not get angry. Instead, he smiled and said, "The Liancheng family is mine. I want to give it to my daughter. if you have the time to scold me, you might as well go to the hospital. if you have a stroke, don't expect me to stay by your bed and wait on you."

his daughter would be fine. Natsume and the group of medical experts in his laboratory had begun to make some progress. They were now in the clinical trial. The results would be out soon, and they could officially start the treatment for Meowmeow.

Ever since the first time he was knocked unconscious by Secretary Zhou and had so much blood drawn out by Natsume, the old man's health had started to deteriorate.

Moreover, no one could be healthy by being angry every day. Old master Liancheng was already an old man. It would be strange if something happened to him if he was angry 24 hours a day.

Liancheng Yazhi glanced at him and could almost tell that the old man had been overly stimulated. He was depressed in his chest and had too much internal fire. He was likely to have a stroke.

You whined, you whined, I whined. Old master Liancheng clutched his chest in anger. There were thousands of words in his heart that he wanted to scold Liancheng Yazhi, but his tongue seemed to be stiff, and he was so angry that he couldn't say a word.

In the end, Lao Ai's eyes rolled back and he passed out completely.

Neil quickly shook him, pinched his philtrum, and shouted, "Old master, old master Yueyue, wake up!"

Rong Yan sighed. "Stop pinching. Why don't you send him to the hospital?"

Neil did not dare to argue with Rong Yan now. He quickly took out his phone and called the emergency number.

Before he could broadcast it, Liancheng Yazhi had already waved to someone. Send him to the hospital.

Liancheng Yazhi was very impatient and didn't even want to look at old master Liancheng. He always felt that he, Wanwan, should really collapse. Otherwise, it would affect everyone's mood.

Chapter 687 Throw it out

As for asking Neil to send the old man to the hospital, it wasn't because Liancheng Yazhi had deep feelings for his father, but because it was a good day for him and Rong Yan to be engaged. It was such an unlucky thing for the old man to faint on the ground!

The people below all congratulated Liancheng Yazhi.

It was rare to see young master Ya so happy, so she quickly said something that he liked and made him happy. It might be easier for her if she had any requests in the future.

As a result, many people wanted to raise their glasses to toast him.

It was human instinct to seek advantages and avoid disadvantages. At this time, they had long forgotten about the Lu family and who the old master was. All they could think of was how to please Liancheng Yazhi's Rong Yan, Oh, and MeowMeow, the future heir of the Liancheng family.

However, Liancheng Yazhi was not in the mood to chat with them at this time. He just wanted to enjoy a rare quiet time with his wife and child.

Liancheng Yazhi asked Secretary Zhou to block the crowd and pulled Rong Yan to carry Miaomiao. He called his buddies and went to a quiet corner of the banquet.

However, before he went over, he remembered something. He turned around and looked at Lu Xueli, who was standing there unwillingly, and then at Lu guinong, who was still looking at her with a frightened look. He was instantly filled with all kinds of dissatisfaction and disgust.

Liancheng Yazhi's hands seemed to suddenly itch, and he really wanted to teach them a lesson.

However, he didn't want to see blood at his engagement party. It was inauspicious.

Hence, she said three words to Secretary Zhou, " "Throw it out, Yingluo."

Secretary Zhou suddenly asked, " "Do I have to be stripped naked?"

Liancheng Yazhi glanced at him coldly. Secretary Zhou quickly lowered his head and turned to call security.

When the security guards pulled the father and daughter of the Lu family away, Lu guinong did not react at all. His eyes were fixed on Rong Yan the entire time, as if he had been scared silly. His entire body was filled with fear that came from his bones, and no one knew what had happened to him.

On the other hand, Lu Xueli was extremely unwilling and wanted to throw a tantrum. However, with the lesson from three years ago in front of her, she knew that silence was the best.

hence, she pretended to be strong and bit her lip. her eyes were red and she was crying. she looked fragile, pitiful, weak, and tough, which could arouse a man's desire to protect her.

Before she left, she sniffled and said in a very nasal voice, " young master ya, I don't care what you think of me, I'll accept it. But, Qianqian, you can't blame this on the Lu family. It was your grandfather who brought me back from abroad. He told me that you, Qianqian, were willing to be engaged to me. I didn't have the time to think about anything else at that time. I was so happy that I was about to go crazy. I was obsessed with you, so I agreed to it as soon as your grandfather said so. I think it would be hard for any woman to reject this. Please forgive me. if you really want to blame someone, just punish me. i hope you can let my family and the old master go."

Compared to three years ago, Lu Xueli had indeed matured a lot.

at this time, he knew what to do to win everyone's sympathy.

he pushed all the blame onto old master liancheng and said that she was a woman who was crazy about love and listened to the old man's advice because she liked him.

Chapter 688 Her chin could pierce through her chest

Moreover, Lu Xueli was smart enough to push all the blame onto the old man. She didn't let others think that she was trying to shirk her responsibility. In the end, she even pleaded for the old man and successfully created a woman who was loyal and righteous. After hearing her words, those who didn't know about this really wanted to sympathize with her, and their eyes softened a little.

Liancheng Yazhi hugged Rong Yan and had an unfathomable smile on his face. Lu Xueli was a woman who would die if she didn't act arrogantly. At this time, she didn't understand the situation at all. Saying this to win everyone's sympathy, could it change her ending?

Other people might not know what kind of person she was, but did he not know?

was it possible to move him with these words?

Rong Yan looked at Lu Xueli and didn't say anything. She felt that Lu Xueli was a strange existence. At this time, she didn't want to escape quickly but still had the mood to say these things. Well, what she said was indeed very touching, but what was the use of encouraging others to pity him?

Ask the surrounding guests how many of them would dare to come out and plead for Lu Xueli?

Lu Xueli was worried that no one would speak up for her since she was already doing so well. She clearly saw a few men looking at her with sympathy.

Was it not good enough? You still need to add more?

Lu Xueli raised a hand and elegantly wiped a tear from the corner of her eye. She forced a smile and bowed to Rong Yan. miss Rong, I'm sorry. I didn't know that you were still alive. Back then, it was the old master who said that you had passed away, so I'm really sorry. Please forgive me. I brought humiliation upon myself today and shouldn't have appeared here. I wish you and young master ya a happy future.

Rong Yan let her say whatever she wanted. After she finished talking, Rong Yan asked, "I wonder if miss Lu's chin can pierce through her chest."

After Rong Yan finished speaking, she instantly attracted everyone's attention. They were focused on two points, her chin and chest!

Lu Xueli had a standard 'awl face'. Her face shape and facial features were very good looking, and her smile was quite natural. Most people wouldn't be able to tell that there was a knife on her face.

However, she could tell at a glance that Lu Xueli's face was much more exquisite than it was three years ago.

She propped up her chin, had her bones shaved, opened the corners of her eyes, and injected hyaluronic acid into her lips. She probably also had a face-Slimming Injection. Her nose had also been adjusted, and the heaviness of her chest was even more obvious.

lu xueli was wearing an aqua-blue cheongsam which accentuated her figure, especially her chest. the curve was tall and full, and from the side, she had a standard s-shaped figure.

However, she was on the thin side, and her chest was so high that it looked a little out of place.

Rong Yan's sudden words were so lethal that Lu Xueli's face and ears turned red instantly. The emotions that she had adjusted disappeared without a trace, and the focus of the men who had some sympathy for her just now was shifted.

Lu Xueli was so angry that her lips turned white and she glared at Rong Yan. "Miss Rong, Zhenzhen, don't talk nonsense. You don't have any evidence, so don't slander me!"

Liancheng Yazhi was laughing happily at the side, and Chong looked at Rong Yan with a loving gaze.

Rong Yan sized Lu Xueli up. do you think that any part of your body hasn't moved? Butt? thigh? Or at the retinue/NV/hymen?"

Chapter 689 Of course I'm satisfied

Lu Xueli's combat power was crushed by a few simple words from Rong Yan, and she was almost killed in seconds.

"Yingluo, Yingluo, you're too much." In front of so many people, she couldn't stay any longer. She covered her face and ran out.

Feng nongtang was the first to whistle. sure enough, sister Rong Yan is amazing. She scared the man away with just two words.

Every time he heard Rong Yan speak, Feng nongtang would feel very excited. It was almost comparable to the excitement he felt when he was picking up girls.

"Who's your sister?" Liancheng Yazhi glared at Feng nongtang coldly. Why did he have to listen to that 'sister Rong Yan' so awkwardly?

fine, it's my fault. My words were inappropriate and I offended sister-in-law. I'll punish myself with three cups later. Feng nongtang laughed and apologized to Rong Yan. He was the youngest among them, so it was only natural for him to call Rong Yan his sister-in-law.

After they sat down, they looked at the family of three briefly. Their eyes fell on MeowMeow and they smiled."Liancheng, are you satisfied now? Now that I have a wife and a daughter, I can officially show off my happiness to the outside world."

Liancheng Yazhi raised his eyebrows and put his arm around Rong Yan's shoulder."Of course I'm satisfied, Yingluo."

today was simply the happiest and happiest day in many years. it was also the day with the greatest sense of accomplishment.

After sitting down, Rong Yan saw Xia Xuanmo and naturally thought of Rong Yan, then her mood became a little worse.

liancheng yazhi quickly discovered that she was in a bad mood and immediately thought of the reason. he sighed. if he had known earlier, he wouldn't have believed xia xuanmo. he should have brought rong nuo back earlier.

liancheng yazhi glanced at xia xuanmo. he was not in a good mental state and had been drinking since he fell down. it seemed that he was also troubled by rong nuo's matter. but he deserved it.

Suddenly, Xia Xuanmo's mobile phone rang. After taking a look, his face darkened, and then he stood up. I'm going to answer the phone.

After he finished speaking, he left without waiting for anyone to speak.

Feng nongtang scratched his head in confusion. what's the matter? why do I feel like there's something wrong with Xuanzi this time? he has to hide to answer a phone call. Is there a secret that we can't hear? "

don't worry about others, " Jian Jie said jokingly. your father told you to quickly work hard to have a child. What are you thinking now? "

Feng nongtang laughed dryly. sigh, ran ran, you have to give birth to a child. Ran ran, you really have to think about it carefully. There's no rush!

Rong Yan's eyes were cold as she watched Xia Xuanmo leave.

She thought for a moment and lowered her head to say something in Liancheng Yazhi's ear.

"Go on, you're too angry. If you want to see Rong nuo, I'll find her for you." Liancheng Yazhi nodded. He knew that Rong Yan was worried. If he didn't ask her, he wouldn't have to worry about it.

"We'll talk about this later."

Rong Yan said to MeowMeow, "baby, let daddy carry you first. Mommy is going to the washroom. I'll be back soon.

okay, MeowMeow. MeowMeow nodded obediently and lay on Liancheng Yazhi's legs.

after rong yan left, kang yu looked at the time and said to liancheng yazhi, "now that you've successfully gotten engaged, I won't be staying. I'll be leaving first.

It was the first day of the drill. As the commander, he had to 'run' before the battle and return before anyone found out.

Liancheng Yazhi also knew how much danger Kang Yu had taken to come over. He nodded."Good Yingluo."

"I'm leaving." Kang Zhen picked up his hat, put it on, and turned to leave.

.....

Chapter 690 If you like it, marry it. If you don't, let it go

As soon as Xia Xuanmo hung up the phone and turned around, he saw Rong Yan standing a few steps away from him. It seemed that she had been standing there for a long time. She had probably heard everything he said, but his mind was on the phone and he did not notice her at all.

A faint smile appeared on Xia Xuanmo's face. Rong Yan, congratulations. You've finally come back to life. Liancheng will be very good to you and MeowMeow in the future.

Rong Yan pouted. whether he treats me well or not has nothing to do with you. I'm looking for you now.

Xia Xuanmo nodded. alright, I won't say anything more. Then what are you looking for me for? "

"Don't pretend you're confused when you understand." Rong Yan hated to talk to people like Xia Xuanmo, who were full of schemes because they would never tell the truth.

The smile on Xia Xuanmo's face disappeared. He held his eyes and said, "I'll be good to her, you don't have to worry. She's doing well now, and her schedule is tight, so she couldn't come this time. Besides, she didn't know that today was your engagement. If I had known, I would have brought her here.

Xia Xuanmo's words did not sound fake, but he was hiding the fact that Liancheng Yazhi had called him yesterday to bring Rong nuo over.

"Ask her to give me a call tomorrow," Rong Yan said with a frown.

alright! Xia Xuanmo agreed very quickly. sure.

"Rong nuo is not young anymore, don't drag her on. If you like her, marry her. If you don't like her, let her go." Rong Yan didn't want to talk nonsense with him and went straight to the point.

Xia Xuanmo smiled and gave Rong Yan An ambiguous answer. "I know."

rong yan sneered. you know? did he think she was a fool to not do it after knowing?

"Don't try to fool me, you must give Rong nuo an answer within this year. If you continue to play dumb, then I will reveal everything that happened that year."

Xia Xuanmo was silent for a moment and said, "

After Rong Yan got the answer she wanted, she stopped talking to him.

xia xuanmo looked at rong yan's back and sighed. although rong nuo was stubborn in the past, she was also naive. but now, yingluo had rong yan's shadow in her, so it was really difficult to deal with her.

Back then, when he helped Rong Yan, Xia Xuanmo was already worried that that incident would become something that could be used against her in the future. Now, it seemed that it was already the case. It was not the first time that Rong Yan had used this to threaten him. Moreover, he would compromise every time. He was different from Rong Yan. She had nothing to fear, but he had too many scruples.

Xia Xuanmo rubbed his forehead. He didn't plan to stay in the capital Tonight. He wanted to stay up late and rush back. He was ready to leave after telling Liancheng Yazhi.

However, before he could move, he saw that another person had come to talk to him.

Looking at the graceful figure, Xia Xuanmo's eyes flashed with a bitter smile. He cheered up and called out, " "Mother!"

This time, Madam Xia, Xia Xuanmo's biological mother, came.

She was a typical woman from the water Village. She was thin and petite, looking very delicate. Although she was already in her 50s, she usually took care of her skin well and had very few things to worry about, so her face looked at most in her 40s. She was very beautiful.

No matter how she walked or spoke, she looked like a very gentle and sweet-tempered woman. As long as you saw her, you would involuntarily lower your voice as if you were afraid of scaring her.

Madam Xia gathered her shawl, her eyes gentle and loving. Xuan mo, were you chatting with miss Rong just now? "

" yes, " xia xuanmo nodded. " we just exchanged a few words. "
