Chapter 991 My family's Rong Yan is loved by everyone

It was an antique shop. It was not a small restaurant or coffee shop. The items in that shop could easily buy several small restaurants.

Liancheng Yazhi said proudly, "my Rong Yan is loved by everyone. Who doesn't like my MeowMeow?"

"I'm quite likable too, why didn't anyone give me an antique shop?"

"If you were likable, would you have ended up like this?" Liancheng Yazhi said in disdain.

Feng nongtang said angrily, "if I wasn't likable, I wouldn't have ended up like this. There are too many people who like me. They're chasing me and not letting me go. That's why I have to hide.

liancheng yazhi pushed his head away. "secretary zhou, you don't have to care about him after you send him to his place."

"Yes, young master ya!"

liancheng yazhi got out of the car. feng nongtang stuck his head out of the window and shouted at his back, "Liancheng, young master ya, Yingluo, do you have money now? Lend me some Kasaya."

he couldn't use his credit card because it would be found once he swiped it. therefore, he was now a poor man with money on him but couldn't buy a candy.

Liancheng Yazhi turned around and refused with a smile. no, I'm a man with a family now. I have to support a big family. If I lend money to someone like you who doesn't return it, my family won't be able to live on air.

Secretary Zhou almost laughed out loud when he heard that. He quickly turned around and covered his mouth.

Young master ya, don't you feel that your face is burning after saying that? You've let go of your burden, and you're not afraid of being laughed at, are you?

Feng nongtang was so angry that he wanted to bite Liancheng Yazhi. This bastard, he was so stingy after getting married. He pointed at him and said, "you're too unsympathetic. even a one-year-old child wouldn't believe you. can't you lend less?"

Liancheng Yazhi directly said, "no, I don't have a single cent. Can't you tell that I don't want to lend it to you at all? hurry up and leave. Don't delay my meal.

Feng nongtang cried out in anger and bit Liancheng Yazhi's back a few times.

The car started moving slowly. When he saw Secretary Zhou, his eyes lit up and he said, "secretary zhou, you're a good person. you're definitely not like your boss, right?"

Secretary Zhou did not even think and said decisively, young master Feng, you're wrong. I'm the same as my boss. I'll learn what my boss does. So, don't place your hopes on me.

Feng nongtang almost vomited blood,"you guys ..."

.....

Rong Yan saw Liancheng Yazhi coming back with a smile and asked, " "Why are you so happy? go wash your hands and eat, Yingluo."

Liancheng Yazhi took off his coat and handed it to the maid. MeowMeow immediately ran over and hugged his thigh. "Daddy, Yingluo"

Liancheng Yazhi bent down and picked up MeowMeow with his long arms. little baby, come and give daddy a kiss.

meowmeowmeowmeowmeow quickly and accurately kissed liancheng yazhi's face. " "Dad, when will my new house be ready? Mom said it'll take two more days."

Liancheng Yazhi said softly, "yes, your mother is right. It's not easy to renovate a house. However, it's almost done. Can you wait patiently for two more days?"

"Alright, I know, Yingluo."

Liancheng Yazhi placed MeowMeow on the chair in front of the dining table and went to wash his hands.

"Why are you so happy today?" Rong Yan asked him while they were eating.

Chapter 992 What happened to the divorce?

Logically speaking, Liancheng Yazhi should be very unhappy about su Yue's incident today.

"When I got off work today, Feng nongtang went to the parking lot to stop me. Can you guess why he's looking for me?" Liancheng Yazhi told her.

"Why?" Rong Yan asked, of course not.

"didn't you say that he'd die sooner or later? he's done for this time. he asked me to provide him with a house that's hard to find in a remote area. it has electricity, water, and furniture. he asked me to let him take refuge in it first and come out when the situation has died down. however, i gave him a deadline. he can only stay for a month."

Rong Yan's eyes lit up,"quickly tell me, why?" Why?"

Feng nongtang had many houses under his name, but he didn't live in them. If he came to Liancheng Yazhi for help, it must mean that none of his houses were safe. If it could make Feng nongtang so afraid, it must be a big problem!

Liancheng Yazhi leaned over and whispered in Rong Yan's ear, " "I'll talk to you tonight. This topic is not suitable in front of meowmeowmeowmeowmeowmeowmeowmeow."

This piqued Rong Yan's curiosity even more. Finally, after meowmeowmeow fell asleep, Rong Yan quickly pulled Liancheng Yazhi and asked, " "Hurry up and tell me, Yingluo, tell me what's going on?"

lian Cheng yazhi reached out and pulled Rong Yan into his arms. "Don't be anxious. I'll tell you slowly."

"Didn't the crazy guy want to divorce his wife? We agreed to do it this Monday or the day before, but he insisted on having a party last Sunday to say goodbye to his Bachelor status. He called me and I didn't go to Kangchen, so he called a group of men and women to drink all night at Miyin. But Yingluo didn't expect to wake up the next morning to find Yingluo."

Rong Yan was especially excited when she heard this and interrupted him. "What did you find? Wait, let me guess, Yingluo."

Lian Cheng Yazhi touched Rong Yan's nose and said dotingly, "You wouldn't be able to guess such a melodramatic thing. He found out that the person sleeping in the same bed as him was Yingluo."

In the end, Rong Yan interrupted him again and said excitedly, "He's his wife, right? It must be his wife."

Lian Cheng Yazhi nodded with a smile. That's right. He realized that the woman he slept with last night was his wife. My baby is really smart.

So many melodramatic things happened in this world every day. The two of them had originally agreed to go to the Civil Affairs Bureau to get their divorce certificate today. In the end, who would have expected that God would play such a joke? A couple who had not slept with each other for three years actually consummated their marriage before they broke up. Don't you think it's funny?

When Feng Nongtang woke up, he was so frightened that he put on his pants and ran away. Of course, he didn't get a divorce. He was now wanted by his parents and his wife's family. He had nowhere to hide and didn't dare to go back to face his wife, so he could only ask Lian Cheng Yazhi for help.

Rong Yan's face was full of excitement. He drank all night at Miyin, which means he didn't leave. Why did he end up with his wife? Did his wife go too?"

Coincidentally, that night, his wife's close friends also wanted to comfort her, so they took her out for a drink. In the end, they also went to Miyin by accident. That's why that night happened.

Rong Yan clapped her hands. "Tsk, tsks. This is fate. It must be a melodramatic fate. The heavens won't let them go."

Chapter 993 You're the princess in my palm

Even something with such a low probability could happen. Rong Yan didn't know what to say. She could only say that God didn't let her.

However, you've already slept with her, so it's not good to hide from her, right?

Such an irresponsible man, everyone wanted to give him a kick.

Because no matter how he looked at it, the girl's side was more unlucky.

After being married for three years, her husband did not care about her at all. There was no end to the news of her being in love affairs. She finally thought it through and wanted a divorce. At least she would still be a Virgin after the divorce. Who would have thought that at the last moment, it would be ruined by that bastard again?

Rong Yan felt that if it were her, she would definitely castrate Feng nongtang. He was not a man at all. Compared to him, her father, Liancheng, was simply a top-tier good man.

“Everyone looked down on him, so he went to look for Kang Zhen. Kang Zhen didn’t even care about him. I looked down on him too, but I think he needs to think about it, so I agreed to provide him a house for a week, honey. He borrowed money from me today, but I didn’t lend him a single cent.”

“Alright, I’ll listen to you in the future.” Liancheng Yazhi chuckled.

Liancheng Yazhi patted her back and comforted her. "You don't have to worry about him. Your husband will take care of everything. You don't have to worry about anything. Just be a good lady boss. When you are tired of staying at home, go to your antique shop to have a look, chat with Gu Hesheng, or visit Rong nuo. You can also visit Rong shenghai, right? you don't have to worry about those terrible things."

“There’s really no need. I’m keeping an eye on su Yue. It won’t be easy for him to do anything. Don’t worry.”

su Yue might have planted a Spy in the House. It's easy to find out. I'll get Butler li to investigate. You just need to be happy and beautiful every day.

Liancheng Yazhi shook his head. I won't. Your husband has endless energy. As long as I think of you and MeowMeow, I'm very energetic every day. It gives me endless motivation and I want to give you the best things in the world!"

In his eyes, Rong Yan was not a Queen who needed to face all the attacks with a strong heart, but a Princess who was protected in the palm of his hand.

rong yan's eyes turned red and she threw herself into his arms. "i hate you. why did you suddenly say such touching words?"

.....

Chapter 994 So pitiful!

Liancheng Yazhi laughed and said, 'emotional? Why don't I feel anything? I'm telling you the truest feeling in my heart. I didn't mix in any other thoughts.'

Liancheng Yazhi didn't need Rong Yan to pretend to be strong, didn't need her to disguise herself with a hard mask, and didn't need her to force herself to be happy. He only wanted her to live a happy and real life and do what she wanted to do. He would shelter her from the wind and rain, lay out all the roads for her, and clear all the obstacles in front of her.

rong yan snuggled a few times in liancheng yazhi's arms. "you're really getting better with your words, yingluo. i hate you!"

"Then I won't say it anymore, okay?" liancheng yazhi said awkwardly.

Rong Yan said fiercely, "no, don't you dare to not talk about Yingluo."

"Aiya, this is really making things difficult for me. If I say it, you'll hate me, but I can't not say it. What do you think I should do?"

Rong Yan's face turned red as she bit his chin.

.....

The next morning, before Liancheng Yazhi left for work, Rong Yan woke up and remembered something. Gu youran had given birth two days ago, but she had not gone to see her!

I'm free today. I want to go to the hospital to see Gu youran. She just gave birth and I don't know how she is doing.

Liancheng Yazhi leaned over and planted a kiss on Rong Yan's forehead. "Okay, go ahead. Do you want to bring MeowMeow?"

"I'll ask her when she wakes up. If she's willing to go to the hospital to see little brother, I'll take him there."

it's best if we take her to the hospital to train her so that she won't be so afraid of the hospital. Of course, Liancheng Yazhi also had a selfish little chest. Perhaps, after MeowMeow went to see Gu youran's son, she would also want a little brother.

However, Rong Yan did not know about Liancheng Yazhi's two-faced thoughts. okay, I'll try to convince her.

"i'll go first then. remember to come down for breakfast after you get up."

"i know, bye bye, yingying!"

At nine O'clock in the morning, Rong Yan and meowmeowmeowmeowmeow were eating downstairs. She asked, "MeowMeow, do you want to go to the hospital with mommy?"

When MeowMeow heard the word 'hospital', she shook her head and said, "Don't whine."

Rong Yan said gently, "I'm not going to get an injection. Auntie Gu's baby is born. Mommy wants to go see him. Do you want to come with mommy to see your little brother? I heard he's very cute."

Meowmeowmeowmeowmeow's eyes lit up. Wow! Auntie Gu's baby is really coming out?"

Rong Yan tried her best to coax meowmeow. "That's right. He's a very cute little brother. When he was still in Auntie Gu's stomach, didn't you say to ask him to come out and play with you?" Now that he's born, how can you not go and see him as a little sister?"

But Yingluo, why is he in the hospital?"

It's very dangerous for Aunt Gu to give birth, so she has to be in the hospital. Besides, when a baby is born, his body is very fragile and needs a doctor to take care of him. It was the same for you when you were young.

Sigh, so pitiful,"

Rong Yan asked her, "Then are you going or not? If you don't go, mom will have to go by herself. You have to stay at home and play with the housekeeper Auntie.

Meowmeow's little face twisted into a knot, and she finally made up her mind. "Alright, I'll go and clean up. I've already promised the little kid, so I can't go back on my word."

"That's right. Our

Chapter 995 I'm here to see the baby

meowmeow raised her head. "That's because Yingying's father said that I'm the eldest daughter of the Liancheng family. Everything has to be given to me in the future. I must be as powerful as my father when I marry him!"

Rong Yan nodded and said with a smile, "Yes, yes, yes. Our Miaomiao will be very, very powerful in the future, but you don't have to be in a hurry to become so powerful now. You're still a child. What you need to do now is to live happily.

Rong Yan didn't want Miaomiao to inherit the Liancheng family in the future. It was better to hand over such a big pile of things to someone else. The Liancheng family was too big, and she didn't want her daughter to suffer in the future.

In any case, Rong Yan also wanted another son, and she thought that she would have one sooner or later.

When they had a son, they would leave him to his father and teach him well. When his son acknowledged them, he would hand over all the hard work to him. Then, they could enjoy a good life. [future son] <: dad, mom, you're too cruel. She's not even born yet, and you're already like this. This is making me very stressed. Once I'm stressed, I might not want to come out anymore.]

After breakfast, Rong Yan took the old hen soup that she had asked the servants to make before the meal and then took a car to the hospital.

Gu Youran was really quite pitiful. She was a pregnant woman. Although it was not that she did not have any relatives in the capital, it was better for her to have those people than not.

after giving birth in the hospital, if Rong Yan hadn't sent two experienced servants to take care of her in advance, Gu Youran might not even be able to drink water in the hospital now.

When they arrived at the hospital, MeowMeow started to feel scared before she got out of the car.

Rong Yan encouraged her for a while before holding her hand and getting into the car.

She could clearly feel "

MeowMeow shook her head. Mommy, there's no need. I can do it. Daddy said that I've already grown up and I'm very heavy. You can't let mommy carry me all the time. You'll be tired, Momo.

Rong Yan's heart suddenly warmed up, and her eyes started to sting.

How could she not love such a young and sensible daughter?

No matter how many children she would have in the future, MeowMeow's position in her heart would be different from theirs.

Rong Yan encouraged meowmeowmeow, "our baby is so brave and amazing!" When you see Auntie Gu later, remember to say hello and be polite, okay?"

MeowMeow patted her chest. don't worry, mom. Trust me.

.....

Gu Youran was staying in an ordinary Ward. Rong Yan had once said that she wanted to transfer her to a VIP Ward, but she didn't agree. She didn't want to trouble Rong Yan anymore. She was very insistent, and Rong Yan didn't force her anymore.

Upon entering the ward, Rong Yan immediately saw Gu Youran lying in the innermost part of the room.

Rong Yan walked over with "You ran ran ran."

Gu Youran's face was very pale and she looked very weak. After seeing Rong Yan, she immediately smiled. "Rong Yan, you're here, Yiyi. Meowmeowmeowmeowmeow is here too."

"Auntie Gu, I'm here to see little brother. you've worked hard, you must rest well!"

The smile on Gu Youran's face became even wider. thank you. You'll be able to see little brother in a while, Yingluo.

After Gu Youran finished speaking, she looked at Rong Yan with a reproachful look. why did you bring MeowMeow here? this is a hospital. Who knows what germs there are in the air? it's not good for children.

.....

Chapter 996 I won't mistreat you

Rong Yan patted

Rong Yan placed the thermos she had brought on the table beside her and said, " "You've just given birth and your body is very weak. You must take good care of yourself. I've brought you some soup made by old hens.

By the way, where are the two maids?"

After she came in, Rong Yan did not see the two maids. She had only sent two of them over so that one of them could take care of Gu youran at any time. In the end, there was no one. Rong Yan was a little angry now.

Gu youran smiled faintly, "the two of them went to wash the children's diapers."

Rong Yan glared at her and poured the chicken soup into a bowl as she said, "Two people going together? how many diapers can a child have? they're just trying to be lazy. don't lie to me in front of me. tell me honestly, who's the one who's being sneaky, or both of them?"

Rong Yan looked at Gu youran with a very sharp gaze, which made her a little uncomfortable.

"No, they're all fine," Gu youran replied.

Rong Yan stuffed the stainless steel bowl into Gu youran's hands. if you don't tell me, both of them can leave.

She didn't send two people to take care of youran to give them a break.

The two of them taking care of Gu youran was to give Rong Yan face. If they didn't take her words seriously, they would be tarnishing her reputation.

It was impossible for Rong Yan to let this kind of thing continue to happen. If they dared to ignore her orders, then they should just get lost and never return to the Liancheng family.

gu youran said awkwardly, "sister-in-law guo yingluo is actually quite good yingluo."

she was indirectly saying that the other person was in trouble.

Of the two maids that Rong Yan had sent, one was aunt Guo and the other was aunt Lu, who was a little older.

a fierce light flashed in rong yan's eyes. " alright, i got it. you drink the soup. you have to take care of your body first, zhenzhen. "

Gu youran tried to persuade Rong Yan. the two of them have helped me a lot. If it weren't for them taking care of me, I wouldn't have known what to do after I gave birth.

As soon as she finished speaking, aunt Guo, who was in her forties, and aunt Lu, who was in her fifties, came in. When they came in, aunt Guo was holding a basin, while aunt Lu was leisurely eating an Apple. She had a look of disdain on her face, as if she found the environment of the general ward too bad.

When the two of them entered the room and saw Rong Yan sitting by the bed, they were both stunned for a moment. Aunt Lu's Apple fell to the ground with a clatter. After she regained her senses, she quickly ran to Rong Yan in a flattering manner.

"young madam, young madam, why didn't you tell us that you're here? the air in the hospital is so bad, aww."

Rong Yan's cold eyes swept over her. Aunt Lu's voice stopped abruptly and she shrank her head a little timidly.

"Go and bring the child to me," Rong Yan said to aunt Guo.

Before aunt Guo could speak, aunt Lu rushed to show off in front of Rong Yan. I'll go, I'll go. Miss Gu's little master is so beautiful. I've never seen such a good-looking boy.

The corners of Rong Yan's mouth curled up into a disdainful smile as she said slowly, "alright, go then, yingluo."

Aunt Lu ran out in a hurry. After he left, aunt Guo quickly put down the basin and said, "young Madam, miss Wanwan.

She was an honest woman. She was very nervous when she saw Rong Yan and even her voice trembled a little.

"Take good care of the young miss. I won't mistreat you." Rong Yan smiled.

Chapter 997 Little brother, grow up quickly

Rong Yan's meaning was already very clear. She would only treat those who were hardworking and good at work well.

thank you, young Madam, " aunt Guo said hurriedly. I'll take good care of miss Gu.

Not long after, aunt lü ran over in a hurry with the child in her arms. young Madam, the young master is here.

Rong Yan took the baby from her arms. The baby was still sleeping in the swaddling clothes. He was small and his pink little mouth was open. Anyone could see him. If he wasn't particularly fat, he would be a little thin and weak because Gu youran didn't have enough rest in the mother's body.

The child was two days old and was completely different from when he was just born. He was pink, tender, and small, and looked especially cute.

When Rong Yan saw the child, she couldn't help but smile. he's so beautiful and so cute, Yingluo. When I see him, I think of MeowMeow when she was young. MeowMeow, quick, come and take a look at little brother.

?????: "??,????,????....."

Rong Yan bent down to let MeowMeow see the baby clearly.

?????, "?....."

The little baby's appearance was completely new to her, especially when the little darling was so adorable. Even a little girl like MeowMeow could not escape from her.

Meowmeowmeowmeowmeow's eyes were as bright as the stars in the sky. She asked nervously, "Mom, mom, is this little brother? Mom, is this your little brother?"

"Yes, this is Auntie Gu's baby. It's that little brother."

"He looks so small, Yingluo."

yes, little brother is still very young, but he'll be able to play with you next year.

meowmeowmeowmeowmeowmeowmeowmeow grabbed one of rong yan's fingers. "Mom, can I touch little brother?"

Rong Yan was about to shake her head, but Gu youran said before she could, ” “Sure, little brother really likes our

Rong Yan glanced at Gu youran. She was smiling at her and nodding at him, encouraging her to let meowmeowmeow do it.

MeowMeow was overjoyed. Ann’s smile was pure and clean, like the snow Lotus blooming on the top of the snow Mountain, beautiful and dazzling under the sun.

????????,????????????,????????????,?????: wow, mommy, little brother’s face is so soft.

Mommy, little brother, I really like little brother. He’s so cute.

rong yan and gu youran laughed happily when they heard this. children were the most innocent and pure. they had the most direct and honest reaction to the things she came into contact with. if they liked it, they liked it. if they hated it, they hated it.

So when she said that she liked the baby, that was also her most genuine reaction. She liked him from the bottom of her heart.

The two women, as mothers, were very pleased to hear this!

“Then let’s come and visit little brother more often in the future, okay?” Rong Yan said.

Let him live with us, okay?”

Rong Yan laughed out loud when she heard that. did you see that, youran? my daughter is going to snatch your son away from you, Zhenzhen.

Gu youran laughed along.

.....”

Chapter 998 He’s so kind?

Rong Yan rubbed

The child had just been born and his body was still very fragile. After more than half an hour, Rong Yan asked aunt Guo to carry the baby back.

”Mommy, mommy, just watch a little longer, just a little longer. I won’t disturb little brother’s Yingluo.”

Rong Yan patted

Gu youran couldn’t bear it. it’s okay. Let MeowMeow play with the child for a while.

Rong Yan shook her head. there’s no need. We can stand the air in this Ward, but the child can’t.

”

“i know, yingluo.”

Although MeowMeow didn’t want to, she still watched the baby being taken away and didn’t stop him.

Rong Yan comforted MeowMeow for a while and then asked Gu youran, ” “Has the Tang family arrived?”

The smile on Gu youran’s face disappeared and was replaced by a look of worry. yes, ran ran came over yesterday. She wanted to take the child to do a paternity test. Fortunately, Tang Zong suddenly appeared and the Tang family was scared away. I don’t think they will come again, ran ran.

when rong yan heard about tang zong again, she was very surprised. he’s here? He’s so kind to help you?”

Gu youran shook her head. She was also very guarded against Tang Zong. I don’t know. I was quite worried, but I can’t care so much now. After this month, I won’t be afraid of them anymore.

“Did Tang Zong say anything to you yesterday?”

Gu youran thought for a while and still shook her head. “No, after Tang Zong angered the Tang family and left, he played with the child for a while. At that time, I was really frightened. But not long after, he left. When he left, he told me to take care of myself. He didn’t say anything strange.”

Rong Yan touched her chin. this is strange. Could it be that he really is going to forgive the Tang family?”

Gu youran laughed, ” that’s absolutely impossible. Don’t listen to his nonsense. That’s impossible. I think he must have a purpose for doing all this. But I don’t know what his purpose is, and I can’t guess it. I hope ran ran doesn’t harm the child.

at the mention of tang zong, gu youran felt as if she was standing right next to a bomb that could explode at any moment. she had no idea how to control it!

Rong Yan comforted her. don’t worry too much at this time. Take care of your body. Otherwise, how can you take good care of the child? ”

After staying there for a while, Rong Yan was afraid that Gu youran had just given birth and was too weak to talk for too long. She got up and wanted to leave with MeowMeow, ” I’m leaving. You rest well. If there’s anything you need, just let aunt Guo Do it, okay? ”

Rong Yan glanced at aunt Lu, who was standing at the side, trying to please her at any time. She said, ” “Aunt lü, please send me out.”

Aunt Lu was extremely happy. She couldn’t wait to have a chance to please Rong Yan alone, so she quickly said, ” “Yes, yes, I’ll send you out. Please.”

When she passed by aunt Guo, she even gave her a sidelong glance, as if to say, ” see, young madam still thinks highly of me.

downstairs, aunt lu kept badmouthing aunt guo in front of rong yan, saying that she was lazy and greedy. she didn’t do anything and that she was the one taking care of gu youran.

Chapter 999 don’t fail to appreciate kindness

Aunt Lu kept talking like a machine gun, and MeowMeow kept rubbing her ears in annoyance.

He walked to the car and the driver quickly opened the door.

Rong Yan stopped. aunt Lu, sob.

“young madam, do you have any other orders?” aunt lü hurriedly asked.

rong yan took out her wallet from her purse and opened it to take out a stack of red bills. she didn’t see how much it was, but it should be around one or two thousand. she didn’t have much in her wallet now, and most of it was bank cards.

When aunt lü saw Rong Yan take out the money, she thought it was for her. Her turbid eyes immediately revealed a greedy look, but she didn’t dare to show it too obviously. She rubbed her hands together and wanted to take it, but Rong Yan hadn’t said anything yet, so she didn’t dare to reach out her hand.”Young Madam, Yingluo, you’re too polite.”

rong yan smiled and handed the money over. ” you’re right. this is for you. take it. ”

young Madam, I’m sorry to tease you, ” aunt Lu said apologetically as she quickly took the money from Rong Yan.

She calculated in her heart. Nothing had gone wrong after serving Gu youran for a few days. She had also received such a sum of money so easily. It was really a great profit.

In the end, before she could finish feeling happy, she heard Rong Yan say, ” this is the severance payment for you. Since you like peace so much, then from today on, you can go back to your hometown and enjoy your remaining years. Our Liancheng family will not hold you up from your beautiful old life.

Aunt Lu’s hand, which was silently counting money, stopped. “Young Madam, what did you just say?”

????????,?:”????,?????????”

aunt lu’s face suddenly became panicked, ” “young madam, why? I’ve been doing well all this time. I’ve always been diligent and never made any mistakes. Why do you want to drive me away? what have I done wrong? You can’t just drive me away for no reason.”

Rong Yan frowned irritably. This aunt Lu really didn’t blink at all and was very diligent? She was embarrassed to use this word on herself.

The driver saw that Rong Yan was already impatient and quickly said, ” you’re so annoying, old lady. If you didn’t do anything wrong, young Madam would let you go. You’re already being very kind by taking so much money with you. Move away and don’t block the way.

As soon as he said that, aunt Lu immediately screamed and waved the driver’s hand away. Then, she dug a deep gash on the back of his hand.

The driver gritted his teeth in pain. old lady, ” he said angrily, ” don’t fail to appreciate my kindness.

Aunt lü’s face, which was already filled with wrinkles, became ferocious as she screamed, ” no, I can’t accept this. What right do you have to ask me to leave? I’ve been in the Liancheng family for seven or eight years. When I came, you were still nowhere to be seen. You little girl, don’t think that you can do whatever you want in the Liancheng family just because you seduced young master. Let me tell you, you don’t have the right to kick me out.

Chapter 1000 Hurry up and get out of the way

Aunt Lü took advantage of her seniority and wanted to use this to suppress Rong Yan, thinking that a young person like Rong Yan would be easily frightened by her.

however, she didn't think that no matter how many years you stayed in the Liancheng family, even if you stayed for 70 years, you would still be a servant.

Just like the previous Butler, who had been in the Liancheng family for so many years, would his status be lower than aunt Lu's? However, she had touched Liancheng Yazhi's bottom line. Wasn't it the same? should she still be sent away?

A servant was a servant, don't expect to be able to influence the master's mind.

The driver was afraid that Rong Yan would get angry, so he hurriedly said, " "You're rebelling. Don't you know who you are? you're just an old servant of the Liancheng family. You can't change your status even if you stay for many years. You're not even aware of your status and you're shouting at the young Madam. Hurry up and get out of my way."

When Rong Yan heard aunt Lu's scolding, she sneered. The current Rong Yan was more mature and stable than three years ago.
