

Permit Me 921

Chapter 921 What are you compared to her?

Even if Tang Ziyu were to serve him like a horse or a cow, Xia Xuanmo would not be interested.

Xia Xuanmo looked at Tang Ziyu coldly. compared to her, what are you? ” she asked.

Tang Ziyu’s tears fell like rain. What do you think I am?”

“You don’t have to come here again after you go out for a walk.” xia xuanmo pointed to the door.

Tang Ziyu wiped the tears off her face. These days, she had been working hard like a servant to save Xia Xuanmo, but not only did she not get a word of thanks from him, but now, because of Rong nuo’s imprisonment, he was venting his anger on her.

tang ziyu’s eyes flashed with anger,”fine, since you’re so cruel, i won’t let you have an easy time either!”

Xia Xuanmo, what’s the use of blaming me? I didn’t put Rong nuo in prison. If you want to blame someone, blame your mother. He testified in court that he saw Rong nuo push you with his own eyes. If it wasn’t for your mother, do you think Rong nuo would have been able to get in so easily with the Liancheng family around?”

if you have the ability, then go and get even with your mother. Why did you hit me? ”

Xia Xuanmo’s body suddenly trembled. Tang Ziyu’s words were like a Thunderbolt, directly striking his heart!

his mother ... his mother was the witness?

How could it be? it was impossible. Her mother had always been a very gentle person and had a kind nature. It was impossible for her to do this. No matter how much she hated Rong nuo, she should have taken him into consideration.

No, Tang Ziyu must be lying.

Xia Xuanmo glared at Tang Ziyu. impossible! How could my mother do that?!

Tang Ziyu laughed,”are you deceiving yourself?” I’ll tell Xia Xuanmo, even if you kick me away, you can never have anything to do with Rong nuo again, because it was your mother who pushed her into prison. Do you think she can still like you because of this? dream on!”

It was your mother who personally pushed her into prison!

“It was your mother who personally pushed her into the prison, prison, prison, prison.”

Xia Xuanmo repeated this sentence over and over in his ear, each voice louder than the last! They were like sharp needles stabbing into his heart, making him feel unbearable pain.

Xia Xuanmo clutched his heart and knelt on the ground with one knee. His face turned pale and bloodless.

tang ziyu said that because she was angry. she still liked xia xuanmo very much, so when she saw xia xuanmo like this, she was scared and quickly ran over, ” “Xuan mo, what’s wrong with you, Zhenzhen?”

“go away!” xia xuanmo pushed tang ziyu away and staggered out of the door.

Tang Ziyu’s ankle was already swollen. He wanted to chase after her, but when he reached the door, he was in so much pain that he couldn’t move anymore. He could only shout at Xia Xuanmo’s back, ” Xuan mo, where are you going? it’s very late. Come back, come back!

Xia Xuanmo’s back disappeared at the top of the stairs, and Tang Ziyu sat on the ground, covering his face and crying.

“Rong nuo, why do I need you? Why do I have to have you?”

She loved Xia Xuanmo so much. A cold-blooded and heartless woman like Rong nuo was not worthy of Xia Xuanmo’s love at all. If only she had met Rong nuo earlier. How good would it be if there was no such woman as Rong nuo in this world?

Xia Xuanmo stumbled down the stairs and walked out of the hospital.

It was already very late at night, around three or four in the morning. At this time, the entire city was almost in silence.

Xia Xuanmo didn’t have a cell phone, he didn’t have any money on him, and it was difficult to get a taxi outside, so he had to walk for a long time with his weak body.

Chapter 922 Unafraid of ghosts knocking on the door at midnight

Xia Xuanmo walked for about an hour before he finally stopped a taxi. At this time, he was almost exhausted, and the patient’s clothes on his body were completely soaked in sweat.

The driver was shocked to see him like this. He didn’t even want to pull him. He was obviously a patient who had run out of the hospital.

xia xuanmo panted and said, ” “take me home, and i’ll pay you ten times the fare, yingluo.”

“Then where do you live?” the driver asked carefully.

After Xia Xuanmo told him the address, the driver was greatly surprised. He had been a taxi driver all day long for many years. Although he didn’t know all the roads in the imperial capital, he had a living map in his mind. He knew where the rich, the poor, the rich, and the powerful lived.

The address given by Xia Xuanmo was the place with power and power in the driver’s mind.

The driver didn’t dare to say anything else. no need, no need. You can just pay the normal price. Please do it.

In the middle of the night, there was no traffic jam, and the driver drove fast, so Xia Xuanmo was sent back in about twenty minutes.

After arriving at the place, Xia Xuanmo said, ” I don’t have any money with me. Wait a moment. I’ll knock on the door. I’ll send you a Hanhan later.

ah, ran ran, good, good. although the driver was a little worried that Xia Xuanmo would not come back, he still nodded.

The 20-minute break allowed him to regain some strength. He got out of the car, walked to the door, and kept ringing the doorbell.

At this time, the Xia family was in deep sleep.

Xia Xuanmo massaged for nearly five minutes before someone woke up. The servants at home were half-asleep, Mimi, and so on. They complained and opened the door, but when they saw Xia Xuanmo standing outside, they were surprised and said, " "Young master, Yueyue, why are you back?"

xia xuanmo directly entered the door. " the driver is waiting for you. go and give him the money. "

"Ah Yingluo, Oh Yingluo."

After Xia Xuanmo entered the house, he didn't have time to rest and went upstairs to knock on his parents 'door. Dong Dong Dong, the sound was loud and urgent, as dense as drum beats.

The maid who opened the door quickly ran upstairs. young master, stop knocking. Can't you talk about it at dawn? "

Xia Xuanmo coldly shouted,"go down for a walk."

The maid trembled in fear. After being in the Xia family for so many years, Xia Xuanmo had always been a good-tempered person, but this was the first time she had seen him so angry.

The maid quickly nodded and ran downstairs.

Xia Xuanmo continued to knock on the door, and finally, Madam Xia's voice came out, " "Who's knocking so fast? stop knocking, stop knocking Yingluo is so annoying."

After a while, the bedroom door finally opened. Madam Xia was shocked to see Xia Xuanmo, who was as pale as a ghost, and exclaimed, " Xuan mo, why are you back? "

Father Xia heard Madam Xia's voice and scolded her the moment he saw her, " "xuan mo, why didn't you stay in the hospital in the middle of the night? what are you doing running home?"

Xia Xuanmo looked at them and said,"why did you hide the news of Rong nuo's imprisonment?" Do you really think that you can hide it forever?"

"who told you that?" xia fu's eyes immediately widened.

The Xia family's parents did not want to hide it for a lifetime, they just wanted to hide it for a while, until Tang Ziyu and he had some feelings for each other, and when Rong nuo was not so important in his heart, then they would let him know.

However, they didn't expect Xia Xuanmo to know about it so quickly, and to launch an attack without any warning, making them at a loss for a while.

.....

Chapter 923 what's real and what's fake?

Madam Xia's mind turned, and she gently held Xia Xuanmo's shoulder, letting him in, and whispered, " "Xuan mo, come in and rest first. You see, your body hasn't recovered yet, but you came back from the hospital in the middle of the night. What if something happens? Your child is already so big, but you're still making your parents worry. You're really too disobedient."

Madam Xia's blame was filled with deep concern and motherly love. She was trying to play the gentle card to divert attention and ease Xia Xuanmo's anger.

In the past, as long as she spoke to Xia Xuanmo like this, no matter how angry he was, he would calm down.

After all, they were biological mother and son. No matter how angry Xia Xuanmo was, he couldn't get over this hurdle!

This time, Xia Xuanmo looked at his biological mother with a complicated expression. He used to think that his mother was a gentle and virtuous lady. Although she was getting old, she still maintained a pure girl's heart and treated people with a good side.

But now, for the first time, Xia Xuanmo realized that his mother was so unfamiliar. It was also the first time he began to wonder if he had been deceived for so many years.

Or was it because he had closed his eyes on purpose and did not want to see or think because he was afraid that if he understood and saw clearly, what would be left would be disappointment?

Madam Xia didn't notice the change in Xia Xuanmo's mood. She pulled him into the house, and then quietly gave Father Xia a look, telling him to calm down and not be anxious.

Madam Xia gently said, "Xuan mo, you're not a child who can't distinguish between good and evil. You have been very obedient since you were a child and have never let us down. You're a very filial child. Then you should also be very clear that no matter what we do, it's for your own good. Don't you even believe us? Other people's words always have a purpose. Don't believe it easily. You have to calm down and think carefully. Who is really good to you and who has ulterior motives for you?"

Xia Xuanmo looked at Madam Xia sarcastically, "Is it really good? A fake is good? Then tell me, what is real and what is fake?"

She didn't call them 'mom' or 'dad' after she entered the house. Instead, she spoke in a questioning tone, which made Father Xia very angry!

Father Xia had always thought that Xia Xuanmo's training was very successful. From childhood to now, Xia Xuanmo had taken every step according to Father Xia's expectations. However, with the sudden appearance of Rong Nuo, Xia Xuanmo had gone out of control.

"How could you speak to your mother like that?" Father Xia said sternly. Hurry up and apologize."

Madam Xia pretended to be magnanimous. It's okay, it's okay. Xuan mo is in a bad mood, we have to understand!

Xia Xuanmo's face did not change at all, "I won't apologize. I'm not in the wrong. You haven't answered my question!"

Madam Xia's eyes flashed with a touch of embarrassment, and in her heart, she scolded Rong Nuo for being a Vixen. It was her who seduced her son into this state, and he even talked back to his parents for her.

Madam Xia smiled and said, "Xuan mo, I know you're very angry, but you can't blame your father and me. She did something wrong, so she has to bear the responsibility. Everyone is equal in front

of the law. Do you think that the country's laws are just for show? " If everyone was like her and hurt someone without getting hurt, wouldn't society be in chaos?"

Xia Xuanmo laughed out loud, and there was a deep irony in his laughter. After laughing, he asked, " Mom, are you panicking when you say that?"

Chapter 924 She is guilty

The gentle smile on Madam Xia's face instantly froze. what are you talking about? "

Xia Xuanmo sneered. what you mean by 'everyone is equal before the law' is that you can go to court and make a false statement that you saw Rong nuo push me down the stairs with your own eyes? "

Madam Xia was at a loss for words,"my ran ran."

She knew that Xia Xuanmo already knew about this, but she didn't expect him to say it so bluntly.

For so many years, Xia Xuanmo had always listened to her. In the past, even if she did something wrong, Xia Xuanmo would also tell her tactfully, never criticizing her to her face and embarrassing her.

xia xuanmo looked at madam xia with disappointment, " you clearly knew that ran ran only wanted to grab me because I slipped. Mom, when did you learn how to frame and fake evidence? "

Madam Xia's face turned red and she stuttered, I, Hanhan, I didn't fake it. I, Hanhan, I was so scared. I don't remember clearly, but I think I saw her reach out her hand, Hanhan.

Xia Xuanmo overbearingly said, " didn't you see clearly? Frightened? You swore in court that you saw it clearly that Rong nuo pushed me and that she was the murderer. Now you say you didn't see it clearly, what were you doing earlier? since he didn't get to the bottom of it, he dared to accuse others? You caused others to be imprisoned and lose their freedom. Have you never been afraid?"

Madam Xia couldn't sit still after being criticized by Xia Xuanmo. This was the first time she had been reprimanded by her son in such a way. It was like a slap to her face, which made Madam Xia particularly angry.

However, at this time, the angrier she was with Xia Xuanmo, the more disadvantageous it would be.

Hence, Madam Xia decided to use her most common tactic-crying.

Her eyes reddened and she said with tears in her eyes, " Xuan mo, I was just too angry, but Yingluo, you were lying in the hospital in a coma, and your life was not guaranteed. As a mother, do you know how much my heart ached when I saw my son like that? even if she wasn't the one who pushed you, she couldn't have gotten away with it. if it wasn't for her, would you have run upstairs and argued with her? after all is said and done, it's all her fault."

Xia Xuanmo's heart was getting colder and colder. From the beginning, Madam Xia had tried to divert his focus, hoping to use the family card to soften his heart. Later, she pretended not to know, and now, she was playing the mother and son card, the sympathy card. Every step was really carefully calculated.

But in the past, he had been played by Madam Xia like this.

xia xuanmo sneered. " i always thought that you had no dark side in your heart. it turns out that i've been so wrong all these years. i'm really stupid. for someone like you to marry into such a prestigious family and mix in with the circle of noble ladies for so many years, how can you be more innocent? "

Madam Xia's lips trembled and her face turned pale.

Father Xia was listening at the side. He thought that his wife could persuade his son, but he didn't expect that even his wife couldn't comfort him. After the failure of the motherly policy, father Yan appeared."How dare you say that? the court has already ruled that Rong nuo is guilty. She brought this upon herself. You have nothing to do with her anymore. Do you still look like a descendant of the Xia family?"

Xia Xuanmo looked at father Xia coldly and said, " "Do you know how much I hate the fact that the Xia family's blood flows in my veins? Do you know how much I wish I wasn't a member of the Xia family?"

Chapter 925 A painful choice

Father Xia was so angry that he slapped her,"you, you bastard Yingluo!"

Xia Xuanmo laughed bitterly at himself. The woman he liked was framed by his parents and sent to prison. This was a good gift from his parents.

tang ziyu's words were still vivid in his mind. his parents had done such a thing, and there was no longer any possibility between him and rong nuo. he didn't even have the face to see rong nuo, he didn't dare to face her, and he didn't even dare to think about it.

It was because he had let her down, and he would never be able to pay her back in this lifetime.

Xia Xuanmo laughed, "good to me? you keep saying that you're good to me. Is it just to make me work hard for the Xia family?" What am I? I'm not your son, I'm just a pawn that you're using!"

Xia Xuanmo turned around and left. These were his parents, the people who gave him life. He could not be as decisive as Liancheng Yazhi. The only thing he could do was regret.

madam xia was a little worried and wanted to chase after him."Xuan mo, Xuan mo Jue Jue"

However, father Xia pulled her back. don't bother about him. He's getting out of hand. For the sake of a woman, he's actually challenging us in public. Let him reflect on his actions.

Madam Xia was getting anxious. but, this incident really hit him hard!

Father Xia said hatefully,"what's a blow?" That woman is still alive and well, and he looks like he's about to die. When she's really dead, is he going to be buried with her?"

Madam Xia's face turned pale. She seemed to have thought of something and did not dare to look father Xia in the eye. She nodded her head vaguely.

After that, the two of them went back to bed to sleep. At first, they couldn't fall asleep, but later, father Xia fell asleep while Madam Xia's mind became more and more tense.

She knew that Xia Xuanmo had not left the house and had returned to his room.

so, madam xia quietly got up, went out, and knocked on xia xuanmo's door.

She had already thought about how to win back Xia Xuanmo's heart.

As soon as she entered the door, she apologized, "Xuan mo, mom knows that it was my fault this time, but I was really angry at that time. Moreover, your father said that ran ran must take this opportunity to attack the Liancheng family. I was so incited by him that I couldn't control my mouth and made a false statement in court. I have been regretting it since then, really.

Madam Xia sobbed twice. Xuan mo, no matter what, no matter what I did wrong, I'm still your mother. Your biological mother, when she gave birth to you, she was in pain in the hospital for a day and a night before giving birth to you. You're my life. Are you going to expose me for falsifying evidence for her? "

on one hand, madam xia pushed the blame to father xia, while on the other hand, she used the past to gain xia xuanmo's sympathy. this move was indeed brilliant. although it was very cliché, it was good as long as it worked.

Xia Xuanmo was forced into a dilemma. On one side was the woman he liked, and on the other side was his own mother. No matter what he did, he would hurt the other.

Xia Xuanmo was caught in a painful choice.

Madam Xia saw that it was effective and quickly continued,"This time, Rong nuo was supposed to be sentenced to ten years in prison, but the Liancheng family stepped in and forced Rong nuo to only be sentenced to three years in prison. After she goes to prison, there will definitely be a reduction in her sentence and she will be released soon. Tomorrow, I will go and find someone to make her life better in there. I promise that no one will bully her. What do you think?"

Chapter 926 I'm the one with wishful thinking

Madam Xia tried her best to speak as sincerely and seriously as possible. She did not care about Rong nuo's life at all. If she could go to prison and get a beating, Xia Xuanmo would no longer be angry, she was willing to do so.

In any case, even if the prison was turned into heaven, Rong nuo would not be able to get out, let alone have any further development with Xia Xuanmo.

Since he was no longer a threat, Madam Xia did not mind helping Rong nuo.

Xia Xuanmo laughed to himself. do I need you to do it? Liancheng Yazhi and Rong Yan have already been arranged. You know it, but you still said that. Do you think I'm so stupid that I can't even tell if you're sincere or just perfunctory?"

madam xia choked and couldn't say anything for a while. she could only emphasize, " i'm sincere, i really sincerely want xuanmo to live a better life. xuanmo, believe me, i really want her to live a better life. i want her to live a better life. i want her to live a better life. "

Xia Xuanmo suddenly hated hearing Madam Xia's voice, and he snapped, " mom, forget it, Yingluo. You don't have to say anything. It's useless, Yingluo. You can leave.

Of course, Madam Xia wouldn't leave. She wouldn't leave until Xia Xuanmo was convinced. She grabbed Xia Xuanmo's hand and said, " Xuan mo, listen to me, okay? mom knows that I did something wrong and let her down, but she deserved it. Her identity and you are impossible, but she still has a delusion about Yingluo.

xia xuanmo pushed madam xia's hand away, stood up suddenly, and angrily said, "mom, how many times do you want me to say this? it's not her wishful thinking. It's me. I'm the one who's pestering her. I'm the one who's delusional.

Madam Xia was shocked. how is that possible? who is she? Who are you? it's only Zhenzhen who can get close to you.

"Haha, do you think that everyone wants your son so much? do you think that my identity can make all the women like moths to a flame? You think too highly of the Xia family. With Rong Yan around, she has the Liancheng family behind her. Do you think it's difficult for Rong Yan to find someone better than me? Mom, don't live in the world that you created. In the eyes of others, you're not a Princess, not a noble lady, Yingluo."

In the end, Xia Xuanmo didn't say the rest of his words, because it would be even more unpleasant and would make Madam Xia lose even more face.

She was already an old woman in her fifties or sixties, but she still thought that she was still a young girl. It was really annoying to look at.

Madam Xia's face was full of panic,"you Xuanmo, you, how can you say this about me, Xuanmo?"

"Could it be that you want everyone to pamper you? could it be that when you do something wrong and commit a crime, you don't allow others to say a word about you? Don't you feel guilty for falsifying evidence and falsely accusing an innocent person of going to jail? aren't you afraid of retribution?"

In the past, whenever Xia Xuanmo was suppressing his anger, he would always suppress his temper and never say a single harsh word to Madam Xia. At that time, he always felt that his parents had given him life. When he grew up, he would protect his mother, inherit the family business, and bring glory to the family. Not letting his father down was what a son should and must do.

.....

Chapter 927 Don't lie to me, and don't lie to yourself

However, when those embarrassments were removed, when the smokescreen that covered his eyes faded away, Xia Xuanmo realized how stupid he had been all these years!

Liancheng Yazhi used to say that he lived for himself. At that time, he even said that his life was too selfish.

But now, Liancheng Yazhi's selfishness had brought him a happy family, he could marry the woman he liked, and he had a daughter who was like a treasure. No one could have the happiness that Liancheng Yazhi had now.

and him?

Who could he blame for falling to this point?

Blame his parents?

No, he should be the one to blame. He was the one who didn't have the courage to be like Liancheng Yazhi. He couldn't let go of the Xia family, power, and future. He brought this on himself. He deserved it.

Madam Xia's fingers were twisted together, nervous and afraid. She was a Buddhist, and Buddhism paid attention to the cycle of cause and effect, and karma was not good. Xia Xuanmo's words made her afraid, so she began to find reasons for herself to shirk responsibility."my hanhan is, your hanhan is what your dad told me to say, hanhan, i was forced to say it, hanhan"

"Was I really forced? Don't lie to me, and don't lie to yourself."

Seeing that Xia Xuanmo no longer believed her, Madam Xia gritted her teeth and threw out her last card. "Okay, I was wrong and I gave a false testimony, so I deserve to be punished. I will turn myself in tomorrow, go to the court, go to the police station, and tell them to arrest me and let Rong nuo go. As long as you are happy and you don't collapse, mom can do anything for you. I can also go to Rong nuo, I will go to her, kneel and beg her, let her be with you, let her not leave you, is that okay?"

Madam Xia knew very well that no son would not be soft-hearted after his mother's humble begging. Similarly, no son would really watch his mother go to jail with his own eyes.

Madam Xia's desperate plea for mercy, even at the expense of her dignity, really made Xia Xuanmo's heart soften a little.

If Xia Xuanmo went to court and said that Rong nuo did not push him down, but that he fell down himself, it would indirectly prove that Madam Xia's testimony at that time was false. Because Madam Xia was standing from a clear angle in the video, it was impossible for her to be wrong.

Now, this matter was making Xia Xuanmo feel awkward. He could either save Rong nuo and let Madam Xia bear the crime of perjury, or he could harden his heart and let Rong nuo continue to be wrongly accused in exchange for his mother's freedom.

However, Xia Xuanmo didn't want to choose either of these two. This was the most difficult multiple choice question in the world.

Madam Xia saw that Xia Xuanmo's face was already filled with confusion and embarrassment, so she continued, "you don't have to feel troubled. I'm fine. I'm an old woman, so it's fine for me to go in. It's better than letting a young lady waste her youth in there. Yingluo, you should rest. I'm going back now. I'll do it tomorrow, Yingluo.

After that, Madam Xia got up and slowly walked to the door. She was also gambling on Xia Xuanmo's filial piety and how deep their mother-son relationship was.

The more Madam Xia said that, the more difficult it was for a son. She seemed to be compromising, but she was actually using the word filial piety to force Xia Xuanmo to be a Xuan mo.

If this were to happen to anyone else (except for people like Liancheng Yazhi, Tang Zong, and Rong Yan), would they really be able to see their own mother go to jail despite her age?

.....

Chapter 928 but some hurt can't be compensated

Just as Madam Xia was about to reach the door, Xia Xuanmo finally opened his mouth and said, "Mother!"

Xia Xuanmo fell down on the bed and weakly said, "you're my mother, that's something that can't be changed. Let's forget about this, I'll pay off the debt I owe myself, Wanwan."

It was true that Xia Xuanmo was a person who was responsible for his parents. If he could only disappoint one of them, he would still choose to give up Rong nuo.

As Rong Yan had said before, abandoning something would become a habit.

After the first time, there would be a second time.

He would deliberately find excuses for himself in his choice, and then tell himself that he had no choice but to make this choice.

Xia Xuanmo was like this. His mother was old and in poor health. She would die in a few years after two years in prison. However, Rong nuo was still young, and he would find a way to get her out earlier. Then, ran ran would use the rest of her life to make it up to her!

Compensation?

He said it so easily, but some hurt and some mistakes couldn't be compensated even if you paid with your life.

In short, this kind of man was-scumbag!

The stone in Madam Xia's heart was instantly lifted, and a smile appeared on her face. She patted her chest twice. She was really afraid that Xia Xuanmo would not stop her. Then, wouldn't she really have to go to court tomorrow? she didn't want to stay in that ghostly place.

As for Rong nuo's matter in the future, that would have to wait until she was out of prison. Three years was such a long time, she had a lot of things to do and could make a lot of preparations.

Now, Xuan mo felt guilty towards Rong nuo, so she stood on her side with all her heart. However, emotions needed to be managed well. Just like just now, she firmly grasped Xia Xuanmo's weak point in the end and still stood on her side.

Madam Xia turned around and grabbed Xia Xuanmo's hand with tears in her eyes, "Xuan mo, mom knows that you are a filial and good child. You won't watch me leave. You are my only hope. You have to pull yourself together and apologize to your father tomorrow. Then take care of your body. If you continue like this, your father Qianqian will definitely give up on you!"

Xia Xuanmo pulled out his hand and said, "From the moment you did that, I gave up on forcing myself."

Madam Xia's heart, which had just calmed down, immediately tensed up again. She quickly said, "Please don't do this. You can't give up on yourself. I'm begging you,"

Xia Xuanmo closed his eyes and did not say a word, while Madam Xia was so anxious that she did not know what to do.

After thinking about it, she decided to tell Xia Xuanmo a secret that had been suppressed in her heart for a long time. "xuan mo, mom is saying this for your own good. in the past, ran ran was very young, and your father had a woman outside, and he even had an illegitimate son, ran ran."

xia xuanmo suddenly opened his eyes. there was actually such a thing. he had always thought that his father was unsmiling, serious, and not enthusiastic about women. moreover, he had always been very good to madam xia, which was very rare in other families. he didn't expect that ran ran would have an affair even when she was married.

Madam Xia stood up and paced back and forth nervously. She mustered her courage and said, "But Yingluo, your father Yingluo thought they were all dead, Yingluo."

It was precisely because of this that Madam Xia was particularly afraid when father Xia said that if Rong nuo died, Xia Xuanmo would be buried with her!

Chapter 929 Madam Xia's Secret

She was afraid that if father Xia felt that Xia Xuanmo was not qualified to inherit the Xia family, he would find the truth of that year and find that illegitimate son Yingluo.

Xia Xuanmo looked at Madam Xia's guilty and anxious appearance and asked in disbelief, "Yingluo, did you do it?"

Xia Xuanmo was already completely disappointed in Madam Xia for her perfection, but he didn't expect her to have already done something even more terrible.

Madam Xia quickly shook her head and denied, "it wasn't me. When I found out, I was just very sad and felt like the sky was about to fall. Then I ran back to my parents' house and cried to your grandparents. Then your uncle and uncle found out too. At that time, at that time, I was so angry that I said it casually. I really wanted that bitch and that little bastard to die, Huahua.

Madam Xia kept rubbing the back of her hand. after that, when I thought things through and returned home, I heard that Yingluo, that woman, had died and that the child, Yingluo, was missing!

Madam Xia covered her face in despair and said bitterly, "That's why I've always been afraid. After that incident, your father took a long time to recover from the shock. I'm afraid that he'll find out and that he'll bring that child back to threaten your position. That's why I've always wanted you to do better and satisfy your father. That way, he won't leave us alone and you'll be able to inherit the Xia family without any pressure. As long as you're outstanding enough, even if that illegitimate child comes back, he won't be a threat to you."

Madam Xia wasn't pretending this time. This matter had been his biggest secret for many years.

she was afraid of being discovered, and even more afraid of father xia finding out.

Now that she had mustered up the courage to tell this secret to Xia Xuanmo, Madam Xia felt that the knot in her heart had finally been reduced a little.

Xia Xuanmo looked at Madam Xia, who was on the verge of a breakdown, and after a long time, he said, "For me? You're just afraid of losing your position, aren't you? You're afraid that if this scandal gets out, you won't be able to raise your head in front of others in the future. You're afraid that if I'm useless one day, you won't be able to be the glorious Madam Xia."

Madam Xia quickly shook her head, "I'm not Yingluo, I'm not Yingluo."

"Mom, you can go out. Ran ran has nothing to do with me." Xia Xuanmo was now completely disappointed in Madam Xia. He didn't want to see her or hear her voice.

He felt that the family he had always thought of as warm and warm had suddenly become a monster.

it hid so much darkness and sin.

It turned out that his father was not as pure as he had thought, and his mother was not as pure and kind as he had thought.

Each of them wore a mask and treated him with a righteous expression that said 'I'm doing this for your own good'. Then, they kidnapped him with their family ties, forcing him to make some choices that he didn't want to make and to do things that went against his heart.

Madam Xia was unwilling to give up and said a lot more, but no matter what she said, Xia Xuanmo no longer answered!

In the end, her mouth was dry from talking, and the sky outside had already brightened.

Madam Xia had no choice but to leave.

.....

The latter half of the night was destined to be chaotic for the Xia family. Everyone was "worried and anxious".

As the sky brightened, a new day began. Xia Xuanmo, who had not fallen asleep, got up and silently packed his luggage. He took the things he needed, such as his identity card, passport, bank card, and then left the Xia family.

He couldn't stay in this hypocritical home for another day.

Chapter 930 Mom, is the bad guy dead?

the xia family wasn't having a good time, but rong yan's family was having a much better time.

Rong Yan was naturally very happy when she heard the news.

when liancheng yazhi came back from work, he told rong yan, last night, Xia Xuanmo went home. After making a big scene, Yingluo has run away from home!

After hearing this, Rong Yan immediately screamed happily, "wow, it's true, Yingluo, Aiyo, I can imagine Madam Xia crying like a Pear Blossom bathed in rain. That's great! I really didn't expect that Xia Xuanmo would dare to run away from home!

rong yan thought that xia xuanmo would definitely be quarreling and then regret it for a while, and his parents would basically settle it.

She didn't expect him to have the courage to leave the Xia family.

Liancheng Yazhi rubbed Rong Yan's bangs affectionately. Xia Xuanmo running away from home only means that he's disappointed in his parents. However, it's not certain if he wants to cut off all ties with his family.

rong yan pursed her lips and said disdainfully, "tsk! i'll stuff a cucumber into your mouth. with xia xuanmo's character, he'll definitely go back obediently."

The corner of Liancheng Yazhi's mouth twitched, and he reached out to flick Rong Yan's forehead. "Why did you have to bet on cucumbers? why don't we bet on something else? Let's bet on whether Xia Xuanmo will take the initiative to go to the court to reverse Rong nuo's case."

Rong Yan immediately raised her hand. alright, I'll bet with you. What's the bet? "

Liancheng Yazhi looked at Rong Yan affectionately and pulled her into his arms. "If I win, you're not allowed to stop me from touching Yingluo tonight!"

Rong Yan put her hands on Liancheng Yazhi's shoulders. "Okay, but if I win, you'll have to think about it when I've thought of it."

Just as Liancheng Yazhi was about to speak, Rong Yan quickly said, "I'll say it first. I bet that Xia Xuanmo will never go to the court to reverse Rong nuo's case for Rong nuo."

"We are not fools. If Xia Xuanmo says that Rong nuo is innocent, isn't that telling everyone that his mother gave false testimony? the crime of falsifying evidence is not light. With his mother's virtue, she must have cried, made a fuss, and hung herself at home. Moreover, Xia Xuanmo is a person who always makes decisions at the last critical moment that people will despise. Therefore, I dare to conclude that he will definitely not take the initiative to expose his mother's crimes."

"I also want to choose this. What should I do?" Liancheng Yazhi said with a bitter face.

Rong Yan spread out her hands and blinked at him regretfully. "but i've already made my choice. who asked you to not hurry up? alright, it's decided then."

Rong Yan held Liancheng Yazhi's arm and dragged him towards the dining table. "darling, it's time to eat, yingluo. i'm going to make a delicious meal tonight to celebrate yingluo. call the others over too. it's been a long time since i've been so happy, let's have a good time, yingluo."

"a good ran ran will listen to you," liancheng yazhi said with a smile.

The reason he played this little game with Rong Yan was to make her happy. As for whether he won or lost, it didn't matter at all. It was fine as long as she was happy.

at the dining table, "Mommy, you seem to be very happy today, Yingluo."

Rong Yan nodded hard and lowered her head to rub MeowMeow's cheek. yes, because a bad guy finally got a little punishment, so mom thinks that we should be happy since we represent the righteous side.

"Is the bad guy dead?" meowmeowmeowmeow asked innocently.

Rong Yan paused for a moment. Oh, not yet. So, mommy has to work hard.
