

Permit Me 891

Chapter 891 a tycoon's guarantee!

The panic in Rong Yan's heart gradually faded, and her irritation also lessened. She smiled and said, "It's not a sneak attack, it's a surprise! Don't you think that I'm Secretary Zhou? why did you dare to pull me into your arms just now?"

Liancheng yazhi lowered his head and kissed rong yan's lips. he raised his chin proudly. when the door opened, I thought it was him, but after you came in, I recognized you immediately from the sound of your footsteps and the aura on your body.

rong yan was surprised. only people who were very, very familiar with each other could recognize who it was by listening to someone's footsteps. it seemed that liancheng yazhi was really very, very familiar with her. also, did she have any special smell?

Rong Yan wrinkled her nose,"then why don't you raise your head and whine?"

Liancheng Yazhi was a little smug."it's not fun if i look up. i have to cooperate with you. that's how a good husband should be."

rong yan smiled. although they were not officially married yet, xuanji liancheng yazhi was really doing better and better.

Liancheng Yazhi quickly realized that Rong Yan's mood was a little low, so he asked him, "You weren't happy after you went?"

rong yan nodded and lay weakly in liancheng yazhi's arms. "Well, Yingluo isn't too happy. I realized that some things are not what I thought. I also realized that Yingluo has really aged a lot. Although Rong nuo didn't make him short of money these few years, he still hasn't been living well."

Liancheng Yazhi hugged Rong Yan and shook her gently."After all, he's old. Look at him, and think about the old man who's lying in the hospital with difficulty. Don't you think he's better? People need to be compared."

Rong Yan nodded. You think you're the most pitiful, but there will always be people more pitiful than you in this world.

Rong Yan reached out and wrapped her arms around Liancheng Yazhi's neck, saying coquettishly, "hubby, he lives there. The house is too old and it's going to be demolished soon. You invested in that area, so can you help me find a house? it doesn't have to be too big, just for one person. Two bedrooms will do. The floor is a little lower.

Liancheng Yazhi promised, " alright, it's a small matter. i'll get it done in minutes. "

Rong Yan pulled Liancheng Yazhi's head down with her wrist and kissed the corner of his lips as a thank you gift. "Thank you, hubby!"

Then, she continued, " it doesn't need to be a high-end community. Uncle Rong wants to live a very ordinary life. The people around him are ordinary people. In the morning, he can go to the gym with a group of people. At night, he can go for a walk downstairs. It's an ordinary residential area.

Rong shenghai was a good man. He was born not to argue with others, and he was a little weak. Such a person was easy to look down on.

If he was placed in a wealthy community, he would only be looked down upon all day long. It was better to find him a very ordinary place from the beginning. Although the place he lived in had to be comfortable, his mood had to be comfortable too.

Liancheng Yazhi agreed readily. okay, no problem. Is there anything else? ”

Rong Yan thought about it. Since her husband had already said so, she might as well raise another condition.”Get a nanny to take care of his meals.”

liancheng yazhi still nodded and agreed without any hesitation. ” “Alright, anything else?”

Rong Yan shook her head,”Yingluo is gone, Yingluo.”

“Really?” Liancheng Yazhi’s hand was tickling Rong Yan’s waist.

.....

Chapter 892 I can’t call her mom

Rong Yan wriggled about in an itchy manner and slapped Liancheng Yazhi’s hand. “I really don’t have any more.”

After a while, Liancheng Yazhi’s breathing accelerated and he said in a slightly hoarse voice, ” “Don’t move, you’ll be responsible if you move again, Yingluo!”

rong yan froze for a moment, her cheeks instantly turning red. she didn’t dare to move again. “you were the one who tickled me first. you deserve it!”

Liancheng Yazhi glared at him. the office is actually not a bad place. Do you want to try it? “he asked.

Rong Yan immediately sat up straight and put her hands in a” X” “No, I don’t want to!” He refused.

Liancheng Yazhi laughed slyly.”Alright, then tell me, why are you unhappy today?”

Rong Yan lowered her head and said, ” I’ve said it before. It’s just that seeing him age so much all of a sudden, I feel that time really flies by so quickly. Yingluo also feels a little guilty towards him. After all, he, Yingluo, treated me much gentler than Yingluo.

The ‘she’ that Rong Yan said was Yang Yan. Although she hadn’t seen her for many years, she still had no choice but to call her ‘mom’.

Although the wounds Yang Yan had planted in her heart and body all those years seemed to have recovered, she had lost all hope for her.

Seeing this, Liancheng Yazhi thought that Rong Yan was telling the truth this time. He kissed her forehead and comforted her. “In the future, you just have to take care of him more. You can make up for this. Before Rong nuo comes out, you have a lot of time to do this.”

Rong Yan nodded,”Yes, that’s right. It can be made up for, Yingluo.”

Liancheng Yazhi didn’t want to linger on this topic that would make Rong Yan sad, so he changed the topic and asked, ” “I thought you would go home directly after seeing Rong shenghai. Why did you think of the company?”

Rong Yan pretended to be angry and rolled her eyes at him. "I'm not happy and I want to talk to you. Can't I?"

Liancheng Yazhi laughed. yes, yes, of course. I can't ask for more! he said.

Liancheng Yazhi suddenly remembered something and picked up Rong Yan. it's only two O'clock in the afternoon. You haven't eaten yet, have you? let's go out for a meal first.

"It's been a long time since we've had a meal together. I think we should take this opportunity to have a couple meal."

Rong Yan wanted to say that she couldn't eat anything right now, but when she saw how excited Liancheng Yazhi was, her lips moved a few times, but she didn't say anything in the end.

.....

since rong nuo's case was already a foregone conclusion, she was now sent to a certain girl's prison. although rong yan still couldn't let it go, she believed in liancheng yazhi's arrangements, so her mood was a little better.

However, every time she thought of the graffiti on the back of the photo at the Rong family's house, her heart felt like it had been stabbed, and it was a mess.

Rong Yan tried hard to adjust her mood and state of mind. She still had things to do and couldn't stay at home all the time.

Hence, on the third day of Rong nuo's sentence, Liancheng Yazhi brought MeowMeow to Gu Hesheng's house.

Gu Hesheng saw Rong Yan's appearance and said sternly, "you don't seem to be in good spirits. Why did you come over? Didn't I tell you to rest at home?"

Rong Yan smiled. I'm fine now. I haven't come here for a few days. I'm afraid that if I don't come over, you might as well not let me come.

"Why would I? you're just talking nonsense." The seriousness on Gu Hesheng's face disappeared with a single sentence from Rong Yan. His smile was especially gentle, and he was completely like an affable old man.

Chapter 893 Falling in love with the her in his memory

Gu Hesheng exchanged a few words with Rong Yan and immediately turned his gaze to MeowMeow. He smiled and said, " "

?????????,?????????,?????????: "Yes, did you miss me, Grandpa Yingluo?"

of course I do. Grandpa misses you every day. When is

Looking at how Gu Hesheng doted on MeowMeow, the smile on Rong Yan's face gradually faded.

She kept thinking and thinking in her heart, but she didn't know what she should do.

When "do you regret not getting married when you were young? I don't mean anything else, I just saw how much you like meowmeowmeow, so I guessed that you're someone who likes children. If you had a son or a daughter, you wouldn't have been so lonely all these years."

gu hesheng smiled and shook his head. " although i like children very much, i have never regretted the decision i made back then. everyone's fate with their children is different. in fact, it's not that i'm so devoted. it's just that i haven't met another person who i like more and touched my heart more. "

When Gu Hesheng talked about 'Yan yang', he already looked very relieved. During the time that Rong Yan and MeowMeow had accompanied him to talk, he had really opened up his mind a lot.

Rong Yan asked again,"then, what kind of person is the person you like?" How's her personality? is she good-tempered?"

Gu Hesheng's eyes were looking at the sky in the distance, and his memories were slowly drifting away. He smiled and said, " Yingluo's temper is actually quite bad sometimes. When she's angry, she's very fierce, but when she smiles, she's very beautiful. She seems to have endless energy and can attract a lot of people's attention, Yingluo."

Rong Yan's eyes gradually darkened, and a hint of mockery flashed in her eyes. After hesitating, she asked, " "if she suddenly stood in front of you one day, would you be able to recognize her at a glance?"

Gu Hesheng thought for a while and said, " I don't know if Qianqian can do it. Perhaps Qianqian will not be the same as in my memory. It's been so many years. Who knows? "

" then, if wanwan really stood in front of you, but just like you said, she's no longer the woman in your memory and has completely turned into a vulgar, evil, and vicious woman, will you still treat her the same as before? "

Gu Hesheng gave it some serious thought before he replied, " maybe Hanhan can't. After so many years, the one I'm in love with is probably the one in my memory.

Gu Hesheng's answer was very honest and serious. In fact, there was no need for him to answer questions like Rong Yan's.

"Do you still want to find her?" Rong Yan asked one last question!

"Let's just let nature take its course!"

Gu Hesheng answered every question that Rong Yan asked truthfully.

rong yan finally smiled and didn't ask anything else.

She had asked everything she needed to know, but she still did not have a real answer.

The atmosphere between the two of them became a little awkward because of these questions. Gu Hesheng stood up and smiled, " "Let's not talk about this. I'll take you to see something. I received something good a few days ago."

rong yan cheered up. "really? Then I'm going to go take a look, Yingluo."

.....

Chapter 894 Time is merciless, but we still have feelings

hence, the two of them spent the rest of the time talking about antiques and nothing else, until liancheng yazhi came to pick her up.

As soon as she got in the car, Liancheng Yazhi asked her, "you seem very tired today, Yingluo."

Rong Yan lay in Liancheng Yazhi's arms and pushed MeowMeow to him. "Hubby, if we only met again after many years after we parted last time, would you still like me when I've already become a hateful Auntie?"

Liancheng Yazhi was surprised. why are you suddenly asking this? of course I still like you!

liancheng yazhi's tone was very matter-of-fact, as if he was saying, 'other than you, who else would like someone else?'

Regardless of whether he was being real or he was just trying to make her happy, the knot in Rong Yan's heart eased a little. No woman would be unhappy when she heard the person she liked say such things!

Rong Yan asked again, "why?" Shouldn't you have remembered what I looked like when I was young? Did you fall in love with the me you imagined?"

Liancheng Yazhi held her with one hand and MeowMeow with the other. but the person I imagined is the same person as the real you, right? Many years later, you'll look disgusting. Do you think I'll still look like this? We'll all grow old and become ugly sooner or later. This is the mark left on us by events. Time is merciless, but it's enough that we still have feelings for each other!"

... Time is merciless, it's enough that we have feelings!

Everyone was different. Gu Hesheng was Gu Hesheng, and Liancheng Yazhi was Liancheng Yazhi. How could their thoughts be the same?

Most importantly, Liancheng Yazhi was her man!

Liancheng Yazhi's words made Rong Yan's heart suddenly brighten up, and the depression she had been suppressing for the past few days disappeared.

Yes, what was there for her to be conflicted about?

That secret, let it go with the passing of time. Since it was a secret, just like what Gu Hesheng had said, there was no need to force it, and there was no need to make it known to everyone. Let nature take its course. If fate wanted it to be revealed to the world, it would be a matter of time.

As for her, she didn't need to worry about things that didn't affect her much. If those things affected her care for her daughter and Liancheng Yazhi, it would really not be worth it.

The secret of Rong Yan's identity was not important to her at all.

She was a mother now, and she had to protect her family.

rong nuo's matter had finally subsided, and her family had finally welcomed a rare peace. naturally, there was no need to continue to let this family atmosphere continue in a high-pressure atmosphere because of others.

Rong Yan was in a good mood. She kissed the left side of Liancheng Yazhi's face in front of MeowMeow and said with her head tilted, " "Liancheng Yazhi, I realize that you're really getting better at talking now!"

??????,????,????????????

Liancheng Yazhi chuckled happily. The depressed aura on Rong Yan's body dissipated, and the sun was finally back. This was a good thing. He touched his chin and said, "oh, really? I've learned all these skills for you. Do you think I'm cool?"

before Rong Yan could say anything, MeowMeow said, "handsome daddy Yingluo, the most handsome!"

"Handsomeness, hubby, the most handsome!" Rong Yan laughed so hard that her body swayed back and forth, then she mimicked MeowMeow's tone and said.

Liancheng Yazhi instantly felt very satisfied. The silly smile on his face did not fade even when he got home.

Chapter 895 Aunt, you shouldn't be doing this!

that night, the family finally had a meal. it was the happiest dinner they had in a long time.

However, after dinner, Rong Yan took out her phone and took pictures of

Rong Yan said gently, "This is for your aunt. Mom is going to show it to Yingluo and send it to her. She doesn't want to miss you, she really wants to see you. You have to perform well, okay?"

Rong nuo had already been transferred to the prison for two or three days, and Rong Yan had to go and take a look. She would not feel at ease if she did not personally ask how she was doing after being sent to prison.

Rong Yan remembered that Rong nuo had said many times that she wanted to see MeowMeow, so she suddenly thought of taking a video of MeowMeow and bringing it to Rong nuo.

don't worry, mom! MeowMeow clapped her hands. I'll make sure it's beautiful! Recently, because of the medicinal bath every night, MeowMeow's body seemed to have started to get better. She was much more lively and could now speak some slightly complicated words.

"Alright, Yingluo, then I'm going to start!"

"Yes, go ahead, Yingluo."

"Ready, begin the preparations."

????????,?????????" Aunt, my name is MeowMeow. My mother is Rong Yan. My mother is Liancheng Yazhi, Huahua. Huahua's mother said that you missed me a lot. A long time ago, Huahua said that Huahua would come back to see me, but Huahua, look at me. I've already grown so much, but you're not here yet. Aunt, it's wrong of you to be like this, Huahua."

Rong Yan wanted to laugh when she heard that. She was afraid that her laughter would suppress the meowing sound, so she could only hold it in. In the end, she couldn't help but laugh in a low voice, and her hand holding the phone began to tremble.

At this time, MeowMeow suddenly stopped talking to Rong nuo and turned to Rong Yan. "Aiya, mom, don't shake your hands, Yingluo. I'm not pretty anymore, Yingluo."

Rong Yan simply laughed for a while. After laughing, she quickly said, "cough, cough, fix my hand properly and it won't shake anymore. It won't shake anymore. Continue, Yingluo."

Then, "Aunt, where were we just now?"

Liancheng's father, who had been watching calmly from a distance, finally couldn't take it anymore. He turned around and laughed to himself!

After about ten minutes of intermittent recording, it finally stopped!

Rong Yan wiped the sweat from her forehead. She suddenly felt that it was really not easy for those people who filmed television and movies. She was so tired after filming her daughter for ten minutes with a small phone!

After taking the photo, "Daddy, did I look good in the photos?"

Liancheng Yazhi lifted the little girl up with both hands. "Yes, my daughter is. How can she not be good-looking?"

He weighed

Rong Yan put her phone away and said to Liancheng Yazhi, " "Tomorrow, I'll go see Rong nuo."

When she said this, Rong Yan quickly stopped. She almost said it in front of MeowMeow.

Liancheng Yazhi knew what she meant and asked with a smile, "Do you want me to accompany you?"

Rong Yan waved her hand. There's no need. You can do your thing. I'll go take a walk myself.

She was going to the women's prison, not the gang. It was so safe there ...

Chapter 896 The temptation of the bonus

then remember to come back early, " Liancheng Yazhi instructed. Don't take too long.

Rong Yan found it funny and glanced at him. "There's a time limit to their meetings. I can't do it for a long time even if I want to!"

when

For example, right now, Rong Yan suddenly thought of a question.

she touched Liancheng Yazhi's arm. " Meowmeow should be in kindergarten by now. You should quickly give her a name! "

Suddenly mentioning this question, Liancheng Yazhi felt a headache. I'm still thinking about Ran Ran.

Rong Yan glared at him. I think you didn't think about it at all. I don't care. After this year, I'll let MeowMeow go to kindergarten. As for the name, you can do as you see fit. If your Xuxu can't remember it, I'm not done with you.

Liancheng Yazhi could only smile awkwardly. He really didn't think that he had been so busy recently that he had forgotten about it.

"I'll quickly think about this, Yingluo."

"hurry up!" Rong Yan urged.

"Don't worry, we'll do it tomorrow."

.....

Hence, the next day, the first thing Liancheng Yazhi did when he entered the company was to tell everyone to stop work for a while.

Liancheng Yazhi cleared his throat and said to the staff in the secretary's office, "today, you have an extra task. Each of you has to think of two to three names before you get off work. Girls' names have to be nice to hear and have depth. Don't make the words too complicated.

One of the employees was a little stunned. He raised his hand and asked, "president, may I ask, what's your last name?"

Secretary Zhou glared at him and smacked his head. "Nonsense, of course it's Liancheng Xuanji."

yes, it's Liancheng. You guys continue working. Before you get off work, hand over the name you've thought of to Secretary Zhou. If I'm satisfied with it, this month's bonus will be doubled. Liancheng Yazhi was being extravagant again. After he finished speaking, the eyes of the group of employees suddenly revealed the light of a wolf looking at meat.

Double the bonus, Yingluo.

This was a huge temptation. Everyone in the secretary's office had the same salary, but the bonus was different. If they did a good job this month, the highest bonus would be higher than their salary.

Therefore, everyone was extremely excited when they heard that it would be doubled again.

As soon as Liancheng Yazhi left, everyone dispersed and went back to their own places. They began to search on the computer, look up ancient books, and ask for names from the online system. There were all kinds of ways.

.....

On Rong Yan's side, she left at around eight in the morning. Because the prison was built far from the city center and was in the remote suburbs, it was often delayed on the road, so she had to leave early.

This time, Rong Yan had brought a lot of daily necessities for Rong nuo, as well as some snacks and so on. She asked her to share some with the other people in the same room to build a good relationship with them so that they would not be bullied.

It had been almost an hour since they set off from home to the suburbs.

After arriving at the women's prison, it was very smooth because Liancheng Yazhi had already made arrangements.

When they met, the prison gave them special treatment. The two of them talked in a separate room without anyone watching, giving them a lot of free space.

"Big sister, you're here so soon," Rong nuo said happily.

Rong Yan sized Rong nuo up from head to toe. It had only been a few days since they last met, but she felt that Rong nuo seemed to have changed into a different person.

Chapter 897 Everyone has a secret

Rong nuo's hair had been cut, and now it reached her ears, so it looked a little messy. However, she looked a little younger than before, like a student who had not entered society. Moreover, although

she could not use a lot of skin care products as before, it was obvious that her complexion was better than before.

rong yan pulled her to sit down and asked, "how have you been these few days?" "are you okay?"

Rong nuo smiled. very good. I feel like a stone in my heart has been put down, and I'm just waiting for it to gradually fall into the water.

Rong Yan pushed the big and small bags she had brought in front of Rong nuo. I brought you some daily necessities, toiletries, and daily skincare products. Remember to use them. Don't look older than me when you go out after staying here for a while.

rong nuo looked at the bottles and asked, big sister, you're so nice to even bring these. But are you going to let these kasayas in? "

Liancheng Yazhi was smug. even if others don't allow it, I can definitely get mine. Don't worry, Yingluo. They've checked these, so you can take them back with ease. You don't have to save them. I'll send them back to you when you're done.

"Yes, good!"

Rong Yan pulled over the bag of snacks. also, these are snacks. Share them with the people you usually lock up with and build a good relationship with them. Oh, they didn't bully you, did they? "

Where there were people, there would be conflicts. The society outside was complicated, but the area enclosed by the high wall was another small society. The various conflicts here were no less than the outside world. In some places, they were even more brutal and fierce, because all kinds of people in the world were gathered here.

There were those who had once stood at the top, those at the bottom, those who were the most evil, and those who were the most innocent.

However, when they entered this place, they all had the same name 'prisoner'. When these people gathered together, no one could predict what would happen.

Although Liancheng Yazhi had already made good arrangements, Rong Yan was still worried.

"No, they're all fine. No one bullied me." Rong nuo shook her head.

"Then how many people are staying in total?" rong yan considered that there couldn't be too many people. if there were too many people, everyone wouldn't be able to get much of the food.

including me, there are only five of us. I have to thank you and brother-in-law for this. They seem to be more depressed than the other. They don't talk much, and I haven't heard two of them say a word until now. I even wonder if they're mute. Speaking of his few prison friends, Rong nuo felt that each one was stranger than the last. Each one seemed to be particularly mysterious. They didn't talk to you, and you couldn't get close to them.

Even when she tried to talk to them, no one responded to her.

Therefore, Rong nuo was really bored now. Fortunately, she had talked to the prison guard and asked him to help her sort out the files and information, so she would not be bored.

“Don’t worry, I’m not stupid.”

Rong nuo's eyes lit up instantly, and she shouted happily, "Really? Quickly let me see Yingluo."

Chapter 898 If you want to marry

Rong nuo said happily, "wow,

” yes, a little. she looks a little like you, but anyone who has seen brother-in-law will immediately recognize her as his daughter, qianqian. however, her facial features are softer. she will definitely be a beauty who will give you a headache when she grows up. ”

In the past,

Rong nuo continued to look at the photos. then when she grows up, she will be chased by a group of boys all day long. You will be even more depressed!

however, his daughter, huahua, had to be looked after by him. no matter who the boy was married to, if he wanted to marry meowmeow, he had to get through him first.

Rong Yan's heart softened when she saw Rong nuo's happy expression. She raised her hand and tidied Rong nuo's hair."When you're out, I'll help you find a good husband. You should also quickly have a child!"

Rong nuo did not show any rejection or hesitation, and nodded very readily. Yingluo, I want a baby like MeowMeow too. I'll be so happy every day with him by my side.

Rong Yan nodded. I definitely will. Come, Qianqian. Look at the video of meowmeowmeowmeowmeow!

Rong nuo opened the video with anticipation, and soon the tender and clear sound of meowing came out.

“Aunt, my name is

Rong nuo laughed as she watched. When she finished, Meow Meow’s face came close and pouted in the air. After a ‘tsk’, the tears in Rong nuo’s eyes could not be controlled and quickly flowed.

Rong Yan reached out and put her arms around Rong nuo, letting her lie on her shoulder.”Silly girl, what’s there to cry about?”

Rong nuo sniffled,”I just feel very warm in my heart, and very happy, Yingluo.”

don’t cry. I’ll bring

Rong nuo quickly shook her head. don’t, don’t bring meowmeowmeow here. This is not a good place. She’s so young and it’s not good for her to come here. I, Zhenzhen, don’t want her to know. I, Zhenzhen.

Rong Yan understood what she wanted to say. okay, then I’ll let MeowMeow wait for you. By the way, I’ve gone to see uncle Yingluo. He’s doing quite well now, and his health is also quite good. The house is too old, and it’s about to be demolished. I’ve arranged a new place for him to live in, an ordinary residential area. There’s a nanny taking care of him, so you don’t have to worry.

Rong nuo rubbed her shoulder coquettishly,”Thank you, big sister. If it wasn’t for you, I wouldn’t know what to do this time.”

Rong Yan poked her forehead. why are you thanking me? don’t waste your time here. Hurry up and thank me.

Chapter 899 the best time for a flower to bloom

Rong nuo nodded hard,”yes, I will, Yingluo.”

Time passed very quickly as they spoke. Although Rong Yan also wanted to stay for a longer time, this was a prison after all, and she couldn’t ignore the rules of other people’s families. If other prisoners knew about it, they might make things difficult for Rong nuo.

Therefore, when Rong Yan saw that it was almost time, she said, ” I should go now. I’ll visit you more often in the future. Don’t worry about your father. I’ll visit him often too.

“I’m not worried at all with you here. You have to take care of MeowMeow. Don’t come if you don’t have time. I’m fine here.” Rong nuo paused for a moment, and a hint of hesitation flashed through her eyes. In the end, she still said, “big sister, it’s yingluo. i have something to tell you, yingluo.”

“What’s the matter? tell me,” Rong Yan asked.

rong nuo’s two hands kept twisting together. she lowered her head and said, “That’s right, that ran ran Tang ran.”

“What?”

“it’s yingluo.” rong nuo raised her head and seemed to have mustered up her courage, but the moment her eyes saw rong yan, she suddenly changed her mind. it’s fine. Tang Qianqian, if you come next time, help me bring more sanitary pads. You know that Qianqian’s condition here is a little bad. I’m afraid that I’ll feel uncomfortable when I have my period in the future.

Rong Yan slapped her forehead. Oh, I really forgot about that. Don’t worry, I’ll send it over in two days.

“Yes, good!”

“Is there anything else?”

“no!” rong nuo shook her head.

“Then I’ll be leaving!”

“Tell the driver to drive slowly on the way back. Be careful on the road,”

“Don’t worry, it’ll be fine,”

Rong Yan hugged Rong nuo one last time, then left with her bag.

After Rong Yan left, Rong nuo was quickly brought back.

She felt a little complicated. She originally came here to cut off all ties with Xia Xuanmo for a while, but she didn’t expect that someone who had nothing to do with her would come in.

just now, rong nuo had wanted to tell rong yan about it, but she had asked rong yan to help her too much recently and really didn’t want her to help anymore.

Rong nuo thought that this was a prison with very tight security. Since she was here, even if that guy wanted to make trouble, he shouldn’t be able to come in!

Forget it, let’s not think about this. She couldn’t guess that person’s brain no matter what. No matter what he wanted to do, at least it wouldn’t be so easy to make a move here.

Rong nuo carried the things that Rong Yan had sent back to the cell where she was being held.

Inside, the other four female prisoners were all doing their own things. No, it should be said that they were all in a daze, ignoring each other. They were all immersed in their own world. Although they lived together, it was obvious that their brains were not on the same planet.

rong nuo sometimes felt strange. what were these people thinking? Before she came in, she had heard that the fights between prisoners in the prison were very intense and were divided into ranks. However, the silence in her cell made her feel like she had depression.

She really didn’t know how the prison guards had thought of putting the four of them in the same cell.

They were almost the same age. As for their appearances, they were all quite good-looking and did not look like prisoners at all.

they were all between 20 to 30 years old. this was the best time for a woman to be in her prime, the best time for a flower to bloom. however, everyone was locked in this iron cage and lost their freedom because of different things.

Chapter 900 What are you planning?

rong nuo walked in and placed the snacks on an empty bed that was not usually used. he said to them, ” “Here’s some food. I don’t know what you like to eat, but if you need anything, you can come and get it yourself.”

After rongruo’s words, the cell remained silent, without a single sound.

The four of them didn’t even move. They probably didn’t even blink.

Rong nuo sighed. She had thought that she might not be a very normal person, but in this cell, she felt that she was really too normal.

She simply took out the food. She didn’t care what they liked and just split it between them. It was up to them whether they wanted to eat or not!

.....

In the afternoon, Liancheng Yazhi came back from the company and asked Rong Yan, ” “How do you raise the one you saw today?”

she’s very good. She’s much more energetic now. Her complexion looks good and her mood has adjusted quite well. It’s really awkward over there. She’s getting used to it quite well. Rong Yan shook her head in disbelief.

If it were her, she felt that she would rather run far away to the end of the world than lose her freedom and go to prison to face the wall and reflect on her mistakes. She would live a poor life and then do so-called repentance.

that’s good. She’s adapted to that place, which means she chose the right path.

Liancheng Yazhi thought of something. Oh, there’s news from the hospital today. Xia Xuanmo is about to wake up.

although rong nuo’s matter had come to an end, the grudges between the xia family and the liancheng family still existed. therefore, liancheng yazhi continued to pay attention to the xia family’s movements in order to maintain his initiative.

In case something really happened one day, he would not have the ability to deal with it for a while!

The people in the hospital had sent news today that Xia Xuanmo had recently begun to show signs of waking up, and it was estimated that it would be in one or two days.

Rong Yan raised her eyebrows, a little surprised by this.

tsk, I thought Xia Xuanmo would never wake up in this life. It’s a miracle that he could still wake up after being fed so many medicines by his parents. Didn’t you say before that he wouldn’t wake up? ”

Before Rong nuo was sentenced in the case that day, Liancheng Yazhi had told Rong Yan that the hospital believed that Xia Xuanmo would probably become a vegetable in the future. Even if he wasn’t, it would be difficult for him to wake up in a short time.

Liancheng Yazhi had an innocent smile on his face. I won't tell you. I asked Natsume for something.

Rong Yan's eyes widened when she heard that. Damn it, Liancheng Yazhi was actually so kind as to help Xia Xuanmo? This didn't make sense, and it didn't match this guy's character.

Rong Yan quickly pounced on him and shook Liancheng Yazhi's neck. ah, ran ran, so it was you who helped Xia Xuanmo. Tell me, what's your motive for doing this? tell me quickly.

Liancheng Yazhi chuckled and lay down on the sofa with Rong Yan in his arms. I just feel that, as someone who has been friends with him for so many years, even though I don't have a good impression of him now, I still feel a little pitiful to see him never wake up. It's completely out of sympathy.

Liancheng Yazhi made himself sound like a very sentimental person. People who didn't know him would think that he was really a kind person!

However, why did it feel so strange to hear him say such words?

Rong Yan pouted and bit Liancheng Yazhi's chin. "Tsk, I don't believe you! You're the most Black-bellied person!"
