

Physician 2471

Chapter 2471

However, as he stepped down from the fighting field, several envoys of third and fourth class forces came forward.

These powerful men, far higher than the unknown, saluted the nameless one after another. Long Chen, a young patriarch from the third-class sect, said, "master Ling, even if the boy named Ye Chen has passed the examination, we will never accept such a person!"

The saint son of tulimen and the childe of thousands of families also echoed: "I will never accept him from tulimen!"

"It's the same with every family. Even if you find a dog to watch the door, you won't take ye Chen!"

Astonished!

Tens of millions of people are shocked!

This is clearly flattering!

These powerful forces, unexpectedly, have courted Ling jiuxiao one after another?

It can be seen that the quality of lingjiuxiao is so excellent!

Unknown smell speech, but just a light smile, look quite enjoy, this is the treatment that has God body he should!

But originally, a crowd of audience was also shocked by Ye Chen's sudden outburst of killing intention. But looking at Ye Chen now in a state of confusion and convergence, the eyes towards Ye Chen are full of contempt and contempt again!

Plus the contrast with the nameless, it's just, day by day!

Moreover, the present Ye Chen, although still remains in the fighting field, but basically has already finished, and out of the game is no different.

Why?

These audience, do not know the top power, came to participate in the selection, and the three or four forces, have all said no to Ye Chen, not out of the game is what?

Lingjiuxiao's words, unexpectedly, cut off a contestant's future!

Many people can't help but sneer!

Everyone likes it! The kingdom of God is merciless to the weak!

"Hehe? Incompetence and rage? "

"Kill? You can't even touch that genius with such rubbish? And kill? "

"It's too much for me, stupid to the extreme!"

"Always just a clown, not worth mentioning."

"At 80 meters, you're going to die, you're going to burst blood all over your body, and you're going to challenge the genius who is close to magic iron?"

Gu Lao shakes his head and is absolutely sure that ye Chen is not pretending to do it, but that it is very difficult to even take a step at this 80 meter position. Otherwise, with Ye Chen's killing intention just now, he should rush to the competitor who is close to the magic iron at all costs.

Ye Chen's eyes are full of anger, but, he can't break out, he wants to kill the unknown, there is still a chance to absorb the extremely evil spirit, just once!

Moreover, only by absorbing the extremely evil spirit, can he be more sure to kill the nameless!

He quietly toward the magic iron forward, all the time, as if in a limit state, time passes by minute by second.

A crowd of spectators, as well as the contestants who were promoted, complained in succession: "how long will it take for this boy to act as a clown?"

"He's a born actor, but after watching it for so long, he's tired. It's time to let him go."

"To let him participate in the competition is an insult to the selection contest and to other players!"

At this time, ye Chen has just reached 60 meters

It's a long way from promotion.

Although there was no strict time limit for the physical examination, Wen Tianli stood up and went outside the attic.

He is ready to terminate the competition. Even though ye Chen is seriously carrying out the competition, he is not deliberately delaying time and grandstanding. However, as the host of the competition, he can not let so many people wait for ye Chen.

Moreover, ye Chen in 60 meters, already so unbearable, is there any hope of promotion?

Not one in a hundred billion, right?

As long as he put away the magic iron, ye Chen naturally has nothing to continue

Then, ye Chen's previous efforts will fall short of success. They will lose the opportunity to absorb the extremely evil spirit, the opportunity to join the top forces, and even the opportunity to revenge on the unknown!

Just when Wen Tianli was ready to take back the magic iron and finish the first round of body test, Tu Lan Xin behind him suddenly said, "wait a minute."

Very beautiful, but also extremely cold female voice.

Falling in Wen Tianli's ear, he couldn't help but tremble. He turned back and asked, "what's wrong with fairy?"

Tu LAN heart gazed at Ye Chen's figure and said without emotion: "I want to go on and have a look."

She didn't explain anything, she just said she wanted to see it.

But even so, Wen Tianli was embarrassed because he didn't know how to refuse, and he didn't dare to refuse!

After a moment's hesitation, he still grinned and returned to his seat.

Tu LAN wants to see, let everyone wait?

That's right! Even if it's 10000 years, we have to wait!

Tu Lanxin's strength and status are unimaginable!

Time goes by, in a flash, half an hour has passed! But at this time, many people look at Ye Chen, complexion, has become a little strange.

Why?

Because, ye Chen now, although each step out, or quite laborious appearance, but, compared to one of the beginning, but to more relaxed appearance?

This is fundamentally contrary to the logic of normal people?

What's more, people can't believe that ye Chen, who they despise and even think he will die in the body test, has already broken through 20 meters and is heading for 10 meters!

It's already, more than a lot of contestants!

Clearly, he should have fallen, should have reached the limit, but why, still moving forward?

People don't understand

At this time, an audience suddenly frowned and said, "do you feel that the oppressive sense of magic iron has weakened?"

The evil spirit of this magic iron is very strong. Even though they are separated from the protective light curtain and are far away from each other, they can still feel a great sense of depression. But now some people feel that the pressure of magic iron on them seems to be weakening?

A man next to him retorted, "weakened? How can it get weaker? This magic iron is extremely strange. It has an extraordinary origin. It has not weakened for tens of thousands of years. "

"Yes, you should be used to this evil spirit, so your body is not so sensitive."

People nodded to agree, magic iron so easy to weaken, how to test?

The man also nodded, only his own feelings, as an illusion.

But some people don't think so

Wen Tianli stood up at once and looked at Ye Chen in great shock. He not only felt that the evil spirit of magic iron was weakened, but also, with his cultivation, he could already perceive that the evil spirit was flowing towards Ye Chen!

What does that mean?

That is to say, ye Chen, is absorbing that terrible evil spirit!

Ordinary martial arts can only resist the extremely evil spirit. Even a super strong man like him can't absorb it even though he is not afraid of this evil spirit! Forced absorption, only to their own body, causing great damage!

Chapter 2472

And ye Chen, the martial arts man who only sealed the door, could absorb extremely evil Qi? It's unbelievable!

Wen Tianli's mind suddenly flashed what ye Chen said to him before the physical examination

If the magic iron is damaged, what to do?

"Not good!" Wen Tianli's face changed, he would rush out of the attic and take back the magic iron!

Although he told ye Chen that if he destroyed the magic iron, he did not need to be responsible, but the magic iron, in the final analysis, is a treasure of the divine alliance! How can it be said that destruction is destroyed? He said that just because he felt that the magic iron would not even be damaged by the competitors!

But now, ye Chen is absorbing that evil spirit?

Extremely evil spirit, but the root of the magic iron. If you lose the extremely evil spirit, the evil iron will turn into powder in an instant?

Just as Wen Tianli was about to make a move, Tu Lanxin's voice rang out again!

"Mr. Wen, didn't you say that in the course of the competition, the magic iron was damaged without the responsibility of the competitors?"

Wen Tianli, with a face on his face, immediately began to cry. He did say that, but if this matter was known by Shenmeng, he would not be better

However, when Tu Lanxin said this, Wen Tianli had to sigh and sit down again. After all, he was not the kind of person who would turn back at will, even if it was just a casual remark.

Now I can only pray that ye Chen's body has reached the limit and quit the competition immediately

At this time, ye Chen is full of ecstatic color, successful, really successful, the blood of God ape in the body, thoroughly activated, and tempered into their own bone marrow!

The effect is better than what ye Chen imagined!

Now, even if he doesn't use the power of breaking the sky, he can barely bear the weight of the green lotus sky destroying sword. Of course, if he wants to use it freely, he still needs to use the power of breaking the sky.

However, even so, it is much easier than at first, I don't know how many times! Moreover, the body has been able to take the initiative to swallow that extremely evil spirit!

Most of all, he's not to the limit!

His footstep moves, whole body strength, all excited come out, stride toward magic iron!

One step, two steps, three steps

Ye Chen's steps are faster and faster. After ten breaths, he strides over the distance of ten meters in the eyes of the audience!

How could that be possible?

How can a waste that has reached the limit of 80-90 meters pass through 10 meters and be promoted smoothly?

What's more, what's more moving is that ye Chen still doesn't retreat after breaking through 10 meters, but keeps moving forward!

Forward, forward, forward!

Nine meters, over

Eight meters, over

Seven meters, go!!!

Ye Chen, this is not just promotion! Even if ye Chen stops now, he is already the third in the test!

People only feel that their face is burning and painful! It seems to have been puffed up!

Just now, they scorn and ridicule all ye Chen. Now, they are severely thrown in their faces!

Clown?

If we talk about the clowns, they are the real clowns!

Yin Ming and Gu Lao, at this time, also excited!

Ye Chen now's performance, and the beginning, the gap is too big! Reversal, too strong!

The deepest feeling is that they are worried about ye Chen all the time!

Among the crowd, a veiled girl smiles.

It's quite a city.

"This guy It's still the same. "

"It seems that he is going to absorb the evil spirit."

"This is really the first person of all time."

Six meters, five meters, four meters

"No way!"

Yuan Lu exclaimed and looked at Ye Chen in disbelief. At this time, ye Chen had already reached the position of three meters. This is his record!

A seal door exists, unexpectedly, and he arrived at the same position?

However, after three meters, ye Chen finally stopped. Yuan Lu and the audience were also slightly relieved

Fortunately, to three meters finally stopped, or Ye Chen really want to refresh their thinking limit!

Even nameless, but also slightly frown, at the same time, the killing in the eyes is more rich!

Ha ha, is talent outstanding?

Ye Chen's talent is good, however, no matter how strong, can he be the opponent of his divine body?

Ye Chen is not even qualified to compare with himself!

However, the stronger Ye Chen's talent, the more damned he is! He is nameless, is to create brilliant existence in the kingdom of God, and ye Chen is a stain in his glory. Even if there is only a tiny possibility that ye Chen can destroy his myth, he will not allow Ye Chen to live in this world!

Wen Tianli, also a light breath, is it over? Fortunately, now, the extremely evil spirit of magic iron, although less than a point, the impact is not particularly big.

Can, the next moment Wen Tianli's face suddenly changed!

Why?

Because he clearly felt that the extremely evil spirit was weakened!

The distance between the three magic leaves is the beginning?

Extremely evil spirit, quickly began to decay, this is not only Wen Tianli, but also the participants and audience present, all feel it!

"Well, the evil spirit is really getting weaker!" A spectator said softly.

Another person suddenly showed a sudden realization of the expression and said: "is it because the boy's evil spirit weakened that he came here?"

"Probably, do you remember what he asked Wen before? Maybe he has some means to restrain his evil spirit

"The reason why he stayed up so long at the beginning might be that he had to wait for others to leave!"

People have to understand the color, look at Ye Chen's eyes, and again with disdain.

The reason why nameless can restrain evil spirit is that his spirit forbidden Dharma body belongs to his constitution. Does Ye Chen have a divine body?

Obviously not, then ye Chen can weaken the evil spirit, must have used what cheating means!

Soon, ye Chen's step, again, the reason why he stopped in the three meters position, but first adapt to some, really want to absorb, naturally is the closer the distance, the faster the speed!

Ye Chen not only has zero distance with magic iron, but also holds the magic iron in the eyes of all people!

That's magic iron!

Just send out evil spirit, can directly shock and kill martial arts talent, let alone directly grasp!

But ye Chen, just do it!

What's more, whoosh, that terrible evil spirit, it was an instant whistling, as if met a nemesis in general!

After a few breaths, there is a crash. In Ye Chen's hand, the magic iron, which has been handed down for tens of thousands of years, has witnessed the rise of countless talents. The magic iron, one of the most precious treasures of the alliance of gods, has turned into powder in front of the eyes of the public, and has gone away with it

And that extremely evil spirit naturally dissipated

Stupid eyes, completely stupid eyes

What's going on?

Even if, ye Chen can use what means to suppress extremely evil spirit, but also not as, this magic iron, directly into powder?

Under this, even the fool can see that ye Chen is far from what they imagined, so simple!

Fighting field, for a moment, silent!

Even the nameless light to close to the magic iron, are completely covered by Ye Chen!

Now, in everyone's mind, only the magic iron in Ye Chen's hand, turns into powder

It was so shocking that I almost fainted!

Chapter 2473

And ye Chen at this time is incomparably excited!

Just now, although he has absorbed all the Qi of extreme evil spirit, he has not thoroughly refined it. Even so, ye Chen's strength has been increased by 10% again!

If the extremely evil spirit is completely refined, I'm afraid his strength can be increased by 20% to 30%?

In that case, he can break through again at will!

This trial is not in vain!

In the VIP Pavilion, Tu Lan's beautiful eyes flashed with a look of interest. She did not miss Ye Chen, and she did see something interesting.

Other spectators, even the contestants and envoys of three or four forces, may not know why. However, she and Wen Tianli, a strong man at this level, know that ye Chen has absorbed all the evil spirit in the magic iron!

This is a hundred billion times more difficult than going forward in the face of extreme evil spirit!

The requirements of physical fitness can be called the adverse weather in the adverse weather!

But ye Chen, did it?

On this basis, it can be said that ye Chen's qualification is not inferior to that of a genius with divine body!

As Tu Lanxin, she couldn't have appeared in such a competition. She came here for the sake of anonymity, a demon with forbidden spirit body.

But now, she had an unexpected discovery.

However, just by absorbing the extremely evil spirit, ye Chen can not be proved to be a nameless super demon. Tu Lanxin can be called a strong one even in the kingdom of God. She knows more about the potential and terror of the divine body than others!

How this young man named Ye Chen is going to be depends on his performance.

At this time, Wen Tianli returned to the fighting field with a very ugly face. How could he not be ugly?

The magic iron was destroyed. When he returned to the divine alliance, he had to be reprimanded by the alliance leader. I'm afraid he would also be punished. He has been a trial host for tens of thousands of years, but he didn't expect that he would end up in the hands of a blocking boy!

However, since he had a word in advance, the magic iron will not be held responsible for the damage in the test, and ye Chen will destroy the magic iron because he has absorbed all the evil spirit in the magic iron!

In essence, what ye Chen has done is no problem. On the contrary, he has proved his terrible physical quality in a more exaggerated, extreme and incredible way

Therefore, with the character of Wen Tianli, ye Chen will not be investigated again

However, discomfort is inevitable.

At this time, Wen Tianli said: "next, announce the results of the physical examination, eighth, Zhao Sheng, seventh, Lin Yu, sixth, Ouyang Yun, fifth, Fang Xiu, fourth, Ji Yan, third, Yuan Lu, second, Lingjiuxiao, first, ye Chen!"

Ji Siqing covers his face and all his breath. He can compete with lingjiuxiao for the second place, but he still chooses to finish casually.

She deliberately changed her name and didn't want to be discovered by Ye Chen.

Just to Ji Siqing's surprise, Wen Tianli even gave himself the fourth place?

But it was all casual for her.

"What?" Unknown smell speech, in an instant silver eyes cold, golden pupil contraction, face of unwilling and resentful color!

He lost?

He has forbidden spirit Dharma body. Lingjiuxiao, who even the first-class sect of the kingdom of God, wants to come for him, but once again loses to this ye Chen?

How can he accept it!

In the martial arts arena, many audiences also questioned: "why is lingjiuxiao not the first?"

"Lingjiuxiao is faster than ye Chen to get close to magic iron."

"Although Ye Chen destroys the magic iron, he is not necessarily better than lingjiuxiao."

"Yes! What's more, ye Chen clearly weakened his evil spirit in the end... "

"At the beginning, ye Chen's hard-working appearance, tut tut..."

"Ha ha, this first place doesn't match the reality. Even if it's the first, it's also the first one from cheating..."

Wen Tianli, however, is indifferent to people's doubts. He is in a bad mood now. Naturally, he is too lazy to explain with these ignorant people!

In his opinion, to really say cheating, it is lingjiuxiao more like cheating.

Ye Chen Don't say cheating, it is the initiative to increase the difficulty countless times

He is nameless and gloomy. He knows that when he questions Wen Tianli at this time, he may feel ill at the other party and offend a strong God alliance. It is not good

But he still couldn't help it. He arched his hand at Wen Tianli and said, "Wen Lao, I want to ask why this ye Chen is the first?"

Why ask?

Because, he is not satisfied!

He really doesn't accept it! His self-esteem, his pride, can't accept the result!

He came to step Ye Chen under his feet, not lose to Ye Chen!

Wen Tianli looks at nameless, frowns slightly, and changes to someone else. When he questions him in public, he is afraid that he will burst out on the spot, and even deprives the opponent of his qualification to get out of the fighting field

However, for lingjiuxiao, Tu Lanxin came for him. Moreover, for a genius who has a divine body, even if he is not yet growing up, a strong person like Wen Tianli needs to give the other party three points of face. After all, if there is no accident, the first one in the selection competition is this lingjiuxiao. After he joins shenjizong, he will rise soon with the support of the top forces!

Although Ye Chen may be better than lingjiuxiao in terms of physical strength, why is the forbidden spirit Dharma body known as one of the divine bodies?

That is because, the spirit body is not short board, omni-directional strong, abnormal!

Can ye Chen be stronger than the evil spirit in all aspects?

Hehe, the spirit body will not be called the supreme god body!

In the next two competitions, lingjiuxiao will be crushed Ye Chen!

Although he was a little impatient with the unknown question, Wen Tianli still said: "master Ling is really excellent. This extremely evil spirit can't even affect you. But I want to ask, can you inhale the extremely evil spirit into your body?"

Nameless frowned way: "inhale body? Even if you can't do it, can you? "

Said, he suddenly face color a change, shocked to see ye Chen.

Seeing the nameless look, Wen Tianli nodded: "yes, that's why! The reason why Ye Chen is the first is that he has refined this extremely evil body into his body! What's more, it's not a trace, it's all the evil spirit contained in the whole magic iron! "

As soon as this speech was uttered, there was a sound of cool breath in the fighting field!

Tens of millions of audience, one by one are stunned! Completely petrified mind is broken!

Ye Chen, will extremely evil Qi into the body?

The extremely evil spirit, separated so far and protected by barriers, made them extremely depressed and almost breathless! What's more, even if they are extremely excellent talents who can participate in the selection competition, they can't compete with the extremely evil spirit only when they contact them 30 meters away. They are crushed by life!

Such a terrible evil spirit, ye Chen even refined it into the body?

What's more, it looks like a man who has nothing to do with it. On the contrary, he is in high spirits?

What is the concept?

It's like Emitting thousands of meters apart, tens of thousands of meters, skin contact with a trace, will let the whole person, instant melting of the deadly poison gas, frightening poison, suddenly by a person to drink all the stomach!

How can we not shock, not frighten?

Chapter 2474

Ancient extreme evil, not ye Chen so abnormal?

Even Gu Lao is unbelievably looking at Ye Chen!

Originally, he thought that he had pulled out the potential of Ye Chen very high, but now, he found that he was still wrong!

Ye Chen, refresh his cognition again!

Ling jiuxiao looks extremely ugly, he asked, not only did not save his own face, but let Ye Chen out of the limelight!

Wen Tianli saw this and didn't say much. He was about to start the second test, but at this time, ye Chen's voice sounded again.

"Wen Lao, please wait a moment."

Wen Tianli's green tendons jump wildly on the forehead and glare at Ye Chen!

Who is he? The most powerful of God's alliance! Even in the trials, repeatedly interrupted?

What's more, is it Ye Chen?

When Wen Tianli was about to break out completely, ye Chen did not care, and said with a faint smile: "Wen Lao, if I say, I can restore that magic iron to its original state?"

"What?" Wen Tianli was stunned. His original anger was dissipated, and the magic iron that had been turned into powder was restored to its original state?

It sounds fantastic

However, it is also fantastic to inhale all the Qi of extreme evil into the body

But ye Chen did.

Maybe, he really has the ability to restore the magic iron?

In Wen Tianli's eyes, a glimmer of joy flashed. If he could restore the magic iron, he would not have it!

Ye Chen looks at Wen Tianli's expression, smiles slightly, has become!

Wen Tianli has been hooked.

For such a gambler, the most difficult thing is to arouse his interest!

CHEN Ye has done it.

Wen Tianli gazed at Ye Chen and said, "boy, can you restore that magic iron?"

Restore magic iron?

Ye Chen smiles to himself, not to mention the extremely evil spirit. Although it has not been thoroughly refined, it has been fully integrated into his ape blood, and can't be forced out of the body. Even if he can, he can't spit out the meat he ate in his mouth.

However, does he need to restore magic iron?

Just win.

Ye Chen said with a smile: "I can, but I can't recover in vain. Wenlao, are you interested in gambling with me?"

"Gambling?" In Wen Tianli's eyes, there was a flash of essence!

Ye Chen, even want to gamble with him?

Even if Chen Chen's gambler does not have the right to gamble with him, even if he doesn't have the right to make a bet, it's not suitable for him to make a bet!

As for life or something?

Ha ha, the life of a seal gate is worthless to his Wen Tianli!

However, the restoration of magic iron is not the same!

Immediately, Wen Tianli said in a deep voice: "boy, how do you want to gamble?"

Ye Chen gazed at Wen Tianli and said slowly, "can you have dragon heart fruit in your hands?"

"Yes!"

"Let's bet, can ye Chen win the first place in this trial! how? As far as I know, the first one in the selection competition can get a treasure given by the divine alliance. If I win, I don't want other treasures, I want the dragon heart fruit. If I don't get the first place, then I will restore the magic iron to its original state! "

Wen Tianli's eyes flashed. After a moment, he nodded his head and said, "OK! But boy, you'd better really have a way to restore the magic iron. If you lose, and you can't recover the magic iron, ha ha, you know, what I hate most about Wen Tianli is the people who can't fulfill their bets! "

Ye Chen hears the speech, smiles but does not speak.

He didn't really want to play tricks with Wen Tianli, but it was about whether Chu Ying could recover, so he had to do this.

Besides, since he gambled, he can't lose!

He will never, never be second!

This is Ye Chen's confidence and his pride!

Wen Tianli sneered at himself. Hehe, boy, do you think that if you win the first place in the physical examination, you will be invincible? Can we go to heaven?

It is impossible to imagine the existence of the kingdom of God and the body of God from your perspective!

He also stopped talking nonsense and said, "the second test! What is God? God is faith, which is the heart of Tao. If a martial arts practitioner pursues the extreme of martial arts, he will go against the heaven and cross countless obstacles. The firmness of the heart of Tao is very important. The strength of the heart of Tao is often related to the spirit. The second test is your heart of Tao! "

As he spoke, he raised his hand, and a big fist pearl with seven colors of brilliance appeared in front of Wen Tianli.

Wen Tianli said faintly: "the second God test is conducted by me personally. Who will come first?"

"I'll do it!"

At this time, a tall, thin, sunken eye socket young man came forward. He was Zhao Sheng, the eighth place in the physical examination.

Zhao Sheng's eyes flashed slightly. He was the last one in the physical examination, and his results were very poor. If there was no noticeable performance, I'm afraid that even the fourth class sect would not accept him. Therefore, he was the first one to stand up. Not to mention the result, at least, it can make the strong people of the third and fourth class have a slightly better impression on him.

Wen Tianli nodded: "are you ready?"

"All right

All of a sudden, a surging power of divinity surged out of Wen Tianli and flowed into the colorful pearls. At the next moment, seven colors of light flashed on the pearls, and a gorgeous light column suddenly disappeared into Zhao Sheng's eyebrows!

Ye Chen sees the appearance, the complexion changes slightly, Wen Tianli's spirit power, how strong!

Even if he has many blessings and has the body of reading demons, he still can't be compared with Wen Tianli in terms of divinity!

Moreover, he clearly felt that Wen Tianli was not a soul cultivation at that moment!

This can only show that Wen Tianli's strength and realm are too much higher than ye Chen!

The divine light in Zhao Sheng's eyes quickly darkened and fell into chaos. The whole face showed a kind of confused color.

One breath, two breaths, three breaths

That colorful light column, after entering Zhao Sheng eyebrow heart three breaths, Zhao Sheng's face color, instantaneous big change!

All of a sudden, pale and bloodless, even appeared the color of extreme panic! The whole body breath is incomparably disordered, the body even erupts uncontrollably, the whole person, looks as if is on the verge of collapse!

All of them are a little bit dumbfounded

Zhao Sheng, what did you see? Why, so scared?

The genius who can get to this point is not the existence of tenacity and steadiness of mind?

Why three short breaths, as if, to collapse?

The fourth breath

"Ah, ah, ah, ah, ah!" Zhao Sheng screamed, his breath surged, his eyes turned to blood red color, and there were signs of enchantment!

At this time, Wen Tianli's hand waved, and the brilliance on the Pearl dissipated in an instant.

Zhao Sheng's eyes, at the same time, also restored Qingming.

At this time, he was panting violently, and his clothes were soaked with cold sweat!

He had never heard of this kind of magic test. In general, it was to make the martial arts practitioners fall into a dreamland. In the face of what they were most afraid of, Zhao Sheng had already made psychological preparations before the beginning of the God test. He told himself repeatedly that what he saw was hallucinations. Don't take it seriously!

But when he was shot into the brow by the seven color light column, when he really fell into a dreamland, all these things were forgotten!

All he could feel was the most real fear!

When people looked at Zhao Sheng's appearance, they couldn't help swallowing their saliva. It seemed that the God test was much more difficult than the physical test!

Wen Tianli took a look at Zhao Sheng and said, "Zhao Sheng, four breaths, the next one."

Zhao Sheng looked pale at the speech. He was almost sure that he would lose the election

At this time, Lin Yu went up to Wen Tianli and said, "please, master."

His face was tense, and his heart was also at a loss, but he had to go. His situation was similar to Zhao Sheng's. at this time, it would be very dangerous to be timid and shrink back

At the end of the day, it's part of God's test to dare to challenge.

Wen Tianli nodded, and just like before, it was a brilliant shot into Lin Yu's eyebrows.

Chapter 2475

One breath, two breaths, three breaths

It was only after ten breaths that Lin Yu uttered a exclamation that he could not bear!

The audience can't help but shout.

Lin Yu's achievements are much better than Zhao Sheng!

Lin Yu gasps, pale face, faint with a color of joy, this result he is satisfied with.

Then, one of the famous martial arts practitioners came forward to take part in the test. Their scores were not much different from Lin Yu's. most of them were ten or more breathing like this.

Soon, only Ye Chen, nameless, and Yuan Lu were left on the field.

Yuan Lu glanced at Ye Chen and no one. Seeing that they did not mean to go forward, he came to Wen Tianli and said, "younger Yuanlu, take part in the examination!"

Soon, there was a bright light above the Pearl, which shot into Yuan Lu's eyebrows.

Originally, people thought that Yuan Lu would be like many previous competitors, lost in a daze, and then fear.

However, the fact is that Yuan Lu sat on the ground and closed his eyes for the first time. At the same time, his body surface was emitting a layer of light black light. Under the black light, Yuanlu looked calm and quiet.

Everyone's pupil shrinks, this Yuan Lu's heart of martial arts is so strong!

No doubt, he has withstood the illusion, and has not fallen into it for a time!

He didn't even emit extra emotion, so he sat quietly.

One breath, two breaths, three breaths

In a flash, six thousand breaths passed!

And Yuan Lu, or a cool color!

Long Chen, the son of the earth from the door and so on, looking at Yuan Lu's eyes to shine ah!

As if to see the treasure!

Yuan Lu has already performed extremely well in the first physical examination. Now the God test is so against the weather. If there is no spirit jiuxiao, this Yuan Lu is the best talent in this trial, right?

As for ye Chen, they only regarded the first scene as a fluke, which was automatically ignored.

What's more, the key is that ye Chen is targeted by lingjiuxiao. Even if such a person has some potential, how about it?

They know that lingjiuxiao is a great God who has not yet risen, and his temple can not accommodate him. Moreover, he has been looked after by such a powerful sect. Who dares to fight for it?

Lingjiuxiao will no doubt become a disciple of this powerful sect, or a disciple of high status and devoted to cultivating by the sect.

And he had a grudge against Ye Chen.

Now, who takes Ye Chen is like looking for death!

Because ye Chen is destined to die in the hands of lingjiuxiao.

But Yuan Lu is different. They can fight for it! With Yuan Lu, as long as he does not die young, his own power is bound to rise ah!

Dragon Chen suddenly to the side of the earth away from the door of the saint son, Tu Lingzi said with a smile: "brother Tu, this Yuan Lu, can you give me? I only want him, and the others can be selected at will. "

Those who can compete with him are the only ones who can compete with him!

On hearing this, Tu Lingzi sneered: "brother long, don't be kidding. I can't let go of such a genius as Yuanlu. I can't let go of it. If we want to rob, we should rely on our strength."

After 7000 breaths, the black light on Yuan Lu's body finally began to shake and disorder, and his eyebrows suddenly wrinkled, no longer calm.

A moment later, he suddenly opened his eyes and breathed. After 7000 breaths, Yuan Lu finally had a mental flaw. If he could not hold on to it, he fell into a dreamland and lost himself. Wen Tianli took the power of the Pearl.

Wen Tianli looked at Yuan Lu, and his surprise flashed in his deep eyes. He announced, "Yuan Lu, 7000 breaths!"

This achievement is enough to reach the top three of the world! It's horrible!

Seven thousand breaths! The spirit of the people was almost shocked to disperse!

And before those geniuses are not a dimensional existence at all!

After a brief silence, a burst of cheers broke out on the scene, and all the audience were shouting the name of Yuanlu!

Yuan Lu held his head high and his face was proud and proud. He was quite satisfied with the result!

When he stepped down from the fighting field, Longchen, Tu Lingzi and others immediately surrounded him and congratulated him with a smile on their faces.

Their purpose, of course, is to win over Yuan Lu!

When they see this, they can't help but look at Ye Chen. Speaking of it, Ye Chen's qualifications are pretty good. Maybe they are not under Yuanlu, but their treatment is very different!

The reason is very simple, he offended the wrong people!

If not for the ultimate genius spirit Jiuxiao, now there should be many strong men of the third and fourth class to win over Ye Chen, right?

Unfortunately, there is no if.

They are very curious. What would ye Chen think when he saw the treatment of Yuan Lu?

At this time, nameless coldly glanced at Ye Chen and said in a condescending tone: "Ye Chen, don't go up yet, what are you waiting for?" He is a genius in spirit and body. He should be on the stage at last. He should be shocked and crushed everywhere.

The protagonist, are not all the last to appear?

And he is the only protagonist in this field! Naturally, the final examination should be carried out to become the player most expected and eager to see.

Ye Chen?

What qualifications do you have to play after him?

Ye Chen, however, did not even look at Ling jiuxiao. If he was not still in the competition, Wen Tianli would have no hesitation in attacking the unknown.

Nameless, that is, lingjiuxiao, is on his must kill list.

He Ye Chen, when do you want to go on the stage, how can you get your lingjiuxiao's advice?

Lingjiuxiao see ye Chen is completely ignored himself, in the silver eyes kill intention surging, the breath is boiling!

The nameless in Lingwu is in a detached position. No one dares to be rude to him. When he comes to the kingdom of God and knows that he has a divine body, he is more dignified than ever. Even, he is a close uncle. His strength is so strong that he can rank on the top of the list in the whole kingdom of God. Lingwuji, the head of the family of spirits, has some awe for him.

Why?

Because the body of God is the power respected by the world!

The potential of this constitution is beyond description.

As long as he can live, there is no doubt that he will grow up in a very short time. At that time, he will be standing on the top of the kingdom of God, the real supreme existence!

But in the nameless heart has always been a shadow, even if he tried to erase, but how can not get rid of the shadow, that is, ye Chen!

He repeatedly ridiculed and ordered Ye Chen. In fact, he wanted Ye Chen to give in and let the shadow in his heart dissipate.

He thought that his advanced Taixu, strength can crush six layers of sky, ye Chen will tremble when he sees him.

But what about the facts? The fact is that he was once again ignored by Ye Chen! The shadow in his heart is bigger!

Well, how can he not be angry?

Anger to be desperate to break out!

Just then, the voice of Wen Tianli rang out.

"Jiuxiao, you play first."

Nameless expression a stiff, immediately gloomy down, but he was silent for a moment, or walked on the fighting field.

Wen Tianli's face, he still wants to give

But Wen Tianli, looking at Ye Chen, his eyes flickered slightly.

The reason why he called Ling jiuxiao to play first is not unreasonable.

He knew that the forbidden spirit Dharma body, in the God's test, would completely show its horror, and then there would be extremely adverse performance!

What a bad day?

Bi Yuan Lu, against the sky 100000 times!

Chapter 2476

And ye Chen, as the life and death enemy of lingjiuxiao, after witnessing his opponent's performance, what will happen?

Ha ha

Unwilling to the state of mind, there will be cracks?

What is the most important thing in God's test?

Is the mood!

Therefore, Wen Tianli let lingjiuxiao play first!

Originally, he should not take the initiative to intervene in the competition, to blame Ye Chen to bet with him!

Nameless stands in front of that pearl, light way: "Wen old hand."

The next moment, a light, into the nameless eyebrow!

In an instant, nameless is in the power of Wen Tianli's mind and falls into a dreamland!

However, the forbidden spirit Dharma body is also activated!

In the spirit space, a silver light flashes, protecting the nameless spirit!

The reason why the forbidden spirit Dharma is one of the supreme deities is that it can cut off the artistic conception and the Taoist rhyme!

Wen Tianli's face changed. He had expected that nameless would have a very terrible performance, but he found that he underestimated it!

Although Wen Tianli is not soul cultivation, his realm is extremely high, and the spirit is naturally incomparable. The Pearl in his hand is an ancient artifact with the attribute of spirit and soul!

What are ancient artifacts!

It is higher than the existence of Taixu holy soldiers!

The illusory world created by this ancient artifact, even if it is the existence of the disaster state, there is no possibility of resistance at all. It can only be dragged into the dreamland. At most, it is just like Yuanlu, who carries the Tao and has an open mind and maintains himself.

However, as long as there is a flaw, it will be completely involved.

But now, what is the situation?

In a dark sea of knowledge, countless terrible fantasies swept away towards the spirits of lingjiuxiao. However, as soon as they touched the silver light above the spirit of lingjiuxiao, they were like paper paste and broken!

Although, due to the gap between the gods and spirits, lingjiuxiao's sea of knowledge is still immersed in the illusion of ancient pearl artifacts. However, for lingjiuxiao, he is just trapped in a dark place. All these fantasies have no influence on him at all!

One breath, two breaths, three breaths

In a flash, 30000 breaths have passed! And Ling jiuxiao's face, always keep calm!

In the martial arts arena, there was no sound. All the people looked at lingjiuxiao and held their breath. They did not dare to blink. They were so shocked that they couldn't believe it!

They don't even know where the limit of lingjiuxiao is?

For other demons, the mortal illusion, the spirit of nine clouds, can be ignored?

Even Yuan Lu's face was completely defeated. Even if he was as proud as he was, he also admitted defeat completely. He and lingjiuxiao are not the same level of existence!

Suddenly, Wen Tianli waved his hand and took the power of the ancient pearl.

Ling jiuxiao opened his eyes. He was very clear about what had happened just now. He couldn't help smiling and said, "wenlao, what's the matter?"

At this time, Wen Tianli, an old strong man of Shenmeng, looked at lingjiuxiao with a smile and said, "jiuxiao, you don't need to continue testing."

"I don't know. What's my score?"

Wen Tianli looked at Ye Chen sarcastically. Then, he said in a loud voice, "since I take the initiative to stop and explain the illusion, I can't shake you at all. Your achievements are unlimited."

Infinite!

It's infinite!

Countless people cast envious, envious and awe at the nameless, while the envoys of the three or four forces are about to stare out their eyes!

If their clan, can get a super monster like nameless, the future is simply incalculable!

Maybe, within a hundred years, we will be able to rise strongly and become the second and even the top power!

Nameless is like a gold mine to be discovered!

And Wen Tianli is looking at Ye Chen with interest. Hehe, does Ye Chen want to gamble with him?

Nameless already is the existence that cannot surpass, what does Ye Chen take to win him?

Wen Tianli knew that after the three and four forces refused to join Ye Chen, if ye Chen wanted to stand out, there was only one way to prove that he was better than nameless! Get Tu Lanxin's favor!

But is it possible?

That is to say, ye Chen has fallen into a dead end!

He thought for a while, if he were ye Chen, I'm afraid that he didn't mean to continue the competition?

However, what makes Wen Tianli feel a little strange is that even after witnessing the miracle of nameless creation, ye Chen can still remain indifferent?

Even, the face has not fluctuated from beginning to end?

"Oh, infinite?" Ye Chen at this time, but just in the heart sneer.

Infinite, strong?

To others, it may be, but not to him!

Especially after he listened to the words of the ancient medical God, the God test, for ye Chen, is nothing! Immediately, it will be ye Chen's turn to play, the audience, looking at him are showing a strange smile.

Nameless has reached the extreme, what does Ye Chen compare with each other?

In the first competition, in the eyes of everyone, ye Chen may be a little better, but in the second, everyone felt that ye Chen would be crushed without any doubt! Crush!

Even Gu Lao and Yin Ming look ugly.

It's not that they don't like Ye Chen, but no matter how optimistic they are! How to believe that ye Chen can not surpass the nameless ah!

Yin Mingmei gazed at Ye Chen and said, "it's OK. Even if ye Chen loses this game, it's only one to one, and there's the third game that's the most important!"

Even Yin Ming, who has great trust in Ye Chen, thinks that ye Chen's divine test is doomed to lose.

Because the nameless has reached the extreme. Even if ye Chen goes against the sky, he can only be equal to the nameless. In the case of equality, the earlier he goes on the stage, he can naturally be regarded as a symbol of a firmer heart. The original order of appearance is also part of the test.

Therefore, ye Chen basically, there is no possibility of any reversal.

"Ye Chen, are you ready to restore the magic iron?" Wen Tianli asked with a smile.

And ye Chen just facial expression is indifferent ground answers: "look at the result of God test, say again."

The irony in Wen Tianli's eyes is more intense. At this time, should he continue to pretend?

He nodded and said, "well, let's see the result of God's test!"

If you want to install it, let Ye Chen install it a little more. After the end of God's test, everything will be clear, right?

As for the possibility of Ye Chen's overturning?

Anyway, he couldn't figure out how ye Chen turned the dish.

Wen Tianli spirit surging, in front of the body of the ancient pearl, brilliant, shot into Ye Chen's eyebrows.

Ye Chen, however, is not nameless, or even unlike Yuan Lu, who behaves differently from ordinary people. Ye Chen's reaction is similar to that of the ordinary contestants before. They are all confused and immersed in a dreamland.

When Wen Tianli sees this, the smile on his face is stronger, that's it? Maybe, even Yuan Lu is not as good? How can it be compared with anonymity?

He has presided over the selection competition for tens of thousands of years. He can roughly judge the other party's performance by looking at the reaction of a person's God test. Ye Chen's reaction is too ordinary, and the results will never be surprising.

But at this time ye Chen, is a burst of dizziness in the brain, and then opened his eyes, appeared in front of him is xuanyuezong!

Xuanyuezong is full of blood and remains!

Chapter 2477

Ye Chen stayed for a while. How could he be here? Vaguely, it seems to feel a sense of disobedience, but can not say.

"No!"

At this time, a very sad woman scream, into the ears of Ye Chen.

Ye Chen looked up, but it was an instant pupil contraction, all over the spirit of the wild surge, anger burst, eyes congestion, simply, will be completely crazy!

The woman who screamed was no other than Sun Yi!

At this time, Xu Hou, with a grim smile on his face, was stabbing a dagger into Sun Yi's abdomen, splashing fresh blood all over her body!

The illusory state reflects the deepest fear of the warrior in the bottom of his heart, so as to test their Taoist mind.

Is Ye Chen afraid of death?

He is not afraid. Although he is not afraid of death, he is also a human being. As long as he is a person, there will be fear.

The scene in front of me is Ye Chen's fear.

Although Ye Chen protected Sun Yi and xuanyuezong, he could not avoid a trace of fear in his heart.

I was afraid that I was late and that I couldn't stop everything

But in the combat arena, only enters the dreamland, after 20 breaths, ye Chen's breath, then tends to be violent!

Originally confused eyes, also completely drowned by the intention of killing!

In the martial arts arena, the sound of ridicule, one after another! Twenty breaths, better than the average contestant, but, compared with those super demons, it's just one day! There is no comparability at all, let alone the nameless!

Just 20 breaths, not enough?

What else? Let's see the results of the God's test?

How dare you pretend to be such a Taoist heart?

Do you dare to bet with Wen Lao?

What a laugh!

Yin Ming and Gu Lao look at Ye Chen with great concern. Ye Chen is the best and most rebellious existence in their hearts. At this time, even they can't deny that ye Chen's performance in the God's test is a little too ordinary and mediocre

Sure enough, no one is perfect. Ye Chen is really excellent, but not perfect.

Tu Lanxin in the VIP Pavilion also withdrew her eyes when she saw this scene. In her beautiful eyes, the original trace of interest was completely dissipated. Now ye Chen is not worthy of her attention.

Instead, her eyes fell on a veiled girl, and she frowned and murmured, "why do you hide everything?"

At the moment, Wen Tianli smiles and is ready to hand in the Pearl. Ye Chen, a younger generation, gambled with him in public before. He didn't say anything. Naturally, he was very upset with such a arrogant Ye Chen. Now, he can't wait to see. Ye Chen knows that he has only 20 breaths. What kind of expression will ye Chen look like?

At this time, ye Chen in the dreamland, with a roar, is going to work hard to wipe out the Marquis Xu completely. But at this moment, ye Chen's eyes burst out a burst of dark, dark color, and completely filled up the white part of his eyes. It looks extremely strange!

Black is even more red!

There was a round of blood moon in my eyes!

As soon as the blood moon comes out, ye Chen's whole body kills the idea, also coagulates together.

Originally, the remains of a disciple of xuanyuezhong, the shrieking Sun Yi and the ferocious grinning Marquis Xu, disappeared one by one under Ye Chen's eyes.

In an instant, the chaos in thinking is swept away!

In the martial arts arena, Wen Tianli is ready to make a move, but all of a sudden, ye Chen's eyes, a flash of blood, that incomparably restless breath, began to quickly converge!

The ironic smile on Wen Tianli's face solidified in an instant!

What's going on?

Ye Chen, how seems to restore calm?

He has presided over the trials for tens of thousands of years. He has only seen them fall into the illusion step by step. When did he see someone fall into the illusion at the beginning and then gradually recover?

Weird!

That's weird!

This ye Chen, and other people are the opposite?

Originally, seeing that Wen Tianli was ready to make a move, Yin Ming and Gu Lao, who were already desperate, lit up their eyes again!

In the dreamland, wumang convergence, ye Chen's eyes, restored the original appearance, all kinds of illusions, also reappeared in front of him.

However, at this time, ye Chen just looked at all these things calmly, without any killing intention in his eyes. He was angry and clear, just like the purest sky.

The voice of the ancient medical God sounded in Ye Chen's heart: "boy, you take the initiative to let go of the spirit defense, in order to wash the heart of Taoism. Can you have a harvest just now?"

Ye Chen nodded his head and said: "facing the thing I fear most, the Dao heart is firm one minute."

The ancient medical God said with a smile: "ha ha, other people are all fighting to protect the spirits, but you, relying on the body of reading demons, take the initiative to release the spirit defense, to sharpen the heart of the Tao. If you let other people know, I don't know what their expression will be?"

Ye Chen smiles and says nothing more. The reason why he dares to do so is because he has the body of reading demons! The body of reciting demons is the most powerful spirit constitution. Wen Tianli, the strong one in the divine alliance, uses ancient artifacts to display the spirit and soul illusion? Hehe, for him, nothing!

The body of reading demons is enough to break all illusions and illusions!

On the aspect of spirit and soul, it is powerful, even above the spirit body! Unless it's a magic that really reaches the foreign level, otherwise, it can't have any effect on Ye Chen.

Therefore, ye Chen can take the initiative to open the spirit defense, in order to sharpen the heart of the Tao.

In any case, with the body of reading demons, he is completely impossible to fall into the illusion.

Now, he wants to stay in this dreamland as long as he can, but ye Chen doesn't want to stay any longer.

He watched Sun Yi suffer and the scene of xuanyuezhong's disciple's tragic death. Although he knew it was an illusion, he was still very upset!

I'm not happy. What should I do?

Canggu doctor said: "boy, what are you going to do now?"

Ye Chen said faintly: "since my heart of Tao has been honed, these illusions have lost their value to me. I have seen enough of them. Although I know that this is an illusion, I am still very unhappy. Since I am not happy, of course, I should vanish them."

Put it out?

These illusions are invisible things. How can they disappear?

The ancient medical God laughed and said, "OK, let's go. Originally you just have the body of reading the devil, and you are not confused by all illusions. But now, you still have a very evil spirit!

With extremely evil spirit, you can display the talent of breaking the heaven and ape, extremely evil golden pupil! But the extremely evil golden pupil, actually can this God soul illusion, thoroughly routs, breaks the illusion to come out! I also look forward to those who look down on you. What kind of expression will you have at the moment when you break the illusion? "

At this moment, ye Chen thought of what, surprised way: "Lao Cang, you don't accept me? Why do you look like you appreciate me now

The ancient medical God was stagnant, and immediately shook his head violently: "hum, you think you are wrong!"

"I can't appreciate you!"

Ye Chen raised a smile at the corner of his mouth.

The old man is really stubborn.

As for anonymity.

Ha ha

Then I Ye Chen, will directly break the entire fantasy!

With a crash, two golden flames condense in Ye Chen's eyes. The extremely evil Qi originally refined by Ye Chen begins to run wildly and merge into his eyes.

In the eyes of the golden flame light, roaring, it is to shoot out two golden pillars of fire!

The moment the pillar of fire shot out, the entire fantasy, issued a broken sound, space as if broken glass general, there are cracks.

The next moment, completely collapse!

At this time, Wen Tianli's face changed wildly in the martial arts arena. Just now, a trace of golden light flashed through Ye Chen's eyes, and then two extremely terrifying evil spirits ran into his knowledge sea!

Chapter 2478

The light from ye Chen makes Wen Tianli flustered!

Although the state of Wen Tianli is extremely solid and can not be hurt, the illusion under his control is completely broken!

The Pearl broke quickly, and even a crack appeared on the surface!

Ye Chen's extremely evil golden pupil has hurt the origin of this ancient artifact!!!

A breeze blows over douwuchang, but it seems to be the extreme cold current from Jiuyou glacier, freezing all the warriors present, even stopping time!

Ye Chen's eyes are shining and clear again. The corner of his mouth is in this quiet place and raises a smile.

This smile, like a hammer in general, in an instant, broke the ice!

Whoosh, whoosh

Countless sounds of cool air are heard in the fighting field!

Just now, all the people of tianchu have no power to clear their hands!

This, this, is this true?

It's beyond the limit of thinking! The limit of imagination!

Even if it was a dream, wouldn't it happen?

In this case, there is only one explanation, that is, ye Chen breaks the illusion and comes out!

Really break the illusion!

Wen Tianli, the most powerful existence in the realm of terror and unimaginable, was broken with the help of the illusory realm of ancient artifacts?

Or was it broken by a young man in his twenties who had made great efforts to seal the door?

It's unbelievable that the whole kingdom of God will be destroyed by meteorites tomorrow!

Is Ye Chen a man or a ghost?

And if you want to say the most shocking, puzzled, and vague consciousness, I'm afraid it will belong to Wen Tianli himself!

He looked at Ye Chen standing in front of him stupidly. For a time, he didn't even respond to what happened just now!

Yin Ming and Gu Lao are overjoyed. Originally, they were all in despair. They thought Ye Chen would lose. But ye Chen brought them surprise again!

Ye Chen, it's a god! Never defeated, always standing at the top of the God!

In the VIP Pavilion and Tu Lan's beautiful eyes, the same light flashed!

"Something."

Then her eyes fell again on the veiled girl in the crowd.

People were shocked, but the girl was still indifferent.

Did the girl know that?

She can't see through.

It's completely invisible.

"Is this man and a woman going to set off a storm in the kingdom of God?"

Tu Lanxin has an extraordinary origin. There is almost nothing in the world that can surprise her.

However, ye Chen and Ji Siqing were beyond her expectation.

At this time, ye Chen said with a faint smile at Wen Tianli: "wenlao, how is the result?"

Wen Tianli was stupefied for a long time. At this time, ye Chen opened his mouth, and his people were still a little confused. Only when he saw the crack on the ancient pearl, did he really come back to God!

Smell speech, but a burst of bitter smile.

He was a gambler. He had seen a lot of reversals of gambling in his whole life, and many variables beyond imagination, but he had never lost his temper like today.

What I have to say is that ye Chen is so rebellious! Against the sky to the extreme!

Even the light of the supreme body will be overshadowed!

Ye Chen's evil spirit is about to make him unable to understand

Wen Tianli couldn't help sighing. It seemed that he was really old. Now it was the time for young people to rise.

However, Wen Tianli had experienced numerous storms and waves, and soon recovered. He announced: "God test, first place, ye Chen!"

Wen Tianli is very clear that although lingjiuxiao can not be affected by illusions, he does not have the ability to break the illusions. However, this is normal. Even if a Taixu peak is changed, or even a real strong one comes here, it is almost impossible to break through the illusion created by Wen Tianli.

But ye Chen did it

Turn the impossible into a possibility

First, who is he?

Hearing Wen Tianli's announcement of the results, all the warriors of the three or four forces, like they lost their souls, stood in the same place, stupefied and unable to move their eyes

What did they hear?

Ye Chen, number one?

Physical test first, God test, still the first?

This Isn't it better to have the spirit of the sky than the spirit of the sky?

These warriors of the third and fourth class forces are going crazy! Regret to want to beat yourself ten thousand times! Blood and tears are coming down!

Ye Chen, however, was rejected by them openly just now. It is impossible for him to be a member of the family!

Such an amazing talent, a monster comparable to or even beyond the owner of the divine body, was rejected and offended by them? If ye Chen had been born, one hundred years No, in ten years' time, I'm afraid that their power will be improved by leaps and bounds. As a guide to the introduction of Ye Chen, the benefits they will gain are also unimaginable, right?

But now, everything is in vain

However, this also can't blame them, who can think of Ye Chen's talent terror to such a degree?

How can you trample on the spirit body under your feet!

At this time, ye Chen, who was under the fighting field, came towards the representatives of the clan.

The representatives of these clans were stunned. At the next moment, they put on a flattering smile. As for ye Chen's good face, it would offend the geniuses? Now, it's all forgotten by them

The kingdom of God is so realistic

However, their smiles have not yet fully bloomed on their faces, and ye Chen has already opened his mouth coldly.

"Just now, you said that you would never accept Ye Chen from me?"

A few people look stiff, long Chen forced out a smile, is about to explain two words: "this, Mr. Ye..."

But ye Chen did not give him an opportunity to explain, and interrupted without expression: "you, what a big face?"

What?

Dailong and others

Ye Chen, even directly ridiculed them, not to the slightest face?

How can they say that there is a head and a face among the third and fourth class forces!

How dare Ye Chen mock them in public?

Ye Chen, however, did not intend to stop, and continued: "just a third-class, fourth-class forces, also mean to refuse? Hehe, even if you kneel down and ask me to join your sect, I will not join you, because you are not worthy of it

Fighting field, shocked again

Ye Chen brought them too much shock

Directly ridicule the strong of the third and fourth class forces?

Even if you are a genius, you haven't grown up completely!

It's too much worse than the strong of the three or four forces!

What is more unacceptable is that the strong men of three or four forces should show their love to Ye Chen!

As long as ye Chen gives each other a step, not only the previous humiliation is swept away, on the contrary, can make friends with these people!

This is not a bad thing, but an opportunity! Making friends with several powerful people is too good for a genius like Ye Chen who has not yet risen

Chapter 2479

But what does Ye Chen do?

No face, no room, no steps

A good hand, born by Ye Chen, played rotten

Ye Chen's hard, crazy, it makes people's scalp burst, to the level of the fundamental unreasonable!

Crazy to the end of the sky!

Hegemonism is hegemonic, but what will be the result?

Too crazy, too straight, obviously, will lead to other people's dissatisfaction

Many audiences, looking at Ye Chen coldly, disdained to say: "think you have some talent, you can be unscrupulous? This kind of person will not live long! "

"No matter how good the talent is, what's the use if you can't live to grow up?"

"It's madness. It's madness. It's not madness

"With such a brain, if God comes, he will die?"

"Ha ha, there is talent, no brain, a good hand, life by him into his own death, such a person, no matter how talented, I also look down on."

Ye Chen is pale, he is such a person, if people respect me, I will respect people, if people offend me, give back ten times! Not because of your identity, strength, change what!

Just now, didn't these strong men of the third and fourth class openly indicated that they would never accept him as a beginner?

Naturally, he wants it back.

Boom!

For a moment, Longchen and others, killing crazy surging, Lingli roar, dead locked Ye Chen!

You Ye Chen is indeed a genius, but the kingdom of God speaks by strength!

No matter how talented you are, you are just an ant in a sealed door! Taunt them in front of them?

Ha ha, then, no matter how abnormal your talent is, you have to die!

Die no more!

They are the strong, the strong can not be humiliated!

Shame, kill!

Ye Chen looks at a few people, look, but still calm, calm.

When Longchen and others are ready to kill Ye Chen, a breath suddenly spreads from the VIP Pavilion!

A terrible, cold breath!

At the moment when the breath appeared, all the people in the arena felt a shadow covering the sky.

The shadow of death!

"Coming!" Ye Chen smiles, and at the same time, is also secretly frightened. Just when he broke the illusion, he faintly felt that there was a strong man who seemed to pay attention to him.

At this time, truly feel the other party's breath, ye Chen deeply realized the other party's terror! If the other side wants to kill himself, even if he does his best, he will only turn into nothingness in one move, right?

Now ye Chen, and this strong, the gap is too big, like the abyss of heaven!

Since the most powerful person has come to the site of the selection competition, the purpose is naturally to select excellent disciples for his own influence. In Ye Chen's perception, the strength of this extremely strong person should still be above Wen Tianli!

Well, it is likely to come from the top forces!

One of the most powerful members of the top forces came to the audition. He was confident. With his own performance, the other side could not ignore himself. Therefore, he provoked these martial artists of the third and fourth class. What happened?

And in the moment that the breath of terror appeared, longchen and others were almost paralyzed!

Because, the breath is very obvious, with a trace of consciousness against them, now they seem to be in the abyss of death, as long as there is a trace of disobedience, they will be completely swallowed up by the abyss, the body and spirit will be destroyed!

They know that this breath undoubtedly comes from the mysterious woman with high status in the VIP Pavilion. The mysterious woman has the intention to protect Ye Chen!

Long Chen and others, the moment then timid ah!

The breath, soon disappeared, as if nothing had happened.

Tu Lan's heart looks light. She doesn't want to protect Ye Chen. However, since Ye Chen has aroused her interest, naturally, he should not be allowed to die so casually. There is a third competition, isn't it?

Compared with her interest, what is the anger and dignity of several third and fourth class fighters?

Even if ye Chen destroyed the whole family, compared with her interest, it was nothing.

However, with her identity, nature disdains to really kill longchen and others.

Although Tu Lanxin has recovered his breath, at this time, longchen and others are still shivering, chilly and pale. They almost dare not look at Ye Chen, and their thoughts turn around.

Just as ye Chen glanced at a few people lightly and was ready to turn around and leave, suddenly, plopping

Longchen and others kneel down to Ye Chen one by one!

Really kneel down!

In front of this numerous audience, Sheng Sheng kneels down!

Longchen trembled and said, "Ye Mr. Ye, I offended you just now. It's us who are rude..." "Mr. Ye, I'm sorry..."

"Mr. Ye, please forgive me..."

Humble, the most humble!

At this time, however, they completely abandoned their faces!

Ye Chen can't help but feel a little stunned. He looks at the direction of the VIP Pavilion in surprise

He knew that this strong man was very terrible, but now he found that the other side's terror was still above his expectation!

Unexpectedly, just to let out their own breath, these soldiers who are also considered as high status in the kingdom of God are scared to look like this?

However, ye Chen is not a person who can't forgive others. Since he has finished the account, he doesn't mean to kill him completely. He waves his hand at will and turns away.

But longchen and others are like Amnesty! The rest of the breath was almost paralyzed!

And the audience, completely stupid!

What's going on?

Ye Chen, so arrogant and domineering to hit those strong in the face, crazy, do not know how to measure, should not be under the rage of the three or four forces of martial arts, with thunder means to kill on the spot?

Isn't it a good hand? Is it rotten by him?

And now, what are they seeing?

Ye Chen, not only live well, but also let longchen and others kneel down and apologize!

In the world, how can there be such an incredible thing?

It's just like the richest son wants to make friends with you, but you slap each other. When everyone thinks you are dead, the richest son suddenly gives you the feeling of kneeling down!

Those who had mocked Ye Chen before, and thought that Zhizhu was in the grip, and a pair of skillful warriors, their eyes were almost staring out of their eyes!

Looking at the eyes of the warriors around them, they all want to find a hole in the ground now!

Disgrace beyond description!

At this time, Wen Tianli coughed and announced: "now, the physical examination and the God test are over. I will announce the temporary ranking, first, ye Chen, second, Ling jiuxiao, third, Yuanlu, fourth, Ouyang Yun, fifth, Ji Yan (Ji Siqing), sixth, Fang Xiu, seventh, Lin Yu, eighth, Zhao Sheng."

After that, Wen Tianli was a little silent.

Chapter 2480

Ye Chen, is he really better than lingjiuxiao who has the spirit body? Become the black horse of this trial?

But at this time, the spirit of nine clouds, but there is no look, since Ye Chen in the God test, breaking the illusion, he has no expression.

People who are familiar with him all know that lingjiuxiao is angry to the extreme!

Now, in his heart only to Ye Chen's killing intention, extremely kills the intention!

Just now, the strong man in the VIP Pavilion let out his breath, which has already shaken his heart!

He was afraid of, afraid of himself, lost to Ye Chen again, and even, even the chance to enter the top power and go straight to jiuxiao was taken away by Ye Chen!

Ye Chen, it's a magic barrier to him!

Therefore, today, ye Chen must die. Otherwise, lingjiuxiao will not be able to walk out of his inner shadow for the rest of his life

Ye Chen swept the spirit nine Xiao one eye, in the heart sneer, he natural clear Ling jiuxiao thought.

However, he thought and the spirit of jiuxiao is also similar.

Lingjiuxiao wants him to die?

Ha ha

He can't make lingjiuxiao live today!

Wen Tianli continued: "this ranking is only tentative, not the final result. The third round is a contest test. The martial arts practitioners are cultivating martial arts!

What is martial arts? The way to fight and kill! For martial arts practitioners, the most essential and important thing is combat effectiveness! In the third competition, the rules are very simple. For those who are dissatisfied with the current ranking, they can challenge them. If they win, they can take their place. "

Although that is the case, the results of the first two tests, to a large extent, can also reflect the strength of a warrior. Therefore, it is not common for several challengers to seek death.

Ye Chen nods secretly, sure enough, the most important thing is to fight, but this ranking is only a false name.

It's not that the previous two tests are meaningless, because this selection competition is for all major forces to select talented students. Since it is to select students, it is natural to examine them from the

aspects of potential, Tao and mind. It is not just that they have strong fighting power. Otherwise, the selection contest will directly let the competitors fight against each other.

Even if they get the first place in the battle, if the potential is too poor, those big forces will not want it.

"I want to challenge Ji Yan!"

All of a sudden, a big man with five layers of sky stepped on the challenge arena directly!

He watched the veiled girl from beginning to end!

No matter the first scene and the second scene, the veil girl behaved equally!

How to rank so high!

He felt unfair, and he naturally wanted to take the other side's place.

Countless double eyes fell on Ji Siqing in the crowd.

Although the figure is graceful, but cover the face, but can't let anyone see through.

Ye Chen's eyes naturally fell on each other's body.

The next second, he felt a sense of familiarity!

Although the girl covered her face, she always made him feel deja vu.

"Is it Siqing?"

This is Ye Chen's first reaction.

However, she shook her head. How could Xia Lingqiu let Ji Siqing participate in such a trial.

"It seems that I want to be clear."

Ye Chen murmured.

Ji Siqing under the veil heard the challenge, slightly panicked, but soon convergence.

Without saying a word, he flew directly to the challenge arena.

Wen Tianli didn't want to waste time and announced the beginning directly!

In a flash, the burly man moved, and the endless vigorous Qi was released!

Cold sword in hand!

This sword is his peak!

He wants to kill Ji Siqing!

Tulan heart in the attic, beautiful eyes flow, but produced a trace of interest, murmured: "I would like to see when you want to install."

On the challenge arena, the sword light flashed.

Ji Siqing hesitated under the veil!

She hesitated, not afraid of each other!

It's how to end it!

If you hide yourself again, you may fall off the arena!

May fail!

But if you break out, you will be found by Ye Chen!

Just when the sword was about to devour her, Ji Siqing shook his head and moved his red lips: "well, just use the skills of the previous life."

Language down, Ji Siqing stretched out a slender hand, the golden text in the palm circulation!

She grabs the air a little!

It's a natural petal!

She looked at the petals in her hand and pointed it out!

Touch the sword in the next second!

People in the audience thought they would stand in a standoff!

But! Seconds! The sword is broken!

The small petals even set off endless killing intention, just like an ancient beast stepping towards each other!Dust rolling!

The big man's eyes were frightened and wanted to get off the challenge arena, but found it was too late!

He didn't even have the right to make a voice, so he was completely knocked out of the arena!

Even almost dead, reduced to waste!

So the world quieted down.

Ji Siqing didn't say a word. He left the arena directly and drowned in the crowd.

She believed that no one would challenge her again.

And as the third round goes on, her performance will gradually be forgotten.

At the moment, Wen Tianli was stunned. He knew that the veiled girl had the potential to hide her strength, but he did not know that such amazing power could break out!

This person is no less than a black horse Ye Chen!

However, why do girls show mediocrity everywhere?

Is it because of a low profile?

Wen Tianli couldn't help looking at the attic.

At the moment Tu Lanxin's mouth outlined a smile: "this is right."

"Interesting, interesting."

"I'm right, it seems."

Soon, Wen Tianli responded and said, "continue."

As soon as Wen Tianli's voice fell, Zhao Sheng stood up and said, "I want to challenge Lin Yu!"

In fact, Zhao Sheng also wanted to challenge Ji Siqing, but after seeing what he had just done, he withdrew all his ideas.

He wants to live!

This time, there were seven third and fourth class forces who came to watch the trial, but he was just the eighth!

That is to say, if he can defeat Lin Yu, he still has a good chance to be selected by the fourth class forces!

After all, although there is a gap between his potential and Lin Yu's, it is not so big!

Enough to make up for it!

Hearing his speech, Lin Yu stepped forward in silence with a dignified face.

Two people standing in the center of the fighting field, Wen Tianli light way: "start."

At that moment, Zhao Sheng gave a big drink and his wrist turned over. A yellow sword with strange animal patterns fell into his hand. His whole body breathed violently. Before the sword was released, the surging sword spirit tore everything around him one after another!

The floor of the fighting field, which is made of excellent materials, is also marked by the sword spirit!

People look at Zhao Sheng with a little surprise. His qualification is not so good, but his strength is not weak!

Lin Yu's face changed slightly, and Zhao Sheng's strength was still ahead of his expectation. Immediately, his whole body was full of breath, and a ring on his thumb was full of blood and blood. In the air, he turned into a bloody claw and suppressed Zhao Sheng severely!
