Chapter 741 What bad things does this kid want to do?

Liancheng Yazhi said what he wanted to say. "I know that you have a collection of all kinds of precious cultural relics. I wonder if you have the kind of calming incense used in the ancient palace. It will not cause any harm to the body of a sleeping person after smelling it. Moreover, no matter what you do to her, there will be no reaction."

Gu Hesheng's smiling face changed slightly after he heard that. I do have something, but why are you looking for one? "

Liancheng Yazhi's words were a little confusing, especially since he was not a good person.

Therefore, Gu Hesheng's first thought was, what bad things does this kid want to do with this thing?

Liancheng Yazhi realized that there might be a problem with his explanation and quickly explained,

"I won't hide it from you. I'm looking for this thing to treat my daughter's illness,"

Gu Hesheng subconsciously started to worry, "Treat illnesses? What illness is it?"

Liancheng Yazhi thought for a second and said, "congenital heart disease. "

The problem with MeowMeow's blood was a secret of the Liancheng family, and it was best not to let outsiders know.

Gu Hesheng's hand that was holding the purple clay teapot tightened, and his voice became louder,

"Congenital heart disease!"

Liancheng Yazhi's face was full of guilt. yes, when Rong Yan was first pregnant, it was also because of my problem, ran ran. The child didn't develop well in the mother's body, ran ran.

?????,????????????????,?????????????????

"How could this be?" he muttered to himself.

after a brief moment of shock, gu hesheng calmed down. "but what does wufu's congenital heart disease have to do with the nerve-soothing incense? "

Liancheng Yazhi spread his hands. I don't know either. I found a genius doctor with very good medical achievements. He told me that MeowMeow is too young and her body is not very good.

Surgery is not the best way. Let MeowMeow smell that fragrance every night and then use it with a medicinal bath. It will slowly change MeowMeow's body, promote blood circulation, and repair some of the weak functions of the body. If we can use this method to let MeowMeow recover without surgery, it would be the best.

liancheng yazhi opened his mouth, and his upper and lower lips touched a few times before he made up a few words. those who did not know would really think that was the case after hearing it.

He thought that Gu Hesheng only knew about antiques, not medicine. As long as he made it up, he had no choice but to believe him.

Secretary Zhou secretly gave Liancheng Yazhi thirty-two likes. Young master ya, good job.

"So it's like this!" Gu Hesheng believed him because Liancheng Yazhi's words sounded quite credible.

liancheng yazhi heaved a sigh of relief. see, you believe me now.

I had no choice but to come and look for you. I've been looking for you outside for a few days, but I couldn't find you. So, I could only come and disturb you.

the nerve-soothing incense you wanted can't be found outside. You're lucky that I do have some in my Kasaya. when it came to his own treasures, even a low-profile person like gu hesheng could not help but feel proud.

Liancheng Yazhi's eyes lit up when he heard that and he quickly stood up. that's great, Mr. Gu. Please part with it. I know this thing is very precious. If I give you money, you won't want it. I have a bottle of Yuan Dynasty blue and white flower here. I'll give it to you as a thank you gift. I hope you don't mind.

Chapter 742 only one condition

As he spoke, he personally took the wooden box from Secretary Zhou and placed it in front of Gu Hesheng.

However, Liancheng Yazhi did not expect Gu Hesheng to push the box back to him without even looking at it.

Gu Hesheng said,"don't worry, let me finish. If you want the nerve-soothing incense, I can give it all to you, and I won't take a single cent from you."

"Please state your request." Liancheng Yazhi knew that a person with such a deep mind would not do anything good casually. Gu Hesheng had only said half of what he wanted to say, but he did not finish the other half. He must have made a request.

Gu Hesheng looked at Liancheng Yazhi and stated his conditions, " my request is also very simple. Let Rong Yan bring meowmeowmeowmeow to accompany me for a month, and I'll give you the nerve-soothing incense.

Liancheng Yazhi refused sternly,"no, Yingluo!"

Today, Rong Yan asked to come with him, but he didn't even agree, let alone asking Rong Yan to come to Gu Hesheng's place for a month. There was no way he would agree.

thinking of the way gu hesheng looked at rong yan, liancheng yazhi felt uncomfortable all over.

"It's only during the day, so I can't either."

liancheng yazhi refused without any room for discussion."no, i can agree to anything other than this."

"i don't have any other conditions." At Gu Hesheng's age, with so many antiques in his hands, he had so much money that he could not spend it all in a few lifetimes. Of course, he did not lack anything, and he did not care for anything.

No matter how precious Liancheng Yazhi's blue and white porcelain bottle was, how could he not have a lot of precious things in his hands?

the only thing he lacked now was that yingying didn't enjoy the feeling of an ordinary family.

His only regret was that Yingying wasn't with the woman he liked.

Rong Yan had more or less satisfied his two regrets. When Liancheng Yazhi was talking about home, his words had touched Gu Hesheng, and he also wanted to know.

Rong Yan had the same appearance as the woman he liked. Of course, he knew that they weren't the same person. However, Yingluo had a strange sense of intimacy with Rong Yan, so he wanted to see her more, to see her daughter.

It was not that he had any thoughts about Rong Yan. As an old man living alone, Gu Hesheng just wanted to enjoy a Day of Happiness with his family.

Liancheng Yazhi wanted to get angry. What to do? What if he wanted to hit someone?

He looked at Gu Hesheng's eyes, which were burning with anger.

secretary zhou saw that things were not going well and quickly pulled him back. " young master ya, please calm down and sit down to drink some tea. "

Pressing on Liancheng Yazhi, Secretary Zhou said to Gu Hesheng, " Mr. Gu, my young miss is waiting for the nerve-soothing incense to save her life. Can you tell me your conditions? "

Gu Hesheng smiled faintly, " I didn't say that I wouldn't give it to him. He just didn't agree to it.

Liancheng Yazhi changed Gu Hesheng's humble and polite appearance in front of him and instantly became irascible. He slammed the table. "There's no room for discussion on this matter. It's absolutely impossible."

Gu Hesheng, on the other hand, laughed heartily, " "This is my only condition. You don't have to rush to answer me now. Go back and think about it. When you've thought it through, let me know. Anytime."

"Men, send the guest out." He stood up and shouted.

after that, Liancheng yazhi and secretary Zhou were sent out, along with the Yuan Dynasty blue and white porcelain vase.

After getting into the car, Liancheng Yazhi grabbed the box in anger and wanted to smash it.

Secretary Zhou was so scared that his heart almost stopped beating when he saw it, and he pounced on it desperately.

Chapter 743 A prodigal plaything

With Secretary Zhou's emergency treatment, the bottle was finally saved.

"Young master ya, if you're angry, just beat me up. Please let go of this bottle."

Secretary Zhou was in danger of losing his head and said in a trembling voice.

He had just thought that since Mr. Gu didn't want it, he would quickly send the bottle back to the hospital while the old man was still in a daze and wouldn't let him find out. Then, he would pretend that this matter didn't happen.

Therefore, Secretary Zhou tried his best to keep the bottle.

Liancheng Yazhi's eyes were spewing fire as he rebuked, " "Get lost."

Secretary Zhou swallowed twice. He could get lost, but could he take the blue and white porcelain bottle away?

He stammered. young master ya, please calm down. That old man ... Maybe ... Maybe I don't have any dirty thoughts about him.

Liancheng Yazhi slapped Secretary Zhou away. "No dirty thoughts? Do you know what he's thinking?"

Gu Hesheng, that old man, was simply looting a burning house.

That damned old bastard, don't think that no one knows what he's thinking in his heart. If you want to 'see someone and think of them' in front of his Rong Yan, don't even think about it. In the future, I will definitely not let Gu Hesheng and Rong Yan appear in the same place.

Liancheng yazhi said hatefully, " i don't believe that i can't find the nerve-soothing incense without gu hesheng. send more people to continue the search. don't just search in the big cities. we have to increase our efforts in the remote areas too. "

Secretary Zhou held the porcelain bottle and nodded. " yes, yes, yingluo will definitely find it. do your best. "

As long as young master ya doesn't smash the bottle, I'll do whatever you say.

It was almost six o'clock when they left Gu Hesheng's house. Of course, Liancheng Yazhi would not go to the company and asked the driver to send him home directly.

Along the way, Secretary Zhou held the porcelain bottle tightly, as if he was afraid that Liancheng Yazhi would snatch it away and smash it again.

He touched the bottle and cursed in his heart, "Young master ya, can I say that your Kasaya is really a prodigal? you even want to smash such a precious Yuan Dynasty blue and white porcelain bottle. If this is known by outsiders, you will be scolded to death!

At the door of the house, Liancheng Yazhi was waiting for Secretary Zhou fiercely."Don't tell rongyan about what happened today. If you dare to say a word, Yingluo,"

Secretary Zhou shook his head like a rattle."Young master ya, don't worry. I definitely won't tell anyone. I definitely won't."

After Liancheng Yazhi got out of the car, Secretary Zhou quickly asked the driver to send him to the hospital.

Chapter 744 You two are too hard to please

Liancheng Yazhi nodded in agreement. that's right. He's too despicable. He seems to be a decent person. I didn't expect ran ran to be so stingy.

Rong Yan sighed. actually, being stingy doesn't count. The other day, he gave us an old Buddha Bracelet, which is also a very rare thing. He's not a stingy person. Maybe the Kasaya is the thing we came to ask for this time, so it's too precious.

Liancheng Yazhi pouted and walked forward with his arm around Rong Yan's waist."Forget it, let's not talk about him. Let's eat. There are so many collectors in China, and Gu Hesheng is not the best one. Don't worry too much. We'll find it soon. At most, it'll take a little more time."

"That's the only way!" Rong Yan nodded.

.....

After that day, Rong Yan realized that Liancheng Yazhi didn't seem to be in a good mood. Although he seemed to be very happy in front of her every day, when he was alone, Rong Yan could obviously see a gloomy aura on him.

There were a few times when Rong Yan tried to ask him if he was hiding something in his heart. However, he didn't answer her directly every time and would always pull the question away.

The more Liancheng Yazhi avoided her, the more Rong Yan was certain that he was hiding something.

Hence, Rong Yan seized an opportunity to ask Secretary Zhou, " "Secretary Zhou, what's wrong with your boss? He doesn't seem to be in a good mood recently. Why?"

Secretary Zhou quickly shook her head. no, young master ya is in a good mood. Recently, everyone in the company has been saying that young master ya hasn't been angry for many days, Yingluo.

The alarm lights all over Secretary Zhou's body were turned on. He was afraid that he would accidentally say something he shouldn't have.

Rong Yan rolled her eyes at him disdainfully. come on. You? you want to lie to me? "

secretary zhou wanted to kneel down in front of rong yan. young madam, could you not have such good eyes?

Secretary Zhou's eyes flickered as he looked around, but he did not dare to look at Rong Yan. He stammered, " maybe, yingluo, maybe. yingluo company has had a lot of business recently, and its performance in the last quarter has declined a little, so young master ya is a little annoyed, yingluo. "

Rong Yan smiled and said,"really?" Their performance declined? But when I was watching TV yesterday, I heard that L&C's stocks closed at the highest index of the year that day. Your company's business wasn't good, but the stock price rose. It's really magical."

Secretary Zhou was going crazy. F * ck, young Madam, why are you even looking at that thing?

Rong Yan glanced upstairs and urged, " "Hurry up, don't dawdle. Yazhi will be down soon."

Secretary Zhou shook his head bitterly. young Madam, don't force me. I can't say anything. Young master ya won't let me say anything.

The boss had said that if he dared to reveal the location, he would not have a good time.

Rong Yan snorted and said rather slyly, " "secretary zhou, you're too naive. do you think that if you don't tell me, i won't be able to get your boss to deal with you? Believe it or not, I'll blow some Pillow Talk tonight and make you suffer tomorrow."

Secretary Zhou suddenly wanted to flip the table. You two are too hard to please, I quit!

Secretary Zhou said pitifully,"young Madam, Yingluo."

Rong Yan raised three fingers. I'll count to three. You do as you see fit. One, two, three, three.

Just as she finished counting to three, she heard Secretary Zhou close his eyes and say everything as if he was shooting a gun. " young master ya went to see gu hesheng the other day. he had the nerve-soothing incense, but he made a condition. young master ya was very angry, so he has been in a bad mood these days. "

Chapter 745 Young Madam, what do you want to do?

Rong Yan's eyes widened in surprise. That day, Liancheng Yazhi had clearly told her that Gu Hesheng said that he did not have any nerve-soothing incense. What conditions did he have to make him rather film her than tell the truth?

"what condition?" rong yan asked.

Secretary Zhou looked up at Rong Yan, then lowered his head and said in a low voice, " the condition was that Yingluo didn't want anything as long as Yingluo wanted you to bring miss MeowMeow to accompany him for a month. But Yingluo only went during the day. Young master ya was very angry and almost beat Gu Hesheng up.

Rong Yan was even more surprised and exclaimed, " "What?"

Anyway, he had already said it, so Secretary Zhou had no choice but to go all out. He said again, Gu Hesheng's condition is for you and miss MeowMeow to go to his place for a month. This is the reward he wants.

Rong Yan's brows were tightly furrowed. No wonder Liancheng Yazhi was unhappy. No wonder he refused to tell her.

Who would have thought that Gu Hesheng would actually propose such a tricky condition.

if an old rich lady asked liancheng yazhi to take their baby to accompany her for a month, she would not agree either.

However, she felt that Gu Hesheng wanted her to wear

"Then, have you found the nerve-soothing incense?" Rong Yan asked Secretary Zhou.

Secretary Zhou shook his head. we did find quite a few. However, they're all not effective.

"What do you think Gu Hesheng's intention is?"

Secretary Zhou hesitated for a while and said, " I think that since Hanhan dared to make such a condition to young master ya, he definitely doesn't have any

dirty thoughts. He even told young master ya the other day that you look almost exactly the same as the woman he likes. I guess he left too many regrets back then and wanted to see you and think of you.

Rong Yan frowned and thought for a moment before she turned to look upstairs and said, "Tell me the address of Gu Hesheng's home."

"Young Madam, what do you want to do?" Secretary Zhou immediately took a step back.

Rong Yan reprimanded her in a low voice, "don't talk nonsense. Give it to me first. Hurry up, Liancheng is coming down. Anyway, you've already told this secret, so what's the point of telling another one? if you don't tell me, I'll let him do you today.

secretary zhou felt so aggrieved that he wanted to cry and run away, but he saw liancheng yazhi's figure appear on the stairs.

Secretary Zhou lowered his head and quickly gave Gu Hesheng's address in a very low voice.

As for whether Rong Yan could hear it clearly or not, even if she could, whether she could remember the long list of names had nothing to do with him.

When Liancheng Yazhi walked down the last staircase, Secretary Zhou and Rong Yan had returned to normal. He could not tell that they had been talking just now.

Before Liancheng Yazhi left, he hugged Rong Yan and kissed her in front of Secretary Zhou. He said, "I'll take you and MeowMeow to jinrong house tonight. It's the madman's treat."

"he's treating? Is today a special day?"

"I don't know. He didn't say. I'll be leaving first."

After Liancheng Yazhi left, Rong Yan sat in the living room and started to think about what Secretary Zhou had said.

On one side was Liancheng Yazhi, and on the other was MeowMeow. Should she go to Gu Hesheng's side or not? It was really a difficult matter.

If she went, Liancheng Yazhi would definitely be angry. If she didn't go, the nerve-soothing incense would not be found, and MeowMeow's treatment would be delayed again and again, and the danger would increase.

After struggling for two hours, Rong Yan finally gritted her teeth and made up her mind. She went upstairs to wake MeowMeow up. baby, wake up. Mommy will take you to a place.

Chapter 746 Both of them will compromise

Rong Yan guiltily kissed her little face, which was still drowsy. mommy will take you somewhere. Mommy will give you some clothes to wear. Can you sleep in the car later? ”

mm, MeowMeow. MeowMeow nodded obediently and yawned. Her eyelids closed involuntarily.

Rong Yan helped MeowMeow put on her clothes and changed into a set of clothes for the trip. She picked up her bag and carried MeowMeow downstairs.

“Butler Li, I’m going out for a while. I’ll be back before dark,” Rong Yan told Butler li before she left.

Caretaker li nodded. okay, I’ll arrange a car for you.

There were a total of three drivers in the Liancheng family. One of them was in charge of starting the meal for Liancheng Yazhi, although sometimes Secretary Zhou might not need him.

The other two were to be used at home at any time. For example, Rong Yan would only use them when she went out for something. Basically, they were very free every day.

Rong Yan got into the car with meowmeowmeowmeowmeowmeow in her arms and told the driver the address.

After the car started, Rong Yan let out a long breath.

She had just made the decision to go upstairs to wake MeowMeow up and carry her down. It was only now that she could finally catch her breath.

After Liancheng Yazhi left, Rong Yan thought about it. She felt that the month she went to Gu Hesheng was actually nothing. At most, Gu Hesheng missed her too much and could not let go. Plus, he was old. After living alone for a long time, he would feel lonely, so he wanted to find someone similar to the person he liked to talk to.

gu hesheng wanted meowmeowmeow to go as well, which showed that he was a lonely old man. because he had never been married in his life and had no

children, he yearned even more for the joy of having children and grandchildren around him.

She had already done so much for her daughter. Back then, she even had the courage to return to Liancheng Yazhi's side. What else could she not do?

Moreover, what she wanted to do this time was very simple. She just wanted to talk to an old man.

Liancheng Yazhi didn't let her go because he was jealous of an old man. But to put it bluntly, if she really insisted on going, he wouldn't stop her because he knew what it meant.

in the face of their daughter's life, both of them would compromise.

It was just that Liancheng Yazhi would be angry. This decision would hurt her self-esteem a little.

Rong Yan estimated that even if they quarreled to the worst, it would only be a quarrel. They wouldn't break up again because of this matter. At most, she would just go along with him more in the future. Rong Yan was still very confident in coaxing the angry Liancheng Yazhi.

For now, he had to treat MeowMeow's illness first.

On the way, meowmeowmeowmeow was no longer sleepy and asked Rong Yan, "Mom, where are we going?"

Rong Yan gently patted her back. I'm going to see a grandfather. He gave you the necklace on your neck. I'll Take You There to thank him.

.....

As the driver was not familiar with the place, it took him about 40 minutes to get there.

After Rong Yan got out of the car, she saw the ordinary gate and was a little suspicious. Would Gu Hesheng live in such a place?

In her hesitation, Rong Yan thought that since she was already here, she might as well knock on the door and ask. If she wasn't here, she would leave.

Rong Yan went forward with

The person who opened the door was a man in his 50s. The clothes he was wearing were very old-fashioned. He was wearing a black cotton cloth and a mandarin jacket. At a glance, his face seemed to have traveled back in time.

“May I know who you are looking for?” he asked Rong Yan.

Chapter 747 My husband, Liancheng Yazhi

“Excuse me, does Mr. Gu live here?” Rong Yan hesitated.

He looked Rong Yan up and down and took one last look at

However, the man who opened the door was stunned when he saw the beeswax necklace on MeowMeow’s neck. He said, ” yes, this is the ancient residence of the ancestor. May I know who you are and if you have an appointment? ”

Rong Yan shook her head. No. If he’s here now, tell him that I’m here with my daughter.

When the person who opened the door heard the two words ‘Rong Yan’, she hurriedly said, ” please wait a moment. I’ll go and inform Sir.

after he finished speaking, he hurriedly turned around and walked inside.

Rong Yan saw that meowmeowmeowmeow was biting on the honey wax and quickly took it out of her mouth. my little ancestor, didn’t I say that you’re not allowed to bite? Why are you disobedient again?”

you, Yingluo. Rong Yan laughed out loud. She took out a handkerchief from her bag and wiped MeowMeow’s mouth, as well as the saliva on the beeswax.

After doing all this, the person who had just opened the door ran over in a hurry. “miss rong, sir has invited you in.”

His expression was very excited, and it was obvious that Gu Hesheng was very happy with Rong Yan’s arrival.

Rong Yan didn’t move and reminded him, ” “My husband is Liancheng Yazhi.”

When she came to Gu Hesheng’s house, she had to constantly remind them that her husband was Liancheng Yazhi.

I’m sorry, ” the other party hurriedly apologized. Madam Liancheng, please come in.

Rong Yan nodded and put

rong yan held meowmeowmeow’s hand and walked into gu hesheng’s courtyard house like a snail.

The old man who was leading the way was extremely anxious. He urged her twice, but Rong Yan simply ignored his words. He had no choice but to not urge her, hoping that she would quickly finish reading the curious book.

MeowMeow's curiosity was too strong. After half an hour, she had no intention of leaving the front yard. In the end, Gu Hesheng waited for Rong Yan to come over by herself.

He stood at the arched door that connected the front yard and the backyard and saw Rong Yan holding MeowMeow's hand, pointing to a pot of orchids and whispering.

The gentle and beautiful mother and the cute daughter stood up together. That warm scene made people feel warm even in the winter when they were only wearing a thin layer of clothing.

The person who led the way was so anxious that he turned around and suddenly saw Gu Hesheng. He was shocked and quickly shouted, " "Mr. Gu, please."

Gu Hesheng raised his hand to stop him from speaking, but he waved his hand to dismiss the man.

Chapter 748 let grandfather hold hands as we walk
when

In fact, Rong Yan had already seen Gu Hesheng when he first appeared. However, she did not want to talk to him, so she pretended not to see him.

Today, she had brought meowmeowmeowmeow to Gu Hesheng's door to ask for a favor. Logically speaking, she should be very humble, but Rong Yan could not do it. Instead, she wanted to see how long Gu Hesheng could endure her continuous neglect and disregard.

However, Rong Yan had miscalculated. Not only was Gu Hesheng not angry, he seemed to be very happy when he saw her playing with MeowMeow just now.

Gu Hesheng was all smiles. let's go in and have a cup of tea.

His smile was the kind of fatherly love, which was a completely different concept from the smile he had when facing Liancheng Yazhi.

"Alright."

Gu Hesheng lowered his head to MeowMeow and said softly, " "

Meowmeowmeowmeowmeowmeowmeowmeow shook her head decisively and hugged Rong Yan's thigh.

Rong Yan squatted down and looked at MeowMeow. do you remember what I said to you when I came? The necklace on your neck was given to you by this Grandpa, and we're here to thank him. Can you let Grandpa hold your other hand?"

Rong Yan's good words made MeowMeow finally agree to let Gu Hesheng hold her hand and walk. However, it was impossible to carry her.

Thus, Gu Hesheng held

On the way to the backyard, Rong Yan looked at the quiet environment around her and praised sincerely, "Your place is very beautiful."

As soon as he entered, he felt like he had entered another world. The frustration in his heart was quickly cured.

"Liancheng Yazhi said that this place is like a paradise."

"Indeed, it's very similar. However, it would be even better if Yingluo could have a little more popularity."

"You're husband and wife, indeed. Even the words you two say are the same."

"We're just telling the truth," Rong Yan raised her eyebrows and smiled.

As soon as they entered, they could clearly feel that the temperature here was several degrees lower than outside. That kind of cool atmosphere, if it was pleasant to hear, was cool, but if it was unpleasant, it was gloomy.

.....

it was still the same place where gu hesheng had seen liancheng yazhi the other day. it was still the same bamboo rattan chairs and table. however, there were many snacks on the table this time. it was obvious that they had been specially prepared for their arrival.

After sitting down, Rong Yan didn't even drink her tea and said directly, "I've heard about the condition you mentioned."

????????,????????????,????????????,??????,????????

gu hesheng looked at meowmeow's actions and saw that her little face was covered in the residue of the sweetness. her expression was relaxed and happy. he said, "Why did Liancheng Yazhi agree to it?"

Rong Yan shook her head. how could he possibly agree? he didn't even know that I was here. If he knew, I probably wouldn't even be able to step out of the

door. He didn't even tell me about the conditions you mentioned that day after he went back. I only found out about it after questioning Secretary Zhou today.

Gu Hesheng shifted his gaze away from MeowMeow's face in surprise and looked at Rong Yan. "So you agreed to come here today? You're still trying to persuade me to give up on that condition."

He didn't expect that Rong Yan would dare to come alone without Liancheng Yazhi knowing.

Chapter 749 I'll agree to your conditions

Rong Yan chuckled. I agree. It's not difficult for me. I just want to know why you're proposing this condition. Just because she looks similar to the person you like? but you clearly know that i'm not her. i don't even have any relationship with her. "

Gu Hesheng picked up his tea and took a sip, as I get older, I spend half a day reminiscing about the past, and the remaining time is filled with loneliness. I just wanted to find someone to talk to me, and you just happened to have the same face as her, so I found you. That's all.

This statement was similar to what Rong Yan had guessed. She asked, "Then why did you ask MeowMeow to come?"

"I quite like this child. I think we're fated to meet." Gu Hesheng looked at

This might also be because he didn't have children, so when he saw such a cute MeowMeow, he couldn't help but want to love her.

Rong Yan hesitated for a while. then, according to what you said, " she said, " in the future, if I come to talk to you every day during the day, will you give me the nerve-soothing incense? "

gu hesheng gave her a definite answer, " as long as you agree, i can give it to you today. "

rong yan was both surprised and surprised. she thought that gu hesheng would only give her the nerve-soothing incense a month later. she didn't expect him to say that he would give it to her today. she couldn't believe what she had heard.

"Aren't you afraid that I won't come back after I take it?"

Gu Hesheng laughed,"then Qianqian can just take it that you've shortened a month's time to today"

“Then I’ll thank you in advance.” This sentence instantly made Rong Yan’s good impression of Gu Hesheng increase by a lot. Such a valuable thing in exchange for a few hours of chatting, not everyone had such courage.

“Liancheng Yazhi doesn’t know you’re here. Aren’t you afraid that he’ll argue with you about this after he knows?”

Rong Yan wiped MeowMeow’s mouth and laughed. of course he’s angry, but for MeowMeow, he’ll compromise. He loves MeowMeow as much as I do, and this is my personal decision. He can give his opinion, but he can’t stop me. I’m only marrying him, not letting him control my emotions. Besides, I haven’t officially married him yet, Yingluo.”

It was already afternoon when Rong Yan arrived, so she only chatted with Gu Hesheng for two to three hours before leaving.

“have you decided to come here for the next month?” gu hesheng asked her before she left.

“Yes, I’ve decided.” Rong Yan nodded.

Since Gu Hesheng was not a difficult person to get along with, and MeowMeow did not hate him too much, it was not a big deal to come for a month. It was just to talk to a lonely old man.

Gu Hesheng was very happy, he stood up and said, ” “Alright, wait a moment.”

He turned around and returned to his room. After a while, he came out with a box made of gold Phoebe Wood.

The box wasn’t too big. It was a cube and was only about 20 to 30 centimeters tall.

he placed the box on the table and sat down. then, he opened the box. immediately, rong yan saw a bunch of small golden balls shining with golden light inside. they were small balls made of real gold, but each of them had a hollow pattern on it. they were very exquisite. it seemed that these were the golden balls that gu hesheng had collected.

Chapter 750 Goodbye, Grandpa!

Gu Hesheng’s hand gently stroked the incense ball, as if he was stroking his own child, showing his love for them.

He said, ” these golden balls have a history of 300 to 400 years. Every time one is used, a sleeping person will be able to sleep peacefully after inhaling it for about an hour. The effect is amazing. If a person is still awake, after smelling it,

it's good for calming the mind and not fainting. According to MeowMeow's daily intake, after one incense ball disappears, the incense burner will be extinguished. This way, one incense ball can be used several times in a row, and the duration of use will be longer."

Looking at the Golden incense balls, Rong Yan swallowed her saliva. She instantly felt that even the air around her had become rich.

The nobles in the past really knew how to enjoy life. The details of life determined the quality of life.

Each incense ball had a hollow pattern on its shell, and inside were incense balls. After burning the incense in the incense burner, the fragrance would float out from the hollow pattern.

This kind of incense ball was exquisitely made. They were all old objects. Holding them, Rong Yan instantly felt very pressured.

This was because these things could not be measured with money.

Gu Hesheng was extremely generous. Not only did he give her the precious nerve-soothing incense, but he also gave one of his incense burners to Rong Yan.

to light incense, you must match it with a good incense burner. This incense burner is for you.

The incense burner was in the shape of a lotus flower. It was made of pottery and had an extremely unique and Grand shape. There were no complicated patterns or cumbersome accessories. The entire incense burner was one. Even someone who knew nothing about antiques knew that this was definitely not an ordinary item at first sight.

Rong Yan really wanted to reject it, but she thought about how she had already taken the incense ball. What was the point of rejecting the incense burner?

Hence, she accepted it happily.

"Thank you. It would be impolite of me to refuse. I will definitely take good care of this censer and these censer balls. Thank you very much."

"No need to thank me. This is what you deserve. This is also an equivalent exchange."

gu hesheng personally sent rong yan and meowmeow out.

On the way out, he was still holding MeowMeow's hand. Rong Yan walked behind him, and the two servants who took care of Gu Hesheng were carrying an incense burner and a box of incense balls.

Rong Yan heard Gu Hesheng ask, "MeowMeow, is grandpa's place beautiful?"

"Yes, it's nice, Yingluo."

"Then how about you stay here from now on?"

MeowMeow looked up and asked him, "is mommy in?" Is daddy here?"

"What if Daddy and Mommy aren't around, Yingluo?"

??????,??????: "No, I want to be with mom and dad."

Gu Hesheng laughed happily, not angry at MeowMeow's rejection.

Rong Yan looked at the back of the adult and child and thought to herself that if someone didn't know, they would probably really think that they were a grandfather and a granddaughter.

Rong Yan got into the car with MeowMeow in her arms. She rolled down the window and said to Gu Hesheng, " Mr. Gu, we'll be leaving now. See you tomorrow.

"MeowMeow, say goodbye to Grandpa Gu," she said to MeowMeow.

Gu Hesheng's face was full of smiles. meowmeowmeowmeowmeow, goodbye.

After the car started, Rong Yan raised the window. She turned back and saw Gu he and his child standing outside the door, watching their car drive away.

Rong Yan sighed. An old man of Gu Hesheng's age was really too lonely.

she had never married and had no children. it was quite pitiful to think about.
