Chapter 861 Atone for his own sins

The two sisters sat there, one drinking chicken soup while the other watching. No one said a word, and the atmosphere was so quiet that it was depressing.

Rong nuo seemed to be really hungry. After drinking the bowl of chicken soup, she finished all the meat inside.

Rong Yan did not speak. After Rong nuo finished eating and wiped her lips clean, she asked, "Don't act like nothing happened, just say what you need to say."

Rong Yan also wanted to catch up with Rong nuo and talk about how she had been in the past few years.

However, when she looked at her face to face, she realized that the distance between the two of them seemed to have grown a lot. Rong nuo was no longer the little girl from back then, and she could no longer continue to treat Rong nuo as a little girl.

Rong nuo smiled and said very calmly, big sister, I'm not pretending. I'm fine, really, better than any of you can imagine.

Rong Yan gritted her teeth. She had always told herself to calm down, but in the face of Rong nuo's indifferent appearance, she was really angry. "Good? You're fine now? Without freedom and being charged with intentional injury at any time, is that good?"

Rong nuo nodded. yes, very good. This is the most clear-headed moment I've ever been in these past few years. I know best what I should do in the future and what path I should take.

"You mean, Xia Xuanmo's fall woke you up?"

Rong Yan was so angry that she just said it casually, but she didn't expect Rong nuo to nod. yes, the moment he fell, I suddenly felt enlightened.

Rong Yan suddenly slammed the table. "Yingluo, you're trying to anger me to death."

Rong nuo opened her hands and smiled at Rong Yan. There was a feeling of being reborn in her smile. eldest sister, calm down. Look at me, don't you think I'm very good now? I feel like I've finally walked out of the mud."

I don't care, " Rong Yan said angrily. tell me, what's your attitude towards Xia Xuanmo? "

I used to like her, but that's in the past. Yingluo has completely let it go now. Rong nuo's tone was very light, as if she was talking about something that had happened a long time ago.

Rong Yan didn't believe him and asked, "have you really gotten over it?"

yes, I've gotten over it. Otherwise, I wouldn't have remained so calm even though I knew he was seriously injured and hospitalized.

Rong Yan sized up Rong nuo. It was true. This girl looked too calm now, without any worry at all. When she mentioned Xia Xuanmo now, it was as if she was talking about a stranger.

Rong Yan leaned forward and asked in a low voice, Then tell me, did you push Xia Xuanmo down?
"

Rong nuo still smiled. whether I pushed her down or not, it doesn't matter now.

"How is it not important? do you really want to go to jail?" Rong Yan shouted angrily.

rong nuo smiled faintly and looked at rong yan with her bright eyes, making her heart tighten. rong yan grabbed rong nuo's hand and told herself to tell her,"It's okay, Yingluo. Even if you pushed her, I can make it look like you didn't push her."

However, Rong nuo still said what Rong Yan did not want to hear the most,"Big sister, Qianqian thanks you, but Qianqian doesn't need it."

rong yan suddenly shook off rong nuo's hand,"why? Are you crazy?"

rong nuo raised her head and looked at her, and said very seriously, big sister, I'm not crazy. I know what I'm doing. The past few years were the worst years of my life. I need to atone for my sins, not for anyone else, but for myself.

Chapter 862 Washing the dirt off her body

Rong Yan looked at Rong nuo expressionlessly. Suddenly, she grabbed Rong nuo's arm and pulled him out. there's something wrong with your brain. I don't think it's Xia Xuanmo who fell. It's you. If you've lost your mind from the fall, you'd better go to the hospital right now.

Rong nuo and Rong Yan were in a stalemate, one pulling forward and the other retreating.

" i'm not sick. i feel that i've been too dirty for the past few years. i want to find a place for myself to banish and wash away the dirt from my body. then, i can be a new me. "

After Rong nuo finished speaking, Rong Yan raised her hand and gave Rong nuo a slap. She really wanted to wake Rong nuo up. This wretched girl was too infuriating.

the police officers who had been watching through the glass outside quickly pushed the door open and rushed in when they saw the situation.

Rong Yan's eyes were ferocious as she shouted angrily,"get out! Who let you in?"

It was not easy to be the police either. They could not afford to offend Rong Yan, but they could not let anything happen to Rong nuo either. "Madam Liancheng, please calm down and deal with this RUO RUO."

Rong Yan scolded sternly,"go out for a walk."

The police officer was stunned by the drink, but he still went out in the end.

This was the first time Rong Yan had hit Rong nuo. After hitting her, she was also very surprised, but she did not regret it.

She pressed on Rong nuo's shoulder. who hasn't done something wrong in life? who doesn't have a stain on their body? according to what you said, all those girls should die. Even when I was with Liancheng Yazhi, wasn't I also a mistress? Should I have beaten Liancheng Yazhi up and then run to prison to atone for my sins?"

A palm print appeared on Rong nuo's face, but her smile did not diminish. Instead, she was much happier.

She had always known that Rong Yan was good to her and sincerely wanted the best for her.

He was willing to hit her because he was angry that she didn't live up to his expectations. He was so angry because he cared too much about her.

She calmly said what was in her heart, " "Big sister, you know that we're different. Brother-in-law is not Xia Xuanmo, but he's much better than him. You and brother-in-law may not have been normal at the beginning, but you two ended up well. You see, you're so happy now, but Xia Xuanmo and I are different. If it's exposed, I'll be his scandal? do you think we're the same as you?"

rong yan's nails dug into rong nuo's shoulder as she trembled with anger. if you want to torture yourself or suffer, it's not a problem. I can torture you to death every day. There's no need to go to jail.

Rong nuo did not seem to feel the pain and still smiled. Madam Xia has already said that I pushed Xia Xuanmo, and the angle of the surveillance video showed that I stretched out my hand. These are the real evidence of the crime. Even if it's brother-in-law, it will take some effort to get me out. Besides, the Xia family doesn't want to let go this time, so there's no need to put brother-in-law in a difficult position because of me. Besides, I really want to cut off all ties with Xia Xuanmo. If Zhenzhen wakes up and says that he fell on his own and not pushed by me, I'll be the one to blame. Then I'll owe him again."

" i don't want to have anything to do with him, not even a little bit. yingluo can use this opportunity to cut off all our future possibilities. "

rong yan's hand slowly slid down from rong nuo's shoulder, and her anger from just now subsided a little."You've really made up your mind?"

.....

Chapter 863 Make him regret it for life

rong nuo nodded,"yes, it has been decided, and i will not change qianqian."

This time, she was determined to make this decision. She was going to be ruthless to herself and give herself a knife to remember the pain so that she would not make the same mistake in the future.

moreover, rong nuo knew very well what kind of person xia xuanmo was. he would not let go of her so easily, so she had to give him a reason not to come to him.

This time, she had chosen to remain silent and go to jail on her own accord because she wanted to wash away the dirt on her body and be a clean person.

Secondly, she was also afraid that Xia Xuanmo would wake up in the future and say that she was innocent. Then, she would owe him again and continue to pester him.

Third, it was also because of ran ran that Xia Xuanmo would regret, blame himself, and feel guilty in the future. He would never have the courage to stand in front of her again, and he would never dare to come to her. Only then would she be able to live a peaceful life in the future.

Rong Yan felt that her anger and energy had all been used up. She really didn't know what to say. She sat down silently. you really don't need me to help you? "

Rong nuo knew that if she let Rong Yan just watch and not help, this would definitely be very difficult for her to accept in her heart. After that, she would definitely blame herself and feel guilty,

so she smiled and said as if she was joking, "how can i not ask for your help at all? i still have a big favor to ask of you, big sister."

"tell me, what do you want me to help you with?" rong yan looked up at rong nuo.

Her eyes were encouraging and indulgent, as if she was saying: Tell me, as long as it's something you want to do, no matter what it is, I'll help you do it.

rong nuo smiled and said, "big sister, help me reduce my sentence by two years, yingluo."

When Rong Yan heard this, she laughed for some reason. She raised a hand and poked Rong nuo's forehead fiercely. you wretched girl, I really thought that you wanted to spend the rest of your life in prison.

After saying that, Rong Yan felt her eyes go dry. There was an inexplicable bitterness and joy in them. At least she was sure that Rong nuo was not purely self-abusing, and at least she wanted to spend the rest of her life in prison.

Rong nuo covered her head and said with a bit of girlish pouting, "How can that be? I still want to live with big sister after I get out. When that time comes, you have to take me in, Yingluo."

rong yan's eyes became even more sour, and she turned her head away from rong nuo. "who took in a heartless guy like you? you can go wherever you want to go. "

Rong nuo knew that Rong Yan had always been a person with a sharp mouth but a soft heart, especially to her. The more she said this, the more it proved that she was good to her. Rong nuo said coquettishly, "Hehe, I'm thick-skinned anyway. I won't leave even if you chase me away, Yingluo."

Just as Rong nuo finished speaking, she thought of another thing and said very excitedly, "and, by then, meowmeow should be in school. you and brother-in-law might have your second or third child by then. i'll help you look after the child and take meowmeow to and from school. you and brother-in-law can go on a honeymoon, yingluo. "

Rong Yan's eyes became redder and redder, but she held back her tears and did not let them fall. Instead, she raised her hand and patted Rong nuo's head with a lot of strength. since you're willing to be my nanny, I'll reluctantly agree to let you stay at my house in the future. If you dare to go back on your word this time, we'll really have nothing to do with each other anymore, Wanwan.

Rong nuo held her head and pretended to be in pain while laughing. "I'm telling the truth this time, really, I won't go back on my word again!"

Chapter 864 She didn't give up on life, which means she didn't give up on life

The two of them had been talking for a long time. Although the police officers outside were nervous, they had to remind them, " "Mrs. Liancheng, Zhenzhen, it's been two hours. Zhenzhen, do you want to take a look?"

Although he didn't want to leave, he had already said most of what he needed to say. There was no reason for him to stay.

Rong Yan nodded. I understand. I'll leave in ten minutes!

After getting Rong Yan's reply, the police quickly went out, giving the sisters the last ten minutes to spend with each other.

Rong Yan did not like to say anything emotional, but at this time, she knew that she still needed to give Rong nuo some emotional support.

She raised her hand and combed Rong nuo's hair that she had just messed up with her fingers, "you're an adult now. there are many things that you don't need me to make for you. although i can't accept qianqian's decisions, i have no reason to interfere with you. you can decide your life yourself. i don't agree with qianqian and i don't want to support you, but qianqian, you have to know that i'll always be behind you. "

Rong nuo bit her lip and forced her tears back. I know, I always knew. If you didn't tell me, I wouldn't be so strong now.

If Rong Yan had not warned Rong nuo time and time again that year, if she had not said those words and become Rong nuo's support, so that she would not become a Canary who completely relied on men to live, she was afraid that she would have really collapsed now, and even wanted to die.

rong yan's throat was dry. it was time to talk about the problem that she had to face in reality, but she felt like there was a stone stuck in her throat.

rong yan only felt a little better after a while. she said, " you've chosen to silently agree to this matter, so the rest of the process will definitely go smoothly. Liancheng and I will help you arrange it. In the future, even if Yingluo goes in, we won't let you suffer or let others bully you, Yingluo. Don't worry.

Rong Yan knew that it was impossible to persuade Rong nuo to change her mind. The only thing she could do was to make her life better in the future.

Rong nuo nodded. yes, I'm not worried. With you and brother-in-law here, even if I go to Yingluo, it'll be like a vacation.

Rong Yan gritted her teeth. She really wanted to beat this girl up again. Was she playing when she was in prison? how could he say it so easily?

rong nuo was afraid that rong yan would be angry, so she quickly said, there's one thing. Big sister, you have to help me collect the money I've gotten from Xia Xuanmo all these years. You can help me manage it. When I get out, I'll have some assets.

Rong Yan suddenly wanted to laugh, because Rong nuo's way of doing things was really similar to her Huanhuan in the past. No matter what happened, she couldn't not take the money.

Although being someone else's mistress wasn't a glorious life, and it was even a stain, the money was what they deserved. Even if they were criticized from the moral high ground, they could continue to keep the money in their pockets without any hesitation.

Moreover, Rong nuo was able to say such words at this time, which made Rong Yan's heart feel more at ease.

Because under such circumstances, she was still concerned about his money. This at least showed that she had not given up on life. Not giving up on life meant that she had not given up on her own life.

Rong Yan could finally be sure that Rong nuo really wanted to use this opportunity to start over.

Rong Yan pretended to be angry. aren't you afraid that I'll swallow it all? " she asked.

“If I’m not afraid, Yingluo, you wouldn’t care about my small amount of money, Yingluo.”

.....

Chapter 865 Second meeting

Ten minutes passed quickly, and Rong Yan had no choice but to leave. After saying goodbye to Rong nuo, she got up and left.

Rong nuo remembered something and quickly called Rong Yan. “Big sister Yingluo”

Rong Yan turned around. what’s the matter? ”

Rong nuo hesitated. I, Huahua, still have one more thing to do. Can you help me again? ”

“You tell me.” Rong Yan sighed. At this time, even if Rong nuo asked her to kill Xia Xuanmo in the hospital, she would do it. She really would.

Rong nuo smiled bitterly. I haven’t been home to see my father for a year. Speaking of which, I’m really an unfilial daughter. I may not have time for a few years in the future. Can you, Yueyue, help me to go and see him? ”

Rong Yan was stunned for a moment. She had almost forgotten about Rong shenghai. If Rong nuo said that she was unfilial, then she should be more selfish and worse than Rong nuo. She nodded.”Okay, I’ll go and see him. In the future, I’ll take care of him, Hanhan.”

Rong nu was so happy that he quickly thanked her. thank you, eldest sister. Father is still living at the old place. He hasn’t changed all these years.

“Yingluo, don’t worry. I’ll go.”

“Big sister, don’t tell him about me. Just tell him that I went abroad to study and won’t be back for a few years.”

“Good Yingluo.”

.....

They finally walked out. Although Rong Yan’s mood was different from when she came in, she was still as heavy as before. Rong Yan raised her hand to wipe away the tears at the corner of her eyes and strode out.

Not long ago, Rong Yan had found out that Gu youran’s sister was in prison. At that time, she had even told Liancheng Yazhi that she hoped that the two sisters would not become like the Gu sisters in the future.

But who would have thought that she had only casually mentioned Wanwan at that time, and it had come true not long after!

rong yan really regretted saying that. what was wrong with her brain at that time? Why did he say that?

Rong Yan felt remorseful and blamed herself as she walked out of the police station with her head lowered. When she arrived, Liancheng Yazhi was still at work and did not come to send her off.

Moreover, he also took into account that the two sisters had something to talk about in private and it would not be good for him to follow her, so he did not come. However, if Rong Yan did not go home when he got off work, he would definitely come back to pick her up. He should be waiting outside by now.

Rong Yan felt very depressed now. She was so anxious to see Liancheng Yazhi as soon as possible, so she walked very fast and didn't even look at the road in front of her.

When she reached the door, she bumped into someone walking towards her.

although rong yan hadn't seen him yet, she subconsciously said, "i'm sorry, yingluo."

after she finished speaking, she planned to walk around the person she had bumped into and continue walking.

However, he heard the other party say, "oh yingluo, you're that mourning clothes yingluo."

Mourning clothes? These two words reminded Rong Yan that she had gone to attend the engagement party of the Xia and Tang families. Moreover, the other party's voice seemed a little familiar, so she looked up.

She was dumbfounded when she saw the person. It was a familiar face that she had met once before. Moreover, it was someone who gave many people a headache, especially the Tang family.

This person ... Was Tang Zong.

Rong Yan was stunned. She didn't expect to meet Tang Zong here. This was the police department. Who would come here for no reason?

The sky was already dark, and the chances of meeting Tang Zong here were even slimmer than if an outsider were to attack earth.

Most importantly, it was very awkward because even though they had met, they had not greeted each other and it was not good to leave at the moment.

Chapter 866 The bottle smashed on his head

There were quite a few people following behind Tang Zong, including the police officer and his ghostly female bodyguard. Today, he was only wearing a pure white shirt, with a few buttons unbuttoned at his collar, revealing his fair skin. His hair was a little wet, and it was in several locks. Even so, Tang Zong didn't give off the aura of a ruffian or evil person. He still looked like an obedient child, like a model student who had just come down from a sports field.

However, his handsome face would never be deceived by the eyes. Tang Zong's angelic appearance could not fool him.

Just as Rong Yan didn't know whether to leave directly or say goodbye before leaving, her Savior arrived.

Liancheng Yazhi alighted from the car in the dark of the night and quickly walked in front of her. He directly pulled her from Tang Zong's front into his arms and gently said, "you've seen them all?"

"Yes, I've already finished talking to her." Rong Yan heaved a sigh of relief and nodded.

“It’s late. Let’s go home for dinner.”

Although Tang Zong had been recruited back to the country by Liancheng Yazhi, they were not really close to Tang Zong. Furthermore, Liancheng Yazhi did not intend to be pretentious with Tang Zong.

Hence, Liancheng Yazhi nodded slightly at Tang Zong and got into the car with Rong Yan in his arms.

Tang Zong watched Rong Yan and Liancheng Yazhi’s back as they left, then turned to look at the police station. He raised his eyebrows and said, “Such a coincidence?”

“Why is she here?” Tang Zong asked.

The police officer with a bandage on his head didn’t dare to get too close. He said carefully, “Mrs. Liancheng’s sister is currently being held in the police station.

now that you mention it, I remember that Xia Xuanmo is still in the hospital. I don’t know if he’s Dead or Alive. although xia xuanmo’s matter was not made public, rong nuo’s arrest was also known to a few people, including the tang family.

Although the Tang family wouldn’t tell Tang Zong about this matter, they couldn’t stand Tang Zong, who was always conscientious and unforgiving when it came to defaming their family. He was always paying attention to their family’s Affairs, so he knew about it.

When he saw Rong Yan today, Tang Zong didn’t think of it. After the police reminded him, he finally understood that Rong Yan had come to the CHA Bureau to see her sister who had been arrested.

Tang Zong felt that this was a little interesting. Although this matter was a dispute between the Liancheng family and the Xia family, the Tang family was still behind it.

What should he do at this time?

Tang Zong thought to himself as he led a group of policemen into the police station.

After entering the office, he sat down like a boss and asked, “What do you want to do about my business?”

The police officer who still had a wound on his forehead was very aggrieved. He said very carefully, “then, Yueyue, can you settle this matter between you and Yueyue privately? we really can’t afford to interfere.

The reason for Tang Zong’s arrest today was ... A group fight!

Furthermore, he had broken the other party’s ribs and legs, and the other party was currently being treated in the hospital.

At that time, the police received a report that someone was causing trouble at XX bar and that there was blood on the floor. When they rushed over, Tang Zong was still sitting on top of the other party and beating him up. Then, the police didn’t know his identity and tried to stop him, but Tang Zong ‘accidentally’ smashed the other party’s head with a wine bottle.

Later on, when the Xuanji police found out about Tang Zong’s identity, they did not want to join in the fun. However, this kid went against them and happily returned to the police department.

Chapter 867 Are you saying that I'm more delicate than a woman?

This was really hard on the police. Their luck had been really bad recently. The Xia family had been playing games, and it was already difficult for them to lock up Rong nuo like a boss. Now, there was an even more difficult Tang Zong. Was he trying to torture them to death?

The police wanted to settle the matter between Tang Zong and the injured family in private. However, Tang Zong was never a normal person. He actually said, "Aiya, I'm also a law-abiding person. Since I've hurt someone, I have to be punished no matter what. You can't bend the law for your own benefit. Just do what needs to be done, Yingluo. I haven't been locked up yet. Try it out, Yingluo."

The police wanted to cry when they heard this. How weird was this person? how fickle was he? how shameless was he?

Law-abiding? If you had these four words on you, everyone would be able to use their feet to pick up chopsticks and eat.

Bending the law for personal gain? They also wanted to do things impartially, okay? But if he really did that, who would be the unlucky one?

the unlucky ones were these poor little police officers.

The most terrible thing was that this guy actually wanted to try what it was like to be locked up. Why didn't you say that you wanted to try what it was like to be shot?

And that Rong nuo too, ever since she reached the police station, she didn't say a word. Later, she finally said, "Since the evidence points to me, then let's do it according to the evidence!"

Why did all of them want to stay in this movie recently?

in the past, this was a place that everyone despised. it was definitely not delicious to come in. why did it suddenly become so popular?

such a change was really hard to adapt to!

The group of police officers started to wipe their sweat with their sleeves. don't, don't. You're someone with status. The conditions here are too harsh. You definitely won't be used to it, aww.

These words made Tang Zong unhappy. He smiled and said, "Didn't you say that the sister of that woman in mourning clothes was locked up here? If she can endure hardship as a woman, do you mean that I'm more pampered than her?"

Although he was smiling, everyone could already feel his deep malice, so they quickly denied it. "No, no, of course it's not Yingluo."

Tang Zong stood up. that's good. I'm also a man. I've never been in the police department, nor have I ever been locked up. How can I be considered a man? "

At this moment, the police were really suffering. He was too shameless, too shameless.

facing such a shameless bastard, they had no choice.

if the other party wanted to be locked up, what else could they do? they could only do as they were told.

As for what to do?

When he reported to the director, the director took a long drag on his cigarette and said, "It was done according to Rong nuo's specifications.

Speaking of Rong nuo's standards, the place they arranged for her was actually not a prison, but a lounge in the police station, and they had specially decorated it. They did not even restrict her freedom, but she did not move around.

because everyone had been tormented by the two of them recently, they had been suffering from excessive anxiety and fear. therefore, when arranging the room for tang zong, officer cha had a little bad intention.

The resting room he arranged for Tang Zong was right next to Rong nuo's. His original intention was that since the two of you were making a scene, he would arrange for the two of you to be closer to each other. When he saw the two of you bump into each other, he would do his best to make a scene. It would be best if he could torture the two of you. Anyway, Hanhan had already reached this stage, how far could she go if she continued to make a scene?

.....

Chapter 868 cold-blooded women are the scariest

later on, the facts proved time and time again that this decision was right (wu)!

And Tang Zong, this kind (spirited) guy, would always do things that you would never think of even if you opened your mind to the Great Rift Valley of East Africa.

.....

Rong Yan got into the car. On the way home, she told Liancheng Yazhi about the contents of her conversation with Rong nuo today.

After Liancheng Yazhi heard this, he was very surprised."she made this decision?"

"it's about ran ran's decision." rong yan nodded.

what's wrong? " Liancheng Yazhi asked again, "are you sure that ran ran didn't take any medicine when she's mentally normal? "

Rong Yan continued to nod and sighed. "yes, it's normal, very normal. qianqian is calm. when i talk to her, i feel like i'm being angry and that's abnormal. "

I really didn't expect this, ran ran. Liancheng Yazhi couldn't help but say.

He secretly felt a chill in his heart. When he learned that Xia Xuanmo was seriously injured and unconscious, he had a little sympathy for him.

Now, it was at the stage of deep sympathy.

rong nuo's decision and her explanation to rong yan made liancheng yazhi certain of one thing.

That was ... Rong nuo was a cold-blooded woman who was even more terrifying than Rong Yan.

At least, Rong Yan would not be so cruel to herself. She would not be willing to go to jail and use such extreme self-punishment to wash away the stains on her body. She would use this method of losing her freedom to cut off the possibility of her and Xia Xuanmo reconciling in the future.

It's simply ...

Liancheng Yazhi could not think of any words to describe it.

To be able to use such a ruthless move that would cause both sides to suffer losses so calmly against him, it was simply too terrifying.

At first, Liancheng Yazhi thought that Rong nuo was dealing with things, and the way she spoke was gentler than Rong Yan, not as sharp as her.

But now, it seemed that Rong Yan's sharpness was so cute.

Liancheng Yazhi held onto his face and kissed him a few times. He hesitated and said, "I, Yingluo, really sympathize with Xia Xuanmo now!

Rong Yan licked her lips,"to be honest, I'm also a little embarrassed."

After saying that, Rong Yan patted her lips. "No, why should I sympathize with him? although you don't have to care too much about Rong nuo's matter, after it's handed over to the court, you have to help with the sentencing. Reduce the sentence by a few years, and it's best if Huanhuan can be released in a short time."

Liancheng Yazhi took her hand. yes, " he said. this is easy.

Rong nuo did not let Liancheng Yazhi help her exonerate herself, which basically solved all his difficulties. As for the time when he would be sentenced, that would be easy to talk about.

Rong Yan's face darkened,"also, it's true that Yingluo was really Yingluo after he went to prison."

Liancheng Yazhi did not wait for her to finish and knew what she wanted to say. I know Hanhan will make arrangements for her when she's really in prison so that she won't suffer and won't be bullied. I understand. It's just a small matter, Hanhan.

sigh, Huahua, I feel like I've been muddled through the whole day today, Huahua. Rong Yan lay her head in Liancheng Yazhi's arms, and all the strength in her body was drained. Now, Rong nuo's matter was finally settled, but this kind of result was really not what she wanted to see. She was very annoyed with Huahua.

"It will be over soon. Rong nuo has her own thoughts, and this is her choice."

Chapter 869 Who is the most pitiful person?

Liancheng Yazhi gently patted her shoulder. No one had expected Rong nuo to make this choice. Of course, no one wanted to see this scene, but he selfishly thought that it would be good to have a result as soon as possible.

Although she might be depressed for a while, it would pass.

Rong Yan thought that Norb might be locked up in there for a lifetime and would come out sooner or later. Moreover, it would not be for too long. At that time, Rong Yan could let go of this matter.

Rong Yan didn't say anything more. She lay in Liancheng Yazhi's arms and absorbed the warmth from his body, slowly calming down the shock from her conversation with Rong nuo today.

Liancheng Yazhi smiled and comforted her. don't worry about this. Get well as soon as possible. If you want to think about Rong nuo or Xia Xuanmo, you will be happy if you think about who will end up worse.

Rong Yan thought about it for a while and couldn't help but laugh.

liancheng yazhi was right. comparing rong nuo to xia xuanmo, rong nuo was indeed much better.

Think about it, if not long after, Rong nuo's case was settled and Xia Xuanmo woke up again, when he found out that Rong nuo had been sentenced because of him and that it was his own mother and father who had put him in prison, would he even want to die? Of course, according to his character, he would probably only feel regret and frustration, but he would still have to fight for the Xia family's political career after the matter.

However, at that time, Xia Xuanmo was just a walking corpse. At that time, just as Rong nuo had planned, he would not look for her again, because he was too ashamed to do so.

Thinking about it this way, wasn't Xuanji Xia Xuanmo even more pitiful?

Rong Yan's answer was yes.

However, he could not rule out the possibility that Xia Xuanmo was a cruel and unscrupulous guy. Maybe he would marry someone else happily and ignore Rong nuo at all.

Rong Yan's mood finally improved. She thought of Tang Zong and asked Liancheng Yazhi, "i bumped into tang zong at the entrance of the police station today. what do you think he's doing there at this time?"

Meeting Tang Zong today was an unexpected accident, so Rong Yan was a little curious.

"I don't know, but it's definitely nothing good. In the future, if you see that kid, stay away from him. Don't get close to him." Liancheng Yazhi was still very concerned about crazy people like Tang Zong.

"you don't have to tell me that. i know that he won't get too close to him."

Rong Yan was still rather wary of Tang Zong. It was just like if you saw a lunatic on the street, anyone with a brain would definitely walk around him and not intentionally bump into him.

Rong Yan shook her head. let's not talk about him. He's looking for the Tang family anyway. It has nothing to do with us.

"Alright, let's not talk about him anymore. Since that sister-in-law, Rong nuo, has already made this decision, then the process will definitely be quick. Now that the 'witnesses and evidence' are all here, and the Xia family is so eager, the day of the court hearing will definitely be very soon. Are you going to go then?" Liancheng Yazhi knew that asking this would definitely make Rong Yan sad, but he had to face this.

it was not the hardest day yet. on the day of the court hearing, watching rong nuo be convicted and listening to the judge's verdict was the most torturous.

Rong Yan shook her head,"I, Zhenzhen, don't know, Zhenzhen."

She didn't know if she would have the courage to sit in the court and see the scene with her own eyes.

Chapter 870 The young master is as beautiful as a flower

Rong Yan buried her head in Liancheng Yazhi's chest."Let's wait and see how I'm doing then, Yingluo."

If she was already in a much better mood and could take it, she would go. If she couldn't, then forget it. She was really afraid that she wouldn't be able to control herself.

okay, we'll talk about it when the time comes. Don't be so dejected. You must be happy when you get home. Don't go to Gu Hesheng's place tomorrow. You're in a bad mood. I'll take you and MeowMeow to the suburbs to relax.

Rong Yan thought for a while. good, Yingluo.

If she were to look for Gu Hesheng in her current state, she would not be able to get anything out of it. She might even put him in a bad mood.

Since that was the case, she might as well not go. When these difficult days were over, she would make up for it.

After returning home, Rong Yan called Gu Hesheng. Mr. Gu, I'm really sorry. Something has happened to Yingluo's family in the past few days, so I might not be able to go. I'll make it up to you in the future.

When Gu Hesheng faced Rong Yan, he was a very easy-going and kind old man.

it's fine. If you're in a bad mood, go out more often. Don't stay at home alone. Come back when you're in a good mood.

"Thank you, I'll remember this, Yingluo."

.....

so, the next day, liancheng yazhi called shang feng, long tang, and a few others to bring barbecue tools. the group of people went to the suburbs to enjoy the maple leaves. it was already autumn, almost the 15th of august. the weather was high and cool, and it was a good day to climb high and look at the suburbs.

When they reached the scenic Area in the suburbs, the group found a place with good scenery on foot and began to prepare.

Feng nongtang asked curiously,"young master ya, why did you suddenly think of having a picnic today?" It's been a long time since you've come out to play. I remember that the last time we all gathered together for an outing was seven or eight years ago. Tsk tsk tsk, it's been so long in the blink of an eye?"

He helped to set up the tent and said, " "Yeah, look at how many wrinkles you've gotten from the corners of your eyes."

feng nongtang picked up a small stone from the ground and threw it over. " "Go, go, go, you're the one who's got wrinkles. This Little Lord is still as beautiful as a flower."

“as beautiful as a flower? You have this thing?” Because Kang Yu’s arm was injured, he sat there like a boss and played with another young lady.

“Of course,” Feng nongtang winked at Kang Yu, “do you have a problem with that?”

Then, she saw Kang Zhen cover MeowMeow’s eyes with his big hands. “Don’t look, be careful you won’t be able to eat today.”

Wind on Tang Zhenzhen

When it was time to eat, Rong Yan and Jian an were the chefs, while the other young masters could not even do the odd jobs.

Feng nongtang asked Liancheng Yazhi as he ate, “why did you suddenly come out today?”

Liancheng Yazhi fed MeowMeow as he said, ” “bring rong yan to relax.”

“What’s wrong? sister-in-law is not in a good mood, yingluo.”

Liancheng Yazhi glanced at Rong Yan and then told her about Rong nuo.

After he finished speaking, the atmosphere became quiet.

They could only hear the sound of the wind, and they even forgot to eat.

After a while, Feng nongtang shivered and swallowed, ” f * ck, Yingluo, this Yingluo is too ruthless, “he lamented as he rubbed his arm.

Kang Zhen took a big bite out of the chicken wing. The delicious food he had just eaten seemed to have lost its taste. “It’s Yingluo, a very ruthless Yingluo.”

” no wonder sister-in-law is in a bad mood, yingluo. ” it would be strange if she could get better at this time.
