Chapter 791 Xia Xuanmo, just you wait

Feng nongtang still didn't understand,"but I didn't see anyone else from the Tang family come." How could such a big matter like a marriage alliance be settled if he didn't come personally? Also, it seems that no one from the Xia family has been going to the South recently? How did this marriage happen?"

Liancheng Yazhi's face darkened, hiding a murderous aura. "Is there another person from the Tang family besides Tang han?"

Feng nongtang Jian and Rong Yan asked at the same time, " "Who is it?" x3

Liancheng Yazhi's gaze swept over the three of them and finally looked at Rong Yan. Then, he said two words, " "Su Yue," he said.

Rong Yan's hand that was holding the chopsticks suddenly tightened. She recalled the scene of her meeting with su mo by the river in the park a few days ago. At that time, su mo and Tang Han's appearances were basically covered. Could he have already contacted the Xia family at that time?

Rong Yan lowered her head, a hint of hatred flashing in her eyes.

feng nongtang slammed the table, " that's right, I forgot about that kid. He and Tang han are cousins. Most people don't know about this relationship. Ran ran is really good at playing with ran ran and the others.

After scolding him, Feng nongtang asked, " does Xuanzi know that he's a coward? "

"what do you think?" liancheng yazhi sneered.

"Do you think it's possible to say that we don't know anything at all?" Jian Jie sighed.

Feng nongtang shook his head. of course not.

this was a matter between the tang and xia families. they had planned for so long and kept everyone in the dark, waiting for the matter to be settled before releasing the news. after such a long time, they didn't believe that xia xuanmo didn't know anything about it.

After all, he was the most important male lead in this matter.

Rong Yan didn't care about the marriage between the Xia and Tang families at all. She didn't want to know who Xia Xuanmo was going to marry at all.

what she was concerned about was what would happen to rong nuo? Could she get through this?

The time that Rong nuo and Xia Xuanmo had been together was actually much longer than the time that she had been with Liancheng Yazhi. It had been almost four years.

After four years of living together, was it possible to say that there was no affection at all? The answer was definitely no.

At that time, she had been with Liancheng Yazhi for less than a year, but when she left, she was still very sad because she was moved at that time. Although it was only a little, it was really very sad during that period.

rong nuo and xia xuanmo had been together for a long time, so her feelings for xia xuanmo were four times as strong as rong yan's.

That pain, that injury, could her thin body withstand it?

Rong Yan really wanted to kill Xia Xuanmo now. That bastard, that scumbag. She had said long ago that if he had other intentions and wanted to get married, she should let Rong nuo go as soon as possible.

But now, such a long plan, while he was secretly looking for the fiancée of a wealthy family in the capital, Rong nuo still wanted to hold on to it.

Hmph, how could there be such a good thing in this world?

If he wanted to have the best of both worlds and enjoy the happiness of having two people, he had to see if she agreed.

She would not let this matter rest.

Xia Xuanmo, just you wait.

Feng nongtang pursed his lips and said, "Xuanzi is too dishonest. He didn't even tell us about it. If he wants to get engaged, so be it. What's the big deal? are we going to stop him from getting engaged?" Even if he didn't want the outside world to know, he wasn't the kind of person to gossip. Why would he leak the news to him? He's been away for two years, and he's getting further and further away from us."

Chapter 792 Follow them to cause trouble

Feng nongtang and Jian Jie did not know about Xia Xuanmo and Rong nuo, so they were annoyed that Xia Xuanmo was getting engaged behind their backs.

Feng nongtang asked Jian Yi and Liancheng Yazhi, "in the end, he launched a surprise attack. engagement party my ass, i don't even want to go. hey, are you guys still going? If you guys aren't going, I'm not going either."

the two of them didn't speak. rong yan smiled and said, "Yes, why not? it's not worth it not to go and see such a lively event."

feng nongtang looked at the smile on rong yan's face and suddenly felt a chill all over his body. he always felt that there was an indescribable coldness in rong yan's smile, which made him a little horrified.

Even Liancheng Yazhi was a little scared. Rong Yan's smile looked like she was going to eat someone.

jian jie was a little confused. why was rong yan so angry when xia xuanmo wanted to get engaged? her gaze seemed as if she would stab xia xuanmo to death if he were in front of her now. Why?

Could it be between Rong Yan and Xia Xuanmo?

Jian Jie quickly shook his head. No, no, ran ran, he must be overthinking, overthinking.

Rong Yan's sharp eyes swept over Feng nongtang Jian. aren't you going? "

Feng nongtang felt that something was wrong. He quickly waved his hand. of course we're going, Yueyue. Sister-in-law, if you say we're going, we're definitely going. Not only are we going, we're also going to give gifts to Yueyue.

Rong Yan's smile became even more brilliant. you're right. We should give him a big gift.

Simple wind Lane Tang could not help but shrink his neck and look up at Liancheng Yazhi, wanting to get some inside information from him.

In the end, Liancheng Yazhi didn't even look at them. Instead, he said to Rong Yan in a good tone, "I'll give you whatever you want, even if it's a real bomb."

Rong Yan's eyes lit up as she raised her head to look at him."Can I really?"

liancheng yazhi gasped. he had just said it casually. did rong yan really take it seriously? but he couldn't take his words back, so he could only say, " "of course qianqian can. don't forget what kang zhen does for a living. if he wants a weapon, he can get it in seconds."

Rong Yan told Liancheng Yazhi very seriously,"Okay, then go find Kang Yu and ask him to bring a few cannons here for a walk."

Her expression was particularly serious and dignified. No matter how you looked at it, she seemed to be very serious and did not have any intention of faking it. Her eyes seemed to be urging Liancheng Yazhi. hurry up, hurry up and get the cannon back, hurry up.

feng nongtang and jian jie couldn't help but want to retreat. they felt that today was too strange, and things had already developed in an unpredictable direction.

After arriving at the Liancheng family's house, their attention gradually shifted from the sudden engagement between Xia Xuanmo and Tang Ziyu to Rong Yan. They were all wondering why Rong Yan was so indignant about this matter and hated Xia Xuanmo so much.

the two of them couldn't help but wonder, what was going on between rong yan and xia xuanmo that they didn't know about?

The meal finally came to an end amidst all kinds of speculations, uneasiness, and horror.

Feng nongtang put down his chopsticks and said carefully, " "We've finished eating, so we won't disturb you any longer. We'll all go on the 19th. You can decide what gift you want. We'll go with you anyway."

"There's one more thing. Xuan Zi, do we need to contact each other?"

Rong Yan said directly,"you don't need to care about him. You just need to follow him and cause trouble."

.....

Chapter 793 You're not angry, you just want to kill

After Rong Yan finished speaking, everyone immediately fell silent.

Feng nongtang ()

Simple-_-!

Liancheng Yazhi covered his face. Wife, don't be so arrogant. How can we three men endure this?

Feng nongtang and Jian Jie looked at each other. Just now, he was just joining in the fun, but now, he was directly saying that he was making a scene.

What kind of grudge did Xuan Zi and Rong Yan have?

to them, xia xuanmo was just a little unkind to get engaged without informing them. there was really no need to make a scene, but rong yan's performance really made them think too much.

But the point was, why didn't Liancheng Yazhi stop her? instead, he seemed to be letting her do as she pleased?

No one had a good taste of the meal. Feng nongtang and Jian an were full of shock and confusion. When they left, they kept winking at Liancheng Yazhi, signaling for him to send them out.

Liancheng Yazhi felt that this matter should indeed be made clear to them, so he stood up and said, " I'll send them off and bring Miao Miao back. It's autumn and it's cold outside. I can't let her stay out for too long.

"Alright. You go, Yingluo."

After getting the personal agreement of Empress Rong Yan, Liancheng Yazhi secretly wiped off his cold sweat and quickly waved at Feng nongtang and Jian to let them out.

Feng nongtang bowed slightly to Rong Yan. sister-in-law, we'll be leaving first then, Yingluo. Have a good rest and don't be too angry about this.

Rong Yan replied to him with three words. I'm not angry.

feng nongtang laughed foolishly, and in his heart he added: Yes, you're not angry, but there's only one sentence written in your eyes-you want to kill someone.

"We're leaving. If there's any news, we'll quickly inform Liancheng." After saying that simply, he pulled Feng nongtang out of the door.

When they were finally outside, Feng nongtang was the first one who couldn't help but ask Liancheng Yazhi, " "Young master ya, what's going on? why does sister-in-law have such an extreme reaction? Xuanzi's engagement doesn't seem to have anything to do with her, right? why is she even angrier than us?"

Liancheng Yazhi sighed and continued to walk forward.

The two of them were even more curious and quickly followed. "Young master ya, hurry up and tell us."

"Did Xuanzi Xuanzi's engagement offend Rong Yan in some way?" he asked simply.

Liancheng Yazhi nodded. that's right. I did, and I did. I completely touched Rong Yan's bottom line. I couldn't coax her even if I wanted to.

The two of them asked in unison,"so serious?" What's the reason?"

Liancheng Yazhi glanced at them and asked, " "Did you know that Rong Yan has a step-sister who has a very good relationship with her?"

The two of them were even more puzzled when they heard this. younger sister? "

“I don’t know. I’ve never heard of it. What does this have to do with Xuan Zi?”

They had only gotten to know Rong Yan through Liancheng Yazhi, so they didn’t know her very well. As for what family she had, they didn’t know either.

Liancheng Yazhi suddenly changed the topic.”Three years ago, after Rong Yan left, Xuan Zi went to the South. Do you know why?”

He confused Feng nongtang and Jian Jie, who both shook their heads. I don’t know.

The more Liancheng Yazhi spoke, the more confused they were. How did it bring up Xuanzi’s transfer from the imperial capital back then? What did this have to do with the present?

The two of them looked at Liancheng Yazhi eagerly, waiting for him to continue.

Liancheng Yazhi raised his foot and kicked the grass on the side of the road. He felt that what he was going to say next would really challenge everyone’s ability to bear.

Chapter 794 This is too outrageous

Liancheng Yazhi took a deep breath. when Xuanzi left the imperial capital, he wasn’t alone. He brought Rong Yan’s sister, Rong nuo, with him. He helped Rong nuo get into a University in the South, which happened to be where he’s currently working. It’s far away from the imperial capital, and his parents can’t control what he wants to do.

after he said this, feng nongtang and jian jie stood still and began to digest liancheng yazhi’s words.

Xia Xuanmo was resentful!

The Xuan Zi that they knew and Rong Yan’s sister, Rong nuo!

How many years had these two been together? And they didn’t even know?

Feng nongtang shook his head hard, saying, ” Yingluo, do you mean that the woman by Yingluo’s side all these years has always been Yingluo’s sister? ”

His simple gaze was a little wooden. how did Xuanzi Zhenzhen get involved with Rong Yan’s sister? ”

Liancheng Yazhi looked up at the moon in the sky. It was almost the 15th of August, and the moon was very bright. He said, ” “Other than the two of them, no one knows how they got together. Even rongyan doesn’t know.”

this Yingluo is too ridiculous. It’s too unbelievable. I have to calm down. Calm down, calm down Yingluo. Feng nongtang felt that his brain was a little muddled as he took out a cigarette and lighter from his pocket. He lit it up and took two puffs.

“Give me one,” Liancheng Yazhi said.

“give me one,” simple said.

The two of them reached out to Feng nongtang at the same time.

The three men stood in the garden opposite the Liancheng family’s house and smoked. They looked a little like rebellious high school students who were hiding behind their teachers and parents and smoking.

The three of them were silent for a long time as their throats flickered like stars in the night.

Then, Feng nongtang suddenly threw the cigarette butt to the ground and cursed, "damn, Qianqian, Xia Xuanmo, this kid is too dishonest. How could he ask when he hooked up with Qianqian, that Qianqian from Rong nuo, and keep it from us for so many years?"

Liancheng Yazhi took a puff of his cigarette and blew out two smoke rings. tsk, he, at that time, the girl was still a high school student!

Feng nongtang's expression was particularly rich, he gritted his teeth and said, "This bastard Yingluo!"

As soon as he turned his head, the 'Xuanzi' that Feng nongtang had been talking about became 'bastard'.

His simple and slender fingers quickly turned the burning cigarette, as if he was turning a gun. His face was full of disdain."There's at least a ten year difference in age. That guy really has the heart to bite."

feng nongtang said hatefully, "that's right! what a f * cking bastard! i was just a flower bud back then. i was just defiled by that beast in human clothing!"

In the end, he asked Liancheng Yazhi,"does that Rong nuo look good?"

He simply glared at him,'idiot, if it's not good, why would Xia Xuanmo hide it until now? For her to leave the capital for so many years?"

"tsk, no wonder rong yan was so angry. if it were me, i would go and kill his huahua now. "

Liancheng Yazhi raised his foot and kicked him. enough, don't be so indignant. I know what you're thinking.

Feng nongtang suddenly appeared so righteous, as if he was complaining for Rong nuo, but in fact, he was 'jealous'. He was jealous of such a beautiful Rong nuo, why did he not meet her first. In addition, he was also disdainful of Xia Xuanmo's actions.

Chapter 795 Don't forget about us if you want to cause trouble

Although Feng nongtang had a wife and was playing around outside, he never gave any woman hope. Before he got along with any woman, he would tell them that they were just playing around and that they should get lost.

However, Xuan mo was different. On one hand, she promised Rong nuo an unchanging love, while on the other hand, she was engaged to the daughter of an aristocratic family in the capital.

This kind of man who only thinks about the pot while eating in his bowl was too annoying.

Liancheng Yazhi said to them, "Rong Yan has always cared about Rong nuo. Every time she called Rong nuo, she would persuade her to leave, but Xia Xuanmo would not let go. This time, he did this, and Rong Yan will not let him off easily. I'm telling you about this to let you know about ran ran.

Feng nongtang immediately raised his hand and said, " we understand. We will definitely stand high under sister-in-law's banner. We will stand firmly on your side and sister-in-law's side. We will help Sister Rong nuo get justice.

lian Cheng yazhi smiled and said, 'you're just going to get justice? In fact, Rong Yan can't wait for Rong nuo to break up with Xuanzi. She's angry that Xuanzi still wants to hold on to Rong nuo even though he already knew that they were going to be engaged."

Feng nongtang immediately nodded. yes, yes. We'll do whatever sister-in-law asks us to do.

Lian Cheng Yazhi waved his hand to chase them away. Alright, alright. You two can go back and tell Kang Yu about this. I don't have time to inform him now. If he wants to come back, he has to come back before the 19th.

kang rong didn't care about xia xuanmo. what he cared about was whether the famous mad young master of the tang family, tang zong, would come for the engagement!

Feng nongtang patted his chest. alright, we'll be leaving then. Tell sister-in-law that you have to tell us what you want us to do on the 19th.

Jian Yi impatiently grabbed Feng nongtang by the collar and dragged him away.

"You have to say it," Feng nongtang shouted at the top of his voice.

After a few steps, he suddenly turned around. "Don't forget about us if you want to cause trouble."

lian Cheng yazhi held his forehead and said, " xia xuanmo, you're finished. you've angered the public this time. "

he didn't dare to imagine what kind of show would be put on at xia xuanmo's engagement banquet on the 19th.

.....

After leaving Lian Cheng's house, he had not made a single sound since he got on the car. It was eerily quiet.

It was rare for Feng nongtang to be so quiet, and this made Jian Jie a little uncomfortable. He asked, " "What are you thinking about?"

Feng nongtang held his face and said in a daze, " "I'm thinking about how good looking that Rong nuo is."

He simply rolled his eyes. He knew that this kid wouldn't think of any meaningful topics."Ask Xia Xuanmo, or Zhenzhen, ask Rong Yan."

Feng nongtang sighed. sigh, you don't know. I've basically played with all kinds of women, except Yingluo. You know, the Rong Yan type is too special. It's too hard to find Yingluo.

"So, you can't find someone like Rong Yan, and now that you know she has a sister, you're targeting her? i'm telling you, don't even think about it. can't you see that she can't wait to bombard xia xuanmo? if she knows what you're thinking, do you still want to live?"

Feng nongtang thought of Rong Yan's fierce appearance and shook his head decisively.

Jian Jie patted Feng nongtang like he was patting a puppy's head. be good and play with your makeup. Some women are like poison. You can't touch them.

Feng nongtang turned sideways and slapped away the simple hand. "How about you? why are you so angry about this?"

Chapter 796 xia xuanmo, a complete scumbag

He simply shrugged his shoulders and said,"me?" I'm just here to join in the fun."

Feng nongtang pouted. tsk, I don't believe you. Don't think I can't see that you're angry. If you don't say it, I'll know sooner or later.

A simple and faint smile

.....

After the two of them left, Liancheng Yazhi found Butler li and carried "Daddy's body stinks."

liancheng yazhi quickly lowered his head and sniffed his body. as expected, he smelled smoke.

he coughed. "the stench on daddy's body will soon go away, yingluo."

When the smell of cigarettes on his body had faded a little, Liancheng Yazhi carried MeowMeow back to the house.

rong yan was holding her phone and calling non-stop, but obviously, the call didn't go through. otherwise, she wouldn't be so frustrated.

When Rong Yan saw the two of them, she quickly adjusted her expression and asked, " "Why are you back so late?"

I was pulled by the two of them to have a chat. Liancheng Yazhi carried MeowMeow and walked to Rong Yan's side, thinking about how to calm her anger.

As soon as Liancheng Yazhi approached, Rong Yan smelled the smoke. "Why do I smell like smoke?"

Liancheng Yazhi did not hesitate at all and said directly, " "Feng nongtang smoked, and his whole body reeked of smoke."

Rong Yan did not forbid him from smoking, but Liancheng Yazhi subconsciously felt that smoking might make Rong Yan feel disgusted.

rong yan saw that meowmeow had started to doze off, so she lowered her head and kissed her little face. she said to liancheng yazhi in a low voice, " carry

"Good Yingluo, don't be too troubled. I'm here."

seeing liancheng yazhi's worried expression, rong yan's heart warmed. she reached out to hug liancheng yazhi's neck and kissed the corner of his mouth. yes, I know. You can go up first. I'll make three more calls. If no one answers, I won't call anymore.

Looking at Liancheng Yazhi's back as he went upstairs, Rong Yan instantly felt that Liancheng Yazhi was much better than Xia Xuanmo. He was simply the best man in their small gang of five.

Not to mention Feng nongtang, the Playboy young master was a woman who wouldn't want to spend the rest of her life with him.

Simple. Although their characters were similar, the nature of their work was too dangerous and they could die at any time. If they got married, it was equivalent to not getting married.

Xia Xuanmo, a complete scumbag, didn't waste time explaining.

Kang Qianqian was a little similar to Jian Yi. She seemed to have a good character, but it was because of her work. She had to leave home for a long time after a drill every day. The amount of time she stayed at home every year could be counted with one hand. No matter how good a man like this was, marrying him was like being a widow. What was the point?

Women were all sensitive animals. Who didn't want to find a man who could understand both cold and hot?

After all was said and done, her young master Liancheng was still the best.

Not only was he tall, handsome, and rich, his work was not dangerous, and his temper was getting better and better. Although he was still very overbearing, he was very cute. He could also accompany her and her daughter often. He was simply a good father and man in the new era.

Thinking of this, the anger in Rong Yan's heart subsided a little. She picked up her phone and continued to call Rong nuo.

She had already called Rong nuo countless times, but no one picked up.

This made Rong Yan even more worried. She was really afraid that if Rong nuo couldn't accept this, she would do something she didn't dare to think about.

what if she slipped away?

The more Rong Yan thought about it, the more afraid she was of Yingluo.

Chapter 797 Leave everything to me

Rong Yan knew that the current Rong nuo was no longer the little girl from back then. After all, they had not seen each other for more than three years. Although they could talk on the phone, they had not met face to face. It was impossible to know a person's true nature just from a few words.

rong yan dialed rong nuo's phone again and said anxiously, "Answer it, quickly answer it, Yingluo."

however, after a long call, no one picked up again.

In the end, Rong Yan dropped her phone, completely disappointed.

It had been such a long time, and the news on TV was overwhelming. It would be strange if Rong Norb knew about it. Her phone could be reached, but no one picked up. Something must have happened.

Rong Yan remembered to grab her hair and quickly ran upstairs.

Upstairs, Liancheng Yazhi had already lit the nerve-soothing incense, and

Rong Yan pulled him into the bathroom and urged Dao, "Try calling Xia Xuanmo. I have to find Rong nuo as soon as possible. I called her, but no one picked up. I'm very worried."

Rong Yan was so anxious that she was about to cry. Liancheng Yazhi quickly pulled her into his arms. "Okay, okay, don't worry, I'll give him a call now."

Liancheng Yazhi originally didn't intend to pay attention to Xia Xuanmo, but with one word from Rong Yan, he immediately compromised.

liancheng yazhi took out his phone and dialed a number. however, a mechanical female voice soon came from the phone. The number you have dialed has been turned off.

"He turned off his phone." Liancheng Yazhi sighed.

Rong Yan bit her lower lip and her face turned a little pale. Zhenzhen, tell me, could it be that Zhenzhen and Rong nuo have met with an accident? "

Liancheng Yazhi patted Rong Yan's back. no, don't scare yourself. It's not difficult to find Rong nuo. I'll ask the people in the South to go to Rong nuo's place of residence, work, and school to look for him. We'll definitely find him. If that doesn't work, we'll just go to the Xia family to ask Xia Xuanmo for him.

Rong Yan grabbed Liancheng Yazhi's hand. we're getting engaged on the 19th. Has Xia Xuanmo returned to the capital now? "

there are still three days left. Perhaps he won't return. I'll inform the madman to go to the Xia family to find out more. Don't worry, you see, this isn't a big deal. As long as we find him, it'll be fine.

Rong Yan buried her face in Liancheng Yazhi's arms. I'm just afraid that Rong nuo won't be able to get over it herself.

"At most, Rong nuo is considered to have fallen out of love. There are so many people who fall out of love every day in this world. Not everyone can do it, right? find her and see her. Then, you can find Xia Xuanmo to settle the score and help her vent her anger. In the future, they will have nothing to do with each other. Haven't you always wanted her to live a normal life? this is a chance. I don't think the situation is as bad as you think."

Liancheng Yazhi's words made the knot in Rong Yan's heart ease a little. She said,"I hope so,"

Liancheng Yazhi put his arm around Rong Yan's waist and walked out. let's go. You should lie down and rest for a while. You're too tense. Relax and relax. You don't have to worry about anything. I'll make the arrangements. I guarantee that you'll get Rong nuo's news very soon.

Rong Yan's heart was in a mess right now. Liancheng Yazhi was her only pillar of support, so she nodded subconsciously."Yingluo, you must go and find her!"

liancheng yazhi pulled rong yan to the side of the bed and let her lie down. " don't worry, huahua, leave everything to me. "

Chapter 798 Get her out

Rong Yan had already forgotten that the incense was still burning and fell asleep not long after she lay down.

Liancheng Yazhi sat by the bed and looked at Rong Yan, who was still frowning even after she had fallen asleep. He couldn't help but worry that this matter would not mess up Rong nuo but make Rong Yan collapse instead.

It seemed that he had to quickly get to the bottom of this matter.

Xia Xuanmo had turned off his phone. Did he deliberately hide because he knew that once the engagement was exposed, they would definitely call him, or was he being controlled by the Xia family?

Before he figured out the truth, Liancheng Yazhi didn't want to think of Xia Xuanmo as a scumbag for the time being.

Liancheng Yazhi lowered his head and kissed Rong Yan's forehead. have a good sleep. Everything will be fine tomorrow.

He got up and left the room with his phone. He made a few calls in the study room and arranged everything. The rest of the time was to wait for the results.

At 12 a.m., Liancheng Yazhi carried

The next morning, Liancheng Yazhi woke up early.

although he had gone to bed very late last night, he had something on his mind and was waiting for the results today, so he woke up early.

as expected, not long after he got out of bed, his phone rang.

Liancheng Yazhi hurriedly picked up his phone and went to the bathroom to call. did you find her? "

"young master ya, we didn't find her, but rong nuo should be in xia xuanmo's custody. someone saw her at school yesterday morning, but after one o'clock in the afternoon, someone saw her being picked up by a car and never saw her again. we asked the witnesses, and she remembered the license plate. according to the license plate, it was xia xuanmo's car."

Liancheng Yazhi frowned, and a fire suddenly surged in his heart. This Xia Xuanmo was too f*cking bad.

Originally, he didn't want to think of him as a scumbag, but it seemed that he was not only a scumbag, but also a bastard to the extreme.

liancheng yazhi said sternly, " find the place where rong nuo is being held. get her out by any means. don't worry about offending xia xuanmo. you must bring her back to the capital. "

"It's Yingluo."

when he came out of the bathroom, liancheng yazhi saw rong yan sitting up abruptly in bed.

Liancheng Yazhi quickly walked over. what's wrong? "

Rong Yan's face was a little pale, and her forehead was covered in sweat, looking very fragile.

Rong Yan looked at the window in a daze. "Why is it dawn?"

it's already dawn. You had a good sleep last night, so I couldn't bear to wake you up.

Rong Yan's body went soft and she lay in Liancheng Yazhi's arms. "I dreamed of Rong nuo just now, but I can't remember what she said, Yingluo."

Liancheng Yazhi sighed silently. Rong nuo's position in her heart was really enviable. He quickly told Rong Yan what he had already made up. "I was just about to tell you. I told the people in the South to come here."

"I've already found Rong nuo, she's doing fine now. I'll have them bring her back to the capital, you'll be able to see her soon."

Liancheng Yazhi did not intend to let Rong Yan know that Rong nuo was being controlled by Xia Xuanmo. Otherwise, she would go crazy with anger.

Rong Yan finally smiled. "Really? Does she know now?"

Liancheng yazhi nodded. "she definitely knows. however, she's definitely sad, but she doesn't seem to be too disappointed. she's more open-minded than you and isn't that fragile!"

Chapter 799 She despised him deeply

Liancheng yazhi even joked with rong yan, " "Look at how determined you were when you left us. Rong nuo is your sister, so she can't be much worse than you!"

Liancheng Yazhi thought that he would definitely bring Rong nuo to Rong Yan anyway. If he wanted to lie to her, so be it. It was better than making her worry.

as for how rong nuo was, he didn't care. he just didn't want rong yan to put too much thought on others.

He was only willing to help Rong nuo because Rong Yan cared about her!

Rong Yan's expression relaxed, and her tensed heart finally had a chance to breathe. that's good, that's good, Yingluo.

Hearing this news, Rong Yan finally felt at ease.

as long as rong nuo didn't care too much about xia xuanmo, it would be fine. if she could let go, just as liancheng yazhi had said, it would be a good thing to leave.

Liancheng Yazhi hugged Rong Yan and shook her gently. after Rong nuo is back, you can help her find an ordinary man to marry. Wouldn't it be better for her to live a normal life? Xia Xuanmo's engagement is an opportunity, isn't it? "

rong yan smiled. "yes, you're right. i'll help him find a good man to marry."

Liancheng Yazhi kissed the corner of Rong Yan's lips. it's still early. Sleep a little longer and have a good rest. Don't worry about anything. I'm here for you. What are you afraid of? "

okay, I got it. You slept late last night and woke up so early now. Can you hold on? " Rong Yan recalled that she had not woken up since she had laid down last night, and as a result, Liancheng Yazhi had been busy for most of the night. She felt a little embarrassed.

liancheng yazhi finally said in his heart, " you've finally remembered your husband.

He scratched Rong Yan's nose. of course I can. Don't you like to look at my spirit statue? "

“be good and sleep. you still have to go to gu hesheng’s place in the afternoon. how can you not rest well?”

rong yan watched as liancheng yazhi left before closing her eyes.

Although she had also slept for a night, her mind was full of the thought that Rong nuo had not rested well at all.

Once he was out of the room, Liancheng Yazhi’s face changed instantly. He hurried downstairs and left in the car without even eating breakfast.

He quickly called Feng nongtang in the car, ” “Xia Xuanmo has Rong nuo under control now. My men are trying to get her out.”

Feng nongtang cursed, ” f * cking b * stard, how could he do such a thing? he’s not a f * cking man. He’s so shameless. I despise him.

Feng nongtang was awoken by Liancheng Yazhi’s phone call. His voice was hoarse and hoarse, and it sounded very unpleasant.

Liancheng Yazhi moved the phone away in disgust. I want to know where Xia Xuanmo is now. His mobile phone is off and I can’t contact him now. Find out his exact whereabouts.

don’t worry, ” Feng nongtang patted his chest and promised. even if the kid is hiding in a rat cave, I’ll get him out.

Tang would never imprison a woman. The most he would do was pester her.

When he heard that Rong nuo might have been locked up by Xia Xuanmo, Feng nongtang was particularly indignant. He even had a feeling that he must have been blind to be brothers with such a person.

“Did you inform Kang Yu?” Liancheng Yazhi asked again.

I did. He said that he would find a way to come back today and wait for him to come back. He said that he would help to find her faster.

“Alright, that’s all for now. I’ll let you know if there’s anything.”

Chapter 800 You’re already so old, why are you acting so pretentious?

After hanging up the phone, Feng nongtang quickly got up and rushed downstairs.

Downstairs, mother Feng and father Feng were eating. They were shocked to see Feng nongtang wake up so early. Their son never woke up before 11 in the morning. Although they lived in the same house every day, they hadn’t had breakfast together for many years.

Seeing that Feng nongtang had left so early in the morning, mother Feng couldn’t help but ask, ” “son, are you not feeling well?”

Feng nongtang sat down beside mother Feng. “No, I’m fine.”

Mother Feng put her hand on Feng nongtang’s forehead to make sure he didn’t have a fever, then asked, ” “Yingluo, why are you up today? This doesn’t make any sense!”

mom, I have something to discuss with you. Feng nongtang served his mother a bowl of porridge. "Please have some porridge."

"What is it? I'll tell you first, if you go too far, I won't help you." Mother Feng knew her son very well. Usually, when he asked for her help, nothing good would come out of it.

Feng nongtang chuckled. mom, it's very simple this time. I just want to ask you to play cards with Madam Xia today and try to get some information from him. Ask him where his son is now. I can't find Xia Xuanmo and have an urgent matter to see him, so I can only ask for your help.

is it about the engagement between the Xia and Tang families? " asked father Feng, who had a cold expression on his face.

yes, it's about the engagement. This kid is too dishonest. He even hid it from us.

Mother Feng put down her chopsticks and said, " I'm not going. What's the date today? " if you want to see xia xuanmo, you can see him in two days on the day of his engagement. why do you have to make me go to his mother now? you know that i hate playing cards with madam xia the most. she's already so old, but she's still so pretentious. every time i play cards with her, i'm filled with anger."

mrs. feng was a straightforward person. she had been resolute and decisive since she was young. therefore, she did not like madam xia, who was weak, delicate, and naive at her age. she felt uncomfortable just looking at her.

Feng nongtang's face was bitter as he said, " if my matter could wait until the 19th, I wouldn't have troubled you. I have an urgent matter that I have to see him before the engagement. I know you don't like Madam Xia, but please help me this time. I really don't have a choice. Although you don't like women with Madam Xia's personality, it's easier for Yingluo to get information from her, isn't it? Mom, please help me. "

Feng nongtang used all the strength he'd had since he was young, hugging mother Feng's arm and even acting coquettishly.

what's the matter? " father Feng asked. why are you in such a hurry to see him? "

Mother Feng's heart had already softened from Feng nongtang's coquettishness, but when she heard father Feng's question, she found it strange. "Yeah, I also want to know what it is. Why are you in such a hurry?"

Feng nongtang's mouth twitched,"you can't call this Wufu Wufu."

Father Feng was an experienced man after all. He could tell at a glance that his son was acting strange. "Is it you or someone else?"

"It's US, young master ya, Jian Jie, Kang Zhen, and US." Feng nongtang was smart enough to give him such an answer.

Mother Feng looked at her husband, and in the end, father Feng said two words, " "Go on."

feng nongtang hugged mother feng's neck and shook it happily. " "Thank you, dad. Thank you, Mom."
