

Physician 2861

Chapter 2861

Confucius in the Shenyuan secret place is just the cultivation of three or four layers of chaos, right?

In today's eyes, it is just a mole ant that can be crushed to death.

And now, this waste even defies Feng Shaoyu?

Hehe, this is a good chance to please Feng Shaoyu. It's just from heaven. Xiao Bao, of course, won't miss it!

After all, as long as you crush a mole ant, you can get the favor of Feng Shaoyu. Where can I find such a good thing?

Feng Shaoyu nodded his head with a smile: "OK, give it to you, Xiao Bao."

In Feng Shaoyu's opinion, although Xiao Bao's strength is a little bit worse than her own, she is more than enough to deal with the boy who doesn't know how to live or die!

Just wait for a moment of despair.

With a move of his hand, he photographed a wine pot and a wine glass, which he poured and drank leisurely, looking like watching a play.

Xiao Bao turns his neck, and his bones crackle. He looks at Ye Chen and sees a trace of cruelty in his eyes. Although Ye Chen's strength is too weak for him, Xiao Bao doesn't mean to keep his hands.

It's also a good opportunity to show strength, isn't it?

With this waste, to set off their own strong!

He sneered at Ye Chen and said, "boy, don't blame me. If you want to blame me, blame your own stupidity! You should know that there are some people in this world that you can never offend, otherwise, your fate will be very miserable! "

Ye Chen looked at him without expression and said, "three breaths."

"Well?"

People look at Ye Chen with some doubts, three breaths?

What do you mean?

Xiao Bao also looked at Ye Chen and said, "what are you talking about?"

Ye Chen said coldly: "I give you three breaths, disappear from my front, otherwise, I will let you know, what is really miserable."

Xiao Bao was stunned at the speech. Then, the whole hall was covered with his roaring laughter. When it was time, the boy had to play tricks and bluff?

Let yourself disappear?

It is estimated that the boy's heart, has been afraid to tremble? Want to make a final bluff and gamble?

"One!"

Ye Chen ignores Xiao Bao's laughter and goes to the wind Shaoyu while counting down.

"Two!"

The cold voice, like a heavy hammer, hit people's hearts. Xiao Bao, who had been laughing wildly, suddenly calmed down, frowned slightly and flashed a puzzled look in his eyes.

Why, with the countdown of Ye Chen, he could not help but be nervous?

He gazed at Ye Chen's expression and was shocked in his heart

This kid, can't be serious?

Xiao Bao suddenly, there is a very strong foreboding, never let Ye Chen count to three!

In a flash, Xiao Bao's spiritual power surged all over his body. In his eyes, the red light flashed. A long sword appeared in his hand. At the same time, a fierce and savage breath rose to the sky. Even in the hall, there were many powerful gods, who could not help but be surprised!

A strange animal shadow appeared behind Xiao Bao. In the blink of an eye, it melted into his body. In the next moment, Xiao Bao moved, just like lightning, which was too fast to describe!

The extreme speed even stirred the air in the hall, forming a violent hurricane!

People's eyes, can not help but emerge a touch of shock color!

How fast!

Even with their eyesight, they are hard to catch!

Even Feng Shaoyu is appreciative of her face. Xiao Bao's speed is not bad. She can even face the evil spirit of speed. However, there is still a big gap compared with herself!

Zhao Guang, the guardian of the third kingdom of God, swept his eyes across the faces of all the people, with a smile of pride floating around his mouth. Was he shocked?

This is the power of Xiao Bao's ancient divine body and Tianshu's body!

In a short time, Xiao Bao's speed can be raised to an unimaginable level!

The world's martial arts, only fast not broken, that surnamed Ye boy, dead!

With Xiao Bao's body flashing, the mind of startling Heaven Sword is surging out. This strange sword idea is actually enhanced with the speed of Xiao Bao!

This sword technique, called flash sword, can improve the sharpness of the sword technique with the speed of a martial artist. Moreover, Xiao Bao has cultivated this sword technique to a perfect level. With his incredible speed against the sky, the addition to the sword technique can be called terror!

With the combination of Tian Su's body and the shining sword, Xiao Bao's strength has soared to an unimaginable level. The light of the sword is concise and gives out infinite power. The power of this sword makes all the countries on the scene feel extremely dangerous except for the wind and few feathers!

Their eyes trembled, and there was no doubt that Xiao Bao's sword even had the power to kill any chaotic eight layers of heaven!

Of course, ye Chen is not included among these people. From Xiao Bao stopping laughing to pulling out his sword, all this happened between the electric light and flint, but ye Chen's face had not changed from the beginning to the end!

When Xiao Bao's long sword almost runs through Ye Chen's body, he spits out a word faintly.

"Three."

The countdown is over!

A dark long sword appears in Ye Chen's hand. On the sword, the blood is surging, the evil spirit is surging, and the meaning of real martial arts is roaring out. In an instant, Xiao Bao's sword sends out the infinite danger meaning, which is suppressed to no avail!

Seven times of blood light, the body surface burst out, the road of golden thunder, shining in the blood light, the immeasurable force, with the potential of collapsing the sky, sprinkled on the weight of the sword, the sword light exploded, just like the stars in the sky, falling to the earth!

One sword!

The extremely strong and frightening sword has hit Xiao Bao's long sword with incomparable precision!

The attack and collision of the two, the explosion of terror aftershock, instantly, swept the entire alliance of gods!

There was a big bang, and all the soldiers on the scene changed their faces slightly. They started to fight against the aftereffect!

Even the wind little feather, in the eye, also faintly flashed a trace of shock color!

Face color for a time, cloudy and sunny up!

How did the sword of cutting the waste in the disaster area give him a rather terrible feeling?

Is that unreasonable?

At this time, a figure flew backward at an unimaginable speed. With a loud bang, it hit the wall of the hall. The powerful impact force made the whole alliance of gods shake. The hall was full of dust and smoke, and the pieces were in succession, tending to collapse!

When they looked at the figure, they saw that his whole body was covered with blood. His bones, muscles and even internal organs were shattered and scattered under the great force. At this time, the right hand holding the sword was empty and completely disappeared!

The bloody figure is Xiao Bao!

Chapter 2862

Looking at Xiao Bao's appearance, everyone can't help but swallow a mouthful of saliva, miserable!

How miserable!

That, but a genius demon of the third kingdom with ancient deities, but now, it has become mud?

As ye Chen said, it is extremely miserable!

There was a dead silence in the hall!

Even if they had already secretly raised the expectation of Ye Chen's strength, they were shocked again!

Kill Xiao Bao with one sword?

This strength is not necessarily achieved by those who practice martial arts in the later stage of chaos!

Ye Chen, compared with the time when he was in the Shenyuan secret place, was already strong and powerful for countless times!

On that day, the fearless God of war, who shocked the seven countries, is back!

Zhao Guang, the guardian of the third kingdom of God, was paralyzed by fear. He crawled toward Xiao Bao to heal his wounds!

Ye Chen's face is expressionless. Xiao Bao's strength is not bad, but he is far away from himself!

The Qing emperor who fought at the beginning was 100 times stronger than this man!

Is that sword just now the whole strength of Ye Chen?

It's not natural!

The speed of reincarnation doesn't even work on Xiao Bao!

Ye Chen stares at the face color has already turned into the dignified wind little feather, the forest cold ground opens a way: "now, you still think, I am in install?"

When Feng Shaoyu heard his words, his anger stirred in his blood, almost igniting his flesh and bones. His blood vessels burst, and his eyes flashed with silver. He yelled loudly:

"bastard, do you think killing a Xiao leopard is against the weather? Those who challenge me will die for me

Ye Chen's strength is far beyond his expectation, but!

He has not yet broken through Feng Shaoyu's thinking. Although Ye Chen's sword is terrible, he has confidence. That sword can't defeat Feng Shaoyu!

For a moment, the wind and the feather were in a chaotic state. The strong breath of the nine layers of heaven surged out like a roar of the sea. For a moment, the hearts of all the people in the divine alliance felt as if they had been struck by lightning, which was extremely frightening!

Although there is only one difference between the nine layers of chaos and the eight layers of chaos, their strength is different from each other!

The level of chaos, the gap between each state, is unimaginable!

And!

It was not only the terrible smell. The whole body of Fengshaoyu was suddenly full of silver, and a strong silver light covered the surface of Fengshaoyu, which turned into a silver armor. For a time, Feng Shaoyu's body broke out a very strong divine breath!

At this time, the wind is less feathered, just like the gods come. Even the most powerful warriors of all countries, they can not help but feel a sense of worship!

Ye Chen's seven blood light, there is also a strong divinity, but, compared with the wind less feather, there is a big gap!

However, Ye Chen's divinity, although the concentration is less than the wind less feather, but, seems to be more pure!

People's eyes tremble. Is this the legendary general's blood? This Feng Shaoyu is not so much a Terran as a Protoss. He who activates his blood at this time is closer to the Protoss!

What is a divine general?

Divine generals are close to the existence of demigods. Their ancestors may have been the descendants of mixed blood with certain divine blood. In order to stimulate the power of divine blood in these descendants, the Protoss transformed their bodies.

Their blood was raised to the level of demigods. In a short period of time, their strength soared. However, such transformation also limited the potential of God generals to a certain extent!

And the blood of the transformed general can also be handed down.

In the body of fengshaoyu, it is obvious that he has the blood of the divine general. Under the stimulation of the original force, it is activated!

The blood of the God general, even if it limits a certain potential, is, on the whole, extremely high blood. It is far more powerful than Xiao Bao's heavenly speed body, because the blood of God general is greatly improved in all aspects!

Inspired the power of the divine general's blood. For a moment, fengshaoyu had a feeling that the stars would fall when he raised his hand. That was the confidence brought by the soaring strength!

At this time, Feng Shaoyu's face, mixed with extreme pride and the majesty of a general, sneered at Ye Chen and said, "now, in the face of this young master, can you still be crazy?"

"My ancestor, was a god general around the reincarnation Lord! Although the status is not high, but enough to let everyone look up to! "

After that, he held a square halberd in his hands. When people looked at it, their pupils shrank again!

This Morinda officinalis is an ancient thing!

Ancient things, even the most powerful countries, are very difficult to own super weapons!

Fengshaoyu, not only has the blood of the supreme general, astonishing the heaven, but also has ancient things?

At this time, the windless feather all over the body silver dazzling, divine power startles the sky, drinks a sound, a halberd attacks toward Ye Chen!

The strong halberd meaning permeates the void. For a time, it seems that there is only one big halberd left in the world, which is surrounded by silver light and condenses infinite power! Even the first Kingdom of God, the mighty martial law, trembles in this halberd!

The people around, under the overwhelming pressure, are actually stepping back several steps, even the most powerful countries can not bear!

They looked at the halberd with fright. They were sweating. If they were facing this halberd, there would be only one possibility!

That is death!

Too strong!

Can Ye Chen resist such a terrible halberd?

Ye Chen's eyes narrowed, dignified a few minutes.

The other side is very strong, although still weaker than the Qing emperor.

But the Qing emperor failed because of the blessing of the blood dragon and the magic emperor.

Now he doesn't have it. He can only use all his strength to break out!

Fortunately, after the first World War of Qing emperor, his strength has increased a lot!

Ye Chen burst out with seven blood lights all over his body. The blood color Rune on the Sha sword is even more dazzling. It's extremely evil Qi. It's like a dragon!

With his muscles surging, he concentrated all his strength on the long sword in his hand. With a fierce sword, he chopped at the Fang Tianji which was attacked by fengshaoyu!

The meaning of Zhenwu turns into starlight and hovers over the sword!

There was a huge bang, and the swords and halberds intersected, just like the strong light of a new star, which filled the world. The people around the first Kingdom of God alliance were shocked by it. In the direction of the alliance, there was a burst of extremely dazzling light!

However, the hall, which was carefully constructed by the alliance of gods with excellent materials and countless array blessings, finally turned into ruins in the strong light!

Dong Dong Dong, sword and halberd hit each other, the wind Shaoyu was still, but ye Chen, but suddenly fell out of the last ten steps, even the corners of his mouth, are overflowing with a wisp of blood!

The faces of the people were startled!

Ye Chen, has been suppressed!

Sure enough, as strong as ye Chen, facing the body of God general with little feather of wind, it is still too reluctant!

Chapter 2863

The wind little feather sees this, on the surface, appears the color of ecstasy, roars: "ha ha ha ha ha ha, boy, are you not rampant? And then rampant? Go ahead with it? Why, can't you put it on? "

Ye Chen this blow, fall in the wind, but it doesn't matter to wipe the blood stains on the corners of his mouth. He looks at Feng Shaoyu calmly and says, "if you kneel down to apologize to Lan Xin now, maybe I can not beat you so badly."

Among the ruins, there was another silence!

All of them are looking at Ye Chen with disbelief!

Under a blow, being suppressed by wind Shaoyu, ye Chen's madness is not restrained at all, on the contrary, it seems to be getting worse?

They know that ye Chen is not afraid of death and that ye Chen is proud. However, they did not expect to reach this level!

But Feng Shaoyu, in his eyes, is full of bloodstain. His teeth are biting and creaking, which is extremely ferocious. This boy has repeatedly offended himself and hit himself in the face?

Ye Chen, why don't you yield up to now?

With a roar of wind Shaoyu, holding a halberd, he moves and attacks Ye Chen again. Ye Chen's whole body is surging with great strength. With his sword and halberd hitting each other, the void is broken. The defensive array in the divine alliance is even opened.

Otherwise, I'm afraid it will collapse completely under the attack of two people!

In the void, there are two figures. One is an old man with good manners and moral character. He is the leader of the alliance of the first Kingdom of gods. His name is Geshan. Standing next to goshan is a young man.

This young man is the youth song Jinyi who once met Ye Chen in the transit space!

Song Jinyi was able to stand side by side with the leader of the alliance. Obviously, his identity was not as simple as the reception in the transit space!

Ge Shan and Song Jinyi, overlooking the battle between Feng Shaoyu and Ye Chen below, Ge Shan couldn't help laughing bitterly and said, "sure enough, these arrogant boys are still fighting."

He knew that all the geniuses of the divine kingdom were extremely proud, and it was no accident that conflicts occurred.

However, this fight between them can be described as a fight between immortals. Ordinary people suffer. If we continue to fight like this, I am afraid that even the great array of Shenmeng will not be able to protect this headquarters.

Ge Shan sighed, his eyes twinkled at Ye Chen, and said, "this young man of the seventh kingdom is worthy of killing the existence of Confucius. His martial arts talent is rare in the ages.

However, if you cut through the adversity, you will have the strength comparable to chaos. This is the only one I have seen in my life. Unfortunately, he is too arrogant and too ignorant to advance and retreat. He may not be able to achieve great success in the future! "

Ge Shan's eyes flashed a brilliant light full of wisdom and commented: "the truth that the wood shows in the forest and the wind will destroy it will never change. This leaf Chen is too strong!

It's a good thing to be proud of martial arts practitioners. However, we should not be too blind. Before we grow up completely, we should be limited. Otherwise, no matter how good our martial arts talents are, there will be no future! "

"Although his strength is strong, which can be compared with the wind Shaoyu, there is still a gap. But even after the wind Shaoyu inspires the general, he still wants to be brave?"

Ge Shan shook his head and said: "he doesn't even have the vision to judge the situation and analyze the strength and weakness. Although Ye Chen's martial arts talent is good, it's too bad in other aspects."

After some analysis, Ge Shan felt quite satisfied. This is the conclusion drawn from his experience over tens of thousands of years. He is not optimistic about ye Chen at all!

Martial arts practitioners are not enough just with martial arts talents.

After that, he could not help looking at Song Jinyi and smiling: "Jinyi, what do you think?"

Song Jinyi's eyes flashed and said without hesitation: "the winner will be ye Chen!"

"What?"

Ge Shan is surprised, face appears unbelievable color way: "how possible?"

He looked at the two men's fight and said: "this ye Chen, was completely suppressed to fight? That is to say, relying on his strong constitution, he is just fighting hard. However, how long can he carry it?

A bad move, a bad move. Facing the level of wind Shaoyu, ye Chen, should have no possibility of turning the table? "

Song Jinyi said with a certain smile: "that's because ye Chen hasn't exerted all his strength yet! Now, it's not ye Chen's full strength! "

Ge Shan at this time, is already full of shock color!

You haven't done your best yet?

In the face of wind Shaoyu, you haven't done your best yet?

Even if it comes from Song Jinyi's mouth, he can't believe it!

However, he didn't refute it. You can see the facts!

At this time, there was a roar, and ye Chen's body was swept by the wind Shaoyu's halberd, smashing it upside down, smashing a high wall to pieces. Ye Chen stood up from the dust and smoke. At this time, ye Chen was slightly panting, and his face was slightly pale. On his waist, he was swept out of a very ferocious wound by this halberd, and the blood flowed straight!

Tu Lan Xin saw this and was extremely anxious. He exclaimed, "Ye Chen, how are you?"

It is incredible that ye Chen can still stand up with such a terrible injury. Even those who are in chaos can not bear such a serious injury. We can see how strong Ye Chen is! However, people's eyes are dim, no matter how tough, it's over!

Originally, ye Chen was suppressed by fengshaoyu. Now, he is seriously injured. Even if ye Chen's vitality is stronger, it can't be unaffected. The balance of battle is about to be broken. Victory will tilt towards fengshaoyu!

People feel some loss inexplicably, which once shocked them. The peerless God of war in the secret land of Shenyuan, like the invincible myth, is finally coming to an end?

Is the legend of Ye Chen coming to an end here?

And Feng Shaoyu was also ecstatic. He looked at Ye Chen fiercely and said with a laugh: "boy, just now, I was not very arrogant. Let me kneel down? What, is it like this? Almost be cut off by this young master, right? How can I get down to my knees

In fact, Feng Shaoyu's heart is constantly rolling. He never thought that ye Chen could support such a long time. Even, he almost started to panic!

Fortunately, this waste, finally can not support!

Ge Shan in the sky saw this, stroked his beard and said with a smile: "ha ha ha, Jin Yi, it seems that even you have time to look away? Ye Chen this state, even if there are any hidden backhand, also impossible to turn over the plate?

After a while, if Feng Shaoyu dies, you and I will stop them. No matter how, we can't let the most powerful gods who come to our first Kingdom to fight demons die in our alliance. "

When song Jinyi heard the speech, he laughed but did not speak. He knew that what they should really worry about was Feng Shaoyu!

At this time, the wind less feather, move!

Chapter 2864

He was even more dazzling than before. The divine breath in his body became more and more intense. The wind and less plume were the ultimate explosion. He wanted to strike hard and not give ye Chen a chance to breathe!

In a flash, the silver awn was shining on the earth and the divine power was surging. The body shape of the wind and little feather in the rolling silver awn was instantly tall, just like a real God coming to the world, which was unstoppable!

On the halberd in his hand, with the momentum of suppressing the world, he cut down towards Ye Chen!

On the long halberd of ancient times, the silver light is like a dragon, and the rune is rolling. This attack is like splitting the whole kingdom of the first God in two!

The sky is broken, the wind is roaring, the sky and the earth are changed!

Such a frightful halberd, so that high in the sky Ge Shan, can not help but swallow saliva, look extremely nervous, all over the spirit of the agitation, ready to hand at any time!

Even the leader of the alliance in the first Kingdom of God had no confidence. Under this attack, ye Chen was saved 100% of the time!

Can be strange is, in the face of this amazing halberd, ye Chen is still a light look!

His eyes flickered slightly, and he whispered, "it seems that the nine layers of chaos are extremely complicated..."

The reason why he fought with Feng Shaoyu for such a long time did not inspire the samsara blood and the body of the heavenly demon, because he wanted to test what his limit was without exerting the reincarnation blood and the body of the heavenly demon!

After all, the body of the heavenly demon is too expensive to be used at will. But tomorrow, they will probably have to face the strange ghost. No one can guarantee that there will be any accident!

In this case, not as a last resort, ye Chen will try to save strength!

Therefore, he should know his limit now!

Through the battle with Feng Shaoyu, it seems that ye Chen has the strength of eight layers of chaos without exerting the body of TIANYAO. He is still a little short of the nine layers of chaos!

If the body and reincarnation of the heavenly demon are stimulated, ye Chen has confidence to fight against the nine layers of chaos!

But at this time, people don't know what ye Chen is thinking!

Tu Lan Xin said with a pale face: "Ye Chen, get away from me!"

People also look shocked, ye Chen, is this scared silly? Or even the power to dodge, have no?

Ge Shan also changed his face wildly and exclaimed, "what is this boy doing?"

If ye Chen did not resist, he could not have saved Ye Chen under this halberd!

But the wind little feather, is the face to show pleasure, the color of success, in front of Laozi? Crazy? Ha ha, you are really strong and talented, but today, I will completely abolish you, let your talent become waste material!

Only song Jinyi's face, emerged a trace of mysterious smile, the light in his eyes, more and more full!

At this moment, a terrible breath rose from the sky and filled the whole alliance of gods!

Originally, the wind little feather sends out the startling God meaning, unexpectedly is that breath, the instant suppression replaces!

Everyone, is one Leng!

This breath

What is it?

Is it as if the leaves come out of the body?

At this time, ye Chen has changed his body shape greatly, and his hair has turned into blood red!

That looks like a human race!

Seeing the change of Ye Chen's body shape, all of them suddenly wake up!

This breath, is the evil spirit!

Incomparably incomparable terror, even if is the God alliance leader Ge Shan, all for it slightly trembles the vast evil spirit!

I don't know. I have to treat the alliance of gods at this time as if they were all demons!

Ye Chen one person, sent out enough to be comparable to hundreds of millions of demon clan, such as the sea spirit!

What's more frightening is that the ferocious wound on Ye Chen's waist has healed rapidly when it incarnates into this pair of posture now!

Even a trace of scar, did not leave to heal!

Well, it's a blow that contains the power of divinity. Even if the chaotic state body is cultivated, it will take tens of days or even months to recover, right?

Ye Chen's vitality at this time, on earth to what level?

Wind Shaoyu, at this time, his face is also crazy change, the whole body blood essence, all began to burn, in the hands of the Euphorbia, rippling out a layer of blood light!

This blow has exceeded the limit, even to the point that it may hurt the foundation of fengshaoyu's martial arts!

But at this time, he can't control so much!

Ye Chen, who incarnated as a demon in heaven, gave him a very dangerous and terrible feeling!

Even at this time, his silver shining sea of knowledge has been covered by a layer of death shadow!

Can't give ye Chen, any chance!!!

Otherwise, you will be in danger!

But ye Chen's ironic smile at the corner of his mouth became more and more intense. At the next moment, ye Chen suddenly moved!

More than all of the violent power, like the storm of destruction, rolling spiritual power, crazy pouring into the hands of the Sha sword, Sha sword, originally has a very strong blood light, this moment, almost into essence!"I'm the only one to soar to the sky, and the butcher God will break the sky!"

Ye Chen murmured, and the sword light was surging like the sea. It was integrated with the amazing power. The sword was cut out, and the space where the first God kingdom was located was distorted and turbulent for a moment. Countless warriors felt a sense of panic in their hearts!

In a flash, this sword collides with fengshaoyu's startling halberd!

The billowing air waves, tumbling and tumbling, are like the thousands of dragons who have been imprisoned for thousands of years, returning to freedom, impacting everything around us!

The great guard array of the alliance of gods, the light exploded and flashed. It was for a time that it could not bear the strong pressure and burst into pieces!

A figure, burst out, all over the silver armor, emerge countless cracks, blood, from his seven orifices, crazy gush, it is wind Shaoyu!

At this time, Feng Shaoyu, in his eyes, is already a pure color of fright. His original self-confidence, pride and cruelty are all destroyed by this sword!

Key, he found that his God will body in the feeling of Ye Chen's breath, even retreat.

It's as if their proud blood and spirit are afraid of the man in front of them!

How could it be!

The man in front of him is just a tough boy!

Not the Lord of reincarnation!

In this sword, how can there be such a shocking force!

Everybody, is a burst of astonishment!

Standing in the ruins and emptiness, looking at the scene in front of you stupidly!

The brain has tended to be chaotic, the spirit will be scattered, completely unable to think ah!

Even, thrilling, exciting to the eyes are beginning to blur!

What happened just now?

Feng Shaoyu is suppressed by Ye Chen's sword?

What's more, this suppression is more powerful than the suppression of Ye Chen by wind Shaoyu at the beginning!

What's more, just now, it was a fight under the origin of wind Shaoyu burning! But still lost so thoroughly!

Explain between the two, the strength gap, just like the abyss of heaven!

Chapter 2865

Song Jinyi, in the void, took a look at GE Shan, who was already with two straight eyes beside him, just like senile dementia. He said with a smile, "Ge Lao, there are always some people in the world who can't be measured by experience and common sense."

Ye Chen, this is the kind of person!

As early as in the transit space, song Jinyi had such a feeling!

He has a special ability to see the essence and reality of others. Over the years, no matter how terrifying a strong man is, in front of song Jinyi, he has not been shocked, because he has been used to it.

Until that day, I met Ye Chen!

Song Jinyi looks on, although did not show, the heart, but the waves!

Ye Chen gave him the feeling of an abyss!

A bottomless abyss!

This is the first time in Song Jinyi's life. I can't see through the existence of him!!!

From that moment on, song Jinyi knew that the man in front of him would leave an immortal legend, a legend that runs through the seven divine kingdoms and will never die out!

On the other side of Ge Shan, he just came back to his mind. On his old face, he couldn't help but feel embarrassed

Just now, he was still there to give advice, not optimistic about ye Chen, a decisive judgment

But so soon, you get slapped in the face?

Goshan, I just want to find a hole to drill in

At this time, song Jinyi once again said: "Ge Lao, get ready, wind less feather, dangerous."

Ge Shan nodded with solemnity on his face. The real strength of Ye Chen after his transformation was too terrible. He knew that he and song Jinyi must concentrate on it, otherwise, the wind would be too small to save!

Among the ruins, ye Chen, with a smile on his face, looked at his face with unbelievable wind Shaoyu. Suddenly, his body flashed!

The speed is so fast that I can't imagine that she is far more than Xiao Bao who has the body of speed!

Feng Shaoyu's face changed wildly, and the silver light in the sea of knowledge flashed. It was very difficult for him to catch a trace of shadow. He tried his best to hold the halberd in his hand, and went in that direction!

This time, Feng Shaoyu's hands holding Fang Tianji trembled. His strength was fading, and his own strength was recovered!

His realm is a strange fall!

What the hell is this!

The next moment, the blood mist burst, hand bone fragmentation, muscle fragmentation!

Feng Shaoyu screamed, and his body flew back, but how could he escape?

A chill, suddenly floating on the back of wind Shaoyu!

At this time, ye Chen, has quietly appeared behind the wind Shaoyu!

On his face, there is a smile of evil nature. The sword in his hand is about to be beheaded!

"No

The wind little feather turns a head to see this scene, can't help but send out a frightened scream!

Everyone's pupil shrinks, and Feng Shaoyu is actually in the hands of Ye Chen, who is in this strange state. He can't even support the three moves?

What a thrill!

But at this time, the two figures flashed and appeared in front of Ye Chen. The power of the sword, under the resistance of the two people, actually sent out a strange twist, a roar. Song Jinyi, Ge Shan, and Feng Shaoyu were bombarded and retreated a few steps.

Ye Chen's face moved. Just now, song Jinyi and Ge Shan's joint attack seemed to deflect his sword light, so he didn't completely vent his strength on Feng Shaoyu.

However, Rao is so!

Song Jinyi and Ge Shan were all right, but the corners of their mouths were covered with blood, and their faces were a little pale. After all, they didn't resist it completely. They just twisted the sword light of Ye Chen.

However, the wind less feather, is completely different!

At this time, Fengshaoyu lies on the ground, with a ferocious sword mark on his back, which almost tears the whole back, breaking bones and viscera!

He was red with blood, lying on the ground, dying.

Even if the power of the sword light is not fully exerted, he still cuts the wind Shaoyu into a serious injury and is on the verge of death!

Ge Shan reluctantly piled up a smile and said to Ye Chen in some fright: "Mr. Ye, everyone comes to the first divine kingdom to ask for demons. Please take harmony as your priority."

He joined hands with Song Jinyi to transfer his strength. Unexpectedly, he was injured!

Ye Chen swept Ge Shan one eye, did not say anything, but step by step, toward the windless feather to go.

Song Jinyi and Ge Shan see the situation, are a tight complexion!

If Ye Chen is determined to kill Feng Shaoyu, I'm afraid they can't resist it!

But originally, Feng Shaoyu, who was already in a coma, saw this scene, and was so frightened that he begged for mercy: "Mr. Ye! I was wrong! I apologize to Tu Xianzi. I can kneel down. Please forgive me

At this time, Tu Lan's body and mind flashed, came to Ye Chen, stopped Ye Chen, shook his head and said: "Ye Chen, I'm ok. Since he has been like this, let's forget it. After all, he is also the fighting power of fighting for demons. This time we come to the first Kingdom of God, we still focus on fighting for demons." After a moment's silence, Ye Chen said coldly, "this time, in the face of Tu Xianzi, I'll let you go. It's only this time. In the future, if you have the slightest offense to the people of the seventh kingdom of God, no matter where you are, you must kill it!"

Ye Chen's words in the spirit of killing, let everyone, are one of the cold!

They all vowed in their hearts that there would be no mockery or disrespect in the future when it comes to the seventh kingdom of God!

Because, the seventh kingdom of God, there is a Ye Chen!

A terrible God of war!

But song Jinyi and Ge Shan look at each other, at this time, just relieved.

Yun Ziyi ran over and helped Feng Shaoyu up. She looked at Ye Chen gratefully and said, "thank you very much, Mr. Ye!"

Feng Shaoyu, no matter what her personality is, is also the best young man in her second kingdom. If he really dies, it will be a huge loss to the second kingdom!

Although today, Feng Shaoyu is seriously injured, but in the later period of chaos, the martial arts have extremely strong vitality. As long as they don't die, they can almost recover.

However, the power of Feng Shaoyu will be reduced a lot in the course of fighting for demons tomorrow.

Ye Chen took back the evil sword, relieved the body of the heavenly demon and the state of reincarnation. He turned to look at the powerful and guardians of the great kingdoms who were still stagnant. He said faintly, "I'm sorry, I'm late. We should also discuss tomorrow's demonic journey."

When they heard this, they were all busy and respectful and said, "yes!"

Now, Ye Chen is their leader, worthy of the leader!

And they went toward the hall.

And ye Chen did not start.

He looked up at a tall building near the alliance.

He felt a breath as soon as he entered the alliance.

It was as if someone was staring at themselves in the dark.

It's hard.

Is it Wan FA Zong? Or the Kong family?

Or the existence behind the wind less feather?

But the breath seemed harmless.

I'm afraid it's not so easy to come to the first Kingdom this time.

Chapter 2866

Ye Chen no longer wants to go to the hall.

At the moment, the top of a high-rise building near Shenmeng. On the top of the

tablet, a behemoth with its feet on its head is absorbing the sun and moon essence of the first Kingdom.

And above the beast sat a girl in white.

The girl's body exudes a strong chill, and even the red tiles on the high building are covered with frost.

"Palace master, can we go now and finally come to the first God kingdom? You won't have to guard Ye Chen again."

Bai'er has some complaints.

They have a big deal to deal with this time.

As a result, the palace master came here for the first time and stayed for half a day.

Wei Ying's face was indifferent, and she held out her hand with a trace of chill: "how are you doing with the information I want?"

Bai'er carefully handed a jade slip to Wei Ying's hand: "palace master, I learned from some channels and the ancient books in the palace master's storage ring that before the collapse of juechan emperor's palace, the former palace master had frequent visits to the first Kingdom of God."

"Besides, I've been to Ye's house."

"No one knows what to talk about."

"There is another place, which is a little strange. In ancient books, it has been mentioned many times to a place of the first God kingdom."

"Hanyuan peak."

"But this place, I asked the first God Kingdom, most people have never heard of it, even Tianji Pavilion does not know this place."

"It's like this place has been erased from history..."

Wei Yingling glanced at the contents of the jade slips, and his cold eyes narrowed slightly. Suddenly, a smile rarely appeared on Jue Han's face.

"It seems that the Hanyuan peak is the secret of Juehan emperor's palace."

.....

At the same time, nine days dragon hall, under the blood lake.

Reincarnation star stone with summer snow slowly stopped.

They're at the bottom.

In front of Xia Ruoxue is a city of ruins.

Among the ruins, it seems to be cut in half by a sword.

The ground is fragmented, because of the long time, it is covered with seaweed.

This is like a forgotten city.

"Xingling, is this the place you're talking about?"

"It has something to do with Ye Chen?"

Reincarnation star stone suspended in front of Xia Ruoxue, staring at everything in front of him, and then opened his mouth: "it is really here. Once a woman killed a city with a sword, and countless people fell here."

"In ancient times, it was the capital of the nine heaven dragon hall."

Summer if snow show eyebrow a pick: "what does this have to do with Ye Chen?"

Samsara star stone hesitated for a few seconds, wanted to say something, but still did not say it.

Xia Ruoxue noticed what, red lips moved: "are you hiding something from me?"

Reincarnation star stone fiercely shakes the body: "snow elder sister, did not have, you don't ask, some can say I naturally will say with you."

"Let's go in. If I'm right, it's in it."

The next second, Xia Ruoxue and reincarnation star stone will go towards the inside.

Xia Ruoxue stepped into the ruins and felt a desolation.

This sense of desolation comes from the depth of the soul.

Moreover, Xia Ruoxue also found that his body's blood seemed to be agitated because of entering here.

All of a sudden, Xia Ruoxue's pupil shrinks a hundred meters and comes to a huge wall of 20 meters.

In this ruins, almost all the buildings were destroyed, but the huge wall remained unchanged.

It's unbreakable.

Of course, what attracts Xia Ruoxue is not the wall, but the pictures on the wall.

There are bodies all over the picture.

But there were several figures standing.

Two of them are very familiar with Xia Ruoxue!

Because the man and the woman are similar to Ye Chen and Ji Siqing.

Although the temperament is different, the appearance is also slightly different, but the feeling is not wrong!

Besides two, there is a woman!

That woman exudes Diwei, even in temperament, let Xia Ruoxue think of a character in Chinese history!

Wu Zetian!

How can a woman have this feeling of being king in the world?

In the picture, Ji Siqing and ye Chen seem to be talking to this mysterious woman.

Ye Chen and Ji Siqing have extremely heavy injuries, and even their bodies have been dyed red with blood.

And the Diwei woman was spotless, with a faint smile on her lips.

In ancient times, what happened in the picture.

Xia Ruoshue looked at the reincarnation star stone and said, "who is this woman?"

However, reincarnation star stone in hearing this problem, unexpectedly flustered to the extreme!

Even, Xia Ruoxue felt a trace of fear from the reincarnation star stone. "Sister Xue, please don't ask. If I reveal this person, I will disappear between heaven and earth."

Xia Ruoxue doesn't insist, but judging from the words of reincarnation star stone, I'm afraid the identity of this person is not simple.

Can be in that strong ancient times, with such a powerful woman, absolutely not now she can provoke.

"Where is the thing?"

Summer snow road.

At the next moment, the reincarnation star stone is covered with a little starlight, which turns into a pair of starlight hands and goes deep into a central ruins square not far from Xia Ruoxue.

Because of the war, a big hole like an abyss appeared in the square.

A few seconds of breathing, starlight swaying, a group of blue flame appeared.

As soon as the fire broke out, the whole ruins were rejuvenated.

Even the cracks on the bottom have a tendency to close.

"This is..."

When the blue flame appears in front of Xia Ruoxue, Xia Ruoxue can feel the strength of the flame.

Even if there is only a trace of it, it contains the power of heaven.

The star spirit opened his mouth: "snow elder sister, this is your chance, also belongs to Ye Chen's chance."

"This flame is called reincarnation star flame. It's one of the strongest flames in the world. The only pity is that it's not the origin, it's just a trace."

"From ancient wars."

"But even a trace, looking at many strong people now, also has the ability to destroy the world."

"Sister snow, the next time, you should find a way to refine the reincarnation star flame."

"There is a part of the blood circulation in your body, and it should not repel you too much."

"It's just that you're not a fire repair. It's very hard to refine this kind of anti sky flame. You should be prepared mentally."

Xia Ruoxue's eyes flashed a trace of determination, and directly sat cross legged, just want to close his eyes, suddenly thought of what, eyelashes tremble.

Then he fixed his eyes on the reincarnation star stone and said, "if I guess correctly, the origin of the reincarnation star flame should be in the hands of that Diwei woman, right?"

The star spirit of reincarnation star stone is stunned. I never thought Xia Ruoxue was so smart!

With a long sigh, he said, "yes."

However, the next moment, summer if snow did not ask what, but chose to close his eyes.

Prepare to refine the reincarnation star flame!

"In that case, I won't lose her."

"I Xia Ruoxue not only wants to refine this trace of reincarnation star flame, but also deprives that woman of the origin of reincarnation star flame!"

Language down, summer if snow on the body of that piece of blood dragon scale suddenly burst!

Turned into a towering blood dragon, guarding the whole body of Xia Ruoxue.

Obviously, it is to protect the Dharma for Xia Ruoxue!

.....

Chapter 2867

Among the endless ruins.

Xia Ruoxue's eyes are closed.

The blood dragon is coiled.

In front of her body is suspended a flame with bursts of starlight and incomparable mystery.

The fire seems harmless to humans and animals.

Even some dreams.

But a sacrifice, Xia Ruoxue's face is covered with sweat.

She used all her strength to penetrate into it, of course, it was not too much to block, but it was extremely difficult to go further.

The key is that Xia Ruoxue finds that the spiritual power of her elixir field seems to be forcibly taken away by some force!

Refining this reincarnation star flame should cost so much.

But just a few minutes, Xia Ruoxue pale to the extreme, the body's clothes are wet.

All of a sudden, the reincarnation star flame suddenly magnified, and an extreme pressure surged like this!

Xia Ruoxue's strength can no longer support, a mouthful of red blood vomited out!

Her body fell to the ground.

"Snow sister!"

The reincarnation star stone instantly rushes to Xia Ruoxue's body, and a peaceful starlight flows around her, covering her delicate body.

One second, two seconds, three seconds.

Summer if snow manual, long eyelashes under the vibration, summer if snow opened his eyes.

"I'm fine."

"If I can't even refine the flame, I have no qualification to be a woman of Ye Chen."

"I want to share something for."

At this moment, Xia Ruoxue's eyes are full of determination.

Her slender and white fingers touched the flame of reincarnation.

After that, Xia Ruoxue turned his skills into a phoenix shadow.

The Phoenix calls up to the sky, waving its wings to the direction of the reincarnation star flame!

"Touch!"

An extreme force collision!

Reincarnation star flame's shackles, actually faintly split a part.

Xia Ruoxue eyebrows flash between a trace of excitement, the spirit of the intake of them!

However, in the spirit into the reincarnation of the flame, her ears actually heard a cold, cold desert female voice.

"Humble people dare to touch the reincarnation star flame, die!"

The next second, reincarnation star flame suddenly changed!

Unexpectedly turned into a sword of starlight, towards Xia Ruoxue's eyebrow!

Once pierced, Xia Ruoxue will surely die!

"Sister snow! Be careful

The reincarnation star stone Na shouts.

Xia Ruoxue no longer hesitates, show hands pinch Jue, a golden ancient inscription shield appears in front of the body!

I thought I could resist one or two!

But unexpectedly, the inscriptions of the shield on the spot broken, into powder!

Xia Ruoxue knows that this reincarnation star flame is very strong, but he never thought it would be so domineering!

It's just a failure of refining and chemical industry, as for obliterating ourselves?

Seeing that the sword of starlight was about to approach, suddenly, a startling dragon roared at the bottom of the lake.

In an instant, the lake bottom wind and cloud stir, whirlpool array!

Then the blood dragon virtual shadow hard toward the sword of starlight!

"Touch!"

Two extreme forces collide!

The shadow of a dragon scale of blood dragon is dim!

And the wave of the samsara flame stopped.

The blood dragon looked at the fire solemnly and said: "if snow girl, this chaotic star flame actually contains a trace of a person's will."

"Just a little remnant is so powerful, I'm afraid the cultivation of the people behind me is far above my noumenon."

"The shadow of my dragon scale will disappear. However, the other party's will also dissipate. There should be no threat to you."

"Miss Ruoxue, if you are in danger in Jiutian Shenlong hall, go to a forbidden area in the abyss here. I will be trapped in it for a short time, but if you get there, I will be able to guard you one or two."

Speaking of this, that reincarnation star flame unexpectedly changed, a little starlight even converged into a faint female figure.

Xia Ruoxue's eyes and startled find that this woman is the Diwei woman she saw just now.

The empty shadow of Diwei woman glanced at the crowd lightly. When she touched the blood dragon, she was slightly surprised. Finally, she set her eyes on Xia Ruoxue.

For a long time, a slightly dignified voice came: "who are you? Why don't you kneel when you see me? "

Then, Xia Ruoxue is to feel a huge mountain on his shoulder, hard to press down!

Her knees are bent! Even keep pressing down!

Apparently it was the Diwei woman who asked her to kneel down.

But Xia Ruoxue is a proud woman, how can she kneel down!

She bit her teeth, and her power was released, and her blood burst out! There was even a blood mist all over the body.

"Snow sister!" Reincarnation star stone protection in front of Xia Ruoxue, want to reduce the pressure of Xia Ruoxue!

But how difficult!

Seeing Xia Ruoxue kneel down, suddenly, Xia Ruoxue's whole body erupts a trace of reincarnation breath!

Hit the original breath!

The bondage and pressure of nadiwei woman disappeared in an instant.

"Reincarnation! How can it be! "

"Who the hell are you?"

Diwei woman looks surprised to the extreme.

She just wanted to ask what, the vanishing blood dragon shadow suddenly collides!

In an instant, the shadow of nadiwei woman dissipated.

The ruins at the bottom of the lake are calm.

A faint flame of reincarnation slowly fell down.

Xia Ruoxue exhaled a turbid breath, stretched out his hand, holding the reincarnation star flame, and said faintly: "now it should be better to refine some."

The reincarnation star stone nodded and shook his head: "although there is no residual thought, the reincarnation star flame is not easy to refine. Fortunately, you have a part of reincarnation blood, and I can't predict the specific time."

Xia Ruoxue sat cross legged and suddenly thought of something: "Xingling, what identity is that woman? It's just a remnant thought. How can it be so powerful? "

Samsara Starstone chose silence.

Xia Ruoxue knew that the reincarnation star stone wanted to hide, and said, "Xingling, it doesn't matter if you don't tell me these things. Then you should tell me where this woman is, is it in the kingdom of God? Or where? "

Samsara star stone hesitated for a few seconds, and finally sighed and said, "upper bound."

Summer if snow a Zheng, immediately eyes firm many.

She knows something about the upper bound.

The pillar in every sect of the kingdom of God comes from the upper world.

The upper world is closely related to the kingdom of God, but mysterious.

She even read the ancient books of shenjizong. In ancient times, when the reincarnation Lord was located, the upper world had a close relationship with the kingdom of God, even an equal situation.

But after the fall of the reincarnation Lord, I do not know why, the kingdom of God became the vassal of the upper world.

And there are too many doubts in it.

Xia Ruoxue no longer thinks much. No matter what the origin of this woman is, she believes that as long as she works hard, she will surely surpass this woman!

Bursts of starlight surging at the bottom of the lake, as if this piece of blood lake has become a beautiful star sea

.....

At the same time, the upper bound.

A magnificent palace.

In the palace, very quiet, a woman in gold sits on the inscription chair of dragon and phoenix dance.

Chapter 2868

The long, trembling eyes made her look at her.

The key is that there is no breath of cultivation in her body.

No breath, there are only two possibilities!

First, the cultivation is too low! As low as ordinary people!

Second, the cultivation is extremely high! Shake the height of the mountain!

Suddenly, Diwei woman opened her eyes, and a little surprise and killing idea flashed through her cold eyes.

Her red lips outline, showing a playful smile: "how can reincarnation appear in a woman's body?"

"The key is that the woman's reincarnation is too weak."

"Even the skill of practicing is totally different from that man."

"Xuanji."

Words fall, the void in front of the Diwei woman tears, a capable woman in black appears.

The woman's make-up is strange, and what's more, she has a big sword on her back.

The sword is full of killing intention.

"Your Majesty, Xuanji is here."

Xuanji, a capable woman, said.

Diwei woman's red lips moved: "I left a trace of reincarnation in the kingdom of God many years ago, and the flame has returned something interesting."

"The kingdom of God seems to have reincarnated blood, but the other side's blood breath is too weak."

Xuan Ji frowned: "Your Majesty, can it be the descendants hidden by the Ye family?"

"Before the accident of the Ye family, the sphere of influence was complicated, and since ancient times, the Ye family was the one who prepared for the future."

"Maybe that woman is a sign that the Ye family has left behind."

Diwei woman's Willow eyebrows wrinkled. After thinking for a few seconds, she opened her mouth and said, "go to the nine heaven dragon hall and investigate the origin of that woman."

"Also, there is a strange blood dragon in Jiutian dragon hall, which can't be despised."

"I don't know why, her strength clearly can't threaten me, but let me feel uncomfortable."

"You go to investigate. If you need strength support, you can go to Tiandao palace and find Xuanyuan moxie."

"Yes."

In a flash, Xuanji turned into starlight and disappeared,

never appeared.

.....

The first God kingdom is a towering peak covered by five colors of clouds. Countless exquisite buildings are looming in the clouds. Here, it is the first God Kingdom, the first peak, the fifth cloud peak. And on top of the five cloud peak, it is the first divine Kingdom, the first-class force, Wanfa sect!

In a secret room of Wanfa Zong, there is a middle-aged man with a dignified face. At this time, his face is overcast and cold. This man is Tian Feiming, the elder of Wanfa sect!

Tian Feiming sits on the main seat and reads two secret letters. On top of the secret letters, one is on a black background with gold border, and the other is on a white background with black edges. In the two envelopes, there are two different symbols.

One is a long sword with a strange shape and a strange curve on its edge. If there is a warrior who understands the underground forces hidden in the darkness in the first Kingdom of God, he will be shocked to see this strange sword!

This long sword is the first divine Kingdom, the first assassin organization and the symbol of juejian!

On the other hand, the mark on the envelope with white background and black edge is a pair of red, cold eyes!

That's the first Kingdom, the second assassin organization, the symbol of the eye of death!

Tian Feiming suddenly snorted and crushed the two envelopes in his hand!

Standing beside Tian Feiming is a handsome man with a frivolous face, a deep profile, a curly fringe, hanging on his left forehead, with a kind of exotic style.

What is striking is that in the man's eyes, there is a faint flash of gold rune.

The young man, smiling at Tian Feiming, said, "master, what's the matter?"

Tian Fei opened his mouth with cold light in his bright eyes: "the leaders of Jue Jian and the eye of death have all refused our mission! waste material!

When did the two assassin organizations in the first Kingdom of China dare not even attack a boy who has cut a bad situation? "

Having said that, Tian Feiming is slightly surprised. He knows that the price he has given is definitely a temptation for the two killer organizations!

But even so, they still refused!

Wanfazong can not cause war rashly, this is the rule of the kingdom of God!

Otherwise he would have done it himself!

The handsome man, who was the true disciple of Wanfa sect, was also one of the ancient deities in Wanfa sect, named Gao Yin.

When Gao Yin heard the speech, he looked surprised and asked, "master, what you said is the target of the mission, but the Ye Chen who killed elder martial brother Kong?" He recently heard that the most powerful of the great kingdoms came to the first Kingdom, and ye Chen should be among them, right?

Tian Feiming nodded his head and said, "the old ancestor has already told us that the boy surnamed ye must die!"

Gao Yin said innocently: "with the strength of our ten thousand Dharma sect, why should we fake hands on others? Directly, to suppress the boy is that if the master agrees, the disciple is willing to do it. "Ye Chen, although he killed Confucius, in Gao Yin's opinion, Confucius was just a boy relying on his ancestors, so he got the chance to enter the Shenyuan secret place, which was not great.

Wanfazong, more than its outstanding genius, there are many!

What's more, after such a long time since the beginning of the Shenyuan secret place, is this waste still a place of disaster?

Not even at the beginning of chaos?

The color of disdain in Gao Yin's eyes was more intense!

This is the pride of Wanfa Zong's genius!

Tian Feiming, however, frowned slightly and shook his head: "Gao Yin, don't be impulsive, this boy, but he killed the existence of Confucius, and he also resisted the spirit subduing method to show the ancestral breath of Shenyuan secret place! Be careful!

What's more, our ancestors also told us not to do it in person. This boy, after all, is a warrior who comes to help our first Kingdom to fight demons. It is said that it is not good for the reputation of our ten thousand Dharma sect. At this time, we should all keep a low profile. You and I are very clear! "

When Gao Yin heard the speech, although he didn't say much, his face was gloomy!

Don't be impulsive? Be careful?

Let him be a great genius, don't be impulsive to a waste, be careful of a waste?

Ha ha, this is to say, this rubbish, can threaten oneself?

Don't say it's Ye Chen. Even comparing Kong Xian with himself, Gao Yin thinks it's an insult!

His eyes were full of killing intention. Originally, Gao Yin just said it casually, but Tian Feiming's advice made him more eager to kill Ye Chen himself!

At this time, Tian Feiming finally took out the third letter, an envelope blood red, like a letter stained with blood!

On the blood red envelope, there is a symbol like a ghost hand. This is the first God Kingdom, the third assassin organization, and the symbol of blood blade!

After opening this letter, Tian Feiming's eyes finally flashed a ray of joy!

Blood blade, agree to accept their mission!

Chapter 2869

Immediately, Tian Feiming took out a jade slip and handed it to Gao Yin together with the bloody envelope. He said, "blood blade has accepted our mission. Tomorrow, you will go to the designated place and meet with the contact person of blood blade. In this jade slip, it is Ye Chen's information."

Gao Yin took the jade slips and the envelope, and said, "yes."

Tian Feiming had a helpless smile and said: "Gao boy, don't be impulsive. I know that with your strength, you can certainly kill this waste. However, let xueblade deal with the boy named Ye. You and I have more important things to deal with, don't you?"

When Gao Yin heard the speech, his face softened and went out of the secret room.

Tian Feiming also said: "tell the people of blood blade that tomorrow, ye Chen will go to mangshen mountain and let their men ambush there. I have recorded the specific matters in the jade slips. By the way, we must assign the first killer of blood blade, blood stab, Wan Tong to give a hand. There must be no mistake."

"Yes." Gao Yin answered, and his figure disappeared from the chamber.

Tian Fei Ming has a cruel smile on his face. If the boy surnamed Ye goes against the weather, under the circumstances of tomorrow, he will be killed by Wantong, right?

Hehe, a big stone in his heart finally fell.

.....

In a restaurant, Gao Yin sat in the box with a man who was covered in black robes and could not see his face clearly.

After seeing the jade slips in his hand, the man in black gave out a strange smile and said, "Hey, Wanfa Zong, what a big hand! How much money he has paid for a waste who has cut a bad situation."

Gao Yin waved his hand at will, stood up and went to the door and said, "you're cheap. Let Wantong pay attention to it. Don't miss it. Hum, if the master doesn't stop me, I'll do it in person, which round will get you!"

The man in Black said with a smile, "please rest assured! Our number one killer, blood thorn Wantong, has accepted a total of tasks in his life, 189800, with a success rate of 99.9%! The only time to miss is to let the other side's ghost escape!

Such a record, even in the eyes of Jue Jian and death, is one of the top three

.....

Tiandao palace.

Above the main hall.

Xuanyuan ink evil cross legs above the Dragon God.

The stele of reincarnation in front of him is constantly overflowing with a strong breath.

And Xuanyuan Mo Xie's cultivation is also gradually climbing.

Even Xuanyuan Mo Xie's eyebrow flashed a very strange inscription.

The inscriptions are mysterious and dignified, as if they represent something powerful.

Suddenly, Xuanyuan ink evil opened his eyes, and his eyes flashed a trace of solemnity.

In front of him, a middle-aged man in Tiandao palace robe appeared.

"See the palace master."

"You want me to collect the list of young strongmen who have risen recently from the first to the seventh under the moon ring vision."

Xuan Yuan Mo Xie nodded: "are these people ancient gods?"

The middle-aged man shook his head: "some of them are not, and among these talents, there is one who has recently become famous."

"This son is named Ye Chen, and there is no sign of ancient deity."

"But it can kill people across a great realm."

"Kong Xian of the first Kingdom, the second Kingdom, and even the rest of the Kingdom, are spreading about this son's deeds."

"I think this son can be included in the heavenly way palace."

"Oh?" Xuanyuan ink evil slightly surprised, "this son is very amazing?"

But Xuanyuan Mo Xie didn't like Ye very much.

After all, what he hates most is the existence of the surname Ye.

But he is not a superstitious person. If this son is really gifted, Tiandao palace will be able to promote him to an elder.

The middle-aged man carefully handed over the two pieces of jade slips and said, "the first one records all the information and many achievements of Ye Chen. His subordinates think that they are really rare talents in the heavenly way palace."

"If you master this person, maybe the heavenly way palace can go to a higher level."

"As for the second jade slips, it records the sudden rise of the moon ring under the abnormal phenomena, and the potential is also amazing."

"The palace master can evaluate it."

Xuanyuan ink evil quite surprised swept a middle-aged man.

This middle-aged man, named Sima Xun, is one of the tiandaogong think tanks. Many important decisions of Tiandao palace have been made by him.

That ye Chen can be so respected by this person, absolutely has a reason.

Xuanyuan ink evil five fingers a grip, two jade slips appear in the palm of his hand, he just wanted to open the record of Ye Chen jade slips information, the space of Tiandao palace came a little vibration.

The void is torn.

A woman with a huge sword turned out to be in the main hall of Tiandao palace.

When Xuanyuan Mo Xie saw this man, his pupil suddenly shrank. This person is actually Xuanji from the upper world!

Xuanyuan Mo Xie put down his jade slips, stood up, arched his hands and said, "Xuanji, long time no see."

Xuanji's face was calm, and his intention to kill him was moved. He looked at the God of the dragon and said, "what's the matter with the Dragon Hall of the nine heavenly gods?"

"Even if there are human beings mixed up in it?"

Xuanyuan ink evil and the Dragon God of the hot sky changed color together.

Then, Xuanyuan moxie arched his hands and said seriously: "my Lord, at present, only the blood of the dragon clan can enter the nine heaven god dragon hall, and ordinary people can't enter it at all."

Xuan Ji frowned: "there is a human woman mixed into it."

"What's more, do you know that there is a bloody dragon in the nine day dragon hall?"

"This time I came here to look for clues to the dragon."

"I only have a few days. I need all the information about the nine day dragon hall."

"Have you ever heard of the whereabouts of this blood dragon?"

This word a, the hot day dragon god and Xuan Yuan Mo evil expression extremely strange!

They are also looking for the blood dragon!

I thought that the blood dragon fell or was injured, but I didn't expect to poke the matter to that place!

How did the blood dragon do it!

Xuanyuan Mo Xie thought for a moment and said, "my Lord, what happened?"

Xuanji was obviously impatient: "you can't ask some questions, do you understand?"

"Do you have the whereabouts of the blood dragon? If not, I'll go to the nine heaven dragon hall myself

Xuanyuan ink evil hesitated for a few seconds, or shook his head: "we have never seen the blood dragon, but please go to the nine days dragon hall to look for it."

"If you have resources to use, you can contact Xuanyuan in time."

Xuanyuan ink evil is very clear, his failure absolutely can't say!

Once you say that there is such a time bomb hidden under the kingdom of God, the one in the upper bound will be absolutely angry.

Xuan Ji snorted, "no need." The words turned into stars and disappeared.

Chapter 2870

After Xuanji left, the Hall fell into an extremely solemn scene.

Even in front of the jade slips, Xuanyuan ink evil also ignored, forcefully pushed it to one side, and then said to the flaming Dragon God: "hot sky, what should we do next?"

The Dragon God hesitated for a few seconds: "under the moon ring vision, my cultivation has made rapid progress. If I face the blood dragon again, I have the strength to fight."

"Of course, for the sake of safety, I will take this stone tablet of reincarnation."

"Now I doubt more and more that the blood dragon is in that abyss."

"And the position of the abyss, that Xuanji will certainly find out."

"I've got to make sure she does it."

"And then strangle the threat in its cradle."

Xuan Yuan Mo Xie nods: "good."

"By the way, I'd like to ask you to borrow someone, if circumstances permit." The dragon god suddenly said.

Xuanyuan ink evil a Zheng, ask: "who?"

The Dragon God looked at a wall and said, "the Immortal Dragon Emperor, who was imprisoned by Tiandao palace, is very familiar with the nine heaven god dragon hall and has great strength. He has been trapped for such a long time. If he can be used by us, he may have hope to kill the blood Dragon."

"Although he is aloof and arrogant, he may compromise under sufficient interests?"

"He must have longed for freedom after being trapped for so long with those ancient and even ancient strongholds. What if he used this as a bargaining chip?"

Xuanyuan ink evil eyes are extremely serious.

These ancient strongmen are trapped. It's an order.

Although he is in charge of it, what should he do if he uses it casually?

But now, the anger of the upper world has been ignited.

Blood dragon must die!

"Give me some time to think about it. It's a big deal." Xuanyuan ink heresy.

"OK, I'll wait for your answer. I'll go to the nine heaven dragon hall first."

With the words falling, the Dragon God released a strong breath in the hot sky and rose to the sky and disappeared in the heavenly way palace in an instant.

.....

Mangshen mountain, located in the northwest of the first God Kingdom, is actually a super mountain range stretching tens of millions of miles!

Suddenly, in the space, a wave, dozens of figures, appeared in the sky of mangshen mountain!

Most of these people are dressed in black and white robes, while there are more than ten people with different costumes!

It is Ye Chen and others!

And others who came with them were part of the elite and powerful in the divine alliance. All of them exuded a strong breath!

Song Jinyi was also involved.

At this time, song Jinyi opened his mouth to the crowd and said, "according to our investigation in this period of time, in the mangshen mountain range, there is an extremely weak and almost imperceptible evil spirit, but it is incomparably pure."

"We speculate that this may be the hiding place of the devil on that day. However, we can't determine the specific location of this place by deliberately suppressing the spread of evil Qi by some means. Now, we, the members of the divine alliance, will explore the whole mountain range separately."

Said, he looked at Ye Chen and said: "Ye childe, you can arrange by yourself. When the time comes, if you find the devil that day, don't do it until you have to. Contact with the jade card!"

Ye Chen nodded his head and said, "OK, I'll wait for the mountains in the southwest."

Naturally, song Jinyi would not have any objection.

After all the Shenmeng people left, ye Chen looked at the most powerful and guardian of the great kingdom of gods. Feng Shaoyu and Xiao Bao were also among them.

Their faces looked very pale and their breath was unstable. However, they recovered about 70% of their fighting power!

Xiao Bao's lost arm also grew out again. However, the arm seemed a little thin and weak, and the left and right hands were completely out of harmony.

At this time, two people are slightly low head, a pair of submissive appearance, was completely subdued by Ye Chen.

Ye Chen's eyes flashed slightly: "for the sake of safety, let's move together. In this way, although the speed will be slower, it's better than meeting the devil alone."

The crowd nodded at the sound of the speech, which they had discussed yesterday.

Although they came to the first Kingdom of God to help kill demons, no one wanted to be cannon fodder. Naturally, it would be safer, safer and slower to act together. What's the harm?

Immediately, ye Chen and others fell down, separated by no more than 10 meters. While walking through the forest, they took out the compass given to them by the divine alliance, and explored whether there was evil Qi in their bodies.

This compass, even if it is too small to be perceived by spirits, can also be detected. However, its range is only 10 meters.

The moment Ye Chen fell into the forest, he frowned slightly. In the mountains, he felt a very abnormal feeling, which made him quite uncomfortable.

He saw a flash of black light in his eyes. The body of the demon recitation was launched, and his spirits surged out. He carefully swept around, but he got nothing!

Seeing this, yunziying couldn't help asking, "Mr. Ye, what's the matter?" Ye Chen pondered for a moment, and finally shook his head and said, "nothing, let's go."

At this time, in a cave at the bottom of the mangshen mountain range, dozens of figures in black robes were lurking here.

And the crystal stone in this cave, flashing light, dispelled the darkness of the ground.

On the stone wall around the cave, there are dark purple crystal stones inlaid on one side, which seems to be similar to Shadow crystal.

Strangely, on this crystal stone, there is a reflection of all the people in mangshen mountain!

Those who are strong in the alliance of gods, as well as ye Chen and others, have been monitored somehow!

And in the reflection of Ye Chen and other figures on the side of the crystal, standing a little thin man.

This man, looking more than 20 years old, looks ordinary, not tall or short, can be said, put in the crowd, will be submerged.

The only thing special to say is his eyes.

That pair of eyes, very cold, cold!

No one will believe that the first killer of blood blade is comparable to juejian and the three killers in front of death. Even, Wantong, who may be one of the three strongest killers in the first divine Kingdom, is such an ordinary man.

Wan Tong looked at Ye Chen in the picture without expression and said coldly, "is that magic gate array ready?"

Behind him, a black robed man said with a smile: "ready, ha ha, this time's guests, in order to destroy this ye Chen, are really under the blood! Even the magic gate array

Another said in a deep voice: "I think that this time, the guests may not just kill this boy named Ye Chen. Their goal may be the most powerful one of the major gods, isn't it?"

"I'm afraid the guest is not clean? We all know where the magic gate array came from. "

"If that is the case, are we going to carry out this task?"
