

Physician 2721

Chapter 2721

Ye Chen was silent for a moment and nodded to xuanyuanxia.

Xuanyuanxia said: "thank you very much

He turned and left.

Tu Lan Xin said with a smile: "it seems that Xuanyuan family is not all fools."

Ye Chen's expression is dignified: "just, I killed Xuanyuan family's person, they don't take a responsibility, that day Daogong that?"

.....

At the same time, Tiandao palace.

Xuanyuan moxie sits cross legged on the Dragon God in the hot sky. A huge stone tablet is suspended, and a light light light flows to Xuanyuan's body.

Although he was unable to refine the xuanbei of reincarnation, he absorbed some of the power, even a small part of it, and benefited immensely.

All of a sudden, he opened his eyes and felt what was happening: "Xuanyuan Cang, what happened?"

"Somebody

The next second, a man in Tiandao palace robe appeared in front of Xuanyuan moxie: "palace master, subordinates are in!"

Xuanyuan ink evil looks dignified: "not long ago, I sensed that Xuanyuan Cang, the genius of my Xuanyuan family, fell unexpectedly. Please help me to investigate and report back quickly."

"Yes

In an instant, the man disappeared.

An hour later, the gate of Tiandao palace opened, and the man came back in a hurry again. Just as he was about to enter the main hall, an old man in a Taoist robe suddenly appeared.

The man was on guard. When he saw the face of the comer, he quickly arched his hand and said, "heaven is old."

This man is the man of heaven!

Although there is no specific identity in Tiandao palace, it has the right to enter and exit Tiandao palace freely!

Even, once or Xuanyuan ink evil teacher!

He can't offend.

Tianji Taoist touched his beard and said in surprise, "what are you doing in such a hurry? You almost hit me just now."

I have to report the matter to the old man

The Taoist priest grasped it with five fingers, and the jade in the man's hand appeared in the palm of his hand: "just in time, the palace master asked me to discuss something. I'll report it for you, so as to save you a trip."

"This -" the man just wanted to refuse, only to see the chance of heaven, the Taoist dust slightly swing, a spirit surging.

The man's face changed in an instant. He was so excited that he wanted to kneel down and said, "thank you for your advice."

He just felt his own martial arts charm!

This is a great opportunity!

He knew that all this was a blessing.

Tianji Taoist nodded: "I, Tianji Taoist, focus on cause and effect, note good luck, but today you and I met, almost ran into, you and we have a reason, I naturally want to give you some opportunities."

"This chance is enough for you to digest for a while. You can't go to the gate soon."

"If I delay your chance of refining, I'll get a bad result."

"By the way, before closing down, you should also complete your duties. The palace master can't be left alone."

"Do you understand what I'm saying?"

The man quickly nodded: "God, don't worry, I will let my brother take my place for me for a while, and when the closure is over, I will personally visit and thank you!"

With that, he went to his residence in an instant!

The Taoist priest of Tianji smiles and glances at the jade slips in his hand, which turns into powder in an instant, and then goes towards the main hall.

.....

Above the main hall.

Xuanyuan Mo Xie saw the chance of heaven and quickly got up: "old man, you are here at last."

Tianji Taoist arched his hands and said, "the palace master asks me, I will come naturally."

"Although I am no longer the master of the palace master, I care about the relationship between master and apprentice."

"I often think of the days when you were not the master of the palace many years ago."

"At that time, you were in high spirits. Although you did not achieve what you are today, you still shine in the kingdom of God."

Xuanyuan Mo evil eyes excited: "old days, a teacher for a lifetime, this kindness, I always remember."

"This time, you are here to ask about cause and effect. I should know that cause and effect is stained with blood array."

Tianji Taoist's eyes suddenly shrunk: "you want to use this array to kill people? This is forbidden

"Oh, by the way, have you asked someone to investigate the cause of xuanyuancang's fall?"

"I met him outside the door just now. Seeing that he seemed to have something urgent, I made a good fortune and sent a message for him."

Xuanyuan Mo Xie didn't feel strange and asked, "Tianlao, what happened?"

Tianji Taoist sighed: "it's not those people who wake up in ancient times! Xuanyuancang woke up to the ancient style and was full of vigor. However, he did not know how to restrain himself. He offended a strong man who had awakened in ancient times. Naturally, he was defeated, and then he fell down. "

"It seems that his name is Yang Chiyuan."

In a flash, Xuanyuan's evil intention of killing was released: "it's yangchiyuan again! During this time, how many people have been killed by Yang Chiyuan in the kingdom of God

Tianji Taoist continued: "ah, the Lord of the palace, the sudden arrival of the moon ring makes the kingdom of God in chaos.""Why don't you go to the first Kingdom and discuss with him how to deal with the present situation."

"The heavenly way palace can't do nothing in this situation."

As soon as Xuanyuan Mo Xie heard about the first Kingdom of God, his expression changed and hesitated for a few seconds. Then he said, "the kingdom of God is respected by martial law. Although the moon ring vision appears suddenly, it is beneficial to the kingdom of God."

"In such a situation, the survival of the fittest has never been a bad thing!"

"What's more, there are so many people who have awakened to the ancient deity in our heavenly way palace."

"This is the glory of our heavenly way palace!"

The Taoist priest breathed out a breath and said, "master, let's talk about the array."

"What level of causality do you want to use this time?"

Xuanyuan Mo Xie was serious for a moment: "Tianlao, I planned to use the strength of 49 strong men who cut the peak of the disaster..."

Tianji Taoist eyes shrink: "what! Forty nine cut the peak! If you add the array, you can kill the strong people who are below six levels of chaos! "

"Who needs to be treated like this?"

Xuanyuan moxie suddenly laughed: "it was really necessary, but..."

He stopped, and suddenly said in a cold voice, "but with the appearance of the moon ring, these 49 have broken through the chaos! Moreover, twenty or thirty of them awakened the ancient gods

"What!"

Tianji Taoist expression extremely frightening!

He knows who Xuanyuan ink evil wants to use cause and effect dye blood array to kill!

Ye Chen!

He also roughly knows Ye Chen's strength. Although the cause and effect dye blood array is terrible, ye Chen should be able to support it!

But he ignored a little bit!

Moon ring vision!

The strongmen of the kingdom of God have broken through!

The key is that some of the 49 people have awakened, and the power is soaring!

Now, ye Chen, there is no doubt that he will die!

.....

Zhenlong hall.

The guests had left long ago.

And the mountain protection array of Zhenlong hall has been opened.

Obviously, something big is going to happen!

Zhenlong hall is the deepest.

Zhao gu looked at the dignified white jade huang and said, "master, that ye Chen is really crazy!"

"This is a happy event, but he made such a scene!"

"That's not true!"

"Master, you should kill him!"

Bai Yuhuang shook his head: "let's not say that ye Chen's strength is unfathomable. On this ceremony, there are people who will protect him."

Chapter 2722

Zhao Gu's expression is strange: "Tu Lan Xin?"

Bai Yuhuang shook his head: "people of the Qu family."

"The veiled girl who came with Qu Xueyong, you try to investigate your identity."

"We can't check his accomplishments. We thought he was a junior of the Qu family, but I noticed that Qu Xueyong was extremely humble in front of him."

"And when I was ready to do it, a fierce sense of killing gathered. Although it was well hidden, it was not ordinary."

"You go and find out the identity of the woman."

"Of course, if there is force majeure to prevent it, it will be fine."

Zhao gu wanted to say something, but was interrupted by Bai Yuhuang: "I immediately shut up, refining the real dragon god fire beads."

"As long as I finish refining, the boy can only be tortured by me even if he is against the weather."

"Step back."

Zhao Gu Mou Zi Yi Xi, although today's event is very oppressive!

But when he thought that the date of appointment was coming, and that ye Chen would be suppressed and ravaged, he felt very happy in his heart!

.....

Ye Chen returned to shenjizong. Yuzhenzi and others also heard that ye Chen made a big fuss about the white jade huang ceremony. They wanted to persuade him.

But ye Chen went directly back to his room and began to shut down!

Although Ye Chen is crazy today, he can feel the crisis of Bai Yuhuang!

He doesn't know what strength baiyuhuang is!

Although he can kill the strong man of chaotic four layers of sky, but baiyuhuang has at least the peak of chaotic four layers of heaven, and even the strength of five layers of heaven!

He must not be despised!

Eighteen days were fleeting.

The date of appointment is coming!

Can, God extreme all people are flustered!

Only because, these 18 days, the island of Zhenlong temple, visions are continuous!

Dragon Dance rising!

But the God extremely Zong, actually did not have any movement!

Yes, it's just that there's no movement!

Ye Chen's room, not even a trace of vibration!

Not to mention thunder robbery!

Some people even wonder whether ye Chen is sleeping during this period of time?

Abandon yourself?

After all, what he has to face is the Lord of one clan!

At the time when people were worried, ye Chen's door suddenly opened.

The sun shines on the face.

Yu Zhenzi was a little excited: "disciple, did you break through?"

Ye Chen shakes his head and smiles slightly: "No

This time, people's hearts are like being hit by a stone.

It's over!

It's really over!

Ye Chen didn't pay attention to the crowd. He looked at a mountain that was straight into the sky and murmured:

"the air outside is good. It should be very comfortable to bask in the sun on the top of gods."

All the elders and disciples of shenjizong are like ghosts!

In the sun?

Comfortable?

When's the time to think about this?

Ye Chen, will not be possessed by the devil!

.....

The kingdom of God, a towering mountain top, at this time, it is crowded with people.

Here, it is the top of the gods!

The summit of gods originally belongs to the management of the alliance of gods. On weekdays, there are so many people. Without the permission of the alliance, even the top level of the first-class forces can not go in and out at will!

Now, the reason why many people come to the top of the gods is that the half year agreement between Ye Chen and Bai Yuhuang is today!

For tens of thousands of years, at this time, a fighting field has been built on the mountain top, where the protective phalanx has been built, and the stands surrounding the phalanx are surrounded. The seats of this stand are crowded with a dense audience. Looking at it, there are millions of people, right?

Not only that, in the top of the gods, there is also a translucent purple crystal, which is called Shadow crystal! This is a huge transmission crystal screen.

Its function is to transfer the picture here to the screen of other transmission crystal.

Similar to live broadcast on earth!

And the Shadow crystal, under the command of white jade huang, has been arranged in the cities of the seventh kingdom of God!

At this time, in front of the Shadow crystal of the major cities, there are a sea of people, Wuyang and Wuyang!

This battle has been spreading in the kingdom of God for half a year. It can be said that almost all the warriors of the kingdom of God are watching this war!

At this time, in the air, came a majestic roar of the dragon!

They were surprised and looked up. In the air, a red dragon with excellent appearance fell from the sky. On his head, a man with a gloomy face and cold eyes stood in his white robe.

It's white jade huang!

Bai Yuhuang jumped down from the red Jiao and landed steadily in the field. His eyes were filled with excitement. How can you not be excited?

Since ye Chen made a big fuss about his celebration ceremony, Bai Yuhuang has been thinking about revenge all the time!

Today, it's the day of revenge!

With the arrival of the white jade huang, there was also a burst of discussion in the audience.

Sitting in the front row, the imposing group of martial arts, looking at the white jade huang, but deeply frowned!

These people are all high-level talents of the first-class forces in each major, and they are extremely powerful!

One of them, a burly, bronze complexion, whose eyes were full of determination and full of fighting spirit, shook his head and said, "yechen, it's difficult!"

This man is hopeless!

Today's sun Wuwang is already a layer of heaven cultivation in chaos! Among the youth of the whole seventh kingdom, they belong to the strong!

Although he didn't awaken the ancient deity, his fighting holy body was not inferior to the general ancient deity after being trained by Zhenshen tower!

And the genius who awakened the ancient god body, although the speed of progress is very fast, but the foundation is not stable!

Therefore, the first day of crazy bone gate is still sun Wuwang!

"Difficult?" "No hope, why do you say that?" asked Huo Quan, the patriarch of the crazy bone clan beside sun Wuwang

Sun Wuwang said with great solemnity: "the white jade huang is stronger than it was half a year ago! It's terrible. "

"What?" Huo Quan was surprised and said, "how can it be?"

After stepping into chaos, every step forward is extremely difficult. Even with the spirit of the kingdom of God, it is almost impossible to improve in a short period of half a year!

Sun Wuwang's eyes flashed: "although I can't see his specific strength, there is obviously more in his breath than half a year ago, which makes me feel extremely dangerous and even terrifying."

At this time, in high school, the golden light flashed, a pale young man, fell from the sky, fell on the opposite side of white jade huang!

In the audience, there was another agitation!

Ye Chen is here!

Many people are worried that ye Chen will not dare to fight!

But ye Chen, after all, is coming! Make the audience excited!

Even the whole kingdom of God, countless martial artists watching Chuan Ying Jing, are excited!

However, the strong men in the seats of the first-class forces are looking at Ye Chen with flashing eyes, and some even shake their heads slightly!

Chapter 2723

They can see that the smell of white jade huang is a lot of terror, but what about ye Chen?

Not only the cultivation, but also the bad situation, even the breath, there is no change!

Some of the first-class forces who have hatred with Ye Chen are even more cynical!

Among Xuanyuan's seats, a woman dressed up to the top of the middle class, looked at Ye Chen and said with a sneer: "sister Xia, this is what you call ye Chen, who killed Xuanyuan Cang's boy?"

Her eyes flashed a thick disdain and said, "I really don't understand. What do you like about him, and even stop our Xuanyuan family from reporting to Tiandao palace? This boy, for so long, has not made any progress in his cultivation. Maybe he was once a monster. Now? Hehe, it's just a waste. I think it's not on your own strength that you can defeat xuanyuancang that day, right? "

Xuanyuanxia didn't pay attention to this woman, but her eyebrows were slightly wrinkled, and the breath of Ye Chen did not change

Is Ye Chen really going to die here today?

Shen Jinkun, the leader of Shenmeng alliance, also shook his head and sighed: "how dazzling and beautiful it was that ye Chen killed Hua Jingtao with a sword on the ceremony of divine light?

Even the whole people of the seventh kingdom think that he is the future of the kingdom of God, a new star that no one can stop. However, the world is unpredictable. No one knows how long a generation of demons can be famous... "

"Now, will this genius, who once made the whole kingdom tremble, fall on the top of the gods like the gods who died here?"

His eyes were filled with vicissitudes of life, and he could not help thinking that the gods who were killed by that mysterious youth had ever thought that they would die under the sword of a young man?

After killing and killing the gods, the young man set foot on the heavenly way palace.

It's too long.

Few people know.

And after the tiandaogong accident, the mysterious youth disappeared completely.

Everything is like dust.

But those who witnessed that era were afraid.

At the moment, including the tens of millions of audience in the stands, are facing Ye Chen, casting a cold look!

Although they can't feel the change of the white jade, they can still see the realm of Ye Chen!

The one who killed the enemy? Ha ha, maybe, it was a strong man in the past. Now in the kingdom of God, it can be seen everywhere!

With this kind of cultivation, what can we do to decide life and death with Bai Yuhuang?

It's funny!

On the top of the gods, there is no one to look after ye Chen!

Ye Chen, for the cold eyes of the people, is indifferent. In the past ten days, his cultivation has not increased, but has his strength improved?

What's the harvest of these 20 days?

Ye Chen can confidently say that his strength has at least doubled!

When he closed the door, he completely refined the foreign treasures that he had devoured in the secret land of Shenyuan!

Shenyuan Yibao's promotion to him is integrated into the bone marrow, blood, and martial arts foundation. From the breath, of course, you can't see it!

At this time, the white jade huang, looking at Ye Chen, is full of joy! Originally some nervous mood, also thoroughly relaxed down!

This waste, it seems that there is no growth at all?

Breath, also has no change appearance!

Is it not to say that this battle of life and death will be won by ourselves!

However, Bai Yuhuang was not in a hurry.

He looked at Ye Chen playfully and said with a sneer, "Mr. Ye, do you know where we are at our feet?"

Ye Chen face color light way: "the top of the gods."

Immediately, ye Chen is a smile way: "you pour is very can choose graveyard for oneself."

The original noisy summit of gods, for a moment, quieted down, quiet, only the whirring wind.

A crowd of audience, are looking at Ye Chen with startled countenance.

They, did you hear me right?

This ye Chen, still think oneself is once that genius?

I thought this was the wild land where the Zhenshen tower was located?

I thought I could kill Bai Yuhuang like Hua Jingtao?

Was it dazzled by the glory?

So far, have you not recognized yourself?

Do you dare to pretend in front of the white jade Huang?

The next moment, the top of the gods, burst out a thunderous laughter!

"This boy, you don't know the situation yet?"

"The first demon? Now, there is only arrogance, can it be called the first? "

"He will not die. Who will die?"

Bai Yuhuang also laughed, squinting at Ye Chen and saying, "do you hear me? Do you hear the laughter of these people? Don't you feel like a clown? "

"Clown?" Ye Chen coldly smile, "then I want to know, my performance, let your two disciples, full of dissatisfaction?" When Bai Yuhuang heard the speech, the laughter stopped suddenly, killing all over the body, and broke out in an instant!

His eyes were bloodshot and angry, and he could no longer suppress it. His spiritual power was surging. His face was full of blue veins and bulging drums. He looked at Ye Chen and said, "Ye Chen, you want to die! Don't worry, I won't let you die so easily.

I will torture you well, until you beg for mercy from me, and beg for forgiveness from Jingtao and Chenxin! At that time, you think, they are not satisfied! "

The voice fell, white jade huang, suddenly hand!

When he turned his wrist, the Dragon Hui sword presented by xuanyuancang fell into his hand!

At the same time, in the eyes, green light explodes, countless green runes roll, and purple scales appear on the body surface. A pair of dragon horns grow from the forehead, and even the eyes turn into a pair of purple vertical pupils!

Jingtian Longwei burst out!

At this moment, thousands of warriors and brains on the top of gods are in chaos!

They seem to be trapped in a distorted world, in which the only thing they can feel is a figure

Together, the figure of a giant dragon with purple scales!

The dragon, take over their whole soul!

Countless warriors, in an instant, their clothes were wet with cold sweat!

At this time, standing in front of them, where, or that white jade Huang?

Clearly, it's a terrible and indescribable dragon!

At one end, you can't help worshipping the supreme dragon!

Is this the prestige and shock brought by higher life?

What a thrill! What a shock!

The people who felt the real dragon breath and looked at the white jade huang's eyes had completely changed!

They don't know what ye Chen takes to defeat such existence!

Even some of the original support Ye Chen people, have become suspicious!

Along with the rising of the dragon spirit, there is the breath of the white jade huang chaotic state!

Around the fighting field on the top of the gods, there is a special protective array, which can withstand the attack of those who are at the top of chaos! But now, this light curtain, but under the impact of the breath of white jade, flickers violently!

Chapter 2724

His whole body spirit strength and rolling dragon power meet, madly pour into the Dragon Hui sword in the hand!

The Dragon Sword burst out a burst of Qing Ming just like a dragon chant, which was brilliant in an instant!

White jade huang face is cruel color, low drink a way: "Purple Dragon divine light chop!"

When a sword comes out, the purple light startles the sky, and the sword's meaning is surging. It is like the Milky Way pouring down over the nine sky. It has boundless spiritual power, rolling dragon power, and strong sword sense. It becomes a purple light dragon, roaring up to the sky, carrying the power of annihilation, and turning towards ye chenteng!

The protective light curtain, under the purple light, is instantly full of road cracks. In the void, the black light diffuses. The martial law collapses wildly and dies of breath. It completely covers the top of the gods!

In an instant, all the people's consciousness will turn into nothingness in the power of this sword!

This sword seems to have broken through the acme of sword!

At the same time, everyone has an illusion!

One, as if back to the ancient times, as if, witnessed the decisive battle between the strong and the gods!

Ye Chen looks at the purple light that cuts, pupil shrinks!

This sword, which has been explored and broken many times, is extremely powerful and even can not be described in words through the present cultivation of baiyuhuang and the blessing of the dragon body of Bauhinia.

"Ye Chen!"

Yu Zhenzi, Sun Yi, Tu Lanxin, Chu Ying and other women all exclaimed!

Rao is that they are full of confidence in Ye Chen. Under the power of the purple light sword dragon, they are still nervous and worried!

The audience, as well as those who are powerful in the kingdom of God, look at Ye Chen with different eyes, but they all have expressions of pity, ridicule, regret and pleasure!

No one is optimistic about ye Chen!

It can even be said that although the sword has not fallen completely, they have already seen the scene of Ye Chen breaking into blood mist under the purple light!

At this time, ye Chen moved!

Qinglian mietian sword, I don't know when it has appeared in Ye Chen's hand! There are tiny cracks all over the body of the sword. These cracks are left by his incarnation. He used Qinglian mietian sword to carry the spirit subduing shadow.

However, this is not to say that Qinglian mietian sword can no longer withstand this level of attack.

The main reason is that the power of incarnation outside the body is much worse than ye Chen! And the firmness of Qinglian mietian sword depends on the strength of the body.

"I'm the only one to soar to the sky, and the butcher God will break the sky!"

Ye Chen murmured, and the meaning of Zhenwu swept out like a hurricane. The golden light flowed all over his body, and the power of breaking the sky ran through the meridians. At the same time, the God demon reincarnation formula was in extreme operation. On the surface of the body, seven blood lights burst out!

Powerful sword spirit, rising from the sky, a very cold sword light, like thousands of stars, fell from the sky, with endless destruction, toward the purple light sword dragon in front of him!

With a roar, earth shaking, protective light curtain, crazy shaking, even the mountain where the summit of gods is located, is turbulent! It seems that there is a danger of collapse at any time!

It's just the aftermath of the fight between the two sides, it's so terrible!

But at this time, there was no one on the top of the gods, who cried out!

Why? Because they are all shocked by Ye Chen's sword! I can't say anything!

At this time, ye Chen, with a sneer on the front, stands in the fighting field happily. Although there are deep cracks in the ground under his feet, ye Chen, let alone turned into blood mist, has hardly been hurt!

Ye Chen's sword, it seems to be able to destroy the world, incomparably terrible sword, disappeared?

Originally those ridicule, waiting to see ye Chen die, at this time, the expression on the face, are completely frozen!

Ye Chen, unexpectedly, has the strength comparable to the master of Zhenlong palace

Xuanyuan's seductive woman, at this time, with her mouth wide open, her eyes full of disbelief. How can this waste of chopping adversity be so strong? It's unbelievable!

Her martial arts talent, is also extremely outstanding, is also an ancient spirit body genius, but, is inferior to Xuan yuanxia!

Originally, she also wanted to take advantage of Ye Chen to suppress xuanyuanxia and her position in the family!

But now it seems! If it wasn't for xuanyuanxia, Xuanyuan's family, maybe they would all be in great trouble. Even, it's possible for them to be severely damaged!

Xuanyuan's master swallowed his saliva and said, "Xia Xia'er, this time, you did a good job. The ancient jade of Xuanyuan's house is yours... "

When xuanyuanxia stopped him from informing tiandaogong, he was still discontented. After all, xuanyuancang is the hope of Xuanyuan family's rise! It's gone? Can he not be angry and don't want to kill Ye Chen?

But now, he is happy!

Although the heavenly way palace and the Xuanyuan family has the connection, but the contact is not deep!

After all, the rights of Tiandao palace did not belong to Xuanyuan family from the beginning!

Xuanyuan moxie can only help secretly if he wants to help!

It is impossible to use the power for Xuanyuan family in full view of the public! He was glad that he had listened to xuanyuanxia's words! Otherwise, even if the Xuanyuan family had several ancient deities and several ancient strong men whose strength was still above Xuanyuan Cang, there was no possibility that the Xuanyuan family would withdraw from ye Chen's hands!

"Thank you very much," xuanyuanxia said

There is only one jade in the whole family, which is of great use to her ancient genius!

But the coquettish woman, in her eyes, flashed a burst of resentment, staring at Ye Chen, and coldly hummed: "hum, it's just a sword to block. I don't believe this boy can be the opponent of the white hall master!"

If it wasn't Ye Chen and Xuan yuanxia, how could you get that ancient jade so easily?

At this time, many people are looking at the white jade huang, but can not help but be surprised.

The extreme sword dragon was extinguished by the sword light of Ye Chen, and the white jade was bright. It seemed that the result had been predicted!

He didn't say anything more. He just murmured: "the body and sword are united, and the dragon is astonishing the sky!"

On the dragon's sword, the purple light soars, and the white jade huang's Dragon Power vibrates. A divine dragon's virtual shadow flashed from behind him, sending out a high sounding dragon's chant. The next moment, he turned into a purple sword dragon with his sword and turned to ye chenteng!

Bai Yuhuang's sword combined into a purple sword dragon is three points more powerful than the sword just now!

Ye Chen is wearing a faint smile. When he dances the sword, the power of Zhenwu surrounds his body. With the sword light, he wields great power. He fights with the sword dragon!

For a moment, the sword flashed, the dragon was flying, and the void was constantly broken. The martial law of the seventh kingdom seemed to be shaking, thunderbolt from the blue, bloody wind and all kinds of unimaginable visions appeared on the top of the gods!

As if, the whole world, will be white jade huang and ye Chen, beat to pieces!

Those audience, look gaping, in addition to dull, or dull! The top of the gods is in silence!

Chapter 2725

Originally, many people came to watch the war, hoping to get inspiration from the two people's fight!

But now, everyone's mind, is a blank!

At all, I can't understand it! Their martial arts are beyond the level they can understand!

The only thing they can feel is terror!

Not only the top of the gods, but the whole seventh kingdom is dead! As if suddenly, into a silent world!

All the warriors in the kingdom of God, looking at the battle pictures on the transmission crystal, are all reacting with those audience!

In a flash, the two had already fought over a hundred moves. At this time, the purple light sword dragon suddenly roared, and its body burst out with incomparably sharp Dao Dao Dao sword awn, and burst to pieces!

Two people's figures, a touch is divided!

Bai Yuhuang stood in the air and looked at Ye Chen. With a sarcastic smile on his face, he said: "sure enough, twenty days ago, I didn't fight you. It was right. At that time, I was not sure to kill you."

Ye Chen's face was indifferent and said with great interest: "Oh? Now, you're sure I'll kill you

"Ha ha ha ha ha ha!" Bai Yuhuang suddenly laughed and looked at Ye Chen very ferociously. His eyes seemed to be pitying Ye Chen's ignorance and said, "boy, you are really amazing. I can't even see where your limit is."

"But you don't really think that I have no preparation for this life and death war?"

"Do you think you will be invincible if you can block my sword light? Do you think that's all I have? "

"To tell you the truth! Just now, I just don't want to kill you too soon. If I do my best, you can't hold on for a second, do you know? "

"Is it?" Ye Chen's eyes flashed slightly, and a faint smile floated on his face and said, "your two disciples, also want to torture me, just die?"

Bai Yuhuang said with a gloomy smile: "ha ha, I hope you can continue to be arrogant."

The next moment, the whole body of white jade huang was emitting an extremely hot breath. He opened his mouth and spit out a round bead wrapped in golden flame, all red and crystal clear!

When the bead comes out, the temperature around the top of all gods is instantly raised by countless times! Even the air seems to be twisted by the burning breath!

At the same time, the flame outside the bead twisted and turned into a fire dragon, hovering on the bead!

What's more moving is that even the protective light curtain has a trace of melting!

This red bead, just released by white jade, has such a powerful power for its blazing breath!

Many warriors, even the countless Shenguo warriors who were watching the duel, gasped for breath!

What a terrible power of fire!

What is the power of fire!

Now, white jade huang, actually took out a bead containing such a powerful flame?

At this time, a few figures suddenly stood up in the auditorium of the martial arts arena. They looked at the bead with trembling eyes, and exclaimed with one voice: "the real dragon god fire bead? It's the real dragon god fire bead

"The real dragon god fire bead?" Some people did not understand to look at the humanity, "what, is the real dragon god fire bead?"

A chaotic strong man, with an extremely dignified face, looked at the bead in awe, and his voice trembled with some restraint: "the ancient martial arts are far from comparable in this era. In ancient times, different fire ranks were extremely powerful!"

"On top of many strange fires, there is also divine fire! Only the divine fire, is really trembling, can burn all things the ultimate fire! Even in ancient times, the fire cultivation with divine fire made countless warriors fear and retreat! "

"However, even in ancient times, Shenhuo was extremely rare. In ancient times, there were only 33 kinds of Shenhuo in the list!"

"Among them! The true dragon spirit fire ball contains the true dragon spirit fire, ranks 31st

With that, he swallowed his saliva. Even, he couldn't help but want to leave!

Don't underestimate number 31! The flame that can be included in the list is the existence of fear for countless ancient times!

The ancient gods and fire warriors, but the movement will burn the existence of thousands of miles! Even if the cultivation is much higher than his martial arts, they should avoid three points!

Can the divine fire be resisted by those who cut off the enemy? Even if contaminated with a trace, but only to the end of the ashes!

At the hearing of this, the people of the God level sect were as pale as death, and their eyes were full of despair!

A number of Shenguo warriors, also can't help shaking their heads, looking at Ye Chen's eyes, with sadness, ye Chen, bad luck!

Ye Chen is really strong enough to be called the first demon among the youth of the kingdom of God. But who would have thought that baiyuhuang had a real dragon god fire bead handed down from ancient times?

No matter how hard it is, you can't bear the ancient fire, right?

At the top of the gods, there were nameless warriors who slaughtered gods to prove the way of killing. However, how many amazing people have been there since ancient times? However, there was only one mysterious youth, and even his name was not left!

Seeing this, the seductive woman of Xuanyuan's family was even more overjoyed and said with a smile: "ha ha, this boy, as expected, still has to die. Even God is not willing to help him!"

Even ye Chen looked at the fire bead of the real dragon god, and his complexion changed severely!

"Damn it! A miscalculation Ye Chen's pupil shrinks and stares at the magic fire bead. His teeth are clenched, and his muscles are tense!

The fire bead of the real dragon god gave him a feeling of extreme danger!

Even, it's not much better than when facing the ghost shadow on that day!

That is to say, even with his present physical quality, he will probably die in the face of this real dragon god fire!

White jade huang, looking at Ye Chen's face, incomparably happy!

This kid, finally scared?

He did not rush to move, but pondered and said with a smile: "boy, I will give you a chance now. If you kneel down, admit my mistake, and apologize to my two beloved disciples, maybe I can spare your life?"

He, of course, will not let Ye Chen go, but, killing Ye Chen like this, is not cheap for him?

He wants to let Ye Chen be humiliated, so that all the people in the kingdom of God will see ye Chen humiliated!

Let everyone remember ye Chen's ridiculous appearance!

After a moment's silence, ye Chen said with a light look: "the master of the white hall is really tolerant of a lot of things..."

Everybody hears speech a Leng, ye Chen, what does this mean?

Is this extremely proud Ye Chen, known as the demon God, really want to kneel down and apologize to Bai Yuhuang?

Even white jade huang, are some unexpected looking at Ye Chen, then, the disdain color on the surface, more rich!

The corner of his mouth suddenly raised a smile and said, "Lord Bai, if you will give me a chance..."

People staring at Ye Chen, many people's eyes, with disappointment!

It turns out that ye Chen, the demon God, is also a man who is willing to bow down for his life

At the next moment, ye Chen, in her eyes, flashed a fierce look and said angrily, "in this vast land, who dares to let me apologize to Ye Chen?"

At this time ye Chen, the whole body exudes incomparably frightful breath! A breath that will never shrink back even if death is in front of you!

Want him to kneel down and apologize?

If he wanted to kneel, he would have knelt down countless times along the way!

Ye Chen, in the dreamland of Zhenshen pagoda, has experienced thousands of years of human and devil wars. How many times have ye Chen fallen into the edge of death?

Did he ask for mercy?

No!

Not once!

Death, for others, may bring fear, but for ye Chen, it is only a joke.

Ye Chen, who has conquered death countless times, how can he be afraid!

After that tempering, ye Chen's Dao Xin has become invincible!

"Jiwu: Shenshan!"

When he moved, he rushed directly to the white jade huang in the air. His spirit and spirit were surging wildly, and his evil spirit was soaring to the sky. The sword light burst out and hurt everyone's eyes in an instant. The violent power gathered on the long sword, and beheaded Bai Yuhuang!

At the moment of this sword killing, in an abyss of Jiutian Shenlong hall, a painful dragon chant sounded!

Lightning and thunder!

There was a brief flash of light under the light of lightning.

Under the abyss, a blood dragon is gnawing at the body of a huge magic dragon.

The growth of the dragon and the flesh every time!

Chapter 2726

This sword has reached the peak of Ye Chen!

But in the face of this sword, Bai Yuhuang said with a scornful smile: "I don't know whether to die or not."

He quickly reached out a little bit of the real dragon god fire bead suspended in front of him. Suddenly, a dragon chant was heard above the magic fire bead, almost in a flash. It appeared in front of Ye Chen. The dragon's mouth was open and it vomited a red gold fireball!

This moment, time, as if still!

Ye Chen looks at the fireball the size of the thumb, shoots toward him with a frightful speed, but the pupil fiercely trembles!

The speed of the fireball is terrible!

Before this sword falls on the top of the white jade huang, I will be hit first!

What made him even more horrified was that the burst energy contained in the fireball made his heart beat wildly faster!

This seemingly insignificant fireball, if ye Chen is hard to resist, will die!

His arm muscles contract and twist wildly in the time of one thousandth of a breath. The sword originally cut to the white jade huang, and the sword edge turned, and it exploded to the red gold fireball!

At the same time, the whole body blue light burst out, turned into a blue chain, around the body!

The light of sword and fire, in the void, collide with each other, vanish the breath, like a tornado on the top of the gods!

Boom!!!

A sound like the beginning of the universe, the earth's great explosion, in the sky above the gods! The whole kingdom of God is in a violent tremor!

Like a supernova, the dazzling light burst out in the kingdom of God. Even, the light is so strong that it breaks through the barrier of space!

Kingdom of God, a forbidden area.

A girl's slender hand, holding a sword, cut off a huge monster.

She was covered with stars.

This is the light of reincarnation star stone!

And this girl is Xia Ruoxue.

Xia ruoshue looks at everything in the picture, a little nervous.

On her pretty face, there is a very shocking look, looking at the sky, blooming in the gorgeous

I don't know why, her heart was filled with an ominous premonition

At the next moment, the shadow crystals of the whole kingdom burst and broke. Many warriors in the kingdom of God all screamed in horror!

And on the top of the gods, the originally scarred protective light curtain burst into pieces in an instant!

Many of the soldiers present suddenly changed their faces and exclaimed, "no!"

All of them appeared in the air above the fighting field. They broke out without reservation. They joined hands to suppress the aftereffect of the fireball collision!

They clenched their teeth tightly, and their face was struggling, but it was only an aftereffect of suppression. Moreover, so many people joined hands, which made them sweat profusely! It can be seen that the impact of the impact, how terrifying!

After a moment, the light converged, and the crowd fixed their eyes and looked at the center of the fighting arena!

The white jade is still floating in the air with some scars on his body, but it doesn't look serious. At this time, although he looks quite calm on the surface, in fact, he is panting slightly. Obviously, even if he has already cultivated in chaos, he is not so relaxed!

What about ye Chen?

Everyone's eyes sweep the fighting field, searching for ye Chen's trace.

Soon, a group of martial arts, are pupil contraction!

In the fighting field, there is a huge hole!

A dark figure, lying at the bottom of the hole!

"Ye Chen Chu Ying, Tu Lanxin and other women, are extremely heartache to cry out, a pair of beautiful eyes, instant blood red, crystal tears, flashing in the eyes.

Ye Chen, the evil spirit that shocked the kingdom of God, is it so dead and fallen?

People look at the charred figure, almost, will become coke

Even if ye Chen goes against the sky again and becomes like this, he can't survive, right?

Just then!

The fingers of the burnt black figure suddenly moved!

White jade huang eyebrow tip a pick, even if he tried to suppress, in his eyes, still revealed a trace of color! He looked at the bead of fire. The attack just now consumes too much. It will take some time to recover!

When people saw this, they held their breath one after another. In their hearts, they had an idea that people could not accept

Ye Chen, did you survive?

The top of the gods is in a strange stillness.

The next moment, the dark figure, slowly stood up, the burned flesh and blood, from the body surface off, exposed the blood stained skin!

At this time ye Chen, looks very bad!

Ye Chen's eyes flashed wildly. Just now, he almost died!

At the same time, he made full use of the forbidden spirit body and the red dust divine pulse, turning into a chain for defense. Even so, there was only half breath left. If there was no divine transformation skill, he could not even hold a few breaths! However, the damage he suffered was so great that even the art of divine transformation could not be fully recovered. It turned into a state of decline of vitality, which was even more serious than that of the war with Kong Xian!

However, even so, his eyes fell on the green lotus mietian sword beside him, and he stretched out his hand and pulled out the sword!

As long as he Ye Chen, there is a breath in, will never bow, admit defeat!

However, at the moment Ye Chen pulled out the Qinglian mietian sword, there was a click, which broke the silence of the top of the gods. Ye Chen couldn't believe it and looked at the Qinglian mietian sword in his hand. The whole body was made by Qingtian stone. With the blessing of his endless strength, in terms of hardness, it was far better than many weapons. Under Ye Chen's gaze, it turned into a smash

Green lotus sword, broken!

"Ha ha ha ha ha ha!" The white jade huang in the high sky saw this and laughed ironically: "waste, your life is hard enough? It's not dead? "

"The fire bead of the real dragon god contains the will of the nine heaven god dragon hall!"

"But the end of your junk weapon is a true portrayal of you!"

Bai Yuhuang's smile is more and more ferocious, his body, recovered!

He aimed at the fire bead of the real dragon god a little, his whole body surging spiritual power, madly poured into it!

"Boy, turn yourself into ashes, and the dead are bound here. You will live forever and suffer from torture!"

The fire dragon on the fire bead of the real dragon god sends out a high sounding dragon chant. The dragon mouth spits out a red gold flame and flies towards Ye Chen!

"Damn it, Lao Cang, what should I do now?"

Ye Chen gazed at the flame, and his face was incomparably ugly!

In his present state, he can only die if he bears the fireball level attack again!

The residual spiritual power in his body is running at a high speed, and his body trembles slightly, so he has to use his body method to avoid it!

But at the speed of the flame, sooner or later, he will be caught up by the flame!

Chapter 2727

At this time, the old Cang is a deep voice to drink: "boy, calm down, listen to me, don't hide, resist the flame, you may not die!"

"What?" Ye Chen is shocked.

Not necessarily dead?

He was in full swing just now. He almost got killed by the fireball. Now he is very weak. Moreover, Qinglian mietian sword is also broken! Let him bear the fire again, and he will not die?

If you don't die, you have to be disabled, right?

Even if ye Chen believes Lao Cang very much, can't help, produced a trace of hesitation!

But the old man said again, "boy, this flame is different from the fireball just now. The fireball is exerted by the Dragon Spirit and fire spirit in the fire bead of the real dragon god! In a short time, it can only be used once! "

"Now this red gold flame, though extremely terrifying, is far from being comparable to the fireball just now!"

"Although in your present state, it is extremely dangerous to bear the attack of the real dragon god fire. If you are not good, you will die..."

"But, if you want to defeat Bai Yuhuang, you must bet! Because this is your only chance

"Defeat white jade Huang?" Ye Chen's eyes flashed slightly: "what's the relationship between bearing this flame and defeating white jade Huang?"

The old man said solemnly: "boy, do you remember the burning stele you control?"

When ye Chen hears the speech, his pupil shrinks. Does laocang want him to Absorb the flame!

"Good! Xuanyan and Qinglian demon fire rank, although compared with the real dragon Shenhua, there is a huge gap, but Xuanyan has a very strong attribute, evolution!

when people are burned, the body will be infected with the power of fire. If you use your body as a medium, though slow, you can make the mysterious flame absorb the essence of the dragon fire and evolve. The reason why I want you to bear the flame is that I want you to swallow up the fire of the real dragon god with the mysterious flame

"If you swallow this flame, the complete opening of the burning stele will go further and even be good for the archaic evil flame!"

"With the swallow of the dark flame, your body's resistance to the fire will become stronger and stronger. Boy, as long as you survive the first wave of damage caused by the fire, you will not only not die, but also have unimaginable gains!"

At this time, the flame has come to Ye Chen!

Staring at the red gold flame, Ye Chen's eyes flashed a resolute color. He looked up to the sky and let out a roar. It was Shengsheng standing in place and letting the flame submerge it!

Bai Yuhuang's cruel smile made his eyes more happy.

This trash, is not even the strength to avoid?

In an instant, the red gold flame ignited Ye Chen's whole body!

His body quickly scorched and blackened, giving out the sound of barbecue. The fire of red gold ignited his body surface, and even his meridians, blood and bones were burned for it!

"Ah, ah, ah, ah The indescribable pain swept every cell in Ye Chen's body. He gave a scream and involuntarily rolled on the ground and kept rolling! It looks so miserable!

"Ha ha ha ha ha ha!"

Bai Yuhuang laughed wildly and looked at Ye Chen's painful appearance. In his eyes, he was full of pleasure! The real dragon fire is the ancient fire! Once infected, it is like maggots of tarsal bones, and it is almost impossible to get rid of them unless they are burned to ashes!

What's more, Shenhua is not an ordinary flame. The pain of being burned by it can be called torture in torture!

Chen Xin, Jing Tao, revenge for you!

"Stop it

God extremely Zong people, instantly stood up, full of grief and indignation, looking at the appearance of Ye Chen, their hearts, are dripping blood!

At this time, it was desperate to rush to the white jade huang!

At this time, three figures flash, blocking them!

"What are you going to do Zhao gu looked at the crowd with a smile, "this is a fight between life and death, outsiders can not intervene."

These three people are the three ancient deities of Zhenlong hall!

At this time, the breath of their chaotic state was released without reservation, and the people of God Jizong could not step forward at all!

Even the strongest Tu Lan Xin is not the opponent of the three!

Tu Lanxin, Chu Ying and other women, do not open their eyes, they can not bear to

Can't bear to see ye Chen tortured by the flame!

"Well? Not dead yet? "

Looking at the rolling Ye Chen, Bai Yuhuang is not dissatisfied, but is full of joy!

"Ha ha ha ha, OK, boy, hold on a little longer, let me have a look at your pain!"

Ye Chen, in the fire, the longer you persist, the longer you will be tortured!

As for the possibility of Ye Chen's overturning?

Ha ha, he has absolute confidence in the real dragon fire!

A group of warriors, looking at Ye Chen's appearance, are all slightly frowning. Is this the end of the first evil spirit in the kingdom of God? No one knows, at this time, it seems that Ye Chen is rolling painfully on the ground. In his eyes, there is a color of ecstasy!

His body, on the verge of collapse, was so close that he was about to be burned to death! Even, if it is maintained in this state, under the constant erosion of the flame, he will not last long!

But!

Ye Chen can feel that with his crazy operation of Xuanyan, his resistance to the real dragon fire is gradually improving!

Moreover, the breath of Xuanyan is gradually growing!

On the blue spark, also gradually emerged a little bit of red gold color!

One hour, two hours, three hours

Those who watch the war, looking at Ye Chen, one by one, Chu in his eyes is full of shock! In addition to being shocked, I can't bear to

They are shocked by Ye Chen's terrible vitality

I can't bear it, because Ye Chen has endured three hours of torture!

If it was them, they would have burst out of their minds?

Can ye Chen, still insist!

However, as everyone knows, the battle of life and death is coming to an end

Because ye Chen's cry is getting weaker and weaker, and his rolling movements are becoming weaker and weaker

Ye Chen, has reached the limit.

Suddenly, ye Chen's voice stopped suddenly!

People sigh, finally, is it over?

White jade huang, is the face of boring color, this is dead? He hasn't seen enough.

But Chu Ying, Sun Yi, Tu Lanxin and other women are shaking their bodies, almost fainting to the ground

When Bai Yuhuang stretched out his hand, he would take back the fire bead of the real dragon god.

But at this time, a figure, slowly stood up.

At the scene of a group of martial arts, looking at the standing figure, eyes, all want to stare out of the eye socket!

What's going on?

Did you fake a corpse?

White jade huang, is exclaimed one more, full face disbelief color way: "impossible!"

Chapter 2728

This stands up, all over the flame, just like the figure of the fire man, it is Ye Chen!

That's the real fire! Ye Chen, how can you bear it? Originally, he was born and burned by the divine fire for three hours, and he was not dead. It was almost a miracle!

Now, stand up?

At this time, ye Chen's face with a sneer, although his body was wrapped in red gold flame, his eyes were extremely cold!

In his elixir field, a half red gold, half blue flame, quietly flashing, the whole body exudes a very blazing breath!

Today's real dragon Shenhua, although, can still cause damage to him, but for ye Chen's recovery speed, it can almost be ignored!

And now Xuanyan, already qualified, directly devour the real dragon god fire!

All of a sudden, when people were still surprised why Ye Chen didn't die, he stretched out his hand and aimed at the fire bead of the real dragon god!

A ray of red gold shot from his fingers into the bead of fire.

The next moment, I can't believe the scene of their eyes, appeared!

The dragon soul on the fire bead of the real dragon god whines with sadness. The flame in the bead actually surges out and is continuously inhaled by Ye Chen!

"What's going on?"

White jade Huang at this time, on the surface where there is any irony, cruel color? Only left behind a thick horror and anxiety! He madly infuses spiritual power and manipulates the Dragon Spirit and fire spirit, but he can't stop the flame being engulfed by Ye Chen!

This is really the dragon god fire bead, but the Zhenlong Palace's treasure! Even for the nine heaven dragon hall, it is also a treasure!

If it goes on like this, it will be destroyed in Ye Chen's hands!

After a few breaths, the flame in Ye Chen's dragon god fire bead disappeared completely, and the red gold flame on Ye Chen's body also melted into his body.

At this time, Ye Chen, it seems, is not a trace of injury!

Even the shriveled flesh and blood recovered!

Looking at this time, he looked at the white jade Huang of the fire beads of the real dragon god, and a cold feeling flashed in his eyes.

Bai Yuhuang was just able to communicate with the Dragon Spirit in the Shenhua bead and manipulate the divine fire. How could he compare with him? He directly refined the divine fire with the mysterious flame and obtained the original power of the real dragon and divine fire?

Now he is even more friendly to the real dragon than the dragon spirit!

Originally, almost all of the people of God Jizong, who were about to collapse, couldn't believe they were looking at the scene in front of them. Would they not be dreaming?

At the next moment, Bai Yuhuang's face was extremely ferocious, his eyes were bloodshot, and he was almost possessed by demons. Holding a dragon's sword, he yelled at Ye Chen: "destroy my magic weapon, waste, I will kill you!"

The light of the sword soars to the sky, and the meaning of the sword is vertical and horizontal, and the dragon power is full of air!

A purple light sword dragon, extremely angry toward Ye Chen, roared away!

Tu Lanxin and others are in a tight heart!

Ye Chen, although miraculously carried the ancient fire, and recovered his wounds, but now ye Chen has lost the Qinglian mietian sword, can he still block the white jade sword?

Ye Chen looked at the sword dragon, his face was indifferent, and his eyes were full of killing intention. He drank softly, word by word: "open!"

At the next moment, a red gold light flowed all over Ye Chen. At the same time, a strong spirit that was almost enough to make a group of warriors kneel down on the top of the gods burst out!

Burst out from ye Chen's body!

Above the sky, there is a faint shadow of blood dragon!

Lao Cang's voice sounded in Ye Chen's mind: "boy, how do you feel?"

"What a powerful force!" Even ye Chen himself is shocked by it!

Now he feels that he can control the sky and the earth as soon as he reaches out his hand! You can pick off the sun, moon and stars! Can control the life and death of all living beings!

Now he is God!

"Boy, there's something strange about this power! It's not the power of this flame, it's more like the power from another space... "

Ye Chen one Zheng: "another space?"

Is it the blood dragon of the nine heaven dragon hall?

In the process of being burned just now.

He heard the song of the dragon in his ear.

He even saw some pictures in the fire.

The blood dragon seemed to be gnawing something.

Is the battle between blood dragon and foreign magic dragon won?

Lao Cang hesitated for a few seconds and nodded: "if I'm not wrong, it's really about the blood dragon."

"I've learned something about the blood dragon. You said it was your intention to kill, and then it kept improving. This is unheard of in history."

"It's like chaos is beginning to open up, and one of them devours the supernatural beast, relying on it to become the world's overlord..."

"Anyway, the origin of the blood dragon is a little strange."

"Come on, no matter where the power comes from, it's time for you to end the fight."

At this time, the sword dragon transformed by Bai Yuhuang has already rushed to Ye Chen's body!

Ye Chen's mouth corners, raised a trace of evil smile, a low drink: "Jiwu: heavy fist!" One punch, on the top of the fist peak, the black awn erupts, the void is constantly broken, the gale four volumes, the martial law, gradually breaks down!

This blow, mercilessly hit the dragon head of the purple light sword dragon!

Black and purple light interlace, sword meaning and fist meaning impact each other!

However, the purple dragon sword light, but only supported a short breath of time, it quickly collapsed!

Space turbulence, a bloody figure, fly upside down, it is white jade huang!

At this time, he, a white robe, has been completely dyed red by blood!

The dragon sword in my hand has been broken in two!

Ye Chen, a punch interrupted!

Countless warriors on the top of the gods, their brains, have been unable to turn

One blow to suppress the existence of chaos?

What's the concept?

This, even in the ancient times, can be called strong ah!

Bai Yuhuang's spiritual power whirled wildly, barely stopping himself in the air. He was panting, his eyes were covered with blood, his pupils were shaking wildly, and his whole body was covered with blood

It's like, a beast forced into a desperate situation!

Now, how can he still have the demeanor of a strong man in the chaotic environment?

In his eyes, only fear left!

Just now ye Chen's strength, very familiar!

It's the power of the nine heaven dragon hall!

Ye Chen is not a dragon family. Even if he absorbed the flame, he could not control the power of the nine heaven god dragon hall!

No way!

But what about the power!

Ye Chen Yin cold smile, body shape a flash, then rushed to the white jade huang in front of the body, is a blow out!

Bai Yuhuang retreated crazily and roared: "the purple dragon protects himself!"

The purple scales appeared on the body surface, and the purple light was shining. It turned into a dragon scale armor to protect the whole body of baiyuhuang!

With a loud bang, the purple armor was smashed by Ye Chen's fist!

"No!!! impossible! It's impossible! You have more than nine Heavenly Dragon halls

White jade huang spit blood, the breath quickly decayed, looking at step by step, toward their own, with a murderous Ye Chen, turned around and fled!

Chapter 2729

A chaotic environment of martial arts, ye Chen beat to flee!

Can you escape?

A blow, severely hit the head of Bai Yuhuang.

With a bang, Bai Yuhuang's body broke into a cloud of blood mist and slowly drifted away

This chaotic warrior who shocked the whole kingdom of God fell down!

A transparent shadow, with a look of panic, flew out of the blood mist, as if to escape from the top of the gods!

But at this time, a black hole emerged out of thin air. A transparent palm stretched out from it, pulling the spirit of white jade and dragging it into it!

"Leave me alone! Let me go

People's ears, vaguely echoed this if there is no wail.

At the moment when the spirit of baiyuhuang is about to disappear, he looks at Ye Chen's figure, and his pupil enlarges.

He found that ye Chen's whole body seemed to be surrounded by an extremely terrible blood dragon.

The blood dragon's cold eyes were staring at himself like this.

It's like the Supreme God.

All of a sudden, Bai Yuhuang thought of something and his eyes widened: "Ye Chen is actually..."

However, before he had finished speaking, he disappeared completely into the darkness.

This is the curse of the top of the gods!

The whole world is completely quiet.

No one thought it would be.

The half year agreement ended in this form.

The master of Zhenlong hall, the strong man of the five layers of chaos state, controlled such a card, and died in the hand of a chopper.

It's unbelievable.

This war is destined to make ye Chen the youth myth of the seventh God kingdom.

We can also let the other six kingdoms know that the seventh kingdom is not a eliminated one.

And no one noticed, in the corner of the arena.

There were two people, their eyes burning with anger.

They were wearing black robes and had a strong breath.

These two people are Lin Jilong and lingwuji, the leader of the Lingjia family.

Under the black robe, Lin Juelong's breath is extremely disordered, and his pupils are green.

Runes are surging.

This is not an ancient deity.

However, it seems to be the confluence of many ancient deities.

It's extremely weird.

Spirit Wuji looks dignified: "Jue long, ye Chen's battle, too frightening."

"You may not be his opponent."

"I thought we could get revenge after brewing for so long, but now it seems that we are not qualified at all."

"What kind of monster is this boy? Why can he do such a fantastic thing?"

"Originally I wanted to avenge lingjiuxiao, but now it seems that we must put it on hold."

"Otherwise, I will die."

However, Lin Juelong in his black robe laughed.

Smile incomparably ferocious.

Even he was clapping.

As if in celebration for ye Chen.

"Jue long, what are you doing?" The spirit is not extremely surprised.

All of a sudden, Lin Juelong's hand stopped, his ferocious face and murderous eyes were staring at Ye Chen:

"the stronger he is, the more interesting he is?"

"We have devoured ten ancient deities. The ancient deities are so good for my body and cultivation."

"Even if ye Chen is stronger, can it be stronger than my swallowing?"

"However, we can't face Ye Chen directly now."

"I still need to swallow up an old strong man who wakes up!"

Spirit infinite one Zheng, the expression is strange: "Jue long, you are too absurd, wake up the ancient strong man how we move to start!"

"We were killed before we even started!"

"Don't go crazy!"

Lin Juelong showed a ferocious smile: "how about the ancient strongmen who wake up? I have a way to deal with them."

Speaking of this, Lin Juelong has a stone in his hand.

The stone glows with green light, but it reveals a great deal of energy.

It's "aphasia What a strong force of origin

Lin Juelong clenched his five fingers, the light dissipated, and said, "this is a good thing."

"When I lost to this boy in China, I was reduced to an experimental product of the blood League."

"I was tortured endlessly, and hatred kept me alive."

"Although I have got the body of people, ghosts and ghosts, I have the ability that everyone envies."

"Of course, not only ability..."

Lin Jue Longyin Sen smile: "also got the secret of blood alliance hidden in the ground Kunlun Xu is really a magic place. "

"How can a place with such a low level of martial arts have such a secret?"

"This stone is valuable in the kingdom of God, why is it hidden in the bottom of the blood alliance?" "Interesting, interesting."

"Come on, the game is just beginning."

Lin Juelang rises, and in an instant he and spirit dissipate on the top of the gods.

.....

At the moment of Ye Chen, always feel the mind some uncomfortable feeling, he fiercely toward a direction to see.

But it is to see two black robes disappear.

Lin Juelong?

This is Ye Chen's first reaction.

"Maybe I think too much. If Lin Juelong saw it, he would be afraid in the dark."

"However, this person is not only a problem."

"It's time to do something to him."

Ye Chen just wanted to leave. Suddenly, he was stunned and his expression was extremely strange.

He looked at the strong man who was coming towards him and said, "master, I want to stay on the top of the gods for a while."

"Let the crowd go."

The strong man of the divine alliance was stunned. Although some of them didn't conform to the regulations, ye Chen's potential was amazing.

Future achievements are absolutely terrible.

It's good to sell face.

"Good."

Soon the crowd dispersed.

For many warriors, the war is over. If they do not leave, they will be affected by the curse.

The gain is not worth the loss.

At this time, several figures rushed towards this side.

God alliance strong just want to stop, ye Chen smile, open a way: "she is my friend."

The next moment, a petite figure then jumped to Ye Chen's arms!

This is no one else!

Ji Zhenglin!

Ji Lin triumphantly looked at a few children not far away, a turn over, climbed to the shoulder of Ye Chen.

"Now you believe it. I say ye Chen is my apprentice. You don't believe it."

Finish saying, still used small hand to pinch Ye Chen's neck, light voice way: "leaf force king, the river and lake rescue, cooperate under."

"I have something delicious. I'll give you some."

Ye Chen looked at the children and nodded: "Ji Lin is really my master. Many of my martial arts are inspired by him."

The children's pupils dilated. At the next moment, they knelt down directly to Ji Lin and said, "Ji Xianzi, it's our ignorance. Please accept us as apprentices. We also want to be the same existence as master Ye!"

Ji Lin jumped down from ye Chen and put his hands behind him. He took a look around the boys and said, "I've seen your qualifications. It's not very good I'm very strict with my apprenticeship. "

Chapter 2730

"If it's not ancient blood, it's not accepted."

"After all, I'm working on a talent development program."

"However, you don't have no chance. I plan to open a Jilin College in the kingdom of God recently. When it opens, you can give priority to admission. However, the pressure of running a school is heavy and the funds are tight. I wanted to give up, but it is urgent to think of the martial arts education in the kingdom of God..."

Several people instant inspiration, take out the storage bag carefully handed to Ji Lin: "please accept the fairy."

At the next moment, Ji Lin directly raised his face: "be bold! You are offering bribes openly! This kind of unhealthy conduct is absolutely not allowed! "

Several people a Zheng, just want to take back things, but found their hands, empty!

Storage bags, all appeared in the hands of Ji Lin.

Ji Lin snorted coldly: "you must be severely condemned for this kind of behavior! In order to crack down on this evil trend, we will confiscate them all for the time being! "

"What are you doing? Don't step back!"

Several people looked at Ji Lin and ye Chen, nodded again and again.

The next moment, all left!

Ji Lin was just about to count the spoils. Ye Chen directly raised Ji Lin and said, "you are using me as a tool to collect money."

Ji Lin took a white look at Ye Chen and said in righteous words: "Ye forced the king, you don't understand! This is called business opportunity! Now you're a little famous in the kingdom of God. I'm going to be your agent and open a school. Maybe you'll make a profit

"I'm a fair man. You three, I'll take care of the whole process."

"Don't look at me like that, or I'll suffer and we'll be divided into five and fifty!"

"I'm also making dowry money for my sister. Some time ago, my sister said to me..."

The sound stopped suddenly.

Ye Chen looks dignified: "did you see your sister?"

Ji Lin shook his head fiercely and said, "no, you heard me wrong. I said Why, no one else? "

The top of the desolate gods, ye Chen and Ji Lin were left alone.

Ye Chen also does not want to pay attention to, directly closed his eyes, came to the reincarnation cemetery.

The reason why he stayed just now was that he felt the sound of samsara cemetery!

Let him stay!

This voice is not old Cang, nor old maniac, nor new power! But the most mysterious elder Ren of the samsara cemetery!

In a flash, the scene of samsara cemetery changed.

A man appears in front of Ye Chen.

Only the back.

All around were blood and broken swords.

And this scene is the summit of the gods.

"Elder Ren!"

Ye Chen is a little excited. After all, this man is the highest one he has ever seen!

Even beyond the realm of God!

The master of the figure said faintly: "I should not have seen you at this time, just at the end of the years, I have also stood on the top of this mountain."

"I haven't given you any favor for so long."

"There is a broken sword under your feet. If you recast a new sword and fuse it, it will be good for you."

"This sword is called falling dust and subduing dragon sword. I have used it once and upgraded many times, but it's a pity that it's broken."

"Here you are, maybe some kind of continuation."

The next second, a broken sword flowing with light appeared in the reincarnation cemetery.

The breath is killing.

And Ren's figure has gradually dissipated.

Ye Chen just wanted to say something, the voice of the figure sounded again: "have time to go to the first God Kingdom, you will have unexpected discovery."

"What's more, the array that Tiandao palace wants to kill you is about to be opened. Tiandao palace is in a hurry..."

"You can ask for your own good fortune."

"It's your destiny. It's not convenient for me to intervene."

Then the figure disappeared.

Ye Chen returns to reality.

The array that the heavenly way palace wants to kill me?

Ye Chen suddenly raised his head, staring at the thunder cloud, his face changed slightly.

He stepped into the chopping disaster and had never experienced thunder robbery!

Will it be delayed again?

Suddenly, ye Chen realized what!

"This breath!"

In the dark, it seems that there is an extraordinary force to lock him, let Ye Chen feel very depressed, although his strength is about to recover completely.

Ye Chen mobilizes his spiritual power to find the source of this breath. However, he just breaks through the barrier of space and traces it halfway, but mysteriously disappears. It seems that the other party's attainments in the laws of time and space are not inferior to him, or even stronger.

"Ji Lin, pay attention to all around. We are being watched. The strength of the other side is not weak."

"And give me the poison tablet."

Ji Lin originally wanted to say that ye Chen was joking, but when he saw Ye Chen's dignified eyes, he shut up and directly returned the poison tablet to Ye Chen.

I'm afraid that once he gets a sense of success, he will lose some of his abilities.....

In Tiandao palace, a hall wrapped by an array, Xuanyuan moxie stands at the edge of the array, constantly sketching out a Taoist rune. The power of the law and the power of the Tao rush into the array crazily, forming countless mysterious and mysterious Taoist Sanskrit.

On the sky of Tiandao palace, there are flashes of lightning and thunder. Occasionally, there are several dark purple thunder and lightning passing by. Some people seem to see thunder beasts walking in the thunder sea. Countless thunder and lightning begin to gather here.

Many people speculate whether someone is crossing the river, but the thunder robbery is too terrible. Even the thunder beast appears!

Boom!

When Xuanyuan ink evil finished all the sketching, and spewed out a mouthful of blood essence to spit into the array, the thunder and lightning were rolling in the sky, and a bucket thick thunder and lightning frantically chopped toward the array, and then disappeared in the array.

"Be careful!"

Ye Chen pushes Ji Lin aside and blesses himself with the red dust spirit pulse. At the same time, he hits a very powerful fist!

Boom!

Just before Ji Lin was pushed away, a whirlpool black hole appeared right above their heads. At the moment when the black hole opened, a bucket thick thunder and lightning fell with lightning speed. However, it was just a normal three or six thunder robbery, which was easily blocked.

However, what he didn't expect was that one after another of the thunder and lightning started to chop down, from the weakest 369 thunder robberies to the last one, there was a world destroying thunder robbery!

"God damn it, I just finished the Holocaust half a year ago, and want to give it to me again?"

Rao is to Ye Chen's heart also can't help but start to curse, this way of heaven also point face?

However, ye Chen's words, in addition to making the lightning power more terrifying, has no effect.

The black hole above the sky is getting bigger and bigger, and even covers the area of ten thousand miles in the end, and the thunder and lightning begin to bombard the area within ten thousand miles.

Countless flying animals that can't escape are locked in by thunder and lightning before they can escape. They turn into fly ash in an instant. Under the thunder, there is no chance of reincarnation.

"Ye Chen, I'm afraid this time it's not heaven's way."

At this time, Lao Cang's voice rings out in Ye Chen's mind, which makes Ye Chen's heart lift up.
