

## Physician 1891

### Chapter 1891

With these words, xingzitang exudes a strong wave of destruction, and Lin Juelong's face changes slightly. Although xingzitang is in a mess now, its inside information is far beyond the realm. At this time, the energy emitted by self explosion is almost equal to that of a martial arts star!

Just now, Lin Juelong was injured by a blow from Xingzi hall.

Now, if you bear his self explosion again, even if he has the power of swallowing, I am afraid he will be injured!

Just as Lin Juelong is ready to use his body method to dodge, behind his back, a voice of tender drink rings.

"Light splitting blade!"

A sharp light that could not be avoided locked in Lin Jue Long's position. Lin Jue long was furious and said, "get out of here!"

With one paw, the blade will be directly torn into pieces. Meanwhile, the shadow and power of the hand and claw will not be reduced. At the same time, it will fly to Yin Ming at a very fast speed.

Roar, that terrible claw shadow, hit the target hard!

Lin Jue Longxue eyes flash with pleasure, bitch, this is what hinders me!

But at this time, a light voice, from the forest Jue dragon claw strike set off in the smoke ring.

"Brother Xing, don't blow yourself up."

The pleasure in Lin Jue's longan dissipated in an instant. Even his face was a little stiff, and his heart felt a sense of impetuosity and impatience again.

Ye Chen?

Shouldn't he have fallen into despair and given up resistance?

Ye Chen slowly walked out of the smoke and dust, looking at the burning blood eyes of Lin Jue long, calmly said with a smile: "this man, from me, should be killed by me!"

As soon as the voice falls, ye Chen is surrounded by thunder. In a flash, he has come to the side of Lin Jue dragon!

"The spirit of Geng Jin, the strength of six ways, the immortal sword idea, open, Lingsha attack together!  
Broken

Ye Chen murmured, his whole body strength broke out completely, and he cut out the strongest sword!

Lin Juelong's pupils shrank and sneered: "ha ha ha ha, what a fool to the extreme. Do you think you can kill me with such a move? It's so funny

After saying that, Lin Juelong was not afraid at all. He reappeared the black air in his hand and met Ye Chen in front of him. This is a sword that can cut through the sky!

Boom!

The two people's bodies were engulfed by the explosion of strong light, and those who were still conscious were watching the halo nervously.

The next moment, the halo convergence, but before the scene, but let them, again feel despair!

At this time, ye Chen's mouth gushed blood crazily. The right hand holding the sword was full of blood. Half of the chest cavity was full of cracks.

Even his hand, the bloody magic sword, was dim under the attack of Lin Jue long!

Ye Chen seems to be more miserable than xingzitang!

But Lin Juelong, although also by Ye Chen cut off half of the palm, but, looks, is much better than ye Chen.

The ecstasy in Lin Jue's blood eyes is almost to be turned into substance. Finally, he will succeed in revenge.

Finally, to humiliate their own peerless evil spirit, destroyed in the hands!

However, Lin Juelong gazed at Ye Chen, as if to see through his soul.

Why?

Why does Ye Chen not have the slightest fear color?

His face, still hung with a faint smile, can not find even a little bit of fear and despair.

Lin Juelong knew that although Xing Zi Tang wanted to blow himself up at last, he was really desperate and scared before that.

However, ye Chen's indifferent look did not have any fluctuation at all.

Ye Chen suddenly opened his mouth and said, "are you thinking, why, I'm not desperate at all?"

Lin Juelong sneered, "what if you don't despair? Waste is waste in the end, no matter how brave it is. Besides, do you think you are not afraid of death?"

Dead, it's over?

I tell you, after you die, it's only just the beginning! "

After that, he doesn't want to talk to Ye Chen any more. On the left half of his hand, there is a strong black light, and the power of the boundary is rippling wildly. Lin Juelong is going to kill Ye Chen with the strongest blow!

Ye Chen's eyes coagulate, what he is waiting for is this moment!

The opponent's all-out shot, the weakest moment of physical defense!

Ye Chen another hand, suddenly move!

Then, under the incredible eyes of all!

Ye Chen's whole body gushes out a strange light!

Under the light, a head seems to come from the ancient beast virtual shadow roaring!

A sword fell!

Ye Chen's palm unexpectedly appeared a sword mark!

A steady stream of blood gushed out!

At this moment, people are confused!

Is Ye Chen crazy? Self mutilation? Finally, in this desperate situation, did you collapse?

Xingzitang grinned bitterly, and his eyes darkened completely. He was ready to explode again.

It's better to explode than to be devoured by that monster! With a roar, Lin Juelong's strike, which is enough to stir up the whole heaven and earth, strikes Ye Chen firmly!

Ye Chen's clothes seem to be swallowed by thousands of swords!

In a mess!

Lin Juelong's pale face, floating incomparably ferocious smile, finally! This indifferent disgusting face, burst!

Finally, he finished his revenge on Ye Chen!

But at the same time Lin Juelong fell into ecstasy, he gave a whoop!

The blood in Ye Chen's hand actually coagulates a blood sword!

Blood Sword is surging with the rage of reincarnation!

Inserted into the heart of Lin Juelong!

The next moment, ye Chen's body, flies upside down!

Heavy hit on the ground, hit a huge hole!

Lin Juelong was slightly stunned and looked at the bloody sword on his chest.

However, he did not pay much attention to the mortal injuries of ordinary people, but only skin injuries to him.

When Yin Ming saw this scene not far away, she was momentarily dull. A kind of unspeakable pain tore her heart. Tears poured out of her eyes uncontrollably. She murmured: "Ye Chen Ye Chen..."

Every time ye Chen's name was read, the pain in her heart was aggravated by one point.

She slowly raised the dagger in her hand and looked at Lin Juelong with a smile on her face. She knew that she was not Lin Juelong's opponent at all, but now she did not care whether she was alive or dead.

In her mind, there is only one idea left, revenge for ye Chen!

Lin Juelong scoffs at Ye Chen, who seems to have a trace of breath at the bottom of the cave:

"idiot! Say you are stupid, you are really stupid! Do you think I will die if I am stabbed in the heart like you, a waste of Jiangcheng? Ha ha ha ha, ridiculous, ridiculous. This kind of injury is fatal to you, but to me, it's just bitten by mosquitoes

"Ha ha ha, you look like a disgusting insect! I can't eat it. "

At this time, Lin Juelong was completely immersed in the joy of victory. He moved and came to the bottom of the pit. Before ye Chen died, he was about to swallow up his body and spirit. When ye Chen's body suddenly changed.

His remnant body, also began to fragment inch by inch.

Chapter 1892

Lin Juelong's pupils shrank, showing a trace of anger, and said to himself: "dead? Waste, who allowed you to die

However, even if it is death, your spirit will never be free!

Just as Lin Juelong was ready to absorb Ye Chen's spirit, and Yin Ming was about to launch an attack, a voice reverberated in the cave.

"Dead? It's up to you? You can't kill me. "

Yin Ming was stunned, Xing Zi Tang was stunned, and even Lin Juelong was stunned.

Ye Chen is not dead?

With a click, the land behind Lin Juelong suddenly cracked, and a figure appeared. It was Ye Chen!

At this time, his face is still indifferent, the whole person, seems to be intact, the whole body, actually not a bit of injury! However, his face was extremely pale!

Obviously, the spirit and internal injuries are serious!

Lin Juelong is completely angry, why!? Why, he always can't kill this ye Chen!

Why, as long as facing Ye Chen, things always can't develop as he expected!

"Ah, ah! Die for me! You're going to die for me Lin Jue long roared, the broken hands, rolling black gas condensation, again to Ye Chen!

Yin Ming and Xing Zitang's heart, again mentioned, they know, ye Chen, can not resist this move.

However, the next moment, Lin Juelong's hand was caught.

Silence, the stillness of death, even the sound of breathing has disappeared!

Xing Zi Tang, Yin Ming, including Lin Juelong himself, all looked at him dully and grasped the broken hand.

Ye Chen's hand.

It's a thrill. It's deep in the bone marrow.

Lin Juelong's strike that is enough to break through everything, unexpectedly, is so easily blocked by Ye Chen?

Is this a reality or a dream.

Is Ye Chen a man or a God?

It is estimated that there are only real peerless monsters who can stop Lin Jue Long's attack so lightly.

Half step combination?

Even if the combination of Tao and the peak of nature are not necessarily able to grasp it!

But ye Chen did it.

It's so easy!

It's incredible! It's beyond the limit of imagination!

However, this scene, I don't know why, seems quite strange. It seems that something has changed.

"No, no!" With a flash of his eyes, Xing Zi Tang seems to have found something different.

"It's not that ye Chen is getting stronger."

He gazed at the hand Lin Juelong was holding tightly by Ye Chen.

Although Lin Juelong's hand is still ferocious, it seems that there is no change, but Xing Zitang keenly feels that the strength of this hand has been greatly weakened!

Lin Juelong obviously found this too. His angry face was distorted in an instant.

once again, he felt the feeling of being defeated by Ye Chen on Wudao stage that day!

"No! No Lin Juelong struggled wildly, trying to free his hand from ye Chen's grasp, "let go! Let me go

However, ye Chen's hand, as if cast by iron and steel, motionless!

That power is too strong!

In the eyes of Lin juelang now, it's completely and unshakable!

Where is this one, just seriously injured and dying?

Ye Chen's strength has not weakened much at all!

But Lin Juelong, is the strength plummeting!

The cultivation and strength that depend on swallowing are all buried in an unknown space. Lin Juelong can't make use of it!

"What have you done to me?" Lin Jue long was frightened and angry, and roared at Ye Chen.

"What did you do?" Ye Chen still kept that indifferent look on his face. In Lin Jue Long's eyes, he was like an incomparable irony, "I just separated the power that does not belong to you from your body."

"What?" Lin Juelong's face showed an incredible look. Now, he finally reacts.

Originally, it seems that the strength that he absorbed from those martial artists was completely sealed by the bloody sword that ye Chen just stabbed into his body!

"How could that be possible?"

With the power to devour all things, is it so easy to seal?

But ye Chen did it!

Ye Chen indifferent way: "now, you recognize clearly, what kind of goods are you?"

Lin Juelong's face turned white, and he lost the power he could swallow. Maybe he could crush the ordinary genius who took part in the test, but

Face Ye Chen, then, there is only one result, that is, like a mole ant in general, is trampled by life!

Lin Jue dragon blood eyes, burst out of the color of fear, that is from the depths of the soul, sent out the fear!

"No way! You must be deceiving me. The power I absorbed is so easy to seal! You really know how to play tricks. Is this magic? Or what kind of cover up? When I crack it and get back the power, you will regret what you have done to me" Oh." Is Chen ye the same

As soon as the voice fell, he held the hand of Lin Jue long and suddenly exerted his force. The extremely strong force penetrated through Lin Jue Long's arm and penetrated into his body. The crackling sound was like firecrackers. Bursts of blood mist floated from Lin Jue Long's body!

"Ah, ah, ah, ah The sharp pain that broke out from the four limbs and hundreds of skeletons almost destroyed Lin Juelong's mind. The blood flowed out along his seven orifices. It looked extremely miserable!

What magic is this?

The pain is too real to be true!

Originally invincible, the ultimate strongman of the whole secret realm, mysterious demon, unexpectedly, in Ye Chen's hands, turned into this pair of appearance!

Xing Zitang opened his eyes wide, and his heart was completely shocked. Ye Chen's figure, which was originally in his eyes, was rather thin. In a moment, in his eyes, it seemed incomparably big and tall!

Just like the God of war on the Ninth Heaven!

In this world, it seems that nothing can stop Ye Chen's victory!

"Now, in" Ye Chen looked down at Lin Jue long, who knelt down in front of him, and said faintly, "do you still think that all this is an illusion?"

Lin Juelong was on the ground, rolling wildly, like a wild dog knocked down on the ground, howling and screaming with no dignity.

Pain! It's too painful!

However, the most painful thing is not his body, but his spirit!

Lin Juelong's spirit is rapidly collapsing. He is defeated by Ye Chen once again, loses his dignity in front of Ye Chen, and loses everything in front of him again

He can't bear such a blow!

At this time, even if Xingzitang has always been bold and unconstrained, looking at Ye Chen's cold eyes, is also from the deep heart, surging a chill.

Terrible, terrible!

Ye Chen's opponents, not only physically will be the ultimate devastation, more terrifying is that their Dao Xin, Ye Chen with invincible posture, overbearing crush!

Thoroughly, crush into nothingness!

Chapter 1893

And Ye Chen for the enemy, really, too terrible!

Originally, Xing Zi Tang, who was not afraid of heaven or earth, was extremely proud and highly regarded himself. At this time, a very clear idea came into his mind.

Never, against Ye Chen!

Looking at Lin Juelong struggling on the ground, ye Chen said faintly, "Lin Jue long, this is the gap between you and me. It's just a heresy to absorb other people's power! What about the astral realm? "

"No matter how strong and powerful you are, you will always be defeated by me."

He looked at the struggling Lin Juelong, his eyes getting colder and colder.

"You are not worthy to be my opponent of Ye Chen!"

At the next moment, ye Chen raised his feet, flashing a dazzling golden light on his feet, and trampled on the head of Lin Jue long!

That foot, where is the foot, is simply a towering mountain!

A big mountain, towards the head of Lin Jue long, smashed hard!

Lin Jue longan Mou completely despair, he hastily uses all his strength to sacrifice a jade card!

On the jade plate, there are two words on it: Soul hall!

"Help me! Come on

"I can't die!"

"I'll exchange all my secrets with you!"

"I exchange my soul and body for you

"The soul hall will surely become the first force of Lingwu!"

"Come on

"Come on, I promise! I am willing to sign the contract! "

In an instant, the jade pendant was broken.

The space in front of me is suddenly filled with a strong force!

The whole ground of Shenglong Dabi is shaking up!

Ye Chen frowns!

What power is this?

At this time, the God of the reincarnation cemetery suddenly roared: "boy, go! This is the atmosphere of sealing the door! Seal the door

"In Lin Juelong's jade pendant, there is a spirit contract and a drop of blood essence."

"I guard you with all my strength!"

"Carefree God King, nine dance God King, Death God King, and three golden Buddhas, your remaining energy with me to block this power!"

"Come on

"Otherwise! The boy is going to die

"If the boy dies, there will be no chance for Lingwu mainland!"

"He is our only hope."

Ye Chen retreats quickly!

he has never felt this kind of panic in the spirit God of the imperial beast.

Something really happened!

An extreme crisis engulfed him.

For those who are strong in sealing the door, there are three or four big realms behind them!

You can destroy yourself with one finger!

He has no time to consider why Lin Juelong has such a contract!

He can only run!

Step by step electric promotion to the extreme!

He saw a crack in Lin Jue Long's body.

Endless evil gas gushes out!

Then, the ultimate power formed an old black robe shadow!

Black robe shadow can not see the face, only dark!

He gazed at Lin Jue long and said, "that day when you came to the soul hall, I said that I would exchange all your secrets."

"However, you kept one."

"Don't you think that you can't see through your mind in your own identity?"

"Stupid."

"Although your body is an experimental body, and even has the secret of swallowing, you have weaknesses, great weaknesses."

"Only when I have all the secrets can I get rid of this weakness and let the soul hall dominate the land of Lingwu."

Lin Jue longan eyes are full of panic, he knows that he has no choice!

He knew he would lose everything from now on!

But he can't help it!

He glared at Ye Chen, who quickly retreated from the distance, and roared: "I promise you everything! I want the boy dead"

The shadow of the black robe smiles.

His eyes suddenly shoot at Ye Chen!

The extreme cold.

"Oh? A half step guy? Just think of him as he is in the right way. This kind of mole ant makes you so afraid? "

"Now that we have signed the contract, I will obliterate it for you."

Language down, black robe shadow arm swing, endless black gas formed a magic arrow!

The Magic Arrow breaks through the void, with the power of tearing heaven and earth, appears directly in front of Ye Chen!

Ye Chen is stunned, no longer hesitant, the power of the six ways, immortal spirit body, the spirit of Geng Jin! The power of law!

Everything, everything, all together!

Formed a golden shield!

But the Magic Arrow touched the shield!

The shield broke directly. It's too powerful!

The other side is not only a sealed door realm, but also not a general one!How can he stop it!

"Click!"

Shield shadow tears, Magic Arrow penetrates everything!

It's time to come to Ye Chen!

A virtual shadow appeared in the whole body of Ye Chen!

Happy God King! Kill God King! Nine dance God King! Even three golden Buddhas!

There are also Royal animals, spirit animals!

The power of seven people, all gathered in Ye Chen's body! Unexpectedly, in front of Ye Chen's body formed an incomparable huge shield wall!

"Bang!"

The Magic Arrow was torn on the spot!

The figure of seven people is dim a bit!

They are just gods, their power is incomplete! It's about to turn into a shadow!

Even though ye Chen once remodeled the body for the three golden Buddhas!

But the body of the Golden Buddha can't bear the blow of the strong seal!

Ye Chen has been reluctant to use it!

Now, these seven people even at all costs to protect themselves!

These seven people deserve his life of gratitude!

The confident expression of the shadow of the black robe suddenly solidified.

The sea surged in his heart!

"Why is there so much different breath in this boy? And my blow was torn? "

"How could it be?"

Lin Juelong and others naturally can't see the great power of Ye Chen's reincarnation cemetery! He saw Ye Chen not dead, angry voice way: "this is your strength?"

The shadow of black robe seems to have been humiliated. With a cold hum, a slap will lift Lin Jue long!

"I don't need you to talk about it!"

Then he stares at Ye Chen: "although I don't know what destroyed my power, you still have to die!  
You're too small to hit the door

A magic sword suddenly condenses in the hand of the black robed virtual shadow!

As soon as the magic sword came out, the surrounding forces collapsed!

Every genius here spat out a mouthful of blood!

They can't bear it!

Suddenly! The magic sword broke free from the shadow's hand and flew out!

In a flash, become a thousand feet!

Like the devil from hell, he devoured Ye Chen fiercely!

"Bang!"

The shield wall of the seven great powers was broken by the impact of the magic sword.

And the face of the seven great powers changed!

There might have been a chance in the heyday, but their power would have been gone!

"Disciple, we can't resist it for a long time."

"No matter what the outcome of the blow, you must live."

"We are not strong enough, but we have never regretted taking you as an apprentice."

"Even, our greatest happiness is to meet you!"

"Don't be sad, disciple! What disappears is nothing but divinity

"Our noumenon is not dead! We'll meet again! "

Chapter 1894

"We look forward to meeting you one day!"

"I hope that by the time we meet, you have become the peak of Lingwu land!"

"Also, be careful of the soul hall!"

"This strong seal has a strange smell. The soul hall is definitely a threat in the land of Lingwu."

"Remember, you will always be our hope! Live on

In an instant, the bodies of the three golden Buddhas were broken.

Zhumie Shenjun, Jiuwu Shenjun, and even Xiaoyao Shenjun disappear completely!

Ye Chen's eyes are full of fog!

He stares at the shadow of the black robe!

No matter what identity the other party is!

He Ye Chen and soul hall never die!

At present, only the God of the Royal beast spirit is still struggling to support! His figure is extremely dim!

He looks at the devil's eye and wants to communicate!

Now the only way to save him is the eye of the devil!

However, he found the devil's eye sleeping!

After all, the devil's eye controlled Ye Chen's body not long ago!

The shadow of the black robe in the distance gave a cold smile:

"this mole ant surprised me. There are few star orifices that can support my hands, and a half step and a half of the way actually supports me up to now."

"To tell you the truth, if I don't kill him, I feel threatened."

"He should die."

"Lin Juelong, you should take good care of it."

"Now, he's going to die!"

"The soul destroys all living beings! Broken

"Bang!"

Break the body before the final leaf!

The shadow of the king beast spirit is also shaken off!

Extremely dim!

The magic sword is like a sword that cuts through time and space and stabs Ye Chen's body.

The tip of the sword has been touched.

A trace of blood spilled over.

Ye Chen feels tingling, his eyes are ferocious, he reaches out his hand to block! But it was found to be futile.

It's too strong.

Just when black robed Xuying and Lin Juelong decided that ye Chen was going to die, a lazy voice dropped slowly:

"although I didn't accept this boy, he was not a cat or a dog to move."

In a flash, a tombstone of samsara cemetery vibrated!

It's radiant!

Then, between heaven and earth, filled with a sense of desolation!

Thousands of dust rolling, as if formed a strange circle, all the genius's vision covered!

Between heaven and earth, it seems that only Ye Chen, the shadow of black robe, and even Lin Jue long are left!

The expression of the shadow of the black robe solidified again.

An ominous foreboding swept over the whole body!

Then, he found that the dying boy was standing in front of a very bleak figure!

The figure stood upright with both hands and a weed in his mouth.

There is a sword box behind him!

Ancient and mysterious sword box!

The figure stretched lazily, glanced at the magic sword that was about to pierce Ye Chen's body, and shook his head: "what rubbish?"

This word a, ye Chen almost a mouthful of blood spit out.

The sword meaning and the power of seven gods can't be stopped. How can it become rubbish in this man's mouth?

Ye Chen knows the origin of this man!

It is the reincarnation power that can trigger the tombstone!

New power!

At the most critical moment, I finally made a move.

Hearing this indifferent voice, the shadow of the black robe was completely enraged and the evil spirit broke out! The power of Qianzhang sword will be doubled!

"I don't care who you are! When the boy dies, I'll send you on the road

Hearing this, the swordsman suddenly raised his head, swept his cold eyes and vomited the weed in his mouth.

The weed turned into a broken sword.

The meaning of breaking the sword is like a fierce beast, which severely smashes the sword!

"Out."

The man in the sword box said such a word.

The world is silent.

The magic sword was breaking down rapidly.

It's gone completely.

The shadow of the black robe was stunned, and an extreme threat was enveloped!

He took a deep look at the sword box, grabbed Lin Jue long and ran away to the distance!

The first reaction of the shadow of black robe is to escape!

Just because of the word "man in sword box"?

Ye Chen is not calm at all!

What is the strength of this great power?

Do you have to be afraid of everything?

Sleeping trough!

That's terrible.

Ye Chen knows that he can't let Lin Jue long leave. He hastily urges him to leave the two guys

However, the swordsman was not moved: "I don't want to do more."

"Because every time I do it, I'm a little weak."

"But the breath of the shadow in the black robe displeased me. In that case, I should let him pay some price for coming here." Language down, sword box man eyes a cold, fingers pinch Jue!

The sword box flew out a white light tearing the void!

Suddenly fell behind the shadow of the black robe!

The shadow of the black robe feels the danger and wants to dodge. It's too late! White light penetrates through!

The shadow of the black robe was dim, and the pupil was extremely constricted. Finally, it disappeared into the boundary of the dust.

Seeing this, ye Chen bit his lips.

Although Lin Juelong was abandoned by him and sealed, unable to absorb energy, it was still a threat.

He has to die.

What's more, the shadow of the black robe in the soul hall!

Never die!

Sword box man looked at Ye Chen, stretched a stretch, light way: "do you really think I can kill those two guys?"

"I'm powerful, but now it's just a part of it."

"Besides, my strength is precious and I don't want to abuse it."

"Now that I am awake, I should also do something that the noumenon has not done."

"Well, goodbye."

Words fall, sword box man disappeared.

Obviously back in the samsara tombstone.

A sigh of the God of the tomb.

This is not only the sword box youth, but also the power of God.

It's just a little transparent. It's estimated that it will dissipate in a day.

"I'm fine. You adjust it first." The king beast spirit God is weak.

Ye Chen nodded and suddenly swept to a storage bag, which should have been left by Lin Jue long.

He paid directly and looked at his body.

It's a bit of a mess.

From the hard fight against Lin Jue long, ye Chen is in the game with the God of death. If there is a slight difference, the dead will be him!

Lin Juelong's attack is more powerful than the little master of the blood clan he once fought against the enemy in secret territory.

Even with his physique and the benevolent King's protection, the immortal deity can be withstood.

He was not killed by Lin Jue Long's one blow. Later, he recovered his fighting power by relying on the God's transformation against the heaven.

And the magic skill is not a simple secret.

If he hadn't got quite a lot of experience in the application of the technique, plus that it was beyond imagination, and the extremely strong understanding of the world, he would never have mastered it so quickly!

Rao is such, when ye Chen displays, still have the possibility of failure.

In the end, the magic skill almost completely exhausted his strength. Due to the excessive overdraft, he could not even recover completely by his lower skill of divine transformation.

It is for this reason that the appearance of the shadow of the black robe in the soul hall, ye Chen even has no chance to resist, which almost indicates that he will die.

Fortunately, there is a samsara cemetery.

At this time, the voice of the king beast spirit God, in Ye Chen's mind, said with a smile: "boy, you're doing well. Although there are some risks, compared with your harvest, it's definitely worth it!"

Chapter 1895

"Harvest?" Ye Chen some puzzled way: "what harvest?"

Ye Chen takes out the storage bag of Lin Jue long, and his mind goes to one of them. There are a lot of Purple Jade amulets in it!

Enough, one or two thousand!

This Lin Jue long has devoured so many contestants!

Now, ye Chen got these, almost sure of his own in the Dragon contest!

But it's not a big benefit?

With his strength, even now, he can defeat most of the contestants in the secret place.

What is the harvest of the king beast spirit?

The spirit God shook his head and said in a weak voice: "boy, that guy has swallowed so many warriors. His body and blood have been strengthened to a certain extent. Then, most of his strength is sealed by you. Do you know what this means?"

Ye Chen pondered for a moment. Suddenly, an ugly color appeared on his face, and said reluctantly, "Yu beast spirit God, you won't want me to refine and swallow these sealed things? It's not that easy, is it? "

Let's not say whether it can be done. Isn't he like a monster like Lin Juelong?

If the monster is OK to say, Lin Jue long is mysterious, but it is still human after all.

, moreover, engulfed in the practice of spiritual practitioners, and devoured purely evil spirits that absorbed heaven and Earth Spirit, but totally different, the essence of the practitioner is far more complicated than the monster.

Moreover, the power of grudges with terror is not comparable to that of monsters. Although there are some Warcraft and blood Taoist martial arts, there are also methods similar to Lin Jue Long's mysterious skill, which devour some things to enhance their strength.

However, in that way, the side effects are enormous.

Moreover, it is far less powerful, convenient and effective than Lin Jue Long's means.

Ye Chen doesn't want to destroy his foundation, or be bitten by the force of resentment and become a killer monster.

The spirit God of the Royal beast said with a smile: "boy, ordinary people really can't do it, but you are reincarnated."

"You insert the Blood Sword of Lin Jue Long's body, because it is formed by your blood essence. When you seal it, it has already entered your body through reincarnation medium. Although it is only a part of it, it is also shocking!"

When Ye Chen hears the speech, he also appears hesitant. At this time, Xing Zi Tang and Yin Ming all come to the scene. Ji Xuan and Tianling, as well as Chixia, wake up one after another.

"Ye Chen." Yin Ming called softly. Ye Chen turned her head and saw that she was a pretty girl. At this time, she was looking at herself with red eyes.

Ye Chen looks at Yin Ming with warm eyes. At that time, although he was almost seriously injured by Lin Jue Long, his mind was clearly observing his surroundings.

Naturally, he knew how sad Yin Ming felt after he was killed by Lin Jue Long, as well as the idea of taking revenge for him regardless of his life.

It is false to say that a woman is willing to do this for you and is not moved by it.

At this time, ye Chen's heart, to be spoiled by the xuanyuezhong Taishang elder, also produced a trace of favor.

Of course, it's just friends.

Ye Chen is ready to offer words of comfort, but before he opens his mouth, Yin Ming, like a swiftlet, suddenly pours into Ye Chen's arms and sobs gently.

Ye Chen slightly a Leng, subconsciously want to push open, but still stopped.

His face soon softened down and comforted, "OK, it's OK. It's all over."

Seeing this, Xing Zi Tang showed a smile, touched his bald head, and then walked towards the place where Cabernet Sauvignon was.

And at this time, there are several escape lights, toward this peak, flying.

At this time, except for ye Chen and Yin Ming, Xing Zi Tang and Ji Xuan were all seriously injured and their breath was weak. I'm afraid that their cultivation strength could only play less than 1% of their strength. However, all the elusive lights flying in were not weak. Obviously, they were not ordinary competitors.

However, several people in xingzitang are indifferent. With Ye Chen's strength and his presence, there is no need to worry about other contestants. Moreover, they are born in super first-class forces and naturally have means to protect their lives.

These people are strong, but they are not enough to threaten them.

Several escape light a stop, a few young men's eyes, swept over the hill, when they see the half step road Ye Chen, can't help but be stunned.

Half step combination?

All those who can take part in the contest are the talents of all major forces. No matter how weak they are, there must be a limit, right?

One of the fat men couldn't help but wonder: "I can't be wrong? Is that man's cultivation a half step road? This kind of person will also participate in the dragon race competition

"Didn't you hear that there is a limit to the competition?"

Among them, the dignified man with the highest cultivation level glanced at Ye Chen. He didn't even bother to look at him. Instead, he focused on Xing Zitang, Ji Xuan and others, especially Xing Zi Tang and Ji Xuan! Although Xing Zi Tang and Ji Xuan are seriously injured, they should not be able to give full play to their strength if there is no breath. However, their accomplishments are extremely high!

In this group, there are five people in total. They are the contestants sent by two very friendly forces. Unexpectedly, they are so lucky that they can find each other one after another.

After that, they faintly felt the strange fluctuation coming from the peak, and they arrived here from a long distance.

The majestic man glanced at the top of the mountain. Obviously, before here, there was a very fierce battle. Most of the whole mountain was cut off, and the several extremely strong talents were seriously injured. The rest were only a woman with good accomplishments and a boy with half a step.

The dignified man's eyes gradually brightened, and the remaining two men with fighting power did not pose a threat to them at all. Their chance is coming!

At this time, ye Chen heard the words of the fat man, also slowly turned around, cold eyes, directly locked this person.

The fat man was still laughing, but all of a sudden, he felt a pain in his soul, and his whole body was wrapped up in a chill. He could not help but stop laughing and looked at Ye Chen in some incredible way.

This guy's eyes, why so terrible?

Ye Chen, after the previous battle, has already possessed a kind of terror killing intention that can cut all things. Although there is no real power at present.

However, if he uses this killing intention to cooperate with Qilin Sha, Hu shensha, and divine blood to attack the spirit, his power will definitely increase!

Now, he did nothing, just a cold look at the fat man, can let such a powerful warrior, the heart of cold, its terror, can be imagined!

A thick lipped man beside the fat man saw this and said with a smile, "fat man, what's the matter with you?"

The fat man turned red and shook his head without speaking.

Chapter 1896

At this time, the dignified man frowned and said coldly, "well, business matters."

His idea now is to ask these people to leave the mountain and wait for the treasure to come.

Although, with their strength, if these people are still rational, they will definitely choose to leave.

However, he also knows that the children of the big forces are arrogant and polite. If they are really insulted, I'm afraid that they may start to fight hard.

The fat man wanted to say something else, but when he heard the dignified man say so, he could only shut his mouth.

Majestic man to Ye Chen and other humanitarian: "a few injured are not light, please leave here, find a safe place to heal, in order to avoid the arrival of other warriors, to the detriment of several people."

What he said seemed to be thinking about ye Chen, but his meaning was very obvious, that is, let Ye Chen and others go. This mountain is theirs.

But just then, the stout man couldn't help but say, "brother Linwei, why let them go? Among these people, only the woman can be regarded as a fighting force. The others, though highly cultivated, are seriously injured at this time, and their strength is almost unbeatable! "

The fat man's eyes flashed with greed and continued: "elder martial brother Lin Wei, these are the first-class talents. What will be in their storage bags? Do you want to know?"

When the dignified man heard this, his greed flashed in his eyes. However, he soon regained his composure. If he really wanted to kill people and seize treasure, these people would surely fight to the death and do their best.

At that time, even if they and others could defeat each other, they would have to pay a high price. In this way, it was not conducive to dealing with other competitors who came to this peak. Even, it was not conducive to the next competition, and the risk was too high.

So, he looked at the short fat man coldly and said in a cold voice, "how, Wenhao, are you questioning my decision?" The fat pig's head is so brainless that he has long been unhappy with him.

If it is not for his strength, Linwei is not willing to bring this person into the team.

The short fat man timidly shrunk his head and shook his head: "how dare you? It's just a suggestion. Everything depends on the elder martial brother's decision."

However, in his drooping triangular eyes, there was a faint trace of resentment.

Lin Wei turned to Ye Chen and others again and said politely, "I'm sorry, my younger martial brother has offended several people. We have no intention of that. As long as you leave by yourself."

"Oh?" Xingzitang casually took a healing pill and wiped his head. His face did not fluctuate. Looking at Lin Wei, he said faintly, "do you mean to drive us away?"

Lin Wei frowned slightly. Xing Zitang's attitude seemed to be a little wrong. However, he maintained a polite attitude and said, "yes, please go to other places to heal."

Xing Zitang sat on the ground, looked at Lin Wei and others, grinned and said, "if so, I want to heal here?"

Lin Wei's eyes twinkled and his voice became cold. "Do you think you have a choice?"

However, he still did not turn over his face. He knew that many powerful children, even if they left, would have to find face for themselves and would not be forced back by others so easily. This is their pride.

And if you can let them go and give each other some respect verbally, it doesn't matter to Linwei.

He is different from those proud genius. He values only interests.

"Do you think you are better than us?" Xing said with a smile

Lin Wei's eyes flashed and a voice came in the dark!

Sure enough, this bald man should be a proud man. As long as he expresses his respect for his strength, maybe he will leave!

Lin Wei shook his head and said, "your strength is naturally very strong. Lin is ashamed to be inferior to him. But now you are injured. Your strength is less than one hundred. I'm afraid you are not suitable to fight with others in your present situation."

Xing Zi Tang said with a smile, "OK, you still have some insight, but..."

When Lin Wei heard Xing Zitang's reply, he was very pleased. It seems that he was right. The bald man should have given in. He could not help asking, "but what?"

"But..." Xing Zitang's mouth was still wide open, seemingly smiling, but in his eyes, there was a cold light flashing, "we still can't leave!"

Lin Wei's eyes sank. He didn't understand what xingzitang meant. However, he held his temper and asked, "why?"

"Why?" Xing Zi Tang pointed to the short fat youth named Wen Hao and said coldly, "this fat pig has insulted my friend. Can I go

When Wen Hao heard the speech, the fat on his face trembled, because he felt that the eyes of several of his companions were focused on himself. Moreover, he clearly felt that Lin Wei's eyes had been mixed with anger! Lin Wei stares at Wen Hao fiercely. This fat pig is really not enough to succeed, but more than defeated!

Xingzitang said coldly: "let this fat pig kneel down to apologize to my friend, otherwise, I will never leave."

As soon as this was said, not only Wen Hao, but also several other people's looks changed a little, so that their people knelt down?

This is not only an insult to Wen Hao, it is simply that they look down on their group, can not help but look at Lin Wei.

Lin Wei's eyes twinkled. In his heart, he also wanted to let Wen Hao kneel down to solve the matter.

What does Wen Hao have to do with his dignity?

However, he knew that he could not do this. Even if he could make Wen Hao kneel down, several other people would be disappointed with him. In this way, he could not guarantee his leadership position in the team.

After meditating for a moment, Lin Wei still raised his head and shook his head at Xingzitang. "Your request is too much. I can't promise. Younger martial brother Wen won't kneel down."

The other several people smell speech, is the facial complexion is slow, and Wen Hao is the heart a loose.

"But..." He said, looked at Wen Hao one eye way: "just now Wen younger martial brother, really too rude, apology, or should."

Lin Wei finished, secretly proud. In doing so, he not only maintained the dignity of the team in front of his team members, but also did not completely refuse the request of the super genius. Maybe the bald man would accept it.

As for Wen Hao's dignity? What's his business?

Wen Hao's face changed: "elder martial brother? You let me, give that waste The half step man apologized? This, this..."

It was an insult to him! However, he did not dare to speak out in front of Linwei.

Lin Wei said calmly, "what? Do you want to go against my words? "

Wen Hao's face changed one after another, and finally his eyes were dim. He said in a cowardly way: "no, I apologize."

"Sorry," Lin Wei looked at Wen Hao. "Is that what you said?"

Wen Hao's face was even more ugly, but after struggling for a moment, he still compromised.

He has no more courage than Lin Wei.

Facing Ye Chen, Wen Hao said reluctantly, "I'm sorry, this Taoist friend. I was rude just now."

For a moment, the mountain top was silent. Lin Wei and others wanted to see what reaction Ye Chen and others would have.

They thought that Xing Zi Tang would open his mouth and give a result, whether to accept it or not.

After all, although Xing Zi Tang said Ye Chen was his friend, in the eyes of these people, it was just a way of saying that Xing Zi Tang used for his own face.

Ye Chen, at most, is a vassal. Therefore, Wen Hao's apology is not so much an apology to Ye Chen as an apology to Xing Zitang!

However, Xing Zi Tang never meant to speak.

It was Ye Chen who spoke.

That, they thought, was just a vassal guy, which I have to say, let them, some accidents.

Ye Chen looked at Wen Hao and said faintly, "I accept your apology."

Lin Wei several people smell speech, a sigh of relief, it seems, can avoid a battle.

Only Wen Hao, looking at Ye Chen's triangle eyes, is full of disgust.

However, when Lin Wei and others thought it was over and ye Chen was about to leave, ye Chen's voice sounded again.

"But - it's time for you to leave."

Chapter 1897

"But - it's time for you to leave."

Ye Chen's voice fell flat.

Silence, real silence.

Lin Wei and others are all looking at Ye Chen in disbelief. What did he say just now?

Let them go?

Didn't he understand the situation?

They didn't hurt. The killer has done his best!

However, this mole ant not only does not obediently leave? Instead, ask them to leave?

Brain damage?

This is simply, unimaginable! This is simply, arrogant like human beings!

Wen Hao was more angry and pointed to Ye Chen: "boy, I think you want to die!"

Ye Chen looked at Wen Hao, who was surprised and angry, and said with a smile, "who allows you to point at me with your hand?"

"Alas..." Lin Wei sighed in secret. Now, it seems that things can't be eased. The arrogant young man who has only half a step in the way of cultivation will soon have to pay a price.

And he, in this case, can not stop, Wen Hao to him.

At this time, Wen Hao finally couldn't bear to go on. He drank a loud voice: "waste! Look for death

The whole body breath crazy erupts, must to Ye Chen hand!

Wen Hao's body was full of fat and trembled, and behind him appeared the shadow of a giant beast surrounded by fire. He held a red sledgehammer, and the whole man jumped up.

The powerful force, seems to let this mountain slightly a shock, holding a heavy hammer, toward Ye Chen mercilessly hit!

Lin Wei's eyes flashed. Wen Hao's attack has already exerted all his strength. Even if ye Chen's strength is far beyond the realm, he can't resist it!

At the same time, he was also secretly on guard against xingzitang, ready to attack at any time!

In the face of Wen Hao's attack, ye Chen just casually raises a hand.

Lin Wei and others laughed at each other. Waste is really waste. Ye Chen, who is half step into the realm of Tao, can't understand how strong Wen Hao's attack of the law is, right?

However, Lin Wei's eyes flashed suddenly. He was puzzled and looked at several people in xingzitang.

Why, xingzitang these people, after Wen Hao's hand, still look so calm?

Not a bit angry or ready to do something?

Chen, don't they have any value at all?

What I said before is just a show?

Thinking of this, Lin Wei couldn't help but smile. If so, it would be easy. Ye Chen provoked Wen Hao and took his own blame. He died.

And he let Wen Hao apologize, has expressed his respect, Xing Zitang and others should leave.

There's a big bang!

The fire broke out!

The high temperature instantly melted the surrounding rocks and trees, and a huge hole was blown out on the ground!

The power of this blow is very strong!

The dust was flying, but Xing Zitang and others did not look at the hole, as if they did not care.

Seeing this, Lin Wei is more sure of his own ideas. Ye Chen is not worth mentioning in their hearts. Otherwise, how could they be so calm after ye Chen is blown into nothingness?

Lin Wei was about to open his mouth and asked Xing Zitang and others to leave again. However, the next moment, he got the words on his lips, but he swallowed them back. He looked at the scene in front of him in a daze. He couldn't believe it!

In front of him, the smoke and dust dispersed, that huge hole, stood a tall young man, not others, it was Ye Chen!

Ye Chen, not dead!

Don't say is dead, Wen Hao's strike, even hurt, did not hurt Ye Chen!

How could that be possible?

Lin Wei's thinking was frozen for a time. He couldn't work at all. He couldn't understand what he saw in front of him.

Wen Hao, however, was ten times more shocked than he was!

He looked at the leaf Chen standing in front of him in good condition, stunned, completely stunned!

Just now, he clearly felt that his hammer, a hammer with all his strength, had hit Ye Chen's right hand!

He originally, all had shown the joyful smile, almost all saw Ye Chen from the arm to start the whole body burst scene!

But!

At this time, ye Chen stood in front of himself, blocking his right hand, even a drop of blood did not flow!

What is this?

A miracle?

Or, what kind of master of Xingqiao state hides in the side, silently blocks this move for ye Chen?

Everyone's thinking is confused!

Ye Chen suddenly laughed, very cold ground smile.

Wenhao lengleng way: "what are you laughing at?"

Is he laughing because he is blocking his own blow?

Ye Chen disdainfully looked at Wen Hao and said, "I'm laughing. Why in your eyes, realm represents strength?" "What if I do it half step?"

"You laugh at me, but you don't know that in my eyes, your best shot is just rubbish."

Once said, it is shocking again!

Garbage?

Wen Hao just that powerful blow, in the eyes of Ye Chen, actually count rubbish?

You know, the ordinary state of creation, even the middle stage of creation, can be killed by Wen Hao with a hammer!

Ye Chen, but say rubbish?

How arrogant is this person, can say the bold words of the mouth?

And Wen Hao, it is as if the general cold water, instant sober up!

I was awakened by anger!

Although he didn't know how ye Chen blocked his attack, no matter how strange he was, he was just a half step waste of the road!

How dare you say that to him!

How can this not make people angry!

Ye Chen sneered: "the last warning, leave here."

If it was not for the arrival of things, ye Chen would not be guarding this place.

The treasure should belong to the devil.

The devil spirit son is related to the devil's eye. In any case, this thing should belong to him!

His eyes, gradually cold down, killing bloom!

Wen Hao, who was still in a rage, suddenly fell into an ice cave. Under the impact of Ye Chen's killing intention, his anger dissipated. His triangular eyes trembled, and his body fat was shaking slightly. He looked at Ye Chen in disbelief.

In front of him, the half step warrior, unexpectedly, made him feel scared!

Ye Chen's face appeared a cold smile, light way: "kneel down to admit mistakes, and then their own Dantian, as well as the whole body meridian shock broken, I can leave you a cheap life!"

Ye Chen feels the killing intention from Wen Hao's body. He can't keep this threat.

This time, even Lin Wei and others are looking at Ye Chen with an ugly face, because ye Chen is too cruel.

Although I don't know what ye Chen depends on, what's the difference between his request and letting Wen Hao die?

And Wen Hao, the original fear, after ye Chen finished, also completely transformed into hatred!

"Ah, ah, ah!" Wen Hao held up the sledgehammer in his hand, and his spiritual power ran wildly. Beyond the limit, he said angrily, "I want you..."

At this time, ye Chen, finally moved.

Chapter 1898

A flash of golden light, ye Chen's figure, in an instant, disappeared from Wen Hao's eyes!

Wen Hao's heart was startled, vaguely, there was a bad premonition.

Before he had finished his speech, he stopped abruptly.

Then sounded, is a, incomparably miserable pain cry!

The sledgehammer fell to the ground, and Wen Hao's body hit the ground.

Almost dying!

Lin Wei's eyes were wide open and their mouths were wide open. Under a series of stimulation, they were almost crazy and their hearts were shaken!

What did they see? They didn't even see when ye Chen acted. They saw Jin Guang together. Wen Hao, a strong man, was like a baby. He lost his qualification in front of Ye Chen without any resistance!

What a terrible speed?

What a powerful force it is?

You know, the body of a martial artist who can cultivate such accomplishments is naturally protected by a trace of law. If you want to hurt Wen Hao so quietly, it's not just a matter of speed!

Now, no one will regard Ye Chen as a half step combination of rubbish. In their hearts, countless thoughts and deep fears are surging wildly. Even, some people think that ye Chen is the evil spirit of Xingqiao state and conceals his accomplishments, which makes people mistakenly think he is just a half step path!

They felt a chill in their soul!

Several of them looked at Lin Wei with a faint look of fear. Obviously, they wanted to leave!

At this time, Wen Hao sent out a frightened Scream: "help! Help! Elder martial brother Lin, Zhao Daoyou, help me! Help me

He even forgot the pain in his body. His heart was full of fear. He asked Lin Wei and others for help!

In his mind, this is the only straw to save life!

Lin Wei, on the other hand, is extremely heavy and complicated. Although he is quite confident in his own strength, he thinks that he can't stop Wen Hao's attack and seriously injure him like Ye Chen.

Ye Chen, the demon who seems to have only half a step in the road, should completely crush itself in all aspects!

It's dangerous to stay any longer!

He took a look at the extremely unbearable Wen Hao on the ground, and finally said faintly, "let's go!"

Say, take the lead to escape light, toward the road to fly!

Several other people, without looking at Wen Hao, who is constantly asking for help, turn around and follow Lin Wei.

In front of Ye Chen this kind of terror evil spirit, they, where still have the mood tube what Wen hao?

Of course, it's your own life that matters!

Wen Hao was stunned and couldn't help but stupidly said: "elder martial brother Lin will certainly save me. I always obey elder martial brother Lin's words. Over the years, I have done many things for elder martial brother Lin.

Many things I don't want to do, elder martial brother Lin, how can you give me up? "

"Oh?" Ye Chen said with a smile, "now, what about them?"

Wen Hao, with his empty black eyes, looked around blankly. His mind swept over the top of the mountain. A chill and a despair emerged from his heart.

No, it's not everywhere

The breath of Linwei, on the top of the mountain, has completely disappeared

He really, he's gone

Moreover, he has gone far beyond the scope of his mind

Ye Chen continued to smile: "do you understand? You, in their eyes, are easy to use, and they will let you stay around and treat you as something you can use freely. Do you think that they treat you as a friend? "

"Ah, ah, ah, ah His heart broke and he screamed in despair.

Ye Chen shakes his head and ignores it.

Yin Ming, Xing Zi Tang, Ji Xuan and others came along and glanced at Wen Hao, who was extremely painful and roaring on the ground. Without pity, if they had been insulted like this, they would have done more cruelly than ye Chen.

Yin Ming took a look at Wen Hao and said to Ye Chen, "will you let him go? Would it be too cheap for him? I do have a secret method that can torture spirits. "

When ye Chen was ridiculed by Wen Hao, she was even more angry than ye Chen. She wanted to imprison Wen Hao's soul and torment him for hundreds of millions of years. Now, seeing ye Chen let him go, she couldn't help feeling a little reluctant.

Chen shook his head and said, "why waste time in this garbage? I have left a mark on his spirit. After his death, the energy in the mark will break out and completely destroy his spirit. If I put my mind on these people, I'm afraid I will have no time to practice. "

Yin Ming took a cold look at Wen Hao on the ground. After a moment of silence, she still nodded: "OK, but if anyone dares to be so disrespectful to you, I will never let him go so easily."

Now, she has been completely convinced of Ye Chen. If someone offends her, it will be unbearable for her to offend her. Ye Chen smell speech, also show a trace of sneer: "if really someone, so ignorant of life and death, I naturally, will not easily let him go."

At this time, Ji Xuan said with a smile to Ye Chen:

"brother ye, we have met again. Thank you for your help this time. Otherwise, I'm afraid Tianling and I will die here. I have offended so much before. Please forgive me."

Ye Chen also showed a little smile to Ji Xuan and said:

"if brother Ji hadn't trapped Lin Juelong, I'm afraid that I would not have been able to successfully injure Lin Juelong. There is nothing wrong with the previous events in your position, so don't mention it again."

Before Ji Xuan, although he hid his strength at first and lurked in Zheng Yuan's team, at the end of the day, he just let the four spirit servants block Ye Chen, and did nothing too much.

Although the four spirits serve themselves to die, it is also their responsibility.

Moreover, Ji Xuangong is indispensable for killing Lin Juelong this time. Now he treats Ye Chen with courtesy. Naturally, he will not care about him.

At this time, Xing Zi Tang asked Ji Xuan, "brother Ji, what's the matter with you making such a big noise this time? Is it convenient to tell? "

Ji Xuan said with a wry smile: "in fact, there is nothing. I got the news before I took part in the contest. The secret place chosen by this contest is probably the place where the devil once left a secret."

"Besides, part of my blood comes from the devil. I also get some small opportunities left by the devil here."

"What! You said the devil! Isn't that the thing here? "

When they heard this, they all looked at Ji Xuan with astonishment.

Ye Chen is a little puzzled. Besides the box of the devil's eye, does the devil master something else?

Chapter 1899

Ye Chen pretends to ask a way: "this demon spirit son, what is special?"

Xing Zitang looked at Ye Chen unexpectedly and said, "brother ye, don't you know the devil? The demon spirit son, but ten thousand years ago one of the strong demon clan

"Not to mention his tremendous strength, after the demon spirit son left the demon clan, it is said that he got a treasure that countless people in Lingwu land want to get!"

"Because of this baby, he was pursued by many top forces in Lingwu mainland! Finally, he disappeared mysteriously, and no one knew where he had gone

"No one knows where the secret that shocked Lingwu land is."

Xing Zitang said with a smile: "well, congratulations on brother Ji. You have the inheritance of the demon spirit son. It seems that the possibility of your ascension has increased by one point."

However, Ji Xuan said with a wry smile:

"well, the inheritance that I got was only a small part. At that time, brother ye and I entered the cave together. I'm afraid that brother ye and I did not get the secret."

"In fact, in this secret place, the evil spirit son has left a heritage, which is the most complete and valuable.

However, this inheritance must be untied before it can be released.

And the key to unlock the seal of the world spirit is in the inheritance I have received.

I have untied the seal of the spirit of the world before. Now the spirit of the world is slowly waking up to make such a big noise. "

"Isn't that better? What's wrong with brother Ji? "

Ji Xuan sighed and said, "this second inheritance is not something you want to inherit. The demon spirit left his own divinity in the world spirit. The inheritor must be recognized by that deity before he is qualified to accept the inheritance."

He then showed a smile and said, "however, in this way, we all have the opportunity to inherit."

When they heard the speech, they were all beaming with joy. Although they would not compete with Ji Xuan for the inheritance, if they really chose themselves, there was no reason for them to refuse.

All people did not notice Ye Chen's deep eyes.

He and the devil's eye did not see the demon spirit son in that cave, only saw the demon spirit son let the stone statue guard things.

And that thing should not be inherited. There should be a reason why the devil's eye did not open immediately.

Now the devil's eye is sleeping. I can't tell.

He suddenly wondered, what is the thing that the demon spirit son got to let the top forces pursue and kill?

He asked Xing Zitang and others, who were not clear about the details.

Next, several people will stay on the top of the mountain, and begin to heal each other, waiting for the soul to recover completely.

The spirit of heaven and the red haze, however, joined hands to set up a high-level array nearby to prevent further harassment.

.....

Ye Chen enters the samsara cemetery.

Now the samsara cemetery is much quieter.

Somehow, he felt a deep loneliness.

Three masters and three golden Buddhas disappeared, which is a great loss to Ye Chen.

Although the strength of these six people is not enough to support, but ye Chen is nostalgic.

The spirit God of the imperial beast who was about to disappear came over and said with a smile, "you don't have to be so emotional. Things are not bad."

"Xiaoyao Shenjun and others have been struggling to support them. It is only sooner or later that they dissipate."

"Their minds did the most meaningful thing at the last moment."

Ye Chen nodded and just wanted to say something. The God of the Royal beast spirit continued: "as for the three golden Buddhas, do you forget that you still have their three Serri sons in your body?"

"As long as the shariko is still there, even if the three golden Buddhas died in battle, there is still a glimmer of hope of resurrection."

Ye Chen slightly one Zheng, hastily induction body!

Sure enough, sarizi was emitting colorful light in his body!

Great vitality!

"Sarizi is the foundation of Buddhism. There are still opportunities for the three of them, but you can't reshape the body before."

"In the future, if you have a chance, you can use the sarira as a guide to create a real gold body for them."

Ye Chen is a little excited!

It's not too bad!

If the three golden Buddhas cast their golden bodies in a real sense, they can also be changed dramatically!

"Thank you for reminding me Ye Chen arched his hand.

The spirit God shook his head: "you don't talk, let me say, I should give some things all."

"The next time you see me, I don't know when."

Ye Chen nods, Mou son is dignified.

The spirit God of the imperial beast glanced at the tombstone of the man with sword box and said, "if you join the contest, you will really get in touch with some things in the upper layer of Lingwu continent."

"You will face a great crisis in the future."

"The soul hall is different from the soul clan you faced before. As far as I know, the soul hall is extremely mysterious." "For so many years, many forces in Lingwu mainland have not found out the bottom of the soul hall."

"Some of the things about the soul hall are not necessarily true."

"But today, there is one thing I've made sure of. I've got a huge plan in mind for you to close the door of the soul hall."

"It is a good thing that Lin Juelong is not dead. He is the medium of Kunlun xuxue alliance and Lingwu mainland soul hall."

"If the media dies, you may not be able to touch the deeper secrets of the samsara cemetery."

Ye Chen a Zheng, surprised way: "Lin Jue long know reincarnation cemetery?"

The spirit God shook his head: "how possible! This secret is known only to you

"What does Master mean?" Ye Chen has some doubts.

The spirit God of the imperial beast gazed at many tombstones and said slowly, "are you not curious at all? Why is your reincarnation just a little inspired by me can seal the power of Lin Jue long? It's like a killer. "

"In other words, reincarnation can suppress the secret of Lin Jue long and the soul hall!"

"From this connection, the secret of Lin Jue long may have something to do with your reincarnation."

"What's more, when you were inspired by the breath of samsara, Lin Juelong expressed his fear for a moment. He didn't know your secret and blood. From the perspective of breath, he was subconsciously afraid. This is very intriguing."

"Some words, I can't say more, you understand."

"Next, listen up."

"Do three things!"

"First, if you have a chance, quxueling clan can save that part of Kunlun Xu trapped! I don't know about the samsara cemetery, but I have a vague feeling that these people may be an opportunity to upgrade the samsara cemetery This may be your biggest clue to the secrets of the samsara cemetery. "

Ye Chen heard this sentence and twisted his brow into Chuan.

Is there another form of samsara cemetery?

But it's also true. From the time point of view, the one-year agreement with Lingyun coincides with the time when the bloody sword sect once again made a move against Kunlun.

There is not much time left. This threat must be removed.

## Chapter 1900

"The second thing is to go to the heaven and earth killing area, where ice sword has been trapped for thousands of years. It is full of opportunities and natural materials and treasures. I'm afraid he has already broken through to some terrible level. You offend too many powerful forces. If you have him, you will be much safer. "

Ye Chen found that the figure of the king beast spirit God was more and more blurred: "master, I understand."

"By the way, master, where are you trapped?"

The spirit God of the Royal beast laughed: "when you go to the Blood Sword gate and the blood spirit clan, you will be entitled to know my whereabouts."

"After all, in Lingwu land, too many powerful people are just puppets."

"The third thing, I just briefly activated your reincarnation. Although it has recovered as before, I still found something."

"Don't you wonder why other people break through so fast, but you break through so slowly when you have a bad chance?"

Ye Chen said: "I generally understand that practitioners of samsara blood will be hundreds of times more difficult to break through than ordinary martial arts practitioners. However, although I am now half step in the road, in a sense, it should be half step creation."

Royal beast spirit God nodded: "yes, reincarnation blood is the strongest blood in the world. Since it is the strongest, he naturally demands great from you."

"If there was no reincarnation, your chance and talent would have entered the astral orifice by now."

"However, it is difficult in the early stage, but these benefits are all in the later stage. The so-called first bitter and then sweet is so."

"What I want to tell you is not that, but when I activate your blood, I found a breath of reincarnation xuanbei! And very close to you

"This stone tablet of reincarnation is either in the secret place or outside!"

"Find a way to get it!"

At this point, the spirit of the beast almost disappeared.

But the last word is too big for ye Chen!

The stone tablet of reincarnation is nearby!

In addition to the purple coagulation body that piece, this is the second piece!

"By the way, disciple, the part of Lin Juelong's ability sealed by you is fading away. Although it doesn't fit with you, refining as soon as possible should enable you to enter the realm of harmony immediately."

After this sentence, the spirit of the Royal beast disappeared completely.

Ye Chen returned to the reality, directly bid farewell to the public, and came to the remote place in the secret realm.

Set up a shielding array, break through!

It was a night of visions, and it was not peaceful.

The terrible thunder disaster came, and the earthquake happened thousands of miles away.

It's like a nightmare swallowing the secret place.

Even the array around the secret place has cracks.

All the geniuses were shocked by the vision above, and even speculated that someone had broken through the astral world!

Otherwise, how could such a vision appear!

This night, outside.

The handsome young man who opened the secret place changed color again and spat out a mouthful of red blood.

The injury is more serious!

The faces of many forces present have changed greatly!

I don't know what happened in the secret place!

What kind of person can cause such a reaction to the secret place?

This is bound to be an unsolved mystery.

A day later, ye Chen opened his eyes, he refined the power of seal, and had stepped into the realm of harmony.

And it's the second layer of heaven.

The harvest was great.

Ye Chen returned to the top of the mountain, looking at the people are still healing, smile, also cross legs and sit.

Suddenly, ye Chen seems to have induction, open his eyes and look into the sky.

Several other people opened their eyes one after another and looked into the air. In the air, a strange wave came. Then, a white light hole appeared in the air, and a translucent virtual shadow of human nature came out of the white hole.

As soon as the virtual shadow appeared, ye Chen and others all changed their faces slightly. The shadow was blurred and could not be seen clearly. However, his eyes were extremely flexible and full of wonderful charm.

What's more, the shadow is filled with the power of law, as if the shadow is the secret place itself!

Surely, this is the spirit of the blessed land!

In this secret state, even if it is the existence of the heaven, it may not be able to subdue the spirit shadow of this realm!

The eyes of Jieling swept past all the people. Everyone had a feeling of being pierced by their eyes. Except ye Chen, others could not help being nervous. They knew that Jieling was examining the inheritors.

However, it is related to the inheritance of a strong man!

The vision of the world spirit falls on Ye Chen's body, and a trace of frightening color appears in the smart eyes.

Although the devil's eye is sleeping, ye Chen still has a trace of devil's eye.

It doesn't mean the spirit doesn't know.

The spirit of the world directly covered people's perception with the technique and came to Ye Chen's body.

"See the devil!"

Ye Chen was too lazy to deny, and said directly, "are you choosing to inherit?" "Yes." Jielingdao.

The next second, ye Chen felt a flow of information in his mind.

It is roughly the content of inheritance.

Ye Chen shakes his head, and he finds that the inheritance left by the devil is not suitable for him.

What's more, he has a reincarnation graveyard, so he doesn't care much about the inheritance of the devil.

He thought of what, looked at Yin Ming and said: "give it to her, she should be the most suitable."

Jie Ling takes a look at Yin Ming and nods directly.

Ye Chen thought of what, and then said: "do you know the magic spirit son let people chase after the baby, in the end what is it?"

The spirit shook his head and did not speak.

Ye Chen is a little lost. He thought it was the xuanbei of reincarnation.

"It's OK."

The spirit returns to its original position.

Because Jieling's eyes stayed on Ye Chen for a period of time, several other people's hearts also raised, and they could not help thinking, look at this, does Jieling want to choose Ye Chen?

However, after a while, the spirit of the world finally moved his eyes from ye Chen and looked at other people.

After examining all the people, the spirit suddenly stretched out his finger and aimed at one of them, a little farther away!

A white halo appeared on the man, which led her to fly towards the sky.

This man is Yin Ming with the lowest cultivation except ye Chen!

Yin Ming is stunned. Although she can't see her face clearly with her mask, there is a surprise in her beautiful eyes!

Even if she is the granddaughter beloved by the elder of xuan yue zong, it's hard to get a great inheritance!

The others, especially Ji Xuan, almost fell into the hands of Lin Juelong after a hard time. In the end, it was Yin Ming who succeeded.

After all, although the inheritance depends on the qualification to a certain extent, the fitness is also very important.

Ji Xuan, Xing Zitang and even Tianling are more qualified than Yin Ming. However, it is obvious that Yin Ming's physique is most suitable for the inheritance of the demon spirit son.

However, Ji Xuan is also an open-minded person, so he has no aversion to Yin Ming. Moreover, although he is incomplete, he has been partially inherited.

However, when people thought that Yin Ming became the inheritor and everything was about to end, a sudden change occurred!
