

Permit Me 931

Chapter 931 The happiness of a family of three

KO?.....”

rong yan looked surprised and turned to ask liancheng yazhi, ” “Who did you learn this from?”

Liancheng Yazhi looked at MeowMeow. I also want to know. Who did ran ran learn this from? “he asked.

“Meowmeowmeowmeowmeowmeowmeowmeow, who taught you how to ko?” Rong Yan asked.

“Uncle Kang Zhen!” MeowMeow didn’t hide anything and sold Kang Zhen out.

The couple looked at each other. It seemed that tonight, they could use the meal as an opportunity to educate them not to teach their little princess the wrong things!

Kang kun was practicing his shooting at his private shooting range at home when he suddenly felt a chill on his back. He fired a shot and ... Missed the target?

He rubbed his eyes and couldn’t believe his eyes. He had missed the target!

Damn it, this is the first time I’ve missed the target since I hit the wall!

Kang Zhen looked around. Fortunately, they were at home. If something was wrong, he would become the laughingstock of the group of children. He wouldn’t even be able to maintain his dignity!

.....

In the afternoon, Liancheng Yazhi informed them early and told them to postpone their meeting if they had something on. The sick ran ran didn’t need to come, so as not to infect MeowMeow! Anyway, as long as you’re not sick, I don’t care what the reason is. I’ll just come.

Liancheng Yazhi even specially instructed Kang kun to bring his wife over.

But Kang Yu didn’t give a straight answer. He seemed to have a problem.

Liancheng Yazhi got off work before six in the afternoon. Before he left, he said to Secretary Zhou, ” “I have something to do today, so I’ll leave first. I’ll leave the rest to you.”

“But young master ya, these documents are still waiting for your signature,” Secretary Zhou quickly asked.

Liancheng Yazhi didn’t care. it’s just a few documents. Don’t think I don’t know that you’re 80% similar to me in imitating my signature. You can sign it yourself!

With that said, he picked up his car keys and left, hunched over.

Secretary Zhou looked at Liancheng Yazhi’s back and deeply felt that he would not love him anymore!

Young master ya, aren’t you afraid that I’ll do something to you?

you're so at ease, but i'm not at ease with myself, okay?

Secretary Zhou wiped his sweat and obediently went back to his work. He picked up a pen, raised his arm, and carefully imitated Liancheng Yazhi's signature. If he had known that this day would come, he would not have practiced this skill. It was so annoying, did he?

Liancheng Yazhi drove to Gu Hesheng's house to pick up MeowMeow and Rong Yan.

After Rong Yan got into the car, she said to him, "let's go to the supermarket. I'm going to buy some fresh ingredients."

Liancheng Yazhi felt that this suggestion was very good. sure, I don't think we've gone to the supermarket together before. Today's a good day.

I think so, Yingluo. Rong Yan thought for a while and nodded. The three of them really didn't seem to have gone to the supermarket together. They had never done such a simple thing before? She really didn't know what they usually did.

However, they had all overlooked one problem. Would it really be good for such an eye-catching family of three to appear in the supermarket?

Half an hour later, they finally found a solution. Liancheng Yazhi was pushing a shopping cart with their little baby in it. He held Rong Yan's hand in one hand, and at first glance, they looked like a warm and loving family.

at first, their family enjoyed this kind of time very much, but because their appearance was so f * cking enviable, many young ladies thought that they were celebrities and followed behind to take photos.

Chapter 932 This tall, handsome, and rich man is mine now

Liancheng Yazhi was the first to notice. He frowned slightly. Although there was a look of impatience in his eyes, he did not show it. This was the first time that their family of three had come to the supermarket. MeowMeow was so happy, and so was Rong Yan. He could not let them down.

Hence, Liancheng Yazhi tried his best to block Rong Yan and not let her find out that someone was chasing after her and secretly taking photos!

however, even though he had blocked her face, she still saw it. she didn't care. she couldn't block others from seeing it, so at most, she just ignored them.

Rong Yan consoled Liancheng Yazhi instead, " "Don't be so annoyed. If they want to see it, let them see it. It's not a big deal. Even if their eyes pop out, you're still my man. I enjoy being stared at with envy and jealousy. Let's go to the seafood section. I want to buy a carp."

Those people were looking at Rong Yan with that kind of gaze, which meant that the man she chose was good?

If it wasn't Liancheng Yazhi beside her now, but a short and poor-looking man, would anyone look?

Rong Yan really wanted to turn around and smugly shout at those young girls, " Hey, look carefully, this tall, handsome, rich, arrogant, and overbearing man is mine!

Liancheng Yazhi instantly laughed. Rong Yan's mentality was indeed very good sometimes and she had a very strong heart.

She was right. Even if the girls behind could see it, he was Rong Yan's man and MeowMeow's father. It had nothing to do with them!

The two of them didn't care how many cell phones were taking pictures behind them. They shopped in the supermarket without any pressure and bought a whole truck of things before leaving.

When it was time to settle the bill, Liancheng Yazhi let Rong Yan carry Miaomiao and walk in front. They went out first, and he pushed the cart of food behind to settle the bill.

Because they bought too many things, it took nearly 20 minutes to settle the bill. The people behind them were waiting anxiously, but when they saw Liancheng Yazhi's aura, they did not dare to rush him. They could not wait any longer and simply ran to the other side to line up.

After finally paying the bill, Liancheng Yazhi's hands were full, and Rong Yan felt heavy just looking at it.

But before Rong Yan could say she wanted to help, MeowMeow said before her, "dad, let me help you. i'm very strong!"

Liancheng Yazhi and Rong Yan's eyes widened in surprise when they heard this. For such a young child to say such words, it really made parents feel unusually warm and proud.

Liancheng Yazhi lowered his head and kissed MeowMeow's little face. baby, daddy is stronger. Daddy is a Superman. These things are very easy for me. I don't need your help. When daddy is old, you can help Daddy carry things.

"Really?"

of course it's true. If you don't believe me, you can ask mommy.

rong yan nodded and said,"yes, our father is very strong and very powerful!" I can easily lift you up above my head, have you forgotten?"

"Alright then, I'll definitely help Daddy when I grow up," MeowMeow said with a little regret.

Liancheng Yazhi and Rong Yan looked at each other and smiled. At this moment, both of them felt the same happiness in their hearts. As parents, while they gave their children their best, they also received endless motivation from their children.

the family of three got into the car and went home. liancheng yazhi made a call before he drove.

Then, after they left, a lot of security guards suddenly appeared at the exits of the supermarket. They asked the young ladies who were taking photos behind Liancheng Yazhi to delete all the photos and videos on their phones.

Chapter 933 Uncle, let's play together!

They could bid, but Liancheng Yazhi didn't want to care.

However, in today's society, after taking a picture, it could be uploaded to the internet in minutes. By then, he didn't want his family to become a post for others to watch and amuse themselves on the internet.

When they got home, Rong Yan started to prepare to cook. Liancheng Yazhi wanted to help but was chased out by Rong Yan, who asked him to play with

Although Liancheng Yazhi was very chauvinistic in some places, he was also very considerate in many places. He never thought that men could not enter the kitchen, but Rong Yan usually did not let him in.

It was not entirely out of consideration for him being tired from working all day, but because ...

This guy basically can't do anything well! The vegetables couldn't even be washed clean.

He was in the kitchen, and Rong Yan thought he was in the way!

Liancheng Yazhi, who had been driven out of the kitchen, could only go to the living room to play games with MeowMeow. MeowMeow sat on the stall on the floor in the living room, surrounded by many toys, and she played inside!

After half an hour, Kang Zhen and the others arrived one after another. They had informed each other before they came and set off together, so there was not much difference in their arrival time.

The first person was naturally Tang Zhenzhen.

as soon as he entered the door, he saw liancheng yazhi's hair with a pink bow hairpin that was worn by meowmeow. it was really funny compared to his handsome face, so feng nongtang did not even have time to greet him and laughed out loud.

Liancheng Yazhi rolled his eyes at him. what are you laughing at? ”

It was also his first time wearing a little girl's flower hair clip on his head, and he also felt very awkward!

However, MeowMeow didn't know that. She thought that this thing was beautiful and she liked it so she wanted to share it with her father. Could Liancheng Yazhi reject his daughter?

Anyway, Yingluo's 'that' is in my own home. Even if I'm laughed at or seen, I'm still a member of my own family, so there's nothing to be afraid of.

Feng nongtang bent over with a smile and let the maid take away the gift he brought. He put away his temper and only wore a pair of socks. He walked over and sat next to MeowMeow, then pointed at Liancheng Yazhi's head and continued to laugh. what a Qianqian! I didn't expect Qianqian to see this side of you. Qianqian, I'm dying of laughter. I want to take a picture, I must take a picture of Qianqian.

Feng nongtang took out his phone and was about to take a picture.

However, Liancheng Yazhi opened it and lowered his head to call, ” ”

meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
eowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
wmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow
meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow.

Then, MeowMeow's eyes lit up and she rushed to Feng nongtang. She blinked her eyes that were brighter than the stars and said, "uncle feng, come play with me!"

No one could refuse a cute girl like MeowMeow. Feng nongtang asked with a smile, "Sure, what do you want to play, MeowMeow?"

Then, not long after,

feng nongtang () looked at liancheng yazhi bitterly."Hey, this isn't good, Yingluo."

"very good, very good looking, uncle yingluo is very good looking."????????????

Liancheng Yazhi shrugged his shoulders with a helpless expression. I heard it. My daughter said it looks good, so you should wear it. If it were someone else, they wouldn't have received such treatment. My daughter personally picked it up for you. Oh right, you can take a few photos of yourself as a memento of Yingluo.

.....

Chapter 934 Your wife didn't come?

don't, don't, don't, don't, my phone seems to be out of battery. Aiya, it's really out of battery, don't, " Feng nongtang laughed and quickly put the phone in his pocket.

Feng nongtang saw Jian Yi walking over and quickly shouted, "Ah, Jian Yi is here. Hey, Jian Yi, let's sit down and play together!"

Jian Jie walked closer and saw the two men wearing the little girl's flower hairpins. Then, he saw MeowMeow's big eyes filled with anticipation and instantly understood what was going on. Then, he hid the urge to laugh deep in his heart.

well, I'll just sit at the side and watch you guys play, " Jian Jie said seriously. I'll stretch my legs. I've been acting up a little these past two days, so I can't sit on the ground.

He simply found a very lame reason because two days ago, he had said that he was almost fully recovered and could leave. This guy was afraid that he would end up like Tang and Liancheng Yazhi, so he quickly said that his leg had problems and sat on the sofa obediently, away from them!

Feng nongtang glared at Jian Yi and thought, "This kid's eyesight was good enough to actually see through it.

After a while, Kang Xi came in. He was alone, with a few bottles of white wine in his hands. He didn't even have a box outside. He just came in with a bottle of wine.

After entering, without waiting for Liancheng Yazhi to greet her, she went straight to sit beside Jian Yi with a lazy smile on her face and did not move forward at all.

Feng nongtang cursed,"b * stard, these two guys are too cunning. Is it because they've both been in the military before that their brains are better?"

"Where's your wife?" Liancheng Yazhi asked Kang Yu. He didn't come again?"

"I couldn't make it this time. Maybe next time." Kang Zhen rubbed his nose.

"You're rejecting me again. Did something happen to you? Or is your wife throwing a tantrum at you?"

"All women throw tantrums. You know that!" Kang Yu cleared his throat.

Liancheng Yazhi immediately defended Rong Yan. nonsense. My Rong Yan is not throwing a tantrum now. Look at how gentle and virtuous she is. She often goes to the kitchen to cook and clean up.

“Yes, mommy’s cooking is the best,” MeowMeow said, raising her little hand.

Kang Yu smiled slightly. He looked at the tacit cooperation between MeowMeow and Liancheng Yazhi, the father and daughter, and their intimate and loving appearance. He was a little envious.

.....

Rong Yan was almost done cleaning up the kitchen. When the maid saw her, she took off her apron and walked out.

As soon as he came out, he saw the hairpins on Liancheng Yazhi and Feng nongtang’s heads and immediately laughed out loud. hahahaha! You two are so funny!

”mommy, i put it on for daddy and uncle. does it look good?”

rong yan nodded without even thinking. ” it looks good. let them wear it today. ”

Feng nongtang’s mouth twitched. They were really a family.

“The food in the kitchen is almost ready. Everyone, please take a seat. Hey, Kang Zhen, where’s your wife?” Rong Yan saw that the space beside Kang Yu was empty.

“She couldn’t make it today, but she’ll definitely come next time,” Kang Xin said.

Rong Yan was a little disappointed. alright. You must come to the next class.

“Yes, I will.”

The few of them took their seats and the maids served the dishes.

” you suddenly asked us to come for dinner today, ” feng nongtang asked. ” don’t tell me it’s to let meowmeow put on hairpins for us? ”

“nothing much. i’m just in a good mood today, so i asked you guys to come and celebrate. why don’t you want to come?” Rong Yan asked jokingly.

Chapter 935 Are you getting a divorce?

Feng nongtang, with his head full of colorful hairpins, asked slyly, ” “is it because xia xuanmo ran away from home?”

“how did you know about this?” rong yan was surprised.

Feng nongtang winked at Kang Yu.”everyone already knows.”

Rong Yan raised her chin and snorted. alright, since you already know, there’s nothing to hide. It’s about this matter. I just like to see the Xia family in a mess. I just can’t stand them.

Feng nongtang chuckled, but his heart was cold. he just couldn’t stand seeing them get along well. tsk tsk, how vengeful must they be? they must kill the other party!

He promised that he would never do anything that would draw hate on Rong Yan in the future, lest she use the same methods she used on Xia Xuanmo on him. Other than being thick-skinned, there was still/certain gap between him and Xia Xuanmo in terms of methods. After all/he was involved in politics/so he was much more scheming than others. But even so/he was still played so miserably by Liancheng Yazhi and his wife. He didn't even dare to think about how pitiful he would be.

"However, I'm more interested in knowing if Xia Xuanmo will really fall out with the Xia family," Rong Yan asked.

Liancheng Yazhi didn't think so. He said, I don't think he's really stupid. He probably ran away from home in a moment of anger. After a while, Madam Xia will definitely send him back. Moreover, Xia Xuanmo himself is a problem. His thinking pattern has already been fixed. He has been educated by the Xia family for so many years and was trained as a successor from the beginning. He also knows his own responsibilities, so it's rare enough for him to cause a scene for a while.

Feng nongtang nodded. yes, I don't think it's possible for him to leave the Xia family completely. Although he's smart, he's not on the same level as us when it comes to dealing with people. He's destined to be a politician and he can't leave the support of his family. It's not just for the Xia family. He's very clear that in the future, if he wants to develop and rise up, he'll have to rely on the Xia family. This is a way for both sides to get what they need. To put it bluntly, it's a matter of mutual use.

Rong Yan pursed her lips in disdain. after all that, he's just a guy who's obsessed with power, a scumbag!

sister-in-law, " Feng nongtang quickly flattered, " you've done a good job summarizing.

In the end, Liancheng Yazhi glared at him. how good do you think you are? compared to Xia Xuanmo, you're almost the same. Don't talk about each other.

He finally opened his mouth and said, " "That's right. Look, your wife finally doesn't want to live with you anymore."

Rong Yan was surprised. Feng nongtang's wife was not going to live with him anymore? Could it be that she wanted a divorce?

She knew that Feng nongtang didn't like her wife and their relationship wasn't good, but she didn't say that they were going to divorce. Was there any new changes recently?

Rong Yan looked at Feng nongtang. A strange look flashed in his eyes, but he quickly returned to his carefree appearance. I've stopped thinking about it for a long time. I'm looking forward to being single again. On the day we get the divorce certificate, I'm going to have a bachelor party. All of you have to come. If you don't, who am I going to be mad at? "

rong yan shook her head. this guy was obviously forcing himself. maybe he was not completely indifferent to his wife.

Rong Yan thought for a moment and said to Feng nongtang, " "What are you so happy about? she doesn't want you anymore, right? Don't make it sound so nice now. When the gods get divorced, I'll see where you'll go to cry."

Chapter 936 His battlefield is the sky!

Feng nongtang's voice couldn't help but rise, and he said somewhat exaggeratedly, "Cry? I didn't want to get married from the start, I wanted to get a divorce a long time ago, but she was the one who kept pestering me. Now, it's worth celebrating, she's finally willing to set me free. This is such a good thing. Don't look at me like that, why do you all look like I'm dying?"

The louder Feng nongtang's voice was, the guiltier he was. The more stubborn he was, the more it proved that he was not feeling so good in his heart.

However, he really couldn't blame anyone for this. This was a typical case of reaping what you sow!

Kang Zhen finally spoke. that's right. You're dying. You're asking for it.

Liancheng Yazhi, Rong Yan, and Jian Jie all agreed at the same time and nodded together. MeowMeow saw them nodding and nodded vigorously as well, thinking that it was fun."Not bad, not bad, not bad, Yingluo."

Feng nongtang laughed,"I'm courting death?" How did I court death? I'm living well."

rong yan clicked her tongue and sighed. " look at your expression right now. it's obvious that you're forcing a smile. in fact, you're very guilty inside. you must be feeling very uncomfortable. "

I'm not feeling unwell. I feel especially good now. In the past, every time I came home and saw her cooking with the hand that she used to hold the scalpel with all day, I would feel uncomfortable at that time. Feng nongtang didn't look at them. After he finished speaking, he picked up the glass and drank the white wine in one gulp.

Rong Yan looked at Feng nongtang in disdain. Why did she feel that the current him was a little similar to the Liancheng Yazhi of the past? damn it, he was really a friend. His attitude towards women was similar.

Rong Yan continued to provoke Tang. Oh, so Zhenzhen is a doctor. What a good job, what a good person. In the end, you've ruined her. Hurry up and sign the divorce papers. You've delayed her for a few years and let her go. Without a Playboy like you, she'll definitely be able to find a better man.

Rong Yan snapped her fingers. ah, that's right. Why don't you give me her contact information? I'm free all day now. How about I help her find a date? " anyway, i'm also looking for rong nuo, one is looking, two is also looking, just the two together!"

Feng nongtang was dumbfounded,"you're so stubborn."

Rong Yan ignored him and turned to ask Jian Yi, " I just remembered something. Jian Jie, are you going back to the border? "

Jian Jie was a little stunned. He didn't expect Rong Yan to suddenly talk to him. "Me? i'm planning to go back soon."

Rong Yan's smile became more brilliant and gentle. "Your job is so dangerous and unstable. Why do you want to go back? why don't you just wash your hands clean and stay in the capital? we can get together and have fun. how nice would that be?"

jian jie was confused by rong yan's words. " "Why?"

Only Liancheng Yazhi silently turned around to play with MeowMeow. Of course, he knew what Rong Yan wanted to do.

it was nothing more than trying to persuade jian to not return to the border and not engage in high-risk industries. then, she wanted to put rong nuo together with jian.

however, it seemed impossible for him to come here. he would definitely not give up on the dense forest over there.

Simplicity was completely different from Liancheng Yazhi and the others. If Liancheng Yazhi was the noble son of the imperial capital who awakened to the power in the world ...

That was simply like a true eagle soaring in the sky, without restraint and without rules. He was his own rules, he made his own standards.

His battlefield was the sky!

Chapter 937 Transforming into a weird Auntie!

However, Liancheng Yazhi wouldn't tell Rong Yan about this. Since she felt that this was interesting and wanted to do it, then she would do it. Anyway, nothing would happen if anything happened.

Moreover, if a miracle really happened to Yingluo and Rong Yan succeeded, it would also be a good thing with boundless merit, right?

Not only did he solve the simple problem, but he also solved Rong nuo. What a good thing!

He would let Rong Yan do it.

rong yan said with a smile, "you're already so old. at least you have to get married and start a career. you have to have a child to inherit your family name and your blood!" You see, if you don't want a child until you're forty or fifty years old, Won't You Be lacking in strength? While you're still young, you should quickly think about this!"

Rong Yan was very straightforward. She wanted to but lacked the strength. Didn't that mean that she was old and her survival rate was low? moreover, her physical condition was not good anymore and she could not even do it between a husband and wife!

Liancheng Yazhi, simple wind Lane, and Tang San all lowered their heads and silently lowered their presence!

After all, they were all men of similar age, so it was not impossible to use them as teaching materials or something!

Only Mom, mom, what are you guys talking about?

Jian Jie couldn't take it anymore, and a touch of red flashed across his bronze face. He said, "I, Yingluo, haven't thought about this problem."

Jian Jie was feeling a little uneasy. He felt that the atmosphere had suddenly changed.

The Rong Yan in front of her was a little different from the Rong Yan she had seen a few years ago. She looked a little like she was teasing an Auntie.

Rong Yan continued to fool him. think about it. This is the most important thing in your life. Don't ignore it. When you've thought about it, let me know. I'll definitely help you find a very good girl.

uh, Yingluo, okay. I'll think about it, Yingluo. Jian Fan stuttered the most in his life. Yingluo really felt uncomfortable.

Why did she say such things to him out of the blue?!

However, did he really not think about getting married?

Although she occasionally saw that Liancheng Yazhi had a wife and daughter and was very happy, and she also thought about having a child, those thoughts were just fleeting and she did not delve deeper into it!

The meal was a little awkward at the end because everyone was quite afraid. They were afraid that Rong Yan would suddenly ask them questions that would catch them off guard.

After dinner, the few of them ran faster than rabbits. Rong Yan went into the kitchen, but she was gone in less than half a minute.

"Eh, where are they? did they all leave?"

yes, they've all left. You must be tired today. Come and have a good rest and eat some fruit.

"I'm not tired. Why are they walking so fast?"

"the uncles said that they all had something to do, so they all ran away," meowmeow replied to rong yan.

Rong Yan was a little disappointed. Oh, Yingluo. I wanted to ask you. What's your decision? "

liancheng yazhi >

Isn't it a little too fast for you to ask so soon?

Liancheng Yazhi brought a strawberry to Rong Yan's mouth. Rong Yan opened her mouth to eat and asked, " "Hubby, do you think Jian Jian will listen to me and come back?"

" i don't think he'll do that, but we can't rule out the possibility. it depends on what he thinks. " Liancheng Yazhi originally wanted to tell Rong Yan that he was planning to hurry back to the border these few days before he left, for fear of meeting Rong Yan again.

—

Chapter 938 A good opportunity to hit someone when they are down

However, he was afraid of hurting Rong Yan's enthusiasm halfway through his sentence, so he chose not to say anything.

Rong Yan nodded. that's right. No one can say for sure about this kind of thing. Then let them come again in a few days. I'll ask him again!

Liancheng Yazhi nodded his head randomly. He would never tell Rong Yan that the next time she wanted to see Jian Jie, she would already be hiding in the rainforest thousands of miles away.

Moreover, Rong Yan's "brutal" performance last night had really shocked Jian Jie. Perhaps this fellow would not return to the capital for a long time.

.....

On the other side, Feng nongtang didn't go home directly. Instead, he drove to a bar with Jian an and asked, "hey, don't tell me you're really so scared by rong yan that you're planning to return to the border? you have to think carefully. can the conditions there be compared to here? Why do you always like to suffer?"

Jian Jie smiled, and the scar on his face moved, looking a little scary. He said, "if you're not a fish, how can you know the joy of a fish? you think that I suffered, but I think that was my joy. It's just like how you think that this bustling city is your heaven, but I think that the vast tropical rainforest over there, where there are no rules to restrict me, is my paradise. It's just that we have different opinions.

Feng nongtang opened his mouth to look at the suggestion, and after a long time, he jumped out, "F * ck, since when did you become so good at talking?"

Simple, give him a glare Yingluo

Suddenly, Feng nongtang patted Jian Jie's shoulder and said, "Hey, hey, look over there, who's that?"

Through the crowd, in the dim light, he could see clearly that the person sitting at the bar counter not far away was the Xuanji Xia Xuanmo.

Jian Jie was not surprised at all. Oh, it's him. It's normal to drown his sorrows in alcohol.

at this time, it would be abnormal if xia xuanmo could still remain calm and nothing happened.

let's go and take a look at Yingluo. Feng nongtang's interest was piqued, and he pulled the simple arm over.

Under such circumstances, it would be boring if they didn't sit down and talk. Since they were friends in the past, even if they weren't now, it was still okay to sit down and have a drink on an occasion like Wanwan's.

otherwise, it would be a pity if yingluo lost such a good opportunity to hit him when he was down!

The key was that Feng nongtang and Jian Jie were not good guys, so how could they let Xia Xuanmo off so easily?

The two of them walked over and sat on either side of Xia Xuanmo. At the same time, they each held a bottle of vodka in their hands, the kind with a particularly high alcohol content.

With two bangs, the wine was placed on the bar counter.

Feng nongtang put an arm around Xia Xuanmo's shoulder, "It's boring to drink alone. Come, let's drink together. Tonight, we'll drink until we're drunk."

Xia Xuanmo had already drunk a little too much. After seeing the two of them, he was stunned for a moment, and then he laughed."are you guys here to make fun of me?"

Feng nongtang filled their cups and said, "Of course-yes!"

“Other than a joke, what else do you have for us to see?” Jian Jie was even more ruthless.

“oh yeah, is there anything else you want me to see?” Feng nongtang clapped his hands. ah, I remember now. You still have regrets to show us, right? come, let’s have a drink first!

—

Chapter 939 You’re definitely drinking this wine

Feng nongtang pushed the glass to Xia Xuanmo, ” “if you’re a man, then drink it in one gulp.”

Xia Xuanmo looked at him and didn’t speak, the decadence and loss on his face could be seen by everyone.

looking at xia xuanmo in this state, the two guys felt that it was boring to step on him even if they wanted to.

They all preferred a challenging one, but Xia Xuanmo’s half-dead appearance was really an eyesore, making people feel annoyed.

“Look at you, do you still look like a man?” Do you have any sense of responsibility as a man? If you have the ability, go and see Rong nuo ‘A. If you have the ability, then go and expose your mother.”

Jian Jie had always been a person with a strong will to fight. When faced with people who had lost their will to fight, he would look down on them and despise them from the bottom of his heart.

“Forget it, I’ll tell him about playing the zither against a bull,” he said.

He simply pushed the wine glass in front of Xia Xuanmo, ” no, how can you let it go so easily? Deputy Governor Xia is so busy every day. It’s not easy to meet him today, so we have to have a good drink. Didn’t we just say that we won’t go home until we’re drunk? you have to drink Xia Xuanmo’s wine today. Even if you don’t drink, you have to drink some.

Feng nongtang was indeed overbearing, and even looked like he was going too far in the eyes of outsiders. However, among the people present, only Jian Yi and himself understood why.

They were once friends and had grown up together. Now, they had parted ways and were walking on a different path. It was not considered betrayal, but their friendship and Brotherhood had long changed. It was not what they wanted at the beginning!

No one would be able to turn the page so easily for this kind of matter.

therefore, he simply watched feng nongtang force xia xuanmo to drink and didn’t stop jian jia.

Feng nongtang was in a bad mood recently, so he had to let him vent, right?

Otherwise, how could he continue living like this?

xia xuanmo revealed a bitter smile. he didn’t refute, nor did he even try to absolve himself. he slowly raised his glass and really wanted to drink.

But,

Before he could drink it, a figure suddenly appeared and snatched it away from his hand. "You want to drink? Then I'll help you drink."

Then, he raised his head and drank the whole glass of vodka.

Feng nongtang looked at him, clapped his hands and laughed, "Oh, I was wondering who it was. So, she was the future young mistress of the Xia family? Tsk, tsk, tsk, but she's pretty." Feng nongtang looked behind Tang Ziyu, and asked, "Where are the black and white men that your cousin Tang Zong gave you? why didn't they follow you?"

because tang ziyu had just drunk a cup of very high alcohol and was angry, his face suddenly turned red. he pointed at feng nongtang and screamed, "You Yingluo, get lost, get lost Yingluo!"

Feng nongtang laughed as if he had heard the funniest joke in the world, "Get lost? this isn't for you to decide. don't you know whose place this is?"

the security guard of the bar saw the crowd and came over to take a look.

tang ziyu immediately opened his wallet and took out a stack of red bills, stuffing it into the security guard's hand. he pointed at feng nongtang and said, "Security, he's harassing me! Get him out!"

The security guard was a dark-skinned, honest-looking man.

He looked at Feng nongtang and then looked at Tang Ziyu, then silently put the money into his pocket, and then walked to Feng nongtang's side. Just when Tang Ziyu was proud of himself, the security guard did not stop in front of him, but called out, "Young master Feng, Qianqian."

Chapter 940 This woman is drooling over my beauty

Then, he moved to stand behind Feng nongtang!

He didn't look like he was going to throw Feng nongtang out. Instead, he seemed to be saying, "this is my boss. i'll f * cking kill you if you dare to come up.

Tang Ziyu was shocked by the situation. what are you doing? you took my money, get him out of here.

The security guard stood behind Feng nongtang, not saying a word.

After that, some people who often came to this bar laughed.

feng nongtang raised his hand to silence the people around him. he said, "it seems that xia xuanmo is still not familiar with you. he didn't tell you that on this street, seven out of ten families have the surname feng. unfortunately, the family you're standing on also has the surname feng zhizhi."

Feng nongtang had a bad habit. Since his family had a bar, he would never go to other people's bars to spend.

Tang Ziyu was stunned by this sentence. Feng nongtang was the boss of this place?

However, Feng nongtang's next words were like an iron stick that hit Tang Ziyu's head, because Jian Jia shamelessly pointed at Tang Ziyu and said, "Hey, all of you, come over here. Just now, this woman actually coveted this young master's beauty and tried to taint me. Throw her out."

Tang Ziyu was so angry that her face turned even redder, and she shouted, "you're too much! Who's harassing you? you're the one who's harassing me!"

“Is that so? why don’t you ask everyone?” “Who do you think was harassing who just now?” Feng nongtang asked the people around him.

He paused and said, “tell me the truth. I’m in a good mood today, so everything is on the house,” he said.

Then there was a burst of excited screams from the crowd, so some people pointed at Tang Ziyu and said, “We saw it clearly. It was this woman who was harassing young master Feng’s Qianqian!”

that’s right. I’ve seen it clearly. This woman is acting coquettishly. She’s sticking herself onto young master Feng. It’s disgusting!

” aiya, i’m as beautiful as a flower. she better not reach out to me. security, security, throw this woman out quickly, yingluo. ”

Tang Ziyu looked at the people around him, all of them were standing on Feng nongtang’s side, and he almost fainted from anger.

If this was the South, how could Feng nongtang, this kind of hooligan, be so arrogant?

“Miss Tang, you’re not leaving because you want me to go to the police station and report you for sexual harassment, right?” Feng nongtang laughed.

The security guards came out from behind Feng nongtang, grabbed Tang Ziyu’s arm and dragged him out.

Tang Ziyu turned to Feng nongtang and shouted, “ good Zhenzhen, good. Feng nongtang, just you wait. I won’t let you off.

“Say hi to your cousin, Tang Zong. Tell him to come over to my place to play when he has the time.” Tang Zong chuckled.

Tang Ziyu’s face changed instantly. She thought that Tang Zong had something to do with Feng Nong Tang!

After she was taken out, Feng nongtang asked the people around to disperse.

However, when the crowd dispersed, they found that Xia Xuanmo had disappeared.

Feng nongtang cursed, “f * ck, I actually let him run away in the chaos. This guy is really becoming less and less manly now, Yingluo.

He simply returned to his original position, picked up the wine glass, and took a sip.”I saw him when he left.”

“Why didn’t you stop him?” Feng nongtang was surprised.

what’s the point of keeping him? fighting with him is an insult to my intelligence.
