

Physician 131

Chapter 131

How come this guy is here!

Even if it's not exposed, there's no need to pretend to be the helmsman's man.

At the moment of looking at each other, ye Lingtian, the king of Nanjiang, nods to Ye Chen.

Ye Chen is very clear that once he has problems on wudaotai, the king of Nanjiang is bound to be exposed regardless of everything, and even take action!

At this time, Ying Qing came over and raised a file bag in his hand.

"If there is any problem with the documents approved by the chief executive, please rest assured that he did not dare to hurt you."

"Do these guys just don't believe in themselves?" Ye Chen shook his head helplessly.

Just then, there was an uproar from the crowd.

Ye Chen followed the voice and found three old men in Tang costume coming towards wudaotai.

The martial spirit of the three people is extremely strong, and the one in the middle is more terrible!

It's a strong aerodynamic environment! The other side must step into the realm of master for decades! Extremely dangerous!

This is the strongest person Ye Chen met in Jiangcheng after he left that place!

That old man is one of the judges, Yuan Jingfu!

Ye Chen is now in the eighth level of the Kaiyuan realm. Although he is about to break through the aerodynamic environment, it is still very difficult to meet a real aerodynamic one!

The three elders took a look at Ye Chen, and their looks were flat. Then, as they approached the wudaotai, the strength of their feet condensed and they jumped directly onto the three meter wudaotai!

Very calm!

The real master!

Only this one hand, countless martial arts clapped their hands!

Yuan Jingfu's wrinkled face was full of a trace of cold, his right hand held high, and his five fingers closed suddenly!

Silence under the stage!

Silence!

Who dares to offend the powerful!

"I, Yuan Jingfu, as one of the judges of wudaotai, must strive to be fair and maintain order, so far as everything is concerned! If someone destroys the balance of wudaotai, no matter what their status, they will kill them! "

The other two elders said similar things.

Seeing ye Chen frown, Jin Lengyan explained: "this is the rule of wudaotai. The three judges are yuan Jingfu, Wang Zhixin and Wu Xiangming. It is worth mentioning that all three of them are in the top 500 of the Chinese masters list."

"Mr. Yuan Jingfu is the most terrible. He once ranked in the top 400 masters list. As for the ranking, no one knows. Some people say that he has entered the top 300, while others say that he has been injured and fell more than 400. But these are not important, the important thing is that Mr. Yuan is the vice president of the Wudao Association of Jiangnan province!

The meaning behind the words "Wudao Association" in Jiangnan province is too great. Looking at the whole Jiangnan Province, there are not many families and forces that dare to offend! Later, if you have the opportunity, try to please this person, at least politely. The subjective factors of this person are very important to you

Ye Chen coldly hums: "he is what thing, I with what want to please."

Jin Lengyan heard this sentence, scared almost to cover Ye Chen's mouth.

If yuan Jingchen heard this, he would be dead!

"You should also pay attention to Wu Xiangming. Wu family is a Wudao family in Jiangnan province. It's good if you know him. If he wants to protect you, Chen Baoguo doesn't dare to touch you."

Jin Lengyan wanted to say more. The bell rings on wudaotai!

Yuan Jingfu's majestic voice rang out: "Ye Chen, Chen Baoguo, please come to the arena!"

The next second, Chen Baoguo stepped out and came to the arena.

There was a burst of applause from the audience!

"Master Chen, mighty!"

"Master Chen, kill that ye family waste!"

Later, ye Chen also came to wudaotai.

In a flash, there were boos everywhere, and even some people began to sneer at Ye Chen mercilessly.

"How can this kind of rubbish deserve to step on wudaotai with master Chen? Damn it

"I guess they want to be on the Wudao stage before they die. It's worth it whether they live or die!"

"Ha ha, it's the first time I've seen this method of looking for death these days."

In the crowd of all kinds of abuse, Wu Xiang Ming Mou son glanced at the crowd: "noisy! If anyone talks nonsense again, he will be killed directly! "

The crowd was completely quiet.

Wu Xiangming took out two life and death agreements and let Ye Chen and Chen Baoguo sign and draw fingerprints.

"On wudaotai, life and death can't be predicted. Everything is up to now. If you are not careful about casualties, there should be no more hatred." Wuxiang Mingdao.

"Master Xie Wu, Master Wu has worked hard." Chen Baoguo bowed to Wu Xiangming with a flattering smile.

Wu Xiangming ignored him, took a look at the indifferent Ye Chen, sighed deeply, and returned directly to his own arena.

The next second, the bell rings!

Wudaotai, official start!

Chen Baoguo looked at Ye Chen. His eyes were full of blood and anger: "how did my son and grandson offend you? We should hurt the killer!" Ye Chen raised his head and glanced at Chen Baoguo indifferently: "this is what they asked for. It happens that today I will kill you, and the Chens in Jiangcheng will become history."

Hearing this, not only Chen Baoguo laughed, but everyone in the audience laughed!

This is obviously a one-sided outcome, ye Chen actually put forward a big talk to kill Chen Baoguo.

I didn't wake up the hell!

Jin Lengyan can't help shaking his head: "this ye Chen is dying, but he still talks big."

Chen Baoguo smiles and freezes. The cold killing opportunity is released: "it depends on whether you have this ability. I want to see what kind of dog Ye Tianzheng gave birth to!"

Words fall, Chen Baoguo moved!

His eyes were full of cold, and in an instant, his strength was rolling and flowing, and his whole body momentum was released.

Extremely strong!

"After ten years of separation, master Chen's rise is so terrible! The boy will die with one move

Under the stage, someone said with emotion.

Feel that momentum, ye Chen eyebrows slightly wrinkled, Chen Baoguo's strength is stronger than imagined.

"Die for me!"

Chen Baoguo roared, his fists roared, and the tiger became powerful. He smashed directly at Ye Chen's face! The speed is extremely fast, does not give ye Chen reaction time at all.

He knew that ye Chen's means were cruel and decisive, so he had to kill with one blow!

Chen Baoguo is rolling up the dust of wudaotai! Momentum like a rainbow!

Seeing that this fist is about to hit Ye Chen's body, ye Chen's eyes are slightly narrowed, and one side of the body evades this fist.

Chen Baoguo was so angry in his heart that he hit him with another blow!

But ye Chen can easily avoid it every time.

It looks like he's teasing Chen Baoguo.

The original cheering sound of the field, gradually light down, everyone's eyes have a trace of surprise.

Chen Baoguo didn't kill this boy with a single blow? On the contrary, they are led by the nose?

"You punk, don't hide if you have the ability!" Chen Baoguo was angry and ferocious on his face!

Ye Chen's body method is so weird that he can't even touch this guy's clothes!

Damn it! It's hard to bend!

Chapter 132

"I just want to see how rubbish the so-called master Chen is. Now it seems that there is no need to continue to look at it."

Ye Chen no longer dodges, in situ into a shadow, suddenly force.

The next second, unexpectedly meet Chen Baoguo and go!

Fist clenched, a sharp wind whistling, the air sounded a low tearing sound, cold killing machine completely broke out!

Chen Baoguo sneered, the same blow broke out! This blow, powerful momentum directly tore his clothes! It's scary!

"You're wearing clothes! Master Chen is too good! "

"That boy dares to fight against Chen Baoguo. He's looking for death!"

"There is no empress of Ye family in Jiangcheng, ha ha!"

"This kind of waste family is doomed to be eliminated!"

Seeing ye Chen and Chen Baoguo face to face, the crowd is in an uproar.

Under the stage Ying qingmou son is extremely serious, as long as ye Chen has a problem, he will certainly come to the stage, regardless of all obstacles to save Ye Chen!

Ye Lingtian, the king of Nanjiang river behind the rudder master, is also full of strength, and his cold killing intention covers the whole audience.

As long as he is there, no one can move the temple master!

No one!

"Bang!"

Finally, on the Wudao stage, two fists suddenly collide! A dull explosion!

Chen Baoguo's ferocious face suddenly changed color!

He felt a strong wave coming!

A thousand pounds of anti shock force came from the arm! Can't help but let him take a breath!

How could it be!

If he didn't use the secret method to remove some strength, the whole hand would be useless!

But the wave was far from over. Chen Baoguo felt the blood surging up. The next second, the whole person turned over several meters!

As soon as he was about to fall off wudaotai, Chen Baoguo changed his fist into claw and clasped it on the stone on the edge of wudaotai. His strength broke out, like a cheetah, he turned it up and met Ye Chen again.

At this moment, the whole world fell into a dead silence!

Everyone's eyes are wide, unbelievable!

Under one blow, Chen Baoguo, who has been in the ancient martial arts for decades, was almost defeated!

Jinlengyan is confused!

Should hold a blank brain, holding the document hand is full of sweat!

Under the cap of the leaf Lingtian, the corner of the mouth outlines a smile.

The hall master is the hall master after all! He never misunderstood people!

All of a sudden, the crowd reacted and was in an uproar!

Ye Chen's fist not only broke Chen Baoguo's power, but also broke the cognition of those martial artists on the spot!

Key Ye Chen is only in his twenties!

Chen Baoguo's face was pale and his eyes were almost blood red! He has blue veins on his neck! Staring at Ye Chen like a hungry wolf!

"You forced me! I don't want to use that as a last resort, but I can't do it now. Even if I pay a painful price, I will kill you myself Chen Baoguo smiles darkly.

"More than ten years ago, I got a martial arts book about cultivation. Without hesitation, I chose to close down in Wuyishan. Now, it's time to let it show off in the world."

Words fall, a strong breath from Chen Baoguo's body!

Kill the sky, the momentum is high!

In the distance, Jiang Yuanli and Yuan Jingfu changed their faces: "this is not the martial art of the ancient martial arts world!"

Ye Chen naturally discovered it, and he knew the origin of this martial art better than all the people present!

This is the martial art of the cultivator! And the grade is not weak!

He finally understood the meaning of Chen Baoguo's words just now, because the ancient warriors and practitioners are quite different. Their elixir fields are weak. Once they use this kind of martial arts skills, they will inevitably cause great damage to their internal organs and six organs!

"Breaking the thunder palm!"

Chen Baoguo roared all over! The whole person jumps high! The most powerful blow burst out in an instant!

The earth trembled, and suddenly a gust of wind rose!

The surrounding magnetic field is completely disordered at this moment.

Seeing this scene, everyone's face changed a lot! Because this palm actually caused a vision! Once hit, ye Chen may not even have a complete body!

In a flash, Chen Baoguo's palm seemed to be enlarged several times! drop from the clouds!

It's even more radiant!

"Ye Chen, you must die!"

Ye Chen raised his head, his hands were negative behind him, and said faintly, "I've seen this move more than a hundred times!"

The next second, ye Chen rolled up a burst of heaven evil intention, Dantian real gas surging, a foot down!

There is a deep depression in wudaotai!

"Damn you!"

"Bang!"

In a flash, the whole wudaotai vibrated! A great muffled sound resounds through the world!

Dust rolling, the whole world at this moment seems to block out the sun!

No one knows what's going on inside!

Everyone held their breath and didn't know what happened on the Wudao stage! I'm so nervous!"Ye Chen that guy, should even have no body."

Chu shuran in the distance trembled and said. She is very clear, whether ye Chen has survived or not, is not her Chu family can provoke.

"Ah --"

an old scream sounded, and then Chen Baoguo, covered with blood, flew out and smashed on the stone pillar in one corner of wudaotai!

The stone pillar was broken on the spot! There's a big bang!

At this moment, the crowd took a breath!

Chen Baoguo lost! And lose incomparably thorough!

At this time, the smoke and dust gradually dispersed, a proud youth figure appeared in front of everyone!

The youth's hands are behind him and his eyes are indifferent. The whole person seems to have a kind of spirit that is superior to the universe and overlooks all living beings!

No damage!

This sudden picture, it is just like an invisible fist, will be the hearts of all the people on the scene will be bombarded into pieces!

Two moves!

On the wudaotai, ye Chen has only two moves!

Chen Baoguo was nearly knocked down by one move!

Another move, directly beat Chen Baoguo almost half to death!

What kind of monster is this!

Golden goose brain a blank! My chest is shaking!

She thought of countless endings, but she never thought Ye Chen could defeat Chen Baoguo, a great master of the generation, with such crushing power!

Even if ye Chen began to practice from her mother's birth, he couldn't be so rebellious!

Sitting next to him, Jin Fu grabbed the chair with five fingers, and the armrest of the chair turned into sawdust. His eyes were fixed on the young man on the wudaotai, and a trace of fear occurred in his heart!

If he stood on the stage and fought Chen Baoguo, could he live if the other side showed that kind of martial arts?

No way!

"Leng Yan, this time, I have lost sight." For a long time, Jin Fu sighed. The whole person seemed to be an old teenager.

On wudaotai.

Ye Chen goes to Chen Baoguo, he can't let such a threatening person live!

His hand condenses the true spirit, just ready to hand, a voice of reprimand rings out!

"It's up to the point, no killing!"

It's yuan Jingfu!

Yuan Jingfu promised Chen Baoguo that he would not die. Naturally, he should stand up at this time!

Ye Chen looks at the killing machine that steals behind him and quickly retreats. In order to stop himself, Yuan Jingfu actually moves a killing move!

Mean!

Chapter 133

At this moment, ye Chen is completely angry!

The vice president of the martial arts association of Jiangnan province actually made such a thing!

Before that, I said it was fair!

Fair fart!

If it was him who lost and Chen Baoguo started, would yuan Jingfu still stand up?

Not at all!

Ye Chen has killed his heart!

Today's wudaotai is not only Chen Baoguo, but also Chen Baoguo!

He yuan Jingfu will not want to leave alive!

The best time for him to retreat is to kill Jiang Yuanchen!

He thought out the alternative plan at that time. If Chen Baoguo could not defeat him, he would attack at a crucial time!

So the position of watching the battle is infinitely close to Ye Chen!

At this moment, no longer hesitating, Jiang Yuanli rolled up a burst of murderous intent, the strength condensed in the right palm, jumped to the stage, toward Ye Chen!

All this happened between the electric light and flint, ye Lingtian and Ying Qing did not respond!

Even if you react, it's impossible to stop the two masters!

Who could have thought that wudaotai has won or lost, and some people will break the rules and start directly!

Ye Chen's life and death are only in one thought!

Ye Chen can't care about Jiang Yuanli behind him. Dantian rushes out with a fist and hits yuan Jingfu in front of him!

Although it blocked yuan Jingfu's attack, his blood was surging up!

Not only that, but Jiang Yuanli suddenly hit him in the back. He had no chance to hide!

Can only carry down!

"Bang!"

His body stagger, spit out a mouthful of blood, eyes full of endless anger!

He tried to hold back the pain, red evil spirit wrapped around the whole body, the real Qi of Dantian broke out, and the whole person jumped up with extremely fierce killing intention!

Get out of your legs! Fall!

Seemingly simple action, but produced a very strong force!

Jiang Yuanli did not expect that under his attack, Ye Chen would fight back, so he could only fight back in confusion.

"Bang!"

Ye Chen hits Jiang Yuanli's blocking arm with one foot!

Jiang Yuanli stepped back more than ten steps, and his arm was paralyzed by the strong force of the shock.

He was standing in front of him, and he was standing in front of him!

"No way! This guy is still so fast when I'm seriously injured! "

Ye Chen a claw buckle on Jiang Yuanli's shoulder, hard to penetrate!

Then the true Qi swept through, and then burst out!

Jiang Yuanli was directly lifted up by Ye Chen and smashed on the ground!

"Bang!"

There's a big bang from wudaotai!

Jiang Yuanli's eyes were full of panic. He wanted to resist just now, but who could have thought that an invisible air current enveloped him and made him unable to move at all!

Is this boy a devil!

Jiang Yuanli just want to prop up the body, ye Chen a foot mercilessly raises, then fiercely presses down!

"Click!" A sound, Jiang Yuanli propped up the right hand unexpectedly fracture!

"Ah

Jiang Yuanli cried out in pain.

He was about to faint, wet and pale to the extreme! The eyes full of blood, only fear!

Endless fear!

Ye Chen looked at him from above, his eyes were indifferent: "this is just the beginning, what is it called?"

Finish speaking, ye Chen's right foot presses again! With the power of ten thousand catties!

"Click, click, click!"

Jiang Yuanli felt a force penetrating his body, and all his bones were broken!

Very harsh!

Life is better than death!

The next second, ye Chen directly seized Jiang Yuanli's neck and forcefully raised it.

"You shouldn't have provoked me, really not."

"Jiangcheng Wudao family, Jiang family? Perhaps from today on, the Chiang family will disappear forever in the history of Jiangcheng! "

Ye Chen just planned to start, Yuan Jingfu's voice of cold threat sounded: "if you dare to hurt the innocent, I will kill you!"

"Innocent?"

Ye Chen smiles!

Then an angry rebuke resounded through the whole wudaotai - "what are you! I Ye Chen wants to kill people, what qualifications do you have to stop! "

The next second, ye Chen's arm trembled, and Jiang Yuanli flew out upside down and broke another stone pillar of wudaotai!

The body is almost torn!

Flesh and blood!

Jiang Yuanli, the great master of Jiangcheng, died on the spot!

No. 514 in the list of Chinese masters!

But ye Chenyuan did not end, his cold eyes fell on Chen Baoguo who was breathing.

Chen Baoguo's body was stiff in an instant, and an invisible killing opportunity seemed to lock him in.

Fear filled his heart! Chen Baoguo quickly looked at Yuan Jingfu and held out his hand: "old yuan, help me. You promised me yesterday!"

Yuan Jingfu nodded: "no one wants to kill you with me here!"

Hearing this, Chen Baoguo breathed out a breath. In the next second, a blade of wind broke through the air directly!

His pupil enlarges, stares at not far away that cold arrogant youth.

The young man has a cold smile on his mouth.

Like the devil.

Like death.

He tried to cover his neck at the last moment, but found it impossible.

His head rolled down to Yuan Jingfu's feet.

It's shocking.

Yuan Jingfu's face is completely black!

Slap in the face!

Face naked!

He promised one second before, and one second later, someone killed him directly!

This moment, silence.

There was a dead silence under the Wudao stage.

Everyone seems to see the ghost in general, who could have thought that ye Chen not only killed Chen Baoguo!

Even Jiang Yuanli of the Chiang family was killed!

In less than a minute, kill two top masters in Jiangcheng. This boy is crazy!

These are not important. The important thing is that ye Chen killed people in front of Yuan Jingfu, the martial arts association of Jiangnan province!

Isn't it equal to slapping each other's face hard!

Gudu Everyone couldn't help but swallow a mouthful of saliva.

Five years ago, the Ye family in Jiangcheng was destroyed, and the Ye family has become the laughing stock of Jiangcheng people.

Five years later, the disappeared Ye family boy came back and killed two masters one after another in wudaotai! turn back the powers of darkness!

If ye Chen does not die today!

What four families do Jiangcheng still need? What kind of martial arts family do they need!

Just one ye family is enough!

Today's events are enough to be recorded in the history of Jiangcheng, let alone shocked Jiangcheng. Even Jiangnan province will be scared to death!

Under the stage, ye Lingtian, with a duck cap, gradually loosened his fist, and his eyes turned red.

He knew that maybe from today on, the temple master will rise.

The situation in Jiangnan province and even in China will change.

Zhou Fulu stares at Ye Chen, turns his head, and says to Zhou Zhengde: "Dad, it seems that my horizon is still too narrow. If you don't show kindness to Mr. Ye in time, maybe we Zhou family will never get on this huge ship."

Zhou Zhengde's eyes narrowed slightly, and his eyes shifted from ye Chen to Yuan Jingfu: "Fulu, the next thing is the key. Offending yuan Jingfu is tantamount to offending the martial arts association of Jiangnan province. Mr. Ye's fate is worrying. Although he can kill Chen Baoguo and Jiang Yuanli, if he can kill Yuan Jingfu, alas, everything depends on nature..."

Chapter 134

On wudaotai.

The atmosphere was extremely dignified.

Yuan Jingfu, as the vice president of the martial arts association of Jiangnan Province, once had the existence of the top 400 masters in China. Who dare not give him face!

Many great people in Jiangnan province should respectfully call him old yuan!

But the boy in front of him not only scolded him!

And killed his men in front of him!

An invisible anger is piling up on Yuan Jingfu! It's about to explode!

As soon as he stepped on it, wudaotai was slightly shaken, and countless dust rose, and a strong killing opportunity shrouded Ye Chen.

"Boy, it's a foregone conclusion. Why do you still hurt the killer! Don't you turn a deaf ear to my words! "

Yuan Jingfu's voice had a trace of chill, and people on the edge of wudaotai could not help shaking.

Ye Chen Mou son a congealing, smile way: "you calculate what thing, I with what listen to you?"

"Who am I, you ask?" Yuan Jingfu sneered, "I'm the judge of wudaotai this time, and I'm also the vice president of Wudao Association of Jiangnan province! Do you think it's qualified or not? "

Ye Chen glanced at each other lightly: "Dance Association? You'd rather have a ballet in your socks

"Puff Some girls heard this sentence directly laugh out, the people next to quickly covered their mouth.

All the people in the field can't help but take a breath when they hear this sentence. Ye Chen dare to say it too.

Even yuan Jingfu dare to abuse!

Even the martial arts association of Jiangnan province scolded it!

This is looking for death!

Offending the martial arts association of Jiangnan province is tantamount to offending the masters of Jiangnan province!

Isn't this forcing yourself to the end?

"You --"

yuan Jingfu's suppressed anger can no longer be controlled!

All of a sudden, wudaotai swept a wave of invisible air, making Ye Chen's body shape a meal.

Yuan Jingfu steps lotus, in a flash appears in front of Ye Chen, just about to hand, a dark shadow toward wudaotai.

Fall steadily in the middle of Ye Chen and Yuan Jingfu.

"Master yuan, you are a famous master in Jiangnan province. You are also the judge of wudaotai. How can you attack a younger generation?"

It is Wu Xiangming who is talking! One of the judges this time!

Behind is the Wu family of Jiangnan province Wu family!

Yuan Jingfu frowned and said in a displeased tone: "Master Wu, can't you see that this son killed innocent people indiscriminately! Not only that, this son is disrespectful to the referee, so he should be killed! "

Wu Xiangming shook his head and said seriously: "master yuan, first of all, on wudaotai, this little brother killed Chen Baoguo, which is in line with the rules. This is an agreement signed. Although the means are too much, it also conforms to the rules of wudaotai.

Second, Jiang Yuanli secretly broke the rules and should have been killed! Even if this little brother doesn't kill me, I will fight!

Thirdly, master yuan, as a judge, why did you secretly attack on Wudao stage? You should be the one who really broke the rules! "

All the people present were afraid of Yuan Jingfu, but he was not afraid of Wu Xiangming!

Yuan Jingfu's face turned black: "Wu Xiangming, what do you mean? Are you questioning me? Do you think you can represent the Wu family behind you? "

Wu Xiang Ming snorted coldly and did not speak.

Yuan Jingfu continued: "I warn you that if you insist on protecting this boy, I should also tell the president about it."

"You'd better make sure that this son has nothing to do with your Wu family. You don't need to protect him. What if I kill him?"

Wu Xiangming heard the word "President" and his eyes hesitated.

He saw the talent of Ye Chen, and really didn't want Ye Chen to die early!

And Yuan Jingfu's behavior is too much!

Wu second, who chewed the teeth seriously, said Mingzi

He turned to look at Ye Chen and said, "Ye Chen, would you like to join Wu family in Jiangnan province?"

As soon as he said this, Yuan Jingfu was not only stunned, but everyone in the audience was stunned.

The next second, countless envy and jealousy eyes toward Ye Chen!

Wu family is a martial arts family in Jiangnan province! A thousand years of history!

The details are terrible!

In the Ming and Qing Dynasties, Wu family was the first family in China!

Although it has gradually declined in modern times, it does not affect his force!

Lord Wu is one of the top masters in China!

Once the olive branch thrown by the family is picked up, ye Chen will surely fly into the sky!

Chu shuran's face was pale under the stage. She looked at Ye Chen's figure and regretted it.

If If she had accepted Ye Chen, everything would have changed dramatically.

With Wu's family as the backing of the Chu family, it is bound to climb to the top!

But there is no regret medicine in this world.

"Pa!" Chu shuran couldn't help but slap herself! Jiangcheng Wudao family Jinjia side, Jinlengyan and Jinfu also looked at each other, sighed a long sigh.

When they intended Ye Chen to step down, they took the initiative to make friends with Ye Chen.

Now Ye Chen has a Wu family, and he certainly doesn't look up to their gold family.

Jin Lengyan even thought, if Ye Chen came to the suite with pills at the auction, if she took the initiative and what happened with Ye Chen, that would be fine.

With her sexy and beautiful, take the initiative to conquer a man, any man is difficult to control.

But now it's too late.

On the Wudao stage.

Yuan Jingfu couldn't help cursing: "Wu Xiang Ming, you want to put this waste into your Wu family. What do you think of him in the end?"

Wu Xiangming didn't pay attention to it. He looked at Ye Chen with burning eyes and said, "what are you thinking about? As long as you promise, I will take you away immediately. No one dares to move you."

His tone is full of no doubt. In Wu Xiangming's opinion, no fool will refuse this big opportunity!

However, in the next second, Ye Chen said, "I'm sorry, I don't need it."

Wu Xiangming was stunned and thought he had heard something wrong: "what did you say just now?"

"I don't need it."

So ye Chen repeated that he would not accept any invitation from any forces. What he had to do today was to kill yuan Jingfu!

This man has threatened him. He must not be allowed to leave wudaotai alive!

Wu Daotai was silent for a short second, and the next second exploded directly!

Is Ye Chen stupid?

Actually refused Wu family!

How many warrior's lifelong dream, he actually did not hesitate to refuse!

If you don't want to be promoted, you will lose many chances!

Only now, ye Chen did not have the Wu family, Yuan Jingfu will have no scruple to make trouble!

Ye Chen's move is to force himself into a desperate situation!

Madman!

Fool!

Ye Chen is finished, completely finished! It's like burying your own destiny with your own hands!

Wu Xiangming's face was very embarrassed. He pulled down his face to ask Ye Chen. He just looked at Ye Chen's talent!

But ye Chen himself does not cherish, still install pure high, that can't blame him!

Along the way of martial arts, this self righteous existence should be eliminated!

Wu Xiangming waved his sleeve and walked directly to the Wudao stage. The cold voice rang out: "since you are responsible for your own responsibility, you are responsible for your own life!"

It is obviously said to Ye Chen.

Chapter 135

Ye Chen completely ignored the eyes around him. Instead, he fixed his eyes on Yuan Jingfu, held out his hand, pointed to Yuan Jingfu, and said, "wudaotai, life and death war, can you yuan Jingfu accept my challenge from ye Chen?"

Wu Xiangming didn't walk a few steps. When he heard this sentence, he staggered and almost fell to the ground!

His frightened eyes look at Ye Chen!

Doubt!

Don't understand!

What the hell is this guy doing? Yuan Jingfu didn't come to him. He wanted to die on his own initiative!

Challenge yuan Jingfu?

When Yuan Jingfu became a master, you were not born!

Or life and death!

What a big breath!

All the people in the field are confused, ye Lingtian, Zhou Zhengde, Jin Lengyan, and even Ying Qing. Everyone's eyes are about to stare out.

Breath also stops at the moment when ye Chen's words fall down!

Ye Chen is too crazy! Crazy enough to hit the gun directly!

What is yuan Jingfu's cultivation and ye Chen's cultivation! What's the difference between this and looking for death!

Yingqing under the stage even said: "Mr. Ye, don't be impulsive! It's important to protect your life! "

Ye Chen did not pay any attention to it. His cold eyes were staring at Yuan Jingfu and said, "Yuan Jingfu, do you dare to fight?"

At this moment, Yuan Jingfu laughed!

He has seen countless arrogant waste in his life, but he has never seen such existence as ye Chen!

"Ye Chen, ye Chen, are you sure you want to challenge me? I think you want to die more glorious! Yes, it's also the greatest honor of your life to die at my yuan Jingfu's hand. "

Yuan Jingfu's words suddenly turned and said in a loud voice, "I yuan Jingfu, I'm willing to take on a war! Three moves are enough to kill you

The next second, a great master's power condenses and becomes. The strong breath makes everyone's face pale!

Ye Chen on the stage instantly felt a powerful force rushing across the stage, just like a storm. He even had a trace of death on Wudao stage.

Although he is only on the eighth floor of Kaiyuan, the other side is a strong aerodynamic one!

But ye Chen is to feel the strength of the so-called top strong!

He wants to see what kind of strength the top 400 masters of China are!

"Little bastard, the first move, watch! I will make you feel despair

Yuan Jingfu moved! In place into a shadow, like a tiger general toward Ye Chen!

He changed his fist into claw, opened and closed, and a strong air current condensed in his fingers, as if tearing the air! There are bursts of air explosions!

Vaguely, some people even saw Mars under the stage!

Ye Chen Mou son a congealing, he can clearly feel the pressure of Yuan Jingfu also from the sky!

If caught by the other party's claw, the whole body will be torn hard!

No longer hesitating, ye Chen runs the real Qi of the elixir field, and says coldly: "blood inflammation palm!"

His whole body condenses a bloody evil spirit! The blood evil spirit and the true Qi gather on the right palm and burst out suddenly. The two forces are superposed together. The red and white light is flashing, and the palm wind is passing by. They collide with Yuan Jingfu vividly!

"Bang!"

A big bang explodes in wudaotai! The powerful air waves are surging in all directions, and the warriors in the front row quickly retreat!

Those broken chairs are broken on the spot!

So terrible!

Ye Chen only felt Qi and blood surging up on the stage, and all the internal organs were shocked. Subconsciously, he took a step back!

Yuan Jingfu also stepped back, his eyes flashed a touch of disbelief!

Not only did he not kill the boy, but he beat two people equally!

How could it be!

even heard there were many discussions. All of them were talking about it. He was a face old and shouted at the top second. Then

This time, he did not dare to take it lightly and use all his strength directly!

As soon as Yuan Jingfu stepped on his feet, his body leaped up directly and his palms were clapped out. It seemed that there were two virtual shadows towards Ye Chen!

Under the shadow, Yuan Jingfu's momentum has climbed to the extreme!

In the fall of the moment, is to penetrate the virtual palm, mercilessly toward the neck of Ye Chen pat!

It's not two hands, it's four hands!

And the power of each palm is enough to make the boy in front of him into a ball of meat sauce!

On the Wudao stage, bursts of sound!

The wind is constantly rolling up!

At this moment, Yuan Jingfu's power soared to what extent!

Wu Xiangming's face changed greatly in the distance, and exclaimed, "Yuan Jingfu has not fallen out of the 400 masters list at all, and this force will advance by at least 50."

"No, ye Chen is dead!"

Ye Chen naturally felt the crisis, "nine days Xuan Yang Jue" operation, his body faintly spread a dragon roar! Just about to punch out! Suddenly a voice came from his body!

His face changed, but he took back a trace of strength! Turn to a simple punch."Boom..."

In the twinkling of an eye, the two energies collided.

Ye Chen only felt a force coming from the mountains and seas. He was secretly plotted by Jiang Yuanli and seriously injured. This blow directly made his chest stuffy, his throat sweet and his mouth spit out a mouthful of blood!

Of course, ye Chen did not move. His legs were like steel bars inserted in wudaotai. At the last moment, he reached out his hand strangely and caught the blood!

All people did not notice that ye Chen's palm was holding a black stone.

The stone shimmered with light. The next second, the blood in his hands disappeared!

All absorbed by the stone!

Seeing this scene, Yuan Jingfu burst out laughing: "boy, what do you take to fight with me, and actually you have to fight against me. I really don't know how you practiced here!"

"If I were you, I would choose to retreat instead of being crushed by force. Third, you can go to the hell to meet your two parents who died early!"

Hearing this sentence, ye Chen's eyes instantly become incomparable cold!

"Rolling? Next, I'll show you what the real crush is

Yuan Jingchen only wants to feel his strength.

Second punch, he can carry it! As for yuan Jingfu, he is not so embarrassed!

Most importantly, a voice came from his mind, which made him take back a trace of strength!

The sound comes from the hundreds of tombstones!

Not only that, but also the sound let him spit out blood on the stone!

At the moment, ye Chen feels that the whole world seems to be still.

The black stone in his hand is shining!

As soon as the picture turns, wudaotai disappears!

Instead, it's the samsara cemetery!

And in front of him is a black tombstone!

There are hundreds of tombstones. Only the tombstones in front of us have changed. It is "Sha Quan Zong, Luo Yuntian!"

There is a light on the tombstone, the light is constantly rotating, as if it is an ancient text.

All of a sudden, ye Chen found that the tombstone was cracked! Like a spider web!

"Boom!"

The whole samsara cemetery was shaking.

Whoosh

The wind ran through the whole cemetery, making low howls.

It's very harsh.

It was as if there were endless spirits crying.

Ye Chen is wrapped up in the meaning of desolation. Although there is no picture in front of him, he can feel what a terrible battle broke out at that time and here!

The whole cemetery seemed to be shaking at the moment.

Chapter 136

"Huh!"

The tombstone in front of me suddenly split, because a figure climbed out of it!

Ye Chen even has some creepy hair.

Not many times, that figure appeared in front of Ye Chen.

Each other is in a blue robe, with a commanding body, a pair of eyes shooting cold stars, broad chest, the whole people elegant, and like a God, even a kind of invincible power!

Even though ye Chen is crazy, but in front of this person, he feels like a boat, tiny!

Even one idea of the other party can kill him!

"Luoyuntian?" Ye Chen swallowed the saliva and tried to say.

The man's cold eyes shot at Ye Chen, saying to himself: "well? How could the boy master the cemetery in such a state? "

Then, he looked at the tombstone behind him, and saw that they were all dim, and he breathed: "I thought this son could lead to hundreds of strong people. It was only me, right. Am I not as good as these people?"

He clenched his fist, and his face was angry, and suddenly he thought of something, shaking his head: "well, I am not as good as the rest of the fellow."

"What are you talking about?" Ye Chen was surprised.

Luoyuntian looks at Ye Chen and his hands are behind him: "boy, since you have control of the cemetery, my inheritance of luoyuntian will not disappear. But, the spirit of the outside world is too weak, I have been there for a short time. If you can learn more, you can learn as much as possible. "

Later, Luo Yuntian closed his eyes and glanced at the surrounding situation. The corner of his mouth outlined a sneer: "the outside ant even dared to fight the idea of reincarnation tomb owner. Take advantage of your body!"

Next second, everything around disappeared completely, ye Chen found that he returned to wudaotai!

But his body has been manipulated by luoyuntian.

Ye Chen was worried about something, but when a word came into his mind, his eyes were a moment of joy.

He controls the cemetery of reincarnation. As long as he thinks about it, luoyuntian will surely disperse the world!

That is, the other party dare not do anything bad to him!

Ye Chen came a little curious, he wanted to see, the empty shadow after this tombstone how terrible!

On the wudaotai, Yuan Jingfu has a ferocious face!

In his view, ye Chen is the bow of a strong crossbow, and nothing different from waste!

"Boy, you can see the world at last. Don't be so crazy in the next life! This world is not something you can control! "

The words fell down, Yuan Jingfu just wanted to hand, should hold a step up, directly out a document!
Show me the reluctance of yuanjingfu!

"Yuanjingfu, this is the document presented by the Central Committee! Ye Chen has made great contribution to Huaxia. You can't move him! This is the order No. 1, and no one can disobey it! "

Yuan Jingfu eyes a shrink, dead stare at the red seal and signature under the document!

The number one above actually wants to protect the Ye family waste in the river city?

How could it be!

Even if he is afraid of it, yuanjingfu knows that if today wudaotai does not kill Ye Chen, there will be no chance again!

He shot a few strong points in his hand, and the document was smashed on the spot!

"Take a fake document and you want to cheat me. Get out!"

Should prime face change, before time to respond, he was a force to blow down wudaotai.

Who can think of it, Yuan Jingfu even the Central Committee's opinion dare to violate!

Yuan Jingfu does not want to drag again, a direct blow to Ye Chen to go!

The momentum is like rainbow, who will let me go!

"Son, even if the king of heaven comes, you will die!"

At this moment, Yuan Jingfu's fist expanded infinitely, rolling the air and making a wild animal like roar.

Look at it will fall on Ye Chen!

Ye Chen didn't move at all! Even close your eyes, your hands behind you, and you are very indifferent!

Everyone under the stage opened their mouths, even some people covered their eyes, afraid to see a young man in his twenties split up on the spot!

At the same time, there is a man in a cap on the duck tongue who shoots rapidly, it is the leaf Lingtian!

As long as Yuan Jingfu dare to move the hall master, he wants the whole Jiangnan martial arts association to compensate!

Suddenly, the young man on the wudaotai opened his eyes!

What kind of eyes is that!

As if through all, despise everything, overlooking all living beings!

Ye Chen sneered: "area of ants, dare to sell in front of me!"

Next second, he waved his big hand, and the whole wudaotai was condensed into a kill! Clouds rolling over the sky!

Black clouds press the city!

It's like the end!

Yuan Jingfu stopped in a moment, not if he wanted to stop, but he was bound by a terrible power!

No move!

He is not qualified to do it!

"Your hands, I want it!" The cold voice of Ye Chen rang through the whole field! All of a sudden, there were two bursts coming from Wudao, and Yuan Jingfu's hands broke open directly!

Turn into a blood mist!

Yuan Jingfu's strong pain made Yuan Jingfu's agony, even more maddening!

Ye Chen looked at Yuan Jingfu from a commanding position, his eyes were incomparably indifferent, and he suddenly angrily rebuked: "what qualifications do you have to stand here with me and not kneel down?"

Yuan Jingfu's face was pale, and he had not recovered from the pain. It was as if another mountain was pressing down on his back!

"Click!"

His knee directly broke, the whole person knelt in front of Ye Chen!

At the moment, Yuan Jingfu's eyes have no pride in the past, only fear!

Deep fear!

He knows that Ye Chen has pills to improve his strength, but how can there be pills in the world that can be promoted to this level!

The youth in front of him felt like an abyss!

It's too deep to see the bottom!

He even felt that the great men he had been looking up to died in front of the young people in front of him!

How the other side suddenly strong to this point!

Fantastic!

He didn't care about everything. He kowtowed to Ye Chen and said, "Ye Master ye, I'm wrong. Please take my life around me. I'll be a slave! "

Such a scene, let everyone shock!

One after another, the situation is becoming more and more tense.

Yuan Jingfu knelt down to beg for mercy!

The top 400 masters, even stronger, begged for mercy in front of a young man! Be a servant!

The air was filled with a suffocating breath of repression, and everyone's eyes could not help but fall on the young man on the wudaotai.

Ye Chen glanced at Yuan Jingfu indifferently and said, "my servant? Do you deserve ants like you? Die

The voice falls, ye Chen right foot fiercely toward the ground to stamp!

"Boom!"

The sound of the earth shaking resounded through the sky, as if the intense thunder, an invisible air wave spread from the foot!

The whole wudaotai takes Ye Chen's right foot as the center, spreading in all directions like a spider's web!

When it spread to Yuan Jingfu, a strong force rose from the sky!

All of a sudden, Yuan Jingfu's body burst into pieces!

Blood rain all over the sky!

Chapter 137

Yuan Jingfu is dead!

And in such a tragic form!

Not even a whole body.

No one thought things would go this way.

Yuan Jingfu is the most powerful one here!

Top 400 masters of China!

Vice president of Jiangnan Wudao association!

However, such a high-ranking existence was crushed and killed by a young man.

The scene is incomparably quiet. Everyone looks at Ye Chen, and his eyes become extremely frightened. He can't help but take a breath of cold air.

I don't know how long after, the whole wudaotai seems to have a vibration, all of a sudden collapse!

Only the foot of Ye Chen is still as stable as Mount Tai.

"Goo Doo!" The people under the stage swallowed hard and looked at each other.

"Master yuan died?"

"It seems to be..."

"In just ten minutes, three masters of Jiangnan province have fallen This time, not only will the weather change in Jiangcheng, but also in Jiangnan province. "

Jin Lengyan's father stood up directly from his seat and exclaimed, "this son is against the heaven! He How on earth did he do it! "

"Dad I don't know. " Jin Lengyan is a little confused.

Zhou Zhengde's muddy eyes flashed a glimmer of light. He fiercely shook his fist and yelled: "good, good!"

Zhou Fulu's face was full of incredible pictures: "Dad, wudaotai was destroyed by him. Does Huaxia really have such a master? Why do I feel that person is not ye Chen... "

Zhou Zhengde's eyes slightly narrowed, but also doubted: "I also have this feeling. Since Mr. Ye has such strength, he is enough to kill all people at the beginning. Why do you have to be injured before you start? Is it hard to say something

Nanjiang king has been standing in the position not far from ye Chen. His eyes are staring at Ye Chen. His fist is clenched and his body is boiling with blood!

Although I don't know how the temple master did it, this war alone can be recorded in the history of Chinese martial arts!

This is a move to kill the top 400 masters of China!

He can't do it!

"If we want to speed up the progress of the whole Jiangnan, it's not for me to speed up the journey to the south of the Yangtze River."

If you want to say on the court, the most shocking should be Wu Xiangming and another referee Wang Zhixin.

Both of them are in the top 500 of the Chinese masters list. They have the most say in the power that ye Chen just broke out!

But they can't see through it!

Even ye Chen can't see how to make a move!

Wu Xiangming felt hot at the moment. He thought that ye Chen's refusal of his invitation was arrogant and arrogant!

But now looking back, it is entirely because the Wu family is not qualified at all!

Ye Chen has such strength, one hand may destroy Wu family's Millennium foundation!

"Master Wu, on the Wudao stage Is that man really an ancient warrior How can I feel something wrong!
" Wang Zhixin trembled in his voice.

Wu Xiangming stares at Ye Chen for a long time, then says: "according to my observation, he is not an ancient warrior, he should be a practitioner."

"What!" Wang Zhixin subconsciously stepped back, "there are really practitioners who destroy heaven and earth Master Huajing is just the beginning The legend is true! "

Wu Xiangming nodded, then his face became serious: "I'm afraid that ye Chen's edge is too exposed. In front of so many people killing three masters with such strength, if spread out, he will become the public enemy of the martial arts association of Jiangnan province and even the martial arts circle of China.

Those who are too evil will certainly be killed by some forces, and will be killed by any means. "

"What's more, according to the rules, there should be a strong man of the martial arts association of Jiangnan Province in the dark place If this man leaves, the whole Chinese forces may have to encircle Ye Chen! "

Wang Zhixin's face changed and he just wanted to say something. Thousands of miles away, an angry voice rang through the sky!

"Ye Chen, how dare you kill the vice president of Wudao Association of Jiangnan province! Today's affairs, China will know! You wait to die

Everyone looked at the source of the sound, and saw a dark shadow leaving rapidly. If it was not for the ancient warrior who could gaze thousands of miles, he would not have found it!

"No, the man ran away!" Wang Zhixin and Wu Xiangming lost their voice.

As soon as the man left, the news that ye Chen was a practitioner must be spread all over China!

But such a distance, there is no time to chase!

Everyone looks at Ye Chen in the center of wudaotai. The other party has no intention to move! Still hands in the back, look indifferent!

Should Qing think of what, even busy way: "Mr. Ye, I help you to intercept this person!"

He just wanted to chase, a faint voice sounded: "no need."

You should hold your step and stop: "but --"

"the person I want to kill, even if the other party is thousands of miles away, you can't miss it!"

Ye Chen's eyes flash a ray of ice that makes people hard to detect. The next second, ye Chen's right hand is spread out, and the elixir field is surging, and a golden Qi condenses from the palm of his hand!

Not only that, but his whole body also carries the extremely terrible evil spirit!

Wind fury volume, only a trace of aura within ten miles is used by Ye Chen!

His palm has gradually formed a shadow of Kendo!

The shadow of Jiandao is golden and red, and the evil spirit is soaring to the sky!

Under the Wudao stage, everyone was scared to see this scene. They could not understand it with their cognition.

Is this a special effect?

Is this a movie?

Who can tell them what ye Chen's hands are!

It's a fuckin 'reality, okay!

This is the 21st century!

Ye chensi paid no attention to the people around her. She glanced at the figure that was almost disappearing, and sneered: "although I am the master of the shaquan sect, I also have the skill of killing thousands of miles! Kill thousands of miles! Go

"Whoosh!"

Kendo virtual shadow rushed out, cut through the air, produced bursts of Mars!

Under one sword, it can conquer all living beings.

Before the blade arrives, the sword Qi comes first. It cuts through the sky and tears the space!

In a twinkling of an eye, he even appeared behind the master who ran away.

The man just felt cold behind his back and turned his head fiercely. Before he could react, the sword spirit penetrated his body.

"Bang!"

The sound roars, like nine days Xuan thunder!

The man turned into a blood mist on the spot!

Not even a chance to scream.

There are a few masters strong natural saw this scene, pale to the extreme!

What is Ye Chen's method!

They even wonder if ye Chen will kill people in order to close the news!

Sure enough, ye Chen stood on the ruins, glanced at the whole audience, as if to say to himself: "boy, give you a piece of advice, arrogance should be built on the basis of strength, I have about three hours to exist. Before disappearing, I will do you a favor and erase some people's memories.

But some people will guess what happened today. I hope that before those people react, you are strong enough to crush people, or you are qualified to see the strong one of the second tombstone! "

Language down, control Ye Chen body of Luo Yuntian big hand, a light light covering the whole field!

Directly erase most people's memory.

Of course, this part of the memory is only about the picture of his hand.

After all, it is too shocking and vulgar, but it will harm Ye Chen.

Chapter 138

However, the strong in Ye Chen's body did not erase their memory.

One is ye Lingtian, the king of Nanjiang.

The other is Wu Xiangming.

Ye Lingtian is Ye Chen's request to retain his memory. After all, it is his people.

As for wuxiangming, it was put forward by the strong in Ye Chen's body.

"Why don't you erase Wu Xiang Ming's memory?" Ye Chen has a wonderful way.

Luo Yuntian said with a smile: "you will know later."

Outside wudaotai, the light gradually dissipated, and everyone's eyes were almost dull, and their bodies seemed to be fixed.

Ye Lingtian naturally noticed something wrong, looked around, and found that all people's expressions were almost the same.

"This is the master's method..."

Ye Lingtian looks at Ye Chen and finds that the latter steps out and comes down directly. Then he walks towards Wu Xiangming step by step.

Wu Xiangming wanted to talk to Wang Zhixin, but he found that Wang Zhixin's eyes were empty.

"Master Wang?"

No one responded to him.

"Master Wang, wake up?" Wu Xiangming continued.

At this time, ye Chen has come to his body, light eyes swept a black Xiang Ming, way: "you call not wake him."

"All the people in the room are closed by me. After a minute, when they recover, everything just happened will disappear. In other words, part of the memory of these people will be erased."

Wu Xiang Ming was stunned and subconsciously stepped back.

How could it be!

There are ways to erase memory in the world!

If you erase a person, you can understand.

Ye Chen has erased all people's memory!

This means can't be explained by ancient warriors and practitioners!

It's ancient power!

Only the legendary characters can do it.

Suddenly, he thought of something and said in a trembling voice, "well Why don't you erase my memory. "

"Because you are more valuable than all the people present!"

Ye Chen's voice seems to come from the vast sky.

Wu Xiangming was stunned and understood in an instant. A trace of relief appeared on his old face: "what do you want me to do?"

In the face of such a powerful man, he has no qualification to resist!

The other party can even kill people thousands of miles away, not to mention him.

"For my servant, even more faithful than the family behind you." Ye Chen light way, "of course, you have another choice, I also erase your memory."

Wu Xiangming heard the erasure of memory, and a trace of coldness seeped from behind.

Even if he had practiced for another hundred years, he would not have seen such a picture today.

For a warrior, seeing the strong hand can make him stronger. He doesn't want to lose this opportunity.

more importantly, ye Chen is the strongest person he has ever seen in his life. It's not a bad thing to become Ye Chen's servant!

It's a great opportunity!

Thinking about everything, Wu Xiang Ming Mou Zi showed a trace of firmness and knelt down directly in front of Ye Chen: "I Wuxiang Ming would like to be master Ye's servant!"

Ye Chen nodded and pinched with his fingers. He condensed a stream of essence and blood, which was directly injected into Wu Xiangming's eyebrows.

"I have put the essence into your knowledge sea, once betrayed, the jade and stone will be burned!"

Wu Xiangming's body was trembling. He didn't think that the other side had such means. He even said, "I dare not!"

Ye Chen ignored Wu Xiangming and went straight to the stage.

Kunsha Zong Luo Yuntian has left his body, and left a sentence: "I still have some time, you quickly find a quiet place, let me complete the final mission."

It's a minute.

Everyone wakes up and looks dazed.

"What's the matter? Why do you feel dizzy? "

"Me too. By the way, what about ye Chen?"

"How did ye Chen kill old yuan just now? Why, I have no impression?"

"I also forget, it seems that yuan laoyungong is over explosive."

"Really, I vaguely remember that he blew himself up."

"No, it was Ye Chen who made old yuan explode through secret method..."

"In any case, the three top masters died because of Ye Chen! The Ye family in Jiangcheng is doomed to rise! "

"Not only that, it is estimated that no one in Jiangcheng dares to move Tianzheng Group! In the future, don't call ye Chen, but master ye... "

"Yes, yes, where has master Ye gone? He killed three masters, but he didn't say anything about it? "

Everyone found Ye Chen missing.

Not far away, Wang Zhixin also sobered up, frowned and murmured: "how can I feel that my memory has a breakpoint? No matter how I think about it, I can't think of it..."

Wu Xiangming looked at the reaction of all the people around him, and his eyes became more and more serious. He looked at the direction of Ye Chen's departure, and did not know what to think about. "It is estimated that the appearance of this guy will make the Jiangnan province and China suffer a lot, and the situation that has lasted for a hundred years should also change..."

.....

Tangchen Yipin, the top floor.

Ye Chen came to his chamber of secrets, he just wanted to say something, a virtual shadow appeared in front of him.

It's Luo Yuntian, the leader of shaquan sect!

Reincarnation cemetery, the first stone tablet's power!

Luo Yuntian's hands are negative behind him, and the strong breath spreads out. Such a substantial breath can't help but make ye Chen feel ethereal.

"I know you have a lot of doubts in your heart. I don't want to spend too much time answering you. You can only ask three questions." Luo Yuntian light way.

Ye Chen thought about it and said, "first question, how can you be trapped in a stone, and why do you want to help me?"

Luo Yuntian looked at Ye Chen with a little deep meaning and said: "you are two problems. First, we are not trapped in the stone, but trapped in the samsara cemetery. The stone in your hand just just carries the reincarnation cemetery.

You are the only one who wants to be the ruler of your tomb. If you don't, you will be the master of the tomb! You have one last question. "

At this moment, ye Chen has to think deeply.

Although he wants to know the back of this samsara cemetery, what can he do even if he knows it?

This is obviously the magic weapon of ancient times.

Ye Chen pondered for a few seconds before deciding on the third question: "how to move the remaining 99 tombstones?"

Luo Yuntian explained: "there are only two ways. First, as long as you have enough strength to make them feel that you are qualified, they can arouse them naturally. Second, let them accept something you do.

I can tell you a little more. You may think that I am very strong, but I am the weakest among the 100 people. "

Ye Chen a Zheng, the heart set off the waves!

Is such a terrible Luo Yuntian the weakest? Can all the remaining ancient powers tear up the void and destroy the stars?

Ye Chen suddenly thinks of Kunlun Xu.

It is located in the depth of Kunlun Mountain in China.

I've only been there for five years, and I've got to where I am now.

What if the Kunlun void is deeper? How terrible is it?

Chapter 139

Not to mention Kunlun Xu, only wudaotai.

Without the help of Luo Yuntian, Yuan Jingfu should not be able to move him without being injured, but he could not kill the other party.

Yuan Jingfu is in the top 400 masters list, that is to say, there are at least 400 masters better than him in China.

No one knows how strong the real strong are.

As Ye Chen pondered, Luo Yuntian's voice rang out: "I have two hours left. In these two hours, I will try my best to teach you what I have learned. How much you can understand depends on your chance. You close your eyes, move the whole sky, and lift the true Qi of the elixir field to the peak state... "

"Good."

Ye Chen sat cross legged, suddenly thought of something, took out the last time specially left two high-quality pills, after taking them, quickly run "nine days xuanyang Jue", only to see a golden breath overflow from the body.

Luo Yuntian was slightly stunned and said in surprise: "your skill level is very good, and it is extremely suitable for you. If there is no reincarnation cemetery, as long as you don't die young, your future achievements will be limitless."

With that, he pinched his fingers and gathered a strong momentum on one finger.

Then a point in Ye Chen's eyebrow heart!

In a flash, the whole room fell into darkness, darkness, turned into a star.

The light of countless stars poured into Ye Chen's elixir field.

"Ye Chen?"

Luo Yun's voice is a little hoarse.

Ye Chen opens his eyes and looks at Luo Yuntian in front of him in surprise. He even finds that the shadow of Luo Yuntian's original essence is gradually weak.

More and more dim!

Not only that, he felt a powerful message coming into his mind!

All kinds of martial arts and mental skills! Even countless vice combat scenes! It's just that these memories are intermittent.

He obviously couldn't absorb it completely.

"As the reincarnation tomb owner, you have 100 powerful guides. Now, would you like to call me a master? I really don't want my martial arts to disappear in the world. "

Ye Chen was moved: "master."

Luo Yuntian said three good things: "good, good! Luo Yuntian is worthy of my life! I hope you and I have a chance to meet again! "

The words fall, Luo Yuntian's virtual shadow completely dissipates, is turned into a star and drill into Ye Chen's eyebrows.

Ye Chen is stunned. He doesn't understand what Luo Yuntian's last sentence means.

Have a chance to see you again?

If the tombstone is broken, doesn't it mean that he dissipates the world and enters into reincarnation?

At this time, Ye Chen found a strong breath from the field of elixir!

It's a breakthrough!

He felt that before the disappearance of Daoluo cloud sky, he created a piece of stars, which actually poured into his elixir field crazily, and even integrated into his four limbs and hundreds of skeletons!

This feeling of comfort almost made him groan!

There was even a "crackling" sound coming from his body. He could clearly feel that every muscle in his body was shaking.

Disillusionment, rebirth.

When the energy of Dantian reaches the peak, Ye Chen roars: "break!"

His realm is stable in the Ninth level of Kaiyuan realm! The pinnacle!

But all this is far from over, the effect of taking pills also began to volatilize in the body.

"Boom!"

His body is like a big wave surging, a strong breath, like breaking through all the shackles!

"In this case, I will completely cross a big realm today, the pneumatic environment, the broken!"

A long cry, shaking nine days.

The strong air waves are rolling in the house!

Gradually, Tomson a product all shake up!

Innumerable rich people who live in Tangchen Yipin run downstairs one after another! The sound of the alarm rang through the whole floor!

The whole building is in chaos!

Security is keeping order! The boss behind the scenes of Tomson Yipin held an emergency meeting!

It was supposed to be Jiangcheng earthquake, but there was no sense of earthquake in all areas, only Tangchen Yipin had it!

What the hell!

The big boss behind the scenes is extremely confident in his products, because he mainly works in the top real estate in Jiangcheng, so whether it is materials or labor, it is the best in Jiangcheng!

But now how can the earthquake feel so strong, just like Tangchen Yipin is a bean curd residue project in general!

Downstairs has been surrounded by reporters! Just when everyone was ready to report Tomson Yipin, the shock suddenly disappeared.

Now, there's a room on the top floor.

Ye Chen opened his eyes, his body is filled with a trace of ethereal gas, just like a fairy.

Quiet down, feeling the surging energy in his body at this time, ye Chen clenched his fist: "Qi dynamic state! It's really aerodynamic! If yuan Jingfu stands in front of me again, I am confident that I can easily kill him! "

He thought that China's aura was thin and the speed of breakthrough would be very slow, but he didn't expect that he had crossed so many realms in just a few days!It's unbelievable!

Ye Chen suddenly thought of what, the first time out of the black stone, slightly feel.

In the samsara cemetery, although a tombstone is broken! But there is a tombstone with a trace of light!

Although very weak, but enough to show that his strength is stronger on some, can be triggered again!

He couldn't read the words on the tombstone, but he was shocked by the simplicity and desolation.

Just then, the cell phone in the pocket rang.

Sun Yi takes out her mobile phone and takes it back.

"Ye Chen, where are you now?" There was a rush on the other end of the phone.

"At home."

"Which family? Tell me quickly, you want to die of my mother!"

Ye Chen some strange, but still way: "Tang Chen a product."

"Why are you still in Tangchen Yipin? Did you not feel the local earthquake just now?"

"Earthquake? No, I've been in the house all the time

At the other end of the phone, sun Yichang sighed, and suddenly thought of something: "since you have nothing to do, why don't you come to Xia Ruoxue here? Today is her birthday! If all the people are here, I'm afraid we'll miss you! She has been waiting for you at the door

As soon as ye Chen slapped his forehead, Wu Daotai's incident made him forget about it. He no longer hesitated. He hung up the phone, changed into a custom suit, took the tears of the stars and went downstairs directly.

.....

At the same time.

Jiangcheng is an underground base.

After listening to Ying Qing's report, Lei Shuwei was lost in thought.

"You said Ye Chen killed three masters? Even yuan Jingfu has not let go? How can it be! "

Should hold a nod, but still explained: "Chen Baoguo and Jiang Yuanli's death, is completely crushed, ye Chen's strength is too strong! But yuan Jingfu's death is a little strange. My only impression is that Yuan Jingfu's body burst apart, but I don't know why. "

"Only impression?" Lei Shuwei was playing with a bullet in his hand. "What do you mean by this word?"

Ying Qing touched his own inch: "I can't say clearly, I feel that there is a memory I can't think of no matter how."

"Erase the memory!" Lei Shuwei patted the table and suddenly said.

Should hold a Zheng, think carefully, really have this kind of feeling.

Chapter 140

"Are there any powers present?"

Psychic powers do erase other people's memories.

Lei Shuwei fiercely stood up and directly came to Ying Qing's face. His fingers directly grasped the button in front of Ying Qing's chest!

Take it off!

"Chief, did I do something wrong..."

Lei Shuwei ignored Ying Qing, but asked, "is this suit you are wearing today that I asked for yesterday?"

"Yes, chief!" he nodded

"Good!"

Lei Shuwei breaks the button directly, and a tiny chip is exposed.

Then he carefully placed the chip in a device. Then plug it into the computer!

Should hold a Zheng, completely did not expect, this button is actually on the precision camera equipment!

Not only should Qing didn't think of it, but also the strong Luo Yuntian!

"This is my backhand. In terms of national security, soldiers should not have any privacy. I hope you understand."

Lei Shuwei said, while clicking on the video in the computer, the scenes on the Wudao stage completely show!

They had no reaction, but when ye Chen killed yuan Jingfu with one foot and destroyed the whole wudaotai, they were completely stunned!

"Hiss!" They took a breath, and their bodies were shaking.

Is this still human?

It is estimated that only the existence of the top 50 of the Chinese Zong list can do it!

But ye Chen is only in his twenties!

Those in the top 50 have been famous for many years!

They thought it would be over if ye Chen killed yuan Jingfu, but when they saw Ye Chen condensing the shadow of Jiandao and killing thousands of miles away, their breath stopped completely!

Two people stare big eyes, just like sculpture!

What's more, Lei Shuwei, who has supreme military power and controls a mysterious force in China, is drenched!

Because even if he used all the cards, he couldn't stop Ye Chen's sword!

This can not be described with evil spirits, ye Chen's move is simply against the sky!

Lei Shuwei quickly unplugged the device, but also emptied all the data on the computer, and then slapped it on the computer.

Computerization into powder.

Lei Shuwei looked at Ying Qing and said solemnly, "Ying Qing, you have been with me for so many years. You should know the seriousness of this matter. This matter can't be disclosed to anyone. Remember, it's anything! The offender is treason

"Yes, chief!" Yingqing's voice is still shaking.

"What's more, Wudao station should be equipped with interference devices, which can't be recorded, but it doesn't mean that others don't have our devices. You can put down all your tasks and investigate all the people in Wudao station! Once you find that there are similar documents in the other party's hands, directly erase them! "

After ordering this matter, Lei Shuwei put the U-disk device in his hand into the encrypted file box, and said: "arrange an SSS military aircraft for me. I will go to Zhongnanhai immediately and report this to No.1!"

.....

Pearl River Villa area.

A prosperous scene, especially festive.

Dozens of famous cars were parked outside the villa. The worst car is worth five million.

Today, not only the top figures of Jiangcheng are gathered here, but also the top powers and talents of Jiangnan province.

Just because today is the birthday of Xia family in Jiangnan province!

At the moment, in a very large room on the fourth floor of the villa.

A beautiful figure stands in front of the French window.

The girl's big waves of flaxen color rolled down, the facial features were perfect to the extreme, the expression on her face was as cold as ice, and her nimble eyes twinkled with the light of rejecting people thousands of miles away, and there was a deep sense of sadness.

A custom-made Strapless evening dress shows round and greasy pearl shoulders. The figure is exquisite and convex, and the proud outline is indistinct. Two slender white lotus like arms naturally hang on the waist as thin as a water snake.

It's summer snow.

At this time, a pair of slender hands around the waist like snow in summer.

"Ruoxue, it's your birthday today. What's your sad face? Ye Chen is really. What time is it! You must punish him heavily later

Xia Ruoxue turns around, her sadness flashes away, and she shows a smile. Then she grabs Sun Yi's extremely turbulent softness with both hands.

"Girl, I haven't touched it for a few days. How can I feel bigger again?"

Sun Yibai glanced at Xia Ruoxue and pretended to be a stranger: "if snow, don't you have it yourself? Why do you always touch me? You touch me more and more."

Summer is like snow and her dimple is like a flower: "who makes my Sun Yi feel comfortable? In other words, who married you will sooner or later

The second daughter quickly quarreled in bed.

Not long, the door was pushed open, summer mother came in, is a light cough.

"If snow, there are some important guests coming down here. You can say hello to me. Besides, your birthday dinner will start soon." Xia Ruoxue nodded, then took Sun Yi's hand and said, "let's go down together. You'll have something to eat next to you. I'll come right here."

"Good."

Xia Ruoxue, as the protagonist of the birthday party, once down, she nodded slightly to express her thanks.

Xia's mother said in Xia Ruoxue's ear: "this time, because it was held in Jiangcheng, there were several big family members in Jiangnan province who couldn't go away, so they sent some representatives. You don't need to know these people, but there is one person you have to know, that is your fiance..."

Summer if snow a Zheng, facial expression is pale: "he came?"

Xia's mother shook her head: "listen to me. Although that guy didn't come, the Qin family of Wudao family sent a strong one to support us, which also gave us the face of Xia family. The man named Qin yuanqiang is said to be in the top 500 of the list of Chinese masters. His strength is extremely terrible Although our Xia family is a traditional family in Jiangnan Province, what we lack most is the protection of the strong martial arts and Taoism... "

Not long ago, Xia's mother took Xia Ruoxue to a middle-aged man. When she saw the middle-aged man, she quickly met him, and her face was even more smiling: "Mr. Qin, you came from afar to attend the little girl's birthday party. It really makes the whole room look bright."

Qin yuanqiang heard the words, but his eyes fell on Xia Ruoxue. When he saw Xia Ruoxue's beautiful face, he was slightly surprised and said, "happy birthday, Miss Xia! I came here instead of the young master. I can't come in person because of the breakthrough in the closed door recently. Please forgive me. "

Xia's mother snatched the words and said with a smile: "Qin Shao is a martial arts genius. Of course, it's important to cultivate. If Qin Shao can let you come here, it's obviously very important for ruoshue."

Qin yuan nodded, thinking of what, and then said: "Miss Xia, after this birthday party, Qin Shao intends to invite you to Qin's house. It can be regarded as meeting you. Would you like to?"

Although it is a tone of inquiry, but there is a tone of no doubt.

Who dares to refuse the request of Qin family!

The Xia family is not qualified.

Although Xia family is the top family in Jiangnan Province, it is vulnerable to attack in front of Wudao family!

Xia Ruoxue bit his lips, raised his head, and said seriously: "Qin Shao's heart is like snow, but recently I have something else to do. Wait for next time."

Directly refused!

[there will be ~]
