

Permit Me 871

Chapter 871 Filled with deep malice

Feng nongtang muttered in his heart, the older sister is ruthless, the younger sister is even more ruthless.

he looked at

It's so scary just thinking about it, Yingluo.

For a woman to be so ruthless, it was simply 'unprecedented' that they had seen. At least, they would not be able to find such a woman around them.

After roasting the food, Rong Yan sat down and asked Kang Yu, "kang yu, why isn't your wife here?"

Kang Yu rubbed his nose, "she's busy today. Next time," he said.

They had yet to recover from the shock of what Liancheng Yazhi had said just now. When they saw Rong Yan, they still felt a little cold in their hearts.

Kang kun felt a little relieved. Luckily, his wife was still simple-minded, at least Kinder than the Rong sisters. She wouldn't have played such a cruel trick.

"Remember to bring her over next time."

"Oh, I'll remember that, Yingluo."

.....

The outing this time actually didn't change Rong Yan's mood much, but Yingying had thought it through a little.

She was a human being and could only care about her own matters. She could not care about others, even if they were her own family. Therefore, she could only let everything go naturally.

Time passed day by day, and the Mid-Autumn Festival passed in the blink of an eye. However, this day was destined to not be spent in peace, so everyone dispersed after having a meal.

However, Xia Xuanmo still did not wake up in the hospital. Liancheng Yazhi said that ran ran actually did not wake up because his injuries were too serious. Also, ran ran's parents were afraid that once he woke up, they would say that Rong nuo was not guilty, so they discussed with the doctor and decided to let him wake up after Rong nuo's case was settled.

After Rong Yan learned of this news, she sneered. The Xia family, who was seeking death, wanted to solve Rong nuo's case. So be it. In the future, there will be plenty of times for you to regret it.

Because of the Xia family's urging and the Liancheng family 'staying out of it' this time, the case progressed very quickly. After Rong nuo's case was transferred to the court, the trial was about to start in less than two weeks. This speed made Rong Yan feel even more malicious towards the Xia family. How impatient were they?

The day before the trial, after Rong Yan and Liancheng Yazhi had discussed it, they went to the police station. By right, Rong nuo should have been in the detention center at this time, waiting for the trial to end and then be transferred to the prison to make a fuss.

However, Rong Yan wasn't very clear about what was going on inside. Anyway, Xuxu and Rong nuo didn't move and were still in the police station.

From the beginning, this case had not been handled according to the normal rules and regulations. The police and the court were all pawns, and the mastermind behind the scenes was the key.

Since Rong nuo wouldn't run away after the Xia family, and the Liancheng family wouldn't ask, then what did it matter where she was before she was imprisoned?

When they arrived at the police station, the male police officer on duty saw Rong Yan and quickly stood up. "Madam Liancheng, what are you doing here?"

"I'm here to see Rong nuo, can't I?" Rong Yan said.

"Yingluo, of course you can! Yingluo"

Rong Yan walked past him, planning to find her way there herself.

However, he stopped her. The other party was in a difficult position and said guiltily, "Madam Liancheng, Yingluo, your sister Yingluo, is not here now.

Rong Yan was shocked. Then where did she go?"

.....

Chapter 872 the last day of losing freedom

As soon as she heard that Rong nuo was not there, Rong Yan was anxious. At this time, where else could Rong nuo have gone? she was afraid that she had said something unpleasant. That was a suspect, and a suspect who was waiting to be convicted.

Please don't let anything happen again. Now, as long as Rong nuo was involved, Rong Yan's heart would be particularly uneasy.

The policeman said carefully, "She went out to Yingluo, but Yingluo will be back before 10 pm, Yingluo."

rong yan's face darkened. she didn't know what to say now. went out?

Why did this sentence sound so funny?

The police allowed the 'suspect' they were holding to move freely and didn't even care if he went out?

How assured were these guys in uniform? Was he not afraid that Rong nuo would really run away and not come back?

Rong Yan really didn't know what to say now. She asked, "Did you send someone to follow them?"

The policeman shook his head, "no, no, no!"

They were the most aggrieved. Did they really want to let a suspect go? it was because Wanwan had no choice.

Besides, were there any lack of such unruly incidents recently?

have you ever seen a suspect living in such a good place, being served by a group of police officers, and the bureau chief having to pay his respects to him once a day? have you ever seen a suspect living in the police station the day before the court hearing?

After experiencing such an incredible thing, the suspect went out for a walk on his own, probably to enjoy his last free time in the next few years. There was nothing to be surprised about.

In any case, they were already used to it.

Rong Yan was very anxious and asked, "did she go out by herself?" For what?"

The police officer continued to shake his head. I don't know. Maybe it's because ran ran has a trial tomorrow, so miss Rong wants to experience the last bit of her freedom.

Rong Yan thought about it and realized that Huahua was right.

Try to imagine, if he knew that he would lose a few years of freedom after tomorrow, that he would no longer be able to run freely and breathe the air of freedom, perhaps she would also want to enjoy her last moments the most.

thinking about it this way, rong yan was not worried anymore.

It was a good thing that Rong nuo was concerned about the free world outside. It was much better than having nothing to worry about and going back and forth.

however, she was a girl and the xia family was keeping a close eye on her. what if something happened?

"She's going out alone. What if something happens to her?" Rong Yan said unhappily.

Rong Linyi, miss Rong, didn't go out alone. Yueyue went out with Mr. Tang. the police chastised in his heart again. Why are you yelling at me? I'm the most innocent one, okay? how could i stop them if they wanted to go out together?

Rong Yan frowned. Mr. Tang? Where did this Mr. Tang come from?

"Can you repeat that?" she asked.

The police officer didn't know what he had said wrong, so he answered nervously, " "Zhenzhen, who went out with Zhenzhen and Mr. Tang."

"Who is Mr. Tang?" Rong Yan approached him and asked sternly.

The young policeman felt uncomfortable under Rong Yan's gaze and took a step back.

"It's""it's""Tang Zheng, Mr. Tang Zong""

after rong yan heard this, she was dumbfounded. she dug her ears, thinking that she had heard wrong. then she asked, " "Who did you say again?"

The police officer was about to cry. Why did he ask why so many times? "Mr. Tang is Xuanji, Mr. Tang Zong!"

Chapter 873 The fighter among the lunatics

Rong Yan finally understood this time. Tang Zong urged her to tell herself that it was Tang Zong with the same name. It must be Zhenzhen.

“which tang zong do you think it is?” However, Rong Yan’s eyes suddenly widened as she said in a dark voice. The fierce-looking cousin was so scared that he almost fell to the ground.

The police officer was so scared that he retreated, “Yingluo is the one you bumped into at the entrance that day, that Mr. Tang Zong.”

rong yan’s hand struggled a few times in the air. in the end, she clenched her fist tightly. “tang zong, tang zong, tang zong, xuanji.”

She said the name ‘Tang Zong’ three times in a row. Then, she began to pace back and forth in the room, extremely anxious.

Damn it, it’s really that perverted Tang Zong. It’s that Tang Zong who specializes in fighting against his own family. It’s that crazy man, Tang Zong!

When Rong Yan heard this news, she felt like she was going crazy. Why, why, why?

Why did Tang Zong bring Rong nuo out? How did Tang Zong know Rong nuo?

Rong nuo and Tang Zong, how could the two of them be related? They had already gone out together. How intimate was this already?

Many images kept jumping in Rong Yan’s mind, all of which flashed past in a flash. She couldn’t see them clearly even if she wanted to, but she felt that she was going crazy. Thinking about how Tang Zong was now with Rong nuo, she felt that she could not accept it at all.

Was Rong nuo’s brain damaged by Red Medicine? Why did she go out with Tang Zong? Wasn’t she afraid of being toyed to death by that kid?

It’s not scary for Rong nuo to go out alone.

The scary thing was, damn it, the person who was going out with him this time was Tang Zong, the Lethal Weapon of the world, an offensive weapon with destructive power that could spread out.

Rong Yan patted her head and turned back and forth in the room as she mumbled like a crazy demon.

Suddenly, Rong Yan turned around and grabbed the collar of the police officer. tell me, why is Tang Zong with Rong nuo? how did they meet?”

Instantly, the policeman was so frightened that he wanted to call for his mother to save him!

His eyes were too brutal, too brutal, and too inhumane.

“This Zhenzhen, this Zhenzhen, is the one who bumped into you the other day. That day, Zhenzhen ran into Mr. Tang Zong because he intentionally hurt someone during a fight and was brought back. At that time, we wanted him to leave, but Mr. Tang Zong said that he had never been locked up before. Hence, he refused to leave, Zhenzhen.”

He spat and continued, "after that, we had no choice but to arrange a room for Qianqian according to the way we treated miss Rong. Qianqian had very few rooms when she rested, and they were next to each other. So, their rooms were neighbors. Qianqian and Qianqian naturally got to know each other.

The police officer looked at Rong Yan who was about to go berserk. He thought about it and swallowed the rest of his words. He could not tell Rong Yan that this was not the first time that Rong nuo had been taken out by Tang Zong. There had been a few times before this.

He felt that if he told this to Rong Yan, her hands might not be grabbing his collar but strangling his neck instead. It would probably not be over if he was not strangled to death.

For the sake of his own life, he had to keep the secret and not talk nonsense.

As for how Rong nu met Tang Zong, he would not say because he did not know either. He really did not know. Not only him, but everyone else also did not know who Wanwan was.

Chapter 874 Tang Zong, you strange thing

In the first two days of Tang Zong's arrival, to be honest, he was quite well-behaved and did not have any contact with Rong nuo. However, a few days later, when everyone looked up, they saw Tang Zong bringing Rong nuo into the office and saying to them, you guys continue working. We're going out for a while and will be back tonight. Since you're working so hard, we won't disturb you. Bye

Then, under the dumbfounded gazes of the group of people, Tang Zong walked away in a suave manner.

Then, everyone was dumbfounded.

What was going on? It's not scientific, Yingluo.

Also, the two suspects who requested to be detained, can you not ignore them like this? Were they really that weak?

After the first time, there was a second time, and then a third time. However, because Tang Zong had used the little bit of trust he had left to bring Rong nuo back on time, everyone turned a blind eye to this matter and pretended not to have seen it. But who would have thought that this time, it would be such a coincidence that the time of their arrival was the same as Rong Yan's. So, they were the only ones who would be unlucky.

Rong Yan didn't know what to say.

just what kind of probability was this? what kind of damn fate was this that would cause such a coincidence to happen?

Rong Yan deliberately hurt people, and Tang Zong also deliberately hurt people. Do you have to be so unified? Tang Zong, you're such a weirdo, can't you change the crime?

Damn it, there were so many police stations in the entire imperial capital, why were they all sent to the same one?

And that Tang Zong, when you're causing trouble and beating people up, can't you run to a further place? Why did he choose this area? Rong Yan really wondered if this guy was doing it on purpose.

And these police officers, can't you guys change Tang Zong's location? next door, go to your mother's next door. Under such circumstances, it would be strange if nothing happened.

Especially when the other party was Tang Zong, the Great Demon King of the dark Association. Did he have any ulterior motives towards Rong nuo? What was he trying to do?

The more Rong Yan thought about it, the more she felt that the world was too dangerous. When Tang Zong was involved, she couldn't think in the normal direction.

Rong Yan continued to ask, "when did the two of them start to interact? did Tang Zong do anything overboard?"

The policeman replied cautiously, "we've been in contact with this Zhenzhen for a few days. Mr. Tang Zong is still rather polite, and Zhenzhen has not done anything to miss Rong."

He definitely couldn't tell Rong Yan what the situation was like when they were together. He definitely couldn't tell Rong Yan how shameless Tang Zong was and how indifferent miss Rong was.

Haha, haha, haha. Rong Yan laughed dryly after hearing that. She turned around and said coldly, "Do you think I'm an idiot? Courtesy? Tang Zong will know how these two words are written. Just tie your belt around your head."

Polite? polite?

even if you beat her to death, she would never believe that tang zong had this word in his head.

The policeman said softly, "I'm saying Yingluo is really Yingluo."

After a while, the police officer said kindly, " "You see, they won't be back until 10 p.m. Why don't you go back and take a walk first?"

Rong Yan said sternly, " no, Zhenzhen! she could not leave. She had to wait for Rong nuo to come back and see with her own eyes that she was safe and sound. Only then could she be at ease. She could only leave after seeing with her own eyes what plans Tang Zhijun had.

She gritted her teeth, "today, I'll wait here for Yingluo."

Chapter 875 Can this be considered fate?

Rong Yan turned around and continued to walk forward, directly entering Rong nuo's room to rest. Once she sat there, her whole body exuded a fierce aura, making people not dare to approach.

the police officer who had brought her the tea quickly ran out after putting it down.

"How was it?" someone asked after she ran out.

it's so scary. Everyone, please leave. When miss Rong and Mr. Tang return, the Big Bang will happen.

everyone had a bitter expression on their faces as they looked at each other. in just a short while, there was no one left. usually, when they mentioned the mission, especially when it was almost time to get off work, no one was willing to go. this time, one was more enthusiastic than the other. only two people were left who were supposed to be on duty.

Rong Yan waited and waited for two hours, but the two of them still did not come. Instead, she received a call from Liancheng Yazhi.

Liancheng Yazhi's worried voice was heard. "Why aren't we home yet? What happened?"

Rong Yan wailed, grabbed her hair, and said, "Tang Zong brought Rong nuo out with him, Zhenzhen. What kind of thing do you think this is?"

Liancheng Yazhi was stunned for a moment and quickly looked at the phone. That's right, it's Rong Yan?

so he didn't hear it wrong? Rong nuo and Tang Zong, these two names were now being said in one sentence, and the key point was that they were 'together'.

These two simple words sounded so strange at this moment, as if they were abnormal electric waves that suddenly invaded the brain.

Such words indeed sounded worrying.

Liancheng Yazhi hurriedly said, "don't worry. Tell me, how did Tang Zong and Rong nuo get involved?"

Rong Yan fell head first on the small bed that Rong nuo was sleeping on and hit the pillow hard with her hand. I don't know either. Today, the police here told me that when I bumped into Tang Zong at the door, he was brought in because he had fought and injured someone in the bar. Initially, they wanted to let him go, but I don't know what that bastard was thinking, but he actually imitated Rong nuo and said that he had not tasted the feeling of being locked up and wanted to stay here for a few days. Then, the police arranged a lounge for him and said that it was a matter of life. the lounge is next to rong nuo. don't you think that's nonsense?"

After listening to Rong Yan's complaint, Liancheng Yazhi could only sigh after being stunned. There were all kinds of strange things in the world. There were only things you couldn't imagine, but nothing couldn't happen. This world was always so mysterious and misty.

Although he didn't want to admit it, he had to admit that there were too many coincidences between the two of them. Could this be fate?

"Are you still at the police station?"

"Yingluo is here. I'm waiting for them to come back. I must see them." Rong Yan had made up her mind this time. She would not go home until she saw Rong nuo and Tang Zong.

Liancheng Yazhi sighed. He was very puzzled as to why there were so many things going on with Rong nuo. Why?

In order to understand Xia Xuanmo, she had to go to jail. In the end, just as she was about to go to jail, Tang Zong was dragged in. These two men were more difficult to deal with than the other.

AI ~~

"Wait for me, I'll go now. What if you can't handle Tang Zong on your own?"

“Alright, Yingluo, you do it.” Rong Yan thought so too. She really didn’t have much confidence when facing Tang Zong alone.

Liancheng Yazhi told Butler li, ” I’m going to pick up Rong Yan. I might be back a little late. Look after MeowMeow. When she’s sleeping, if we haven’t come back yet, you should coax her to sleep first.

Chapter 876 Only when you’re full will you have the strength to fight

yes, young master. Butler li nodded.

Liancheng Yazhi lowered his head and kissed You have to listen to the housekeeper.”

MeowMeow pouted. can I go together? ” Daddy Yingluo ”

liancheng yazhi shook his head. “no, you have to eat later. otherwise, you won’t be able to grow tall. mom and dad are already adults, so we’re not afraid.”

He was also considering whether to bring

In the end, Liancheng Yazhi made up his mind and left under MeowMeow’s reluctant gaze.

He drove to the police station alone, and when he arrived, Tang Zong and Rong nuo had not returned yet.

When Rong Yan saw Liancheng Yazhi’s figure, she immediately sat up and said happily, ” “You’re here, Yingluo.”

Liancheng Yazhi was still afraid of Rong Yan before he came, but now he was mentally unstable. But when he saw her messy hair, he immediately laughed out loud.

“I brought you some food. Come, eat something to fill your stomach first.”

he took out the food he bought on the road from the plastic bag, then raised his hand to tidy rong yan’s hair.

Rong Yan shook her head with a sad face,”but I can’t eat it, Yingluo.”

Her heart was in a mess right now. Thinking of Rong nuo and Tang Zong, how could she still eat?

Liancheng Yazhi pinched her nose.”you have to eat even if you can’t. otherwise, when you meet tang zong later, where will you find the strength to fight him?”

When Rong Yan heard this, she instantly became excited and sat up abruptly. She took a deep breath.”Alright, Yingluo, you’re right. We can only fight Tang Zong after we’re full.”

to deal with tang zong, that lethal monster, there was no way he could do it without exerting all his strength.

She had to be prepared in advance. No matter what, she had to be full of energy to fight against Tang Zong with full health.

Liancheng Yazhi laughed,”that’s right, come and eat more Kasaya.”

rong yan said as she ate, ” why do you think xuanji and rong nuo have so many things to do recently? did she offend the emperor? why don’t i go to the temple and ask for an amulet to ward off evil spirits for her? ”

Before Xia Xuanmo could be completely convinced, another even more difficult person, Tang Zong, had appeared. What exactly was this?

Liancheng Yazhi nodded in all seriousness. "Yes, I think it's fine."

you think so too? then why don't we go tomorrow? I'll pay my respects in good faith and ask the master in the temple to bless us again.

okay, I'll Take You There tomorrow. I'll definitely find a master with profound Dharma so that you can eat the quick ribs again. Liancheng Yazhi fed Rong Yan another piece of meat.

Rong Yan opened her mouth and said as she chewed, "I feel like even in my unluckiest years, I wasn't as troubled as Rong nuo."

yes, you're not as troublesome as her. You're so much less troublesome than her. Liancheng Yazhi silently mourned in his heart. He was the one who had been so vexing at that time!

"Right? see, even you think so, Yingluo?"

After the couple had finished eating, Rong nuo came back.

As soon as she entered the room, she was stunned to see the couple sitting on the small bed.

Rong nuo said in a daze, "sister, brother, why are you here at this time?"

Rong Yan looked behind Rong nuo and did not see Tang Zong. She glared at Rong nuo and said fiercely, how can I not come to your trial tomorrow? let me ask you, what did you do out there? you still know how to come back? "

Chapter 877 i really want to punch him

Rong nuo's face showed panic, obviously worried. She quickly said, "I'm sorry, big sister. I didn't know you were back. If I had known, I wouldn't have gone out."

Rong Yan stood up and slowly walked towards Rong nuo. "Just you?"

Rong nuo nodded subconsciously, "ah Yingluo, I'm the only Yingluo."

Rong Yan walked in front of her and raised her hand to poke Rong nuo's forehead like a stepmother. "Who are you trying to fool? I've been waiting for you for hours. Do you think I've been waiting for nothing?"

Rong nuo's face was full of shame from her mistake. She lowered her head. "Big sister, I was wrong."

"do you know what you did wrong?" Rong Yan asked as she looked behind her.

Where's Tang Zong?

Why hasn't tang Zong come out yet? he loves to join in the fun, and with such a bad * SS personality, if he was here, why wouldn't he come? Could it be that he did not return with Rong nuo?

"i shouldn't have gone out," rong nuo said in a low voice.

"You think this is your mistake?" Rong Yan glared at him.

Rong nuo lowered her head even more.

Rong Yan rolled up her sleeves, "still not admitting it? tell me what's going on, Zhenzhen."

calm down, calm down, Yingluo, let's talk properly, Yingluo. Liancheng Yazhi originally did not intend to interfere with the sisters' Affairs. He came here because he was afraid that if Tang Zong came out, Rong Yan would not be able to deal with him alone. But now that Tang Zong had not appeared, Rong Yan rolled up her sleeves and wanted to hit him. He quickly stopped her.

Rong Yan's fierce look was really a little scary. She said sternly, "Tell me, who did you go out with today?"

rong nuo was quite afraid of rong yan's reaction. she took a small step back and said in a low voice, "You already know, Yingluo."

Rong Yan immediately broke free from Liancheng Yazhi's grasp. I'll let you say it yourself!

Just as she finished speaking, a head popped out from outside the door. are you looking for me? "

His smiling face was like an angel's, and his eyes seemed to be filled with sunshine. When he smiled, he seemed especially beautiful. It was not a hot feeling, but a kind of warmth, a feeling that warmed the heart.

However, when Xuanji Rong Yan saw this face now, she felt like punching him.

Rong Yan gritted her teeth and said, "I thought you were going to hide for the rest of your life, Yingluo."

At this moment, perhaps it was because she was too angry, but when she faced Tang Zong, she had fewer concerns.

Tang Zong's eyes were squinted as he smiled. His curved eyes were especially beautiful, especially his long eyelashes, which were dense and long. Even women who looked at them were jealous. I just heard from the police on duty that you guys were here, so I went out to buy you some drinks. Is coffee okay? "

In a flash, Tang Zong had already entered and stood beside Rong nuo, holding a few cups of hot coffee in his hands.

From the moment he appeared until now, he had been acting like a normal, well-behaved child. There was no rebellion, craziness, or any other signs.

However, Rong Yan would not believe it at all.

She would never be deceived by Tang Zong's appearance. This lunatic was a bomber among the crazy.

Rong nuo sighed and turned around, covering her eyes. She did not look at Tang Zong at all, and even looked at him with a little disdain.

Rong Yan looked at Rong nuo and then at Tang Zong, who was smiling innocently and innocently. Suddenly, she smiled and said, "did you have fun today?"

Tang Zong nodded. I'm happy. It's just that the time is too short, so I can't enjoy myself to my heart's content.

In a short period of time, Rong Yan's mind was filled with these three words.

Damn it, you actually said time. Yingluo, you guys have been out for half a day, okay?

Chapter 878 Don't have any ideas about my sister

Rong Yan gritted her teeth and smiled. then, do you want me to give you more time next time? ”

Tang Zong did not seem to notice anything wrong with Rong Yan. He even happily nodded his head.”Alright, alright Yingluo.”

“Good your sister!” Rong Yan immediately shouted in anger. In an instant, she was like a lion with its fur standing on end, protecting its Cub.”I'm warning you, don't have any ideas about my sister. Otherwise, I don't care if you're Tang Zong or Tang Heng. I'll make you lie down and never stand up again.”

At this moment, Rong Yan was like a mother who found out that her daughter, who had always been considered a good student, was actually in a relationship with the bad boy in school behind her back. She felt all kinds of heartache and all kinds of thoughts to teach the bastard who had taught her daughter a bad lesson.

Tang Zong's mouth opened into an 'O' shape. He was shocked by Rong Yan's sudden outburst.

No one had ever roared at him in such a way before, nor had they roared in anger. The point was, he was being threatened. He was being threatened. This seemed to be a particularly novel thing. What was he going to do?

tang zong felt that he was filled with curiosity and excitement at the moment.

He blinked his eyes like an innocent little rabbit. Then, in front of Rong Yan, he suddenly did an unexpected move. He really laid down horizontally, Xuxu.

“I'm already lying down!” He said to the three people who were grinning.

He meant to tell Rong Yan,”look at how obedient I am. I'm already lying down. Tell me, what's the next order?”

Rong Yan turned around and looked into Liancheng Yazhi's eyes. Both of them were very confused. They expressed that as normal humans, they really could not understand the thinking of an abnormal human like Tang Zong.

Rong nuo sighed, covered her face, and ignored them. She went out and sat on the chair to reflect.

Liancheng Yazhi and Rong Yan walked to Tang Zong's side and squatted down.

“Are you feeling well?” asked Liancheng Yazhi.

“I'm fine. I'm very healthy. I've never taken any medicine.” Tang Zong blinked his eyes.

“Did you get injured when you were young?” Rong Yan asked.

Tang Zong raised his hand in a serious manner. I did. My finger was scratched. Look, there's still a scar. It really hurt back then.

Liancheng Yazhi looked at her with disdain. Was that kind of wound that couldn't be seen even considered an injury? Does it count? And he still had the nerve to say that. Wasn't he embarrassed? [tang zong: embarrassing. what's that? can it be eaten?] Why don't you popularize it? "

"Then, have you hit this part before?" Rong Yan pointed.

tang zong replied,"there's no zhenzhen."

Liancheng Yazhi pulled Rong Yan up. forget it, don't be calculative, Zhenzhen.

How could he argue with a guy who had a muddled brain? The Tang Zong today was completely different from the Tang Zong in front of the Tang family. Could it be that he only used his cheat in front of the Tang family?

"I think so too," Rong Yan nodded.

The two of them turned around and went to find Rong nuo. Tang Zong asked,"Hey, why did you guys leave?"

The two of them looked at each other and then shook their heads!

Rong Yan no longer wanted to pay attention to Tang Zong. She stood in front of Rong nuo and talked about serious business."I've arranged everything for you. You'll be sentenced for three years and two months tomorrow, but your sentence will be reduced to two and a half years. After that, you'll be sentenced."

Rong nuo interrupted her. let's make it two and a half years. This date is already very short. It would be meaningless if it's any shorter. That's it. Thank you, sister and brother-in-law.

Chapter 879 She has bad taste in men

Rong Yan gritted her teeth in anger. you're so annoying. I really want to open your brain and see what you're thinking. What exactly are you thinking? "

Rong nuo smiled. I'm not thinking about anything. I just feel that since I'm going to do it, it's not just for show.

I'm sorry, " Rong Yan said. She really wanted to hit Rong nuo, but before she could, she was pulled back by Liancheng Yazhi and hugged.

Liancheng Yazhi hurriedly said, " don't hit her. This Is the Police department. You have to be careful. Besides, if you break her, how are you going to court tomorrow? "

Rong Yan was so angry that her chest heaved up and down. She pointed at Rong Yan and said, " Yingluo, you better remember this. I won't settle this with you for now, but Yingluo, we'll settle it together after you come out.

Rong Yan's appearance was really a little like a gangster's big sister, as if she was going to seek revenge in the future after others clamored.

Rong nuo scratched her head,"I'll remember, big sister Yingluo."

Rong Yan turned her head and decided not to look at her. I don't know if I can go tomorrow. I don't know what I'll do when you're announced to be sentenced. If I can't control myself tomorrow, I won't go.

you should stay at home. Don't come. You've been so busy these past few days. Rest well. I'm fine. Everything's fine.

Rong Yan gave some more instructions and had no choice but to leave with Liancheng Yazhi. It was already very late, and it was already past ten o'clock. They had to hurry back and light an hour's worth of nerve-soothing incense. Otherwise, there would not be enough time.

When Rong Yan was leaving, she saw Tang Zong lying there like a silly child. Rong Yan rolled her eyes and turned to Rong nuo."I'm telling you, don't cause any more trouble, Yingluo. I'll take care of everything for you when you come out."

Although Rong Yan did not say it clearly, Rong nuo could still hear what she meant.

He just didn't want her to provoke any man she shouldn't. When she got out of prison, she would get married and choose a husband.

In short, Rong Yan did not believe in Rong nuo's taste in men.

Rong nuo nodded readily,"yes, okay, I'll listen to you, Zhenzhen."

To be honest, she also felt that Rong Yan's taste in men was better than hers.

Look at the man she found. He's so good now. He's a good husband. Although he used to be a scumbag, he was immature back then. Now that he's mature, he's become more mature and knows how to love his wife more.

Liancheng Yazhi followed behind Rong Yan. Before they left, he turned around to look at Tang Zong and gave him a thumbs up.

This kid's acting is really good!

after the two of them left, rong nuo felt as if all the strength in her body had been sucked out. "stop pretending. get up and go to your room."

tang zong turned his body sideways, but did not get up. his face changed into a teasing expression as he said, tsk, tsk. Your big sister is too cruel. How could she say such things to someone like me?"

Rong nuo glared at him,"why do you care?" Let's go, I want to rest."

Tang Zong did not seem to have heard Rong nuo's words at all. He sat up straight on the ground, crossed his legs, and placed his arms on his knees, saying his own words,"Hey, why didn't she teach me a lesson? I've been looking forward to it. "

Rong nuo was speechless. Although she knew that Tang zongyou was pretending to be stupid, now she was beginning to doubt whether he was really stupid. She really didn't know what he was feeling when he said this.

Chapter 880 the more terrifying, the darker

"Because she felt that she shouldn't argue with an idiot!" Rong nuo rolled her eyes at Tang Zong.

Tang Zong still paid no attention to the outside world, and only spoke his own words."Hey, after you go to prison, remember to tell me if it's fun inside?"

Rong nuo chuckled,"what?" If it's fun, do you want to join in the fun?"

This time, Tang Zong heard Rong nuo's words."Can't I?"

"Yes, of course you can, but it's useless even if I tell you about the situation in the women's prison! "If you want to come in ..." Rong nuo's eyes flashed with a hint of ridicule. She slowly walked in front of Tang Zong, lowered her head to look at him, and slowly bent down."If you want to enter, teach me a spell-if you want to enter a female prison, you must castrate yourself first!"

Tang Zong raised his head and looked at Rong nuo. His expression seemed to be very sincere, as if he did not understand what Rong nuo had said.

Rong nuo suddenly felt bored. He straightened his back and was about to turn.

However, as soon as she moved, her wrist was caught. Before she could react, there was a strong force on her wrist, and then her body leaned forward instantly.

rong nuo was shocked, but she could no longer control her body. she could only watch as she fell down, and then pressed on top of tang zong, crushing him along with his kasaya!

tang zong had a pure smile on his face. his hair was a little messy, and his bangs reached his eyelids. the mischievous smile on his face made him look more like a little prince.

It was just that The Little Prince had the Demon king's blood hidden in his body. He had a beautiful smile on his face, but the strength in his hands was particularly strong.

One hand pinched Rong nuo's chin, the other wrapped around her waist, and said jokingly, castration? Yingluo, that's a good idea. I've seen many beautiful transvestites overseas. Do you think I'll be beautiful after castration? "

At this moment, Rong nuo was a little nervous. Really, when she was with Tang Zong that day, this guy was actually very normal. He was really very normal. [at that time, because you didn't spend much time with him, the more normal he was, the scarier and darker his heart would be. If you meet him at this time, you have to be careful. No, it's useless to be careful. Just admit defeat.]

But now, Tang Zong's normal body seemed to have started to change, causing Rong nuo to feel inexplicably nervous."Yingluo, you'll definitely be prettier than them. Yingluo, let me go first, this isn't good!"

However, Tang Zong had turned on the automatic shielding function and only heard the first half of Rong Yan's sentence. He could not hear the rest of her sentence at all.

"You think so too, don't you? why don't you accompany me overseas to castrate yourself first? then, I'll accompany you back to the prison to have fun?" Tang Zong said.

Rong nuo's mouth twitched. Was this guy's brain human?

she had a court hearing tomorrow and would be directly transferred to prison. was she crazy to go abroad at this time?

rong nuo tried to push tang zong's shoulders to stand up. "i was just joking, don't take it seriously. let me get up first, i'm very uncomfortable, yingluo."

Tang Zong still blocked the rest of her words. With a distressed look on his face, he thought, "but i'm not joking. which country do you think we should go to? Let me think, Yingluo."

The more Rong nuo wanted to get up, the stronger the grip on her waist became. After struggling for a while, Rong nuo's forehead was covered in sweat, and she felt that her waist was about to break. She glared at Tang Zong. "Actually, if you want to do it in China, you can do it too. After all, men in China have the longest history of castration in the world."
