

Physician 2771

Chapter 2771

At this time, he lowered his head and held long Jingyan in his arms. He held one hand to block the terrible palm of you mieyun!

That hand, at this time, is already dripping with blood, looks, extremely miserable.

Ye Chen, however, seems to have no feeling at all. He looks at the woman in his arms, and his eyes reveal a trace of helplessness and complexity.

He didn't understand why long Jingyan had to save herself?

It's not like it.

More like a mission?

Combined with the words before long Jingyan, ye Chen has many doubts in his heart!

Long Jingyan's beautiful eyes are closed and she has lost her consciousness. Her face is very white, and she has black air floating from time to time. Her breath is very weak. Fortunately, after ye Chen feeds her own blood, long Jingyan doesn't wake up, but she should not be in danger for the time being.

He slowly put down long Jingyan's delicate body, step by step, toward the cave, and with Ye Chen's footsteps, the arm, which had already been broken, grew rapidly and healed.

Soon, ye Chen returned to the ground, he will be Sha Jian on the shoulder, coldly staring at you mieyun, eyes, killing overflowing!

"What did you call her just now?"

You mieyun's face sank, and there was a long sword flashing with gray evil spirit in his hand!

This sword is a powerful weapon!

He gazed at Ye Chen, and suddenly sneered: "mole ants are mole ants after all. I don't know. Do you really think you are going against the weather? Do you still have evil spirits that have not been completely suppressed? Based on this state, you can also ask me what I call her?"

I call her a bitch. Why? No way? How many times do you cry when you don't hear me? "

Although you mieyun said so, he was full of spiritual power, but he was brewing slowly in his body. He didn't mean to keep his hands!

Ye chenmu such as cold star, light way: "kill you, enough!"

At the next moment, ye Chen's body surface suddenly burst out seven times of blood light. The golden light flashed and the evil spirit was surging. On the evil sword in his hand, the blood color Rune also flashed, and the whole palace was covered in a burst of blood!

Ancient, bloody, killing, terror and other breath, in the blood light filled, people crazy shaking, fainting, simply unable to bear the breath wave of the evil sword!

The only thing that keeps awake is the existence of chaos!

However, even the envoys were horrified and immersed in the breath. They only felt that their spirits would fall into the blood light and dissipate!

Even you mieyun is shocked and looks at Sha Jian more greedy!

What a terrible power!

As expected, it is worthy of the ultimate weapon handed down from the hands of ancient evil spirits!

He looked at Ye Chen and said with a sneer, "you waste, do you regard the existence of seven layers of chaos as a cat and a dog?"

The next moment, you mieyun's long sword is also evil spirit. The sword light is surging, and a trace of true martial arts is floating in the evil spirit. His face is coagulated, his body is flashing, and he flies away towards Ye Chen. He murmurs: "Sha long sword!"

The evil spirit is surging, like a giant dragon, roaring at Ye Chen. The martial law of the whole Jisha kingdom is shattered by this sword. The space is lost and the wind is raging. Countless people are shocked to the point of faintness because of the power of the sword!

Ye Chen took a deep breath. Facing the evil dragon, he was elated and unafraid. He had a higher level of true martial arts than that of traveling to destroy the clouds. He turned into a bright star river and flowed on the blade of the Sha sword. His fierce power was unleashed without reservation. He drove the Sha sword, which was astonished by the weight, to cut at the Sha dragon!

The bloody sword light, combined with the martial arts charm like the Star River, turned into countless bloody cold stars, and rushed away towards the evil dragon!

This sword cut out of the moment, ye Chen all over the body, a large space, are in an instant broken!

With a roar, the world-famous roar, the blood splashes, the evil spirit billows, the Star River disappears, and the angry dragon howls!

Blood light and evil spirit dissipated, powerful aftershock, instantly the whole palace in countless buildings, all razed to the ground!

You mieyun looks at the trembling wrist and the blood on the cracked tiger's mouth. His face looks unbelievable. What power is this?

Unexpectedly, after the death of the evil dragon, the hand that let him hold the sword, some can't bear the huge force's reverse bite, and slightly tremble?

However, soon swim out of the corner of the cloud mouth, floating a cold smile.

Ye Chen, really strong, but now he, because of the evil spirit can not completely suppress, the strength of the discount?

In the face of his own seven layers of heaven cultivation in the chaotic state, ye Chen must be more seriously hurt than himself!

He looked at the smoke in front of him, and sure enough, blood mist floated in the smoke!

You mieyun said grimly with a smile: "boy, don't you say your current strength is enough to kill me? Are you going to keep killing? Don't tell me, what you said before is all fake. In fact, you are thinking about how to escape? "If, ye Chen is really desperate to escape, you mieyun is really not sure to keep Ye Chen!

So, he wants to stimulate Ye Chen, stimulate fiercely!

In the smoke, a burst of surging, suddenly separated, a bloody figure, suddenly toward the cloud, quickly rushed!

You mieyun's pupil shrinks and sneers, "fool, you're out of here as expected."

Ye Chen in his eyes, chest, arm, there are several deep visible bone sword wounds!

In this way, do you dare to rush out and fight with me?

Have no brain at all, die, not unjust at all!

He moved and met Ye Chen without fear!

The sword flash, the blood light overflows, the sword light soars, the evil spirit roars!

The evil sword in Ye Chen's hand, and the long sword in the hand of you mieyun, bombard each other!

Blood light sword shadow crisscross, two people blink of an eye, fight several times!

You mieyun gnaws his teeth fiercely, the corner of his eye jumps, and there is a crack on his arm holding the sword!

Under the close combat, ye Chen's violent and indescribable force is even more terrifying. It is actually a direct fracture of his hand bone!

However, ye Chen at this time is more miserable

He gasped, abdomen and thigh, and a blood hole, blood cross flow, almost at the foot of Ye Chen, into a pool of blood!

You mieyun's eyes sweep the wound on Ye Chen's body, and his smile is stronger. He believes that it will be himself who wins the final victory!

Now, he's on top, isn't he?

Even with Ye Chen's terrible resilience, can't make up for this gap?

However, soon, you mieyun's smile, then solidified!

Because, he noticed Ye Chen's expression!

Why is this kid laughing?

What's more, it's so creepy!!!

Inexplicably, on the back of you mieyun, a chill rises

Ye Chen's eyes, full of crazy color, staring at you mieyun, said: "you can't run away."

Chapter 2772

Can't run away?

What do you mean you can't run away?

This trash, obviously hurt more than Ben respect, even said that I can't run away?

Ridiculous!

You mieyun frowns, is a sword, toward Ye Chen thorn!

The sword light is concise, and the evil spirit is like a dragon!

This sword, direct toward Ye Chen's eyebrow heart key and go!

However, at the next moment, you mieyun's face suddenly changed!

Because, ye Chen, actually is to his this sword, regardless of, mercilessly one sword toward you mieyun's neck to cut!

He is confident that this sword can penetrate Ye Chen's eyebrows

However, if it is true, he has no confidence and will not be beheaded by Ye Chen's sword!

Imagine that terrible force pouring down on your neck without any hindrance, and your soul shaking slightly!

This kid, is he crazy?

No fear of death?

He gritted his teeth fiercely, and his wrist flipped in an instant. Zhenwu's intention turned, which changed the strangeness of the sword and sealed the sword that ye Chen had cut!

There was a big bang, and the sword spirit burst out. Ye Chen held the arm of Sha Jian and was pierced several blood holes by the exciting sword spirit. But this time, you mieyun cried out in pain. On the arm, the muscles cracked and the blood overflowed!

He forced to change his sword moves, inevitably in the collision, weak one point!

The next moment, you mieyun, it is retreat!

He looks gloomy. The boy is too crazy to fight him close!

But once entangled by Ye Chen, is it so easy to get rid of it?

"Jiwu: Shenshan!"

Ye Chen low drink a, without hesitation to catch up, and, or straight line chase!

You mieyun eyes in the cold flash, forced to bear the pain of the arm, mercilessly waved a few swords, several sword light, toward Ye Chen hanged away!

As long as ye Chen dodges a little, he is confident that he can control the distance between them by virtue of his profound cultivation and his inability to give full play to his strength because of his extremely evil spirit!

When ye Chen danced his sword, his blood splashed and blocked several sword lights. However, for the rest, he just twisted his body slightly to avoid the key point, and then he took the sword awn!

Poop!

Poop!

It is a few sound light sound, blood flowers flying, ye Chen's body, there are more than a few blood holes!

On his face, he still had that creepy smile, and the fighting and killing intention in his eyes were more intense, as if the wounded were not his own body, and did not know what the pain was!

But the face color changes suddenly, is swim out cloud!

He's caught up again!

Roar, is a sword light sword awn collision caused by the huge noise!

You mieyun's face has changed. His eyes are jumping wildly. His arm is so painful that he can't hold his sword!

No, it can't go on like this!

You Mie cloud on the face of a flash!

This crazy dog, don't you love to fight?

How dare you fight with me?

"Damn bastard!!! Die to me

You mieyun angrily drinks, and his whole body is full of spiritual power. With a fierce sword, he cuts out towards Ye Chen. At the same time, his whole body bursts out a burst of star light!

Ye Chen's eyes flashed, and ye Chen had seen the star light, which was similar to the light on long Jingyan's body protecting magic weapon!

It seems that this old thing is trying to have a fight?

Spell, spell!

On the sword of you mieyun, the incomparably concise evil spirit sword, just like laser light, penetrates Ye Chen's eyebrows in an instant. Ye Chen's sword, which contains tremendous power, martial spirit in the sky, and bloody light, is also severely cut on the star light!

The sky and earth swayed, the stars died out, and the cloud body was destroyed. He was hit by a flash. He spat blood at his mouth, and his bones clattered. I don't know how many broken roots! Even the internal organs are broken!

With a roar, you mieyun's body smashed on the ground and cracked the earth!

He covered his chest, took a pill, and struggled to stand up. At this time, although he was seriously injured, his face was ecstatic!

He bet right! Although, lost a top defense magic weapon, but the final winner is him, isn't it?

That sword must have penetrated Ye Chen's eyebrows!

Even if ye Chen's vitality, no matter how rebellious, is his most terrible sword through the brow, it is impossible to survive?

Do you think you can win by fighting with the strong and relying on your own madness?

What a delusion!

You Mie cloud eyes searching for ye Chen's figure, that waste, where to go?

No, it's just a sword from my father, is it?

"Are you looking for me?"

A faint figure of a man rings in front of you mieyun.

You mieyun was stunned when he heard the words. At the next moment, his face suddenly changed and he screamed in horror: "impossible! You can't be alive! "In front of you mieyun's body, is a group of floating fog.

At this time, the fog slowly solidified, showing a man's figure.

It's Ye Chen!

At this time, ye Chen eyebrow heart above, a blood hole, is slowly healing.

On his face, still hung that cold smile.

You mieyun's sword, however, was extremely terrifying. It also pierced his eyebrows!

Even ye Chen, using the atomization technique, has also suffered a lot of damage!

However, unfortunately, this sword is not so terrible that ye Chen can kill Ye Chen with his atomization skill!

Even ye Chen was ready to use the art of divine transformation. However, he did not need to use it to withstand the damage of you mieyun!

Won?

You mieyun is far away from winning.

He fights, is indeed crazy, but, actually is by no means meaningless madness!

The reason why he is crazy is that he has the capital to make him crazy!

Ye Chen holds the Sha sword, step by step, towards you mieyun.

At this time, you mieyun, finally afraid, trembling ah!

For the first time in his life, this super strong man, who has been standing at the top of the country for tens of thousands of years, is so afraid!

Now, towards him, as if not a person, but death!

Puff, you mieyun, kneel

He knelt down in front of Ye Chen

For a chance to survive, he gave up the unyielding heart of a warrior, the dignity of being the ancestor of the royal family, and the pride of a strong man in the later stage of chaos

"Young master, spare your life! Please spare my life! I can give you whatever you want. It's this extremely evil country. I can give it to you with all my hands! "

Ye Chen looks at kneeling in front of his body, completely gives up the resistance of you mieyun, suddenly, laughs out the sound!

A very ironic laugh!

"I didn't expect that it would be so easy for me to win..."

You mieyun lowers his head and doesn't dare to look at Ye Chen. Now, he is so seriously injured that he can't be seriously injured again. How can he fight with Ye Chen, the demon who has the body against heaven?

Bow down, soft, is his only chance to survive!

With a smile, ye Chen's face suddenly flashed thick black gas, dark blood vessels, all over the body, the whole person, it seems, extremely ferocious!

Ye Chen suddenly vomited out a big mouthful of blood, and his breath gradually faded down. He looked at you mieyun with a playful look and said, "ha ha, originally, I have reached the limit. If you are such a waste, you don't give up so easily, and kneel down in front of me with this unprepared posture to beg for mercy. If you fight to the death, who can survive? It's really not certain..."

"What?"

You mieyun raised his head fiercely, and his whole body was full of spiritual power, and he was going to fight recklessly!

However, at this time, a long black sword shining with blood light has been cut to his eyes!

"No You mieyun, only in time to send out a scream, the whole person, under Ye Chen's great power, into a burst of blood mist dissipated

"Hoo..." Ye Chen spits out a mouthful of turbid gas heavily!

This battle is too dangerous

Any bad, die, will be their own!

Chapter 2773

Ye Chen put away the evil sword, crossed his knees on the ground, and gathered his mind. He suppressed the extremely evil spirit which had been restless for a long time!

.....

Three days later, in the palace of Jisha state.

At this time ye Chen, the body has been completely recovered, not only the body recovery, even his breath, are a little strong!

These three days, he will be the body that rich extremely evil spirit, completely refined, strength skyrocketed!

Now he, facing you mieyun again, has the confidence within three moves, will kill it!

At this time, ye Chen is standing in a bedroom, staring at a woman lying on the jade bed.

This woman looks very beautiful, even more than Chu Ying and other women, but at this time, her eyes are closed, and on her white skin, there are faint bursts of black gas, flashing from time to time!

Three days later, even if ye Chen feeds her a lot of blood and pills every day, long Jingyan still has no sign of waking up.

He asked Lao Cang.

But Lao Cang's answer is No.

This evil spirit is not a disease at all, and how to treat it.

Ye Chen doesn't want to owe anyone, so he just wants to wake up long Jingyan!

At this time, a girl dressed in a Dragon Robe came in and saluted respectfully: "Mr. Ye."

Ye Chen looks at the girl and smiles. The girl is naturally the seventh Princess youxuan'er.

However, now she is already the new empress of the country.

After the event of zhensha ceremony, you Xuaner's temperament has become quite calm, and her mind has completely changed. She no longer has ever been coquettish and capricious. Ye Chen knows that you Xuaner is not bad in nature. Moreover, she is intelligent. Surely under her administration, the country of extreme evil will usher in a prosperous age, right?

Maybe, before long, Jisha kingdom will really enter the kingdom of God and become an extremely powerful force in the kingdom of God.

However, these are not what ye Chen is most concerned about.

Ye Chen looked at long Jingyan's face and said faintly, "xuan'er, tell me, what's going on in the end?"

You Xuan er's beautiful eyes look at long Jingyan on the jade bed. Her eyes are a little complicated, and she says slowly, "sister long, in fact, is not a real Sha clan person."

"Sister long's mother is a member of the Sha clan, but her father, like a young master, is an outsider. However, sister long's father is different from other foreigners, not because she accidentally entered Jisha's country, but voluntarily came here."

"The reason why he came here is to get the evil sword. However, he failed. Sister long's father was seriously injured in a zhensha ceremony because of the erosion of evil spirit. After the ceremony, he died soon. "

"However, before he died, it seems that he left a legacy to sister long. However, only sister long knows what it is. However, according to my speculation, it is important to pull out the evil sword by master Ye."

"The reason why sister long can seal some of the extremely evil Qi in the child's body into his body, according to my investigation these days, should be the ability to seal the body of evil spirit!"

"Fengsha body?" Ye Chen picks her eyebrows and looks at you xuan'er.

You xuan'er nodded and said, "only by sealing the body of evil spirit can you seal the extremely evil Qi which has been refined into the blood vessels of others. And this fengsha body is the family Dharma form of the dragon family of the first Kingdom! "

"Mr. Ye, there should be a way to solve the evil spirit in elder sister long's family."

In Ye Chen's eyes, a glimmer of joy flashed: "is the first Shenguo dragon home? I see. "

Ye Chen gazed at long Jingyan's body, hesitated for a few seconds and said, "I'll leave for a while, then you and I will contact."

Now he knows the way to enter Jisha Kingdom, so he can enter and leave freely.

You xuan'er is slightly stunned. In her beautiful eyes, she looks at Ye Chen and says, "Mr. Ye, are you going to leave?"

Ye Chen slightly nodded his head and said, "originally, I can't delay here much."

"But I will come back."

"This evil spirit will not be a problem for a short time, but it is not a long-term solution."

As soon as the voice falls, a flash of light flies out of Ye Chen's arms and shoots at you xuan'er.

You xuan'er takes it, and Guanghua converges. What appears in her hand is a token.

"In the future, if you come to the kingdom of God, if you have anything to do, you can go to shenjizong and find me."

"Also, if there is anything wrong with long Jingyan, you can contact me through this token."

Ye Chen's voice reverberates in the palace, but his figure has disappeared completely.

You xuan'er caresses the token and looks at the empty bedroom. In her beautiful eyes, there is a trace of desolation. On the token, there is still the temperature of Ye Chen.

.....

One day later.

Ye Chen returns to shenjizong, but to Ye Chen's surprise, there is something empty in shenjizong.

It's very different from the past.

Even ye Chen found that many disciples had a little worry in their eyes. Ye Chen knows that he is not in this period of time, absolutely what happened.

Otherwise, many disciples will not be shrouded in this invisible shadow.

"Master, what happened in shenjizong?"

Yu Zhenzi pointed to the jade slips in his hand and warned, "Ye Chen, you'd better not go out recently. The kingdom of God is not peaceful at all."

"Master, is it because of the moon ring vision and those ancient strongmen?"

But Yu Zhenzi shook his head: "no It's more serious than that. "

Under Ye Chen's questioning, yuzhenzi finally tells the cause of the matter.

"Some strange things have happened in the kingdom of God when you are not in the sect. Now the disciples of all major sects have begun to guard against this. They will not leave the sect alone until they have to."

"What strange thing can disturb so many people?"

"There are many talented disciples of various forces who died miserably and were stripped of their blood and accomplishments without any reason. Until now, there is no way to find out the real culprit. The means are extremely cruel. Among these disciples, there are some true disciples who have broken

through the chaos in the vision of the moon ring in the kingdom of God and the genius of the ancient spirit body. Therefore, all the major schools have begun to pay attention to this matter."

Ye Chen proposed whether it was the work of those demons, but he was denied. Because the traces on the corpse can be clearly judged as human beings. It seems to be an ancient means to improve oneself by seizing the blood of others.

Ye Chen knows this cultivation method. However, if this evil cultivation is too ostentatious, it will be bloody washed by countless forces, and it will be almost wiped out. I didn't expect that anyone would dare to do this. He was really bold.

"Since it's not a demon, who should have done it..."

Ye Chen Leng God murmured for a while, always feel that things are not simple, listen to the description of yuzhenzi, he looks a change, suddenly thought of a person - Lin Juelong!

Lin Juelong disappeared after he joined the soul hall, as if the world had evaporated.

But in the hall of gods, ye Chen always has an illusion!

In the dark, Lin Juelong's murderous and angry eyes are staring at himself!

Chapter 2774

At present, his actions are similar to his own. Maybe he is.

"Master, let me investigate this matter."

"It may have something to do with me."

Yuzhenzi originally wanted to warn Ye Chen to practice hard in zongmen, but he was just finished. Ye Chen was ready to go out. The corners of his mouth moved. Can't you understand what he is saying?

"Master, I must go." Ye Chen firmly said that if it was really Lin Jue long, only one of them could live.

Ye Chen has always been reluctant to leave disaster.

This evil has been hidden for too long.

Now their own strength should be able to erase!

And this trip to the extremely evil country made him feel the seriousness of Lin Jue Long's existence.

"Ye Chen, you just came back. There's no need to wade in the muddy water." Yuzhenzi is still Tao.

Ye Chen stopped: "the existence of this person is very likely to threaten all my future, and even threaten God Jizong."

"I have no choice."

Yu Zhenzi sighed. He knew Ye Chen. Since ye Chen said so, there must be his reason.

"OK, but pay attention to everything."

"If this person can really deprive others of their blood, according to the fall of the seventh God Kingdom's ancient god body genius and ancient strong man, this person's strength It's terrible! It's even a threat to you. "

Ye Chen nodded: "thank you for reminding me."

The next second, it completely disappeared.

.....

In Qingyun City, a city not far from shenjizong, it's already nighttime. There is a curfew in this city at night, which forbids unidentified people to go out at night.

But in the west of Qingyun City, Lin Chenhan invited several friends to drink in the evening. At this time, several people talked.

There is no fear.

After all, Lin Chenhan awakened the ancient deity under the moon ring vision!

"Brother Lin, you are the first genius of Qingyun city. This moon ring vision not only awakens you to the ancient deity, but also makes you step into chaos. In the future, you may be able to prove the God of heaven and become the top expert in the kingdom of God."

"Much better than ye Chen!"

A little fat man handed Lin Chenhan wine and flattered him all over his face. Lin Chenhan has great potential. Few people do not want to ingratiate themselves with the big tree of the Lin family. As long as there is Lin Chenhan, the Lin family will eventually become the first force in the kingdom of God.

"Ha ha, ye Chen's strength at the top of the gods is obvious to all. How can we surpass it? Where are you talking about so easy and easy, come on, do it

When several people drink in a courtyard, a pair of eyes look at them in the dark, and the dark and deep eyes reveal the unpredictable cold light.

"Who is it?"

Among the people present, Lin Chenhan had the highest cultivation and the quickest reaction. With a move, he caught a long sword in his hand. The point of the sword was just the hiding place of the peeping man.

"What happened?"

Several of Ye Chenhan's friends turned back one after another. As a result, nothing happened. He couldn't help but ask: "brother Chen, in the middle of the night, there are strong patrol guards. What can happen?"

"Yes, you can't be wrong. There is no such thing as..."

When they heard him speak, they got stuck in the middle of the conversation, as if they were interrupted by something.

In a few people, Lin Chenhan is strange, looking at the speaker, even one can't help but push the person.

However, the next moment, that person's whole body is actually full of blood!

But I don't know why there is a blood hole on my body!

"Be careful!"

At this time, several people who finally reflected gathered together and carefully explored all the movements around them. They believed that even if the other party had any conspiracy, it should be difficult to break through the defense of the people.

But the truth is often not as good as one wishes.

A gray and black swamp suddenly appeared under them. It was hard for even the strong people in chaos to break away from the sticky swamp. Lin Chenhan, who was highly alert, reacted with another disciple and avoided the past by blinking at the moment when the swamp formed.

And the rest of the strength is not enough chaos of friends can only struggle more painful, trapped in the swamp more and more deep.

After a while, the two friends who cut the peak of the enemy died. From the beginning to the end, Lin Chenhan did not know what the other side was aiming at. Was it possible that he was a murderous devil?

Lin Chenhan's eyes narrowed slightly, dispelling the excessive alcohol in his body. The next battle could not tolerate his slightest negligence.

"Who are you? I am Lin Chenhan, the son of Lin, the chief of the forest family in Qingyun city. Please forgive me if you have offended me."

Lin Chenhan looked around, the sword in his hand was ready at any time, which was probably a killer sent by other families.

A voice came from behind: "forest dust cold? Are you Lin Chenhan, the genius of the Lin family who wakes up the thunder pulse? "

"It's just a false name."

"That's right." A sense of danger surges up in my heart, and Lin Chenhan leaps forward. At the next moment, an extremely chaotic breath comes!

Black fog is coming!

Completely bound the forest dust cold!

Lin dust cold Mou son a shrink, found that all the people present, only themselves are still alive!

Around the land, blood soaked!

Extremely ferocious.

Lin Chenhan understood that the other side was aiming at himself!

As for why he didn't kill him, there's absolutely a reason!

"I have no enmity with you. Why did you want to kill me?"

Lin Chenhan's spiritual power surges in his body, and his clothes are flying. His sword suddenly gives out a bright light, and the sword's awn cuts back across the void.

"The dead don't need to know much."

A man in black suddenly appears!

Under the moonlight, show a trace of face!

And that face is extremely ferocious!

If ye Chen is here, he will surely find that the man in black is Lin Juelong!

Lin Chen's eyes are wide open, subconsciously back a few steps!

He could feel that the black robed man's body was full of terrible breath!

This terrible breath seems to be a mixture of many blood vessels!

Even the grass and trees near the black robed man withered in an instant!

What kind of monster is this!

Cultivator?

Demon people?

Or something else?

The black robed man made a black palm print in his hand, and in an instant resisted the sword's overflowing.

The fighting sound of the two people is not small, but because of Lin Chenhan, in order to avoid being disturbed, he chose a quiet place, and nobody found it for a while.

Lin Juelong's blood knife with a violent breath instantly stabs at the key point of Lin Chenhan. Lin Chenhan is not a weak type. The long sword in his hand can resist skillfully, and the sword Qi is vertical and horizontal, and its power is incomparable.

However, when the two forces touch!

Lin Chenhan understood how terrible the other side was!

The endless force unexpectedly abruptly shakes him to fly dozens of meters!

Blood is surging!

Lin Chenhan even spits out a mouthful of blood on the spot!

Lin Chenhan knows that the gap between himself and the man in black is too big!

If he doesn't do his best, he will die today!

Chapter 2775

"You forced me

"Thunder pulse, open!"

Boom!

Just like the thunder coming into the world, the vast night sky even sounded a roaring thunder. The harsh voice made many people in Qingyun city look up, and the strong people in Qingyun city came here quickly.

Lin Juelong licked his lips and looked at Lin Chenhan as if he were appreciating a treasure. He said slowly, "this is the ancient Divine Body thunder pulse. Its power is not bad. This trip is worth it."

"You're going to pay for what you're doing!" he said

Being chased and killed for no reason, even the clay figurine still has three points of anger, let alone him!

"Thunder and sword!"

With thunder as the guide, a sword made by thunder and lightning was formed in Lin Chenhan's hand. The body of thunder sword is like a white light, but the thunder wave from above tells us that this sword has the power of cutting the sky and destroying the earth!

"Die for me!"

The sword of Lin Chen's cold thunder is chopped, and Lin Juelong smiles, as if he doesn't care.

"The spirit of the shadow follows the shadow."

Through the shadow, Lin Juelong's strange figure disappeared in front of Lin Chenhan. When he sensed the danger coming from behind, his thunder sword fiercely killed him in the back. However, the figure hidden in the dark shadow sneered at him, and there was no movement.

Lin Chen Leng Leng Leng, why does this person not hide, is difficult not to be afraid?

The thunder lightsaber, which just stopped on the black shadow's neck, disappeared. Without the support of the host, the thunder sword could not survive forever.

And in this one thousandth of a second, Lin Juelong appeared in front of Lin Chenhan strangely.

Just like the hand with blood in the claw, it penetrates the cold field of the forest!

Lin Chen's eyes are wide open. What do you want to say! But I find that I can't say it at all!

He felt vaguely that his strength was disappearing!

Even if he awakened under the vision of the moon ring, it seems that he has been forcibly deprived!

"Don't..."

Lin Juelong's ferocious face showed a smile.

"The kingdom of God is the law of the jungle, you can never refuse."

"Do you understand?"

Thunder in Lin Chenhan's body made a violent sound, but it was extracted by a secret method. Even the energy in the elixir field was not immune.

At this time, a figure rushed to: "are you ready to deal with Ye Chen like this?"

If ye Chen is also here, he will surely find that he is the master of lingjiajia, lingwuji!

"Of course not. There is the last goal. That person is a girl beside Ye Chen, Ji Lin, who is born with poison. This is the most important link. After I finish, I have absolute confidence to kill Ye Chen. If you help me hold down the strong ones, I still need some time."

"Good." The figures came and went quickly, and soon disappeared.

When Lin Juelong's eyes narrowed slightly, he found a familiar breath approaching from a distance. If he guessed correctly, it was him!

The man he tried to kill day and night!

The one who pushed him down the altar of Chinese martial arts!

That he looks up and envies Ye Chen in the dark!

Lin Juelong felt his body was excited. The joy of getting revenge for a big feud was madly stimulating him, but it also made him calm down quickly. Now is not a good time to fight.

"I'll leave you some small gifts, hehe..."

Soon, the figure also disappeared.

.....

After Lin Juelong disappeared.

In the dark, a figure with golden light appears rapidly!

It's Ye Chen!

Ye Chen stares at the corpse of Lin Chenhan, frowning slightly.

The blood is still hot.

I'm still a little late.

"Wait, there's something wrong with the body!"

The whole body presents a kind of poisonous purple, and the blood essence in the body seems to be drained. The skin is attached to the skeleton like skin and bone, which looks very permeable.

This is very similar to the secret skill of extracting blood and cultivation described by yuzhenzi. After careful exploration, if really the elixir field has been emptied.

"What a wicked monk, how dare you be so bold in the city!"

All of a sudden, ye Chen's eyes squint, five fingers a grip, Jingtian force toward a direction to hit!

At the same time, the body explodes backward ten steps!

In place, a sharp thunder burst out of the body.

Smashed in an instant!

Breath disperses, ye Chen Mou son a congeals!

Kill!

"It's you, Lin Juelong!"

This power, obviously with the breath of Lin Jue long, this is Lin Jue long to give himself a power?

According to that breath, ye Chen quickly locked in a direction, and quickly rushed to the past, and ye Chen left less than a moment, the city's strong men came late, and picked up the scene.....

At the same time, outside the city, in the dark.

"You go ahead and finish the last plan. There's someone coming back. I'll meet him."

Lin Jue long said to the spirit Wuji who didn't know when he appeared. He was flying to another direction.

Spirit Wuji didn't say anything, just nodded and left.

During this period of time, he and Lin Juelong's identity has not changed.

Lin Juelong's strength is getting stronger and stronger, even surpassing himself!

Although he also has part of the ability to absorb their blood with the help of Lin Jue long!

But he knew that his ability and Lin Jue long, is the difference between the natural moat!

Under the night, the two figures, one after the other, soon chased out of Qingyun City, came to the wilderness, and stood in opposition.

Ye Chen's eyes are staring at the black robed man not far away. Although the other party is wearing a black robe to cover his face, he can match his body shape and breath.

It is the mysterious missing Lin jueyang!

"During this period of time, you used secret arts to drain the blood and cultivation of the talents in the divine Kingdom, and even started to attack the martial arts in the shenjizong area for no reason. I'm right, Lin Juelong!"

He has basically determined that the person in front of him is Lin Juelong!

"Ha ha, ye Chen, you're right. I did it all. However, how about that?"

"Are you going to act for heaven?"

"If it was before the summit of the gods, I might have been afraid of you, but now, my plan is coming to an end."

"Even in my body is flowing the blood of the ancient strong men who wake up."

"I'm not afraid of you."

"It's a pity that the last step has not been completed yet."

"Or I can wipe you out with just one thought."

"Ha ha ha..."

Lin Juelong couldn't help laughing, which was filled with hate and satire to Ye Chen.

Ye Chen shook his head helplessly.

Now Lin Jue long is not the original Lin Jue long ago.

Ye Chen's eyes show a cold light, coldly staring at the laughing Lin Juelong, the latter gives him the feeling, there are many threats, it seems that his strength is also growing.

He ignored Lin Juelong for too long.

Chapter 2776

He could sense the extremely chaotic breath in Lin Jue Long's body.

It's like a time bomb, it can detonate at any time!

Ye Chen carried his hands behind him: "Lin Juelong, you can be regarded as a person in China. Now do you think you are still human?"

Lin Juelong's eyes slightly narrowed: "is it a person? As long as I can kill you, what's the price? "

Lin Juelong stepped forward and pressed him step by step, and the hatred in his eyes was overwhelming.

"In that case, I will erase you today!"

"Jiwu: heavy fist!"

There is nothing to say about this kind of person. With a breath of destruction in his hands, ye Chen immediately hits Lin Juelong with a fist.

This blow, the world changes!

All the boulders around Ye Chen are cracked!

Black clouds are rolling in!

The strong sense of martial arts seems to break through the whole city!

"That's the trick? It's just that! "

"Dark prison!"

Lin Juelong quickly pinched a seal formula in his hand and ran it quickly. Then a black prison rose from the ground, easily trapping Ye Chen in it.

Strangely, Jiwu: the power of heavy fist has completely disappeared!

Ye Chen's eyes are dignified!

Fantastic!

"Ha ha, ye Chen, you also have today. Don't worry, I will make you worse than death!"

"The black hell is bound to kill!"

Just as Lin Juelong finished his seal and was ready to launch a fatal blow to Ye Chen, he rushed to the city with a lot of strong breath. Lin Juelong's face changed slightly, so he gave up the move and quickly fled.

In the dark prison, ye Chen also slowly put away the flame in his hand, and Lin Juelong's cultivation may have reached the middle and late stages of chaos.

It's just that the breath is extremely disordered.

Even Lin Juelong can't control it.

And it seems that Lin Juelong not only killed the genius who awakened the ancient gods, but also devoured the awakened ancient strongmen?

In the kingdom of God, his absorptive capacity seems to be stronger?

Damn it!

It's only a few days, and it's improved so fast. It seems that this guy has taken a lot of other people's accomplishments. Seeing that he is very proficient in the evasion technique, ye Chen is likely to get rid of him if he catches up with him. Even if Jiwu Shenshan can't catch up with him, he won't catch up.

Now that we know the real murderer behind the scenes, there is a way to target him. As long as the next time the other party appears, he will die!

Ye Gang Chen's, they came to recognize the leaves of the road, then the nature of the road

"Go back."

When ye Chen goes back, he has been thinking hard. Next time, who is Lin Juelong's target?

The reason why this forbidden technique is not allowed by the world is that it is addictive. After killing once, there will be a second and a third time. Finally, every practitioner will become a devil.

"Lao Cang, do you have any way to find any key clues from the corpse?"

Ye Chen takes the initiative to open his mouth. Lin Juelong is still in the last step. He must determine who his identity is!

Can be stopped in advance!

The only clue now is this body!

"I do have a skill to know what's going on through the corpse, but it's extremely exhausting for me. After all, it needs to be performed with your body."

"But this man must not stay!"

"I've never done anything for the kingdom of God. I'll make a blessing for myself today."

.....

Ye Chen comes to the corpse side, Mou son tiny congeals, squat down.

The next second, the old man in the reincarnation cemetery rushes out of the cemetery!

And ye Chen's eyes change instantly.

The pupil seems to be permeated with endless vicissitudes!

Ye Chen at this moment is the ancient god of medicine!

Offering a set of gold needles, the ancient medical God glared at the corpse and said, "Ye Chen, you should take good care of it. This is the nine corpses looking for heaven needle!"

Several gold needles flew out almost at the moment when the ancient medical God finished speaking, and inserted the corpse of Lin Chenhan. After a close look, it can be found that the needles of silver needles are slightly shaking, shaking with a strange but natural frequency.

Later, ye Chen's hands appeared a lot of spiritual power, along the gold needle into the body, in the chest out of the construction of a line of incomplete pictures.

"Ye Chen Ji Lin Kill... "

Due to the death of some time, the picture emerged is very incomplete, can only vaguely hear Lin Juelong and an unknown person dialogue, seems to involve, Ji Lin!

Their next target is Ji Lin!

Ye Chen patted his head and called himself a fool!

Although Ji Lin's blood is strong, his realm is very low. The inborn poison is not Chinese cabbage. Even Lao Cang, a strong man, cares about Ji Lin.

Even the way of heaven was afraid. The next thing Lin Juelong wants to plunder is the inborn poison!

"Ji Lin, you must not have an accident!"

Ye Chen's heart is burning with rage, and his figure moves quickly!

Extreme martial god flash to the extreme!

Although he wanted to tear the void, the barrier of the divine space under the moon ring vision was extremely powerful!

Even if it is torn, it is extremely unstable!

.....

After ye Chen left, a small flying boat set off at a very fast speed and flew to the poison valley.

It was the place where Ji Lin and xuanlingzi practiced.

After the cause and effect dye blood array, Ji Lin feels his strength is weak, and asks Ye Chen to borrow the poison tablet, and then he is ready to practice!

She hopes that the next time ye Chen sees herself, there will be surprise and surprise!

On the boat, Lin Juelong is refining the thunder and lightning pulse, and his whole body is full of violent thunder and lightning power. If not for the isolation of the boat protection array, it may have attracted the rolling thunder.

With the refining of Lin juelung, the power of thunder and lightning gradually spread, first circulating in the meridians, and then began to spread to the blood, flesh and bone marrow. This is a kind of transformation that is almost completely transformed.

After a long time, Lin Juelong opened his closed eyes and exhaled a breath of white air with the power of thunder and lightning, which finally absorbed the power of thunder and lightning.

Lin Juelong is very satisfied with his powerful feeling. The most powerful part of thunder pulse is not the acceleration of cultivation speed, but the terrible attack ability. It can attach the power of thunder to all martial arts skills, and make the power rise to a higher level.

Unfortunately, his absorptive capacity can not completely deprive the other party of his blood power!

Only part of it can be controlled!

But this part is the nightmare of many people!

Hum!

Shua, a white thunder sword shot out from Lin Juelong's five fingers. Even the spirit Wuji on the side of the sword is also surprised. I didn't expect to absorb it to this extent.

"Yes, it has 70% power." Lin Jue nods.

Spirit infinite heart although surprised, but still light way: "you just why did not kill Ye Chen? Isn't that what you've always dreamed of? "

It was such a good opportunity.

Chapter 2777

"Ha ha! If you really think ye Chen has such a little ability, I will spend so much effort to deal with him? He makes me feel more terrible. I'm not sure to kill him now

"What's more, I will make him worse than dead, and draw out his blood and cultivation, and make him a waste man completely!"

Lin Jue longan hate even more, and then raised his head to the sky and made a wild laugh.

It's getting dark. I'm afraid Qingyun city will have a reshuffle the next day, because Lin Chenhan, the first day of Qingyun City, fell

Poison Valley is a huge Canyon spread by a mysterious poisonous gas.

The poisonous fog and miasma hover in it all the year round. If there is no certain strength, it will only become the food for the poisoned animals.

In the depths of the canyon, there are many poisonous plants and flowers, and poisonous animals can not be prevented. However, a simple wooden house stands abruptly among them.

A little girl was sitting on the stone pier beside the wooden house, her face inclined slightly upward, her hands pinching on her legs, showing a trace of pain on her face.

In front of her was a huge stone tablet.

It's the poison tablet.

Ji Lin is constantly absorbing the poison gas, which is just at the critical moment of breakthrough. However, the poison gas in her body seems to be running out of control, which makes her headache.

"Don't be distracted. You need to keep your heart down and try, and breakthroughs are not immediate."

Xuanlingzi's figure came out of the wooden house and said in a deep voice. Ji Lin heard the speech and quickly calmed down to make a breakthrough.

Seeing this, xuanlingzi nodded happily. Before long, there will be a young genius in the kingdom of God. If compared with his age, Ji Lin will surpass Ye Chen.

Ji Lin's talent is absolutely the highest he has ever seen.

Suddenly!

Xuanlingzi, who was observing Ji Lin's breakthrough, sighed softly. He looked up to the sky and frowned slightly.

"The gas psychedelic array is disrupted?"

This shows that someone is approaching the center of the poison Valley and is approaching him.

Looking at the mess of poison gas, xuanlingzi sighed: "it seems that what comes is not good."

Ji Lin Mou son a congealing, immediately collect good poison stele, prepare for.

The poison tablet belongs to Ye Chen, so she can't lose it!

In the front of the poison gas, a cold and cold voice suddenly sounded:

"I ran to such a place to practice."

"It's a congenital poison."

The voice is awe inspiring. It is Lin Juelong who comes here to look for Ji Lin!

He noticed the existence of Ji Lin from the beginning.

From his point of view, Ji Lin is his last prey!

And the weak Ji Lin, he can control at any time!

He is the strongest hunter in the kingdom of God!

After getting Ji Lin's blood, he can become the strongest one in the kingdom of God!

Looking at the two people who appeared, xuanlingzi's face suddenly sank to the bottom of the valley!

His realm is not the opponent at all!

Moreover, he immersed himself in medical skills all his life, and his martial arts strength was far less than Lin Juelong in front of him!

"Old man, give you a choice, get out! I just want this girl, and you can go. "

Lin Juelong came forward and looked at Ji Lin with a penetrating smile.

"Who are you? Why enter here? "

Hanging Lingzi blocks in front of Ji Lin and shouts loudly. The result is that Lin Juelong is quite impatient. He waves his hand and makes lingwuji come out.

"You don't have enough strength to deal with this period of time."

"I don't want to do it."

Spirit Wu Ji looks gloomy: "know."

"The old man is so impatient to live."

The next second, the spirit of endless will start!

Then, a translucent barrier of poisonous gas stood in front of xuanlingzi's body, but it could not stop the threatening spirit infinity. It was defeated with one blow, but it also won a lot of time.

"Tongjue ten thousand poisonous needles!"

In a flash, danglingzi gathered tens of thousands of green poisonous needles on his head, which turned into a rapid rain under the urge of xuanlingzi, and flew at Lin juelung.

Lin Juelong's thunder spirit body plays a role. In front of him, he forms the protection of thunder incarnation, which can't be broken by hanging Lingzi. After all, the gap between the two is too big.

"Did you forget to have me?"

The spirit boundless soared to the sky, and the sword fell down bravely, and the endless sword idea suddenly came down from the sky!

Xuanlingzi hastily forced out a drop of blood essence, a jade pendant to sacrifice!

But the jade pendant was broken on the spot!

Endless sword, with the intention of killing the sky, comes directly!

Half of the body of xuanlingzi was inserted into the ground, and his hands were about to be cut off.

Blood flowing!

Under the black dragon's robe, the more ferocious smile I like "If there is, erase it!"

A thunder sword full of the meaning of Wanjun comes directly to xuanlingzi!

Hang Lingzi's eyes are dignified!

He knew he couldn't stop it!

He fiercely to behind Ji Lin to shout: "Ji Lin, go quickly!"

"Go to shenjizong! Look for ye Chen

"Come on

However, Ji Lin did not leave!

Although Ji Lin is afraid of things, she knows the seriousness of the matter!

Once you leave, the master will fall!

No matter what, she must save the master!

"Master!"

At this time, a crisp voice sounded, mixed with endless anger.

In his anger, Ji Lin does not care about everything. A drop of blood essence forces him to move the poison tablet. In a blink of an eye, he resists the attack of thunder sword, and then he smashes Lin juefang fiercely.

She knew it didn't work!

But try it too!

Bang!

Poison word tablet and thunder sword fight each other and make a huge explosion. Xuanlingzi in place is blown away by the explosion. Ji Lin is worried and wants to rush to see xuanlingzi, but is blocked by lingwuji.

"Little girl, as long as you follow us, you won't hurt him, how about?"

"Dream!"

With a move of both hands, Ji Lin's endless poisonous gas gushes out from her body and attacks the spirit boundless. She is a congenital poison. Although her strength is not as strong as others, the toxicity of the poisonous fog is even better.

In fact, since entering the scope of the poisonous fog, lingwuji and Lin Juelong have been suppressed. The strength of the original state can only be issued to a lower level, while Ji Lin, who is in the poisonous fog, can make the most of it.

Of course, when the gap is too large, it becomes very weak.

Endless poison gas is manipulated to attack Lin juelang. At this time, it is impossible for Ji Lin to fight against the spirit of the chaos.

"Little poison!"

However, she still has a trick!

A tiger type poisonous beast leapt down from the cliff, squatting on the side of Ji Lin with a huge body as high as several people, and then roared up to the sky. More poisonous animals began to climb out of the forest.

Looking at the poisonous animals all over the mountains and fields, as well as the poisonous beast full of strong breath around Ji Lin, Ling Wuji and Lin Jue long look at each other, and they can see the fear in the eyes of both sides.

Chapter 2778

"As expected, it is a congenital poison. This unique skill of commanding poisonous animals in the world is really strong."

"I heard that the inborn poisons can suppress thousands of poisonous beasts. If I can control them, I'm afraid the suppressed ones will be stronger!"

"Inborn poison body, my Lin Jue long is about to decide!"

Lin Juelong's eyes show greed. With the innate poison body, if you go abroad to summon several poisonous animals, I'm afraid that in the kingdom of God, one person will destroy a city, and it will be a search for things.

"Go!"

After receiving the order, all the poisonous animals began to surround lingwuji and Lin Jue long, one circle after another. However, due to their strong momentum, these poisonous animals were cautious.

As long as they find an opportunity, they are bound to deliver a fatal blow.

Looking at Ji Lin's angry look, Lin Juelong thought of something, five fingers, a strong wind!

His five fingers even caught the seriously injured xuanlingzi!

As long as he wants to, xuanlingzi will surely die!

"Ji Lin, if you want him to live, you should be obedient, otherwise..."

Lin Juelong's five fingers moved slightly!

The violent breath in the body is like countless sharp swords piercing into xuanlingzi's body!

Xuanlingzi spits out a mouthful of blood on the spot!

"Master!"

Ji Lin shouts, wants to rush up, but is stopped by the spirit.

"You! Here it is! !! Go away

Ji Lin's hand forced out a drop of blood essence, just wanted to start, but when her eyes touched the seriously injured xuanlingzi.

Her hand stopped.

The blood essence also dissipated completely.

Tears kept rolling in the eyes.

She held back.

She knew she couldn't cry at this time.

She has to be calm.

Only calmness can save the master.

"Come on, what do you want me to do?"

Ji Lin's quiet voice rang out.

Lin Juelong under the black robe is slightly stunned, but he didn't expect that Ji Lin would have such an attitude.

He also stopped thinking and said:

"disperse these poisonous animals first."

Although they are not afraid of the poisonous animals all over the mountains and fields, they will also pay some price if the poisonous animals come desperately.

Ji Lin did not have any hesitation, directly one mouth answer way: "good, I promise your request!"

After saying that, it seems that there is a light air flow in the air. All the poisonous animals leave by themselves. Even Ji Lin's partner Xiaodu is also driven away. Before leaving, he still reluctantly looks over.

"Very good. You are very obedient. It will be over for a long time. You have to force me to do it."

Lin Juelong put xuanlingzi down, but his palm still held him tightly.

It's his chip.

Xuanlingzi couldn't let Ji Lin in danger. He cried out eagerly, "Ji Lin, run quickly. Don't fall into the hands of these people. I've almost taught you what should be taught. Don't worry about me!"

Although I don't know what the purpose of these people is, he will never let Ji Lin have any accident when it comes to Ji Lin, even if it is to exchange his life for it.

Looking at the xuanlingzi who was shouting, Ji Lin was in a complex mood, and then said in a deep voice: "good! I'm willing to trade me for my master, but you have to promise to let him go. Otherwise, I will not let you succeed even if I blow myself up. "

Ji Lin's words are very determined, Lin Juelong nodded: "no problem, what's more, this bad old man is useless to us."

Hearing the other party's promise, Ji Lin is also relieved and goes forward to prepare to exchange.

"Ji Lin! Let's go

"You..."

Xuanlingzi, who wanted to say something more, was shocked by the fury of Lin Jue Long's blood. His face turned red and he could not speak at once. His eyes were red with blood. This was the extreme of his anger.

"You must not hurt my master!"

Ji Lin is anxious to see, and immediately rushed to fight with Lin Jue long, forced to endure the impulse.

"Don't worry, I said he was useless to me, just let him shut up, not so easy to die."

Ji Lin Mou son turns, standing in situ waiting for the spirit to come, also does not resist.

At the moment, xuanlingzi hate. The strength of hating himself is too weak. So was the last cold poison city. If ye Chen hadn't gone to rescue Ji Lin and had any accident happened, he would have had to apologize for his death.

Thinking of Ye Chen, xuanlingzi can't help praying, if only Ye Chen could arrive at this time. If only he was there, these people would not succeed.

It seems that there is a general reaction. Xuanlingzi looks at the poisonous gas in the sky, and there seems to be a new change. This shows that someone has entered here again. Maybe that person is really Ye Chen!

Thinking of this, xuanlingzi's mood suddenly became excited.

"Old man, make yourself at home!"

At this time, a sharp long gun burst from the poisonous gas forest!

"Kill God and devil gun, go!"Come on, it's Ye Chen!

When the murderous Ye Chen comes out of the poisonous forest, Lin Juelong's face is full of accidents.

He didn't expect Ye Chen to come so soon!

And at this time, by Ye Chen burst out of the Zhutian magic gun also quickly came, directly aimed at the spirit of the chest.

Although lingwuji is also a master and responds quickly, ye Chen of this gun is full of power and powerful, and the martial arts spirit is invincible!

After the extremely evil country, ye Chen is stronger!

Ye Chen didn't use Sha Jian for the first time!

He knows that now he has no way to use Sha Jian at will!

Lingwuji only had time to lean a little, and was shot through the body. It flew several hundred meters directly, nailed on the cliff, and he didn't know whether he was alive or dead.

"Waste!"

Lin Juelong takes a look at the spirit Wuji who is pierced by a gun. He has no pity in his eyes.

"Ye Chen, I warn you, if you dare to step closer, I will kill him!"

Finally, Lin Juelong can only hope that xuanlingzi can cause a little deterrence.

His blood did not engulf Ji Lin, and ye Chen against the enemy, may fail!

He doesn't want to fight at this time!

Ye Chen frowned and motioned to Ji Lin on one side in his eyes. Ji Lin also nodded.

"No problem. I'm not coming."

Ye Chen spread out his hands, hands behind him, even eyes closed.

"Then..."

Lin Juelong looks dignified and concentrates all his attention on Ye Chen! Even the power of blood burst, a sword shadow locked Ye Chen!

Ye Chen has a little action!

He's going all out!

Even when he spoke, he stepped back slightly, but before he finished speaking, a poisonous palm came to him!

This is a palm from Ji Lin!

Bang!

Lin Jue long was pushed back in a hurry, and it was at this time that ye Chen moved, and the extremely martial god flashed to the extreme!

Like a thunder burst in the earth! Through the place, forming a thousand feet of gully!

Ye Chen came to Lin Jue long in front of him in a flash!

The blow that broke through the meaning of Shenguo's martial law suddenly came!

This blow, he wants to wipe out Lin Juelong!

Lin Juelong is slightly surprised! He shouldn't ignore Ji Lin!

Now facing two people, he will die!

He's not going to keep his hands!

Chapter 2779

At this moment, the atmosphere is dignified to the extreme!

Lin Jue long is not the old Lin Jue long ago.

Witnessing the decisive battle at the top of the gods, Lin Juelong knows what kind of power ye Chen's fist contains!

If he is hit, he will die!

In a hurry, Lin Juelong gave up hanging Lingzi, and even more, he threw him out!

"Danglingzi!"

Ye chenmeng's closing force, an endless wave of air surging, will be seriously injured hanging Lingzi gently placed around Ji Lin.

"Master!"

The spirit of the fierce tears down.

Xuanlingzi showed a smile of relief and touched Ji Lin's head: "Ji Lin, what are you crying about? This kind of injury is nothing to me."

Ye Chen gently exhaled a breath, hanging Lingzi is not dangerous, then he should also do business.

His eyes full of anger were staring at Lin Juelong tightly and said, "in the time of China, you have not been wiped away!"

"Now, I'll see you on the road myself!"

The next second, ye Chen into a thunderbolt toward Lin Jue long!

"Damn it!"

Lin Juelong's face sank!

The next second, the whole body wrapped in a group of extremely disordered black gas!

"A thousand shadows are destroyed!"

Lin Juelong's palm is like a big net, which covers Jilin. The black net made of black silk has a startling force, and the power of law works on it.

In his opinion, since he has lost xuanlingzi, if he wants to fight against Ye Chen, he must take Ji Lin!

At the moment, Ji Lin has settled his master xuanlingzi. Looking at the big net, Ji Lin is filled with rage. He does not want to be outdone. He forces a drop of blood essence. The tablet is directly sacrificed. The tablet is flipped in his hand, and then expands rapidly. Trying to resist her, the tablet makes a loud "bang" sound, which actually resists the collapse of Lin Juelong.

Although Ji Lin has no reincarnation, she knows how to use part of the power of poison stele with the help of blood essence!

The stone tablet is hard and hard. If you look at the kingdom of God, there is no power to destroy it!

She can't fight, but there's more to stop!

"Lin Juelong, you mean villain! If you have the ability to go to Ye Chen

"I know how to deceive the small with the big! Now how do you move me

At the moment, Lin Juelong saw that his attack was blocked, and he didn't have any expression of loss.

Even the corners of his mouth showed a grim smile.

"The game is just beginning."

Ye Chen has noticed Lin Juelong's cold laughter, and his heart sank. He knows that things are not so simple.

Just when ye Chen wants to go to Lin Jue long, a long black spear shot at him. It's his magic gun!

Lin Wuji, who is seriously injured by Ye Chen's sneak attack, suddenly appears in Ye Chen's field of vision. He holds a bloody sword in his hand. His eyes are red with blood, and he stares at Ye Chen: "Ye Chen, kill my nephew lingjiuxiao. I want you to pay for your life!"

The Blood Sword soars to the sky, curls up for a while, and then smashes down suddenly. This sword, even heaven and earth are changed for it.

Ye Chen faintly found that the spirit of the whole body is extremely strange! And the strength is rising!

What means is this!

It's like burning blood!

Didn't kill spirit Wuji just now?

At this time, the voice of the reincarnation cemetery old Cang rang out: "boy, you should be careful, this man and Lin Jue long, devour part of the awakened ancient blood. Now he is using some forbidden technique to explode all the power of those blood vessels in a short time!"

"He will hold you down at the cost of his life!"

Ye Chen Mou son momentarily dignified!

"Cangyan mieling palm!"

Faced with this sword, ye Chen's face remained unchanged, and he directly played a palm to take over the attack.

Bang!

The sword and the palm made a huge roar directly. The land was flying and countless dust was flying, which covered people's vision. At this time, Lin Juelong quietly moved out.

The battle sound in the poison Valley is constantly ringing, and countless poisonous beasts are looking at the direction of the battle in horror, and then they leave in the opposite direction. These monsters usually have five senses much stronger than ordinary people, and can clearly perceive that there are several very powerful breathing waves inside.

When the smoke and dust dispersed, the scene suddenly and clearly appeared. The spirit did not know what secret method was used. The whole body expanded several times, and a trace of blood mist burst out of the body and evaporated into the air.

His eyes are even more terrifying. He can only see the white of his eyes. However, the combat effectiveness is incomparable. He holds Ye Chen in check for a time, so that he can't rush to rescue Ji Lin in time.

And the breath of spirit is declining!

Obviously, burning blood can only break out in a very short time!

At the moment, a cold voice sounded around Jilin!

"Do you know why I want to deprive you of your inborn poison?" "Because I know a secret in the blood alliance!"

"Once a strong man who plundered his blood survived! After swallowing the inborn poison, his strength soared! "

"And you were born for me, ha ha ha!"

Ji Lin's face is pale. She wants to use the technique, but she finds a pair of big hands directly around her neck!

It is hard to lift her up!

"If you want a little life, please don't move. Otherwise, I won't be merciful."

With that, Lin Juelong's five fingers clenched, and a trace of blood ran down Ji Lin's neck, making her dare not move.

"Ji Lin!"

Seeing Ji Lin being caught, ye Chen looks dignified and draws out the Zhutian magic gun on one side. Suddenly, a raging flame appears on the tip of the gun, just like blood, and stabs the spirit boundless fiercely.

"Dragon sword!"

Lingwuji is not willing to be outdone. He also uses his strongest move. The Blood Sword quickly grows bigger, curls incomparably, and shoots at Ye Chen.

"Break it for me!"

Ye Chen gathered all his strength at the point of the gun, and suddenly went up to the top. When he was about to smash the Blood Sword and kill the gods, the magic spear pierced through it, and suddenly touched on lingwuji, and lingwuji was unwilling to fly out.

"Let Ji Lin go!"

Ye Chen gun head a turn, anger refers to Lin Jue long.

"Or if you let me kill her, I'll let her go, OK?"

Lin Juelong said playfully, for this trick of playing with people, he felt particularly interesting.

"Good!" Ye Chen did not hesitate to say: "since you want to kill me, that put her out, I let you handle."

"Ye Chen, don't!"

Ji Lin's tears burst into his eyes and hated that his strength was too low. If it were not for her, ye Chen would not be like this. She would rather die by herself, and would never let these guys succeed.

"Don't worry. No one can move you with me."

"Come on, I'll trade with her."

Ye Chen threw away his magic gun and stepped forward, and Lin Juelong's mouth began to curl up involuntarily. He knew Ye Chen's weakness, so why spend so much time.

Chapter 2780

"Ye Chen, why are you doing this? Go quickly. I can't drag you down."

Ji Lin's eyes are full of determination. Since she can't help Ye Chen, she will never let herself become a burden to Ye Chen, and she can't bear to see him in danger for himself.

Ji Lin's breath surges all over his body, and his breath bursts out. Obviously, he wants to end all this by himself.

"Want to die? It's not so easy! "

Lin Juelong's five fingers turned into a black fog and disappeared. He tried to catch Ji Lin as if he had caught xuanlingzi, but ye Chen was one step faster than him!

"Cangyan mieling palm!"

This palm is Ye Chen's angry one. The palm is full of martial arts meaning far beyond the kingdom of God!

Like a giant beast swallowing the sky and eating the earth, the whole earth seems to be trembling for the earth shaking hand!

In the extremely evil Kingdom, he put the magic emperor's palm into his own understanding!

Make him stronger!

At this moment, Lin Juelong's face finally changed. He was calm and stable. At the moment, he appeared a little frightened. In his hurry, he formed a black shield to block him.

Dang!

Under the impact, the black shield was smashed into slag after a breath, and then the endless palm technique hit Lin Jue long, making him fly upside down and hit the tree, emitting a mouthful of blood mist.

He didn't choose to threaten Ji Lin!

If Ji Lin died, his blood road would be completely destroyed!

This is the only congenital poison in the world!

Lin Juelang stares at Ye Chen maliciously. Ye Chen's talent is far superior to him. However, after practicing his magic arts, he can't resist Ye Chen, which makes his heart extremely unbalanced.

"Ye Chen!"

Just when Ji Lin wanted to break free, a voice rang from one side: "Ye Chen, I am irreconcilable with you!"

"I want you dead!"

The spirit Wuji, who is almost devastated by Ye Chen, comes out again and rushes to Ye Chen with all his strength. In a blink of an eye, he comes to Ye Chen.

And the spirit of the infinite body in a moment suddenly become bigger, there is a breath of destruction brewing in his body, ye Chen, who understands the law of destruction, is particularly sensitive to this.

"No, the old man is trying to blow himself up!"

A strong man in a chaotic environment explodes at close range, even if he is at the peak of chaos, he will die if he does not pay attention to it.

"It's too late!"

All the energy in lingwuji's body has begun to collide and is out of control. Killing him at the moment can only make the self explosion happen faster. Lin Juelong obviously noticed the changes in the field.

When ye Chen sees the poison tablet in front of Ji Lin, he breathes a sigh of relief. With the protection of the poison tablet, Ji Lin will be OK. Ye Chen takes xuanlingzi and quickly retreats to the poison forest.

At this time, the explosion sounded, the energy burst into the sky, even the valley also made a roaring sound, boulders were rolling down, and a big pit was formed in the field.

The valley is at least a hundred miles wide, but it can't withstand the self explosion of chaos. The high hanging wall begins to fall, one boulder after another falls down, and the house that Ji Lin practices in his daily life also turns into ruins.

Within a hundred miles, a deep hole is formed, and numerous boulders are filled down.

But in the moment that the explosion sounded, no one noticed, a voice quietly sounded: "ghosts and ghosts!"

After the explosion, ye Chen puts down his dangling son and immediately goes to the poison tablet to check. However, he finds that Ji Lin's figure has disappeared.

When ye Chen was looking for it, a voice came from the distance in the sky: "Ye Chen, keep your life, I will take it with my own hands!"

Bang!

Ye Chen is not willing to hit the ground with a fist, and finally let Lin Jue long take Ji Lin away!

He never thought, the spirit is infinite, will at the last moment, with self explosion to delay himself!

Why is a spiritual family owner so loyal to Lin Jue long?

What did Lin Juelong give him!

At this time, Lao Cang's voice slowly sounded: "things are not too bad."

"Inborn poison, but not so easy to fall."

"But in terms of the speed at which the man plunders blood, you have a three hour chance."

As soon as the words fell, xuanlingzi woke up. He saw Ye Chen at the first time and said, "how are you, master? Is Jilin OK?"

Looking at dangling son with the look forward to, ye Chen is silent.

Xuanlingzi has lived for so many years. How can he not understand the meaning of Ye Chen's expression? His face turned pale. He staggered back a few steps and then said, "she was taken away?"

Ye Chen nods.

Then ye Chen told xuanlingzi the whole story. When he heard that these people wanted to extract Ji Lin's innate poison and her accomplishments, xuanlingzi could not help it.

"I'm going to find her! No matter how much we pay, we must find Ji Lin! "

Then, regardless of the injury, he went out. Ye Chen did not stop him. Xuanlingzi regarded Ji Lin as more important than himself. Ye Chen had no reason to stop him. And ye Chen was so anxious that he said to Lao Cang, "Lao Cang, what can you do to find Ji Lin? Nine corpses looking for heaven needle

Lao Cang shook his head: "the nine corpses looking for the sky needle is aimed at the corpse. The spirit is infinite, and only blood mist is left. Even if it is found, it can't be used."

In this regard, ye Chen also has no way, no matter how high medical skills, people are not there, how to do it?

"But it's not too bad. I'm not the best person to find someone."

"But the kingdom of God has its best."

Ye Chen Mou son a bright, instantly thought of what!

Tianji Pavilion!

Knowing that ye Chen had guessed, Lao Cang continued: "however, according to the seriousness of the matter, there is no possibility for the general Tianji Pavilion, only there is some hope in that place..."

"Tianji Pavilion here It's been around for even longer than me... "

.....

The seventh kingdom, north.

Tianji town.

Ye Chen stops at last.

"Didn't Lao Cang say it was here?"

"Baimen street, Wuqian lane, 500 meters."

Follow the road again, or come here, don't say what the heaven machine Pavilion, ghost shadow is not seen, can't old man cheat himself? Ye Chen immediately threw the idea out.

Lao Cang has no reason to lie, that is to say, someone is making a mystery!

"Is this Tianji pavilion? I have one thing to ask for the help of Tianji Pavilion. "

Ye Chen asked, but no one responded.

Ye Chenwu's road charm, the power of law and the power of the road are pouring out. He uses the laws of space and time to search every space and time here, and finally finds a trace.

Sure enough, Tianji Pavilion is really here. Ye Chen immediately asks a few more questions, but no one answers. Even when he takes out the master's jade card, there is no movement.

His face changed slightly. This Tianji Pavilion is really too shameless. Is it hard to force him?
