Chapter 251

Hearing this sentence, countless eyes on the field toward Ye Chen!

Lei Shuwei, Ying Qing and those dragon soul soldiers clench their fists!

Mr. Ye is here at last!

As for whether Mr. Ye can win, they are very sure!

"By the way, who is the man with sunglasses and cap next to Mr. Ye?" Lei Shuwei frowned.

He doesn't remember that ye Chen has such friends around him.

Key Ye Chen alone used to, how can suddenly take a person?

Have you seen this man

Ying Qing shook his head when he heard Lei Shuwei's question: "chief, I haven't seen it either. It's Mr. Ye's friend..."

Lei Shuwei nodded and did not speak.

On the top of wudaotai, CITIC stares at the door of Ye Chen, his eyes full of anger.

Even if he comes! It's just for him to die!

He, Fang Zhongxin, is the 99th master of China!

The top 100 Chinese masters list is a watershed!

This kind of rubbish is not qualified to fight him!

"Ye Chen, since you are here, come up and die!"

A roar shook the world!

Those martial arts Bureau people under the stage cheered, the voice roared!

Ye Chen glanced at the crowd, outlined a smile at the corner of his mouth, and said to Luo Cha (Kitano Takeshi), who is wearing sunglasses and a cap around him: "Luo Cha, let's go. If anyone dares to break the rules, kill them."

"Yes, my Lord!"

Under the sunglasses, there is a pair of cold eyes.

Who could have thought that he would be the emperor of martial arts, Kitano, who was terrified by countless forces!

That is the Luo Cha beside Ye Chen now!

They walk towards wudaotai!

When Ye Chen is still three meters away from wudaotai, his feet gather Qi and jump up!

He landed on the stage steadily!

Very relaxed.

Fang Zhongxin glanced at Ye Chen, with a trace of suspicious color on his face, because he felt that the momentum of Ye Chen seemed to have changed dramatically!

This Is it a breakthrough?

At this time, three old people also flew up from the seats under the stage.

Mou Zi glanced at Ye Chen and Fang Zhongxin and said, "we three are the three judges of wudaotai. Now, let me read out the rules! First... "

Words have not finished, ye Chen interrupted: "do not read, I will ask you three a question on the line."

The three old men were stunned. Although they were not happy, they still said, "what's the problem with you?"

"Where are you all from?"

The three sneered: "the challenge of wudaotai in Jiangnan province has been controlled by Huaxia Wudao bureau since 30 years ago."

"That is to say, you are all from China martial arts bureau?" Ye Chen Dao.

An old man nodded: "that's natural. Although we come from the same association as Fang Zhongxin, we will pursue the justice of wudaotai! You can rest assured

Ye Chen smiles.

It's all the people behind Fang Zhongxin. Can the referee be fair?

Last time yuan Jingfu is the best example!

But even so, he recognized it!

Moreover, Fang Zhongxin must die on the stage today, and no one can stop it!

Those three old people just want to continue to talk, ye Chen has opened his mouth: "nonsense, don't say more, just start it."

"You Three popular!

They have presided over many challenges of wudaotai, and almost all of them are polite to them, only this ye Chen!

Don't look at them at all!

Arrogant!

This arrogant boy is doomed to die!

Fang Zhongxin laughed and said to the three elders, "three elders, don't be angry. This may be the son's last words. You can go down and wait."

Hearing this, the three elders nodded and whispered, "master Fang, whatever it is, be careful."

"Yes, master!"

Soon, the whole wudaotai was left with Ye Chen and Fang Zhongxin.

Fang Zhongxin's eyes were filled with disdain. He roughly knew Ye Chen's strength that day.

It's impossible for the other party to defeat him!

This time it was destined to be a crushing situation.

"Boy, you didn't come, maybe you could live a few more days, but since you came today, I'm sorry! No one can survive who the Chinese martial arts bureau wants to kill. "

With that, Fang Zhongxin's momentum kept climbing. When he reached the top, he rushed out!

The wind is howling! Speed like thunder!

Ye Chen stood like this, hands negative behind him, motionless!

His mouth was full of playfulness and indifference.

In the first World War of the banquet hall, he roughly knew that Fang Zhongxin's strength was higher than his own two small realms at that time.Originally, I wanted to rely on the dragon sword to deal with this man.

But now, not at all!

Because he also stepped into two realms!

Under the same realm, he Ye Chen is destined to be respected!

When Fang Zhongxin is close to Ye Chen, he jumps up fiercely and sweeps out with one foot!

This foot, the wind is loud! With the power of destroying the withered and decaying, he smashed Ye Chen's head!

Under one foot, the head can kick!

It's bound to be bloody!

He didn't want to keep his hands from the beginning!

Seeing that the most terrible blow was about to fall, ye Chen moved, and his arm raised, slightly shaking!

The sleeve floats, a very strong airflow actually rushed out!

Fang Zhongxin's leg seems to have been subjected to endless resistance!

He noticed something was wrong and just wanted to take it back. Ye Chen's five fingers had been opened and snapped on Fang Zhongxin's wrist!

"Not good!"

Fang Zhongxin turns around and wants to break free!

But I found that I couldn't get rid of it!

The other side's hand is like a vice!

"Let go

His whole body condenses the strength to rush toward Ye Chen!

Ye Chen's arm flicks gently, the invisible evil spirit directly breaks the strong spirit!

Fang Zhongxin was stunned. For three days, the boy's strength was more than doubled!

How could it be!

"You said you were going to imprison my friend?"

A voice of indifference rings out!

From ye Chen!

Fang Zhongxin became angry: "little bastard, let go!"

Ye Chen Mou son a cold, arm agglomerates true spirit, fierce will Fang Zhongxin brandish come over!

And then! The real gas burst out!

Press down!

"Bang!"

He smashed Fang Zhongxin on the ground!

Simple! Rough!

Who could have thought that wudaotai would have such a situation!

There is no fancy martial arts, and there is not too much competition. On the one hand, crushing is extremely violent!

Fang Zhongxin's face is full of blood, and his body has suffered a lot of damage!

The three referees under the stage, as well as those people in the Chinese martial arts Bureau, turned black one by one!

I thought that Fang Zhongxin would crush this son, but I didn't think it was the opposite!

In a few seconds, CITIC has not been used!

Fang Zhongxin didn't wake up fuckin 'up!

The strong pain may have inspired Fang Zhongxin's fighting spirit!

Fang Zhongxin roared, and his whole body was full of vigor and strength!

Finally break free!

At the moment, he was embarrassed to get up, full of angry eyes staring at Ye Chen!

Insult!

Naked insult!

Chapter 252

"Little bastard, you die for me!"

With a roar, Fang Zhongxin's hands spread out and gathered a strong momentum!

Even the wind is blowing around!

"This This is the unique skill that master Fang got overseas, and cut against the wind! "

"It seems that he is really angry to take this out to deal with the boy!"

"Last time he killed three strong men with this skill!"

"That arrogant boy is dead!"

Huaxia Wudao Bureau laughed.

The momentum of Fang Zhongxin on the stage condensed to the peak and rushed out in an instant!

I saw his hands like two knives cutting through the sky, pulling out a long air wave, like two long knives falling from the sky, pulling out the fierce air waves toward Ye Chen!

They are several meters apart, but the threat of this move is thorough! The fierce air waves rush to Ye Chen.

As if cut off from life and death!

Lei Shuwei frowned: "at that time, the price of this martial art in overseas auction reached 2 billion yuan, which was regarded as the top martial arts skill. I didn't expect that it was sold by Fang Zhongxin!"

"The strong in general will die under this blow."

A dragon soul warrior glanced at Lei Shuwei and said excitedly, "chief, will something happen to the drillmaster? I don't think things are right! "

Lei Shuwei and Ying Qing looked at each other without speaking. There was a mysterious smile on the corner of their mouth.

At that time, the video of wudaotai in Jiangcheng was watched by both of them, except the leader of Huaxia No.1!

In addition to the three of them, no one knows Ye Chen's adversity!

That picture even appeared in their dreams countless times!

After the dream wakes up, the whole body is sweating!

Fang Zhongxin wants to kill Mr. Ye, even if he has practiced for a thousand years!

.....

On stage.

Fang Zhongxin's chopping against the wind is about to fall!

Tear the air! Air burst!

Terrible!

His whole body is a gust of wind, countless gravel in the attack of the palm wind, instant into powder.

We can see how terrible the power is!

Seeing that he was about to chop off, his mouth showed a senhan smile.

Chopping against the wind is regarded as a high-level martial art skill in the Chinese martial arts circle. It condenses the whole body's strength in one place and breaks out! Attack like a blade.

Killing people is like cutting vegetables!

After training to a great degree, you can fight with swords and cut iron like mud.

Although he didn't succeed, it was easy to kill the scum in front of him!

At this time, a faint voice suddenly rings out in Fang Zhongxin's ear!

"Did you say you were going to destroy my parents' tombstones?" Ye Chen opened his mouth.

No tension!

Incomparably plain!

It's like taking Fang Zhongxin as air!

Hearing this, Fang Zhongxin got angry, increased the strength of his hand and roared: "grass! Don't talk nonsense to me

Words just fall, ye Chen moved, against the wind!

One hand through the storm, bombard away!

His palm is like covered with a thin light mask. It's really steaming!

This time, ye Chen not only started, but also directly collided with Fang Zhongxin's headwind!

Because all of them feel that the extremely advanced martial arts skills are rubbish in his eyes!

"Bang!"

Two powerful forces suddenly collide, and the air billows on wudaotai!

"Boom..."

In an instant, like an earthquake, wudaotai even had a crack! Like a spider web!

The wind howled, the place where the confrontation issued a roaring sound, dust filled the sky.

"What's wrong with that boy? He's carrying the headwind of master Fang!"

"Ha ha, he's dead!"

"I'm afraid the boy doesn't even have a complete body..."

Looking at the wudaotai, which was filled with dust, all the people under the wudaotai were shocked, with infinite emotion and ferocious smile.

People who can't help themselves.

Just then, the dust dispersed and gradually dispersed.

There is only one figure on the field!

Huaxia Wudao Bureau there has been a carnival! Even the three referees are smiling!

"It's expected that master Fang can win. Ha ha, let's go to Kaiyuan hotel in Jiangnan province to celebrate..."

The voice of an old man in China's martial arts bureau is getting lighter and lighter, and it stops abruptly in the end!

Because on the Wudao stage, the dust completely disappeared!

That figure is not Fang Zhongxin, but a young man!

A very cold and proud youth!

Ye Chen!

At this moment, everyone's eyes widened, staring at the situation in the field, for fear of missing any link.

But the result is still the same!

On the contrary, on the Wudao stage, another figure has fallen down and is spitting out blood!"Ah..."

At this moment, the scream is particularly harsh!

Who else is not Fang Zhongxin!

The faces of those Chinese martial arts Bureau under the Wudao stage are more and more ugly!

What a shame!

The strong man of Chinese martial arts Bureau was defeated by a little boy!

The key is to be crushed!

If this matter is known by the high-level, absolutely angry!

Under the field what reaction, ye Chen does not care at all, step by step toward the spitting blood of Fang Zhongxin!

Fang Zhongxin noticed something, and his weak voice sounded: "you can't kill me! I'm from Huaxia Wudao Bureau... "

It's no use saying it!

One of Ye Chen's hands has caught Fang Zhongxin's wrist.

Fang Zhongxin is full of panic. Is this boy going to throw himself up again?

Madman!

A complete madman!

Which ancient Chinese warrior would do this!

The three referees were also aware of something wrong and rushed up!

"Ye Chen, you can't do it. According to the highest martial law of China, no one can kill the staff of Huaxia Wudao bureau without authorization!"

Ye Chen glanced at the three people and sneered: "seal my nationality? Prisoner my friend? Destroy my parents' tombstone? Do you know what sin means in my dictionary? "

"Death penalty!"

The next second, ye Chen lifted Fang Zhongxin's foot high again and swung it up!

And then, slammed on the ground!

"Bang!"

Blood splashes!

Fang Zhongxin was killed on the spot!

There's no chance of survival!

The three old men had already fallen on the wudaotai, and their eyes were full of anger when they saw the body of Fang Zhongxin!

"Ye Chen, do you know what you are doing! Look for death

One of the strongest breath of the old man angry voice! Red anger all over the body!

Ye Chen did not waver in the slightest, and said, "is it wrong for ancient warriors to kill people in wudaotai?"

The old man was speechless, but still said: "wudaotai is not wrong to kill people, but you should not kill Fang Zhongxin! Fang Zhongxin's identity is special! "

"Special?" Ye Chen smile, "even if special and how? If you offend me, that's what happens

"Arrogant boy! Take it The leader of the old man can't help it any more and orders directly!

Three people are even more Qi toward Ye Chen, in front of Ye Chen is about to come!

A figure has appeared in front of Ye Chen!

Strong breath straight to three people!

"Be bold! Who dares to touch him

Chapter 253

This moment.

The three old men of Huaxia Wudao Bureau were stunned.

Three people curiously look at the man in front of them. They still wear sunglasses and cap indoors. How wonderful it is.

Of course they know that this man came in with Ye Chen!

Guess should be a friend.

It is estimated that the friend can't see down, just move.

From the perspective of breath, it is also an ancient warrior.

The chief old man sneered and said, "since you are an ancient warrior, you should know the consequences of offending the Chinese martial arts Bureau. If you block this boy again, you will die."

Luocha (Kitano) facial expression, word by word: "who dares to step forward, kill!"

At this time, Lei Shuwei and others also set foot on wudaotai!

Lei Shuwei stepped forward and said in a cold voice, "you Chinese martial arts bureau is so unscrupulous! This is wudaotai. Is wudaotai guilty of killing others? Believe it or not, if I poke today's affairs to the top, what consequences do you think you have to bear at that time? "

The old man's face changed slightly, but he thought of the leader's explanation.

If Fang Zhongxin is defeated, ye Chen can't walk out of wudaotai!

No matter what means are used!

The old man looked at Lei Shuwei and said, "if you want to poke this matter up, you can be casual, but ye Chen has violated the supreme law of Huaxia Wudao Bureau, so you must confess your guilt!"

Lei Shuwei just wanted to open his mouth, ye Chen ordered: "you go down."

"Mr. Ye..." Ying Qing and Lei Shuwei's eyes are full of surprise!

They don't understand why Ye Chen wants them to go down!

"I said, you go down. This matter is a personal enmity between me and Huaxia Wudao Bureau. It does not involve the dragon spirit."

Lei Shuwei and Ying Qing looked at each other and could only get off wudaotai.

They dare not go against Ye Chen's will.

Of course, the most important thing is that they believe Ye Chen will not have an accident.

The three old men thought Ye Chen was very sensible and nodded with satisfaction.

"Now that you know that no one else should be involved in this matter, you'd better put your hands on it." An old man said quite arrogantly.

There is no doubt in the tone.

Ye Chen leaned against the pillar on the side of wudaotai, drew out a packet of cigarettes from his pocket, shook it, held it in his mouth, and then lit it.

There was a cloud of smoke.

Three eyebrows wrinkled, do not know how ye Chen this time still have mood to smoke.

Is there pressure in your heart?

All of a sudden, ye Chen raised his head and said, "according to your martial arts, what kind of consequences do I have to bear if I kill Fang Zhongxin?"

"The one who killed me came out laughing

"Oh."

Ye Chen has no more afterwords.

After a few seconds, the old man stood up and said, "boy, since you are conscious, just kneel down and let us take it away! Chinese martial arts Bureau has euthanasia, at least to protect you from suffering. "

Although he said that, no matter whether ye Chentong agreed or not, he would try to kill Ye Chen on wudaotai!

Only because of the leader's order - Ye Chen can't walk out of wudaotai alive!

"Oh."

The answer is still not salty.

Sleeping trough!

Those three old men of Chinese martial arts Bureau were furious!

What the hell attitude!

"Boy, since you don't cooperate, it's no wonder that we are. Today, you and Fang Zhongxin died together on wudaotai! We also give him an account! "

The old man sneered at him. Just about to do something, ye Chen put out the cigarette in his hand, took out his mobile phone, pressed the recording key, and said, "well, since we are in wudaotai, we will follow the rules of wudaotai. The three of you are not responsible for the life and death of the two of us! How about it? "

When the old man heard this, he was happy. If he killed Ye Chen in this way, the dragon soul could not say anything!

It's the best solution!

The key is that the three of them are in the top 100 of the Chinese martial road list. Their strength is far better than Fang Zhongxin. It is a piece of cake to deal with them.

"Good! I like your character! The contradiction between the armed forces should be solved by force! "

The head of the old man Shuang Lang Dao!

"Let's get started." Ye Chen light way, the voice does not have the slightest wave!

The next second, the three old men rushed out! The cold opportunity to kill Ye Chen!

At this time, a shadow flickers, the man with sunglasses is still in front of Ye Chen!

"Get out of the way!"

An old man roared! It's a slap to the other side!

Relying on the leaf Chen of the pillar, the Mou son suddenly tiny MI, the cold voice rings out: "Luo Cha, one does not stay!"

"Yes, my Lord!"

The three old men just want to laugh when they hear ye Chen's absurd orders. The man with sunglasses has rushed over! The strong wind is rolling, the palm is holding a short knife, the knife tears the air, the sound of whistling in their ears!

Their faces changed!

This speed!

This breath!

Top strong!

From their reaction, Luocho has arrived.

The roar of sword wind brings out a series of virtual shadows, covering the sky and the earth, making it difficult to identify which one is the real existence.

The three old men quickly retreat, at the same time gather the strongest strike toward Luocho!

Palm shadow all over the sky, driving the gust of wind, constantly on the boom came to bursts of dull roar.

"Bang! Bang

The air waves are overflowing, spreading in all directions, driving the dust flying!

At most, the three old men are about 80 or 90 Chinese masters! And Luocho, in terms of strength, is at least the top 30 in the list of Chinese masters!

This gap is like a natural moat! More like a gap!

Three more and more hard, more and more scared!

"Tear

A cold light appeared on one of the old man's neck!

The blood is dying! Suddenly fell in the pool of blood!

The old man's eyes were wide, and his expression before he died was a picture of panic!

Luocha is like a killing machine. It doesn't stop at all. It goes to the remaining two people again!

Seeing that the situation was not right, the two old men ran to the Wudao stage one after another!

They have confirmed that this guy with sunglasses is definitely one of the top 50 masters in China!

How to fight!

"Where to go!"

Luocha roared and the white light flashed. Once again, a knife quickly swept over an old man's neck and scratched his skin, bringing a burst of pain.

The old man subconsciously covered his neck, but found that he couldn't cover it at all. He separated his head and body!

How overbearing!

The three powerful Chinese martial arts Bureau, only one person left!

That left the old man's eyes are full of horror, this ye Chen's friend in the end is what demon!

It's killing without blinking an eye! The key block can't be blocked!

It's so fuckin 'crazy!

He just wanted to say something, Luocho stepped on the old man's chest!

The old man flew out on the spot and hit the ground severely, spitting out a mouthful of blood!

The bones in his chest are almost broken! Extremely painful!

The old man resisted the pain and stood up. A strong wind came down!

The sunglasses man came up again!

The key, the cold knife, is not going to give him a way to survive!

He can only concentrate his strength in his hands and turn his fist into claw. It seems that he is buckled to the neck of the man with sunglasses!

But you can't touch it! Dao Qi has already appeared in his chest!

The cold light flashed, and the knife was inserted into his chest!

Blood burst!

But the old man's five fingers just took off the man's sunglasses!

Without sunglasses, he finally saw the face of each other before he died!

But the next second, the old man's eyes shrink to the extreme, pupil is full of fear and surprise!

This face! He's very familiar!

It turns out that he is the first master of that island country, Kitano!

The helmsman of Wu Huang society!

Famous top strong man!

How could it be!

How can such a strong person treat Ye Chen so respectfully!

He Ye Chen He De how can!

Chapter 254

Three old Chinese martial arts Bureau were killed!

The whole process is just a dozen seconds.

It's also weird!

What strength does this need!

Is the man wearing sunglasses the top 50 of China?

If it is true, how can such a person appear in Jiangnan province!

How can you stand by Ye Chen without hesitation?

Wudaotai is full of a bleak meaning.

Because the back of the LuoCha is facing the group of Chinese martial arts and Taoism Bureau, they can not see the LuoCha who takes off the sunglasses.

LuoCha mouth corner outlines a sneer, five fingers a grasp, sunglasses back to his hand, more in front of the eyes.

He went step by step towards Ye Chen!

When came to Ye Chen, suddenly half kneel, respectfully said: "adult, fortunately not to insult life!"

Ye Chen nodded and said, "get up."

This very simple dialogue, but on the martial arts platform of everyone has a great impact!

They feel the world is crazy!

What beiyewu said was more like a hammer to break their hearts apart!

This kind of strong man knelt down in front of Ye Chen?

What attitude is this!

Isn't it that the strong pay great attention to dignity?

It is the individual can see the power of sunglasses men far beyond Ye Chen!

But he did kneel down!

"Hissing -" people should take a breath of cool air.

At this moment, everything was so scary.

Is this top strength just the beater of Ye Chen?

What's the matter with the world?

Those who were in the Chinese martial arts and Taoism Bureau stepped back one step after another, and did not know what to do for a while.

There is no head in the group.

The three old people who died on the stage were the three most important of the people sent by the Chinese military and Taoism bureau this time.

But it was so dead.

There is no sign.

Everyone seems to see the anger of the high-level of the Chinese martial arts and Taoism bureau!

It's changed, it's changed completely.

At this moment, leishuwei and Yingqing have frowned on this side, and their position just saw the face of LuoCha taking off the sunglasses.

Although it was only a moment, but that familiar feeling let them know, this person must have seen!

They even suspected going to beinoma.

But how could beiyewu, the top-ranking strongman of the Wu Emperor society, be willing to become the beater of Ye Chen?

They can only suppress the doubts in their hearts if they can't think about everything.

However, leishuwei has a sad look in his eyebrows.

He stared at the bodies on the stage.

This time, four people died in the Chinese martial arts and Taoism Bureau, and the identity of the four was not too low.

Ye Chen really offended and died of the martial arts and Taoism Bureau of Huaxia.

With the style of Chinese martial arts and Taoism Bureau, ye Chen will not be better.

But no matter how, dragon soul will spare no effort to stand on the side of Ye Chen.

"Later, call number one. There is only one that could have saved Ye Chen." "He murmured.

On the wudaotai, ye Chengang was going to leave, and suddenly a man of the Chinese martial arts and Taoism Bureau said, "Ye Chen, you have made a big disaster!"

Ye Chen stopped, and his cold eyes glanced at those who were in the Chinese martial arts and Taoism Bureau, saying, "if you are upset, you can stand up and join us. I will give you five seconds."

There was silence around the field.

Soon, five seconds have passed.

No one came out!

Who is the key to stand out? There are two extremely terrible evil gods on the wudaotai!

It's killing to go up!

Ye Chen sneered, step on, the whole body jumped up, and went out!

"Luocha, let's go!"

Hearing this, not only Huaxia martial arts Bureau, but also Lei Shuwei, they also silently wrote down their names.

The name of Luocha is destined to spread in the Chinese martial arts and Taoism.

But they searched the top 100 of the Chinese master list, and they didn't find a person named Luocha.

.....

At the same time, the Kunlun Mountains are deep.

Dozens of strong Wu family members are sitting on their legs and practicing patiently.

They are waiting.

Although the old man in the robe promised to sit in the Qin family, and even accept Qin Zhengyang as an apprentice, he did not get on the road for the first time.

But to take Qin Zhengyang to the house.

No one knows what's going on inside, they just hear the laughter coming from the day after day!

Not only that, the house overflows with a strong breakthrough breath!

Qin Zhengyang's father Qin Kun trembled with his hands. He knew that it was absolutely not a loss to exchange all of them with the things of Qin family!

Not many times, "creak!" One sound, the door opens! Qin Zhengyang and the old man of changpao came out at the same time.

Qin Zhengyang is not the same as before, and has a great momentum! Strength to the extreme!

Qin Kun quickly stood up and said excitedly: "Zhengyang, you....."

Qin Zhengyang's mouth showed a proud smile: "Dad, master taught me the cultivation method, I found that the ancient martial arts that have been cultivated from childhood to large are fucking bullshit! These days, my cultivation has been breaking through, I feel that I am full of strength! Now I can even challenge the top 100 of the Chinese master list! "

Qin Kun took a breath of cool air, excited: "really?"

Qin Zhengyang nodded and looked at the old man in the robe beside him, and respectfully said, "thanks to the master's guidance."

The old man in the robe had no expression and said, "you are very talented, but the way of cultivation is not right. I just corrected it for you."

Qin Kun was ecstatic in his heart, and asked, "adult, are you ready to leave for the Qin family in Jiangnan province?"

The old man in the robe looked in a direction, his eyes slightly narrowed and said, "you arrange the plane the day after tomorrow, because before this, I will take Zhengyang to a place. In any case, I will also make sure that there are any other problems with what you Qin family gave me."

"Yes, my Lord."

Qin Kun is very happy in his heart. Who is their opponent from now on?

.....

Mingcui villa.

Ye Chen naturally can not let Luochoa live in the villa, directly let him contact wuxiangming.

There are still several vacant rooms in wumingming's residence.

But it is not a long time plan, ye Chen called Nanjiang Wang, let him think of ways to make up the villa next to.

Although that family lived for a long time, but as long as the money is in place, it will leave.

Now, this world, either has the strength, or the money!

Ye Chen entered the villa, found a white suitcase, his eyebrows slightly wrinkled, just want to speak, a shadow appeared in front of him.

The eyes are very beautiful and beautiful. They have gods. They are beautiful and have their noses fixed. The pear vortices are on the cheek.

Summer is snow!

"If it's snow, you're back?" Ye Chen's mouth showed a smile.

A few days later, he found that Xia Ruoshi was more beautiful.

Xia Ruoxue lightly nodded his head and said with a smile: "originally, I came back a few days ago. Grandma had a little bit of a small matter, which delayed me. I heard my dad say, you have been tossing a lot these days?"

Although Xia Hongye only expressed a few feelings, did not say anything specific, but Xia Ruoshi also noticed that there was a big event in Jiangnan province.

And this event is likely to be led by Ye Chen!

Chapter 255

However, she also does not need to investigate, as long as ye Chen did not have an accident.

Xia Ruoxue poured two cups of juice from the juicer in the kitchen. One cup was handed to Ye Chen and asked, "during this period of time, my grandmother has said a lot of good things about you. If I talk about you every day, my ears will have cocoons."

Ye Chen drank the juice in one gulp: "this can only show that grandma's eyes know beads."

"It's easy for you to say that your grandmother is crying. People who don't know think it's really your grandmother." Summer if snow beautiful eyes white Ye Chen.

All of a sudden, she thought of something and continued: "tell you one thing. When my grandmother's home is over there, someone asked why grandma's condition suddenly got better. My mother accidentally said that she missed her mouth. If someone bothers you to treat something these days, you don't have to look at my face."

She didn't want to give ye Chen any trouble because of herself.

Ye Chen nods. He is a doctor, but not everyone can cure him.

Everything depends on the mood.

"Well, I'm going to take a bath first. I've been on my way all day. I should get some sleep. Do you want to come with me?"

Summer if snow beautiful eyes flow, joking way.

Ye Chen just want to say what, Xia ruoyue then twist the buttocks toward the second floor.

"The bathtub seems too small. Think about it or forget it."

Language down, came the summer if snow giggle.

Ye Chen helplessly shakes his head, summer if snow this wench how to Sun Yi's this move to learn?

He didn't think much about it and went straight back to his room.

Holding the black stone in the palm of his hand, he has a thorough insight into all the samsara graveyards.

The third tombstone is still silent.

Isn't your own realm enough?

And! What does Chen Qingcang mean by saying that he is their turn over man?

Is it difficult for this group of people to unconditionally make him stronger, what is it to fight against?

Ye Chen's head feels confused, no longer think about it, and enters the state of cultivation.

In an instant, the innumerable aura of reincarnation cemetery rushed to Ye Chen's whole body. The red light on his body twinkled, and a silk dragon roared and trembled the whole reincarnation cemetery.

Capital city, Huaxia Wudao General Administration.

"Bang!"

A man with a Chinese face clapped on the stone table in front of him!

Stone table is made of spirit stone, hard and incomparable!

But under the palm of the Chinese character face man, there are many fine lines like spider web.

The man with Chinese character face is Zheng renjue, who makes countless forces in China feel frightened and covers half of the martial arts world with one hand!

The seventh in the list of Chinese masters!

Two times higher than Jianfeng!

The more top the list of Chinese masters, the greater the gap between them!

Zheng renjue's cold eyes gazed at the people in front of him and said angrily, "not only is Fang Zhongxin dead? Even the three referees sent by our Chinese martial arts Bureau died in wudaotai? That boy can't have this kind of strength

His voice was full of majesty.

"Master Zheng, it's not ye Chen who did it. What we didn't expect was that there was a top strong man around him, named Luo cha! Look at the way he does it, it will never be lower than the existence of the top 50 masters in China! "

Hearing this sentence, Zheng renjue Mou son shrinks: "Luo cha? There is no such person in Huaxia. Do you have photos or portraits! I can roughly distinguish the top 50 Chinese masters. "

The man pulled out a picture in a hurry.

The man in the photo is wearing a cap and sunglasses, almost covered up!

Zheng renjue directly threw the photo on the table: "although this person has covered his face, from the perspective of the main body shape, he should not be on the list of Chinese masters! Check it for me! What's more, ye Chen killed Fang Zhongxin! No escape! Bring these two scum to me in three days

He wanted to see who was so arrogant that he dared not take the martial arts association of Jiangnan province seriously.

In fact, he looked down on Zheng renjue!

If he catches them, they will not die!

"Master Zheng, things are not so simple. The boy stands behind the whole dragon soul. Not only that, he has a recording file in his hand. A long time ago, there was a rule in China that no one or any force could investigate the life and death result of wudaotai challenge according to the destiny of heaven... "

Zheng renjue clenched his fist, and his evil spirit broke out.

"What I want is a result, not a refutation. Anyway, it's up to you to handle it. I allow you to take some experts from Huaxia Wudao bureau! I just want Ye Chen and that LuoCha to kneel in front of me! Otherwise, if this matter spreads out, where will our Chinese martial arts Bureau face? "

Those several Chinese martial arts Bureau staff can do nothing but nod: "yes, yes, yes!"

Although Huaxia Wudao Bureau closed all news after wudaotai, it still reached some people's ears.

A courtyard in the capital.

A thin man came in a hurry. Before he knocked on the door, the door opened as soon as Jiang Jianfeng was really angry. His eyes looked at the man and said faintly, "can't you tell me what happened to that evil species? By the way, what was the result of him and Fang Zhongxin wudaotai? Although Fang Zhongxin's strength is not strong, it is not the evil that can be hostile to him if he can step into the top 100 of the list of Chinese masters... "

He seems to be used to it.

Every time the thin man appears, it must mean that Jiangnan province will become a day.

The thin man nodded. His eyes were full of fear. He organized his words and said, "Mr. Jiang, the result of wudaotai The devil has won

Yeah?

Jiang Jianfeng stood up, his eyes surprised and shocked.

If it is reasonable to kill Tang Ao in Jiangnan Province, Fang Zhongxin's defeat is really unexpected.

"And won by that bastard? How could it be? "

The thin man thought for a few seconds and said: "Mr. Jiang, that evil not only won, but also killed Fang Zhongxin on the Wudao stage!"

"What!"

"Mr. Jiang, please listen to me. It's not over yet." The thin man said.

Jiang Jianfeng's eyebrows congealed with the character of Sichuan and stopped talking.

The man continued: "not only did Fang Zhongxin die, but the three referees of Huaxia Wudao bureau all died on the Wudao stage! This time, not only in Jiangnan Province, but also in Beijing! "

Jiang Jianfeng couldn't help it any longer. He held out his hand and grasped the man's wrist. His murder broke out. He said, "can you guarantee the truth of the matter? Sure? "

It's no small matter that four strong men of Chinese martial arts bureau have an accident in wudaotai!

Even if ye Chen is the God of heaven, he can't do such a terrible thing!

The man nodded fiercely and said, "but the other three judges are not killed by that evil kind, but a man named LuoCha! This person is very mysterious, the strength is unfathomable! If we talk about the list of Chinese masters, it must be above me! Even I feel that this person can break out and make it into the top 30 of the Chinese masters list! "

"The key point is that Luocha has great respect for that evil kind of attitude It's like It's like Ye Chen's servant! "

Chapter 256

Words fall, Jiang Jianfeng heart set off a storm!

Over the past few years, his heart, which has not fluctuated, is surging because of a young boy!

The key is still a wave higher than a wave!

What kind of respect does a top strong person have for that evil?

You're kidding!

But the man in front of him can't cheat him.

It seems that there are a lot of secrets in that son of a bitch.

"Give me a plane to go to Jiangnan province. I want to know what kind of villain of Jiang family is!"

The skinny man was stunned and said in surprise, "Mr. Jiang, are you going to see that villain? Didn't the old man say that he would sever relations with that family forever... "

Jiang Jianfeng sneered: "I'm just curious about what kind of talent Peirong can produce with her rebellious talent and a mole ant If that guy doesn't please me, kill it! "

.....

Three o'clock in the afternoon.

Ye Chen opens his eyes and spits out a mouthful of turbid gas.

He tried several times to break through the sixth layer of the aerodynamic environment, but failed.

However, it is also right to think about it. Today, we have broken through two small realms in succession. If we break through again, it will be really against the sky.

He should be content.

The only regret, the third tombstone, still not moving.

He managed some of the information left by Chen Qingcang, a great part of which was vague, but his martial arts skills were extremely clear.

Burning sky palm!

One of the top martial arts skills!

The sky burning palm is like a sea of fire. It overlaps with each other and has infinite power. After training, it will explode out of the sky and kill thousands of people by leaps and bounds!

Chen Qingcang can't have any rubbish on him. His martial arts skills are bound to be top-notch.

Ye Chen according to the above line operation, true Qi, slightly agglomerate, the whole body evil spirit condenses.

Suddenly, a flame burst out of the palm!

It's so weak, it's almost invisible!

He could even feel a burning sensation from the palm of his hand!

His eyes twinkle to kill the opportunity, towards the door suddenly burst out!

"Bang!"

The fire in the hand explodes, the whole gate smashes!

Not only that, but also the flames around!

This door is the existence of Ye Lingtian reinforced with special materials!

It's broken directly!

This shows the power of this palm!

"Lying trough!"

Looking around the spread of fire, ye Chen arm a shock, the wind! It goes out in an instant.

Ye Chen breathed out a breath of turbid Qi. It seems that he has created a training room for himself.

He just wanted to test his power, but he didn't release all his strength. He turned into such a situation.

"Burning the sky palm, it really deserves its reputation!"

Just then, the door of the next room opened and Xia Ruoxue, who was wearing silk pajamas, came out.

Silk pajamas are as thin as fiber, which can't block Xia ruoshue's proud figure.

Even with each step, the chest trembled slightly, and the turbulent situation made people breathless.

What's more, there is a vacuum under the pajamas!

There are two small grapes.

Xia Ruoxue rubbed her eyes and looked at Ye Chen's door vaguely. She was surprised and said, "Ye Chen, what are you doing? Ready to blow up the villa? I suddenly Regret living in You should deal with it quickly, or you will be in trouble when Sun Yi comes back. "

Finish saying, her head is sober a few minutes, follow Ye Chen's sight to look down, instantly discovered what, pretty face scarlet, turn to turn toward the house and go!

"That's it!"

The door closed.

Ye Chen wakes up, takes a look at the broken gate, but shakes his head. He calls ye Lingtian directly and asks ye Lingtian to send someone to repair it.

In order not to disturb Xia Ruoxue, ye Chen is ready to go downstairs to practice.

As soon as I closed my eyes, the doorbell rang.

He frowned and got up to open the door. When the door opened, he saw a young man.

Beside the youth stood two ancient warriors with good breath.

Can have this kind of expert to do bodyguard, the background should be pretty good.

"Who are you looking for?"

Ye Chen light way.

There was no movement in the tone.

"You are ye Chen?"

The man obviously didn't expect Ye Chen to be so young. He looked only about 20 years old.

Ye Chen did not speak, obviously waiting for the other side's words.

"Xia Ruoxue's grandmother was cured by you?"

"Yes."

Ye chendao, he has already guessed the origin of the youth, should be just what Xia Ruoxue said.

"Since you are ye Chen, come with me. My grandfather needs your treatment."

The tone of the other party seemed to be filled with no doubt, not so much a request as an order! Ye Chen Mou son twinkles a silk displeasure, spit out a word only, "roll!"

The next second, the door slammed shut!

Cut off everything!

The youth obviously didn't expect Ye Chen to refuse. He didn't even reveal his identity. Why did the other party refuse?

What reason does he have to refuse?

Ye Chen in the room has not sat down, the doorbell rings again, he originally did not intend to pay attention to, but think of Xia Ruoxue is resting above.

He opened the door again.

The young man even said, "Ye Chen, there are some things you may not understand. I might as well tell you that I am from the Han family in Beijing. This time, you are also the leader of the Han family in Beijing! You don't have the right to refuse. Once you are cured, I promise you will enjoy your glory and wealth forever

"What's more, I might as well tell you that my Han family holds an important position in the Wudao Bureau of Huaxia. I heard that you are also from the martial arts circle. If you want to live well, I advise you to come with me!"

In his opinion, the appearance of their own identity, ye Chen must understand how important this matter is!

Maybe even kneel and lick yourself!

"Chinese martial arts bureau?"

Ye Chen a Zheng, Mou son some surprised.

His mother and the Chinese martial arts Bureau feud, this Han family younger generation unexpectedly did not know?

Let yourself save others?

No way!

He didn't know that Huaxia Wudao Bureau blocked all news, even inside.

Except for a few high-level people who know what's going on today, the rest of us don't know!

Hearing Ye Chen's surprise, the youth nodded and a breath came out: "the car is waiting outside. Let's go."

"What if I don't go?" Ye Chen's eyes are cold.

The young man was stunned, and the threat on his face was dignified: "if you can't go, you can't do it! Take it away

The words fell, the two people around the youth moved, but they did not move, they felt a very terrible air wave toward them!

The next second, they're flying out!

The air is spit out a mouthful of blood!

Seeing this scene, the youth obviously did not respond!

"Why don't you go to hell..."

Words have not said export, ye Chen a foot kick out!

"For the last time, get out of here! If it wasn't because you didn't want to stain your blood at the door, maybe you would have been a corpse

His voice was as cold as bone marrow.

Youth body hit the ground, a roll, some embarrassed, his fiery eyes shot to Ye Chen, just want to speak, a beautiful shadow suddenly appeared in front of him.

It's a woman about thirty.

"Sister! This little scum... "

Before the words were finished, the woman slapped the young man on the cheek!

Chapter 257

"Don't be rude to Mr. Ye!"

"Elder sister, what kind of attitude do you have? You call this little bastard..."

The young man's eyes widened, just wanted to speak, "pa!" Another slap in the face!

Then, the woman looked at the old man who was following him and said, "Lao Yong, send this boy to the car. If he dares to have any disrespect, he can directly palm his mouth."

"Yes, miss!"

Soon, only women and ye Chen are left at the door of the villa.

The woman laughed, quite graceful, and even bowed to Ye Chen and said, "Mr. Ye, my name is Han Yan. It was my brother Han Ming just now. I apologize for what he has done."

If those people in the capital circle know that Han Yan should be so humble in front of a boy, absolutely startled off his chin!

"I see." Ye Chen just want to close the door, Han Yan then stretched out his hand.

"Mr. Ye, please listen to me for a moment. I know that Mr. Ye's medical practice is very effective. He not only pulled Zhu Rende out of the gate of death, but also helped countless old people who were helpless by doctors In the whole world, if anyone can wake up the master of Han family, only Mr. Ye will be the only one! "

Obviously, this investigation of Han Yan is very clear.

Not only did he know that he had rescued Xia Ruoxue's grandmother, but also that he had rescued Zhu Rende in Jiangcheng.

Seeing ye Chen not talking, Han Yao continued with a smile:

"Mr. Ye, you can make any conditions, and my Han family in Beijing will definitely satisfy you! I only hope that Mr. Ye can see the sincerity of our Han family once! No matter what the result is, the Han family will thank you! "

Han Yan finished, looking forward to Ye Chen.

She thought Ye Chen would move, but she didn't expect that ye Chen said coldly: "in this world, people die every day. Everyone is equal before life and death. It's the same with you, Han! Also, in my Ye Chen's eyes, save who, is my choice, I will not waste energy to save irrelevant people! No

Han Yan's face is pale, even a little angry!

He and Han Ming two people, one sing white face, the other sing red face, thought it would be effective!

But did not expect, this ye Chen does not eat this set at all.

"Mr. Ye, would it be too cold-blooded for you to see the dead like this? What's more, the Han family's status in the martial arts circle of China, if you save it, you may have protection! "

"Bang!"

Ye Chen closes the door directly, leaving only a cold word.

"I, ye Chen, have acted all my life without the protection of any forces! Besides, if you Han family dare to ring the doorbell again to disturb my rest, I promise, I will let you bury here forever! "

Han Yan looked at the cold door and fell into meditation.

She thought about the numerous possibilities of coming to Jiangnan province this time!

I didn't expect to be rejected so mercilessly!

He Ye Chen is crazy!

Dare to refuse the Han family!

.....

In the villa.

Xia Ruoxue may have heard the news, changed a suit of clothes and walked down. The beautiful eyes looked at Ye Chen and asked, "has the Han family come to find you?"

Ye Chen nods.

First, he didn't see any sincerity of the Han family. He only saw the domineering. He couldn't save him!

Second, the Han family and the Chinese martial arts bureau have contact, he is more impossible to save!

Third, the Han family in the capital is not comparable to the Wudao family in Jiangnan Province, but any force is not qualified to let Ye Chen condescend!

Why did he save it?

Xia Ruoxue poured Ye Chen a glass of water and said, "it seems that you have refused. It's OK. Although the Han family has a big business, I've heard that the Han family is extremely greedy. If you do it once, they will get more.

However, if the Han family retaliates, it is also a troublesome matter. But according to your way of doing things, you won't be afraid of them, will you? "

Summer if Snow's beautiful eyes have a different look.

She woke up not because of the doorbell, but because of a phone call.

This phone call is one of her friends, seems to be asking her about ye Chen.

Xia ruoyue doesn't ask about it, but finds out that she is not here. Ye Chen killed Tang Ao, President of Wudao Association in Jiangnan province!

Not only that, but also with Fang Zhongxin of Huaxia Wudao bureau!

Her friend inquired about the result of wudaotai.

Chen, it seems that ye has won.

Xia Ruoxue's beautiful eyes are more and more colorful. She stares at Ye Chen deeply. Her perfect face is full of surprise, surprise and shock She wants to see through Ye Chen.

This once worthless youth, has slowly stood in the center of the storm.

Countless impossibilities were made possible by him.

Perhaps before long, ye Chen will no longer be the first person in Jiangcheng, but the first person in Jiangnan province!

Could it be that at that time, her happiness can strive for itself?

There has been no news or phone call from Qin family.It should still be in Kunlun mountain.

Did not invite out that expert, in case Qin family suddenly came back? This is her biggest worry.

At present, only Ye Chen can stop the Qin family in the whole Jiangnan province.

Her only hope now is that the strong man in Kunlun Mountain has rejected the Qin family.

In this way, ye Chen's strength is still possible.

But what if the Qin family succeeded? Where should she go?

"What are you thinking?"

Ye Chen waved his hand in front of Xia Ruoxue, and he said several words, but Xia Ruoxue was like a mind wandering, without any reaction.

Xia Ruoxue responded and said with a smile: "no It's nothing. I thought again just now. Why hasn't Sun Yi come back? I'm going to learn some dishes from her today. "

"Why don't I have a try today? I should be no worse than you Ye Chen said earnestly.

The reason why he said this is because in part of the information given to him by Chen Qingcang, there happened to be several rare delicacies in ancient times.

These materials are not complicated. He should be able to get them.

The key is that these rare delicacies are cultivated with aura and supplemented by medicinal materials. Once taken, they will bring great benefits to the body.

"Are you sure?" Summer if snow beautiful eyes revealed a trace of surprise.

"Sure!"

"Well, Sun Yi and I want to see what you can do. First of all, we can't order takeout in advance."

"That's necessary."

When Xia Ruoxue and ye Chen are chatting happily, a phone call comes.

Xia ruoshue took out her mobile phone and glanced at the caller ID, and her smile suddenly solidified!

Qin Zhengyang!

Do you want to be so clever!

Ye Chen felt that Xia Ruoxue's face was not right and asked, "what's the matter?"

Xia ruoshue shakes his head: "harassing the phone is just, by the way, I go to my room to get something, which is a specialty I brought to you from other places."

"Wait for me below!"

Ye Chen nods, although feel summer if snow some strange, but also did not think much.

Soon, Xia ruoshue came to the room and locked the bedroom doors and windows.

The answer key was then pressed.

"Xia ruoshue, I have good news for you. Our Qin family will come back the day after tomorrow! I hope you can meet my Qin family in the best condition that day

"Of course, and my master Qin Zhengyang!"

"Maybe from the day after tomorrow, the situation in Jiangnan province will change completely! The Qin family is the only one in Jiangnan province

"My Qin family! It's the sky of Jiangnan province! "

Chapter 258

Xia Ruoxue heard Qin Zhengyang's words, her eyes slightly shrunk.

From the words, she knew two things.

First, the Qin family is finally coming back from Kunlun mountain!

Secondly, the master of Kunlun Mountain was invited back by the Qin family.

"Damn it!"

There was a trace of anger and alarm in her eyes.

If the master of Qin family is really the same as the legend, the whole Jiangnan province will have a great change!

More importantly, their engagement will be difficult to resist!

She thought of Ye Chen for the first time.

At present situation, can ye Chen have a way?

Ye Chen can kill Tang Ao, at least his martial arts strength is not weak!

The biggest problem of Ye Chen is that he has no power of his own!

Tianzheng Group is at most an enterprise and a tool to make money.

It is impossible to compare with so many powerful people in Qin family!

The key is that behind the Qin family, there is a strong man in Kunlun mountain.

Xia Ruoxue has never felt so irritable, she forced herself to calm down, but found it impossible.

The voice of Ye Chen's urging has been heard downstairs.

Xia Ruoxue bit red lips, opened the trunk, took out a amulet from it, and then went downstairs to Ye Chen.

"Here you are. I asked for it specially for you." Xia Ruoxue swept the haze in her heart and pretended that nothing was like that.

Ye Chen a Zheng, looking at the amulet, mouth outline a smile.

Eyes are gentle.

What amulet is needed for his current strength.

What's more, this amulet has no aura and merit light, and has no great effect.

Of course, ye Chen didn't tear it apart and put the amulet on his body.

"Ruoshue, is this the specialty you brought me? These days, the specialty products are so interested? " Ye Chen said with a smile.

Xia Ruoxue some absent-minded: "you wear good, very suitable, I have something to go out."

When Xia Ruoxue is ready to leave, ye Chen reaches out his hand and directly pulls Xia Ruoxue's white jade hand.

Pull back gently.

Summer if snow directly fell into Ye Chen's arms.

"How do I feel you're hiding something from me?"

Can't cheat the fierce snow leaf in the eyes.

"Come on, whatever it is, I'll stand up to it when the sky falls."

Hearing this sentence, Xia Ruoxue Jiao's body was stunned. What did she think of and tried to say: "Ye Chen, how strong are you now?"

Ye Chen did not expect that the other side would be this answer. He pondered for a few seconds: "have you heard of the Chinese master list?"

"Yes. It's said to be the strongest ancient warrior in China..." Xia Ruoxue's eyes twinkle with light.

"At present, if I want to talk about the ranking, I should be in the 99th, because I killed the ranking of Fang Zhongxin."

"But I'm not sure about the actual strength."

"Why did you suddenly think of asking this?"

Hear this answer, summer is like snow, the eye is a bit dim.

But soon, the dimness disappeared, replaced by a smile: "I'll ask casually, just now someone asked me about wudaotai, I'm a little curious. Well, I'll go back to the summer house and get something."

Ye Chen released his hand and didn't think much.

After Xia Ruoxue left, he still dialed ye Lingtian's phone and asked if there were any problems in the Xia family recently.

Naturally, there was no such thing.

Ye Chen or feel something wrong, he took out a tortoise shell and copper money from the samsara cemetery.

Put it on the coffee table.

Close your eyes and pinch your fingers quickly!

The next second, the copper money on the tea table turned automatically!

Faster and faster!

The tortoise shell is also affected by some kind of magnetic force, constantly changing its orientation.

Countless golden lights shuttle between these objects.

This is a skill he learned from the old man, although he can't survey his own destiny!

But the investigation of Xia Ruoxue's fate is more than enough!

For ten seconds, everything stops!

Ye Chen opened his eyes, his eyes shot a fine light, five fingers clapped on the tea table!

Tortoise shells and copper coins did not move.

His eyes were fixed on the coffee table.

The omen of great misfortune.

Bloody disaster.

Ye Chen looks a little ugly, the old man had let him first step into Jiangcheng!

Is to prevent the bloody disaster of Xia Ruoxue!

This bloody disaster is enough to make her die!

And the only breaker is him!

The way of heaven can't be controlled! He always thought that this day would come very late, but he never thought it would be in the near future!

However, according to the divinatory symbols, it should not be today.

Even so, ye Chen did not dare to take it lightly and directly called LuoCha!

Xia Ruoxue's photo was sent to him, and then he ordered, "even if you die, you can't let her have anything wrong!"

"Yes, my Lord!"

The strength of LuoCha almost crushed most of the strong martial arts in Jiangnan province.

With his protection, Xia Ruoxue is naturally the safest.

"This is not enough. In the next few days, I will try my best to stay with Xia Ruoxue."

When ye Chen falls into meditation, Lei Shuwei's phone calls.

"Mr. Ye, someone wants to see you."

"Mr. Ye, do you have time to go to Beijing? That person should be at your address right away Lei Shuwei said seriously.

He didn't think ye Chen would refuse. After all, it was a great opportunity for ye Chen.

"Thank you for helping me. I may be busy recently and can't leave Jiangnan province!" Ye Chen Dao.

Hearing this answer, Lei Shuwei was stunned!

Ye Chen refused?

Or refused the invitation to the capital!

Is this crazy?

Is Ye Chen going to be the first person in ancient times!

Lei Shuwei knows Ye Chen's arrogance, and he also knows that ye Chen has arrogant capital!

But there's no need to be like that in front of that one!

That's saving him!

Chapter 259

If there is no strong man in the dispute between Wudao Bureau and ye Chen, ye Chen will be in great danger!

Even if ye Chen strength again strong, even if he stands behind that mysterious LuoCha!

It's no use!

At the moment, Lei Shuwei has a headache!

He wanted to say ye Chen, but he didn't dare to say it!

"Mr. Ye, the opportunity is very rare. When you go to the capital, some people dare not touch you for the time being. Please think deeply."

Lei Shuwei advised.

Of course, ye Chen still refused: "at present, I really don't have time. I have to be in Jiangnan province. If I set foot on the capital some other day, I will personally make amends to that person."

This is Ye Chen's attitude.

If you choose in front of Huaxia and Xia Ruoxue, ye Chen will not hesitate to choose Xia Ruoxue!

"Alas Lei Shuwei didn't know what to say, so he hung up the phone."

Five minutes later, the phone rang again.

It's Lei Shuwei.

Lei Shuwei said directly:

"although it is impossible to go to the capital city, I still want to meet with that person today. He has some questions to ask himself. Besides, the car of that person originally wanted to take you back to the capital. Now it seems that there is only a compromise. You can come to the base, should you? There's a machine here that can talk to that person Mr. Ye, please don't refuse this, or the one will really get angry... "

Lei Shuwei said, the atmosphere dare not breathe.

Mr. Ye, dare to do anything!

"Good."

Fortunately, ye Chen finally agreed to come down.

Hang up the phone, ye Chen changed a suit of clothes, just went downstairs, the doorbell rang.

Ye Chen thought it was the special car of Huaxia, but he didn't expect that he was still Han's brother and sister!

But this time, there were a few more people around them.

"It seems that the lesson is not enough?"

Ye Chen's eyes are full of cold!

Han Yan said: "Ye Chen, I just want you to do it once, no matter what the price."

"We always want to have a good relationship with you. Why don't you want to?"

Han Ming also said: "Ye Chen, we didn't want to have a bad relationship with you, but even if you don't want to go today, you have to go. You can't help it!"

The words have not finished, a car directly slowly into the villa.

Several people in the Han family didn't think so, when they saw the car and the license plate!

Several people's faces completely changed!

Pale to the extreme!

How did this license plate appear in Jiangnan province?

Sleeping trough!

The first reaction of Han's brother and sister is a fake car!

It's not killing me!

Just then, the door opened, and a strong young man came directly to Ye Chen and said, "Mr. Ye, please get on the bus. The man is already waiting for you!"

"Good."

Ye Chen ignored those people and got on the car directly.

This time, the Han family and the rest of the people are confused!

License plates can be fake!

Can the driver cheat!

At this moment, several people only felt that there was a cold sweat behind them.

They just offended Ye Chen, no doubt they were looking for death!

.....

Jiangnan Province, a quiet place.

Ye Chen was taken to a meeting room.

The conference room has a circular screen with seven or eight special instruments in operation.

Lei Shuwei is also in it.

Instead of projecting more than one signal on the screen directly.

The old man's hair is a little gray. He is wearing a suit. He looks tough, but he is a little tired.

When he saw Ye Chen, the old man's eyes twinkled with light.

The air is quiet.

The old man finally opened his mouth: "Ye Chen, perhaps the two words are the most frequently heard names in this period of time."

"You are a very interesting young man."

"After disappearing for five years, you are like a changed person. Your five-year disappearance is like a mystery. I sometimes think, where and what kind of person can cultivate a person who is desperate into such a powerful person in five short years?"

"Don't get me wrong. I don't have the idea of exploring your secret. It's just emotion."

Ye Chen never spoke.

At the end of the day, ye Chen couldn't help it. He said, "if you come to me, you shouldn't say these things. If you have any questions in your mind, just tell me. I won't be choking."

The old man was stunned and burst into laughter.

"Well, I like your character a little bit. In that case, I'll stop talking nonsense. I'll ask you something! "

"First, is it related to you

Ye Chen did not have the slightest hesitation, way: "yes."

"Second, is Kitano still alive? Is the Luocha you are accompanying in wudaotai today, Kitano Wu?"Speaking of this question, the old man was obviously a little excited.

Or it's incredible!

He needs a positive answer!

"Yes Ye Chen still said.

Hearing this answer, the old man took a breath of cool air, really not calm!

Chapter 260

How can the old man calm down?

Kitano actually came to China!

The key is to be turned away by Ye Chen!

He didn't look at Kitano's martial arts strength!

But Kitano's influence!

Kitano is almost the belief of countless people in that country!

In the eyes of those people, the status is even higher than that of the Prime Minister of that country!

Now these countless people's beliefs actually come to China to be a young man. No one will believe it!

His body trembled a little, but soon recovered a trace of seriousness, seriously said: "Luocha is really Kitano? How can it be? His strength and style are impossible to work for the Chinese people! "

Ye Chen sat down and shrugged: "this is a fact. As for why, I can't tell you. Everyone should have their own secrets, shouldn't they? "

Hearing this, the old man nodded and said, "good! Good! Good! I also want to ask, will Kitano listen to you? "

"I let him die, and he must die." Ye Chen's words startle humanity.

As soon as the words came out, the old man was stunned and immediately his face was beaming.

There have been some irresistible contradictions between China and that country recently.

At present, if Huaxia wants to take the initiative, Kitano is the key person!

"Ye Chen, can Kitano be borrowed from China?" The old man made no secret of it.

"No problem."

The old man's heart a joy, just want to talk, ye Chen continued: "but, I have conditions!"

Ye Chen knows this is his best chance!

The story of Yunhu villa, the mystery of parents' life and death, and the whereabouts of the capital Dragon Lord!

He may not know, but one must know!

That's the old man in the video!

He holds the top power of China in his hand, and there is no hiding any secret.

The old man seemed to have guessed something and said, "you want to know something about Yunhu villa."

Ye Chen nodded, and her eyes were extremely dignified: "I not only want to know what happened in Yunhu mountain villa, but also know where the Dragon Lord is in Beijing!"

The cold killing machine is released.

Even through the video, Zhongnanhai's old man is also one of Zheng.

After hesitating for a few seconds, the old man sighed and opened his mouth: "it's not that I don't want to tell you, but I promised one person that I couldn't disclose the incident of that year."

"It seems that it only happened in a small river city! But I can tell you, it involves three top families in China! Any one of these three families is not what you can shake now, even I have to fear!

They represent the three strongest forces in China! beyond doubt; indisputability! If these three families are angry, China will usher in an earthquake!

Even in front of these three families, you dare not show any disrespect to the huge Chinese martial arts bureau that you are facing now

"If you think I'm a top power! That's a big mistake! The real top power of China is the three families

The voice of the old man sounded like thunder in his ears!

Ye Chen's body also rolled up the meaning of Tao Tian Sha!

An invisible anger suddenly formed!

As if aware of Ye Chen's anger, the old man said, "Ye Chen, although I can't tell you everything about Yunhu villa in those years, there is one thing that is worth your promise to me just now!"

"What?" Ye Chen said in a deep voice.

The old man's eyes congealed, stood up, hands taking advantage of the table in front of him, word by word: "your parents are not dead!"

"Bang!"

Ye Chen's heart seems to be hit by a shell!

The whole person was so excited.

His eyes were red and his veins were bulging.

Although all the information he is investigating now shows that there was something wrong with the death of his parents, and he may even be alive, he can't calm down when he hears the affirmative tone of the old man in the video.

"Where are they?" Ye Chen excited way, these words are almost he roared out.

The old man shook his head: "I don't know about it. Even I can't touch the affairs of those three families. But you should know soon that someone has come to Jiangnan province to look for you."

The old man was afraid that ye Chen would continue to ask questions that should not be asked again. After looking at the time, he said: "I am going to fly to m country. There is a meeting. Today's video is here. I will let special personnel come to contact you about Kitano."

"And here are two suggestions. Warsaw, Warsaw. Second, don't touch the three families before you have plump wings

Language down, the screen interrupted.

Ye Chen directly left the dragon soul base, did not let Xiao Deng send.

He chose to walk back.

He called Ye Lingtian at the first time: "you have to investigate the top three families in Beijing at all costs."

Ye Lingtian soon arranged a data to Ye Chen. However, to his disappointment, there are no such three families in the data.

He was sure that one of them must be the family behind his mother, the Jiang family!

Jiang Jianfeng is the only clue.

The second one should be the family of the dragon master, who doesn't even know his surname.

As for the last family, it was more mysterious. He couldn't figure out which link of Yunhu villa would involve this family.

"Three top Chinese families? Ha ha, if you change to ordinary people, you may think you are unattainable! "

"But in my Ye Chen's eyes, this China and even the whole earth is not as small as dust!"

Reincarnation cemetery is his biggest dependence!

On the occasion of Ye Chen's meditation, a powerful roar rushed over!

A black Hummer was rushing towards him!

Instead of slowing down, the speed is accelerating!

It's over 200 yards!

Ye Chen Mou son sends out a trace of cold, evil spirit towering!

Obviously, some people can't sit still!

In the blink of an eye, the Hummer has rushed to Ye Chen's face!

Ye Chen is about to hit Ye Chen. Ye Chen's knees are bent and his feet are full of Qi! Jump!

All of a sudden!

Body directly from the ground five meters high!

At the moment of Hummer rushing out, ye Chen's figure falls and falls on the top of Humvee!

Five fingers are like steel bars to the roof!

"Zizizi!"

Sparks twinkle, directly through the roof steel plate!

Hold your figure!

But this is far from over, ye Chen Mou son a congealing, and then arm true gas bombing, fierce pull, direct tear!

There are five people in the car! The breath is not weak! One of them even gives Ye Chen a sense of threat!

Five people obviously did not expect Ye Chen to be so domineering, no longer hesitated, the killing broke out!

Ye Chen snorted coldly and shot a blade of wind in his hand and cut it directly on the driver's neck!

Driver killed on the spot!

Blood is gradually stained on the glass window.

At the same time, the Hummer lost control and hit a mountain wall!

The remaining four strong men in the car realized something was wrong and rushed out of the Humvee and went directly to Ye Chen!

"Bang!"

With a loud noise, I saw that the Hummer had hit the mountain wall, and the fire broke out!

And above the ground, the four strong have steadily landed in front of Ye Chen.

The cold killing began to spread.

"Ye Chen, originally wanted to give you a happy, since you refused, it is not right, next you will enjoy the torture!"

A cold and cold language with a rolling force to penetrate!
