

Permit Me 801

Chapter 801 it's not a relationship between a man and a woman

in the afternoon, rong yan brought meowmeow to gu hesheng's house again.

Less than 10 minutes after they sat down, Gu Hesheng asked, "Is there something on your mind?"

Gu he was born with a pair of eyes that could see into the depths of a person's soul. If there was something on one's mind, it would not be able to escape his eyes. It was as if no matter how good the imitation was, it would not be able to escape his eyes.

Before Rong Yan could think of what to say, a servant came over with a gift list. Sir, the list of gifts to the Xia family is here. Do you want to take a look? "

"Hand it over," Gu Hesheng stretched out his hand.

Rong Yan was especially sensitive when she heard the words 'Xia family'. She asked, "A congratulatory gift from the Xia family? You've also received an invitation to the Xia family's engagement?"

Gu Hesheng looked at the list and said, "we received it yesterday afternoon. The Liancheng family should have received it as well, right? "

"Yes, I received it. Are you planning to go?" Rong Yan asked.

gu hesheng shook his head. "this kind of political marriage is the most beautiful. i don't want to go. by the way, that kid from the xia family seems to be liancheng yazhi's childhood friend. you must go when the time comes."

yes, I'll definitely go. I'm even preparing to give him a good gift. When Rong Yan thought of Xia Xuanmo, there was a burst of hatred in her heart, and these words almost came out from the gaps of her teeth.

Gu Hesheng could tell that there was something wrong with Rong Yan's voice. He put down the gift list and raised his head. your words don't sound right. Is there something wrong? "

Rong Yan knew that she could not hide it from Gu Hesheng, but she did not want to tell him the details. it's nothing, just some simple personal grievances.

"With Xia Xuanmo?" Gu Hesheng was curious. Xia Xuanmo was Liancheng Yazhi's friend, and Rong Yan should only have met him and not had any deep friendship.

Since they had no deep friendship, there should be no grudges, but Rong Yan obviously had a prejudice against Xia Xuanmo. No, it should be said that she hated him.

Rong Yan nodded and said straightforwardly,"yes, it was with Xia Xuanmo. However, the resentment between me and him is not the resentment between a man and a woman."

With a smile on his face, Gu Hesheng said, "if you don't want to say, I won't ask. You wouldn't make an enemy of someone for no reason. It seems that Xia Xuanmo has really crossed your bottom line.

After that, he turned around and handed the list of gifts to the servant. "There's no need to send any congratulatory gifts."

it's Yingluo. the servant was a little surprised but didn't ask much.

Rong Yan was even more surprised and asked, "why?" Have you changed your mind and decided to attend the Xia and Tang families "engagement banquet?"

"You hate Xia Xuanmo, so I have to stand on your side, right?"

Rong Yan's heart warmed. Gu Hesheng did not even ask for the reason or who was right or wrong. He stood on her side without hesitation and even risked offending the Xia and Tang families. This made Rong Yan very touched and surprised.

this is a grudge between me and Xia Xuanmo. It's none of your business. Don't you think it's very difficult for you to do this? "

Gu Hesheng laughed, " don't worry about this. It's not a problem. I don't have any conflict of interest with the Xia family. I don't need them to help me with anything.

"Are you going to the engagement party?"

go ahead. If you're going to give him a gift, it'll definitely be very lively. Since there's a lively event, why not join in? "

" thank you, chengcheng. " rong yan had a lot to say in her heart, and there were also some questions she didn't know if she should ask. however, at this moment, she suddenly didn't know what to say and could only say these three words.

Chapter 802 A Toad turning into Snow White

At five o'clock in the afternoon, mother Feng returned home after playing cards. After entering the house, she took off her shoes and threw her bag away. Then, she collapsed on the sofa listlessly. She looked as if she was half-dead, as if she had not gone out to play cards, but had gone out to fight with someone.

Feng nongtang had been waiting at home the whole day. It was rare that he didn't go out and mess around. He had been waiting at home for mother Feng to come back.

Seeing that mother Feng had returned, Feng nongtang immediately took the water poured by the maid and served it to mother Feng. "Mom, you've worked hard. Come and drink some water."

Mother Feng took the bowl and patted Feng nongtang on the shoulder. at least you still have some conscience. Let me tell you, don't make me play cards with that woman from the Xia family again. It's too much.

hehe, okay, I won't let you go again. This is the last time. Drink some water, Yingying. after drinking the water, she told him about today's situation and what she had gotten from Madam Xia.

Mother Feng drank all the water in her life in one gulp and handed the cup to Feng nongtang. "You can't wait, can you? look at how you're scratching your ears and cheeks."

Feng nongtang threw the cup away, not caring if it was broken or not. He hugged mother Feng's neck like a child and said, "Mom, you know me best. Tell me, how about it? Did you find out Xia Xuanmo's whereabouts?"

Faced with Feng nongtang's anticipation, mother Feng poured cold water on him. "Is there any whereabouts?"

feng nongtang's eyes widened in disbelief. How is that possible? mom, why wouldn't it work if you were the one doing it?"

Feng nongtang was very confident in his mother. His mother's mouth could really bring the dead back to life. She could even turn a Toad into Snow White.

He had always thought that as long as his mother took action, it would be an easy task to get information from Madam Xia, who still had the thoughts of a young girl.

Mother Feng sighed. I can do it, but Madam Xia has to know that her son is here. I've said everything today and used all my methods. I even lost the necklace I bought this month to him on purpose. But in the end, I'm sure that she doesn't know Xia Xuanmo's whereabouts.

Speaking of losing her necklace, mother Feng's expression was pained.

Feng nongtang frowned. you don't know? She didn't even know where her son was? how did this happen?"

Mrs. Feng massaged her sore shoulders. I think her family knows that she can't keep a secret, so they hid it from her on purpose. If she were in our house, I wouldn't tell her anything. If I told her, it would be the same as letting the whole world know.

"If you don't know, how can Yingluo not know?" Feng nongtang looked disappointed. He had had great hopes.

Feng nongtang suddenly stood up. mom, you've worked hard. Have a good rest, I'm going out for a while. Oh, I'll buy you a better necklace tomorrow.

As he spoke, he started to run away but was stopped by mother Feng. "Tsk, you little rascal, you want to run away after using your mother."

I'm sorry, Mom. I have to go out for a while and let the people below continue the search.

Mother Feng refused to let go. although your mother didn't get Xia Xuanmo's whereabouts, she didn't play the game for nothing. If I don't get some useful information, I'll be too useless.

Feng nongtang's eyes lit up and he sat back down. "Mom, what else do you know?"

Chapter 803 No longer the Xuan Zi of the past

Hence, mother Feng told Feng nongtang exactly what she had gotten from Madam Xia when they were playing cards.

Feng nongtang's expression changed a few times after hearing this.

Then, he hugged mother Feng happily and kissed her on the cheek. "Mom, thank you. It would be a waste if you don't become a special Agent. It's a loss for our country."

Feng nongtang jumped up. mom, I'm going upstairs to make a call. You've worked hard today, let's go out for dinner tonight, I'll accompany you! Feng nongtang said as he ran upstairs.

you little rascal! mother Feng laughed and sighed. sigh, if only you could treat your wife as well as I do, I wouldn't have been so disheartened from waiting for you and give up on living with you!

Her daughter-in-law had returned to her mother's house for a few days. Although mother Feng was worried, there was nothing she could do. Her son was disappointing, but she couldn't bear to scold or beat him. She couldn't control them, so she could only let them be.

.....

After running upstairs, Feng nongtang quickly called Liancheng Yazhi.

At that time, Liancheng Yazhi was sitting in a car and on the way to Gu Hesheng's house.

After the call went through, Feng nongtang directly said, "my mother went to play cards with Madam Xia today, but she didn't find out where Xia Xuanmo was. Xia Xuanmo probably knew that we would be looking for him, and was afraid that his mother couldn't keep it a secret, so he didn't tell her at all. But Zhenzhen, my mother found out some inside information about the engagement from her. I thought about Madam Xia's original words, and this plan should have been planned for several months ago. It was the Tang family who came to find him. It seems that Tang Ziyu went to a meeting this year and happened to meet Xia Xuanmo, and then fell in love at first sight. Let the Tang family begin to contact the Xia family, and it should have been last month that things really began to get on the right track. Moreover, from the beginning, Xia Xuanmo didn't seem to refuse."

After hearing this, Liancheng Yazhi was completely disappointed with Xia Xuanmo. He sneered. "reject? He's been away for a few years, and it's time for him to come back. This is an opportunity for him to be transferred back and be promoted."

Feng nongtang hesitated for a moment and asked, "young master ya, do you think that Huahua Xuanzi is no longer the person we used to know?"

Liancheng Yazhi's mouth moved. maybe!

People in politics might be able to maintain their original intentions at the beginning, but as their positions became higher and their power increased, their ambitions would also gradually increase. Their original intentions would also begin to waver, and finally, they would be eroded by their inflated ambitions and desire for higher power.

xia xuanmo was originally an ambitious person, but at the same time, he was also a capable person. coupled with his good family background, his political career was smooth sailing. at a young age, he had achieved a position that others might not be able to climb in their entire lives, but he still had a lot of room for promotion.

As long as there were no major problems, he would be able to reach a very, very high peak. It could be said that his future was the most immeasurable among the few of them.

The further he went on his political career, the more he would change. In fact, it was normal for him to be hesitant.

It would be a lie to say that a person who had reached his level had not changed at all.

It was said that politicians were cold-blooded, and even more cold-blooded than killers.

Sometimes, for the sake of benefits and their future, they would give up on other things and make even more cold-blooded decisions.

Feng nongtang didn't say anything else, he didn't know what to say.

Chapter 804 A scandal about a woman?

He wasn't a fool. Although he usually had a playful attitude, it didn't mean that he didn't understand the human heart at all.

He had seen many politicians and had some understanding of them. All these years, he had always thought that Xia Xuanmo, who had grown up with them, would not become one of those profit-seeking and self-preservation politicians. However, it seemed that this was just his wishful thinking.

And the truth was not what he had thought.

As the saying went, "when one walks along the river, how can one's shoes not get wet?"

No matter if you were willing or not, some things were inevitable.

Neither of them hung up the phone and remained silent. They wanted to say something but didn't know what to say.

The driver drove past two intersections before Feng nongtang's voice rang out again, "what if we can't find him?"

Liancheng Yazhi sighed. it's fine. There's no need to look for him. Will he come here by himself? "

"Ah?" Feng nongtang was surprised. How can you be so sure?"

Rong nuo is now on the way back to the capital. If Xia Xuanmo can't find her, he will naturally know who took her away. If he wants to ensure that the engagement banquet goes on without a hitch, or if he still doesn't want to let go of Xuanji Rong nuo, he will come to me.

An hour ago, Liancheng Yazhi's men in the South had informed him that Rong nuo had been rescued from Xia Xuanmo's control and was now on his way to the capital.

And no matter what Xia Xuanmo's reason was, he would not let Rong nuo escape from his control at this time.

Since he had agreed to be engaged to Tang Ziyu, he must be afraid that Rong nuo would reveal their relationship in her anger and hatred.

For Xia Xuanmo, what he was most afraid of now was that Rong nuo would disclose their relationship without a care, because this would be a scandal for ran ran.

It was a scandal that could affect his career as a doctor.

Having an affair with a high school girl while he was the Deputy Mayor, such a scandal would be explosive.

Feng nongtang shivered on the other end of the phone. I don't know why, but even though I haven't seen him yet, I suddenly feel that he's very scary.

Liancheng Yazhi smiled. politicians have always been scary!

“Then master Sheng won’t change in the future, will he?” Feng nongtang said worriedly. One of his good friends had become a stranger, and he was afraid that there would be another one.

“Kang Yu is different from Xia Xuanmo. He’s a soldier, and the only thing in his mind is to fight and lead the Army. Although he’s not far from governance, he’s always been on the edge. What’s more, his nature is fundamentally different from Xia Xuanmo’s,”

“I’m a little comforted by your words,” Feng nongtang patted his chest.

“Look at you, it’s not a big deal. Kang Yu said he’ll be back tonight, he should be here soon. Ask him where he is and go play with him, Hanhan.”

Liancheng Yazhi hung up the phone after he finished speaking, as if he was dismissing a child.

Feng nongtang was left roaring into the phone, ” “Hey, hey, Zhenzhen, Liancheng Yazhi, say that again, Zhenzhen.”

After shouting for a while, Feng nongtang dialed Kang Yu’s number while scolding Liancheng Yazhi. “Stinky brat!”

“Master Sheng, where are you? Have you arrived at the capital?”

“Okay, wait for Yingluo. I’ll pick you up.”

Feng nongtang changed his clothes, took his wallet, car keys, and phone, ran downstairs, and rushed out.

Chapter 805 Where do you want to fool around again?

“Didn’t you say you’re taking me out for dinner tonight?” mother Feng shouted. Where do you want to fool around again?”

mom, I’m sorry for today. I’m really not fooling around today. Kang Zhen has come back. I have to go and pick him up. Tomorrow, I’ll definitely take you there tomorrow. Mom, I’m leaving. I love you, Huahua. Feng nongtang ran to the door and turned around to throw a flying kiss at his mother.

“This little rascal, I knew we couldn’t trust his words,” mother Feng said angrily.

.....

Liancheng Yazhi went to Gu Hesheng’s house to pick up Rong Yan and MeowMeow.

After getting into the car, he told Rong Yan. Rong nuo is already on the way back. She should be able to reach the capital by tomorrow morning. You can be at ease now.

When Rong Yan heard this, she screamed in joy. Now, there was nothing that could make her happier than getting definite news about Rong nuo.

rong yan hugged his arm and said coquettishly, ” “It’s good to have a husband.”

????????????,????????,?????:”it’s good to have a father.”

the two's simple words instantly swept away the gloominess in Liancheng Yazhi's chest. he hugged the mother and daughter in his arms and said happily, "my two precious babies, how can i dote on you?"

With the two of them around, Liancheng Yazhi really felt that no matter how much pain and love he felt, it was not enough.

as long as they were here, xia xuanmo could do whatever he wanted, and he wouldn't be bothered.

?????????????: "Dad, Grandpa gave me a pretty little bottle today."

Liancheng Yazhi frowned and asked, 'again? What bottle? let daddy see?'

Half a month had passed, and Liancheng Yazhi could not even remember how many treasures MeowMeow had brought back from Gu Hesheng.

If other families gave children's toys, it would be fine, but the handsome Gu Hesheng did give antiques as toys. He did not give them any gifts, but they were almost tired of receiving them.

Meowmeowmeowmeow shook Rong Yan's arm. mommy, mommy, let daddy see.

Rong Yan sighed, took her bag, and took out a snuff bottle from inside. She handed it to Liancheng Yazhi. this time, she got a snuff bottle. It's carved out of white jade and has a red coral cover. It's very beautiful. MeowMeow took a fancy to it at first glance, and then Yingying became her.

This snuff bottle was originally something that Gu Hesheng carried with him on his body. It had been with him for many years and was one of the finest snuff bottles. It was much more intimate than the beeswax Buddha Bracelet he had given to MeowMeow.

But once

this made rong yan really blush and feel embarrassed.

Liancheng Yazhi took it and looked at it carefully. He sighed and said, "It's good stuff, just take it."

After saying that, he felt that he was talking nonsense again. Did Gu Hesheng have any defective products? His collection of antiques was even more picky than other people's women, not to mention that this was something that had followed him for many years, and it was the best of the best.

This was several times better than the gold-lined enamel crane-patterned snuff bottle that had set the world record for snuff bottles at an auction many years ago.

Every time Gu Hesheng gave him a gift, it was a treasure. Liancheng Yazhi's resistance to him giving MeowMeow antiques at the beginning had turned into his powerlessness. Now, Huahua was almost numb to it.

However, Liancheng Yazhi was now worried that with Gu Hesheng's generosity, it was really very likely that he would give his museum to MeowMeow in the future.

Chapter 806 You can only wear rings that your husband bought

Liancheng Yazhi sighed. He had told Rong Yan before that there was no hurry. After all, MeowMeow was still young. When she grew up, Gu Hesheng might change his mind.

But from the looks of it now, according to the frequency of Gu Hesheng's gifts, before he handed the museum to MeowMeow, the gifts he gave would be enough for MeowMeow to build a small museum. It was really a headache.

"Why did you sigh?" Rong Yan asked him.

Liancheng Yazhi's fingers gently caressed Rong Yan's cheek. "I'm thinking, should we set up a special room and install infrared alarms, surveillance cameras, and so on, just for meowmeow to put these 'toys'?"

Rong Yan looked down at MeowMeow, who was playing with the snuff bottle in high spirits. Her brows gradually furrowed as she said, "I'll get someone to sort out one when I get home. I'll have to use it sooner or later.

Rong Yan felt that the things that Gu Hesheng had given her were really troublesome. They were not ordinary toys that she could throw away as she pleased. However, they were all antiques. If she threw one and broke one, it would be like throwing money that could kill people. If it was a big deal, it would be trampling on history and being disrespectful.

"Okay, I'll get someone to clean up the room when I get back. Put all of MeowMeow's 'toys' away separately."

Rong Yan glanced at Liancheng Yazhi, hesitating whether to tell him that Gu Hesheng had given MeowMeow something today and even a gold ring with Jade embedded in it.

Liancheng Yazhi pinched Rong Yan's chin and asked, "Do you have anything else to tell me?"
Rong Yan nodded and said, "yes, Yingluo."

"What is it?"

Rong Yan's hand fumbled in her bag for a while before she brought it to Liancheng Yazhi. She opened her hand and placed the gold ring with rubies on her fair palm. It looked exceptionally matching, as if the ring should be worn on her hand.

Liancheng Yazhi's expression turned ugly and he asked, "What is this?"

"A ring!" Rong Yan answered honestly.

"I'm asking who sent it?"

Rong Yan raised her eyes and glanced at him. Then, she quickly lowered her eyes and said in a low voice, "You know, Yingluo."

Liancheng Yazhi was so angry that his teeth hurt, but he could not scold her loudly in front of MeowMeow. He said in a low voice, "Do you think you can just take a ring? You can only take the ring that your husband gave you, understand?"

He had always felt that rings were sacred. Only when a man and a woman's relationship reached a certain stage, such as when they could confirm their marriage, could they give each other rings.

However, Rong Yan had actually taken Gu Hesheng's ring. This made him very angry. Although he knew that Gu Hesheng might not have that intention, Rong Yan was even more furious.

even so, Liancheng Yazhi was still very angry because he only wanted Rong Yan to wear the ring that he had bought and only the ring that her husband had bought.

Rong Yan knew that Liancheng Yazhi was angry and secretly tugged at her sleeve. "I know. I won't take it in the future."

Liancheng Yazhi said angrily, "I'll return this to him tomorrow."

"No," Rong Yan quickly clenched the ring.

"Why?"

Rong Yan gulped and said, "you, Huahua, know that women have a fanatical love for jewelry and clothes. Especially when they see that they don't get what they like, they will feel very sad. I'm no exception. When I saw this ring, I really liked it. I want Huahua's husband. Let me accept it this time, and I promise that there will be a next time."

Liancheng Yazhi held his forehead. you're teasing me.

Chapter 807 Is it a life-threatening injury?

In front of Rong Yan, he was only going to compromise this time. He didn't care about it this time. At most, he would go to Gu Hesheng tomorrow and give him money. It would be equivalent to him buying the ring and giving it to Rong Yan.

Liancheng Yazhi flicked Rong Yan's forehead. "forget it. I'll take it. there's definitely no next time."

"There won't be a next time." Rong Yan nodded repeatedly.

Rong Yan was very happy because she had received accurate news about Rong nuo. She was so happy that she kept talking to Liancheng Yazhi and MeowMeow along the way.

Even meowmeowmeow said, "mommy is so happy today, Yingying."

"

??????: "Is she the Auntie who always talks to me on the phone?"

yes, it's her. She likes you a lot, misses you a lot, and has always wanted to come and see you. She finally has time this time, and she can come to our house tomorrow, Hanhan.

"Is Auntie as pretty as mom?"

"Yes, she's as pretty as mommy, but Yingluo, mommy looks better." Rong Yan leaned on Liancheng Yazhi and said with a smile.

??????: "Of course, mom is the best looking."

Liancheng Yazhi leaned closer to Rong Yan and whispered in her ear, "I also think that my wife is the prettiest."

As Rong Yan's mood improved, the atmosphere at home was much better than yesterday. They didn't mention Xia Xuanmo's matter, but Liancheng Yazhi knew that Rong Yan wouldn't let it go so easily. Usually, when she didn't want to make others feel good, she would embarrass them in public.

Liancheng Yazhi wasn't worried that Rong Yan would offend the Xia family. Anyway, judging from the secret alliance between Xia Xuanmo and the Tang family, Xia Xuanmo had already left their circle. Since they were no longer comrades in the same trench, it didn't make a difference whether they offended him or not.

After dinner, it was already past eight o'clock. The TV was now full of news about Xia Tang's engagement. Rong Yan didn't want to watch it, and Liancheng Yazhi didn't want to either.

the moonlight is good outside," Liancheng Yazhi said. let's go take a walk in the courtyard.

“Okay, I’ll take

[illegible]

The family of three strolled in the garden, enjoying the simple happiness.

The moon in the sky was getting brighter by the day, and Liancheng Yazhi suddenly suggested, "the Mid-Autumn Festival is approaching. How about we go on a holiday this time? our entire family has never gone on a holiday before. As soon as he finished speaking, he quickly shook his head. I don't think that's possible. There's still our little baby. We'll have to wait for another time.

rong yan held liancheng yazhi's arm. " it doesn't matter if the whole family can go out and play together. "

With a family together, it was heaven no matter where they were.

Not long after, Liancheng Yazhi's phone rang. He took it out and frowned. it's Feng nongtang again. What's the matter with this kid? ”

“hello, have you picked up kang yu?” liancheng yazhi asked after picking up the phone.

"I've picked up master Sheng, but he was injured during the exercise. Do you want to come and see him? we're at miyin, and jian jie is here too."

Liancheng Yazhi was a little surprised to hear the news of Kang kun's injury. He was just a commander sitting in the headquarters for this exercise. Why was he on the front line?

liancheng yazhi asked, 'tsk, he actually got injured too. is it a life-threatening injury? Can you move now?'

• • • • •

Chapter 808 Rong nuo sneaked away alone

"of course I don't want my life," Feng nongtang said quickly, "I just scraped my arm.

Liancheng Yazhi said in disdain, 'you call this an injury? Tell him that I'm not going. I'll only go when he's lying in bed and can't move.'

Rong Yan wondered why these words sounded a little familiar.

Feng nongtang laughed. you're too cruel. Master Sheng said that you don't have to come after he dies.

Liancheng Yazhi gave him an even more ruthless sentence."That's good, I can save some money."

The phone call didn't last for too long and was quickly hung up.

liancheng yazhi said to rong yan,"let's go. let's go back to the room. meowmeow should go to sleep."

"Kang Yu is injured. Are you sure you don't want to go and take a look?" Rong Yan asked worriedly.

Liancheng Yazhi said disdainfully, "it's not a big injury. That kid didn't stay in the headquarters and insisted on bringing his soldiers to 'assassinate' the other party's commander. As a result, he got shot in the arm. It's not like he's paralyzed and can't move. There's nothing to see. We'll talk about it tomorrow.

"Ah? You've been shot, are you really fine?"

Liancheng Yazhi said it casually, but Rong Yan felt that it sounded so scary. A commander of one side personally led a team through the mountains, ran into the enemy's nest, and assassinated the enemy's commander. Although it was a drill, it still sounded scary enough.

Military exercises these days didn't follow actual combat. Kang Xi's actions didn't follow common sense. The other party must have thought that he was a real enemy. He was lucky to have been hit on the arm.

Liancheng Yazhi was unhappy. Why was his wife so worried about Kang Yu? he hugged Rong Yan. it's fine. This small injury is just like a tickle to him. He's completely fine. If he can't even take this kind of injury, he can forget about being a soldier and come back to start a company with me.

"Let's go. We're going back, Yueyue. Don't think about others."

rong yan saw that liancheng yazhi was not worried about her brother at all and sighed in her heart. she was really unlucky to have such a poisonous-tongued childhood friend like liancheng yazhi.

They had been busy with

.....

At around eight o'clock in the morning, Liancheng Yazhi was still a little groggy from sleep, but he still got up. He slept less than six hours a day, which made him feel a lot worse recently. However, in front of Rong Yan, he always pretended to be very energetic.

After getting out of bed, she took her phone and went to the bathroom. At this time, Rong nuo should have been brought to the capital.

Sure enough, after he turned it on, there were several missed calls. They were the phone numbers of the people he had arranged to bring Rong nuo to the capital.

Liancheng Yazhi was puzzled. He looked at the time and had been calling non-stop since five in the morning until before he turned on his phone. Did something happen?

Just as he was about to call, his phone rang again, and it was the same number.

Liancheng Yazhi quickly answered. did you bring Rong nuo back? ”

The person on the other end of the phone said carefully, ” “Young master ya is out! Something happened!!!”

“Don’t tell me what happened. I’m just asking you, where is he?” Liancheng Yazhi’s voice was hoarse and low when he had just woken up. Coupled with his cold emphasis, it sounded particularly oppressive.

the person on the other end of the phone stuttered, ” s-sorry, Yingluo, young master Yingluo. We didn’t expect Yingluo to accept her. After arriving at the capital, she ran away on her own.

Liancheng Yazhi’s eyes suddenly narrowed and he shouted sternly, ” “What?”

Chapter 809 The tragic history of a male secretary

“young master ya, rong nuo ran away by herself when we weren’t paying attention.” after saying this, the men on the other end of the phone were almost scared to tears. they all knew that liancheng yazhi was vicious. they had thought that this task was not difficult and easy to complete. moreover, they could see young master ya and perhaps make the old man happy and give them a promotion. however, who would have thought that this would happen just as they were about to ‘deliver’ the goods?

They didn’t complete the task given by young master ya, so they didn’t dare to expect any promotion. They only hoped that they wouldn’t be punished.

Liancheng Yazhi’s hand hit the wall. what’s the use of having you guys? you actually let a woman run away.

Yesterday, he had vowed to Rong Yan that he would let her see Rong nuo today, but now she had disappeared. Regardless of whether Rong nuo had run away on her own or not, the people he had arranged had not completed their tasks well. This was the key. He had disappointed Rong Yan, and this was the most serious thing.

Thinking about how happy Rong Yan was yesterday, Liancheng Yazhi really didn’t know how to tell her the news.

“Young master ya, it’s our fault. We didn’t expect Rong nuo to run away. We wanted Zhenzhen to bring her to see the young Madam, and Zhenzhen said that she wanted to see her very much. We talked and laughed along the way, and Zhenzhen was very happy, so we didn’t pay much attention to it. After we entered the capital, the car ran out of gas. When we parked the car at the gas station, we went to the toilet and didn’t see her when we came out. But she didn’t expect that she didn’t see anyone after waiting for ten minutes, so we looked everywhere and asked the people at the gas station. They said that they saw Qianqian see Rong nuo get into a taxi and leave.”

Liancheng Yazhi kicked the wall in anger and shouted, ” “what’s the use of telling me? go and find her. if you can’t find her, none of you will be able to escape punishment.”

yes, yes, we'll definitely find her. We'll definitely find her, Yingluo. at this time, they didn't dare to say anything other than to guarantee that they would find her.

Liancheng Yazhi hung up and quickly called Secretary Zhou. As soon as the call connected, he immediately said, " "You don't have to do anything today."

Secretary Zhou was about to go out. When he received the call from his boss, he didn't even have time to say 'Hello' before he heard his boss say this.

Secretary Zhou's eyes were like light bulbs, and they immediately lit up.

He was overjoyed. Damn, he didn't need to do anything and it was that good? Was the person who spoke really his stingy and violent boss? This didn't make sense!

However, before Secretary Zhou could be happy, he heard young master ya continue, " "immediately organize the manpower and mobilize all our people in the capital to find a person, rong yan's step-sister, rong nuo. secretary zhou, i'm telling you, you must, you must find that person for me. don't come to see me if you can't find her."

Liancheng Yazhi said 'must' twice to emphasize the seriousness of the matter.

The ecstatic expression on Secretary Zhou's face was like a candle being blown out by the wind, extinguishing bit by bit. He knew it, how could their young master Liancheng bear to let him do nothing?

As expected, nothing good would come out of it. Looking for someone was like looking for a needle in a haystack. It was a thankless task. It would be fine if you found her, but if you couldn't, you would have to bear all the anger of the boss, and you didn't dare to refuse.

in short, it was difficult to be a male secretary, and it was even more difficult to be a good male secretary. it was even more difficult to be liancheng yazhi's male secretary.

.....

Chapter 810 Sir system, what are your orders?

Sometimes, Secretary Zhou wished she was a woman.

You're asking why? this was because women were still feeling unwell for a few days every month. when they encountered something they didn't want to do, they could still tell the boss, " Boss, my period is here!

But what about men? He had to be ordered around like an animal. No, even animals had time to rest. He didn't.

while secretary zhou was suffering, he said respectfully, " "Yes, I'll go look for her now. But young master ya, where was miss Rong nuo last seen?"

Liancheng Yazhi told him, " I'll get the person who brought Rong nuo to the capital to contact you and ask them to tell you where Rong nuo was last seen. I'll contact Feng nongtang and Kang kun later to ask for their help. Send me a picture of Rong nuo quickly. It's best if it's a recent picture with clear resolution.

Secretary Zhou nodded repeatedly. Okay, okay, Yingluo. I'll definitely find miss Rong nuo today.

After the call, Secretary Zhou looked at his phone and shook his head.

The last time they looked for her was three years ago. Young master ya asked them to look for young Madam, but they couldn't find her even after turning the world upside down.

This time, he wondered if he would be luckier if he found the young Madam's younger sister.

Secretary Zhou naturally knew about Rong nuo's matter, but it was also because he knew that it was even more difficult.

Rong nuo only left when she arrived at the capital. Obviously, she was going to look for Xia Xuanmo. Why would she look for him? it was just one thing. She was hating him.

Secretary Zhou threw away the briefcase in his hand, took off his tie, and quickly made a few calls. After waiting for less than five minutes, he received a photo of Rong nuo on his phone. He did not dare to stop for a moment and quickly sent it to Liancheng Yazhi.

Liancheng Yazhi had been waiting in the bathroom and had even forgotten to wash up.

The waiting time was the most difficult to endure. Every second felt as long as an hour. Just as he was about to curse impatiently, Secretary Zhou's photo was finally sent over.

Liancheng Yazhi quickly opened it and confirmed that it was definitely Rong nuo's photo. His fingers danced as he quickly dialed Feng nongtang's number.

it was almost nine o'clock, but feng nongtang only went to bed at five in the morning. he had just fallen asleep and was very sleepy. when he heard his phone ring, he pressed a pillow on his head in frustration.

However, the phone had stopped ringing. If he didn't pick up, it would continue to ring.

no matter how sleepy feng nongtang was, he was woken up by the noise. he grabbed the phone and smashed it, but when he saw the caller id on the screen, he cried out in pain, " "What's the matter with this young master so early in the morning?"

Feng nongtang picked up the phone and said, " "Sir system, do you have any orders?"

He hadn't fallen asleep for long. Last night, because he hadn't seen Kang Yu for a long time, in addition to Xia Xuanmo's matter, he was in a depressed mood. So, he drank a lot of wine with Kang Yu and was suddenly woken up. His head was splitting and he felt so uncomfortable that he wanted to bang his head against the wall.

"Are you born in the Year of the Pig?" Liancheng Yazhi said angrily. You're still sleeping at this time? don't sleep anymore, get up quickly and go find someone."

"Ah, you're looking for him again? didn't xia xuanmo say that there's no need to look for her?" Feng nongtang could fall asleep in the next second if he were to lay head first on the bed.

Liancheng Yazhi roared, " "Who asked you to look for him? this time, look for Rong nuo."

Feng nongtang immediately sobered up and sat up, " "Who are you looking for? Rong nuo?"

"yes, i'm looking for her."
