Chapter 781 The old man wants me to go back and give a lecture

Liancheng Yazhi was so anxious that he scratched his ears and cheeks. He really didn't know how to explain it to MeowMeow. He looked at Feng nongtang and Jian Jie for help.

In the end, the two of them were laughing so hard that they almost fell off their chairs. They expressed that they could not help Liancheng Yazhi's help even if they wanted to.

When they came, they had a secret battle over whether they could beat up Liancheng Yazhi here. Although they did not reach an agreement, now that they finally saw Liancheng Yazhi embarrass himself, of course, they were happy to watch the fire from the other side. No one would help him.

MeowMeow had been waiting for Liancheng Yazhi to speak, but he couldn't say it. The little guy was anxious and turned around to see Rong Yan walking over. He quickly said, "mommy is here. I'll ask mommy, Huahua.

Rong Yan placed the bowl of soup in her hands on the table and asked, "Ask what?"

Before Liancheng Yazhi could organize it, MeowMeow's little mouth moved and said everything, "Just now, dad was talking to the uncles about gay friends. Mom, what's the matter?"

Rong Yan's eyes immediately widened when she heard that. She glanced at Liancheng Yazhi with a strange look and then looked at simple and Feng nongtang, who was laughing so hard that his stomach hurt.

The two of them realized that Rong Yan might have misunderstood that they had a relationship with Liancheng Yazhi. They stood up in unison and waved their hands. no, no, ran ran is not talking about us. We're talking about the Wang family's youngest son being ... We're talking about whether the Tang family will marry their daughter to him, ran ran.

Rong Yan's eyes slowly looked at Liancheng Yazhi."Is it like this?"

Liancheng Yazhi nodded with a headache. absolutely. Don't you know that I'm straight? "

Rong Yan sat down and glared at Liancheng Yazhi. Her eyes seemed to be saying, "i won't let you off so easily. we'll talk after they leave.

the next second, rong yan lowered her head and explained to meowmeow in a gentle voice, "Baby, the gay friend that daddy and uncle are talking about means Yingluo's good friend. It's another way of saying good friends, Yingluo."

Simple breeze and nongtang held back their laughter. This explanation actually seemed to be right. Didn't the internet recently say that only good friends could last a lifetime and good friends could be pushed for a lifetime?

The adults finished their dinner in a strange atmosphere.

After finishing the last mouthful of soup, Feng nongtang and Jian Jie immediately stood up and said goodbye.

"Thank you for the broadband today. It's getting late, so we'll be leaving now."

Liancheng Yazhi was a little afraid that Rong Yan would settle the score with him later, so he cleared his throat and said, "It's still early. It's not even 9 o'clock yet. Stay and play for a while."

Feng nongtang chuckled. no, no need. We're both busy.

Liancheng Yazhi looked at them in disdain. your job is to go to nightclubs and bars to pick up girls. What about you? why don't you go back to the hospital to do the reconstruction? "

it's not really a reconstruction, " said Jian Jie seriously. it's mainly because I've been following a TV drama in Qin Qin recently. It's about to air, so I'm in a hurry to go back and watch it.

This thunderous reason made Liancheng Yazhi and Feng nongtang's faces darken instantly.

Who would have thought that Jian Jie, who was holding a gun in her left hand and a knife in her right hand, would be watching a TV series? Wiping his tears while watching?

After Feng nongtang despised Jian Yi, he said, "My old man wants me to go home today to give Yingluo a lecture."

They finally walked out of Liancheng's house and got into the car. Feng nongtang said to Jian Yi, "F * ck, you actually thought of that reason. I really have to give it to you."

"I'm telling the truth," Jian Jie said with a serious expression.

Chapter 782 Leave him one last chance to live

Ever since the day Feng nongjian came to the Liancheng family's house for a meal, the days in the imperial capital were still very peaceful. Everyone was living their own lives. In the North, most of the autumn days were spent in the bright and beautiful.

Simple was still being rebuilt day after day, and Feng nongtang was still in the game. Basically, every two or three days, the entertainment news would show that he was hooking up with a celebrity model.

Kang Jin's military exercise had ended, but he had to hold a few important meetings. It seemed to be about position adjustments. Even if he wanted to come back, he had to wait.

Rong nuo would occasionally call Rong Yan, and every time she called, she sounded very happy. She told Rong Yan that she had found a job as a book translator and was very happy every day.

Rong Yan and Liancheng Yazhi gave MeowMeow a medicinal bath every night. During the day, one of them went to work to earn money to support the family, while the other brought MeowMeow to Gu Hesheng's house at one o'clock in the afternoon.

After being there for nearly ten days, he was no longer so distant with Gu he Sheng, and their relationship had improved a lot.

After getting along these days, Rong Yan realized that Gu Hesheng was actually very easy to get along with. He had a very gentle temper and was a very sincere old man, especially to MeowMeow. He doted on her more than she and Liancheng Yazhi did.

Sometimes, Rong Yan was really a little afraid that Gu Hesheng would spoil her MeowMeow too much after two months.

Gu Hesheng's treatment of MeowMeow was the love of a grandfather to his granddaughter, so his treatment of Rongyan was a bit like that of a teacher and a student.

Because most of the time, he taught Rong Yan how to identify the authenticity of various antiques and told her about the history and stories of certain antiques.

Rong Yan also listened very carefully and learned very quickly.

It was not that she was willing to learn these things, but she felt that if she did not learn these things from Gu Hesheng, he would probably teach her how to play chess and so on. In that case, she might as well learn how to appraise antiques.

Moreover, neither Rong Yan nor Gu Hesheng had mentioned anything about Yan Yang.

Everyone's life seemed to be particularly peaceful, except for one person, Secretary Zhou.

Secretary Zhou had been cleaning for ten days in a row. He had a serious lack of sleep, and he was in a trance. He had very little time to eat and sleep. As a result, his weight dropped rapidly. His hygiene conditions had reached the limit that everyone could bear. The corresponding quality of work could not be compared with before.

The short ten days felt as long as a hundred years to him, and he suffered all kinds of pain.

At this moment, Secretary Zhou was tortured to the point that he did not even have the heart to criticize Liancheng Yazhi. He could only pray that God would be kind enough to quickly make young master Ya retract his order and give him one last way to live. He should not let him clean anymore. Such an overload of work every day was really not a life for a human.

Finally, when Secretary Zhou made a mistake in the report again, he was severely reprimanded by Liancheng Yazhi. Then, there was no 'then' because Liancheng Yazhi had lifted his punishment.

It was not that young master Liancheng was soft-hearted, but because although such a punishment would make Secretary Zhou suffer, it would also seriously affect the quality of his work and affect Liancheng Yazhi's work. Therefore, in order not to bring losses to the company's interests, young master Liancheng had no choice but to give up.

After thinking about it, Liancheng Yazhi asked Secretary Zhou to wait for his mistake and make a contribution. He would stop the punishment first and see his next performance. If he did well, he would not punish him. If he did not, he would continue.

Chapter 783 You're finally resurrected

Secretary Zhou heard Liancheng Yazhi say, "from today onwards, you don't have to clean anymore."

At this moment, he felt that he could finally feel that he was still alive. He was so excited and happy that he burst into tears. After all the torture these days, he really wanted to just stuff himself into the toilet and flush it away many times.

Now, Secretary Zhou was glad that he had persevered. The day had finally come. This was great. It had not been easy, Yingluo.

Secretary Zhou nodded repeatedly and almost cried. "Thank you, young master Ya. Thank you. Don't worry, I won't let you down again."

lian Cheng Yazhi waved his hand. "Go out. Let's find a bathhouse and wash your body clean. Come back to see me when you don't smell anymore."

He was really suffocating from the stench on Secretary Zhou's body. This guy didn't clean the toilet, but crawled out of the toilet, right?

Yes, yes, yes, ran ran. I'll go right away. Secretary Zhou ran out of the door happily.

After leaving the room, Secretary Zhou said to everyone in the secretary's office, "I finally don't have to clean up anymore."

After a few seconds of silence, the Secretary burst into cheers.

During the period when Secretary Zhou was being punished, they were also being tortured at the same time. Their work, life, and mental state were all affected.

Hence, the group of people said to Secretary Zhou, "Congratulations, Secretary Zhou. You're finally resurrected."

Secretary Zhou wiped away his sad tears. He was finally resurrected.

In the future, even if he was beaten to death, he would never say anything he shouldn't say again.

.....

September 15th was the 15th day since

That day, Gu Hesheng told Rong Yan that he was going to bring him and MeowMeow to visit his private museum.

This was the first time in half a month that Gu Hesheng had mentioned bringing Rong Yan to his own museum. Rong Yan was very excited when she heard this. She had heard from Lian Cheng Yazhi that Gu Hesheng's museum had everything. Every collection was the best of the best and had a very strong background. The money that one item could be exchanged for was enough to smash people to death.

That was why Rong Yan had always been looking forward to Gu Hesheng's private museum. She was naturally very happy that she finally had the chance today.

When they arrived, Rong Yan saw a small bungalow that seemed to be an ordinary house and felt a little strange. "This is your museum?"

Gu Hesheng nodded. Yes, this is the place. Get off the car. I haven't been here in a long time.

Since Gu Hesheng had personally confirmed it, Rong Yan guessed that this small bungalow, which looked ordinary, must not be ordinary at all. There must be countless automatic alarms and surveillance cameras hidden everywhere. The glass walls were probably explosion-proof and bulletproof.

If Gu Hesheng could even set up his own house so well, the museum must be even more high-end.

After Gu Hesheng got out of the car with Rong Yan, a few people who were guarding the museum ran out from the security room at the entrance and bowed to Gu Hesheng, "Sir, you're here."

When they saw Rong Yan and meowmeowmeow, they were all stunned for a moment. It seemed that Gu Hesheng rarely brought people over.

Gu Hesheng waved at Rong Yan to let her follow him and said to the few people, ” “Open the door,”

“It’s Yingluo.”

Gu Hesheng stood at the door, and then a touch screen-like thing automatically appeared on the door frame. A red light shot out and shone on Gu Hesheng’s eyeball. After scanning for a few seconds, there was a ding sound of the lock being unlocked.

Chapter 784 Giving it to the MeowMeow Museum

After that, the four strong-looking men started to push the door open with both hands. The four of them used all their strength to push the door open.

Rong Yan was puzzled. Why was this ordinary-looking door so heavy?

After going in, Rong Yan understood that the door that didn’t look special from the outside was actually embedded in a stone that was as big as it. So, even if you could open it with a password, you would need several strong men to push the door open.

Rong Yan sighed with emotion. If the door alone had such a tight security system, there was no need to think about the surroundings.

She wondered if Seven would be able to take the treasure away if he came. If there was a chance in the future, she would have to ask him.

When they entered the museum, Rong Yan could not help but admire Gu Hesheng from the bottom of her heart.

If entering Gu Hesheng’s home from the outside world was like a time travel, then this place could be said to be an interstellar travel.

As soon as she entered, Rong Yan felt a strong sense of technology. It was very sci-fi, as if she had entered a world of science fiction.

The floor seemed to be transparent, and every step he took felt like he was walking on air. He felt like he was falling, and his heart was trembling.

The shelves that stored all kinds of collections were lined up, and some of them seemed to be floating in the air.

As soon as she came in, Rong Yan opened her mouth in surprise, but MeowMeow immediately exclaimed, ” “Wow, Yingluo is so beautiful, Yingluo.”

“MeowMeow, do you like grandpa’s place?” Gu Hesheng asked MeowMeow with a smile.

????????????????,??????:”I like it, I really like it. It’s so beautiful here.”

Gu Hesheng hugged her and asked her,”then Grandpa will give this place to you in the future, okay?” That way, you can come whenever you want to see it. ”

On the fourth day at Gu Hesheng’s house,

Rong Yan was a little dumbfounded when she heard that. Did she hear wrongly? Gu Hesheng said that this Museum, which was worth as much as a country, was for MeowMeow?

If it was anyone else, they would think that Gu Hesheng was joking.

However, after spending these few days with Gu Hesheng, Rong Yan knew that he was not a person who would joke.

Just like a few days ago, when MeowMeow hugged his ivory writing brush holder from the Ming Dynasty and said she liked it, he smiled and said he would give it to MeowMeow.

At that time, Rong Yan thought that he was joking. In the end, when he left, he really asked someone to give the Ivory brush holder to MeowMeow. No matter how Rong Yan refused, it was useless.

Gu Hesheng had said that as long as he said that it was a gift, it would definitely be the truth.

At this moment, Rong Yan felt that her brain was a little out of place. She wanted to say something but didn't know what to say.

And before she could think about it, MeowMeow said, "Alright, Yingluo."

The little girl had no idea what this Museum meant. She just looked around at the dazzling and fun things around her, so she said, 'sure'.

In MeowMeow's eyes, these priceless antiques were no different from the boxes of toys Feng Nongtang brought every time he visited her.

Hence, MeowMeow felt that if she could accept Uncle Feng's toy, she could naturally accept Grandpa Gu's 'toy'.

They were all toys anyway, so there was no difference at all!

Chapter 785 it's useless to object

Rong Yan covered her face. 'Daughter, do you know what these are? these aren't toys. They aren't dolls that you can rip off your head from, nor are they small cars that you can remove your wheels from. These are all unique products that have been passed down from generation to generation. If they are even a little damaged, it will be a huge loss,' she thought.

She really hoped that Gu Hesheng was just joking at this moment.

Gu Hesheng tapped the tip of his MeowMeow little nose, "Little guy, you have promised Grandpa. You can't go back on your words in the future, Yingluo."

Gu Hesheng coaxed, "come, let's play Pinky Pinky Pinky Pinky Pinky Pinky."

Rong Yan looked at

An adult and a child made a promise that was almost useless.

however, this kind of agreement, which seemed useless to adults, was probably very useful to children like MeowMeow.

.....

After walking around upstairs and downstairs, four hours had passed by accident. It was almost six o'clock. Gu Hesheng got into the car with MeowMeow, who was reluctant to leave.

When they were about to reach the Gu family, Rong Yan asked, "Is it because you look the same as Yan yang that you're interested in Wanwan?"

Gu Hesheng sighed, "it's not because of this. When I see you, I may think of her, but MeowMeow is different. I feel that I like her very much when I see her. It's all about fate between people. I have fate with this little girl.

fate?

What fate?

Rong Yan lowered her head and didn't say anything. The first time she saw Gu he was alive flashed in her mind.

If everything was true, then did Qianqian's actions count as fate?

however, what could she do if she didn't want to know?

She didn't even want to know.

it was already past five o'clock when she returned to the gu residence. at this time, liancheng yazhi was about to come to pick her up.

Sure enough, after she sat down, Liancheng Yazhi came to pick her up before she even finished her cup of tea.

Just like before, Gu Hesheng sent Rong Yan and

After closing the door, the servant said to Gu Hesheng, "Sir, someone has sent you an invitation today."

"Who's that?"

"the xia family."

"What is it?"

"Oh, Yingluo seems to be inviting you to her engagement party."

"Send a gift to the Xia family tomorrow. Tell them that I'm not feeling well and can't attend."

"It's Yingluo."

.....

On the way, Rong Yan told Liancheng Yazhi about what had happened at the museum today.

Liancheng Yazhi was immediately unhappy and hit the steering wheel. this old man has a good plan. I don't want MeowMeow to worry about the Liancheng family, so I wanted to give her a younger brother. He actually dared to put those unearthed antiques on MeowMeow's head so early. No way. My daughter's surname is Liancheng, and it has nothing to do with her surname.

Did it not matter?

Rong Yan's heart started to struggle again.

She consoled Liancheng Yazhi. forget it, don't be angry. It's still too early. Maybe when MeowMeow grows up, Gu Hesheng will find MeowMeow unsuitable and find someone else.

Liancheng Yazhi's face changed into a smile. that's right, it's still too early. There's no hurry. After two months, we won't let Gu Hesheng see MeowMeow anymore. Even if he wants to give it to us, it's useless. We don't care.

To others, those treasures that were extremely rich and coveted by everyone became a burden on Liancheng Yazhi's precious daughter.

Liancheng Yazhi didn't expect MeowMeow to be smart in the future. He didn't expect her to go to a good school like other children and have good grades. He only wanted his daughter to be healthy and happy. Other than that, he had no other requests.

As for whether

For the rest of the time, Rong Yan's mind was a little empty and her eyes were out of focus. Liancheng Yazhi also had something in his heart that he did not know if he should tell Rong Yan.

Because they were both thinking about their own things, neither of them noticed the other's abnormality.

Back at the old house, Liancheng Yazhi got out of the car with MeowMeow in his arms and ordered the servant to drive the car into the garage.

After entering the living room, Butler li walked over first. From her eyes and expression, it could be seen that she seemed to have something to say to Liancheng Yazhi, but she had not called him 'young master' yet.

However, Liancheng Yazhi shook his head at her. Butler li was stunned for a moment, and after thinking for a few seconds, he roughly understood what Liancheng Yazhi meant.

Chapter 787 the sudden red bomb

young master, young Madam, dinner is ready, " she said. shall we have it served now or later? "

Rong Yan was a little tired. She said, " let's wait a little longer. We just came back from the car. Let's rest for a while, Hanhan.

"Alright," he said. Butler li turned around. When Rong Yan couldn't see him, he rolled a red invitation into a tube and stuffed it into his sleeve.

liancheng yazhi was walking up the stairs with her hand. " let's go. let's go upstairs and change. "

"En, Yingluo."

Ten minutes later, the whole family changed into their home clothes and rested for a while before going downstairs for dinner.

However, just as he sat down and started eating, the phone in the living room rang.

After the call was connected, Butler Li said to Liancheng Yazhi, " "Young master, young master Feng is looking for you."

Liancheng Yazhi smiled, not surprised at all, as if he already knew why Feng nongtang called.

He smiled at Rong Yan and said, "I left my phone upstairs. I guess that kid couldn't get through to my phone, so he called the landline. You guys eat first. I'll ask him what he's doing.

"If there's nothing else, don't talk for too long. If there's something, tell him to call after eating," Rong Yan reminded him.

"Alright, I'll listen to my wife." Liancheng Yazhi's smile was especially bright. He stood up and turned to walk towards the phone, but the smile on his face was getting colder.

After hesitating for a moment, he picked up the microphone and said impatiently, "Hey, I'm eating. What's the matter?"

young master ya, you're still in the mood to eat? " Feng nongtang cried out on the other end of the phone. you've received the Xia family's invitation, haven't you? "

Liancheng Yazhi glanced at Rong Yan, who was feeding yes, I did. That's their family's business. No matter what happens, we have to eat. You want to go hungry, but I don't want my wife and children to go hungry.

Feng nongtang wailed,"Yingluo, why do you think it's the Xia family?" You actually kept us in the dark, you're too disloyal, I really want to beat you up now."

liancheng yazhi sneered,"why can't it be his house?" In terms of family background and status, he's quite suitable."

Feng nongtang was feeling depressed and confused. you're still in the mood to talk about this? Aiyo, don't you think it's a bomb? when I saw the invitation, I thought I was dreaming.

it's a bomb, "Liancheng Yazhi said disdainfully. but it's fine as long as it doesn't blow up my house.

Liancheng Yazhi said these words weakly because he knew that once the matter was exposed, it would definitely blow up his house and cause a big commotion. That was why he hesitated. He didn't know whether to say it now or wait for Rong Yan to find out herself.

Liancheng Yazhi hesitated for a while and asked Feng nongtang, "Are you in contact with him?"

Feng nongtang scolded angrily, "I did. Damn it, you didn't pick up. I'll go find you later.

Liancheng Yazhi immediately refused. don't come. Ran ran, I don't want Rong Yan to know about this. Ran ran.

"Why?"

"In any case, Yingluo, don't come over. Don't talk about this matter, Yingluo."

As she said that, a loud shout suddenly came from Rong Yan's side. "Liancheng Yazhi, come over here!"

"What's wrong?" Liancheng Yazhi turned to look and frowned. Why did the mother and daughter, who were eating, suddenly turn on the TV? why did the TV show news that they should not be fighting?

Liancheng Yazhi covered his face and sighed. forget it. If you want to come, then come. I've already exposed myself.

Chapter 788-a perfect match

After saying that, Liancheng Yazhi hung up the phone and quickly walked over.

at this moment, he was in a very, very difficult position. rong yan knew about this without any warning, but he hadn't figured out how to explain it to her. now, he was really unlucky.

Liancheng Yazhi walked over and put on an ignorant smile, pretending to be ignorant. He asked, "Baby, what's the matter?"

Rong Yan's expression was very ugly and dark. She was so scared that MeowMeow sat at the side and did not dare to speak.

Liancheng Yazhi walked over and" picked quot;

Rong Yan realized that she had been too agitated. She took a deep breath and tried to make her expression look normal. She lowered her head and kissed MeowMeow's cheeks twice." baby, mommy was a little angry just now and scared you. I'm sorry. Mommy isn't angry with you. Go eat with the Butler Auntie first. Mommy and daddy have something to say. quot;

????????????????,??????.

after meowmeowmeow left, rong yan let liancheng yazhi sit down. she pointed at the tv and asked coldly, "Do you know what's being said inside?"

Just now, meowmeowmeow had suddenly said that she wanted to watch cartoons, so Rong Yan had asked the maid to turn on the TV. Then, Huahua heard the explosive news, which made Rong Yan's vision darken and she felt dizzy.

Liancheng Yazhi still looked puzzled. what is it? this leader is going overseas for an interview. it has nothing to do with me. "

The news just now was over. Rong Yan glared at him, picked up the remote control, and changed the channel. Such big news would definitely be broadcasted on more than one channel.

Sure enough, after switching two channels, an entertainment gossip program was playing the news.

On the TV, the sweet-looking and sexy host deliberately pretended to be coy and spoke in Mandarin with a Tai Chi accent. at 4 o'clock this afternoon, the Xia family and the Tang family issued a statement at the same time that the two families will be connected by marriage. The engagement party will be held on the 19th of this month. It is reported that the two parties of the engagement are the second son of the Xia family, Xia Xuanmo, and the granddaughter of the Tang family, Tang Ziyu. The two of them are similar in age and character. It can be said that they are a perfect match made in heaven.

Liancheng Yazhi listened quietly and gritted his teeth in hatred for the Tang and Xia families.

What the hell, what kind of game were these two guilds playing?

They had really played well this time, deceiving the heavens and the sea, and actually deceiving everyone.

Liancheng Yazhi's eyes glowed coldly and he said disdainfully, " " they're really good at playing Tai Chi. They contacted each other without saying a word and suddenly threw out such a deep water bomb. They're trying to muddy the waters in the capital. Not bad, not bad. This liveliness has made everyone's value equal. "

Rong Yan saw that Liancheng Yazhi's expression and reaction seemed to be telling the truth that he had not known in advance.

She asked, " "did you really not know before?" "

Liancheng Yazhi sighed and pulled him into his arms. " it's not like you don't know. I've been paying attention to Tang Han. I want to know what he's doing in the capital. Didn't we just find out a few days ago that he wanted to form a marriage alliance with a certain family? that's why we've been monitoring him all this time. However, that brat Tang Zhen is probably just a bait that the Tang family deliberately threw out to attract our attention. The people who are really in contact with the Xia family have already discussed it in a place that we can't see. Now that everything is ready, they've finally released the bomb. "

Chapter 789 Why hang yourself on a man's neck?

What Liancheng Yazhi said was completely true. Before he found out about Tang Xia's marriage this afternoon, he had also been kept in the dark.

The marriage between the Tang family and the Xia family was like a sudden cold wave that swept over in an instant. They didn't even prepare any clothes to protect themselves from the cold before they were frozen solid.

Liancheng Yazhi was afraid that Rong Yan would be angry if she found out about this, but how could he not be angry?

Because that person was Xia Xuanmo, and he happened to be his brother.

But in the end, he wasn't completely fooled.

Rong Yan bit her lower lip and glared at the picture of Xia Xuanmo and Tang Ziyu on the TV. Listening to the host's praise for them, she felt like vomiting and wanted to smash the TV.

a few days ago, she had just spoken to Rong Nuo on the phone, and she had been very happy on the phone.

It had only been a few days, and this kind of thing had happened. Xia Xuanmo was really amazing, too amazing.

Rong Yan closed her eyes and tried to suppress the anger in her heart, but the more she suppressed it, the more it rose.

Her current mood was even angrier than three years ago when she was 'gifted' by Liancheng Yazhi in public at the banquet. It was even more difficult for her to accept.

because the person who was hurt this time was not her, but Rong Nuo, who she had always hoped to be happier than herself.

Liancheng Yazhi's heart ached when he saw that Rong Yan's lips had changed color from anger. He hugged Rong Yan and said softly, " don't be angry. This matter hasn't been completely cleared up yet. I'll send someone to find Xia Xuanmo and ask him.

rong yan sneered. ” ask clearly? I don’t believe that he doesn’t know anything about this. Even if he has a thousand or ten thousand reasons to use as an excuse, it’s still unforgivable.”

Rong Yan really wanted to call Rong nuo right now, but Yingluo did not dare to.

because she did not know if rong nuo already knew. if she knew, she did not know what to say to comfort her.

what if rong nuo still didn’t know?

she didn’t know if she could tell her the cruel truth.

At this moment, Butler li walked over and said with an apologetic and guilty expression, ” “Young master, young Madam, I’m really sorry. The Xia family sent an invitation this afternoon. I wanted to tell you as soon as you came back, but ran ran was busy with other things and forgot about the invitation. I’m really sorry, really sorry.”

Liancheng Yazhi took it. it’s alright. You can go and do your own things.

The invitation said,”Mr. Liancheng Yazhi, the engagement ceremony of ‘Xia Xuanmo’ and ‘Tang Ziyu’ will be held on September 19th at xxxxx hotel. Please come.”

Looking at the two dazzling names, Rong Yan suddenly snatched the invitation from Liancheng Yazhi’s hand and tore it into pieces as if she was venting her anger.

Liancheng Yazhi sighed. He knew that Rong Yan would be angry, but he didn’t expect that this matter would be such a big blow to her. She was even angrier than when they had gotten into an accident back then. This really made him a little suspicious! ahem, ahem, he was overthinking things.

Liancheng Yazhi saw two familiar faces coming in and quickly said to Rong Yan, ” “Why are there madman and simplicity? We’ll ask them what they know about the situation that we don’t know about. Don’t be angry first. Since it has already happened, we have to face it, right? If it doesn’t work, quickly get Rong nuo to leave. There are so many men in the world, why hang on to Xia Xuanmo?”

.....

Chapter 790 Children can’t listen

Liancheng Yazhi quickly added, ” I think it’s quite good if it’s simple. At least, it’s not messy in relationships. You see, if you think it’s okay, you can help them gather some.

Of course, Liancheng Yazhi’s words were not really meant to matchmake Jian Jie and Rong nuo. He also knew that he had seen Jian Jie, so he thought of it and said it casually. His original intention was to comfort Rong Yan and make her happy so that she would not be so angry.

Rong Yan’s mood relaxed a little after hearing Liancheng Yazhi’s words. She patted his arm. “What nonsense are you saying? this kind of thing can’t be randomly made up, Yingluo.”

Rong Yan looked up and saw a simple and tall figure. Her eyes were determined, and she sighed.”In fact, you’re right. Simplicity is indeed good. If he wasn’t so busy with guns all day, I really want him to argue with Rong nuo.”

The nature of simple work was too dangerous. Who knew when such a man would die? even if he didn't have any relationships, he couldn't marry.

Liancheng Yazhi turned to look at Rong Yan in surprise. She actually thought that it was not bad?

Why did this sound a little dangerous? It seemed that he could not let Jian Jie come to his house often in the future.

After simply entering the door, he began to sneeze. When he walked in front of Liancheng Yazhi, he was still sneezing.

"You've caught a cold?" Feng nongtang asked.

He simply shook his head,"Achoo! There's no"

"Since you're here, sit down first. If you haven't eaten yet, let's eat together."

liancheng yazhi pulled rong yan to the dining table. he and rong yan had not eaten yet because of this incident.

Feng nongtang and Jian Jie looked at each other and quickly sat down at the table.

The two of them quickly greeted MeowMeow when they saw her.

Meowmeowmeowmeowmeowmeow was already full at this time. Liancheng Yazhi said to Butler li, " "I'm taking MeowMeow out for a walk."

Rong Yan said to

Without waiting for her to finish,"I know. You guys have something to talk about. I'm a child and can't listen."

feng nongtang put down his chopsticks and said irritably, " "Ever since I received the invitation, I've been thinking about it. You said that Xuanji and Tang han have been under my surveillance these days. When did he contact the Xia family? How could this news be hidden so well that not a single bit of it was leaked?"

Jian Jie sneered, "do you even need to think about it?" Tang Zhen is definitely a pretense. He has such a big goal in the capital and is so eye-catching, but he doesn't do anything every day. Isn't it just to block everyone's view and make everyone focus on him and ignore others?"
