

Permit Me 961

Chapter 961-lost in the wind

Xia Xuanmo's hoarse voice came out of the phone, "I'm flying this afternoon, are you free?"

Liancheng Yazhi waited for a while before saying, "I'm very busy."

"Twenty minutes."

"Good Yingluo."

"I'll be waiting for you at the usual place in Xuanji."

After hanging up the phone, Liancheng Yazhi took a deep breath. Forget it. After this meeting, he didn't know when the next time would be. In fact, there was no deep hatred in the end. It was just that Wanwan had a different direction, so she had taken a different path.

Liancheng Yazhi got up, put on his coat, took his car keys, and went out.

Before he left, he instructed Secretary Zhou. I'm going out for a while. I'll be back in an hour. If there's anything, you can keep it under control.

it's ran ran. Secretary Zhou knew that something must have happened when he saw Liancheng Yazhi's expression, so he didn't dare to say anything this time and nodded.

.....

The old place that Xia Xuanmo was talking about was actually chaochang, where they had been in middle school. Now, that middle school had been moved to a new campus. Later, the original site of the old campus was rebuilt, and finally, a Park was built for public fitness and leisure.

liancheng yazhi arrived at the place and went to the old place based on his memory. however, it had now become an open-air gym with a lot of fitness equipment.

There were very few people around at this hour. There were only a few elderly people of the age of grandparents here with their little grandchildren.

liancheng yazhi looked around and saw xia xuanmo's shadow, who was sitting on the swing.

Liancheng Yazhi walked over and sat on the swing beside him, shaking it slowly. what did you ask me to do here? "

xia xuanmo didn't answer his question, but said, "In the past, people have changed, but now I realize that even 'things' will not wait for people."

Liancheng Yazhi looked up at the sky. the world is developing very quickly. Nothing will wait for anyone in the same place.

" yeah, what's missed is missed. even if you want to turn back, you're willing, but others won't. "

Liancheng Yazhi turned to look at Xia Xuanmo. Compared to the last time they met, he had lost weight again. His hair was cut very short, his eye sockets were very deep, and his eyes were full of vicissitudes!

Looking at Xia Xuanmo like this, Liancheng Yazhi sighed silently. Originally, he didn't want to say a few sarcastic words, but now, forget it. A pitiful person must have a hateful side. A large part of the reason why Xia Xuanmo had come to this point was because of his family. This was an objective reason and could not be changed.

The most important thing in a person's life was constant growth. And every growth was accompanied by unforgettable pain. Pain, love, only one knew.

Xia Xuanmo suddenly laughed. When I was in middle school, I actually hated coming here with you the most. I always felt that you were too childish.

However, after many years, when he came back to see her, he realized that these days, which he had despised, were worth cherishing.

A devious smile appeared on Liancheng Yazhi's face. I know. At that time, what I liked to see the most was you following me even though you were obviously unhappy.

Xia Xuanmo (-)

As expected, he was naturally black.

Xia Xuanmo had always thought that he had concealed his emotions very well at that time, but he did not expect that Liancheng Yazhi had actually seen through it from the beginning. Moreover, he had not exposed it even after so many years.

It was also possible that Xuanji Liancheng Yazhi had expected that they would end up like this today.

Chapter 962 Escape from this city

Xia Xuanmo suddenly felt that he was very ridiculous. Perhaps all these years, Liancheng Yazhi had just watched him walk away little by little and then walk on a lonely road that only he could walk.

He had no friends, no brothers, no lovers, and even his parents were gone. He was truly alone now!

Xia Xuanmo had never thought that one day he would end up in such a situation, and now that he was in it, he didn't feel that there was anything surprising.

After experiencing so many things, power and official career were not as important to him as before.

Xia Xuanmo left the imperial capital and ran to such a remote place. In fact, it was not purely because he wanted to torture himself. He just wanted to escape from this place.

Escape the chains that the Xia family had given him, escape this Dark City, escape from Rong nuo's eyes, those eyes that made him feel guilty.

Facing Rong nuo, Xia Xuanmo's heart was filled with eternal guilt. He did not dare to see her again, and he did not dare to see her happy face when she got married and had children one day. When that day came, it would be the time that Rong nuo would completely leave his life.

Even if he could not see Rong nuo, Xia Xuanmo could still comfort himself and live with their memories.

As the saying goes, it's better to miss someone than to meet them. If you're afraid to face them, then escape to the horizon. That's how it is, huhu.

Many years ago, Liancheng Yazhi had thought about pulling Xia Xuanmo back, but he gave up in the end.

He wasn't a Savior and couldn't control other people's lives. Besides, Xia Xuanmo wasn't his wife. He was going to walk his own path, and no one had the right to interfere.

There were many things that Xia Xuanmo needed to figure out on his own. If he couldn't figure it out, Liancheng Yazhi's forceful interference would only make the two of them turn against each other.

So, instead of making things unpleasant so early, it was better to let nature take its course.

The two of them just sat there, not saying a word.

Perhaps there were some things that didn't need to be said. Both of them already knew and didn't need to say more!

It was also possible that there was no need to say some things at all, because it would be useless to say it. In that case, it was better not to say it at all. At least, it could leave a good impression on each other.

.....

It was late autumn, and the wind always liked to blow, turning the green leaves that had been brilliant for an entire summer into a withered yellow, and blowing them off the branches.

The dead leaves fell from the tree and slowly drifted to the ground. After they landed on the ground, they were blown away by the wind.

A person's life was like these leaves. No one knew which direction the wind would blow in the next second.

today, they were all wearing black coats. in the cold autumn wind, they seemed particularly heavy and lonely.

time passed little by little, and the wind was getting stronger and stronger. xia xuanmo should also set off for the airport.

Before he left, he said to Liancheng Yazhi, "if qianqian is able to wait for rong nuo to come out in the future, please help her find a better man. don't be like me, qianqian."

When Xia Xuanmo opened his mouth to speak, the cold wind mixed with the dust in the air drilled into his mouth and entered his body through his throat. After the cold wind entered, it turned into a knife, and the sharp blade cut his body again and again, causing his internal organs to bleed. Even if he recovered after a long time, he would still be left with a lot of scars.

Liancheng Yazhi smiled. you don't have to worry about this. Rong Yan will do a good job.

He was not being sarcastic. He really was not. He was just telling the truth. As long as it was related to Rong nuo, Rong Yan would do a good job, very good ...

Chapter 963 No one said goodbye

Xia Xuanmo laughed at himself and took out a bank card from his pocket. there's some money in this card. I don't want to make it up to her. When Yingluo gets married in the future, you can help me give it to her. It's my red packet.

Liancheng Yazhi took a look at Xia Xuanmo's hand. It was very thin, with only a layer of skin left. The veins on the back of the hand were protruding, and when the fingers were bent, the White joints could even be seen through the thin layer of skin.

"Alright," he said. Liancheng Yazhi took it and did not ask how much money was inside.

I should go. Thank you for seeing me one last time.

"I'm just a little annoyed at work," Liancheng Yazhi said nonchalantly. I'm not here to see you.

alright. Xia Xuanmo smiled and got up. I'm leaving.

mm, mm, mm. Liancheng Yazhi nodded. He originally wanted to say 'have a safe journey,' but he felt that it was very ironic to say this now, so he swallowed those four words and only said 'mm'.

xia xuanmo's thin back walked into the autumn wind. after a few steps, he turned back and asked one last time, " "Can we still be brothers?"

Liancheng Yazhi shook his head and said,"I don't know, Zhenzhen."

"perhaps, you can do it the next time you come back!"

"i know." Xia Xuanmo's exhausted face finally showed a touch of spirit.

He left in the end, his lonely figure leaving Liancheng Yazhi's sight little by little.

the two of them did not say goodbye to each other because they really did not know if they would ever meet again after this parting.

It's better not to make a conclusion so soon about things that can't be confirmed.

However, at the same time, they also knew that if they really met again, they might still be long-lost old friends when they sat down again!

.....

xia xuanmo left very decisively, not bringing anyone with him, not even his secretary. he pulled a simple suitcase alone and boarded the plane to the great southwest.

Before boarding the plane, Xia Xuanmo took one last look at the hazy sky of the imperial capital. This glance was perhaps the last time in his life that he would be able to see the sky of the imperial capital so closely.

After Xia Xuanmo left, Liancheng Yazhi did not leave immediately.

he sat on the swing without moving. after about 40 minutes, a plane flew over the city.

After the plane disappeared, Liancheng Yazhi stood up, left the park, and returned to the company.

It was normal for people to have their own joys and sorrows. No one could avoid it. As long as it was not the person you loved the most, the departure of others would only leave a little ripple in your heart. After the incident, life and work had to continue.

The sun would rise as usual on a new day.

that day, Liancheng Yazhi got off work early to pick up Rong Yan and MeowMeow. On the way home, he casually said to Rong Yan, "Xia Xuanmo's flight this afternoon has already left. Before he left, I went to see him."

"Oh, let's go." Rong Yan said calmly. She was not surprised by this. She had long known that Xia Xuanmo was leaving, so there was nothing to be surprised about.

Rong Yan didn't ask what Xia Xuanmo and Liancheng Yazhi had said. She needed to give Liancheng Yazhi some space, and he also needed a little secret of his own.

Liancheng Yazhi and Xia Xuanmo were two men. As brothers who had grown up together, although many things happened later and they each took different paths, it was a secret between them to speak one last time before they parted.

Chapter 964 Pick a good day and get the certificate

However, with Xia Xuanmo's departure, they would no longer have anything to do with it.

Since they were already unrelated, Rong Yan would of course not give any more care. She wouldn't even give him dislike or hatred.

Xia Xuanmo had already received the punishment he deserved, and this punishment was regret and guilt. These two things would accompany him for the rest of his life!

"By the way, Gu Hesheng told me something today," Rong Yan said to Liancheng Yazhi.

"What is it?"

Rong Yan sighed and gently pinched the nose. The movie that I promised him two months ago is coming soon. He said that I've learned a lot from him in this short period of time and it's time to practice. He wants to give MeowMeow an antique store and Qingqing wants me to open up my eyes. What do you think I should do?"

Three black lines immediately appeared on Liancheng Yazhi's forehead. This old man used to give antiques one after another, but now his appetite was getting bigger and bigger. He even gave out a shop. What should he say?

Gu Hesheng was actually quite puzzled to have met his family. If he had given those good things to others, they would have been grateful to him.

However, Liancheng's family of three was different from others. They didn't want anything you gave them. I'm begging you, please accept it!

"You agree?" asked Liancheng Yazhi.

Rong Yan shook her head. No, I didn't tell you. How could I agree? I told him that I would think about it, but I saw that he was very determined. Moreover, every time he said that he wanted to give it to MeowMeow, not me, I had no choice. What do you think I should do?"

Rong Yan's previous words made Liancheng Yazhi happy. That's right. This kind of thing should be discussed with her husband at home. If she made a decision alone, she would not take him seriously.

If Rong Yan thought of coming back to discuss with him, it meant that he was still very important in her heart.

don't agree to it yet. An antique shop isn't just for this. Wait until I see him tomorrow morning.

"good yingluo." Rong Yan was quite distressed about this matter. To be honest, she had nothing to do at home every day and did want to find something to do. If it was to help out at the antique store, she would actually be quite happy to do it. But if yingluo wanted her to be the boss, that was a different matter.

say, he's getting more and more aggressive. If we accept it this time, won't Wufu be Wufu the next time?"

Liancheng Yazhi saw that Rong Yan was frowning and laughed. He took out a hand and smoothed her brows. Look at how worried you are. It's okay, just think about the good side. At most, we'll have more money and MeowMeow's dowry will be more. What's the big deal?"

Rong Yan thought for a while with her chin in her hand and nodded. "That's true."

"Mommy, what is a dowry?" MeowMeow asked.

Rong Yan felt that it wasn't the right time to tell MeowMeow that the dowry was the dowry that her family would give her when she got married in the future. She told MeowMeow, "Yingluo, you'll understand in the future."

MeowMeow pouted and said, "you'll know when you grow up. You adults don't like to tell the truth."

Rong Yan was stunned.

That night, she stayed up until three o'clock in the morning before going to bed. Rong Yan was extremely sleepy and fell asleep within a few minutes after lying down.

However, Liancheng Yazhi suddenly said to Rong Yan, "baby, let's pick a good day to get our marriage certificate, shall we?"

Chapter 965 don't go back on your word when the time comes!

Rong Yan was quite sleepy at that time and basically didn't hear what he said clearly. She responded randomly and dealt with it before continuing to sleep!

Liancheng Yazhi looked at Rong Yan's smile and was in good spirits. "You've agreed but don't go back on your word when the time comes."

He lowered his head and kissed Rong Yan's lips a few times, then closed his eyes in satisfaction as he hugged her.

.....

The next day, Liancheng Yazhi only slept for four hours because he had to go to see Gu Hesheng. When he left, Rong Yan was still asleep.

When he arrived at Gu Hesheng's house, he saw him practicing Tai Chi again.

gu hesheng did not stop and continued to practice. he was not surprised to see liancheng yazhi coming over. ” i was just saying that you would be here soon. sit down first. ”

Liancheng Yazhi sighed. This old fox knew that he would definitely come over and had probably even thought of how to deal with him.

Liancheng Yazhi sighed helplessly in his heart. Why did he feel that his visit to Gu Hesheng today would be a fruitless one?

Gu Hesheng only stopped after he sat on the chair and drank three cups of hot tea. He took a towel from the servant and wiped the sweat off his hands and face before sitting opposite Liancheng Yazhi.

“How’s the tea?”

you know why I’m here, ” Liancheng Yazhi said unhappily. I’m not in the mood to drink tea.

Gu Hesheng picked up the purple clay teapot and started to drink, ” young man, don’t be so impatient. You’re here to talk to me. First, you have to be calm and calm before you can convince your opponent. You’re always stirring up trouble. I don’t need to teach you this, do I? ”

liancheng yazhi rolled his eyes. if he could use those business tactics to deal with gu hesheng, would he have to be so troubled?

This old man knew that he was saying this on purpose because he had helped them. As expected, Qianqian had used other people’s methods. Moreover, his daughter had taken so much? It was a real headache, a real headache!

“let’s talk about what you said to rongyan yesterday afternoon.”

“I’ve already decided on that matter. It’s useless even if you say it.” This was the sentence that Gu Hesheng said the moment he opened his mouth, and it made Liancheng Yazhi swallow his words back.

I won’t listen to anything you say, so don’t say anything.

Liancheng Yazhi gritted his teeth. F * ck, it’s this again. I say, can’t you change your sentence?

the previous few times gu hesheng gave meowmeow something, liancheng yazhi had also come to find him. every time he teased her, he would use this sentence to dismiss liancheng yazhi. it was the same every time!

Liancheng Yazhi took a deep breath of the cold air of the late autumn morning and calmed down before he said, ” Mr. Gu, this time, you’re not giving us an antique, but a store. Rong Yan has no experience in running a store, not to mention an antique store. If she loses the store, then we’ll be too sorry for you. Your gift is a little too big. Both of us feel that we can’t afford it.

Gu Hesheng waved his hand. it doesn’t matter. This is just for her to practice, so it doesn’t matter if she pays for it all. After all, she has to pay some tuition fees for practicing. Besides, this shop is not for Rong Yan, but for MeowMeow. If Rong Yan goes, she’ll just be working for MeowMeow!

Liancheng Yazhi-- !

Rong Yan was working for her daughter? These words sound so funny, Yingluo.

Liancheng Yazhi rubbed his forehead and said, " Mr. Gu, you'd better think about it again. Even if Rong Yan is working, she doesn't have the experience. Besides, I don't want her to work every day.

Chapter 966 Everything will be based on her preferences

liancheng yazhi said this a little tactfully. he was just being polite when he said that rong yan had no experience. what he really meant was, " i don't want my rong yan to be tired. i can support my wife by myself. i don't need your shop. "

In the end, Gu Hesheng glanced at him and said, " haven't you heard of the saying 'three years without opening a business, three years of income after opening a business'? this business is the most relaxing and doesn't tire you out at all.

Liancheng Yazhi still wanted to say something, but he said,"but ..."

However, he was stopped by Gu Hesheng. boy, you are still young. Although being nice to a woman will make her worry about food and clothing, it doesn't mean that she will have nothing to do. Do you think that if rongyan stays at home every day to look after her child and does nothing except go shopping, will she be happy after a long time? If this kind of life were to go on for another eight or ten years, Rong Yan's mentality would definitely be many times worse than it is now. Opening a small shop for her is not to make money, nor is it to let her display her talents, but to give her some fun so that she won't have to live a life of emptiness and boredom."

Liancheng Yazhi paused for a moment. Gu Hesheng's words were like a basin of cold water that had been poured on his head, making him feel enlightened again.

As Gu Hesheng had said, it was not easy to be nice to a woman so that she would not have to worry about food and clothing, but also to make her happy and to make her life happy and full!

Liancheng Yazhi had always been under the wrong assumption that if he wanted Rong Yan to be happy, he would not let her do anything. Fortunately, Gu Hesheng's words reminded him.

liancheng yazhi raised his head and looked into gu hesheng's eyes. but if Yingluo wants to open a shop, I'll help her. You don't have to help!

Gu Hesheng was still calm and composed, he said with confidence, " "What shop are you helping Rong Yan open? tell me, what kind of shop can let her pass her time and live a fulfilling life? or is it something she likes and is good at?"

"This ..." Gu Hesheng's question stumped Liancheng Yazhi again.

He kept thinking. A shop that was suitable for women. A cake shop? Coffee shop? Accessory? clothes and shoes? All of these were quite troublesome. The accounts were very complicated, and Rong Yan was not good at these things.

Gu Hesheng laughed. see, you can't think of it. Rong Yan is quite talented in the field of antique appraisal. In this short period of time, she has been able to draw inferences about what I have taught her. Moreover, she is quite fond of this. So, it won't be tiring to open an antique store that she is good at and likes. It is the most suitable for Rong Yan. Besides, if she receives something that she is not sure of, she can still come to me. She will definitely not suffer a loss.

Liancheng Yazhi held his forehead. Why did he feel that Gu Hesheng's words did make some sense the more he listened?

Could it be that he was going to be convinced by Gu Hesheng again? Please don't!

Finally, Gu Hesheng dropped a bombshell, "Don't be so conflicted. I've already thought about this matter. I thought about it and felt that there were no problems before I told Rong Yan. The transfer contract of the store has already been signed. It doesn't matter if you agree or not!"

Liancheng Yazhi raised his head. He had even signed the contract for his grandfather?

"You've even signed the transfer contract? when did he sign it? Who signed it?"

Gu Hesheng took a sip of tea. Oh, I got meowmeowmeowmeowmeowmeow to sign it yesterday.

impossible! Liancheng Yazhi was going crazy. how could MeowMeow sign it? "

Chapter 967 Schemed by the old fox

Gu Hesheng waved his hand and asked the servant to bring the contract over. why not? I just need to press my fingerprint.

liancheng yazhi nearly fainted. oh my god, this old fox actually used such a sinister trick. he actually let a little girl like meowmeow, who didn't know anything, put her fingerprint on the transfer contract. he really wanted to ask, "sir, why does your tail hair have to spare no effort to give us something? we really don't want it. "

The servant placed the transfer contract in front of Liancheng Yazhi and rolled it up.

He flipped it to the end and saw a red palm print at the foot of the page. It was not a little finger, but a small hand!

Liancheng Yazhi resisted the urge to tear the contract into pieces and asked, "Does Rong Yan know?"

Gu Hesheng was a little out of place. He picked up the purple clay teapot to hide his emotions. Oh, at that time, she, Yingluo, went to the bathroom to Yingluo."

Liancheng Yazhi gritted his teeth. Damn, he had been tricked by this old fox.

No wonder Rong Yan didn't mention the contract when she went back yesterday. This old fox had done it without Rong Yan's knowledge.

At this point, when the contract was signed, there was a notary beside it. From the moment MeowMeow's handprint was printed on the paper, it had become legal.

Liancheng Yazhi sighed. Forget it, at this point, there was no point in doing anything else.

he consoled himself that since he didn't need to spend money, it would be a waste not to take yingluo.

As he walked out of the Gu family's door, Liancheng Yazhi shivered when the cold wind blew.

he smacked his forehead. damn it, he had been tricked by gu hesheng again.

he could open an antique shop for rong yan himself. it didn't have to be gu hesheng, right?

However, it seems like it's too late to think about this now, Yingying.

Because it was in the hands of an old fox, Liancheng Yazhi was in a bad mood the entire morning. When the big boss was in a bad mood, Secretary Zhou and the others were in an even worse mood and health.

after being beaten up several times in fear, he finally got off work at noon.

When Liancheng Yazhi returned home, he was thinking about how to tell Rong Yan about Gu Hesheng giving his shop to her!

In order not to let Rong Yan think that he was incompetent, Liancheng Yazhi tried his best to describe Gu Hesheng as cunning and insidious!

Gu he knew that we wouldn't agree when he was alive, so he tricked MeowMeow into leaving her fingerprint on the transfer contract when you went to the bathroom yesterday afternoon. I've seen the contract, and it's real. It's legally binding, so this shop is now under MeowMeow's name. After Liancheng Yazhi returned home, he held Rong Yan's hand and calmly told her everything.

After hearing this, Rong Yan's mouth twitched for a while. "Ah? No wonder I saw Gu Hesheng wiping MeowMeow's hands again when I came out of the bathroom yesterday afternoon. Oh my God, this old man must be a Fox that has cultivated into a spirit, he even used this trick."

Rong Yan finally believed the saying that the older the ginger, the spicier it was. Gu Hesheng was really a Smiling Tiger! Fortunately, they were not enemies with him.

that's right. He even used this move. He's really too cunning. Liancheng Yazhi hugged Rong Yan. but then I thought about it. Since it's already like this, let's just accept it. Isn't it good that you've been learning antique appraisal recently? anyway, you have nothing to do at home. Open a small shop and just pass the day.

Chapter 968 The only thing he lacked was kinship

The strength in Rong Yan's body dissipated and she fell limp on Liancheng Yazhi. "Alright, then we'll take it."

This matter had already become a fact, it seemed useless to say no anymore. Gu Hesheng was clearly acting shamelessly, his meaning was clear: Anyway, it's already yours, so you don't have to care. Even if it's ruined, it's not mine anymore.

Rong Yan pouted and said, "actually, I also want to go. But if we accept this shop, won't I have even less confidence when I see Gu Hesheng in the future? What should I do if I can't even stand up?"

Liancheng Yazhi laughed and messed up Rong Yan's hair with his big hands. "You, are you stupid? why can't you understand this?"

Rong Yan tugged at Liancheng Yazhi's big hand. what Wan 'er? "

"Although Gu Hesheng is good to Liancheng Yazhi said as he tidied Rong Yan's hair, which had been messed up by him just now.

'Father loves his daughter'. The smile on Rong Yan's face froze for a moment when she heard these words, but she quickly returned to normal.

Liancheng Yazhi didn't see the rapid change in Rong Yan's expression just now and continued, "the most important thing is that you and meowmeowmeow have made Gu Hesheng very happy these days. You have won his heart and caught his eye. Furthermore, he has no children, so he has placed the old man's love for the younger generation on you two.

of course, he's not doing this without any selfish motives. He's not asking for nothing in return.

Rong Yan was confused, 'selfish? What was his selfish motive? What does he want?"

These few days, she really couldn't tell what Gu Hesheng wanted, was she really too stupid? or was gu hesheng's cover up too brilliant?

Liancheng Yazhi wrapped a strand of Rong Yan's Black hair around his finger. He liked that dark and shiny hair very much.

"His selfishness is very simple, and what he wants is also very simple, Yingluo"

Rong Yan shook Liancheng Yazhi's neck."Aiya, don't keep me in suspense, hurry up and tell me"<"

Liancheng Yazhi touched Rong Yan's forehead. why did you become so stupid at the critical moment? the key to all this is you and MeowMeow!

"Meowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeowmeow?" rong yan's eyes widened in surprise.

Liancheng Yazhi felt that Rong Yan's current expression was extremely cute and kissed her hard on the cheek. of course. He wants us to feel embarrassed after taking so many things from him. Just like you said, that person is soft-hearted and always feels like you owe him. In this way, you can't help but treat him well subconsciously. This is also what he wants. He hopes that you can still visit him from time to time after the end of your agreement.

At Gu Hesheng's age, if he did not have a wife or children by his side, he would be all alone. It was really lonely!

When you're young, you don't feel how scary it is to be lonely. When you're older and you can feel your life force flowing out of your body day by day, the fear of being so busy and the days of loneliness are too tormenting.

Especially for someone like Gu Hesheng, who did not lack money or fame, the only thing he lacked was family love, the joy of having his children and grandchildren around him.

Chapter 969 I can't bear to part with that warmth

However, not everyone could catch Gu Hesheng's eye. He was very picky when he looked at people, just like how he looked at antiques. Otherwise, with his family background and reputation, it would be easy to find someone to read and talk to with him.

The appearance of Rong Yan and

Because the two of them had accompanied him for so many days, they had helped Gu Hesheng drive away his loneliness and warmed the cold siheyuan!

Similarly, after enjoying the warmth, Gu Hesheng did not want to return to his cold and lonely days. Therefore, he wanted to use some means to win over Rong Yan and her mother.

As a result, Gu Hesheng gave

After Rong Yan heard this, she said in a daze, ” “Just Yingluo like this?”

Why did she suddenly feel that she and MeowMeow had become so powerful and great? they were actually needed so much!

Liancheng Yazhi pinched Rong Yan’s soft cheeks and played with them. of course. What else do you think he’s plotting at his age and all alone? ”

It was precisely because Liancheng Yazhi knew Gu Hesheng’s thoughts that every time he gave him something, he would deliberately go easy on him. Although he rejected it, every time Qianqian actually had the intention of half-rejecting and half-accepting.

If Liancheng Yazhi really did not want it and used force to return it to Gu Hesheng, then he would have no choice.

Rong Yan poked Liancheng Yazhi’s chest with her chin twice.”You said that

Liancheng Yazhi felt a little tickled by Rong Yan’s poke and smiled as he scratched the soft flesh on her waist.”More or less.”

“Actually, I’m also quite puzzled, how did you catch Gu Hesheng’s eye? Just because they looked similar? You don’t know this, but every time I go to pick you up and see you two together, I always mistook you two for real father and daughter. Don’t you think it’s funny?”

Liancheng Yazhi initially wanted di rongyan to meet Gu Hesheng, but after a while, he found that Gu Hesheng treated rongyan like his own daughter, and Liancheng Yazhi’s resistance was not so serious.

Liancheng Yazhi had always remembered that Rong Yan had said that she had never seen her biological father since she was young and did not know what fatherly love and motherly love felt like.

Every time he thought of this, Liancheng Yazhi’s heart ached.

Therefore, when he saw that Gu Hesheng’s attitude towards Rong Yan was similar to that of a father’s love, he silently thought that it would be good to let Rong Yan have a taste of fatherly love!

Rong Yan lowered her head and hid the panic in her eyes. She pretended to be very funny and laughed out loud while lying on Liancheng Yazhi’s chest. yes, Yingluo is. It’s quite funny. How could you have such an idea? ”

“i don’t know about this yingluo, but i think if someone else saw her, they would probably have the same thoughts as me.”

Rong Yan did not want to continue discussing this issue with Liancheng Yazhi, so she said happily, ” “Forget it, let’s not talk about this anymore. Hubby, when I really take over the antique store, I, Yingluo, will be the boss.”

Liancheng Yazhi nodded seriously and said, ” “Yes, you’re my boss now. In the future, if I run out of money, I can still ask you to provide for my Hanhan.”

Rong Yan puffed up her chest. no problem, Yingluo.

Rong Yan touched Liancheng Yazhi's face and said lecherously, "but you have to take good care of yourself. i still like how handsome you are. don't let it ruin your looks, or i won't like you anymore, yingluo."

Liancheng Yazhi gritted his teeth, grabbed the thing that Rong Yan had just teased him with, and bit it. Of course, he didn't really bite it. He just bit it lightly, leaving a bite mark.

liancheng yazhi said to rong yan, " I'll still be handsome and charming even after 30 years. I'm sure I'll be able to charm all three of my souls out of their bodies. I'll be a fangirl whenever I see you.

Rong Yan held her stomach and laughed. After laughing for a while, she panted and said, " "Wow, hubby, is Yingluo really here? Then you have to say it, I'm still waiting to be smitten with you, don't disappoint me. "

liancheng yazhi reached out and smacked rong yan's butt. "you're making a fuss, right? let's see how i'm going to deal with you tonight."

Rong Yan twisted her body, pouted, and provoked, " what do you mean by 'tonight'? if you have the ability, come now!

Liancheng Yazhi stood up, came to Rong Yan's side, and picked her up. He even said to MeowMeow, " little princess, your mother is sick, and I'm bringing her upstairs for treatment. Have fun with the housekeeper Auntie, we'll be down soon!

Liancheng Yazhi was very serious when he said that. One would really think that what he said was the real deal without any exaggeration.

Rong Yan widened her eyes and shouted, " "You're sick, you're the sick one, Yingluo."

Liancheng Yazhi nodded vigorously. I'm sick, and it's a very serious illness. Wanwan is severely thirsty and lacking in flesh. I've consulted the doctor, and he said that only you can treat this illness.
