

Permit Me 851

Chapter 851 She can live well without a man

Because it said, "big sister, it's Rong nuo, can you answer the phone?"

Rong Yan was shocked. Rong nuo?

The unknown number just now was Rong nuo's? Why did she suddenly call? did something happen?

Rong Yan hurriedly called back, and the call went through in a short while.

then she heard rong nuo's voice, which she had not heard for a long time.

"Big sister, thank you. Thank you for everything you've done for me."

rong nuo's voice trembled like a fallen leaf in the autumn wind, but she was not afraid. however, it made rong yan's heart ache.

She didn't know why Rong nuo would suddenly say this for no reason. But it really didn't feel good!

Rong Yan was so affected by Rong nuo that she didn't even realize that her voice was also trembling a little. "wretched girl, why are you thanking me? if you want to thank me, come back quickly. without xia xuanmo, you still have me. i can afford to raise you. he's not the only man in this world. qianqian, come back. i'll find you a better qianqian."

Rong nuo's laughter came from the phone, "big sister Yingluo."

Rong Yan was even more worried. This girl's words were without a beginning or end, so no one could guess what was going on. She quickly asked, "Rong nuo, what's wrong with you? come back quickly, did you hear me? a man like Xia Xuanmo will never give up his power to be with you. If he can abandon you once for his future and status, there will be a second time. If you make a mistake in this matter, I won't have a sister like you in the future, Qianqian."

Rong nuo smiled. big sister, don't worry. I'm not that stupid. I've recently realized that what you told me in the past was right. Women can never count on men. There's no possibility between me and him at all. I used to like him, but now it's all gone, Hanhan.

Rong Yan swallowed her saliva. Why did he feel that Rong nuo's words sounded like she had seen through the mortal world? she asked worriedly, "Now that you've thought it through, don't run around outside anymore. Come back quickly."

there was a moment of silence on the other end of the phone. it was so quiet that it was as if time had stopped.

After a while, Rong nuo's soft voice was heard, "big sister, i'm sorry. i might not be able to go back."

rong yan's heart skipped a beat. the bad feeling became stronger and stronger, and she even started to feel uneasy. she asked loudly, "Why? What do you want to do?"

Liancheng Yazhi quickly walked over and put his arm around her shoulders. He patted her back gently, trying to drive away her uneasiness.

Rong nuo's voice was a little empty. I didn't do anything. I just suddenly thought through something. I can live well without a man. No matter where I am and when I am, I can live well. Don't worry, I'm not a person who will die without a man. I'm stronger than you think.

Just as Rong Yan was about to speak, she suddenly heard a flurry of footsteps from the phone, as well as the voice of a third person.

"There's someone here, don't touch Yingluo."

The man's voice was very fierce, and Rong Yan's hands trembled when she heard it. "Rong nuo, what happened on your side? Rong nuo!"

After that, Rong nuo hurriedly said, "Big sister, someone's here. I'm hanging up. Tell MeowMeow that I can't visit Yingluo. Don't make her angry."

Rong nuo hung up the phone after she finished speaking, leaving Rong Yan, who was sweating profusely, to roar at the phone. "Rong nuo, who went? Don't hang up, hurry up and explain it to me clearly Yingluo, hey, explain it clearly Yingluo."

Chapter 852-life is meaningless

Rong Yan walked around anxiously and kept calling Rong nuo's number, but no one picked up. She muttered, "It's over, it's over, something must have happened to Rong nuo, ran ran."

The more Rong Yan thought about Rong nuo's words, the more shocked she felt.

His hands were cold, and his mind was in a mess. He was flustered and at a loss.

Liancheng Yazhi grabbed her hand and squeezed it hard. "Rong Yan, don't be anxious. It's useless to be anxious at this time. Tell me first, what did you say to Rong nuo just now?"

Rong Yan's mood calmed down a little. It's because she didn't say anything that I'm anxious. That girl said a few inexplicable words, and it was as if she was saying her last words to Wanwan.

Rong Yan repeated what Rong nuo had said to Liancheng Yazhi.

Suddenly, her heart skipped a beat. She grabbed Liancheng Yazhi's wrist and said nervously, "Say, Yingluo, do you think she'll take things too hard?"

Now that Rong Yan thought about it, she felt that it was really possible. Rong nuo's words sounded like they were really meaningless and really sounded like she had nothing to live for.

Liancheng Yazhi frowned and thought for a while before shaking his head. No, no, Zhenzhen, don't think too much. Since she said that she can live well no matter where and under any circumstances in the future, this means that she doesn't have any intention of dying. She might have encountered something, but she would never commit suicide.

Liancheng Yazhi hugged Rong Yan tightly. Don't worry, I've already sent someone over. We'll get the news very soon. You have to calm down at this time. There's no use being anxious. We still have to give MeowMeow a medicinal bath. Let's go upstairs first and light the nerve-soothing incense. You're too nervous. It's not good.

In fact, Liancheng Yazhi was also very nervous now, because he could not guarantee that Rong nuo really had no intention of committing suicide.

However, he felt that Rong nuo's attitude towards Xia Xuanmo today did not seem like someone who would commit suicide.

However, what did she mean by suddenly calling Rong Yan? Why did he say those words again? it was too ridiculous.

Liancheng Yazhi thought to himself as he held Rong Yan and went upstairs.

although he tried his best to comfort rong yan, she couldn't calm down at this time. after a while, she asked lian Cheng yazhi if he had received any news.

At around 11 p.m., Liancheng Yazhi told Rong Yan, " they've already gone there, but it's empty. Everyone has left. They're still searching, and there's no news of any casualties yet, hehe.

"what about the people you sent to follow rong nuo?"

Speaking of this, Liancheng Yazhi felt very embarrassed and lowered his head in embarrassment."those people followed rong nuo upstairs, but they were caught by the hotel's surveillance cameras. the hotel security guards suspected that they were up to no good, so they went up and detained them."

The task he had assigned to those people this time was not a life-threatening one. It was just to follow, protect, and monitor the security guards. Therefore, when they encountered the security guards, of course, they couldn't really pull out their guns and shoot them. In addition, there were many people on the other side, so they could only be temporarily detained.

Rong Yan let out a long sigh after hearing this. sigh, Yingluo, I just feel uneasy. What should I do? "

lian Cheng yazhi was also uncertain now, but he still had to comfort rong yan. " it's such a big place, we can definitely find it. they're already checking the images taken by the surveillance cameras. i believe they will find clues very soon. meowmeow should take a medicinal bath, so go next door first. "

Chapter 853 i keep feeling that something big is going to happen

In fact, Liancheng Yazhi had also hidden something from Rong Yan. The second group of people he had sent found blood and bloody handprints on the stairs leading to the last floor of the roof.

Moreover, Yingying's place was already under surveillance. It was not easy for his men to go up and see it.

Liancheng Yazhi really didn't dare to tell Rong Yan. She was very tense right now. If he told her this, she would not be able to sleep all night.

Liancheng Yazhi sighed silently. Xia Xuanmo and Rong nuo were actually here to collect debts from them, right?

After giving

Before she fell asleep, Rong Yan held Liancheng Yazhi's hand and asked, " "Still no news?"

Liancheng Yazhi thought for a while and could only casually give a reason. it's late at night, and all the hotel staff on duty have changed shifts, so the progress is slow. It might take until tomorrow.

Rong Yan turned over in Liancheng Yazhi's arms. "I keep feeling like something's going to happen."

This feeling was very strong, making her heart beat faster than usual, and her brain was a lot more tense.

Liancheng yazhi's hands pressed on rong yan's temples and massaged them gently. he said softly, "You just like to overthink. You saw Rong nuo's performance at the engagement party today. I think she's very normal. Do you think she's someone who would seek her own death?"

at that time, she didn't look like it. I was afraid that after Xia Xuanmo talked to her, she would have other thoughts.

"Baby, the most important thing for you now is to rest. If you don't rest well, even if something really happens to Rong nuo, you won't be able to help. Everything will be known tomorrow, and by then, you have to cheer up and support Rong nuo. If she is bullied by the Xia family, you still have to help her vent her anger."

Under Liancheng Yazhi's persuasion, Rong Yan finally fell asleep after almost an hour.

However, after she fell asleep, Liancheng Yazhi did not feel sleepy. His mind was filled with Rong nuo's matter as he waited for Secretary Zhou's news.

He lay on the bed in a half-asleep state, but it did not take long for the sky to brighten. At five o'clock in the morning, the phone on the coffee table by the bed suddenly lit up. Although it was on silent mode, there was no ringing or vibration, but Liancheng Yazhi still woke up. He quickly picked up the phone and it was indeed Secretary Zhou's call.

Liancheng Yazhi carefully pulled his arm out from under Rong Yan's neck. Then, he lifted the blanket and sneaked into the bed. Without even wearing slippers, he rushed into the bathroom with his phone.

After quietly closing the door, he quickly picked up the phone.

"Did Secretary Zhou find Rong nuo?"

young master ya, miss Rong nuo has found Hanhan. Secretary Zhou had a hard time last night. Ever since he received Liancheng Yazhi's call at ten o'clock, he had been busy and had not slept for the whole night. He had not rested for a while, so his voice was particularly hoarse at the moment and sounded very tired.

Upon hearing this, Liancheng Yazhi quickly asked, "how is she now? did something happen?" Are you hurt?"

secretary zhou hesitated for a while on the other end of the phone. he didn't know how to continue. he took a deep breath and said, young master ya, don't worry. Rong nuo is not injured. Her physical and mental condition are good, but something happened to Xuanji and Xia Xuanmo.

Chapter 854 Rong nuo pushed Xia Xuanmo down the stairs?

Liancheng Yazhi did not have much patience to talk about Rong nuo. "I don't care what happened to Xia Xuanmo. You just need to bring Rong nuo back."

Today, he had to bring Rong nuo to Rong Yan, otherwise, she would be worried to death.

Secretary Zhou scratched his head in embarrassment. After struggling for a while, he finally braced himself and said, " "young master ya, something happened to Xia Xuanmo, so Miss Rong nuo can't bring Hanhan back now."

When Liancheng Yazhi heard this, he cursed in a low voice. What happened here again? What did Xia Xuanmo's accident have to do with Rong nuo?

He asked, "what does Xia Xuanmo's accident have to do with Rong nuo?" What happened?"

Secretary Zhou stuttered, "Xia Yingluo, Xia Xuanmo is hospitalized, Yingluo."

"you're hospitalized?" A light suddenly flashed in Liancheng Yazhi's mind, and he immediately quivered. He instantly felt that a thought that he should not have appeared in his heart. Liancheng suppressed that thought with all his might and asked Secretary Zhou, " "He's injured?"

"Yes, Xia Xuanmo was injured. He fell down the stairs and hit his head. He is now in a coma. His mother, Madam Xia, was so frightened that she had a heart attack. Both of them are currently in the hospital, and Rong nuo was the only one at the scene, so the police took her away for the time being." Secretary Zhou tried to make things sound less tense, but it seemed like Wanwan couldn't. No matter what, this was a very serious matter.

After Liancheng Yazhi heard this, he was stunned and immediately shouted in a low voice, " "Why? The police will go?" Liancheng Yazhi didn't care how Xia Xuanmo rolled down the stairs. He only focused on this point: where did the police go?

At that time, the only people present should have been Xia Xuanmo, Rong nuo, and Madam Xia. The mother and son of the Xia family had both passed out. At most, Ran ran could have called the ambulance. Why would the police go there for no reason?

Secretary Zhou sighed and said, " yesterday at the Xia and Tang families' engagement banquet, there were many policemen in charge of security work around. It is said that Ran ran is the security guard in the monitoring room and saw them arguing in the corridor. After the incident, the police quickly went. Xia Xuanmo's father ordered that Ran ran's matter must be investigated and that she must be dealt with strictly.

Liancheng Yazhi's face instantly turned cold. Father Xia knew that the Liancheng family and his family had already made enemies, so he wanted to use this matter to fight with the Liancheng family. He wanted to make the first move so that he could find a better opportunity in the future.

Liancheng Yazhi cursed. This old man's plan was smart, but he had to see if he was willing to let him have his way.

"The one surnamed Xia, you suspect that Rong nuo accidentally pushed Xia Xuanmo down?"

Secretary Zhou scratched his head. Father Xia was not suspicious, but he was almost certain that Rong nuo was the one who did it, and he was determined to put Rong nuo in jail for the crime.

he didn't dare to say it, so he only said, "A copy of the surveillance video in the monitoring room has been taken away by the police. It seems that there is a scene of Rong nuo pushing Xia Xuanmo, and it will be used as evidence, ran ran."

Liancheng Yazhi sneered. I know. It's not a big deal. So what if she rejected it? since he wants to deal with it strictly, I'll see how he will deal with it. You arrange it well and don't let Rong nuo suffer inside. If Rong nuo really suffered, Rong Yan would have to blame him.

Secretary Zhou hurriedly said, "yes, it's been arranged. Other than the temporary lack of freedom, everything is fine."

Chapter 855 You can escape for a while, but You Can't Escape Forever

if he didn't make the arrangements, he wouldn't dare to report to Liancheng yazhi.

In this era where privileges were prevalent, if it was an ordinary family, they could have gotten Rong nuo out first. However, the Xia family and Xia Xuanmo's status as the Vice Governor naturally could not be neglected. The police and the CHA Bureau did not dare to offend either side, so they could only do it according to the rules.

Liancheng Yazhi then ordered, "keep an eye on Xia Xuanmo and Madam Xia's condition in the hospital. They are witnesses. When they wake up, the police will go to them to collect evidence as soon as possible."

as long as Xia Xuanmo woke up, he would definitely not say that it was Rong nuo who pushed him. at that time, it would be useless even if there was a video as evidence.

"Okay, I'll plant some of our people among the doctors and nurses in the hospital." Secretary Zhou nodded.

In the end, Liancheng Yazhi actually said, "go back and rest after you're done with your business."

After Secretary Zhou heard that, he almost burst into tears. He said excitedly, "Yes, young master ya!"

After hanging up the phone, Secretary Zhou wiped away the tears that had come out. Oh my God, did you open your eyes? It was unbelievable that young master ya would ask him to rest. The sun must have risen from the West today.

in contrast to secretary Zhou's excitement, Liancheng yazhi was really annoyed.

He scratched his hair a few times. Rong nuo and Xia Xuanmo were too noisy, much more so than he and Rong Yan in the past. At that time, they were much less troublesome than the two of them now. [Secretary Zhou: young master ya, other than not being injured, do you think you have any other way to save trouble than others?]

Liancheng yazhi paced back and forth in the bathroom, thinking about how to tell Rong Yan about this thunderous incident today.

He now more or less understood why Rong nuo had suddenly called Rong Yan and why she had suddenly said those words that had no beginning or end.

Rong nuo had said that no matter where she was in the future, no matter when, she would be able to live well. What was she implying? Or did he really think she pushed Xia Xuanmo?

Liancheng Yazhi really couldn't understand Rong nuo. When Xia Xuanmo fell unconscious and Madam Xia fell ill, she could still call Rong Yan so calmly and say so much. What was she thinking in her heart? was she completely indifferent to Xia Xuanmo's life and death?

Liancheng Yazhi was conflicted for a long time. In the end, when the sky was completely bright, he directly washed up in the bathroom before going out.

Although he had not slept at all and had a slight headache, he was not sleepy at all because of Rong nuo's matter.

after they left the washroom, liancheng yazhi sat by the bed and looked at rong yan. He felt like running away.

He thought to himself, "why don't Yingluo go to work first and tell Rong Yan about this after she comes back from work? otherwise, I'm really afraid that she won't be able to take it if she says something like this in the morning.

However, since it had already happened, even if he could escape for a while, he couldn't escape forever. It was useless to hide it, so he still had to tell Rong Yan.

Liancheng Yazhi sighed. Why were there so many things happening recently? because of Rong nuo and Xia Xuanmo, his family had not had a peaceful day for a long time.

If Rong nuo's matter was really blown up, then it would be even more difficult to live in peace in the future.

Originally, Liancheng Yazhi thought that as long as he and Rong Yan lived a good life without quarrelling or quarrelling, they would be able to live a very happy life. However, he did not expect that it was not what he thought it was after they really lived together as a couple.

.....

Chapter 856-very disadvantageous to rong nuo

It didn't mean that they could live a happy life without quarrelling. There were many people and things around them that would affect them.

Because they had friends and family, they had to have a normal social circle.

just like where there were people, there would be 'jianghu'. this saying should actually be said that where there were people, there would be trouble.

However, Liancheng Yazhi always believed that this was just a drizzle and that it would be over after a while. As long as Rong Yan was by his side, there was nothing he could not get through.

to be more selfish, although rong nuo and xia xuanmo's matter had an impact on them, ran ran was not their matter. at most, they would be annoyed and would not have any substantial impact.

Thinking of this, Liancheng Yazhi felt a little better.

.....

Rong Yan was worried about Rong nuo and woke up at eight o'clock. When she saw Liancheng Yazhi, she asked, "Is there any news?"

Liancheng Yazhi told Rong Yan what he had thought of. not yet. Secretary Zhou gave me a call this morning. He said that he would only give me accurate information at nine O 'clock.

rong yan frowned. " nine o 'clock? why is it until nine o' clock? "

Liancheng Yazhi pulled Rong Yan up and pushed her into the bathroom. he'll have to wait for everyone to go to work and then interrogate them one by one. All of this takes time. Since you're awake, then get up. Breakfast is ready. Eat while we wait.

Rong Yan turned around to ask Liancheng Yazhi, but he had already gone to call MeowMeow, so Rong Yan had to wash up first.

after eating an uneasy breakfast, they finally waited until nine o 'clock. liancheng yazhi knew that he could no longer hide it. he looked at rong yan seriously and said, " "Rong Yan, Zhenzhen, I'm telling you about Rong nuo, but Zhenzhen, you'd better be mentally prepared."

Rong Yan's heart instantly clenched when she heard that. "Something happened to Rong nuo? Is it a big deal?"

"Yes, it's quite a big matter, and it's not good for Rong nuo." Liancheng Yazhi nodded, his tone heavy.

Rong Yan immediately reached out her hand. wait, don't say anything. Give me some time to prepare. After Rong Yan stood up, she walked back and forth a few times and took a few deep breaths before she finally sat back down. "It's done, you go first, I'm ready, Yingluo"

Liancheng Yazhi looked at Rong Yan's nervous expression and was really a little worried that she wouldn't be able to accept it if he told her the news.

okay, then I'll tell you, ran ran. Xia Xuanmo is injured. He fell down the stairs and fell on his head. He's currently in a coma and is lying in the hospital for treatment. Madam Xia saw that her son had a heart attack and was also sent to the hospital, ran ran.

Rong Yan's brain was a little tangled as she asked in a daze, " "Xia Xuanmo deserved to be injured, but does this have anything to do with Rong nuo?"

the topic became heavier and heavier. liancheng yazhi rubbed the space between his eyebrows, lowered his head, and said, " at that time, only Rong nuo and the Xia family's mother and son were present. Moreover, the surveillance camera at that time seemed to have captured ran ran, ran ran, it seemed that Rong nuo had pushed Xia Xuanmo down, so the RAN ran police have temporarily taken Rong nuo away for investigation.

Rong Yan felt that her brain was completely useless now. Rong nuo had pushed Xia Xuanmo? Rong nuo had been taken away by the police?

how could things have changed so drastically in just one night? She was originally worried that Rong nuo would be convinced by Xia Xuanmo and then compromise, but now she was not afraid that she would compromise, but this happened. Was she complaining that they were living too comfortably, so she was deliberately causing all these things?

Chapter 857 The true love of legend

Although Rong Yan was extremely shocked after hearing the news, she was much better than Liancheng Yazhi had thought. At least she did not faint.

rong yan grabbed liancheng yazhi's hand. "Rong nuo pushed Xia Xuan mo? Why did you push him?"

"It seems that Rong nuo and Xia Xuanmo had a dispute in the stairwell," he said.

Rong Yan suddenly stood up, her eyes spewing fire."Dispute? It must be some bastard who is pestering Rong nuo and wants to die but is also a burden to others."

Seeing Rong Yan's angry look, Liancheng Yazhi was relieved. As long as she was not frightened, he quickly comforted Rong nuo."Don't worry, this matter has not been concluded yet. It's not certain yet. We need to confirm with the technical team whether it was Rong nuo who pushed the person in the video. Besides, I'm here. Even if she really pushed the person, I won't let anything happen to her. You can rest assured."

"Then, can I go and see ran ran?" Rong Yan asked Liancheng Yazhi.

rong yan wasn't particularly worried about this because huahua was someone with a strong backing. as long as liancheng yazhi stood on her side, she would definitely be fine.

although she hated xia xuanmo, he had better not be in danger now. if he was really dead, it would be troublesome to get rong nuo out.

Liancheng Yazhi nodded. sure, but you have to ask Secretary Zhou to arrange it first. He was busy the whole night and didn't have time to act together, so I asked him to go back and rest first. However, the police station has already arranged it, and no one will torture him to extort a confession or anything. Other than the temporary lack of freedom, she's eating and living well.

After asking about bu Rong nuo's matter, Rong Yan asked, "Where's Xia Xuanmo? Are you seriously injured?"

Liancheng Yazhi thought for a moment before saying, "he's a little heavily injured, but he's out of danger after emergency treatment. He's still in the ICU, Yingluo.

The doctor said that Xia Xuanmo's brain had suffered a serious injury, so it was a little difficult to tell when he would wake up.

Liancheng Yazhi decided not to tell Rong Yan about this.

The person who had been an eyesore in front of him yesterday was now lying in the hospital in a coma after one night. It was not a good feeling.

Rong Yan didn't know how serious Xia Xuanmo's injury was, so she said angrily, "It's fine as long as you're not dead, Zhenzhen."

Liancheng Yazhi followed Rong Yan's words and nodded. yes, as long as she's not dead. After Xia Xuanmo wakes up, the police will go and collect evidence. He will testify for Rong nuo to prove that she did not push her.

no, Xia Xuanmo is a bastard. Don't place your hopes on him. With the engagement incident as a lesson, Rong Yan had absolute doubts about Xia Xuanmo's character.

Liancheng Yazhi patted Rong Yan's shoulder. of course, he's not the only one. I have other arrangements. It's just that Xia Xuanmo's testimony is the simplest and fastest way. Don't worry, I will arrange everything!

Rong Yan sighed. How could she not worry about Yingluo? Yingluo was simply too annoying.

.....

Xia Xuanmo was lying in the hospital, and it was difficult for the doctor to say when he would wake up, so the marriage between the Xia and Tang families was put on hold.

After hearing about Xia Xuanmo's situation, the Tang family's heart was pounding. They wanted to cancel the previous agreement between the two families. After all, the two families had not officially married.

However, Tang Ziyu had always insisted. She really liked Xia Xuanmo. She said that as long as Xia Xuanmo didn't die, she would marry him, regardless of whether he would wake up or not. This was the legendary true love.

Chapter 858 She is a murderer

Tang Ziyu's infatuation didn't change, so the Tang family had no choice but to wait and see.

Anyway, this was not a bad thing for them.

Xia Xuanmo was the future hope of the Xia family. Now that he was lying in the hospital and the 'murderer' was Rong Yan's sister, father Xia hated the Liancheng family to the bone and was bound to use Xia Xuanmo's injury to fight against the Liancheng family.

no matter who won or lost, it would not be a bad thing for the other families.

Because, no matter which family lost, it would be equivalent to clearing up a portion of 'space' in the imperial capital, giving some people the opportunity to rise.

This was the logic of a Sandpiper and clam fighting.

Xia Xiaofu's mother, who was lying in the hospital, had a heart attack. After emergency treatment, she woke up the next evening.

When the police received the news, they consulted the doctor and, with the doctor's consent, came to her for evidence.

The two police officers, a man and a woman, were experienced officers in the police station.

The two of them sat by the bed, one in charge of asking questions and the other in charge of taking notes.

In order to cooperate with Madam Xia and prevent her from having excessive emotional fluctuations, she was in charge of waking up the policewoman, Cha, who was in charge of questioning her.

The policewoman smiled gently and greeted him, "Hello, Madam Xia. We have some questions for you. We hope you can answer Yingluo truthfully based on what you know."

Madam Xia started to cry. I'm not feeling well, not well at all. My son is still lying there, and we don't know when he will wake up. How can I be well? "

The policewoman, Cha, quickly consoled her. Madam Xia, don't cry. Vice Governor Xia will get better. Your health is more important, so you have to take care of yourself. Can we start now? "

Madam Xia raised her sleeve to wipe her tears. "That's enough, Yingluo, go ahead and ask, Yingluo."

"Were you there when the incident happened?" the policewoman asked.

Madam Xia nodded her head, her face ashen with pain. "It was Yingluo. I was there and I saw it clearly."

"Then, can you describe the situation again?" the lady police officer asked after some hesitation.

It was quite cruel for a mother to describe the process of her son rolling down the stairs. However, she had no choice. This process had to be done.

Madam Xia's face gradually showed an expression of hatred. She described the scene and the conversation between the two.

/Are Deputy Governor Xia/Yingluo, and Yingluo Rong nuo Yingluo's relationship// The policewoman asked carefully.

Madam Xia gritted her teeth and said, "I don't know what the relationship between that woman and my son is. I only saw that woman push my son. She was the one who pushed Xuan mo down. Ran ran, she's the murderer. You must catch her, sentence ran ran, and put her in prison, ran ran."

The policewoman sighed. This was the most difficult confession she had ever taken. The other party's identity was too special, and she had to be especially careful when questioning him and take into account his emotions.

If this official's wife fell ill again because of them, the common people would not be able to take responsibility.

The policewoman comforted her. Madam Xia, please calm down first. If Rong nuo really pushed Vice Governor Xia, we will definitely enforce the law impartially. We are still in the investigation stage. When we have the results, we will give you and your family a fair and just explanation.

Madam Xia immediately screamed, "what's there to investigate?" I was the witness, I saw it clearly. She reached out and pushed Xuan mo down. That cruel Vixen, she will die a terrible death!"

Chapter 859 The sinister old white flower

The policewoman hurriedly said, "Madam Xia, Madam Xia, please calm down. Don't get too worked up. We're the police. No matter what case we're dealing with, we have to follow the rules and procedures. We can't skip any of the necessary procedures. This is the law."

The policewoman was really afraid that Madam Xia would get so agitated that her illness would act up again. She was just a small policewoman and couldn't afford to get into such trouble.

Finally, they finished recording their statements and walked out of the ward. Both of them heaved a long sigh of relief.

The male policeman said, "it's finally done. Sigh, this kind of official's wife is really difficult to deal with. By the way, have you asked Rong nuo?" Madam Xia's testimony is very disadvantageous to Yingluo."

The policewoman shook her head. I tried to ask her, but she didn't say a word. She didn't say anything. She's like a block of wood.

"didn't they take any measures?"

The policewoman laughed, "means?" Don't even think about it, don't think that the Xia family is powerful, Rong nuo also has someone behind her. The higher-ups have instructed that she must be provided with good food and drink, and must be served like a master. If she doesn't want to say it, you must not force her to say it. "

the policeman asked curiously, "who's her superior?" Even more powerful than the Xia family?"

I don't know. In any case, our chief doesn't dare to offend anyone. Didn't you see? ever since he received this case yesterday, he was so anxious that many of his hair turned white. This is a difficult case, and he can't afford to offend either side.

"Even if we can't afford to offend either side, this testimony and the surveillance video are all pointing at Rong nuo. How can she turn things around?"

"That will depend on the power of the person behind him."

.....

Madam Xia had just finished recording her statement when Liancheng Yazhi received the news.

young master ya, Madam Xia insisted that it was Rong Yan who pushed Xia Xuanmo and even asked the police station to deal with this case strictly and quickly. Madam Xia's testimony and the surveillance footage are very lethal to miss Rong nuo. With these two points, it will be very difficult for her to turn the situation around.

After hearing this, Liancheng Yazhi wanted to pull Madam Xia out and shoot her. She was really a sinister old white flower.

If all the evidence proved that Rong nuo had pushed Xia Xuanmo, it would not be easy to drag her out of the mud.

liancheng yazhi scolded secretary zhou. "If it was easy to turn over, would we still need you? Rong Yan wants to see Rong nuo, so you can make some arrangements. You can continue to manage Rong nuo's Affairs. I only have one order, no matter what method is used, Rong nuo must come out intact."

yes, young master ya, I understand. Secretary Zhou was vomiting blood in his heart. Now, with a witness and material evidence, Rong nuo's 'crime' was basically confirmed. It would be extremely difficult to get Rong nuo out at this time.

young master ya, when can you teach me some simple missions?

After hanging up Secretary Zhou's phone, Liancheng Yazhi hesitated. Should he tell Rong Yan Madam Xia's testimony?

Because this was really not good news. No, it should be said that there was not a single piece of good news today. It could simply be described as a continuous stream of bad news.

After hesitating for a long time, Liancheng Yazhi finally decided to tell Rong Yan the matter after drawing his own lot.

After he finished speaking, Liancheng Yazhi added one last sentence, ” “that’s it, madam xia has woken up, the police went to record her statement, and she did not hesitate to accuse rong nuo of being the murderer, yingluo.”

—

Chapter 860 The sisters were speechless

As soon as Rong Yan heard this, she grabbed a pillow and hit it hard. There was a ball of anger in her heart that she had nowhere to vent.

She said angrily,”I knew that old Vixen wouldn’t say anything good. She actually wanted Rong Yan. She’s taking revenge on Qianqian.”

After scolding her in a Huff, Rong Yan said to Liancheng Yazhi, ” “Arrange for me to see Rong nuo as soon as possible. I want to know if she has pushed it or not.”

“alright, i’ll arrange for you to meet him tomorrow.”

Rong Yan sat on the sofa dejectedly and covered her eyes.”Why did things develop to this point?”

The unexpected turn of events really made one feel heavy and exhausted.

Although Rong Yan really hated Xia Xuanmo, to be honest, he had never thought that he would die or be seriously injured. She just wanted Rong nuo to leave quickly and then take revenge on Xia Xuanmo. She had never had any excessive malicious intentions.

Liancheng Yazhi sat beside him and hugged her shoulder.”we’re humans, no one can predict what will happen in the next second. No one knows how things will develop in the end. Although this is the case, Yingluo, we can try our best to make the outcome better, right? I think Rong nuo is a very calm person. She shouldn’t have pushed Xia Xuanmo. After you go there tomorrow, you have to calm down and talk to her properly. Try not to agitate her. ”

” i know, i’ll stay calm, yingluo. ” rong yan nodded.

After she finished speaking, she buried her head into Liancheng Yazhi’s arms and hugged his waist. “Hubby, we’ll be fine, won’t we?”

liancheng yazhi puffed up his chest. ” of course. we must be very, very good. who dares to come and ruin our happiness? ”

Rong Yan finally smiled. “Compared to Xia Xuanmo, I think you’re very good.”

Liancheng Yazhi immediately said very proudly, ” “I’ve always been much better than him, Yingluo”

.....

the next day, rong yan finally saw rong nuo. that day, she specially asked for leave from gu hesheng and went to the police station at about four o’clock in the afternoon.

The meeting between the two sisters was not like a meeting between a ‘family member and a suspect’. The two of them looked a bit like the time they met in a coffee shop many years ago.

Rong nuo was sitting there drinking tea when the door was pushed open. Seeing Rong Yan walk in, she raised her hand and smiled. "Big sister Yingluo"

Rong Yan's mood was depressed. After walking over, she found that Rong nuo's mental state was very good. His hair was not messy at all, his clothes were clean, and his eyes were very energetic and bright. He seemed to have had a good rest.

Rong Yan walked over and sat opposite Rong nuo. Without saying a word, she pushed the thermal lunch box in her hand to Rong nuo.

It had been more than three years since the two of them had sat down face to face to speak. If they were in a different place or time, Rong Yan would be very happy. However, she really couldn't bring herself to be happy at this time.

rong nuo opened the thermal container happily. the fragrant chicken soup instantly made her smile."Big sis even brought me some good food. You're so nice. Thank you, Wanwan. You don't know the food here. To be honest, it's really not good."

rong nuo did not stand on ceremony at all. she poured a bowl and picked up a spoon to drink.

Rong Yan just sat there and looked at Rong nuo and the soup silently. Her feelings were very complicated now because she did not know what Rong nuo was thinking.

Even though they were sitting face to face, she still couldn't see through him.

This girl's thoughts were so real that it was hard to figure them out.
