

Physician 2061

Chapter 2061

At the same time, all the people in the Shenxin palace knelt down to the emperor of Jiuyou and respectfully said, "I have seen the emperor!"

Only Ye Chen did not.

Ye Chen's hands are behind him, and there is no sense of condescension.

Surrounded by evil Qi.

Ye Chen's eyebrows have a demon emperor!

How can you kneel down to the emperor of Jiuyou!

In a flash, an old man came to Ye Chen's side, and he just wanted to start with Ye Chen!

"He doesn't have to kneel," the emperor of Jiuyou said

When this was said, there was an uproar!

Stepping into the kingdom of Jiuyou, there is no saying that you should not kneel down to the emperor of Jiuyou!

Why does Jiuyou treat Ye Chen like this?

Anger?

Or something else?

The emperor of Jiuyou swept his eyes and made a gesture to ask for help. He and imperial concubine Li sat on the main seat of Shenxin hall, while Princess Jiuyou and Ji Lin sat near them.

The emperor of Jiuyou looks down on the many talents in the hall. His eyes are on LAN Yufei, chuxiao and other people. He stays for a while. When he reaches ye Chenzhi, it is tiger's eyes!

He looked at the crowd and said in a low voice, "everyone, welcome to celebrate my daughter's birthday. You must be surprised. Why, am I here?"

Usually, even if it is the royal family's birthday, maybe the imperial concubine will be present, but the emperor of Jiuyou is rarely seen. After all, the emperor of Jiuyou has a large number of children. If you always attend their birthday, it will take too much time.

The majestic emperor of Jiuyou suddenly showed a melancholy look on his face and said: "in fact, to tell you the truth, I invited you to come here for the ninth birthday, not only for her birthday celebration, but also because my daughter, not long ago, woke up to read demons!"

"The body of the mind?"

Ye Chen's eyes congealed, presumably, this is the reason why the nine princesses can see through their spiritual injuries and congenital poisons, and can cure and strengthen their spirits!

The emperor of Jiuyou continued: "many people may not understand the body of reciting demons. It is also a kind of extremely antagonistic constitution. In terms of spirits, it has extremely terrifying talent. However, the reason why reading evil and reciting evil is called" reciting evil "is because it is not something that anyone can bear!"

"The body of reciting demons is extremely powerful because it can increase the number of spirits. Even if it is too strong, it will lose the physical body.

During this period, we have been using various kinds of natural materials and earth treasures to maintain the consumption of Xiaojiu's magic reciting body. However, even with the strong national strength and rich heritage of our country, it is difficult to maintain it for long. To save Xiao Jiu, the plan is to transfer this body to other human bodies! "

Even the royal family of the kingdom of nine you can't maintain the consumption of the demon reciting body. So, if you transfer to your own body, don't you let yourself wait for death!

Seeing that the people looked nervous, the emperor of Jiuyou quickly explained:

"everyone, don't get me wrong. I didn't mean to let you die. The effect of this demon reciting body is different for different people. If it can be subdued successfully, it will not cause such terrible consumption

However, there are several conditions for the transition ceremony of the body of reciting demons. First, the person who accepts the body should not be over 30 years old. Second, the person who accepts the body should have excellent qualification and solid foundation. Third, he must practice the magic skills of the demon clan! Of course, it's better to have demons. "

"However, it's too rare for a devil to live in."

"Since ancient times, the number of times when the body of reciting demons has appeared is very few. Even for me, it is difficult to find too much information about the body of reciting evil.

However, these three points have been summed up from the existing materials. In the past, every person who successfully received the body of reading magic was an extremely strong one!

The supreme devil emperor who once shook the heaven of Lingwu continent was the body of reading demons in his youth!

And if you succeed in subduing the demonic body, the benefits are absolutely great!

With the body of reading the devil, your spirit will be immortal! Moreover, it is incomparably powerful, at least, it will not be weaker than fengmenjing!

Unless the body is completely destroyed, almost no one can hurt your spirit

"Of course, there must be risks. If the acceptance fails, the spirit of the recipient may be seriously injured, or even go out of his wits. Xiao Jiu, however, has only three chances to perform rituals

Therefore, if you have no confidence in yourself and do not want to carry out the transition ceremony, you can leave the temple of God's heart now. Don't worry, I will not pursue you because of your choice.
"

When the emperor of Jiuyou finished speaking, the whole temple of God's heart suddenly fell silent. Many geniuses looked at me and I looked at you. For a while, I was at a loss.

But at the moment Ye Chen, the expression is extremely strange.

Because just for a moment, there was a quick voice coming from the eyebrows!

"You must take the body! My body has been destroyed. If I want to rebuild my body at that time, the most important thing is to read the magic body! ""Ha ha ha, God never forgets me!"

"I thought it would take tens of thousands of years to get back to where I was before!"

"Now, if I have this mind, I will be able to recover to my peak within three years at most! Enough to kill the kingdom of God

Ye Chen is slightly surprised.

For the first time, he found out that the devil was so excited.

It seems that no matter what, he has to take this demon reading body!

What did ye Chen think of and asked the devil emperor, "devil emperor, can I successfully subdue this body of reading demons?"

The demon emperor said with a smile: "the emperor of nine you still has a lot of ignorance about the body of reciting evil. What he said is basically right. However, there is one thing he doesn't know, that is, the body of reading evil is completely restrained by the divine pulse and the devil body!

As far as I can judge, you are the only one present who has the ability to completely subdue this demon reading body. "

"No, if you look at the whole land of Lingwu, you are the only one who is qualified to subdue this demon reciting body!"

.....

At the same time, the demons in the depths of the devil kingdom.

A huge house full of horror.

The hall is surrounded by evil Qi, just like hell.

Above the temple, there is a huge stone chair carved by nine black dragons.

Ferocious and penetrating.

The man on the black chair in Jiulong suddenly opened his eyes, and those powerful demons with terrible breath knelt down one after another!

"The devil!"

The sound is so loud! Supreme loyalty!

Because they know that this man is the strongest existence after the fall of the ancient legend of the devil emperor!

The iron and blood tyrant in the devil kingdom!

Jun's majestic eyes glanced at the crowd and said, "today should be a great day of joy for the country of nine you."

A strong man of the demon clan echoed: "to present the devil is the birthday feast of nine princesses in the country of nine seclusion. Do you need to start?"

Jun magic dust stood up, palm open, a group of magic light in the palm.

"Why do you do it? Jiuyou and my demon clan are one, but the emperor of Jiuyou is a self righteous old stubborn

"This stubbornness may not be in charge of Jiuyou."

"But I care more about the mind than I am today."

"How can ants control the body of reading demons?"

Chapter 2062

Many powerful demons under the stage all changed their faces when they heard the body of reciting demons.

The body of reading demons appeared?

This is the only one in the hearts of countless people that the devil once owned!

If not for the fall of the evil emperor, I am afraid the demons would have conquered the whole land of Lingwu!

"Demon lord, since the body of reciting demons appears, do you need to send someone to kill the kingdom of Jiuyou and plunder it by force?"

There is humanity under the stage.

The king demon dust on the stone chair in Kowloon suddenly laughed.

He glanced at the man who said, "why plunder?"

"The nine princesses can't control the body of reciting demons, nor can the top talents of Lingwu land control it."

"It can even be said that there is a spirit in the body of reading demons, and the only one who can control it is the devil emperor."

"It's a pity that the devil has fallen."

"Yes, if he doesn't fall, how can I sit in this position?"

"Some people, they should have died."

At this moment, Jun's face was full of ferocity.

Like a bloodthirsty beast from hell.

"Well, everyone, please step down. I have learned a little bit these days that I need to break through the closed door. No one is allowed to disturb me."

"Yes, the Lord."

Soon, there was only one person left in the temple.

Jun moochen thought of something, his mouth showed a vicious smile, stepped down from the Jiulong stone chair, his fingers on a dragon Teng pattern.

Suddenly, the wall behind the stone chair in Kowloon opened.

The light of Jiuyou lights everything.

It was a corridor leading to the abyss.

Jun demon dust hands behind, toward the deep.

There's a hole in it.

Gradually, everything is clear.

A huge statue emerges.

If ye Chen is here, he will surely find that this statue is the devil emperor in the center of eyebrows!

The magic emperor was powerful for nine days. Of course, it was a statue, but it was lifelike. His whole body was full of strong blood and evil spirit!

Jun demon dust gazed at the statue of the devil emperor and gave a cold smile. Then, he said, "devil, how long has it been since you fell?"

"Thousand years, ten thousand years, or hundred thousand years?"

"In the blink of an eye, ancient times are so far away."

"By the way, there's something you may not know."

"You were not unjustly defeated in that war. After all, it was the only time I joined hands with the kingdom of God."

"If I don't join hands with the kingdom of God, I'm afraid you won't fall, and I won't be able to sit in this position."

"It's a good feeling, ha ha ha ha ha."

"It's a pity that you won't know the secret for the rest of your life."

"It's a pity that you are trapped in the sea"

"It's a pity that the kingdom of Jiuyou is separated from the demons."

"But don't worry, one day, I will unify the devil kingdom!"

"Then, I will not be the devil, I will be the eternal devil!"

In a flash, the killing machine is released!

There are nine magic dragons behind you!

The world changes!

.....

At the same time, the kingdom of Jiuyou.

The atmosphere was dignified.

After all, no one would like to bet their lives.

I do not know how long, finally, a genius, carefully to the heart of God outside the temple.

The emperor of nine you looked at the back of the genius and was silent.

However, he did nothing. The genius left the temple of God's heart.

After seeing this, more and more people went outside the hall of God's heart. Even Shi Hua and Zhao Lun left.

There were only a few people left in the field.

Ye Chen looked at Chu Ying beside her unexpectedly and asked, "Chu Ying, do you want to try to accept this body of reading demons?"

Chu Ying shook his head and looked at Ye Chen seriously and said, "I'll look at it casually."

At this time, only LAN Yufei, Chu Xiao, ye Chen, Chu Ying, and a young man wearing a mask were left in the hall of God's heart.

The emperor of Jiuyou looked at several people present and said, "I contacted Mr. LAN and Mr. Chu in advance. Therefore, there are two places for them. As for the last quota, you should fight for it by yourself."

As soon as the emperor's voice fell, the man with the mask came forward. He took off the mask and said with a smile to Ye Chen, "Mr. Ye, I want to challenge you."

And in that man, take off the mask of the moment, leaf Chen beside Chu Ying, but suddenly face a change way: "it is you! Didn't you escape from the land of Jiuyou? "

The man, pale, bloodless, looks, some sick appearance, but, vaguely, gave Ye Chen a kind of, dangerous feeling!

Ye Chen can't help frowning, the man is very strange.

Why?

Because, this man clearly is the existence of half step seal door, but, to his sense of danger, is not weaker than any strong seal!At this time, the man faced Chu Ying with a gloomy smile and said:

"Miss Chu, long time no see? I didn't want to come, but the Wang family promised that if I could perform martial arts competition in Shenxin hall and kill Mr. Ye, they would protect me. How can I refuse such a condition

Ye Chen looked at Chu Ying's face and asked curiously, "Chu Ying, what's the matter?"

He had never seen Chu Ying show such a look.

Chu Ying suddenly stretched out his hand and held Ye Chen's sleeve and said, "Ye Chen, refuse him! Don't compete with him!

This man, named Song Du, has a very terrible Constitution called Jiuyou poison body! This nine you poison body is higher than the acquired poison body! And with Jiuyou magic spirit

Ye Chen took a deep look at Ji Lin, and then asked Chu Ying, "what about the comparison between the nine you poison and the congenital poison?"

Chu Ying glanced at Ye Chen: "naturally, Jiuyou poison body can't be compared with congenital poison body, because congenital poison body almost exists in legend, but Jiuyou poison body actually exists!"

"Jiuyou poison body is called under the seal door. No one can bear it. Even if it is a strong person in the middle period of sealing door, a careless one may fall down!

This man once had a quarrel with the children of a Jiuyou family, so he poisoned all the existence of that family under the seal with his Jiuyou poison body!

Therefore, he was also pursued by the ancestors of that family! Ye Chen, give up, face this person, too dangerous! "

Hearing this, Song Du looked at Ye Chen with a smile and said, "Mr. Ye, do you really want to give up?

You can give up, of course, but do you think it's better to face me now in the temple of God's heart? Or, after you leave, all the time, do not guard against my poison? Well, it's up to you to choose. "

Chu Ying hears the speech, the beautiful eyes gaze at Song Du, kill the meaning to roll!

If this is not the Shenxin hall, and there is no martial arts rule of the emperor of Jiuyou, she will kill the Song Du now!

At this time, a hand, gently fell on Chu Ying's shoulder.

Ye Chen's hand.

Ye Chen smiles at Chu Ying and says, "Chu Ying, can I ask you a question?"

Chapter 2063

Chu Ying a Leng, ye Chen at this time, want to ask what?

But she nodded and said, "you ask."

"Would you be sad if I died?"

Hearing this, song Du couldn't help laughing and said, "ha ha ha ha, OK, Mr. Ye, this is a good question. Unexpectedly, you are still a saint of love?"

Ha ha ha, I just don't know if Miss Chu, seeing your body being eroded by my toxin and festering all over, would she care about you like now? I'm afraid that at that time, even if I look at you, I can't help but vomit out

Ji Lin couldn't listen any more and stood up: "you garbage poison, who gives you the courage to speak?"

"If you dare to hurt Ye Chen, I will let you die in endless pain!"

Ji Lin is angry!

Jiyou poison body is strong, but as a congenital poison, she can kill all kinds of poison in seconds!

As soon as this word came out, all the people present looked at the girl in surprise.

This ye Chen is a madman, did not expect the girl around her to be more crazy?

Jiuyou poison is rubbish?

I'm afraid there will be no genius in the world!

Song Du was very angry with Ji Lin's words: "you want to die!"

The next second, he forces out a drop of blood essence, which contains the terrible toxicity of Jiuyou poison body!

Once close, the little girl will turn into a pool of poisonous water!

Song Du laughed.

The smile is very gloomy.

But soon, his smile stiffened.

The blood essence has not been close to Ji Lin, but it seems that he has seen something extremely terrible, and has returned to his palm.

Ji Lin saw this scene and sneered: "garbage is garbage, even blood essence can't be released. If it wasn't for ye Chen, you would have died."

"Others are afraid of you, but I am not afraid of you!"

"You're such a shitty nine you poison. You'll call me dad when you see me!"

Ye Chen doesn't want Ji Lin to expose the inborn poison, so he makes an eye gesture.

Ji Lin sees Ye Chen's eyes, spits out his tongue and retreats behind the nine princesses.

People did not think much, but when a farce came to see, all people's eyes fell on Chu Ying's body.

Chu Ying coldly swept song's only one eye, did not pay attention to, turned to Ye Chen, and said sincerely on her pretty face: "of course

Ye Chen walked toward song Du and said to Chu Ying, "since this is the case, I will never die in front of you."

Chu Ying smell speech, beautiful eyes can not help a flash, her eyes, all emotions have disappeared, leaving only the back of Ye Chen.

But song Du stares at Ji Lin in the distance. He thinks of something, but he shakes his head again.

Congenital poison can't exist in this world. Just now, it must be a coincidence.

Thinking of this, he looked at Ye Chen.

In his gloomy eyes, a sudden flash of twisted and crazy evil spirit flashed to ye chensen: "Mr. Ye, do you know why I slaughtered that Jiuyou family at the beginning?"

Ye Chen hands back, light way: "you say."

At the same time, his spirit has just been strengthened by the ninth princess, and it takes time to adapt.

The song Du said coldly: "once upon a time, I fell in love with a woman. That woman has always been a pure and chaste appearance in front of me. I thought she was as pure and pure as I thought, but?"

"She's just a slut! In front of me, it's all fake! The woman who I thought was pure and pure, even the most humble prostitute, would feel ashamed in front of the young master of the Jiuyou family? "

"At that time, I thought, kill her, kill this hypocritical bitch!"

At this point, he burst into a wild laugh and said, "you know, what happened? The young master of Jiuyou family said I was just a toad with poison? Which woman would look up to me? Good, really good!"

With that, song Du suddenly unties the bandage of both hands. Ye Chen glances at the skin under the bandage, and his pupil shrinks.

Song Du's arm under bandage is extremely terrifying, and his skin is full of colorful poison particles!

Although the Jiuyou poison body is powerful, it also has some disadvantages, that is, it will cause the variation of the body. With the cultivation of song Du, it becomes stronger and stronger. After that, his whole body will become extremely ugly.

Ye Chen takes a look at Ji Lin, but the poison of Ji Lin is not so.

Then he looked at Song Du indifferently and suddenly shook his head gently.

Song duyileng, ye Chen, what is the reaction? "Why do you shake your head?" he asked

Ye Chen light way: "nothing, I just think you are very pitiful just."

"What do you say?" Song Du's voice sank and his eyes screamed, "poor? What's so pathetic about me? Poor, it's the slut who thinks he likes himself, and the young master who has been slaughtered by meYe Chen said expressionless: "the reason why you are poor is that you are ugly, even if you are ugly.

Because of your inferiority complex, your heart has become even worse. It is not other people who look down on you most, but..."

"Shut up!" Song Du fiercely drank, he didn't want to listen, he didn't want to let Ye Chen go on!

Ye Chen, however, did not pay any attention to song Du's violent drinking, and continued: "you yourself."

"I want you dead!" Song Du was stabbed by Ye Chen and fell into a rage. Yes, the reason why he did those cruel things was because he wanted to deny, he wanted to cover up, and even he looked down on his own facts.

As long as, other people become the same as him, then, he song Du is not an ordinary person?

However, song Du was always reluctant to admit it!

With a roar, a terrible green poison suddenly burst out from Song's celibacy, and in an instant, it filled the whole Shenxin hall!

All the people in the temple of God's heart frowned!

Even Chu Ying, Chu Xiao, LAN Yufei, who are strong in sealing the door, are also in this poisonous fog, holding up the body protection aura.

This poisonous fog is so strong!

However, they did not notice that the poisonous fog did not dare to approach Ji Lin ten meters.

Nine Princess approached Ji Lin a few minutes, and then secretly raised her thumb.

Ji Lin saw this scene, quite proud to lift his chin, light way: "small meaning, my fierce, you can't imagine."

Chu Xiao and LAN Yufei, even with their strong physique, can't bear it. They have to rely on the body protection and aura to resist. It's estimated that only the devil body and martial arts can resist with the physical body, right?

Jiuyou poison body, as expected!

What's more, they're just affected by the spread of poison.

Ye Chen's position is where the poison fog condenses!

It is conceivable that the poison that covers Ye Chen is so terrible!

But it's not over!

Chapter 2064

At this time, song Du had already turned into a whole body of green existence. An inflated strange hand had to beat Ye Chen's body directly. At the same time, he roared in his mouth:

"I feel inferior? I am an invincible strong man in the realm of sealing the door. I am a super demon with extraordinary talent!

In the future, even through the demons, with unparalleled combat power, I, what good inferiority complex?

And you? Ha ha, I won't kill you directly. I will let you slowly experience the pain of being eroded by toxin and body mutation. When you become a pool of rotten meat that can only wriggle on the ground, you will know who is inferiority complex in the end! "

There was a roar and a great noise. Song Du's terrible hand actually hit Ye Chen's body!

Seeing this, Chu Ying couldn't help but send out an exclamation: "Ye Chen!"

At this time, the poison gas that permeated the whole temple of God's heart had been shaken away by the blow just now. When people saw the scene in front of them, they couldn't help but shrink their pupils!

Ye Chen, is actually empty hand tightly held song Du's poisonous hand!

On the poisonous hand gushed green liquid, the green liquid seemed to have life in general, was desperately drilling to Ye Chen's injured skin.

Chu Ying's pretty face turned pale, and her voice trembled and called out: "Ye Chen! Let go

She knows that ye Chen's constitution is against the sky, but this is Jiuyou poison body!

Even if it's a trace of poisonous fog released by song Du, the strong people dare not be careless. No matter how strong Ye Chen is, if he holds song Du's hand like this, he will be eroded by the toxin!

You know, Jiuyou poison body, but there is no antidote!

Be eroded by toxin, basically, there is only one result, death!

And Chu Xiao is disdainful to look at Ye Chen, this ye Chen, too stupid!

Originally, ye Chen defeated Xiao Cheng with a sword. Chu Xiao also looked at Ye Chen with a high look. But now?

Ye Chen was so ignorant that he directly used his hand to pick up song Du's poisonous palm?

Obviously, this is a very unwise choice. Any warrior with some talent in combat will not make such a decision under such circumstances.

The correct way is to open a distance with song Du, and then defeat song Du with Ye Chen's sword technique!

In Chu Xiao's opinion, ye Chen's fighting talent is too weak!

LAN Yufei frowned slightly. He didn't expect Ye Chen to take song Du's hand directly. Ye Chen clearly had that terrible sword technique. Why didn't he use it?

Thinking of this, LAN Yufei's eyes flashed suddenly!

Is

The emperor of Jiuyou, who was sitting on the main seat, shook his head slightly. Originally, because of the familiar breath of Ye Chen, the emperor of Jiuyou still looked forward to this warrior whose cultivation was only the realm of nature.

But now, ye Chen let him down.

At this time, song Du's palm is seized by Ye Chen, but he is full of joy and disdain. Looking at Ye Chen, he seems to be looking at a dead man. Now, as long as you wait for ye Chen to poison and die.

However, he was not surprised by the result.

He looked at Ye Chen's calm look and said with a sneer, "Ye Chen, do you look calm? I don't know, when it's going to be poisoned, when your body changes, can you be so calm? "

Ye Chen did not speak, just looked at him so calmly.

Song Du Leng hummed: "Ye Chen, do you still want to pretend? You cut me with your sword? Isn't your sword technique against the sky? Are you a sword? Well? "

And ye Chen, still silent.

Song Du continued: "do you think I don't know? Is the sword technique you use a great burden on your body?

Before, when you and Xiao city start, already used once, now, I'm afraid, can't use out? Now, don't say it's a sword. In order to suppress the toxin, you can't even speak? "

To tell you the truth, even song Du was afraid of Ye Chen's sword technique. However, he had already received the news from the king's family leader. Although Ye Chen's sword technique was strong, it had great limitations.

LAN Yufei nods his head after hearing the words. As expected, ye Chen's sword technique is limited.

"Oh?" Ye Chen finally opened his mouth. He looked at Song Du and said, "are you sure I can't make a sword again?"

Ye Chen said this, people's looks, all vaguely changed.

Ye Chen, how can you speak?

Ye Chen, isn't it supposed to suppress the toxin of songdujiu Youdu?

Even song Du, also some silly, his face smile solidification, some incredible looking at Ye Chen, murmured: "how can you still talk?"

Gradually, song Du's eyebrows locked. Finally, he found something strange!

At this time, ye Chen, where does it seem to be pretending to be?

His hand, still holding song Du's wrist tightly, seems to be indifferent to the venom constantly pouring into his body. Even if he wants to pretend, he should let go! Song Du's face gradually changed. He looked at Ye Chen's eyes and became frightened.

"Speak?" Ye Chen gazed at Song Du and said with a faint smile, "why can't I speak?"

Said, ye Chen's eyes, instantly cold down, he took song Du's hand, also began to force.

"Wait..." Song Du felt the great power coming out of his hand. His face changed completely. He cried out in horror: "what are you going to do! Let me go

With a crack, ye Chen crushed song Du's poisonous hand!

The next moment, song Du's exclamation turned into a scream!

"Ah!! My hand, my hand

He retreated crazily, looking at Ye Chen with extreme fear, and roared: "how can it be? You should have been poisoned! Why, no effect at all! It's impossible. It's impossible

Song Du's poison has never let him down since he was born. No matter how fierce his opponent is, he can only struggle in his toxin, cry, endure unimaginable pain and finally die.

Therefore, he has absolute confidence in his own poison!

But this time, he was wrong!

His poison, don't say to kill Ye Chen, simply, can't even hurt Ye Chen!

Song Du, when did this happen?

How rebellious is Ye Chen's constitution? Can resist the poison of Jiuyou poison body!

Now Song Du, what is ferocious and cruel?

Almost, they will collapse in front of Ye Chen!

Ye Chen sneered: "with you, how can you guess how I exist?"

Do you think that if there is a so-called Jiuyou poison body, it will be invincible? Well, it's just a frog in the well

Chapter 2065

This nine you poison body is not weak. After entering Ye Chen's body, he feels a little uncomfortable, but that's all.

Ye Chen, with immortal god body and devil body, has the blood of reincarnation against heaven!

Awakened red dust God pulse, is not afraid of all poison!

If, still can be injured by this small nine you poison body, that, is the real joke!

And chuxiao, LAN Yufei, and even the emperor and imperial concubine of Jiuyou in the kingdom of Jiuyou are shocked!

This is Jiuyou poison! Under the Fengmen state, it can be regarded as the invincible existence, so easily resisted by Ye Chen?

Originally, they all thought that ye Chen's sword was his strongest place.

Now, they know that ye Chen's constitution is the most terrifying!

Is this constitution enough to be called the first of all time?

But song Du, facing Ye Chen, who was walking towards him step by step, suppressed his fear in his heart and roared: "bastard! Ignore my poison, so what! I can kill the door easily

Ye Chen looked at Song Du lazily and said, "don't talk nonsense. Let's go."

Now, knowing that song Du's Jiuyou poison body is no more than that, ye Chen has no interest in Song Du.

Song Du saw Ye Chen, for his own strength, despised the appearance, can not help but be angry!

For a moment, song Du even forgot about ye Chen's fear of being able to control his nine you poison. He suddenly let out a roar, and his whole body was filled with poisonous gas!

"Poisonous dragon's paw!" Song Du had a violent drink, and the green toxin around him quickly condensed and turned into a green dragon with clear scales and claws.

This poisonous dragon is so lifelike that song Du's poisonous dragon palm is not low!

The poisonous dragon palm itself is an ancient palm technique. Even if it loses its poison, its power should not be underestimated!

In the eyes of the poisonous dragon, a flash of blood flashed, and then rushed to Ye Chen, flying away. It turned out that the dragon was powerful and invincible!

Ye Chen coldly looks at the poisonous dragon flying towards him. His face is still unshaken. He moves his right hand, and the animal decayed sword falls into his hands again!

What! LAN Yufei and others can't help but stare!

Why is Ye Chen holding the sword in his hand again? Isn't he unable to use his sword?

Song Du saw this, and his face changed wildly. His originally pale face suddenly lost his blood. He roared at Ye Chen and said, "bravado, you can't use that sword any more. What's the use of taking out the sword now! Die, ye Chen! Under Laozi's poisonous dragon, turn into dust

"Is it?" Ye Chen doesn't care about it. His whole body is full of murderous spirit, just like the God of death coming from nine secluded places. He holds a long sword and reaps life!

If the sword moves, the sword will shine!

Between the heaven and the earth, it seems that they are all in this flash in the pan, in the flash of the sword light, one is divided into two!

Blue Yufei and others face color, has turned into a horror!

This sword meaning, appeared again!

Ye Chen, he can really use this magic sword technique continuously!

LAN Yufei couldn't help swallowing his saliva. So, ye Chen's strength, now, even he can't determine

"No! No way

Song Du was crazy, so frightened that his spirits would disappear. Where did he manage the tasks of the royal family, and what should he do to make ye Chen's body change and experience despair?

Now, all he wants is escape! Only with the fastest speed, leave this demon general character!

If he had known that ye Chen was such a rebellious existence, the Wang family would have given him the position of the master, and he would not have accepted the task of killing Ye Chen!

Song Du's whole body is green and foggy, which envelops him and escapes to the outside of Shenxin hall, and the speed is not slow at all!

Even, it can be compared with Ye Chen's speed when he uses a hundred steps to drive electricity!

Even, it's even faster than ye Chen, who has used a hundred steps of electricity.

But is it useful?

Song Du's speed is faster than the sword of chopping the sky?

At the moment when ye Chen's sword light appeared, the Dragon disappeared completely, leaving no trace. Then, song Du, who had escaped from the Shenxin palace, exploded into a cloud of blood the next moment.

Even, there is no time to scream!

Even the spirit has been destroyed!

The evil spirit with the horrible Jiuyou poison body was easily killed by Ye Chen and completely disappeared from the world, as if it had never appeared before.

Ye Chen took the sword and was quite satisfied with his own chop.

Just now, the reason why he listened to so much nonsense of song Du, and even held song Du's hand in silence, was that he was adapting to the spirit strengthened by the ninth Princess and using his ultimate sword to cut the sky.

He turned his head and found that Lan Yufei, Chu Xiao and others looked at him and their eyes changed. If ye Chen could only use a sword to cut the sky once, they were confident that they could defeat Ye Chen, or even win easily. Although the sword of chopping the sky is strong, they are confident that they can block it with only one strike.

However, if ye Chen could continue to use this terrible sword technique, it would be totally different. Now, if they fight ye Chen, they can't guarantee that they will defeat him.

Ji Lin came to Ye Chen's side and said seriously, "Ye Chen, if I reach his level, you may not be qualified to use a sword."

"So, work hard, practice your way, and be able to stand loneliness."

"The one named Chu Ying seems to be interested in you, but don't forget my sister. My sister looks better than her."

"Well, the adult world is so complicated."

"You are so fond of pretending that so many people like it..."

Ye Chen:

Chu Ying:

And the emperor of nine you sitting on the main seat coughed.

Now that the three candidates for the mantra have been chosen, it's time for the transition.

Soon, ye Chen, Chu Xiao and LAN Yufei all came to the throne of Jiuyou emperor. Chu Xiao and LAN Yufei saluted respectfully and said, "I have met the emperor of Jiuyou, the imperial concubine, and the nine princesses."

The emperor of Jiuyou said solemnly to the three people:

"the three are all peerless talents. They are willing to help Xiaojiu. Xiaojiu is the benefactor of the royal family of Jiuyou kingdom. No matter whether they succeed or not, they are the distinguished guests of our country of Jiuyou. I thank you in advance."

Imperial concubine Li is also beautiful eyes, water mist together, salute to the three people: "I also thank the three genius, please three genius, must save the poor child."

Ye Chen three people all reply: "I will do my best."

Then, the emperor of nine you said to the servant, "pass on the Yellow offering."

Chapter 2066

Soon, a thin, sallow complexion, with a white goatee, looking rather old, he stepped into the palace of God's heart.

This old man is also a strong man who sealed the door to the top!

As soon as he entered the temple of God's heart, his eyes fell on Ye Chen's three people. Soon, Huang Gong frowned and said to the emperor of Jiuyou:

"Your Majesty, did I not ask you to invite the top 30 talented youths on the Xuan list? These are not among the thirty, are they? "

LAN Yufei and Chu Xiao smell the speech, they are both pale. What's the matter with Huang Gong?

The implication is that you look down on yourself?

After all, they dare not say that they are fengxiaomen.

Ye Chen, on the other hand, is indifferent. He doesn't care whether he worships or not, as long as he can get the body of reciting the devil.

The devil needs it, and he will get it!

The emperor of Jiuyou also said with a wry smile:

"even the country of Jiuyou dare not despise the talents on the mysterious list. Is it so easy to invite them?

Even if they refuse to accept the king, I can't do anything about it. What's more, I can only contact three or four people. It's lucky that Duke Chu and young master LAN can come. "

LAN Yufei and Chu Xiao smell speech, look this just relaxed a minute.

However, the Yellow offering still shook his head and said:

"the emperor of nine you, this matter concerns the life of the nine princesses. You can't be careless. I'm afraid these people don't have the qualification to accept the body of reading demons!"

Said he specially looked at Ye Chen, coldly said: "incomplete God pulse? Yes, but you are still a little too young. With your current strength, it is not enough, far from enough! "

"Oh?" Ye Chen looked at Huang Gong Feng with a little interest and said, "are you so sure?"

"Hum! I don't know the height of heaven and earth. The terror of this demon reading body is beyond your imagination. "

Huang Gong Feng snorted coldly, and regardless of the faces of LAN Yufei and others, he respectfully said to the emperor of Jiuyou:

"Your Majesty, if you can't find a suitable talent, I have a suitable person. Moreover, the old minister has invited him into the palace now."

"Oh?" Hearing this, the emperor of Jiuyou brightened his eyes and asked happily, "who is this? Can Huang gongfeng introduce him first?"

Although I'm sorry for LAN Yufei, ye Chen and others, after all, the life of my daughter is the most important thing. If there is a more suitable person, of course, we should choose that person.

Huang Gong Feng said faintly, "this man is from the kingdom of God."

"Although there are some contradictions between the kingdom of God and Jiuyou, it is ancient times! Now it's about the life of the princess! I think we should clear up the resentment and gratitude... "

"What?" Hearing Huang Gong Feng's words, all the people present except ye Chen exclaimed!

God's genius!

You know, Shenguo warriors are generally extremely mysterious existence!

It is generally impossible to leave the kingdom of God and come outside.

It is said that Jiuyou is not afraid of the divine kingdom in the foreign world. The biggest reason is that the fallen devil emperor set up a nine hell array against the sky in Jiuyou!

With this array, the kingdom of God can't attack Jiuyou!

But if we really talk about power, it's very difficult for the kingdom of nine you to confront the kingdom of God!

Most people have only heard of the strength of the warrior in the kingdom of God.

However, one thing can be sure of is that these warriors are extremely terrifying!

And the emperor of nine you and imperial concubine Li, however, did not have any discontent, even busy way: "quick, quick! Huang gongfeng, please enter the palace

With a trace of pride on his old face, Huang gongfeng glanced at Ye Chen and others, then bowed down and said, "yes, I'm going to invite that genius."

With that, Huang Gong went to the temple of God's heart.

Ye Chen didn't say anything. However, he heard an angry voice from Meixin devil Emperor:

"as the emperor of nine you, he should have such an attitude towards the kingdom of God

"Perhaps, such a person is not qualified to be in charge of Jiuyou!"

"The one who is in charge of Jiuyou must have the arrogance of heaven and earth and not be afraid of everything."

"This person is not qualified at all! Not worthy of being emperor

"Boy, would you like to take charge of Jiuyou?"

Ye Chen grinned bitterly. No matter how the emperor of nine you said, it was too empty. He did not dare to seize power.

Soon, two figures came out of the hall.

One, of course, is Huang Gong.

The other person, at the moment of his appearance, attracted the eyes of all the people in the temple of God's heart, including Ye Chen.

Outside the hall of God's heart came a young man in his twenties. His face was beautiful, his lips were bright, his eyebrows were bright.

However, his mouth, but with a trace of arrogant smile, as if everything in the world, in his eyes are just toys. He was wearing a black robe of peculiar material, on which was engraved a strange rune, which seemed to contain some mysterious power.

What is more shocking is that this young man, awe inspiring, has already been a strong seal!

The breath on the body is even close to sealing the door for three days!

So grade and cultivation, than Lan Yu Fei and Chu Xiao, amazing!

This qualification, too terrible!

Even LAN Yufei and Chu Xiao are always proud of their aptitude. They think that the speed of their practice is far away from the past. But when they see the youth, their eyes are dim.

Although it is less than a few years old, this time has been able to change a lot for talents like them!

After entering the hall, the youth of the kingdom of God came to the throne of emperor Jiuyou with a smile and casually saluted: "I've met the emperor of Jiuyou. My name is Muye. I'm the shepherd of Shenguo."

It seems that he has no respect for the emperor of Jiuyou in Taixu.

After all, in the eyes of the people in the kingdom of God, the warriors outside the kingdom of God are just inferior people, even the emperor of Jiuyou.

The ancient devil emperor fell into the hands of their gods.

The people of the kingdom of God have enough pride!

Muye is not afraid of the emperor of Jiuyou. He has a way to deal with him.

What about the emperor of Jiuyou in front of Muye?

In the kingdom of Jiuyou, the king with the most respected status did not show any anger at the attitude of the cynical youth. Instead, he said to him kindly:

"It's master Muye. Welcome to the kingdom of Jiuyou."

Ye Chen saw this scene, and her eyes were also disappointed.

He finally understood the words of the devil.

The devil Kingdom has changed, Jiuyou and the demons have changed.

When the devil is away, the remaining power gradually dissipates.

The pride of the devil has disappeared!

Not only the devil emperor was cold, but ye Chen was also cold.

Chapter 2067

Then, the emperor of Jiuyou turned to Huang Gong and said, "good, good, Huang Gong. Prepare for the transfer ceremony quickly."

Huang Gong Feng smilingly nodded: "yes, I'm going to prepare now."

But at this time, the divine genius Muye suddenly said, "wait!"

Although Muye stopped Jiuyou emperor, Jiuyou emperor still asked with a smile: "how? Do you have any other requirements? "

Muye nodded his head and said, "I can do it, but I have a condition."

The emperor of Jiuyou said, "please tell me, but do you need any reward?"

"Reward?" Makino's delicate face showed a smile and said, "do you mean that the resources of your nine secluded country are more abundant than those of our kingdom of gods? I'll come to your country of nine secluded places to ask for my reward? "

"If the ancient nine you, I may be interested in a bit, but now, nine you is not that nine you, outside rumors that nine you can fight against the kingdom of God, the emperor of nine you, feel really qualified to fight?"

Disrespectful! Great disrespect! This mu ye, unexpectedly, is directly against the emperor of nine you!

Even the emperor of Jiuyou, who had been so kind just now, flashed a chill on his face. Usually, who dares to talk to him like this?

However, in the face of this pastoral area, the emperor of Jiuyou still tolerated!

God's family, he doesn't want to make enemies!

The kingdom of Jiuyou only wants peace!

The former Emperor of nine you may want to revenge for the evil emperor!

But to his generation, he just wants to protect the nine secluded country!

The emperor of nine you suppressed his anger and thought of the nine princess's illness and said, "this is not the king's intention. Please tell me, master mu. What do you want?"

Muye chuckled: "it's nothing. It's a simple thing."

Said, his eyes suddenly a cold, look to blue Yu fly, Chu Xiao and ye Chen way: "let these people, get out of here, they, have no qualification to stand with me!"

This time, Chu Xiao and others, finally can't bear it! It's a complete explosion!

What about God's genius? Your talent is good, but, your realm, and our gap is not big, dare to insult like this?

If they can bear it, they will not be the genius on the list!

Chu Xiao a pair of eyes son burning to kill meaning, sneer way: "Mu childe? Do you think highly of yourself

LAN Yufei also said coldly, "we are not qualified? Shepherd, although you are a genius in the kingdom of God, are you sure that you are qualified to speak to us like this?

If I'm not mistaken, your accomplishments are not as good as I'm waiting for them? "

Ye Chen did not speak, but looking at Mu Ye's eyes, it was also cold to the extreme.

This comes from the anger of Meixin devil emperor.

Moreover, for the body of reading the devil, he is bound to get it. Even the genius of the kingdom of God can not block his way!

"This..." The emperor of Jiuyou also hesitated. After all, LAN Yufei and others were invited by him. He just spoke up to them and said that they were distinguished guests of the country of nine you. Now, they turn their faces and refuse to recognize people?

In this way, there is no doubt that Lan Yu will fly a few people, offend to death.

You know, all the talented people on the mysterious list have the possibility of advancing into the too empty state. Each of them should not be underestimated. If in the future, some of them will really advance to be too empty and surpass themselves.

The consequences are serious!

Moye smell speech, coldly swept Chu Xiao and blue Yu fly one eye, light way: "I give you a chance, oneself roll."

"What are you talking about?"

"Hehe, let me go? You don't deserve it

Chu Xiao and LAN Yufei are both breathing together. They suddenly burst into a towering momentum in the temple of God's heart. They can't bear it any longer. They have to fight against Muye directly!

At this time, the emperor of nine you suddenly drank and said, "stop it all!"

As he said this, he broke out completely. In an instant, he lost the breath of Chu Xiao and LAN Yufei. When they looked at the emperor of Jiuyou, they could not help but flash a little panic.

Those who are strong in Taixu are really terrible!

Even though both of them are peerless geniuses and are expected to advance to the Taixu realm, now, if the emperor of Jiuyou wants to kill them, it will not take much effort?

The emperor of nine you looked at several people and sighed: "in this case, then, let's have another martial arts performance. The loser will leave the temple of God's heart!"

In fact, in his heart, he has decided to let Muye carry out the ceremony and accept the body of reading the devil. However, he can't drive LAN Yufei and others away because of Muye's words?

Or to give LAN Yufei and others a step down.

This is the way of kings.

The kingdom of Jiuyou is no longer a powerful country in the legend. It is necessary to be careful not only of the king and the devil of the demon clan, but also of the kingdom of God, which is troublesome.

However, Makino is not satisfied. His face looks unhappy, and his cold voice rings out: "trouble, this kind of person is not worth our efforts from the kingdom of God..." As soon as he wanted to say something, a voice rang out in the hall of God's heart.

"Oh? Divine genius? What can I do for you? If you are afraid, you can not compare

"Then, get out of this nine secluded country!"

Ye Chen's voice!

Ye Chen finished saying, the whole God heart hall, completely fell into the dead silence!

Huang Gong and the emperor of Jiuyou, Li HuangFei, were shocked and unbelievable at first. Then, they looked at Ye Chen with anger on their faces!

Although the practice of martial arts was proposed by the emperor of Jiuyou, they were afraid that ye Chen would provoke Muye so much. In case that Muye was not happy, what should they do?

Ye Chen looks at the faces of the emperor of Jiuyou and others, and sneers at him. What hidden power is it? The royal family of the kingdom of Jiuyou? These people, too.

The foundation established by the devil emperor is destroyed by these people!

The emperor of Jiuyou and Huang Gong Feng are really surprised and angry. Ye Chen is so brave. How could they have never thought that the man who made chemical weapons would really dare to speak ill of the people of the kingdom of God who sealed the door?

They even began to regret, let Ye Chen stay in the temple of God's heart!

Huang Gong Feng stares at Ye Chen with trembling all over his body. Muye was contacted by him with all his efforts. Finally, he invited Muye to Jiuyou kingdom. I don't know how much he paid.

If Muye succeeded in saving the nine princesses, and the emperor of Jiuyou climbed into the relationship with the kingdom of God through Muye, his status in the kingdom of Jiuyou will undoubtedly rise, and become the existence of more than ten thousand people under one person!

As for the kingdom of God is the enemy of the evil emperor, that is ancient times, and what is the matter now?

He now, can't even wish to kill Ye Chen directly!

However, the divine genius Muye's face was extremely cold in an instant. Outside the kingdom of God, someone dared to speak to him like this?

Chapter 2068

Br > "br >, and then he turned to me with a cold smile

"It's really against the weather, but in my eyes, it's just so!"

The emperor of nine you quickly said in a cold voice, "Ye Chen, apologize."

"Oh? You want me to apologize to him? " Ye Chen looks expressionless and sweeps the emperor of nine you.

Suddenly, step out! The evil spirit is rolling, the momentum is released!

"As the emperor of Jiuyou, you don't know what is Jiuyou and what is the devil!"

"The devil is fighting against the kingdom of God at the cost of his life!"

"But you are trying to climb to the kingdom of God

"You are not worthy of being emperor! Not worthy to be in charge of Jiuyou! "

At this moment, the world is silent!

No one would have thought that someone would dare to insult the emperor in the kingdom of Jiuyou!

Not worthy of being emperor!

Throughout ancient times to now, no one dares to speak!

And ye Chen actually said it!

Madman!

A complete madman!

Chu Ying's heart thump, this is over.

The face of the emperor of nine you changed suddenly. The tyranny of Taixu was rampant. His hair was erect and he was still angry!

If Makino offends Wang Wei, forget it!

People have backgrounds and identities, but what are you, ye Chen?

Just a college student in Lingwu land, or the weakest Shenhua college, dare to speak to the emperor of Jiuyou like this?

"Ye Chen, you are presumptuous The emperor of nine you roared at Ye Chen.

"Presumptuous?" Ye Chen, with a sneer on his face, has scorned the emperor of nine you.

"What if I'm presumptuous? You have the seed to hit me? "

"You, you, you..." The emperor of nine you was so mad by Ye Chen that he stretched out his finger and pointed to Ye Chen. His whole body was shaking and even said three words of you!

What's more, the fingers are surrounded by the supernatural spirit!

One finger can kill Ye Chen!

However, when the emperor of Jiuyou was about to make a move, ye Chen spread out his hand and cried out: "do you know this Rune! How dare you do it to me

At the next moment, the emperor of nine you regained all his strength, and his eyes widened as if to burst!

Because he found that ye Chen had nine you emperor Fu in his hand!

There can be no second person to own this talisman except him!

How could it be!

Who is this man!

People looked at the face of the emperor of nine you, and they were puzzled.

Ye Chen so contradicts, the emperor of nine you do not start?

Muye, however, frowned and said to the emperor of Jiuyou: "the emperor of Jiuyou, why don't you do it?"

The emperor of Jiuyou suppressed his shock and said, "I can't do it I also ask the shepherd to promise to practice martial arts. "

Muye hesitated for a moment, or said: "good, this childe, sell you nine you emperor a face, accept what you said to practice martial arts."

Muye looks at Ye Chen's eyes, is incomparably cold, as if he is about to bring ye Chen's life into an endless abyss.

There are several reasons why he accepted the advice of emperor Jiuyou.

First of all, he didn't want to kill Ye Chen directly. Instead, he wanted to engrave the mark of slaves on Ye Chen, so that ye Chen could live forever and bear the humiliation. As a result, he offended himself.

In the future, ye Chen will come to the kingdom of God one day, and he will not change his status as a low-class person. Even worse, he will be more miserable and thorough than a low-level person. He will live like a dog!

And you can get a slave, isn't it better than killing him directly? Why not?

Secondly, if he doesn't know about ye Chen's imprint, he'll forget it. However, if he already knows, he will put a slave mark on Ye Chen, and if he is tracked down by a god envoy, he will not be able to account for it.

Therefore, he wants to use the name of Jiuyou emperor to deal with Ye Chen in the name of practicing martial arts. After that, he will shift the responsibility to the emperor of Jiuyou.

This pastoral area is really insidious and vicious to the extreme!

At this time, Chu Xiao and LAN Yufei looked at each other and saw the solemnity in each other's eyes. They knew that although Muye was arrogant, his strength was absolutely strong.

The next moment, Chu Xiao and LAN Yufei, unexpectedly at the same time a violent drink, agreed to the same hand!

Chu Xiao's hands turned, and there was a long spear full of gold in his hands. There was a gorgeous spear wrapped by dragon shadow. It was a real artifact!

And Chu Xiao's whole body breath rolls wildly, condenses on the long spear, the gun intention is agitated, the whole person actually seems to be in one with the long gun in hand, the Dragon shadow on the long spear also congeals instantly, accompanies Chu Xiao a gun to shoot out, sends out a thundering dragon chant!

"Tianlong gun!" Chuxiao drinks violently and points his spear at Muye's temple. It's like thunder! LAN Yufei was not weak at all. A dark blue flame burst out from his back, but turned into three pairs of blue flame wings. Under the reflection of the blue flame, LAN Yufei's breath suddenly changed, and even sent out a divine breath.

"God blue fire rain!"

LAN Yufei's hands moved, holding a handle, the same burning blue flame, engraved with countless mysterious inscriptions, full of a high bow!

Hand with bow string, pull hard, spiritual power whistling, instant shot by the blue flame formed by the sky arrow rain!

Although there were many arrows, they were controlled to the top of the mountain. They cooperated with Chu Xiao's spear and blocked all the escape routes of Muye!

Although it is the first time for the two people to join hands, but its cooperation, can be called seamless!

Even the emperor of Jiuyou in the Taixu realm saw Chu Xiao and LAN Yufei, the two peerless talents on the Xuan list, who launched such fierce attacks together, could not help but show a trace of horror.

He knew that Muye was very strong, but his cultivation was still a little lower than that of the two.

The higher the realm, the greater the gap between each level of small realm!

What's more, it's a joint attack by two talented people who are higher than Muye's realm, have the fighting power beyond the realm and have unlimited potential?

Muye's eyes swept over the sky and the Dragon spear of Chu Xiao. His face did not change at all. Even, a faint disdain flashed through his eyes!

But at this moment, Muye even stood in the same place with his hands on his back, without the slightest intention of dodging!

And the blue Yu flies and Chu Xiao sees the appearance, is the face present joyful color!

They are confident in their attack power. If the herdsmen are arrogant and don't avoid it, their chances of winning will be greatly increased!

"Ignorant fool! Give it to me

At the next moment, Muye suddenly gives out a big drink, and an invisible wave spreads from Muye. LAN Yufei and chuxiao, who were originally happy on their faces, are suddenly solidified!

Chapter 2069

And that all over the sky arrow rain, and Chu Xiao's gun flying dragon, are at the same time, collapse and dissipation!

Ye Chen's pupil shrinks. What did Muye do just now?

Suddenly came to the sky, and Murano was more miserable than before!

In the seven orifices of the two men, blood gushed wildly. They turned over and fell to the ground, completely fainted, and the original surging breath became as if nothing had happened!

These two talents on the Xuan list were seriously injured and dying under the attack of Muye!

Makino disdains to look at these two people, this is, the gap between them!

Soon, he turned to look at Ye Chen with a smile on his face and said with a smile, "now, it's you."

Huang Gong Feng and Jiuyou emperor are both shocked to see Muye. The people of the kingdom of God are worthy of being the people of the kingdom of God. The strength of Muye is far beyond their expectation!

Cross border fighting, people of the kingdom of God, too strong!

It was no effort to defeat Chu Xiao and LAN Yufei!

Is this strength still a strong one?

Ye Chen, now in their eyes, is already a dead man.

Although the emperor of Jiuyou was surprised at the nine you emperor Fu, there was even a glimmer of pleasure in the tiger's eyes. Ye Chen had offended himself just now, but he could not move Ye Chen himself. He had held his breath in his heart.

Did not expect, so soon, you can see ye Chen, pay the price!

Now, the more he looks at the pastoral area, the more pleasing he is. Even though he has offended himself repeatedly before, he doesn't care. In the heart of the emperor of Jiuyou, Muye is a man of God. Of course, he has privileges.

If I gaze at muyeo just now, it's just the wind in my heart

Fengqingyang sneered: "yes, he used the mind attack. This pastoral area is actually a martial arts major in spirit!"

Ye Chen quite dignified way: "what is the difference between his attack and my spirit attack?"

Feng Qingyang said: "naturally, you can use some spirit attack, but it is not an authentic method of soul cultivation. The soul skill used in real soul cultivation is much more subtle than the spirit attack you use. For example, the Muye just used a kind of soul skill, but..."

Ye Chen said, "what's the matter?"

Feng Qingyang said with a smile: "boy, soul cultivation is a very powerful existence on the land of Lingwu. After all, there are not many means to restrain soul cultivation in this land of Lingwu.

However, if you say, what you are afraid of most is soul cultivation. With me and the devil emperor guarding the sea of knowledge, you can rely on the soul cultivation of Lingwu land? It can't hurt you at all

Ye Chen is glad to hear the speech. Originally, the soul skill of pastoral area makes him feel quite troublesome. In this way, there is no need to worry about it!

However, the wind was clear and the voice sank: "however, you must not be careless. The guy from the kingdom of God still has some strength. I will give you some strength after a fight. It is not convenient for the devil emperor to attack.

The man of the kingdom of God will certainly want to crush you with soul skill, but he can't imagine that his soul skill will be useless to you!

When the time comes, use the strongest strength of you and I to display a sword, and take advantage of its unprepared, seriously injured it! In this way, you have a better chance to win

"Still use a sword to cut the sky?" Ye Chen Dao.

"Since I have my strength, I will teach you the second sword."

"I am the God of six swords. I have six swords shaking the sky! The first sword is to cut the sky. Today, I will teach you the second sword!

The sword of burning the sky

"Good!" Ye Chen's eyes twinkle, the war spirit burns, the divine genius?

Today is his first step towards the kingdom of God!

At this time, Muye did not rush to Ye Chen, but said with a smile: "what's your name? Chenye? Now, you see the end of these two, and have the courage to speak to me? "

Just when everyone was waiting for ye Chen to be humiliated, ye Chen did not change his look. He took a look at the pastoral area and said, "how about the kingdom of God? In my eyes, I still want to die."

Silence, like the eternal ice sheet of silence, cold.

The air in the temple of God's heart is completely frozen by Ye Chen's words!

Even Huang Gong and the emperor of Jiuyou are completely sluggish.

This sentence, no doubt, is an insult to the divine genius!

What's more, it's a terrible insult!

Even the emperor of Jiuyou had to bow his head and have a pleasant dialogue with Muye in the face of his disrespectful words. But now, it seems that the man in the frontier of creation, who does not know why he is afraid, actually talks to Muye in this way?

Even Muye was a little stunned. He thought that ye Chen, after seeing his own strength, would become like a dog and endure his insults. But?Ye Chen, scold oneself unexpectedly?

Makino, can no longer maintain that relaxed and indifferent look, but angry, thoroughly earthquake angry!

The temple of God's heart will be directly ignited by the anger of Muye!

Ye Chen sneered: "this is Jiuyou, not the kingdom of God."

"In those days, the evil emperor could suppress many powerful men in the kingdom of God."

"Today, I, ye Chen, can do the same!"

Muye's beautiful face, completely red!

His brain was suddenly detonated by a group of cold anger, which contains the extreme to the extreme killing intention!

Muye looks at Ye Chen in a secluded way. He looks like a sickle sword of the God of death and locks it firmly. Then, he bursts into a low drink: "lock God kill!"

He even forgot to mark Ye Chen as a slave. It was endless, as if it could be filled with the killing intention of the whole universe. It was directly transformed into a powerful soul skill through his spirit condensation, and directly cut the sea of knowledge of Ye Chen!

Muye is a soul cultivation. Soul cultivation is extremely rare on the land of Lingwu, but it is not so rare in the kingdom of gods. The power of soul cultivation focuses on the spirit, and its power depends not on the level of cultivation, but on the strength of spirit.

Although Muye's cultivation is only the realm of sealing the door, its spirit strength is comparable to that of the later period of sealing doors on the Lingwu continent!

As for ye Chen?

Perhaps, he is really gifted and strong, and can be recognized by the mark. But can his spirit be compared with that of Makino?

Naturally, it's impossible.

However, the next moment, Makino's smile, frozen.

What he saw was not ye Chen's miserable situation, but a brilliant sword light!

The light of the sword swirls around the flame!

The sky of the nine secluded Kingdom seems to be burned by fire!

This is the light of a sword burning the sky!

Burn not only the sky, but also the face of the kingdom of God!

Chapter 2070

The sword light of burning sky sword has split time and space and shocked everyone's eyes!

"How could that be possible!"

Moye exclaimed, ye Chen in his own most powerful soul skills, lock God kill a blow, how did not die?

What's more, it's not dead!

Even, he cut out this extremely strong sword!

It's a powerful sword!

This sword technique is not simple! Even from the perspective of Makino, this is a very strange and powerful sword that even he can't see through!

Although Ye Chen can only cultivate in the realm of creation, this sword, at least, has the attack power of fengmenjing!

Muye is finally flustered. If he is facing the enemy head-on, though the sword technique is terrible, he is not unable to resolve it. After all, his cultivation is much higher than ye Chen.

But now, after his carelessness, he has no time to defend himself!

Muye can only in a hurry, inspired a defense artifact, artifact released a white light, in the critical moment, can cover the body of Muye!

The next moment, a roar, startling the sky!

The whole hall, shake again!

Even after countless blessings, the hardness of the God's heart hall is as hard as gold and dark iron!

Then there was the scream!

Makino's scream!

"Ah, ah, ah!!! It's so painful, so painful! "

The crowd fixed their eyes and saw that the Muye was flying back and covering his chest.

In front of his chest, the blood is dripping, the flesh and blood are cracked, and the bones appear suddenly!

It was Ye Chen's sword that cut out a terrible wound!

Even though Muye defends at the last moment, he is seriously injured by Ye Chen's sword because of too much haste!

The emperor of Jiuyou and Huang Gong were completely shocked. They could only open their mouths and look at the scene in front of them.

Their thinking will be stagnant.

They are strong, have lived for tens of thousands of years, have seen countless talents in their life, but even from their perspective, the divine genius pastoral area is absolutely contrary to the heaven.

Although the kingdom of God is in Lingwu, compared with Lingwu, it is simply two worlds.

The environment, resources, inheritance, and even the qualifications of the people in the kingdom of God are not warriors outside the kingdom of God, which can be imagined.

However, the extremely strong and rebellious Mu Ye was cut and wounded by Ye Chen, a martial artist in the natural environment?

Their brain is completely confused, do not understand, what they see, is real or illusory!

In short, their self righteous judgment has been completely trampled on by Ye Chen!

"Damn it! Damn it

Muye, like a wild animal with mad hair, stares at Ye Chen: "you dare to hurt me! You mean boy, how dare you hurt me? You will regret it. I must cut off your flesh and blood one by one, and let you die in despair in the abyss of pain

He pastures wild, from small to big, almost has not been injured!

Now, however, he was injured in the hands of a god foreign mole ant, which made him angry to the blood, broke his skull and came out!

Gas! Why not angry!

Muye, it's going to be burned to ashes by his own anger!

However, the more angry Makino is, the more he does not believe in evil. Just now, his soul skill somehow failed. However, he just didn't believe that ye Chen could eat his soul skill completely!

Muye angrily scolded: "kill me! Lock the soul

It's very strong to kill like a sharp sword. It melts the power of God's mind. It's quick to kill and take ye Chen's head!

Ye Chen has a sneer on his face. He has the wind and the devil in his face. For ye Chen, what nonsense soul skill is just scratching. The more Mu Ye uses the soul skill, the safer he is!

"Cut the sky! Both immortal Ye Chen suddenly drinks a sound, is a sword to cut out again, the sword light Lin lie, the sword meaning startles the sky! The meaning of immortality spreads out!

Muye's pupil shrinks. This time, he learned to be good. He completely unfolded his artifact defense. A white light shield floated in front of him, and his spirit power swarmed into it!

Boom!

The sword light cuts on the big shield. It actually cuts the big shield completely!

Muye's face changed, and his Qi and blood surged in his body. He stepped back several steps. At this time, the right hand that called out the big shield was blood!

Ye Chen's swordsmanship is still ahead of his expectation!

In itself, although he has the strength to seal the door, his strongest place is his spirit, general martial arts, magic power, physical quality and so on, which are not the strengths of Makino!

That's why he was able to fight two blocked goals in one move.

Lost the spirit attack, he is nothing!

The worst thing is that at the beginning, he was hit by Ye Chen's extremely strong sword. Now he is seriously injured, and his strength can only play out less than 30%!However, compared with these, Makino is more desperate. After he displays his soul skills again, ye Chen still stands in front of him!

Don't say it was killed, not even a little bit of injury!

"It's impossible! It's impossible! It must be fake, you boy, you must be supporting! How can you resist my soul skill? "

Makino is going crazy and growls.

Even in the kingdom of God, he has never heard of the existence of immunity to soul skills! What strange monster is Ye Chen?

A normal person should have been killed by his soul skill!

As a soul cultivation, he can feel Ye Chen's spirit is very strong, which is almost no worse than that of a strong seal. In terms of the realm of creation, even the herdsman also feel the existence of demons. However, in terms of the realm of creation, is he pastoral the realm of creation?

He pastures the wild, but he is a real martial arts man in the gate!

His spirit, I don't know how many times stronger than ye Chen, but even so, his soul skill still can't hurt Ye Chen. This is not logical at all!

Soul cultivation itself is a kind of transcendental existence, even in the kingdom of gods. After all, soul skill is very difficult to defend.

If it's true, there are people like Ye Chen who can be immune to soul skills. Who else would become soul cultivation?

Ye Chen sneered and said, "what? God genius, also afraid? Didn't I tell you that if you're afraid, you can't compare it? "

Say, ye Chen is a sword to cut!

"Damn it!" Muye angrily scolded, but now he really dare not continue to use soul skill to Ye Chen.

If ye Chen is cut down with this terrible sword technique, even he can't bear it!

He is not a fool, because ye Chen is provocative and uses the soul skill that cannot be effective.

In the face of Ye Chen's sword, Muye turns his wrist and a long white sword falls into his hand. On this sword, there is a holy air!

At the same time, all kinds of strange inscriptions twinkle in the body of the sword. The inscriptions are very similar to those seen by Ye Chen in Shenxue district!
