

Physician 271

Chapter 271

Qin's father has already felt the surrounding discussion, this matter also cannot hide, might as well confess.

Hearing this, the old man's eyes were more interested. He looked at Qin Zhengyang and said, "as my disciple, you can't even keep a woman."

"Master, I...."

Qin Zhengyang is very frustrated in his heart. He really wants to kill Ye Chen now!

The robed old man waved his hand and said, "I don't need any reason. Originally I wanted to help you kill this son, but now it seems that you should do your best. If I kill him for you, it can solve the problem, but it can't solve the fact that your heart is damaged."

"Only if you kill yourself can you benefit a lot."

"What's more, during this period of time, you practiced with me, and I also taught you some rare martial arts skills. It's time for me to see the results!"

Qin Zhengyang stood up and said seriously, "yes, master! I will behead him myself

Just as Qin Zhengyang was about to leave, the robe old man said, "wait a minute."

Then there was a sound of breaking the sky.

Qin Zhengyang stretched out his hand and opened it directly. He soon found a pill lying in the palm of his hand.

"This pill can help you improve your strength. I hope you don't let me down!"

Yes, master

Qin Zhengyang clenched the pill and walked towards Ye Chen and Xia Ruoxue.

The air was as heavy as it could be.

The killing machine has been brewing to the extreme!

Fight, it's on the trigger.

Qin Zhengyang stopped, his cold eyes looked directly at Xia Ruoxue and said, "bitch, do you forget the lesson I gave you at the beginning?"

"I warned you, you are my Qin Zhengyang's woman, no one is qualified to move, no one is qualified to move!"

"I'm going to give you one last chance to let go of that guy's hand, marry me, and let me divorce you in front of everyone in Jiangnan province! Or your parents' lives will be lost! Your life will not be saved! "

"Don't think that if this boy stands behind you, my Qin family can't do anything about it! Today, I will let you two dog men and women feel what is small

The last word, almost Qin Zhengyang roared out!

After Qin Zhengyang finished, he directly swallowed the pills given to him by the elder! He wants to crush Ye Chen!

He wants to show his talent and strength in front of the master!

Ye Chen looked at Xia Ruoxue and said, "do you want to marry Qin Zhengyang?"

Summer if snow bite red lips, without hesitation: "do not marry."

Ye Chen looked at Xia Ruoxue: "well, I cut him off!"

The next second, ye Chen in situ into a shadow, directly rushed out!

The powerful air wave swept across the whole nanqin villa as if a strong wind blowing!

Qin Zhengyang's medicine broke out, and his strength continued to rise, which made him enjoy the ultimate!

Looking at Ye Chen, he roared and his fists burst out!

The fist actually overflowed a trace of light air flow!

Bursts of air explosion sounded, so terrible!

"Bang!"

The two fists intersected, making a low voice like thunder.

Qin Zhengyang only felt a strong attack, and then the whole body retreated several steps!

It's a mess!

He found that he could not resist the power of this boy's fist even after taking pills!

Qin Zhengyang's eyes are full of panic!

He knows Ye Chen is very strong, but he doesn't know how strong he is!

How could it be!

"You are not my opponent, and you are not worthy to be my opponent!"

Ye Chen's faint voice rings out.

Disdain to the sky!

The guests around were completely confused!

Qin Zhengyang is regarded as the top genius in Jiangnan province. He can't resist Ye Chen's fist?

But think carefully, also calculate normal!

After all, ye Chen killed Tang Ao at the beginning!

Tang Ao and Qin Zhengyang's strength always have some gap!

Qin Zhengyang takes a look at the robe old man, bites his teeth and strides out step by step towards Ye Chen!

At this time, Qin's father directly threw a spear at Qin Zhengyang!

"Zhengyang, use this gun to deal with this boy!"

Qin Zhengyang takes the spear with one hand! The figure twinkles, a shot pierces the air, just like to want Ye Chen's life!

Ye Chen looks at the long gun attack, the corner of the mouth shows a trace of indifference.

In the last second, the killing of the body broke out, a step, the arm's real Qi flow up, but also stretched out a finger, the finger spilled a light blood gas, directly point out!

"Put a gun in front of me. One finger is enough. Get out!"

Ye Chen's fury resounds through the whole villa!

"Click!" When he touched the gun, he could not feel the force of the gun!The Spear's broken!

Qin Zhengyang's hand holding the spear is even more painful!

He found a blood hole in the palm of his hand!

My own bone is broken!

No, it's not just broken! Even the bones are broken!!

Qin Zhengyang spouted a mouthful of blood from the corner of his mouth. The whole person flew upside down and hit the wall. The earth shook a little bit!

Ye Chen's eyes are cold, five fingers into claws toward Qin Zhengyang's neck button!

"As I said, I'll come and ask for your life myself!"

This scene, in everyone's mind burst open!

No one would have thought that things would be so crushing!

It's not that Qin Zhengyang is too weak, but ye Chen is too strong!

One punch, one finger, even let Qin Zhengyang suffer a heavy blow!

The crowd couldn't help holding their breath. Instead of looking at Qin Zhengyang, they looked at the robed old man!

The apprentice is so embarrassed that with Ye Chen's strength, it is impossible for Qin family to be able to defeat him!

If the strong man of Kunlun Mountain doesn't fight again, Qin Zhengyang will die!

When the line of sight falls in the direction of the robe old man, they find that there is no figure in the position!

The next second, an old voice sounded in the whole nanqin villa!

"Dare to touch my disciples! Look for death

The sound is like shaking, the sound wave is sweeping, and the earth is shaking. Those who are strong in martial arts can feel their own Qi and blood surging up!

A strong pressure enveloped the whole villa!

Some people with low strength even spit out a mouthful of blood!

Xia Ruoxue also feels a little uncomfortable, but LuoCha soon blocks in front of Xia Ruoxue!

Step out, the power of sound wave disappears!

"Miss Xia, I'm surprised."

Xia Ruoxue's face is pale, a face worried to see Ye Chen, do not care about the return way: "I'm ok."

Because at the moment, a dark shadow is rushing towards Ye Chen!

Ye Chen discovered the appearance of Lin Mo mountain at the first time!

He didn't dare to take it lightly. He retreated, and at the same time, his true Qi condensed and wrapped his whole body!

"Little bastard, you are just a pneumatic environment. Do you really think you are the heaven of Jiangnan province! Look for death

Lin Mo Shan's eyes are cold, with a thick killing machine, gnashing his teeth.

When the fist attack, Ye Chen instantly feels a strong pressure from the cross, like a storm, an extreme breath of death enveloped him in it. In an instant, his face changed greatly. He looked at the blow that was about to fall. He didn't care about everything. He hit the same punch!

Chapter 272

The other party is too fast!

Ye Chen can't even use his martial arts skills!

Boom

When the huge crash sound came, ye Chen only felt an overwhelming trend sweeping over him, and his body stepped back eight steps directly behind him!

Hold on! The blood is surging up. It's hard!

Only this fist, ye Chen found that the strength of this man is not only far beyond himself, but also far beyond Luo Cha!

Damn it!

It's a real match!

Lin Mo Shan doesn't give ye Chen a chance to think. The strong wind makes a big rush towards Ye Chen again!

"I have practiced for decades. If I can't even move a little boy, it will make countless people laugh at me!"

This time, Lin Mo Shan clapped! Open and close, the palm is covered with a layer of white halo, storming.

All routes of Ye Chen are blocked!

He doesn't plan to give ye Chen a living!

There is not a trace of reincarnation on his face.

Now it's up to you!

In the face of this kind of top strong, he can break through in the battle!

The only way to fight against each other is to burn the sky palm!

Ye Chen gathers all the true Qi of Dantian in one palm!

A sense of endless heat came!

His hand is suddenly gushing out flame shadow!

Between the waves, the light flashes, the wind roars, the flames roar!

A red virtual palm was so blasted out!

A strong burst of energy! It's like a giant beast crashing towards Lin Mo mountain!

The earth trembles!

The tables of those guests were smashed!

Lin Mo Shan has no intention to stop his hand. He is full of genuine Qi and blows out a fake palm!

The virtual palm was torn on the spot, and the air burst!

When the sound of violent collision came, Lin Mo Shan only felt that his eyes were dark and his internal organs were shocked. His chest was stuffy, his throat was sweet, and his mouth was filled with blood.

His whole body flew out!

Seeing this scene, Qin Zhengyang on the ground flashed a trace of fright in his eyes and took a deep breath!

Look at Ye Chen again, as if standing in front of them is the God of death!

A god of death crawling out of hell!

Is the gap between them like a natural moat?

He thought he had become the apprentice of that man, and he could even become the first person in China after many years!

But now it seems that ye Chen will not die. I'm afraid that the first person in China and I have no chance!

At the thought of it, he could not help but spit out a mouthful of blood!

Not only Qin Zhengyang, but also all the people in nanqin mountain villa, including Ling Feng and Lu Hanshuang, have their eyes fixed on this young man born in the sky! All of them were shocked by him. They opened their mouths wide and could not make a sound.

This hunter is too terrible!

The power of one hand has even lifted the powerful man of Kunlun mountain!

Sleeping trough! When did this kind of person against the heaven appear in China!

They even think that this time standing in line with Qin family is the most wrong choice in their life!
Indirectly offended Ye Chen!

Just then!

Lin Mo Shan suddenly laughed and said, "if I guess correctly! This is the top martial art in Kunlun!
Although I don't know how you master this skill! But this is no longer important, because in the future
this is my martial arts! Ha ha

"And in fact, this palm has consumed all the true Qi of your elixir field. Now you are the bow of a strong
crossbow! There is no doubt that you will die! "

"It's impossible for aerodynamic environment to do such a trick!"

"Now, it's time for you to die!"

His eyes were burning with fear!

If he gets this kind of martial arts skill, his strength will be increased more than five times!

Ye Chen Mou son extremely serious.

Indeed, the burning sky palm is strong, but it is too overbearing! He thought he could kill Lin Mo
mountain with one hand! But I didn't expect that it just hit Linmo mountain!

Next, trouble!

Lin Mo Shan's mouth showed a trace of contempt, a cold hum, a direct blow toward Ye Chen,
momentum like a rainbow, give up who!

How can you block me

At the same time, there was a roar from the mouth.

Fist for a moment, as if through time, infinite expansion, rolling the air, issued a beast like roar.

"Boom..."

Just then, LuoCha rushed out!

Block in front of Ye Chen's body, direct a palm to run!

In an instant, the fist collided with Lin Mo mountain, and the huge explosion sound came, and LuoCha suddenly retreated.

However, Lin Mo Shan's body was suddenly shaken, and then he stood firm again, turned around, and the second fist hit Luo Cha: "I didn't expect that there was a strong man around you! It's just that the strength of this strong man is not as good as mine! "Bang

It's a fierce bombardment again. It's incomparable!

Lin Mo Shan retreated a step, but LuoCha actually stepped back five steps!

Not only that, LuoCha mouth has spilled blood, viscera have been shocked!

Even though injured, he still blocked in front of Ye Chen!

Because if Ye Chen has an accident, he will surely die!

Lin Mo Shan stopped his steps and looked suspicious: "you don't want to die? There's a big gap between you and this little beast. Why protect this boy

Luo Cha Mou son cold: "you are not qualified to insult adults, die!"

My lord?

Lin Mo Shan looks more and more strange. He really didn't understand that a strong man was willing to be the servant of this boy?

Before he could figure it out, LuoCha had already rushed out!

With the atmosphere of tyranny, like a hungry beast, opened its mouth and went straight to Lin Mo mountain.

"Looking for death!"

Lin Mo Shan angrily denounces, the figure disappears, turns to the gale, appears in front of LuoCha again!

Click, crisp sound of fracture, naked eyes can see that the arm of LuoCha was blown off, blood flying, like rain!

But Lin Mo mountain is as stable as Mount Tai!

In fact, his realm is only two small realms beyond LuoCha!

But his martial arts skills from Kunlun Xu do not know how much stronger than LuoCha!

It's very easy to deal with him!

Then, Lin Mo Shan raised his foot and kicked directly on Luo Cha's chest!

"Bang!"

Luo Cha, who has been seriously injured, flies out!

Hit the wall heavily!

Break a wall!

This war directly crush!

The war situation reversed!

Lin Mo Shan raised his head and looked coldly at Ye Chen in front of him, revealing a sneer: "the hunter, but so!"

"What are you fighting me with now?"

"If I don't show up in Jiangnan Province, maybe you will become the first person in Jiangnan province. Even, with your talent, it's not impossible to win in Huaxia ten years later!"

"But it's a pity that you met me. What I like most is killing genius! A genius like you

Quiet, absolutely quiet. Under the stage, only the sound of other people's swallowing can be heard. Everyone's eyes widened and looked at the old man who was born like the God of war.

Although they don't know how strong the top Chinese are!

But Lin Mo Shan is definitely qualified to be in the top 20 of the master list!

Even the 10th in the list of Chinese masters!

Chapter 273

Lin Mo mountain releases a strong breath, almost covering everything!

Everyone thinks that in the face of such a strong man, what kind of fight does Ye Chen take?

A mountain is higher than a mountain!

Seeing this scene, Lu Hanshuang in the distance trembled and said to Ling Feng, "Dad, is there really no way out?"

Ling Feng shook his head, his face full of regret.

If ye Chen had agreed to his request, he might have had a chance to move to the capital to rescue soldiers.

Now, it's impossible!

This time, ye Chen is doomed to die!

This may be the price of arrogance!

No one in Jiangnan province can stop Lin Mo mountain! no one!

At this moment, Lin Mo Shan's hand suddenly appeared a short sword, the cold light flickered, and said to Ye Chen, "finally, I'll give you a last word."

"Just one sentence."

"If you kneel down and beg for mercy, I might even consider giving you a few more minutes to live!"

It seems that his words of life and death have come to an end.

Everyone thought Ye Chen might kneel down and beg for mercy!

But he didn't!

Ye Chen stares at Lin Mo Shan, the sword of cutting dragon appears in his hand, and his cold eyes twinkle with cold killing intention!

"Let me kneel? You are not qualified! "

The next second, ye Chen rushes out, cuts the dragon sword to tear the air, the sound of whistling, directly draws out a corroding radian!

Take Lin Mo Shan's neck!

Lin Mo Shan didn't mean to dodge at all. He touched the dagger in his hand!

"Click!"

Strange things happen, Lin Mo Shan's dagger is broken!

Not only that, ye Chen's sword in his hand actually crossed the chest of Lin Mo mountain!

Tear the clothes!

There's a cut!

Blood oozes out!

Although there was no serious injury, who could have thought that ye Chen, who was already the bow of a strong crossbow, could even break out such a killing opportunity!

What the hell is this!

Only Xia Ruoxue noticed that ye Chen had three silver needles in his arm!

Ye Chen is not only a practitioner! It's the God of medicine!

The world of cultivation is magic! The human body is more magical!

To stimulate acupoints with silver needles, short-term recovery of Dantian, why not!

Although it will overdraft some of the body, but it is nothing to him!

At the moment of the mountain, the sword is broken again, as if it were broken by the mountain!

This is his best chance!

Everyone did not expect Ye Chen to suddenly run away!

Lin Mo Shan has been defeated in succession. The key is that he has never seen Ye Chen's sword technique! Like a tight wall!

He already has a certain in his heart!

Young and so powerful, coupled with Ye Chen's true Qi, this boy must come from Kunlun Xu!

He didn't care about everything. He stretched out his hand fiercely and directly held the sword of cutting dragon!

Even if there is genuine Qi to protect his hand, the sword of chopping dragon still cuts through the true Qi, making his palm full of blood!

Lin Mo Shan's face was full of anger. He roared, preferring to get hurt and smash it out!

"Bang!"

The two separated and retreated five steps in succession!

Smoke rolling, dust all over the sky, wind howling, this moment, the scene is very quiet.

The silver needle on Ye Chen's body has been shaken open by the air wave!

Damn it!

A feeling of weakness hit me, extremely uncomfortable!

Xia Ruoxue noticed something, and quickly helped Ye Chen, caring: "Ye Chen, I'll take you away..."

"Want to go, dream!"

The next second, the angry Lin Mo mountain will be swept by bursts of strength!

His palm energy quickly condensed, in the moment of display, condensed into a thorn.

Once stabbed into the human body, you will die!

This one!

Like the wind!

Like a shower!

No one's dodging!

Let everyone unexpected is that Xia Ruoxue unexpectedly without hesitation in front of Ye Chen's body!

"Grass!"

Ye Chen now set off bursts of anger!

Is the old man's bloody disaster to Xia Ruoxue now!

Xia Ruoxue is not in trouble for other reasons at all! But because of him!

Thinking of this, ye Chen's face is extremely ferocious!

He will never let Xia Ruoxue have an accident!

He felt the samsara cemetery!

The tombstone full of death may have been influenced by Ye Chen's anger and turned out to be golden!

On the tombstone is surging cold blood!

Like the God of slaughter crawling out of hell!

At the moment, ye Chen's eyes are red, just want to move the tombstone, a cold and tender voice rings out!"Wow, the fight didn't call me!"

Hear this voice, ye Chen Mou son suddenly stare big!

This is

He suddenly turned his head and saw a little girl with two braids coming towards him!

The girl's speed is very fast, in the blink of an eye came to Ye Chen's front!

Looking at Lin Mo Shan, the girl laughed and rolled up her sleeves. Her expression was extremely excited!

"It's you old man. When I was at the airport, I thought you were not very happy! Just right. I haven't had a fight for a long time. Warm up

With that, the girl's legs slightly bent, like a tiger hunting general, put out a fighting posture.

"Bang!"

What shocked everyone!

The girl rushed out!

The ground even split a few holes!

This scene let many people flash a trace of horror on their faces. The deep cracks on the ground let these people take a breath of cool air, and their weight can be judged in an instant!

How could a little girl break out of this power?

You're kidding!

This kind of little girl is still studying in primary school or junior high school, but there is such a fact!

, most of us are old faces.

They have practiced for most of their lives, but they can't even rival a little girl!

Lin Mo Yamamoto was still a little contemptuous. When he saw the momentum of the little girl, his face changed!

Master!

"Mountain climbing palm!" Lin Mo Shan a light roar, directly toward the little girl's tianlinggai to shoot!

One move will kill you!

The two palms drive the air to give out a dull roar, like the roar of the wind and thunder.

Suddenly, set off a gust of wind, as if the essence of the general energy toward the little girl straight forward!

The little girl kept saying, "Oh, old man, you have something. It's good. Let you try my invincible Feifei fist!"

Language down, the girl became serious, in front of unexpectedly out of thin air ten fists!

Weird to the extreme!

The fist and fist overlapped. In an instant, ten punches were added into one. At the moment when Lin Mo Shan rushed to his body, his strength suddenly burst out.

"Bang..."

In an instant, the two forces intersect and explode! Make a deep, heavy roar.

The old man thought that the little girl would be killed by him on the spot, but he didn't expect that a strong momentum penetrated his arm!

Even more, he rushed to his internal organs!

His pupils are dilated! His face was astonished to the extreme!

A trace of solemnity flashed in his eyes. Looking at the little girl who rushed again in a twinkling of an eye, Lin Moshan put away his despised heart, and the murder broke out and met him again with a roaring momentum.

Chapter 274

The little girl looked at Lin Mo mountain rush, stretched out a lazy waist, lost way: "originally thought is a master, now seems, is a spicy chicken!"

A word let Lin Mo Shan blush and neck thick, hard to say a word, can only use angry eyes to look at the little girl!

"Find death!"

He was said to be a little boy with spicy chicken!

It's a shame! Naked shame!

He was worried that he would be honest with a little girl. Now, he is totally ignored!

Change the fist into claw, five fingers to the little girl's chest BUCKLE!

He's going to penetrate the girl's body! Dig out her heart!

Let her know what is inferiority, what is elder generation!

The arrogant people usually die early!

The little girl gave a white look at Lin Mo mountain and sighed: "you are spicy chicken, don't believe it, just now you want to move that kid? He's my man. You're not qualified to move!

But old man, if you can bear my three moves, I will not take the hand! "

Next second, the little girl's figure suddenly disappeared!

Like a storm!

Lin Mo Shan's face changed greatly, and he lost the direction of attack!

Looking around anxiously, I was afraid that the little girl would come out of nowhere and attack him?

"Old man, my aunt is here!"

A cold voice sounded!

Lin Mo mountain fierce claw dead buckle to the source of sound!

But found out to grab!

Before he came back, a pink fist cut through the air and came through it!

"The first move!"

Lin Mo mountain eyes a shrink, embarrassed to return, but found that it is impossible!

A scream, the whole person was a wave of the tide of the flood back!

It took more than a dozen steps to stop! Almost fell and sat on the ground!

This moment, everyone was stunned, thought that Lin Mo mountain was the strongest person in Jiangnan province!

Now, I was born a little girl!

It is standing by the side of Ye Chen!

The key is that the girl is too violent!

Exclamation sound is a piece, all people stare at the scene of sudden surprise.

Lin Mo Shan just settled down, a crisp voice sounded again!

"Old man, the second move!"

"Huh!"

Lin Mo mountain has no counter attack power, and is repulsed again!

This time his arm was almost numb!

Who the hell knows will kill a Chen bite gold! No, it's a little fart!

"The third move!"

Lin Mo Shan just wanted to stand up, the little girl had stood in front of him! Take a picture of it!

Lin Mo mountain is really flustered this time! Pupil enlarged, the incomparable fear, he subconsciously extended his hand to block!

Just hear "click!" At one point, his bones broke without hesitation!

Not only that, he was high and high, and the whole man flew back to the air, and was severely hit on the wall of South Qin mountain villa!

Wall is broken!

Lin Mo mountain tried his best to climb up, but he never stood up again. Body convulsion, mouth mouth
big mouth spit out blood!

Even the howl of tearing heart and lung!

Who can think, he just stepped out of Kunlun Mountain, thought his strength was enough to crush
everything, but did not expect, this little girl unexpectedly became the only breaker!

He would lose to a little girl!

"Poop!"

He felt insulted, could not bear it any more, and spit out a breath of blood.

Heart of Tao breaks, life is not like death!

Even if he can survive, he is a waste!

At this moment, the whole South Qin mountain villa fell into silence.

Who can think of the terrible mountain of LIMUS was crushed to death by a little girl!

Even if the little girl started to practice from her mother, she could not be so exaggerated!

Lying groove!

All people can not help but suck a breath of cool, as if the thick summer suddenly entered winter, the
heart a cold! with one 's hair standing on end!

Qin Zhengyang, who has already sat up, shivers!

He thought of what, hurriedly stood up, bent to the little girl and said, "I don't know the elder elder driver, I Qin..."

Before the words were finished, the little girl looked at Qin Zhengyang with her indifference: "what are you doing, play with me!"

Qin Zhengyang's voice stopped suddenly.

"Yes, yes, what the predecessors said was."

Qin Zhengyang shouted to his predecessor, but his mouth was convulsed.

I really hate to press the girl on the ground and beat it. But he doesn't have that strength at all.

Little girl didn't plan to manage qinzhengyang at all, came to Ye Chen, smiled and said, "give you a chance, praise me!" Ye Chen white a little girl, light spit out a word: "roll!"

All people heard Ye Chen speak to this elder with this tone of voice, but take a breath!

Ye Chen is not dying!

This man just killed Lin Mo Shan!

This young elder's anger is not what ye Chen can bear! Maybe he killed Ye Chen in anger!

But let everyone unexpected things happen, the little girl rise up, mouth a sad way: "Ye Chen! You bullied me again

What!

Is the younger generation not angry?

At this moment, all the people on the field are confused!

Even Lu Hanshuang and Lingfeng are almost petrified, and their eyes suddenly shrink to the extreme!

The key is that they found that this little elder is actually playing coquettish with Ye Chen?

Even seem to be very afraid of Ye Chen's meaning!

Such a strong man should look at Ye Chen's face!

There was a touch of complexity in everyone's eyes.

They are very clear, from today on, Jiangnan province may be ye Chen's world!

"Ye Chen, I came to you this time to..."

The little girl just wanted to talk, she was interrupted by Ye Chen.

"I'll talk about it later. I have something to deal with now."

Ye Chen's tone is full of no doubt, but the little girl has no anger and stands quietly beside Xia Ruoxue.

She is looking up at Xia Ruoxue's delicate face.

The sight moved down and slowly fell on Xia Ruoxue's chest. Then he took a leisurely look at himself and said, "sister, how many are your three encircles..."

Xia Ruoxue:.... "

Ye Chen took two pills, and the true Qi of the elixir field condensed a few minutes.

At least it won't be that awkward.

He walked towards Qin Zhengyang, his steps were light, but like the steps of death!

His eyes are red, and his whole body is full of bloody evil spirits!

Like the devil from hell!

This moment, Qin Zhengyang's panic!

Without Lin Mo Shan, what does the Qin family take to fight ye Chen!

No qualification at all!

"You Don't come here... " Qin Zhengyang stepped back a few steps, only to find that he stepped on the ground empty and fell on the ground directly!

"I don't like threats, I really don't like them, although your presence is no threat to me! But you damn it! Die, too

Ye Chen's voice is like the soul song of death!

Qin Zhengyang did not care about everything and knelt down directly in front of Ye Chen!

"Mr. Ye, please spare my life. I promise I will never trouble ruoshue again. I can swear now!"

"No need!"

Language down, ye Chen five fingers directly buckle Qin Zhengyang's neck!

A strong sense of suffocation swept over him. He subconsciously wanted to resist. Ye Chen's eyes were cold and his strength broke out!

"Click!" With a sound, the neck was broken on the spot!

"Not only you are going to die, but all the people of the Qin family."

The cold voice rings through the whole nanqin villa!

Chapter 275

Ye Chen will not have any pity for the enemy.

This is his principle.

If the Qin family doesn't die today, it's definitely a trouble to take revenge again in the future!

Qin Fu and other Qin family masters saw Qin Zhengyang killed and their faces were ferocious to the extreme!

The boy killed his favorite son!

Does he know what he's doing?

"If you dare to kill my son, you want to die!"

Knowing that ye Chen's strength had not been fully recovered, Qin Fu grabbed a long sword and stepped on it as if it were flying in the air.

The cold light flickers, the cold sword awn mercilessly stabs to Ye Chen.

"Do you need any help?" said the little girl

"No need!"

Ye Chen responded with a sentence, and took several Juqi pills again. The corner of his mouth outlined a cold smile!

It's as easy to deal with the old man as to crush an ant.

He turned into a shadow and rushed out like a tiger down the mountain!

In the blink of an eye, he hit Qin Fu in front of him!

Qin's father swept the sword, with the radian of death and anger directly to Ye Chen!

"Die for me, little beast!"

He will cut off Ye Chen's head today to avenge Zhengyang!

Qin Fu's strength is much higher than Qin Zhengyang, otherwise he would not be the leader of Qin family!

But compared with Ye Chen's strength, it is still worse.

In Ye Chen's hand, there is a dragon sword, and a sword sweeps away directly!

"You're not qualified to compete with me!"

The Dragon Sword condenses a long sword shadow!

The shadow of the sword covers the sky and the earth, as if to destroy the whole nanqin villa. Its momentum is like a rainbow.

Feeling the terrible momentum, Qin Fu's face was only frightened!

His eyes shrink to the extreme! How can this boy be so strong!

Isn't he hurt?

Why is there such fighting power!

He is not willing to, a sword to resist and go!

But who can resist the power of dragon sword!

The long sword in his hand broke without any sign, and the withering and decaying spirit of the sword directly overturned him!

"Master of the house!"

The rest of the Qin family masters feel something wrong and come to Ye Chen one after another!

Ye Chen is not afraid at all. The strength of these people in the martial arts circle of Jiangnan province may be quite good, but they are not enough to see in front of Ye Chen.

At the moment, ye Chen is like a killing machine, directly rushed in.

In the twinkling of an eye, many masters of Qin family have no life to return!

Every time a person is killed, the third tombstone in the samsara cemetery becomes more and more bloody!

What's more, a virtual shadow of Blood Sword is formed on the tombstone!

The blood sword is hanging on the tombstone. It seems that it will fall down at any time!

The bloody scene of nanqin villa shocked all the guests present!

Some people just heard of the horror of the hunter, but they didn't expect that the hunter's method was so cruel!

I'm not going to keep alive at all!

Although this is normal in the martial arts world, it is too much to make such a move in front of so many people!

Everyone's heart is shaking!

Nature includes Ling Feng and Lu Han Shuang.

Lu Hanshuang's beautiful eyes are full of surprise and fright. She felt the mystery of this man when she rushed into Ye Chen's villa when she was injured!

But at the moment, she found that this man can no longer use mystery, he is like a black hole, can not see what is hidden in the secret.

That day ye Chen said that if Xuemei hall dared to offend him again, he would kill the blood plum hall.

This sentence, Lu Hanshuang always thought it was a big story.

Now it seems that ye Chen's threat is true.

He has the qualification.

Ling Feng's eyes are also extremely heavy. As the helmsman of the Jiangnan Branch of Xuemei hall, he is extremely sensitive to killing and death.

Now ye Chen is simply born for killing and is extremely suitable for Xuemei hall, but he dare not ask Ye Chen to join Xuemei hall again.

Some people are destined to be at the top.

And the temple of Xuemei hall is too small to hold the Buddha.

Even the blood plum hall in the capital city.

After a moment, nanqin villa is quiet.

Only the injured Qin's father was left. His eyes were staring at the step-by-step Ye Chen. He didn't care about anything. He quickly took out a jade card!

"Ye Chen, do you recognize this jade card?"

Ye Chen glanced at the jade pendant, which was written with two characters of martial arts and carved with golden dragon. It was lifelike.

"I don't know."

Qin's father was stunned and even said, "I have been implicated in a big case of the General Administration of martial arts in China. I am in a protected state. This jade plate is equivalent to that I have obtained the order of exemption from death from the General Administration of martial arts in China! No one can move in ChinaQin Fu's eyes are full of pride!

When he came back from Kunlun Mountain, a strong man of Chinese martial arts Bureau handed it to him in person.

The other side only left a sentence, "if the hunter wants to kill you, show this card!"

Although I don't know why Huaxia Wudao bureau did this, he didn't dare to offend him at all!

The key now is that the jade card is the only possibility for him to live!

Ye Chen glanced at his father indifferently.

He seemed to have noticed something. The jade card came out at this time. It is very likely that the Chinese martial arts bureau did it on purpose.

It's just another reason to kill him.

Will he let Qin's father go?

Of course not!

Let the tiger return to the mountain, and there will be no end to trouble!

Even if the future Chinese martial arts bureau all unite to deal with him, he is not afraid!

Ye Chen cuts the dragon sword, and the jade plate breaks into pieces and turns into powder!

At the same time, Ling lie's sword idea rushed away and fell directly on Qin's father's body!

The sword idea cut through the body, but also in the Qin father's internal organs!

Blood burst!

Qin Fu's ferocious pupil enlarged and fell into a pool of blood!

Top Wudao family in Jiangnan Province, Qin family, destroy!

Just then, a voice of exclamation rang out!

"Ye Chen, I have nothing to say to kill the Qin family! But you dare to kill the protectors of our Wudao Bureau under the condition of showing the Wudao card. What should you do? "

Voice down, dozens of strong breath quickly toward him!

The cold killing machine is released, pressing Ye Chen!

Ye Chen is not surprised at all. He is very interesting and stares at the people around him.

Sure enough, Huaxia Wudao bureau had already guessed that he would come to destroy the Qin family. The death of the Qin family was just an excuse for the bureau to deal with itself.

"Ye Chen, even if you work in dragon spirit! This is not your reason to kill innocent people! What's more, Huaxia Wudao Bureau and the people above have made rules many years ago. No matter who the Wudao card is, no one is qualified to be killed! A transgressor is a crime of treason

"This time, even the dragon soul can't keep you!"

The voice of the old man resounds through nanqin villa!

Extremely dignified!

The old man is called Fang Dongcheng. He has a good position in the Wudao Bureau of Huaxia, and he is even one of the responsible persons in Southeast China!

Jiangnan province is an important place in the southeast of China, which shocked Fang Dongcheng. We can see the seriousness of the matter!

Ye Chen put away the dragon sword and sat directly on a chair.

Chapter 276

His body is more or less injured, standing for a long time makes him feel a little uncomfortable.

Later, he lit a cigarette and looked at Fang Dongcheng faintly and said, "is the efficiency of Huaxia Wudao Bureau so high? As soon as I started, I showed up. Or are you waiting for this moment to deal with me so painstakingly? "

Fang Dongcheng's expression was stiff, and he said in a cold voice: "if we didn't dare to come in time, you'd kill people. No one will survive here at that time! You can imagine the seriousness of the matter! "

Ye Chen laughed and put out the smoke in his hand and said, "I don't like killing people, and I never kill innocent people."

As soon as you say this, don't mention the people of Wudao Bureau. Even those guests are very ugly.

You don't like killing people yet?

You are the best one just killed!

Don't kill innocent people?

You don't leave one of the strong members of the Qin family!

Fang Dongcheng's mouth slightly twitched, then impatiently said: "give you two choices, first, come with us! You need to give an explanation to the General Administration of Chinese martial arts in the capital city! "

"Second, death!"

Those dozens of people are approaching Ye Chen a little bit more!

The exposure of the killing machine makes people palpitating.

Ye Chen laughed, took a pill and stood up: "if I don't choose either of them!"

"Then I'll make you choose the second one! Do it

Fang Dongcheng orders, that dozens of breath will go toward Ye Chen!

In their view, ye Chen has no possibility of fighting.

It's easy for them to kill.

Fang Dongcheng's only worry is the little girl.

He took a look at the little girl and found that the other side had no intention of doing anything.

But soon, everyone stopped! Because they feel countless breath coming!

Before they could react, there was a long sword with cold air on their necks!

Cold sword with evil intention, people palpitation.

Even Fang Dongcheng has a weapon behind his back!

Seconds later, they were surrounded!

A strong evil spirit surging!

Fang Dongcheng took a look around him and found that the people who suddenly appeared were wearing masks and their breath was not weak!

The number of key people is more than double that of them!

Where are so many masters in Jiangnan province?

Although his strength crushed this group of people, but full of 100 people, this quantitative change has formed a qualitative change!

Fang Dongcheng said coldly, "who are you! You dare to block the work of Huaxia Wudao Bureau secretly. You can't find death! "

Wearing a mask, ye Lingtian responded mercilessly: "who are we? You don't need to know, but this person, you are not qualified to take away!"

Fang Dongcheng's eyes shrink, just want to talk, ye Chen has gone toward the outside, his hands behind him, like a normal person.

Stroll in idle court.

No one dares to block the key!

Fang Dongcheng felt a little angry. He turned around and grabbed the sword behind him!

"Click!" A sound, ye Lingtian's sword is broken!

Ye Lingtian didn't expect that the other party was going to resist. Just as he wanted to fight, ye Chen's voice rang out:

"these dogs, you don't need to pay attention to them."

This time, although the people in the dark hall were taken by surprise, they could only lose both sides in the fight!

Ye Chen doesn't want this power to go wrong.

It's not worth to replace the life of the dark hall with the life of the strong in the Chinese martial arts bureau!

Fang Dongcheng heard such insulting words, and directly slapped Ye Chen!

The power of this palm is coming out in bursts! Once shot, the consequences are unimaginable!

But Ye Chen didn't intend to make a move at all, and ignored it directly!

In the corner of Fang Dongcheng's mouth showed a trace of successful smile, he appeared in front of a gas wall!

"Bang!"

Not only did not encounter Ye Chen, on the contrary, a strong anti shock force hit!

Fang Dongcheng, the whole person flies out!

Hit on that group of powerful Chinese martial arts Bureau.

This scene scared everyone!

The guests, the strong men of the martial arts Bureau, and even the people of the dark hall fell into a dead silence!

They just stare at Ye Chen, just like hell!

The air was silent to the extreme.

It's like a graveyard in the middle of the night!

Ye Chen to the beginning and the end did not hand, Fang Dongcheng is inexplicably blown out!

What the hell is going on here!

All of us fear with shock and fear!

This secret may only be known by Ye Chen. Although he doesn't have much genuine Qi, there are still some methods to frighten him.

The biggest difference between practitioners and ancient warriors is not strength! It's the technique! The technique can activate the spirit!

Ye Chen went straight to Luo Cha's face. At the moment, he was pale and dying.

If you delay for a while, I'm afraid the immortal Dara will not be able to save him.

He quickly took out a pill and said to Luo Cha: "take this, as for your broken arm, I will try to make him reborn."

After all, it is impossible for Luo Ye to save him.

Luo Cha nodded, took the pills, and reluctantly stood up: "adult, I'm ok..."

"Don't try your best. I still need you to do things for me. Now your blood can be stopped. Pills can only make you calm down. Remember that you can't use strength any more. This is an order!"

"Yes, my Lord!"

Then ye Chen looked at the group of people in the dark hall and said, "there are two Xia family members in the Qin family. Send them back to the Xia family safely. If some people don't know their faces and want to stop you, kill them!"

The cold voice spreads!

Obviously, it's for the people of Huaxia Wudao bureau!

Fang Dongcheng's eyes are gloomy to the extreme. The General Bureau of Chinese martial arts originally planned to let him take ye Chen with the help of the Qin family, or solve Ye Chen.

Now it seems impossible.

Too many variables are emerging today.

Even the strong man in Kunlun mountain can't kill Ye Chen. The boy's fate is against the sky!

With the mysterious and powerful girl and the mysterious forces wearing masks, it is impossible to kill Ye Chen in Jiangnan province!

Who could have thought that the boy had done so many things under their eyes!

What to do next?

Ye Chen came to Xia Ruoxue's side, directly took her hand and whispered, "it's over. Let's go home."

How tired Xia ye can feel when she comes home.

At this moment, she had unprecedented peace of mind.

From small to large, she has been bound by the outside world, unable to choose.

And this layer of bondage, the man in front of him tore open!

It's very domineering.

"Good."

They walked directly out of nanqin villa.

After a long time, the little girl reacted and ran after him: "Ye Chen! You wait for me! I haven't told you that yet

.....

Mingcui villa.

Ye CHENXIAN and Xia Ruoxue explained a few words, and then directly came to the room.

The door was closed and began to practice.

This war, he is too tired.

Chapter 277

At the same time, he also found his own problems. The existence of Lin Mo Shan is definitely not the last one.

At least the existence of the top 20 masters in China can not be underestimated!

Ye Lingtian and Lei Shuwei have told him that although the list of Chinese masters is a consideration of the strength of warriors, there are still many strong ones who are not on the list!

The water of Chinese martial arts and Taoism is much deeper than imagined.

In addition to these, there are three top Chinese families related to Yunhu villa!

At present, he only knows one person from these three families! Jiang Jianfeng!

Jiang Jianfeng was the most important existence of that event!

It is very likely that the other party will know the whereabouts of his parents, but if he is on the ninth place in the list of Chinese masters, how many% will he win?

Leaving aside the samsara cemetery, there must be less than one Chengdu!

He finally understood why the reincarnation cemetery should set a time limit on these strong men!

It's just that he is not allowed to rely on the samsara cemetery!

Once a practitioner always relies on others, it is extremely harmful to the heart of martial arts!

Greed and reaping for nothing are the most terrible mentality in the world.

Behind these three top families, there must be stronger existence than Linmo mountain!

Now he must strengthen himself!

When ye Chen entered the cultivation state, the black stone floated out!

Countless auras pour into Ye Chen's body!

Not only that!

If ye Chen opens his eyes, he will surely find that the black stone is actually absorbing the blood evil spirit on his body!

There are so many people killed in nanqin villa. His blood evil spirit is extremely strong!

But at the moment, the blood evil spirit is like a big tonic of black stone, absorb it to your heart's content!

The black stone absorbed almost all the blood evil spirits into the three tombstones that can be moved.

The tombstone is cracking!

A pair of hands stretched out, a deep voice sounded!

"It's the smell of killing. Ha ha, it seems that it's my turn at last! Your way is not suitable for reincarnation tomb owners! If we go on like this, how can we turn over!

Only I can make him stronger! The way to kill is the strongest way in the world

"How many years! Those guys are in charge of everything! Think that killing us can cover up the secrets of ancient times!

However, they can't imagine that a hundred of us would like to stay in this samsara cemetery, regardless of the loss of cultivation and the extinction of spirits and spirits! "

"Who will preside over the ups and downs of the vast land? Only the reincarnation tomb master

Language down, the remaining tombstone vibrated violently!

It seems to have reached a certain resonance!

The tomb of samsara changes color in an instant! The fury of the wind! Killing the sky!

However, all this lasted for a short time. After a few seconds, it was completely silent.

.....

Ye Chen seemed to feel something moving, suddenly opened his eyes, and even looked at the third tombstone of the samsara cemetery. He did not find anything different and closed his eyes.

Originally, he wanted to use the power of the third tombstone in nanqin mountain villa, but the girl appeared and just omitted.

At the thought of that girl, ye Chen had a headache.

This girl is called Jilin. She has a good reputation in Kunlun.

It's like a demon.

Even the old man has to be afraid.

She could not have been so obedient if she hadn't got her handle on her own.

This time, Ji Lin suddenly came out of Kunlun. Is there something big going on inside?

Even if something big happens, what can he do with his strength?

"Forget it, I don't want to. I'll find out later."

Ye Chen closed his eyes and ran nine days Xuan Yang Jue, a strong breath rushed out of the body! Bursts of dragons came.

.....

Jiangnan Huazheng five star hotel, top floor presidential suite.

The door was knocked.

"Come in!"

Jiang Jianfeng stood in front of the French window and turned around. He thought that his subordinates would bring the evil seed, but he did not expect that only his subordinates would come back.

He frowned. Is something wrong?

Who died in nanqin villa?

"What about the villain?"

The man knelt down directly in front of Jiang Jianfeng, but his eyes still had a trace of fear: "Mr. Jiang, his subordinates are incompetent, they can't bring that kind of evil!"

"He died in nanqin villa?" Jiang Jianfeng road.

At first, he had hoped for that kind of evil. Now it seems that it is normal for some arrogant people to die under the strong.

The man shook his head and said in a trembling voice, "my Lord, the evil is not dead. The Qin family in Jiangnan province and the strong people down the Kunlun Mountain are all dead! No one survived! "

As soon as he said this, Jiang Jianfeng's face changed completely. He stepped out, grabbed the man's collar and picked it up directly!The strong breath erupts, behind the sofa and tea table directly split!

In two!

"What are you talking about? Everyone's dead, but the devil is alive? impossible! That son of a bitch has no such strength! "

Jiang Jianfeng is very positive!

If ye Chen really has this kind of strength, that is to hell! Even the top ten masters of China will have his shadow!

The man looks pale and wants to talk, but he can't say it at all!

He can only say something hoarse!

Jiang Jianfeng directly threw the man out and ordered, "tell me everything that happened in nanqin villa!"

Some of the men were afraid of swallowing, and then all said it!

From ye Chen's fight against Lin Mo Shan, to the appearance of the mysterious girl, to the Chinese martial arts Bureau, and finally to the mysterious forces.

Jiang Jianfeng was more and more frightened when he heard it. His rock like heart was hit by a heavy hammer! be split!

He found that he had always underestimated that evil!

In just a few months, that evil kind has grown to this extent!

The first person in Jiangnan province?

If this boy set foot on the capital, would he even take the first name on the list of Chinese masters!

He forced to suppress the shock in his heart and said, "the little girl was invited by that evil kind?"

The man shook his head: "not really. From the beginning to the end, the boy has never dealt with the little girl. The only word he said is to roll..."

"I also investigated the dark net data, there is no information about this little girl."

"What do you think of the little girl's strength? Compared to me? " Jiang Jianfeng frowned.

The man pondered for a few seconds and hesitated: "Mr. Jiang, you are not her opponent. That's why I didn't bring the boy back. With her there, I didn't dare to do it... "

Jiang Jianfeng's eyes are more dignified than ever before.

Ten seconds later, he said, "go to Mingcui villa to find the villain and tell him that I will meet him in Huxi Park in Jiangnan Province tomorrow."

"This son should know that I exist, and I must be looking for me, so I will meet naturally. Now, I'm a little curious about the kind of evil my good sister gave birth to! "

"Yes, Mr. Jiang!"

Jiang Jianfeng has a funny smile on his mouth.

.....

Chapter 278

Two hours later, Mingcui villa.

Ye Chen slowly vomited out a mouthful of turbid Qi. His body recovered almost, and even his cultivation increased a few points.

And he stood up downstairs.

In the past two hours, however, he heard a lot of news below.

Just arrived at the living room, he saw Xia Ruoxue and Sun Yi just like this, staring at Ji Lin sitting on the sofa in the living room.

Ye Chen followed his eyes and left, the corners of his mouth twitched slightly.

See Ji Lin in front of a lot of snacks and food!

Almost the entire villa pressure box bottom existence!

At this moment, all these things were swept by Ji Lin!

It's like I haven't had a meal for more than ten days!

Sun Yi swallowed her throat and said to Ye Chen, "xiaochenzi, how did you know this girl? I heard Xia Ruoxue say that she came to you? This girl is so good at eating. I also ordered 300 KFC takeout for her. How can she hold so much in her little belly... "

Ji Lin also found Ye Chen. He licked his finger and said with satisfaction: "Ye Chen, I heard you say that the food outside is delicious a few years ago. Now it seems that it is really. Haha, if I didn't want to go back to the ancestral gate in a few days, I would have to hang on..."

Ye chenbai took a look at Ji Lin and said, "I dare not take you in. If I eat again, I will be poor by you!"

Ji Lin opened another bag of potato chips and said with a smile, "if I hadn't killed that old guy just now, you would have been dead."

Ye Chen shakes his head: "if you don't show up, I can also kill everyone."

"Just blow it. I don't know your strength yet."

Ji Lin despised Tao.

Ye Chen doesn't want to talk to her more. She tells Xia Ruoxue and Sun Yi a few words. The second daughter goes upstairs, leaving enough space for ye Chen and Ji Lin.

Ye Chen sat on one side of the sofa, opened the door to see the mountain and said, "say it, you suddenly came out of Kunlun to look for me. What happened?"

Ji Lin stopped eating, took a sip of drink and said seriously, "I almost forgot that important thing!"

She wiped her greasy hands on her clothes and took out a jade ring from her bag!

Ancient Sanskrit is written on the jade order!

Seeing this jade order, ye Chen felt that his breath was short!

This jade order is equal to a quota!

In Kunlun, it's valuable!

Even if you have strength and power, you may not get it!

"How could you have it!"

Ji Lin then threw the jade order to Ye Chen: "this is my sister to fight for you. Don't think it's crooked. It's just to repay the favor that I owe you back then!"

"She knows you need this thing to prove yourself. If it wasn't for this thing, I wouldn't have come out!"

"But I really can't figure out why my sister and the old man like you? As far as your garbage strength is concerned, it is estimated that the first round will be wiped out. It is a waste to give you such a valuable quota! "

Ye Chen clenched the jade order and flashed a beautiful image in his mind.

The other side is very high, just like the nine day Xuannu, which is respected by thousands of people. It controls the world and threatens all sides.

He is one of the ten great talents in Kunlun.

Did she really do it for the little favor she had at that time?

Ye Chen no longer thought about it and asked, "how is her strength now?"

Ji Lin gave Ye Chen a white look: "don't think about it. You can't look forward to it all your life. It's a waste of time to tell you. Didn't someone order something delicious for me just now? Why haven't you arrived yet? "

Just then, the doorbell rang!

Ji Lin Mou son a Xi, slender arm a support, the whole person almost flew up, directly and steadily fell in the position of the gate!

The gate opens directly, a thin man appears in front of Ji Lin.

Ji Lin swept a few eyes and found that there was no food in the other party's hands. The cold killing machine released: "where are my things! You won't steal it

The thin man was stunned, his whole body was chilly and his back was wet.

Who could have thought that it was the evil spirit who opened the door!

If this guy wants to kill him, it's easy!

The key is that the murderous spirit is inexplicable. He remembers that he didn't offend the younger generation!

"I'll ask again. Where's my stuff?"

Ji Lin release of the killing machine let people palpitation, thin man subconsciously back a few steps, a buttock sat on the ground.

Powerful pressure even let his mouth spill a trace of blood unconsciously!

The five viscera and six viscera have been greatly shocked!

Too strong!

How could China suddenly be born such a monster!

In addition to those two Chinese masters list of the strongest three, who can resist the pressure of this little girl!

"I I don't know... "

Just then, a man in a security uniform came trotting with a generation of things.

General vehicles can not be sent into the villa, so the last few hundred meters of takeout are almost done by the security guards in the villa area. In Mingcui villa, almost all of them are rich or expensive. Who will order takeout? Each villa has its own chef and Filipino maid.

These security guards can send them at most once a week.

"Hello, is this your takeaway..." Bao'an road.

Before the other party finished speaking, Ji Lin's body turned into a shadow and took delivery directly. She did not care about the men on the ground, but went directly to the house.

Only the security guards who look at their empty palms.

At this time, ye Chen came out and wanted to close the door, but when he saw the man on the ground, his eyes suddenly shrank!

Last time in Yunhu villa, it was this man who monitored himself!

His eyes were cold, and the opportunity to kill was released. He said from a commanding position: "who are you! Why keep watching me! "

The thin man quickly got up, suppressed the fear in his heart and said, "evil Ye Chen, at 8:00 tomorrow in Huxi Park, Jiangnan Province, someone wants to see you! "

Ye Chen frowned and said, "you want to see me, let the people behind you come by yourself!"

The thin man knew that ye Chen would answer this question, and he said, "Ye Chen, what if it was Jiang Jianfeng? You should want to know where your parents are

This words a, leaf Chen facial expression changes greatly, a pair of hands is buckled the neck of the thin man!

"Say it again!"

Ye Chen's voice is like rolling thunder falling down!

It's frightening!

The cold killing machine seems to form a blood dragon, biting at the man's soul!

If it is normal, the thin man will resist, but he has been hurt by Ji Lin's pressure just now!

Now, it is impossible to fight against Ye Chen's murder!

"Ye Chen, whether you believe it or not, is Jiang Jianfeng! Tomorrow at eight You I'll know when I go! "

Ye Chen will lean man fell out, the eye son indifferent to the extreme: "good, if you dare to cheat me, I will find you, and then kill you!"

"Bang!"

The gate closed.

The mist of Yunhu villa seems to be gradually spreading.

Chapter 279

Ye Chen returned to the living room, lost in thought.

Jiang Jianfeng came to find himself, just to see his own strength.

As expected, in this society, strength is the king.

Leader one told him that his parents were still alive.

Jiang Jianfeng must know where his parents are.

It's tomorrow.

Ji Lin's mouth is full of oil. She glances at Ye Chen, who is worried. She says, "Ye Chen, you came out of Kunlun mountain to find the enemy who killed your parents. Have you found it?"

Ye Chen shook his head and ignored.

He was thinking, is the capital Dragon Lord evaporated, there is no news at all!

Ji Lin gave a belch, quite satisfied, and said, "tell me about it. You know my strength, and I should be able to help you. At present, I can only stay outside for a few days. In a few days, I will go back to Kunlun. If I have nothing to do these days, it will be too boring. "

Ye Chen takes a look at Ji Lin, and the girl's talent and strength are almost against the sky. Although she is young, she begins to practice at the age of three.

In addition, the clan and family resources tilt, almost far surpass many strong.

But in just a few days, what can this guy do for him?

It's better to do it yourself.

He said casually: "I only know that in the capital, the rest of the news is still under investigation..."

Ji Lin nodded and began to clean up the garbage on the table. At the same time, he said, "it's OK. This information is enough. I'm going to Beijing these days."

Ye Chen didn't take it seriously.

At the same time, the capital, Huaxia Wudao General Administration.

Zheng Ren turned his back to Fang Dongcheng and listened to everything.

Fang Dongcheng swallows and salivas, cold sweat straight out, afraid of the man in front of him to be angry!

There was once someone who did not do well, but was killed by Zheng renjue!

Zheng renjue was called the iron faced judge by many strong men in the Chinese martial arts circle!

His power and strength can decide everything!

The air was as heavy as it could be.

Suddenly, Zheng renjue opened his mouth: "that is to say, that ye Chen is not dead, right?"

"Yes..." Fang Dongcheng's voice almost trembled.

He felt that a storm was coming.

"With so many people, you can't kill a little trash?"

"In the past few days, more than ten people have died in Wudao Bureau! Almost all about that kid! If I go on like this, will I be killed by this boy too? "

Zheng renjue's deep voice seemed to be filled with chills.

"How can you compare that boy's strength with that of an adult Adults are the stars in the sky... "

Before Fang Dongcheng finished speaking, Zheng renjue kicked him in the chest!

"Don't give me any shit! A bad boy can't solve it. I can't wait to kill you

"Now, all over the southeast area are saying that China martial arts bureau is incompetent!"

"If that boy comes back to the capital, will the whole world know that Zheng renjue of the General Administration of Chinese martial arts is incompetent?"

Fang Dongcheng knelt directly on the ground and said, "my Lord, it's the incompetence of my subordinates. I'm willing to accept punishment!"

Zheng renjue snorted: "punishment? I'll punish you! As the person in charge of the southeast region, you must help me solve this matter! "

"Ye Chen has a special identity. After the last assassination failure, the Dragon Spirit and the No. 1 capital city have already given me a blow! If you can't take ye Chen on the surface, you must find a way to solve this person secretly! But we must not use the power of the Chinese martial arts bureau! "

Fang Dongcheng's brain quickly flipped. Suddenly, he thought of something and said, "my Lord, you don't need our hands to kill Ye Chen! I have something to do with the person in the headquarters of Xuemei hall in the capital city. It is just as easy to kill Ye Chen if those strong men in Xuemei hall headquarters want to kill Ye Chen!

It's really impossible. I'll ask the No. 1 top killer of Xuemei hall to start. How can ye Chen survive? "

Zheng renjue's eyes showed a trace of interest: "but I heard that the killer's strength is terrible, but the price is not low The key is not that money can solve it... "

Fang Dongcheng seriously said: "if someone else, maybe you really don't move, but according to the friendship between me and the blood plum hall, you should be able to move!"

"My Lord, just wait for my good news here!"

Zheng renjue patted Fang Dongcheng on the shoulder with a big hand: "OK, if things are done, you will transfer the general administration to come!"

Fang Dongcheng's face was very happy when he heard this. He even said, "my Lord, I will handle this matter well! In a week, give the boy's head to the Lord

.....

The next day.

Ye Chen wakes up from practice and goes to see the guest room for the first time.

Last night, he arranged Ji Lin to this room. He didn't know his habit of sleeping. Although the girl has a strange temper and a venomous mouth, her heart is not too bad.

As soon as he got to the door, he found that the door was open and there was no one in it.

"Gone?"

At this time, ye Chen noticed a line of words carved on the wall.

"Ye Chen, I'll go to the capital city for a few days. If it's too late, I'll go back to Kunlun. I hope that when you come to Kunlun with the jade order, your strength will be strong enough. Don't let my sister down! You have no idea how much pressure my sister is under to win that place for you

Ye Chen Mou son twinkles a trace of doubt.

The past comes to mind.

Five years ago, he had just stepped into Kunlun Xu, and he did not know how much pressure he was under.

Kunlun Xu, far more dangerous than China!

Just stepped into him, no strength, can only be trampled under the feet!

Bone rubbish, humble root!

Any one of them is better than him!

He missed the best training time!

Low realm! The breakthrough was extremely slow!

Countless people laugh!

Only let him feel warm, only three people!

The first one was the old man who brought him to Kunlun Xu and taught him how to practice Dharma!

The second one is Ji Lin, an ancient spirit!

The last one is to help Ji Siqing, who did not know how many times, regardless of all obstacles!

Give him no pills! When he was in a desperate situation, he was desperate! Even at the expense of a force!

Although he worked hard and practiced hard, he might have died in Kunlun without Ji Siqing!

He really don't know why Ji Siqing, the beautiful girl of heaven, should do this to him! Even if once helped her a favor, also can't return so!

What can he do? He's asked the answer countless times.

The other side always has only one sentence - "Ye Chen, you can't die, even if all the people in the world are dead, you can't die!"

Ye Chen wakes up from the memory, holding the reincarnation graveyard in his left hand and the jade ring in his right hand, and says softly:

"when I come back, the name Ye Chen should ring through the void of Kunlun."

Chapter 280

Ye Chen looked at the time, and there was still half an hour before Jiang Jianfeng agreed.

He went to the villa next door.

Ye Lingtian has emptied the villa completely.

Wu Xiangming, Luocho, and several dark hall strongmen who protect Xia Ruoxue and Sun Yi all live in it.

On call 24 hours a day.

The broken arm has been wrapped up to prevent infection.

"My lord..."

Luo Cha originally wanted to salute Ye Chen, but was directly rejected.

"You can just lie down. Your wound is too big, and the broken arm has been destroyed. It's troublesome to have a new life. Now you have two choices. First, there is a mechanical arm on the side of the dragon soul that can be combined with the human body. You can have an operation. Second, I will regenerate your broken arm with surgical methods and medical skills, but you may have to bear very strong pain..."

Ye Chen words have not finished, LuoCha did not hesitate to say: "I choose the second."

"Are you sure?"

"I'm sure!"

Get LuoCha's reply, ye Chen nods and takes out some things from the samsara cemetery.

Luo Cha sees Ye Chen unexpectedly take out thing out of thin air, Mou son stares big, incomparably astonished!

What means is this!

Ye Chen directly pulled the bandage at the broken arm of LuoCha and ordered: "hold on!"

The next second, the silver needle in Ye Chen's hand shot out, and the silver needle fell directly on the acupoints of LuoCha!

Keep shaking!

After that, ye Chen throws six kinds of precious medicinal materials up, the true Qi condenses, the medicinal materials collide directly!

The medicine fragrance overflows! It turns into powder in an instant!

He grabs fiercely, the real gas congeals fire! The powder burns directly!

"Go!"

The flame which condensed six kinds of medicinal materials burned directly at the broken arm of Luosha.

Strong pain almost makes Luo Cha faint!

Cold sweat!

"Can you bear it?"

"Yes

Luo Cha is biting his teeth.

Ye Chen no longer hesitated, pinched his fingers, forced out a drop of blood essence, and drew an ancient Rune directly in front of him!

"But when he is disgraced and humiliated, he wanders about life and death. He often sinks into the sea of bitterness and never loses the truth. The true and constant way is self satisfied, and the one who gets it is always quiet. "

He is speaking faster and faster! As if spit out a golden text, directly toward the broken arm of Luo Cha!

Luo Cha gnashing teeth, the whole body of blue veins burst up, even inserted in the body of the silver needle are unable to hold!

His whole body is wet through! Even the pupil is gradually lax!

Ye Chen has no distractions. Since LuoCha has chosen this road, he must.

Moreover, LuoCha's strength is very strong, which can be regarded as the strongest existence around him at present. If it is lost, it will be really short of a major general!

"Bang!"

With a loud noise, the whole bed collapsed! Chen, still not out of breath!

The whole room is gorgeous!

"The art of bone breaking and rebirth, beginning!"

As Ye Chen's last words fall, everything returns to peace!

Ye Chen exhaled a breath of turbid air, and LuoCha almost fainted.

He took out a pill and fed it directly to the other party. Then he took a look at the position of the broken arm of LuoCha. There was a faint luster flowing there, which was extremely strange.

"After three days, your broken arm should be changed. This is my first time to perform this technique. If I fail, I can only take the first plan.

These three days, remember to touch water! I'll let him take care of you. "

LuoCha sobered up a little bit: "thank you, Lord."

"Don't be so polite. Your broken arm is broken because of me. I will help you recover naturally. Well, I have something else to do. I'll go out first. "

Ye Chen took a look at the time. It's already 7:45, and it's time to start.

.....

Huxi Park, Jiangnan Province, 8:03 a.m.

A business car slowly stopped, ye Chen got out of the car, glanced around, and noticed a middle-aged man sitting on a bench by the lake.

The middle-aged man is wearing a black windbreaker. His eyes are staring at the water of the blue wave lake. Although there is no movement, ye Chen can feel the strong breath on each other!

It even makes people feel extremely dangerous!

No. 9 in the list of Chinese masters! Jiang Jianfeng!

Ye Chen directly came to Jiang Jianfeng's side. Before he spoke, Jiang said, "you are three minutes late. If it's someone else, he may have become a corpse."

Ye Chen sneered and said directly, "where are my parents?"

Jiang Jianfeng Mou son a Ning: "your temper is like your mother, like to go straight."

"Don't give me any nonsense. It was you who took my parents' bodies. Naturally you know where they are! If you don't, I don't mind turning you into a corpse! "

Ye Chen is ready to trigger the third tombstone at any time!A strong person comes out, change the whereabouts of parents, worth it!

Jiang Jianfeng raised his head, took a look at Ye Chen and said, "I'm really curious sometimes. Where does your arrogance come from? Five years ago, you were so cowardly. What made you so strong? "

"And where do you come from? I can't find out by any means. It's really strange. "

Now, my parents don't want to be released

"I'll tell you what, they're in the capital." Jiang Jianfeng said, "I hate your tone very much. No matter how I say it, I am your uncle and your elder!"

"Maybe I'm wrong. Your family, the Jiang family, have never admitted it! You are not qualified to be my nephew

"Do you know what the Jiangs call you? Son of a bitch! Humble bastard

"When your mother gave birth to you, the Jiang family detected the root of your garbage and almost threw you on the ground, turning into a blood mist! If your mother didn't kneel on the ground and begged hard, maybe you would not be qualified to stand in front of me! "

Hear these words, ye Chen Mou son is full of blood silk!

Anger is all over the body!

The terrible evil spirit of him broke out!

He didn't guess at the beginning!

It's true that the blood of the Jiang family flowed through his body, but it's a villain in the mouth of Jiang family!

In his mind, even the picture of his mother kneeling on the ground and begging the man to let go of himself!

Shocking!

Why!

Should not own existence!

You're kidding!

He is not qualified to touch his fate. He was born against the heaven.

He is the reincarnation tomb owner, his birth will only be the treasure of all mankind!

Jiang family! Jiang family again!

What qualifications do they have to deny themselves and their parents!

At this moment, the reincarnation cemetery vibrates! Endless blood evil spirit entangles Ye Chen's whole body!

A blood dragon seems to come out of Ye Chen's body and rush to the sky!

It is in the nine days above looking up at countless mole ants, mortals!

Seeing this scene, Jiang Jianfeng's sneer suddenly solidified!

He could feel the blood dragon on the sky staring at himself!

This moment, let him be frightened, even let him feel small!

He looked at Ye Chen and set off a thousand waves in his heart. The boy actually provoked this terrible vision!

How could it be!
