

Physician 3001

Chapter 3001

"What's the matter, master?"

Ye Chen frowned and doubted.

"This reincarnation star stone, it's weird!"

Emperor Chongguang made a magic formula and shot it on the reincarnation star stone.

Whoa!

Suddenly, on the surface of reincarnation star stone, a demon like skeleton mark appeared!

"The demon's secret, on this reincarnation star stone, has been left a secret mark!"

The emperor Chongguang looked at Ye Chen and exclaimed repeatedly. He pinched his fingers in a hurry and deduced many natural secrets.

"It's Mo Xueming! A traitor of the Ye family in ancient times, Mo Xueming! He left a secret mark on the stone of samsara

All of a sudden, Chongguang emperor pushed the cause and effect and knew the origin of the secret.

"Don't be bloody!"

Hearing the name of Mo Xueming, ye Chen's heart shrinks. He immediately uses his spiritual power to erase the secret mark on the star stone to solve the hidden danger.

This reincarnation star stone is the inheritance of the Ye family.

Unexpectedly, Mo Xueming has left a secret record.

This secret is very obscure. Even ye Chen didn't find it.

If it was not Chongguang emperor, he did not know the existence of the secret.

"Our coordinates, I'm afraid, have been exposed."

Emperor Chongguang said in a deep voice.

The coordinates of this burial site are very secret, no one knows.

But now, Mo Xueming must have learned the location of the burial place by relying on the secret record.

"Master, if Mo Xueming comes, it should also be the incarnation. I will be afraid of his real body, and the separation should not be so difficult."

After a brief shock, ye Chen quickly recovered his composure.

Mo Xueming's real body should not come here easily.

According to his understanding, Mo Xueming was too careful.

Even if the coordinates are exposed, Mo Xueming will kill you, and what you will kill will only be your own body.

Ye Chen didn't worry too much. Now his strength has become much stronger. When he meets Mo Xueming, he won't be afraid.

"It's not too late. Let's go out quickly. I'll pass on your two magic powers to help you fight against the enemy in the future."

Chongguang emperor's face was dignified. He bent his fingers and flicked two bullets. He ejected two crystal awns and poured them into Ye Chen's mind. Then he strode out with him.

Now Chongguang emperor, the emperor's soul has just got rid of the shackles of his body, and is very fragile. If Mo Xueming kills him, he will be in great danger.

Once the emperor's soul is destroyed, he will be completely destroyed. All the blood feuds and grand plans of the emperor will be reduced to dust.

Boom!

Boom!

Two emperor light, in Ye Chen's mind explodes bright.

The two powerful supernatural powers, just like the top of the mountain, are deeply imprinted in Ye Chen's sea of knowledge.

These two supernatural powers, one shining with golden light and the other filled with black air, are the ancient method of Hongmeng, the sound of Tianlong eight gods, and the supernatural power of the upper world, corroding the law!

Ye Chen has learned the sound of the eight gods of Tianlong. Now he gets the emperor light's instruction from Chongguang emperor, and his understanding goes further.

The law of corrosion, another magic power, is a special law of the upper world. It has the power to corrode the stars and stars. Even the body of the God Emperor can be corroded. It is very terrible.

In ancient times, the great emperor Chongguang also spent a lot of hard work to hide the secrets of heaven and learn the rules of the upper world. Unexpectedly, he was later used by evil corpses and was almost destroyed.

Ye Chen understood the mystery of the law of corrosion, while following Chongguang emperor to go out.

"It's too late to erase the secret."

In vain, a deep voice came out of the void.

A red robe figure, slowly out of the dark, is mo Xueming.

"No!"

Emperor Chongguang's face changed. Now he is too fragile. Once he is attacked and killed by the enemy, he will be easily destroyed.

"Don't worry, master. I'll take care of it."

Ye Chen sacrifices the bleeding soul to seal the divine pearl, and pinches the formula with fingers.

"You..."

Emperor Chongguang was in doubt.

"Don't worry. We can't be killed by just one person."

Ye Chen is calm, he has seen Mo Xueming's real body, familiar with each other's breath.

And in front of Mo Xueming, obviously weak a few points!

It must be a separate body!

"Then my life and death, please little friend."

Chongguang emperor's body flashed, and he got into the blood spirit beads and lived in this magic weapon temporarily.

"Ye Chen, I always appreciate you very much. I gave you a chance. Now I give you another chance. Would you like to cooperate with me and hand over the reincarnation star stone? Otherwise You may not be able to bear the consequences. "

Mo Xueming licked his lips, his eyes showed fierce light.

Ye family this reincarnation star stone, he has been dreaming for a long time.

If he can get reincarnation star stone, he is likely to solve the mystery of reincarnation. Even if you can't solve the mystery of reincarnation, this reincarnation star stone can help him to resolve the cause and effect.

"If you want Starstone, kill me."

Ye Chen's eyes congealed, killing together, preemptive, mouth whispered mantra, the forbidden Rune on the wall of the tomb, suddenly exploded bursts of divine light, fierce toward Mo Xueming to kill.

Ye Chen had been taught by Chongguang emperor for a long time, and he knew the incantation to control the forbidden. When he put it into practice, the Taoist forbidden Rune was condensed into Dao Dao sword meaning, and he killed all over the world.

"Oh, it's interesting."

Mo Xueming's face is slightly dignified, but he didn't expect Ye Chen to have this hand.

The forbidden system in the tomb house was arranged by Emperor Chongguang himself in those years, and it has great lethality.

Even if ye Shaoqiu is careless, he will be seriously injured.

And this Mo Xueming is just a sub body. It is not so easy to avoid the forbidden killing.

"Hiss!"

Mo Xueming offered a blood knife. The light of the sword flowed, blocking the divine light of the forbidden rune.

"Eh..."

Ye Chen is slightly surprised. Seeing the power of Mo Xueming's hand, he has obviously reached the three levels of heaven and God.

"It's kind of weird."

It is unbelievable that such a strong force can exist together.

This separation is definitely not a simple one. It must be strange.

Ye Chen calms his mind and is wrapped in seven blood lights. Countless divine lights erupt in the tomb chamber. The fierce aura of Diwei, mixed with the power of the divine law, severely kills Xiang Mo Xueming.

"Damn it!"

These prohibitions all contain emperor Chongguang's crushing power during his peak period, which has great lethality.

In the tomb house, ye Chen occupies the absolute home court advantage, which is also his trump card against Mo Xueming.

"Black evil rolling, evil blood coming!"

Mo Xueming drank violently. Under the constant killing and cutting forbidden by the tomb mansion, he also suffered great pressure and showed his true appearance immediately.

See his arm, suffused with blood, the whole body black gas flow, evil power turbulent.

Behind him is gathered a scorpion shadow!

"Be careful, it's a fierce beast in ancient times, black evil devil scorpion!"

The voice of the ancient medical God explodes in Ye Chen's mind.

"I didn't expect that the traitor had refined the black evil devil scorpion and turned him into a fierce beast!"

The ancient doctor's voice is solemn.

Chapter 3002

Ye Chen suddenly realized, no wonder Mo Xueming's body, breath so strong, the original appearance is an ancient fierce beast.

"It's hard to deal with, boy. Get out of here!"

The ancient medical God said.

Although, Mo Xueming is his heart demon, he has always wanted to eradicate Mo Xueming.

But now, Mo Xueming is a black devil, but ye Chen can't deal with it easily. He doesn't want Ye Chen to have an accident.

"Master, don't worry. If I can't even separate myself from each other, I can't overcome it. I'll talk about how to practice in the future."

Ye Chen's eyes are concise. With a wave of his big hand, all the forbidden runes are killed to Mo Xueming.

At the same time, he also wields the Sha sword, seven times blood light and the destruction Shinto erupt, fiercely runs toward Mo Xueming.

"Looking for death!"

Mo Xueming grinned grimly. He showed his true appearance. Magic weidunsheng killed his two arms and attacked Ye Chen's sword.

Zheng!

When the swords and arms hit each other, sparks splashed all over the place.

Ye Chen takes a step back slightly and stabilizes her figure.

If it had been for the past, he would have been injured.

But now, he has refined the green fruit of the God Emperor, refined the essence of the evil corpse of emperor Chongguang, and got the instruction of emperor Guangguang from the real body of emperor Chongguang. His whole person is completely transformed, and he only slightly retreats from the attack of Mo Xueming.

"Well?"

Mo Xueming is a little surprised. He can't think of his powerful blow, but he is borne by Ye Chen.

"Well, time is short. I don't want to talk nonsense with you. Juxiang zhentianjin has been suppressed by me!"

Mo Xueming looks up to the sky and roars. There are ancient magic sounds in his throat.

Behind him, there appeared a huge shadow of the God image. With a hook of his nose, it seemed that he was going to sweep across the star river. It seemed that he would shatter the mountains and rivers with one step on four feet, showing an extremely fierce momentum.

"Thirty three Tianhong Mongolian law, giant elephant town Tianjin, you can also?"

Ye Chen is a little surprised, this giant elephant Zhen Tianjin, he saw a single horn of the drought, and now Mo Xueming has also cast his hand.

As soon as the giant elephant town's natural strength comes out, suddenly, a layer of fierce sound kills the magic wave, and then crazily squeezes out.

Ye Chen's eardrum was almost shattered.

The whole tomb house is also shaking violently.

Mo Xueming's magic sound is even more powerful than the one horned drunkard.

Boom!

Finally, the whole tomb house collapsed completely.

Even the forbidden system of the tomb house could not be sustained by the adverse pressure of Hongmeng ancient law, and it was instantly destroyed.

The former luxurious and spectacular tomb house is now completely reduced to ruins, with countless stones falling down and dust rolling.

Boom!

Not only the tomb house, but all the waterfalls and cliffs outside collapsed.

Boulders flying, the current surging, stirring up waves.

"What's going on?"

"There's something wrong with the waterfall!"

In Chongguang's burial ground, many Ye's disciples were surprised to see the direction of the waterfall.

Ye Ziming, ye Zigeng and ye Xueqing, three ancestors, were also shocked.

"Did the people of the heavenly way palace come again?"

Ye Xueqing was in a state of disbelief. Seeing the shocking shock, she thought that Tiandao palace had been killed. However, as a spy, she did not receive any news.

"Go and see."

The three ancestors looked at each other and flew away.

Ye Shaoqiu has just flown to the waterfall. Now there is such a big accident on the other side of the waterfall. They just want to find out the truth.

"The breath of the Lord is there."

Ye Lingtian sensed the breath of Ye Chen.

"Let's go and have a look."

Xia Ruoxue worried about ye Chen's safety, and ye Lingtian ran away immediately.

The other disciples of the Ye family looked at each other and did not know what had happened, but when they saw that the three ancestors and ye Lingtian had gone, they also followed.

Whew!

At this time, a tall and straight figure broke through the ruins of the tomb house and flew into the air. It was Ye Chen.

Ye Chen's eardrum is in sharp pain, and his head is buzzing. Under the crushing of the giant elephant, the whole person seems to be shocked by the image of hell. The sea of knowledge is full of illusions of

mountains, mountains and rivers, and Shura skeletons. Every inch of his meridians are stinging and seems to burst at any time.

"Today is your day of death!"

Mo Xueming's eyes are sharp. The giant elephant's Tianjin is Hongmeng's ancient method. The pressure is very strong. The fierce magic sound is enough to crush ordinary God level masters alive.

Ye Chen bit his teeth, and Mo Xueming's giant elephant Zhentian strength is much more powerful than that of the one horned drunkard. He feels that the whole person is about to explode, which is very uncomfortable.

"Blood soul seal God bead!"

At the critical juncture, ye Chen once again sacrificed the blood soul seal God bead, bursts of red hazy aura, shrouded in his body, constantly alleviating his pain.

But Mo Xueming's giant elephant Zhentian Jin is still too powerful. Ye Chen's mind is still under great pressure, and it seems that it will collapse at any time. "I'll help you."

The voice of Chongguang emperor is emitted from the blood sealed beads.

He pointed a little, a wisp of vast Diwei, immediately covered in the body of Ye Chen.

Whoa!

In an instant, ye Chen feels the whole body pressure to disappear, in the mind of the devil prison illusion, all eliminate an empty.

"Damn Chongguang emperor!"

Mo Xueming's eyes were cold and he breathed.

At this time, although Chongguang emperor had a weak breath, he was still powerful enough to suppress evil and evil.

Under the majesty of Chongguang emperor, his giant elephant's power was greatly reduced.

Thank you very much

Ye Chen breathed out a breath, and Lingtai was clear and bright. Suddenly, he felt a lot fresh. With the protection of Chongguang emperor, he didn't have to be afraid of the giant elephant Zhentian power of Mo Xueming.

"It doesn't matter. This man is just weak. Let's go!"

Emperor Chongguang said in a deep voice.

Mo Xueming has just used the giant elephant's strength to suppress the sky. His strength is huge. This is the moment of weakness. This is the opportunity for ye Chen to make a move!

"Jiwu: Shenshan!"

Ye Chen suddenly drinks, how can miss this once-in-a-lifetime opportunity.

His body is full of brilliance. With a step of his step, he breaks through the void in an instant, and kills Mo Xueming with his sword.

"A sword to cut the sky!"

"Burning the sky with a sword!"

"Eternal thunder sword!"

"Sword for killing the devil!"

"The sword of the nine gods!"

"Spirit and devil kill Heaven Sword!"

Ye Chen's sword light circulates, and the sword spirit of Daodao terror spreads out.

He knew the power of Mo Xueming, so he broke out his power as soon as he made a move. The six swords turned into a powerful sword gang. With the momentum of destroying heaven and earth, he cut him hard.

Mo Xueming's pupil shrinks. He only feels that ye Chen's sword Qi is much stronger than before.

He did not dare to neglect, a fly back, and then a foot, the body by force shot out, the endless force hard toward Ye Chen hit.

At this time, Mo Xueming is not a person at all. It is an ancient fierce beast, black evil scorpion!

His whole body was filled with a dark haze, a strange dark rune, constantly flashing, two arms seem to be able to break everything between heaven and earth, showing a very terrible demon.

Ye Chen's six swords return to one and cut down fiercely. They collide with Mo Xueming.

Zheng!

Chapter 3003

A startling crash, suddenly exploded, a little spark splashed.

The next moment, ye Chen felt a huge shock force, passed it hard, and stepped back three steps.

However, Mo Xueming was still, and even his arm didn't even have a scar.

Ye Chen makes a strong blow, but there is no trace left.

"Hey, Heisha scorpion is a fierce beast in ancient times. Its body is the hardest. Even the gods can't hurt it. Can you break it? You can't hurt me unless you master the law of the upper bound

Mo Xueming grinned fiercely. The most powerful part of him was his defense against the sky.

"Ha ha, I just understood one of the rules of the upper bound."

Smell speech, ye Chen but smile up, once again a sword to sprinkle.

Hum!

The sound of Swords is moving and shaking nine days.

Wisps of dark light suddenly come out of Ye Chen's sword body, with a touch of strange corrosive atmosphere, which is constantly diffused.

The surrounding void, shrouded in the corrosive atmosphere, showed signs of collapse and cracking.

The strong corrosive atmosphere seems to make the whole world rot, which is very terrible.

"Bury the corpse and destroy the soul, corrode the law, break it!"

Ye Chen Li drinks, with the strong sword spirit of corroding the law, mercilessly cuts toward Mo Xueming.

"Well? The law of corrosion is the law of corrosion of the upper bound! How did you do that? "

Mo Xueming saw this scene, deeply shocked, and his eyes were full of surprise.

The law of corrosion is the unique law power of the upper world. Even the body of the God Emperor can be erased.

This kind of law, has the very strong corroding effect, the terror unusual.

Mo Xueming did not expect that ye Chen had mastered such a powerful law.

When the sword Qi is wielded, the rule runes are fierce. The black corrosion runes are mixed with the fierce sword power. Finally, they turn into a sword Qi that cuts through the heaven and earth, and mercilessly cuts to Mo Xueming.

Mo Xueming wants to dodge, but it's too late. He can only use his magic to turn it into a black shield.

Hiss!

However, under the pressure of the upper bound corrosion law, even the will of the black devil scorpion can not resist.

"Damn it!"

Mo Xueming Mou son a sink, but did not think of the upper bound of the corrosion law, incredibly powerful to this point, suddenly reversed the situation!

"Take me another sword!"

Ye Chen's eyes are sharp, taking advantage of Mo Xueming's injury, he kills again with his sword.

This time, however, he did not use the power of the law of corrosion.

After all, the law of corrosion is the law of the upper bound. It is not so easy to use, and it has a corrosive smell. If it is used frequently, it is likely to lead to reverse phagocytosis and suffer from corrosion.

Seven times of blood light explodes on Ye Chen's body. The dark flame in his body burns. All kinds of fire light twinkle on the sword body, and the breath is fierce.

"A little bit of work!"

Mo Xueming snorted, but he was not in a hurry. He waved the blood knife and chopped hard.

Ding!

Swords collide.

The powerful sword power directly takes ye chenzhen back two steps.

"Without the power of the upper bound law, I see how you can fight me."

Mo Xueming's eyes are cold. What he fears is the power of the law of the upper world. Now ye Chen can't use it any more, but he is relieved.

You know, his strength, realm is much higher than ye Chen, such a big gap in the realm, is not so easy to make up for.

All of a sudden, there are still many powerful arrows on the sky.

All of a sudden, ye Chen's whole body is full of towering divine light.

At this time, although his cultivation only cut through the nine layers of heaven, his breath was comparable to that of the gods.

Even, his body, with the dignity of the ancient God Emperor!

"Laocang, laokuang, and Lingtian arrow God, you..."

Ye Chen never thought that he didn't say anything, but these great powers that are about to dissipate are going to take off at this time!

"Eh?"

Mo Xueming feels the breath of Ye Chen's soaring, and his eyes shrink.

"The old man's breath..."

Mo Xueming was shocked, he felt the breath of ancient medical God!

The ancient god of medicine is one of his causes and effects.

In ancient times, he defected from the Ye family and wanted to join the demons. As a result, the demons refused to accept them and beat him to death.

Fortunately, at that time, the ancient medical God helped the world and saved his life.

Later, he slaughtered countless strongmen in the kingdom of God, and finally won the trust of the demons and successfully joined the demon army.

"Very well, I killed you and the old man, and cut off a cause and effect, which has a great effect on me!" Mo Xueming's eyes are fierce and fearless. He slashes at Ye Chen with a knife to kill him.

Although Ye Chen relies on the power of the giants, Mo Xueming's strength is too strong. Even if Ye Chen has the help of the giant reincarnation graveyard, there is a certain gap between Ye Chen and him.

"Oh! Come on! How about it! Boom! Baa! Moo! Oh! Boo

Ye Chen looks at Mo Xueming, but suddenly stops his steps. The meaning of the sky rises, and the old syllables are broken in an instant.

"This is Thirty three Tianhong Mongolian law, Tianlong eight gods sound! "

Mo Xueming's face changed greatly, and his eyes widened. The whole person was shocked.

He didn't expect that Ye Chen had become the eight gods of Tianlong!

The sound of Tianlong and eight gods, which is the 33 Tianhong Mongolian law, has very high requirements for qualification. Even ordinary gods can not bear the pollution of Hongmeng flavor.

However, Ye Chen cut off the nine layers of heaven in an adversity, and he was able to resist the pressure of Hongmeng.

Boom!

The golden light on Ye Chen's body explodes, eight five clawed golden dragons, roaring wildly out of the body, raising their heads and roaring, shaking the whole world.

He refined the evil corpse of Chongguang emperor, and got the guidance of Chongguang emperor's real body. His cultivation level has been improved by leaps and bounds.

At this time, with the help of the power of your masters, his strength is soaring wildly.

The grand and vast ancient syllables, such as the singing of the heavenly Buddha, spread out fiercely.

The power of the fierce overlord, Lingtian arrow God and Canggu medical God were all integrated into the ancient syllables, and evolved into a layer of incomparable sound killing waves, which mercilessly cut to Mo Xueming.

Bang! Bang! Bang!

In the fierce sound kill waves, Mo Xueming's body suddenly exploded a fluffy blood mist, spit blood, and knelt down directly.

The sound of the eight gods of heaven and dragon, the ancient method of Hongmeng, is so powerful. Moreover, the solemn atmosphere sung by the heavenly Buddha saint has a strong restraining effect against demons and evil spirits.

Even Mo Xueming couldn't hold on and was seriously injured.

On Ye Chen's body, eight golden sky dragons, with the ancient Hongmeng flavor, roar out.

Boom!

Eight dragon collision, Weizhen world.

Mo Xueming's body was immediately crushed, and the blood mist flew away, killing him instantly.

"Boy, you win this time, but next time, it's your death time!"

But the sound of the blood in the sky soon disappeared.

Chapter 3004

He was killed completely by Ye Chen and suffered heavy losses.

You know, his body is not an ordinary body, but refined with black devil scorpion.

Now he is directly crushed by Ye Chen, and Mo Xueming is a broken arm. If you want to deal with Ye Chen in the future, unless it is the real body, there is no way.

"Hoo..."

Ye Chen breathed a sigh of relief, and his ears were buzzing and dizzy.

With all the cards coming out, he successively applied the ancient law of corrosion, destroyed the Shinto, and Hongmeng's ancient Dharma Tianlong bashenyin. His body also suffered a great load.

Fortunately, it is worth killing Mo Xueming's body in the end.

You know, the power of this separation is not weak!

Ye Chen is also pleased to be able to kill such a powerful existence. It seems that he is really transformed and has made great progress. If it was in the past, it would be very difficult for him to deal with such an expert.

"Worthy of being the master of reincarnation, I admire you."

The voice of emperor Chongguang's admiration also came out.

He did not expect that ye Chen could really kill Mo Xueming and solve the crisis in front of him.

"Master, what are the enmities between my past life and the queen of the upper world?"

At the end of the war, ye Chen has calmed down. What he wants to know most is the secret of his previous life.

"Your previous life, and xuanjiyue, have a very bad relationship."

"In the world, you can say Fiancee. "

"Once she was just your vassal, but now, she has controlled the upper world, dominating all directions, dominating the whole world, and her youth is immortal."

Chongguang emperor's voice was bleak and there was nothing to hide. He told the ancient secret history.

"Is she my fiancée?"

Smell speech, ye Chen heart is shocked, did not expect oneself and Xuan Ji month, actually have so big entanglement.

Since there is an engagement, why kill yourself?

For love? Or benefit?

Ye Chen doesn't understand.

"This life, you can reincarnate, xuanjiyue certainly won't let you go."

Emperor Chongguang has a solemn voice.

Ye Chen's eyes flickered and remained silent for a while.

Then, his eyes became firm and clenched his fists.

"No matter what kind of love and hate I had with her in my previous life, but in this life, she is my enemy!"

"One day, I will go to the upper limit and let her pay the price!"

While speaking, there was a footstep in the distance.

Ye Ziming, ye Zigeng and ye Xueqing, ye Lingtian and other Ye family disciples, as well as Xia Ruoxue, all rushed to come.

"What's going on?"

When they saw the picture of the ruins in front of them, everyone was shocked.

Ye Chen is standing in the ruins, full of golden light, eight heavenly dragons as the guardian, the whole person as glorious as the ancient god of war, and the vast array of imperial power spread out, people dare not look up to.

There is no doubt that there has just been a great war here.

On the ground, lying a broken body, the strong spirit of God, still remains between heaven and earth.

People looked at the corpse on the ground, their faces were shocked.

This corpse, apparently a master of the heaven God realm, was killed by Ye Chen.

Ye Chen's strength, in the end is fierce to what extent.

"Ye Chen, where are the ancestors?"

Ye Xueqing's eyes turn. Just now ye Shaoqiu's imperial sword flies to the waterfall, but now it's gone. I don't know where to go.

And the corpse on the ground also makes Ye Xueqing feel uneasy.

Ye Chen saw Ye Xueqing, her eyes narrowed slightly, and there was no need to cover it up any more. She said directly:

"Ye Xueqing, when do you want to install it?"

"What are you talking about?"

Ye Xueqing was flustered and took two steps back, arguing.

"How much benefit did you receive from Tiandao palace?"

Ye Chen stands with his hands in a cold tone, staring at Ye Xueqing with his eyes fixed on him. His whole body is full of imperial power and is constantly released.

And the next moment, ye Lingtian, ye Ziming, ye Zigeng looked at each other, suddenly hand!

All of Ye Xueqing's things are blocked by three towering ideas!

As long as ye Chen says, ye Xueqing will die!

Ye Xueqing is slightly stunned and looks at everything around her. She also knows that her connection with Tiandao palace has long been seen through by all!

At the moment, it's catching turtles in a jar!

It's her trial!

Key at this time ye Chen, the breath on his body is too terrible, actually contains the dignity of the ancient God Emperor.

Under the strong imperial power, ye Xueqing is sweating all over, but he doesn't dare to quibble any more.

"Ye Chen, I don't want to say more. I just hope you can give me a chance."

Ye Xueqing kneels down completely and pleads in his mouth.

"Ye Xueqing, you are indeed the ghost of Tiandao palace!" Ye Ziming and ye Zigeng saw this, and their eyes were filled with endless anger.

They have done so much for the Ye family! Ye's family has been killed countless times!

Fail again and again!

How much blood has been shed!

Now, who could have thought that ye Xueqing was the source of all these sins!

"Ye Chen, I was also in a trance for a while..."

Ye Xueqing under the shadow of Ye Chen's imperial power and the lock-in of the three most powerful murderers, she did not dare to have a little defense, and the whole person trembled.

Ye Chen did not say a word, went to Ye Xueqing, took out the sword she wore around her waist, and handed it to Ye Ziming beside her.

"If the other two Ye ancestors are willing to give you a chance, I will agree."

Ye Ziming's eyes coagulate, and his killing intention can no longer be covered up. He waves his sword directly!

God's meaning is shocking!

Endless killing intention covers everything!

There is no chance for Xueqing!

Hiss!

The disciples of the Ye family around saw this scene and were shocked.

However, they did not expect such a sudden change.

It turns out that ye Xueqing is actually an internal ghost. If you don't eradicate it as soon as possible, I'm afraid that in a few days, she will contact the Tiandao palace to expose the coordinates of Chongguang's burial site.

At that time, the Tiandao palace will be killed, and the whole Ye family will be faced with disaster.

Now ye Chen finds out the ghost, kills with one sword and cleans the door, which can be said to have saved the future of Ye family.

Everyone looked at him with awe.

Although ye Lingtian is the head of the Ye family, everyone knows that ye Chen is the person behind.

After all, ye Chen's strength is too strong and has been inherited by Ye Shaoqiu before. He is qualified to be the backbone of the Ye family.

"Who else is an insider? Stand up."

Ye Chen, with his hands on his back, glanced at the audience indifferently.

All ye's disciples felt like falling into an ice cellar when they touched his eyes. They all shivered, and they didn't know who was the ghost.

Finally, another girl stood out trembling and knelt on the ground with tears.

"You actually joined the heavenly way palace?"

Seeing this, ye Zigeng immediately cried out in anger and wanted to kill her with his sword.

"That's it."

Ye Chen waved his hand and looked at Ye Xueqing's body: "the culprit has been removed. This man can spare her life and seal this place for the rest of her life and guard the tomb of master Ye."

"Mausoleum, what tomb?"

Ye Zigeng was stunned.

"Elder ye Shaoqiu, fell in the tomb mansion."

Ye Chen's voice is flat, but it is full of helpless sadness.

"The old ancestor fell down?"

Chapter 3005

All the people were shocked when they heard this.

The cliff and waterfall ruins in front of us are obviously the broken tomb house of Chongguang. To everyone's surprise, ye Shaoqiu fell in the tomb mansion.

After losing ye Shaoqiu, I don't know what to do about the future of Ye family.

"How did our ancestors fall?"

Ye Zigeng asked in a trembling voice.

"It's a long story. Go back and talk about it."

Ye Chen sighed, shook his head, and said lightly: "in the future, Ling Tian and I will protect the future of Ye family. You can rest assured."

Although lost ye Shaoqiu, but ye Lingtian is in, ye Chen is not too worried.

Now he rescued Chongguang emperor and killed Mo Xueming. He also removed the ghost. The cause and effect here is over.

Next, ye Chen can concentrate on the rest of the threat.

Everyone looked at each other, only felt that the rain was coming, and everyone was under pressure.

The girl's eyes were red and her delicate body was shaking. She would guard the tomb for ye Shaoqiu for the rest of her life, and her future was done.

This is the price of betrayal!

Ye Chen will not have any pity.

.....

An hour later, Chongguang was buried.

Ye Chen and Xia Ruoxue are sitting in a land of spirit grass, looking up at the sky.

"If snow, where are you going next? Return to God, Jizong or stay here? "

Ye Chen has a spirit grass in his mouth, and his eyes are sad.

Laocang, laokuang, Lingtian Jianshen, completely dissipated this time.

They defended themselves with the last blow.

Not even a few words.

From the first great power Luo Yuntian, ye Chen accepted the parting time and again.

Although already used to, but in the face of the dissipation of many powers, there are still some sentimental.

Now there is still a great power left in the samsara cemetery, which will not destroy the Dragon Emperor.

There will be more and more great powers in the future. After leaving China, ye Chen tried not to rely on the samsara cemetery.

Because ye Chen knows that the reincarnation cemetery can only be used in times of crisis, and more depends on himself.

Now he, who can shake the strong in the early days of the celestial realm, has grown up.

But what does it take to break through chaos?

"Chaotic star tree." Suddenly, a voice of indifference rang out!

The sound is full of Longwei!

Ye Chen knows that this is the voice of the Immortal Dragon Emperor!

"Master Do you think the chaos star tree is my breakthrough opportunity

The Immortal Dragon Emperor nodded: "I have been observing for some time in the samsara cemetery. Your foundation is far more than everyone else. The blood is also the blood I have never seen. If an extraordinary person wants to break through the limit of chaos, he needs a special chaotic cornerstone."

"The foundation stone of ordinary people may be like a drop of spirit liquid, but your foundation stone needs a spiritual sea."

"And the only thing that can provide spiritual sea is the chaotic star tree."

"If you try to refine the chaotic star tree completely, maybe this is your opportunity for chaos."

Ye Chen slightly happy, just want to say what, ear suddenly came to summer if snow light call sound.

"Ye Chen, look!"

Ye Chen wakes up in an instant, raises his head, and finds a piece of auspicious omen in the sky. A bird with colorful wings flies towards this side.

Summer if snow beautiful eyes slightly surprised, put out the hand, birds instantly fell in her palm.

The key, the bird's foot, tied with a rune.

Xia Ruoxue just wants to touch the rune, and a trace of forbidden force comes!

"This is for ye Chen?"

She had clearly sensed some kind of fluctuation belonging to Ye Chen just now.

"If snow, this is..."

Ye Chen asked.

Summer if snow shrugs, show hand to that bird to Ye Chen: "Ye Chen, you come to have a look."

Ye Chen Mou son a congeals, touch that bird's rune, instantly, a familiar voice rings out!

This voice is the eternal king!

"Ye Chen, there are changes in the seven divine kingdoms, the disaster of the demons! Be careful

"I sent a messenger to help you, almost killed!"

"I'm afraid there is a big conspiracy brewing here."

Ye Chen's eyes are dignified. He thought that the eternal king had already passed on the matter of Wanfa Zong's collusion with the demons. Now it seems that the first God Kingdom and the demons are extremely serious!

He must go to the first Kingdom as soon as possible!

"If snow, I'll leave first."

Ye Chen left this sentence and disappeared in Chongguang burial ground!

.....

Wuming city.

At this time, a figure flashed past Wuming city. It was Ye Chen!

Ye Chen didn't mean to stay in Wuming city.

But all of a sudden, ye Chen was moved and frowned slightly. In the city of Wuming, he fell down. The square in Wuming city is full of people.

Countless warriors gathered together and seemed quite excited. In the center of the square, there was a temporary high platform, on which stood a graceful young man in white robe.

His name was chenpo, the son of chenkou, the Lord of Wuming city.

With a smile on his face, Chen Po went to the stage. Behind him, several women unfolded a banner and hung it high.

On the banner, there were eight big characters: "do justice for heaven and eradicate evil."

Seeing these eight characters, the martial artists under the stage seem more excited and excited!

Chen Po's smile became more and more intense. When the crowd was quiet, he began to speak slowly: "presumably, everyone here has heard about the true identity of Ye Chen, the so-called eternal demon?"

When they heard this, they all exclaimed, "yes!"

Chen po said with a smile: "ha ha, how can a waste of the seventh kingdom be a real eternal monster? Now, it all makes sense. "

"This shameless man, in order to improve his strength, turned to the devil? Ha ha, this kind of villain, should not die

On the square, there was a response from the tsunami: "Damn it!"

Chen Po suddenly pointed to the banner behind him and exclaimed, "now, the opportunity is coming! The six kingdoms of God will not tolerate the evil spies. They will wipe out all his followers and force them to show up! "

"And we, as a member of the first Kingdom of God, should contribute to the eradication of this demon's spies! The first group of demon killers have already gone to the seventh kingdom, and Wuming city can't fall behind. Now, we should start to recruit the second group of demons eliminators who go to the seventh kingdom to do justice for heaven. It's my duty to recruit them! "

All of them cried out: "it's my duty to act on behalf of heaven."

However, no one found that there was a young man standing in the crowd. On his seemingly indifferent face, his eyes were full of anger!

This person, of course, is Ye Chen!

Now, ye Chen is really angry!

What do you mean?

Have you really become a demon spy?

Usually can ignore a lot of ridicule, as a dog barking, ignore.

But, ignore, also have the bottom line, the evil clan spy's stigma, to Ye Chen, already far exceeded his bottom line!

What's more, ye Chen killed a powerful and powerful demon family before he went to the place where he was born. He even threatened countless creatures in the seven kingdoms of God!

For this, even nearly paid the price of life, how long did you leave? In exchange, is the name of a demon spy?

This makes people, how can not be angry!

Chapter 3006

Chen Po has a smile on his lips. To be honest, he has no interest in what he does for heaven. The reason why he so hard to recruit so-called demon killers is because of interests!

That's right, it's the benefit. Every time a warrior is recruited, the alliance will reward the martial arts cultivation resources!

And the higher the level of cultivation, the stronger the strength, the more abundant the resources of martial arts!

This is the real purpose of Chen Po!

At the same time, he also knew that it was not only him, but also these warriors!

Are these warriors really concerned about killing demons and defending Taoism?

Ha ha, the world of martial arts is extremely cruel. How can there be so many just people?

Chen Po knows that these warriors just need a reason and an excuse!

An excuse for them to burn, kill and plunder wantonly!

In fact, this so-called exorcism trip is actually the invasion of the sixth God kingdom to the seventh God state, and the plunder and partition of the martial arts resources of the seventh God state!

The martial artists in the square all have a ferocious smile on their faces. As long as one word can make the force of the seventh kingdom of God known as ye Chen's Party member, can they do what they want?

The women of the seventh kingdom and the martial arts resources of the seventh kingdom are waving to them!

Who can stand such temptation?

What's more, they can do these things openly. They are acting for heaven, aren't they?

As a matter of fact, the people of the great gods are not fools. Ye Chen is the spy of the demon clan. There are too many doubts about it!

But why did not a person say it, but acquiesced?

There are two reasons.

1、 Although the seventh kingdom of God has made a Ye Chen, its overall strength is too weak to survive the disaster of extinction.

2、 Ye Chen, until now has not appeared the clarification, the explanation! Even so long, no news!

This second point is also the most important reason!

Ye Chen was stigmatized as a demon spy. Why can't you see a person?

Anyone can't wait to show up. Clarify everything?

What's more, with Ye Chen's pride, how can he endure it?

Then, there is only one reason!

That is, ye Chen doesn't want to explain, but can't explain it at all?

What's the explanation for the dead?

In the case of Ye Chen's death, the warriors of the major kingdoms have nothing to fear for the seventh kingdom. Instead of destroying the seventh kingdom under the invasion of extraterritorial demons, it is better to let the seventh kingdom contribute to the other kingdoms. In this way, there is still some value, isn't it?

Just as a group of martial arts people were going to rush to the stage to sign up, all of a sudden, a young man appeared in front of Chen Po!

Chen Po was slightly stunned and looked at the young man in front of him. A trace of strangeness flashed in his eyes!

The cultivation of cutting off the nine layers of heaven?

This kind of Garbage Warrior, even if he is allowed to join in the evil elimination tour, won't he get much martial arts training resources?

Moreover, although the number of warriors participating in the demons elimination trip is the more, the better. However, the number of warriors who can enter the seventh kingdom at a time is limited. Too many of them can not pass the transfer array, so they can only go there in batches.

The earlier they go to the seventh kingdom, the more resources they can exchange.

Chen Po didn't want to waste the second batch of precious places on such a waste body. Even if it was plundering and dividing up the benefits, not everyone was entitled to a share.

Even if they want to go, they can only wait for the fourth and fifth groups, right?

If you give him some leftover food from others, you will feel sorry for him.

Then, Chen po said faintly: "go down to line up, who let you come up directly?"

The martial artists on the square saw Ye Chen's accomplishments, and they also scolded one after another: "one who cuts down the enemy and cultivates himself also wants to eliminate the devil? Ha ha, get out of here

"Don't delay our time. You are not worthy to join us in killing demons."

"Acting on behalf of heaven is also about strength, boy. You're overstepping your strength!"

Under the moon ring vision, the strength of the seven Shenguo warriors has been improved a lot.

Even every day there are strong men who awaken the ancient gods and blood vessels.

This makes the practice of the seven divine kingdoms fast to the extreme!

At this time, ye Chen stands on the stage, slightly lowers his head, no one can see his expression clearly.

Suddenly, ye Chen opened his mouth.

A faint man's voice, but it seems to contain a certain strength, the instant pressure over the square, that mountain shouting tsunami.

"Are you really going to kill the devil?"

When people heard the speech, their faces changed slightly, including Chen Po on the stage.

To protect the way from evil?

Stupid?

If they really have to face demons, they may run faster than anyone else, right?

The so-called "removing demons and defending Taoism" has always been a slogan, hasn't it? This kind of thing, everybody is tacit, this person unexpectedly said?

These people, after all, are martial arts. They should be a little cheeky. They can be mean, but you can't say!

Immediately, a warrior's eyes are angry to see ye Chen.

The most angry, of course, is Chen Po on stage!

In Chen Po's eyes, the cold light explodes, and the whole body's breath starts to get angry. If this boy doesn't participate, he doesn't join in, and he dares to damage his own good deeds?

It's hard to avoid being shaken by people?

It's like everyone does bad things together. Maybe a lot of people will follow suit. However, if someone comes forward to criticize and stop them, some people will shrink back.

He stared at Ye Chen angrily and said, "boy, what are you doing here? Acting on behalf of heaven is a just act. How can you be questioned by such a waste? Are you also a spy of the demon family? You want to speak for ye Chen? "

People smell speech, eyes flash, look at Ye Chen's eyes, all with a trace of disdain.

Who can afford to wear this demon spy's hat? Even ye Chen, the eternal demon, can't afford to wear it!

This boy, no matter how crazy, in bold, also dare not say to go on?

Ye Chen was silent for a moment, then said faintly, "I am not a demon spy."

Chen Po gave a cold smile. Did you know you were afraid?

He said with a smile, "if you're not a demon spy, you should get out of here. Otherwise, I'll let you know what's called 'acting for heaven'!"

When they heard the speech, they all looked at Ye Chen with disdain and looked forward to seeing him roll down from the high platform. Ye Chen's query made their faces a little uneasy. They were eager to see ye Chen make a fool of himself!

Let Ye Chen know that some things can't be changed!

Can ye Chen, but did not move!

The next moment, a long sword appeared in his hand. He slowly raised his head and gazed at Chen Po in front of him. He said in a loud voice, "I repeat, I am not a demon spy."

A sharp look burst out of Ye Chen's eyes, just like a cold wind, swept over the faces of the soldiers present.

"I'm Ye Chen," he said in a loud voice! You, who wants to kill me? "

Chapter 3007

Silence!

The whole square, as if frozen in general silence!

"Who's going to kill me?"

They were so scared that no one dared to answer!

On the square one by one, just now they were still shouting, and all the martial artists with the color of sarcasm were shocked to see ye Chen for a time!

What are you talking about?

Is he Ye Chen?

They carefully recalled that ye Chen, the legendary invincible God of war, seemed to be really a young man with a dark sword in his hand, who had cut through adversity

Isn't it very similar to this guy?

In a flash, people feel their blood is going to coagulate, the brain will not work ah!

When ye Chen is away, they dare to be presumptuous and insulting. But if the fierce God of war really appears in front of these people, who dares to say one more word?

Don't even dare to fart!

Is it important to have a life?

But at the next moment, a burst of laughter broke out on the platform.

Everyone looked at it blankly. At this time, did anyone dare to laugh?

It is Chen Po who is laughing.

Pointing to Ye Chen, he said with a smile: "ha ha ha ha ha. If you think that you are cutting a bad situation, you can pretend to be ye Chen? You are very good at pretending? "

Fake?

Everyone was shocked!

Just now, they were shocked by Ye Chen's momentum. Moreover, this young man is very similar to the legendary Ye Chen. They will believe it subconsciously

But now, if you think about it carefully, there are quite a lot of martial arts in the seven kingdoms. Maybe he is just bluffing?

After all, ye Chen will appear early, and will wait until now to reveal his identity in their small Wuming city?

The faces of the warriors gradually relaxed.

Chen Po's heart is a pine, then, staring at Ye Chen, a trace of resentment flashed in his eyes!

Almost, I was defeated by this trash!

Just now, all the soldiers on the scene were obviously shocked by this boy, and they almost believed it!

This kid, you can't stay!

Chen Po's whole body breath, suddenly broke out, and rushed towards Ye Chen. He was a strong man of six layers of chaos!

Under the impact of Chen Po's breath, many of them could not help stepping back and their eyes were shaking!

Chen Po, worthy of being the son of the Lord of Wuming City, is extremely powerful!

This breath is so deep and congealed that it can be compared with the ordinary seven layer tianwu in the chaotic state, isn't it?

A long white jade sword appeared in Chen Po's hand. The sword spirit was surging. A dragon pattern was engraved on the body of the sword. The sound of dragon chanting could be seen in the light of the sword!

Chen Po's face was ferocious and fiercely yelled at Ye Chen: "the demon spies who bewitch people really think no one dares to kill you?"

"My son Chen Po, I'm going to kill you today!"

The next moment, Chen Po a sword, mercilessly toward Ye Chen!

Sword light floating, sharp breath like a dragon in the square, the air is constantly disappearing, the platform built of solid materials, tend to break, smash!

In a moment, the pupils of many martial artists were shrinking wildly. They seemed to fall into a sea of sword Qi. Even though the sword was not aimed at them, their whole meridians were extremely painful!

What a terrible sword! What a strong sword spirit!

At this time, most martial artists have the illusion that if Chen Po's mind moves, his whole body will be shattered by the sword spirit!

They can't help but look at Ye Chen with a look of schadenfreude on their faces. Ordinary warriors who cut the nine layers of heaven have no chance to survive with this sword!

You have to pay for it!

At this time, ye Chen is slowly in the hands of the long sword, put up.

The crowd was stunned and then sneered scornfully.

This waste, it seems, is going to give up completely and wait for death?

You don't even want to fight?

The cruel color in Chen Po's eyes is becoming more and more intense!

But in the face of this extremely frightening sword, ye Chen is light to open his mouth.

"Oh, you're going to kill me? Well, I'll kill you, too

The murderer, the person always kills!

Why did ye Chen take the sword?

Because Chen Po is not worthy to die under his sword!

In the face of Chen Po's sword, ye Chen just slowly stretched out the two fingers of Shizhong, and became the sword finger. Facing Chen Po, he chopped down!

Sword light rampant, destruction breath, contains it!

Originally, the people who were still sneering and sneering at each other, their faces solidified instantly!

Time, as if still!

What is that?

Ye Chen cut it out. What is that! Their scalp, all want to burst, this is a moment to cut the space in front of Ye Chen's body, split in two, directly cut the void, life!

What's more, it's not a broken one. It's a complete fracture!

We can imagine how sharp Ye Chen's chop is!

The most terrifying thing is that there is an extremely unknown and strange smell in this chop

Although they don't know the essence of the breath, the instinct of the warrior is roaring!

Ye Chen's chopping is extremely dangerous!

At first, Chen Po, who was still sneering, was ready to see ye Chen cut into pieces by his own sword. He even began to think about how to avoid blood mist from infecting himself. However, Chen Po's face was completely stiff!

The fear in his eyes is just like a tornado howling, which completely submerges his brain!

"No way!"

Chen Po screamed and forced to reverse the sword light. However, the sword that had attacked was quickly flying away with Chen Po's body!

Turn from attack to defense!

It's not easy for ordinary martial artists to turn from attack to defense almost without interval. Chen Po's martial art is not simple!

Can, all this in front of Ye Chen, meaningless!

Chen Po is like an ant who can juggle.

How about acrobatics?

Ants, always ants!

The next moment, that sword light, instantly appeared behind Chen Po!

Chen Po yelled and turned his sword Qi again. He attacked the sword light that ye Chen cut out. He wanted to make a final struggle!

Silent and silent, the thrilling light of the sword is integrated into Chen Po's sword spirit

To be exact, it's direct. Cut off the invisible sword Qi!

With a flash of blood, Chen Po's body split into two and fell on the ground.

To death, his face still maintained a look of incomparable fear!

Ye Chen is so terrible!

Everyone was stunned, scared, trembling

In addition to Ye Chen, who else is there to kill the enemy in the middle and later period of chaos?

At this time, ye Chen turned his head again and said faintly, "now, I give you two choices: one, roll, two, die!"

When they heard the speech, they all changed their faces and ran around in a hurry!

Less than a breath of time, the original sea of people square, it has been empty.

There were only two people, still in place.

Chapter 3008

Ye Chen looks at two people, on the face, the complexion is a pine.

These two people, one is a beautiful face, dressed in a black skirt, is Tu Lanxin!

The other was a pale man, who, according to ge Shan, should have died!

"Tu Xianzi, how are you?"

Ye Chen first asked Tu Lanxin. With Tu Lanxin's strength, he was alone in this period of time, and he was still worried when the Shenguo warriors attacked Ye Chen one after another.

Tu LAN felt warm in her heart and said with a smile, "I'm ok. That day, after I left, I felt the fluctuation of your fighting with Gao Yin, and I couldn't help but go back to find you..."

Her eyes are full of memories

That day, the battle between Ye Chen and Gao Yin was too strong. Although Tu Lanxin knew that he couldn't help Ye Chen, he still couldn't help going back

Gao Yinshi is too strong, she can't rest assured!

However, when she went back, ye Chen and Gao Yin were no longer in their original positions

Tu Lanxin searched for a long time, but instead of finding Ye Chen and Gao Yin, he met a monster!

It's close to death. It's going to be a kiss!

At the critical moment, song Jinyi appeared and killed the monster.

It turns out that song Jinyi and Gao Yin, after being seriously injured, use the means of life-saving to escape, just as it happened, was attracted here by the battle wave between Gao Yin and ye Chen.

Song Jinyi had the Shenmeng jade card, which could have locked Ye Chen's place. However, after he warned Ge Shan that Wanfa Zong was a demon spy, Ge Shan's reaction aroused his suspicion!

He realized that Geshan was probably bought by Wanfa Zong!

Therefore, in order to prevent accidents, song Jinyi used his own authority to cut off the contact between Ye Chen jade card and other Shenmeng jade cards. This is also the reason why Ge Shan and others could not find Ye Chen!

Fortunately, song Jinyi did so. Otherwise, ye Chen might have been surrounded and killed by many powerful men.

But in this way, song Jinyi could not find Ye Chen himself.

After the two met, they first stayed in Wuming city. According to song Jinyi's guess, if ye Chen knew something had happened, he would go to Shenmeng as soon as possible, and he might pass by here!

Ye Chen nodded and said to song Jinyi, "brother song, thank you very much."

Song Jinyi said with a smile: "you're welcome, brother Ye. Where have you been during this period? Why is there no news? "

At the same time, his heart was creeping!

Tu Lanxin did not find it, but from the perspective of song Jinyi, ye Chen is strong again!

What's more, it's greatly improved!

This, too terrible?

How long have they been separated?

Ye Chen, even once again to enhance the strength?

How evil this is!

Ye Chen did not explain too much about the land of Juye and Chongguang, but frowned: "brother song, why do these people say I am a demon spy? What's going on with all this? Seventh, is there any danger in the kingdom of God? "

Song Jinyi's face sank and he said in a voice: "if I guess well, Ge Shan, the leader of Shenmeng alliance, has defected! What's more, he is about to lead the six kingdoms to invade the seventh one with the purpose of using human greed to stir up internal strife! "

He analyzed the whole thing one by one. Although he was not present, almost all of them were accurate!

Ye Chen's eyes flashed a trace of killing: "brother song, I'm going to rush to the seventh kingdom now!"

Time is running out. At this time, the people from the six kingdoms should have arrived at the seventh kingdom, right?

Ye Chen's women, teachers, friends and disciples are in danger!

Song Jinyi nodded. "What brother ye said is," let's start now. I should have a way to avoid the eye of God League and bring two people back to the seventh kingdom! "

The next moment, the three people's bodies flash and disappear from their original place.

.....

At this time, the seventh kingdom of God.

A huge space crack, opened in a desert island above, cracks, slowly flying out of a spaceship!

A super spaceship with an area of 100000 square meters!

On the deck of the spaceship, there were countless warriors standing on their faces, all with a ferocious smile, like a hungry wolf about to rush into the sheep!

At the bow of the spaceship, there is a space of thousands of square meters, where there are a few people standing.

There are Ge Shan, the leader of the first Shenguo alliance, Tian Feiming, the great elder of Wanfa Zong, Tian Feiming, and the second Shenguo Zhiqiang fengshaoyu. These people can be said to be the leading figures in this invasion of the seventh kingdom!

In addition, there is a young man with sword eyebrows and bright eyes and a handsome face, but his temperament is extremely deep and his eyes are extremely vicissitudes.

The young man, dressed in a black robe, stood with his hands down. Many warriors looked at him curiously.

They don't know this man. They only know that he comes from the first Kingdom, but they have never heard of such a young talent in the first Kingdom? Even more bizarre!

Those who stand in the bow, a status, are extremely respectable to this person!

At this time, Tian Feiming saluted the young man and said, "laozuzong, are we going directly to shenjizong?"

Everyone hears the speech, is a burst of horror!

Ancestor?

Is this young man Kong Chi, the ancestor of Wanfa Zong?

But kongchi is an old man?

In the world of martial arts, it's not that there are some means to stop beauties, but it is almost impossible to rejuvenate.

This kongchi, but I don't know how many thousands of years of super old monsters, but now, even rejuvenate?

Incredible!

Kong Chi light way: "go directly, after exterminating God Jizong, you can move freely."

Those martial arts people, look at each other, are happy!

They all know that free movement means that they can plunder the women and resources of the seventh kingdom at will!

They all can't wait to die the so-called God Jizong!

Immediately, the giant spaceship trembled, it turned into a streamer, toward a certain direction, flying at a high speed!

.....

At this time, shenjizong.

Yuzhenzi, the patriarch, the ancient demon emperor Qingdi of the seventh kingdom, Jin tianog, yangchiyuan, wuzunyun, and even the three kings of the ancient people, all appear here!

Their faces were extremely heavy!

Even the green emperor, who has already broken through the heaven and God realm and whose noumenon is Canglong, is the same!

The reason why they all appear here is that they have received a message that a huge spaceship has appeared in the seventh kingdom of God, and, looking at the direction, it is likely that it is coming towards the shenjizong!

And the warriors on this ship, each breath is extremely strong, seems to come from the other six gods!

Chapter 3009

The existence of the seven divine kingdoms may be a secret to ordinary warriors. However, for the existence of the Qing emperor and the ancient three kings, it is impossible to be unaware.

The people of the other six kingdoms suddenly broke into the seventh kingdom of gods, and were still facing the God Jizong and threatening?

In any case, you can't want to have a cup of tea in shenjizong?

Although the Qing emperor and others have fought and clashed with Ye Chen, in fact, they have recognized Ye Chen as the strongest one in the seventh kingdom and the real leader of the seventh kingdom!

The God Jizong, which owns Ye Chen, is undoubtedly the first sect of the seventh kingdom. Now, these outsiders have made it clear that they want to invade the biggest force of the seventh kingdom?

This is not aggression. What else is aggression!

Qingdi and others, naturally can not sit back and ignore!

The whole shenjizong is shrouded in an atmosphere of wind and rain!

At this time, a black spot appeared in the sky. In a flash, it was in front of the holy mountain where shenjizong was located. The spaceship was even bigger than the whole Shenshan mountain!

There are hundreds of thousands of warriors on the spaceship!

Moreover, none of these warriors belongs to the weak!

The lowest level of cultivation has the medium-term strength of chopping adversity. Even, there are so many chaotic states!

There are also many celestial realms!

At this time, the warriors on the spaceship, one by one, are cruel, disdainful color, the whole body breath rolling!

Just because of the power of the 100000 martial artists, almost all the disciples of shenjizong were in despair, vomiting blood and fainting!

They all thought that the end was over, and the shenjizong was over

In the face of the military situation of the six kingdoms, which force can resist it?

The first force of the kingdom of God, Wanfa sect, may not be able to do it?

In terms of overall strength, shenjizong is not comparable with Wanfa sect, even if it has the strongest power such as Qingdi

Apart from other things, the great elders, the two elders and the three elders of the ten thousand Dharma sect are all extremely terrifying!

No matter how strong the Qing emperor is, it is difficult to achieve one enemy with three enemies within the same rank?

Not to mention, there are so many terrible warriors

Despair, only despair!

Yu Zhenzi cried out: "open the mountain protection array with all our strength!"

However, it was stopped by the Qing emperor.

His eyes flashed at the countless warriors on the spaceship, and said, "no, the mountain protection array is too weak for them. If the array is broken, it can only make the disciples of shenjizong more desperate."

Yu Zhenzi said in a deep voice, "well, what should I do now?"

In the eyes of the green emperor, he suddenly flashed with divine light, and resolutely said, "wait for ye Chen to return!"

What?

Everyone, is slightly surprised!

Waiting for ye Chen to return?

Although they don't know what happened to Ye Chen in the first Kingdom of God, the presence of these people shows that ye Chen can hardly stop them?

Chen, if there is a way to stop these people!

The Qing emperor seemed to see through all the people's ideas and suddenly cried out: "believe him! Have we not regarded Ye Chen as the leader of the seventh kingdom? "

"Well, all we have to do is believe in leaders!"

Believe in leaders!

When people heard the speech, they were all in a state of spirit, and their hearts were shaken once again!

The green emperor looked at the faces of the people, nodded, and a resolute color flashed in his eyes and said: "since we have chosen to believe, then even if it is death, we should protect the God Jizong from extinction before ye Chen returns to China!"

"Our leaders, once they appear, will win, will be us

In an instant, the breath of all the people of the God Jizong rose from the sky and was so powerful that it faintly resisted the oppression of the 100000 warriors!

At the next moment, the green emperor's figure flashed and appeared in front of the spaceship. He looked at the people on the spaceship coldly and said, "gentlemen! Now that the disaster of extermination is coming, I don't expect you to help us. However, at this critical moment, you are invading our seventh kingdom in a large scale and provoking internal strife among the human race?

Do you understand what it means to do so? "

In the eyes of the Qing emperor, these people are the biggest traitors of the Seven Kingdoms!

But the people standing in the bow of the boat looked at the Qing emperor with a sneer on their faces.

Tian Feiming said faintly: "what does it mean? Ha ha, we have found out that ye Chen is a demon spy. If we do this, it naturally means to eliminate the devil and defend the way! It will do ten thousand times more harm to leave you spies behind than to stir up civil strife

Green emperor's face, angry face together!

Spies?

This is an insult to the extremely proud Qing emperor!

He would rather die ten million times than be a demon spy!

The green emperor yelled: "turn black and white upside down! What evidence do you have? "If you want to add a crime, you can't help it!

This truth, even demon clan also understand!

Ge Shan beside Tian Feiming said with a cold smile: "evidence? We say you are, you are! A person from the seventh kingdom dare to question us? You deserve it

All the people in the bow of the boat were looking at the Qing emperor with great interest. These people completely broke their faces and exposed their real purpose!

The green emperor was so angry that he shivered and could not bear it!

These people, too shameless!

At the next moment, a thunderous roar of the dragon was heard all over the sky. The green emperor's whole body flashed with blue light, and turned into a blue thunder sword with a breath of silence. The green emperor's whole body flashed with a flash of blue light, which turned into a blue thunder sword with a breath of silence, and cut down all the warriors on the spaceship!

Originally many still sneer, ridicule of the martial arts, are the face of the color of horror!

The breath of thunder sword is so terrible!

The Qing emperor is stronger than the last time he fought with Ye Chen!

Even if Tian Feiming, Feng Shaoyu and other strength exist, are slightly shocked.

However, kongchi's look did not fluctuate.

At the next moment, Kong Chi slowly reached out his hand and seemed to slap the emperor casually!

At the moment of this slap, everyone seemed to hear a click!

Invisible, as if there is something broken in general!

Countless martial artists, one after another, show the color of horror

That broken, is it martial law!

A giant palm print, which is almost transparent, was suppressed towards the green thunder sword. The space roared, the wind roared, and the palm was crazy. The sky and the earth were changed. Under the influence of this palm, the holy mountain where shenjizong was located began to shake wildly and almost collapsed!

It's a terrible thing!

Fierce palm power, just like a mountain of ten million feet in general, hard pressure on the hearts of people, giving people a sense of no resistance!

The next moment, green thunder sword, and the giant palm print, crash!

.....

At the same time, the seventh Shenguo demon clan, dijueshan.

A startling vision soared to the sky!

there was a strange shadow of double pupils over the whole dijue mountain.

This pair of pupil lets numerous giant animals wail, surrender!

Like, the suppression of blood!

More like, the nightmare of the world was born!

No one knows what's going on here!

But if those who have the intention to pay attention to it, they will surely find a two-color shadow rushing towards the direction of the seventh God, Jizong!

At the same time, there was a tremendous sound, which lasted for a long time.

That's Xiao Huang's voice.

It is also the anger of Shuangtong nightmare.

Chapter 3010

The seventh kingdom of God, in the continuous and peaceful mountains.

Many of the martial arts in the mountains suddenly opened their eyes!

Their faces were full of horror.

These people, from the beginning of the moon ring vision, did not choose to come out.

Their world only has practice!

Their life is throughout the ancient and present!

All their goals are the end of martial arts.

These hermit strongmen should not have stopped practicing.

But in just a moment, their calm heart was covered by a red and blue light!

The red and blue light, like a nightmare, set off a storm in their hearts!

Even, there was a trace of blood seeping from the corners of the mouth of many soldiers present.

A trace of blood that they haven't spilled for thousands of years.

"Double pupil nightmare?"

"What's the possibility of the ancient dream?"

Several cold and vicissitudes of life sound at the end of the dark, for a long time.

.....

The picture turns, the seventh God Kingdom, the God extreme sect.

The atmosphere is extremely tense!

Countless people look up at the sky! The green thunder sword of Qing emperor collides with Kong Chi's giant palm print!

No one can think of the result of such a powerful blow, a blow from the gods!

Suddenly, a strange scene appeared!

It seems that, incomparably powerful, as if the green thunder sword can make all things die out, it is broken and dissipated silently!

The thunder of the Qing emperor was so unbearable in front of the kongchi?

Even with the spirit of the ancient demon emperor, he couldn't help but tremble!

In a flash, the Qing emperor turned into a human again. He was biting his teeth. In his hand was a sword full of green thunder!

Why human?

Because, kongchi is too strong, strong himself too much!

Only by fighting with martial arts and breaking through the limits of his own martial arts, can the Qing emperor have a chance of life!

Otherwise, the slap will make him die!

The green emperor's eyes flashed, his whole body was excited, and he cut out a sword towards the palm print!

Lei Guangda turned into a blue Thunder Dragon and roared towards the palm print. When the three kings of the human race on the holy mountain saw the sword of the green emperor, their eyes were bright!

This sword is very good! Even, it has a hint of true martial arts!

Although Qingdi is a demon clan, his martial arts talent can be called thrilling!

But then, they couldn't help sighing

Why sigh?

They sighed because it was too late for the Qing emperor to understand the importance of martial arts

Even if the green emperor's martial arts talent is extremely high, now, compared with this kongchi, it is basically one day and one earth!

When the sword fell apart, the huge palm print was severely suppressed on the green emperor. With a roar, the blood mist broke out all over the green emperor, and the surging dragon blood was splashed in the air, and the Dragon scales turned into little green light mixed with the blood mist.

The green emperor's whole body was stained with blood, his bones were broken and his muscles were torn. His whole body was like a shell. He hit the holy mountain hard. With a roar, the whole holy mountain collapsed completely!

Shenjizong, which was once called the first force of the seventh Shenguo, also collapsed with the collapse of Shenshan mountain. Countless buildings were turned into rubble. In a flash, shenjizong became a ruin!

Jin tianog helped up the body of the Qing emperor. His face was very ugly. If it wasn't for his body, Canglong, and his body was extremely strong, it would have been gone in smoke

However, Rao is so, and there is only one breath left. I can't fight any more

Before ye Chen came back, the Qing emperor could be said to be their greatest dependence!

But now this dependence, but by the other side at will one hand, seconds kill

Shenjizong, the morale that had just been mentioned was broken by this hand

Kongchi stood at the bow of the boat, and said, "the rest, you can do it."

"Yes

Tian Feiming, Feng Shaoyu and others all responded with a ferocious look on their faces. At the next moment, their bodies flashed, and they rushed at the shenjizong people!

Except for the green emperor, the rest of the people, in their eyes, have no difference with mole ants!

In the ruins of shenjizong, countless disciples were heard in an instant, and the cry of panic!

The war King Xing qianhan, the sword king situxin, and the soul king dongfangsheng are all cold faced. After a look at each other, they make a move!

Although the three of them are strong, they are not the opponents of the great gods and the elders of Wanfa sect

Regardless of personal strength or number of people

But!

They, but once known as the existence of the three kings of the human race! The third king of the seventh kingdom!

At this time, there is no choice but to fight!

A very extreme sword light, startled the sky, as if it could cut off the sky! After the sword light, there is a graceful figure in white, which is accompanied by the sword light, coming to all the warriors at a high speed!

It is just the sword king Situxin who is "like flying snow, sword like rainbow, and sword chopping blue sky and destroying nine heavy"!

Even those who have reached the level of chaos and nine levels of heaven have changed their faces slightly in front of this sword!

This sword, with too high attainments, has already possessed the power of surpassing the realm!

If they face it alone, it's really dangerous!

But, the next moment, Tian Feiming, Feng Shaoyu and others, the corner of the mouth is exposed a touch of ironic smile.

But they're not alone, are they?

Tian Feiming, Feng Shaoyu, Xiao Bao, the two elders of Wanfa Zong, Yu Qian, and the four of them actually joined hands!

Sword meaning, halberd meaning, spear meaning and so on, towards the sword light, roaring away!

In the face of the joint attack of several powerful men with amazing strength, even the amazing ancient sword cultivation like situ Xin was unable to resist

That sword awn, only supported an instant, then broke!

As soon as situ Xin spat out blood and his eyes coagulated, the sword in his hand, which had been with him for countless years, was smashed in an instant and turned into a pure sword idea, which surrounded his whole body.

At this time, the attack of several powerful elders from all over the world, wanfazong, arrived!

The sword collapsed, and situ Xin was covered with blood and fell to the ground powerlessly.

Feng Shaoyu and others all snorted coldly. The last sword meaning of situ Xin was strange, which actually blocked their joint attack?

A few people join hands, have not yet seconds to die this waste of the seventh kingdom, let them quite unhappy!

Just when these men were ready to pursue, Dongfang Sheng suddenly burst out: "situ Xin! do well! The blood soul burns the sky and binds the living creatures! "

A bloody flame suddenly appeared in the back of Dongfang Sheng's head. He actually directly ignited his spirit!

The power of the extremely strong spirit roared out and instantly dyed the whole sky red. The power of burning the soul turned into several big hands, which actually bound all the powerful ones!

"Soul repair!"

The few people exclaimed, even with the strength of their spirits, they could not break away from the bondage of dongfangsheng for a time!

What a terrible power!
