

Permit Me 901

Chapter 901 How infatuated

Rong Yan raised her hand and poked Liancheng Yazhi's chest. "You think I don't know you? you're definitely not that kind. You did it on purpose, didn't you? you want to see how regretful xia xuanmo will be when he wakes up and finds out that his parents have sent the woman he likes to prison? How painful would it be?"

Liancheng Yazhi spread his hands. alright, you saw through me. Sigh, I still can't hide it from you!

Rong Yan stretched out her hands and gave him a thumbs up. She winked at him. "Good job, hubby!"

Because she also especially wanted to see Xia Xuanmo's remorseful and regretful look, and what exactly Yingluo looked like!

Although Rong Yan no longer hated Xia Xuanmo as much as before, if there was a good show to watch, why not?

Rong Yan really wanted to see if a person like Xia Xuanmo dared to go against his parents, dared to make decisions for himself, and was a responsible man!

At the thought that the Xia family would not be peaceful in the future, Rong Yan was particularly excited!

by the way, is Tang Ziyu's heart still on Xia Xuanmo? "

Liancheng Yazhi nodded. pfft, she's totally acting like she's a part of the Xia family. She's serving her in the hospital every day. She did all the work as a nurse and even did all the body-cleaning and massage.

Rong Yan pouted, 'tsk, you're really so devoted! I'll only marry Xia Xuanmo. What's so good about that guy? I don't think he can compare to you."

Although she really didn't like Tang Ziyu, she was the young lady of the Tang family. She usually didn't do anything, but now she did everything for Xia Xuanmo, even wiping her body. If she had persisted for a day or two, it could be said that she was pretending, but after doing it for so long, it could be seen that she was sincere. This Tang Ziyu was really infatuated.

Liancheng Yazhi's mood instantly soared. Rong Yan said that Xia Xuanmo couldn't even compare to a strand of his hair. This was the best praise for him.

He cupped Rong Yan's face in his hands and kissed her hard on the lips. He said smugly, " "It's because you have good taste and picked such a good man like me, don't you think so?"

rong yan's face turned red. liancheng yazhi's matter was clearly referring to the first time she had yingluo climb into his bed and threaten her with it.

However, he was right. She had good taste. Out of so many men, she had chosen Liancheng Yazhi as her target.

perhaps yingying's fate was arranged by the heavens.

rong yan raised her chin. " of course. if i'm not as good as rong nuo, would i still be her sister? "

Liancheng Yazhi laughed out loud. After laughing, he asked Rong Yan, "Do you want to see the two families get married? Liancheng Yazhi wasn't interested in the matters between these two families now, so he didn't make a move. However, if Rong Yan didn't want to see it, he would make a move and make it impossible for the two families to unite again.

Rong Yan shrugged. I don't care. Let them be. By the way, if the two families really get married, will it be a bad blow to you? "

From her own point of view, Rong Yan would rather let Tang Ziyu pester Xia Xuanmo. With her around, if Xia Xuanmo wanted to find Rong nuo in the future, wouldn't it be better to have someone in front of him?

However, this was Rong Yan's personal opinion.

However, if the marriage between the Xia and Tang dynasties affected the interests of the Liancheng family, then so be it.

Chapter 902 Waiting for him to regret

Liancheng Yazhi shook his head. no, if nothing had happened before, the marriage between the Xia and Tang families would have been a little intimidating. But after this incident, how could the higher-ups not have heard anything? besides, some actions have already been taken. Not to mention other things, after Xia Xuanmo's Deputy Governor wakes up, it's not even certain whether he can be reinstated, so it won't be a blow to our family.

"But Xia Xuanmo hasn't been dismissed, has he?" Rong Yan asked curiously.

"He didn't, but his position has been taken over by someone else. Even if he wakes up, do you think he'll recover in a month or two? With this delay, even if he returned to that position in the future, would it be possible for him to take back his power? For people like them, once they have power in their hands, who would be willing to let it go? moreover, the person who will temporarily replace Xia Xuanmo's position this time is a political enemy who has always been his competitor."

Although the higher-ups were pretending to be deaf to the matter between the Xia and Tang families, they seemed to be completely unaware.

however, from some small movements and some unremarkable position adjustments, it could be seen that they were disapproving of the two families.

Just like Xia Xuanmo's position, he might not have the intention to dismiss him, but there was still a warning.

Rong Yan was not interested in Zheng's treatment, but she understood what Liancheng Yazhi was saying."That's true, Zhenzhen. Since that's the case, let them be. Besides, there's still that Tang Zong. Even if we don't cause a scene, I don't believe that he won't."

Speaking of Tang Zong, Rong Yan felt that she had 'missed' him a little after not seeing him for the past few days. She really wanted to see him defame the Tang family and fight with them. It was really an eye-opener for her. There were always one or two strange people in this world that made her feel that the world was not that boring.

Liancheng Yazhi nodded. He had almost forgotten about Tang Zong. that's true. Then let them play by themselves. We'll just watch the fun.

"Oh, right, when Xia Xuan mo wakes up, remember to let me know! I can't miss such an exciting show."

"Alright, I'll definitely tell you!"

Rong Yan poked Liancheng Yazhi and said,"speaking of Tang Zong, what has he been doing recently?" Did you go to the Tang family to cause trouble?"

he did. He went to the Tang family in the South two days ago. I guess they're in a mess now. Although Liancheng Yazhi didn't want to befriend Tang Zong, he still had to be on guard against him. Even a ghost wouldn't be able to guess what this pervert was going to do next. He was such a dangerous guy, so there was no harm in doing this.

In particular, when he saw Tang Zong and Rong nuo at the police station that day, Liancheng Yazhi had asked some people to watch over them.

Recently, he learned that on the night Rong nuo's trial ended, he returned to the South. As for what happened in the South, he didn't care. It wasn't his territory!

However, from the Tang family's attitude, it was obvious that this guy must be having fun now. The Tang family, especially his parents, must be having a hard time!

Rong Yan leaned closer to Liancheng Yazhi with a gossip expression."Don't you think that Tang Zong's words at the engagement party were a little strange? Do you think there was something between Yingluo and Tang Ziyu in the past? I think there's something fishy."

Liancheng Yazhi nodded. I think so. But why do you care so much? " You don't have to ask about that kind of dirty thing."

Chapter 903 i'm angry that you guys didn't bring me along

The Tang family had cleaned up everything that had happened to Tang Zong in the past. However, judging from the situation at the engagement banquet that day, the reason why Tang Ziyu was so afraid of Tang Zong might not be simply because Tang Zong's skill was to smear the reputation of the Tang family. It was likely that Tang Zong still had something on her.

However, Liancheng Yazhi was too lazy to listen to this kind of gossip. Of course, he didn't want Rong Yan to know.

rong yan pouted. " i'm just curious. tang zong said that tang ziyu was a clingy man. could it be that she's the one who cheated on him? "

Liancheng Yazhi raised his hand and flicked Rong Yan's forehead."why are you thinking so much about others? Have you been idle recently? since you have the time, why don't you hurry up and comfort your husband? you've been here for so long and you're not afraid that i'll fall sick?"

after saying that, liancheng yazhi carried rong yan up the stairs!

Originally, because of MeowMeow's illness, Liancheng Yazhi had already been very patient. Later, Rong nuo's incident happened, and then he completely lived the life of a monk.

Since Rong nuo's matter was over, then now, it was time to reward him!

Otherwise, he was really afraid that he would suffocate to death!

Rong Yan quickly patted Liancheng Yazhi's back. "Hey, don't mess around."

Liancheng Yazhi huffed. caretaker li is very observant. She's playing with MeowMeow outside. She won't come in for a while.

"But it's almost time for dinner, Yingluo."

"that's why we have to hurry!"

Liancheng Yazhi easily carried Rong Yan into the house. He kicked the door open and lifted it up with his other foot after he entered.

The door closed, and Rong Yan's wailing was cut off.

An hour passed. Meowmeowmeowmeowmeowmeowmeowmeow had been eating at the table for 20 minutes before her parents came down slowly.

The two of them had changed their clothes and taken a shower.

liancheng yazhi's spirit was obviously better. he was refreshed and his face was red. he looked very satisfied as if he had eaten and drunk to his heart's content.

Rong Yan's face was also very red, but Yingluo's face was the kind of red from shyness that was filled with blood. Her lips were slightly swollen, and her legs were still trembling when she went downstairs. Anyone with a discerning eye could tell at a glance that she had done something good.

MeowMeow saw them and shouted, "mom, dad, why did you come down so late? the housekeeper thought you two went to play. Hmph,

Rong Yan's face turned even redder when she heard that and she pinched Liancheng Yazhi secretly.

He chuckled and helped Rong Yan over to sit down. Then, he picked up MeowMeow. the housekeeper Auntie is wrong. Dad and mom didn't go out to play. They went out to do business. Working hard to create the next generation was of course a serious matter, and it was the most serious matter.

Nothing was more serious than this!

Butler li rolled his eyes expressionlessly. Young master, you can only fool children with such lies!

Rong Yan ate the brick silently. Anyway, Liancheng Yazhi was more familiar with coaxing MeowMeow now and could make up stories better than her!

"Really? Then if you guys want to go play Yingying, you must bring me along!"

Liancheng Yazhi patted MeowMeow's head. okay. he said. Daddy and Mommy will definitely bring you along the next time we go out.

,?:"But Yingluo's mother's face, why is it so red, Yingluo?"

Liancheng Yazhi smiled embarrassedly. ah, ran ran that ... That ran ran because mom just ran ran ran after a hot shower.

Chapter 904 Rong nuo was still the most important person in his heart

Rong Yan cleared her throat. Yingluo just took a hot bath and got smoked by the hot air. Aiya, Yingluo's food is going to get cold. MeowMeow, eat quickly.

Although Rong Yan had used a very clumsy way to change the topic, it was still useful for MeowMeow.

That night, Liancheng Yazhi told Rong Yan that Xia Xuanmo was about to wake up.

In the end, just two days later, Liancheng Yazhi told Rong Yan that Xia Xuanmo had woken up in the afternoon.

At that time, Rong Yan was at Gu Hesheng's house, studying bronze from the spring and autumn Warring States period. After receiving a call from Liancheng Yazhi, the magnifying glass in her hand dropped. "You're awake so quickly?"

liancheng yazhi smiled and said, " yes, he woke up not long ago. think about how long he has been lying there. if he still doesn't wake up and his muscles atrophied, it will be difficult for him to stand up even if he wakes up in the future. "

Rong Yan smiled apologetically at Gu Hesheng, " "You can't blame us for this. It's all his parents" doing."

Xia Xuanmo has just woken up, and his body is still very weak. If he wants to get off the bed, it will probably take two or three days. after lying in bed for so long and suffering from a head injury, he had not eaten anything for a long time. he had to rely on nutrient fluids to maintain his vital signs. now that he had woken up, his body was naturally very weak.

" the xia family's parents have already instructed the people around them to keep rong nuo's matter a secret from xia xuanmo. moreover, tang ziyu is not leaving his side at all. "

"Should we reveal this to Xia Xuanmo?" Rong Yan asked excitedly.

of course we have to let him know, but Yingluo can't do it now. In a few days, we'll find the right opportunity and the right person.

It was necessary to let Xia Xuanmo know about this, otherwise, how could they watch a good show?

However, he could not do it now.

First, he had just woken up, and his body was so weak. If he was suddenly stimulated by such a piece of shocking news, wouldn't his nickname be gone in minutes? If he lost his life, what was the point of playing?

Secondly, Xia Xuanmo had no power in his hands at this time. Without power, he had no confidence in his heart. Even if he knew, he would naturally feel that he lacked confidence in front of his parents and couldn't do anything about it!

Third, they were both good people, so how could they be so inhumane? he had to give her time to recuperate! [Rong Yan: my dear, are you talking about us?]

alright, then give him a few more days to recuperate. Oh right, he hit his head. He didn't lose his memory, did he? "

wasn't it always like this in tv shows and novels? one hit on the head and one would lose their memory!

Liancheng Yazhi laughed. no, do you think they're all acting in a TV show? all of them have amnesia. Xia Xuanmo's memory is very good. After he woke up, the first thing he said was 'Rong nuo'. In his heart, Rong nuo is still the person he likes the most.

Rong Yan didn't like his words and snorted ^

If he really liked her, he would have no scruples, no fear, and would give up the world and everything for her, instead of being overcautious and timid like Xia Xuanmo!

Therefore, Xia Xuanmo was destined to have no fate with Rong nuo. In the future, there would no longer be Xia Xuanmo's shadow in Rong nuo's life!

Suddenly, Secretary Zhou's voice came from the phone, asking Xia Xuanmo to sign some documents.

liancheng yazhi said to rong yan, ” hang up the phone first. i’ll pick you up after work. don’t walk around! ”

Chapter 905 As thick-skinned as her father

okay, I got it, Zhenzhen. Rong Yan smiled very sweetly. When she was on the phone with Liancheng Yazhi, if she didn't hang up, he wouldn't hang up and would insist on her hanging up first.

“what’s so good that you’re so happy?” gu hesheng teased.

Rong Yan shook her head, it's nothing. It's just a personal matter.

She would not tell Gu Hesheng that the couple was planning to set Xia Xuanmo up!

As they were about to leave, Rong Yan put down the magnifying glass and took off the gloves on her hands. She hesitated for a moment before asking Gu Hesheng, "Mr. Gu, after this month, can I still bring MeowMeow here to see you?"

There were some secrets that Rong Yan hadn't completely figured out, and she didn't want to figure them out either. However, just let it be. Perhaps after knowing it, it was better to know nothing.

Gu Hesheng's face was full of joy. of course, you're always welcome. I haven't even given the things I prepared to

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow? ”

"Yes, yes, Grandpa Yingluo, I really like this little Quanquan, Yingluo."

Rong Yan covered her face and turned around. This little girl was as thick-skinned as Gu Hesheng's father.

When he wanted something, he didn't say he wanted it, but just said, " Grandpa, I like this one, I like that one, I like everything, Yingluo.

Rong Yan felt that it was really embarrassing.

This time, MeowMeow had caught a special nouveau riche gold item. It was pure gold, with red coral beads and rubies embedded in it. Overall, it was only red and gold. It was especially eye-catching. It was definitely pure nouveau riche gold!

Gu Hesheng laughed and carried MeowMeow, "Oh, our MeowMeow is so smart. This is the little thing that Grandpa prepared for you today. I didn't expect you to find it on your own before I even took it out. Come, Grandpa will bring it for you.

Gu Hesheng took the Kasaya from MeowMeow and put it on her. He looked around in satisfaction and nodded, "Not bad, not bad. Yingluo, a child should wear this. Look, it's so pretty."

Rong Yan took a look. Indeed, she was very beautiful.

The ancient Chinese, especially the noble women, pursued the degree of exquisiteness and perfection in jewelry. Modern people could not compare at all. For Chinese children, they should wear this kind of traditional Kasaya. It looked very good.

Rong Yan nodded awkwardly, "Mr. Gu, thank you, Chengcheng."

what are you thanking me for? these are all prepared for MeowMeow. I'll be happy if she likes them.

Rong Yan sighed and turned to look at

on the way home, liancheng yazhi was stunned for a moment when he saw the yingluo collar on meowmeow's neck. then, he understood and sighed helplessly.

Forget it, it's fine.

Back then, he had gone to Gu Hesheng privately a few times, hoping that he would give meowmeowmeowmeow as little as possible, but Gu Hesheng had said, "If I'm giving you a gift, you can reject it, but you can't stop me from giving Miaomiao a gift. Although your parents are in charge of her Affairs, are you willing to cruelly take away something she likes?

later, liancheng yazhi realized that he really could not stop them, so he could only let them be.

.....

Chapter 906 Women's dream lover

Liancheng Yazhi was sometimes troubled. His daughter knew how to accumulate money for the family at such a young age. He didn't know if it was a good thing or a bad thing!

meowmeow tugged at liancheng yazhi's sleeve and pointed at the yingluo ring around her neck. "Daddy, does it look good?"

"Yes, very beautiful," Liancheng Yazhi quickly smiled.

Rong Yan watched from the side and laughed in her heart!

No matter how much Liancheng Yazhi disliked his daughter accepting gifts from others, he would never show any unhappiness in front of MeowMeow. His love for MeowMeow was actually far deeper than Rong Yan's. This guy must feel that he owed MeowMeow, right?

.....

The days passed in a cycle. After Rong nuo's matter settled down, Rong Yan returned to her peaceful days, and her simple and ordinary happiness returned home.

However, since Xia Xuanmo woke up that day, he would ask Liancheng Yazhi about his condition every two days.

although liancheng yazhi knew what rong yan meant, he still felt jealous. no man liked to hear his wife asking him about other men all day.

Such days continued for nearly half a month. It was already eight o'clock that night. After dinner, Liancheng Yazhi received a call. After he finished speaking, he said to Rong Yan, "let's go, to a place?"

"what place?" Rong Yan looked at the sky outside. It was already so late. Were they still going out?

Liancheng Yazhi smiled at her slyly. the right opportunity, the right person, run to Xia Xuanmo and reveal everything.

"Who is that person?" Rong Yan's eyes lit up.

Liancheng Yazhi pulled Rong Yan and wanted to go out."That's why we're going to look for him now!"

"then

Liancheng Yazhi asked the maid to take Rong Yan's shoes and bend down to put them on for her. Then, he walked out with her in his arms. there's butler li. Let her coax MeowMeow to sleep in a while. We just need to come back at 12 in the morning!

The two of them left quickly. The maid who had brought Rong Yan's shoes looked at their backs with an envious and infatuated expression, muttering to herself, "Young Madam is so blessed, Yingluo."

Not to mention Liancheng Yazhi's family background, even if it was a husband from an ordinary family, how many men would be willing to bend down to put shoes on for their wife?

Just now, Liancheng Yazhi's movements were very natural and smooth. It seemed that he was very used to doing this kind of thing and did not feel embarrassed at all. Even if there was a maid standing next to him, he was not afraid of others saying that he was afraid of his wife.

This kind of man looked down on the world, but he only bowed to one person.

he was the dream lover of many women. unfortunately, he was already taken, so they could only look at him with envy!

Suddenly, she was slapped on the head, and caretaker Li's cold voice rang out, "Don't be silly, hurry up and go to work."

The maid covered her head and asked her, "Butler li, do you think I can find a good man like young master? of course, I don't need money and power. I'm happy if he can treat me as well as young master does to young Madam!

Butler li replied to her,"this kind of man is extinct. You'd better be single, Yingluo."

The maid wailed in a low voice and went to work dejectedly!

.....

In the car, Rong Yan kept asking Liancheng Yazhi where they were going, but he didn't answer and only said, "You'll know when we get there."

After dozens of minutes, the car stopped. Looking at the familiar place, Rong Yan exclaimed, "What are you doing here at Gu youran's?"

Chapter 907 Tang Zong, an upright gentleman?

What made Rong Yan feel strange was that the car was parked in front of Gu youran's '6:30' door. Why was she here at this time? she was very puzzled!

Liancheng Yazhi pulled Rong Yan out of the car and said, "of course it's Huahua who's looking for someone, Huahua."

Rong Yan was puzzled. Was he looking for Gu youran? Let her tell Xia Xuanmo? That's impossible. They don't even know each other, and they don't have any relationship.

Rong Yan thought about it as she followed Liancheng Yazhi in.

As soon as she entered the room, Rong Yan instantly felt the different atmosphere in the room. Her sharp eyes saw two people, two familiar faces.

Rong Yan quickly retracted her gaze and shouted, "Hey, you ran ran."

Gu youran's stomach was getting bigger and bigger. It seemed that her due date was next month. She turned around with difficulty and was a little surprised that Rong Yan and Liancheng Yazhi had come at this time. Rong Yan, you're here, Zhenzhen.

Rong Yan quickly made up an excuse. yes! Qianqian!

Gu youran smiled gently. all children like sweet food. You haven't been here for many days, so it's normal for her to miss you. What kind of flavor does MeowMeow want? "

Rong Yan said without thinking, "strawberry-flavored. She's been especially fond of strawberry Yingluo recently."

"Okay, wait a moment. I'll go pack it for you."

Rong Yan quickly stopped her. don't, sit down. I'll do it myself. You're about to give birth, so why are you still in the store? it's so dangerous. No one usually takes care of Yingluo.

why isn't there anyone? "Liancheng Yazhi suddenly said from the side. aren't there two people sitting there?"

Rong Yan followed his line of sight and looked over, then pretended to be very surprised. "why are you yingluo here?"

The two people on the other side were none other than the Tang brothers, Tang Zhen-Tang Zong!

When Rong Yan and the others entered, the two brothers were in a confrontation. At that time, Tang Han's gaze was filled with the desire to kill Tang Zong. It seemed like the conflict was very deep.

Moreover, Tang Zong had actually run to Gu youran's cake stall. It was obvious that he was deliberately looking for trouble with Tang Zhen.

Tang han glanced at Liancheng Yazhi and Rong Yan, then turned his head and ignored them.

tang zong, on the other hand, walked over with a smile. "i can't help it. i like the cakes here too. at the same time, i'll take the opportunity to visit sister youran. aiya, we haven't seen each other for ten years. who asked my brother to do such a beastly thing? i've let down my younger brother. i have to help him make it up to him!"

Tang Zong's words were so boastful, as if his brother was worse than a beast and he was a gentleman.

He even replaced his own brother to compensate him. Wasn't this pushing Tang han into the mud pit?

However, it's too normal for this person to be Tang Zong.

It would be abnormal if he didn't follow up.

Rong Yan pouted in disdain. tsk! You're talking as if you're a good person.

Tang Zong proudly raised his chin. of course I'm a good person. As a member of the Tang family, I'm here to make up for the mistakes that our Tang family has committed in the past. Aiya, tell me, my way of thinking and my moral character are so good. Can I be listed as a candidate to be a person who can move China? "

The corners of Rong Yan's mouth twitched, and a row of crows flew over her head.

f * ck, defaming his own family, scolding his father, mother, brother, grandfather, and grandmother, the entire family treachery, this was really ruthless!

didn't you see that tang han's face was already so black that it was almost like ink? he was so upset to have such a younger brother!

Chapter 908 Natural darkness attribute

rong yan felt that if she were in tang han's shoes, she would probably be worse off than him. she would have cut off tang zong's tongue a long time ago. he would talk nonsense all day long and sully his own home.

Rong Yan was puzzled. What was the structure of Tang Zong's brain? how thick was his skin? Even the most advanced bulletproof vest can't compare to his thick skin!

Rong Yan glanced at the gloomy Tang han and smiled. "if you, qianqian, put in more effort and make it up to her, qianqian might really be able to do it!"

Tang Zong's smile was especially pure and innocent, like a child who had been acknowledged by others. He said happily,"you think so too? it seems like i really have to work hard."

Tang Zong turned around and shouted at Tang Zhen. big brother, I will often help you make up for your mistakes in the future. Don't worry. When you have nothing to do, you should do some self-reflection.

Rong Yan rolled her eyes and turned around to get the cake. Tang Zong leaned on the counter and said something that sounded like thunder. He said, "Sister, I like strawberry-flavored cake too. Can you give me a piece?"

Rong Yan and Liancheng Yazhi's faces turned very ugly at the same time. Why did those two words sound so strange?

"Who are you calling sister?" the two of them chided in unison.

Tang Zong was not afraid at all. He did not even look at Liancheng Yazhi and said to Rong Yan innocently, "You, Yingluo."

He blinked as if to say, "what's wrong with me saying that? is there anything wrong with it?"

Not to mention, Rong Yan was now twenty-seven years old, and whether or not she was really as old as Tang Zong was still a question.

What she meant was, was her relationship with Tang Zong so close that she could call him "sister"?

They had seen each other several times, but this was only the fourth time, okay?

Tang Zong's 'sister' not only shocked Liancheng Yazhi and Rong Yan, but it also made Tang Zhen and Gu youran extremely surprised.

Tang Zhen had grown up together with Tang Zong, so he was familiar with his dark and bad nature. As for Gu youran, she had been engaged to Tang han since they were young. Before the incident, her relationship with the Tang family was relatively close, so she also knew Tang Zong. From what the two of them knew, Tang Zong looked like a very well-behaved child. He had a perfect child-like face, and anyone who saw him would think that this child was very good.

However, Tang Zong's darkness attribute was innate. Although he seemed to be smiling all day long, he was actually full of evil tricks. Other than affectionately calling his own family members "big brother," "uncle," "father," and "mother," he would never call anyone else "too much."

The point was, your mother, should this boy be too intimate with Rong Yan? even if Liancheng Yazhi was watching with a dark face, he did not restrain himself at all. His intimate attitude made them feel very uncomfortable.

From Tang Zhen's understanding of Tang Zong, he might seem easy to get along with, but he would never try to please anyone, let alone take the initiative to be intimate with others.

A thought suddenly appeared in Tang Zhen's heart. Damn, could it be that Tang Zong has his eyes on Rong Yan?

He shivered, and the anger on his face dissipated a lot.

Tang Zong was definitely capable of doing such a bold and disgraceful thing!

The identity of a 'married woman' really couldn't stop a lunatic like Tang Zong, but Liancheng Yazhi wasn't someone to be trifled with. He wasn't someone who was easy to deal with either. He still remembered what Su Yu said to him last time. Before he met Rong Yan, Liancheng Yazhi was no less capable than Tang han.

Chapter 909 Don't reject me so cruelly!

If Tang Zong really fought with Liancheng Yazhi, the situation would definitely be tragic!

Tang Zhen shivered. The Tang family would be completely destroyed by Tang Zong. They still hadn't recovered from the blow they suffered a few days ago.

after tang han's imagination ran wild, he suddenly felt that the road ahead was extremely difficult to walk on. it was simply exceptionally terrifying!

this bastard tang zong, is he really going to make a mistake?

Liancheng Yazhi walked over with a cold face and pulled Rong Yan behind him. He looked at Tang Zong and shot him a cold arrow. He was basically saying, "you brat, try shouting again?"

Tang Zong was not afraid of Liancheng Yazhi at all. He smiled at him and said, although I call him sister, you don't have to be happy because I have no intention of calling you brother-in-law!

Liancheng Yazhi gritted his teeth. 'F * ck your brother-in-law, bastard Yingluo.'

Rong Yan stuck her head out from behind Liancheng Yazhi and shouted at Tang Zong, "hey, don't call me that. we're not blood-related, even if we're just friends. first of all, we're not friends yet, and we're not close enough for you to call me sister."

Rong Yan really felt that Tang Zong's brain must have been attacked when he was young. Otherwise, how could he be so brainless and speak nonsense?

Tang Zong immediately opened his eyes, which looked as aggrieved as a rabbit's, and said pitifully, "don't reject me so cruelly. how can you do that? we're friends. we'll be close after seeing each other once or twice. There will be friendship sooner or later."

"If it's you, there's no way!" Liancheng Yazhi replied directly.

He didn't believe that the Tang column's Rong Yan had any ulterior motives. As for what Tang Zong was thinking, he could roughly guess a thing or two. But this kid was so brazenly trying to get close to Rong Yan. This was not good.

Tang Zong expressed his pride ^(^): "I'm not even talking to you, why are you in such a hurry?"

Liancheng Yazhi lifted his chin. you're talking to my wife!

It might be fine to tell him, but to tell his wife, he would be asking for death.

Rong Yan stuck her head out from behind Liancheng Yazhi again and said to Tang Zong, "if you have the time to find me, why don't you go and have fun with your Tang family? don't you love doing that?"

after entering the shop and seeing tang zong, rong yan knew what liancheng yazhi was up to.

when he said the right time, the right person, wasn't it to find tang zong at this time, and then incite him to find tang ziyu? similarly, finding tang ziyu to play was the same as finding xia xuanmo.

Rong Yan really felt that Liancheng Yazhi was too Black-bellied now. When Xia Xuanmo had just woken up, he didn't let him go. He was probably waiting for Tang Zong to return from the South. Now that he was back, it was a good time to find him!

However, this time, Tang Zong had a lazy look on his face. what's there to play in the Tang family? it's so boring. We used to be at a level where we could play, but it's getting boring in recent years.

after he finished speaking, tang zong turned around and grumbled, “Big brother, you guys are really too useless now. Why are you all so noob?”

Rong Yan almost laughed out loud. Look at what Tang Zong said. It was as if other people’s ‘combat power’ was low now, making him feel that there was no challenge and no sense of novelty. He was wrong.

According to Tang Zong’s words, the Tang family should keep up with the times, so that every time Tang Zong came back, he would not be too bored when he was smearing their name?

Chapter 910 Sister, do you know me so well?

Tang han was so angry that his forehead was throbbing. Tang Zong, will you die if you say one less word? ”

The Tang family’s dirty laundry was basically all brought on by Tang Zong. Tang Zhen really didn’t want to acknowledge this little brother.

I won’t. Tang Zong spread his hands. but I will feel very uncomfortable!

hahahaha! Rong Yan finally couldn’t help but laugh out loud behind Liancheng Yazhi. Even Gu youran, who had been sitting silently at the side, couldn’t help but laugh.

As expected, Tang Zong was the natural enemy of the entire Tang family. He was The Public Enemy. Furthermore, he was the enemy of the entire Tang family!

Tang han was so angry that he snorted coldly. He couldn’t stay here any longer. He might as well leave.

Tang Zhen had never won a verbal battle with Tang Zong. Tang Zong was like a mudfish that no one could catch. He was so slippery that his hands would not stick to him.

Rong Yan had been thinking about how to lead the topic to Tang Ziyu and then quietly lure Tang Zong to cause trouble for Tang Ziyu.

Hence, Rong Yan looked down on Tang han. She looked at the door that was still shaking and said in disdain, ” “Your Tang family really doesn’t have anything good! I already told him not to come here, but he still came to harass youran. Are all your family members as thick-skinned as you?”

Rong Yan’s words were originally sarcastic and provocative, but she didn’t expect Tang han to not be angry at all. Instead, he nodded seriously. yeah, you’re right, sister. The Tang family’s specialty is our thick skin. No one is a good person, plus we’re shy and embarrassed!

Tang Zong spoke in a very serious manner. As he spoke, he even counted off his fingers one by one. It was as if he was saying that they were a little bit. He was especially proud.

He didn’t feel embarrassed at all!

Rong Yan truly believed that when a person was shameless to this extent, it was really a realm that could not be surpassed!

Rong Yan

She didn’t know what to say at all. Tang Zong was a weirdo.

Rong Yan glanced at Tang Zong. I really don't understand why all of you are staying in the capital. Tang Zhen comes to pester you all day long and finds it an eyesore. And you, my good cousin, is pestering Xia Xuanmo every day in the hospital. You've made up your mind to be a Xia family member alive and a Xia family ghost dead. Even if they have something to do, what are you doing here? "

"It's me. Of course, it's Qianqian who has to make up for the mistakes that our Tang family has made in the past!" Tang Zong continued to boast shamelessly.

Rong Yan pursed her lips in disdain. hey, kid. If you tell this to a three-year-old child outside, do you think anyone will believe you? " Sometimes, it's not fun when it's too funny."

I'm telling the truth. I'm really trying to make up for the big mistake that our Tang family made back then. Don't you agree, sister youran? "

the smile on gu youran's face disappeared and she turned to the side, not looking at him.

Rong Yan rolled her eyes, 'make up? I think you're just trying to make Tang Zhen unhappy. You're not here to protect youran, you're just trying to make your brother worry. The more he wants to do something, the more you won't let him do it!"

Tang Zong cupped his face and blinked his watery eyes. sister, look at you, you said that we have nothing to do with each other. If we don't have anything to do with each other, do you think you can understand me so well? "

Tang Zong's eyes were especially deceiving. Those who didn't know his true nature would definitely sigh if they met his eyes. These were the eyes of the heavens, so clear that you could see the bottom. Even the snow and melted water in the sky couldn't be so clean.
