

Permit Me 821

Chapter 821 His entire body was filled with evil

Liancheng Yazhi smiled evilly. His entire body was filled with black evilness. of course, I don't have the final say, but I have plenty of ways to make the Tang family believe you. Just wait and see.

Liancheng Yazhi didn't want to waste too much time talking to Tang han. He wasn't a single man, and he still had his wife and child waiting at home. If he went back late, the mother and daughter would definitely be worried.

Liancheng Yazhi's shoulder forcefully pushed Tang han away as he walked straight with the tiramisu puff. However, when he reached the door, he suddenly turned around and asked a strange question, "Tang Zong is teasing your little brother, right?"

tang han's body trembled as he turned around and glared at liancheng yazhi with wide eyes.

The name 'Tang Zong' was a name that the entire Tang family did not want to mention. No matter what occasion it was, even if it was during the happy reunion during the new year, as long as Tang Zong was mentioned, the atmosphere would immediately turn cold. It had become a conditioned reflex in the hearts of the Tang family members after so many years.

Liancheng Yazhi was very happy with Tang Han's expression and laughed."I think he's better than you. I'm looking forward to meeting him. Goodbye."

After he finished speaking, Liancheng Yazhi left in a carefree manner under Tang Han's gaze that could kill him a thousand times. He waved his sleeves and only took the cake puff.

Liancheng Yazhi felt much more comfortable after he had challenged Tang han. These days, he had been particularly frustrated because of Miaomiao's illness and Xia Xuan Mo's and Rong nuo's matters. Now, he finally found an outlet to vent his frustration. Liancheng Yazhi felt very excited at the thought of going to war with the Tang family.

it had been almost half a year since rong yan came back with

He could make use of this incident to let those who were keeping watch know that his status in Liancheng Yazhi could not be shaken and that they should not have any ideas about his family.

After getting into the car, Liancheng Yazhi carefully placed the tiramisu and puff beside him and then called Secretary Zhou. Sometimes, Liancheng Yazhi thought that besides Rong Yan, he seemed to be unable to leave another person, and that person was Secretary Zhou.

Although he didn't want to admit it, Qianqian was really omnipotent. With him around, Liancheng Yazhi could do many things easily. He only had to give an order and wait for the result.

secretary zhou had already returned home. today was considered a relatively relaxed day for him.

However, when Secretary Zhou saw the big boss's name flashing on the phone, his face was covered in cold sweat.

If his boss called at this time, it definitely wouldn't be anything good. It was definitely something he had accumulated over the years.

Secretary Zhou answered the call with a bitter heart. "Young master ya, do you have any other orders?"

“Does Tang Zong have any intention of coming back this time?” Liancheng Yazhi asked.

secretary zhou was stunned for a moment. he did not expect liancheng yazhi to ask about this. “i don’t think so. she’s on vacation with a transvestite now.”

Ever since the engagement between the Xia and Tang families was exposed, Liancheng Yazhi had asked Secretary Xia to search for news about Tang Zong abroad and pay attention to him.

This was because he felt that he might be able to use Tang Zong at some point in time.

Look, young master Liancheng’s foresight is useful now.

Chapter 822 Tang Zong’s destructive power

Liancheng Yazhi lived up to Secretary Zhou’s expectations and finally gave an order. “no matter what, i want yingluo to attend the engagement ceremony of the tang and xia families.”

” yes, i’ll do my best to get it done, yingluo. ” secretary zhou hung up the phone in pain.

Secretary Zhou was lying on the ground, knocking his head against the floor.

He wailed, “no matter what method I use?” What are you saying? young master ya, can you not always give such orders that don’t require you to waste your brain? Do you know how much trouble you’ll put me in with just a casual sentence? Do you know how much trouble it will bring me?”

Secretary Zhou ridiculed Liancheng Yazhi and said, ” “Tang Zong, that guy who doesn’t play by the rules, is actually a mentally distorted pervert. It’s very difficult to control his schedule, okay? I really don’t know what will happen if I want to deal with this guy. The worst thing is that the engagement party is the day after tomorrow. Boss, why didn’t you say so earlier? At least give me some time to prepare.”

After complaining, Secretary Zhou had no choice but to accept the reality. He began to make phone calls to find someone to make arrangements.

.....

liancheng yazhi had already started to think of ways to mess up the engagement party the day after tomorrow. he was very excited and hoped that the day after tomorrow would arrive soon. he had high hopes for tang zong’s lethality.

As for Tang han, he started to regret it after Liancheng Yazhi left. He was not in the mood to pester Gu youran anymore. He found su mo and told him about him and Liancheng Yazhi.

Tang han rubbed his head. did you really say hello to Liancheng Yazhi? do you think he will really do what he says? ” he asked.

Su mo already didn’t know what expression he should use to face Tang han. He stood up and paced back and forth in the room a few times. big brother, how can you do such an uncool thing? You don’t know him, but do you know how stupid he is? He has only started to restrain himself a little after he regained his looks in the past two years. In the past, he was not even as good as Tang Zong.”

Tang Han's expression became more and more serious. Su Ben had compared Tang Zong to Liancheng Yazhi, and this allowed Tang Han to have a more direct understanding of Liancheng Yazhi.

Tang Zong was a thorn in the heart of the entire Tang family. Tang Zhen, his biological brother, was the most touched.

then, Yingluo, do you really think he will become enemies with our family? ”

Su Yu let out a long sigh. of course. Everyone in the imperial capital knows that young master Liancheng ya always keeps his word. He's never let go of anything he says.

Tang Zhen's heart was struggling violently. The marriage with the Xia family had come to an end after much difficulty. The whole family was very happy and were all preparing to speed up their steps into the imperial capital after the marriage. Was it going to be delayed because of his hesitation?

Tang Zhen had been carrying the responsibility of the family since he was young. When the family's interests pressed down, he had no choice.

“If I apologize to you personally, can we settle this?” he asked.

Su Jue didn't think that Tang Han would actually decide to apologize to Liancheng Yazhi for the sake of the Tang family.

He had always respected Tang Han. He felt pity and pity for Tang Han.

Su Han patted Tang Han's shoulder. big brother, just give up on this idea. You shouldn't go and suffer that humiliation. You've done enough for the Tang family. You're only the Tang family's son, so you should do more. Don't keep making things difficult for yourself because it's impossible to reconcile. You'll only be humiliated by him if you go. Seeing that Liancheng Yazhi has already spoken, it means that he's determined to be enemies with the Tang family.

Chapter 823 Hubby, you're so handsome

Tang Han ruthlessly grabbed his hair, “But isn't he Xia Xuanmo's friend? Don't tell me you don't even care about your own brother's face?”

Su Yu snorted. that was in the past. As for now, I'm not sure.

“Why?”

su yu explained to tang han, ” when xia xuanmo and ziyu were engaged, you guys kept the news a secret. you said that you wanted to shock everyone. yes, this was indeed like a sudden clap of thunder. for a moment, many people were stunned and did not dare to act rashly. however, you not only hid it from others, but also from liancheng yazhi and xia xuanmo's childhood friends. ”

“The consequences of doing this will not only offend Liancheng Yazhi, but also Feng nongtang and Kang Yu. Among them, Liancheng Yazhi is the one who has the final say. As long as he says that he is an enemy of the Tang family, it means that the Feng and Kang families are on his side. With the three big families working together, is it possible for the Tang family to rely on the Xia family to gain a foothold in the capital?”

Su 'er's detailed explanation made Tang han finally understand where Liancheng Yazhi's arrogance and confidence came from. He was unwilling to give up and asked, "Could it be that Qianqian can only watch helplessly as the road she paved is cut in half by him?"

The Tang family had spent a lot of effort on this path. If it was destroyed because of him, Tang han was really afraid that he would become the sinner of the family.

Su 'er shook her head helplessly. I don't know. We can only take one step at a time.

Tang han was extremely regretful at this moment. Su 'er comforted him as she looked at his self-blaming and guilty expression, "but don't worry too much. we're not alone. don't forget, there's still my family. the xia family also has other aristocratic families that they're close to. i hope that when the time comes, we can all stick together and see if we can kill a way out of lian Cheng yazhi's blockade."

.....

It was already past eight o'clock when Liancheng Yazhi got home because of Tang han. Rong Yan was already starting to get anxious. If he didn't go back soon, she was going to go out and look for him.

Seeing that Liancheng Yazhi had finally returned, Rong Yan asked, "Why did you come back so late?"

Liancheng Yazhi smiled. no, I met Tang Zhen in Gu youran's shop again and was delayed for a while. I'm sorry to make you worried. It won't happen again.

Rong Yan's eyes widened. ah, we've met him again. He's really fated with you.

"It's quite fated."

"What did he say?" Rong Yan was more curious about what they had talked about. They were enemies, so it was already strange that they didn't fight.

"I didn't say much."

"you've already said so much. tell me what you guys talked about. by the way, you haven't eaten yet. eat first." Rong Yan then turned around and said to Butler li, "Hurry up and serve the food."

rong yan asked the maid to bring the puffs and tiramisu that lian Cheng yazhi had brought back to the kitchen to be unpacked and placed on a plate.

"Meowmeowmeowmeowmeow and I didn't wait for you. We've already eaten. You can eat alone tonight."

"Sit down and accompany me." Liancheng Yazhi pulled Rong Yan.

"Good Yingluo."

lian Cheng yazhi told rong yan about his conversation with tang han today as he ate.

"You're challenging Tang han just like that?" Rong Yan exclaimed.

“yeah, do you think i’m too impulsive?”

“I won’t. Hubby, Yingluo, you’re too handsome.” Rong Yan said regretfully, “ Aiya, what a pity. I didn’t see it. I went with you today.

Chapter 824 The husband and wife collude

Liancheng Yazhi didn’t expect Rong Yan to say that. He originally thought that she would object to him being enemies with Tang han so openly.

“Don’t you object?”

Rong Yan shook her head. it’s useless to object. We’ve already made enemies with the Tang family the last time. Even if we want to get along with them in the future, it’s useless. Even if we don’t want to cause trouble, we can’t stop Tang han from taking revenge. In that case, why don’t we make a move first? I’ll support you in whatever you do.

rong yan had always been very clear about internal and external matters. as long as liancheng yazhi didn’t do things that were too much of a jerk or too outrageous, she would support him. besides, he and tang han were enemies. in the end, she still had to be the one to take the blame. liancheng yazhi was helping her, so she couldn’t go against him.

Liancheng Yazhi was a childish man sometimes, so she had to encourage him.

As expected, Liancheng Yazhi was happy when Rong Yan said that. He hugged Rong Yan. my wife knows me best.

Rong Yan pushed him. stop joking. Eat quickly.

Liancheng Yazhi thought of another thing.”By the way, Secretary Zhou has already found Rong nuo, Hanhan.”

“Where is it?” Rong Yan quickly asked.

Although she had already gotten over Rong nuo’s matter, she was still very happy to hear that Rong nuo had been found.

he’s staying in a small, remote hotel. There hasn’t been any movement so far. It’s normal. There’s no abnormal or extreme behavior. Liancheng Yazhi told him everything that Secretary Zhou had observed about Rong nuo.

after hearing this, rong yan was particularly puzzled. ” it shouldn’t be like this. no matter how strong a person’s ability to bear it is, shouldn’t he be depressed and depressed at this moment? ”

Liancheng Yazhi said, ” did she not want to find Xia Xuanmo at all? or did this matter really have no impact on her? ”

Rong Yan shook her head without even thinking about it. she won’t. If she didn’t have any ideas, she would come back to the capital to find me. She wouldn’t run away alone after she arrived in the capital.

“but she didn’t do anything.”

“It might not be time yet.” Rong Yan could only think of this reason now.

Liancheng Yazhi suddenly thought of something and said, "you mean Yingluo?"

Rong Yan nodded. that's right. I guess she wants to make a move on the day of the engagement banquet.

Rong nuo was actually deeply influenced by Rong Yan. When she needed to be calm, she was very calm, but she would never allow herself to be at a disadvantage.

Rong Yan guessed that Rong nuo was waiting so calmly for the engagement party to arrive the day after tomorrow.

"Then, are you going to stop me?" Liancheng Yazhi asked her.

Rong Yan smiled, "why should I stop it?" Let her be. I want to make a scene at the engagement party the day after tomorrow. What right do I have to stop her?"

The marriage between the Xia and Tang families was such an eyesore. It would be a waste not to ruin it.

Liancheng Yazhi laughed. we really have telepathy as husband and wife. I was thinking the same thing.

Rong Yan looked at Liancheng Yazhi with Starry Eyes. "Then, Yingluo hubby, you'll cooperate with me, right?"

liancheng yazhi hugged her and said, "of course i will."

While the two of them were kissing and colluding, MeowMeow, who had been ignored for a long time, finally said, "Mom, I'm done."

It was only then that Rong Yan remembered that her daughter was beside her. She quickly turned her head. "oh, yingluo, let's eat yingluo."

Rong Yan's voice suddenly stopped, and her eyes widened. She paused for a moment before she suddenly raised her voice. "What, you finished eating all the buns? you've finished all that?"

Chapter 825 A gorgeous gown

rong yan hurriedly looked at the plate. it was empty, with only a little bit left. rong yan touched meowmeow's stomach in surprise, feeling extremely regretful. she had been too focused on talking to liancheng yazhi and didn't look at meowmeow. she didn't expect this greedy little serval to actually eat so much tiramisu.

Such a small person had already eaten and ate so much, wouldn't she be stuffed?

Rong Yan asked worriedly, "meowmeowmeowmeowmeow, do you feel uncomfortable?"

there was still some cream on the corner of meowmeow's mouth. she stuck out her pink tongue and licked her lips. her eyes rolled around, and her expression was especially cute. then she shook her head and nodded, making her face confused.

you're nodding and shaking your head. Are you feeling comfortable or uncomfortable? "

Meowmeowmeowmeow pouted twice. I'm not feeling well, Mumu.

Rong Yan turned to look at Liancheng Yazhi and said, "it's over. I must have eaten too much, Zhenzhen."

Liancheng Yazhi could not be bothered with his meal anymore. I'll go find Natsume.

The moment he stood up, the two of them heard MeowMeow say at the same time, "i still want to eat more."

Liancheng Yazhi sat back down, and Rong Yan almost fell off the chair.

the two of them were dumbfounded.

Rong Yan patted

"let's go, mommy will take you for a walk in the courtyard, yingluo." rong yan pulled meowmeow and walked out."You can continue eating. Oh, don't be like your daughter. Don't overeat."

Liancheng Yazhi||-_-

.....

Rong Yan was worried about

Rong Yan hesitated for a while before putting this matter aside for the time being, because she had something to do.

He was so busy that he had to call Gu Hesheng today to tell him that he was taking leave and could not go.

In the afternoon, Liancheng Yazhi returned home to see Rong Yan lying on the sofa, exhausted.

Liancheng Yazhi walked over and pinched Rong Yan's shoulder very skillfully. the servant said that you've been busy the whole day. What are you busy with? "

rong yan chuckled, looking particularly cunning. " you'll know in a while. "

She pushed Liancheng Yazhi's shoulder. I've prepared the dress for tomorrow's engagement party. Call Tang du from Kang Zhen's simple style studio over and let them try it on.

liancheng yazhi immediately became unhappy when he heard this and said unhappily, "What? You've prepared everything for them? Why do you have to prepare for them? you can only prepare for your husband. No, you can't give them."

Liancheng Yazhi was unhappy. What was this?

He himself had only worn the clothes that Rong Yan had bought a few times, so how could Feng nongtang and the other boys wear them?

Rong Yan kicked his calf. I told you to call me. Just do it. Hurry up.

Liancheng Yazhi turned around childishly. "I won't go, I won't go!"

"Disobedient, huh?"

"Alright then, Yingluo, since that's the case, I'll let you take a look at the gown first."

Rong Yan pushed Liancheng Yazhi away and went upstairs herself.

Liancheng Yazhi followed behind angrily, muttering words that others could not hear clearly.

After going upstairs, Rong Yan pushed open the door of the cloakroom. The gowns she had prepared for them were hung in a row.

after liancheng yazhi saw the gown, the unhappy and angry expression on his face disappeared instantly. then, he said to rong yan very seriously, ” okay, honey. I’ll make the call right away. Please wait a moment.

Chapter 826 The engagement party begins

after liancheng yazhi called kang yu and the other two over, when they saw rong yan’s gown, they looked at each other, dumbfounded, and only said two words to rong yan-i’m convinced.

“Do you dare to wear it?” Rong Yan asked them.

The few of them laughed in embarrassment and pushed Feng nongtang forward. He chuckled and said, ”I dare, of course I dare.”

“Then you guys can try it on. If the size doesn’t fit, get someone to change it.”

Rong Yan pulled Liancheng Yazhi out of the door, leaving the three of them to change.

Once they were out of the door, Liancheng Yazhi’s face was gloomy as he asked, ” “How did you know their measurements?”

Rong Yan poked her eyes with two fingers. can I say that my eyes are rulers? ”

Liancheng Yazhi hugged her possessively. you’re not allowed to look at other men in the future.

Rong Yan sighed. don’t you think this is very difficult? ”

“I can’t read it even if it’s difficult.”

.....

the xia family, which had dominated the political scene in the capital for half a century, was going to have a marriage alliance with the only granddaughter of the tang family, the chief commander of the jun district in the south. this marriage alliance between the north and south army was particularly eye-catching.

From the moment the news was released, it continued to occupy the headlines of major news for several days. The popularity did not decrease, but continued to rise with the arrival of the engagement day. It was overwhelming and had the momentum of occupying everyone’s attention.

Seeing that the engagement ceremony had finally arrived, the entire media industry in the capital was in an uproar. They all rushed to the engagement venue, wanting to be the first to get a headline.

although the engagement party would only start at eight o’clock, it started at six o’clock in the evening. celebrities, rich people, politicians, and movie stars from all walks of life had arrived one after another. the entrance of the hotel was as lively as a luxury car exhibition. one by one, they came and left in a flashy manner. the flower baskets at the entrance were almost a sea of flowers.

The media reporters who were reporting on the scene were dazzled, and the cameras in their hands never stopped taking photos.

Four black luxury cars stopped at the entrance of the hotel as if they were marching. As the doors opened, before they got out, someone shouted, ” “it’s young master ya and his fiancée yingluo!”

After that, someone called out for Kang Yu and Feng Nong Tang. Their appearance immediately set off the climax.

However, when Liancheng Yazhi, Rong Yan, Feng nongtang, and Kang Yu got out of the car, the scene seemed to freeze instantly. There was silence, and even the reporters forgot to press the shutter.

Even the Xia and Tang families and the hotel manager who were standing at the entrance to welcome them were dumbfounded. They didn't know what to do or say.

Liancheng Yazhi stretched out his arm to Rong Yan."let's go," he said.

Rong Yan raised her white-gloved hand and held Liancheng Yazhi's arm. "Okay, I hope it ends soon. MeowMeow is still waiting at home."

Liancheng Yazhi raised his eyebrows handsomely.

Kang Yu was expressionless.

Feng nongtang's eyes rolled around.

It was as simple as Kang Zhen's, but there was a bit more fierceness in his expression.

However, these people were all thinking the same thing: Were they sure they wouldn't be beaten if they went in like this? however, it was necessary to end it as soon as possible!

Liancheng Yazhi held Rong Yan's hand and walked in front. Kang Yu and the other two followed behind. They didn't bring anyone else, but when the five of them appeared, their aura was enough to shock everyone.

the five of them walked into the hotel smoothly in the middle of the frozen crowd.

Xia Xuanmo's Secretary hurriedly ran to him and said, " ya Xuanmo, young master ya, they're here, Yingluo.

Chapter 827 Wedding OR funeral?

xia xuanmo frowned. he originally thought that with liancheng yazhi's temper, he would definitely not come.

But he actually came? this yingying is a little abnormal?

Could it be that he was concerned about the feelings between them?

Xia Xuanmo glanced at his Secretary, who looked scared and nervous. Xia Xuanmo's heart suddenly thumped. For his usually calm Secretary to be so panicked, something very bad must have happened, and the surrounding sound seemed to have immediately quieted down.

Xia Xuanmo immediately turned around, and after seeing the five people with a mighty aura, his expression immediately changed exactly like many people present.

He was completely dumbfounded. He didn't know what expression he should use to express his current feelings.

the originally lively atmosphere of the entire venue instantly fell from its boiling point to zero because of the arrival of liancheng yazhi and the others. the temperature continued to drop, and the air froze. everyone seemed to be frozen.

Liancheng Yazhi and the other four were all wearing the same color. They were all dressed in black from head to toe, and all of them looked aloof and arrogant.

The four men had white chrysanthemums pinned on their chests. Rong Yan was wearing a black dress and had the chrysanthemums on her head.

For everyone present, when they saw this scene, they all had the same thought floating in their minds-how the f * ck was Qianqian here to attend the wedding? it was clearly Qianqian who was here to attend the funeral, and it even looked a little like a gang's revenge.

especially that imposing manner, it was completely saying: I'll kill whoever dares to go up!

Xia Xuanmo couldn't help but take a step back. Fortunately, he was supported by the Secretary behind him, otherwise, he would have fallen to the ground in fear.

The entire engagement banquet hall was deathly silent. Other than the sound of the five of them walking, everyone else had even forgotten to breathe.

They could swear on their lives that this was the most insane engagement ceremony they had ever seen in their lives.

Liancheng Yazhi and the other four stopped. They looked around, but the surroundings were still frozen. No one was paying attention to them.

Rong Yan was a little disappointed. She thought that these people would be in an uproar when they saw them, and then the Xia and Tang families would come to chase them away. However, it had been a few minutes, and no one had come forward. She had to admit that these people's hearts were really too weak.

She had only made everyone appear in the same outfit. She had not used her bigger trump card yet. Young master kaya,"a bigger killer move?" For example? Rong Yan (^): for example, carrying a coffin in.

"Is our entrance too special?" Rong Yan asked, puzzled.

A few drops of sweat appeared on the heads of Liancheng Yazhi and the other three men at the same time.

If this wasn't special? Then there was nothing special about Yingluo in this world.

Yesterday at Liancheng's house, when Feng nongtang and the others saw the clothes, everyone had a new understanding of Rong Yan in their hearts.

They really didn't know if all women's brains were so powerful or if only Rong Yan could have such creative thinking.

Why didn't they think of wearing funeral clothes at someone else's engagement party?

As Rong Yan grumbled, someone finally came to them. That person was Gu Hesheng.

After all, he was an old man and had experienced a lot. Although he was the same as everyone else when he first saw them, he quickly recovered from his surprise. He came to Rong Yan and Liancheng Yazhi and teased them.

Chapter 828 A special way to ruin the scene

He sized them up and laughed, ” “You guys are here?”

Then, Yingying paused again. Yingying’s present is not bad.

rong yan’s smile was bright. ” since you said so, it seems that we made the right choice. ”

lian Cheng yazhi sighed silently. he wanted to facepalm. wife, didn’t you see that gu hesheng’s words were against his heart?

Feng nongtang laughed from behind,”tomorrow’s headline will definitely be us.”

Unless it was a World War, no one would be able to beat them. This time, they had the absolute advantage and occupied the media headlines for a long time. Sigh, it was not easy to create a headline.

Rong Yan pouted. I thought it would be very lively. But looking at it now, isn’t it a little too quiet? ”

“That’s because it’s not the time to be lively yet, but it’ll be soon,” Gu Hesheng replied with a smile.

Gu Hesheng and Rong Yan’s conversation was like the key words of an unfreezing spell being recited at once, and the people around them who were frozen gradually unraveled.

The deathly silence was gradually broken, and the sounds around them grew louder and louder!

However, no one dared to step forward. They weren’t blind. With one look, they knew that they were definitely here to cause trouble. Moreover, it was four families who had joined forces. Who would dare to offend them? who would dare to step forward?

Many people were already regretting not coming if they had known earlier. It was not worth it.

Everyone thought that since Xia Xuanmo and Lian Cheng Yazhi were friends, they would definitely support their friends. But who would have thought that their way of supporting them was so special!

Xia Xuanmo finally recovered from the great shock. He took heavy steps and walked to the five people with a heavy heart.

With every step he took, Xia Xuanmo’s mood was suffering great torture. With every step, his body seemed to be swaying and heavy, about to fall down.

Xia Xuanmo once thought that this time, he might break up with Lian Cheng Yazhi and the others. He thought that they wouldn’t come to his engagement party at all, but who would have expected that they would not only come, but also appear in this way?

The impact it gave him was almost unbearable.

These people were all his childhood friends, Yingluo, but who would have thought that one day, things would come to this?

However, Xia Xuanmo did not have the confidence to drive them out.

He looked at Lian Cheng Yazhi and used all his strength to say, ” “Yingluo, do you guys have to do this?”

Without waiting for Lian Cheng Yazhi to speak, Feng nongtang picked up a glass of champagne from the waiter’s plate and brought it to Xia Xuanmo. “xuan zi, we’ve come to congratulate you despite

our past grudges, but you can't possibly drive our guests out, right? Are you really going to cut off all ties with us?"

Feng nongtang's words almost made Xia Xuanmo vomit blood.

He had come to his engagement party in a funeral outfit, but before he could say anything, he shamelessly made a bogus accusation without any sense of guilt. He didn't feel that he had done anything wrong at all, as if he was going to break off all ties with them if he said anything?

Xia Xuanmo really wanted to ask, "aren't you guys announcing that you've broken off all ties by coming here dressed like this?"

Jian Jie also picked up a glass of champagne and said, "congratulations.

"Congratulations," Kang Yu followed closely behind, his words even more concise.

All of them were saying 'congratulations', as if they were really here to congratulate him on his engagement.

Chapter 829 My wife is more important than you!

However, please don't look at Xia Xuanmo with a 'you're a dead man' look, and don't wear black clothes and talk to a dead man with white chrysanthemums, okay?

Xia Xuanmo raised his head and laughed."Congratulations? Are you guys congratulating me?"

Rong Yan nodded and said quite seriously, "of course, it's to congratulate. Moreover, if our relationship is sincere, we won't participate. However, you probably won't be able to understand our sincere feelings.

She was ridiculing Xia Xuanmo, a scumbag who played with his feelings, for not being able to understand their sincerity ()

Xia Xuanmo lowered his head and looked at Rong Yan coldly. His eyes were so cold that they pierced the bones, and there was a gradually rising hatred hidden in them.

It was all because of Rong Yan. If Rong nuo was not Rong Yan's sister, if she was not the woman Liancheng Yazhi liked, even if he did something overboard to Rong nuo, Liancheng Yazhi would never appear at his engagement ceremony in such a way.

He had turned his highly anticipated engagement into a huge joke.

Liancheng Yazhi held Rong Yan tightly in his arms and smiled at Xia Xuanmo. "Xuan 'Zi, although the way you do things is not right, we can't be like you. As former brothers, we came to attend your engagement ceremony as a way to send you off. Do you accept this favor or not? oh, i'm telling you in advance. by the way, i won't invite you to my next wedding with rong yan. you can save the congratulatory gift."

Liancheng Yazhi's words pushed all the blame for ruining the wedding onto the men and had nothing to do with Rong Yan.

At the same time, he also used his attitude to clearly tell Xia Xuanmo that Rong Yan was his wife. If he was smart, he shouldn't have any thoughts that he shouldn't have. Otherwise, Yingluo wouldn't let him off.

Third, Liancheng Yazhi said that Xia Xuanmo didn't need to attend his and Rong Yan's wedding. He was just short of saying, "we're no longer brothers, not even ordinary friends. so, you don't have to come, and i won't invite you. this engagement party will be the last time we'll meet.

Xia Xuanmo's emotions gradually calmed down. He was very clear that it was definitely not a good thing to go against Liancheng Yazhi. It might even be an endless disaster.

therefore, even if he couldn't restore his friendship with liancheng yazhi, he couldn't be hostile to him.

With a pained expression, Xia Xuanmo asked in a hoarse voice, " " liancheng, in your heart, she's more important than us, the brothers who grew up with you and accompanied you for more than twenty years, right? "

Xia Xuan mo was a very intelligent person. When he asked this question, not only did he bring him along, but he also brought along Tang San and the others.

If Liancheng Yazhi answered yes, it would be equivalent to making Feng nongtang and the others feel disheartened, which might divide them.

Similarly, if Liancheng Yazhi said no, it would make Rong Yan's heart ache.

this was a difficult question for liancheng yazhi to answer.

however, xia xuanmo didn't expect liancheng yazhi to answer without hesitation. he firmly said, " "Yes, she's more important than you."

feng nongtang wasn't surprised at all, he even curled his lips in disdain, " he's always been someone who forgets about his brothers once he has a wife and a daughter. I've long been used to it.

I knew he had this problem, " Jian Jie said.

The worst thing was that Kang Yu had actually said,"Me too. My wife Yingluo is more important than you."

His words made everyone look at Kang Yu.

.....

Chapter 830 it's better not to meet

Kang Zhen's arm was injured and had a bandage on it. However, this didn't affect his handsomeness. Without his military uniform, he looked a little more charming.

feng nong tang zheng pouted. " f * ck, master sheng, your situation is too big, yingluo. "

Back then, who didn't know that Kang Yu hated his lover to the bone? his desire to kill her had never stopped. But now, his attitude had changed so much. He even said such words. It was too subversive.

Rong Yan had always been curious about Kang Yu's wife. She smiled and said, " when are you going to bring her out to meet me? don't hide her anymore. I'm really curious and want to see her.

kang zhen was a little embarrassed by their heated gazes. " ahem, yingluo, she's a little shy. "

Rong Yan patted Liancheng Yazhi's hand. it's okay. Bring her to my house for dinner. It'll be fine after we get to know each other twice.

Liancheng Yazhi tidied Rong Yan's hair at her temples in a pampering manner. rongyan is usually alone and it's quite boring. After we get to know each other, we can have a companion when we go shopping.

Feng nongtang sighed exaggeratedly, "tsk, see?" Our young master ya only has sister-in-law in his heart. If you can even think of shopping, what else can't you think of?"

Kang Yu said, "next time, RUO RUO, next time, RUO RUO."

The few of them talked about their daily lives in front of Xia Xuanmo as if there was no one else around, completely without the awareness that a troublemaker should have.

As Xia Xuanmo listened to their conversation, his body temperature from head to toe cooled down little by little.

He was standing so close to them, but he couldn't get a word in.

Unknowingly, it turned out that Yingluo was no longer able to integrate into them!

Just as everyone was discussing Kang kun's wife, the Xia family's parents finally arrived. The Tang family also arrived, followed by the Tang family's parents, Tang han, and su Feifei.

When Su Yu saw Rong Yan, he slowed down and was the last to leave.

Father Xia was so angry that his body was trembling. Mrs. Xia was so angry that her face turned pale. She clutched her chest and looked at them pitifully. That expression was definitely accusing them of doing something heartless.

the xia family was purely a family of politicians while the liancheng family, no matter how one put it, was a very complicated, very long and mysterious family. they were said to be in business, but it was not purely because they were injured. they were in politics, but no one in the family was a politician. in fact, there were many shadows of the underworld. in short, it was a family that many people thought was confusing.

Father Xia had always had a sense of superiority over his family, just like the pure aristocrats who despised those of impure blood. Father Xia had always looked down on families like Liancheng's, but because the Liancheng family was too powerful, he had never shown it.

However, the marriage with the Xia family this time gave him some confidence. He pointed at Liancheng Yazhi and asked sternly, "What are you doing, nephew? We're considered to be friends, so don't go too far."

Rong Yan glanced at father Xia and inadvertently saw su Jue standing behind Tang han.

Rong Yan was stunned for a moment before she slowly turned her head. She didn't want to cause unnecessary trouble, so she pretended not to see it. A short, bitter smile flashed across Su Yu's eyes.

Liancheng Yazhi raised his eyebrows. i don't think so? You'll have to ask your son, he's the main character of this engagement party."

Madam Xia also started to complain. you've gone too far. How did our family offend you? "
