

Permit Me 951

Chapter 951 It's for your own good to stab you

As a result, the traffic police were very sensitive to the name 'Liancheng Yazhi'.

he swallowed his saliva. f * ck, each one was more brutal than the last. one of them could order the bureau chief around, but the next moment, this young man wanted to look for liancheng yazhi. f * ck, don't be like this. you can't play with other people's feelings like this.

The traffic policeman's mood was very complicated. He could even be described as extremely sad. If he had known that this would happen, he would not have come today!

"Let go of my hand first. We'll talk after I'm done with the call," Tang Zong said to him.

The traffic police officer cleared his throat. uh, forget it, Wanwan. You don't have to call. Let's go.

Although he wasn't sure if Tang Zong really had any relationship with Liancheng Yazhi, he didn't dare to take the risk!

"I don't have to meet with the traffic police, right?"

"No need, you can go, Yingluo."

"You really don't need to?"

the traffic policeman was getting impatient. "no need, no need. are you leaving or not?"

Tang Zong put on a look of "you're really sorry that you didn't bring me along," which made the traffic policeman so angry that he wanted to vomit blood. He waved his hand and said, "Alright, since you're so sincere in letting me go, then I'll really leave Yingluo, Baibai~"

Tang Zong was finally willing to drive his modified Ferrari and swagger away from the traffic police. That smug look on his face made anyone who saw him want to give him a good beating.

The other traffic police officers who didn't know what was going on asked, "why did you let this kid go? look at him. You want to teach him a lesson the moment you see him. This kid is too arrogant.

.....

The old traffic policeman glared in the direction of Tang Zong's car. " alright, don't be talkative. if you deal with him now, you can pack your bags and get out of here in an hour. "

Tang Zong never cared about what others thought. He only cared about whether he was happy or not, and how he could make others unhappy.

when tang zong has his eyes on someone, don't even think about getting rid of him.

If he didn't want you to have a good life, then you'd be as if you were plagued by bad luck. No matter what you did, you'd be unlucky and unlucky.

Just like now, Tang Zong seemed to have a very special 'love' for Xia Xuanmo.

He drove his Ferrari and chased in the direction of Xia Xuanmo's departure. Not long after, he saw Xia Xuanmo walking very, very slowly.

Then, after Tang Zong caught up with Xia Xuanmo, he slowed down the car and drove forward at the same speed as him.

Tang Zong rolled down the window and whistled at Xia Xuanmo like a little hooligan teasing a big girl. "Where do you want to go? do you want me to send you?"

Tang Zong's smile was very sincere, but only Xia Xuanmo knew how cunning this guy's smile was. Xia Xuanmo didn't even look at him and continued to walk forward.

Tang Zong was not in a hurry anyway. He was not the one walking on two legs, and he was not the one who was tired. What was there to worry about?

Tang Zong continued to shout at Xia Xuanmo, "hey, don't be like this. After all, we're acquaintances. I've always been a very open-minded person, and I definitely don't hold grudges. Moreover, I'm a very good person. When I see someone in trouble, I always want to lend a hand. Aiya, I can't help it, I'm just too good.

Tang Zong was always able to put on a very serious front when he was doing something very despicable. It was as if he had taken a knife and stabbed someone. He even said that he had stabbed you for your own good.

Chapter 952 I won't bring you to play anymore

This kind of person is really, really detestable.

He was so despicable that people wanted to tear his face apart to see how thick his skin was.

Xia Xuanmo was now focused on going to the prison to see Rong nuo, so he ignored Tang Zong's sudden appearance.

Now that he didn't have a car, it was not impossible for Tang Zong to crash the car even if he wanted to. Even if he wanted to crash the person first, so be it, as long as he dared to.

At this moment, Xia Xuanmo had basically given up all hope. No matter how Tang Zong provoked him, he would just pretend to be a grandson and not confront Tang Zong directly.

Because Xia Xuanmo knew that he and Tang Zong were not on the same level at all.

Tang Zong was bored by Xia Xuanmo. He had been driving behind Xia Xuanmo for about half an hour and had long lost his patience. He asked, "Why, Xia Xuanmo, are you sure you don't want to come up? How long can you walk with these two legs?"

Xia Xuanmo didn't say anything and continued to walk. In fact, he was almost at his limit, but he couldn't let Tang Zong look down on him, right?

Furthermore, if he asked Tang Zong to send him, wouldn't that be the same as asking Tang Zong to go with him to see Rong nuo?

This won't do.

Tang Zong pursed his lips in disdain. tsk, what's the big deal? don't think that I don't know what you're trying to do. You took a long way out of the capital just to go to prison.

"Hey, Xia Xuanmo, do your parents know that you went to see Rong Yan's sister? Aren't you afraid that they'll make you unable to get up again?"

Xia Xuanmo's footsteps came to a halt as Tang Zong casually mentioned the name 'Rong nuo'. He looked at Tang Zong in disbelief. How did he know?

Tang Zong chuckled, "you want to know why I know Dao?" hmph, i'm not telling you."

Xia Xuanmo gritted his teeth. No, Tang Zong knowing so much about Rong nuo's matter was definitely not a good thing.

He strode over quickly. He was still ignoring Tang Zong just now, but now, he actually took the initiative to get on the car. The change was so great, and so sudden that many people were caught off guard.

However, Tang Zong was a man with many shortcomings and quirks. One moment, he was trying to get close to you, but the next second, he would turn hostile.

Just like now, Tang Zong had been trying to persuade her for more than half an hour, but she still ignored him. But now, she actually took the initiative to get on the car.

However, just as Xia Xuanmo placed his hand on the car door, Tang Zong's car suddenly sped up and whizzed past Xia Xuanmo's face. His extremely arrogant voice could be heard vaguely, " "This young master suddenly doesn't want to bring you to play anymore. You can walk slowly on your own. I'll take my leave first, awoooo!"

Tang Zong's car sped past, leaving Xia Xuanmo beating his chest and stomping his feet in anger. But after beating his chest, did he have to face reality?

There was still a long way to go!

fortunately, xia xuanmo's bad luck had not completely eroded him. less than ten minutes after tang zong ran away, he finally stopped a small truck and stuffed the driver with more than a thousand yuan before he finally managed to get a taxi.

After getting in the car, Xia Xuanmo urged, "master, please hurry up."

Xia Xuanmo didn't know why, but he was very nervous. He wanted to hurry over.

"I want to go faster too, but look at our car. It can't go faster even if I want to. But it's still better than you walking on two feet."

The small truck finally arrived at the place slowly. Looking at the iron gate, Xia Xuanmo didn't have time to be sad before he was once again shocked by the person in front of him.

Chapter 953 Don't show mercy when playing with human lives

Xia Xuanmo's face instantly darkened. Pointing to the hateful man leaning on the red Ferrari, he angrily rebuked, " "What are you doing here?"

Other than Tang Zong, there was no other man like him.

That dazzling red Ferrari made Xia Xuanmo want to go crazy when he saw it. smash it, smash it into pieces, and let you hit me again.

Tang Zong looked at Xia Xuanmo with an apologetic expression and said, " I thought about it and realized that it was indeed a little unkind of me to leave you behind on the way here, so I came here

to apologize to you and see if you've arrived. But you're really slow. I've been waiting for you here for a long time, and you're only here now.

Xia Xuanmo was so angry that she felt a little dizzy. After the second impact, her head hurt badly. Seeing Tang Zong hurt even more, and hearing him speak, it hurt even more.

This b * stard was looking for a beating. If you felt that it was unkind, why didn't you come back to him? why did you come to the prison gate to block people?

xia xuanmo was a very meticulous person. his long-term career as a politician had made him think on his own when he was extremely angry.

He was very sensitive to the fact that Tang Zong's hostility was not without reason. There must be something that made him hate him, just like how he hated the Tang family.

And ...

Tang Zong knew his whereabouts. Otherwise, he wouldn't have chased after him in his car the moment he left the house. He even started a deadly pursuit on the road.

If he had not been stopped by the traffic police today, Xia Xuanmo would have suspected that Tang Zong would have blown up his car and watched him die in it.

Thinking of this, Xia Xuanmo's entire body shivered, and the way he looked at Tang Zong also had a subtle change.

Previously, Xia Xuanmo had only thought that Tang Zong was simply going against the Tang family and that he was a bit perverted. However, in general, it was hard to see how high his IQ was. Moreover, most of the things he did were pranks. If he really wanted to do something that could kill someone, he might not do it.

however, this incident had allowed xia xuan mo to re-evaluate tang zong.

Not only did this kid know how to play pranks, but he also knew how to play with human lives. Moreover, he didn't care at all.

In Tang Zong's eyes, everything was just a game. Whether it was fun or not depended on how much he cared about this game.

Xia Xuanmo quickly thought about it. He felt that he couldn't get angry in front of Tang Zong. The angrier he was, the more out of control he would be, the happier he would be.

Calm down, I have to calm down.

Xia Xuanmo's lips curled up. Tang Zong, you're so clingy to me that I can't help but think about you. Are you jealous that Tang Ziyu likes me? you're making me suspect that you have some improper feelings for her. It's not nice to say that you're siblings.

Although he knew that it was impossible for Tang Ziyu, Xia Xuanmo still had to find an entry point first. He couldn't let Tang Zong control everything.

He wanted to use this topic to seize some initiative.

When Tang Zong heard this, he slapped the car window and burst out laughing. "You haha Yingluo, you're so funny, so fun Yingluo"

Tang Zong laughed so hard that tears were about to fall from his eyes. He clutched his stomach, which was hurting a little from laughing too much, and pointed at him. sigh, Xia Xuanmo, I think you're quite pitiful. The woman you like is put in prison by your own parents, and the woman you don't like keeps pestering you. You're actually forced to marry her. If she were a pure woman, it would be fine, but she's not Yingluo.

Chapter 954 Shamelessness has no lower limit

after tang zong finished laughing, he said in a serious tone, however, the subject of brother and sister incest is not bad. You can release it. It'll definitely make the Tang family famous. Hurry up and get it done. As long as it's something that can make the Tang family suffer, I'll definitely support you with both hands. If you need my help, I'll do my best.

Xia Xuanmo wanted to use this incident to deal a blow to Tang Zong, but Tang Zong was a guy who had no sense of shame at all. In the eyes of others, it was a scandal between siblings that they would avoid as much as possible, but he didn't care at all. Anyway, his reputation was already bad enough, why would he be afraid of this?

In short, he was a professional at smearing the Tang family's reputation. Even if it was self-smearing, it was fine! [Tang Zong (^): I am the conscience of the industry!] Which one of you can compare to me!

Xia Xuanmo didn't know what to say. "You really don't know shame."

tang zong was of the highest quality, a supernatural wonder that xia xuanmo had seen in his life. he was shameless and had no lower limit, and the extent of his shamelessness could be described as crazy.

The smile on Tang Zong's face deepened,"shame? Do you know? "You have the nerve to hook up with an underage girl at your age, not being responsible for her, and even abandoning her. Such a scumbag is enough, but your family is the worst. They're relentless and want to send her to prison. If a person like you can still live like a gentleman, there's no need to worry about small fights like me."

Under Xia Xuanmo's extremely surprised gaze, Tang Zong praised, however, you still dare to come here. Tsk tsk, not bad. Your skin is thick enough. You're almost as thick as mine. Continue to work hard. I have high hopes for you, dear!!!

you ... Xia Xuanmo felt his head hurting even more. He looked at Tang Zong, and all kinds of emotions were churning in his heart.

Tang Zong actually knew. He actually knew everything that happened between him and Rong nuo?

How did Tang Zong know? From his tone, it seemed that he was fighting for Rong nuo?

Could it be that Rong nuo and Tang Zong had some kind of relationship that he did not know about?

When did they meet? They didn't have any contact at all?

Wait a minute, Xia Xuanmo suddenly thought of the three gifts that Tang Zong had brought to his engagement party with Tang Ziyu. The person who came out of the last box was Rong nuo.

Could it be that Rong nuo and Tang Zong had known each other at that time?

xia xuanmo's mind was in a mess for a while, and he didn't know what to think at all.

He suddenly realized that things were no longer as simple as they seemed. There were many inextricable connections hidden under the surface that he was completely unaware of.

Xia Xuanmo gritted his teeth and glared at Tang Zong with bloodshot eyes. "What's your relationship with Rong nuo?"

tang zong shrugged his shoulders innocently, "we don't have any relationship." (It's really fine now.) Why are you staring at me like that? although I'm a very good-tempered person, it doesn't mean that I won't get angry. I really hate it when people look at me like that. I really hate it. "

Xia Xuanmo turned around. I don't care what you're thinking. You'd better stay away from her.

The smile on Tang Zong's face disappeared, and for the first time, he looked at Xia Xuanmo with disdain. Xia Xuanmo, I think you've knocked your head silly. When you said that, the premise was that ran ran, you didn't do anything to let her down. But now that you're saying that, don't you feel like your face has been slapped swollen? "

.....

Chapter 955 A couple of scumbags and bitches

" although i don't have anything to do with her now, even if i do, it's none of your business. it's still too early for you to care about me. oh, maybe when you marry tang ziyu, you two can be a couple, so that you don't hurt others. maybe i'll even say thank you to you. "

After Tang Zong finished speaking, he raised his chin, turned around proudly, opened the trunk, and took out many bags of things. Then, under Xia Xuanmo's angry and annoyed gaze, he swaggered past him.

After taking a few steps, seeing that Xia Xuanmo had not caught up, Tang Zong turned his head and said, " "What, didn't you come to see Rong nuo? come in, without me, you can't even meet people. tsk tsk, i'm still the kind-hearted one. i can even soften my heart when facing a thing like you. i'm really too kind."

Tang Zong had a little sneaky look on his face. It was as if he was hitting someone with a brick while saying, "why am I so good? why am I so kind?" where can you find a good person like me who is kind and simple at heart?

tang zong was narcissistic for a while, and no longer paid any attention to xia xuanmo leaving with his things, completely ignoring xia xuanmo, who was deeply shocked by his words.

Although Tang Zong's words were narcissistic and arrogant, he was also clearly telling Xia Xuanmo that he and Rong nuo knew each other and even had a very good relationship. Moreover, from his behavior, he even knew to bring things. It could be seen that this was not his first time here and he was very familiar with this place.

Xia Xuanmo's body was trembling slightly.

Tang Zong ... Rong nuo and Qianqian, these two names should have been on different sides of the sky. Why were they connected together?

Xia Xuanmo felt as if he had been pushed away, and he could almost not get close to Rong nuo at all. Touching her had become an extravagant hope.

Tang Zong's sudden appearance and words were like a bolt of lightning on a clear day, splitting his and Rong nuo's world into two halves.

After standing in place for a long time, Xia Xuanmo suddenly rushed in like crazy.

He found the person in charge of the prison who was in charge of visiting prisoners and said that he wanted to see Rong nuo.

The other party looked at him for a while. Who are you? What's your relationship with him?"

Oh my God! Xia Xuanmo did not know what to say for a moment. What was his relationship with Rong nuo now? Was there still a relationship?

Finally, Xia Xuanmo endured the pain in his heart and said, "I'm a friend,"

He really wanted to say boyfriend, but he was afraid that after saying that, Rong nuo would not see him, and he did not have the courage and dared not say that.

"Alright, wait here for a moment." After the prison guard stood up and left the room, he quickly called Rong Yan.

Mrs. Liancheng, the Xia Xuanmo you mentioned is here!

"What? "He left so quickly. He's really f * cking fast," Rong Yan scolded for a while.

"okay, i got it. you go and tell rong nuo. if she wants to see you, then she can. if she doesn't want to see you, then drive xia xuanmo away."

"Alright," he said.

After hanging up the phone, the prison guard thought of a problem. It seemed that Xia Xuanmo was not the only one who had come to see Rong nuo. There was also Tang Zong. She didn't seem to have told Rong Yan that Tang Zong was also here.

should i call him to tell him?

The prison guard looked at the landline phone, hesitated for a moment, and decided to forget it.

It's not good to call someone so busy. Besides, Mrs. Liancheng only said Xia Xuanmo, not Tang Zong.

Chapter 956 Let go of your claws!

Since that was the case, then forget it. It wasn't tang Zong's first time here anyway. Perhaps even Madam Liancheng herself knew about it. There was no need for him to do anything unnecessary. [Rong Yan]: bastard, I know nothing. Why didn't you tell me? why didn't you tell me?

The prison guard went to the room where Rong nuo and Tang Zong had met. "Rong nuo, Xia Xuanmo has come to see you. Will you meet him?"

Rong nuo didn't even think and directly said,"I don't see Qianqian."

however, tang zong suddenly said, “why not? you have to see him. let me tell you, if you want to take revenge and not let him live a good life, you have to see him. not only do you have to see him, you have to make him break down in all aspects so that he will never come back to bother you again.”

“What are you planning?” rong nuo looked at tang zong warily.

“I’m not planning anything. I’m doing this for your own good.” Tang Zong cried out.

good your head. You’ll be good to others for no reason. The more you say that, the more I’ll disappear. Rong nuo stood up and was about to leave.

Tang Zong was now like a piece of gum that was stuck to her body, and she could not get rid of him no matter what. The key thing was that Rong nuo could not figure out what he was thinking. When facing someone who was very close to you, but was mentally perverted and had a screw loose, no one would let their guard down.

There were several times when Rong nuo wanted to tell Rong Yan that Tang Zong often came to the prison to look for her, but every time, at the last moment before she opened her mouth, she swallowed her words.

rong nuo was actually very guilty when she faced rong yan. she was basically troubling rong yan for everything now. even her father had to rely on her to support him. rong yan actually had no obligation to help her or her father because they were not related by blood at all. it was precisely because of this that rong nuo did not dare to trouble rong yan with too many things.

Rong nuo thought that Tang Zong did not seem to be doing anything. He just came to the prison often to see her. If he did not do anything special, then forget it. Maybe this guy was just having a stroke.

Tang Zong grabbed Rong nuo’s hand and said, “don’t be like this. She’s already here. It’s impolite not to see her.” You also want your big sister to be completely at ease with you, don’t you? you can’t let her worry about you all day long, she doesn’t owe you anything.”

If Rong Yan had heard Tang Zong’s uncharacteristic words, she would have covered her face in disbelief.

F * ck, he can actually say such serious words? It was simply too outrageous.

It was obvious that Tang Zong’s words had struck the guilty spot in Rong nuo’s heart.

Rong nuo thought for a while and slowly sat back. “Alright, Zhenzhen, let’s meet.”

“That’s right.” “hurry up and bring xia xuanmo here,” tang zong looked up at the prison guard and said.

rong nuo furrowed her brows and looked at tang zong unhappily. “Hand!”

“What?” Tang Zong played dumb.

“let go,” rong nuo said through gritted teeth.

In the end-

Tang Zong tugged at his own hand, his face full of surprise. "Aiya, why can't you let go? is there superglue on your hand?"

Rong nuo gritted her teeth so hard that they almost broke. Was this evildoer even human? superglue your sister! she shouted angrily. take your claws away.

Tang Zong blinked. His eyes were so clear that it seemed as if he couldn't hide any thoughts or schemes."There really is superglue. If you don't believe me, you can try pulling it up."

Chapter 957 Rong nuo has left his world forever

"Are you letting me go or not?" Rong nuo stared.

"You can't?" Tang Zong pretended to be innocent.

The two of them were tugging at each other, but they seemed to be flirting. No one noticed that there was an extra person at the door.

That person was Xia Xuanmo. His face was as pale as a ghost at the moment. The pain in his head had instantly shifted to his heart the moment he saw Rong nuo and Tang Zong holding hands. It was as if a sharp knife had been stabbed into his heart. The knife was stirring back and forth in his heart, scraping his flesh. It was so painful that he wished he was dead.

tang zong had already seen xia xuanmo. after a while, he pretended to have seen him inadvertently and said, Xia Xuanmo, you're here. Why didn't you say anything? come in and take a seat. Don't be polite.

rong nuo was stunned for a moment. she looked sideways and her calm eyes met xia xuanmo's eyes.

The current Xia Xuanmo was much thinner than the last time she saw him at the engagement banquet. He was also in a sorry state. The key was his face and his eyes, they were so complicated that she could not see them clearly. However, in the past, Rong nuo might have cared about Xia Xuanmo's thoughts at this moment, but now, she felt that it did not matter. No matter what he thought, it did not matter.

these days of prison life had elevated rong nuo's mental state. she was like a martial arts practitioner who had opened up the governor and conception vessels. her physical and mental qualities had entered another level, which also made her not panic or sad when facing xia xuanmo under any circumstances.

Rong Yan had told her that one minute was enough to be sad.

For the rest of the time, he had to learn to grow and be independent. He had to learn enough abilities to prevent himself from suffering the same blow in the future.

Rong nuo opened her mouth and said in a very calm voice, "Since you're here, come in and take a seat."

Xia Xuanmo's heart was bleeding. He had only been guessing before. He had subconsciously rejected the idea that Rong nuo and Tang Zong had an abnormal relationship. But now that the facts were in front of him, he had to admit that he, Xuanji, was already in the past.

Rong nuo, this woman, had left his life forever, and she would never look back.

Because there was one more person by her side. That position was once occupied by him for many years. In the future, it would no longer belong to him!

Xia Xuanmo did not dare to say that Rong nuo had betrayed him. He knew very well that he was the one who had betrayed him first. If he had not made that wrong choice, Tang Zong would never have had a chance.

Xia Xuanmo endured the pain that made him almost faint and walked with difficulty to Rong nuo and sat down.

He looked at Rong nuo's face greedily. He knew that after today, he might not have the chance to see her again.

when she saw xia xuanmo, rong nuo almost understood why tang zong was holding her hand and refusing to let go. he probably wanted to use this as a blow to xia xuanmo and make him give up.

Since that was the case, Rong nuo no longer rejected it and let Tang Zong do as he pleased.

If he could use this old method to kick Xia Xuanmo out, it would be good.

Xia Xuanmo looked at Rong nuo and did not speak. There were thousands of words in her heart, but she did not know which sentence to say or which sentence to say. Those sweet words that once came out of her mouth, those love words that once belonged only to Rong nuo, now felt ironic when she thought about it.

Rong nuo was too lazy to speak. She had nothing else to say to Xia Xuanmo.

However, she lowered her head as if she was guilty, so she calmly looked into Xia Xuanmo's eyes.

Chapter 958 Face slapping must be ruthless

All of a sudden, there was a 'Zhui' between the two of them. Tang Zong stuck his head out and said with a little displeasure, "Hey, say something. You're not respecting me."

after a long time, xia xuanmo squeezed out four words from his dry throat, " "Is Yingluo alright?"

he had so many things to say in his heart. he wanted rong nuo to know how much he liked her. he really didn't know what his parents had done, but now, all he could say was this distant and unsophisticated question. it was a kind of sadness.

There was no need to say those words at this moment.

Since Xia Xuanmo could not bring Madam Xia out to clear Rong nuo's name, then these words were just an act and had no effect.

However, after he asked this question, Tang Zong immediately laughed. His laughter was especially loud.

Xia Xuanmo's face darkened. He knew what Tang Zong was laughing at, because he was also laughing at himself in his heart.

he asked if rong nuo was doing well in prison? wasn't this question a waste of time?

Do you expect others to be sent to prison by your parents and say that I'm doing well and thank you for your concern and 'help'?

However, Rong nuo really did say that. After Tang Zong finished laughing, she said, "It's good. I've thought through a lot of things."

This plain sentence was like a loud slap on Xia Xuanmo's face. For a moment, he felt that he could no longer sit in front of Rong nuo like this. He wanted to run out of the door and escape.

Xia Xuanmo still sat down. He lowered his head and said three words, "I'm sorry," she said.

Rong nuo's calm face showed a touch of disdain.

His apology included a lot of things, from his betrayal to his parents, including his selfish choice to protect Madam Xia, and so on.

In short, Xia Xuanmo's apology was more important than Rong nuo's betrayal.

tang zong could tell that rong nuo did not want to pay attention to xia xuanmo at all, so he helped rong nuo out of the situation."It doesn't matter. Anyway, your whole family is shameless. It's already very surprising that you can say these three words. Our Rong nuo is doing very well here. Go back and thank your mother and your father. Thank them for finding such a good place for Rong nuo to 'cultivate her character'. They have 'accumulated good'(evil) in this life. They will definitely have 'good fortune'(karma) in their next life."

Tang Zong was a person who knew how to be sarcastic and use his words to slap others.

His words made Xia Xuanmo feel ashamed.

However, to Xia Xuanmo, what was even more piercing was Tang Zong's every 'my Rong nuo'.

After that, there was no 'after', because Xia Xuanmo had left.

Nothing came out of this meeting, because he really couldn't stay any longer. Xia Xuanmo watched Rong nuo and Tang Zong being so intimate, and he asked, "Are you two together? She couldn't even say a word. She didn't even dare to apologize.

After Xia Xuanmo left, Rong nuo said, "can you let go now?"

tang zong shrugged his shoulders and raised his hand."i'm not lying to you, there's something in my hand!"

"You're so silly!"

Rong nuo quickly went to break it. Damn, there was indeed something stuck. What should she do?

.....

Not long after Xia Xuanmo left, Rong Yan found out. She said to Liancheng Yazhi, "Xia Xuanmo went to see Rong nuo and left like a ghost. It's a pity I didn't see him."

Liancheng Yazhi tapped her nose. "Are you happy now?"

"quite happy." rong yan nodded.

Chapter 959 God is too blind

To Rong Yan, as long as Xia Xuanmo was in a bad state, she would be happy. She was narrow-minded and protective. She couldn't bear to see her own family suffer, and she couldn't bear to see her 'enemy's' family live well.

Liancheng Yazhi smiled and rubbed Rong Yan's forehead. "but this time, he's going to change to his workplace."

Rong Yan put down her chopsticks and asked, "changed?" f * ck, so he got promoted because of this? God, don't you have eyes?"

liancheng yazhi pinched rong yan's cheek. " "You don't say. It seems like he's been promoted." see, see, I told you that he's not a good thing. Where did he go? he must have gone back to the capital.

"He didn't go back to the capital, but to the great Southwest. He went to Gaoyuan province for a stroll."

rong yan couldn't believe it and dug her ears. " where did he go? " Is this news true?"

Not only was that place tough, but the working environment there was also incomparable to the developed areas in the South and the imperial capital. Furthermore, there would be some minor ethnic conflicts and so on, so it was not an easy place to manage.

Chapter 960 The frivolous years of youth

All in all, going to such a place was obviously a promotion in disguise!

rong yan touched her chin. " his superior must be dissatisfied with him. he deserves it. "

Liancheng Yazhi smiled. baby, I'm afraid I'll have to disappoint you. I heard that he took the initiative to request to go to the southwest for this position transfer. The higher-ups wanted him to return to the capital, and the position was not bad, but he didn't want it and insisted on going there. After Madam Xia found out, she had a heart attack and was sent to the hospital.

Rong Yan's eyes widened in surprise. could it be that he's trying to torture himself?"

A person like Xia Xuanmo should want to be promoted at all costs. In the face of an official career, whether it was love or friendship, all of them had to retreat. Rong Yan thought that Xia Xuanmo had given a lot of things this time, so he would cherish this opportunity to be promoted even more.

However, the truth was always unexpected. What everyone thought didn't happen, but what they didn't expect had become a reality.

liancheng yazhi was a little emotional. " it's not self-abuse, i guess. maybe he feels that he has done too many wrong things and wants to go there to improve his soul and make it a little more pure. yes, that should be it. "

Rong Yan looked at Liancheng Yazhi with her chin on her hand and narrowed her eyes."Hubby, I think you're just adding fuel to the fire and adding insult to injury,"

"Really?" Liancheng Yazhi raised his eyebrows.

Rong Yan blinked and nodded. yes, there is. Definitely.

????????,?:"Yes, definitely."

Liancheng Yazhi laughed out loud. Xia Xuanmo will leave in the next few days. Once he leaves, it will be difficult for him to come back within three or four years. You can rest assured now.

Rong Yan said happily, "that's right, that's right. This is what I'm most happy about. Rong nuo's sentence has been reduced recently. Maybe she can be released at this time next year. At that time, I will have plenty of time to find her a good husband.

As long as Xia Xuanmo did not come back, he could not harass Rong nuo, and there was no need to worry about her compromising.

He would marry Rong nuo off before Xia Xuanmo returned to the capital. Hmph, what's done is done. Even if he came back, the matter was already settled. What else could he do?

Liancheng Yazhi followed Rong Yan's words and said, "you're right. come, i'm happy today. eat more."

As long as Xia Xuanmo left, their days could be considered to be completely peaceful. During this period of time, because of Rong nuo and him, it was really hard to bear.

When Liancheng Yazhi heard the news, although he was a little surprised, he was also relieved. He finally didn't have to care about their Affairs anymore.

Perhaps after this stimulation, Xia Xuanmo wanted to walk his own path and break away from the Xia family's control, but now, no matter what he thought, it had nothing to do with them.

.....

two days later, at two o'clock, liancheng yazhi received a call from xia xuanmo.

He glanced at the flashing number on the phone screen and suddenly realized that he had not deleted Xia Xuanmo's phone number after so long.

liancheng yazhi laughed. perhaps, in his heart, he still wanted to recall the young and frivolous days when the five of them were together.

It was a pity that time had flown by, and many years had passed. Looking back on the past, they were no longer the fearless youths they had been.

liancheng yazhi picked up the phone. "hello!"
