Chapter 751 You feed me!

“Does

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowlike Grandpa Gu?” Rong Yan asked.

”I don’t hate it.”

rong yan was stunned.

This little fellow was becoming more and more profound. He even knew how to answer questions in such a way.

rong yan was talking to meowmeow about gu hesheng while thinking about the problem she was about to face.

So, for the rest of the time, Rong Yan began to struggle in her heart. Would she confess to Liancheng Yazhi immediately after she went? Or should he hide it for a few days?

both were difficult.

Before she went to look for Gu Hesheng, Rong Yan was not worried at all. But now that she was back, she started to feel uncertain again. What if she couldn’t coax Liancheng to suppress her? what if he didn’t let her go at all?

You can’t return the censer and the ball of incense, can you?

No, it wasn’t easy to get it, so he couldn’t return it.

at the door of her house, rong yan made up her mind. it didn’t matter if she died earlier or later, she would just tell him today. this kind of thing couldn’t be hidden at all.

rong yan asked the maid to move the box with the incense ball and the box with the incense burner to the living room.

Liancheng Yazhi came back not long after they got home. As soon as he entered the door, he saw Rong Yan sitting on the sofa with

Liancheng Yazhi took off his coat and handed it to Butler li. He walked to Rong Yan’s side and held her and Miaomiao in his arms. let’s go to jinrong house in a while.

Rong Yan took a deep breath and shook her head. there’s no hurry. You just got home. Take a rest first.

She stuffed MeowMeow into Liancheng Yazhi’s arms and stood up to pour him a glass of water. She handed it to him and said, ” “are you thirsty? Have some water first.”

Rong Yan’s unusual hospitality today made Liancheng Yazhi find it fun. He put his chin on top of MeowMeow’s head and said a little coquettishly, ” “You feed me!”

“Mommy, feed me!”

the corner of rong yan’s mouth twitched. she put the tea to “Your daughter just drank it. You don’t mind, do you?”

Liancheng Yazhi's lips curved into a devilish smile. of course I don't mind. I just mind that we should relive the way we used to feed water, don't you think so? "

after saying that, liancheng yazhi's hand directly covered meowmeow's eyes. that suggestive words and the naked little movements made rong yan's hand tremble. the way she used to?

your sister, you're too insatiable. she hasn't sat on it for several years!

Rong Yan wanted to throw the cup back on the table, but she glanced at the two boxes on the table and gritted her teeth. Forget it, so be it. She had already let him eat vegetarian for many days. He couldn't eat meat, but it was fine if she wanted him to smell the fragrance of meat.

Rong Yan consoled herself. She had done many shameless things in the past, so what was this?

Rong Yan glared at Liancheng Yazhi and raised her head to drink a mouthful of water. Then, she moved closer to Liancheng Yazhi and kissed his lips.

Liancheng Yazhi's other hand quickly came up and clasped Rong Yan's head, pulling the distance between them closer.

The warm tea slowly flowed into Liancheng Yazhi's mouth. He entangled himself with Rong Yan, not letting her leave. He occupied her breath, invaded her breath, and wrapped himself around her, unable to separate from her.

at this moment, both of their memories returned to three years ago. it was a time when they indulged in the beautiful days and explored the muddled days of love and not love.

Chapter 752 Daddy is going to bully mommy

They paid the price during that period of time, but fortunately, while Qianqian paid the price, she finally got what she had today.

The two adults held

“daddy, why are you covering my eyes?” the little boy suddenly asked.

The child's tender voice woke them up.

Rong Yan remembered the important matter and quickly pushed Liancheng Yazhi away. Her breath was unstable as she said to MeowMeow, "daddy is playing hide-and-seek with you."

meowmeow's eyes stared at rong yan's red and slightly swollen lips. "mommy, yingluo."

Rong Yan cleared her throat in embarrassment and mustered up the courage to say to Liancheng Yazhi, "I'll show you something."

“what is it?”

rong van hesitated for a while and pointed at the things on the table.

liancheng yazhi finally saw the two boxes on the table and asked, "what is this?"

Liancheng Yazhi thought that Rong Yan had bought him a gift, so he asked curiously and happily, "What's inside?"

Liancheng Yazhi opened the two boxes at the same time, one in each hand. Then, he saw that one box contained a golden incense ball, and the other box contained an incense burner. Seeing these, Liancheng Yazhi's expression changed immediately, and he clenched his fists tightly.

Rong Yan immediately hugged MeowMeow and shook her head decisively. you're not allowed to take her away.

Rong Yan knew that with

Liancheng Yazhi gritted his teeth in anger, but he could not lose his temper in front of MeowMeow.

”

???????????,?????:”Really?”

however, she was suppressed by liancheng yazhi's aura and did not dare to say anything.

of course it's true," he said softly. when have I ever lied to you? come, go play with the housekeeper Auntie for a while. In a while, Daddy and Mommy will bring you to see uncle Feng.

eow.

“Good baby.” Liancheng Yazhi reached out to hold MeowMeow, but Rong Yan didn’t want to let go.

Chapter 753 I really know my mistake!

Therefore, Liancheng Yazhi raised his eyelids. In those devilish long and narrow eyes, it was as dark as an unfathomable cold pool. The cold air that overflowed from his eyes made Rong Yan feel cold all over in an instant. The hand that was holding meowmeowmeowmeow froze and could not use any strength. Then, in the next second, her amulet was snatched away.

Liancheng Yazhi handed the ‘meowmeowmeowmeowmeow’ to Butler li. the weather is pretty good today. Take

yes, it's Yingluo. Butler li knew that these two masters were about to have a big fight, so he carried MeowMeow and hurried out. Then he waved all the maids away.

Those who should have left and those who shouldn't have left had all left. Rong Yan slowly moved back and smiled awkwardly at Liancheng Yazhi, stammering, “Hubby Kiss Kiss Kiss me Kiss Kiss”

She had just said three words when Liancheng Yazhi lifted her up and went upstairs without a word.

Rong Yan closed her eyes and wailed in her heart, I'm done playing, I'm going to die this time!

She could already feel the terrifying anger that Liancheng Yazhi was exuding.

After going upstairs, Liancheng Yazhi kicked the door open. After entering the room, he kicked the door again. With a loud bang, Rong Yan felt her heart tremble.

Liancheng Yazhi walked to the side of the bed and threw Rong Yan onto it.

after rolling a few times on the bed, rong yan felt a little dizzy. she propped herself up with both hands and happened to see liancheng yazhi's cold eyes. she was so scared that she shivered and turned around, wanting to run.

however, before she could move, liancheng yazhi grabbed her ankle. ” you still want to run? ”

Rong Yan hurriedly smiled and said, "no, no, Qianqian didn't want to run. She just turned around and wanted to run."

liancheng yazhi had an evil smile on his face. with a strong tug of his wrist, rong yan was immediately pulled in front of him.

Rong Yan looked at him pitifully. hubby, Yazhi Wanwan, I was wrong. I'm really Wanwan.

Liancheng Yazhi's slender hand pinched her chin."Do you know your mistake?"

Rong Yan nodded and pounded the medicine. I know my mistake. I really know my mistake.

Liancheng Yazhi's lips curled into a thin smile. "Stay at home tomorrow?"

Rong Yan swallowed a few times and then shook her head. "Yingluo has already gotten my things back."

“Secretary Zhou.” Rong Yan did not care what kind of punishment Secretary Zhou would receive and sold her out decisively.

At this moment, Secretary Zhou, who was on his way home, sneezed. He suddenly felt cold all over. Liancheng Yazhi cursed. He knew that the kid did not open his mouth.

The moment he saw the incense ball and incense burner, Liancheng Yazhi was so angry that he wanted to smash them. However, he had not lost his mind yet. Most importantly, he knew very well what Rong Yan was thinking.

No matter what Rong Yan did, she was never wrong when it came to her daughter.

What he was angry about was that if he had found her earlier, Rong Yan would not have to see Gu Hesheng.

Rong Yan saw that Liancheng Yazhi seemed to have loosened up a little, so she quietly grabbed his hand and shook it gently. "You also want MeowMeow to get better, don't you?"

"Then you can go and find Gu Hesheng alone without saying a word?"

Rong Yan lowered her head and admitted her mistake very sincerely. "I was wrong, Yingluo."

Liancheng Yazhi gritted his teeth and shook off her hand. "Don't think that I'll forgive you easily just because you're wrong."

"Then hit me." Rong Yan glared at him and said angrily.

She was just saying it casually. Who would have thought that Liancheng Yazhi would really say, "Alright, you said it."

Rong Yan's eyes widened. Seeing Liancheng Yazhi reaching out, she quickly shouted, "Hey, what are you doing? don't come over!"

Soon, along with Rong Yan's screams, the sound of slapping could be heard in the room.

Rong Yan scolded, "bastard, be gentler!"

"you're so shameless. i'll f * ck

"Wuwu, don't use so much strength Yingluo, it really hurts, it really hurts Yingluo."

After ten minutes, she finally calmed down. Rong Yan was in so much pain that her eyes were filled with tears and her cheeks were red. She was like a primary school student who had just been punished by her teacher. She covered her butt, angry, angry, and in pain!

at this moment, she was lying on liancheng yazhi's thighs, staring at him with both eyes and saying hatefully, "You, you're too shameless."

Just now, Liancheng Yazhi, that bastard, actually took off her skirt and beat her butt. Although she had been beaten before, it had always been through her clothes. Damn it, this bastard was too cruel today.

Liancheng Yazhi slowly buttoned his shirt and smiled. "Okay, baby, change your clothes and go out for dinner."

Chapter 755 I'll let you see all you want

Looking at Liancheng Yazhi's expression as if nothing had happened, Rong Yan really wanted to go up and scratch his face.

This guy was getting more and more out of hand. He actually dared to treat her like this. Was her temper too good recently?

Rong Yan gritted her teeth in hatred as she reflected in her heart, thinking about how to deal with Liancheng Yazhi in the future.

She glared at him. it hurts. I can't walk.

"You can't walk?" Liancheng Yazhi raised his eyebrows.

He looked at Rong Yan affectionately. it's okay. I'll help you change. After you're done, I'll carry you down.

After saying that, he walked towards Rong Yan and carried her to the wardrobe. He opened the wardrobe. see which one you want to wear? "

"I'm not wearing anything." Rong Yan pushed him away.

Liancheng Yazhi pulled Rong Yan back again and hugged her slender waist. His fingers were agile and easy as he unbuttoned her shirt. I can't not wear it. Only I can look at my daughter. If anyone else dares to look at her, I'll dig out their eyes.

When Rong Yan saw that this guy was really going to change her clothes, she quickly covered her chest. "I don't need you, I'll change Yingluo myself."

Liancheng Yazhi beamed. alright then.

He straightened his body and touched Rong Yan's chest lecherously when he retracted his hand.

Rong Yan was so angry that she couldn't help but raise her foot and kick his calf. damn pervert, Qianqian.

liancheng yazhi laughed as if he didn't feel the pain. he was in a surprisingly good mood. compared to the fierce look he had when he was so angry that he wanted to kill someone, he was like a completely different person. from the beginning to the end, he really looked like a split guy.

liancheng yazhi returned to the side of the bed and sat down. he leaned back and placed his hands on the bed, his posture elegant and seductive. he whistled at rong yan."I'm not a pervert anymore, you know that."

Rong Yan got up and gritted her teeth. I want to change my clothes. Get out of here.

Liancheng Yazhi blinked at Rong Yan. why should I go out? these days, I haven't even had meat soup, let alone meat. Why can't I even see you now? which part of your body haven't I seen? besides, Yueyue, I don't think the law can control my own wife.

rong yan's face turned red. it was unknown if she was angry or embarrassed. she didn't know what to say. " your huahua is really huahua. "

Liancheng Yazhi, this Big b * stard, was getting more and more shameless. There was once a refresh, and Rong Yan was so thick-skinned to him that a bullet would not leave a mark on her face.

Rong Yan was extremely angry, but fortunately, she couldn't care so much.

Just as Liancheng Yazhi said, it was not like he had not seen it before. They could be considered an old couple, so what was there to be shy about?

Although Rong Yan had been enjoying being a loving mother for the past few days and had been separated from the shameless Rong Yan of the past for a long time, it was no big deal to pick her up again.

She had also thought it through. This guy would at most look around today. Feng nongtang was still waiting for them to go for dinner. Liancheng Yazhi would at most eat tofu. If he wanted to eat meat, dream on.

The corners of Rong Yan's lips curled up as she leaned against the wardrobe. The anger on her body subsided, leaving only a lazy and sexy aura. She looked at Liancheng Yazhi with a seductive smile in her eyes.

Rong Yan said lazily, "you want to see it, right? I'll let you see it all you want today."

—

Chapter 756 Turning on the meat-eating mode

Rong Yan raised her hands and slowly took off her clothes, throwing them at Liancheng Yazhi's face one by one. Every piece was very accurate, and soon, only her underwear was left. Her alluring and plump body was exposed in the air, completely exposed in front of Liancheng Yazhi.

Liancheng Yazhi's eyes started to burn, and his body naturally had a physiological reaction. He stuck out his tongue and licked his lips. I'm very hungry and thirsty now. Don't seduce me. Otherwise, I can't guarantee what I'll do. Why don't we just use the incense tonight and let MeowMeow sleep next door? "

Rong Yan became a tough woman in a second. With one hand on her waist and the other pointing at Liancheng Yazhi, she said, "you're such a cruel and merciless Wolf father. Just you wait. I'll definitely make MeowMeow ignore you.

Liancheng Yazhi didn't hear what Rong Yan said at all. His attention was now completely on the 'red braised meat' in front of him, and the fragrance of the meat was rushing into his nose.

Liancheng Yazhi swallowed his saliva and slowly stood up. His eyes were like a hungry wolf with green light.

Rong Yan knew what he wanted to do when she saw his expression. She immediately turned around and quickly put on a piece of clothing to cover her upper body. hey, don't come over.

As soon as she finished speaking, Liancheng Yazhi had already come over. He pounced on Rong Yan from behind and hugged her, his voice hoarse. it's still early. Why don't you let Wanwan do it? "

Before he could finish, Rong Yan nudged him with her elbow. why don't you, your sister? it's still early? " Usually, at this time, they would have already had dinner.

Although Liancheng Yazhi was also very hungry, especially hungry, his daughter needed to be fed more, so he could only endure it.

She clutched her chest and looked down pitifully. what about me? "

Rong Yan imitated Liancheng Yazhi's previous behavior and whistled casually. She said gloatingly, " there's nothing much to do. I have no opinion if you go out like this.

Seeing Liancheng Yazhi struggling in his lust, Rong Yan happily put on her clothes and patted his face. "Hurry up, I'll go out and wait for you with MeowMeow."

watching rong yan walk out leisurely with her bag, liancheng yazhi sighed helplessly. rong yan was right at the beginning. he should have gone out. although he always took advantage of his eyes, the gains did not make up for the losses. he could only look but not eat. not only could it not relieve his hunger, but it also made him even more hungry.

Liancheng Yazhi pondered. Getting those nerve-soothing incense wasn't without its benefits. Why don't he start treating MeowMeow tomorrow? then, Huahua would have time to be alone with Rong Yan every night, and he could officially 'start eating meat'.

At the thought of this, Liancheng Yazhi's face finally revealed a little smile. He was overjoyed and really wanted tomorrow to come quickly.

However, it quickly cooled down. When Rong Yan went to Gu Hesheng's place, he was still very unhappy and felt uncomfortable all over. No, he couldn't let Rong Yan go alone. On her rest days, he would accompany the mother and son. During normal times, he had to find two bodyguards to follow Rong Yan closely.

The bodyguard, Wanwan, couldn't find a man. She had to find a woman. Only when a woman was by Rong Yan's side could he be at ease.

Liancheng Yazhi quickly dialed Secretary Zhou's phone. "quickly find me two female bodyguards with good skills. bring them to the liancheng family's house tomorrow morning."

Chapter 757 There are two treasures in my house

Secretary Zhou was eating dinner alone at home when he suddenly received a strange phone call from Liancheng Yazhi.

"Ah? A female bodyguard? young master ya, what do you need a female bodyguard for?"

Liancheng Yazhi impatiently said, "why do you care so much? hurry up and find it. You must reach out.

"Oh, Yingluo, I'll remember." Secretary Zhou swallowed the food in his mouth and criticized Liancheng Yazhi in his heart.

Liancheng Yazhi was about to hang up the phone, but he suddenly remembered that Secretary Zhou was the one who told Rong Yan about Gu Hesheng's conditions. He opened his mouth to scold him, but his mouth moved and he swallowed his words back.

secretary zhou had made a lot of mistakes during this period of time. this time, she would settle all the old and new debts together and deal with him tomorrow.

Hence, Liancheng Yazhi hung up the phone after a moment of silence.

Secretary Zhou shivered again. He rubbed his arms. What was going on? why did the house suddenly become so cold? the windows were not open? The temperature in the room is quite warm?

Secretary Zhou felt that his body was getting colder and colder. He quickly got up, found a Winter cotton-padded jacket, and put it on. Then, he sat down to continue eating and watching TV.

After the call with Secretary Zhou, Liancheng Yazhi's lust had almost subsided.

He tidied his clothes and went downstairs.

Downstairs, Rong Yan and MeowMeow were sitting on the sofa and playing a game of clapping.

Rong Yan was the first to see him come down. Her eyes deliberately moved from him and she said pointedly, "Mr. Liancheng, are you done packing?"

The teasing voice coupled with her favorite form of address from many years ago made Liancheng Yazhi suddenly feel a little lustful and a little restless.

Liancheng Yazhi really wanted to glare at Rong Yan, but he was afraid that he wouldn't be able to control himself after that. So, he cleared his throat, walked over to pick up MeowMeow, and ignored Rong Yan. "Let's go, MeowMeow. Daddy will take you to eat something good."

With that said, he walked past Rong Yan and went out.

Rong Yan stood up and picked up her coffee-colored leather bag. She pursed her lips and smiled as she followed behind. She was in such a good mood that she had almost forgotten the pain in her butt.

.....

This time, it was a family of three, so Liancheng Yazhi did not let himself drive. He drove himself and took the mother and son to Jinrong house.

After getting into the car, Rong Yan didn't dare to do it too hard because her butt was still hurting. This time, Liancheng Yazhi had really hit her with a lot of strength. She didn't feel anything when she hit her, but now she felt that it was getting more and more painful.

In the car, Rong Yan sat carefully, glaring at Liancheng Yazhi from time to time when Miaomiao wasn't paying attention.

At this moment, Feng Nongtang and Jian Jie were sitting in the private room. The two of them were waiting for the Liancheng family, so they didn't order any dishes. They only ordered white wine and drank one glass after another.

The door of the private room was pushed open, and Liancheng Yazhi appeared in front of the two sweaty men with MeowMeow and Rong Yan in his arms. The two of them were envious.

Feng Nongtang waved at MeowMeow first, then complained to Liancheng Yazhi, "Young master ya, you're finally here. If you didn't come, I'll just drink with Jian Yi and lie down. Everyone, don't eat."

"We're not late. You're early. Hurry up and order. My two babies are still hungry."

Liancheng Yazhi said in front of the two of them that

Feng Nongtang and Jian Jie made a nauseating expression at the same time, their mouths wide open as they looked at him in disgust.

Chapter 758 poisoned by Rong Yan

Feng Nongtang shouted, "Hey, that's enough. That's enough. You're showing off your wife and daughter in front of us. Are you doing this on purpose?"

Liancheng Yazhi nodded readily. that's right. I did it on purpose.

Wind nongtang-_- ! "You're too detestable."

Jian Jie sighed. you already have a wife and a child. You should have a lower limit.

Rong Yan sat down carefully, but her butt still hurt when it touched the chair. She took a deep breath and glanced at Liancheng Yazhi. "Lower limit? His lower limit is always being refreshed."

Feng nongtang laughed out loud. haha! Xuanji, young master ya, did you offend my sister-in-law? why isn't she on your side today? "

Liancheng Yazhi watched as Rong Yan endured the pain and sat on the chair. Although her face looked the same as usual, her eyes were filled with the words 'sitting on pins and needles'. This made Liancheng Yazhi's guilt and heartache instantly fill up.

Liancheng Yazhi began to regret and reflect on himself. He should not hit her so hard in the future.

he looked at rong yan and said,"yes, i've offended you. i'll have to apologize to you when i get home tonight.""

Feng nongtang and Jian Jie looked at each other, and their eyes were filled with the same words: There was no cure.

Liancheng Yazhi had been poisoned by a poison called 'Rong Yan' in his life. Now, there was no cure, no medicine that could cure it. However, he was happy to endure it.

Feng nongtang pressed the bell to call for the waiter. forget it, let's not talk about the two of you. The more you talk, the more envious and jealous you'll be. Hurry up and serve the dishes.

A table full of delicious dishes were served. Rong Yan didn't wait for them to call and started eating with MeowMeow.

Feng nongtang wanted to pour wine for Liancheng Yazhi, but he was stopped by him. don't pour me wine. I'm driving today and I don't drink.

Feng nongtang said, " it's fine to drink a little.

liancheng yazhi did not negotiate at all. not even a little. I only need to drive now. I don't drink at all.

Feng nongtang was puzzled. why? You used to drink a little even when you were driving alone."

He simply understood the logic and explained to Feng nongtang, " "Don't pour it for young master ya. He used to drive alone. Even if something happened, he would drive alone. Now, it's different. His daughter and wife are in the car. Of course, he has to be careful."

After he finished, he did not forget to mock Feng nongtang. of course, you won't understand what I'm saying with your IQ now. When you treat your wife like how young master ya treats Rong Yan, you'll more or less understand.

Feng nongtang raised his hand and punched Feng nongtang, " "You're making fun of me even though it's simple."

Ever since that day at Liancheng's house, after he had been lectured by Liancheng Yazhi, Feng nongtang felt that the disgust he had for his wife had disappeared a little when he returned home and saw her.

Liancheng Yazhi echoed from the side. he's not making fun of you. They're just telling the truth.

Feng nongtang rubbed his hair. I'm too lazy to care about you guys. Let's eat, let's eat.

Halfway through the meal, Feng nongtang was a little tipsy, but fortunately, he was still very clear-headed.

Feng nongtang was worried about Liancheng Yazhi. master che is rushing me. He's asking me why I haven't found any news about Tang han. Have you found any news about Tang han recently? "

liancheng yazhi carefully picked out the fish bones for rong yan and meowmeow. he didn't know what feng nongtang said at all, so he casually replied, " "Oh, Yingluo."

.....

Chapter 759 It's been hard on you

Feng nongtang pushed Liancheng Yazhi. are you listening to me or not? "

"Yes, but I don't remember what they said." liancheng yazhi raised his head and glanced at feng nongtang, then lowered his head and continued to pick the fish bones. feng nongtang, who was watching from the side, really didn't know how to answer, so he just drank with jian yi and didn't speak.

After shoving the fish bones, Liancheng Yazhi finally took the time to talk to Feng nongtang. "What did you just say? say it again."

nothing, "Feng nongtang looked at him sadly. did I say anything just now?"

Feng nongtang smiled and said,"he asked," do you have any news about Tang han?" "Master Sheng is still waiting for a reply."

Liancheng Yazhi shook his head. that kid Kang kun is worrying for nothing. He can't even leave now, and he's still thinking about Tang han. Even if he knows what Tang han wants to do now, can he fly back? " Let him think about it first. After he finishes his exercise, if Tang han hasn't left, then let him figure it out himself."

Feng nongtang couldn't help but say, " you're not worried at all. That day at the police station, you didn't think about it. You slapped Tang Zhen's face. How could he not blame you? " What if he wants to take revenge on you in the future?"

Liancheng Yazhi picked up the tablecloth and gently wiped the rice residue from the corner of MeowMeow's mouth. then come. The Tang family's hands are in the South and can't reach that far.

what if they're already reaching out to the capital? " Feng nongtang was worried and reminded him, " didn't my mother hear that the Tang family was looking for a marriage alliance? " You see, Tang han has been here for so long and still hasn't left. Maybe it's true."

Liancheng Yazhi thought about it. It was true. Although Tang Han's matter seemed to have nothing to do with him, he still had to be careful. It would not do if Tang Han really wanted to take revenge on him in the future.

that's true. There's a lot of gossip about you. Has there been any news of an engagement in the capital recently? ”

Feng nongtang said in distress, ” there's no one. I don't know what to say to master Sheng. I sent people to follow him. They reported that Tang Han didn't have any contact with anyone.

Liancheng Yazhi patted his shoulder. it's not that he hasn't come into contact with you. He must have dumped all the people you followed him. Don't forget what he does for a living. Think about it. When have you ever won a game of cat and mouse with Kang Kun? Tang Zhen is the same as Kang Zhen. it's impossible for him to track them down for information. sigh, Kang Zhen has given you such an intelligence-consuming task. it must be hard on you.”

Without waiting for Feng Nuo Tang to go crazy, Liancheng Yazhi said to Jian Yi, ” your leg seems to have recovered a lot. Since you're fine, why don't you have a fight with Tang Han? ”

In terms of individual combat power, Kang Zhen and Jian Yi were definitely at the top.

Although he wasn't a regular army, the mercenary group he led was one of the top in the world and wasn't any worse than the Ace division or team of a regular army.

In order to track an expert like Tang Han, he had to find an opponent that was on par with him. Since Kang Yu wasn't here, Jian Yi was the best choice.

the days of reconstruction had indeed been boring recently, and Liancheng Yazhi's words were exactly what he wanted, so he nodded.

“Alright, leave it to me. I'll go and meet that Wufu called Tang Han.”

he simply picked up the wine cup and drank the spicy white wine in one gulp. his eyes flashed with excitement and bloodthirst.

Chapter 760 the life providence of the god of death

Rong Yan glanced at the simplicity and was frightened by the look in his eyes.

This guy really had the life of a god of death.

The blood in his body seemed to be boiling, clamoring and yearning to join the battle immediately.

.....

After the meal, Feng nongtang was already drunk. He couldn't even speak properly and was also drunk. Fortunately, this was Feng nongtang's territory. The waiter directly helped them to Feng nongtang's Lounge.

During this meal, Feng nongtang said a lot, but Rong Yan felt that he didn't seem to have reached the main point.

It seemed that he didn't say what he really wanted to say.

In the car, Rong Yan asked Liancheng Yazhi, ” “Don't you think that Feng nongtang didn't finish his sentence today?”

“Yes, I didn’t tell you everything.” Of course, Liancheng Yazhi knew, but if Feng nongtang didn’t want to say it, it meant that it wasn’t the right time to say it yet. So, he couldn’t say it yet. When he felt that he could say it in the future, he would naturally tell them.

The two of them talked for a while before Rong Yan said, “I heard you guys talking about Tang han today. Why don’t we go and see Gu youran on the way? maybe we can get some news from him. I’m guessing that Tang han must have gone to look for her after that day.

“Hmm, that’s good.” Liancheng Yazhi thought for a moment. It was indeed the case. Tang han obviously had very deep feelings for Gu youran and might have revealed something to her.

Hence, Liancheng Yazhi drove to Gu youran’s cake shop.

It was a little past nine O’clock in the evening. At this time, it was almost time to close the store. After Rong Yan entered the door, she saw Gu youran alone, just like the last time. He was busy packing up.

Rong Yan rolled up her sleeves and walked over to help her. She said, “Didn’t you hire a waiter to help? you’re a pregnant woman, aren’t you afraid of the danger?”

Hearing Rong Yan’s voice, Gu youran quickly turned around to see her and said happily, “What are you doing here at this time?”

I went to jinrong Zhai for dinner with my husband. I happened to pass by here on my way back and saw that your shop was still bright, so I came over. rong yan said that he and liancheng yazhi’s arrival was on the way and did not say that they had come deliberately. this would make gu youran let down her guard.

gu youran was very happy with rong yan’s arrival and held her hand that was about to help. “go and sit down. how can i let you do it? i’ll be done soon.”

stop joking. I can watch you, a pregnant woman, work. I’m just sitting there.

With the two of them working together, the speed was much faster.

“Did Tang han come looking for trouble with you again after that incident?” Rong Yan asked casually.

Gu youran smiled, “he did come here twice, but he didn’t cause any trouble.” When did I ever need to thank you for anything?”
